GREAT BODY OF THEORETICAL DOCTRINE,/ BUILT IN BRITAIN, FRANCE AND GERMANY/ DURING THE 18TH CENTURY,/ WHICH FROM GODWIN TO BENTHAM:/ FROM FOURIER TO ~~H. G. THIS DOCTRINE OF SOCIALISM/ REMAINED CHIEFLY A THEORY./ ~~WITH BUT SPORADIC EFFORTS AT REALISATION~~/ UNTIL THE FIRST WORLD WAR.// THEN IN RUSSIA/ WHERE THE CONDITION OF THE MASS OF PEOPLE/ HAD REACHED UNENDURABLE/ DEPTHS OF DEGRADATION,/ REVOLUTION ENSUED.// AN ATTEMPT WAS MADE/ TO BU ILD A COMMUNIST STATE,/ WHICH WAS SOCIALISM/ WITH COMPLETE GOVERNMENT CONTROL OF INDUSTRY/ AND OWNERSHIP OF LAND.//

¶ THIS STATE DID NOT PLAN/ TO ELIMINATE ALL INDIVIDUAL FREEDOM,/ NOR TO OVERTHROW DEMOCRACY:// IT PLANNED EVENTUALLY TO INCREASE FREEDOM/ BY ABOLITION OF POVERTY,

DISEASE AND IGNORANCE.// IT WANTED TO INCREASE THE SCOPE OF DEMOCRACY/BY PUTTING IT IN CONTROL OF INDUSTRY/AS WELL AS/OF POLITICAL LIFE.// MOST OF THE WORLD ~~IN~~ DID NOT BELIEVE/AND DOES NOT BELIEVE/THAT THIS CAN BE DONE,/~~EXCEPT POSSIBLY BY MEMBERS OF CULTURES IN AMERICA AND OTHER DEMOCRACIES.~~ ¶ WESTERN EUROPE AND THE U.S. THE CIVILIZED WORLD/ THEREFORE/FROM 1918 to 1930/USED EVERY EFFORT OF MILITARY MIGHT AND PROPAGANDA/TO OVERTHROW SOVIET RUSSIA.// THEIR MOTIVES WERE/FIRST TO SAVE THE WEALTH WHICH THEY HAD INVESTED IN RUSSIA/AND SECOND TO PRESERVE THE POSSIBILITY/OF FUTURE PROFIT IN RUSSIA,/ IN THE BALKANS/AND IN THE REST OF THE WORLD/WHERE SOCIALISM WAS SPREADING IN THEORY.// THEY MIGHT HAVE SUCCEEDED/HAD NOT THE BOTTOM FALLEN OUT/OF ~~THE~~ CAPITALIST INDUSTRY/IN THE WORLD-WIDE DEPRESSION OF THE THIRTIES.

¶ WHETHER THIS DISRUPTION OF INDUSTRY/WAS MAINLY BECAUSE OF DEFECTS IN THE Capitalist SYSTEM ITSELF/OR BECAUSE OF WORLD WAR AND DESTRUCTION,/ IS NOT A MATTER TO BE DISCUSSED IN THIS CAMPAIGN.// WHAT INTERESTS US,/ IS THE FACT THAT THE DEPRESSION IN AMERICA AND WESTERN EUROPE/GAVE THE SOVIET UNION/THE CHANCE TO ESTABLISH

COMMUNISM AS A GOING CONCERN.// NO ONE THEN BELIEVED THE EXPERIMENT WOULD SUCCEED/AND MANY STILL DOUBT/IF ITS SUCCESS WILL EVER PROVE COMMUNISM AS EFFECTIVE/FOR INDUSTRY AND FREEDOM/AS THE AMERICAN WAY OF LIFE.// WHATEVER THE ANSWER TO THIS DEBATE WILL BE,/ THE ASTONISHING ANSWER IN OUR TIME,/ WAS THAT THE SOVIET GOVERNMENT/WAS SUFFICIENTLY SUCCESSFUL/TO HELP AMERICA AND WESTERN EUROPE/TO OVERTHROW HITLER,/ A TASK WHICH/WITHOUT THE SOVIETS/WE WERE UTTERLY UNABLE TO ACCOMPLISH. (instead of this fact inviting the world,

¶ WHAT NEXT?/ NEXT IN THE ASTONISHING ALEMBIC OF TIME,/ WE HAVE TURNED RIGHT ABOUT FACE/AND AFTER CONQUERING FASCISM IN ALLIANCE WITH RUSSIA,/ WE HAVE ANNOUNCED A NATIONAL POLICY/OF PREVENTING BY FORCE/THE IDEA OF PROGRESS BY COMMUNISM/TO SPREAD//AND BEYOND THAT,/ WE ARE APPARENTLY READY TO SMASH COMMUNISM/EVEN IN THE SOVIET UNION ITSELF,/ BY EVERY MEANS AT OUR DISPOSAL.//

¶ OUR EXCUSE HERE/IS THAT RUSSIAN IMPERIALISM IS IMPOSING COMMUNISM/ON NATIONS AND PEOPLES,/ AGAINST THEIR WILL/AND THAT IF THIS SPREAD OF COMMUNISM CONTINUES,

THIS GRAVE CHARGE/IS ABSOLUTELY UNPROVEN/AND TO ME ILLOGICAL.// IT IS IDIOTIC TO SAY/THAT THE SOVIETS FORCED COMMUNISM ON CHINA.// IF ANYONE FORCED CHINA INTO COMMUNISM/IT WAS THE UNITED STATES/AND CHIANG KAI SHEK.

¶ THE CASE OF THE BALTIC STATES/IS DIFFERENT.// THEY BELONGED TO THE RUSSIAN EMPIRE/BEFORE THE FIRST WORLD WAR.//THEY WERE SEPARATED FROM THE SOVIET UNION AFTER THE WAR/NOT TO ESTABLISH DEMOCRACY,/BUT AS WAS OPENLY SAID,/TO FORM A BASE FOR RE-CONQUERING RUSSIA.// THE JUSTICE OF RETURNING THESE STATES/TO THE SOVIETS/AFTER THE SECOND WORLD WAR/WAS NOT DISPUTED.// IT WAS SHEER EVIDENCE OF OUR GOOD FAITH.

IN THE CASE OF POLAND AND CZECHOSLOVAKIA/AND THE OTHER BALKAN STATES/IT also IS UNFAIR TO SAY/THEY WERE FORCED INTO COMMUNISM BY THE SOVIETS.// IN THESE STATES/AN OVERWHELMING MAJORITY/OF THE LONG OPPRESSED WORKERS AND PEASANTS WERE ARRAYED AGAINST/A MINORITY OF WEALTHY LANDHOLDERS/ NOBLES AND INDUSTRIALISTS/

WHO FOR YEARS/IN CONJUNCTION WITH WESTERN CAPITAL/HAD EXPLOITED THESE LANDS AND PEOPLE.// THESE ~~INVADERS~~ EXPLOITERS REPRESENTED BIRTH AND WEALTH/AND THUS HAD THE EAR OF THE WORLD.// THESE WERE THE TWO ELEMENTS LOCKED IN BITTER STRUGGLE/HERE AND ALSO IN GREECE, AND ITALY.// THE SOVIET UNION DID NOT CONQUER THE BALKANS/BUT IT DID GIVE INFLUENCE,/ ARMS AND LEADERSHIP TO THE MASSES,/ AND ~~SAVE IN GREECE AND ITALY,~~/ PREVENTED AMERICA AND WESTERN EUROPE/FROM ACTIVE INTERFERENCE/ON THE SIDE OF FOREIGN INVESTORS.// ~~THE SOVIETS USED HERE THE SAME TACTICS WHICH ENGLAND, FRANCE AND AMERICA HAVE USED FOR CENTURIES.~~// IT WAS A CONQUEST/NOT OF FORCE/BUT OF IDEAS.// IT COULD HAVE BEEN OPPOSED/ONLY BY BETTER IDEAS/ AND THAT HAS NOT BEEN ~~YET PROVEN~~ TRIED NEITHER IN GREECE NOR ITALY.// LEAST OF ALL IN CHINA or KOREA.

¶ BUT OUR ROLE IS CLEAR./ WE HAVE NO RIGHT TO TAKE THE WORD/OF SENATOR LEHMAN'S ANTI-SEMITE GENERAL ANDERS/AGAINST ~~THE~~ STRONG TESTIMONY/OF THE INCREASING PROSPERITY OF POLAND,/ CZECHOSLOVAKIA & other States THERE ARE IN THE UNITED STATES/A NUMBER

TO BRING HOME MY POINT MAY I REFER again TO SENATOR LEHMAN AND GENERAL ANDERS.//I DO NOT BRING THIS UP/FROM A CAPTIOUS DESIRE TO CRITICIZE/WHAT MAY APPEAR TO SOME/AS AN INADVERTENT MISTAKE// ON THE CONTRARY, I regard it as ~~IT WAS~~ AN INCIDENT OF GRAVE IMPORT. IN THE BALTIC STATES AND THE BALKANS AS WELL AS IN POLAND, AUSTRIA, CZECHOSLOVAKIA AND HUNGARY THERE HAS LONG EXISTED A RULING CLASS BASED ON MONOPOLY OF THE LAND, HERITARY PRIVILEGE, AND ALLIANCE WITH FOREIGN INVESTMENT IN MINING AND INDUSTRY. WHEN THE CORRESPONDING CLASS IN RUSSIA WAS OVERTHROWN AND POLITICAL CONTROL FELL INTO THE HANDS OF LABOR, REACTION IN WESTERN EUROPE DEPENDED ON THIS RULING CLASS TO RESTORE THE POWER OF CAPITAL IN RUSSIA OR AT LEAST PREVENT COMMUNISM FROM SPREADING WEST. A CORDON SANITAIRE--A SANITARY BELT--TO PROTECT THE WEST AND TO FORM EVENTUALLY A JUMPING OFF POINT FOR THE RE CONQUEST OF RUSSIA. THIS FACT MUST BE CLEAR IN ORDER TO UNDERSTAND THE SENSITIVENESS OF THE SOVIETS ON THE DISPOSITION OF THESE STATES AFTER THE SECOND WORLD WAR AND HER INSISTENCE AFTER THE DEFEAT OF GERMANY THAT THE BALTIC STATES WHICH HAD LONG BELONGED TO THE CZARS BE RESTORED TO THE SOVIETS. AND TOO THE PRIVILIEGED CLASSES IN THESE STATES SAW IN THEIR RETURN TO SOVIET DOMINION THE DIMENISHING OF THEIR HOPE TO SPEAR-HEAD THE OVERTHORW OF THE RUSSIAN REVOLUTION.

WLADYSLAW ANDERS BELONGED TO THIS OUSTED CLASS OF LANDHOLDERS. HE WAS BORN IN LATVIA IN 1892 AND BECAME AN OFFICER IN THE ARMY OF THE CZARS. AFTER THE RUSSIAN REVOLUTION, HE FLET TO POLAND WHERE HE JOINED THE ANTI-RUSSIAN FORCES WHICH CENTERED THERE AND BECAME A GENERAL IN THE POLISH ARMY, ALTHOUGH HIS CHIEF ACTIVITY LAY IN HIS STABLE OF RACING HORSES. UNDER PILSUDSKI THE

POLISH DICTATOR POLAND WAS ORGANIZED AS THE CENTER OF RESISTENCE TO THE SOVIET UNION. MILITARISTS AND LANDLORDS, INCLUDING ANDERS UNITED IN EVERY EFFORT AGAINST RUSSIA, AND THE POLES PREVENTED THE RUSSIAN ARMIES FROM AIDING CZECHO-SLOVAKIA IN HITLER'S ATTACK AND SEIZURE. WHEN THE NAZIS TURNED UPON THE POLES, THE GOVERNMENT TOOK THE GOLD RESERVES AND FLED TO LONDON LEAVING A MORE LIBERAL POLISH REGIME IN WARSAW. THE YALTA CONFERENCE RECONGIZED THE WARSAW GOVERNMENT, ASKING INCLUSION OF CERTAIN RIGHTEST ELEMENTS.

JUST BEFORE 1939 ANDERS JOINED IN A PLOT TO UNITED INTO A FASCIST PARTY THE REACTIONARY AND ANTI-SEMITIC SOLDIERS OF POLAND. AFTER THE OUTBREAD OF THE WAR AND WHEN GERMANY INVADED THE SOVIETS, POLISH PRISONERS WERE RELEASED AND ANDERS FORMED A POLISH ARMY ON RUSSIAN SOIL. THE SOVIET UNION GRANTED A LOAN OF $250 MILLION WITHOUT INTEREST TO ASSIST THIS ARMY. HOWEVER ANDERS DID NOT PROPOSE FIGHTING WITH THE RUSSIANS AND JUST BEFORE THE BATTLE OF STALINGRAD HE MOVED HIS ARMY OUT OF RUSSIA IN AUGUST 1942.

THE AMERICAN WAY OF LIFE, theory of CONSISTS IN WIDE FREEDOM OF INITIATIVE AND ACTION IN WORK AND THOUGHT LIMITED BY DEMOCRATIC CONTROL OF THE INDIVIDUAL IN THE INTERESTS OF THE COMMUNITY // SUCH CONTROL ~~BASED ON OLD CUSTOM AND CONSIDERABLE GENERAL INTELLIGENCE~~ HAS BEEN ~~NOTABLY~~ SUCCESSFUL IN RAISING OUR STANDARD OF LIVING ~~HIGH~~ AND IN FORWARDING OUR TECHNICAL EFFICIENCY AND RESOURCEFULNESS. // ALSO DEMOCRATIC CONTROL OF INDIVIDUAL ACTION IN THE COMMON INTEREST HAS BEEN MADE MORE EFFECTIVE THROUGH INCREASED INTELLIGENCE OF THE MASSES BECAUSE OF OUR PUBLIC SCHOOLS AND COLLEGES // ~~IT IS ONLY~~ IN THE 19th Century, our democracy failed because of race slavery IN THE TWENTIETH CENTURY, again ~~THAT~~ DEMOCRACY IN AMERICA HAS BEGUN TO FAIL IN CURBING HARMFUL INDIVIDUAL ACTION: // AND ~~THAT~~ ORGANIZED INDUSTRY THROUGH CORPORATIONS AND MONOPOLY HAVE PRACTICALLY DISPLACED DEMOCRATIC GOVERNMENT IN THE CONTROL OF HUMAN ACTION // THUS OUR MOST PRESSING DOMESTIC PROBLEM HAS LATELY BECOME HOW OUR VOTE CAN CONTROL BIG BUSINESS in wide areas

AND KEEP GENERAL WELFARE AND NOT PRIVATE PROFIT OUR CHIEF AIM.

THIS GREAT NATIONAL DUTY HAS BEEN MADE MORE DIFFICULT OF ACCOMPLISHMENT BECAUSE OF OUR FOREIGN ~~TRADE~~ relations, FOREIGN INVESTMENT AND LATELY OUR ATTEMPT TO CONTROL FOREIGN POLICY AND GOVERNMENTS // THESE FOREIGN INVOLVEMENTS HAVE INCREASED THE POWER OF CAPITAL IN OUR OWN NATION BY TURNING VAST FUNDS RAISED BY THE TAXATION OF OUR MASSES INTO MILITARY ACTION ~~AND INVESTMENT~~ FOR THE INTERESTS OF PRIVATE ENTERPRISE ABROAD. THUS INCOME FROM FOREIGN ENTERPRISE MAKES OUR DOMESTIC CORPORATIONS, MORE AND MORE INDEPENDENT OF DOMESTIC DEMOCRATIC CONTROL // OUR EXCUSE FOR FOREIGN ENTERPRISE HAS BEEN ~~PRIMARILY PRIVATE PROFIT~~ BUT ALSO in theory THE DESIRE TO ENCOURAGE IN FOREIGN LANDS THE AMERICAN WAY OF LIFE, ~~WITH ITS FREEDOM OF INITIATIVE,~~ INSTEAD OF LETTING SPREAD SUCH GOVERNMENT ACTION AS WOULD CURTAIL AND KILL FREEDOM.

To bring home my point may I refer here to Senator Lehman and General Anders I do not bring this up from a captious desire to criticize what may appear to some as an inadvertent mistake. On the contrary it was an incident of grave import. In the Baltic states and the Balkans as well as in Poland , Austria, Czechoslovakia and Hungary there has long existed a ~~privileged~~ ruling class based on monopoly of the land, heritary privilege, and alliance with foreign investment in mining and industry. When the corresponding class in Russia was overthrown and political control fell into the hands of labor, reaction in western Europe depended on this ruling class to restore the power of capital in Russia or at least prevent communism from spreading west. Supported by western arms and wealth these Border States became what Clemenceau called a Cordon Sanitaire -- a sanitary belt -- to protect the west and to form eventually a ~~starting~~ jumping off point for the conquest of Russia. This ~~point~~ fact must be clear in order to understand thesensitiveness of the Soviets on the ~~government in~~ dispersion of these states and her insistence after the defeat of Germany that the Baltic states which had long belonged to the Czars. (after the 2nd world war) And too the privileged classes in these states saw in their return to Soviet dominion the ~~passing~~ dimming of their hope to spear head the overthrow of the Russian revolution

11B

Wladyslaw Anders belonged to this ousted class of landholders. He was born in Latvia in 1892 and became an officer in the army of the Czars

After the Russian Revolution, he fled to Poland where he joined the anti-Russian forces which centered there and became a genreral in the Polish army, although his chief activity lay in his stab,e of racing horses. Under Pilsudski the Polish dictator Poland was organized as the center of resistence to the Soviet Union. Militarists and landlords united in every effort against Russia, and the Poles prevented the Russian armies from aiding Czechovakia in Hitler's attack and seizure. When the Nazis turned upon the Poles, the government took the gold reserves and fled to London leaving a more liberal Polish regime in Warsaw. The Yalta Conference recognized the Warsaw government, asking inclusion of certain rightest elements.

From Iran the Anders army moved to Italy to join the American army, but with the openly declared object of becoming the nucleous of an army to attack the Soviets. By incorporating former Nazis into his ranks, his army grew to over 100,000, and after the Germans withdrew the Adders army massacred Poles, Russians and Jews. The N.Y.Times said, in Feb. 1946 "that the story of this army in Italy was "an ugly one". "They terrify the Ilalians impoverish the countryside" and interfers in local politics; they aer "a genuine curse" to Italy. The N.Y. Herald-Tribune, in 1947, called Adders "a dangerous firebrand". Meantime his associate s were intriguing in Poland.

Just before 1939, Anders joined in a plot to unite into a fascist party the reactionary and anti-Semitic soldiers of Poland. After the outbreak of the war and when Germany invaded the Soviets, Polish prisoners were released and Anders formed a Polish army on Russian soil. The Soviet Union granted a ~~large~~ $250 million loan without interest to assist this army. However Anders did not propose fighting with the Russians and just before the Battle of Stalingrad he moved his army out of Russia in August 1942. He had 75,000 soldiers and 37,000 of their families. Anders movement was a blow to the entire allied cause. Anders drove Jews, socialists and liberals out of his army and made it clear that he was proposing to fight the Soviet Union.

In 1944, his army was in the Near East and in Teheran, he put the Jews into a ghetto, while the officers in his army lived in the best apartments. A continuous campaign against Russia was inducted. He got large stocks of goods from America, none of which reached the babies of Teheran, some of which was sold in open ~~market~~ market. The Poles also speculated in Iranian money. They stopped the people of Iran from sending Jewish children to Palestine and in disgust MacDonald of the Red Cross resigned.

Anders then intrieged against his own commander and chief Sikorski, Prime Minister of the Polish Government in exile and stationed in London. Attempts were made on Sikorski's life, and finally Sikorski and all his party were killed in Gibraltar. Anders participated in the allied campiagn in Italy; sought to enlarge his army and arrange for an attack on Russia. From the allied prison camps he took Poles and Nazis, getting a fifth of his army from those who had served under Hitler. One estimate was that 30,000 former Nazis were attached to the Polish army. international adventurers and Nazi troops who had massacreed Poles Russians and Jews. The resentment of the Italian poeple grew because of Anders army. The NEW YORK TIMES reported that they terrified the Italians, impoverished the countryside, interfered in local politics and were resented as a genuine curse to the Italian government and to Italy. Especially they were involved in the black market.

In the NEW YORK HERALD TRIBUNE , Anders was denounced as a dangerous fire-brand if ever there was one. His army was transferred from Italy to Great Britain, where he was cordially hated and every effort made to get rid of him which Anders resisted. Their stay cost the British government $442,000,000. Next a corpsof his army came to Palestine where they stirred up trouble with 10,000 officers and men , many of whom were anti-smetic. Some of them had to removed from settlements for killing Jews and were forced to be evacuated.

At the same time Anders actively interfered with affairs in Poland when the people were trying to rebuild their industries , farms and schools. Underground gangs were guilty of terror and sabatage as were prooved in public trials in Poland in 1947-8. Arms and spies were smuggled into the country by the Anders organization, thus Anders and his army in exile caused a friction in Italy, England Scotland, Palestine and Poland. By unanimous decision of the Council of Ministers Anders was deprived of citizenship in 1946, for a long series of activities detrimental to the Polish State. In that decision Stanislaw Mikolajczyk rightist Polish Primier concorded

When that event took place Anders proposed to invade Iran. This he did in 1942, with and army of 75,000 soldiers and 37,000 members of their families in addition, under the protection of the British. Their conduct in Iran was described by the New York Times as outrageous; Jews were convined to a ghetto; 300 Jewish children were not allowed to leave for Palestine; a continuous campaign was conducted. THE AMERICAN WAY OF LIFE

BY

W. E. B. DU BOIS

The American Way of Life, consists in theory of wide freedom of initiative in work and thought, limited by democratic control of the individual in the interests of the community. Such control has been successful in raising our standard of living and in forwarding our technical efficiency and resourcefulness. Also democratic control of individual action has been made more effective through increased intelligence of the masses because of our public schools and colleges. In the 19th century our democracy failed because of Negro slavery. In the 20th century democracy in America has begun again to fail because organized industry, through corporations and monopolies has in wide areas displaced democratic government. Thus our most pressing domestic problem has lately become how our vote can control big business and general welfare and not private profit our chief aim.

This great national duty recently has been made more difficult of accomplishment because of our foreign relations and lately our attempt to control foreign policies and governments. These foreign involvements have increased the power of capital in our own nation by turning vast funds raised by the taxation of our masses into military action and industry to support military needs for the interests of private enterprise abroad. Thus income from foreign enterprise makes our domestic corporations, more and more independent of domestic democratic control. Our excuse for foreign enterprise has been in theory the desire to encourage in foreign lands the American Way of Life.

But in this policy, what we forgot was that our way of life when successful had two aspects: individual freedom and democratic control

What we tried to introduce into China, Greece and Korea was freedom of business enterprise for us and for that of local capital without any foundation of democratic control which could act to curb either foreign or

domestic business. In lands where the standard of living was and had been wretchedly low and the illiteracy almost total, our policy tended to hand labor and materials into the uncontrolled power of greed both foreign and domestic. To implement this program, for instance we took six billions of money from the pockets of the poorest American taxpayers to bolster the tyranny of Chaing Kai-Shek. Most Americans seem still unable to understand why 400 million Chinese arose in their poverty and ignorance and by years of superhuman effort drove this combination of profit and greed into the sea.

Similarly in Greece where the democratic foundation had never been laid our vast business enterprise, backed by our military and naval power, fastened in control those Greek rulers whose method was tyranny and whose object the exploitation of the poor. There they sit today while the mass of Greek people starve. America brings to backward lands not freedom and democracy, but exploitation and dictatorship from merchant and soldier.

Consider Korea, instead of planting schools, to educate the people in democracy; or dividing up the land monopoly so that the Koreans might eat, we gave freedom of initiative to Syngman Rhee and his gang of big landholders, and proceeded to let them without any restraint either from a native democracy or from the American army which backed American Big Business, to use Korea as their private property. We knew what we were doing; we publicly accused Rhee of oppression and theft, but continued to pour dollars of our taxpayers into his filthy pockets, and are today restoring his power by order of the Wild Man of Tokyo.

When the lid blew off this unholy alliance, we arose in righteous wrath and sent our sons by thousands to kill and be killed, to ruin a raped and unhappy land, not for democracy but for Big Business. We put the blame on Russia and accused the Soviets of a conspiracy which we were never able to prove. Even when we have entered lands like Germany and Italy to implement democracy what we really br ught and intended to bring was not popular control

of government and work, but American business methods in offensive and defensive alliance with domestic business led increasingly by former Nazis and Fascists. This organization of work was not in the past adequately or properly curbed by democratic methods, was not set to subject individual freedom to the commonweal; and now with even less democracy and with greedy foreign capital joined to native power, we established neither democracy nor freedom, but i cipient revolution.

What did we want in Puerto Rico? To make money. Why did we seize Puerto Rico? To make money. What did we do in Puerto Rico? We made money. To be sure, out of our loot we took a new dime from every dollar and gave the Puerto Ricans one school where they needed a hundred and one hospital where they needed ten. While we kept on making money out of this starved and ignorant crowded mass of cheap workers and out of the tons of sugar cane they watered with blood. We gave them self-rule in name only, while in truth they were an oppressed and unrepresented colony. From this history what w can we expect? Sweetness and light? No. They that sow the wind reap the whirlwind. This is our harvest in Puerto Rico. This will be the harvest from the seeds we are sowing today in Asia? But vaster--millions instead of thousands; the death of a civilization and not insane and deplorable attempts at assassination.

In Europe, where because of war, curbs of democracy over industry were weak, we have bolstered French capital by huge subsidy so that the nation is split in twain, with the vast majority determined never to enter another war on any terms, least of all terms set by American business. Italy lies landless and starved under our heel.

But why does America want another war? That we do want war and are increasingly preparing to have it, it today apparent to the whole world. We stand today as one great nation of war-mongers, ready to pour into organized destruction a treasure greater than we ever gave to missions, education or

356-1144

45-6-60

health altogether; ready to educate the youth of the nation for murder. Secretary of Defense, Marshall, demands universal military training, before we have established universal learning to read and write.

Meantime, a large part of Europe and Asia has begun to look for liberation from poverty, disease and ignorance to that great body of theoretical doctrine, built in Britain, France and Germany during the 18th century, which from Godwin to Bentham; from Fourier to Bernard Shaw, from Marx to Lenin honestly believed that the whole system of industry built on provate property of capit l goods must be changed and a national socialism established with government control of industry for the benefit of the actual people who did the work.

35-6-745

This doctrine of socialism remained chiefly a theory, until the First World War. Then in Russia where the condition of the mass of people had reached unendurable depths of degradation, revolution ensued. An attempt was made to build a communist state, which was socialism with complete government control of industry and ownership of land.

45-6-61

This state did not plan to eliminate all individual freedom, nor to overthrow democracy: it planned eventually to increase freedom by abolition of poverty, disease and ignorance; it wanted to increase the scope of democracy by putting it in control of industry as well as of political life. Most of the world did not believe and does not believe that this can be done.

Western Europe and the United States therefore from 1918 to 1930 used every effort of military might and propaganda to overthrow Soviet Russia. Their motives were first to save the wealth which they had invested in Russia and second to preserve the possibility of future profit in Russia; in the Balkans and in the rest of the world where socialism was spreading in theory. They might have succeeded had not the bottom fallen out of capitalist industry in the world-wide depression of the thirties.

Whether this disruption of industry was mainly because of defects in the capitalist system itself or because of world war and destruction, is not a matter to be discussed in this campaign. What interests us, is the fact that the depression in America and Western Europe gave the Soviet Union the chance to establish communism as a going concern. No one then believed the experiment would succeed and many still doubt if its success will ever prove communism as effective for industry and freedom as the American way of life. Whatever the answer to this debate will be, the astonishing answer in our time, was that the Soviet Government was sufficiently successful to help America and Western Europe to overthrow Hitler, a task which without the Soviets we were utterly unable to accomplish.

What next? Next in the astonishing alembic of time, instead of this fact uniting the world we have turned right about face and after conquering fascism in alliance with Russia, we have announced a national policy of preventing by force the idea of progress by communism to spread and beyond that, we are apparently ready to smash communism even in the Soviet Union itself, by every means at our disposal.

Our excuse here is that Russian Imperialism is imposing communism on nations and peoples, against their will and that if this spread of communism continues, it may eventually be forced on us against our will.

This grave charge is absolutely unproven and to me illogical. It is idiotic to say that the Soviets forced communism on China, if anyone forced China into communism it was the United States and Chaing Kai-Shek.

The case of the Baltic States is different. They belonged to the Russian empire before the First World War, they were separated from the Soviet Union after the war not to establish democracy, but as was openly said, to form a basr for re-conquering Russia. The Justice of returning these states to the Soviets after the Second World War was not disputed. It was sheer evidence of our good faith.

In the case of Poland and Czechoslovakia and the other Balkan States it is also unfair to say they were forced into communism by the Soviets. In these states an overwhelming majority of the long oppressed workers and peasants were arrayed against a minority of wealthy landholders, nobles and industrialists who for years in conjunction with Western capital had exploited these lands and people. These exploiters represented birth and wealth and thus had the ear of the world. These were the two elements locked in bitter struggle here and also in Greece, and Italy. The Soviet Union did not conquer the Balkans but it did give influence, arms and leadership to the masses, and prevented America and Western Europe from active interference on the side of foreign investors. It was a conquest not of force but of ideas. It could have been opposed only by better ideas and that has not been tried neither in Greece nor Italy; least of all in China or Korea.

But our role is clear; we have no right to take the word of Senator Lehman's Anti-Semite, General Anders against strong testimony of the increasing prosperity of Poland and Czechoslovakia and other states. There are in the United States a number of Poles who recently lost jobs in Poland, which paid them well for doing nothing. They will never happy until they get those jobs back; which means they will never be happy.

To bring home my point may I refer again to Senator Lehman and General Anders. I do not bring this up from a captious desire to criticize what may appear to some as an inadvertent mistake. On the contrary, I regard it as an incident of grave import. I was in Poland in 1893, and 1949. My first visit took place a year after Wladyslaw Anders was born in Latvia in a rich land-holding family. I saw in 1893, not only the wealth and ostentation of the land-holding aristocracy but the degradation and tyranny under which Poland grovelled at the hands of Russia, Austria and Germany. And in 1949, despite the wild destruction of war I saw a nation re-born and infinitely more prosperous than 56 years before. Anders born into this

ruling class became a Colonel under the Czars. When the revolution came, he with so many of his class fought the Soviets and then took refuge in Poland which became the center of Western Europe's efforts to reconquer Russia. Anders became a General in the Polish army and spent most of his time on his stable of race horses. Eventually he joined with Pilsudski in an all-out effort to united into a fascist party the reactionary and anti-semitic elements of Poland. Landlords and Militarists joined in every effort against Russia. When Hitler finally attacked Czechoslovakia it was Poland that prevented Russia from coming to the rescue. When Germany and the Soviets made alliance Anders offered his services to the Soviet Union. The Soviets loaned him $250 million without interest. He drove all Jews, socialists, and liberals out of his ranks and equipped an army of 75,000

When the Germans turned and attacked the Soviet Union, Anders without striking a blow for the Soviets deserted just before the seige of Stalingrad and under the protection of the British took his whole army with 40,000 members of their families to Iran. From 1942 to 1944, Anders was in Teheran where he promptly clapped all Jews in a ghetto, confiscated large stocks of goods from America intended for the Persians and sold them in open market. He stopped Jewish children from being sent to Palestine, speculated in Iranian money and acted so outrageously that at last MacDonald, head of the Red Cross resigned in disgust. The powerful Polish lobby in Washington prevented publicity in America

Anders then joined the allied campaign in Italy and sought to enlarge his army and arrange for an attack on Russia. From the allied prison camps he took poles and Nazis, getting a fifth of his army from those who had xxxxx served under Hitler. One estimate was that 30,000 former Nazis were attached to the Polish army. His camp in Italy became a rallying ground for international adventurers and nazi troops who had massacred Poles, Russians

and Jews. The resentment of the Italian people grew because of Anders' army. The NEW YORK TIMES reported that they terrified the Italians , impoverished the countryside, interfered in local politics and were resented a s a genuine curse to the Italian government and to Italy.

In the NEW YORK HERALD TRIBUNE, Anders was denounced as a "dangerous fire-brand if ever there was one." His army transferred to Great Britain from Italy, where again he was cordially hated and every effort made to get rid of him. His army's stay cost the British Government $442,000,000. Next a corps of his army, 10,000 officers and men, came to Palestine where they stirred up trouble between Jews and Arabs. Some of them had to be removed from settlements for killing Jews and finally the corps was forced to be evacuated.

At the same time Anders actively interfered with affairs in Polant while the people were tryint to rebuild their industries, homes, farms and schools. Underground gangs were guilty of terror and sabotage as was proven in public trials in Poland in 1947-48. Arms and spies were smuggled into the country by Anders organization, until by unanimous decision of the Council of Ministers, Anders was deprived of Polish citizenship in 1946, for a long series of activities detrimental to the Polish State. In th t decision Stanislaw Mikolajik, leader of the right wing concorded. But Anders was not through, during the cold war, Anders kept his ear to the ground, and when America seemed set on a war with the Soviets, Anders planned to come to New York to further his internatial intrigue. In New York he was welcomed by the representatives of the ousted landlards of Poland, by Merwin Hart, the professional Anti-Semite, by Americans interested in foreign investment and set on war with the Soviets. The history of this notorious freebooter must have been known to Senator Lehman: he must have known his Anti-Semitism and his determination to plunge the world into a Third World War. But

Senator Lehman's l yalty to the investment interests of Wall Street outweighed all this and he joined to welcome Anders to America and reviewed with him a parade down Fifth Avenue, carrying banners to insult Russia and cry for war and atom bombs on Moscow. Lehman sent a letter of warm welcome to the brilliant dinner that night. Thus Senator Lehman put money-making and war ahead of humanity and peace and proved himself unworthy of the support of those who want peace and civil liberty.

We have no basis for denying that the Balkan States are not progressing faster today than in the last ten centuries. Western Europe and America had every opportunity to uplift the Balkans and particularly after the First World War. They only tried to fasten the chains of landlordism and exploitation tighter upon them.

The United States is today using every device, encouraging every spy, financing every traitor to stir up civil war and revolt in every nation which does not obey our will; and using the taxes wrung from our poverty and not from our wealth to accomplish this dirty job. We have no right to prevent China, Korea, Viet-Nam and other nations from choosing without duress from us or Russia, they type of government and system of industry which they prefer.

Above all, it is an international crime to overturn civilization in a vain attempt to overthrow the Soviets by force. We cannot do this, but we can put a blight on human culture for centuries by the attempt. I ask your suffrages to place these ideas on the floor of the Senate of the United States.

THE AMERICAN WAY OF LIFE

BY

W. E. B. DU BOIS

The American way of life, consists in wide freedom of initiative and action in work and thought, limited by democratic control of the individual in the interests of the community. Such control based on old custom and considerable general intelligence has been notably successful in raising our standard of living high and in forwarding our technical efficiency and resourcefulness. Also democratic control of individual action in the common interest has been made more effective through increased intelligence of the masses because of our public schools and colleges. It is only in the Twentieth Century, that democracy in America has begun to fail in curbing harmful individual action; and that organized industry, through corporations and monopoly have practically displaced democratic government in the control of human action. Thus our most pressing domestic problem has lately become how our vote can control Big Business and keep general welfare and not private profit our chief aim.

35-4 98

This great national duty has been made more difficult of accomplishment because of our foreign trade, foreign investment and lately our attempt to control foreign policy and government. These foreign involvements have increased the power of capital in our own nation by turning vast funds raised by the taxation of our masses into military action and investment for the interests of private enterprise abroad. Thus income from foreign enterprise makes our domestic corporations, more and more independent of domestic democratic control. Our excuse for foreign enterprise has been primarily private profit but also the desire to encourage in foreign lands the American Way of Life, with its freedom of initiative, instead of letting spread such government action as would curtail and kill freedom.

But in this policy, what we forgot was that our way of life had two aspects: individual freedom AND democratic control. What we tried to introduce into China, Greece and Korea was freedom of business enterprise for us and our profit and that of local capital without any foundation of democratic control which could act to curb either foreign or ~~domestic~~ ~~control~~ domestic business. In lands where the standard of living was and had been wretchedly low and the illiteracy almost total, our policy tended to hand labor and materials into the uncontrolled power of greed both foreign and domestic. To implement this program we took six billions of money from the pockets of American taxpayers to bolster the tyranny of Chiang-Kai-Chek. Most Americans seem still unable to understand why 400 million Chinese arose in their poverty and ignorance and by years of super-human effort drove this combination of profit and greed into the sea.

35-4-99

Similarly in Greece where the democratic foundation had never been laid, our vast business enterprise, backed by our military and naval power, fastened in control those Greek rulers whose method was tyranny and whose object the exploitation of the poor. There they sit today while the mass of Greek people starve. So further in Korea, instead of planting schools, to educate the people in democracy; or dividing up the land monopoly so that the Koreans might eat, we gave freedom of initiative to Shingman Rhee and his gang of big landholders, and proceeded to let them without any restraint either from a native democracy or from the American army backing American Big Business, to use Korea as their private property. We knew what we were doing; we publicly accused Rhee of oppression and theft, but continued to pour the dollars of our taxpayers into his filthy pockets. When the lid blew off this unholy alliance, we arose in righteous wrath and sent our sons by thousands to kill and be killed, to ruin a raped and unhappy land, not for democracy but for Big Business

Even when we have entered lands like Germany and Italy to implement

democracy, what we really brought and intended to bring was not popular control of government and work, but American business methods in offensive and defensive alliance with domestic business in these lands. This organization of work at home had never been adequately or properly curbed by democratic methods set to subject individual freedom to the commonweal; and now with even less democracy and foreign capital joined to native power, we have not democracy not freedom, but incipient revolution.

In France where the power of Big Business was always great and the curbs of democracy weak, we have bolstered French capital by huge subsidy so that the nation is split in twain, with the vast majority determined not to enter another war on any terms, least of all terms set by American business.

35-4-100

But why does America want another war? That we do want war and are increasingly preparing to have it, is today apparent to the whole world. We stand today as one great nation of warmongers,, ready to pour into organized destruction a treasure greater than we ever gave to missions, education or health altogether; ready to educate the youth of the nation for murder. A recent public opinion poll showed only 10 to 15 percent of the population in Britain, France and Scandinavia expecting a Third World War, while here 90% expect war and a vast majority are willing to prepare for it in every way: by curtailing civil rights; by stopping peace rallies and peace appeals; by driving all who disagree out of decent work. We emerge today not as the Land of the Free but as the gre t Slave State.

Why? Because in ce rtain nations, where there has been in historic times, little or no democracy the problem of organizing work, establishing industry and maintaining government, presented entirely different problems then we ever faced in America. Slavery and serfdom; land monopoly and hereditary privilege, ~~xxxxxxx~~ united with foreign capital pouring in to reap vast profit from low wage and cheap raw materials, presented a problem of reform which called for new and unusual remedies. Russia and

the Balkans, parts of Western Europe, Africa and Asia began to look for liberat on from poverty, disease and ignorance to that great body of theoretical doctrine, built up in Britain, France and Germany during the 18th Century, which Godwin to Bentham; from Fourier to from Marx to Lenin believed that the whole system of industry built on private property of capital goods must be changed and a national socialism built on Government control of industry for the benefit of the actual people who did the work.

35-4-101

This doctrine of Socialism remained chiefly a theory, with but sporadic efforts at realization, until the First World War. Then in Russia where the condition of the mass of people had reached unendurable depths of degradation, revolution ensued under the planning of Lenin, an attempt was made to build a Communist State, which was Socialism with complete government control of industry and ownership of land. This state did not plan to eliminate individual freedom, not to eliminate democracy; it planned to increase freedom eventually by abolition of poverty, disease a and ignorance; it wanted to increase the scope of democracy by putting it in control of industry as well as of political life. Most of the world did not believe and does not believe that this canbe done, except possibly by methods current in America and other democracies. The civilized world therefore from 1918 to 1930 used every effort of military might and propaganda to overthrow Soviet Russia. Their motives were first to save the wealth which they had invested in Russia and second to preserve the possibility of future profit in Russia; in the Balkans and in the rest of the world where socialism was spreading in theory. They might have succeeded had not the bottom fallen out of the capitalist industry in the world-wide depression of the thirties.

Whether this disruption of industry was mainly because of defects in the system itself or because of world war and destruction, is not a

matter to be discussed in this campaign. What interests us, is the fact that the depression in America and Western Europe gave the Soviet Union the chanceto establish Communism as a going concern. No one then believed the experi ent would succeed and many still doubt if its success will ever prove communism as effective for industry and freedom as the American Way of life. Whatever the answer to this debate will be, the astonishing answer in our time, is that the Soviet Government was sufficiently successful to help America and Western Europe to overthrow Hitler, a task which without the Soviets/we were utterly unable to accomplish.

35-4-102

What next? Next in the astonishing alembic of Time, we have turned about face and after conquering Fascism in alliance with Russia, we have announced a nation l policy of preventing by force the IDEA of progress by communism to spread and beyond that, we are apparently ready to smash communism in the Soviet Union itself, by every means at our disposal. Our excuse here is that Russian imperialism is imposing communism on nations and peoples, against their will and that if this spread of communism continues, it may eventually be forced on us against our will.

This grave charge is absolutely unproven and to me illogical. It is idiotic to say that the Soviets forced communism on China. If anyone forced China into communism it was the United States and Chiang Kai-Chek.

The case of the Baltic States is different. They belonged to the Russian Empire before the First World War. They were separated from the Soviet Union after that war so, as was openly said, to form a base for re-conquering Russia. The justice of returning these states to the Soviets after the Second World War was not disputed by any nation. It was sheer evidence of good faith.

In the case of Poland and Czechoslovakia and the other Balkan states it is unfair to say they were forced into Communism by the Soviets. In these states an overwhelming majority of the long oppressed workers and peasants were arrayed against a minority of wealthy landholders,

nobles and industrialists who for years in conjunction with western capital had exploited these lands and people. They represented ~~overwhelmingly the intelligence,~~ birth and wealth of these nations and thus had ~~and still have~~ the ear of the world. These were the two elements locked in bitter struggle here and in Greece, and Italy. The Soviet Union did not conquer the Balkans but it gave influence, arms and leadership to the masses, and save in Greece and Italy, prevented American and Western Europe from active interference. The Soviets used here the same tactics which England, France and America have used for centuries but without military force. It was a conquest then not of force but of ideas. It could have been opposed only by better ideas and that has not been yet proven neither in Greece nor Italy; least of all by China.

35-4-103

But our role is clear: we have no right to take the word of the anti-semite General Anders against the testimony of the increasing prosperity of Poland. We have no right to assume that Czechoslovakia is worse off today, or that the other Balkan states are not progressing faster today than in the last ten centuries. Western Europe and America had every opportunity to uplift the Balkans for centuries and particularly after the First World War. They fastened the chains of landlordism and exploitation tighter upon them. We have no right to prevent China, Korea, Viet-Nam and other nations from choosing without duress from us or Russia, the type of government and system of industry which they prefer. Above all, it is an international crime to overturn civilization in a vain attempt to overthrow the Soviets by force. We cannot do this; but we can put a blight on human culture for centuries by the vain attempt. I ask your suffrages to place these ideas on the floor of the Senate of the United States.

THE AMERICAN WAY OF LIFE

The American way of life, consists in wide freedom of initiative and action in work and thought, limited by democratic control of the individual ~~xxx~~ in the interests of the community. Such control based on old custom and considerable general intelligence ~~increased by education~~ has been notably sucessful in raising our standard of living high and in forwarding our technical efficiency and resourcefulness. Also democratic control of individual action in the common interest has been made more effective through increased intelligence of the masses because of our public schools and colleges. It is only in the Twentieth Century, that democracy in America has begun to fail in curbing harmful individual action, and that organized industry, through corporations and monopoly have displaced democratic government in the control of human action. Thus our most pressing domestic problem has lately become how our ~~right to~~ vote can control Big Business and keep general welfare our chief aim and not private profit. This great national duty has been made more difficult of accomplishment because of our foreign trade, foreign investment and lately our attempt to control foreign policy and government. Our excuse has been the desire to encourage in foreign lands the American way of life with its freedom of initiative, instead of letting spread such government or action as would curtail and kill freedom.

But in this policy, what we forgot was that our way of life had two aspects: individual freedom AND democratic control. These foreign involvements have increased the power of capital in our own nation by turning vast funds raised by the taxation of the masses into military action and investment abroad for the interests of private enterprise. Thus income from foreign enterprise makes our domestic corporations, more and more independent of domestic democratic control

backing

without any restraint either from a native democracy or from the American army and American Big Business, to use Korea as their private property. We knew what we were doing; we publicly accused Rhee of oppression and theft, but continued to pour the dollars of our taxpayers into his filthy pockets. In the case of Poland and Czechoslovakia and the other Balkan states, it is unfair to say they were forced into Communism by the Soviets. WE PRETEND TO WISH TO HELP THE POOR LANDS WHICH WE CONTROL: BUT IN GREECE ~~PUER~~

More over ~~than that~~ much of the capital used today is taken from public funds through taxation while the returns go to private profiteers. In instances The huge profits of the automobile industry ~~is~~ are largely due to the vast expenditure for roads paid for by the public. Labor contends that it is therefore but fair to take part of this profit for public use. ~~This demand did not begin with the Russian revolution but has been spreading in the civilized world for especially in the last 50 years until every nation has embraced its conclusions more or less completely~~ On the other hand industry in the United States consistently refuses this demand ~~but~~ and is reluctant to bear its own share of public taxation. Today for instance the owners of ~~the automobile industry pay in taxes far less in proportion than the laborers on the roads built for traffic pay out of their wage~~ our commercial shipping, built and sustained in part by public taxation, pay less proportionately in taxes than the sailors on their ships pay out of their wages.

~~This is the reason for the rise and spread of the Labor movement and~~

Today despite every effort in the United States to conceal and deny the facts, all civilized nations except this, They own and run the railways, the telephone and telegraph, street cars, buses and subways; they largely conduct insurance, housing, sanitation, insurance and relief, They guarantee employment; they engage in industry: foreign trade, mining, forestry and river control; in power conversion and control and wide ownership of land. Some, like Britain go further than this; others like the Scandinavian lands less in theory but even more in practice; while the Iron Curtain lands attempt complete social and industrial planning and ownership of all capital. Here then is a world movement which the United States almost alone is attempting to stem. We are attempting to champion private enterprise when no great industrial effort can possibly be private or carried on primarily for private ends; we stress individual initiative which is laudable when it is for social ends and

OWNERSHIP OF ALL CAPITAL.

HERE THEN IS A WORLD MOVEMENT WHICH THE UNITED STATES ALMOST ALONE IS ATTEMPTING TO STEM. WE ARE ATTEMPTING TO CHAMPION PRIVATE ENTERPRISE WHEN NO GREAT INDUSTRIAL EFFORT CAN POSSIBLY BE PRIVATE OR CARRIED ON PRIMARILY FOR PRIVATE ENDS: WE STRESS INDIVIDUAL INITIATIVE WHICH IS LAUDABLE WHEN IT IS FOR SOCIAL ENDS AND DANGEROUS WHEN IT IS MAINLY FOR PRIVATE PROFIT.

CONTRARY TO THE TEACHING OF HISTORY AND THE TREND OF THIS AGE, THIS NATION IS DETERMINED TO BUILD FUTURE POWER AND WEALTH ON A NEW COLONIALISM, BASED PRIMARILY ON ECONOMIC AND MILITARY POWER: AND INDIRECTLY ON THE POLITICAL CONTROL WHICH INDUSTRIAL ORGANIZATION WILL GIVE IT TO RULE PEOPLE OVERSEAS, JUST AS INDUSTRY RULES THE UNITED STATES. WE BUILT OUR HIGHEST EXPECTATIONS ON THE COLLAPSE OF RUSSIAN INDUSTRY WHICH WE REGARDED AS CERTAIN AFTER THE WAR WITH GERMANY. WE THEN EXPECTED FREE HAND TO EXPLOIT THE BALKANS AND RUSSIA

W. E. B. DU BOIS

The Progressive Party, represented in this state by the American Labor Party, seeks to teach voters the truth and ethics of wealth, property and income, which are among the chief concerns of men and to which men devote most of their time effort and thought. To this end, we want first to dispel certain assumptions concerning the labor movement among those who see it as primarily based on envy of the rich and successful and on a desire to deprive the thifty and foresighted of the just fruit of their efforts: and to do this by law or even in emergency by force. For that reason numbers of respectable folk today instinctively dislike labor unions, regard strikes as wrong and futile and think of laborers bargaining with employers as unnatural. This thinking is the source of much of the support back of the Taft-Hartley Act.

Our task is all the more imperative because these ideas are based on myth and inherited culture patterns and are not adequately contradicted by the press or colleges. Most Americans still think of property as something accumulated --a pile of treasure--which an individual has made by his own effort and sacrifice and which he therefore has a right to use in any way he sees fit; to consume it, to waste it, or to save it. In fact income is current use of wealth and services presently produced and available now. It is not a past accumulation but present and actual goods and present right to use labor.

In the same way, men think of an industry as something which an individual or a group owns and which they have a right to conduct as they see fit--to set the rate of wage, to hire and fire, to fix price; and that public interference with such powers is fundamentally unjust.

These beliefs are not only wide spread and often honestly held, but our colleges and schools are doing almost nothing to dispel these fundamental

mistakes concerning modern industry. They stem from the earlier centuries of the beginning of industry and from current farming methods in many nations, where the individual worker, producer and owner is the best-known type. But since the Industrial Revolution, this method of work especially in manufacturing, trade and commerce is not typical. Production in fields, which are today of dominant importance is not an individual adventure but a vast social undertaking. A large number of persons work together in numberless ways, in widely separated places and for periods varying from a week or less to ten years or more to produce a valuable product. The exact proportion of their contributions to the final result by physical or ethical measure; by kind and efficiency of effort, by length and intensity of labor or by money value cannot be determined accurately by any mathmatical method. The product of modern industry is a social product and belongs to society and not to certain individuals. It should be allocated to individuals by standards of social justice and not in accord with established custom nor by ukase of an oligarchy basing its right on labor chance or legal fiction.

35-4-198

Property is a legal concept, and legal concepts are made and changed by law, ~~and Law in democracies are changed by legislatures and the~~ votes ~~of laborers,~~ Property is the legal control of wealth. Now wealth is not and never was entirely the result of indivudual effort; it always involved some measure of group cooperation. And today more than ever before, wealth is the result of social effort added to the bounty of nature. Property is the legal right to use wealth; the wealth may stem from your own effort or from the effort of others; it may come from seizure of natural esourses; it may come from inheritance or gift; from cheating or gambling; from theft. There is nothing sacred about property; everything depends on the social welfare involved in its accumulation and use.

This means that property and its use are proper subjects of political consideration and of ~~election~~ democratic decision. There has been in America too much

(5)

cheating and theft in the acquisition of property and too much injustice in its use. Where property has been acquired by hard work and sacrifice, its owners right to enjoy it should be recognized and protected and no labor party has asked anything else. But this has not been the record of American business. Huge properties have been accumulated by highway robbery, monopoly of natural resources belonging of right to all and even by transgressing the very laws which protect the rights of the public.

Our present economic problem stems from the fact that while production is increasingly a social process, the distribution of its results still remains largely a matter of the individual judgment of persons who happen to have or who seize the power to decide and on the basis of concepts of property and income which no longer correspond to fact.

The paradox which consequently upsets the labor world is that despite the indispensable cooperation of laborers, managers and capitalists in current industry, when the results and increasingly valuable results are distributed, most of the laborers get less than is necessary for decent life, while many of the capitalists get more than they need or can spend. And particularly capitalists get the power to direct the use of the residue for any purpose which they choose.

The age-long explanation of this is that goods are so scarce that with the best effort some folk must remain in poverty and need. It is this alleged fact that the 20th Century laborer is disputing. He maintains that a more just distribution of the results of industry could eliminate poverty disease and ignorance among the working class. For this purpose he has been organizing labor unions and trying by appeal, bargaining and if necessary by strikes, picketing and law to raise his standard of living to decency and comfort. He does not want in this contest to deprive manager or owner of his just reward for saving, planning and direction, but he insists

16

that he, the l borer as partner in production should have some voice in deciding what is just. He rejects certain age-old excuses for present conditions. When the National Association of Manufacturers advetises that the "more we produce the more we will have," he knows full well that this depends on who does the dividing and who gets the shares.

The conventional answer to this contention of labor is th t the essential capital to employ labor c n only be had if its owners are attracted by large profit to invest their wealth instead of consuming it. Once this was true. In the 17th and 18th centuries most of the rich did not save; they spent conspicously and extravagantly; and industry could only secure their cooperation by the gambler's bribe of high profit.

35-4-200

Today the situation is far different; there is capital in so great abundance that it begs opportunity for investment and indeed cannot be used in any other way. Also the risk of loss in legitimate industry is not small and might be reduced nearly to nil by intelligent and scientific planning. Moreover most of the current capital comes not from the rich but from the comparatively poor who save for old age and a rainly day. But the huge profits of industry go not to them but to the financiers who as middle-men handle their funds, giving the 2% in savings banks while this wealth in foreign trade often reaps 50%. Small wonder Big Business fights and schemes and drafts the 18 year old youth. Profit is thicker than blood. Which makes Senator Lehman representing the foreign investor love Dulles, the Anti-Semite counsel for Lehman Brothers. When both seek the coal, iron, copper and tungston of Korea for American capital.

This has led many a social thinker to point out that capital for all real human want and improvement could e sily be taken from production and leave sufficient income for all consumers, provided of course that individual consumption was so li ited that no man had cake if any man lacked bread:

that mink coats for the rich were not allowed, if the poor had no shoes, and of course here's the rub. This compulsion which socialism proposed long before Lenin as the only way to decent human life, raises shrieks of protest if hinted at today in the United States. Remember what happened when Roosevelt proposed to limit incomes to $25,000.

What church of the lowly Jesus, who railed against the rich , would for a moment admit or preach such doctrine? And yet is it strange that the poor and hardworking laborers of the world, without sufficient food, shelter and clothes; fearing old age and sickness more than the flames of hell-- is it strange that they by overwhelming majority are demanding this regulation of production and consumption and that this is not Russian imperialism but American commonsense?

35-4-201

You cannot stop this line of thought from growing in an intelligent world if you kill all the youth and dye the oceans red with blood. Social control of production and distribution of wealth is coming as sure as the rolling of the stars. The whole concept of property is changing and must change. Not even a Harvard School of Business can make greed into a science, nor can the unscrupoulous ambition of a Secretary of State use atomic energy forever, for death instead of life.

The sales tax in Mississippi amounts to 10% on the earnings of the poor; the tax on homes in Georgia has driven hundreds of workers into the street; the withholding of wages for taxes in New York makes the tax burden often unendurable for stenographers and clerks. Great wealth today escapes its just share of the tax burden, despite its huge and increasing profit. Yet taxation is being used for securing markets all over the world: for getting cheap oil, rubber, minerals, copper, tin, and lately for threatening world war on any nation which interferes directly or indirectly with our proposal to own and exploit the earth, even if it kills a few hundred thousand of our youth.

THE ALP SEEKS TO TEACH VOTERS THE TRUTH AND ETHICS OF WEALTH, PROPERTY AND INCOME, WHICH ARE THE CHIEF CONCERN OF MEN AND TO WHICH THEY DEVOTE MOST OF THEIR TIME, EFFORT AND THOUGHT. TO THIS END, WE WANT FIRST TO DISPEL CERTAIN ASSUMPTIONS CONCERNING THE LABOR MOVEMENT AMONG THOSE WHO SEE IT AS PRIMARILY BASED ON ENVY OF THE RICH AND SUCCESSFUL AND ON A DESIRE TO DEPRIVE THE THRIFTY AND FORESIGHTED OF THE JUST FRUIT OF THEIR EFFORTS: AND TO DO THIS BY LAW OR EVEN IN EMERGENCY BY FORCE. FOR THAT REASON NUMBERS OF RESPECTABLE FOLK TODAY INSTINCTIVELY DISLIKE LABOR UNIONS, REGARD STRIKES AS WRONG AND FUTILE AND THINK OF LABORERS BARGAINING WITH EMPLOYERS AS UNNATURAL. THIS THINKING IS THE SOURCE OF MUCH OF THE SUPPORT BACK OF THE TAFT-HARTLEY ACT.

OUR TASK IS ALL THE MORE IMPERATIVE BECAUSE THESE IDEAS ARE BASED ON MYTH AND INHERITED CULTURE PATTERNS AND ARE NOT ADEQUATELY CONTRADICTED BY THE PRESS OR COLLEGES. MOST AMERICANS CONCEIVE PROPERTY AS SOMETHING ACCUMULATED --A PILE OF TREASURE--WHICH AN INDIVIDUAL HAS MADE BY HIS OWN EFFORT

45-7-42

AND SACRIFICE AND WHICH HE THEREFORE HAS A RIGHT TO USE IN ANY WAY HE SEES FIT: TO CONSUME IT, TO WASTE IT, OR TO SAVE IT. IN FACT INCOME IS CURRENT USE OF WEALTH AND SERVICES PRESENTLY PRODUCED AND AVAILABLE NOW. IT IS NOT A PAST ACCUMULATION BUT PRESENT AND ACTUAL GOODS.

IN THE SAME WAY MEN THINK OF INDUSTRY AS SOMETHING WHICH AN INDIVIDUAL OR A GROUP OWNS AND WHICH THEY HAVE A RIGHT TO CONDUCT AS THEY SEE FIT--TO SET THE RATE OF WAGE, TO HIRE AND FIRE, TO FIX PRICE: AND THAT PUBLIC INTERFERENCE WITH SUCH POWERS IS INTERFERENCE WITH A SACRED RIGHT AND FUNDAMENTALLY UNJUST.

THIS BELIEF IS NOT ONLY WIDE SPREAD AND OFTEN HONESTLY HELD, BUT OUR COLLEGES AND SCHOOLS ARE DOING ALMOST NOTHING TO DISPEL THESE FUNDAMENTAL MISTAKES CONCERNING MODERN INDUSTRY. THEY STEM FROM THE EARLIER CENTURIES OF THE BEGINNINGS OF INDUSTRY AND FROM CURRENT FARMING METHODS IN MANY NATIONS,

WHERE THE INDIVIDUAL WORKER, PRODUCER AND OWNER IS THE BEST-KNOWN TYPE. BUT SINCE THE INDUSTRIAL REVOLUTION, THIS METHOD OF WORK ESPECIALLY IN MANUFACTURING TRADE AND COMMERCE IS NOT TYPICAL. PRODUCTION IN THESE FIELDS, WHICH ARE TODAY OF DOMINANT IMPORTANCE IS NOT AN INDIVIDUAL ADVENTURE BUT A VAST SOCIAL UNDERTAKING. A LARGE NUMBER OF PERSONS WORK TOGETHER IN NUMBERLESS WAYS, IN WIDELY SEPARATED PLACES AND FOR PERIODS VARYING FROM A WEEK OR LESS TO TEN YEARS OR MORE TO PRODUCE A VALUABLE PRODUCT OR RENDER A VALUABLE SERVICE: THE EXACT PROPORTION OF THEIR CONTRIBUTIONS TO THE FINAL RESULT, PHYSICAL OR ETHICAL: BY KIND AND EFFICIENTY OF EFFORT, BY LENGTH AND INTENSITY OF ~~MATHEMATICALLY~~ LABOR OR BY MONEY VALUE CANNOT BE DETERMINED ACCURATELY BY ANY MATHEMATICAL OR ETHICAL METHOD. THE PRODUCT OF MODERN INDUSTRY IS A SOCIAL PRODUCT AND BELONGS TO SOCIETY AND NOT TO CERTAIN INDIVIDUALS. IT SHOULD BE ALLOCATED TO INDIVIDUALS BY STANDARDS OF SOCIAL JUSTICE TO ALL AND NOT IN ACCORD WITH INHERITED CULTURE PATTERNS NOR BY AN OLIGARCHY BASING ITS RIGHT ON CHANCE OR LEGAL FICTION.

45-7-43

PROPERTY IS A LEGAL CONCEPT, AND LEGAL CONCEPTS ARE MADE AND CHANGED BY LAW, LEGISLATURES AND LOBBERS VOTE. PROPERTY IS THE LEGAL CONTROL OF WEALTH. NOW WEALTH IS NOT AND NEVER WAS ENTIRELY THE RESULT OF INDIVIDUAL EFFORT: IT ALWAYS INVOLVED SOME MEASURE OF GROUP COOPERATION. AND TODAY MORE THAN EVER BEFORE WEALTH IS THE RESULT OF SOCIAL EFFORT ADDED TO THE BOUNTY OF NATURE. PROPERTY IS THE LEGAL RIGHT TO USE WEALTH: IT MAY COME FROM YOUR OWN EFFORT OR FROM THE EFFORT OF OTHERS: IT MAY COME FROM SEIZURE OF NATURAL RESOURCES: IT MAY COME FROM INHERITANCE OR GIFT: FROM CHEATING OR GAMBLING: FROM THEFT. THERE IS NOTHING SACRED ABOUT PROPERTY: EVERYTHING DEPENDS ON ITS SOURCE AND ON THE SOCIAL WELFARE INVOLVED IN ITS USE.

THIS MEANS THAT PROPERTY AND ITS USE ARE PROPER SUBJECTS OF POLITICAL CONSIDERATION AND OF ELECTION DECISION. THERE HAS BEEN IN AMERICA TOO MUCH CHEATING AND THEFT IN THE ACQUISITION OF PROPERTY AND TOO MUCH INJUSTICE IN ITS USE. WHERE PROPERTY HAS BEEN ACQUIRED BY HARD WORK AND SACRIFICE, ITS

OWNERS ENJOYMENT OF IT SO LONG AS NONE ARE HURT BY HIS ACTS SHOULD BE RECOGNIZED AND PROTECTED AND NO LABOR PARTY HAS ASKED ANYTHING ELSE. BUT THIS HAS NOT BEEN THE RECORD OF AMERICAN BUSINESS. HUGE PROPERTIES HAVE BEEN ACCUMULATED BY HIGHWAY ROBBERY, MONOPOLY OF NATURAL RESOURSES BELONGING OF RIGHT TO ALL AND EVEN BY TRANSGRESSING THE VERY LAWS PASSED TO PROTECT THE RIGHTS OF THE PUBLIC.

OUR PRESENT ECONOMIC PROBLEM STEMS FROM THE FACT THAT WHILE PRODUCTION IS INCREASINGLY A SOCIAL PROCESS, THE DISTRIBUTION OF IT RESULTS STILL REMAINS LARGELY A MATTER OF THE INDIVIDUAL JUDGMENT OF PERSONS WHO HAPPEN TO HAVE THE POWER TO DECIDE AND ON THE BASIS OF CONCEPTS OF PROPERTY AND INCOME WHICH NO LONGER CORRESPOND TO FACT.

THE PARADOX WHICH CONSEQUENTLY UPSETS THE LABOR WORLD IS THAT DESPITE THE INDISPENSABLE COOPERATION OF LABORERS, MANAGERS AND CAPITALISTS IN CURRENT INDUSTRY, WHEN THE RESULTS AND INCREASINGLY VALUABLE RESULTS ARE

45-7-44

DISTRIBUTED, MOST OF THE LABORERS GET LESS THAN IS NECESSARY FOR DECENT LIFE, WHILE MANY OF THE CAPITALISTS GET MORE THAN THEY NEED OR CAN SPEND , AND PARTICULARLY GET THE POWER TO DIRECT THE USE OF THE RESIDUE FOR ANY PURPOSE WHICH THEY CHOOSE.

THE AGE-LONG EXPLANATION OF THIS IS THAT GOODS ARE SO SCARCE THAT WITH THE BEST EFFORT SOME FOLK MUST REMAIN IN POVERTY AND NEED. IT IS THIS ALLEGED FACT THAT THE 20th CENTURY LABORER IS DISPUTING. HE MAINTAINS THAT A MORE JUST DISTRIBUTION OF THE RESULTS OF INDUSTRY COULD ELIMINATE POVERTY DISEASE AND IGNORANCE AMONG THE WORKING CLASS. FOR THIS PURPOSE HE HAS BEEN ORGANIZING LABOR UNIONS AND TRYING BY APPEAL, BARGAINING AND IF NECESSARY BY STRIKES, PICKETING AND LAW TO RAISE HIS STANDARD OF LIVING TO DECENCY AND COMFORT. HE DOES NOT WANT IN THIS CONTEST TO DEPRIVE MANAGER OR OWNER OF HIS JUST REWARD FOR SAVING, PLANNING AND DIRECTION, BUT HE INSISTS THAT HE, THE LABORER AS PARTNER IN PRODUCTION HAVE SOME VOICE IN DECIDING WHAT

IS JUST. HE REJECTS CERTAIN AGE-OLD EXCUSES FOR PRESENT CONDITIONS. WHEN THE NATIONAL ASSOCIATION OF MANUFACTURERS ADVERTISES THAT THE "MORE WE PRODUCE THE MORE WE WILL HAVE", HE KNOWS FULL WELL THAT THIS DEPENDS ON WHO DOES THE DIVIDING AND WHO GETS THE PARTS.

THE CONVENTIONAL ANSWER TO THIS CONTENTION OF LABOR IS THAT THE ESSENTIAL CAPITAL TO EMPLOY LABOR CAN ONLY BE HAD IF ITS OWNERS ARE ATTRACTED BY LARGE PROFIT TO INVEST THEIR WEALTH INSTEAD OF CONSUMING IT. ONCE THIS WAS TRUE. IN THE 17th and 18th CENTURIES MOST OF THE RICH DID NOT SAVE: THEY SPENT CONSPICOUSLY AND EXTRAVAGANTELY: AND INDUSTRY COULD ONLY SECURE THEIR COOPERATION BY THE BRIBE OF HIGH PROFIT.

TODAY THE SITUATION IS FAR DIFFERENT: THERE IS CAPITAL IN SO GREAT ABUNDANCE THAT IT BEGS OPPORTUNITY FOR INVESTMENT AND INDEED CANNOT BE USED IN ANY OTHER WAY. ALSO THE RISK OF LOSS IN LEGITIMATE INDUSTRY IS NOW SMALL AND MIGHT BE REDUCED TO NIL BY INTELLIGENT AND SCIENTIFIC PLANNING. MOREOVER MOST OF THE CURRENT CAPITAL COMES NOT FROM THE RICH BUT FROM THE COMPARATIVELY

45-7-45

POOR WHO SAVE FOR OLD AGE AND A RAINLY DAY. BUT THE HUGE PROFITS OF INDUSTRY GO NOT TO THEM BUT TO THE FINANCIERS WHO AS MIDDLE-MEN HANDLE THEIR FUNDS, GIVING THEM 2% IN SAVINGS BANKS WHILE THIS WEALTH IN FOREIGN TRADE OFTEN REAPS 50%. SMALL WONDER BIG BUSINESS FIGHTS AND SCHEMES AND DRAFTS THE 18 YEAR YOUTH. PROFIT IS THINKER THAN BLOOD. WHICH MAKES LEHMAN REPRESENTING THE FOREIGN INVESTOR LOVE DULLES, THE ANTI-SEMITE WHEN BOTH SEEK THE MINES OF KOREA FOR AMERICAN CAPITAL.

THIS HAS LED MANY A SOCIAL THINKER TO POINT OUT THAT CAPITAL FOR ALL REAL HUMAN WANT AND IMPROVEMENT COULD EASILY BE TAKEN FROM PRODUCTION AND LEAVE SUFFICIENT INCOME FOR ALL HUMAN CONSUMERS, PROVIDED OF COURSE THAT INDIVIDUAL CONSUMPTION WAS LIMITED TO SUCH AMOUNTS THAT NO MAN HAD CAKE IF ANY MAN LACKED BREAD: THAT MINK COATS FOR THE RICH WERE NOT ALLOWED, IF THE POOR HAD NO SHOES. AND OF COURSE HERE'S THE RUB. THIS COMPULSION WHICH SOCIALISM PROPOSED LONG BEFORE LENIN AS THE ONLY WAY TO DECENT HUMAN LIFE, RAISES SHRIEKS OF PROTEST

IF HINTED AT TODAY IN THE UNITED STATES. REMEMBER WHAT HAPPENED WHEN ROOSEVELT PROPOSED TO LIMIT INCOMES TO $25,000.

WHAT CHURCH OF THE LOWLY JESUS WOULD FOR A MOMENT ADMIT OR PREACH SUCH DOCTRINE. AND YET IS IT STRANGE THAT THE POOR AND HARDWORKING LABORERS OF THE WORLD, WITHOUT SUFFICIENT FOOD SHELTER AND CLOTHES: FEARING OLD AGE AND SICKNESS MORE THAN THE FLAMES OF HELL--IS IT STRANGE THAT THEY BY OVERWHELMING MAJORITY ARE DEMANDING THIS REGULATION OF PRODUCTION AND CONSUMPTION AND THAT THIS IS NOT RUSSIAN IMPERIALISM BUT AMERICAN COMMONSENSE?

YOU CANNOT STOP THIS LINE OF THOUGHT FROM GROWING IN AN INTELLIGENT WORLD IF YOU KILL ALL THE YOUTH AND DYE THE OCEANS RED WITH BLOOD. YOU CANNOT CONTINUE TO LIE ABOUT SUCCESSFUL BRITISH SOCIAL MEDICINE AND LEGAL AID, SOCIAL CONTROL OF PRODUCTION AND DISTRIBUTION OF WEALTH IS COMING AS SURE AS THE ROLLING OF THE STARS. THE WHOLE CONCEPT OF PROPERTY IS CHANGING AND MUST CHANGE. NOT EVEN A HARVARD SCHOOL OF BUSINESS CAN MAKE GREED INTO A SCIENCE NOR CAN THE UNSCRUPULOUS AMBITION OF A SECRETARY OF STATE USE ATOMIC ENERGY

FOREVER FOR DEATH INSTEAD OF LIFE.

MOREOVER MUCH OF THE CAPITAL USED TODAY IS TAKEN FROM PUBLIC FUNDS THROUGH TAXATION WHILE THE RETURNS GO TO PRIVATE PROFITEERS. FOR INSTANCE THE HUGE PROFITS OF THE AUTOMOBILE INDUSTRY ARE LARGELY DUE TO THE VAST EXPENDITURE FOR ROADS PAID FOR BY THE PUBLIC. LABOR CONTENDS THAT IT IS THEREFORE BUT FAIR TO TAKE PART OF THIS PROFIT FOR PUBLIC USE. ON THE OTHER HAND INDUSTRY IN THE UNITED STATES CONSISTENTLY REFUSES THIS DEMAND AND IS RELUCTANT TO BEAR ITS OWN SHARE OF PUBLIC TAXATION. TODAY FOR INSTANCE THE OWNERS OF OUR COMMERCIAL SHIPPING, BUILT AND SUSTAINED IN PART BY PUBLIC TAXATION PAY LESS PROPORTIONATELY IN TAXES THAN THE SAILORS ON THEIR SHIPS PAY OUT OF THEIR WAGES.

THE SALES TAX IN MISSISSIPPI AMOUNTS TO 15% ON THE EARNINGS OF THE POOR: THE TAX ON HOMES IN GEORGIA HAS DRIVEN HUNDREDS OF WORKERS INTO THE STREET: THE WITHHOLDING OF WAGES FOR TAXES IN NEW YORK MAKES THE TAX BURDEN OFTEN

46-7-46

UNENDURABLE FOR STENOGRAPHERS AND CLERKS. GREAT WEALTH MEANTIME ESCAPES ITS JUST SHARE OF THE TAX BURDEN DESPITE ITS HUGE AND INCREASING PROFIT. THIS HUGE TAXATION IS BEING USED FOR SECURING MARKETS ALL OVER THE WORLD: FOR GETTING CHEAP OIL, RUBBER, MINERALS, COPPER, TIN, AND LATELY FOR THREATENING WORLD WAR ON ANY NATION WHICH INTERFERES DIRECTLY OR INDIRECTLY WITH OUR PROPOSAL TO OWN AND EXPLOIT THE EARTH, EVEN IF IT KILLS A FEW HUNDRED THOUSAND OF OUR YOUTH.

THUS TAXATION ON THE POOR FURNISHES FUNDS WHICH MAKE AMERICAN INVESTMENT SAFE: AND THEN THE BUSINESS MAN WITHOUT RISK, WITH CHEAP NATIVE LABOR, REAPS 50 or 100% PROFIT AND CALLS IT HIS. HE USES IT IN ELECTIONS LIKE THIS TO BUY PUBLIC OFFICIALS, ADVERTISE GOODS, PUSH LEGISLATION WHICH FAVORS THEM AND KILL LAWS WHICH THEY DO NOT LIKE. WE PRETEND TO WISH TO HELP THE POOR LANDS WHICH WE CONTROL: BUT IN GREECE, PUERTO RICO AND THE PHILIPPINES WE HAVE LEFT POVERTY: IN CUBA WE LEFT MONOPOLY AND IN KOREA WE START WITH UTTER DESTRUCTION.

ALL THIS IS NOT GOSSIP AND SPITE. THE TRUTH, THE SIMPLE TRUTH ABOUT WEALTH AND PROPERTY: ABOUT SOCIAL CONTROL OVER GREED AND MONOPOLY IS WELL-known

45-7-47

BUT IT IS NOT TAUGHT IN OUR SCHOOLS AND COLLEGES. OUR TEACHERS OF ECONOMICS INSTEAD OF TEACHING THE ABC OF INCOME AND WAGE GO OFF INTO HIGHER MATHEMATICS AND ARE PAID $7000 A YEAR TO STAY THERE, NOT COUNTING INCOME FROM WRITING AGAINST LABOR AND SOCIALISM PAID FOR BY BIG BUSINESS.

OUR BRIGHT YOUNG MEN ARE DRIVEN OUT OF GOVERNMENT EMPLOY BY LOW SALARIES AND WITCH HUNTS AND HIRED BY BIG BUSINESS AT HIGH SALARIES TO KEEP THEIR MOUTHS SHUT AND WORK FOR PRIVATE PROFIT. THIS THROWS THE BURDEN OF TEACHING ECONOMICS AND THE ETHICS OF INCOME AND WAGE ON THE LABORERS THEMSELVES. FOR THIS REASON THE LEADERS OF THE LABOR PARTY IN THIS ELECTION ARE TALKING NOT ONLY WHAT IS USUALLY CALLED POLITICS BUT MATTERS OF VASTER IMPORTANCE WHICH HAVE TO DO WITH LIFE ITSELF. THEY ARE PLEDGED TO WORK FOR THE REPEAL OF THE TAFT-HARTLEY ACT AND NOT TO BE FOOLED BY THE TRUMAN RUN-AROUND: TO KEEP PLUGGING FOR A REAL FEPC, SO AS TO GIVE OPPORTUNITY FOR ABILITY DESPITE RACE OR FAITH: FOR PEACE

[FOLLOWING PAGES MISSING]

SO AS NO LONGER TO SACRIFICE OUR SONS FOR PRIVATE PROFIT FROM THE POOR AND DEGRADED OF THE WORLD. AND BEYOND THIS TO DEMAND PUBLIC HOUSING, SOCIAL MEDICINE, FEDERAL AID TO EDUCATION: AND ESPECIALLY HIGHER WAGE AND LOWER TAX ON THE POOR IN ORDER TO READJUST THE PRESENT UNJUST DISTRIBUTION OF WEALTH IN ACCORD WITH THE HIGHEST SOCIAL WELFARE OF ALL.

TODAY DESPITE EVERY EFFORT IN THE UNITED STATES TO CONCEAL AND DENY THE FACTS, ALL CIVILIZED NATIONS EXCEPT THIS, HAVE BEEN PROGRESSING TOWARD SOCIALISM ESPECIALLY SINCE 1900. THEY OWN AND RUN THE RAILWAYS, THE TELEPHONE AND TELEGRAPH, STREET CARS, BUSES AND SUBWAYS: THEY LARGELY CONDUCT HOUSING SANITATION, INSURANCE AND RELIEF, THEY GUARANTEE EMPLOYMENT: THEY ENGAGE IN INDUSTRY: IN MANUFACTURE, FOREIGN TRADE, MINING, FORESTRY AND RIVER CONTROL: IN POWER CONVERSION AND CONTROL AND WIDE OWNERSHIP OF LAND.

SOME NATIONS LIKE BRITAIN GO FURTHER THAN THIS: OTHERS LIKE THE SCANDINAVIAN LANDS PLAN LESS IN THEORY BUT DO EVEN MORE IN PRACTICE: WHILE THE IRON CURTAIN LANDS ATTEMPT COMPLETE SOCIAL AND INDUSTRIAL PLANNING AND

OWNERSHIP OF ALL CAPITAL.

HERE THEN IS A WORLD MOVEMENT WHICH THE UNITED STATES ALMOST ALONE IS ATTEMPTING TO STEM. WE ARE ATTEMPTING TO CHAMPION PRIVATE ENTERPRISE WHEN NO GREAT INDUSTRIAL EFFORT CAN POSSIBLY BE PRIVATE OR CARRIED ON PRIMARILY FOR PRIVATE ENDS: WE STRESS INDIVIDUAL INITIATIVE WHICH IS LAUDABLE WHEN IT IS FOR SOCIAL ENDS AND DANGEROUS WHEN IT IS MAINLY FOR PRIVATE PROFIT.

CONTRARY TO THE TEACHING OF HISTORY AND THE TREND OF THIS AGE, THIS NATION IS DETERMINED TO BUILD FUTURE POWER AND WEALTH ON A NEW COLONIALISM, BASED PRIMARILY ON ECONOMIC AND MILITARY POWER: AND INDIRECTLY ON THE POLITICAL CONTROL WHICH INDUSTRIAL ORGANIZATION WILL GIVE IT TO RULE PEOPLE OVERSEAS, JUST AS INDUSTRY RULES THE UNITED STATES. DEMOCRACY

DEMOCRACY IS THE FORM OF GOVERNMENT IN WHICH EACH CITIZEN HAS A VOICE IN ALL DECISIONS OF POLICY AND ACTION. IT CONTRASTS WITH DICTATORSHIPS, OLIGARCHIES OR CLASS RULE. IN A DEMOCRACY THE CITIZEN MUST HAVE FREEDOM OF OPINION, ACCESS TO THE FACTS AND RIGHT OF EXPRESSION BY VOICE AND VOTE. THE UNITED STATES HAS ALWAYS REGARDED ITSELF AS A DEMOCRACY AND LATELY HAS ASSUMED LEADERSHIP OF THE DEMOCRATIC FORCES OF THE WORLD. THE AMERICAN LABOR PARTY VENTURES TO EXAMINE THIS CLAIM. FIRST OF ALL THIS COUNTRY WAS NOT AT FIRST A DEMOCRACY EVEN IN THEORY BUT SUCCESSIVELY A MONARCHY, A THEOCRACY AND THEN AN ARISTOCRACY OF BIRTH AND PROPERTY. JEFFERSON AND THE FRENCH REVOLUTION ~~turned it toward the democratic~~ TURNED IT TOWARD THE DEMOCRATIC IDEAL AND THE AGE OF JACKSON ADMITTED THE WORKERS AND FARMERS INTO THE BODY POLITIC.

I SAW AMERICAN DEMOCRACY IN THE LAST QUARTER OF LAST CENTURY, FROM THE

--2--

POINT OF VIEW OF NEW ENGLAND, THEN ITS BEST EXPRESSION. WE HAD FREEDOM OF OPINION AND EVEN ENJOYED THE RIGHT OF DISSENT AS SUCH. BUT IN ACTUAL POLITICAL LIFE WE WERE UNDER THE PRETTY STRICT CONTROL OF THE SMALL LANDHOLDERS, THE OWNERS OF TOWN REAL ESTATE AND THE MERCHANTS. THEY WERE THE ONLY ONES WHO WERE ELECTED TO TOWN OFFICE AND WHOSE INFLUENCE WAS DOMINANT OVER PUBLIC OPINION. THERE WAS NO PUBLIC DISCUSSION OR VOTING ON SUCH MATTERS AS WAGES, HOURS OF WORK OR INCOME. SLUMS, POOR RELIEF, SEWAGE AND HEALTH WERE DISCUSSED ONLY AS THEY AFFECTED TAXATION. THE WRETCHED SLUMS IN MY TOWN SURROUNDED THE WOOLEN MILL, WHOSE OWNERS WERE THE SOCIAL ARISTOCRATS OF THE TOWN. WE NEVER DISCUSSED THEM. IN SCHOOL WE DID NOT DISCUSS PROPERTY OR INCOME. WE REGARDED IT AS A PURELY PRIVATE MATTER. WE NEVER HAD STRIKES AND OPPOSED THE IDEAS A FUTILE AND UNNATURAL. POVERTY WAS LOOKED ON AS USUALLY THE RESULT OF LAZINESS AND GOOD SCHOOLS WERE FURNISHED FREE TO THOSE ABLE TO ATTEND. POOR RELIEF WAS A PUBLIC

DISGRACE DISTRIBUTED GINGERLY. PRIVATE ALMS GIVING WAS COMMON. THIS WAS AN APPROACH TO DEMOCRACY, BUT IT WAS NOT COMPLETE DEMOCRACY.

FIRST OF ALL DEMOCRACY IN THE UNITED STATES HAS HISTORICALLY EXCLUDED AT VARIOUS TIMES AND PLACES FROM THE RIGHT TO VOTE: CATHOLICS AND DISSENTERS LIKE JEWS AND BAPTISTS: ALL WOMEN BEFORE 1920: THE POOR, EVEN IN SOME AREAS TODAY: NEGROES OR DESCENDANTS OF NEGROES: INDIANS, ASIATICS AND FOREIGNERS: ILLITERATES, EVEN WHERE THERE WERE NOT SCHOOLS OR ABILITY TO ATTEND.

MEANTIME THERE WAS GROWIN UP ALONG SIDE OUR DEMOCRACY AND INCREASINGLY CONTRADICTING IT, A SYSTEM OF HUMAN SLAVERY WHICH WAS AN INTEGRAL PART OF OUR ECONOMY AND A PRIME SOURCE OF OUR WEALTH. WHEN WE NOBLY DECLARED ALL MEN EQUAL EVERY FIFTH AMERICAN WAS A SLAVE, PURCHASABLE EXCATLY LIKE CATTLE. WE SAW NATURALLY THIS FATAL CONTRADICTION BUT EXCUSED IT IN VARIOUS WAYS AND HOPED IT WOULD DISAPPEAR WITHOUT COSTING US TOO MUCH. BUT AFTER A PERIOD OF HESITATION DURING THE PERIOD 1820 to 1830, JUST AS DEMOCRACY WAS BROADENING SO AS TO

35-6-72

INCLUDE WHITE LABORERS, NEGRO SLAVERY IN THE UNITED STATES BECAME THE BASIS OF A COTTON KINGDOM AND COTTON TOGETHER WITH SUGAR, TOBACCO AND OTHER SLAVE RAISED CROPS, PROCESSED BY A NEW TECHNIQUE CAUSED AN INDUSTRIAL REVOLUTION WHICH REBUILT THE MODERN WORLD. IN THE UNITED STATES THE SLAVE POWER GREW UNTIL IT BECAME THE RULE OF A POLITICAL OLIGARCHY WHICH NOT ONLY WAS NOT DEMOCRATIC BUT OPENLY DERIDED DEMOCRACY IN THE NORTH AND WEST AND EXPANDED THE SLAVE ARISTOCRACY SOUTH AND WEST. HOWEVER COINCIDENT WITH SOUTHERN ARISTOCRACY HAD GROWN UP A WESTERN SECTION OF ADVENTURERS, PIONEERS AMONG SMALL LANDHOLDERS AND A NEW VIRILE DEMOCRACY BEGAN TO FLOURISH. IF THE FREE LAND WHICH THE NATION OWNED IN ABUNDANCE HAD IN THE THIRTIES AND FORTIES BEEN DISTRIBUTED WIDELY AMONG THEM, THIS REGION OF PEASANT PROPRIETORS WOULD HAVE IMPOSED DEMOCRATIC GOVERNMENT AND FREEDOM OF THOUGHT ON THE WHOLE NATION. BUT THE WESTERN LAND WAS HELD OFF THE MARKET AS LONG AS POSSIBLE, THEN WAS GIVEN TO RAILROADS AND CORPORATIONS DIGGING FOR MINERALS AND OIL, UNTIL THE DAY WHEN THE WESTERN

FARMER HAD TO FIGHT THE SLAVE POWER FOR FREE LAND.

IN THE ENSUING CIVIL WAR, NO ONE EXCEPT THE DESPISED NEGROES AND WHITE ABOLITIONISTS OPPOSED OR WANTED TO ATTACK SLAVERY: THE MASS OF CITIZENS WANTED TO KEEP THIS SYSTEM OF LABOR OFF ITS FREE SOIL BUT WAS QUITE WILLING TO PROTECT IT IN THE SOUTH SO LONG AS IT APPLIED TO NEGROES.

NORTHERN INDUSTRY WAS HAND IN GLOVE WITH SLAVERY FROM WHICH IT DERIVED HUGE INCOME. IT SWORE VIOLENTLY TO PROTECT ALL THE RIGHTS OF SLAVE OWNERS IN THE SOUTH AND DENY NEGROES CITIZENSHIP OR HUMAN RIGHTS IN THE WHOLE NATION: BUT IT REFUSED TO SURRENDER SOUTHERN SOIL AND MARKET TO EUROPEANS AND RATHER THAN LOSE THIS PROFITABLE UNION WAS WILLING TO FIGHT, DESTROY AND KILL. BUT VICTORY IN WAR IS NOT ALWAYS AS EASY AS SCRAP-HAPPY GENERALS TELL US. THE SOUTHERNERS WITH LEADERS TRAINED AT WEST POINT AND WITH BLACK LABOR IN THE FIELDS TO RAISE THEIR FOOD AND CLOTHES, FOUGHT THE NORTH TO A STAND-STILL AND NEARLY CAPTURED WASHINGTON SEVERAL TIMES.

THEN THE NORTH HAD SENSE ENOUGH TO ACCEPT THE COOPERATION OF SLAVES WHICH HAD BEEN OFFERED TO THEM FROM THE FIRST. NEGROES HAD FLED FROM THE PLANTATIONS BY THOUSANDS AND WERE USED AS SPIES AND LABORERS UNTIL FINALLY 200,000 OF THEM BECAME ARMED SOLDIERS IN THE ARMIES OF THE NORTH REPLACING WHITE MEN WHO REFUSED TO FIGHT. VICTORY FOR THE NORTH BECAME SIMPLY A MATTER OF ARMING INCREASING NUMBERS OF THE WHOLE MASS OF A MILLION ABLE-BODIED SLAVES. FACING THAT PROSPECT, LEE PROMPTLY SURRENDERED.

THEN SUDDENLY AND MOST UNEXPECTEDLY, THE UNITED STATES HAD A CHANCE TO FULFILL THE DREAMS OF ITS GREATER FOUNDERS AND BECOME A DEMOCRACY IN FACT AS WELL AS NAME. CHARLES SUMNER AND THADDEUS STEVENS: FREDERICK DOUGLASS AND WENDELL PHILLIPS URGED THE NATION TO GIVE THE EMANCIPATED NEGRO THE VOTE. SUMNER SAID IN 1866: " IN THE FEARFUL TRAGEDY NOW DRAWING TO A CLOSE THERE IS A DESTINY, STERN AND IRRESISTIBLE AS THAT OF THE GREEK DRAMA, WHICH SEEMS

TO MASTER ALL THAT IS DONE, HURRYING ON THE DEATH OF SLAVERY AND ITS WHOLE BROOD OF SIN. THERE IS ALSO A CHRISTIAN PROVIDENCE WHICH WATCHES THIS BATTLE FOR RIGHT, CARING ESPECIALLY FOR THE POOR AND DOWNTRODDEN WHO HAVE NO HELPER. THE FREEDMAN STILL WRITHING UNDER CRUEL OPPRESSION NOW LIFTS HIS VOICE TO GOD THE AVENGER. IT IS FOR US TO SAVE OURSELVES FROM RIGHTEOUS JUDGMENT. NEVER WITH IMPUNITY CAN YOU OUTRAGE HUMAN NATURE. OUR COUNTRY WHICH IS GUILTY STILL, IS PAYING STILL THE GRIEVOUS PENALTY. THEREFORE BY EVERY MOTIVE OF SELF-PRESERVATION WE ARE SUMMONED TO BE JUST. AND THUS IS THE CAUSE ASSOCIATED INDISSOULUBLY WITH THE NATIONAL LIFE....

35-6-201

"STRIKE AT THE BLACK CODE, AS YOU HAVE ALREADY STRUCK AT THE SLAVE CODE. THERE IS NOTHING TO CHOOSE BETWEEN THEM. STRIKE AT ONCE: STRIKE HARD. YOU HAVE ALREADY PROCLAIMED EMANCIPATION: PROCLAIM ENFRANCHISEMENT ALSO. AND DO NOT STULTIFY YOURSELVES BY SETTING AT NAUGHT THE PRACTICAL PRINCIPLE OF THE FATHERS, THAT ALL JUST GOVERNMENT STANDS ONLY ON THE CONSENT OF THE

GOVERNED, AND ITS INSEPARABLE COROLLARY, THAT TAXATION WITHOUT REPRESENTATION IS TYRANNY. WHAT WAS ONCE TRUE IS TRUE FOREVER, ALTHOUGH WE MAY FOR A TIME LOSE SIGHT OF IT, AND THIS IS THE CASE WITH THOSE IMPERISHABLE TRUTHS TO WHICH YOU HAVE BEEN, ALAS! SO INDIFFERENT. THUS FAR THE WORK IS ONLY HALF DONE....

"ACCORDING TO THE BEST TESTIMONY NOW, THE POPULATION OF THE EARTH EMBRACING CAUCASIANS, MONGOLIANS, MALAYS, AFRICANS, AND AMERICANS IS ABOUT THIRTEEN HUNDRED MILLIONS, OF WHOM ONLY THREE HUNDRED AND SEVENTY FIVE MILLIONS ARE 'WHITE MEN' OR LITTLE LESS THAN ONE FOURTH, SO THAT IN CLAIMING EXCLUSIVE RIGHTS FOR 'WHITE MEN', YOU DEGRADE NEARLY THREE QUARTERS OF THE HUMAN FAMILY, MADE IN THE 'IMAGE OF GOD' AND DECLARED TO BE OF 'ONE BLOOD', WHILE YOU SANCTION A CASTE OFFENSIVE TO RELIGION, AN OLIGARCHY INCONSISTENT WITH REPUBLICAN GOVERNMENT, AND A MONOPOLY WHICH HAS THE WHOLE WORLD AS ITS FOOTSTOOL.

"AGAINST THIS ASSUMPTION I PROTEST WITH MIND, SOUL AND HEART. IT IS FALSE IN RELIGION, FALSE IN STATESMANSHIP, AND FALSE IN ECONOMY. IT IS AN

EXTRAVAGANCE, WHICH, IF ENFORCED, IS FOOLISH TYRANNY. SHOW ME A CREATURE WITH ERECT COUNTENANCE LOOKING TO HEAVEN, MADE IN THE IMAGE OF GOD, AND I SHOW YOU A MAN WHO, OF WHATEVER COUNTRY OR RACE, WHETHER DARKENED BY EQUATORIAL SUN OR BLANCHED BY NORTHERN COLD, IS WITH YOU A CHILD OF THE HEAVENLY FATHER, AND EQUAL WITH YOU IN TITLE TO ALL THE RIGHTS OF HUMAN NATURE."

THE NATION WAS AGHAST: WHAT, RECOGNIZE NEGROES AS MEN AND VOTERS? IMPOSSIBLE. THE NATION HESITATED IN DISMAY. THEN INDUSTRY REALIZED THAT THE SOUTH ALTHOUGH BEATEN IN WAR WAS ABOUT TO RESUME ITS CONTROL OF NATIONAL POLITICS BY REENSLAVING THE NEGRO AND BASING INCREASED POLITICAL POWER ON WHITE REPRESENTATION OF DISFRANCHISED BLACKS. THERE WAS BUT ONE WAY TO FORESTALL THIS AND THAT WAS TO PUT VOTES INTO THE HANDS OF THE NEGROES AND LET THEM BY DEMOCRATIC METHODS OUTVOTE THEIR FORMER MASTERS. BUT SOON IT WAS EVIDENT THAT OUR NEW NEGRO VOTERS WOULD NOT CONFINE THEMSELVES TO SERVING NORTHERN INDUSTRY AND AGREEING IN THE NARROW DEFINITION OF DEMOCRACY WHICH

WAS CURRENT IN THE NORTH.

ON THE CONTRAY THEY WERE GOING TO INTERFERE WITH PROPERTY AND INDUSTRY. THIS WAS FROM NO THEORY OF SOCIALISM LEARNED FROM KARL MARX, BUT FROM DIRE NECESSITY. THADEUS STEVENS SAID IN 1865 : "WE HAVE TURNED , OR ARE ABOUT TO TURN, LOOSE FOUR MILLION SLAVES WITHOUT A HUT TO SHELTER THEM OR A CENT IN THEIR POCKETS. THE INFERNAL LAWS OF SLAVERY HAVE PREVENTED THEM FROM ACQUIRING AN EDUCATION, UNDERSTANDING THE COMMONEST LAWS OF CONTRACT, OR OF MANAGING THE ORDINARY BUSINESS LIFE. THIS CONGRESS IS BOUND TO PROVIDE FOR THEM UNTIL THEY CAN TAKE CARE OF THEMSELVES. IF WE DO NOT FURNISH THEM WITH HOMESTEADS, AND HEDGE THEM AROUND WITH PROTECTIVE LAWS: IF WE LEAVE THEM TO TO THE LEGISLATION OF THEIR LATE MASTERS, WE HAD BETTER HAVE LEFT THEM IN BONDAGE."

CONGRESS REFUSED TO GIVE LAND OR TOOLS: THE FREEDMEN WERE PENNILESS:

THEY HAD NEITHER LAND NOR TOOLS; THEY HAD NO TRAINED SOCIAL LEADERSHIP. THEY BEGAN, THEY HAD TO BEGIN TO DIVIDE THE BIG PLANTATIONS INTO SMALL FARMS; TO PROVIDE CAPITAL FROM HIGHER WAGES AND PUBLIC FUNDS AND TO OPEN FREE PUBLIC SCHOOLS. THIS WAS TOO MUCH FOR THE NATION; THEY HAD NOT EMANCIPATED NEGROES FOR A NEW DEMOCRATIC SOCIALISM, BUT FOR CONTROL OF THE COTTON CROP.

THE EX WHITE MASTERS WERE EQUALLY ALARMED TO SEE BLACK FOLK ABOUT TO ACQUIRE EDUCATION AND CAPITAL BY DEMOCRATIC METHODS. NORTH AND SOUTH UNITED TO OVERTHROW DEMOCRACY IN THE NEW SOUTH; TO DISENFRANCHISE THE NEGRO VOTE; ESTABLISH A COLOR CASTE OF CHEAP LABOR AND TO GET COTTON BACK ON THE WORLD MARKET. WHEN THIS OVERTHROW OF DEMOCRACY WAS ACCOMPLISHED ABOUT 1885, BIG BUSINESS IN THE GUISE OF MONARCHY AND OLIGARCHY IN AMERICAN INDUSTRY BEGAN OPENLY TO MOVE IN. IN VAIN WE YELL ABOUT REFORM, TRUSTS AND MONOPOLY; THE POWER OF CAPITAL AND WEALTH IN THE UNITED STATES GREW FRANTICALLY IN THE NINETIES UNTIL A GREAT WAVE OF FEAR AND RESENTMENT ENGULFED THE NATION IN THE

35-6-26

NINETIES.

WILLIAM JENNINGS BRYAN VOICED THE REVOLT OF THE POPULISTS AND WAS ON THE WAY TO VICTORY, WHEN MARK HANNA, AN OHIO CAPITALIST, THREW OFF ALL DISGUISE AND OPENLY BOUGHT THE PRESIDENCY FOR WILLIAM MCKINLEY AND SLAPPED AND CHEATED POPULISM INTO OBLIVION WHILE THE RANK AND FILE AMERICAN WAS APPEASED BY THE ABSOLUTELY UNNECESSARY SPANISH WAR AND OUR DEMOCRATIC COUNTRY BECAME AN IMPERIAL OWNER OF CHEAP COLONIAL LABOR AND SURF GROWN SUGAR.

WE ENTERED THE 20TH CENTURY, NOT AS A DEMOCRACY RULED BY THE VOTES OF THE PEOPLE BUT AS A PLUTOCRACY RULED BY WEALTH AND . THE SLAVE POWER WAS REPLACED BY THE MONEY POWER AND UNDER NEITHER CAN DEMOCRACY FLOURISH. THUS TODAY THE HEIRS OF THE SLAVE POWER, ADOPTED BY THE MONEY POWER RULE CONGRESS THROUGH DISENFRANCHISEMENT AND UNLIMITED DEBATE, SO THAT ILLITERATE CHAIRMEN OF POWERFUL COMMITTEES RUN FOREIGN AFFAIRS AND DOMESTIC POLICY, WHILE THE FABULOUS RESOURCES OF AN EMPIRE LIKE TEXAS ARE SURRENDERED TO MONOPOLY

BY MANIPULATION OF FEDERAL FUNDS.

WE OPENLY EXPRESSED OUR DISBELIEF IN THE POSSIBILITY OF DEMOCRACY AND ABSOLUTE NECESSITY OF MANIPULATING ELECTIONS, CHOOSING PICKED CANDIDATES AND CIRCUMVENTING THE POPULAR WILL, IF SUCH A WILL EXISTED. OUR REPRESENTATION IN LEGISLATURE AND CONGRESS WAS NOTORIOUSLY UNFAIR AND UNEQUAL. TWELVE MILLION VOTERS IN THE MIDDLE ATLANTIC STATES SEND SIX SENATORS TO WASHINGTON WHILE 4½ MILLION VOTERS IN THE SOUTH SEND TWENTY. IN THE SOUTH 44,000 VOTERS HAVE EQUAL POWER TO 134,000 IN THE MIDDLE WEST. OUR COURTS WERE REMOVED AS FAR AS POSSIBLE FROM POPULAR CHOICE AND JURIES ARE A PICKED ARISTOCRACY, INSURED CONVICTION OF ANY ENEMY OF THE RULING CLASSES. WE ADDED TO OUR COLONIAL POSSESSIONS AND INFLUENCE. WE EVOLVED A TECHNIQUE OF CONTROL WHICH WE LOUDLY ADVERTISED AS AMERICAN DEMOCRACY. IT CONSISTED OF PUTTING STOOGES AND QUISLINGS LIKE CHIANG KAI SHEK, SYNGMAN RHEE AND QUIRINO IN POWER AND LETTING THEM RUN THE GOVERNMENT AND RIG THE ELECTIONS WHILE AMERICANS

BUSINESS MOVED IN TO EXPLOIT LABOR AND MATERIALS FOR AMERICAN PROFIT. WHEN THE LID BLEW OFF THIS ARRANGEMENT WE YELLED: "HERE COME THE RUSSIANS" AND PREPARED FOR WORLD WAR. THIS TECHNIQUE COULD NOT FOOL THE NATION FOREVER SO THAT ON THE THRESHOLD OF THE SECOND HALF OF THE TWENTIETH WE ARE SET TO CURB AND SUPPRESS THAT PUBLIC OPINION OF THE PEOPLE OF THE UNITED STATES WHICH ONCE AWARE AND AROUSED SWEEPS AWAY THE RULE OF BIG BUSINESS LIKE CHAFF. THIS HAPPENED UNDER FRANKLIN ROOSEVELT AND WILL HAPPEN AGAIN WHEN THIS DRUGGED AND FRIGHTENED NATION WAKES UP.

WE FOOLED THE PUBLIC WITH LIES: WE NAILED UP THE REAL SOURCES OF INFORMATION: WE SPREAD FEAR AND FAIRY TALE; WE HIKED THE PRICE OF ELECTIONS UNTIL $40,000,000 A YEAR IS USED TO BUY RESULTS WHICH BIG BUSINESS WANTS: AND FINALLY WE MARCHED THE GENERALS IN TO PUT THE YOUTH OF AMERICA INTO THE GOOSE STEP AND SPENT FOR DRILLING WHAT WE OUGHT TO SPEND FOR EDUCATION.

HERE WE STAND TODAY AND WHAT CAN WE DO ABOUT IT? WE CAN STOP WAR AND PREPARATION FOR WAR: WE CAN STOP OBSTINATELY REFUSING TO NEGOTIATE WORLD PEACE SAVE ON OUR OWN TERMS: WE CAN PUT THE MILITARY OUT OF PUBLIC OFFICE. AND THEN WE CAN TURN OUR FANTASTIC WASTE OF MONEY ON MURDER AND DESTRUCTION ON EDUCATION KNOWING AS OUR SLOW-WITTED PRESIDENT HAS JUST DISCOVERED THAT A THIRD OF OUR YOUTH TODAY IS ILLITERATE, UNTRAINED, SICK AND UNFIT. WE CAN SUPPORT A FREE PRESS AND REFUSE TO TAKE PICTURES AND ADVERTISING AS NEWS AND TRUTH. WE CAN DEMAND AN EFFICIENT FEPC, NOT SIMPLY AS JUSTICE, BUT TO GIVE THE NATION THE ABILITY AND GENIUS NOW DENIED AND CHOKED. WE CAN INSIST ON BASING REPRESENTATION IN THE LEGISLATURES AND CONGRESS ON POPULATION AND VOTES CAST. WE CAN DEMAND THE RIGHT OF A THIRD PARTY TO APPEAR AND BE COUNTED AT ANY ELECTION. WE CAN REDUCE ELECTION EXPENSES BY PUBLIC APPROPRIATION AND PUT CHEATERS AND OFFICE BROKERS IN JAIL EVEN IF THEY HOLD OR ASPIRE TO THE HIGHEST OFFICES. WE CAN MAKE THE SENATE A REAL LEGISLATURE AND NOT THE REPRESENTATIVE OF THE TRUSTS

3-16-38

AND OBLIGE IT TO ADOPT CLOSURE. WE CAN COMPEL CONGRESS TO ABOLISH SENIORITY IN COMMITTEES WHICH PUTS LEGISLATION AT THE MERCY OF SOUTHERN OLIGARCHY AND WITHIN GRAFT.

WE CAN BECOME A FREE PEOPLE UNSURROUNDED BY SPIES AND PEEP HOLES AND A DEMOCRACY UNBOUGHT BY WEALTH, GREED AND STOLEN POWER. WE CAN HAVE PEACE. THIS IS THE PROGRAM OF THE AMERICAN LABOR PARTY.

LET THE MONEY MASTERS OF AMERICA BEWARE, IF THEY FORCE THIS WORLD INTO A THIRD WORLD WAR, WITH MURDER OF YOUTH, DEATH OF DREAM, WITH DESTRUCTION OF HEARTH AND HOME: THEY WILL NEVER BE FORGIVEN IN THIS WORLD NOR IN ALL THE WORLDS TO COME.

THERE IS A PUBLIC OPINION IN AMERICA, DRUGGED AND ASLEEP AS IT IS AFTER LAYERS OF LIES NAILED DOWN UPON IT BY A PROSTITITE PRESS HAVE BEEN PRIED OFF, SOMEDAY THIS LAND WILL BE SANE AGAIN AND THE NATION WILL SPEAK OUT LOUD.

I HAD ONCE A CLASSMATE WHO LIES TONIGHT AMONG THE HAPPY DEAD. HE MADE SONGS FOR A LIFE WORK. WHEN HE SAW THE MACHINE OF WEALTH CHAINING HUMAN LABOR LIKE A BRUTE TO ITS BLOODY WHEELS HE SANG: " BUT THE BRUTE SAID IN HIS BREST, 'TILL THE MILLS I GRIND HAVE CEASED, THE RICHES SHALL BE DUST OF DUST, DRY ASHES BE THE FEAST!

"ON THE STRONG AND CUNNING FEW
CYNIC FAVORS I WILL STREW:
I WILL STUFF THEIR MAW WITH OVERPLUS UNTIL THEIR SPIRIT DI S:
FROM THE PATIENT AND THE LOW
I WILL TAKE THE JOYS THEY KNOW:
THEY SHALL HUNGER AFTER VANITIES AND STILL AN HUNGERED GO.
MADNESS SHALL BE ON THE PEOPLE, GHASTLY JEALOUSIES ARISE:
BROTHER'S BLOOD SHALL CRY ON BROTHER UP THE DEAD AND EMPTY SKIES."

DEMOCRACY

BY

W. E. B. DU BOIS

Democracy is the form of government in which each citizen has a voice in all decisions of policy and action. It contrasts with dictatorships, oligarchies or class rule. In a democracy the citizen must have freedom of opinion, access to the facts and right of expression by voice and vote. The United States has always regarded itself as a democracy and lately has assumed leadership of the democratic forces of the world. The American Labor Party ventures to examine this claim. First of all this country was not at first a democracy even in theory, but successively a monarchy, a theocracy and then an aristocracy of birth and property. Jefferson and the French Revolution turned it toward the democratic ideal and the age of Jackson admitted the workers and farmers into the body politic.

35-7-49

I saw American Democracy in the last quarter of last century, from the point of view of New England, then its best expression. We had freedom of opinion and considerable right of dissent. But in actual political life we were under the pretty strict control of the small landholders, the owners of town real estate and the merchants. They were the only ones who were elected to town office and whose influence was dominant over public opinion. There was no public discussion or voting on such matters as wages, hours of work or income. Slums, poor relief, sewage and health were discussed only as they affected taxation. The wretched slums in my town surrounded the woolen mill, whose owners were the social aristocrats of the town. We never discussed them. In school we did not discuss property nor income. We regarded these as purely private matters. We never had strikes and opposed the idea as futile and unnatural. Poverty was looked on as usually the reslut of laziness, and good schools were furnished free to those able to attend. Poor relief was a public disgrace distributed gingerly. Private alms-giving was common. This was an

approach to democracy, but it was not complete democracy.

First of all, democracy in the United States has historically excluded from the right to vote, at various times and places: Catholics and dissenters like Jews and Baptists, all women before 1920; the poor, even in some areas today, Negroes or descendants of Negroes, Indians, Asiatics and Foreigners; illiterates, even where there were no schools nor ability to attend.

35-7-50

Meantime there was growing up along side our democracy and increasingly contradicting it, a system of human slavery which was an integral part of our economy and a prime source of our wealth. When we nobly declared "All men equal," every fifth American was a slave, purchasable exactly like cattle. Naturally we saw this fatal contradiction but excused it in various ways and hoped it would disappear without costing us too much. But after hesitation during the period from 1776 to 1820, just as democracy was broadening so as to include white laborers, Negro slavery in the United States became the basis of a cotton kingdom and cotton togerher with sugar, tobacco and other slave-raised crops processed by a new technique, caused an industrial revoltuion which rebuilt the modern world. In the United States the slave power grew until it became the rule of a political oligarchy which not only was not democratic but openly derided democracy in the North and West and expanded the slave aristocracy South and West. However coincident with Southern aristocracy had grown up a Western section of adventurers and pioneers among small landholders and there a new virile democracy began to flourish. If the free land which the nation owned in abundance had in the 30's and 40's been distributed widely among them, augumented by immigration from the South, East and Europe, this region of peasant proprietors would have imposed democratic government and freedom of thought on the whole nation. But the western land was held off the markets as long as possible, then was given to railroads and corporations digging for minerals and oil, until the day when the western farmer had to fight the slave power for free land.

In the ensuing Civil War, no one except the despised Negroes and white abolitionists opposed or wanted to attack slavery, the mass of citizens wanted to keep this system of labor off its free soil but was quite willing to protect it in the South so long as it applied only to Negroes.

Northern industry was hand in glove with slavery from which it derived huge income. It swore violently to protect all the rights of slave owners in the South and deny Negroes citizenship or human rights in the whole nation; but it refused to surrender Southern products and markets to Europeans and rather than lose this profitable union was willing to fight, destroy and kill. But victory in war is not always as easy as scrap-happy generals tell us. The Southerners with leaders trained at West Point, weapons stolen from the government and with black labor in the fields to raise their food and clothes, fought the North to a stand-still, invaded the North and nearly captured Washington.

35-7-51

Then the North had sense enough to accept the cooperation of slaves which had been offered to them from the first. Negroes had fled from the plantations by thousands and were used as spies and laborers until finally 200,000 of them became armed soldiers in the armies of the North replacing Northern white men who refused to fight. Southern poor whites began to desert. Victory for the North became simply a matter of arming increasing numbers of the whole mass of a million able-bodied slaves. Facing that prospect, Lee surrendered after a futile attempt to induce Negroes to fight for slavery.

Then suddenly and most unexpectedly, the United States had a chance to fulfill the dreams of its greater founders and become a democracy in fact as well as name. Charles Sumner and Thaddeus Stevens; Frederick Douglass and Wendell Phillips urged the nation to give the emancipated Negro the vote. Sumner said in 1866: "In the fearful tragedy now drawing to a close there is a destiny, stern and irresistible as that of the Greek drams, which seems to master all that is done, hurrying on the death of slavery and its whole brood on sin. There is also a Chrisitian providence which watches this battle

for right, caring especially for the poor and downtrodden who have no helper. The freedmen still writhing under cruel oppression now lifts his voice to God the Avenger. It is for us to save ourselves from righteous judgment. Never with impunity can you outrage human nature. Our country which is guilty still, is paying still the grievous penalty. Therefore by every motive of self-preservation we are summoned to be just. And thus is the cause associated indissolubly with the national life--....

35-7-52

"Strike at the Black Code, as you have already struck at the Slave Code. There is nothing to choose between them. Strike at once: strike hard. You have already proclaimed emancipation: proclaim enfranchisement also. And do not stultify yourselves by setting at naught the practical principle of the fathers, that all just government stands only on the consent of the governed; and its inseparable corollary, that taxation without representation is tyranny. What was once true is true forever, although we may for a time lose sight of it, and this is the case with those imperishable truths to which you have been, alas! so indifferent. Thus far the work is only half done....

"According to the best testimony now, the population of the earth embracing caucasians, Mongolians, Malays, Africans, and Americans is about thirteen hundred millions, of whom only three hundred and seventy five millions are 'white men' or little less than one fourth, so that in claiming exclusive rights for white men', you degrade nearly three quarters of the human family, made in the 'Image of God' and declared to be of 'one blood', while you sanction a caste offensive to religion, an oligarchy inconsistent with republican government, and a monopoly which has the whole world as its footstool.

"Against this assumption I protest with mind, soul and heart. It is false in religion, false in statesmanship, and false in economy. It is an extravagance, which, if enforced, is foolish tyranny. Show me a creature

with erect countenance looking to Heaven, made in the Image of God, and I show you a man who, of whatever country or race, whether darkened by equatorial sun or blanched by Northern cold, is with you a child of the Heavenly Father, and equal with you in title to all the rights of human nature."

35-7-53

The nation was aghast: what, recognize Negroes as men and voters? Impossible. And then Industry realized that the South, although beaten in war, was about to resume its control of national politics by reinslaving the Negro and basing increased political power on white representation of disfranchised b blacks. There was but one way to forestall this and that was to put votes into the hands of the Negroes and let them by democratic methods outvote their former masters. But soon it was evident that the new Negro voters would not confine themselves to serving Northern industry and agreeing to the narrow definition of democracy which was current in the North.

On the contrary they were going to interfere with property and industry. This was from no theory of socialism learned from Karl Marx, but from dire necessity. Thaddeus Stevens said in 1865: "We have turned, or are about to turn loose four million slaves without a hut to shelter them or a cent in their pockets. The infernal laws of slavery have prevented them from acquiring an education, understanding the commonest laws of contract, or of managing the ordinary business of life. This congress is bound to provide for them until they can take care of themselves. If we do not furnish them with homesteads, and hedge them around with protective laws; if we leave them to the legislation of their late masters, we had better have left them in bondage."

Congress however refused to give Negroes land or tools; the Freedmen were penniless; they had no clothes nor food; they had no trained social leadership. They began, they had to begin to divide the big plantations into small farms; to provide capital from higher wages and public funds and to open free public schools. This was too much for the nation: they had not emancipated Negroes for a new democratic socialism, but for control of the

cotton crop.

The white ex-masters were equally alarmed to see black folk about to acquire education and capital by democratic methods. North and South united to overthrow democracy in the new South; to disenfranchise the Negro vote: establish a color caste of cheap labor and to get cotton back on the world market. When this overthrow of democracy was accomplished about 1885, Big Business in the guise of oligarchy in American industry began openly to move in. In vain we yelled about reform, trusts and monopoly; the power of capital and wealth in the United States grew frantically in the 90's until a great wave of fear and resentment engulfed the nation in the Nineties.

35-7-54

William Jennings Bryan voiced the revolt of the Populists and was on the way to victory, when Mark Hanna, an Ohio capitalist, threw off all disguise and openly bought the Presidency for William McKinley; capital slapped and cheated Populism into oblivion, while the rank and file American was appeased by absolutely unnecessary Spanish War and our democratic country became an imperial owner of cheap colonial labor and serf-grown sugar.

We entered the 20th century, not as a democracy ruled by the votes of the people but as a plutocracy ruled by wealth and for wealth. The slave power was replaced by the money power and under neither can democracy flourish. Thus today the heirs of the slave power, adopted by the money power, rule congress, through disfranchisement and unlimited debate, so that illiterate chairmen of powerful committees run foreign affairs and domestic policy, while the fabulous resources of an empire like Texas are surrendered to monopoly by manipulation of federal funds.

We openly expressed our disbelief in the possibility of democracy and absolute necessity of manipulationg elections, choosing picked candidates and circumventing the popular will, if such a will existed. Our representation in legislature and congress was notoriously unfair and unewual. Twelve million voters in the Middle Atlantic States send six senators to Washington

while 4½ million voters in the South send twenty. In the South 44,000 voters have equal power to 134,000 in the Middle West. Our courts were removed as far as possible from popular choice and juries are often a picked aristocracy, insured conviction of any enemy of the ruling classes. We added to our colonial possessions and influence. We evolved a technique of ~~puttingxxxxxx~~ control which we loudly advertised as American Democracy. It consisted of putting stooges and quislings like Chiang Kai, Shek, Syngman Rhee , Quirino and Munoz in power and letting them run the governmment and rig the elect ons while America's business moved in to exploit labor and materials for American profit. When the lid blew off this arrangement, we yelled: "Here come the Russians" and prepared for world war.

35-7-55

This technique could not fool the nation forever so that on the threshold of the second half of the twentieth we are set to curb and suppress that public opinion of the people of the United States which once aware and arcused will sweep away the rule of Big Business like chaff. This happened under Franklin Roosevelt and will happen again when this drugged and frightened nation wakes up.

We fooled the public with lies; we nailed up the real sources of information; we spread fear and fairy tale; we hiked the price of elect ons until $40,000,000 a year is used to buy results which Big Business wants; and finally we marched the Generals in to put the youth of America into the Goose Step and spent for drilling what we ought to spend for education.

Here we stand today and what can we do about it? We can get out of Asia, we can stop war and preparagion for war; we can stop obstinately refusing to negotiate world peace save on our own terms; we can put the military out of public office. And then we can turn our fantistic waste of money on murder and destruct on toward educat on; knowing as our slow-witted president has just discovered that a third of our youth today is illiterate, untrained, sick and unfit. We can support a free press and refuse to take pictures and advertising

as news and truth. We can demand an efficient FEPC, not simply as justice, but to give the n tion the ability and genius now denied and choked. We can insist on basing representation in legislature and congress on population and votes cast. We can demand the r ght of a third party to appear and be counted at any election. We can reduce election expenses by public appropriation and put grafters and office-brok rs in jail even if they hold or aspire to the highest offices. We can make the senate a real legislature and not the representative of the trusts and oblige it to adopt closur . We can comple congress to abolish senority in committees which puts legislation at the mercy of Southern oligarchy and Northern graft.

35-7-36

We can become a free people unsurrounded by spies and peep holes and a democracy unbought by wealth, greed and stolen power. We c n have peace. This is the program of the Americ n Labor Party.

Let the money masters of America beware, if they force this world into a Third World W r, with murder of youth, death of dream, with destruction of hearth and home; they will never be forgiven in this world nor in all the worlds to come.

There is a public opinion in America, drugged and asleep as it is after layers of lies nailed down upon it by a prostitute press have been pried off. Someday this land will be sane again and the nation will speak.

PEACE AND CIVIL RIGHTS

BY

W. E. B. DU BOIS

This is the astounding day when the nation which has most loudly boasted of Peace and Freedom; which assumes leadership of the democratic nations of the world, is preparing for war; and not merely for defensive war, but for a war to destroy the Union of Soviet Republics, China and all nations which embrace communism or even extreme socialism. This conquest of the world has started in Korea, is spreading to China and may any day embrace the world.

The United Nations, our hope of peace after the horror of Two World Wars, is being disrupted by deliberate attempt to break that principle of unanimity wisely imbedded in its charter and to surrender it a helpless puppet to a majority dominated by the United States. To finance our proposed dictatorship of mankind we are spending and preparing to spend a sum of money greater than the income of the rest of the world and so vast that we ourselves cannot conceive its size nor the shattering impact it will have on our economy, on our total life and work.

This is the bare truth which confronts us, although many americans stagger in a daze and do not seem to realize our situation or the unprecented crisis which confronts civilization in our day. Nor do they appear to know that the great corrective of sane and informed public opinion, which in crisis like this could hitherto be relied upon to restore sanity and normal reaction, today no longer exists. Organized propaganda on an unprecedented scale and world wide in incidence has denied this nation access to the truth and distorted our every judgment.

Our intellectual leadership today stands cowed, or silenced completely. Our ethical and religious guidance is even more completely shorn than usual of all influence or initiative. We are a lost and leaderless people rushing madly down steep places into a great sea. Our youth in schools are frightened

by tha atom bomg; or in colleges headed by merchants, politicians or generals indoctrinated with hate, or in the military forces in steadily increasing number blindly goose stepping to orde s and peparing to disappear into crippled manhood, insane mentality or be black fate of purposeless death.

The American Labor Party in this day of wrath cries to this great city and Empire State, a last work of warning, muffled though it may be by silence, threat and lack of opportunity to bring our message to a tenth of those who should hear. We say and say again with reiterated emphasis; our plight, our sorry plight in this land today, is due and due mainly to the money power; to the organization for private profit which has bought up our periodicals, throttled our news gathering and paralized our thought.

35-4 196

Our whole concept of life has been altered since the day when after the overthrow of the slave power, Northern merchant and Southern slaveholder united to overthorw democracy before it was born in a new South; to disenfranchise the freedmen's vote and establish a caste of cheap black labor, which bound white labor in equal chains. When this overthrow of democracy was accomplished, monarchy and oligarchy in American industry beg n openly to reign.

This technique could not fool the nation forever so that on the thres hold of the second half of the 20th century we are set to curb and suppress that public opinion of the people of the United States which once aware and aroused swears away the rule of Big Business like chaff. This began to hapren under Franklin Roosevelt and will happen again when this drugg d and frightened nation wakes up.

BROADCAST W.E.B. DU BOIS NOV. 6,1950

THIS IS THE ASTOUNDING DAY WHEN THE NATION WHICH HAS MOST LOUDLY BOASTED OF PEACE AND FREEDOM WHICH ASSUMES LEADERSHIP OF THE DEMOCRATIC NATIONS OF THE WORLD IS PREPARING FOR WAR AND NOT MERELY FOR DEFENSIVE WAR BUT FOR A WAR TO DISTROY THE SOVIET UNION CHINA AND ALL NATIONS WHICH EMBRACE COMMUNISM, or even extreme Socialism THIS WORLD CONQUEST HAS BEGUN IN KOREA IS SPREADING TO CHINA AND ANY DAY MAY ENVEL- the THE EARTH. ¶ THE UNITED NATIONS OUR HOPE OF PEACE AFTER THE HORROR OF TWO WORLD WARS IS BEING DISRUPTED BY DELIBERATE ATTEMPT TO BREAK THAT PRINCIPLE OF UNANIMITY WISELY IMBEDDED IN ITS CHARTER AND TO SURRENDER IT A HELPLESS PUPPET INTO THE HANDS OF A MAJORITY DOMINATED BY THE UNITED STATES. TO FINANCE OUR PROPOSED DICTATORSHIP OF MANKIND, WE ARE SPENDING AND PREPARING TO SPEND A SUM LARGER THAN THE INCOME OF THE REST OF THE WORLD AND SO VAST THAT WE OURSELVES CANNOT CONCEIVE ITS SIZE NOR THE SHATTERING IMPACT IT WILL HAVE ON OUR ECONOMY ¶ THIS IS THE BARE TRUTH WHICH ~~CONFRONTS~~ faces US ~~WITH~~ and MOST AMERICANS are STAGGERING IN A DAZE UNABLE TO REALIZE THE CRISIS CONFRONTING CIVILIZATION. NOR DO THEY SEEM TO KNOW THAT THE GREAT CORRECTIVE OF A SANE AND INFORMED PUBLIC OPINION WHICH FORMERLY IN DAYS LIKE THIS COULD BE DEPENDED ON EVENTUALLY TO RESTORE SANITY AND NORMAL REACTION CAN TODAY NO LONGER BE RELIED UPON SO LONG AS PROPAGANDA ORGANIZED ON AN UNPRECEDENTED SCALE AND OF WORLD WIDE INCIDENCE DENIES THIS NATION ACCESS TO THE TRUTH AND DISTORTS OUR EVERY JUDGMENT. ¶ OUR INTELLECTUAL LEADERSHIP TODAY STANDS COWED OR SILENCED COMPLETELY. OUR RELIGIOUS GUIDANCE IS EVEN MORE SHORN THAN USUAL OF INITIATIVE. WE ARE A LOST AND WANDERING PEOPLE RUSHING MADLY DOWN STEEP PLACES INTO A GREAT SEA. OUR CHILDREN, IN SCHOOLS ARE BEING FRIGHTENED BY THE ATOM BOMB; OUR YOUTH IN COLLEGES HEADED BY MERCHANTS, POLITITIANS AND GENERALS ARE BEING INDOCTRINATED BY HATE OR ARE IN STEADILY INCREASING NUMBERS IN MILITARY FORCES, BLINDLY GOOSE-STEPPING TO ORDERS AND PREPARING TO DISAPPEAR INTO CRIPPLED MANHOOD, INSANE MENTALITY OR THE BLACK FATE OF PURPOSELESS DEATH. ¶ THE AMERICAN LABOR PARTY IN THIS DAY OF WRATH CRIES TO THIS GREAT CITY AND EMPIRE STATE A LAST WORD OF WARNING MUFFLED THOUGH IT BE BY SILENCE THREAT AND LACK OF OPPORTUNITY TO BRING OUR MESSAGE TO A TENTH OF THOSE WHO SHOULD HEAR. WE SAY AND SAY AGAIN WITH REITERATED EMPHASIS: OUR PLIGHT OUR SORRY PLIGHT IN THIS LAND TODAY IS DUE TO THE MONEY POWER: TO THE ORGANIZATIONS FOR PRIVATE PROFIT WHICH HAVE BOUGHT UP OUR NEWSPAPERS AND MAGAZINES, THROTTLED OUR NEWS GATHERING AND PARALIZED OUR THOUGHT. OUR WHOLE CONCEPT OF AMERICAN LIFE HAS BEEN ALTERED SINCE THE DAY WHEN AFTER THE OVERTHROW OF THE SLAVE POWER NORTHERN MERCHANT AND SOUTHERN SLAVEHOLDER UNITED TO OVERTHROW AT BIRTH THE DEMOCRACY OF A NEW SOUTH: TO DISFRANCHISE THE FREEDMEN AND ESTABLISH A CASTE OF

OF CHEAP BLACK LABOR WHICH BOUND WHITE LABOR WITH THE SAME CHAINS. ONCE THIS OVER THROW OF DEMOCRACY WAS ACCOMPLISHED MONARCHY AND OLIGARCHY IN AMERICAN INDUSTRY BEGAN TO REIGN OPENLY. IN VAIN WE SCREAMED REFORM AND RAKED MUCK INTO THE LIGHT. THE POWER OF CAPITAL AND WEALTH CONTINUED TO GROW FRANTICALLY UNTIL A GREAT WAVE OF RESENTMENT ENGULFED THE NATION. WILLIAM JENNINGS BRYAN VOICED THE REVOLT AND WAS IN SIGHT OF VICTORY WHEN CAPITALISM THREW OFF ALL DISGUISE. MARK HANNA OPENLY BOUGHT THE PRESIDENCY FOR MCKINLEY AND BIG BUSINESS CRUCIFIED POPULISM ON A CROSS OF GOLD. THE TRUMPETS AND DRUMS OF A TOTALLY UNNECESSARY SPANISH WAR APPEASED THE RANK AND FILE AMERICAN AND OUR COUNTRY BECAME IMPERIAL OWNER OF CHEAP COLONIAL LABOR AND SERF-GROWN SUGAR. WE ENTERED THE TWENTIETH CENTURY NOT AS A DEMOCRACY BUT AS A PLUTOCRACY RULED BY WEALTH. TODAY THE MONEY POWER AS HEIR TO THE SLAVE POWER RULES CONGRESS THROUGH DISFRANCHISEMENT IN THE SOUTH SO THAT ILLITERATE CHAIRMEN OF POWERFUL COMMITTEES CONTROL FOREIGN AFFAIRS AND DOMESTIC POLICY, WHILE THE FABULOUS RESOURCES OF THE SOUTH AND WEST ARE SURRENDERED TO MONOPOLY BY MANIPULATION OF FEDERAL FUNDS. THUS ARMED AND EQUIPPED BY TAXATION ON THE POOR, FLANKED BY QUISLINGS LIKE CHIANG KAI SHEK, SYNGMAN RHEE, QURINO AND ~~MUNOZ~~ Aguinaldo WE SET OUT TO CONQUER THE EARTH FOR AMERICAN PRIVATE PROFIT. IF WE ARE TO HALT THIS MARCH FROM PEACE AND FREEDOM INTO ~~BLOODY CHAINS~~ war + slavery WE MUST BEGIN TODAY IN THIS ELECTION IN THIS CITY. ~~AWAKE~~ LISTEN, NATIVE AMERICANS; CHILDREN OF IMMIGRANTS; SONS OF SLAVES; TO YOUR TENTS? HELP THIS BECOME THE KIND OF NATION WHICH ONCE

Jewish Peoples Fraternal Order - Substituted by Dr. Hunton for W.E.B.

c1950

It has been said more than once that if and when fascism comes to America--and we may well ask if it is not already here--it will be the Negro people first followed by the Jewish people who will feel the fury of barbaric sadism.

It has also become something of a truism that Negroes and Jews have every reason to join forces and fight together against discrimination and prejudice.

Yet the fact remains that while we talk about these things, very little has been done in a serious way to grapple with this question of Jewish-Negro relationships. This in itself is evidence, it seems to me, of the fact that even the most enlightened and progressive among us have fallen victims, unconsciously so, of the baneful virus of prejudice which makes for the separation of peoples and a narrow and exclusive approach by each minority and group of people to its own problems.

Still another reason, I believe, is that we too often approach this question of discrimination and prejudice from a wrong starting point, failing to recognize that these evils have their roots in the profit system of exploitation which the dominant ruling class practices. It is because tenement slums are profitable investments that Negroes are excluded from the Metropolitan Life Insurance Co.'s Stuyvesant Town Project. It is because the Wall Street banks and big trusts profit from cheap labor in the South which explains why the average annual income of Negroes in this country is only $1,043 as compared with $3,062 for whites and why 75% of Negro families as compared with 22.3% of white families earn less than $1,000 a year. It is because of colonial imperialism that millions throughout the earth are forced to toil and suffer like slaves.

The final and complete uprooting of racial, religious and national prejudice will come only with the destruction of the economic system which depends upon such exploitation. A man who has enjoyed much recent fame and is far from being a Communist has written:

"If the oppressed racial groups, as a result of desperation and increasing

understanding, should be attracted by the principles of equality and humanitarianism advocated by the Soviet Union (and it is both logical and likely that they will) then racial conflict will become intensified. In such case, however, racial conflict will be more directly identified with class conflict, and the oppressed racial groups may win the support of oppressed, though previously prejudiced, working-class groups within the dominant populations."

That was written and published in a pamphlet titled "A World View of Race" some 13 years ago and I am not sure that the author would like to be reminded of it now, The author's name is Dr. Ralph J. Bunche.

35-6-143

It is the ruling class which controls all the powerful agencies of propaganda which shape our thinking and foster prejudices even among those of us who would be shocked by the accusation of being a racial or religious chauvinist. The only safe-guard against the pernicious and pervasive virus of anti-Semitism among Negroes and anti-Negroism among Jews is for Negroes and Jews individually and in their organizations to act and work together on issues which either group or both groups face. Progress has been made along that path but by no means enough progress. The issues are every where around us: job discrimination, police brutality, discrimination in our schools and colleges, the barring of displaced persons by the United States and the parallel limitation of West Indian immigration to a ridiculous quota--100 persons a year.

And on the world scene, the Negro people have an obligation to support the fight for a free Israel as the Jewish people have an obligation to support the fight for a free Africa.

There is most worthy ~~valid~~ historical precedent for united Negro-Jewish struggle and it dates back to the fight against slavery in this country. "Three young Jewish immigrants were members of John Brown's band of abolitionists in Kansas in 1855. One of the bravest of the Jewish abolitionists was Dr. David Einhorn, Baltimore rabbi, who preached abolitionism in the pro-slavery

Baltimore community and made his journal Sinai an organ for the movement. In 1860 this rabbi was persuaded with great difficulty to leave Baltimore to avoid mob violence; and he finally lost Sinai because of his espousal of this unpopular cause. In Philaddlphia the rabbi Dr. Sabato Morais spoke up against slavery. Another memorable Jewish figure in the abolitionist movement was Moritz Pinner, who in 1859 founded and edited an anti-slavery paper in Missouri, a slave state. In 1853 a fugitive slave was liberated from Federal authorities in Chicago by a crowd led by Morris Greenbaum. And in Alabama, Solomon Heydenfelt, later Supreme Court Justice in California, published a pamphlet in 1849 advocating prohibition of slave immigration into Alabama."

35-6-144

What these individuals did in the past our organizations must do today. Negro-Jewish unity must be accomplished on the broadest level around the issues of the hour which spell the difference between war and peace, between life or death.

THE STORY OF JAPAN

BY

W. E. B. DU BOIS

IT IS INTERESTING TO NOTE/ THAT MANY PLACES ON EARTH/ WHICH SEEM LEAST SUITED FOR HUMAN HABITATION,/ HAVE BECOME CENTERS OF ACTION AND OF CULTURE.// THERE ARE FOR INSTANCE/ TWO ISLANDS WEST OF EUROPE/ WHICH NO ONE WOULD CHOOSE FOR THEIR CLIMATE/ OR EVEN THEIR BEAUUTY.// THE CLIMATE OF ENGLAND IS WRETCHED MOST OF THE YEAR,/ WITH RAIN AND FOG AND CHILL.// SO IN ASIA/ THERE ARE FOUR ISLANDS/ EXTENDING THREE THOUSAND MILES/ ALONG THE EASTERN SHORES, HOKKAIDO, HONSHU,/ SHIKOKU AND KYUSHU.// THE LARGEST OF THE TWO ISLANDS/ ARE ABOUT THE SIZE/ OF INDIANA AND MINNESOTA,/ WHILE THE SMALLER/ IS ABOUT THE SIZE OF NEW JERSEY.// THERE ARE ROCKY MOUNTAIN PEAKS/ RISING FROM THE OCEAN FLOOR,/ BLEAK AND DAMP/ WITH ONLY HANDFULS OF FERTILE SOIL./ This is NIPPON / called JAPAN.

46-6-2

--2--

HERE LIVES A POPULATION/ OF SOME 70,000,000 SOULS/ WITH A LONG AND INTERESTING HISTORY.// THE PEOPLE ARE MIXED/ WITH THE WHITE BLOOD OF THE NORTH,/ THE YELLOW BLOOD OF CHINA,/ AND THE BLACK BLOOD OF THE SOUTH SEAS.// SOME 700 YEARS BEFORE CHRIST,/ ABOUT THE TIME THAT THE GREEK PEOPLE/ BECAME A STATE IN THE WEST,/ THE JAPANESE STATE BEGAN.// THEIR CULTURE WAS LARGELY CHINESE/ AND THEY MAY BE REGARDED/ AS AN OFF-SHOOT/ OF THE DEVELOPMENT OF CHINESE CIVILIZATION.// FOR SOME 400 YEARS/ THEY REMAINED AN ABSOLUTE MONARCHY// AND THEN BECAME A FEUDAL GOVERNMENT/ WITH AN EMPEROR,/ BUT WITH GREAT FAMILIES/ OF INCREASING POWER,/ SO MUCH SO THAT THE SHOGUN/ REPRESENTING some great FAMILY/ IN TIME/ HAD MORE ACTUAL POWER/ THAN THE EMPEROR HIMSELF.// AT THE SAME TIME JAPANESE ART/ BECAME AND REMAINS/ ONE OF THE GREAT ART EXPRESSIONS/ OF THE WORLD.// THE FLOWER CULTURE,/ THE TRAINING OF TREES AND SHRUBS,/ PICTORIAL ART IN PAINTING AND PRINTING;/ THE SILK CLOTHING, The PAPER HOMES,/ MARVELLOUS WOODEN TEMPLES AND

DIGNIFIED PUBLIC BUILDINGS/MAKE THE CONTRIBUTION OF JAPAN/TO BEAUTY AND LIFE/IMMEASURABLE.// THERE IS IN IT ALL A CERTAIN SIMPLICITY/AND DIRECTNESS:/A JOY OF BEING/EVEN AMID (HARD TOILY) POVERTY,/WHICH IS UNEXCELLED/ELSEWHERE IN THE WORLD .

THIS WAS THE SITUATION/~~UP UNTIL~~ IN THE 19th CENTURY/WHEN AN AMERICAN SHIP COMMANDER,/COMMODORE PERRY/AWAKENED THE NATION/FROM ITS ISOLATION. // PERRY WANTED TRADE/AND ESPECIALLY THE EASTERN TRADE/WHICH HAD LONG BEEN PROFITABLE/TO NEW ENGLAND AND NEW YORK.// MOREOVER THE AMERICANS/WERE WITNESSING/THE TREMENDOUS EXPANSION/OF THE BRITISH EMPIRE/WHICH HAD ANNEXED INDIA/AND WAS NOW TURNING/ITS ATTENTION TOWARD CHINA.// IF GREAT BRITAIN WAS GOING TO DOMINATE/THE CHINESE TRADE,/THE AMERICANS WERE GOING/TO HAVE A HAND IN THE JAPANESE TRADE.// SO PERRY AND HIS SAILORS/~~WITH A NUMBER OF~~ among whom were several American NEGROES/BORE DOWN ON JAPAN/TRAINED HIS GUNS ON ITS PAPER HOUSES/AND DEMANDED/THE RIGHT TO TRADE.

THE METHODS/BY WHICH THESE TWO COUNTRIES/PENETRATED THE EAST/WERE SIMPLE.// THEY COMPELLED/BY FORCE OF ARMS/THE OPENING OF CERTAIN COAST

 Fiecker China von Japan

CITIES FOR TRADE/WHICH HAD FOR YEARS/BEEN DENIED.// ~~THEY~~ WANTED ~~TO~~ TRUCK WITH THE BARBARISNS OF THE WEST.// BRITAIN AND THE UNITED STATES/ARRANGED THAT THE COUNTRY/SHOULD NOT ERECT ANY TARIFF BARRIERS,/SO THAT ~~THEIR~~ western IMPORTS/COULD COME IN/PRACTICALLY FREE OF TAXATION.// AND THEN IN ADDITION TO THAT,/THEY ASKED FOR CERTAIN SPECIAL RIGHTS,/~~ESPECIALLY~~ PARTICULARLY THE RIGHT/OF EXTERRITORALITY,/THAT IS/OF TRYING ANY OFFENDERS/OF BRITISH OR AMERICAN CITIZENSHIP ~~BIRTH~~/IN THEIR OWN COURTS.// IN THIS WAY/THE TREMENDOUS COMMERCIAL EXPANSION OF THE WEST/OVER THE EAST BEGAN.// THIS AROUSED JAPAN:/SHE DISMISSED THE CURRENT SHOGUN/AND RESTORED POWER TO THE EMPEROR.// THE NEW YOUNG EMPEROR/MEIJI/ WHO ASCENDED THE THRONE IN 1868,/REORGANIZED THE NATION/AND BEGAN REPRESENTATIVE GOVERNMENT/WITH A PARLIAMANT.// A NEW CONSTITUTION WAS ADOPTED IN 1889.

IT HAPPENED THEREFORE/IN THE 19th CENTURY,/THAT WHILE CHINA/KEPT ITS

FACE TOWARD THE EAST/ AND LOOKED UPON EUROPEAN TRADE/ AS A NUISANCE AND AN INTRUSION,/ TO BE RID OF AS SOON AS POSSIBLE.// THE JAPANESE TURNED WEST./ BY BEING VERY CAREFUL/ OF THEIR COURT PROCEDURE/ THEY AVOIDED EXTERRITORIALITY AND KEPT THEIR OWN COURT JURISDICTION/ OVER FOREIGNERS.// AND WHILE THEY DID NOT RAISE THEIR TARIF HIGH,/ NEVERTHELESS THEY KEPT CONTROL/ AND THEY BEGAN TO EXPORT GOODS./// MORE THAN THAT/ THEY SENT AN INCREASING/ STREAM OF STUDENTS TO THE WEST;/ SO THAT EVERYWHERE:/ IN GREAT BRITAIN, GERMANY,/ IN FRANCE AND IN THE UNITED STATES,/ ONE MET JAPANESE STUDENTS, WELL-DRESSED/ WITH INCOME ENOUGH TO LIVE WELL,/ WITH IMPECCABLE MANNERS,/ WHO WERE LEARNING ALL THEY COULD/ OF WESTERN CIVILIZATION.

TOWARD THE END/ OF THE NINETEENTH CENTURY,/ JAPAN BEGAN TO ASSERT HERSELF.// INSTEAD OF JOINING CHINA/ IN OPPOSITION TO THE WEST, SHE JOINED THE WEST IN OPPOSITION TO CHINA./ SHE HAD NO BELIEF/ IN THE ABILITY OF THE CHINESE TO ASSERT THEMSELVES,/ AND THEREFORE/ IN THE SINO-JAPANESE WAR, 1894,/ SHE ATTACKED CHINA/ OVER THE QUESTION OF KOREA/ AND SHOWED THE WEST THAT CHINA

WAS NOT NEARLY SO POWERFUL/ AS THEY HAD THOUGHT.// THIS MEANT THAT EUROPE DETERMINED UPON/ THE PARTITION OF CHINA./ BUT SHE HAD TO ADMIT JAPAN/ AS PARTNER.// THIS/ TO THE ASTONISHMENT/ OF THE WORLD/ WAS FOLLOWED BY THE RUSSO-JAPANESE WAR,/ TEN YEARS LATER/ WHEN THE JAPANESE/ OVERCAME THE RUSSIAN ARMY. THIS MEANT/ THAT THEREAFTER/ JAPAN BECAME BY TREATY/ A RECOGNIZED ALLY OF GREAT BRITAIN/ AND A PARTNER OF EUROPE/ IN ITS DOMINATION OF THE EAST.

CHINA WAS GRADUALLY/ STAKED OUT/ AS SPHERES OF INFLUENCE/ BELONGING TO VARIOUS EUROPEAN COUNTRIES.// GREAT BRITAIN GOT THE LARGEST SHARE/ IN HONG KONG AND SHANGHAI/ FRANCE GOT INDO-CHINA/ AND ITALY AND RUSSIA/ CONSIDERABLE SHARES.// JAPAN ALSO/ GOT A FOOTHOLD/ ON THE CHINESE COAST.

THEN CAME THE FIRST WORLD WAR,/ WHICH WAS A WAR FOR COLONIES/ AND WAS DESIGNED/ TO SETTLE THE TERMS OF DOMINATION/ OF EUROPE OVER ASIA/ AND OVER AFRICA,/ WHICH HAD ALREADY BEEN DIVIDED/ AMONG EUROPEAN POWERS.// THE LEAGUE

OF NATIONS WAS FORMED/ AND JAPAN TRIED IMMEDIATELY// TO ENFORCE A DECLARATION OF RACIAL EQUALITY/ THERE,// BUT THE OPPOSITION OF THE UNITED STATES/ AND GREAT BRITAIN/ PREVENTED THIS// WHILE THE UNITED STATES AND AUSTRALIA/ PREVENTED BRITAIN/ FROM RENEWING HER ALLIANCE WITH JAPAN./ BOTH ACTIONS TO JAPAN'S GREAT DISAPPOINTMENT.// THIS ~~WAS THE BEGINNING~~ increased ∧ FRICTION/ BETWEEN THE JAPANESE AND THE UNITED STATES.

THE UNITED STATES/ HAD NOT ONLY THEORETICAL PREJUDICE/ AGAINST COLORED PEOPLE/ FOUNDED UPON SLAVERY/ AND THE COLOR LINE.// BUT THIS WAS NOW REINFORCED BY THE FACT/ THAT JAPANESE FARMERS/ EMIGRATING TO CALIFORNIA/ WERE DOMINATING THE TRUCK GARDENING INDUSTRY// AND THEIR AMERICAN RIVALS/ WERE DETERMINED TO SUPPRESS THEM/ BY LIMITING THEIR ENTRANCE/ AND OWNERSHIP OF LAND/ AND BY PUTTING THEM IN SEGREGATED SCHOOLS.// THIS JAPANESE QUESTION/ WENT THROUGH VARIOUS STAGES,/ AS MANY POLICIES WERE ATTEMPTED/ TO ALLAY THE INCREASING ANTAGONISM // BUT IT KEPT CROPPING UP/ under Wilson & both Roosevelts.

MEANTIME/ BY THE BEGINNING OF THE 20th CENTURY/ JAPAN BEGAN HER EXPANSION./ // THERE IS NO DOUBT/ BUT WHAT HER CLEAR OBJECT/ WAS THE DOMINATION OF ASIA./ BY THE 60,000,000 (70) INHABITANTS/ OF THESE FOUR LITTLE EASTERN ISLANDS.// HER PENE-tration of Asia/ and of Europe/ came chiefly through her trade.// HER TRADE WAS BASED/ UPON THE JAPANESE FAMILY AND CLAN/ WHICH BOUND THE PEOPLE TOGETHER IN VERTICAL DIVISIONS/ RATHER THAN IN THE HORIZONTAL CLASSES/ WHICH DIVIDE EUROPEAN NATIONS.// AND WHILE WEALTH/ RULED THROUGH THE FIVE GREAT CAPITALISTIC FAMILIES// YET ALL OF THOSE FAMILIES/ WERE BOUND TO THE LOWEST STRATA/ OF WORKING PEOPLE/ THROUGH THIS CLAN AFFILIATION.// BY BRINGING IN WESTERN MACHINERY AND IMPROVING AND ADAPTING IT,/ JAPANESE GOODS/ BEGAN TO ~~FLOOD~~ POUR/ OUT OF HER FACTORIES/ AND FLOOD ASIA AND THE WORLD.// MANY OF YOUR PARENTS/ WILL REMEMBER HOW,/ BEFORE THE FIRST WORLD WAR,/ JAPANESE GOODS/ EXCELLENT IN QUALITY/ AND CHEAP IN PRICE/ WERE TO BE FOUND EVERYWHERE,/ EXCELLING IN QUANTITY ~~AND CHEAPNESS~~ ~~THE~~ AMERICAN AND ENGLISH WARES.// IT WAS A CHALLENGE/ AND A SEVERE CHALLENGE

TO THE WEST/AND BY TIME THE SECOND WORLD WAR/ WAS IN THE OFFING.// IT WAS CLEAR THAT WHATEVER HAPPENED,/ THE OPPOSITION BETWEEN WESTERN TRADE/AND JAPANESE TRADE/WAS GOING TO BE SEVERE/AND CRITICAL.

THEN IN 1939,/ CAME WHAT MUST BE DESCRIBED/AS THE FALL OF EUROPE.// THAT IS/FAILURE/OF THE ATTEMPT/ TO DIVIDE UP THE WORLD/IN COLONIES AND SPHERES OF INFLUENCE/AMONG EUROPEAN NATIONS.// THIS HAD GOTTEN INTO DIFFICULTY/BECAUSE CERTAIN NATIONS/LIKE ITALY AND GERMANY/WERE NOT RECOGNIZED/ IN PARTNERSHIP AND BECAUSE THERE WAS/INCREASING QUESTIONS/ABOUT THE PART/ THAT JAPAN WAS TO PLAY.

THE FIRST WORLD WAR/ WAS A WAR OVER COLONIES.// BUT A WAR SO SEVERE AND COSTLY/THAT THE WHOLE INDUSTRIAL ORGANIZATION OF ~~THE WORLD~~ (AMERICA + EUROPE)/ FELL IN 1929. THE WORLD MARKET/WAS DISRUPTED,/ THE GOLD STANDARD OF VALUE/ HAD TO BE GIVEN UP/AND THERE WAS SUFFERING/AND UNEMPLOYMENT/IN EVERY GREAT NATION.// IT WAS ~~IT~~ THEN/ THAT JAPAN MOVED FORWARD/MORE RAPIDLY.// SHE ~~JOINED TO SOME EXTENT~~ {SEIZED MANCHURIA and JOINED

THE EFFORTS OF WESTERN EUROPE/TO SUPPRESS COMMUNISM IN RUSSIA.// BUT MOST OF HER THOUGHT/AND ACTION/ WENT TOWARD THE EAST.// SHE ~~GREATLY~~ FEARED (Russia became 1 Korean War, but now more so) ~~THE~~ THE ATTEMPT OF RUSSIA/TO RUN A STATE/ BY AND FOR/THE BENEFIT OF THE WORKERS.// ~~BUT SHE~~ Japan WAS SURE/ THAT ~~IT~~ this WAS BOUND TO FAIL/OF ITS OWN WEAKNESS/AND THAT THE ROLE OF JAPAN/WAS DOMINATION OF CHINA/AND THE EAST./

SHE WAS ESPECIALLY/PUSHED FORWARD/BY THE FACT/THAT INDIA/HAD NOW BECOME AN INDEPENDENT COUNTRY//AND THE QUESTION OF THE DOMINATION/OF CHINA WAS EVEN MORE INSISTENT.// THEREUPON JAPAN/ LED AN AMAZING/UPRISING OF ASIA AGAINST EUROPE.// IN DECEMBER 1941/ SHE SUDDENLY/IN THE MIDST OF CONFERENCE IN WASHINGTON/ ATTACKED/THE UNITED STATES FLEET/AT HAWAII.// SANK 18 ~~BATTLE~~ WAR SHIPS,/ KILLED 3000 MEN/AND CRIPPLED THE NAVAL ~~MIGHT~~/ OF THE NATION.// THE JAPANESE THEN STRUCK AT THE PHILLIPINES/ SINGAPORE,/HONG KONG, WHICH THE BRITISH HELD,/ THE DUTCH EAST INDIES/AND THE ISLANDS OF THE PACIFIC.// THEY STRETCHED

THEIR EMPIRE 6000 ~~THOUSANDS OF~~ MILES IN THREE MONTHS. SIAM FELL, GUAM AND WAKE ISLANDS. THE PHILLIPINES GAVE UP AND THE JAPANESE SPREAD OVER MALAYA. THEY SANK TWO BRITISH BATTLESHIPS, TOOK THE CAPITAL OF ~~BURMA~~ BURMA. MACARTHUR ELED TO AUSTRALIA AND BY FEBRUARY 1942, THE JAPANESE FLAG SWEPT ~~OVER 6000~~ ~~MILES~~ FROM THE ALEUTIAN ISLANDS TO AUSTRALIA. IT WAS THE GREATEST UPRISING OF THE EAST AGAINST THE WEST SINCE GENGHIS KHAN.

MOREOVER, ~~WHILE~~ BEFORE DOING THIS, JAPAN HAD CAST IN HER LOT WITH GERMANY AND ITALY. SHE CALCULATED SHREWEDLY THAT THE GERMANY ARMY WAS THE MIGHTIEST IN THE WORLD AND UNBEATABLE, AND THAT THERE WAS NO CHANCE TO HOLD HITLER.

MOREOVER, WHEN HITLER HAVING TAKEN THE WHOLE OF WESTERN EUROPE AND BEATEN GREAT BRITAIN TO HER KNEES, TURNED UPON RUSSIA THIS TOOK AWAY THE LAST THREAT TO JAPANESE SUPREMACY IN THE EAST. BECAUSE RUSSIA AFTER ALL WAS AS MUCH AN EASTERN AS A WESTERN POWER AND JAPAN WAS AFRAID OF HER. SO THAT UNTIL THE FATEFUL BATTLE OF STALINGRAD, IT LOOKED AS THOUGH GERMANY WITH ITALY ~~WAS~~ were GOING TO DOMINATE THE WEST AND THAT JAPAN WAS GOING TO BE

MASTER OF ASIA. THEN THE ENTIRELY UNEXPECTED HAPPENED, THE GERMANY ARMY MIGHTIEST IN THE WORLD, WAS ROLLED BACK AND RUSSIA WAS AT THE GATES OF JAPAN.

MOREOVER, BY THIS TIME, after 2 years hence THE AMERICAN ARMY AND NAVY HAD BECOME RE-HABILITATED. THE NAVY ~~HAD~~ FOUGHT TWO MIGHTY BATTLES WITH JAPAN IN THE PACIFIC AND THE ARMY BEGAN CRAWLING ALONG THE ISLANDS FROM AUSTRALIA NORTH UNTIL IT WAS AT THE GATES OF TOKYO. FINALLY THERE CAME THE ASTONISHING REVELATION OF THE ATOM BOMB. JAPAN SURRENDERED. To the U.S. & Germany to Russia

X ——— X

THERE COMES NOW THE ETHICAL AND PRACTICAL QUESTIONS AS TO WHAT THIS EPISODE IN THE HISTORY OF A GREAT PEOPLE REALLY MEANS? THERE IS NO DOUBT BUT WHAT JAPAN AND ALL ASIA HAD A GRIEVANCE AGAINST THE WEST, AND ESPECIALLY AGAINST GREAT BRITAIN AND THE UNITED STATES. THEY HAD BEEN TREATED AS EXPLOITABLE SLAVES, OUT OF WHOSE LABOR AND MATERIAL VAST PROFITS HAD BEEN MADE IN THE PAST AND PLANNED FOR THE FUTURE. BY THE END OF THE 19th CENTURY

(They had been despised and mauled)

IT WAS AXIOMATIC/ THAT CIVILIZATION ~~IN THE FUTURE~~ Henceforth/ WAS GOING TO CONSIST/ OF THE DOMINATION OF EUROPE/ OVER ASIA AND AFRICA/ AND THE WORLD RULE OF THE WHITE RACE.

AGAINST THIS/ THE FIRST CAVEAT/ CAME FROM JAPAN/ IN HER MANIFEST ABILITY TO MASTER/ AND USE WESTERN TECHNIQUE.// AND IT WAS IN TECHNIQUE/ THAT EUROPE/ WAS SURPASSING THE WORLD.// IT WAS NOT IN ETHICS: / THE UNITED STATES DID NOT HAVE AS HIGH STANDARD/ OF MORALS/ AS THE EAST INDIAN PEOPLES.// THEIR ART NEVER REACHED THE STANDARDS/ SET BY ASIA MINOR IN GREECE/ AND ENGLAND COULD NOT BE COMPARED/ IN EITHER BRAINS OR ABILITY/ WITH CHINA./// BUT IN THE MACHINES/ WHICH PROCESSED ~~THE~~ GOODS/ ~~AND~~ (AND IN USE OF NATURAL POWER) IN ~~MADE~~ WEAPONS OF WAR,// IN SHIPS/ AND IN THE TECHNIQUE/ OF COMMERCE/ AND ORGANIZATION OF INDUSTRY/ EUROPE WAS SUPREME.// AND WITH THAT/ MORE OR LESS TEMPORARY/ GRASP OF POWER/ SHE WAS PROPOSING/ TO DOMINATE THE WORLD.

THE OPPOSITION/ WAS CENTERED IN MANY EFFORTS.// IN THE EFFORTS/ FOR INSTANCE OF AMERICAN NEGROES/ AFTER EMANCIPATION/ TO BECOME AN INTEGRAL PART/ OF THE DEMOCRATIC ORGANIZATION/ OF THIS COUNTRY/ AND THUS INFLUENCE ITS ATTITUDE/ TO-

WARD THE COLORED WORLD.// THIS WAS FRUSTRATED BY THE BARGAIN OF 1876./ AND NEGRO DISFRANCHISEMENT/ WAS DICTATED BY INDUSTRIAL/ NOT POLITICAL MOTIVES. WE WANTED TO RESTORE/ THE COTTON KINGDOM/ WITH CHEAP (disfranchised) LABOR/ SO AS TO ENTER FOREIGN TRADE/ AND (share) COLONIAL IMPERIALISM.

A SECOND EFFORT/ WAS THAT OF RUSSIA/ IN 1917,/ TO FOUND A SOCIALIST STATE WITH WELFARE/ NOT PRIVATE PROFIT/ AS ITS OBJECT.// TO STOP THIS EFFORT/ 14 NATIONS,/ INCLUDING OURS/ ATTACKED THE SOVIETS/ AFTER THE FIRST WORLD WAR, (and for 20 years after that without success.) A THIRD/ AND MORE IMMEDIATELY SUCCESSFUL/ EFFORT/ WAS THE INTRUSION OF JAPAN INTO WORLD POLITICS/ AND WORLD TRADE./// JAPAN BEGAN TO USE WESTERN TECHNIQUE/ IN ORDER/ TO DOMINATE ASIA/ BY WESTERN METHODS.// HERE OF COURSE/ IT IS MANIFEST NOW/ THAT JAPAN MADE HER (FIRST) MISTAKE.// SHE TURNED ASIDE/ FROM HER OWN DEVELOPMENT, HER OWN MORAL CODE./// THE JAPANESE/ ARE AN EXTRAORDINARY PEOPLE. THEY ARE CLEANER IN THEIR HABITS/ THAN THE DUTCH: THEY ARE MORE PUNCTUAL/ THAN THE ENGLISH/ more polite than the French;/ more honorable than Scandinavia.

THEY WORK MUCH HARDER THAN AMERICANS: THEIR FAMILY ORGANIZATION IS FINE AND EFFICIENT; THEIR ART IS EXQUISITE. IF THEY HAD PUT AS MUCH TIME AND THOUGHT UPON THE DEVELOPMENT OF THESE UNUSUAL QUALITIES, THEY COULD HAVE EASILY OUTREACHED THE WORLD. BUT THEY WOULD HAVE A RIGHT TO SAY, AND IT IS PROBABLY TRUE, THAT THE WORLD, AND ESPECIALLY THE DOMINATING WESTERN WORLD, WOULD NOT LET THEM DO THIS. THEY EITHER HAD TO ORGANIZE FOR DEFENSE, IF NOT FOR OFFENSE, OR GO DOWN BEFORE THE IMPERIALISM AND COLOR CASTE OF EUROPE AND AMERICA.

IT ~~IS~~ WAS, HOWEVER, QUITE POSSIBLE FOR THE JAPANESE TO HAVE TURNED IN A THIRD DIRECTION: AND THAT IS, IN THE DIRECTION OF TRYING TO SECURE THE COOPERATION OF THE ASIATICS: TO HAVE MADE AN ALLIANCE WITH CHINA INSTEAD OF WAR: TO HAVE GOT IN CONTACT WITH THE PEOPLES OF THE SOUTH SEAS AND OF INDONESIA: AND TO HAVE TRIED BY THIS METHOD TO ORGNIZE OPPOSITION TO COLONIAL IMPERIALISM SUCH AS WAS TRIUMPHANT IN EUROPE AND THE OVERTHROW OF WHICH MIGHT HAVE STOPPED THE RUTHLESS HEAD-LONG CLIMAX AND CRASH OF EUROPEAN INDUSTRIALISM.

IT SEEMS TO ME THAT HERE JAPAN MADE HER SECOND + greatest MISTAKE. SHE BELIEVED THAT DOMINATION OF THE WORLD BY TRADE AND MILITARY ~~POWER~~ MIGHT RATHER THAN BY THE SLOWER PROCESSES OF MORAL ARMAMENT AND SOCIAL COOPERATION WAS HER SHORTEST PATH TO POWER. THERE WAS OPPOSITION AND STRONG OPPOSITION TO THIS PROGRAM IN JAPAN. I SAW AND FELT IT WHEN I WAS THERE IN 1936. MANY PROMINENT LEADERS DEPLORED THE HEADLONG MARCH OF THE ARMY AND NAVY AND FEARED ULTIMATE DISASTER. BUT THE MILITARISTS PREVAILED AS THEY ARE PREVAILING TODAY IN THE UNITED STATES. JAPAN ~~MIGHT~~ COULD HAVE SAID AND PROBABLY THIS MIGHT HAVE ~~BEEN~~ PROVEN TRUE: THAT ONCE SHE SECURED THE VAST EMPIRE WHICH SHE SEIZED IN 1941-42, EVENTUALLY SHE WOULD HAVE DEVELOPED BY EDUCATION AND SOCIAL SCIENCE THE ASIATIC PEOPLES, SO AS TO GIVE THEM A NEW PLACE IN THE WORLD. THE GREAT OBSTACLE TO THIS JAPAN THOUGHT WAS THE RISE OF RUSSIA. THE JAPANESE HAD NO FAITH IN WHAT RUSSIA PROPOSED AND DID NOT UNDERSTAND IT OR IN FACT TRY TO. We today are making the same error.

THE CHINESE/ ON THE OTHER HAND,/ UNDER SUN YAT SEN,/ WHO OVERTHREW THE MANCHUS/ SOUGHT TO GET IN TOUCH/ WITH RUSSIA// AND THIS REASON/ AS MUCH AS WAR AND TRADE/ EXPLAINED/ THE OPPOSITION AND ENEMITY/ BETWEEN JAPAN AND CHINA.

I WAS ASTONISHED/ IN 1936/ AT THE BITTER FEELING/ OF CHINA AGAINST JAPAN. I ASKED ~~THE~~ CHINESE (LEADERS IN SHANCHAI)/ WHY IT WAS// ~~THAT~~ AFTER ALL/ THAT BRITAIN HAD DONE/ TO CHINA/ THE CHINESE/ HATED THE JAPANESE/ MUCH MORE/ THAN THEY HATED EUROPEANS./// THEIR ANSWER/ WAS NOT ALTOGETHER LOGICAL/ BUT UNDERSTANDABLE// IT ILLUSTRATED THE FEUD WITHIN A FAMILY/ WHICH SO OFTEN/ IS FAR MORE BITTER/ THAN DISAGREEMENT/ OUTSIDE THE FAMILY CIRCLE.// IT WAS THE THOUGHT/ THAT HERE IS AN UPSTART,/ CULTURAL CHILD OF GREAT AND ETERNAL CHINA,/ WHICH HAS TURNED AGAINST THE MOTHERLAND.

THEN TOO,/ THE JAPANESE HAD IMBIBED/ WITH THEIR WESTERN EDUCATION/ THE WESTERN ATTITUDE/ TOWARD ~~THE DEGRADATION OF~~ LABOR/ AND belief in THE INEVITABLE SUBSERVIENCE/ OF THE LABORING CLASSES (to the RICH)/// WHEN NOW IN THE GREAT LAND OF RUSSIA, THERE CAME A REVOLUTION/ WHICH WAS TRYING/ TO PUT THE LABORING CLASSES/ AT THE HEAD OF THE STATE,/ AND CARRY ON INDUSTRY/ FOR THEIR BENEFIT/ RATHER THAN

THE UNITED STATES TODAY/ IS MAKING GREATER PREPARATION/ FOR WAR/ THAN ANY COUNTRY/ EVER HAS/ IN THE HISTORY OF THE WORLD.// WITH APPARENTLY THE IDEA/ THAT WHATEVER/ THE UNITED STATES WANTS/ CAN ALWAYS BE ACCOMPLISHED/ BY FORCE OR THREAT OF FORCE.// MOST OF THE PEOPLE/ IN THE WORLD COULD TELL US/ THAT ~~IT~~ THIS IS A MISTAKE/ A VERY GRAVE MISTAKE.// IF THERE ARE IDEAS IN THE WORLD,/ IN EUROPE,/ IN AMERICA OR IN ASIA,/ WHICH WE THINK ARE DANGEROUS/ THE ONE WAY/ IN WHICH THEY CANNOT BE EXTIRPATED IS FORCE.// THE HISTORY OF THE LAST THOUSAND YEARS/ OUGHT

TO HAVE TAUGHT THAT/ TO MOST PEOPLE. //IF IT HAS NOT TAUGHT US/ OUR EDUCATION HAS FAILED.

I THINK/ THAT THE JAPANESE HAVE LEARNED THIS LESSON.// I KNOW THE PEOPLE OF INDIA HAVE.//IF THEREFORE/ WE COULD STEP INTO THE LAST HALF/ OF THIS CENTURY WITH THE IDEA/ IN OUR MINDS/ THAT THE FIGHT HEREAFTER/ IS TO BE NOT WITH WEAPONS/ OF WAR/ BUT ~~THE~~ WITH PROPAGANDA OF PEACE// AND WITH THE INCREASING IMPACT OF CULTURAL PATTERNS,/ THEN WE WOULD HAVE LEARNED/ SOMETHING WORTHWHILE/ OUT OF THE TERRIBLE DAYS/ THROUGH WHICH CIVILIZATION/ IS NOW/ PASSING.

THE STORY OF JAPAN - 18

It is interesting to note that many places on earth which are least suited for human habitation, have become centers of ~~history~~ action and of culture. There are for instance two islands west of Europe which no one would choose for their climate or even their beauty. The climate of England is wretched most of the year. So ~~of~~ in Asia, there are ~~three~~ 4 islands extending three thousand miles, Hokkaido, Honshu, Shikoku and Kyushu . The largest of the two islands are about the size of Indiana and Minnesota, while the smaller is about the size of New Jersey.

Here lives a population of some 70,000,000 souls, with a long and ~~rather~~ interesting history. The people are mixed with the white blood of the North, the Yellow blood of China, and the black blood of the South Seas. Some seven hundred years ~~B.C.~~ after Christ, about the time that the Greek people became a state in the East, their culture was, ~~undoubtedly~~ largely Chinese and they may be regarded as a ~~part~~ an off-shoot of the development of Chinese culture. For some 400 years they ~~were~~ remained an absolute monarchy, and then became a feudal government, with an Emperor, but, with great families of increasing power, so much so that the Shogun representing a powerful family, had more actual power than the Emperor himself.

This was the ~~case~~ situation up until the 19th century, when an American, Commodore Perry awakened the nation from its isolation. Perry wanted trade and ~~the~~ especially Eastern trade ~~which~~ had long been profitable to New England and New York. Moreover the Americans were witnessing the tremendous expansion of the British empire which had annexed India and was now turning its attention toward China. If Great Britain was going to dominate the Chinese trade, the Americans were going to have a hand in the Japanese trade. The methods by which these two countries penetrated the East ~~was~~ were simple. They compelled by force of arms the opening of certain coast cities for trade. ~~They~~ Britain & the United States arranged that the country should not direct any tariff barriers, so that the imports of Britain

At the same time Japanese art became and remains one of the great art expressions of the world. The flower culture, the training of trees and shrubs; pictorial art in painting and printing; the clothing, homes, and marvellous temples and public buildings make the contribution of Japan to beauty and life immeasurable.

There is a certain simpicity and directness; a joy of being, even amid poverty, which is unexcelled elsewhere in the world

So Perry and his sailors, with a number of Negroes from Java or Japan, trained his guns on its frail houses and demanded the right to trade.

of Capitalism

and America could come in practically free. And then in addition to that, they asked for certain rights, especially the right of trying any offenders of British or American birth in their own courts; in this way the tremendous commercial expansion of the West over the East began. → over

It happened therefore in the 19th century, that while China kept its face toward the East and looked upon European trade as a nuisance and an intrusion. The Japanese turned West. By being very careful of their court procedure they kept their own court jurisdiction over foreigners, and while they did not raise their tariffs high, nevertheless they kept control of the tariff and they began to export goods. More than that they sent an increasing stream of students to the West, so that everywhere in Great Britain, Germany, in France and in the United States, one met Japanese students, well-dressed with enough income to live well, with impecable manners, who were learning all what they could of Western civilization.

35-6-228

Toward the end of the 19th century, Japan began to assert herself. Instead of joining China in opposition to the West, she joined the West in opposition to China. She had no belief in the ability of the Chinese to assert themselves, and therefore in the Sino-Japanese war, 1894, she attacked China over the question of Korea and showed the West that China was not nearly as powerful as the they had thought. This meant that Europe determined upon the partition of China, but she had to admit Japan as partner. This to the astonishment of the world was followed by the Russo-Japanese War, ten years later in 1904-5, the Japanese thoroughly overcame the Russian army, which meant that thereafter Japan became by treaty a recognized ally of Great Britain and a partner of Europe in its domination of the East. China was gradually staked out as spheres of influence belonging to various European countries: Great Britain got the largest share, Russia, France got Indo-China and Italy considerable shares, and Japan also got a foothold on the Chinese coast. Then came the First World War, which was a war for colonies and was designed to settle the terms of domination of Europe over Asia and over Africa, which had already been divided among European powers. The League of Nations was formed and

This aroused Japan; she dismissed the current shogun and restored power to the emperor The new young emperor who ascenede the throne in I868, reorganized the nation and began representative government with a parliament. Anew constitution was adopted in I889.

Japan tried immediately to enforce a declaration of racial equality there, but the opposition of the United States and Great Britain prevented this, to Japans' great disappointment. This was the beginning of Japanese enmity and toward the United States.

The United States had not only the theoretical prejudice against colored people founded upon slavery and the color line, but this was now reinforced by the fact that Japanese farmers in California were dominating the truck gardening situation and their American rivals were determined to suppress them by limiting their ownership of land and by putting them in segregated schools. This Japanese question went through various stages as everything was done to allay the partly hidden antagonism but it kept recurring.

Meantime Japan began her expansion by the beginning of the 20th century there is no doubt but what her clear object was the domination of Asia, by the 60,000,000 inhabitants of these four little Western islands. Her penetration of Asia and of Europe came through her trade. Her trade was based upon the Japanese family and clan which bound the people together in vertiaal divisions rather than in horizontal classes and while wealth ruled through the five great capitalistic families, yet all of those families were bound to the lowest strata of working people through this clan affiliation. By bringing in Western machinery and improving and adapting it, Japanese goods began to flood Asia and the world. Many of your parents will remember how, before and after the First World War, Japanese goods excellent in quality and cheap in price were to be found everywhere. It was a challenge and a severe challenge to the West and by time the Second World War was in the offing, it was clear that whatever happened, the opposition between Western trade and Japanese trade was going to be severe and critical. Then in 1939, came what must be described as the fall of Europe; that is the attempt to divide up the world in colonies and spheres of influence among the European nations, had gotten into difficulty

because certain nations like Italy and Germany were not recognized in partnership and because there was increasing question about the part that Japan was to play.

The First World War was a war over colonies, but a war was so severe and costly that the whole industrial organization of the world fell in 1929, the world market was disrupted, the gold standard of value had to be given up and there was suffering and unemployment in every great nation. It was then that Japan moved forward more rapidly. She joined the efforts of Western Europe to suppress Communism in Russia, but most of her thought and action went toward the East. She greatly feared the new attempt of Russia to run a state by and for the benefit of the workers; but she was sure that it was bound to fail and that the role of Japan was to dominate China and the East.

She was especially pushed forward by the fact that India had now become an independent country and the question of the domination of China was even more insistent. Thereupon Japan led an amazing uprising of Asia against Europe. In December 1941, suddenly with the model of Germany she attacked the United States fleet at Hawaii sank 18 battleships, killed 3000 men and crippled the naval might of the nation United States. The Japanese then struck at the Phillipines, Singapore, Hong Kong, which the British held, the Dutch West Indies and the Islands of the Pacific. They stretched their empire thousands of miles in three months. Siam fell, Guam and Wake Island. The Phillipines gave up and the Japanese spread over Malaya. They sank two British battleships, they took the capital of Burma, MacArthur fled to Australia and by February 1942, the Japanese Flag swept over 6000 miles from the Aleutian Islands to Australia. It was the greatest uprising of the East against the West since Genghis Khan. Moreover while doing this, Japan had cast in her lot with Germany and Italy She had calculated shrewdly that the German army was the mightiest in the world, unbeatable and that there was no chance to hold Hitler. Moreover, when Hitler having taken the whole of western Europe and beaten Great Britain to her knees, turned upon Russia this took away the last threat to Japanese supremity in the East, because Russia was as much after all an Eastern as a Western power, and Japan was afraid of her. So that until the fateful battle

35-6-230

Of Stalingrad, it looked as though Germany with Italy was going to dominate the West and that Japan was going to be master of Asia. Then the entirely unexpected happened, the German army, mightiest in the world, was rolled back ~~from Stalingrad~~ and Russia was at the gates of Japan.

Moreover by this time the American army and navy had become rehabilitated. The navy had fought two mighty battles with Japan in the Pacific and the army began crawling along the islands from Australia north until it was at the gates of Tokyo, ~~and then~~ finally there came the astonishing revelation of the atom-bomb. Japan surrendered.

35-6-231

There comes now the ethical and practical questions as to what this episode in the history of a great people really means? There is no doubt but what Japan and all Asia had a grievance against the West, and especially against Great Britain and the United States. They had been treated as exploitable slaves, out of whose labor and material vast profits had been made in the past and planned for the future. By the end of the 19th century it was axiomatic that civilization in the future was going to consist of the domination of Europe over Asia and Africa, and the world rule of the white race. Against this the first caveat came from Japan in her manifest ability to master and use Western technique; and it was in technique that Europe was surpassing the world. It was not in ethics; the United States did not have as high standard of morals as the Indian peoples; and England could not be compared in either brains or ability with China. But in the machines which processed the goods and ~~which~~ made weapons of war; in ships and in the technique of commerce and organization of industry, Europe was supreme; and with that more or less temporary power, she was proposing to dominate the world.

The opposition was centered in many efforts. In the efforts for instance of American Negroes after emancipation to become an integral part of the democratic organization of this country and influence its attitude toward the colored world. This was frustrated by the bargain of 1876. ~~The other and larger effort was that of~~ Japan began to use Western technique inorder to dominate Asia by western methods. Here of course it is manifest how that Japan made her

and Negro disfranchisement was dictated by industrial, not political motives. We wanted to restore the cotton kingdom with cheap labor so as to enter foreign trade and colonial imperialism

A second effort was that of Russia in 1917 to found a socialist state with welfare not private profit as its object. To stop this effort, 14 nations, including ours attacked the Soviets after the Firat World War.

A third and more immediately successful effort was the intrusion of Japan into world politics and world trade

mistake. She turned aside from her own development, her own moral code. The Japanese are an extraordinary people; they are cleaner in their habits than the Dutch; they are more punctual than the English; they work much harder than ~~any nation in modern times~~ Americans; their family organization is fine and efficient. If they had put as much time and thought upon the development of these unusual qualities, they could have easily outreached the world. But they would have a right to say, and it is probably true, that the world, and especially the dominating Western world would not let them do this. They either had to organize for defense, if not for offense or go down before the imperialism of Europe and America.

35-6-232

It was however, quite possible for the Japanese to have turned in a third ~~turn in another~~ direction, and that is, in the direction of trying to secure the cooperation of the Asiatics; to have made an alliance with China, to have got in contact with the peoples of the South Seas and of Indonesia, and to have tried by this method to organize an opposition to colonial imperialism such as, in Europe was brought to a climax and crash which might have stopped the head-long ~~development and suicide~~ of European industrialism.

It seems to me that here Japan made her mistake. She believed that it would be better to dominate the world by trade and military power rather than by the slower process of moral armament and social cooperation. She might have said and probably this might have been true, that once she had seized the vast empire which she seized in 1941-2, that eventually she would have developed by education and social science the Asiatic peoples, so as to give them a new place in the world. The great obstacle Japan thought was the rise of Russia. The Japanese had no faith in what Russia proposed and did not understand it. The Chinese on the other hand, under Sun Yat Sen, who overthrew the Manchus sought to get in touch with Russia, and this reason as much as by reason of war and trade, inflamed the opposition and enemity between Japan and China grew.

I was in Japan in 1936 and was astonished at the bitter feeling of China against Japan.

Was her shocked talk to Howe

There was opposition and strong opposition to this program in Japan. I saw and felt it when I was there in 1936. Many prominent leaders deplored the headlong march of the army and navy and feared ultimate disaster. But the militarists prevailed as they are prevailing today in the United States

I asked the Chinese why it was that after all that Britain had done to China, the Chinese hated the Japanese much more than they hated Europeans. Their answer was not altogether logical but understandable; it illustrated the feud within a family, which so often is far more bitter than disagreement outside the family circle. It was the thought that here is an upstart, a cultural child of great and eternal China, which has turned against the mother land.

35-6-233

Then too, the Japanese had imbibed with their western education the western attitude toward the degradation of labor, and the subservience of the laboring classes. When now in the great land of Russia, there came a revolution which was trying to put the laboring classes at the head of the state, and carry on industry for the benefit of ~~the laboring classes~~ and managers of industry, rather than for the benefit for the owners of property, it seemed to the Japanese as it did to most people in the world, that this was simply an impossible ~~thing~~ bound for collapse and failure. But as the event proved, it was the Russian army under the leadership of the men who made the revolution, which rendered the effort of Japan to dominate Asia, impossible.

The question comes now, what is going to be the future of Japan? In the United States we are, rather complacently, thinking of Japan as a thoroughly subdued and ~~repentitent~~ of both nations who are going quietly about their business ~~work and~~ and are going to be the allies of the American people, against the Soviet Union and ~~possibly~~ even against Asia and China, so as to restore in Asia the balance of Western control. This is of course wishful thinking and impossible of realization. We have got to remember that the deep and bitter enemity of the Japanese against the color line of the United States has not disappeared and will not disappear for many a long age. Also the Japanese remain today as they have been in the recent past, an intelligent people, excellent workers and capable of manufacturing and sending into the world a mass of processed goods which the world needs and is willing to buy.

Japanese industry therefore is going to be restored, on just what

basis in Japan is not clear, but certainly the domination of the wealthier classes working through the military is not going to be as complete in the future as in the past. ~~But~~ Nevertheless as a great and effective manufacturing nation, as an intelligent people who are going to think through the problems of the world, Japan, in the future, has not only got to be counted but counted among the major influences which will shape the later part of the 20th century and the centuries following.

35-6-234

It would therefore be of great value for young persons like those who are graduating here and throughout the United States to try to see what message can be learned from Japan. One I think is, the lesson of the place of force in human development. That ought to be learned not simply in Japan but in Europe, and I think it is being learned. The feeling for peace for the uselessness of war and military preparation is wide-spread. I saw a year ago in Paris 500,000 people in one Sunday afternoon ~~meeting~~, putting forth the one idea --Peace-No More War. What is true in France is true in England, Italy , in the countries beyond the iron curtain , in China and in India, the only country which has not apparently learned this lesson is the United States.

The United States today is making greater preparation for war than any country ever has in the history of the world. With apparently the idea that whatever the United States wants can always be accomplished by force or the show of force. Most of the people in the world could tell us ~~the people in the United States that~~ that is a mistake and a very grave mistake. If there are ideas in the world, in Europe, in America or in Asia, which we think are dangerous the one way in which they cannot be extirpated is force . The history of the last thousand years ought to have taught that to most people. If it has not taught us our education has failed. I think ~~too~~, that the Japanese have learned this lesson, ~~and~~ I know that the people of India have. If therefore we could step into the ~~xxtx~~ last half of this century with the idea in our minds that the fight hereafter is to be not with weapons of war but the propaganda of peace and the increasing ~~value~~ impact of cultural patterns

Then we would have learned something worthwhile, out of the terrible days through which civilization ~~has just passed.~~ is now passing.

PEACE AND THE CHURCH
By: W.E.B. Du Bois

PEACE IS NOT AN OBJECT IN ITSELF; IT IS A METHOD, A PATH TO AN IDEAL. WE WHO ASK FOR PEACE AND PEACE NOW IN KOREA AND ELSEWHERE IN THE WORLD, DO NOT FOR A MOMENT BELIEVE OR PRETEND TO BELIEVE THAT PEACE WILL SETTLE ALL OR ANY OF THE DEEP AND SERIOUS DIFFERENCES BETWEEN MEN AND NATIONS. WHAT WE SAY AND INSIST UPON IS THAT BY NO OTHER METHOD SAVE BY PEACE CAN WE BE IN A POSITION TO BEGIN THE SETTLEMENT OF WORLD PROBLEMS. WE AFFIRM THAT THE CLEAR LESSON OF THE AWFUL HISTORY OF THE LAST HALF CENTURY IS THAT MILITARY FORCE AS NOW USED CANNOT COMPEL MEN TO ALTER THEIR BELIEFS AND IDEAS, NOR CAN IT ULTIMATELY CHANGE THEIR ACTIONS AGAINST THEIR WILL. WE CONQUERED GERMANY BUT WE DID NOT CHANGE THE GERMAN MIND. WE CONQUERED JAPAN, BUT THERE IS NO CERTAINTY THAT JAPAN TODAY DIFFERS FROM JAPAN OF YESTERDAY. WE KNOW PERFECTLY WELL THAT IF THE FUTURE GERMANY PROVES TO BE A DIFFERENT LAND FROM THE PAST IT WILL BE BECAUSE SHE IS CONVINCED BY TRUTH AND NOT BY FORCE.

35-5-184

IF JAPAN BECOMES OUR FRIEND AND LOYAL ALLY, THAT WILL NOT BE THE RESULT OF THE ATOM BOMB.

IN THIS WORLD EVEN MORE IN THE WORLD OF THE PAST, IDEAS CAN ONLY BE CHANGED BY BETTER IDEAS; FRIENDSHIP CAN ONLY BE GAINED BY FRIENDSHIP, AND NO NATION, NO MATTER HOW LARGE, RICH AND BOASTFUL CAN CONQUER THE WORLD SIMPLY BY SPENDING 60 THOUSAND MILLION DOLLARS A YEAR.

THE FIRST STEP TOWARD UNDERSTANDING AND BETTERMENT IS PEACE; REAL PEACE NOT ARMED PEACE; NOT BOASTFUL THREATS OR OVERTURES OF GOOD-WILL CLOAKED BY ACQUISITION OF WORLD-WIDE BASES FOR ATTACK. BUT PEACE ACCOMPANIED BY DISARMAMENT AND ASSERTION OF OUR IDEAS AND PROPOSALS WITH THE HONEST WILLINGNESS TO HEAR AND CONSIDER THE IDEAS OF THE OTHER SIDE.

LATELY OUR CONFERENCES AND PROPOSALS, FROM THE CONTROL OF ATOMIC ENERGY TO THE JAPANESE PEACE TREATY HAVE BORNE NO RESEMBLANCE TO NEGOTIATION, BUT HAVE REEKED WITH THREAT AND ULTIMATUM IF NOT WITH INSULT. MOREOVER THE INITIATIVE RESTS WITH US: THE SOVIET UNION HAS NEVER ATTACKED THE UNITED STATES BUT WE HAVE INVADED AND ATTANCED THE SOVIETS AND CLEARLY AND REPEATEDLY ANNOUNCE OUR DETERMINATION TO DO THIS AGAIN. WE ARE THE ONLY NATION ON EARTH WHICH HAS LOOSED THE DEADLY ATOM BOMB ON UNARMEND WOMEN AND CHILDREN AND WE PROPOSE TO JAIL ANY AMERICAN WHO OPPOSES DOING THIS AGAIN.

35-5-185

AN IMMEDIATE PROGRAM OF PEACE IS NOT THE END OF HUMAN DIFFERENCES, DISAGREEMENTS AND UNFRIENDLY ACTIONS. IT IS SIMPLY THE BEGINNING OF OUR SITTING DOWN LIKE HUMAN BEINGS AND NOT LIKE ROARING WILD ANIMALS, TO CONSIDER JUST WHAT IS WRONG IN THOUGHT AND DEED AND WHAT WE CAN DO ABOUT IT SHORT OF MURDER.

CONSIDER FOR A MOMENT THE MOST OUTSTANDING DIFFERENCES BETWEEN NATIONS TODAY: THE BASIC QUESTION IS UNDOUBTEDLY THAT OF THE PRODUCTION AND DISTRI-

BUTION OF THE GOODS AND SERVICES NECESSARY TO MEET THE PRIMARY WANTS OF MANKIND. NO AMOUNT OF FORCE EVER HAS SETTLED OR EVER CAN SETTLE THIS AGE-OLD PROBLEM; IT IS AT BOTTOM A MATTER OF SCIENCE, TECHNIQUE AND MORALS. IT CALLS FOR EXPERIMENT, RESEARCH, HUMAN SYMPATHY AND MORAL CHARACTER.

WE MAY JUSTLY BELIEVE HERE IN THE UNITED STATES THAT WE HAVE DONE MUCH TO SOLVE THIS PROBLEM; BUT WE MUST HONESTLY ADMIT THAT OUR WAY OF LIFE HAS NOT WHOLLY SOLVED OUR OWN PROBLEM OF POVERTY, IGNORANCE, DISEASE AND CRIME; MUCH LESS HAS IT BEGUN TO SOLVE THESE PROBLEMS FOR THE MAJORITY OF MEN WHO LIVE OUTSIDE OUR BORDERS. NOR HAVE WE ANY RIGHT TO ASSUME THAT THESE BASIC PROBLEMS OF HUMAN LIFE CANNOT EVER BE SOLVED OR THAT OTHER FOLK HAVE NO RIGHT TO ATTEMPT THEIR OWN SOLUTIONS.

IN NO REALM OF HUMAN THOUGHT OR ACTION IS THERE CLEARER DEMAND FOR PEACEFUL CONFERENCE, SCIENTIFIC COOPERATION AND HUMAN RELATIONS ON THE BROADEST BASIS, DESPITE THIS WE ARE INDUCED NOT TO EVEN CONSIDER THIS, BY THE ASSUMPTION THAT THE SOVIET UNION AND OTHER COMMUNIST NATIONS ARE FOLK OF SUCH LOW AND UNRELIABLE CHARACTER; CRIMINALS OF SUCH PROVEN VICIOUSNESS, THAT NO CONFERENCE WITH THEM IS POSSIBLE AND NO SETTLEMENT BUT FORCE FOR A MOMENT TO BE CONSIDERED.

35-5-186

THE VERY STATEMENT OF SO MONSTROUS A THESIS MARKS ITS UTTER ABSURDITY. THIS WORLD DOES NOT CONSIST OF A THOUSAND MILLION CRIMINALS SET OFF AGAINST 500 MILLION ANGELS. THE SOVIET UNION HAS MADE ITS MISTAKES AND COMMITTED ITS CRIMES; AND SO GOD KNOWS HAVE GREAT BRITAIN, FRANCE AND THE UNITED STATES. BUT IF WE DISCOUNT THE NATURALLY PREJUDICED TESTIMONY OF MEN WHO HAVE LOST THEIR WEALTH AND PRIVILEGE THROUGH REVOLUTION; AND OF THOSE WHO ARE SELLING LIES FOR PAY AND FOR DELIBERATE PROPAGANDA, THEN WE MUST CONCLUDE ON THE

STRENGTH OF UNIMPEACHABLE TESTIMONY, THAT IN POPULAR EDUCATION, SOCIAL SECURITY, COOPERATIVE AGRICULTURE AND PUBLIC WORKS, THE SOVIET UNION HAS ACCOMPLISHED MUCH THAT THE REST OF THE WORLD MUST AT LEAST STUDY SERIOUSLY, BEFORE IT CONDEMNS IT OUT OF HAND.

MOREOVER GREAT AS HAS BEEN THE BLOODY COST OF THE RUSSIAN REVOLUTION, THIS COST HAS BEEN FAR LESS THAN THAT OF ANY OTHER MODERN REVOLUTION; AND THE CAUSE OF THIS REVOLUTION , THE CZARIST REGIME, WAS CERTAINLY THE ROTTENEST AND WORST THAT EVER DECENT MEN REPUDIATED.

WE HAVE SAID IN OUR OWN DECLARATION OF INDEPENDENCE THAT "WHENEVER ANY FORM OF GOVERNMENT BECOMES DESTRUCTIVE OF "THE RIGHT OF LIFE, LIBERTY AND THE PURSUIT OF HAPPINESS "IT IS THE RIGHT OF THE PEOPLE TO ALTER OR TO ABOLISH IT AND TO INSTITUTE A NEW GOVERNMENT, LAYING ITS FOUNDATION ON SUCH PRINCIPLES AND ORGANIZING ITS POWERS IN SUCH FORM AS TO THEM SHALL SEEM MOST LIKELY TO EFFECT THEIR SAFETY AND HAPPINESS."

35-5-187

OTHER PROBLEMS OF COLONIES AND THEIR WRETCHED PEOPLES; OF COMMERCE AND TRADE, OF PRICES AND PRICE CONTROL, OF HUNGER, DISEASE AND PESTILENCE, ALL ARE MATTERS OF SCIENCE AND STUDY, HUMAN KNOWLEDGE AND SYMPATHY, OF WORLD-WIDE COOPERATION RATHER THAN OF GUNS AND WAR. ABOVE ALL THE COSTS OF WAR AND PREPARATION FOR WAR ARE LIKELY TO DRIVE INCREASING NUMBERS OF MEN TO DESPAIR AND SUICICE. THE COST OF A MODERATE TANK WILL BUILD A MODERATE HOME; THE COST OF THE HYDROGEN BOMB MIGHT ELIMINATE CANCER; THE MONEY TO BE SPENT ON WAR NEXT YEAR COULD CLEAR UP ILLITERACY AND GIVE US ENOUGH ADULT EDUCATION TO RENDER THIS A NATION INTELLIGENT ENOUGH TO MAKE DEMOCRACY WORK. WE ARE TO SPEND ON AIR BASES ENCIRCLING RUSSIA ENOUGH TO CLEAR THE SLUMS OF OUR CHIEF CITIES AND REPLACE NESTS OF CRIME WITH NURSERY SCHOOLS.

ALL OFTHIS IS NOT THE MERE RANTING OF RADICALS AND CRACKPOTS. THE PEACE MOVEMENT IS NOT A CONSPIRACY OF SPIES AND TRAITORS. IT IS THE NATION THAT HAS GONE INSANE IN THIS UNPRECEDENTED HYSTERIA OF WAR AND WITCHHUNTING.

MENTAL SICKNESSES OF THIS SORT HAVE SWEPT THE EARTH BEFORE, BUT PERHAPS NEVER HAS BEEN SO UNIV RSAL NOR SO THREATENING. FOR THIS VERY REASON THERE IS DIRE NEED FOR OUTSPOKEN OPPOSITION FROM MEN WHO ARE EARNEST AND UNAFRAID; AND FROM ORGANIZATIONS WHO PUT TRUTH ABOVE PASSING CONFORMITY.

2000 YEARS AGO A JEWISH CARPENTER TRIED TO TEACH THE WORLD ANEW THE ANCIENT DOCTRINE OF HUMILITY AND LOVE AS A WAY OF LIFE. YOU KNOW THIS HISTORY: "HE WAS WOUNDED FOR OUR TRANSGRESSIONS; HE WAS BRUISED FOR OUR INIQUITIES, THE CHASTISEMENT OF OUR PEACE WAS UPON HIM." HE DIED AS A CRIMINAL.

35-5-188

AMERICANS HAVE LONG REGARDED THEMSELVES AS FOLLOWERS OF JESUS CHRIST. OFTEN IN THE PAST IT HAS BEEN DIFFICULT TO RECONCILE THAT CLAIM WITH THE FACTS, BUT NEVER MORE THAN TODAY WHEN WE HAVE BECOME A BOASTFUL, ARROGANT, HATING PEOPLE, WORSHIPING FORCE; A PEOPLE WHO AS THE PROPHET, EISENHOWER SAYS, "CAN LICK THE WORLD" AND BEST FIND SOCIAL SECURITY IN JAIL.

THE 19th CENTURY WITH ITS NEW PROBLEMS OF WEALTH AND SOCIAL ORGANIZATION

WAS A SEVERE TEST OF ALL ORGANIZED RELIGION. THE ATTITUDE OF THE CHURCH TOWARD FREE PUBLIC EDUCATION, THE RIGHTS OF WOMEN, NEGRO SLAVERY, THE RISING LABOR MOVEMENT AND TAINTED MONEY, WAS NOT SUCH AS GAVE TO THE CHURCH THAT MORAL LEADERSHIP OVER THE MINDS OF MEN WHICH RELIGION HAS LONG STRIVEN TO ATTAIN; ON THE CONTRARY, THE MASS OF MEN BELIEVED AND HAS HAD REASON TO BELIEVE THAT THE MORE INFLUENTIAL PART OF THE ORGANIZED CHURCH, CATHOLIC, PROTESTANT AND JEWISH LONG AGO OPPOSED PUPULAR EDUCATION, TAUGHT THAT WOMAN'S PLACE WAS NOT AT THE POLLS; PREACHED TO SLAVES, "SLAVES, OBEY YOUR MASTERS"; OPPOSED UNION LABOR AND BELIEVED THAT THE RICH HELD THEIR WEALTH BY THE PECULIAR GRACE OF GOD.

THUS THE CHURCH ENTERED THE MIGHTY 20th CENTURY WITHOUT THE ACKNOWLEDGED MORAL LEADERSHIP OF THE MASS OF MEN TO WHICH IT HAD LONG ASPIRED AND WHICH IN THE AGE OF FAITH IT ALMOST ATTAINED. AND FROM THE THRESHOLD OF THIS CENTURY TO ITS MID-CURRENT TODAY, THE CHURCH HAS BEEN FACED BY A MORAL DILEMNA GREATER THAN ALL WHICH THE 19th CENTURY PRESENTED; AND THAT IS: PEACE OR WAR? LET ME SAY FLATLY TO THE RELIGIOUS LEADERSHIP OF THIS COUNTRY, TO THE SILENT ONES AND THE DEAF AND DUMB WHO SEE NOTHING, HEAR NOTHING AND SAY NOTHING, IN THIS GOLGOTHA OF THE HUMAN SPIRIT, WHEN MEN ARE GOING INSANE WITH FEAR AND FRUSTRATION, YOU OF THE CHURCH ALSO HAVE STAGGERED, RETREATED AND HESITATED BEFORE THIS VAST PROBLEM OF THE SURVIVAL OF CIVILIZATION. THE DAY OF JUDGMENT IS NOW AT HAND AND ITS BLOOD FALLS ON KOREA TONIGHT. UNLESS YOU PLACE RELIGION UNEQUIVOCALLY AND OPENLY ON THE SIDE OF PEACE AND AGAINST MASS MURDER OF MEN WOMEN AND BABIES BY DIABOLICAL INSTRUMENTS OF HELL, YOU WILL NEVER ATTAIN THAT MASTERY OF THE HUMAN MIND WHICH YOU CONTINUALLY DEMAND.

BE NOT DECEIVED GOD IS NOT MOCKED. NO CAMOUFLAGE OF PRAYER RO VIGIL, NO RITE OF BELL, BOOK AND CANDLE CAN OR WILL REPLACE THAT ONE SUPREME WORD: PEACE ON EARTH, GOOD WILL TOWARD MEN; AND RECOGNITION OF THE VAST TRUTH THAT AMONG MEN ARE 200 MILLION RUSSIANS AND 300 MILLION CHINESE AND 100 MILLION COMMUNISTS AND SOCIALISTS ALL OVER THE WORLD, WHOM NO ATOM BOMB NOR HYDROGEN HORROR CAN DRIVE OUT OF THE KINGDOMS OF THE ALMIGHTY GOD.

THE SOCIAL SIGNIFICANCE OF THESE THREE CASES

BY

W. E. B. DU BOIS

THE RECENT ELECTION/THROWS A SIDE-LIGHT/ON THE CASES WE ARE EXAMINING HERE TONIGHT.// ALMOST THE SAME NUMBER OF PERSONS/VOTED FOR REPUBLICAN AND DEMOCRATIC CANDIDATES/FOR CONGRESSMEN/IN NOVEMBER;/ 19 MILLION 7 HUNDRED THOUSAND/ON EACH SIDE.// YET THE DEMOCRATS/ELECTED 235 MEMBERS OF THE HOUSE/OF REPRESENTATIVES/AND THE REPUBLICANS, 199.// ~~THEY~~ Democrats WERE ABLE TO DO THIS/PRINCIPALLY/BECAUSE MOST SOUTHERN NEGROES CANNOT VOTE.// YET THEIR POLITICAL POWER IS EXERCISED BY SOUTHERN ~~WHITES~~ Democrats.// SOUTH CAROLINA AND CONNECTICUT/HAD THE SAME NUMBER OF REPRESENTATIVES/IN CONGRESS IN 1944.// BUT SOUTH CAROLINA NEEDED BUT 100,000 VOTES/TO ELECT HERS/WHILE IT TOOK 800,000 TO ELECT YOURS.//

~~WHEN A CITIZEN OF CONNECTICUT/GOES TO THE POLLS, HE CAST BUT ONE BALLOT. A FREE, WHITE CITIZEN OF SOUTH CAROLINA ON THE OTHER HAND CASTS EIGHT.~~

--2--

THUS IN THE LEADING DEMOCRACY/OF THE WORLD,/ MEMBERS OF THE CONGRESS/ARE NOT ELECTED/ BY MAJ RITY VOTE.// ON JANUARY 3,/ THE HOUSE OF REPRESENTATIVES/DECIDED 244 to 179 VOTES/ NOT TO ALLOW/THE ORDER AND SUBJECT OF ITS BUSINESS/TO BE SETTLED/EVEN BY MAJORITY VOTE;/ BUT TO REST/IN THE HANDS OF A COMMITTEE/HEADED/BY EUGENE COX OF GEORGIA.

MR. COX RECEIVED ~~A UNANIMOUS~~ VOTE/OF 18,930 (19,000) BALLOTS/IN THE NOVEMBER ELECTION.// IT TOOK 50,000 VOTES/IN A TOTAL OF 90,000/TO DEFEAT VITO MARCANTONIO IN NEW YORK// AND 878,000 (900) BALLOTS IN NEW HAVEN/TO ELECT CONGRESSMAN MAGURE/WITH A PLURALITY OF 89,000 (90).// MR COX HAS OCCUPIED HIS SEAT/UNOPPOSED FOR 25 YEARS.// AND OUT OF A VOTING POPULATION OF 150,000// IN HIS DISTRICT TWO-THIRDS TO FIVE*SIXTHS/ (seven) DO NOT GO TO THE POLLS.// EVIDENTLY VOTES ARE MORE VALUABLE IN GEORGIA/AND FAR MORE INFLUENTIAL/THAN HERE IN NEW HAVEN/SINCE IT TAKES 45 OF YOUR VOTES/TO BALANCE ONE IN GEORGIA.// AS A REWARD FOR THIS DISFRANCHISEMENT OF HIS FELLOW*CITIZENS,/ (Cox) HE IS MADE CHAIRMAN/OF THE POWERFUL

RULES COMMITTEE/BY SENORITY/ AND HE WILL MAKE OR STOP/NATIONAL LEGISLATION FOR MANY YEARS TO COME/IN THIS DEMOCRATIC GOVERNMENT.

THIS IS NOT ALL./ WHEN THE ~~NEW~~ UNITED STATES SENATE/WAS JUST ORGANIZED,/ THE ~~POWERFUL~~ MAJORITY LEADER/CHOSEN BY THE DEMOCRATS/ WAS MR. MCFARLAND OF ARIZONA.// HE WILL SELECT,/ WITH ADVICE OF COURSE,/ THE MAJORITY MEMBERSHIP OF THE POWERFUL SENATE COMMITTEES.// MR. MCFARLAND IS A SOUTHERN DIXICRAT/WHOSE EVERY VOTE/HAS BEEN REACTIONARY/AND CAST AGAINST CIVIL RIGHTS/ FOR FREE LYNCHING,/ FOR THE POLL TAX,/ AND AGAINST FAIR EMPLOYMENT.// HE HAS HELPED FILIBUSTER ~~AGAINST~~ on EVERY SUCH PROPOSAL;// WHICH MEANS/HE HAS DENIED EVEN MAJORITY RULE/IN THE SENATE.// THIS ACTION AS A SENATOR/HE HAS A LEGAL RIGHT TO TAKE.// BUT WHO MADE HIM SENATOR?// HE RECEIVED IN 1948,/TOTAL OF 80,000 VOTES IN ARIZONA;// I RECEIVED LAST YEAR/IN NEW YORK/ 207,000 VOTES FOR SENATOR/ AND STOOD/AT THE BOTTOM OF THE LIST.// SENATOR LEHMAN RECEIVED 2,600,000 VOTES/ OVER 32 TIMES/THE POLL OF MCFARLAND/TO ENABLE HIM TO SIT BESIDE/SENATOR

MCFARLAND/WITH ONLY A FRACTION OF MR. MCFARLAND'S POWER/ OVER LEGISLATION.//

I MENTION THESE FACTS/FIRST TO REMIND YOU/ THAT NO MATTER HOW FAST/WE MAY BE ACCOMPLISHING DEMOCRACY/IN THE UNITED STATES/ WE ARE NOT YET IN POSITION/TO DO MUCH BOASTING.// YOU MAY OBJECT/THAT THIS IS EMPHASIZING/THE COLOR CASTE/LONG CHARACTERISTIC OF THE UNITED STATES/ ON THE VERY OCCASION WHEN WE ARE CELEBRATING/THREE IMPORTANT CASES/IN WHICH THIS CASTE/HAS BEEN BROKEN.// TO THIS I ANSWER SIMPLY/THAT GIVING ALL DUE WEIGHT/ TO THE IMPORTANCE OF THESE DECISIONS/AND ADMITTING IN ADDITION/THAT MORE NEGROES IN THIS COUNTRY/VOTE TODAY/THAN EVER BEFORE.// THAT NINE OUT OF 48 STATES/HAVE FAIR EMPLOYMENT STATUTES;// THAT LYNCHING IS DISAPPEARING/AND SEGREGATION BY RACE/LESS FREQUENT/THAN 25 YEARS AGO.// GRANTING ALL THIS,/IT IS ALSO UNDENIABLE/THAT THE PRESENT LEGAL/AND CUSTOMARY DISCRIMINATION/AGAINST AMERICANS OF NEGRO DESCENT/STILL RENDERS THEM TODAY/THE MOST SUPPRESSED

AND INSULTED GROUP/OF SIMILAR SIZE AND ACCOMPLISHMENT/IN ANY MODERN CIVILIZED LAND.//WE CAN ONLY TURN BACK/TO CZARIST RUSSIA/AND HITLER'S GERMANY/TO FIND A MODERN PARALLEL.

LET US BRIEFLY FACE THE FACTS://IN THE BASIC WRITTEN CONSTITUTIONS/OF A MAJORITY OF THE STATES,/NEGROES ARE SPECIFICALLY DISCRIMINATED AGAINST/WITH REGARD/TO SOME FUNDAMENTAL LIBERTIES.// BY STATE LEGISLATION/A FOURTH TO ONE HALF OF THE STATES/CAN, for color alone ANNUL MARRIAGES,/ INTERFERE WITH TRAVEL/ CURTAIL RECREATION,/ DENY PUBLIC SERVICES,/ TAKE AWAY THE RIGHT TO VOTE/OR TO HOLD PUBLIC OFFICE.// STATES CAN, for color alone INTERFERE WITH PROPERTY/ HINDER OR DENY EDUCATION,/DESIGNATE NEGROES/WITH OUTWARD BADGES OF INFERIORITY/ AND MAKE TAXATION WITHOUT REPRESENTATION/A GENERAL RULE for them.

THROUGHOUT THE SOUTH,/REGARDLESS OF LAW OR GOSPEL/ NO NEGRO HAS ANY RIGHTS/WHICH A WHITE MAN/CANNOT VIOLATE/WITHOUT ANY PENALTY/COMMENSURATE WITH THE CRIME.// OF THE MILLIONS/WHO HAVE COMPOSED THE MOBS/WHICH HAVE LYNCHED 4000 NEGROES/DURING THE LAST 75 YEARS,/NOT ONE HUNDRED/HAVE RECEIVED ANY

PUNISHMENT WHATSOEVER/AND NONE HAVE BEEN PUNISHED FOR MURDER.//IN THE CASE OF HUNDREDS OF THOUSANDS/OF negro VICTIMS OF MOB VIOLENCE/WITH MILLIONS IN PROPERTY DAMAGE/THERE HAS BEEN LITTLE EFFORT/TO RECOMMENSE OR RESTORE.//THE MAJORITY OF PERSONS/DAILY ARRESTED IN THE SOUTH/ARE NEGROES/WHICH NO CIVILIZED TRIBUNAL/WOULD PUNISH.

WE ARE CELEBRATING TONIGHT/THREE CASES/WHERE NEGRO RIGHTS/HAVE RECEIVED RECOGNITION IN OUR COURTS.// BUT WE ARE NOT CONSIDERING/THE MILLIONS OF CASES/WHERE THE MASS OF NEGROES/ CANNOT GET ORDINARY JUSTICE.// NEGRO CHILDREN IN THE SOUTH/AND MANY IN NORTHERN CITIES/ARE ARRESTED AND JAILED,/ NOT ONLY/WITH NO ADEQUATE PROVISION/FOR THEIR REFORM/BUT WITH THE CALCULATED RISK OF MAKING THEM CRIMINALS.// THIRTY PER CENT/OF ALL THE FELONY PRISONERS/IN THE UNITED STATES/ARE NEGROES/AND 53% OF SUCH PRISONERS/IN THE SOUTH.// HALF OF ~~THE~~ all AMERICANS/EXECUTED FOR CAPITAL CRIMES/ARE NEGROES/AND OF THE WOMEN JAILED IN THE SOUTH/70% ARE COLORED./

IN THE SOUTH FOR 75 YEARS/ CRIME HAS BEEN A SOURCE OF PUBLIC INCOME/ AND PRIVATE PROFIT.// THE STATE OF GEORGIA/ BETWEEN 1876 and 1904/ MADE A MILLION DOLLARS PROFIT ON ITS PRISONERS.// DOES ANY HONEST AMERICAN BELIEVE/ THAT THESE FIGURES/ ARE A REAL MEASURE OF GUILT/ AS BETWEEN WHITE AND BLACK FOLK?// OF 1200 PERSONS IN MILITARY PRISONS,/ 250 ARE NEGROES.// IS THIS PROOF OF NEGRO COWARDICE/ OR OF MILITARY INJUSTICE?

THE AVERAGE BLACK CHILD TODAY/ IN THE SOUTHERN SOUTH/ HAS NO ADEQUATE OPPORTUNITY/ TO LEARN TO READ AND WRITE.// AS ONE HISTORIAN TELLS US,/ THE SOUTH SPENT MORE IN 1939/ FOR TRUCKS TO TRANSPORT WHITE CHILDREN/ THAN FOR SCHOOLHOUSES/ FOR NEGRO CHILDREN.// IN 10 SOUTHERN STATES,/ WHITE PUPILS COST $40 A HEAD/ A YEAR;/ NEGRO CHILDREN COST $13.// THE PRESIDENT COMPLAINS/ OF THE EXTRAORDINARY PROPORTION/ OF ARMY RECRUITS/ FOUND SICK AND IGNORANT.// BUT THE PROPORTION OF YOUNG NEGROES/ UNABLE TO READ AND WRITE/ IS OFTEN AS HIGH AS A THIRD.// IF WE HAD EDUCATED NEGROES/ TO READ AND WRITE/ AS RUSSIA EDUCATED

PEASANTS,/ THERE WOULD BE NO ILLITERATES/ AMONG THEM TODAY.// BUT WE TURNED THE THEORY OF INDUSTRIAL TRAINING/ INTO AN ATTEMPT/ TO RETARD NEGRO EDUCATION.// CHARLES DUDLY WARNER,/ WHO WAS AT ONE TIME/ THE DIRECT MOUTHPIECE OF GOD/ IN THIS VALLEY,/ GAVE IT AS HIS CONSIDERED OPINION/ THAT NEGROES AS A RACE/ COULD NOT ASSIMILATE/ COLLEGE EDUCATION.

THE NATION NEEDS MORE PHYSICIANS,/ BUT THE NEED OF THE NEGRO GROUP/ IS FOUR TIMES GREATER/ THAN THAT OF THE WHITES.// YET NEGRO STUDENTS/ ARE STILL SYSTEMATICALLY/ KEPT OUT OF MEDICAL SCHOOLS;/ NEGRO PHYSICIANS ARE USUALLY DENIED HOSPITAL FACILITIES/ AND ONLY A SINGLE NEGRO/ HAS EVER SAT/ IN THE POLICY-MAKING BODY/ OF THE AMERICAN MEDICAL ASSOCIATION,/ AND THAT CHIEFLY BECAUSE/ HE OPPOSED SOCIAL MEDICINE.

NOWHERE ELSE IN THE WORLD/ CAN IT HAPPEN/ THAT ANNUALLY GREAT NATIONAL MEETINGS/ ARE HELD FOR SCIENCE, religion AND ATHLETICS/ AT WHICH MEMBERS/ CANNOT, bully PARTICIPATE/ IF THEY ARE COLORED.// DESPITE MUCH SUCCESSFUL EFFORT, IT IS STILL

TRUE/ THAT BLACK FOLK HAVE THE GREATEST DIFFICULTY/ IN FINDING WORK/ AT JOBS THEY ARE FITTED TO DO,/ AND AT WAGES EQUAL/ TO THOSE PAID WHITES.// THE SAGA OF THE BLACK LOCOMOTIVE FIREMEN/ IS THE DISGRACEFUL STORY/ OF EXCLUSION ~~OF MERIT~~ BY CHEATING AND COLD-BLOODED MURDER/ OF HONEST WORKERS// AT THE HANDS/ OF ONE OF OUR OLDEST/ AND MOST RESPECTABLE TRADE UNIONS.

46-8-20

THROUGHOUT THE UNITED STATES TODAY/ SYSTEMATIC DENIAL OF OPPORTUNITY/ TO NEGROES/ IN STUDY, IN RESEARCH/ IN SCIENCE AND IN TEACHING,/ IS THE RULE.// ALL THAT RALPH BUNCHE NEEDED/ WAS OPPORTUNITY/ AND THAT WAS JUST WHAT WAS LONG REFUSED HIM.// HE COULD NOT TEACH IN A FIRST RATE COLLEGE./ HE COULD NOT BE MORE/ THAN A ROUTINE CLERK/ IN THE FEDERAL STATE DEPARTMENT/ AND FOR THAT MUST LIVE IN A JIM-CROW CITY.// BUT WHEN HE BECAME A PART OF THE UNITED NATIONS,/ A SCANDINAVIAN,/ FROM A SOCIALIST COUNTRY/ WHICH DOES NOT FOLLOW THE AMERICAN WAY OF LIFE,/ GAVE BUNCHE/ A JOB OF POLICY-MAKING/ WITH AUTHORITY OVER WHITE PEOPLE.// AN APPOINTMENT WHICH NO AMERICAN/ WOULD HAVE THOUGHT OF.// BUNCHE BROUGHT PEACE/ TO THE MIDDLE EAST/ WHEN MEN OF LESS ABILITY/ AND HIGHER RANK

BROUGHT WAR IN ASIA.// THEN THE UNITED STATES APPLAUDED RALPH BUNCHE/ GENEROUSLY/ AND HARVARD OFFERED HIM A PROFESSORSHIP.// BUT THE OPPORTUNITY/ FOR DESERVING THIS/ DID NOT COME FROM AMERICA/ NOR HARVARD/ NOR YALE.

HERE IS A SITUATION,/ KNOWN TO ALL WHO WISH TO KNOW.// HERE IS A CASTE SYSTEM/ STILL STRONG,/ FAR-REACHING AND CRUEL.// HERE AND THERE/ IT SHOWS HOPEFUL SIGNS OF BREAKING,/ PARTLY BECAUSE OF OUR HIGHER CULTURAL STANDARDS,/ PARTLY BECAUSE OF WORLD CRITICISM;/ PARTLY BECAUSE IT COSTS TOO MUCH MONEY/ TO CARRY OUT;/ MAINLY BECAUSE OF THE UNCEASING AND UNYIELDING PUSH/ OF 15 MILLION HUMAN BEINGS.

46-8-21

WHEN THUS BY ACCIDENT/ OR GOOD WILL;/ BY COST OR FEAR,// THE COLOR*LINE YIELDS A FRACTION/ AND A REAL FRACTION,/ HERE AND THERE,/ NOW AND THEN,// IN SUCH CASE/ WE HAVE EVOLVED/ AN EXTRAORDINARY PROCEDURE.// WE GO INTO A NATIONAL SNAKE DANCE;/ WE SOUND THE TOM-TOMS/ AND YELL VOCIFEROUSLY/ AND CALL THE ATTENTION OF THE WORLD/ TO THE FACT/ THAT THE UNITED STATES/ IS NOW AT LAST

SAFE FOR DEMOCRACY// AND THAT THE COLOR LINE IS DISAPPEARING/ SO RAPIDLY/ THAT IT IS GOOD AS GONE.

WE THEN PROCEED/ TO WORK ON THE PATRIOTISM OF AMERICAN NEGROES/ AND ASK THEM/ PLEASE IF POSSIBLE/ TO YELL LOUDER THAN ALL THE REST.// MRS. EDITH SAMPSON SWALLOWED THIS BAIT/ AND FOLLOWED TOWN HALL/ ALL OVER EUROPE AND ASIA/ TELLING OF HER PEOPLE'S FREEDOM.// WHEN SHE CAME HOME,/ THE CARLTON HOTEL IN WASHINGTON/ REFUSED TO LET HER EAT/ AT THE CELEBRATING BANQUET.// THE EMINENT PUGILIST, SUGAR RAY ROBINSON/ RECENTLY ASSURED FRANCE/ THAT ALL AMERICAN NEGROES DO NOT SUFFER DISCRIMINATION. THE NEW YORK TIMES, HAILED HIM/ IN A CHRISTMAS EDITORIAL/ AS OUR "AMBASSADOR"/ WHO FITTINGLY ANSWERED/ LYING COMMUNISTS.// BUT WHEN PAUL ROBESON DENOUNCES THE COLOR LINE/ AND PRAISES THE SOVIET UNION/ FOR ABOLITION OF RACE DISCRIMINATION,/ HE EARNS THE near UNANIMOUS CONDEMNATION/ OF AMERICA/ AND STERN REFUSAL TO LET HIM TRAVEL, TALK OR SING/ IN EUROPE.

NEGROES ARE NOT FOND/ OF POSING BEFORE THE WORLD/ AS STEP-CHILDREN AND OUT-

CASTS IN THEIR NATIVE LAND.// THEY WELCOME SINCERELY/ EACH SIGN OF PROGRESS./ BUT THEY ARE NOT CALLED ON/ TO EXAGGERATE EACH STEP/ BEYOND ITS MEANING/ OR SIGNIFICANCE/ IN RELATION TO THE TOTAL PICTURE.// WE CAN BE HOPEFUL/ WITHOUT BEING ECSTATIC.

EVER SINCE THE UNITED STATES/ CONCEIVED IT/ THE CHIEF END OF MAN/ TO STOP RUSSIA/ FROM INTERFERING WITH PRIVATE PROFIT,// THE WORLD, THE NATION, AND THE NEGRO/ HAVE BEEN SUBJECTED TO A STEADY BARRAGE/ OF PROPAGANDA/ TO PROVE THAT NEGRO ADVANCE/ IN THIS GENERATION/ HAS VIRTUALLY SETTLED THE NEGRO PROBLEM. THERE IS NO QUESTION/ BUT WHAT AMERICAN NEGROES/ HAVE ACCOMPLISHED MUCH/ BY THE GOOD WILL OF THEIR NEIGHBORS,/ AND THEIR OWN UNREMITTING EFFORT.// THEY HAVE BEEN GLAD TO TESTIFY TO THIS.// I SOUGHT TO SUM THIS UP/ IN THE NEW YORK TIMES FIVE YEARS AGO.// BUT WHEN ANOTHER WRITER/ IN THE SAME PLACE/ SOUNDS THE SAME NOTE IN 1950,/ BUT LEAVES OUT MY QUALIFICATIONS AND WORDS OF CAUTION/ AND WARNING/ WHICH I THEN APPENDED,// I AM FORCED TO REMEMBER/ THAT RELATIVITY APPLIES

WE DECLARE THE UNITED STATES A DEMOCRACY, BASED ON FREE ENTERPRISE AND INDIVIDUAL INITIATIVE WHEN WE KNOW PERFECTLY WELL THAT THIS IS NOT A DEMOCRACY NEVER HAS BEEN A DEMOCRACY AND THAT NO LARGE BODY OF LEADERS TODAY INTENDS THAT IT EVER WILL BE A DEMOCRACY. THAT OUR individual INDUSTRIAL ENTERPRISE IS DOMINATED BY VAST MONOPOLIES AND OUR FREEDOM OF THOUGHT INCREASINGLY CHAINED BY LAW, POLICE SPIES AND REFUSAL TO LET ANYBODY EARN A DECENT LIVING WHO DOES NOT THINK AS HE IS TOLD TO THINK.

EVERY TENDENCY DISPLAYED IN THIS RECORD HAS BEEN HELPED, INCREASED AND GUIDED BY THIS BASIC HABIT OF OURS OF REFUSING TO FACE THE FACTS WITH REGARD TO OUR NEGRO POPULATION; OF REFUSING HONESTLY TO RIGHT THESE WRONGS AND OF CONTINUALLY EXCUSING OUR MISTAKES BY DECLARING TO THE WORLD THAT WE HAVE ALREADY DONE THAT WHICH WE HOPE SOMETIME TO DO.

IT IS AGAINST A BACKGROUND OF SUCH TWISTED LOGIC THAT WE DO THE MOST AMAZING THINGS. HOW ELSE WILL POSTERITY EXPALIN THAT YALE UNIVERSITY

REFUSED TO LISTEN TO THE MUSIC OF ONE OF THE WORLD'S GREAT MASTERS BECAUSE OF HIS POLITICAL BELIEFS? HOW IS IT THAT FOR 200 YEARS PRINCETON REFUSED TO ENROLL A COLLEGE STUDENT WITH A BLACK FACE? HOW ELSE CAN WE PUT MEN IN JAIL NOT FOR THEIR DEEDS BUT FOR THOUGHTS? HOW ELSE CAN WE DECLARE ALL MEN TRAITORS WHO EVER WANTED VIOLENTLY TO OVERTHROW THE ENTRENCHED EVIL AND GREED OF OUR CIVILIZATION? NOT REASON BUT FORCE: NOT LOGIC BUT THREAT, RESTS AT THE PRESENT BASIS OF MUCH OF OUR POLICY; AND THE MOST PERSISTENT INGREDIENT OF THIS FRAME OF MIND IS THE DENIAL, EXAGGERATION AND DECEPTION WHICH WE HAVE PRACTICED WITH REGARD TO AMERICAN NEGROES.

TODAY OUR RIGHTFUL INTELLIGENTSIA IS CURIOUSLY DUMB AND OUR POLITICAL LEADERSHIP SUNKEN TO A LOW LEVEL. WE SEEM UNABLE TO THINK, REASON CLEARLY OR ACT WITH DECISION. TO ME ALL THIS SEEMS TO TRACE ITSELF DIRECTLY BACK TO THE EXTRAORDINARY COLOR-COMPLEX INTO WHICH THIS NATION WAS BORN AND STILL LIVES.

OF ALL HUMAN DISTINCTIONS/ IT IS THE LEAST LOGICAL/ AND/YET AND /FOR THAT REASON/HAS LED TO STILL WIDER LACK OF LOGIC./ /~~HOW ELSE CAN~~ WE RECONCILE OURSELVES TO COLLEGE PRESIDENTS/ LEADING ARMIES AND WAR PROPAGANDA:/ TO A STUDENT BODY IN THIS NATION,/ THE MOST DOCILE, HAND-FED/AND UNQUESTIONING OF ANY SIMILAR GROUP/IN THE WORLD:/(WITH NO OPINIONS,/ AT LEAST ON THIS CAMPUS,/ NOT PRESCRIBED/BY THE GOSPEL /ACCORDING TO LIFE, TIME AND FORTUNE.

THE SOCIAL SIGNIFICANCE OF THESE THREE CASES

BY

W. E. B. DU BOIS

46-8-153

The recent election throws a side-light on the cases we are examining here tonihgt. They indicate our progress toward democracy. How far have we gone? Almost the same number of persons voted for Republican and Democratic candidates for congressmen in November; 19 million 7 hundred thousand on each side. Yet the Democrats elected 235 members of the House of Representatives and the Republicans 199. They were able to do this principally because most Southern Negroes cannot vote; yet their political power is exercised by Southern whites. South Carolina and Connecticut had the same number of Representatives in Congress in 1944 but South Carolina needed but 100,000 votes to elect hers while it took 800,000 to elect yours. That is when a citizen of Connecticut goes to the polls, he casts one ballot. A free, white citizen of South Crolina on the other hand cast eight.

Most Americans and all students ignore the fact that in the leading democracy of the world, members of the Congress are not elected by majority vote. If one expresses surprise at this, it is answered, What difference does this make? It made considerable difference on January 3, the House of Representatives decided 244 to 179 votes not to allow the order and subject of its business to be settled even by majority vote but to rest it in the hands of a committee headed by Eugene Cox of Georgia.

Mr. Cox received a vote of in the last election which was enough to elect him to his powerful office. It took 50,000 votes in a total of 90,000 to defeat Vito Marcantonio in New York and

Evidently votes are more valuable in Georgia and far more influential than here. Moreover Mr. Cox has occupied his seat unchallenged for years, with a total vote of

As a reward for this disfranchisement of his fellow-citizens he is made Chairman of the powerful rules committee by senority, and he will make or stop national legislation for many years to come in this democratic government.

This is not all. When the new United States Senate was just organized, the powerful majority leader x chosen by the Democrats was Mr. McFarland of Arizona. He will select with advice of course the majority membership of the powerful Senate committees. Mr. McFarland is a Southern Dixiecrat whose every vote has been reactionary and cast against Civil Rights, for free lynching , for the poll tax, and against fair employment. He has helped filibuster against every such proposal which means he has denied even majority rule in the Senate. This action as a Senator he has a legal right to take. But who made him Senator? He received in 1948, a total of 80,000 votes in Arizona; I recieved last year in New York 207,000 votes for Senator and stood at the bottom of the list. Senator Lehman received 2,600,000 votes to enable him to sit beside Senator McFarland with only a fraction of Mr. McFarlands' power over legislation.

I might x take all my allotted time showing that the United States is not a democracy. We have in this land, minority rule, directed by those who control our wealth and implemented by disfranchisement, discrimination and deliberate use of public and private education to distort our domestic ideals and mislead our foreign policy.

I mention these facts first to remind you that no matter how fast we may be accomplishing democracy in the United States, we are not yet in position to do much boasting. You might immediately object that this is emphasizing the color caste long characteristic of the United States on the very occasion when we are celebrating three important cases in which this caste has been broken. To this I simply answer, that giving all due

46-8-154

weight to the importance of these decisions and admitting in addition that more Negroes vote today than ever before in this country; that states have fair employment statutes; that lynching is disap earing and segregation by race much less frequent than 25 years ago--granting all this, it is also undeniable that the present legal and customary discriimination against Americans of Negro descent still renders them today the most deliberately suppressed and openly insulted group of any of similar lise and accomplishment in any modern civilized land. We can only turn to Czarist Russia and Hitler's Germany to find a modern parallel.

Let us briefly scan the facts; in the basic written Constitut on of a majority of the states of the United States, Negroes and descendants of Negroes to the last visible degree, are openly discriminated against in regard to some of the fundamental liberties of American citizens by state legislation in from a fourth to one half of the states, marriages can be broken, children made bastards; travel interfered with, recreation curtailed, public services denied, the right to vote taken away, the right to hold public office refused, property sequestrated, education hindered or denied, and taxation without representation made a general rule for skin color alone, Throughout the South, regardless of law or gospel, no Negro has any rights which a white man cannot violate without any penalty commensurate with the c crime. Of the millions who have composed the mobs which have lynched since not a hundred have received any punishment whatsoever and none have been punished commensurate with their crime. In the case of hundreds of thousands of victims of mob violence and mil ions of property damage, there has been little effort to recommense or restore. The majority of persons arrested in the South are Negroes which no civilized tribunal would punich.

We are celbrating tonight three cases where Negro rights have received recognition in our courts. But we are not considering the millions of cases

55-8-94

where the great mass of Negroes cannot get ordinary justice for fundamental rights of life, liberty and property. Negro children in the South and many in Northern cities are arrested and jailed, not only with no adequate provision for their reform but with the calculated risk of making them criminals. Thirty per cent of all the felony prisoners in the United States are Negroes and 53% of those in the South. Half of the American executed for capital crimes are Negroes and of the women jailed in the South 70% are colored women. In the South for 75 years crime has been a source of public income and private profit.* Does any honest American believe that these figures are a real measur of guilt as between white and black folk? Of 1200 persons in military prisons, 250 are Negroes. Is this proof of Negro cowardice or of military injustice?

Prisoners. *The state of Georgia betwe n 1876 and 1904 made a million dollars profit on its

The average black child today in the Southern South has no adequate opportunity to learn to read and write. As one historial tell us, in the South $ spent more in 1939 for trucks to transport white children than for new schoolhouses for Negro children. White pupils cost $40 a head a year; Negro children cost $13 in 10 Southern states. The President complains of the extraordinary proportion of army recruits found sick and ignorant but the proportion of young Negroes unable to read and write is often as high as a third. If we had educated Negroes to read and write as Russia educated peasants there would be no illiterates among us today. But we raised the theory of industrial training into an attempt to retard Negro college education. Charles Dudley Warner who was at one time the direct mouthpiece of God in this valley, gave it as his considered opinion based on as he assured us, on personal investigation, that Negroes as a race could not assimilate college education, and the degradation of the Negro schools kept down the efficienty of white Southern white schools.

The nation needs morephysicians, but the need of the Negro group is greater, than that of the whites; yet Negro students are systematically kept out of medical schools; Negro physicians are usually denied hospital facilities and only a single Negro has ever sat in the policy-making body of the American Medical Association, and that chiefly because he opposed social medicine. Despite much successful effort, it is still true that black folk have the greatest difficulty in finding work at jobs they are fitted to do, and at wages equal to those paid whites. The saga of the black locomotive firemen is the disgraceful story of exclusion of merit by cheating and cold-blooded murder of honest workersat the hands of one of our oldest and most respectable trade unions.

Throughout the United States today, systematic denial of opportunity to Negroes in study, in research, in science, in teaching, is the rule. Take the case of Ralph Bunche: when he received a doctorate in History he was offered no instructorship either at Harvard or any other first rate institution in the United States. When he entered the State Department he was never offered an opportunity to be anything but a subordinate clerk, but when he became a part of the United Nations, a Scandinavian, from a socialist country which does not follow the American Way of Life, made him head of an important commission with white men actually under his orders, and with the right to initiate policy. No American would ever have done such a thing; he wouldn't even thought of it. Once given opportunity, Bunche got the Nobel Prize and a Professorship. But the opportunity did not come from America, Harvard or Yale.

Here is a situation, known to all who whis to know. Here is a caste system strong, complete and cruel. Here and there it shows hopeful signs of breaking , partly because of our higher cultural standards, partly because of world criticism; partly because it costs too much money to carry out the system; mainly because of the unceasing and unyielding push of

+51-8-94

15 million human beings.

When now by accident or good will; by cost or fear, the color-line yields a fraction and a real fraction here and there, now and then--in such case we have evolved an extraordinary procedure. We go into a national snake dance; we sound the tom-toms and yell vociferously and call the attention of the world to the fact that the United States is now at last safe for democracy and that the color line is disappearing so rapidly that it is good as gone.

We then proceed to work on the patriotism of American Negroes and ask them please if possible to yell louder than all the rest. Mrs. Edith Sampson swallowed the bait and followed Town Hall all over Europe and Asia telling of her people's freedom. When she came home, the Carlton Hotel in Washington refused to let her eat at the celebrating banquet. But God is good, she is now something like second assistant alternate to Mrs. Roosevelt at Lake Success. Sugar Ray Robinson the eminent pugilist, recently assured France that American Negroes suffer "no discrimination.". The New York Times hailed the line with enthusiasm and the editor called him our "Ambassador". But when Paul Robeson denounces the color line and praises the Soviet Union for abolition of race discrimination, he earns the unanimous condemnation of America and stern refusal to let him talk or sing in Europe.

This is childish nonesense. No one, least of all Negroes, are fond of posing before the world as step-children and outcasts in their native land; all welcome sincerely each sign of progress. But we equally are not called on to exaggerate each step beyond its meaning or significance in relation to the total picture. We can be hopeful without being ecstatic.

Ever since the United States conceived it the chief end of man to stop Russia from interfering with private profit, the world the Nation, and the Negro have been subjected to a steady barrage of propaganda to prove that

56-8-52

Negro advnace in this generation has virtually settled the Negro Problem. There is no question but what Negroes in this city, in New England, in North and South have accomplished umusual things, by the good will of their Neighbors, and by their own unremitting and undiscouraged effort. They have been glad to acknowledge this. I sought to sum this up in the New York Times 5 years ago, but when another writer in the same place sounds the same note in 1950, but leaves out the very words of caution and warning I then appended, I am forced to remember that relativity applies to the Negro problem here and not si ply to the sun and stars. This people have progressed but in the name of God, never forget the distance they have to go; and remember that the man who is climbing out of a well, would not best waste too much time in celebrating, when first he sees light above.

Moreover both White and Black may easily exaggerate the meaning of instances like the three cases we are considering. They involve some subtle counter costs. The decisions say, in effect, that states cannot deny professional education and certain necessary social services to Negroes on different terms than offered whites. But back of a case of discrimination may lie a whole untouched field of other discriminations, which if undisturbed renders the social gain far less than it may seem: for instance for 25 years, Negroes have been compelled to build up an educational system topped by colleges and universities. We have often sneered at this effort; they used to joke in Booker T. Washington's day at the Negro college man greeting a fellow with: "Is yo' done yo' Greek." But it wasn't a joke. It built a nation within a nation which today has the strength and will to survive.

To build colleges they fought grafters, white and black; they defied administrators, state and federal; they encouraged Negro students to seek training in the North and endure insult and color discrimination at Harvard

46-8-159

Yale, Cornell and the West, in order to fill these teaching positions offered by Negro colleges in the South. There are today some 20 colleges, public and private, which are of higher grade than most New England colleges of the last century, with thousands of well-trained teachers. Now suddenly Negroes in small number and under intense stress, are to be admitted to white colleges , the number is now small but it will grow. The parador is complete. The offer must be demanded and accepted or the fight against the color line fails. But what becomes of all the Negro teachers? Of the field of work open for Negro scholars? Of college life under civilized conditions, instead of studying as social outcasts at Yale or Minnesota? Here is the perfect paradox without answer. Its effect must be subtracted from the rejoicing at these decisions but much will be left. So to , equal travel can only be based ultimately on equal opportunity, work and wage; of what interest is it to nine-tenths of American Negroes that then can eat on Pullmans' if they cannot earn enough to pay for the meals?

But more than this, the added danger today, beyond that of the past, is that color caste in the United States is yet strong and effective enough despite all improvement and change to still be reason for the failure of the democratic process in this land, and the cause why this land is sparking a world war of races between the xhx white world and Asia and Africa, with the wreckless and stupid desire to risk civilization, before we yield the right to exploit the darker world for the profit of American millionaires. This truth may be a bitter pill for Americans to swallow, but it is clear and undeniable. It is color prejudice end mic in this nation for three centuries which has lighted the path of our troops to Asia under leadership of the Wild Man of Tokyo

We embarked on war in Korea and now in China all the more gaily, because these are colored nations; and we are born unconsciously to despise

color. We dropped the first atom bomb on a colored nation--an unnecessary experiment which we would not at the time have perpertrated on any white people. The xxxxip reception of the late Chinese delegation at Lake Success reminded me vividly of the little delegation which fifty years ago, colored Atlanta sent to the first Public Library ppened there with a bust of Carnegie flanked by Shakespeare. As citizens and taxpayers we asked the same rights in that library as whites. I even ventured to point out that some of my own books were in the library and I might like to borrow them. The disdain with which we were greeted was magnificent and almost equally Austin's desire to "summon" China to Lake Success and not to invite her. We in Atlanta were duly punished and Negroes got no library rights for ten years. The cost of repulsing us was little; but insulting China at Lake Success is already 50,000 maimed and slaughtered American boys, with the end not yet , if ever xx. The Cost of the Color Line today is high and may rise tomorrow. You can step on the faces of Negroes in America for 350 years without fatal results. But it may not be the greatest wisdom to try this game on 800,000,000 Asiatics and 150 million black Africans.

There can be no question as to the effect which our continued refusal to face the Negro problem, has had on our ability to reason and our willingness to appeal to logic in our total cultural pattern. We stood 175 years ago declaring that all men were born equal and at the same moment seeing in every fifth American a slave; we fought against taxation without representation two centuries ago and ever since we have taxed Negroes and others without giving them full voice in government. We fought four years to maintain the right of states to enslave human beings and then emancipated them from personal ownership into deliberate subjection to poverty, disease ignorance. We declared that the freedman must be educated and today three generations later, thirty per cent of young Negro army recruits cannot

46-8-121

read or write. In our desperate effort to stop the higher education of Negroes, we have not only made it impossible for the average Negro child in Mississippi today to learn to read intelligently, but in the process we have retarded elementary education among Southern whites and given the nation the poorest system of public schools of any modern civilized people . We have erected thousands of showy colleges and universities only to find that an astonishing number of our graduate students cannot intelligently read, write nor count.

We declare the United States a democracy, based on free enterprise and individual initiative when we know perfectly well that h this is not a democracy, never has been a democracy and that no large body of leaders today intends it ever will be a democracy; that our industrial enterprise is dominated by vast monopoly and our freedom of thought chained by law, police spies and increasing refusal to let anybody earn a decent living who does not think as he is told to think.

Every tendency displayed in this record, has been helped, increased and guided by this basic habit of ours of refusing to face the facts with regard to our Negro population, of refusing honestly to right wrongs and of continually excusing our crimes and saving our faces by declaring to the world and our children that we have already done that which we hope sometime to do

It is against a background of such twisted logic that we do the most amazing things. How else will posterity explain that Yale University refused to listen to the music of one of the world's great masters because of his political beliefs? How else can we put men in jail not for deeds but for thoughts? How else can we declare all men traitors who ever wanted violently to overthorw the entrenched evil and greed of our civilization? Not reason but force; not logic but h threat, rests at the present basis of our policy; and the most persistent ingredient of this frame of mind is

the denial, exaggeration and deception which we have practiced with regard to American Negroes.

Today our rightful intelligentsia is dumb and our political leadership sunken to a new low. We seem unable to think, reason clearly or act with decision. To me all this seems to trace itself directly back to the extraordinary color-complex into which this nation was born and still lives. Our historic color complex has become so integral a part of our culture that it has retarded civilization in America. Of all human distinctions it is the least logical and yet and for that reason has led to still wider lack of logic. How else can we reconcile ourselves to a student body in this nation, the most docile hand-fed and unquestioning of an similar group in the world; with no opinions at least on this campus, not pre-digested by the gospel according to LIFE, TIME AND FORTUNE.

THE SOCIAL SIGNIFICANCE OF THESE THREE CASES

BY

W. E. B. DU BOIS

The recent election throws a side-light on the cases we are examining here tonight. ~~They indicate our progress toward democracy. How far have we gone?~~ Almost the same number of persons voted for Republican and Democratic candidates for congressmen in November; 19 million 7 hundred thousand on each side. Yet the Democrats elected 235 members of the House of Representatives and the Republicans, 199. They were able to do this principally because most Southern Negroes cannot vote; yet their political power is exercised by Southern whites. South Carolina and Connecticut had the same number of Representatives in Congress in 1944 but South Carolina needed but 100,000 votes to elect hers while it took 800,000 to elect yours. ~~That is~~ When a citizen of Connecticut goes to the polls, he casts one ballot. A free, white citizen of South Carolina on the other hand casts eight.

~~Most Americans and all students ignore the fact that~~ Thus in the leading democracy of the world, members of the Congress are not elected by majority vote. ~~If one expresses surprise at this, it is answered, What difference does this make? It made considerable difference,~~ On January 3, the House of Representatives decided 244 to 179 votes not to allow the order and subject of its business to be settled even by majority vote, but to rest in the hands of a committee headed by Eugene Cox of Georgia.

Mr. Cox received a majority vote of 78,930 ballots in November in the ~~last~~ election ~~which was enough to elect him to his powerful office.~~ It took 50,000 votes in a total of 90,000 to defeat Vito Marcantonio in New York and 878 000 ballots in New Haven to elect Congressman Ullmann with a plurality of 89,000

Evidently votes are more valuable in Georgia and far more influential than here, ~~Moreover~~ Mr. Cox has occupied his seat unchallenged for 25 years, ~~with a total vote of~~ and out of a voting population of 150000 in his district 2/3 ~~voted~~ do not go to the polls in New Haven since it takes 45 of your votes to balance 1 in Georgia

As a reward for this disfranchisement of his fellow-citizens, he is made Chairman of the powerful rules committee by senority, and he will make or stop national legislation for many years to come in this democratic government.

This is not all. When the new United States Senate was just organized, the ~~powerful~~ majority leader ~~x~~ chosen by the Democrats was Mr. McFarland of Arizona. He will select, with advice of course, the majority membership of the powerful Senate committees. Mr. McFarland is a Southern Dixicrat whose every vote has been reactionary and cast against Civil Rights, for free lynching , for the poll tax, and against fair employment. He has helped filibuster against every such proposal, which means he has denied even majority rule in the Senate. This action as a Senator he has a legal right to take. But who made him Senator? He received in 1948, a total of 80,000 votes in Arizona; I recieved last year in New York 207,000 votes for Senator and stood at the bottom of the list. Senator Lehman received 2,600,000 votes, over 32 times the poll of McFarland to enable him to sit beside Senator McFarland with only a fraction of Mr. McFarlands' power over legislation.

I might ~~x~~ take all my allotted time showing that the United States is not a democracy. We have in this land, minority rule, directed by those who control our wealth, and implemented by disfranchisement, discrimination and deliberate use of public and private education to distort our domestic ideals and mislead our foreign policy.

I mention these facts first to remind you, that no matter how fast we may be accomplishing democracy in the United States, we are not yet in position to do much boasting. You ~~might immediately~~ may object that this is emphasizing the color caste long characteristic of the United States, on the very occasion when we are celebrating three important cases in which this caste has been broken. To this I simply answer, that giving all due

weight to the importance of these decisions and admitting in addition that more Negroes vote today than ever before in this country; that 9 out of 48 states have fair employment statutes; that lynching is disappearing and segregation by race ~~much~~ less frequent than 25 years ago--granting all this, it is also undeniable that the present legal and customary discriimination against Americans of Negro descent still renders them today the most ~~deliberately~~ suppressed and ~~openly~~ insulted group of ~~any of~~ similar size and accomplishment in any modern civilized land. We can only turn back to Czarist Russia and Hitler's Germany to find a modern parallel.

Let us briefly face the facts; in the basic written Constitution of a majority of the states ~~of the United States~~, Negroes ~~and descendants of Negroes to the last visible degree,~~ are ~~openly~~ shamefully discriminated against ~~in~~ with regard to some ~~of the~~ fundamental liberties ~~of American citizens~~ by state legislation ~~in~~ from a fourth to one half of the states, marriages ~~can be broken, children made bastards;~~ can annul members with travel ~~interfered with,~~ curtail recreation ~~curtailed,~~ public services ~~denied,~~ take away the right to vote ~~taken away, the right~~ to hold public office ~~refused,~~ States can interfere with property ~~sequestrated,~~ education ~~hindered~~ or ~~denied,~~ and make taxation without representation ~~made~~ a general rule, ~~for skin color alone.~~ designate Negroes with outward badges of inferiority

Throughout the South, regardless of law or gospel, no Negro has any rights which a white man cannot violate without any penalty commensurate with the crime. Of the millions who have composed the mobs which have lynched 4000 3700 Negroes during the last 75 years since ~~1882~~, not one hundred have received any punishment whatsoever and none have been punished for murder ~~commensurate with their crime.~~ In the case of hundreds of thousands of victims of mob violence with millions of property damage, there has been little effort to recommense or restore. The majority of persons daily arrested in the South are Negroes which no civilized tribunal would punish.

We are celbrating tonight three cases where Negro rights have received recognition in our courts. But we are not considering the millions of cases

where the ~~great~~ mass of Negroes cannot get ordinary justice, ~~for fundamental rights of~~ life, ~~liberty and property.~~ Negro children in the South and many in Northern cities are arrested and jailed, not only with no adequate provision for their reform but with the calculated risk of making them criminals. Thirty per cent of all the felony prisoners in the United States are Negroes and 53% of ~~those~~ such prisoners in the South. Half of the Americans executed for capital crimes are Negroes and of the women jailed in the South 70% are colored. ~~women.~~ In the South for 75 years crime has been a source of public income and private profit. The state of Georgia between 1876 and 1904 made a million dollars profit on its prisoners. Does any honest American believe that these figures are a real measure of guilt as between white and black folk? Of 1200 persons in military prisons, 250 are Negroes. Is this proof of Negro cowardice or of military injustice?

The average black child today in the Southern South has no adequate opportunity to learn to read and write. As one historian tell us, ~~in~~ the South ~~f~~ spent more in 1939 for trucks to transport white children than for ~~new~~ schoolhouses for Negro children. White pupils cost $40 a head a year; Negro children cost $13 in 10 Southern states. The President complains of the extraordinary proportion of army recruits found sick and ignorant; but the proportion of young Negroes unable to read and write is often as high as a third. If we had educated Negroes to read and write as Russia educated peasants, there would be no illiterates among them today. But we ~~raised~~ turned the theory of industrial training into an attempt to retard Negro ~~college~~ education. Charles Dudley Warner, who was at one time the direct mouthpiece of God in this valley, gave it as his considered opinion ~~based~~ ~~on as he assured us, on personal investigation,~~ that Negroes as a race could not assimilate college education, ~~and the dagradation of the Negro schools kept down the efficienty of the Southern white schools.~~

Throughout the United States today, systematic denial of opportunity to Negroes in study, in research, in science, and in teaching, is the rule. ~~Take~~ All that Ralph Bunche needed was opportunity and that was just what ~~we~~ long refused him. He could not teach in a first rate college; he could not be more than a clerk in the ~~government and~~ Federal State Department and for that must live in a jim-crow city. ~~was never offered an opportunity to be anything but a subordinate clerk,~~ But when he became a part of the United Nations, a Scandinavian, from a socialist country which does not follow the American Way of Life, ~~made him b~~, gave Bunche a job of policy-making ~~in control of~~ with authority over white people, an appointment which no American would have thought of. Bunche brought peace ~~in~~ to the Middle East when men of less ability and higher rank brought war in Asia. Then the United States ~~discovered~~ applauded Ralph Bunche generously ~~got the Nobel Prize and~~ and Harvard offered him a Professorship. But the opportunity for deserving ~~was~~ given, Bunche did not come from America, Harvard or Yale.

Here is a situation, known to all who wish to know. Here is a caste system, still strong, far-reaching ~~complete~~ and cruel. I SAT UNDER THE LECTURES OF SCHMOLLER, WEBER AND VON TREITSCHKE AND MY CERTIFICATE WAS SIGNED BY RUDOLPH VIRCHOW. I WAS IN GERMANY FROM 1892 to 1894: IN 1926 AND AGAIN IN 1936.

INDEED I THINK THAT BEFORE I KNEW THE GERMAN PEOPLE, I HAD NEVER BEFORE

CONSIDERED WHITE PEOPLE AS HUMAN BEINGS: AND THAT DESPITE THE FACT THAT I WAS BORN AND EDUCATED IN THE MOST LIBERAL PART OF AMERICA, WHERE MY FATHERS HAD BEEN CITIZENS AND VOTERS FOR A HUNDRED YEARS. I AM CONVINCED THAT NEVER IN THE WORLD HAVE SO INHERENTLY FINE A PEOPLE, OF HIGH INTELLECT AND DEEP SENSIBILITY, BEEN SO UTTERLY RUINED BY WAR AND THE THEORY OF WAR AS THE GERMANS.

THE ONE RECOMPENSE WHICH CIVILIZATION OWED THEM IN RETURN FOR THEIR PHILOSOPHY, SCIENCE, LITERATURE, POETRY AND MUSIC WAS TO DEFEND THEM FROM WAR AND THE FRUITS OF WAR: AFTER TWO OF THE WORST POSSIBLE CONFLICTS THE WORLD HAS SEEN, WITH GERMANY THE CENTER OF BOTH, TO RESCUE THEM FROM THE IMPOVERISHING COSTS OF MILITARY MINDEDNESS AND SHATTERING DELUSIONS OF GRANDEUR AND WORLD CONQUEST. BUT NO! AS MOCKING FATE WOULD HAVE IT, GERMANY WAS SURRENDERED IN FACT TO THE DOMINATION OF THE ONE COUNTRY IN THE WORLD WHICH IN RACE HATE AND HUMAN DEGRADATION OUT-HITLERED HITLER AND WHICH

PUT THE WORSHIP OF WEALTH AND POWER ABOVE THE LOVE OF GOD OR BROTHERHOOD OF MAN. THEY PLACED IN THE SEATS OF THE MIGHTY, A GENERAL FROM GEORGIA TO EXERCISE NEAR ABSOLUTE RULE OVER THE ECONOMIC DEVELOPMENT OF GERMANY FOR FOUR CRUCIAL YEARS AFTER THE HELL OF DEFEAT IN 1945. HIS SUCCESSOR EGGED ON BY AMERICAN IMPERIALISTS HAS DRAGGED GERMANY IN AS PAWN BETWEEN THE AMERICAN ITCH FOR WORLD RULE AS HEIR TO BRITAIN, AND SOVIET DETERMINATION TO DEFEND EAST EUROPE AGAINST THE WEST.

IT IS FATAL REPITITION OF HISTORY. ONCE GERMANY WAS TORN FOR THIRTY BLOODY YEARS BETWEEN RAGING RELIGIOUS FANATICS: ONCE AUSTRIAN, RUSSIAN AND FRENCH IMPERIALISM FOUGHT OUT THEIR QUARREL ON GERMAN SOIL AND LEFT GERMANY A NAME AND NOT A NATION, AND ONCE AGAIN ON GERMAN SOIL AND WITH GERMAN SOULS AND BODIES, THE FIRST WORLD BATTLE BETWEEN BIG BUSINESS AND SOCIALISM AGAIN COVERED THE SOIL OF GERMANY WITH THE BLOOD OF GERMAN JEWS AND GENTILES.

LEADERSHIP OF THE WORLD AND THEN SAW HER AFTER THE END OF THE FIRST WORLD WAR, CAN UNDERSTAND IF NOT FORGIVE NAZISM. I SAW IN 1926, A NATION OVERTHROWN, TURNED UPSIDE DOWN AND RUINED: WITH WORN YOUNG GIRLS FOR SALE ON THE STREETS OF BERLIN THAN PARIS EVER OFFERED. I SAW THE WHOLE MIDDLE CLASS DRIVEN DOWN INTO POVERTY AND THE INTELLIGENSIA FACING UTTER DISPAIR, WHILE THE WORLD LED BY AMERICA WERE BLEEDING THE CORPSE. IT IS NOT WONDER THAT ON THIS FOUNDATION, A PSYCHOPATHIC CRIMINAL INDUCED LABORERS AND SMALL SHOPKEEPERS WHO HAD LONG ENVIED THE THRIFTY AND TALENTED JEWS TO SEE IN THEM AN UNDEFENDED VICTIM TO BE SACRIFICED TO GERMAN DEGRADATION AND DRIVE A CRAZED AND MISLED PEOPLE INTO MURDER OF SIX MILLION JEWS.

THERE IS AN ANALOGY TO THIS WHICH FEW SEE BUT WHICH IS FORCED TO OUR MINDS BY THE SADISM OF VIRGINIA IN THE CASE OF THE MARTINSVILLE SEVEN AND

THE CRUCIFIXION OF THE TRENTON SIX. SEVEN POOR BLACK LABORERS OF VIRGINIA HAVE JUST BEEN MURDERED BY THE STATE WITHOUT EVER BEING FACED BY THEIR INSANE ACCUSER IN COURT AND ON THE STRENGTH OF CONFESSIONS BEATEN OUT OF THEM BY POLICE. IN TRENTON AGAIN SIX NEGROES HAVE BEEN HELD IN JAIL TWO YEARS ON A CHARGE OF MURDER WHICH HAS NEVER BEEN PROVEN AND BASED AGAIN ON CONFESSIONS ELICITED BY TORTURE. WHILE IN GERMANY THE TORTURERS OF THOUSANDS OF JEWS AND MURDERERS OF HUNDREDS OF UNARMED AMERICAN SOLDIERS ARE FREED TO INDUCE GERMANY TO ARM FOR WAR.

GERMANY NURTURED THE JEWISH GROUP AS IT FOUGHT ITS WAY UP TO LEADERSHIP IN ART, MUSIC AND INDUSTRY: SO THE UNITED STATES STOLE AND HELD IN SLAVERY A GROUP OF NEGROES FOR 300 YEARS UNTIL THEY NUMBERED FOUR MILLION SLAVES IN 1863. THESE NEGROES HAD NO CHANCE TO LEAD IN ANY HUMAN ENDEAVOR SAVE THE HARD TOIL ON WHICH THE WEALTH OF AMERICA TODAY RESTS. WHEN EMANCIPATION CAME THROUGH NEGRO SOLDIERS AS WELL AS WHITE: AND WHEN THE THREAT OF UNCOUNTED THOUSANDS OF MORE BLACK SOLDIERS FORCED THE SOUTH TO SURRENDER,

46-8-94

THEN IT WAS THAT FOR 85 YEARS AFTER THE HATE AND JEALOUSLY OF THE WHITE SOUTHERN LABORER AND GREED OF THE FORMER SLAVE HOLDER HAS VENTED ITSELF ON BLACK FOLK. THEY HAVE LYNCHED 4000 WITH MOBS, THEY HAVE KILLED TENS OF THOUSANDS BY MOB VIOLENCE: THEY HAVE STOLEN AND DESTROYED PROPERTY: AND NOW BY LEGAL PRETENCE, THEY ARE HANGING NEGROES DAILY FOR DEEDS FOR WHICH NO WHITE AMERICAN IS USUALLY EVEN ARRESTED. THE PLIGHT OF GERMAN JEWS AND AMERICAN NEGROES DIFFER IN DETAIL AND CIRCUMSTANCE, BUT BOTH ARE BASED ON THE DEGRADATION OF THE HUMAN SOUL BY WHICH TODAY WEALTH AND POWER IS BEING BUILT. AND THE TOOL OF THIS BLASPHEMY IS WAR AND MORE WAR: WORLD WAR AFTER WORLD WAR, IMPERIALISM AGAINST IMPERIALISM WITH HUMANITY FORGOTTEN AND TRAMPLED IN THE DUST.

ANOTHER PORTION IS AFRAID FOR THE FUTURE OF PROPERTY AND CAPITAL: THEY ARE UNDER COMPULSION FROM INTERNATIONAL CAPITAL TO SEEK A PLACE IN THE FUTURE DEVELOPMENT OF COMMERCE AND INDUSTRY, IN EUROPE AND THE WORLD. THIS PARTY IS PUSHED BY AMERICAN INDUSTRY IN EVERY WAY TO AGREE TO DEFENT INVESTMENT BY RE-ARMING: THEY DO NOT WISH TO RE-ARM BUT THEY FEAR THE POSSIBLE ATTITUDE OF THE CAPITALISTIC WORLD AND THE RETALIATION OF THE WORLD BY COMMUNISM. THEY WILL SUBMIT TO RE-ARMAMENT IF THEY MUST.

FINALLY THERE ARE THE REMNANTS OF HITLERISM IN GERMANY WHO WANT REVENGE OR ANNIHILATION OF EUROPE. IT IS THESE LEADERS WHOM THE UNITED STATES IS

RELEASING FROM PUNISHMENT AND CONSULTING AB UT A NEW GERMAN ARMY. EVERY EFFORT OF ALL AMERICANS WHO BELIEVE IN PEACE AND A REST RATION OF THE REAL GREATNESS OF GERMANY, SHOULD BE EXERCISED IN BEHALF OF THE MAJORITY OF GERMANS WHO LIKE THE MAJORITY OF THE FRENCH AND ITALIANS AND LIKE ALL SANE AMERICANS WANT NO MORE WAR.

THE REARMING OF GERMANY

More than most Americans not of German descent, I have had opportunity to know the German nation. At perhaps the most critical time in my spiritual development I was for two years a student in the Friedrich-Wilhelm Universität zu Berlin. I lived in the shadow of Luther's Wartburg; I made the Harzreise; I visited the Hansa cities, Munich, the Rheinphalz, Leipzig and Breslau; I have sailed the Rhein from Rotterdam to Mainz; I sat under the lectures of Schmoller, Wagner and von Treischke and my certificate was signed by Virchow. I was in Germany in 1892 to 1894; in 1926 and again in 1936. Indeed I think that before I knew the German people, I had never before considered white people as human beings; and that despite the fact that I was born and educated in the most liberal part of America, where my fathers had been citizens and voters for a hundred years. I am convinced that never in the world have an inherently fine people, of high intellect and deep sensibility, been so utterly ruined by war and the theory of war as the Germans. The one repayment and recompense which civilization owed them in return for philosophy, literature, poetry and music was to defend them from war and the fruits of war; from the impoverishing costs of militaty mindedness and delusions of grandeur and world conquest But no! As mocking fate would have it, Germany was surrendered to the dominat tion of the one country in the world which in race hate and human degradation out-Hitlered Hitler and put the worship of wealth and power above the love of God or brotherhood of man. They placed in the seats of the mighty, a general from Georgia to near absolute rule over the economic development of Germany for four years after the Hell of defeat. His successor has dragged Germany in as pawn between the American itch for world rule as heir to Britain and Soviet determmination to hold east Europe against the West. It is the fatal repitition of history. Once Germany was torn for thirty bloody years between religios fanatics; again Austrian, Russian and French imperialism fought out their quarrel on German soil, and finally on German soil and with German souls and bodies, the first battle between Big Business and socialism again covered the soil of Germany with the blood of German Jews and Gentiles

and left Germany a name > not a Nation

Anyone who knew Germany in the height of her scientific and artistic leadership of the world and then saw her after the end of the first world war, can understand if not forgive Nazism. I saw in 1926, a nation overthrown turned upside down and ruined; with more young girls for sale on the streets of

Berlin than Paris at her worst ever offered; I saw the whole middle class dri ven down into ~~bare~~ poverty and the intelligensia facing utter dispair, while the world led by America were bleeding the corpse. It is no wonder that on this foundation, a psychopathic criminal induced ~~the~~ laborers and small shopkeepers who had long envied the thrifty and talented Jews to see in them an unde fended sacrifice to ~~the~~ German degradation and drive a crazed and misled people into murder of six million Jews.

victim of

There is an analogy to this which few see but which is forced to our min minds by the sadism of Virginia in the case of the Martinsville Seven and the crucifixion of the Trenton Six. Germany nurtured the Jewish group as it fought its way up to leadership in art, music and industry; so the United States stole and held in slavery a group of Negroes for 300 years until they numbered four million slaves in 1863. ~~They~~ These Negroes had ~~small~~ no chance to lead in any human endeavor save the hard toil on which the wealth of America today rests ~~Then~~ When emancipation came through Negro soldiers as well as white; and when the threat of uncounted thousands of more black soldiers forced the South to surrender, then it was that for 85 years after the hate and jealousy of the white Southern laborer and the former slave-holder has vented itself on black folk they have lynched 4000 with mobs; they have killed tens of thousands by not violence, they have stolen and destroyed property, and now by legal pretence, they are hanging Negroes daily for deeds for which no white American is ~~punished~~ usually even arrested. The plight of German Jews and American Negroes differs in detail and circumstance, but both are based on the degradation of the human soul by which today wealth and power is being built. And the tool of of this blasphemy is war and more war; world war after world war, imperialism against imperialism with humanity forgotten and trampled in the dust

Seven poor black laborers of Virginia have just been murdered by the State without ever being faced by their accuser in court and on the strength of confessions insane beaten out of them by police ~~in secret confinement~~. In Trenton again six Negroes have been held in jail two years on a charge of murder which has never been proven and based again on confessions elicited by torture. While in Germany the torturers of thousands of Jews and murderers of hundreds of unarmed American soldiers are freed to induce Germany to arm for war

of Germans

Considering the history since 1800, it must be clear what currents of opinion are today manifest: First there must be a large number of Germans, probably a clear majority of both the educated and working classes, who say that war ~~for~~ so as a method of social progress is absolutely unthinkable, that Germany needs peace for social development, for the normal education of youth, for health and happiness; that therefor re-armament is distinctly inadmissable. ~~But~~ An other portion is afraid for the future of property and capital; they are under compulsion from international capital to seek a place in the future develope of commerce and industry in Europe and the world. This party is pushed by American industry in every way to agree to defend investment by re-arming; they do not wish to re-arm but they fear the posible attitude of the capitalistic world ~~and~~ they will submit if they must. Finally there are the remnants of Hitlerism in Germany who want revenge or annihilation of Europe. It is these leaders who the United States is releasing from punishment and consulting about a new German army. Every effort of all Americans who believe in peace and a restoration of the real greatness of Germany, should be exercised in behalf of the majority of Germans who like the majority of the French and Italians want no more war.

and like all sane Americans

The world is astonished at recent developments in the United States. Our actions and attitudes are discussed with puzzled wonder on the streets of every city in the world. Reluctantly the world is coming to believe that we actually want war: that we must have war: that in no other way can we keep our workers employed and maintain huge profits save by spending 50 thousand million dollars a year for war preparation and adding to the vast debt of 218 thousand millions which we already owe chiefly for war. Our present war expenditure must be increased, yet we cannot tax the rich much more since the lawyers who make the tax laws can also break them and let the bulk of wealth go untaxed. We cannot raise the taxes on the poor much higher because rising prices leave less and less to tax. Citizens have borrowed 200 thousand million dollars on homes, farms and furniture and the poor and middle class have spent nearly all their savings. Yet we cannot stop: either we spend more and more on top of what we are spending or our whole industrial organization, with its billions of private profit monopoly, will face collapse. On the other hand, the Soviet Union whom we are determined to destroy does not seem willing to fight. We have warned and dared it. We have publicly and privately insulted it. We have eagerly given currency to every charge which anyone at anytime makes against the Soviet Union, its ecomony, its morals, its plans. We thought that at last in Korea we had them where they must fight and we prepared jauntily for World War III almost with shouts of joy.

We were sure the Russians had started the Korean uprising, were furnishing arms and ready to march to war. Henry Wallace actually saw them and ran backward so fast that he tripped over his own resolutions, and stepped

18-8-84

in the faces of his friends. Still the Soviets did not fight and began instead to call for world peace: for union against the atom bomb: for peace congresses. But the United States was not misled: Not they. They stopped the peace appeal: They picked up and jailed advocates of peace: They barred from our shores foreign advocates of peace, even men of the highest reputation.

Highly placed public officials and military men began openly to declare that if the Russians would not attack us we would attack them to keep them from attacking us. The Wild Man of Tokyo, who remembers shooting down World War I veterans in Washington, turned Korea into a stinking desert, has received the President of the United States in audience. Whatever they talked about, the result, if MacArthur has his way, was not peace now or ever, until we seize China, conquer southeast Asia and drop atom bombs on Moscow. Meantime, wave after wave of our young men are being trained for murder and congress is on the verge of calling every youth in the land for this purpose. We are set to "lick the world" with Eisenhower and Stassen, the educators of youth: Dewey and Hanley the new brand of statesmen: and Herbert Lehman supporting notorious General Anders in order to make out foreign investment pay with oil, planes, battleships and artillery. We will restore Korea and when we are through restoration with taxes raised from our poor, Lehman Brothers and like investors will own everything in Korea worth owning and will draw fabulous profits from risks they never took, after that we will rail at Korea for not loving us for our generosity while the Koreans pay for democracy at fifty cents a day and no land. This is what Europe sees us set for, in contradiction to everything we once professed--liberty, free speech, truth and justice. To this our masters will lead us unless you intervene: unless right here and now you, the voters of the United States say No. Enough of this hysteria, this crazy foolishness.

Our slow but steady descent into belief in complete and universal war and our determination to make all men agree with what some believe, rather

than to let them exercise their free American heritage of choosing truth--this literal descent into Hell in our day and in this our own country, has been so gradual and complete than many honest Americans cannot believe what they actually hear and see: and sit bewildered, rubbing their eyes in order to get some vague conception of what can have happened to the land which once declared "These truths to be self evident that all men were created equal: that they were endowed by their creator with certain unalienable rights: that among these are life, liberty and the pursuit of happiness."

No American born before 1900, ~~could 1900~~, could possibly conceive that the United States would become a land approaching universla military service: with its armed forces in every continent and on every sea, pledged to conquer and control masses of mankind, order the thought and act on and belief of the nations of the world and ready to spend for these objects more money than it ever spent for religion, education or social uplift altogether.

When men arise and say this and try to prove its truth, every effort is made by secret police, organized spies and hired informers: by deliberate subversion of the fundamental principles of our law, to imprison, slander and silence such persons, and deprive them of earning an honest livelihood.

Avoiding all hysteria and exaggeration, all natural indignation and instinctive defense of the right of free speech and hatred of thought control, it is clear to all Americans who still dare think, that my description of this America is true and if true frightening to all men who once thought of this land as the land of the free.

My platform then, like the platform of every honest American who still dares believe in peace and freedom, takes its unalterable stand against war and slavery. There was a day when most men believed that progress depended on war: that by war and mainly by war had modern men gained freedom religion and democracy. We believed this becuase we were taught this in

our literature and science, in church and school, on platform and in newspaper. It was always a lie and as war has become universal and so horrible and destructive that everybody recognizes it as murder, crippling, insanity and stark death of human culture. We realize that there is scarce a victory formerly claimed by war, which mankind might not have gained more cheaply and more decently and even more completely by methods of peace. If that was true in the past, it is so clear and indisputable today that no sane being denies it. And yet of all nations of earth today the United States alone wants war, prepares for war, forces other nations to fight and asks you and me to impoverish ourselves, give up health and schools, sacrifice our sons and daughters to a "Jim-Crow" army and commit suicide for a world war that nobody wants but the rich Americans who profit by it.

If war were a matter of careful study and grave decision: of prayerful thought and solemn deliberation we might take its fearful outbreak as at least no more than human error, soon to be stopped by decency and common-sense. But when did you ever vote for war? You who have spend most of your lives in a fighting, murdering world? When did you ever have a chance to decide this matter of maiming and murder? Never! And you never will as long as an executive of his own initiative can start a "little police action" which costs the lives and health of 50,000 American boys in order that big business can interfere with the governments of Asia.

Of what are they in such deathly fear? Have we been invaded? Has anyone dropped an atom bomb on us? Have we been impoverished or enslaved by foreigners? Is our business failing and are our millionaires disappearing? Has the rate of profit gone down, is our machinery less cunning or our natural resources destroyed by stangers? Is there any sign that the United States of America is victim or can be victim of any foreign country? No! Then of what are we afraid and why are we trying to guard the earth from Pacific to Atlantic and from the North to the South Pole, unless it be from ourselves.

$

Our rulers

~~They~~ are afraid of an idea: tempted by a vision of power which this idea fights. The power they crave long misled and slaughtered the peoples of Europe and Asia, and now insidiously creeps into our own fever-mad heads, and that is imperialism--world rule over the world. Once this was sought by black slavery: then it was made easy by yellow coolies: then all "lesser breeds without the law," who could furnish a white man's burden and let him strut over the world and lord it in Asia and Africa and rule and rule without end, forever and forever. That was the vision of the 19th century. The fever of imperialism caught the United States as the 19th century died and we choked a few islands out of dying Spain. But these were but small change which whetted our appetite. With the first World War came the vision of an Imperial United States as successor of the empire on which the sun already sets, we rushed so madly at the spoils left by European empire that we brought down our whole industrial system about our own ears.

It would seem that the memory of the great depression of the thirties would convince all thinking men that war is not the path to the millenium and that what we need is reform of our own system of work and industrial organization, before we attempt to teach the world what to think or how to live.

But what the men of Big Business ignored was that the industrial system which they were seeking to re-install had already met a terrible and costly reverse: that modifications of imperialism and monopoly capitalism had already been suggested and tried. Such efforts comprehended loosely by the name "Socialism," were not invented by Russia nor first tried by Russia. On the contrary, Socialism is an English, French and German conception and was tried in Russia because that unhappy land was one of the last and worst victims of the capitalist system.

If tomorrow Russia disappeared from the face of the earth, the basic problem facing the modern world would remain: and that is: why is it, with the earth's abundance and our mastery of natural forces, and miraculous

technique, with our commerce belting the earth and goods and services pouring from our stores, factories, ships and warehouses, why is it that nevertheless most human beings are starving to death, dying of preventable disease and too ignorant to know what is the matter, while a small minority are so rich that they cannot spend their income?

That is the problem which faces the world, and Russia was not the first to pose it, nor will she be the last to ask and demand answer. The 19th century said that this situation was inevitable and must always remain because of the natural inferiority of most men, the 20th century knows better. It says that there is food enough for all: that clothes and shelter for all can be provided: that most disease is preventable and that the overwhelming mass of human beings can be educated. That intelligence, health and decent comfort are not only possible but should be demanded, by all men planned by all states and made increasingly effective by all voters in each election.

But the powerful who today own the earth and the fulness thereof: who monopolize its industry and own its press and screen its news, have another answer: they order us to fight and idea: to "contain" and crush any dream of abolishing poverty, disease and ignorance: and to do this by organizing war, murder and destruction on any people who dare to try to plan plenty for all mankind. From the 19th century they attempt to take over imperialism to bribe the workers and thinkers of the most powerful countries by high wage and privilege to build a false and dishonest prosperity on the slavery and degradation--the low wage and disease of Africa and Asia and the islands of the sea, and to pay the price for this they demand that you, your sons and daughters in endless stream be murdered and crippled in endless wars.

This is why we are fighting or preparing to fight in Europe, Asia and Africa-- not against an enemy but against the idea--against the rising demand of the working classes of the world for better wage, decent housing, regular employment, medical service and schools for all.

48-8-94

It does not answer this world-wide demand to say that we of America have these things in greater abundance than the rest of the world, if our prosperity is based on or seeks to base itself on the exploitation and degradation of the rest of mankind. Remember it is American money that owns more and more of South African mines worked by slave labor: it is American enterprise that fattens off Rhodesian copper. It is American investors that seek to domin te China, India, Korea and Burma: that are throttling the starved workers of the Near East.

Yet is it wnot clear that such a program is sheer insanity? [redacted]at no nation, however rich and smart can conquer this world? Have not Egypt, Assyra, Greece, Rome, Britain and Germany taught us this? And also that no idea based on truth and righteousness can ultimately be suppressed by force and murder?

I never thought I would live to see the day that free speech and freedom of opinion would be so throttled in the United States as it is today. Today in this free country, no man can be sure of earning a living, of escaping slander and personal violence: or even of keeping out of jail unless publicly and repeatedly he proclaims:

That he hates Russia.
That he opposes Socialism and Communism.
That he supports wholeheartedly the war in Korea.
That he is ready to spend any amount for further war anywhere or at anytime.
That he is ready to fight the Soviet Union, China and any other country, or all countries together.
That he believes in the use of the atom bomb or any other weapon of mass destruction and regards anyone opposed as a traitor.
That he not only believes in and consents to all these things but is willing to spy on his neighbors and denounce themif they do not believe as he does.

The mere statement of this creed shows its absolute insanity. What can be done to bring this nation to its senses? Most people answer: nothing: Just sit still : bend to the storm: if necessary, lit and join the witch-hunt,

We still have elections and we still have a secret ballot. If you do not want war, vote for men who will stop it. If you want the Bill of Rights restored to the Constitution you have the legal right to say so. In this Democracy, you still retain the right to help elect your lawmakers and executives. If you fail to exercise this right, you will suffer and you ought to suffer. Today the vast majority of the American people who are not crazy, do not want war. Most Americans hate the current witch-hunt. The only way to oppose war and the death of civil liberty is to elect officials who agree with you.

IN THIS PHASE OF IMPERIAL CONTROL OF COLONIES AND SEMI-COLONIES, THE UNITED STATES OF AMERICA STOOD FOREMOST. BECAUSE THE INDUSTRIAL UNITY OF HER VAST AND VARIED NATURAL RESOURCES HAD NOT BEEN HELD BACK BY PARTICULARISM AND REPRESSION, AND BECAUSE HER WORKING CLASS HAD BEEN RECRUITED FROM THREE CONTINENTS AND ALL NATIONS AND HAD UNRIVALLED TALENT, RESOURCEFULNESS AND INDIVIDUALITY. OUR DEMOCRATIC PAST HAD BURST THE BONDS OF CLASS, BIRTH AND INHERITED WEALTH AND HAD EVEN BREECHED THE WALLS OF RACE.

AS THE UNITED STATES, AFTER THE FIRST WORLD WAR, STEPPED FORWARD TO SUCCEED GREAT BRITAIN AS RULER OF THE WORLD, SHE MET HEAD ON THE DETERMINATION OF THE COLONIAL PEOPLES AND THE PEOPLE IN SEMI-COLONIAL STATUS INSPIRED BY THE WAR TO SHARE NOT ONLY IN FUTURE POLITICAL POWER, BUT IN A NEW POLITICAL CONTROL OF INDUSTRY AND COMMERCE WHICH LABORING CLASSES IN ALL NATIONS WERE ASKING. THIS SOCIALISM DID NOT, AS MOST AMERICANS SEEMED TO ASSUME, BEGIN IN RUSSIA. IT WAS ENGLISH, FRENCH AND GERMAN IN CONCEPT AND DEVELOPMENT AND

ON THE OTHER HAND,/ AND IN OPPOSITION TO SOCIALISM,/ THERE HAD BEEN DEVELOPING IN AMERICA,/ AFRICA AND ASIA,/ UNDER BRITISH, FRENCH AND NORTH AMERICAN LEADERSHIP,/ A NEW SO-CALLED DEMOCRACY/WHICH WAS NOW POWERFUL.// IT CONSISTED IN A MANIPULATION,/ LIMITATION AND CONTROL/ OF THE VOTING POPULATION THROUGH THE POWER/OF EMPLOYERS AND FINANCIERS,/ SO THAT THE SO-CALLED DEMOCRACIES/ OF SOUTH AMERICAN NATIONS/ OF BALKAN STATES AND OF THE SOUTHERN PART OF THE UNITED STATES,/ PUT THESE AREAS UNDER THE CONTROL/OF ORGANIZED AND CONCENTRATED CAPITAL.

MEANTIME IN RUSSIA,/ AN AGRICULTURAL COUNTRY,/ WITH LITTLE INDUSTRY AND HIGH ILLITERACY,/ THE FIRST WORLD WAR/FORCED AN ATTEMPT TO INAUGURATE COMPLETE SOCIALISM/BY MEANS OF THE COMMUNISTIC STATE.// THE EXPERIMENT WAS MADE UNDER THE MOST INOPPORTUNE CIRCUMSTANCES/IN THE MIDST OF WAR,/ FAMINE AND RELIGIOUS

THIS DOES NOT PROVE/THE EFFICIENCY AND SUCCESS OF COMMUNISM,/ BUT IT

CERTAINLY DOES NOT DISPROVE, AND IT IS CLEAR TESTIMONY THAT WEALTH AND INDUSTRY TODAY FEAR SCIENTIFIC RESEARCH AND FREE EXPRESSION ON THIS SUBJECT. // THE FIRST ORGANIZED EFFORT OF WEALTH AND INDUSTRY TO MEET THE SOCIALIST THREAT AFTER THE INVASION OF RUSSIA BY 14 EUROPEAN NATIONS WAS FRUSTRATED NOT ONLY BY RUSSIAN RESISTANCE BUT MORE EFFECTIVELY BY THE GREAT DEPRESSION OF THE 30'S // THIS WHICH WAS SURELY DUE MORE TO A DISEASED CAPITALISM THAN TO COMMUNISM AND THE FASCISM OF MUSSOLINI AND THE NAZISM OF HITLER INTERVENED TO PREVENT THE WORLD FROM TURNING TO COMMUNISM AS A PANACEA. // BOTH EFFORTS WERE WELCOMED AND ENCOURAGED BY IMPERIAL EUROPE AND THE UNITED STATES, UNTIL THE PRICE OF THIS COOPERATION WAS FIXED BY MAD-MEN AT WORLD DOMINATION BY DICTATORSHIP, WITH BRITAIN, FRANCE AND THE UNITED STATES EXCLUDED. // THEN OCCURRED THE MOST ASTONISHING TRANSFORMATION OF ALL HISTORY, WHEN COLONIAL IMPERIALISM JOINED COMMUNISM TO STOP AN EUROPEAN AND ASIATIC DICTATORSHIP SET UP BY EUROPEAN

MORE THAN MOST AMERICANS NOT OF GERMAN DESC NT, I HAVE HAD OPPORTUNITY TO KNOW THE GERMAN NATION. AT PERHAPS THE MOST CRITICAL TIME IN MY SPIRITUAL DEVELOPMENT I WAS FOR TWO YEARS A STUDENT IN THE FRIEDRICH-WILHEM UNIVERSITAT ZU BERLIN. I LIVED IN THE SHADOW OF LUTHER'S WARTBURG: I MADE THE HARZREISE: I VISITED THE HANSA CITIES, MUNICH, THE RHEINPHALZ, LEIPZIG AND BRESLAU, I HAVE HEARD WAGNER AT BEIREUTH: I HAVE SAILED THE RHEIN FROM ROTTERDAM TO MAINZ, AND SUNG THE LORELEI. I SAT UNDER THE LECTURES OF SCHMOLLER, WEBER AND VON TREISCHKE AND MY CERTIFICATE WAS SIGNED BY RUDOLPH VIRCHOW. I WAS IN GERMANY FROM 1892 to 1894: IN 1926 AND AGAIN IN 1936.

INDEED I THINK THAT BEFORE I KNEW THE GERMAN PEOPLE, I HAD NEVER BEFORE CONSIDERED WHITE PEOPLE AS HUMAN BEINGS: AND THAT DESPITE THE FACT THAT I WAS BORN AND EDUCATED IN THE MOST LIBERAL PART OF AMERICA, WHERE MY FATHERS HAD BEEN CITIZENS AND VOTERS FOR A HUNDRED YEARS. I AM CONVINCED THAT NEVER IN THE WORLD HAVE SO INHERENTLY FINA A PEOPLE, OF HIGH INTELLECT AND DEEP

SENSIBILITY, BEEN SO UTTERLY RUINED BY WAR AND THE THEORY OF WAR AS THE GERMANS.

THE ONE RECOMPENSE WHICH CIVILIZATION OWED THEM IN RETURN FOR THEIR PHILOSOPHY, SCIENCE, LITERATURE, POETRY AND MUSIC WAS TO DEFEND THEM FROM WAR AND THE FRUITS OF WAR: AFTER TWO OF THE WORST POSSIBLE CONFLICTS THE WORLD HAS SEEN, WITH GERMANY THE CENTER OF BOTH, // TO RESCUE THEM FROM THE IMPOVERISHING COSTS OF MILITARY MINDEDNESS AND SHATTERING DELUSIONS OF GRANDEUR AND WORLD CONQUEST. // BUT NO! AS MOCKING FATE WOULD HAVE IT, GERMANY WAS SURRENDERED IN FACT TO THE DOMINATION OF THE ONE COUNTRY IN THE WORLD WHICH IN RACE HATE AND HUMAN DEGRADATION OFTEN OUT-HITLERED HITLER AND WHICH more PUT THE WORSHIP OF WEALTH AND POWER ABOVE THE LOVE OF GOD OR BROTHERHOOD OF MAN. // THEY PLACED IN THE SEATS OF THE MIGHTY, A GENERAL FROM GEORGIA TO EXERCISE NEAR ABSOLUTE RULE OVER THE ECONOMIC DEVELOPMENT OF GERMANY FOR FOUR CRUCIAL YEARS AFTER THE HELL OF DEFEAT IN 1945! // HIS SUCCESSOR EGGED ON BY AMERICAN IMPERIALISTS

THE RISE OF COLONIAL PEOPLES

BY

W. E. B. DU BOIS

Those folk who assume that colonialism is dead should modify their conclusions by close study of the past history of colonies, and consideration of the relation of colonies to the development of European culture.

Ancient colonies were excursions of members of cultural groups into the vast surrounding barbarisms for trade or refuge which led often to re-inoculation of cultural organisms and to new centers of civilization, as in the case of the islands off Asia Minor and Greece. Marco Pole and Vasco da Gama inspired similar trade projects in Asia. After the discovery of America, Europeans made such colonizing efforts, for trade, refuge and treasure. Two different developments followed: in empty America, African and later Asiatic labor was imported and Indian labor impounded for the hard toil of development. In Asia however with abundant labor, there followed political and commericial manipulation which resulted in commercial control of China and political control of India. In America slavery changed to color caste in the United States and investment imperialism ~~in~~ and commercial control arose in Central and South America and the West Indies.

At the beginning of the 20th century, the majority of the peoples of the world were under the control of Europe: either complete political domination as in the case of the British Empire in Asia and Africa and the West Indies; Holland in Indonesia, France in North Africa, Belgium in the Congo, and Portugal in South Africa; or in commercial and industrial control, as in the case of capital and markets furnished by the United States, Great Britain, and France in Central and South America, Canada, Russia, China, Egypt, Ethiopia, Australia and the Balkans. It was assumed ~~ik~~ at the time that full political control of the colonial people by

46-8-47

great imperialisms was the goal of world rule and that commercial control of quasi-colonies was but a step toward this.

But meantime the imperial program was influenced by various occurences in the colonial and semi-colonial regions themselves. Slave labor in America forced emancipation by revolt and collaboration and then demanded education and the right to vote. The Protestant Church, in America, Asia and Africa, as carrier of the liberal tradition from the Reformation to the Reform laws in the 18th century, established schools, but yielded to strictly controlled political rights on and their denial to domination of rights of property, in which it was joined by the Catholics.

Some groups of colonials, like those in West Africa, and the West Indies, pressed on toward voting and property holding, higher education, office-holding, legislation and political independence or integration into full citizenship. This was accomplished in Haiti, Liberia, Ethiopia and Cuba; and partially by the Negro group in the United States. But even here a new type of control became manifest through markets and prices and credit facilities for tools, machinery and capital goods, and loan of technicians. After the First World War failed to effect that re-distribution of colonies which was its direct cause, ~~there~~ There was renewed concentration of capital and control of credit in great centers like London, New York, Paris ~~and Berlin~~. The economic progress of the colonies like India, Indonesia and parts of North Africa was dependent on those persons and groups which comtrolled this capital; and always many countries, nominally free and politically independent, like those of Central and South America; China and Japan, Egypt, the Balkans and even Canada and Russia tended to sink into a position of quasi-colonies, controlled by the money masters of Western Europe and North America. Behind a more or less clear facade of political and democratic freedom, most of these nations came under the control of a new phase of imperialism, which gained

46-8-94

increasing power from such industrial innovations as mass production, electric power and chemical transformations.

In this phase of imperial control of colonies and semi-colonies, the United States of America stood foremost, because the industrial unity of her vast and varied natural resources had not been held back by particularism and repression, and because her working class had been recruited from three continents and all nations and had unrivalled talent, fulness and individuallity. Our democratic past had burst the bonds of class, birth and inherited wealth and had even breeched the walls of race.

As the United States after the First World War, stepped forward to succeed Great Britain as ruler of the world, she met head on the determination of the colonial peoples and of the people in semi-colonial status inspired by the war to share not only in future political power, but in a new political control of industry and commerce which laboring classes in all nations were asking. This Socialism did not , as most Americans seemed to assume, begin in Russia. It was English, French and German in concept and development and the European movement toward socialism was well on its way in the latter part of the 19th century.

On the other hand, and in opposition to socialism, there had been developing in America, Africa and Asia, under British, ~~French~~ French and North American leadership, a new so-called democracy which was now powerful It consisted in a manipulation , limitation and control of the voting population, through the power of empoyers and financiers, so that the so-called democracies of South American nations, of Balkan states and of the Southern part of the United States, put these ~~nations~~ areas under the control of organized and concentrated capital.

Meantime in Russia, an agricultural country, with little industry and high illiteracy, the First World War forced an attempt to inaugurate complete socialism by means of the Communistic state. The experiment was

46-8-94

made under the most inopportune circumstances in the midst of war, famine and religious intolerance and with the united opposition of the civilized world, the leaders doubt ed success but had in reality no alternative. If the experiment had failed within ten years of its inception, it would have settled nothing as to the merits of socialism. That it has survived, with certainly some success, calls for the most careful and earnest evaluation of its possible contribution to civlization.

But this attitude today and in America is absolutely impossible and that not because of the merits or demerits and dangers of communism, but because of an extraordinary social movement, the significance and danger of which is realized by few Americans. And that is an effort at propaganda unsurpassed in modern history among civilized people. Organized indusdtry and commerce have so dominated the press and newsgathering, the radio, cinema and platform that no uncoerced study of the Soviet Union or Communism is possible.

46-8-10

This does not prove the efficiency and success of Communism, but it certainly does not disprove it, and it is clear testimony that wealth and industry today fear scientific research and free expression on this subject. The first organized effort of wealth and industry to meet the socialist threat after the invasion of Russia by 14 European nations was frustrated not only by Russian ~~xxxxxxx~~ resistance but more effectively by the Great Depression of the 30's. This which was surely due more to a diseased capitalism than to Communism and the Fascism of Mussolini and the Nazism of Hitler intervened to prevent the world from turning to Communism as a panacea. Both efforts were welcomed and encouraged by imperial Europe and the United States, until the price of this cooperation, was fixed by mad-men at world domination by dictatorship with Britain, France and the United States excluded. Then occurred the most astonishing transformation of all history, when Colonial Imperialism joined Communism to

stop an European and Asiatic dictatorship set up by European Imperialism to overthrow Communism. Thus the imminent Third World War is not an unexpected development, but simply a reversion to the battle against socialism begun when Capitalism collapsed in 1929.

Just as the First World War could have been avoided if domination of colonial Asia and Africa by Europe and America had not been insisted as inevitable; so the Second World War was unnecessary if Western democracy had not adopted and encouraged it until Hitler and Mussolini refused to share the loot of Empire. This leaves us face to face with a Third World War to preserve exploitation of labor at home, but especially among the depressed peoples of Asia, Africa and South America. To accomplish this, unprecedented effort is financed by organized industry to prevent any study or uncoerced expression of opinion on the future conduct and control of industry, the world over. The effect of this on our own intellectual development, our moral values and democratic methods of government is disastrous. But what is the effect on colonial peoples?

101-8-94

If every liberal in the United States is called a Communist and threatened with loss of status and opportunity to earn a livelihood, how much easier is it for every movement in colonial lands, toward education, voting, land control, control of investment especially foreign, legislation and taxation and political independence, to be called communistic, or communist inspired. This helps to concentrate power and influence in the hands of local reaction and local recipients of foreign capital and credit. This seems to herd the colonies or the dependent peoples to the side of the Investment Imperialists.

It is this tactic which is surrendering the United Nations into the c ntrol of the United States and enabling a majority composed of imperial nations and their economic satellites to override the just demands of China and India with a majority of the inhabitants of the earth.

Through this murk and misleading, the colonial people are staggering on and we may now briefly scan their condition. The most tremendous result of the two world wars was the freeing of India. This was not philanthropy but a shrewd attempt of the greatest Colonial Imperialism to change from a political to an Investment Imperialism, when the military control of India by Britain was no longer possible. The travail of India today is due to this fact. She is a nation dominated by huge sums of invested capital both native and foreign, and at the same time weighted down by poverty, ignorance and disease which two centuries subjection to the rule of foreign interests have heaped upon her. The energy which should go to linking her industry and agricultue, controlling capital and developing her resourses in man-power and industry, must for years be dissipated by attempts to control religious dogma which foreign rule has craftily fostered. Help from the Western world can only be had by joining blindly in the proposed war on Communism and socialism.

46-8-102

China has staggered through Hell since Sun yat Sen found only in Russia the help which he begged to establish the Chinese Republic. When China sought aid from the West against Japanese aggression, the West sided with Japanese imperialism. When Japanese Imperialism tried to unite Germany, Italy and the East against the West, Great Britain and the United States backed Chiang kai-Shek to restore China to the control of Western Imperialism. China found in Communism as established in Russia the only open path to autonomy and she took it. Because of her alliance with communism and not with any reference to her attempt to uplift the Chinese people, we are today making every effort to start a Third World War for American control of China.

In the Near East, including in that term, Egypt and the Arabias, ~~Ekki~~ Ethiopia and the Sudan, Turkey and Syria, we have an ignorant, poor and diseased mass of people in the firm grip of overlords, and courted by

Western profit for oil to use in war and for cotton and ~~other~~ cheap foods and raw materials. Ethiopia and Isreel present definite variations of this problem, but both lie at the mercy of imperial investment.

In Southeast Asia, the lands between China and Indonesia fired by both socialism and nationalism are direct targets of investing imperialism because of tin, rubber, tea, rice, and a hundred other valuable raw materials; this brings the arms of France, Britain and the United States to control them, and the issue depends on China and Indonesia. Holland has eased political control of the fabulous Spice Islands out of which for three centuries she has drained wealth and ease; but her industrial and commerical investment there is still large and both Britain and America are deeply involved in the preservation of income from this capital. The Indonesians are also involved in this investment by blood and money and by commerce with the West. How far they will yield this urge of Western alliance to the need of a poverty-stricken peasantry is a problem; with China pulling in one direction and the dominant Philippine capitalists in alliance with American business, on the other. American and Australian color hate may tip the blaance toward Asia as it once did in the case of Japan.

The contradictions in the policy of the British Empire since the Second World War are largely explained by the situation of Africa. This English socialist state has been torn from the orbit of socialism in Scandinavia and the Soviet Union and annexed to the capitalist United States by the vision of Colonial wealth through a re-birth of the Brithis Empire in Africa.

For this end, Kenya has been made a military fortress, Egypt denied complete independence and Israel discouraged; Uganda has been repressed and East Africa made the center of experiments in a new plantation economy. The black Sudan is held in a tight grip and strong effort made to dominate Ethiopia. The Rhodesias and South Africa have been built up into satelite nations with black serfs who are given little education, minimum wage and

almost no political power. British and American capital dominates the Congo and Portuguese Africa.

This domination of a continent by white control is of course in direct contradiction to socialism and pre-election promises of the Socialist Party, just as Imperial Colonialism long contradicted British democracy. But just as contadiction never hindered Brithis wealth and power so investment imperialism in partership with the United States will not overthrow, although it will not help develope a strong socialism.

So long as Bevin's and Churchills' see eye to eye, Britain will arm to overthrow the Soviet Union using for a Third World War, the energy and wealth necessary to build a real Socialistic state.

There is however one large fly in this attempt to restore an Anglo-American imperialism, and that is West Africa with its hundred million black folk which no white nation ever conquered. Under the British, French and Spanish black peoples whose high culture go back to Dahomey and Ashanti, the Haussa and Songhay, the Beni and Mossi stand yet today, after 20 centuries, a bitter bulwark against white imperialism. To them today Britain and France are yielding control of land, participation in government and legislation and even a vague promise of autonomy or independence. They have some small hold of commerce as in the case of cocoa and palm oil. Against them and their ambition are arrayed South Africa and Rhodesias, the Belgian Congo and the vast influence of American investors. These capitalists have reduced Liberia to an American colony by control of industry, commerce, harbor, and airport. It may well be that the future battle of West Africa may spark the last battle for liberty in the colonial world. Naturally every black leader of West Africa is accused of Communism and in French Africa they have openly acknowledged the fact.

On the American continent the web of investment Imperialism has been tightly woven. The naturally rich West Indies have their only market for

46-8-104

fruit and foods in the United States and their only source for manufactured goods. The American market is so rigged as to reduce these islands to economic servitude, no matter whether they are nominally independent politically or not. Add to this foreign investment in sugar, fruit and coffee and monopoly of the carrying trade and the picture is complete: Cuba and Haiti; Puerto Rico and Jamaica, San Domingo and the French Islands are all in thrall to investment imperialism and while they progress in political power, this power is negatived by economic control centered in London, Paris, and New York.

South and Central America is but a larger and more complicated situation of similar sort. Certain nations like Mexico, Brazil and Argentina have achieved some independence but they must bow to international commerce, international technique as exemplified by the leading industrial nations and the distribution of capital goods. Their sales of raw material is also at the mercy of powers which they control but weakly. Here then looms a larger problem of world control, with distribution of functions, fertility of soils and aptitudes of human f ctors. The future world has got to decide these matters not according to the dictates of one nation or set of nations but for the widest common weal. The United Nations far from facing such nations is halted by the vast question of the application of force to guide opinion. The basic problem has not even come to statement.

Thus the colonial problem as it remains, is a large part of our pressing problem of war and peace and back of that the persistent problem of poverty. This is no petty Point Four; it is emancipation for the majority of mankind from dictatorship of the Few. Unless a resuscitated American democracy, shorn of cowardice and greed can throw off the drug of American wealth and capitalism and stand to fight again for Liberty and Justice, even across the Color line, then the Star of Empire in its highest spiritual sense will pass from Europe and America and the Hope of Mankind will rest in West Africa, India and China, the colonial and quasi-colonial lands.

THE RISE OF COLONIAL PEOPLES

Community Church Boston 2/11/67

Those folk who assume that colonialism is dead or dying, should modify their conclusions by close study of the past history of colonies, and consideration of the relation of this group of phenomena with the development of European culture.

Ancient colonies were excursions of members of cultural groups into the vast surrounding barbarisms for trade, which led often to reinoculation of cultural patterns and new centers of civilization, as in the case of the islands of Asia Minor and Gfeece. After the discovery of America, Europeans made such colonizing efforts, for trade and treasure. Marco Polo inspired similar trade projects in China. Two different developments followed: in empty America, African and later Asiatic labor was imported for the hard toil of development, but in China, with abundant labor, political and commercial manipulation of Asiatic lands followed which resulted in international control of China and political control of India. Labor revolt in America to color caste in the United States and investment imperialism in Central and South America and the West Indies.

At the beginning of the 20th century, the majority of the peoples of the world were under the control of Europe: either complete political domination as in the case of the British Empire in Asia and Africa and the West Indies; Holland in Indonesia, France in North Africa and Belgium in the Congo, or in commercial control, as in the case of capital furnished by the United States, Great Britain, and France in Central and South America, Canada, Russia China, Egypt, Ethiopia, Australia and the Balkans. It was assumed then that full political control by great imperialisms was the goal of world rule and that commercial control was but a step toward this.

But meantime the imperial program was influenced by various occurences in the colonial and semi-colonial regions themselves. Slave labor in America forced emancipation by revolt and then demanded education and the right to vote. The Protestant church, in America, Asia and Africa, as carrier of the liberal tradition of the Reformation and Reform, in the 18th century established schools, but yielded to strictly controlled political rights and domination of the rights of property, in which it was joined by the Catholics.

One group of colonials, like those in West Africa, the West Indies, pressed on toward voting and property holding, higher education, office-holding, legislation and political independence or integration into full citizenship. This was accomplished in Haiti, Liberia, Ethiopia and Cuba; and partially by the Negro group in the United States.

In most of the colonial world however, a new type of control became manifest after the First World War failed to effect that re-distribution of colonies which was its direct

cause. This was the concentration of capital and control of credit in great centers like London, New York, Paris and Berlin. The economic progress of the colonies like India, Indonesia and parts of North Africa was dependent on those persons and groups which controlled this capital; and always many countries, nominally free and politically independent, like those of Central and South America; China and Japan; Egypt, the Balkans and even Russia, and Canada tended to sink into a position of quasi-colonies, controlled by the money masters of western Europe and North America. Behind a more or less clear facade of political and democratic freedom, most of these nations came under the control of a new phase of imperialism, which gained increasing power from such industrial innovations as mass production, electric power and chemical transformations.

36-8-28

In this phase of imperial control of colonies and semi-colonies, the United States of America stood foremost, because the industrial unity of her vast and varied resources had not been held back by particularism and repression, and because her working class had been recruited from three continens and all nations and had unrivalled talent fulness and individuallity. THAT BECAUSE OF THE HISTORY AND CONDITION OF NEGROES IN AMERICA THERE MUST BE FOR THEM A SPECIAL APPROACH AND SOLUTION FOR EVERY SOCIAL PROBLEM. USUALLY WE ASK THEREFORE NOT WHAT IS THE RIGHT ATTITUDE TO WAR TOWARD OURSELVES BUT WHAT SHOULD OUR ATTITUDE BE IN THIS WAR? AND THE ANSWER IS PAT: IF BY FIGHTING WE GAIN OUR RIGHTS? THEN FIGHT. IF NOT THAN COMPLAIN AGAINST DENIAL OF OUR RIGHTS BUT NOT AGAINST WAR. IN WAR AS SUCH WE ASSUME WE HAVE NO INTEREST. IF THE WHITES WANT TO MURDER EACH OTHER LET THEM DO IT. THIS PHILOSOPHY HAS ITS HISTORICAL CAUSES BASED ON OUR LONG EXCLUSION FROM THE CULTURAL WORLD OF THE WHITES. BUT THAT EXCLUSION ALTHOUGH BY NO MEANS ENDED IS TODAY SLOWLY BUT SURELY ENDING AND WE ARE BECOMING PART OF THE MODERN WORLD AND SO PART VICTIM OF ALL ITS ILLS AS WELL AS HEIR TO ALL ITS PROGRESS. THE WORLD THEN WHICH WAR IS SET TO DESTROY IS OUR WORLD. WE HAVE HELPED BUILD IT WE LOSE IF IT IS HURT OR DESTROYED IN JUST THE PROPORTION THAT WE SHARE IT. WHEN

THEN THE WHITE WORLD COMMITS SUICIDE IT IS OUR BLOOD WHICH FLOWS. IT IS OUR DUTY TO HELP SAVE THAT IN THE WORLD WHICH IS WORTH SAVING AND IF THE EVIL COUNCILLORS OF THIS WORLD CAN DEPEND UPON AMERICAN NEGROES THOUGHTLESSLY AND CARELESSLY TO FOLLOW THEM IN RETURN FOR CONCESSIONS WHICH COUNT LITTLE COMPARED WITH THE LOSS AND HURT OF WAR THEN WE ARE UNTRUE TO OURSELVES AND FALSE TO THE NATION AND CIVILIZATION WHICH WE SHARE AND HAVE A RIGHT TO SHARE. A.L.P

The most sinister evil of this day is the wide spread conviction that war is inevitable and that there is no time left for discussion. It is doubtful if the mass of Americans who accept this judgment realize just what its implications are. War is physical force exercised by men and machines on other men so as to compel submission to the will of the victors. Unquestionably in primitive times there were repeated ~~by times~~ occasions when such recourse to force was the only path to social progress. But as civilization has progressed and included larger and larger masses of men and portions of the earth, two things have become increasingly clear: one, that the costs of war have become too great for any nation to pay no matter what the alternative; and two; that in war as now carried on, there can be no victorious party; in modern world war all contestants lose and not only lose the immediate causes of strife, but cripple the fundamental bases of human culture.

35-6-185

For these reasons, before the 20th century, repeated effort of various sorts were made to avoid or limit war: by appeal to reason and philanthropy; by religious sanctions and controls; by rules of chivalry and good breeding. Among the nations of Europe in the 16th and 17th centuries, the relative size and powers of the leading states were so balanced and off-set against each other as to deter any ~~f~~ appeal to war and compell diplomacy and treaty. The 19th century went further and segregated war in such a way that the years 1815 to 1915 are known as the Hundred Years of Peace, despite the fact that they were replete with bloody struggles. What happened was that the leading civilized states of Europe by diplomacy and understanding, maintained peace with each other, while outside Europe these same nations were reducing most of the peoples of the word to serfdom under the control of European Empires. Thus colonial imperialism was built upon a substructure of peace in Europe and war in the rest of the world.

This European peace, with the materials and labor of most of the world

at its disposal, built a brilliant culture in letters, architecture, painting, sculpture and music; with a high standard of living and gracious manners among the upper classes. This culture envisaged a future based on the strong influence of wealth over working classes at home and almost complete domination of the inferior peoples of Asia, Africa, South and Central America and the islands of the sea. At the zenith of this world rule, Europe regarded itself as the World and European culture as Human Culture. When within this culture, the workers revolted in the late 18th century and achieved some rights education and partial democratic control of government, higher wage, this was regarded as the progress of the world and not merely of the white race. And men forgot that this European progress was built largely on the degradation, serfdom and slavery of the colored peoples who were reduced to poverty, ignorance and disease. This degradation of most men supported the wealth and high wage of Europeans and North Americans. In the 20th century the determination of Germany to secure a larger share of the colonial empire than Great Britain and France were willing to allow, brought the First World War.

35-8-186

This was not simply another war. It was revolution which marked the beginning of the freeing of the darker peoples from European control and the beginning of a method of war which could not continue if European Civilization was to survive.

It is of primary importance that men living today realize this fundamental fact: Human warfare carried on as it is in our experience; and on the scale and over the area which it now covers cannot be persisted in without ruining the system of human culture in which we have been born and live. This will not of course mean the absolute end of human culture; but it will mean a vaster world catastrophe than the Fall of Egypt 500 years before Christ or the Fall of Rome 500 years after and the ensuing Dark Ages, far worse because more extensive than the eclipse of Europe after the year 1000.

There is no use disguising this danger. There can be no pretense that

or race inferiority

the threat of Communism or of Socialism, is so great that we cannot afford to investigate or discuss the object of or reasons for war but are litteraly compelled to hurl ourselves blind and headlong into wholesale murder, maiming and mass insanity, without pausing to ask what we can accomplish by war even if we win.

That a

Remember ~~the~~ foretaste of cultural retrogression is already upon us. Two world wars have taken terrible toll on our civilization. Only the blind and foolish can deny this. We have killed 30 million human beings and wounded 55 million others. The property loss has been one million, three hundred thousand million, dollars, a figure so vast that it is difficult to express it. If a Third World War costs as much more as ~~a~~ the Second did, we can look forward to 40 more million dead and a property coast so vast as to defy figures.

35-6-187

Moreover the dead and wounded, and the property loss are only the immediate ~~least of the~~ costs of war. We have wiped out the cream of two generations of the worlds' youth, with all their dreams and vigor and talent. We have deprived two generations of women of lovers, husbands and children. When in the next half century men deplore the short comings of youth and their bad manners when they rail at lack of new music, literature and art, let all remember how many Leonardos and Beethovens; Voltaires, Tom Paines, Lincolns and Garrisons we have murdered since 1914.

Not only death in body and genius are among the costs of war, but the increase of the insane and criminal; the rising use of alchohol and drugs; the degradation of sex and the vulgarization of language and manners; these are among the awful costs of war and increasing costs of world wars. It is a bill that civilization simply cannot afford, no matter whether this or that nation wins or loses.

Moreover we fail to realize how the costs of such wars are met and who and what bears the burden. If the vast costs of war fell equitably on those best able to pay, they would be too great for rising standards of

life. But when John Doe cannot ordinarily earn enough to raise his family decently and then has a third of that taken for war, the result is lying, stealing and disease. I know a young teacher, who has worked 18 years faithfull for low wage. This year out of a $4000 dollar salary, she is asked to pay $800 tax of 20% in addition to property tax on her home and the education of her child. Is there a single one of the more than 100 Americans whose income is at least one million dollars a year who pays a fifth of his income in taxes? And if he paid $200,000 out of a million income would his tax burden compare with that of this one teacher? Our tax system is deliberately rigged to exempt the rich, the business man and the gambler and to crucify the salaried man, the wage-earner and the casual worker. The sales tax which steals from the poor consumer is paid in 29 states and is spreading over the nation because the poor cannot protest.

35-6-881

put an unbearable tax burden on

The United States today has one of the poorest elementary school systems in the world; with too few and poorly paid teachers; poor schoolshouses save in the rich sections of cities; crowded classrooms and poor equipment. Three quarters of a million of our citizens die annually of cancer, pneumonia tuberculosis, and infantile paraysis and heart disease. With a tenth of what we are spending today on atom bombs and war gear, we could save half of these. We have only 6500 hospitals and a million and a half beds for a nation that needs 10 times that number to adequately care for the sick and insane. Yet our appropriations for health and educat on are being cut down to expand our army and navy and airforce.

Millions of Americans families are homeless or indecently crowded; which means increased crime, divorce and disease. A national housing program could be carried on for less than one tenth of what it costs to run the navy.

We are supposed to be ready to fight for democracy. How much democracy have we left in America and how much will we have after we finance this

men trained to fight are not fit leaders in political life, just as blacksmiths are not musicians

It has been the effort of every civilized nation for the last 5000 years to avoid being ruled by professional soldiers. Today we see our whole economy, our domestic and foreign affairs passing under the control of men trained to organize for murder and force. Our universities are subsidized by the army and navy. Our university presidents are yelling for war or resigning. Our religious organizations are either lukewarm in their stand for peace or actually calling for a crusade against real freedom of religious belief and religious education. This means that we lack increasingly, intellectual and moral leadership; while our democracy is slipping into oligarchy and our civil liberties disappearing

335-1180

It makes no difference what nation is concerned, nor what its objects or ambitions are, there is no solution of its problems today which call for world war. Neither the United States nor Soviet Russia; neither France nor China, Britain nor the Malay states can relize their ideals if the world resorts to the war which is today preparing. This leaves but one solution to our present tensions and disputes and that is consultation, understanding and compromise. It is just here that the United States is the chief sinner and war-monger of the nations: Communism is the way of life of half the world; yet we refuse to discuss Communism; we refuse to let our citizens listen to argument; we forestall all approach to understanding by asserting that Russians and Communists are all liars and scoundrels. The New Republic, organ of intelligent Liberals declares: Every loyal American despises Communists. A late novel calls a Communist "a louse" The Secretary of State in a national, public pronouncement says that the United States is Good and the Soviet Union is Evil; that they can and must live together but only as we recognize this fundamental fact. Such wild words are in themselves declarations of war. We follow this up by either point-blank refusing to discuss differences, or if we agree we announce beforehand that conference is useless because Russia is not to be trusted and that our terms must be accepted entirely as we present them; in which case no conference is necessary

between us and Russia

This is ~~sheer insanity~~ idiotic. There are no differences among men which cannot be discussed. The ~~only~~ alternative to discussion is war and war is increasingly impossible as a method of human progress.

Let us look squarely at the differences between the United States and the Soviet Union: there is first the question of honesty; no nation of 200 million people is wholly dishonest and enslaved. This is impossible. No nation of 150 people is wholly selfish, money-mad and tyranical. Granting then that there are millions of honest Russians and Americans, why cannot they understand each other? The main obstacle put forward today is that Russia is dominated by a clique and the United States by Big Business. Neither case is true (over) these nations differ radically on the way in which industry should be conducted. But can that difference be settled by the Atom Bomb? Certainly not.

For centuries men have killed and tortured each other in order to force certain religious beliefs. This and bloody horrible effort failed and failed again. Today most men acknowledge that a belief cannot be pounded into men's heads nor killed by force. What is true in religion is just as true in economics and industry; but with this difference: while religious dogma is not a matter of proof, economic doctrine is; and if hunger, ignorance and disease can be conquered by this or that doctrine, Time that great referee will prove ~~or disprove~~ the validity of the theory. Communism then cannot be proven or disproven by war; and the American Way of Life must depend on ~~our standard of living~~ its success and not on the number of ships and airplanes we have. ~~But~~ It is asserted that in Russia, force and slavery deception and murder, keeps the present regime in power and that until this clique is driven from power, there can be no test of economic systems. The answer is that this grave charge is unproven; ~~that~~ the indictment comes from doubtful and interested sources and is contradicted by testimony of great credibility, ~~that~~ despite prophecies of disaster since 1917; despite civil war, with horrible and repellable occurrences; despite foreign invasion and universal disbelief, the Soviet Union still stands and certainly in education, industrial development and scientific research has

made undisputed strides. Under these circumstances, no force from without can decide the destiny of Russia. Only Russians can rescue Russia.

Moreover, how far can we the citizens of the United States be so sure of our knowledge and experience as to undertake to rule and guide the world? We had legal human slavery until 1865 and still have distinct vestiges of it. Color caste in the United States is yet strong and effective enough despite all improvement and change to be the reason for the failure of the democratic process in this land, and the cause why this land is sparking a world war of races between the white world and Asia and Africa, with the reckless and stupid desire to risk civilization, before we yield the right to exploit the darker world for the profit of American millionaires. This truth may be a bitter pill for Americans to swallow, but it is clear and undeniable. It is color prejudice endemic in this nation for three centuries which has lighted the path of our troops to Asia under leadership of the Wild Man of Tokyo.

We embarked on war in Korea and now in China all the more gaily, because these are colored nations; and we are born unconsicously to despise color. We dropped the first atom bomb on a colored nation--an unnecessary experiment which we would not at the time have perpertrated on any white people. The reception of the late Chinese delegation at Lake Success reminded me vividly of the little delegation which fifty years ago, colored Atlanta sent to the first Public Library opened there, with a bust of Carnegie flanked by Shakespeare. As citizens and taxpayers we asked the same rights in that library as whites. I even ventured to point out that some of my own books were in the library and I might like to borrow them. The disdain with which we were greeted was magnificent and almost equalled Austin's desire to "summon" China to Lake Success and not to invite her. We in Atlanta were duly punished and Negroes got no library rights for ten years. The cost of repulsing us was little; but insulting China at Lake

Success is already costing thousands of maimed and slaughtered American boys, with the end not yet, if ever. The Cost of the Color Line today is high and may rise tomorrow. You can step on the faces of Negroes in America for 350 years without fatal esults. But it may not be the greatest wisdom to try this game on 800,000,000 Asiatics and 150 million black Africans.

35-6-192

There can be no question as to the effect which our continued refusal to face the Negro problem has had on our ability to reason and our willingness to appeal to logic in our total cultural pattern. We stood 175 years ago declaring that all men were born equal and at the same moment seeing in every fifth American a slave; we fought against "taxation without representation" two centuries ago and ever since we have taxed Negroes and many others without giving them full voice in government. We fought four years to maintain the right of states to enslave human beings and then emancipated them from personal ownership with great cost and deliberate subjection to poverty, disease and ignorance. We declared that the freedman must be educated, and today three generations later, thirty per cent of young Negro army recruits cannot read or write. In our desperate effort to stop the higher education of Negroes, we have not only made it impossible for the average Negro child in Mississsippi today to learn to read intelligently, but in the process we have retarded elementary education among Southern whites and given the South the poorest public school system of any modern civilized people. We have erected thousands of showy colleges and universities only to find that an astonishing number of our graduates of all colors and races cannot intelligently read, write nor count.

We declare the United States a democracy, based on free enterprise and individual initiative, when we know perfectly well that this nation is not a democracy, never has been a democracy and that a large body of leaders today do not intend that it ever will be a democracy. Our industrial enterprise is dominated by vast monopoly and our freedom of thought is increasingly chained by law, which dominates and regiments our workers.

police spies and ~~increasing~~ refusal to let anybody earn a decent living who does not think as ~~he is told to~~ the majority think.

The recent election proves this. Almost the same number of persons voted for the Republican and Democratic candidates for congressmen each in November; 19 million 7 hundred ~~k~~ thousand on each side. Yet the Democrats elected 235 members of the House of Representatives and the Republicans 199. ~~They~~ Democrats were able to do this principally because most Southern Negroes cannot vote; yet their political power is exercised by Southern whites. South Carolina and Connecticut had the same number of Representatives in Congress in 1944 but South Carolina needed but 100,000 votes to elect hers while it took 800,000 to elect those from Connecticut. That is when a citizen of Connecticut goes to the polls, he casts one ballot. A free, white citizen of South Carolina, on the other hand, casts eight.

35-6-193

Most Americans and all students ignore the fact that in the leading democracy of the world, members of the Congress are not elected by majority vote. If one expresses surprise at this, it is answered, What difference does this make? It made considerable difference on January 3, the House of Representatives there decided 244 to 179 votes not to allow the order and subject of its business to be settled even by majority vote but to rest it in the hands of a committee whose second majority member was ~~headed by~~ Eugene Cox of Georgia.

Mr. Cox received a unanimous vote of 19,000 in the last election which was enough to ~~elect~~ give him ~~to~~ his powerful office. It took 50,000 votes in a total of 90,000 to defeat Vito Marcantonio in New York. Moreover, Mr. Cox has occupied his seat unchallenged for 25 years and out of a total voting population of 150,000, two-thirds never vote. Most of these are Negroes. As a reward for this disfranchisement of his fellow-citizens, Cox is made a member of the powerful rules committee by senority, and he will make or stop national legislation for many years to come in this democratic government. And he will vote for war, free lynching, the poll tax and no FEPC.

This is not all. When the New United States Senate was ~~just~~ last organized, the powerful majority leader chosen by the Democrats was Mr. McFarland of Arizona. He will select, with advice, ~~of course~~ the majority membership of the powerful Senate Committees. Mr. McFarland is a Southern Dixiecrat whose every vote has been reactionary and cast against Civil Rights, ~~for~~ against federal restriction on ~~free~~ lynching, for the poll tax, and against fair employment. He has helped filibuster against every ~~such~~ proposal which means he has denied even majority rule in the Senate. His vote is invariably for war. This acton as a Senator he has a legal right to take. But who made him Senator? He received in 1948, a total of 80,000 votes in Arizona; I received last year in New York 207,000 votes for Senator and stood at the bottom of the list. Senator Lehman received 2,600,000 votes to enable him to sit beside Senator McFarland with only a fraction of Mr. McFarlands' power over legislation. It may be said that this is the result of our Federal system. In that case our Federal system is not democratic because it makes 60,000 voters in McCarrans' gambling center called Nevada, more powerful than 5 million voters in NewYork.

I might take more time to show that the United States is not a democracy. We have in this land, minority rule, directed carefully by the 1000 persons who control our wealth, and implemented by disfranchisement, discrimination and deliberate use of public and private education to distort our domestic ideals, mislead our foreign policy and rush us into war.

If we should conquer the world or any large part if it, our experience in governing colonies like Puerto Rico and the Phillipines is not reassuring; our attempts to govern foreign lands like Haiti, Japan, and Germany have had no conspicuous success. If we conquered Russia, Poland and the Balkans; if we dominated China, Tibet and Korea, what could we give them or with what experience and knowledge could we train them? How would our color prejudice help our understanding of Asia and Africa? Any attempts at rule along these lines would be the most disastrous thing that could happen to our economy and moral ~~organization~~ principles

Our American Way of Life--our individual freedom and initiative, our free enterprise have ~~much been~~ unalloyed success: they have generated Monopoly and Crime, organized lying and a ~~distribution~~ distribution of wealth ~~of~~ fantastic inequalities. Most of our families earn less than is necessary for decent life; our ignorance and illiteracy is far greater than we boast. What we need today is not to spend a hundred billions on murder and conquest, but to build schoolhouses, homes and hospitals; to curb and harness our water power, to initiate vast social projects for health and recreation; to tax severely great accumulations of wealth and curb concentrated industrial power; to attack disease systematically. With a tenth of what we are wasteing on war we could root out canc er, infantile paralysis, heart disease and the common fatal cold. We have not , and for decades have not had, that freedom of opportunity of which so long we rightly boasted. Today wealth and power, race and ~~family~~ religion curtail and determine our childrens destiny and we are seeking to base new wealth and power not on our native ability and hard work but on the cheap serf labor of foreign lands and other continents.

Why is it that today we are interested in Mexico, the West Indies and South America? Why are we eager to control Asia and Africa and the Islands of the Pacific? Is it simply philanthropy and sympathy for humans beings? Or is it not, because we are set to succeed Great Britain as the Empire on which the sun never sets, ~~and children~~ make our rich richer because of the starving wage and lack of all democratic control over government or industry, which the darker world still offers to resourceful unscrupulous Americans armed by monopoly of technique and raw materials? That is why American capital has just bought out the copper and uranium corporations of the Belgium Congo; that is the reason that the Union of South Africa, the most reactionary center of race hate and oligarchy on earth, has just received 80 millions of American capital. The vastest industrial monopolies on earth, from Chile and Bolivia to Malaya and Indonesia and India, can have American capital and "knowhow" on

one condition only---guaranteed profit with no questions asked as to standards of living, wages or democratic ~~control.~~ participation in government

It is this American industrial expansion which is back of our war psychology and gigantic effort to commit moral suicide and economic anarchy; not to mention universal slavery of half-grown boys in the army, to be killed and crippled and driven insane for the sake of the highest profits industry ever knew.

35-6-961

Today Communism and Socialism set up regimes of discipline and regimentation to which Americans are not used ~~to~~. Nevertheless all Americans must acknowledge that if those nations have too much social control for the common good, we certainly have too little; and that is the time for comparison, investigation and understanding, to determine where for different peoples the meaning of freedom lies. Of all solutions of this problem, War is the worst; and the lying testimony of paid spies and informers is a poor substitute for Truth.

All this brings us back to our main theme: war is today no longer a feasable method of social progress. Everybody knows this from the experience of the last 36 years. We fought four years in a war to end all wars. I remember vividly in 1919, walking in the mud and ~~ruin~~ slime of the Argonne forest; seeing the ruins of Verdun; watching the wild children in the sewers of Moscow and witnessing the delousing of American troops in France; and saying: the War to end War is over. No more Wars. In 20 years the world was fighting fiercer than ever before. We fought a Second World War to abolish Fascism at staggering cost and pain. Six years after, we are ready to fight Communism and even Socialism everywhere and root ~~it~~ them out ~~together with Socialism~~.

The point is that none of these objects could have been gained by force. If men believe in war, they will fight; men believe in democracy, force will not change their minds; and neither communism nor democracy can be beathen in battle. Peace is the way and the only way to Civilization.

Today our rightful intelligentsia is dumb and our political leadership sunken to a new low. We seem unable to think, reason clearly or act with decision. To me all this seems to trace itself directly back to the extra-ordinary color-complex into which this nation was born and still lives.

35-6-197

Our historic color complex has become so integral a part of our culture that it has retarded civilization in America. Of all human distinctions it is the least logical and yet and for that reason has led to still wider lack of logic. How else can we reconcile ourselves to a student body in this nation the most docile hand-fed and unquestioning of any similar group in the world; with no opinions at least not pre-digested by the gospel according to LIFE, TIME AND FORTUNE.

PEACE & WAR

The most sinister evil of this day is the wide spread conviction that war is inevitable and that there is no time for discussion of this fact. It is doubtful if the mass of Americans who accept this judgment realize just what its implications are. War is physical force exercised by men and machines on other men so as to compel submission to the will of the victors. Unquestionably in primitive times there were repeatedly times when such recourse to force was the only path to social progress. But as civilization has progressed and included larger and larger masses of men and portions of the earth, two things have become increasingly clear: one, that the costs of war have become too great for any nation to pay no matter what the alternative; and two: that in war as now carried on, there can be no victorious party; in modern world war all contestants lose and lose not only the immediate causes of strife, but cripple the fundamental bases of human culture.

36-8-39

For these reasons, before the 20th century, repeated effort of various sorts were made to avoid or limit war: by appeal to reason and philanthropy; by religious sanctions and controls; by rules of chivalry and good breeding. Among the nations of Europe in the I6th and I7th centuries , the relative size and powers of the leading states were so balanced and off-set against each other as to deter any form of war and compel diplomacy and treaty. The I9th century went further and segregated war in such a way that the years ~~19xI5~~ I8I5 to I9I5 are known as the Hundred Years of Peace, despite the fact that they were replete with bloody struggles. What happened was that the leading civilized states of Europe by diplomacy and understanding, maintained peace with each other, while outside Europe these same nations were reducing most of the peoples of the word to serfdome under the control of European Empires. Thus colonial imperialism was built upon a substructure of peace in Europe and war in the rest of the word.

This European peace, with the ~~wealth~~ materials and labor of most of the world at its disposal, built a brilliant culture in letters, architecture, painting, sculpture and music; with a high standard of living and gracious manners among the upper classes with high income. This culture envisaged a future based on the rule of wealth and power over working classes and the inferior peoples of Asia, Africa, South and Central America and the islands of the sea. At the zenith of this world rule, Europe regarded itself as the World and European culture as Human Culture. When within this culture, the workers revolted in the late I8th century and achieved some education & market democratic control of government and higher wage, this was regarded as the progress of the world and not merely of the white race. And men forgot that this European progress was built largely on the degradation, serfdom and slavery of the colored peoples who were ~~sunk in~~ reduced & poverty, ignorance and dsiaase. But this degradation of most men

supported the wealth and high wage of Europeans and North Americans. In the 20th century the determination of Germany to secure a larger share of the colonial empire than Great Britain and France were willing to allow, brought the first World War.

This was not simply another war. It was revolution which was the beginning of the freeing of the darker peoples and also the beginning of a sort of war which could not spread if European Civilization was to survive.

It is of primary importance that men living today realize this fundamental fact: Human warfare carried on as it is in our experience; and on the scale and over the area which it now covers cannot be persisted in without ruining the system of human culture in which which we have been born and live. This will not mean the end of human culture entirely; but it will mean a vaster world catastrophe than the Fall of Rome and ensuing Dark Ages far worse because more extensive.

There is no use disguising this danger. There can be no pretense that the threat of Communism or of Socialism is so great and imminent that we cannot afford to investigate or discuss the object or meaning of war but are literally compelled to hurl ourselves blind and headlong into wholesale murder, maiming and mass insanity, without pausing to ask what we can accomplish by war even if we win.

Remember the forecast of cultural retrogression is already upon us. Two world wars have already taken terrible toll on our civilization. Only the blind and foolish can deny this. We have lost in persons killed 30 million human beings and 55 million others wounded. The property loss has been one million, three hundred thousand million, a figure so vast that it is difficult to express it. If a Third World War costs as much more as a second did, we can look forward to 40 milion dead and a property cost so vast as to defy figures

Moreover the dead and wounded, and the propery loss are the least of the costs of war. We have wiped out the cream of two generations of the worlds youth, with all their dreams and talent. When in the next half century men deplore the short comings of youth and their bad manners, and the lack of new music and art, let all remember how many Leonardos and Beethovens; Voltaires and Cervantes we have murdered since 1914.

Not only death in body and soul are among the costs of war, but also the increase of the insane and criminal; the increased use of alchohol and drugs; the degradation of sex and the vulgarization of language and manners; these are among the awful costs of war and increasing costs of world wars. It is a bill that civilization simply cannot afford, no matter whether this or that nation wins or loses.

Moreover we fail to realize how the costs of such wars are met and who and what bears the burden. If the ~~burden of the~~ vast costs of war fell equitably, ~~the costs~~ would be too great for rising standards of life. But when John Doe cannot ordinarily earn enough to raise his family decently and then has a third of that taken for war, the result is lying, stealing and disease. I know a young teacher, who has worked 18 years faithfully for low wage. This year out of a $4000 dollar salary, she is asked to pay $800 tax or 20% in addition to property tax on her home and the education of her child. Is there a single one of our ~~millionaires in the United States who is paying~~ of his income in taxes? And if he paid $200,000 out of a million income would his tax burden compare with that of this teacher? Our tax system is deliberately rigged to exempt the rich, the business man and the gambler and to crucify the salaried man, the wage-earner and the casual worker. The sales tax which ~~impoverishes~~ deals from the poor consumer is spreading over the nation because the poor cannot protest.

The United States today has one of the poorest elementary school ~~educational~~ systems in the ~~civilized~~ world; with too few and poorly paid teachers; poor schoolhouses save in the rich sections of cities; crowded classrooms and poor equipment. ~~Our system will be much worse if instead of education we waste money in war.~~ With a tenth of what we are spending on Atom bombs, we could conquer cancer, infantile paraysis and heart disease; ~~we could house the millions of homeless and hospitalise the sick.~~ ~~Instead of such a program we boast of our high standard of living and our superior intelligence.~~

We are supposed to be ready to fight for democracy. How much democracy have we left in America and how much will we have after we finance this last world war? It has been the effort of every civilized nation for the last 5000 years to avoid being ruled by professional soldiers. Today we see our whole economy, our domestic and foreign affairs passing under the control of men trained to organize for murder and force. Our universities are subsidized by ~~our departments of~~ the army and navy. ~~And~~ Our university presidents are yelling for war or resigning. This means that we lack increasingly, intellectual and moral leadership; while our democracy is slipping into oligarchy.

It makes no difference what nation is concerned, nor what its objects or ambitions are, there is no solution of its problems today which call for world war ~~can furnish~~. Neither the United States nor Soviet Russia; neither France nor China, Britain nor the Malay states can realize their ideals if the world resorts to the war which is today is preparing. This leaves but one solution to our present tensions and disputes and that is consultation, understanding and compromise. It is just here that the United States is the chief sinner and warmonger of the nations: we refuse to discuss Communism; we refuse to let our citizens listen to argument; we forestall all approach to understanding by asserting tnat Russians and Communists are all liars and scoundrels. The New Republic, organ of intelligent Liberals declares: Every loyal American despises Communists. The Secretary of State in a national, public pronouncement says that the United States is good and the Soviet Union is Evil; that they can and must live together but only as we recognize this fundamental fact Such wild words are in themselves declarations of war. We follow this up by either refusing to discuss differences or if we agree we announce beforehand that conference is useless, that Russia isnot to be trusted and that our terms must be accepted entirely or no agreement is possible.

36-8-42

This is sheer insanity. There are no differences among men which cannot be discussed. The only alternative to discussion is war and war is increasingly impossible as a method of human progress.

Let us look squarely at the differences between the United States and the Soviet Union: there is first the question of honesty; no nation of 200 million people is wholly dishonest and enslaved. This is impossible. No nation of 150 people is wholly selfish, money-mad and tyranical. Granting then that there are millions of honest Russians and ~~A~~d Americans, why cannot they understand each other? If we should conquer the World or any large part of it, (10

Our experience in governing ~~PuerkexRicex~~ colonies like Puerto Rico and the Phillipines is not reassuring; our attempts to govern foreign lands like Haiti, Japan, and Germany have had no conspicuous success. If we conquered Russia, Poland and the Balkans; if we dominated China, Tibet and Korea what could we give them or with what experience and knowledge could we train them? How would our color prejudice help our understanding of Asia and Africa? Any attempts at rule along these lines would be the most disastrous thing that could happen to our economy and moral organization (insert A) — ?

Our American Way of Life -- our individual freedom and initiative, our free enterprise have not been unalloyed success: they have generated Monopoly & and Crime, organized lying and ~~stealing and~~ a distribution of wealth of fanta tastic inequalities. Most of our families earn less than is necessary for decent life; our ignorance and illiteracy is far greater than we boast. What w we need today is not to spend a hundred billions on murder and conquest, but to build schoolhouses, homes and hospitals; to curb and harness our water power, to initiate vast social projects for health and recreation; to tax severely great accumulations of wealth and industrial power; to attack disease syatematically. With a tenth of what we are wasteing on war we could root ou Cancer, Infantile Paralysis, Heart Disease and the common fatal cold We have not & and for decades have not had that freedom of [illegible])

opportunity of which so long we rightly boasted. Today wealth and power, race and family curtail and determine our childrens destiny and we are seeking to base new wealth and power not on our native ability and hard work but on the cheap serf labor of foreign lands and other continents.

Why is it that today we are interested in Mexico, the West Indies and South America? Why are we eager to control Asia and Africa and the Islands of the Pacific? Is it simply philanthropy and sympathy for humans beings? Or is it not because we are set to succeed the ~~British Empire~~ Great Britain as the Empire on which the sun never sets and which will make our rich richer because of the starving wage and lack of all democratic control over government or industry, which the darker world still offers to resourceful unscrupulous Americans armed by monopoly of technique and raw materials. That is why ~~xexhaxexjux~~ American capital has just bought out the copper and uranium of the Belgium Congo; that is the reason that the Union of South Africa, the most reactionary center of race hate and oligarchy on earth has just received 80 milions of American capital ~~from our Export and Import Bank~~. The vastest industrial monopolies on earth, from Chili and Bolivia to Malaysia and Indonesia and India can have American capital and know-how on one condition only -- guar nteed profit with no questions asked as to standards of living , wages or democratic control.

It is this American industrial expansion which is back of our war psychology and gigantic effort to commit moral suicide and economic anarchy; not to mention universal slavery (in the army) of half-grown boys to be killed and crippled and driven insane for the sake of the highest profits industry ever knew.

~~which was once characteristic of a new rich~~ undeveloped frontier. Today Communism and Socialism set up regimes of discipline and regimentation which Americans are not used to. Nevertheless all Americans must acknowledge that ~~if~~ where some nations have too much social control for the common good, we certainly have too little; and this is the time for ~~study~~ comparison, investigation and understanding to determine where for different peoples the mean of freedom lies. Of all solutions of this problem, War is the worst; and the lying testimony of paid spies and informers ~~the worst~~ as a poor substitute for ~~foundation of~~ Truth.

All this brings us back to our main theme: war is today no longer a feasable method of social progress. Everybody knows this from the experience of the last 36 years. We fought four years in a war to end all wars.. I remember vividly in 1919, walking in the mud and ruin of the Argoone forest; seeing the ruins of Verdun; watching the wild children of Moscow and witnessing the delousing of American troops in France; and saying: the War to end War is over. No more Wars. In 20 years the world was fighting fiercer than before. We fought a second World War to abolish Fascism at staggering cost and pain. Six years after we ar are ready to fight Communism everywhere and root it out together with Socialism.

The point is that none of these objects could have been gained by force. If men ~~w~~ believe in war they will fight; ~~if tyrrany over peoples or classes is believed in b~~ men believe in democracy ~~by powerful interests.~~ force will not change their minds; and neither communism nor ~~Democracy socialism~~ can be beaten in battle. Peace is the way of the only way to Civilization

Today our rightful intelligentsia is ~~dumb~~ dumb and our political leadership sunken to a new low. We seem unable to think, reason clearly or act with decision. To me all this seems to trace itself directly back to the extraordinary color-complex into which this nation was born and still lives. Our historic color complex has become so integral a part of our culture that it has retarded civilization in America. Of all human distinctions it is the least logical and yet and for that reason has led to still wider lack of logic. How else can re reconcile ourselves to a student body in this nation, the most docile hand-fed and unquestioning of an similar group in the world; with no opinions [at least on this campus,] not pre-digested by the gospel according to LIFE, TIME AND FORTUNE.

In February, 1868, there was born in Gt. Barrington, Mass. a little boy called Willie, the son of Alfred Du Bois and Mary Burghardt. His mothers family had lived in this valley 200 years; his father was West Indian and grandson of a Dutchman. He grew up in this town, attending the elementary schools, entering the High School at 12 and graduating at 16, with an oration on Wendell Phillips. He went south to Fisk University for his college course, graduating in the Class of 1888. Securing a scholarship he went to Harvard enrollig as a junior and graduating with another A.B., in 1890. Among his teachers were William James, George Santayana and Josiah Royce. Under Albert Bushnell Hart he entered the Graduate School, specializing in history, and studied two years on a fellowship, and writing his thesis on the Suppression of the African Slave Trade to the United States. Approaching the late President Hayes, then at the head of the Slater Fund, Du Bois secured a fellowship and went to Germany where he studied three semesters under Schmoller and Wagner. He returned to the United States in 1894 at the age of 26, having finished his education and ready for work.

He was offered work at Wilberforce and Tuskegee but chose Wilberforce where he taught Latin and Greek for two years, and married Nina Gomer of Iowa. He then accepted an appointment as Assistant Instructor of Sociology at the University. He was assigned no teaching but was asked to make a study of the Negroes in Philadelphia. He accomplished this in a year and a half and meantime was offered a professorship at Atlanta University in History and Economics. OVER ASPECTS OF THIS DAY, AND SIMPLY SEEK TO FOLLOW ONE THEME WHICH NOW SEEMS TO HAVE BECOME CENTRAL IN MY LIFE UNDER VARIOUS NAMES AND ASPECTS. AND THAT IS PEACE. Or in other words, I am treating as the world that robbed, threatens & disrupts the all around and ignores the world itself

THE SEARCH FOR PEACE HAS CHANGED IN APPROACH AND EMPHASIS BEFORE MY DAY AND DURING IT. BUT ALWAYS IN ESSENCE THE HUMAN CRY FOR PEACE HAS EVER BEEN TO ELIMINATE FORCE FROM HUMAN ACTION AND SUBSTITUTE MORE AND MORE THAT FREE EXERCISE AND UNBINDING OF THE HUMAN SPIRIT, WHICH WOULD ENABLE MANKIND TO REACH ITS HIGHEST AND BEST MANIFESTATION. WE LONG THOUGHT OF WAR AS THE BREAKING OF PEACE AND THE HALTING OF FREEDOM FOR CERTAIN CLEAR CAUSES AND WE SET OURSELVES FIRST TO RECOGNIZE AND CORRECT OR ELIMINATE THOSE CAUSES OF WAR AS THE FIRST AND ONLY WAY TO STOP WAR.

THIS IN OTHER TIMES MEANT, SEVEN SORTS OF AGGRESSION: THE SUDDEN MARAUDER COMING "DOWN LIKE A WOLF ON THE FOLD,"--DRIVEN BY HUNGER AND BECKONED BY

35-5-284

Over 25 centuries only one year in every 12 has been a year of Peace

~~Tonight tomorrow~~

Tonight my task is simplified. I do not have to choose a theme -- the theme of peace on earth, ~~good will toward men~~ chooses me. It has been but one of many threads of my life's efforts and yet in a sense new even to my thought it becomes today central

WITH THE EXPLOITATION OF WHITE LABOR AS MOST REFORMERS OF MY DAY DID. It was the (peculiar delusion that made me) basal of my BEGAN WITH BLACK SLAVERY AND THE SUBJECTION OF THE DARKER PEOPLE AS THE CAUSE OF THE SUBJECTION OF WHITE LABOR AND CONSEQUENTLY THE CHIEF CAUSE OF WAR.

25-5-286

ONCE I GRASPED THIS IDEA, I DID NOT WAIT UNTIL 1949, TO [redacted] FIGHT FOR PEACE, BUT I BEGAN AT THE VERY THRESHOLD OF THE 20TH CENTURY WHEN IN LONDON IN 1900, ON THE WAY FROM THE PARIS EXHIBITION, I SAT DOWN WITH A DOZEN PERSONS, UNDER THE LEADERSHIP OF A WEST INDIAN (Garvey) AND TRIED TO PLAN A COURSE OF ACTION WHICH SOMETIME WOULD TURN THE HUNDRED YEARS OF EUROPEAN PEACE INTO A WORLD PEACE FOR ALL NATIONS AND RACES. IN 1911, LED BY THE ETHICAL SOCIETIES OF THE WORLD, FELIX ADLER AND MYSELF BECAME AMERICAN SECRETARIES OF THE INTERNATIONAL RACES CONGRESS WHICH MET IN LONDON, WITH GUISEPPI SERGI, FRANZ BOAS, JOHN HUBSON, (the intellectual leaders of the day)

 45-5-15

HIDEOUS PRICE THE WORLD WAS PAYING FOR VICTORY, AND ITS ONLY JUSTIFICATION, IF THERE WAS ANY JUSTIFICATION, WAS THAT WE HAD ENDED ALL WAR--NO MORE WAR!

ON THIS FOUNDATION I PROPOSED TO BUILD. SINCE WAR FOR CENTURIES HAD BEEN COUPLED WITH RACISM THE CHILD OF EXPLOITATION, NOW THAT WAR HAD CEASED, A NEW RACIAL UNDERSTANDING AND PROGRESS MUST ENSUE. I WAS BUT A LONE PYGMY GRASPING AT THUNDERBOLTS ~~AND THE~~ AMERICANS JEERED AT MY PLAN FOR A PAN-AFRICAN CONGRESS AND FOR GIVING THE NEGRO VOICE IN THE CONTROL OF THE MANDATED GERMAN COLONIES. BUT I WALKED PAST THE SOFT ADVICE OF COLONEL HOUSE, WHO TALKED FOR PRESIDENT WILSON, AND WITH THE HELP OF BLAISE DIAGNE, THE AFRICAN WHO SAVED FRANCE WITH 150,000 BLACK SENGALESE, I WENT STRAIGHT TO GEORGES CLEMENCEAU, PRIME MINISTER OF FRANCE. AS SECRETARY OF STATE POLK WAS REFUSING PASSPORTS TO NEGROES, BECAUSE THERE WOULD BE NO PAN-AFRICAN CONGRESS: AND WHILE BRITAIN WOULD NOT LET EVEN REPRESENTATIVES OF THE OLD ANTI-SLAVERY SOCIETIES ATTEND, CLEMENCEAU SAID "GO AHEAD"! AND WE WENT.

"WE ACCUSE THE POLITICAL LEADERS OF THIS CAMPAIGN OF PERMITTING WITHOUT PROTEST, PUBLIC AND REPEATED ASSERTIONS ON THE PLATFORM, IN THE PRESS, AND BY WORD OF MOUTH, THAT COLOR AND RACE CONSTITUTE IN THEMSELVES AN IMPUTATION OF GUILT AND CRIME."

THERE FOLLOWED THE GREAT DEPRESSION AND THE NEW DEAL. I SAW A NATION ON ITS KNEES STRUGGLING TO EXPAND INTO A BROADER SOCIALISM AND A NEW INTERNATIONALISM. I BEGAN anew A NEW SEARCH FOR GUIDANCE AND TRUTH. IN BODY AND SPIRIT in 1936 I WENT AROUND THE WORLD: I STAYED FIVE MONTHS IN ENGLAND, FRANCE AND GERMANY: I TRAVERSED THE SOVIET UNION FROM MOSCOW TO MANCHURIA: FOR THE FIRST TIME I SAW ASIA THROUGH CHINA AND JAPAN. I CAME BACK BY the GOLDEN RAIN OF HAWAII WITH A NEW VISION OF PEACE AND INTERRACIAL COMITY. AND I CAME BACK TO NEW WORLD WAR.

It was again contradiction and paradox
It was scientific frustration and denial
of knowledge. The vocabulary — the
terms of human action which I used
beginning to formulate was all foolishness

But
THEN AT LAST IN MIND AND SPIRIT I GREW UP. I SAW WAR FOR WHAT IT WAS:
A CAUSE, AND NOT MERELY A LINK IN A CHAIN: A VICIOUS HABIT OF SEMI-CIVILIZED
MAN, USED TO CLOAK OBJECTS AND DESIGNS WHICH THEY DARE NOT OPENLY DECLARE.

I KNEW OF COURSE AS A SCIENTIST THAT EVEN A GREAT CAUSE MUST ITSELF BE
CAUSED: BUT I ALSO SAW THAT IN THE CHAIN OF EVENTS SOME LINKS LOOM LARGE AND
PURPOSEFUL FOR obscure REASONS OF INNER WILL OR OUTER FORCE, FOR WHICH WE PERHAPS,
MAY EVER SEARCH AND NEVER find. CERTAINLY IN OUR DAY, WAR ITSELF IS THE
EMBODIMENT OF an EVIL WHICH MUST BE FOUGHT HEAD-ON, TO CLEAR THE WAY AND GIVE
THE TIME AND SAVE THE LIFE TO RESCUE THE FUTURE PROGRESS OF MANKIND.

FOR THIS REASON, SINCE THE BEGINNING OF THE SECOND WORLD WAR, I HAVE
GIVEN ALL THE THOUGHT AND ENERGY I COULD TO PEACE, WHENEVER AND WHEREEVER
I FOUND AN OPPORTUNITY. I WAS SPONSOR AND SPEAKER AT THE CULTURAL AND
SCIENTIFIC CONFERENCE FOR WORLD PEACE, HELD IN NEW YORK IN MARCH 1949. I
ATTENDED GLADLY THE PARIS WORLD CONGRESS FOR PEACE HELD IN APRIL, WHICH WAS

ON FEBRUARY 16, FOUR OF US WERE ARRAIGNED IN WASHINGTON. IT WAS MY FIRST VISIT TO A CRIMINAL COURT. BEFORE WE APPEARED AT THE DOCK, FIVE OTHER PERSONS WERE ARRAIGNED: A WHITE YOUTH ACCUSED OF MANSLAUGHTER AND ANOTHER FOR NOT SUPPORTING HIS CHILD: TWO WHITE MEN ACCUSED OF GAMBLING AND ONE THIN BLACK GIRL OF FORGERY. I WAS FINGER-PRINTED, MADE TO EMPTY ALL MY POCKETS: FRISKED FOR CONCEALED WEAPONS AND HAND-CUFFED. LATER BAIL WAS GRANTED.

THUS I STAND TONIGHT FACING THE POSSIBILITY OF CELEBRATING MY FUTURE BIRTHDAYS IN PRISON. THE PROSPECT IS NOT PLEASANT. YET I CONTINUE TO

BIRTHDAY DINNER

THE SUCCESSION OF BIRTHDAY DINNERS WHICH HAVE BEEN GIVEN ME IN THE LAST THIRTY YEARS, HAVE BECOME I ASSURE YOU, AS EMBARASSING TO ME AS TO YOU. THE FIRST WAS GIVEN WHEN I WAS FIFTY YEARS OLD IN 1918. I WAS JUST ABOUT TO GO ON A MISSION OF INTERRACIAL PEACE IN EUROPE, IN CONNECTION WITH THE CONGRESS OF VERSAILLES AT THE END OF THE FIRST WORLD WAR. SINCE THEN THIS WORLD HAS STAGGERED THROUGH THE MOST FANTASTIC PERIOD OF ITS HISTORY. CONTRADICTION AND PARADOX POURED OVER PARADOX AND CONTRADICTION. POSSIBLY IN PREVIOUS AGES MORE INTRICATE PATTERNS OF LIFE HAVE BEEN WOVEN BUT THEY WERE ON MUCH SMALLER SCALE AND WROUGHT OF SLIGHTER THREADS ON MORE DELICATE FABRIC. PERHAPS TOO THE VERY QUANTITY AND SWEEP OF OUR KNOWING TODAY OVERWHELMNS US AND ELUDES COMPREHENSION AS COMPARED WITH THE INFINITUDE OF THE MARKET PLACE OF ATHENS OR THE BO TREE OF GAUTAMA. IN THIS FANTASTIC GENERATION, I HAVE ON FIVE ANNIVERSARIES AFTER 1918 BEEN PUT IN POSITION WHERE I MUST EXPLAIN AND

35-5-105

--2--

INTERPRET IF NOT JUSTIFY MY CONTINUED EXISTENCE. TWO OR THREE TIMES I TRIED FAREWELL ADDRESSES, UNTIL THEY HAVE LOST MEANING. FOR I WAS NOT BIDDING THE WORLD FAREWELL, I WAS STILL ALIVE. THEN I SOUGHT INTERPRETATION OF MY DAYS AND DEEDS, UNTIL I WAS NO LONGER QUITE SURE EITHER OF MY VISION NOR LOGIC.

WHATEVER IT ALL WAS AND IS, I WAS ASKED TO GIVE MEANING TO WHAT WAS TO ME TOO OFTEN MEANINGLESS OR IF SIGNIFICANT NOW IN THIS WAY, TOMORROW WITH SIGNIFICANCE CHANGED WAS TAKING NEW HUES AND NUANCES: NEW CHORDS AND DISSONANCES.

35-5-106

THIS MADE INTERPRETATION FUNNY. I HELD DESPERATELY TO SIMPLE THEMES EVEN WHEN I SAW THEM CONTRADICTING THEMSELVES. THE WORLD WAS NOT THE NEGRO PROBLEM. THEN THE WORLD WAS AFRICA. THE WORLD WAS WEALTH, KNOWLEDGE WAS THE WORLD. YET NEVER WAS THE WORLD QUITE ALL OR ANY OF THESE THINGS. PERHAPS A SHORTER LIFE LIKE KEATS, WOULD HAVE REVEALED SOME ORDER AND MEANING, SOME PATTERN

OF REASON. // BUT 80 YEARS FROM GLADSTONE TO CHURCHILL, // FROM GRANT TO ROOSEVELT // HAS NO PATTERN / AND ~~DECREES~~ NO GUIDING STAR; / BUT TURNS WHIRLS / AND ROARS IN UTTER CHAOS / WHILE WE / BLIND RIDERS OF DREAMS, / HANG WILDLY ON / AND TRY EACH DECADE / TO FORMULATE / WHAT THE LAST DENIED. // HAD I DIED AT FIFTY / MY LIFE WOULD HAVE HAD A CERTAIN UNITY / AND MEANING / WHICH IT CAN NOW NEVER ATTAIN. / IT HAS BECOME NOW / PART OF A VASTER ARC / WHICH I SHALL NEVER MYSELF FINISH / AND WHICH TODAY / ELUDES RATIONALIZATION.

35-5-107

HOWEVER

TONIGHT, MY TASK IS SIMPLIFIED. // I DO NOT HAVE TO CHOOSE A THEME--THE THEME OF PEACE ON EARTH, CHOOSES ME. // IT HAS BEEN BUT ONE / OF MANY THREADS OF MY LIFE'S EFFORTS / AND YET IN A SENSE NEW / EVEN TO MY THOUGHT / IT BECOMES TODAY CENTRAL. /// THE SEARCH FOR PEACE HAS CHANGED IN APPROACH AND EMPHASIS BEFORE MY DAY AND DURING IT. // IN 25 CENTURIES / ONLY ONE YEAR IN EVERY 12 / HAS BEEN A YEAR OF PEACE. // BUT ALWAYS IN ESSENCE / THE HUMAN CRY FOR PEACE / HAS / EVER BEEN to ELIMINATE FORCE / FROM HUMAN ACTION / AND SUBSTITUTE MORE AND MORE / THAT FREE EXERCISE / AND UNBINDING OF THE HUMAN SPIRIT, / WHICH WOULD ENABLE MANKIND TO

REACH / ITS HIGHEST AND BEST MANIFESTATION.

WE LONG THOUGHT OF WAR / AS THE BREAKING OF PEACE / AND THE HALTING OF FREEDOM / FOR CERTAIN CLEAR CAUSES / AND WE SET OURSELVES / FIRST TO RECOGNIZE AND CORRECT OR ELIMINATE THOSE CAUSES / OF WAR / AS THE FIRST AND ONLY WAY TO STOP WAR. // THIS IN OTHER TIMES / MEANT OPPOSITION TO SEVEN SORTS OF AGGRESSION: / THE SUDDEN MARAUDER / COMING "DOWN LIKE A WOLF ON THE FOLD," / --DRIVEN BY HUNGER / AND BECKONED BY

FERTILE VALLEYS, LIKE THE MONGOLS IN CHINA. // THEN PROTECTION OF FOOD AND HARVEST, IN THE MIDST OF DESERT, AS WHEN THE NILE CALLED TO BLACK AFRICA. // PEACE SOON RETREATED TO HIGH WALLED CITIES, LIKE BABYLON, WHOSE STRENGTH STRETCHED OVER OUT TO THE SURROUNDING FIELDS. // THEN THE EXPLORERS WENT OUT TO THE INDIES AND AMERICAS, TO FIND WHAT WAS SCARCE, AND TAKE IT IF THEY COULD. ¶ AMID ALL THIS PRIMITIVE TURMOIL, GREW BELIEF--RELIGIOUS FAITH, AND CULTURAL PATTERN, THE FRIGHTFUL FIGHT, FOR WHICH, TOOK ON ANCIENT AND ETERNAL SANCTIONS, AND TRANSCENDED FEAR OF DEATH. // ABOVE AND AROUND THIS, GREW THE STATE, A VAST AND DEATHLESS IDEA, WHICH WAS NOT BORN, AND COULD NOT DIE, AND BECAME PART OF MENS' THOUGHTS, EMOTIONS AND MEMORIES, AND THEREFORE PART OF THEMSELVES. // FINALLY, OVERSHADOWING ALL THIS BROAD, AND TIMELESS BUILDING, LOOMED THE IDEA OF RACE: OF A HIGH AND HOLY CONCEPT, OF SUPER-HUMANITY, WHOSE PRESERVATION, WAS THE ONLY REAL END OF MAN, while most men were nothing.

¶ IT WAS IN THE MIDST, OF THIS CONCEPT OF RACE INTEGRITY, // AND THE BELIEF IN

35-5-109

ITS DEFENSE, TO THE LAST DROP OF BLOOD, AND THE LAST CRINGE OF MISERY, THAT I WAS BORN, AND GREW TO MANHOOD. // TO ME THEREFORE, THE CAUSE OF WAR, SEEMED RACE HATE AND THE FIRST [redacted] OF ALL ATTACK ON WAR, MUST BE ATTACK ON RACE PREJUDICE.

BEFORE MY TIME, WAR HAD SEEMED, TO HAVE OTHER MAJOR CAUSES: // FEAR OF STRANGERS, DESERT HORDES TOO VAST TO TAME; BARBARIANS WHO SPOKE STRANGE TONGUES, AND DID STRANGE THINGS; FOREIGNERS OF EVERY SORT, AND HATEFUL HERETICS. FINALLY AS THE WORLD GREW EUROPEAN, IN SCHEME AND CULTURE, THE DARKER RACES APPEARED, THE UNIVERSAL CAUSE OF STRIFE. // THE GREAT AND MIGHTY PLEAS FOR PEACE, FROM BUDDHA TO JESUS, FROM DANTE TO KANT, FROM GROTIUS TO GANDHI, WERE RAISED THEREFORE, TO STRIKE AT THESE CAUSES OF WAR, RATHER THAN AT WAR ITSELF; men felt that War THAT IT WAS NOT SO MUCH, A CAUSE IN ITSELF, AS [redacted] A RESULT OF EVIL FORCES: // THAT THEREFORE ATTACK, ON THESE FORCES, WAS ATTACK ON WAR.

IT WAS THE 19TH CENTURY/WHICH TAUGHT US A NEW CONCEPT/OF THE CAUSES OF WAR;// NAMELY, THAT WHATEVER WAR WAS AGAINST,/ IT WAS ALWAYS MAINLY FOUGHT FOR PERSONAL GAIN,/ FOR INCOME/AND CONTROL/OF THE LABOR OF MEN. THE 20TH CENTURY WENT FURTHER/TO TELL US THAT IN ITS PRESENT AWFUL STATURE,/WAR, WORLD WAR, BECOMES NOT A MERE RESULT/BUT A major CAUSE:/A LINK IN THE GREAT CHAIN OF EVENTS/ WHICH SO SWELLS AND LOOMS/ABOVE ALL OTHERS,/ THAT EITHER WE ATTACK WAR/AS WAR OR THE WORLD SINKS/TO A DAY WHEN NEITHER:

NOR ANY CHANGE OF LIGHT:
NOR SOUND OF WATERS SHAKEN
NOR ANY SOUND OR SIGHT:
NOR WINTRY LEAVES NOR VERNAL,
NOR DAYS NOR THINGS DIURNAL:
ONLY THE SLEEP ETERNAL
IN THE ETERNAL NIGHT.

IN THE ~~CENTURY~~ decade THEN/WHEN I ~~WAS BORN~~ began my life work/ IT WAS NATURAL FOR ME/TO SEIZE ON GAIN/AS THE MAIN CAUSE OF WAR/AND TO FIND ITS CHIEF EXAMPLE/IN NEGRO SLAVERY/AND IN THAT EXCUSE FOR SLAVERY,/ RACE HATE.// BUT INSTEAD OF BEGINNING

WITH THE EXPLOITATION OF WHITE LABOR/AS DID MOST REFORMERS OF MY DAY,/ IT WAS THE TWIST/OF MY PECULIAR SITUATION/ THAT MADE ME BEGIN/WITH BLACK SLAVERY/AND THE SUBJECTION OF THE DARKER PEOPLE/AS THE CAUSE OF THE ~~SUBJECTION~~ exploitation OF WHITE LABOR/ AND CONSEQUENTLY/THE CHIEF CAUSE OF WAR.

ONCE I GRASPED THIS IDEA,/ I DID NOT WAIT UNTIL 1949,/ TO FIGHT FOR PEACE,/ BUT I BEGAN/AT THE VERY THRESHOLD OF THE 20TH CENTURY/WHEN IN LONDON/IN 1900, ON THE WAY/FROM THE PARIS EXHIBITION,/ I SAT DOWN WITH A DOZEN PERSONS,/ UNDER THE LEADERSHIP/OF A WEST INDIAN BARRISTER/AND TRIED TO PLAN/A COURSE OF ACTION WHICH/SOMETIME/WOULD TURN/THE HUNDRED YEARS OF EUROPEAN PEACE/INTO A WORLD PEACE/FOR ALL NATIONS AND RACES.// IN 1911,/ LED BY THE ETHICAL SOCIETIES OF THE WORLD/ FELIX ADLER AND MYSELF/ BECAME AMERICAN SECRETARIES/OF THE INTERNATIONAL RACES CONGRESS WHICH MET IN LONDON,/ WITH THE INTELLECTUAL LEADERS/OF THE DAY, GUISEPPI SERGI, FRANZ BOAS, JOHN HOBSON,

35-5-113

SIR SIDNEY OLIVER, ISRAEL ZANGWILL, SIR HARRY JOHNSTON, AND WU TING FANG:
WITH FELIX VON LUSCHAN AND LEON BOURGEOIS. IT WAS, WE ALL FELT, THE FIRST
CONCERTED ATTACK OF CIVILIZATION UPON THAT DOCTRINE OF RACE WHICH WAS HELP-
ING TO SPLIT THE EARTH INTO HATING, COMPETING, BITTER FOMENTORS OF UNIVERSAL
WAR. I READ TO THAT MULTITUDE IN THE GREAT HALL OF THE UNIVERSITY OF LONDON:

these words:

"WE BE BLOOD-GUILTY! LO, OUR HANDS BE RED!
LET NO MAN BLAME THE OTHER IN THIS SIN!
BUT HERE--HERE IN THE WHITE SILENCE OF THE DAWN,
BEFORE THE WOMB OF TIME,
WITH BOWED HEARTS ALL FLAME AND SHAME,
WE FACE THE BIRTH-PANGS OF A WORLD:
WE HEAR THE STIFLED CRY OF NATIONS ALL BUT BORN--
THE WAIL OF WOMEN RAVISHED OF THEIR STUNTED BROOD!
WE SEE THE NAKEDNESS OF TOIL, THE POVERTY OF WEALTH,
WE KNOW THE ANARCHY OF EMPIRE, AND DOLEFUL DEATH OF LIFE!
AND HEARING, SEEING, KNOWING ALL, WE CRY:

"SAVE US, WORLD-SPIRIT, FROM OUR LESSER SELVES!
GRANT US THAT WAR AND HATRED CEASE,
REVEAL OUR SOULS IN EVERY RACE AND HUE!
HELP US, O HUMAN GOD, IN THIS THY TRUCE,
TO MAKE HUMANITY DIVINE! "

35-5-114

AND A DESTRUCTION (OF WEALTH) SUFFICIENT TO HEAL ALL CURABLE SICK
EDUCATE ALL THE IGNORANT AND FEED ALL THE WORLD'S HUN
GRY.

BUT IT WAS NO TRUCE. THIS WAS (instead) THE (very) THRESHHOLD OF THE FIRST WORLD WAR:
IT WAS WHEN THAT LITTLE GERMAN WARSHIP SLIPPED INTO NORTH AFRICA AND BEGAN
A CONFLAGRATION WHOSE FLAMES ARE STILL BURNING, FED BY 30 MILLION CORPSES
OF THE WORLDS' YOUTH. IT WAS THE BEGINNING OF A SERIES OF WARS, SO DESTRUC-
TIVE, SO MURDEROUS, SO BESTIAL THAT WAR IN THIS CENTURY TAKES ON NEW
MEANING. IT IS A GREAT AND EVIL MONSTER SET TO DESTROY CIVILIZATION: AT
FIRST SIGHT OUT OF SHEER MADNESS AND INBORN EVIL: BUT ON SECOND AND CLEARER
SIGHT, WITH THE DETERMINATION TO PLACE CONTROL OF THE WORLD WEALTH (and WORK)
IN THE HANDS OF THE ONE INTERNATIONAL CLIQUE OF UNSCRUPULOUS MEN.

THUS IT HAPPENED THAT IN 1918, WHEN FIRST YOU FELL INTO THIS BAD
HABIT OF TENDERING ME DELIGHTFUL DINNERS, I FELL INTO WHAT IS NOW STIGMA-
TISED AS THE EQUALLY BAD HABIT OF SEEING WAR AS A MAIN LINK OF THAT CHAIN
OF EVILS WHICH TODAY THREATENS ALL WHICH WE COUNT AS WORTH PRESERVING AND
LIVING FOR.

35-5-115

MY START IN 1918, SEEMED LOGICAL AND TIMELY. AFTER THAT DAY OF WRATH, PEACE HAD COME. THE WAR TO END ALL WAR WAS DONE. THE ENDLESS WARS OF ALL THE WORLDS HAD CULMINATED IN ONE VAST HOLOCAUST OF BLOOD AND SHAME. GERMANY, THAT PEERLESS LEADER OF SCIENCE AND PHILOSOPHY WAS IN THE DUST. FRANCE WAS DECIMATED. I SAT IN THE HALLS OF THE TROCADERO AND HEARD THE VOICE OF A MAGNIFICENT FIGURE FROM THE COMEDIE FRANCAIS CRY "C'EST LA VICTOIRE! C'EST LA VICTOIRE!" THERE WERE TEARS IN HER VOICE. IN VAIN FRANCE KISSED BLACK AFRICA AND YELLOW INDO-CHINA ON THE CHEEK AND WOUND THE CROIX DE GUERRE ON THEIR BREASTS: IN VAIN: FOR BELOW WRITHED IN UTTER GRIEF AND ABANDON THE MOTHERS OF SIX MILLION FRENCH. I TRAMPED THROUGH THE MUD AND FILTH OF THE ARGONNE: I SAW THE WILD CHILDREN CRAWLING THROUGH THE SEWERS OF MOSCOW. I SAW THE UNENDING LINE OF YOUNG WHORES THRONGING THE FRIEDRICHSTRASSE OF BERLIN; AND IN LONDON, ENGLISHMEN TRIED TO LOOK STOLID, WHEN THEIR EMPIRE WAS TOTTERING AND THE GUTS HAD BEEN BEATEN OUT OF THEIR HEARTS. IT WAS A

35-5-116

HIDEOUS PRICE THE WORLD WAS PAYING FOR VICTORY, AND ITS ONLY JUSTIFICATION, IF THERE WAS ANY JUSTIFICATION, WAS THAT WE HAD ENDED ALL WAR--NO MORE WAR!

ON THIS FOUNDATION I PROPOSED TO BUILD. SINCE WAR FOR CENTURIES HAD BEEN COUPLED WITH RACISM THE CHILD OF EXPLOITATION, NOW THAT WAR HAD CEASED, A NEW RACIAL UNDERSTANDING AND PROGRESS MUST ENSUE. I WAS BUT A LONE PYGMY GRASPING AT THUNDERBOLTS AND A WORLD CONFLAGRATION OF WHICH I HAD NO DREAM. AMERICANS JEERED AT MY PLAN FOR A PAN-AFRICAN CONGRESS AND FOR GIVING THE NEGRO VOICE IN THE CONTROL OF THE MANDATED GERMAN COLONIES. BUT I WALKED PAST THE SOFT ADVICE OF COLONEL HOUSE, WHO TALKED FOR PRESIDENT WILSON, AND WITH THE HELP OF BLAISE DIAGNE, THE AFRICAN WHO SAVED FRANCE WITH 150,000 BLACK SENGALESE, I WENT STRAIGHT TO GEORGES CLEMENCEAU, PRIME MINISTER OF FRANCE. JUST AS SECRETARY OF STATE, POLK WAS REFUSING PASSPORTS TO AMERICAN NEGROES, BECAUSE THERE WOULD BE NO PAN-AFRICAN CONGRESS; AND WHILE BRITAIN WOULD NOT LET EVEN REPRESENTATIVES OF THE OLD ANTI-SLAVERY SOCIETIES ATTEND,

CLEMENCEAU SAID "GO AHEAD"! AND WE WENT.

35-5-117

BUT OF COURSE/ WE DID NOT GO FAR:/ JUST A LITTLE STEP.// WE HELD PAN-AFRICAN CONGRESSES IN PARIS,/ LONDON, BRUSSELS/ AND LISBON/ IN 1919, 1921, and 1923. WE AROUSED (then as now) THE FURY OF THE IMPERIALISTS:/ WE WERE "FINANCED FROM MOSCOW" /YELLED THE BELGIANS:/ WE WERE "GARVEY REVOLUTIONISTS"/ YELLED THE ENGLISH.// BUT WE DID PLANT IDEAS/ WITH THE MANDATES COMMISSION/ AND THE INTERNATIONAL LABOR ORGANIZATION

THERE CAME/ THE DECADE OF INDECISION/ FROM ~~1919~~ to ~~1929~~ (1920—1930).// I SAW RUSSIA AND GERMANY:/ AND FOR THE FIRST TIME,/ I SAW AFRICA:/ I CAME HOME ~~TO THE GREAT DEPRESSION;~~ TO LYNCHING AND RACE RIOT/ AND DISFRANCHISEMENT./ THE ELECTION OF 1928/ ~~MARKED~~ showed THE LOWEST MARK/ OF NEGRO POLITICAL RECOGNITION/ IN THIS LAND.// TWENTY-FIVE NEGROES/ OF EVERY SHADE OF OPINION/ -ROBERT MOTON, /JAMES WELDON JOHNSON,/ JOHN HOPE, NATHANIEL DETT,/ FRED MOORE AND BISHOP CAREY,/ UNITED TO SAY:

"THAT IN THE PRESIDENTIAL CAMPIAGN OF 1928,/ MORE THAN IN PREVIOUS CAMPAIGNS/ SINCE THE CIVIL WAR,/ THE AMERICAN NEGRO/ WAS TREATED/ IN A MANNER WHICH

35-5-118

IS UNFAIR AND DISCOURAGING.

"WE ACCUSE THE POLITICAL LEADERS/ OF THIS CAMPAIGN/ OF PERMITTING WITHOUT PROTEST,/ PUBLIC AND REPEATED ASSERTIONS/ ON THE PLATFORM,/ IN THE PRESS, AND BY WORD OF MOUTH,/ THAT COLOR AND RACE/ CONSTITUTE IN THEMSELVES/ AN IMPUTATION OF GUILT AND CRIME."

THERE FOLLOWED THE GREAT DEPRESSION/ AND THE NEW DEAL.// I SAW A NATION ON ITS KNEES/ STRUGGLING TO EXPAND INTO A BROADER SOCIALISM/ AND A NEW INTERNATIONALISM.// I BEGAN/ ANEW SEARCH FOR GUIDANCE AND TRUTH.// IN BODY AND SPIRIT/ I WENT AROUND THE WORLD IN 1936:/ I STAYED FIVE MONTHS IN ENGLAND, FRANCE AND GERMANY:/ I TRAVERSED THE SOVIET UNION/ FROM MOSCOW TO MANCHURIA:// FOR THE FIRST TIME/ I SAW ASIA/ THROUGH CHINA AND JAPAN.// I CAME BACK BY THE GOLDEN RAIN OF HAWAII/ WITH A NEW VISION/ OF PEACE AND INTERRACIAL COMITY.// AND I CAME BACK TO NEW WORLD WAR. IT WAS AGAIN CONTRADICTION AND PARADOX./ IT WAS SCIENTIFIC FRUSTRATION/ AND DENIAL OF KNOWLEDGE.// MY SOCIOLOGY,/ MY SCIENCE OF HUMAN ACTION/ WHICH I WAS BEGINNING TO FORMULATE/ WAS ALL FOOLISHNESS.

15 (at last)

BUT AT LAST/ IN MIND AND SPIRIT/ I GREW/ TO THAT MATURITY/ WHICH STILL LEARNS BUT IS NOT IGNORANT/ // DARES TO REACH DECISIONS/ AND YET TO CHANGE THEM.// I SAW WAR/ NOT HISTORICALLY OR THEORETICALLY/ BUT ACTUALLY/ FOR WHAT IT WAS:/ A CAUSE, AND NOT MERELY A LINK IN A CHAIN;/ A VICIOUS HABIT OF SEMI-CIVILIZED MEN/ USED TO CLOAK OBJECTS AND DESIGNS/ WHICH THEY DARE NOT OPENLY DECLARE.

35-5-119

I KNEW OF COURSE/ AS A SCIENTIST/ THAT EVEN A GREAT CAUSE/ MUST ITSELF BE CAUSED:/ BUT I ALSO SAW/ THAT IN THE CHAIN OF EVENTS/ ALL CAUSES ARE NOT EQUAL/ NOR EQUALLY CAUSED.// SOME LINKS LOOM LARGE/ AND PURPOSEFUL/ FOR OBSCURE REASONS/ OF INNER WILL OR OUTER FORCE,// FOR WHICH PERHAPS/ WE MAY EVER SEARCH/ AND NEVER FIND.// CERTAINLY IN OUR DAY,/ WAR ITSELF/ IS THE EMBODIMENT OF AN EVIL/ WHICH MUST BE FOUGHT HEAD-ON,/ TO CLEAR THE WAY/ AND GIVE THE TIME/ AND SAVE THE LIFE/ TO RESCUE THE FUTURE PROGRESS OF MANKIND.// AND THE PURE HYPOTHESIS/ THAT THIS COUNTERACTING FORCE/ CAN BE APPLIED BY US/ AS OLD AS TIME/ AND AS TRUE AS TRUTH.

FOR THIS REASON,/ SINCE THE BEGINNING OF THE SECOND WORLD WAR,/ I HAVE GIVEN ALL THE THOUGHT AND ENERGY/ I COULD/ TO PEACE,/ WHENEVER AND WHEREEVER I FOUND

AN OPPORTUNITY.// I WAS SPONSOR AND SPEAKER/ AT THE CULTURAL AND SCIENTIFIC CONFERENCE FOR WORLD PEACE/ HELD IN NEW YORK/ IN MARCH 1949.// I ATTENDED GLADLY THE PARIS WORLD CONGRESS FOR PEACE/ HELD IN APRIL/ WHICH WAS

BIRTHDAY DINNER

The succession of birthday dinners which have been given me in the last thirty years, have become I assure you, as embarrassing to me as to you. The first was given when I was fifty years old in 1918. I was just about to go on a mission of interracial peace in Europe, in connection with the Congress of Versailles at the end of the first World War.

Since then this world has staggered through the most fantastic period of its history. Contradiction and paradox poured over paradox and contradiction. Possibly in previous ages more intricate matters of life have been woven, but they were on much smaller scale and wrought of slighter threads on more delicate fabric. Perhaps too, the very quantity and sweep of our knowing today overwhelms us and eludes comprehension as compared with the infinitude of the marketplace of Athens or the Bo tree of Gautama.

And in this fantastic generation, I have on five anniversaries been put in position where I must explain and interpret if not justify my continued existence. Two or three times I tried farewell addresses, until they lost meaning, for I was not bidding the world farewell, I was still alive. Then I sought interpretation of my days and deeds, until I was no longer quite sure either of my vision nor logic. Whatever it all was and is, I was asked to give meaning to what was to me too often meaningless, or if significant now in this way, tomorrow with significance changed was taking new hues and nuances; new chords and dissonances. This made interpretation funny. I held desperately to simple themes even when I saw them contradicting themselves. The world was now the Negro problem; then the world was Africa. The world was wealth, knowledge was the world. Yet never was the world quite all or any

of these things.

Perhaps a shorter life like Keats, would have revealed some order and meaning, some pattern or reason. But 80 years from Gladstone to Churchill, from Grant to Roosevelt, has no pattern and deseries no guiding star, but turns whirls and roars in utter chaos, while we blind riders of dreams hang wildly on and try each decade to formulate what the last denied. Had I died at fifty my life would have had a certain unity and meaning which it can now never attain. It has become now part of a vaster arc which I shall never myself finish and which today eludes rationalisation.

36-8-79

Tonight my task is simplified. I do not have to choose a theme -- the theme of Peace on Earth, chooses me. It has been but one of many threads of my life's efforts, and yet in a sense now even to my thought it becomes today central. The search for Peace has changed in approach and emphasis before my day and during it. In 25 centuries only one year in every 12 has been a year of peace. But always in essence the human cry for Peace has ever been to eliminate force from human action, and substitute more and more that free exercise and unbinding of the human spirit, which would enable mankind to reach its highest and best manifestation.

We long thought of war as the breaking of peace and the halting of freedom for certain clear causes, and we set ourselves first to recognize and correct or eliminate those causes of war as the first and only way to stop war. This in other times meant opposition to seven sorts of aggression: the sudden marauder coming "down like a wolf on the fold", -- driven by hunger and beckoned by fertile valleys, like the Mongol toward China. Then protection of food and harvest, in the midst of desert, as when the Nile called to black Central Africa. Peace soon retreated to high walled cities like Babylon, whose strength stretched out over the surrounding fields. Then the explorers

went out to the Indies and Americas to find what was scarce and take it if they could.

Amid all this primitive turmoil, grew belief -- religious faith and cultural pattern, the frightful fight for which took on ancient and eternal sanctions and transcended fear of death. Above and around this grew the state, a vast and deathless idea, which was not born and could not die, and became part of mens' thoughts, emotions and memories and therefore part of themselves. Finally, overshadowing all this broad and timeless building, loomed the idea of race; of a high and holy concept of super-humanity whose preservation was the only real end of man.

It was in the midst of this concept of race integrity, and the belief in its defense to the last drop of blood and the last cringe of misery, that I was born and grew to manhood. To me, therefore, the cause of war seemed race hate, and the first of all attacks on war must be attack on race prejudice.

Before my time, war had seemed to have other major causes: fear of strangers; desert hordes too vast to tame; barbarians who spoke strange tongues and did strange things; foreigners of every sort; and hateful heretics. Finally as the world grew European in scheme and culture, the darker races appeared the universal cause of strife.

The great and mighty pleas for Peace, from Buddha to Jesus, from Dante to Kant, from Grotius to Gandhi, were raised therefore to strike at these causes of war rather than at war itself: men felt that war was not so much a cause in itself as a result of evil forces; that therefore attack on these forces was attack on war.

It was in the 19th century which taught us a new concept of the causes of war: namely, that whatever war was against, it was always mainly

fought for personal gain, for income and control of the labor of men. The 20th century went further to tell us that in its present awful stature war, world war, becomes not a mere result but a major cause: a link in the great chain of events which so swells and looms above all others, that either we attack war as war, or the world sinks to death.

In the decade then when I began my life work, it was natural for me to seize on gain as the main cause of war, and to find its chief example in Negro slavery, and in that excuse for slavery, race hate. But instead of beginning with the exploitation of white labor as did most reformers of my day, it was the twist of my peculiar situation that made me begin with black slavery and the subjection of the darker people as the cause of the subjection of white labor and consequently the chief cause of war.

36-8-81

Once I grasped this idea, I did not wait until 1949 to fight for Peace, but I began at the very threshold of the 20th century, when in London in 1900, on the way from the Paris exhibition, I sat down with a dozen persons, under the leadership of a West Indian barrister, and tried to plan a course of action which sometime would turn the hundred years of European peace into a world peace for all nations and races. In 1911, led by the Ethical Societies of the world, Felix Adler and myself became American secretaries of the International Races Congress which met in London, with the intellectual leaders of the day, Guiseppi Sergi, Franz Boas, John Hobson, Sir Sidney Oliver, Israel Zangwill, Sir Harry Johnston, and Wu Ting Fang, with Felix von Luschan and Leon Bourgeois. It was, we all felt, the first concerted attack of civilization upon that doctrine of race which was helping to split the earth into hating, competing, bitter fomentors of universal war. I said to a multitude in the Great Hall of the University of London:

"Save us, World-Spirit, from our lesser selves!
Grant us that war and hatred cease,
Reveal our souls in every race and hue!
Help us, O Human God, in this thy truce,
To make humanity divine!"

But this meeting was no truce. This was, instead, the very threshold of the first World War: it was when that little German warship slipped into North Africa and began a conflagration whose flames are still burning, fed by 30 million corpses of the world's youth. It was the beginning of a series of wars so destructive, so murderous, so bestial, that war in this century takes on new meaning. It is a great and evil monster set to destroy civilization: at first sight out of sheer madness and inborn evil; but on second and clearer sight, with the determination to place control of the world wealth in the hands of the one international clique of unscrupulous men.

36-8-82

Thus it happened that in 1918, when first you fell into this bad habit of tendering me delightful dinners, I fell into what is now stigmatised as the equally bad habit of seeing war as a main link of that chain of evils which today threatens all which we count as worth preserving and living for.

My new start in 1918, seemed logical and timely after that day of wrath. Peace had come. The war to end all war was done. The endless wars of all the worlds had culminated in one vast holocaust of blood and shame. Germany, that peerless leader of science and philosophy, was in the dust. France was decimated: I sat in the halls of the Trocadero and heard the voice of a magnificent figure from the Comedie Francais cry "C'est la Victoire! C'est la Victoire!" There were tears in her voice.

But in vain France kissed black Africa and yellow Indo-China on the cheek and wound the Crox de Guerre on their breasts; in vain, for below writhed in utter grief and abandon the mothers of six million French boys. I

tramped through the mud and filth of the Argonne; I saw the wild children crawling through the sewers of Moscow, I saw the unending line of young whores thronging the Friedrichstrasse of Berlin, and in London, Englishmen tried to look stolid, when their empire was tottering and the guts had been beaten out of their hearts. It was a hideous price the world was paying for victory, and its only justification, if there was any justification, was that we had ended all war -- no more war!

On this foundation I proposed to build. Since war for centuries had been coupled with racism, the child of exploitation, now that war had ceased a new racial understanding and progress must ensue. I was but a lone pigmy grasping at thunderbolts and at a world conflagration of which I had no dream. Americans jeered at my plan for a Pan-African Congress and for giving the Negro voice in the control of the mandated German colonies.

We did not go far: just a little step. We held Pan-African Congresses in Paris, London, Brussels and Lisbon in 1919, 1921, and 1923. Then, as now, we aroused the fury of the imperialists: we were "financed from Moscow" yelled the Belgians; we were "Garvey Revolutionists" yelled the English. But we did plant ideas with the Mandates Commission and the International Labor Organisation.

There came the decade of indecision from 1919 to 1929. I saw Russia and Germany; and for the first time, I saw Africa; I came home to lynching and race riot and disfranchisement. The election of 1928 marked the lowest mark of Negro political recognition in this land. Twenty-five Negroes of every shade of opinion -- Robert Moton, James Weldon Johnson, John Hope, Nathaniel Dett, Fred Moore and Bishop Carey, united to say:

"That in the Presidential Campaign of 1928, more than in previous campaigns since the Civil War, the American Negro was treated in a manner

which is unfair and discouraging.

"We accuse the political leaders of this campaign of permitting without protest, public and repeated assertions on the platform, in the press, and by word of mouth, that color and race constitute in themselves an imputation of guilt and crime."

There followed the great depression and the New Deal. I saw a nation on its knees struggling to expand into a broader socialism and a new internationalism. I began a new search for guidance and truth. In body and spirit I went around the world in 1936: I stayed five months in England, France and Germany; I traversed the Soviet Union from Moscow to Manchuria; for the first time I saw Asia through China and Japan. I came back by the golden rain of Hawaii with a new vision of peace and interracial comity.

And I came back to a new world war. It was again contradiction and paradox. It was scientific frustration and denial of knowledge. My sociology, my science of human action which I was beginning to formulate, was all foolishness.

But at last in mind and spirit I grew to that maturity which still learns but is ignorant, reaches decisions and yet dares to change them. I saw war not historically or theoretically but actually for what it was: a cause, and not merely a link in a chain: a vicious habit of semi-civilised man, used to cloaking objects and designs which they dare not openly declare.

I knew of course, as a scientist, that even a great cause must itself be caused; but I also saw that in the chain of events all are not equal nor equally caused. Some links loom large and purposeful for obscure reasons of inner will or outer force, for which perhaps we may ever search and never find. Certainly in our day, war itself is the embodiment of an evil which must be fought headon, to clear the way and give the time, and save the life, to rescue the future progress of mankind. And the pure hypothesis that this counteracting force can be applied by us ourselves is as old as time and as true as Truth.

For this reason, since the beginning of the second World War, I have given all the thought and energy I could to Peace, whenever and wherever I found an opportunity. I was sponsor and speaker at the cultural and scientific Conference for World Peace, held in New York in March 1949. I attended gladly the Paris World Congress for Peace held in April, which was the greatest meeting I have ever seen. I planned to attend the American Continental Congress for Peace in Mexico City in September, but before that I was invited to an all Russian Peace Congress in Moscow in August. In the United States, I was on the programme of the meeting of the Committee of Peaceful Alternatives.

36-8-85

Meantime in the United States Peace and Peace movements were not news. The press was almost completely silent on the movements toward peace which were shaking the entire world. To counteract this ignorance and let America realize that most men did not want war, forty-two persons on April 3, 1950, formed the Peace Information Bureau for the purpose of letting as many Americans as possible know the facts about the Peace movement in Europe and Asia, and letting the world know that a peace movement was growing here. We printed and circulated the Stockholm Appeal against the Atom Bomb; we distributed the Red Cross protest; we spread news of the Quaker statement, and our Peace-grams went to thousands, and millions responded.

Then the counter-attack came. First the Secretary of State condemned the Stockholm Appeal as a conspiracy; then four months after our activities began, the Department of Justice demanded that we register as "publicity agent" of a "foreign principal". We protested and wrote:

"The Peace Information Center was conceived and formed by a group of American citizens, apprehensive lest the growing tensions among the govern-

ments of the world burst into a terrible conflagration which might well snuff out civilization as we know it. They believed that the overwhelming desire of the American people was for Peace. They also believed that the avoidance of the mass destruction and human misery of a third World War was dependent, in a large measure, on the expression by the American people of their desire for peace. They conceived that the Peace Information Center would serve the American people by informing them of the issues of peace; by making available to them data concerning the great struggles being carried on for the maintenance of international peace; and by providing the means and forum for expressing their desire for peace."

The Department insisted that they were not satisfied. I then asked for a personal conference which was denied. I therefore wrote in September:

"I cannot but feel that in a matter of such serious concern,... denial to me of an opportunity to be heard must necessarily reflect adversely upon the Department of Justice. I should think that the possible consequences of an unjustified enforcement of the Act, would impel the Justice Department to bend every effort to make certain of its conclusions. The Department's arbitrary and capricious refusal to confer with me compels me to infer that either the Department is unaware of the import of the statute which it seeks to enforce, or that it is unwise enough to deal cavalierly with the rights of American citizens."

In the meanwhile our Bureau was closing its temporary role, as various peace movements arose in hundreds of American centers and national organizations appeared. By October we had closed our activities and were only answering correspondence which continued to come asking especially

news of the convening new peace meetings. The office closed completely in January.

On February 16, four of us were arriagned in Washington. Thus I stand tonight facing the possibility of celebrating my future birthdays in prison, and thus relieving all "Houses of Essex" from embarrassment. The prospect is not pleasant. Yet I maintain that advocacy of peace is not treason; that I am the agent of no foreign principal and never have been; that I am the champion of no idea alien to this nation; and that I have the right within the law in the future as in the past to fight for peace.

L8-8-93

One often wonders how far it is right to fight for unpopular causes and with negligible force against the weight of public opinion. The very sweep and power of the world at any age makes any human being doubt his knowledge and judgment and shrink before the hosts of time. Yet as I look back I seem to see many victories and much satisfaction for such efforts. If we seem at present worsted in our effort to halt war, this may be in part due to our failure to see in war the vast evil it has recently become; and in part to because we do not yet know how much we have really accomplished. Victory may be nearer than we think.

Let us continue to dream with Shelley:

"To suffer woes which Hope thinks infinite;
To forgive wrongs darker than death or night;
To defy power, which seems omnipotent;
To love, and bear; to hope till hope creates
From its own wreck the thing it contemplates;
Neither to change, nor falter, nor repent;
This, like the Glory, Titan! is to be
Good, great and joyous, beautiful and free:
This is alone Life, Joy, Empire and Victory.

BIRTHDAY DINNER

The succession of birthday dinners which have been given me in the last thirty years, have become I assure you almost as embarassing to me as to you. The first was given when [redacted] I was just about to go on a mission of interracial peace in Europe, following the Peace of Versailles and indeed designed to be [redacted] the end of the First World War. Since 1918, this world has staggered along the strangest paths and to and by the most fearful goals humanity has ever pictured. And in this fantastic generation, I have been put in position where on five anniversaries I must explain and interpret if not justify my continued existence. Two or three times I tried farewell addresses, until they lost meaning; then I sought interpretation of my days and deeds until I was no longer sure either of my vision nor logic. So now at last I divest myself of the personal aspect of this day, and simply seek to follow one theme which now seems to have been central in my life under various names and aspects. And that is Peace.

24-41-93

The world search for Peace has changed in approach and emphasis before my day and during it. But always in essence the human cry for peace has been to eliminate force from human action and substitute more and more that free exercise and unbinding of the human spirit which would enable mankind to reach its highest and best manifestation. We long thought of War as the breaking of peace and the halting of freedom for certain clear causes. And we set ourselves first to recognize and correct or eliminate those causes of war as the first and only way to stop war.

This in other times meant seven sorts of aggression: the sudden marauder coming "down like a wolf on the fold,"--driven by hunger and beckoned by fertile valleys like the Mongols on China. Then protection of food and harvest, in the midst of desert, as when the Nile called to Black Africa, Peace retreated to high walled cities like Babylon, whose strength protected the surrounding fields. Then the explorers went out to the Indies and

Americas to find what was scarce and take it if they could. Amid all this primitive turmoil grew Belief--religious faith and cultural pattern, the frightful fight for which took on ancient and eternal sanctions and transcended fear of death. Above and around this grew the State, a vast and deathless Idea, which was not born and could not die, and became part of men's thoughts, emotions and memories and therefore part of themselves. Finally, overshadowing all this broad and timeless building loomed the idea of race; of a high and holy concept of super-humanity whose preservation was the only real end of Man.

It was in the midst of the concept of race integrity, and the belief in its defence to the last drop of blood and the last cringe of misery, that I was born and grew to manhood. To me therefore the cause of war seemed race hate and the chief aim of all attack on war must be attack on race prejudice.

24-41-74

Before my time War had seemed to have other major causes: fear of strangers, desert hordes too vast to tame; barbarians who spoke strange tongues and did strange things; foreigners of every sort and hateful Heretics. Finally as the world grew whiter in scheme and culture, the Darker Races appeared as the universal cause of strife. The great and mighty pleas for Peace, from Socrates to from Jesus Christ to Grotius, from Buddha to Dante were raised therefore to Strike at these causes of war rather than at war itself, assuming that war was not habit, evil in itself, or a wrong way of life; that it was never a Cause in itself but always a result of mighty forces; that therefore attack on these forces was attack on war. It was the 19th century which taught us a new conception of causes of war: namely, that whatever war was against it was always for personal gain, income, control of labor of men; and the 20th century is teaching us that in its present awful stature War, World War becomes not a mere result but a Cause; a link in the great chain of events which so swells and looms above all others, that either we attack War as War or the world sinks to a day when neither:

Star nor sun shall waken
  Nor any change of light:
Nor sound of waters shaken
  Nor any sound or sight:
Nor wintry leaves nor vernal,
  Nor days nor things vernal,
Only the sleep eternal
  In the eternal night.

In the Century then that I was born, it was natural for me to seize on gain and labor as the main cause of War and to find its chief example in Negro slavery and in that excuse for slavery, race hate. Instead of beginning as most reformers of my day did with the exploitation of white labor as cause of war, I began with black slavery and the subjection of the Darker peoples as the cause of the subjection of white labor and the chief cause of war. Once I grasped this idea, I did not wait until 1949, to become agent of a Foreign Power to fight for Peace, but I began at the very threshold of the 20th century when in London in 1900, on the way from the Paris Exhibition, I sat down with a dozen persons, under the leadership of a West Indian and tried to plan a course of action which sometime would turn the Hundred Years of European Peace into a peace for all nations and races. In 1911, led by the Ethical Societies of the World, Felix Adler and myself became American Secretaries of the International Races Congress which met in London, with Guiseppi Sergi, Franz Boas, John Hobson, Sir Sidney Oliver and Wu Ting Fang , Felix von Luschan. It was,we all felt, the first concerted attack of civilization upon that doctrine of race which was helping to split the earth into hating, competing, bitter fomentors of universal war. It was then I read to that splendid multitude:"Save us, World Spirit from our lessor selves

Grant us that war and hatred cease,
Reveal our souls in every face and hue!
Help us, O Human God, in this Thy Truce,
To make Humanity divine!

But it was no truce. This was before the First World War; it was when that little German war-ship slipped into North Africa and began a conflagration whose flames are still burning, fed by the corpes of the world's youth. It was the beginning of a series of war, so destructive, so murderous, so

a lone pygmy grasping at thunderbolts and the Americans jeered at my plan for a Pan-African Congress and for giving the Negro voice in the mandated German colonies. But I walked past the soft advice of Colonel House, who talked for Wilson, and through the help of Blaise Diagne, the African who saved France with 150,000 black Sengalese, I went straight to Clemenceau; and when Secretary of State Polk was refusing passports to Negroes, because there would be no Congress and while Britain would not even let representatives of the old anti-slavery societies attend, Georges Clemenceau, Prime Minister of France said "Go ahead!" and we went.

But of course not far; just a little step. We held Pan-African Congresses in Paris, London, Brussels and Lisbon in 1919, 1921, and 1923. For this reason, since the beginning of the Second World War, I have given all the thought and energy I could to Peace, whenever and wherever I found an opportunity. I was sponsor and speaker at the Cultural and Scientific Conference for World Peace, held in New York in March 1949. I attended gladly the Paris World Congress for Peace held in April, which was the greatest meeting I have ever seen. I promised to attend the American Continental Congress for Peace in Mexico City, in September, but before that I was invited to an All Russian Peace Congress in Moscow in August. I went to Moscow but was unable to get to Mexico on time. In the United States I was on the programme of the meeting of the Committee of Peaceful Alternatives. Meantime many were asking about the status of the Peace movement here and abroad, since there was almost no news in the press. Some two dozen persons met in April, 1950, to form a Peace Information Bureau. The object was,

to supply information about peace activities at home and abroad; to cooperate in cultural exchange of peace advocates from here to Europe and from Europe here.

On August 11, four and a half months after the beginning of our work, the Attorney-General, wrote us ask ng us to register as "publicity agent for a "Foreign Principal." We immediately send our attorney to Washington and wrote a statement:

"The Peace Information Center was conceived and formed bya group of American citizens, apprehensive lest the gorwing tensions among the governments of the world burst into a terrible conflagration which might well snuff out civlization as we know it. They believed that the overwhelmng desire of the American people was for peace. They also believed that the avoidance of the mass destruction and human ~~xiuxory~~ misery of a Third World War was dependent, in large measure on the expression by the American people of their desire for peace. They conceived that the Peace Information Center would serve the American people by informing them of the issues of peace; by making available to them data concerning the great struggles being carried on for the maintenance of international peace; and by providing the means and forum for expressing their desire for peace.

"In furtherance of these aims and purposes, the Peace Information Center honored the requests of many groups and individuals throughout the country that they be supplied with information and material concerning the World Peace Appeal. This, as you may know, is a statement calling for the outlawing of atomic weapons, coupled with the declaration that the nation which will first ~~x~~ use atomic weapons against anogher country will be committing a crime against humanity and should be dealt with as a war criminal. The information and material so supplied, included prints of the wording of the Appeal, the names and numbers of persons who have supported or signed it, and statements that may have been made about it. Similarly, the Peace Information Center has made available to interested prsons and organizations

the statement of the International Committee of the Red Cross, which calls for a treaty to outlaw the use of atomic weapons. The greater part of the organizational life of the Peace Information Center, as a result of the tremendous interest expressed by the people of this country in the world Peace Appeal, has, empirically, been devoted to supplying the demands made upon it concerning the Appeal.

"This general summary presents the constitution, purposes and conduct of the Peace Information Center. In fact, this organization never has, nor was there ever the intention or agreement to act for a "foreign principal", and none can be inferred from its conduct, except by warping the facts and reading into them that which does not, in fact, exist."

Requesting a conference. This was denied and September 19, we were told that the Department was not satisfied that we were not agents. I replied:

"I cannot but feel that, in a matter of such serious concern, Mr. Foley(s denial to me of an opportunity to be heard must necessarily reflect adversely upon the Department of Justice. I should think that the possible consequences of an unjustified enforcement of the Act, would impel the Justice Department to bend every effort to make certain of its conclusions. The Department's arbitrary and capricious refusal to confer with me compels me to infer that either the Department is unaware of the import of the statute which it seeks to enforce, or that it is unwise enough to deal cavalierly with the rights of American citizens."

February 2, we were again notified to register and a few days later indicted for criminally refusing to register. Four of our officers were arraigned February 16 and were remanded for trial. With us were arraigned persons accused of manslaughter, forgery, failure to support a child and gambling.

24-41-81

I was finger-prined, made to empty my pockets, frisked for concealed weapons and hand-cuffed. Later bail was granted. I stand tonight on my birthday with the possiblity of fine of five thousand dollars and dying in prison. The prospect is not pleasant. Yet I continue to maintain that advocacy of Peace is not treason. That I am the agent of no foreign principal and never have been. And that I shall continue in the future as in the past to keep the law and fight for peace.

One often wonders how far it pays to fight for unpopular causes and against the weight of public opinion. Yet as I look back I can see many victories and much satisfaction for the effort against race prejudice and its results. If we seem at present worsted in our effort to halt war, this is in part due to our failure to see in war the vast evil it has recently become; and in part too because we do not yet know how much we have really accomplished. BIRTHDAY DINNER

Feb. 23, 1951

The succession of birthday dinners which have been given me in the last thirty years, have become I assure you almost as embarassing to me as to you. To make Humanity divine!

bestial that War in this century takes on another meaning: ~~it is no longer a result~~ It is a ~~cause~~ great and evil Monster set to destroy civilization; at first sight out of sheer madness and inborn evil; but on second and clearer sight, with the determination to place control of the world's wealth in the hands of one international clique of unscrupulous men.

Thus it happened that when in 1918, when first you fell into this bad habit of tendering me delightful dinners, I fell ~~apparently~~ into what is now stigmatized as the equally bad habit of seeing war ~~not as a result but~~ as a cause (William Link) of that chain ~~procession~~ of evils which today threatens all which we count as worth preserving and living for.

My start in 1918 seemed logical and timely after that Day of Wrath, Peace had come. The War to end all War was done. The endless wars of all the worlds had culminated in one vast holocaust of blood and shame. Germany, that peerless leader of Science and Philosophy was in the dust. France was decimated; I sat in the halls of the Trocadero and heard the voice of a magnificent figure from the Comedie Francais cry "C'est la Victoire"! C'est le victoire." There were tears in that voice. In vain France kissed Black Africa and Yellow Indo-China on the cheek, and wound the Crox de Guerre on their breasts ; in vain, for below writhed in utter grief and abandon the mothers of six million French boys. I tramped through the mud and filth of the Argonne; I saw the wild children crawling through the sewers of Moscow, I saw the unending line of young whores thronging the Friedrichstrasse of Berlin, and in London, Englishmen tried to look stolid, when their Empire was tottering and the guts had been beaten out of their hearts. It was a hideous price the world was paying for victory, and its only justification, if there was any justification, was that we had ended all war--no more War!

On this foundation I proposed to build. Since war for centuries had been ~~the result of race prejudice and~~ coupled with racism and the child of exploitation, now that the war had ceased, a new racial understanding and progress must ensue. I was but

a lone pygmy grasping at thunderbolts and the Americans jeered at my plan for a Pan-African Congress and for giving the Negro voice in the control of the mandated German colonies. But I walked past the soft advice of Colonel House, who talked for President Wilson, and ~~through~~ with the help of Blaise Diagne, the African who saved France with 150,000 black Sengalese, I went straight to ~~Clemenceau~~; and ~~when~~ as Secretary of State Polk was refusing passports to Negroes, because there would be no Pan-African Congress, and while Britain would not let even ~~her~~ representatives of the old anti-slavery societies attend, Georges Clemenceau, Prime Minister of France Clemenceau said "Go ahead!" and we went.

But of course we did not go far; just a little step. We held Pan-African Congresses in Paris, London, Brussels and Lisbon in 1919, 1921, and 1923. We aroused the fury of the imperialists; we were "financed from Moscow," yelled the Belgians; we were "Garvey revolutionists" yelled the English, But we did plant ~~xxxxxx~~ an idea with the Mandates Commission and the International Labor Organization.

There came the ~~Grand Black Decade~~ Decade of Indecision from 1819 to 1829 ~~passed~~. I saw Russia and Germany; for the first time, I saw Africa; I came home to the Great Depression, to lynching and race riot and disfranchisement. The election of 1928 marked the lowest mark of Negro political recognition in this land. Twenty Five Negroes of every shade of opinion united to say:

" That in the presidential campaign of 1928, more than in previous csmpagins since the Civil War, the American Negro was treated in a manner which is unfair and discouraging.

"We accuse the political leaders of this campaign of permitting without pretest, public and repeated assertions on the platform, in the press, and by word of mouth, that color and race constitute in themselves an imputation of guilt and crime."

— Robert Nixon, James Weldon Johnson, John Hope, Nathaniel Dett, Fred Moore and Bishop Carey —

24-41-7

There followed the Great Depression and the New Deal. I saw ~~the~~ a nation on its knees, struggling to expand into a broader socialism and a new internationalism. I began a new search for guidance and truth. In body and spirit I went around the World: I stayed five months in England, France and Germany; I traversed the Soviet Union from Moscow to Manchuria; for the first time I saw Asia through China and Japan. I came back by golden rain of Hawaii with a new vision of peace and interracial comity. And I came back to ~~renewed~~ new World War.

Then at last in mind and spirit I grew up. I saw War for what it was: a Cause, and not merely ~~an effect~~ a link in a chain; a vicious habit of semi-civilized man, used to cloak objects and designs which they dare not openly declare.

I knew of course as a scientist that even a great Cause must itself be caused; but I also saw that ~~while~~ in the chain of events some links loom large and ~~and some small~~ purposeful, for reasons of which will a outer force, for which we perhaps may ever search far and never know. Certainly in our day, War itself is the embodiment of evil which must be fought head-on, to clear the way and give the time and save the life to rescue the ~~civilization~~ future progress of mankind.

24-41-8

For this reason, since the beginning of the Second World War, I have given all the thought and energy I could to Peace, whenever and whereever I found an opportunity. I was sponsor and speaker at the Cultural and Scientific Conference for World Peace, held in New York in March 1949. I attended gladly the Paris World Congress for Peace held in April, which was the greatest meeting I have ever seen. I promised to attend the American Continental Congress for Peace in Mexico City, in September, but before that I was invited to an All Russian Peace Congress in Moscow in August. ~~I went to Moscow but was unable to get to Mexico on time.~~ In the United States I was on the programme of the meeting of the Committee of Peaceful Alternatives.

Meantime many were asking about the status of the Peace movement here and abroad, since there was almost no news in the press. Some two dozen persons met in April, 1950, to form a Peace Information Bureau. The object was,

Meantime in the United States, Peace and Peace movements were not news. The Press was almost completely silent on the movements toward peace which were shaking the entire world. To counteract this ignorance and let America realize that most men did no want war, on April 3, 1950, forty-two persons formed the Peace Information Bureau for the purpose of letting as many Americans as possible know the facts about the peace movement in Europe and Asia, and letting the world know that a peace movement was growing here. We printed and circulated the Stockholm Appeal against the atom bomb; we distributed the Red Cross protest; we spread news of the Quaker statement and our peace-grams went to thousands and millions responded.

Then the counter-attack came. First the Secretary of State condemned the Stockholm as a conspiracy; then four months after our activities began the Department of Justice demanded that we register as "Publicity Agent" of a "Foreign Principal". We protested and wrote:

24-411-9

to supply information about peace activities at home and abroad; to cooperate in cultural exchange of peace advocates from here to Europe and from Europe here. Our information was widely sought after. Our correspondence covered the nation.

On August 11, four and a half months after the beginning of our work, the Attorney-General, wrote us asking us to register as "publicity agent" for a "Foreign Principal." We immediately send our attorney to Washington and wrote a statement:

"The Peace Information Center was conceived and formed by a group of American citizens, apprehensive lest the growing tensions among the governments of the world burst into a terrible conflagration which might well snuff out civlization as we know it. They believed that the overwhelmng desire of the American people was for peace. They also believed that the avoidance of the mass destruction and human misery of a Third World War was dependent, in large measure on the expression by the American people of their desire for peace. They conceived that the Peace Information Center would serve the American people by informing them of the issues of peace; by making available to them data concerning the great struggles being carried on for the maintenance of international peace; and by providing the means and forum for expressing their desire for peace."

"In furtherance of these aims and purposes, the Peace Information Center honored the requests of many groups and individuals throughout the country in that they be supplied with information and material concerning the World Peace Appeal. This, as you may know, is a statement calling for the outlawing of atomic weapons, coupled with the declaration that the nation which will first use atomic weapons against anogher country will be committing a crime against humanity and should be dealt with as a war criminal. The information and material so supplied, included prints of the wording of the Appeal, the names and numbers of persons who have supported or signed it, and statements that may have been made about it. Similarly, the Peace Information Center has made available to interested prsons and organizations

24-41-10

The Department insisted that they were not satisfied . I asked for a personal conferenc

which was denied. I then wrote in September

24-41-11

the statement of the International Committee of the Red Cross, which calls for a treaty to outlaw the use of atomic weapons. The greater part of the organizational life of the Peace Information Center, as a result of the tremendous interest expressed by the people of this country in the world Peace Appeal, has, empirically, been devoted to supplying the demands made upon it concerning the Appeal.

"This general summary presents the constitution, purposes and conduct of the Peace Information Center. In fact, this organization never has, nor was there ever the intention or agreement to act for a "foreign principal", and none can be inferred from its conduct, except by warping the facts and reading into them that which does not, in fact, exist."

Requesting a conference, but this was denied and September 19, we were told that the Department was not satisfied that we were not agents. I replied:

"I cannot but feel that, in a matter of such serious concern, Mr. Foley(s denial to me of an opportunity to be heard must necessarily reflect adversely upon the Department of Justice. I should think that the possible consequences of an unjustified enforcement of the Act, would impel the Justice Department to bend every effort to make certain of its conclusions. The Department's arbitrary and capricious refusal to confer with me compels me to infer that either the Department is unaware of the import of the statute which it seeks to enforce, or that it is unwise enough to deal cavalierly with the rights of American citizens."

24-41-12

On February 9 we were indicted for criminally refusing to register. Four of our officers were arraigned February 16 and were remanded for trial. With us were arraigned one person accused of manslaughter, one of forgery, one of failure to support a child and two for gambling.

On February 16, four of us were arraigned in Washington. It was my first visit to a criminzal court. Before we appeared at the dock, five other persons were arraigned: a white youth accused of manslaughter and another for not supporting his child; two white men were accused of gambling and one thin black girl of forgery

In the meanwhile ~~the work of~~ our bureau was closing its temporary role as various peace movements arose in hundreds of American centers and ~~began to unite into~~ affiliated national organizations. By October we had closed most of our activities and were only answering correspondence which continued to come asking and news of Connecticut new peace meetings. The office closed completely in January.

24-41-13

I was finger-prined, made to empty all my pockets, frisked for concealed weapons and hand-cuffed. Later bail was granted. This I stand tonight ~~on my birthday~~ facing ~~with~~ the possiblity of ~~fine of five thousand dollars and dying~~ in prison. The prospect is not pleasant. Yet I continue to maintain that advocacy of Peace is not treason; that I am the agent of no foreign principal and never have been; and I ~~shall continue~~ have the right in the future as in the past to ~~keep the law and~~ fight for peace within the law.

One often wonders how far it ~~pays~~ is right to fight for unpopular causes and against the weight of public opinion. Yet as I look back I seem to see many victories and much satisfaction for my effort against race prejudice and its results. If we seem at present worsted in our effort to halt war, this may be in part due to our failure to see in war the vast evil it has recently become; and in part too because we do not yet know how much we have really accomplished. Victory may be nearer than we think. Let us dream with Shelley,

That I am the champion of no ideal alien to this nation; and that

The very speech and power of the world at any age makes any human being doubt his knowledge and judgment ~~at any particular time~~ and shrink before the hosts of Time

BIRTHDAY DINNER

THE SUCCESSION OF BIRTHDAY DINNERS WHICH HAVE BEEN GIVEN ME IN THE LAST THIRTY YEARS, HAVE BECOME I ASSURE YOU, AS EMBARASSING TO ME AS TO YOU. THE FIRST WAS GIVEN WHEN I WAS FIFTY YEARS OLD IN 1918. I WAS JUST ABOUT TO TO ON A MISSION OF INTERRACIAL PEACE IN EUROPE, IN CONNECTION WITH THE CONGRESS OF VERSAILLES AND INDEED DESIGNED TO BE PART OF THAT FINISH OF THE FIRST WORLD WAR. SINCE 1918, THIS WORLD HAS STAGGERED ALONG THE STRANGEST PATHS AND TO AND BY THE MOST FEARFUL GOALS, HUMANITY HAS EVER PICTURED. AND IN THIS FANTASTIC GENERATION, I HAVE ON FIVE ANNIVERSARIES BEEN PUT IN POSITION WHERE I MUST EXPLAIN AND INTERPRET IF NOT JUSTIFY MY CONTINUED EXISTENCE. TWO OR THREE TIMES I TRIED FAREWELL ADDRESSES, UNTIL THEY LOST MEANING: THEN I SOUGHT INTERPRETATION OF MY DAYS AND DEEDS, UNTIL I WAS NO LONGER QUITE SURE EITHER OF MY VISION NOR LOGIC. SO NOW AT LAST I DIVEST MYSELF OF THE PERSONAL

---2---

ASPECTS OF THIS DAY, AND SIMPLY SEEK TO FOLLOW ONE THEME WHICH NOW SEEMS TO HAVE BECOME CENTRAL IN MY LIFE UNDER VARIOUS NAMES AND ASPECTS. AND THAT IS PEACE.

THE WORLD SEARCH FOR PEACE HAS CHANGED IN APPROACH AND EMPHASIS BEFORE MY DAY AND DURING IT. BUT ALWAYS IN ESSENCE THE HUMAN CRY FOR PEACE HAS EVER BEEN TO ELIMINATE FORCE FROM HUMAN ACTION AND SUBSTITUTE MORE AND MORE THAT FREE EXERCISE AND UNBINDING OF THE HUMAN SPIRIT, WHICH WOULD ENABLE MANKIND TO REACH ITS HIGHEST AND BEST MANIFESTATION. WE LONG THOUGHT OF WAR AS THE BREAKING OF PEACE AND THE HALTING OF FREEDOM FOR CERTAIN CLEAR CAUSES AND WE SET OURSELVES FIRST TO RECOGNIZE AND CORRECT OR ELIMINATE THOSE CAUSES OF WAR AS THE FIRST AND ONLY WAY TO STOP WAR.

THIS IN OTHER TIMES MEANT SEVEN SORTS OF AGGRESSION: THE SUDDEN MARAUDER COMING "DOWN LIKE A WOLF ON THE FOLD,"--DRIVEN BY HUNGER AND BECKONED BY

FERTILE VALLEYS, LIKE THE MONGLOS ON CHINA. THEN PROTECTION OF FOOD AND HARVEST, IN THE MIDST OF DESERT AS WHEN THE NILE CALLED TO BLACK AFRICA. PEACE SOON RETREATED TO HIGH WALLED CITIES LIKE BABYLON, WHOSE STRENGTH STRETCHED OUT TO THE SURROUNDING FIELDS. THEN THE EXPLORERS WENT OUT TO THE INDIES AND AMERICAS TO FIND WHAT WAS SCARCE AND TAKE IT IF THEY COULD. AMID ALL THIS PRIMITIVE TURMOIL GREW BELIEF--RELIGIOUS FAITH AND CULTURAL PATTERN, THE FRIGHTFUL FIGHT FOR WHICH, TOOK ON ANCIENT AND ETERNAL SANCTIONS AND TRANSCENDED FEAR OF DEATH. ABOVE AND AROUND THIS GREW THE STATE, A VAST AND DEATHLESS IDEA, WHICH WAS NOT BORN AND COULD NOT DIE, AND BECAME PART OF MENS' THOUGHTS, EMOTIONS AND MEMORIES AND THEREFORE PART OF THEMSELVES. FINALLY, OVERSHADOWING ALL THIS BROAD AND TIMELESS BUILDING LOOMED THE IDEA OF RACE: OF A HIGH AND HOLY CONCEPT OF SUPER-HUMANITY WHOSE PRESERVATION WAS THE ONLY REAL END OF MAN.

35-5-364

IT WAS IN THE MIDST OF THIS CONCEPT OF RACE INTEGRITY, AND THE BELIEF IN

ITS DEFENSE TO THE LAST DROP OF BLOOD AND THE LAST CRINGE OF MISERY THAT I WAS BORN AND GREW TO MANHOOD. TO ME THEREFORE THE CAUSE OF WAR SEEMED RACE HATE AND THE FIRST ALL OF ALL ATTACK ON WAR, MUST BE ATTACK ON RACE PREJUDICE.

45-5-2

BEFORE MY TIME, WAR HAD SEEMED TO HAVE OTHER MAJOR CAUSES: FEAR OF STRANGERS, DESERT HORDES TOO VAST TO TAME; BARBARIANS WHO SPOKE STRANGE TONGUES AND DID STRANGE THINGS; FOREIGNERS OF EVERY SORT AND HATEFUL HERETICS. FINALLY AS THE WORLD GREW EUROPEAN IN SCHEME AND CULTURE, THE DARKER RACES APPEARED THE UNIVERSAL CAUSE OF STRIFE. THE GREAT AND MIGHTY PLEAS FOR PEACE, FROM BUDDHA TO JESUS, FROM DANTE TO KANT, FROM GROTIUS TO Gandhi WERE RAISED THEREFORE TO STRIKE AT THESE CAUSES OF WAR RATHER THAN AT WAR ITSELF: THAT IT WAS NOT SO MUCH A CAUSE IN ITSELF AS ALWAYS A RESULT OF EVIL FORCES; THAT THEREFORE ATTACK ON THESE FORCES WAS ATTACK ON WAR.

IT WAS THE 19TH CENTURY WHICH TAUGHT US A NEW CONCEPT OF THE CAUSES OF WAR: NAMELY, THAT WHATEVER WAR WAS AGAINST, IT WAS ALWAYS MAINLY FOUGHT FOR PERSONAL GAIN, FOR INCOME AND CONTROL OF THE LABOR OF MEN. THE 20TH CENTURY WENT FURTHER TO TELL US THAT IN ITS PRESENT AWFUL STATURE WAR, WORLD WAR, BECOMES NOT A MERE RESULT BUT A CAUSE: A LINK IN THE GREAT CHAIN OF EVENTS WHICH SO SWELLS AND LOOMS ABOVE ALL OTHERS, THAT EITHER WE ATTACK WAR AS WAR OR THE WORLD SINKS TO A DAY WHEN NEITHER:

STAR NOR SUN SHALL WAKEN
NOR ANY CHANGE OF LIGHT;
NOR SOUND OF WATERS SHAKEN
NOR ANY SOUND OR SIGHT:
NOR WINTRY LEAVES NOR VERNAL,
NOR DAYS NOR THINGS DIURNAL;
ONLY THE SLEEP ETERNAL
IN THE ETERNAL NIGHT.

IN THE CENTURY THEN WHEN I WAS BORN, IT WAS NATURAL FOR ME TO SEIZE ON GAIN AS THE MAIN CAUSE OF WAR AND TO FIND ITS CHIEF EXAMPLE IN NEGRO SLAVERY AND IN THAT EXCUSE FOR SLAVERY, RACE HATE. BUT INSTEAD OF BEGINNING

45-5-3

WITH THE EXPLOITATION OF WHITE LABOR AS MOST REFORMERS OF MY DAY DID, I BEGAN WITH BLACK SLAVERY AND THE SUBJECTION OF THE DARKER PEOPLES AS THE CAUSE OF THE SUBJECTION OF WHITE LABOR AND CONSEQUENTLY THE CHIEF CAUSE OF WAR.

ONCE I GRASPED THIS IDEA, I DID NOT WAIT UNTIL 1949, TO ~~XXXX

SIR SIDNEY OLIVER, ISRAIL ZANGWILL, SIR HARRY JOHNSTON, AND WU TING FANG: WITH FELIX VON LUSCHAN AND LEON BOURGEOIS. IT WAS, WE ALL FELT, THE FIRST CONCERTED ATTACK OF CIVILIZATION UPON THAT DOCTRINE OF RACE WHICH WAS HELPING TO SPLIT THE EARTH INTO HATING, COMPETING, BITTER FOMENTORS OF UNIVERSAL WAR. I READ TO THAT MULTITUDE IN THE GREAT HALL OF THE UNIVERSITY OF LONDON:

"WE BE BLOOD-GUILTY! LO, OUR HANDS BE RED!
LET NO MAN BLAME THE OTHER IN THIS SIN!
BUT HERE--HERE IN THE WHITE SILENCE OF THE DAWN,
BEFORE THE WOMB OF TIME,
WITH BOWED HEARTS ALL FLAME AND SHAME,
WE FACE THE BIRTH-PANGS OF A WORLD:
WE HEAR THE STIFLED CRY OF NATIONS ALL BUT BORN--
THE WAIL OF WOMEN RAVISHED OF THEIR STUNTED BROOD!
WE SEE THE NAKEDNESS OF TOIL, THE POVERTY OF WEALTH,
WE KNOW THE ANARCHY OF EMPIRE, AND DOLEFUL DEATH OF LIFE!
AND HEARING, SEEING, KNOWING ALL, WE CRY:

"SAVE US, WORLD-SPIRIT, FROM OUR LESSER SELVES!
GRANT US THAT WAR AND HATRED CEASE,
REVEAL OUR SOULS IN EVERY RACE AND HUE!
HELP US, O HUMAN GOD, IN THIS THY TRUCE,
TO MAKE HUMANITY DIVINE! "

BUT IT WAS NO TRUCE. THIS WAS THE THRESHHOLD OF THE FIRST WORLD WAR: IT WAS WHEN THAT LITTLE GERMAN WARSHIP SLIPPED INTO NORTH AFRICA AND BEGAN A CONFLAGRATION WHOSE FLAMES ARE STILL BURNING, FED BY 30 MILLION CORPSES OF THE WORLDS' YOUTH. IT WAS THE BEGINNING OF A SERIES OF WAR, SO DESTRUCTIVE, SO MURDEROUS, SO BEASTIAL THAT WAR IN THIS CENTURY TAKES ON ANOTHER MEANING. IT IS A GREAT AND EVIL MONSTER SET TO DESTROY CIVILIZATION: AT FIRST SIGHT OUT OF SHEER MADNESS AND INBORN EVIL: BUT ON SECOND AND CLEARER SIGHT, WITH THE DETERMINATION TO PLACE CONTROL OF THE WORLD WEALTH IN THE HANDS OF THE ONE INTERNATIONAL CLIQUE OF UNSCRUPULOUS MEN.

THUS IT HAPPENED THAT WHEN IN 1918, WHEN FIRST YOU FELL INTO THIS BAD HABIT OF TENDERING ME DELIGHTFUL DINNERS, I FELL INTO WHAT IS NOW STIGMATISED AS THE EQUALLY BAD HABIT OF SEEING WAR AS A MAIN LINK OF THAT CHAIN OF EVILS WHICH TODAY THREATENS ALL WHICH WE COUNT AS WORTH PRESERVING AND LIVING FOR.

MY START IN 1918, SEEMED LOGICAL AND TIMELY AFTER THAT DAY OF WRATH. PEACE HAD COME. THE WAR TO END ALL WAR WAS DONE. THE ENDLESS WARS OF ALL THE WORLDS HAD CULMINATED IN ONE VAST HOLOCAUST OF BLOOD AND SHAME. GERMANY, THAT PEERLESS LEADER OF SCIENCE AND PHILOSOPHY WAS IN THE DUST. FRANCE WAS DECIMATED: I SAT IN THE HALLS OF THE TROCADERO AND HEARD THE VOICE OF A MAGNIFICENT FIGURE FROM THE COMEDIE FRANCAIS CRY "C'EST LA VICTOIRE! C'EST LA VICTOIRE!" THERE WERE TEARS IN THAT VOICE. IN VAIN FRANCE KISSED BLACK AFRICA AND YELLOW INDO-CHINA ON THE CHEEK AND WOUND THE CROX DE GUERRE ON THEIR BREASTS: IN VAIN: FOR BELOW WRITHED IN UTTER GRIEF AND ABANDON THE MOTHERS OF SIX MILLION FRENCH. I TRAMPED THROUGH THE MUD AND FILTH OF THE ARGONNE: I SAW THE WILD CHILDREN CRAWLING THROUGH THE SEWERS OF MOSCOW, I SAW THE UNENDING LINE OF YOUNG WHORES THRONGING THE FRIEDRICHSTRASSE OF BERLIN, AND IN LONDON, ENGLISHMEN TRIED TO LOOK STOLID, WHEN THEIR EMPIRE WAS TOTTERING AND THE GUTS HAD BEEN BEATEN OUT OF THEIR HEARTS. IT WAS A

HIDEOUS PRICE THE WORLD WAS PAYING FOR VICTORY, AND ITS ONLY JUSTIFICATION, IF THERE WAS ANY JUSTIFICATION, WAS THAT WE HAD ENDED ALL WAR--NO MORE WAR!

ON THIS FOUNDATION I PROPOSED TO BUILD. SINCE WAR FOR CENTURIES HAD BEEN COUPLED WITH RACISM THE CHILD OF EXPLOITATION, NOW THAT WAR HAD CEASED, A NEW RACIAL UNDERSTANDING AND PROGRESS MUST ENSUE. I WAS BUT A LONE PYGMY GRASPING AT THUNDERBOLTS AND THE AMERICANS JEERED AT MY PLAN FOR A PAN-AFRICAN CONGRESS AND FOR GIVING THE NEGRO VOICE IN THE CONTROL OF THE MANDATED GERMAN COLONIES. BUT I WALKED PAST THE SOFT ADVICE OF COLONEL HOUSE, WHO TALKED FOR PRESIDENT WILSON, AND WITH THE HELP OF BLAISE DIAGNE, THE AFRICAN WHO SAVED FRANCE WITH150,000 BLACK SENGALESE, I WENT STRAIGHT TO GEORGES CLEMENCEAU, PRIME MINISTER OF FRANCE, AS SECRETARY OF STATE POLK WAS REFUSING PASSPORTS TO NEGROES, BECAUSE THERE WOULD BE NO PAN-AFRICAN CONGRESS: AND WHILE BRITAIN WOULD NOT LET EVEN REPRESENTATIVES OF THE OLD ANTI-SLAVERY SOCIETIES ATTEND, CLEMENCEAU SAID "GO AHEAD"! AND WE WENT.

BUT OF COURSE WE DID NOT GO FAR: JUST A LITTLE STEP. WE HELP PAN-AFRICAN CONGRESSES IN PARIS, LONDON, BRUSSELS AND LISBON IN 1919, 1921, and 1923. WE AROUSED THE FURY OF THE IMPERIALISTS: WE WERE "FINANCED FROM MOSCOW" YELLED THE BELGIANS: WE WERE "GARVEY REVOLUTIONISTS" YELLED THE ENGLISH. BUT WE DID PLANT IDEAS WITH THE MANDATES COMMITTION AND THE INTERNATIONAL LABOR ORGANIZATION

THERE CAME THE DECADE OF INDECISION FROM 1819 to 1929. I SAW RUSSIA AND GERMANY: AND FOR THE FIRST TIME, I SAW AFRICA: I CAME HOME TO THE GREAT DEPRESSION, TO LYNCHING AND RACE RIOT AND DISFRANCHISEMENT. THE ELECTION OF 1928 MARKED THE LOWEST MARK OF NEGRO POLITICAL RECOGNITION IN THIS LAND. TWENTY-FIVE NEGROES OF EVERY SHADE OF OPINION--ROBERT MOTON, JAMES WELDON JOHNSON, JOHN HOPE, NATHANIEL DETT, FRED MOORE AND BISHOP CAREY, UNITED TO SAY:

"THAT IN THE PRESIDENTIAL CAMPIAGN OF 1928, MORE THAN IN PREVIOUS CAMPAIGNS SINCE THE CIVIL WAR, THE AMERICAN NEGRO WAS TREATED IN A MANNER WHICH

IS UNFAIR AND DISCOURAGING.

"WE ACCUSE THE POLITICAL LEADERS OF THIS CAMPAIGN OF PERMITTING WITHOUT PROTEST, PUBLIC AND REPEATED ASSERTIONS ON THE PLATFORM, IN THE PRESS, AND BY WORD OF MOUTH, THAT COLOR AND RACE CONSTITUTE IN THEMSELVES AN IMPUTATION OF GUILT AND CRIME."

THERE FOLLOWED THE GREAT DEPRESSION AND THE NEW DEAL. I SAW A NATION ON ITS KNEES STRUGGLING TO EXPAND INTO A BROADER SOCIALISM AND A NEW INTER-NATIONALISM. I BEGAN A NEW SEARCH FOR GUIDANCE AND TRUTH. IN BODY AND SPIRIT I WENT AR UND THE WORLD: I STAYED FIVE MONTHS IN ENGLAND, FRANCE AND GERMANY: I TRAVERSED THE SOVIET UNION FROM MOSCOW TO MANCHURIA: FOR THE FIRST TIME I SAW ASIA THROUGH CHINA AND JAPAN. I CAME BACK BY GOLDEN RAIN OF HAWAII WITH A NEW VISION OF PEACE AND INTERRACIAL COMITY. AND I CAME BACK TO NEW WORLD WAR.

THEN AT LAST IN MIND AND SPIRIT I GREW UP. I SAW WAR FOR WHAT IT WAS: A CAUSE, AND NOT MERELY A LINK IN A CHAIN: A VICIOUS HABIT OF SEMI-CIVILIZED MAN, USED TO CLOAK OBJECTS AND DESIGNS WHICH THEY DARE NOT OPENLY DECLARE.

I KNEW OF COURSE AS A SCIENTIST THAT EVEN A GREAT CAUSE MUST ITSELF BE CAUSED: BUT I ALSO SAW THAT IN THE CHAIN OF EVENTS SOME LINKS LOOM LARGE AND PURPOSEFUL FOR REASONS OF INNER WILL OR OUTER FORCE, FOR WHICH WE PERHAPS, MAY EVER SEARCH AND NEVER KNOW. CERTAINLY IN OUR DAY, WAR ITSELF IS THE EMBODIMENT OF EVIL WHICH MUST BE FOUGHT HEAD-ON, TO CLEAR THE WAY AND GIVE THE TIME AND SAVE THE LIFE TO RESCUE THE FUTURE PROGRESS OF MANKIND.

FOR THIS REASON, SINCE THE BEGINNING OF THE SECOND WORLD WAR, I HAVE GIVEN ALL THE THOUGHT AND ENERGY I COULD TO PEACE, WHENEVER AND WHEREEVER I FOUND AN OPPORTUNITY. I WAS SPONSOR AND SPEAKER AT THE CULTURAL AND SCIENTIFIC CONFERENCE FOR WORLD PEACE, HELD IN NEW YORK IN MARCH 1949. I ATTENDED GLADLY THE PARIS WORLD CONGRESS FOR PEACE HELD IN APRIL, WHICH WAS

THE GREATEST MEETING I HAVE EVER SEEN. I PROMISED TO ATTEND THE AMERICAN CONTINENTAL CONGRESS FOR PEACE IN MEXICO CITY, IN SEPTEMBER, BUT BEFORE THAT I WAS INVITED TO AN ALL RUSSIAN PEACE CONGRESS IN MOSCOW IN AUGUST. IN THE UNITED STATES I WAS ON THE PROGRAMME OF THE MEETING OF THE COMMITTEE OF PEACEFUL ALTERNATIVES.

MEANTIME IN THE UNITED STATES PEACE AND PEACE MOVEMENTS WERE NOT NEWS. THE PRESS WAS ALMOST COMPLETELY SILENT ON THE MOVEMENTS TOWARD PEACE WHICH WERE SHAKING THE ENTIRE WORLD. TO COUNTERACT THIS IGNORANCE AND LET AMERICA REALIZE THAT MOST MEN DID NOT WANT WAR, FORTY-TWO PERSONS ON APRIL 5, 1950, FORMED THE PEACE INFORMATION BUREAU FOR THE PURPOSE OF LETTING AS MANY AMERICANS AS POSSIBLE KNOW THE FACTS ABOUT THE PEACE MOVEMENT IN EUROPE AND ASIA, AND LETTING THE WORLD KNOW THAT A PEACE MOVEMENT WAS GROWING HERE. WE PRINTED AND CIRCULATED THE STOCKHOLM APPEAL AGAINST THE

ATOM BOMB: WE DISTRIBUTED THE RED CROSS PROTEST: WE SPREAD NEWS OF THE QUAKER STATEMENT AND OUR PEACE-PROGRAMS WENT TO THOUSANDS AND MILLIONS RESPONDED.

THEN THE COUNTER-ATTACK CAME. FIRST THE SECRETARY OF STATE CONDEMNED THE STOCKHOLM APPEAL AS A CONSPIRACY: THEN FOUR MONTHS AFTER OUR ACTIVITIES BEGAN THE DEPARTMENT OF JUSTICE DEMANDED THAT WE REGISTER AS "PUBLICITY AGENT" OF A "FOREIGN PRINCIPAL." WE PROTESTED AND WROTE:

35-5-370

"THE PEACE INFORMATION CENTER WAS CONCEIVED AND FORMED BY A GROUP OF AMERICAN CITIZENS, APPREHENSIVE LEST THE GROWING TENSIONS AMONG THE GOVERNMENTS OF THE WORLD BURST INTO A TERRIBLE CONFLAGRATION WHICH MIGHT WELL SNUFF OUT CIVILIZATION AS WE KNOW IT. THEY BELIEVED THAT THE OVERWHELMING DESIRE OF THE AMERICAN PEOPLE WAS FOR PEACE. THEY ALSO BELIEVED THAT THE AVOIDANCE OF THE MASS DESTRUCTION AND HUMAN MISERY OF A THIRD WORLD WAR WAS DEPENDENT, IN A LARGE MEASURE ON THE EXPRESSION BY THE AMERICAN PEOPLE OF THEIR DESIRE FOR PEACE. THEY CONCEIVED THAT THE PEACE INFORMATION CENTER WOULD SERVE THE

AMERICAN PEOPLE BY INFORMING THEM OF THE ISSUES OF PEACE; BY MAKING AVIALABLE TO THEM DATA CONCERNING THE GREAT STRUGGLES BEING CARRIED ON FOR THE MAINTENANCE OF INTERNATIONAL PEACE; AND BY PROVIDING THE MEANS AND FORUM FOR EXPRESSING THEIR DESIRE FOR PEACE."

45-5-8

THE DEPARTMENT INSISTED THAT THEY WERE NOT SATISFIED. I ASKED FOR A PERSONAL CONFERENCE WHICH WAS DENIED. I THEN WROTE IN SPETEMBER:

"I CANNOT BUT FEAL THAT IN A MATTER OF SUCH SERIOUS CONCERN, MR. FOLEY'S DENIAL TO ME OF AN OPPORTUNITY TO BE HEARD MUST NECESSARILY REFLECT ADVERSELY UPON THE DEPARTMENT OF JUSTICE. I SHOULD THINK THAT THE POSSIBLE CONSEQUENCES OF AN UNJUSTIFIED ENFORCEMENT OF THE ACT , WOULD IMPEL THE JUSTICE DEPARTMENT TO BEND EVERY EFFORT TO MAKE CERTAIN OF ITS CONCLUSIONS. THE DEPARTMENT'S ARBITRARY AND CAPRICIOUS REFUSAL TO CONFER WITH ME COMPELS ME TO INFER THAT EITHER THE DEPARTMENT IS UNAWARE OF THE IMPORT OF THE STATUTE WHICH IT SEEKS TO ENFORCE, OR THAT IT IS UNWISE ENOUGH TO DEAL CAVALIERLY WITH

THE RIGHTS OF AMERICAN CITIZENS."

IN THE MEANWHILE OUR BUREAU WAS CLOSING ITS TEMPORARY ROLE AS VARIOUS PEACE MOVEMENTS AROSE IN HUNDREDS OF AMERICAN CENTERS AND NATIONAL ORGANIZATIONS APPEARED. BY OCTOBER WE HAD CLOSED OUR ACTIVITIES AND WERE ONLY ANSWERING CORRESPONDENCE WHICH CONTINUED TO COME ASKING NEWS OF NEW PEACE MEETINGS. THE OFFICE CLOSED COMPLETELY IN JANUARY.

ON FEBRUARY 16, FOUR OF US WERE ARRAIGNED IN WASHINGTON. IT WAS MY FIRST VISIT TO A CRIMINAL COURT. BEFORE WE APPEARED AT THE DOCK, FIVE OTHER PERSONS WERE ARRAIGNED: A WHITE YOUTH ACCUSED OF MANSLAUGHTER AND ANOTHER FOR NOT SUPPORTING HIS CHILD: TWO WHITE MEN ACCUSED OF GAMBLING AND ONE THIN BLACK GIRL OF FORGERY. I WAS FINGER-PRINTED, MADE TO EMPTY ALL MY POCKETS: FRISKED FOR CONCEALED WEAPONS AND HAND-CUFFED. LATER BAIL WAS GRANTED.

THUS I STAND TONIGHT FACING THE POSSIBILITY OF CELEBRATING MY FUTURE BIRTHDAYS IN PRISON. THE PROSPECT IS NOT PLEASANT. YET I CONTINUE TO

MAINTAIN THAT ADVOCACY OF PEACE IS NOT TREASON: THAT I AM THE AGENT OF NO FOREIGN PRINCIPAL AND NEVER HAVE BEEN: THAT I AM THE CHAMPION OF NO IDEA ALIEN TO THIS NATION: AND THAT I HAVE THE RIGHT WITHIN THE LAW IN THE FUTURE AS IN THE PAST TO FIGHT FOR PEACE.

ONE OFTEN WONDERS HOW FAR IT IS RIGHT TO FIGHT FOR UNPOPULAR CAUSES AND AGAINST THE WEIGHT OF PUBLIC OPINION. THE VERY SWEEP AND POWER OF THE WORLD AT ANY AGE MAKES ANY HUMAN BEING DOUBT HIS KNOWLEDGE AND JUDGMENT AND SHRINK BEFORE THE HOSTS OF TIME. YET AS I LOOK BACK I SEEM TO SEE MANY VICTORIES AND MUCH SATISFACTION FOR MY EFFORTS AGAINST RACE PREJUDICE AND ITS RESULTS. IF WE SEEM AT PRESENT WORSTED IN OUR EFFORT TO HALT WAR, THIS MAY BE IN PART DUE TO OUR FAILURE TO SEE IN WAR THE VAST EVIL IT HAS RECENTLY BECOME: AND IN PART TOO BECAUSE WE DO NOT YET KNOW HOW MUCH WE HAVE REALLY ACCOMPLISHED VICTORY MAY BE NEARER THAN WE THINK.

LET US DREAM WITH SHELLY:

"TO SUFFER WOES WHICH HOPE THINKS INFINITE:
TO FORGIVE WRONGS DARKER THAN DEATH OR NIGHT:
TO DEFY POWER, WHICH SEEMS OMNIPOTENT:
TO LOVE, AND BEAR: TO HOPE TILL HOPE CREATES
FROM ITS OWN WRECK THE THING IT CONTEMPLATES:
NEITHER TO CHANGE, NOR FALTER, NOR REPENT:
THIS, LIKE THE GLORY, TITAN! IS TO BE
GOOD, GREAT AND JOYOUS, BEAUTIFUL AND FREE:
THIS IS ALONE LIFE, JOY, EMPIRE AND VICTORY.

I WAS JUST ABOUT TO GO ON A MISSION OF INTERRACIAL PEACE IN EUROPE, IN CONNECTION WITH THE CONGRESS OF VERSAILLES AT THE END OF THE FIRST WORLD WAR. SINCE THEN THIS WORLD HAS STAGGERED THROUGH THE MOST FANTASTIC PERIOD OF ITS HISTORY. CONTRADICTION AND PARADOX POURED OVER PARADOX AND CONTRADICTION. POSSIBLY IN PREVIOUS AGES MORE INTRICATE PATTERS OF LIFEHAVE BEEN WOVEN BUT THEY WERE ON MUCH SMALLER SCALE AND WROUGHT OF SLIGHTER THREADS ON MORE DELICATE FABRIC. PERHAPS TOO THE VERY QUANTITY AND SWEEP OF OUR KNOWING TODAY NOW OVERSHELMNS US AND ELUDES COMPREHENSION AS COMPARED WITH THE INFINITUDE OF THE MARKETPLACE OF ATHENS OR THE BO TREE OF GAUTAMA. AND IN THIS FANTASTIC GENERATION, I HAVE ON FIVE ANNIVERSARIES

IT HAS BECOME NOW PART OF A VASTER ARC WHICH I SHALL NEVER MYSELF FINISH AND WHICH TODAY ELUDES RATIONALIZATION.

TONIGHT MY TASK IS SIMPLIFIED. I DO NOT HAVE TO CHOOSE A THEME--THE THEME OF PEACE ON EARTH, CHOOSES ME. IT HAS BEEN BUT ONE OF MANY THREADS OF MY LIFE'S EFFORTS AND YET IN A SENSE NEW EVEN TO MY THOUGHT IT BECOMES TODAY CENTRAL. THE SEARCH FOR PEACE HAS CHANGED IN APPROACH AND EMPHASIS BEFORE MY DAY AND DURING IT. IN 25 CENTURIES ONLY ONE YEAR IN EVERY 12 HAS BEEN A YEAR OF PEACE. REACH ITS HIGHEST AND BEST MANIFESTATION.

WE LONG THOUGHT OF WAR AS THE BREAKING OF PEACE AND THE HALTING OF FREEDOM FOR CERTAIN CLEAR CAUSES AND WE SET OURSELVES FIRST TO RECOGNIZE AND CORRECT OR ELIMINATE THOSE CAUSES OF WAR AS THE FIRST AND ONLY WAY TO STOP WAR. FERTILE VALLEYS, LIKE THE MONGLOS ON CHINA. THEN PROTECTION OF FOOD AND HARVEST, IN THE MIDST OF DESERT AS WHEN THE NILE CALLED TO BLACK AFRICA. PEACE SOON RETREATED TO HIGH WALLED CITIES LIKE BABYLON, WHOSE STRENGTH STRETCHED OUT TO THE SURROUNDING FIELDS. THEN THE EXPLORERS WENT OUT TO THE INDIES AND AMERICAS TO FIND WHAT WAS SCARCE AND TAKE IT IF THEY COULD. AMID ALL THIS PRIMITIVE TURMOIL GREW BELIEF--RELIGIOUS FAITH AND CULTURAL PATTERN, THE FRIGHTFUL FIGHT FOR WHICH, TOOK ON ANCIENT AND ETERNAL SANCTIONS AND TRANSCENDED FEAR OF DEATH. ABOVE AND AROUND THIS GREW THE STATE, A VAST AND DEATHLESS IDEA, WHICH WAS NOT BORN AND COULD NOT DIE, AND BECAME PART OF MENS' THOUGHTS, EMOTIONS AND MEMORIES AND THEREFORE PART OF THEMSELVES. FINALLY, OVERSHADOWING ALL THIS BROAD AND TIMELESS BUILDING LOOMED THE IDEA OF RACE: OF A HIGH AND HOLY CONCEPT OF SUPER-HUMANITY WHOSE PRESERVATION WAS THE ONLY REAL END OF MAN.

IT WAS IN THE MIDST OF THIS CONCEPT OF RACE INTEGRITY, AND THE BELIEF IN

24-41-37

ITS DEFENSE TO THE LAST DROP OF BLOOD AND THE LAST CRINGE OF MISERY THAT I WAS BORN AND GREW TO MANHOOD. TO ME THEREFORE THE CAUSE OF WAR SEEMED RACE HATE AND THE FIRST ALL OF ALL ATTACK ON WAR, MUST BE ATTACK ON RACE PREJUDICE.

BEFORE MY TIME, WAR HAD SEEMED TO HAVE OTHER MAJOR CAUSES: FEAR OF STRANGERS, DESERT HORDES TOO VAST TO TAME: BARBARIANS WHO SPOKE STRANGE TONGUES AND DID STRANGE THINGS: FOREIGNERS OF EVERY SORT AND HATEFUL HERETICS. FINALLY AS THE WORLD GREW EUROPEAN IN SCHEME AND CULTURE, THE DARKER RACES APPEARED THE UNIVERSAL CAUSE OF STRIFE. THE GREAT AND MIGHTY PLEAS FOR PEACE, FROM BUDDHA TO JESUS, FROM DANTE TO KANT, FROM GROTIUS TO Gandhi WERE RAISED THEREFORE TO STRIKE AT THESE CAUSES OF WAR RATHER THAN AT WAR ITSELF: THAT IT WAS NOT SO MUCH A CAUSE IN ITSELF AS ALWAYS A RESULT OF EVIL FORCES: THAT THEREFORE ATTACK ON THESE FORCES WAS ATTACK ON WAR.

IT WAS THE 19TH CENTURY WHICH TAUGHT US A NEW CONCEPT OF THE CAUSES OF WAR: NAMELY, THAT WHATEVER WAR WAS AGAINST, IT WAS ALWAYS MAINLY FOUGHT FOR PERSONAL GAIN, FOR INCOME AND CONTROL OF THE LABOR OF MEN. THE 20TH CENTURY WENT FURTHER TO TELL US THAT IN ITS PRESENT AWFUL STATURE WAR, WORLD WAR, BECOMES NOT A MERE RESULT BUT A CAUSE: A LINK IN THE GREAT CHAIN OF EVENTS WHICH SO SWELLS AND LOOMS ABOVE ALL OTHERS, THAT EITHER WE ATTACK WAR AS WAR OR THE WORLD SINKS TO A DAY WHEN NEITHER:

STAR NOR SUN SHALL WAKEN
NOR ANY CHANGE OF LIGHT:
NOR SOUND OF WATERS SHAKEN
NOR ANY SOUND OR SIGHT:
NOR WINTRY LEAVES NOR VERNAL,
NOR DAYS NOR THINGS DIURNAL:
ONLY THE SLEEP ETERNAL
IN THE ETERNAL NIGHT.

IN THE CENTURY THEN WHEN I WAS BORN, IT WAS NATURAL FOR ME TO SEIZE ON GAIN AS THE MAIN CAUSE OF WAR AND TO FIND ITS CHIEF EXAMPLE IN NEGRO SLAVERY AND IN THAT EXCUSE FOR SLAVERY, RACE HATE. BUT INSTEAD OF BEGINNING

24-41-38

WITH THE EXPLOITATION OF WHITE LABOR AS MOST REFORMERS OF MY DAY DID, I BEGAN WITH BLACK SLAVERY AND THE SUBJECTION OF THE DARKER PEOPLE AS THE CAUSE OF THE SUBJECTION OF WHITE LABOR AND CONSEQUENTLY THE CHIEF CAUSE OF WAR.

ONCE I GRASPED THIS IDEA, I DID NOT WAIT UNTIL 1949, TO [illegible] FIGHT FOR PEACE, BUT I BEGAN AT THE VERY THRESHOLD OF THE 20TH CENTURY WHEN IN LONDON IN 1900, ON THE WAY FROM THE PARIS EXHIBITION, I SAT DOWN WITH A DOZEN PERSONS, UNDER THE LEADERSHIP OF A WEST INDIAN AND TRIED TO PLAN A COURSE OF ACTION WHICH SOMETIME WOULD TURN THE HUNDRED YEARS OF EUROPEAN PEACE INTO A WORLD PEACE FOR ALL NATIONS AND RACES. IN 1911, LED BY THE ETHICAL SOCIETIES OF THE WORLD, FELIX ADLER AND MYSELF BECAME AMERICAN SECRETARIES OF THE INTERNATIONAL RACES CONGRESS WHICH MET IN LONDON, WITH GUISEPPI SERGI, FRANZ BOAS, JOHN HOBSON,

SIR SIDNEY OLIVER, ISRAIL ZANGWILL, SIR HARRY JOHNSTON, AND WU TING FANG: WITH FELIX VON LUSCHAN AND LEON BOURGEOIS. IT WAS, WE ALL FELT, THE FIRST CONCERTED ATTACK OF CIVILIZATION UPON THAT DOCTRINE OF RACE WHICH WAS HELPING TO SPLIT THE EARTH INTO HATING, COMPETING, BITTER FOMENTORS OF UNIVERSAL WAR. I READ TO THAT MULTITUDE IN THE GREAT HALL OF THE UNIVERSITY OF LONDON:

"WE BE BLOOD-GUILTY! LO, OUR HANDS BE RED!
LET NO MAN BLAME THE OTHER IN THIS SIN!
BUT HERE--HERE IN THE WHITE SILENCE OF THE DAWN,
BEFORE THE WOMB OF TIME,
WITH BOWED HEARTS ALL FLAME AND SHAME,
WE FACE THE BIRTH-PANGS OF A WORLD:
WE HEAR THE STIFLED CRY OF NATIONS ALL BUT BORN--
THE WAIL OF WOMEN RAVISHED OF THEIR STUNTED BROOD!
WE SEE THE NAKEDNESS OF TOIL, THE POVERTY OF WEALTH,
WE KNOW THE ANARCHY OF EMPIRE, AND DOLEFUL DEATH OF LIFE!
AND HEARING, SEEING, KNOWING ALL, WE CRY:

"SAVE US, WORLD-SPIRIT, FROM OUR LESSER SELVES!
GRANT US THAT WAR AND HATRED CEASE,
REVEAL OUR SOULS IN EVERY RACE AND HUE!
HELP US, O HUMAN GOD, IN THIS THY TRUCE,
TO MAKE HUMANITY DIVINE! "

24-41-39

BUT IT WAS NO TRUCE. THIS WAS THE THRESHHOLD OF THE FIRST WORLD WAR: IT WAS WHEN THAT LITTLE GERMAN WARSHIP SLIPPED INTO NORTH AFRICA AND BEGAN A CONFLAGRATION WHOSE FLAMES ARE STILL BURNING, FED BY 30 MILLION CORPSES OF THE WORLDS' YOUTH. IT WAS THE BEGINNING OF A SERIES OF WAR, SO DESTRUCTIVE, SO MURDEROUS, SO BEASTIAL THAT WAR IN THIS CENTURY TAKES ON ANOTHER MEANING. IT IS A GREAT AND EVIL MONSTER SET TO DESTROY CIVILIZATION: AT FIRST SIGHT OUT OF SHEER MADNESS AND INBORN EVIL: BUT ON SECOND AND CLEARER SIGHT, WITH THE DETERMINATION TO PLACE CONTROL OF THE WORLD WEALTH IN THE HANDS OF THE ONE INTERNATIONAL CLIQUE OF UNSCRUPULOUS MEN.

THUS IT HAPPENED THAT WHEN IN 1918, WHEN FIRST YOU FELL INTO THIS BAD HABIT OF TENDERING ME DELIGHTFUL DINNERS, I FELL INTO WHAT IS NOW STIGMATISED AS THE EQUALLY BAD HABIT OF SEEING WAR AS A MAIN LINK OF THAT CHAIN OF EVILS WHICH TODAY THREATENS ALL WHICH WE COUNT AS WORTH PRESERVING AND LIVING FOR.

MY START IN 1918, SEEMED LOGICAL AND TIMELY AFTER THAT DAY OF WRATH. PEACE HAD COME. THE WAR TO END ALL WAR WAS DONE. THE ENDLESS WARS OF ALL THE WORLDS HAD CULMINATED IN ONE VAST HOLOCAUST OF BLOOD AND SHAME. GERMANY, THAT PEERLESS LEADER OF SCIENCE AND PHILOSOPHY WAS IN THE DUST. FRANCE WAS DECIMATED: I SAT IN THE HALLS OF THE TROCADERO AND HEARD THE VOICE OF A MAGNIFICENT FIGURE FROM THE COMEDIE FRANCAIS CRY "C'EST LA VICTOIRE! C'EST LA VICTOIRE!" THERE WERE TEARS IN THAT VOICE. IN VAIN FRANCE KISSED BLACK AFRICA AND YELLOW INDO-CHINA ON THE CHEEK AND WOUND THE CROX DE GUERRE ON THEIR BREASTS: IN VAIN: FOR BELOW WRITHED IN UTTER GRIEF AND ABANDON THE MOTHERS OF SIX MILLION FRENCH. I TRAMPED THROUGH THE MUD AND FILTH OF THE ARGONNE: I SAW THE WILD CHILDREN CRAWLING THROUGH THE SEWERS OF MOSCOW, I SAW THE UNENDING LINE OF YOUNG WHORES THRONGING THE FRIEDRICHSTRASSE OF BERLIN, AND IN LONDON, ENGLISHMEN TRIED TO LOOK STOLID, WHEN THEIR EMPIRE WAS TOTTERING AND THE GUTS HAD BEEN BEATEN OUT OF THEIR HEARTS. IT WAS A

24-41-40

HIDEOUS PRICE THE WORLD WAS PAYING FOR VICTORY, AND ITS ONLY JUSTIFICATION, IF THERE WAS ANY JUSTIFICATION, WAS THAT WE HAD ENDED ALL WAR--NO MORE WAR!

ON THIS FOUNDATION I PROPOSED TO BUILD. SINCE WAR FOR CENTURIES HAD BEEN COUPLED WITH RACISM THE CHILD OF EXPLOITATION, NOW THAT WAR HAD CEASED, A NEW RACIAL UNDERSTANDING AND PROGRESS MUST ENSUE. I WAS BUT A LONE PIGMY GRASPING AT THUNDERBOLTS AND THE AMERICANS JEERED AT MY PLAN FOR A PAN-AFRICAN CONGRESS AND FOR GIVING THE NEGRO VOICE IN THE CONTROL OF THE MANDATED GERMAN COLONIES. BUT I WALKED PAST THE SOFT ADVICE OF COLONEL HOUSE, WHO TALKED FOR PRESIDENT WILSON, AND WITH THE HELP OF BLAISE DIAGNE, THE AFRICAN WHO SAVED FRANCE WITH150,000 BLACK SENGALESE, I WENT STRAIGHT TO GEORGES CLEMENCEAU, PRIME MINISTER OF FRANCE, AS SECRETARY OF STATE POLK WAS REFUSING PASSPORTS TO NEGROES, BECAUSE THERE WOULD BE NO PAN-AFRICAN CONGRESS: AND WHILE BRITAIN WOULD NOT LET EVEN REPRESENTATIVES OF THE OLD ANTI-SLAVERY SOCIETIES ATTEND, CLEMENCEAU SAID "GO AHEAD"! AND WE WENT.

24-41-41

BUT OF COURSE WE DID NOT GO FAR: JUST A LITTLE STEP. WE HELP PAN-AFRICAN CONGRESSES IN PARIS, LONDON, BRUSSELS AND LISBON IN 1919, 1921, and 1923. WE AROUSED THE FURY OF THE IMPERIALISTS: WE WERE "FINANCED FROM MOSCOW" YELLED THE BELGIANS: WE WERE "GARVEY REVOLUTIONISTS" YELLED THE ENGLISH. BUT WE DID PLANT IDEAS WITH THE MANDATES COMMITTION AND THE INTERNATIONAL LABOR ORGANIZATION

THERE CAME THE DECADE OF INDECISION FROM 1819 to 1929. I SAW RUSSIA AND GERMANY: AND FOR THE FIRST TIME, I SAW AFRICA: I CAME HOME TO THE GREAT DEPRESSION, TO LYNCHING AND RACE RIOT AND DISFRANCHISEMENT. THE ELECTION OF 1928 MARKED THE LOWEST MARK OF NEGRO POLITICAL RECOGNITION IN THIS LAND. TWENTY-FIVE NEGROES OF EVERY SHADE OF OPINION--ROBERT MOTON, JAMES WELDON JOHNSON, JOHN HOPE, NATHANIEL DETT, FRED MOORE AND BISHOP CAREY, UNITED TO SAY:

"THAT IN THE PRESIDENTIAL CAMPIAGN OF 1928, MORE THAN IN PREVIOUS CAMPAIGNS SINCE THE CIVIL WAR, THE AMERICAN NEGRO WAS TREATED IN A MANNER WHICH

IS UNFAIR AND DISCOURAGING.

"WE ACCUSE THE POLITICAL LEADERS OF THIS CAMPAIGN OF PERMITTING WITHOUT PROTEST, PUBLIC AND REPEATED ASSERTIONS ON THE PLATFORM, IN THE PRESS, AND BY WORD OF MOUTH, THAT COLOR AND RACE CONSTITUTE IN THEMSELVES AN IMPUTATION OF GUILT AND CRIME."

THERE FOLLOWED THE GREAT DEPRESSION AND THE NEW DEAL. I SAW A NATION ON ITS KNEES STRUGGLING TO EXPAND INTO A BROADER SOCIALISM AND A NEW INTERNATIONALISM. I BEGAN ANEW SEARCH FOR GUIDANCE AND GRUTH. IN BODY AND SPIRIT I WENT AROUND THE WORLD IN 1936: I STAYED FIVE MONTHS IN ENGLAND, FRANCE AND GERMANY: I TRAVERSED THE SOVIET UNION FROM MOSCOW TO MANCHURIA: FOR THE FIRST TIME I SAW ASIA THROU H CHINA AND JAPAN. I CAME BACK BY THE GOLDEN RAIN OF HAWAII WITH A NEW VISION OF PEACE AND INTERRACIAL COMITY. AND I CAME BACK TO NEW WORLD WAR. IT WAS AGAIN CONTRADICTION AND PARADOX. IT WAS SCIENTIFIC FRUSTRATION AND DENIAL OF KNOWLEDGE. MY SOCIOLOGY, MY SCIENCE OF HUMAN ACTION WHICH I WAS BEGINNING TO FORMULATE WAS ALL FOOLISHNESS.

24-41-42

BUT AT LAST IN MIND AND SPIRIT I GREW TO THAT MATURITY WHICH STILL LEARNS BUT IS NOT IGNORANT, DARES TO REACH DECISIONS AND YET TO CHANGE THEM. I SAW WAR NOT HISTORICALLY OR THEORETICALLY BUT ACTUALLY FOR WHAT IT WAS: A CAUSE, AND NOT MERELY A LINK IN A CHAIN: A VICIOUS HABIT OF SEMI-CIVILIZED MAN, USED TO CLOAK OBJECTS AND DESIGNS WHICH THEY DARE NOT OPENLY DECLARE.

I KNEW OF COURSE AS A SCIENTIST THAT EVEN A GREAT CAUSE MUST ITSELF BE CAUSED: BUT I ALSO SAW THAT IN THE CHAIN OF EVENTS ALL ARE NOT EQUAL NOR EQUALLY CAUSED. SOME LINKS LOOM LARGE AND PURPOSEFUL FOR OBSCURE REASONS OF INNER WILL OR OUTER FORCE, FOR WHICH PERHAPS WE MAY EVER SEARCH AND NEVER FIND. CERTAINLY IN OUR DAY, WAR ITSELF IS THE EMBODIMENT OF AN EVIL WHICH MUST BE FOUGHT HEAD-ON, TO CLEAR THE WAY AND GIVE THE TIME AND SAVE THE LIFE TO RESCUE THE FUTURE PROGRESS OF MANKIND. AND THE PURE HYPOTHESIS THAT THIS COUNTERACTING FORCE CAN BE APPLIED BY IS AS OLD AS TIME AND AS TRUE AS TRUTH.

FOR THIS REASON, SINCE THE BEGINNING OF THE SECOND WORLD WAR, I HAVE GIVEN ALL THE THOUGHT AND ENERGY I COULD TO PEACE, WHENEVER AND WHEREVER I FOUND

AN OPPORTUNITY. I WAS SPONSOR AND SPEAKER AT THE CULTURAL AND SCIENTIFIC CONFERENCE FOR WORLD PEACE, HELD IN NEW YORK IN MARCH 1949. I ATTENDED GLADLY THE PARIS WORLD CONGRESS FOR PEACE HELD IN APRIL, WHICH WAS

24-14-43

THE GREATEST MEETING I HAVE EVER SEEN. I PROMISED TO ATTEND THE AMERICAN CONTINENTAL CONGRESS FOR PEACE IN MEXICO CITY, IN SEPTEMBER, BUT BEFORE THAT I WAS INVITED TO AN ALL RUSSIAN PEACE CONGRESS IN MOSCOW IN AUGUST. IN THE UNITED STATES I WAS ON THE PROGRAMME OF THE MEETING OF THE COMMITTEE OF PEACEFUL ALTERNATIVES.

MEANTIME IN THE UNITED STATES PEACE AND PEACE MOVEMENTS WERE NOT NEWS. THE PRESS WAS ALMOST COMPLETELY SILENT ON THE MOVEMENTS TOWARD PEACE WHICH WERE SHAKING THE ENTIRE WORLD. TO COUNTERACT THIS IGNORANCE AND LET AMERICA REALIZE THAT MOST MEN DID NOT WANT WAR, FORTY-TWO PERSONS ON APRIL 3, 1950, FORMED THE PEACE INFORMATION BUREAU FOR THE PURPOSE OF LETTING AS MANY AMERICANS AS POSSIBLE KNOW THE FACTS ABOUT THE PEACE MOVEMENT IN EUROPE AND ASIA, AND LETTING THE WORLD KNOW THAT A PEACE MOVEMENT WAS GROWING HERE. WE PRINTED AND CIRCULATED THE STOCKHOLM APPEAL AGAINST THE

ATOM BOMB; WE DISTRIBUTED THE RED CROSS PROTEST; WE SPREAD NEWS OF THE QUAKER STATEMENT AND OUR PEACE-PROGRAMS WENT TO THOUSANDS AND MILLIONS RESPONDED.

THEN THE COUNTER-ATTACK CAME. FIRST THE SECRETARY OF STATE CONDEMNED THE STOCKHOLM APPEAL AS A CONSPIRACY; THEN FOUR MONTHS AFTER OUR ACTIVITIES BEGAN THE DEPARTMENT OF JUSTICE DEMANDED THAT WE REGISTER AS "PUBLICITY AGENT" OF A "FOREIGN PRINCIPAL." WE PROTESTED AND WROTE;

"THE PEACE INFORMATION CENTER WAS CONCEIVED AND FORMED BY A GROUP OF AMERICAN CITIZENS, APPREHENSIVE LEST THE GROWING TENSIONS AMONG THE GOVERNMENTS OF THE WORLD BURST INTO A TERRIBLE CONFLAGRATION WHICH MIGHT WELL SNUFF OUT CIVILIZATION AS WE KNOW IT. THEY BELIEVED THAT THE OVERWHELMING DESIRE OF THE AMERICAN PEOPLE WAS FOR PEACE. THEY ALSO BELIEVED THAT THE AVOIDANCE OF THE MASS DESTRUCTION AND HUMAN MISERY OF A THIRD WORLD WAR WAS DEPENDENT, IN A LARGE MEASURE ON THE EXPRESSION BY THE AMERICAN PEOPLE OF THEIR DESIRE FOR PEACE. THEY CONCEIVED THAT THE PEACE INFORMATION CENTER WOULD SERVE THE

AMERICAN PEOPLE BY INFORMING THEM OF THE ISSUES OF PEACE; BY MAKING AVIALABLE TO THEM DATA CONCERNING THE GREAT STRUGGLES BEING CARRIED ON FOR THE MAINTENANCE OF INTERNATIONAL PEACE; AND BY PROVIDING THE MEANS AND FORUM FOR EXPRESSING THEIR DESIRE FOR PEACE."

THE DEPARTMENT INSISTED THAT THEY WERE NOT SATISFIED. I ASKED FOR A PERSONAL CONFERENCE WHICH WAS DENIED. I THEN WROTE IN SPETEMBER;

"I CANNOT BUT FEAL THAT IN A MATTER OF SUCH SERIOUS CONCERN, MR. FOLEY'S DENIAL TO ME OF AN OPPORTUNITY TO BE HEARD MUST NECESSARILY REFLECT ADVERSELY UPON THE DEPARTMENT OF JUSTICE. I SHOULD THINK THAT THE POSSIBLE CONSEQUENCES OF AN UNJUSTIFIED ENFORCEMENT OF THE ACT , WOULD IMPEL THE JUSTICE DEPARTMENT TO BEND EVERY EFFORT TO MAKE CERTAIN OF ITS CONCLUSIONS. THE DEPARTMENT'S ARBITRARY AND CAPRICIOUS REFUSAL TO CONFER WITH ME COMPELS ME TO INFER THAT EITHER THE DEPARTMENT IS UNAWARE OF THE IMPORT OF THE STATUTE WHICH IT SEEKS TO ENFORCE, OR THAT IT IS UNWISE ENOUGH TO DEAL CAVALIERLY WITH

24-41-45

THE RIGHTS OF AMERICAN CITIZENS."

IN THE MEANWHILE OUR BUREAU WAS CLOSING ITS TEMPORARY ROLE AS VARIOUS PEACE MOVEMENTS AROSE IN HUNDREDS OF AMERICAN CENTERS AND NATIONAL ORGANIZATIONS SPPEARED. BY OCTOBER WE HAD CLOSED OUR ACTIVITIES AND WERE ONLY ANSWERING CORRESPONDENCE WHICH CONTINUED TO COME ASKING ESPECIALLY NEWS OF THE CONVENING NEW PEACE MEETINGS. THE OFFICE CLOSED COMPLETELY IN JANUARY.

ON FEBRUARY 16, FOUR OF US WERE ARRAIGNED IN WASHINGTON. IT WAS MY FIRST VISIT TO A CRIMINAL COURT. BEFORE WE APPEARED AT THE DOCK, FIVE OTHER PERSONS WERE ARRAIGNED: A WHITE YOUTH ACCUSED OF MANSLAUGHTER AND ANOTHER FOR NOT SUPPORTING HIS CHILD: TWO WHITE MEN ACCUSED OF GAMBLING AND ONE THIN BLACK GIRL OF FORGERY. I WAS FINGER-PRINTED, MADE TO EMPTY ALL MY POCKETS: "FRISKED" FOR CONCEALED WEAPONS AND HAND-CUFFED. LATER BAIL WAS GRANTED.

THUS I STAND TONIGHT FACING THE POSSIBILITY OF CELEBRATING MY FUTURE BIRTHDAYS IN PRISON, AND THUS RELIEVING ALL "HOUSES OF ESSEX" FROM EMBARASSMENT THE PROSPECT IS NOT PLEASANT. YET I CONTINUE TO

94-14-42

MAINTAIN THAT ADVOCACY OF PEACE IS NOT TREASON: THAT I AM THE AGENT OF NO FOREIGN PRINCIPAL AND NEVER HAVE BEEN: THAT I AM THE CHAMPION OF NO IDEA ALIEN TO THIS NATION: AND THAT I HAVE THE RIGHT WITHIN THE LAW IN THE FUTURE AS IN THE PAST TO FIGHT FOR PEACE.

ONE OFTEN WONDERS HOW FAR IT IS RIGHT TO FIGHT FOR UNPOPULAR CAUSES AND AGAINST THE WEIGHT OF PUBLIC OPINION. THE VERY SWEEP AND POWER OF THE WORLD AT ANY AGE MAKES ANY HUMAN BEING DOUBT HIS KNOWLEDGE AND JUDGMENT AND SHRINK BEFORE THE HOSTS OF TIME. YET AS I LOOK BACK I SEEM TO SEE MANY VICTORIES AND MUCH SATISFACTION FOR MY EFFORTS AGAINST RACE PREJUDICE AND ITS RESULTS. IF WE SEEM AT PRESENT WORSTED IN OUR EFFORT TO HALT WAR, THIS MAY BE IN PART DUE TO OUR FAILUTE TO SEE IN WAR THE VAST EVIL IT HAS RECENTLY BECOME: AND IN PART TOO BECAUSE WE DO NOT YET KNOW HOW MUCH WE HAVE REALLY ACCOMPLISHED VICTORY MAY BE NEARER THAN WE THINK.

22 10

LET US DREAM WITH SHELLY:

"TO SUFFER WOES WHICH HOPE THINKS INFINITE:
TO FORGIVE WRONGS DARKER THAN DEATH OR NIGHT:
TO DEFY POWER, WHICH SEEMS OMNIPOTENT:
TO LOVE, AND BEAR: TO HOPE TILL HOPE CREATES
FROM ITS OWN WRECK THE THING IT CONTEMPLATES:
NEITHER TO CHANGE, NOR FALTER, NOR REPENT:
THIS, LIKE THE GLORY, TITAN! IS TO BE
GOOD, GREAT AND JOYOUS, BEAUTIFUL AND FREE:
THIS IS ALONE LIFE, JOY, EMPIRE AND VICTORY.

BIRTHDAY DINNER

THE SUCCESSION OF BIRTHDAY DINNERS WHICH HAVE BEEN GIVEN ME IN THE LAST THIRTY YEARS, HAVE BECOME I ASSURE YOU, AS EMBARASSING TO ME AS TO YOU. THE FIRST WAS GIVEN WHEN I WAS FIFTY YEARS OLD IN 1918. I WAS JUST ABOUT TO GO ON A MISSION OF INTERRACIAL PEACE IN EUROPE, IN CONNECTION WITH THE CONGRESS OF VERSAILLES AT THE END OF THE FIRST WORLD WAR. SINCE THEN THIS WORLD HAS STAGGERED THROUGH THE MOST FANTASTIC PERIOD OF ITS HISTORY. CONTRADICTION AND PARADOX POURED OVER PARADOX AND CONTRADICTION. POSSIBLY IN PREVIOUS AGES MORE INTRICATE PATTERNS OF LIFE HAVE BEEN WOVEN BUT THEY WERE ON MUCH SMALLER SCALE AND WROUGHT OF SLIGHTER THREADS ON MORE DELICATE FABRIC. PERHAPS TOO THE VERY QUANTITY AND SWEEP OF OUR KNOWING TODAY NOW OVERWHELMS US AND ELUDES COMPREHENSION AS COMPARED WITH THE INFINITUDE OF THE MARKETPLACE OF ATHENS OR THE BO TREE OF GAUTAMA. AND IN THIS FANTASTIC GENERATION, I HAVE ON FIVE ANNIVERSARIES

I SAW RUSSIA AND GERMANY: AND FOR THE FIRST TIME, I SAW AFRICA: I CAME HOME ~~TO THE SOUTH~~, ~~REPRESSION~~, TO LYNCHING AND RACE RIOT AND DISFRANCHISEMENT. THE ELECTION OF 1928 MARKED THE LOWEST MARK OF NEGRO POLITICAL RECOGNITION IN THIS LAND. BUT AT LAST IN MIND AND SPIRIT I GREW TO THAT MATURITY WHICH STILL LEARNS BUT IS [redacted] IGNORANT, [redacted] REACH DECISIONS AND YET DARE TO CHANGE THEM. I SAW WAR NOT HISTORICALLY OR THEORETICALLY BUT ACTUALLY FOR WHAT IT WAS: A CAUSE, AND NOT MERELY A LINK IN A CHAIN: A VICIOUS HABIT OF SEMI-CIVILIZED MAN, USED TO CLOAK OBJECTS AND DESIGNS WHICH THEY DARE NOT OPENLY DECLARE.

I KNEW OF COURSE AS A SCIENTIST THAT EVEN A GREAT CAUSE MUST ITSELF BE CAUSED: BUT I ALSO SAW THAT IN THE CHAIN OF EVENTS ALL ARE NOT EQUAL NOR EQUALLY CAUSED. SOME LINKS LOOM LARGE AND PURPOSEFUL FOR OBSCURE REASONS OF INNER WILL OR OUTER FORCE, FOR WHICH PERHAPS WE MAY EVER SEARCH AND NEVER FIND. CERTAINLY IN OUR DAY, WAR ITSELF IS THE EMBODIMENT OF AN EVIL WHICH MUST BE FOUGHT HEAD-ON, TO CLEAR THE WAY AND GIVE THE TIME AND SAVE THE LIFE TO RESCUE THE FUTURE PROGRESS OF MANKIND. AND THE PURE HYPOTHESIS THAT THIS COUNTERACTING FORCE CAN BE APPLIED BY US OURSELVES IS AS OLD AS TIME AND AS TRUE AS TRUTH.

FOR THIS REASON, SINCE THE BEGINNING OF THE SECOND WORLD WAR, I HAVE GIVEN ALL THE THOUGHT AND ENERGY I COULD TO PEACE, WHENEVER AND WHEREVER I FOUND

AN OPPORTUNITY. I WAS SPONSOR AND SPEAKER AT THE CULTURAL AND SCIENTIFIC CONFERENCE FOR WORLD PEACE, HELD IN NEW YORK IN MARCH 1949. I ATTENDED GLADLY THE PARIS WORLD CONGRESS FOR PEACE HELD IN APRIL, WHICH WAS

MEANTIME IN THE UNITED STATES PEACE AND PEACE MOVEMENTS WERE NOT NEWS. THE PRESS WAS ALMOST COMPLETELY SILENT ON THE MOVEMENTS TOWARD PEACE WHICH WERE SHAKING THE ENTIRE WORLD. TO COUNTERACT THIS IGNORANCE AND LET AMERICA REALIZE THAT MOST MEN DID NOT WANT WAR, FORTY-TWO PERSONS ON APRIL 8, 1950, FORMED THE PEACE INFORMATION BUREAU FOR THE PURPOSE OF LETTING AS MANY AMERICANS AS POSSIBLE KNOW THE FACTS ABOUT THE PEACE MOVEMENT IN EUROPE AND ASIA, AND LETTING THE WORLD KNOW THAT A PEACE MOVEMENT WAS GROWING HERE. WE PRINTED AND CIRCULATED THE STOCKHOLM APPEAL AGAINST THE

ATOM BOMB: WE DISTRIBUTED THE RED CROSS PROTEST: WE SPREAD NEWS OF THE QUAKER STATEMENT AND OUR PEACE-[illegible]GRAMS WENT TO THOUSANDS, AND MILLIONS RESPONDED.

THEN THE COUNTER-ATTACK CAME. FIRST THE SECRETARY OF STATE CONDEMNED THE STOCKHOLM APPEAL AS A CONSPIRACY: THEN FOUR MONTHS AFTER OUR ACTIVITIES BEGAN THE DEPARTMENT OF JUSTICE DEMANDED THAT WE REGISTER AS "PUBLICITY AGENT" OF A "FOREIGN PRINCIPAL." WE PROTESTED AND WROTE:

"THE PEACE INFORMATION CENTER WAS CONCEIVED AND FORMED BY A GROUP OF AMERICAN CITIZENS, APPREHENSIVE LEST THE GROWING TENSIONS AMONG THE GOVERNMENTS OF THE WORLD BURST INTO A TERRIBLE CONFLAGRATION WHICH MIGHT WELL SNUFF OUT CIVILIZATION AS WE KNOW IT. THEY BELIEVED THAT THE OVERWHELMING DESIRE OF THE AMERICAN PEOPLE WAS FOR PEACE. THEY ALSO BELIEVED THAT THE AVOIDANCE OF THE MASS DESTRUCTION AND HUMAN MISERY OF A THIRD WORLD WAR WAS DEPENDENT, IN A LARGE MEASURE ON THE EXPRESSION BY THE AMERICAN PEOPLE OF THEIR DESIRE FOR PEACE. THEY CONCEIVED THAT THE PEACE INFORMATION CENTER WOULD SERVE THE

24-41-69

AMERICAN PEOPLE BY INFORMING THEM OF THE ISSUES OF PEACE; BY MAKING AVIALABLE TO THEM DATA CONCERNING THE GREAT STRUGGLES BEING CARRIED ON FOR THE MAINTENANCE OF INTERNATIONAL PEACE; AND BY PROVIDING THE MEANS AND FORUM FOR EXPRESSING THEIR DESIRE FOR PEACE."

THE DEPARTMENT INSISTED THAT THEY WERE NOT SATISFIED. I THEN ASKED FOR A PERSONAL CONFERENCE WHICH WAS DENIED. I [illegible] WROTE IN SEPTEMBER:

"I CANNOT BUT FEEL THAT IN A MATTER OF SUCH SERIOUS CONCERN, MR. FOLEY'S DENIAL TO ME OF AN OPPORTUNITY TO BE HEARD MUST NECESSARILY REFLECT ADVERSELY UPON THE DEPARTMENT OF JUSTICE. I SHOULD THINK THAT THE POSSIBLE CONSEQUENCES OF AN UNJUSTIFIED ENFORCEMENT OF THE ACT, WOULD IMPEL THE JUSTICE DEPARTMENT TO BEND EVERY EFFORT TO MAKE CERTAIN OF ITS CONCLUSIONS. THE DEPARTMENT'S ARBITRARY AND CAPRICIOUS REFUSAL TO CONFER WITH ME COMPELS ME TO INFER THAT EITHER THE DEPARTMENT IS UNAWARE OF THE IMPORT OF THE STATUTE WHICH IT SEEKS TO ENFORCE, OR THAT IT IS UNWISE ENOUGH TO DEAL CAVALIERLY WITH

THE RIGHTS OF AMERICAN CITIZENS."

IN THE MEANWHILE OUR BUREAU WAS CLOSING ITS TEMPORARY ROLE AS VARIOUS PEACE MOVEMENTS AROSE IN HUNDREDS OF AMERICAN CENTERS AND NATIONAL ORGANIZATIONS SPPEARED. BY OCTOBER WE HAD CLOSED OUR ACTIVITIES AND WERE ONLY ANSWERING CORRESPONDENCE WHICH CONTINUED TO COME ASKING ESPECIALLY NEWS OF THE CONVENING NEW PEACE MEETINGS. THE OFFICE CLOSED COMPLETELY IN JANUARY.

ON FEBRUARY 16, FOUR OF US WERE ARRAIGNED IN WASHINGTON. IT WAS MY FIRST VISIT TO A CRIMINAL COURT. BEFORE WE APPEARED AT THE DOCK, FIVE OTHER PERSONS WERE AR AIGNED: A WHITE YOUTH ACCUSED OF MANSLAUGHTER AND ANOTHER FOR NOT SUPPORTING HIS CHILD: TWO WHITE MEN ACCUSED OF GAMBLING AND ONE THIN BLACK GIRL OF FORGERY. I WAS FINGER-PRINTED, MADE TO EMPTY ALL MY POCKETS: "FRISKED" FOR CONCEALED WEAPONS AND HAND-CUFFED. ~~LATER DATE WAS CHANGED.~~

YET AS I LOOK BACK I SEEM TO SEE MANY VICTORIES AND MUCH SATISFACTION FOR Such EFFORTS ~~AGAINST HIGH PREJUDICE AND HIS MINIONS.~~ IF WE SEEM AT PRESENT WORSTED IN OUR EFFORT TO HALT WAR, THIS MAY BE IN PART DUE TO OUR FAILURE TO SEE IN WAR THE VAST EVIL IT HAS RECENTLY BECOME; AND IN PART TOO BECAUSE WE DO NOT YET KNOW HOW MUCH WE HAVE REALLY ACCOMPLISHED. VICTORY MAY BE NEARER THAN WE THINK.

SPEECH BY DR. W. E. B. DuBOIS

Birthday Dinner, February 23, 1951

The succession of birthday dinners which have been given me in the last thirty years have become, I assure you, as embarrassing to me as to you. The first was given when I was fifty years old in 1918. I was just about to go on a mission of interracial peace in Europe, in connection with the Congress of Versailles at the end of the first world war. Since then this world has staggered through the most fantastic period of its history. Contradiction and paradox poured over paradox and contradiction. Possibly in previous ages more intricate patterns of life have been woven but they were on much smaller scale and wrought of slighter threads on more delicate fabric. Perhaps too the very quantity and sweep of our knowing today now overwhelms us and eludes comprehension as compared with the infinitude of the marketplace of Athens or the Bo Tree of Gautama. And in this fantastic generation, I have on five anniversaries been put in position where I must explain and interpret if not justify my continued existence. Two or three times I tried farewell addresses, until they lost meaning, for I was not bidding the world farewell, I was still alive. Then I sought interpretation of my days and deeds, until I was no longer quite sure either of my vision or logic.

Whatever it all was and is, I was asked to give meaning to what was to me too often meaningless, or if significant now in this way, tomorrow with s ignificance changed was taking new hues and nuances: new chords and dissonances. This made interpretation funny. I held desperately to simple themes even when I saw them contradicting themselves. The world was now the Negro problem. Then the world was A frica. The world was wealth, knowledge was the world. Yet never was the world quite all or any of these things. Perhaps a shorter life like Keats would have revealed some order and meaning, some pattern or reason. But 80 years from Gladstone to Churchill, from Grant to Roosevelt has no pattern and describes no guiding star. But turns whirls and roars in utter chaos while we blind riders of dreams hang wildly on and try each decade to formulate what the last denied. Had I died at fifty my life would have had a certain unity and meaning which it can now never attain. It has become now part of a vaster arc which I shall never myself finish and which today eludes rationalization.

Tonight my task is simplified. I do not have to choose a theme -- the theme of peace on earth chooses me. It has been but one of many threads of my life's efforts and yet in a sense now even to my thought it becomes today central. The search for peace has changed in approach and emphasis before my day and during it. In 25 centuries only one year in every 12 has been a year of peace. But always in essence the human cry for peace has ever been to eliminate force from human action and substitute more and more that free exercise and unbinding of the human spirit, which would enable mankind to reach its highest and best manifestation

We long thought of war as the breaking of peace and the halting of freedom for certain clear causes and we set ourselves first to recognize and correct or eliminate those causes of war as the first and only way to stop war. This in other times meant opposition to seven sorts of aggression: the sudden marauder coming "down like a wolf on the fold," -- driven by hunger and beckoned by fertile valleys, like the Mongols in China. Then protection of food and harvest, in the midst of desert as when the Nile called to Black Africa. Peace soon re-treated to high walled cities like Babylon, whose strength stretched out over the surrounding fields. Then the explorers went out to the Indies and Americas to find what was scarce and take it if they could. Amid all this primitive turmoil, grew belief - religious faith and cultural pattern, the frightful fight for which took on ancient and eternal sanctions and transcended fear of death. Above and around this grew the state, a vast and deathless idea, which was not born and could not die, and became part of mens' thoughts, emotions and memories and therefore part of themselves. Finally, overshadowing all this broad and timeless building loomed the idea of race: of a high and holy concept of super-humanity whose preser-vation was the only real end of man.

It was in the midst of this concept of race integrity, and the belief in its defense to the last drop of blood and the last cringe of misery that I was born and grew to manhood. To me therefore the cause of war seemed race hate and the first of all attack on war must be attack on race prejudice.

Before my time, war had seemed to have other major causes, fear of strangers, desert hordes too vast to tame: barbarians who spoke strange tongues and did strange things: foreigners of every sort and hateful heretics. Finally as the world grew European in scheme and culture, the darker races appeared the universal cause of strife. The great and mighty pleas for peace, from Buddha to Jesus, from Dante to Kant, from Grotius to Gandhi were raised therefore to strike at these

causes of war rather than at war itself. Men felt that war was not so much a cause in itself as a result of evil forces: that therefore attack on these forces was attack on war.

It was the 19th century which taught us a new concept of the causes of war; namely, that whatever war was against, it was always mainly fought for personal gain, for income and control of the labor of men. The 20th century went further to tell us that in its present awful stature war, world war, becomes not a mere result but a major cause, a link in the great chain of events which so swells and looms above all others that either we attack war as war or the world sinks to a day when neither:

Star nor sun shall waken
Nor any change of light;
Nor sound of waters shaken
Nor any sound or sight;
Nor wintry leaves nor vernal
Nor days nor things diurnal;
Only the sleep eternal
In the eternal night.

In the decade then when I began my life work it was natural for me to seize on gain as the main cause of war and to find its chief example in Negro slavery and in that excuse for slavery, race hate. But instead of beginning with the exploitation of white labor as did most reformers of my day, it was the twist of my peculiar situation that made me begin with black slavery and the subjection of the darker people as the cause of the subjection of white labor and consequently the chief cause of war.

Once I grasped this idea, I did not wait until 1949 to fight for peace, but I began at the very threshhold of the 20th century when in London in 1900, on the way from the Paris exhibition, I sat down with a dozen persons, under the leadership of a West Indian barrister and tried to plan a course of action which sometime would turn the hundred years of European peace into a world peace for all nations and races. In 1911, led by the Ethical Societies of the World, Felix Adler and myself became American secretaries of the International Races Congress which met in London, with the intellectual leaders of the day, Guiseppi Sergi, Franz Boas, John Hobson, Sir Sidney Oliver, Israel Zangwill, Sir Harry Johnston, and Wu Ting Fang, with Felix von Luschan and Leon Bourgeois. It was, we all felt, the first concerted attack of civilization upon that doctrine of race which was helping to split the earth into hating, competing, bitter fomentors of universal war. I read to that multitude in the great hall of the University of London:

"We be blood-guilty! Lo, our hands be red!
Let no man blame the other in this sin!
But here-here in the white silence of the dawn,
Before the womb of time,
With bowed hearts all flame and shame,
We face the birth-pangs of a world:
We hear the stifled cry of nations all but born --
The wail of women ravished of their stunted brood!
We see the nakedness of toil, the poverty of wealth,
We know the anarchy of empire, and doleful death of life!
And hearing, seeing, knowing all, we cry:

"Save us, world-spirit, from our lesser selves!
Grant us that war and hatred cease,
Reveal our souls in every race and hue!
Help us, O human God, in this Thy truce,
To make humanity divine!"

But it was no truce. This was instead the very thresshold of the first world war; it was when that little German warship slipped into North Africa and began a conflagration whose flames are still burning, fed by 30 million corpses of the worlds' youth. It was the beginning of a series of wars so destructive, so murderous, so bestial that war in this century takes on new meaning. It is a great and evil monster set to destroy civilization, at first sight out of sheer madness and inborn evil, but on second and clear sight with the determination to place control of the world wealth in the hands of the one international clicque of unscrupulous men.

35-5-246

Thus it happened that in 1918, when first you fell into this bad habit of tendering me delightful dinners, I fell into what is now stigmatized as the equally bad habit of seeing war as a main link of that chain of evils which today threatens all which we count as worth preserving and living for.

My new start in 1918 seemed logical and timely after that day of wrath. Peace had come. The war to end all war was done. The endless wars of all the worlds had culminated in one vast holocaust of blood and shame. Germany, that peerless leader of science and philosophy was in the dust. France was decimated. I sat in the halls of the Trocadero and heard the voice of a magnificent figure from the Comedie Francais cry "C'est La Victoire! C'est La Victoire!" There were tears in that voice. In vain France kissed Black Africa and Yellow Indo-China on the cheek and wound the Croix de Guerre on their breasts. In vain. For below writhed in utter grief and bandon the mothers of six million French boys. I tramped through the mud and filth of the Argonne. I saw the wild children crawling through the sewers of Moscow. I saw the unending line of young whores thronging the Friedrichstrasse of Berlin, and in London, Englishmen tried to look stolid when their Empire was tottering and the guts had been beaten out of their hearts. It was a hideous price the world was paying for victory, and its only justification, if there was any justification, was that we had ended all war -- no more war!

On this foundation I proposed to build. Since war for centuries had been coupled with racism the child of exploitation, now that war had ceased, a new racial understanding and progress must ensue. I was but a lone pygmy grasping at thunderbolts and at a world conflagration of which I had no dream. Americans jeered at my plan for a Pan-African Congress and for giving the Negro voice in the control of the mandated German colonies. But I walked past the soft advice of Colonel House, who talked for President Wilson, and the doubts of Walter Lippman, and with the help of Blaise Diagne, the African who saved France with 150,000 Black Senegalese, I went straight to Georges Clemenceau, Prime Minister of France. Just as Secretary of State Polk was refusing passports to American Negroes because there would be no Pan-A frican Congress, and while Britain would not let even representatives of the old anti-slavery societies attend, Clemenceau said "Go Ahead"! And we went.

But of course we did not go far - just a little step. We held Pan-African Congresses in Paris, London, Brussels and Lisbon in 1919, 1921 and 1923. We aroused then, as now, the fury of the imperialists: we were "financed from Moscow" yelled the Belgians; we were "Garvey revolutionists" yelled the English. But we did plant ideas with the Mandates Commission and the International Labor Organization.

Then came the decade of indecision from 1819 to 1929. I saw Russia and Germany. And for the first time, I saw Africa. I came home to lynching and race riot and disfranchisement. The election of 1928 marked the lowest mark of Negro political recognition in this land. Twenty-five Negroes of every shade of opinion - Robert Moton, James Weldon Johnson, John Hope, Nathaniel Dett, Fred Moore and Bishop Carey, united to say:

> "That in the presidential campaign of 1928, more than in previous campaigns since the Civil War, the American Negro was treated in a manner which is unfair and discouraging.
>
> "We accuse the political leaders of this campaign of permitting without protest, public and repeated assertions on the platform, in the press, and by word of mouth, that color and race constitute in themselves an imputation of guilt and crime."

There followed the great depression and the New Deal. I saw a nation on its knees struggling to expand into a broader socialism and a new internationalism. I began anew search for guidance and truth. In body and spirit I went around the world in 1936. I stayed five months in England, France and Germany. I traversed the Soviet Union from Moscow to Manchuria. For the first time I saw A sia through China and Japan. I came back by the Golden Rain of Hawaii with a new vision of peace and interracial comity. And I came back to new world war. It was again contradiction and paradox. It was scientific frustration and denial of knowledge. My sociology, my science of human action which I was beginning to formulate was all foolishness.

But at last in mind and spirit I grew to that maturity which still learns but is not ignorant, dares to reach decisions and yet to change them. I saw war not historically or theoretically but actually for what it was - a cause, and not merely a link in a chain; a vicious habit of semi-civilized man, used to cloak objects and designs which they dare not openly declare.

35-5-247

I knew of course as a scientist that even a great cause must itself be caused. But I also saw that in the chain of events all are not equal nor equally caused. Some links loom large and purposeful for obscure reasons of inner will or outer force, for which perhaps we may ever search and never find. Certainly in our day war itself is the embodiment of an evil which must be fought head-on, to clear the way and give the time and save the life to rescue the future progress of mankind. And the pure hypothesis that this counteracting force can be applied by is as old as time and as true as truth.

For this reason, since the beginning of the second world war, I have given all the thought and energy I could to peace, whenever and wherever I found an opportunity. I was sponsor and speaker at the cultural and scientific conference for world peace, held in New York in March 1949. I attended gladly the Paris World Congress for Peace held in April which was the greatest meeting I have ever seen. I planned to attend the American Continental Congress for Peace in Mexico City in September, but before that I was invited to an all-Russian Peace Congress in Moscow in August. In the United States I was on the programme of the meeting of the Committee of Peaceful Alternatives.

Meantime, in the United States peace and peace movements were not news. The press was almost completely silent on the movements toward peace which were shaking the entire world. To counteract this ignorance and let America realize that most men did not want war, forty-two persons on April 3, 1950, formed the Peace Information Bureau for the purpose of letting as many Americans as possible know the facts about the peace movement in Europe and Asia, and letting the world know that a peace movement was growing here. We printed and circulated the Stockholm Appeal against the atom bomb; we distributed the Red Cross protest; we spread news of the Quaker statement and our Peace-Grams went to thousands, and millions responded.

Then the counter-attack came. First the Secretary of State condemned the Stockholm A ppeal as a conspiracy, then four months after our activities began the Department of Justice demanded that we register as "publicity agent" of a "foreign principal." We protested and wrote:

> "The Peace Information Center was conceived and formed by a group of American citizens, apprehensive lest the growing tensions among the governments of the world burst into a terrible conflagration which might well snuff out civilization as we know it. They believed that the overshelming desire of the American people was for peace. They also believed that the avoidance of the mass destruction and human misery of a third world war was dependent, in a large measure on the expression by the American people of their desire for peace. They conceived that the Peace Information Center would serve the American people by informing them of the issues of peace; by making available to them data concerning the great struggles being carried on for the maintenance of international peace; and by providing the means and forum for expressing their desire for peace."

The Department insisted that they were not satisifed. I then asked for a personal conference which was denied. I therefore wrote in September:

> "I cannot but feel that in a matter of such serious concern, (Mr. Foley's) denial to me of an opportunity to be heard must necessarily reflect adversely upon the Department of Justice. I should think that the possible consequences of an unjustified enforcement of the Act would impel the Justice Department to bend every effort to make certain of its conclusions. The Department's arbitrary and capricious refusal to confer with me compels me to infer that either the Department is unaware of the import of the statute which it seeks to enforce, or that it is unwise enough to deal cavalierly with the rights of American citizens."

In the meanwhile our Bureau was closing its temporary role as various peace movements arose in hundreds of American centers and national organizations appeared. By October we had closed our actitivites and were only answering correspondence which continued to come asking especially news of the convening new peace meetings. The office closed completely in January.

On February 16, four of us were arraigned in Washington. It was my first visit to a criminal court. Before we appeared at the dock, five other persons were arraigned, a white youth accused of manslaughter and another for not supporting his child, two white men accused of gambling, and one thin black girl of forgery. I was finger-printed, made to empty all my pockets, "frisked" for concealed weapons and hand-cuffed.

35-5-248

Thus I stand tonight facing the possibility of celebrating my future birthdays in prison, and thus relieving all "Houses of Essex" from embarrassment. The prospect is not pleasant. Yet I continue to maintain that advocacy of peace is not treason; that I am the agent of no foreign principal and never have been; that I am the champion of no idea alien to this nation; and that I have the right within the law in the future as in the past to fight for peace.

One often wonders how far it is right to fight for unpopular causes and against the weight of public opinion. The very sweep and power of the world at any age makes any human being doubt his knowledge and judgment and shrink before the hosts of time. Yet as I look back I seem to see many victories and much satisfaction for such efforts. If we seem at present worsted in our effort to halt war, this may be in part due to our failure to see in war the vast evil it has recently become, and in part too because we do not yet know how much we have really accomplished. Victory may be nearer than we think.

Let us continue to dream with Shelly:

"To suffer woes which hope thinks infinite,
To forgive wrongs darker than death or night,
To defy power, which seems omnipotent,
To love, and bear; to hope till hope creates
From its own wreck the thing it contemplates,
Neither to change, nor falter, nor repent.
This, like the glory, Titan! Is to be
Good, great and joyous, beautiful and free.
This is alone life, joy, empire and victory.

W. E. B. DU BOIS

THE CHARACTERISTIC OF OUR DAY IS THE RISE OF SOCIALISM NOT ONLY EXTREME SOCIALISM IN RUSSIA, BUT THE MORE MODERATE SOCIALISM OF SCANDINAVIA, ENGLAND FRANCE AND ITALY: AND JUST AS CLEAR THE TREND TOWARD SOCIALISM IN THE UNITED STATES. IN OTHER WORDS THE IDEA OF FREEDOM WHICH WAS CONNECTED WITH PIONEER AMERICA IS GONE FOR EVER. SOME OF OLDER FOLK CAN REMEMBER THE DAY OF FREEDOM WHICH SEEMED THE CHARACTERICALLY AMERICAN: WHEN A MAN OWNED HIS BUSINESS AND RAN IT AS HE PLEASED: WHEN HE COULD DO WHAT HE WANTED WITH WHAT HE CALLED "HIS PROPERTY". WHEN MOVEMENT HERE AND THERE IS HIS COMMUNITY AND IN HIS NATION WAS UNHAMPERED. WE ALL KNOW THAT THIS IS NOT TRUE TODAY. NO PERSON OR PROPERTY IS FREE TO DO WITH IT AS HE PLEASES, NO MATTER WHETHER HE LIVES IN BOSTON OR MOSCOW. NO PERSON CAN RUN HIS BUSINESS AS HE PLEASES, AND THAT IS JUST AS TRUE IN NEW YORK AS IT IS IN LONDON.

35-5-165

BUT WHILE ALL THIS IS CLEAR. THE REASON FOR IT IS NOT DISCUSSED AS IT SHOULD BE. WE ARE AFRAID TO TEACH ECONOMICS PLAINLY TODAY IN OUR SCHOOLS,

IN OUR COLLEGES, IN THE PUBLIC PRESS: IT REMAINS A VAGUE AND SECRET MATTER. AND YET WHAT HAS HAPPENED IS NOT UNUSUAL OR UNEXPECTED. IN ORDER FOR THE WORLD TO SATISFY ITS WANTS MORE PEOPLE HAVE TO COOPERATE TODAY AND THEY HAVE TO COOPERATE ACCORDING TO THE LAWS OF HUMAN ACTION. THERE ARE MORE WANTS TO BE SATISFIED AND THE WANTS OF MORE PEOPLE AND MORE WAYS OF SATISFYING HUMAN WANTS ARE POSSIBLE. WE ARE LIVING CLOSER TOGETHER AND THAT INCREASED WORLD UNITY IN ITSELF MAKES THAT ACTION HERE TOUCHES ACTION ELSEWHERE AND THAT THERE MUST BE COOPERATION OR CHAOS ENSUES.

MOREOVER, WE RECOGNIZE TODAY AS NO PREVIOUS CENTURY COULD, THE PREVALENCE OF LAW. NOT SIMPLY OF PHYSICAL LAW, LIKE THE LAW OF GRAVITATION: BUT OF THE BIOLOGICAL LAWS AND RYTHMS WHICH GOVERN LIFE AND HEREDITARY: AND BEYOND THAT OF CERTAIN PSYCHOLOGICAL AND SOCIAL LAWS OF THOUGHT AND ACTION. IT IS NOT THE QUESTION OF CHOICE AS TO WHETHER OR NOT WE WILL OBEY THESE LAWS. THE LAW OF

GRAVITATION IS GOING TO ACT WHETHER YOU WANT IT TO OR NOT: AND JUST AS TRULY, THE LAWS OF SOCIAL ACTION ARE GOING TO BE EFFECTIVE, EVEN AGAINST YOUR WISHES AND YOUR PREJUDICES. IT IS THEREFORE CLEAR THAT THE REALM OF FREEDOM AS WE USED TO CONCEIVE IT: OF THE RIGHT OF A MAN TO DO AS HE PLEASED, HAS BEEN VASTLY LIMITED IN OUR DAY, AND IS GOING TO BE LIMITED EVEN MORE IN THE FUTURE.

THIS DOES NOT MEAN THE ENTIRE DISAPPEARANCE OF FREEDOM. ON THE CONTRARY IN THE PROPHECY AND THE REASONING OF MANY PEOPLE, IT SEEMS CLEAR THAT A WIDE REALM OF FREEDOM CAN BE PRESERVED AND PROTECTED ALL THE MORE CAREFULLY, IF WE SURRENDER TO NECESSARY REGIMENTATION IN OTHER REALMS.

35-5-166

IF BECAUSE OF NATURAL LAW, THERE MUST BE RULES AS TO FOOD AND CLOTHING, AS TO DISTRIBUTION OF PRODUCTS AND METHODS OF PRODUCTION, AS TO THE WAY IN WHICH MEN OF DIFFERENT STRENGTH AND DIFFERENT ABILITIES, AND DIFFERENT DISPOSITIONS CAN BE USED FOR THE MAIN OBJECTS OF INDUSTRY. IN JUST SUCH WAY ONCE THESE FUNDAMENTAL MATTERS ARE SETTLED, THERE STILL REMAINS A WIDE REALM OF FREEDOM: FREEDOM TO REASON, FREEDOM OF THOUGHT AND MEMORY: FREEDOM FOR THE

IMAGINATION, FREEDOM FOR THE CREATIVE ARTS: AND THIS IS SO WIDE A REALM AND SO FRUITFUL THAT ONCE MEN HAVE ESCAPED THE COMPULSION OF HUNGER AND HEALTH: WEATHER AND SHELTER THAT MANY OF US BELIEVE SUCH FREEDOM WHEN IT COMES WILL MORE THAN COMPENSATE FOR EVERYTHING WHICH MEN LOSE IN THE RIGOROUS COMPULSION OF PRODUCTION AND COMMERCE.

BUT IT IS JUST HERE IN THIS REALM OF THE SPIRIT UNFORTUNATELY THAT WE ARE SUFFERING THE GREATEST SETBACKS TODAY. WE NOT ONLY HAVE LOST OUR FREEDOM OF ACTION, TRAVEL, AND BUSINESS ENTERPRISE; BUT WE HAVE LOST FREEDOM OF THOUGHT AND REASON, OF CREATIVE ART AND IMAGINATION. WE HAVE ENTERED INTO THE RIGORS OF A POLICE STATE, NOT ONLY WHERE SUCH RIGORS MAY BE NECESSARY, BUT WHERE THEY ARE CLEARLY AND UNDOUBTEDLY UNNECESSARY, SURPLUFLOUS AND EVIL. BECAUSE SOCIALISM IS INCREASING, THE REASON FOR THIS MUST BE CLEAR AND THE REASONS IN AN AVOWEDLY SOCIALISTIC STATE HAVE BEEN OFTEN DECLARED: THEY ARE

THE NEED FOR MORE AND BETTER FOOD, OF BETTER HOUSING AND CLOTHING, OF BETTER TRANSPORTATION, PROTECTION OF HEALTH AND PROVIDING RECREATION AND DIVERSON. SOME OF THESE THINGS HAVE BEEN REALIZED IN THE WORLD, SUCH AS BETTER HOUSING FOR THE MASS OF PEOPLE THROUGHOUT SCANDINAVIA. THERE CAN BE NO QUESTION ABOUT THE RISE IN WAGES IN CZECHOSLOVAKIA AND MOST OF THE BALKANS: THERE CAN BE NO DOUBT BUT WHAT THE NATIONALIZATION OF COAL AND THE SOCIAL HEALTH PLAN OF ENGLAND HAS BEEN OF TREMENDOUS ADVANTAGE TO THE BRITISH PEOPLE. THERE IS NO DOUBT BUT WHAT THE WIDE PLANNING OF CITIES AND TRANSPORTATION IN FRANCE HAVE MADE THAT LAND MORE LIVABLE. SO FAR THEN AS THE OBJECTS OF SOCIALISM ARE BETTERMENT OF THE PEOPLE IN INCOME AND LIFE: THERE IS NO DOUBT THAT THE ADVANCE OF SOCIALISM MEANS THE PROGRESS OF THE WORLD.

BUT TODAY SOCIALISM IS DIVIDED INTO TWO GREAT ANTOGONISTIC AREAS ACCORDING TO THE OBJECTS WHICH SOCIALISM HAS IN VIEW. THE OBJECT OS SOCIALISM IN THE UNITED STATES TODAY IS NOT COMMON WELFARE SO MUCH AS IT IS MILITARY MIGHT. THAT SOCIALISM IS BEING USED IN THE UNITED STATES FOR THIS END IS UNQUESTIONABLE.

WE ARE UNDER THE DICTATORSHIP OF BIG BUSINESS AND MILITARY LEADERS IN ORDER TO CURB, DIRECT AND UNIFY OUR INDUSTRIES, IN ORDER TO LIMIT OUR THOUGHT AND ACTION IN ORDER TO EMPLOY OUR PEOPLE TO THE WIDEST EXTENT, SO THAT WE SHALL BECOME SO POWERFUL BY FORCE OF ARMS, SHIPS AND METHODS OF DESTRUCTION THAT WE CAN DICTATE THE THOUGHT AND ACTION OF THE WORLD.

THE OBJECT OF THAT DICTATION IS NOT SO CLEARLY EXPRESSED AND YET WE KNOW WHAT IT IS: IT IS THE RIGHT OF AMERICAN BUSINESS ENTERPRISE TO SPREAD AROUND THE WORLD AND TO CONTINUE THOSE METHODS OF PROFIT MAKING, WHICH WAS SO TREMENDOUSLY SUCCESSFUL UNDER THE COLONIAL SYSTEM OF THE NINETEENTH CENTURY. THE CONTROVERSY OVER OIL IN THE MIDDLE EAST, THE CONTROVERSY OVER THE OWNERSHIP OF NATURAL RESOURCES AND CONTROL OF LABOR IN ASIA, ESPECIALLY IN CHINA. THE CONTROVERSY OVER INDONESIA AND THE PHILLIPINES AND THE DIFFICULTIES IN SOUTH AMERICA AND THE CARIBBEAN, ALL ARE RISING FROM THE DEVELOPMENT OF EUROPEAN AND AMERICAN BUSINESS AND THE DETERMINATION OF OUR BUSINESS ENTERPRISE

33-5-162

TO PROFIT FROM CHEAP LABOR AND CHEAP RAW MATERIALS IN THE WORLD. IN OTHER WORDS, THE ATTEMPT TO RESTORE IN EFFECT THE COLONIALISM, CHARACTERISTIC OF THE 19th CENTURY WHICH MANY HAVE THOUGHT WAS DISAPPEARING IN A NEW ASIATIC AND AFRICAN NATIONALISM. THIS IS BEING OPPOSED TODAY BY THIS TREMENDOUS PREPARATION FOR WAR.

35-5-162

WE MUST RECOGNIZE THIS AND LOOK THE SITUATION CLEARLY IN THE FACE. WE MUST REALIZE WHAT WE ARE GETTING OUT OF THIS MILITARY SOCIALISM. IN THE FIRST PLACE, WE HAVE ALREADY LOST OUR RIGHT AND PRIVILEGE TO DISCUSS BOTH SIDES OF OUR POLITICAL AND SOCIAL PROBLEMS. IT IS ALMOST IMPOSSIBLE TODAY TO TALK AND TO GIVE THE ARGUMENTS FOR PEACE BEFORE ANY CONSIDERABLE AUDIENCE OF AMERICAN PEOPLE. THE TIME IS RAPIDLY APPROACHING WHEN ADVOCACY OF PEACE IS GOING TO BE BRANDED AS TREASON. IT HAS ALREADY BEEN SO BRANDED IN THE CASE WHCICH I AM CONNECTED . AS OFFICIAL OF THE PEACE INFORMATION CENTER, I TRIED TO SPREAD KNOWLEDGE OF WHAT THE PEACE MOVEMENTS WERE DOING ABOUT THE WORLD AND FOR THAT REASON WAS INDICTED AS A CRIMINAL, UNLESS I ADMITTED THAT MY IDEAS

WAS NOT MY OWN BUT WERE DICTATED BY A FOREIGN AGENT. CONSTRUCTIVELY THEREFORE MY ACTION WAS TREASON AND FOR THIS I MUST GO TO TRIAL, OCTOBER 2, AND IF ADJUDGED GUILTY BE LIABLE TO FIVE YEARS IN PRISON AND FIVE THOUSAND DOLLARS FINE.

T IS, WHICH IS BUT AN INDIVIDUAL CASE IS GOING TO SPREAD MORE AND MORE WIDELY UNLESS THE PEOPLE OF THE UNITED STATES REALIZE JUST WHAT IS HAPPENING. THERE IS FOR INSTANCE NO QUESTION, BUT WHAT WE ARE GETTING SOME ADVANTAGES FROM OUR MILITARY SOCIAL CONTROL. WE ARE GETTING IN THE FIRST PLACE, FULL EMPLOYMENT: EMPLOYMENT TO A DEGREE WHICH PERHAPS NEVER HAS BEEN REALIZED BEFORE IN THE UNITED STATES. BUT THIS DOES NOT MEAN ASMUCH AS IT MIGHT, BECAUSE WITH FULL EMPLOYMENT THERE COMES CONSISTENT LOWERING OF INCOME, DUE TO INFLATION AND HIGH PRICES AND INCREASING TAXATION: THERE COMES ALSO THOUGHT CONTROL AND THE RUIN OF THE DEMOCRATIC PROCESS SINCE PEOPLE ARE NOT ALLOWED TO KNOW THE FACTS.

I REMEMBER AS A BOY THAT THE CONGREGATIONAL CHURCH IN MY NEW ENGLAND VILLAGE WAS BURNED. WHEN IT WAS REBUILT THERE WAS A CARVING ON THE COMMUNION TABLE IN FRONT OF THE ALTAR WHICH SAID: "THE TRUTH SHALL MAKE YOU FREE." IT WAS MY FIRST ACQUAINTANCE WITH THIS OLD AND WELL-KNOWN PHRASE, AND IT ESPECIALLY INTERESTED ME BECAUSE IT WAS WRITTEN IN THE GREEK WHICH I WAS THEN BEGINNING TO STUDY IN HIGH SCHOOL. AND THEN WHEN THE NEW CHURCH WAS DEDICATED, THE SERMON GREATLY IMPRESSED ME AS A BOY OF FIFTEEN. IT WAS PREACHED FROM THE OLD TESTAMENT TEXT: "FOR THUS SAITH THE HIGH AND MIGHTY ONE WHO INHABITED ETERNITY, WHOSE NAME IS HOLY. I DWELL IN THE HIGH AND LOFTY PLACES WITH HIM ALSO THAT IS OF A CONTRITE AND HUMBLE SPIRIT; TO REVIVE THE SPIRIT OF THE HUMBLE, TO REVIVE THE SPIRIT OF THE CONTRITE ONES."

36-8-18

I HAVE LIVED 68 YEARS SINCE THOSE DAYS: TO SEE THREE WARS BOTH OF INCREASING VIOLENCE, DEATH AND DESTRUCTION, AND TO FIND IN THIS COUNTRY NOT ONLY A TOTAL LOSS OF ALL PRETENSE OF HUMILITY AND BOASTFUL SELF-RIGHTEOUS ARROGANCE WHICH APPALS DECENT PEOPLE, BUT ALSO A DETERMINATION TO KEEP THE MASS OF PEOPLE FROM

SEARCH FOR TRUTH AND FROM DISCUSSION OF THE FACTS. IT IS A FRIGHTENING THING TO SEE THE UNITED STATES TODAY THE MOST HATED AND FEARED COUNTRY OF THE WORLD, AMONG ALL OF THE EARTH'S CHIEF NATIONS. AND TO SEE US DETERMINED TO ENTER UPON A THIRD WORLD WAR, WITHOUT FREE DISCUSSION AND WITHOUT ANY CHANCE TO REALIZE THE TRAGEDY TOWARD WHICH THE WORLD IS MOVING.

THE LOSS OF CIVIL RIGHTS DURING THE LAST TEN YEARS IN THE UNITED STATES IS NOT REALIZED BY MOST PEOPLE. IT CAN BE SHOWN CHIEFLY BY THE PEACE MOVEMENT. WHEN IN THE EARLY 20TH CENTURY THIS MOVEMENT WAS CHIEFLY A PAST-TIME AND THEORY, IT HAD A CONSIDERABLE FOLLOWING IN THE UNITED STATES, BUT LITTLE ACTION BECAUSE THERE SEEMED NO CALL FOR ACTION. PEACE WAS GOING TO CHARACTERIZE THE NEW CENTURY. TODAY IT IS IMPOSSIBLE TO MENTION THE WORD PEACE WITHOUT INCURRING THREAT. A FEW MONTHS AGO I WAS ASKED TO ATTEND A PEACE RALLY IN UNION SQUARE IN NEW YORK,

PLANNED BY THE TRADE UNIONS. I WAS GLAD TO CONSENT BUT ON THE DAY OF THE MEETING THE UNION LEADERS ASKED ME NOT TO APPEAR, AS THE MEETING WAS GOING TO BE BROKEN UP BY THE POLICE. IT WAS BROKEN UP WITH FORCE AND SOME BLOOD. WHEN CERTAIN GROUPS TRIED TO DISTRIBUTE PEACE LEAFLETS, DURING THE RECEPTION TO ~~DISTRICTX~~ GENERAL MACARTHUR, THEY WERE HUSTLED OFF THE STREETS OF NEW YORK BY THE POLICE. TODAY NO DEMONSTRATION FOR PEACE IS LIKELY TO BE PERMITTED BY THE AUTHORITIES. IT IS EVEN DIFFICULT FOR PEACE ORGANIZATIONS TO GET PERMISSION OF BANKS TO PLACE ACCOUNTS AND PERHAPS TO ME THE MOST AWAKENING THING HAS BEEN MY RECENT INDICTMENT AS "AGENT OF A FOREIGN PRINCIPAL," BECAUSE OF MY ACTIVITIES IN THE PEACE INFORMATION CENTER.

LET ME EXPLAIN THAT SINCE MY TWO YEARS OF EDUCATION AT THE UNIVERSITY OF BERLIN IN 1892-94, I HAVE BEEN INTERNATIONALLY MINDED. I HAVE TRIED TO KEEP UP WITH WHAT BOTH EUROPE AND ASIA WERE THINKING AND I HAVE VISITED THE CONTINENT THIRTEEN DIFFERENT TIMES. I HAVE TRAVELLED IN NEARLY ALL MODERNC COUNTRIES EXCEPT INDIA AND SOUTH AMERICA AND I HAVE BEEN IN CONTINUOUS CONTACT WITH SOCIAL MOVEMENTS,

36-8-19

ESPECIALLY THOSE THAT HAD TO DO WITH RACE RELATIONS AND PEACE.

MY ACTIVITY THEREFORE FOR PEACE AND ALLIED SUBJECTS DID NOT BEGIN WITH THE PEACE CONGRESSES IN1949, BUT I EAGERLY TOOK PART IN THEM. I WAS SPONSOR FOR THE NEW YORK CONFERENCE AT THE WALDORF ASTORIA AND THOUGHT IT WAS A GREAT TRIUMPH WHEN WE GOT NOT ONLY THE PEOPLES OF WESTERN EUROPE AND AMERICA BUT THE PEOPLES OF EASTERN EUROPE TO SIT DOWN AND TALK ABOUT PEACE.

THAT SAME YEAR I WAS INVITED TO THE PEACE CONGRESS IN PARIS, WHICH WAS TO MY MIND THE GREATEST CONGRESS ON ANY SUBJECT WHICH I HAVE EVER ATTENDED. IT REMINDED ME OF A LESS KNOWN CONGRESS HELD IN LONDON IN 1911, CALLED THE RACE CONGRESS OF WHICH FELIX ADLER AND MYSELF WERE THE AMERICAN SECRETARIES. IT BROUGHT TOGETHER A LARGE NUMBER OF THE RACIAL G OUPS OF THE WORLD AND MIGHT HAVE STARTED A WORLD WIDE PEACE MOVEMENT HAD IT NOT BEEN FOR THE FIRST WORLD WAR.

THE PARIS MEETING WAS THRILLING IN ITS INTENSITY AND EARNESTNESS. I WAS APPOINTED ON ITS WORLD COMMITTEE AND DID ALL I COULD TO TELL PEOPLE IN THE UNITED STATES ABOUT THE MEETING AND ABOUT THE NEW PEACE MOVEMENT. LATER IN THAT SAME YEAR, 25 PROMINENT AMERICANS WERE INVITED TO ATTEND A RUSSIAN PEACE CONGRESS. I WAS THE ONLY ONE THAT ACCEPTED, AND WENT TO THAT INTERESTING MEETING. I WAS ALSO SCHEDULED TO SPEAK AT PEACE MEETINGS IN MEXICO AND CUBA, BUT DID NOT HAVE TIME TO ATTEND THEM.

WHEN THOSE WHO HAD ATTENDED THESE VARIOUS CONGRESSES AND OTHER PEOPLE WHO WERE INTERESTED IN PEACE SAT DOWN TOGETHER AFTER THE WAR, WE ASKED OURSELVES WHAT COULD BE DONE TOWARD INSTITUTING A REAL PEACE MOVEMENT IN THE UNITED STATES. WE DID NOT TRY TO ORGANIZE BRANCHES OF THE PARIS WORLD CONGRESS ALTHOUGH URGED TO AS WER WERE WARNED THAT THIS MIGHT BE CONSIDERED ILLEGAL.

36-8-20

BUT THERE WAS ONE THING WHICH SEEMED TO US COULD BE DONE AND THAT WAS TO TELL THE PEOPLE OF THE UNITED STATES SYSTEMATICALLY AND WIDELY WHAT OTHER NATIONS

WERE DOING TOWARD PEACE AND HOW THEY WERE DOING IT. WE THEREFORE FORMED IN APRIL 1949, THE PEACE INFORMATION BUREAU. THIS WAS A TEMPORARY AND LIMITED ORGANIZATION WITH A SECRETARY AND EXECUTIVE COMMITTEE, AND A GROUP OF PERSONS WHO MIGHT BE CONSIDERED GENERAL MEMBERS. THIS COMMITTEE WAS FINANCED BY AMERICANS. IT RECEIVED NO FUNDS FROM ABROAD AND WORKED SOLELY FOR PEACE.

WE PUBLISHED FOUR OR FIVE SO CALLED PEACE-GRAMS WITH NOTES CONCERNING WORLD PEACE MOVEMENTS. WE RECEIVED COPIES OF THE STOCKHOLM APPEAL AGAINST THE ATOM BOMB REPRINTED THEM AND DISTRIBUTED THEM WIDELY ASKING FOR SIGNATURES. WE RECEIVED OVER TWO MILLION SIGNATURES OF THESE PETITIONS. WE DISTRIBUTED THE RED CROSS APPEAL FROM GENEVA AND MADE PUBLIC THE PEACE WORK OF QUAKERS AND OTHER ORGANIZATIONS. WE HAD BEEN AT WORK ONLY A SHORT TIME WHEN WE WERE ATTACKED BY THE SECRETARY OF STATE IN A PUBLISHED ANNOUNCEMENT TO WHICH WE REPLIED. THAN LATER

WE WERE ASKED BY THE DEPARTMENT OF JUSTICE TO REGISTER AS "AGENT OF A FOREIGN PRINCIPAL". WE IMMEDIATELY SENT OUT ATTORNEY TO WASHINGTON WITH A CAREFUL STATEMENT OF FACTS AND THE DECLARED OPINION THAT WE DID NOT COME UNDER THIS STATUTE AS WE WERE NOT AGENT OF ANY FOREIGN PERSON, NATION OR GOVERNMENT.

THE DEPARTMENT OF JUSTICE LATER REPEATED THEIR DEMAND, AND WE AGAIN REPLIED CAREFULLY. FINALLY I WROTE TO THE ATTORNEY GENERAL ASKING FOR AN INTERVIEW, SAYING THAT WE HAD NO DESIRE TO BREAK THE LAW, BUT WE DID WANT A CONFERENCE AND A CLARIFICATION OF THE CHARGES AGAINST US. SUCH A CONFERENCE WAS REFUSED. WE THEN CLOSED THE ACTIVITIES OF THE BUREAU FOR TWO REASONS: FIRST BECAUSE OF THE PROSPECT OF DIFFICULTY WITH THE GOVERNMENT AND SECONDLY BECAUSE OUR MAIN WORK SEEMED ACCOMPLISHED AND A REAL PEACE MOVEMENT IN THE UNITED STATES WAS IN MAKING.

100-8-21

NOT WITHSTANDING THIS, IN FEBURARY, AFTER OUR WORK WAS CLOSED, WE WERE INDICTED BY THE GRAND JURY IN WASHINGTON AND LATER ARRAIGNED. I WAS FINGER-PRINTED FRISKED FOR CONCEALED WEAPONS AND HANDCUFFED. LATER I WAS RELEASED ON A THOUSAND

DOLLARS BAIL. THE PLEADING OF MOTIONS TOOK PLACE IN WASHINGTON YESTERDAY AND OUR TRIAL IS FOR MAY 14. THE PENALTY IF WE ARE FOUND GUILTY MAY BE FIVE YEARS IN PRISON AND FIVE THOUSAND DOLLARS FINE. REMEMBER THAT WE HAVE BEEN ACCUSED OF NO CRIMINAL ACTION: WE ARE NOT ACCUSED OF TREASON OR CONSPIRACY: IT IS ADMITTED THAT ALL WE DID WAS LEGAL AND RIGHTFUL FOR AMERICAN CITIZENS: WE ARE ONLY ACCUSED OF REFUSING TO DECLARE THAT OUR ACTIONS WERE NOT OUR OWN BUT DICTATED BY A FOREIGN ORGANIZATION OF WHICH WE WERE AGENTS. THE ACCUSATION IS ABSURD AND CAN ONLY BE SUPPORTED BY REJECTING THE ORDINARY AND COMMON LAW DEFINATION OF AGENT AND SUBSTITUTING A NEW CONCEPTION WHICH THIS EXTRACRDINARY STATUE CONTAINS. UNDER IT ANYONE WHO REPEATS THE THOUGHT OF ANY FOREIGNER IS LAIBLE TO ARREST UNLESS HE CONSENTS TO LIE.

WHETHER OR NOT MY FEW REMAINING YEARS ARE SPENT IN JAIL OR OUT IS OF LITTLE

IMPORTANCE BUT ON THE OTHER HAND THIS CASE IS OF TREMENDOUS SIGNIFICANCE IF THE DEMOCRATIC PROCESS OF WHICH WE BOAST IS TO CONTINUE IN THE UNITED STATES AND IF THOUGHT AND OPINION ARE TO BE FREE AND CIRCULATE IN THE WORLD.

THE BASIC FACT ABOUT DEMOCRACY, IS FREEDOM TO SEARCH FOR TRUTH AND FREEDOM TO EXPRESS IT. THAT DOES NOT MEAN THAT EVERY PERSONS OPINIONS ARE RIGHT, BUT IT DOES MEAN THAT WHEN THE MASS OF PEOPLE COME TO DECISION, THEY HAVE HAD THE OPPORTUNITY TO SEE WHAT OTHER PEOPLE THINK AND KNOW. THIS PROCESS IS BEING STOPPED IN THE UNITED STATES AT THE VERY TIME WHEN WE NEED IT MORE THAN EVER BEFORE. THERE IS NO QUESTION ABOUT IT, WE ARE BEING PUSHED RAPIDLY TOWARD A THIRD WORLD WAR. THE RECALL OF GENERAL MACARTHUR INSTEAD OF MAKING PEACE MORE PROBABLE AS MANY OF US THOUGHT IT WOULD, IS MAKING WAR MORE IMMINENT. AND YET IN THE FACE OF THIS, NOT ONLY ARE PEOPLE SILENT BUT MASSES DO NOT KNOW THE FACTS OR HAVE A CHANCE TO HAVE THE TRUTH PUT BEFORE THEM.

36-8-22

THOSE OF YOU WHO HAVE SPONSORED THIS DINNER HAVE BEEN SOMEWHAT DISAPPOINTED

AT THE RESPONSE. YOU HAVE NOT REALIZED THE WAVE OF FEAR AND REPRESSION THAT IS CHOKING THE PEOPLE OF THE UNITED STATES. MOST PEOPLE ARE AFRAID TO TAKE PART EVEN IN SO MILD A DEMONSTRATION AS THIS. THIS IS TRUE NOT SIMPLY OF WHITE PEOPLE BUT OF COLORED PEOPLE. THE MAJORITY OF WELL TO DO AND EDUCATED COLORED PEOPLE TODAY ARE AFRAID OF THEIR JOBS, AFRAID OF PERSECUTION BY THE GOVERNMENT, AFRAID OF DISCRIMINATION, BECAUSE OF THEIR OPINIONS. IT IS NOT SIMPLY THE RELAY GAMES THAT KEEPS THEM FROM AN OCCASION LIKE THIS, IT IS FEAR AND CAUTION.

I WROTE FOR THE PEACE INFORMATION CENTER IN JUNE 1950, LONG BEFORE WE DREAMED OF PERSECUTION: "THE MOST ASTONISHING FACT IN THE MIDDLE OF THE TWENTIETH CENTURY OF THE PRINCE OF PEACE, IS THAT IT ACTUALLY TAKES COURAGE TO OPPOSE WAR AND PREPARATION FOR WAR. ESPECIALLY IS IT DANGEROUS TO WANT PEACE WITH RUSSIA."

AND SO HERE IN THE BEGINNING OF THE SECOND HALF OF THE 20thCENTURY, IN THE LAND OF THE FREE AND THE CITY OF BROTHERLY LOVE: IN A STATE FOUNDED ON PEACE

MORE THAN ON ANY OTHER SINGLE PRINCIPLE: IT IS PRACTICALLY IMPOSSIBLE TO MOBOLIZE A A DEMONSTRATION FOR PEACE AGAINST A THIRD WORLD WAR, OR AGAINST INJUSTICE. IT IS EVEN DIFFICULT FOR US TO SECURE LAWYERS WHO DARE DEFEND US. THIS IS A FRIGHTENING CONDITION AND IT MEANS THAT IN THE FUTURE, YOU ARE GOING TO HAVE INCREASING DIFFICULTY IN KNOWING THE TRUTH AND IN USING YOUR DEMOCRATIC RIGHTS TO VOTE AGAINST WAR AND FOR SOCIAL UPLIFT. THAT Y U AND YOUR CHILDREN ARE GOING TO BE STAMPEDED INTO A DARK AGE WORSE AND LONGER THAN THAT WHICH FOLLOWED THE FALL OF ROME. THIS IS THE TRUE SIGNIFICANCE OF OUR CASE. IF WE LOSE IT, YOU L SE MORE THAN WE CAN POSSIBLY LOSE: IF WE WIN IT, PERHAPS WE CAN BEGIN TO TURN THE TIDE AGAINST THE ABOLITION OF THE BILL OF RIGHTS AND AGAINST THE ORGANIZED MURDER OF MANKIND.

36-8-23

DR. W. E. B. DU BOIS FRIDAY, MAY 18, 1951

SPEECH TO THE AMERICAN LABOR PARTY

TODAY THE ONE GREAT AND PRESSING QUESTION BEFORE THIS NATION AND BEFORE THE WORLD, IS THE QUESTION OF PEACE. THE QUESTION AS TO WHETHER FOR A THIRD TIME WITHIN A GENERATION THE WORLD IS GOING TO WAR UPON AN UNPRECEDENTED SCALE WITH MURDER AND DESTRUCTION EXCEEDING ANYTHING WHICH PREVIOUS CENTURIES HAVE IMAGINED.

THIS GREAT AND FATAL QUESTION WE ARE NOT DISCUSSING TODAY IN THE UNITED STATES. IT IS NOT APPARENTLY HERE A QUESTION OF PEACE AND WAR, BUT SIMPLY OF WHAT KIND OF WAR AND UPON WHAT PEOPLE IT SHALL BE WAGED. THE COST OF SUCH A WAR IN HUMAN LIFE AND HEALTH, IN SOCIAL PROGRESS AND DESTRUCTION APPEARS TO BE IMMATERIAL TO US. WE CAN SPEND ANY AMOUNT OF MONEY IN ORDER TO WIN SUCH A WAR KNOWING AT THE SAME TIME, IF WE KNOW ANYTHING THAT IT IS IMPOSSIBLE TO WIN ANY WAR UPON SUCH A SCALE.

IF WE DID REACH SOME SORT OF CONCLUSION WHICH WE CALLED VICTORY, WE WOULD BE IN WORSE CASE THAN WE WERE BEFORE THE WAR BEGAN. ALREADY WE ARE AT WAR IN KOREA AND HAVE BEEN FOR MONTHS. THE WAR FROM EVERY POINT OF VIEW IS SILLY AND TRAGIC. IT HAS NO OBJECT WHICH WE CAN STATE, NO GOALS TOWARD WHICH WE ARE MANIFESTLY STRIVING AND NO DISCUSSION OF THE SITUATION IS ENCOURAGED OR ALLOWED. ALREADY IN THIS 'LITTLE POLICE ACTION' 50,000 OF OUR YOUNG MEN HAVE BEEN WOUNDED, CRIPPLED AND DRIVEN INSANE AND 12,000 LIE DEAD. NO END OR VISION OF AN END IS IN SIGHT. THE REASON FOR THIS IS THAT WE ARE THREATENED TODAY AS NEVER BEFORE BY A NEW FASCISM, BY A CAREFULLY PLANNED AND RUTHLESSLY CARRIED OUT RULERSHIP OF THIS LAND BY BIG BUSINESS AND MILITARY LEADERS.

IT IS NOT ATTACK UPON EFFICIENT BUSINESS METHODS OR UPON THE MILITARY TRAINING OF THE LEADERS OF OUR FORCES TO SAY THAT NEITHER GROUP IS A GROUP

WHICH CAN BE TRUSTED TO ACHIEVE PEACE. MILITARY MEN ARE TRAINED TO MURDER PEOPLE SWIFTLY, BUSINESS WHEN IT GETS TO BE OF SUCH SIZE THAT NEITHER INDIVIDUALS NOR THE STATE CAN CONTROL IT, IS ORGANIZED FOR PROFIT AND FOR PROFIT ALONE. CONSEQUENTLY TO MAKE THESE PEOPLE THE ARBITRATORS OF PEACE, IS A TRAGIC BIT OF STUPIDITY. THIS IS WHAT IS HAPPENING IN THE UNITED STATES. MEN LIKE MACARTHUR AND MARSHALL, BORN AND TRAINED TO KILL, ARE BEING PUT IN POSITION TO SAY WHEN KILLING SHALL STOP. MEN WHOSE INCOME DEPENDS UPON WAR, PREPARATION FOR WAR AND THE RESULTS OF WAR, ARE APPOINTED TO SAY WHEN WAR SHALL STOP.

30-8-71

THERE HAVE BEEN EXAMPLES OF THIS KIND OF DICTATORSHIP BEFORE IN THE WORLD BUT THE PRESENT DICTATORSHIP IS DIFFERENT BECAUSE IT NOT ONLY HAS CHARGE OF WAR PLANS AND WAR METHODS, BUT IN ADDITION TO THAT THROUGH THE CONTROL OF OUR SOURCES AND CHANNELS OF INFORMATION, IT IS TODAY KEEPING THE MASS OF INTELLIGENT PEOPLE FROM KNOWING WHAT IS HAPPENING. THIS TREMENDOUS ORGANIZATION

OF PROPAGANDA IS NOT REALIZED BY MANY PEOPLE. YOU DO NOT KNOW WHAT IS GOING ON IN THE WORLD TODAY, BECAUSE YOU ARE NOT ALLOWED TO KNOW. GREAT AND COSTLY MAGAZINES TELL YOU STORIES WHICH THEY ARE PAID TO TELL. THE LIBERAL COMMENTATORS UPON THE RADIO WHO USED TO GUIDE YOU HAVE IN PRACTICALLY ALL CASES BEEN PUT OFF THE AIR.

THE MOVING PICTURE INDUSTRY IS BEING CONFINED ALMOST EXCLUSIVELY TO ESCAPISM OR WAR PROPAGANDA. THE KIND OF BOOKS PUBLISHED IS STRICTLY LIMITED. THE PLATFORM AND THE PUBLIC HALLS OF THE NATION ARE CLOSED TO EVERYONE WHO DOES NOT REPEAT THE CURRENT DOGMA. THE THEATRE IS STILL PARTIALLY FREE AND THE COST OF THEATRE SEATS IS SUCH THAT MOST PEOPLE HAVE NO CHANCE TO GO.

ALL AROUND US IS THE GREAT CHRUS OF THE SILENT ONES, OF MEN AND WOMEN OF EDUCATION AND EXPERIENCE WHO KNOW WHAT IS GOING ON AND WHO ARE KEEPING THEIR MOUTHS SHUT FROM FEAR OR THREAT. THIS ABSENCE OF KNOWLEDGE AND DISCUSSION IS THE GREATEST TRAGEDY OF OUR TIME, AND IT WAS BECAUSE OF THAT,

THAT THE PEACE INFORMATION CENTER, OF WHICH I WAS CHAIRMAN FOR SEVERAL MONTHS, WAS ESTABLISHED.

LET ME EXPLAIN THAT SINCE MY TWO YEARS OF EDUCATION AT THE UNIVERSITY OF BERLIN IN 1892-94, I HAVE BEEN INTERNATIONALLY MINDED. I HAVE TRIED TO KEEP UP WITH WHAT BOTH EUROPE AND ASIA WERE THINKING AND I HAVE VISITED THE CONTINENT THIRTEEN DIFFERENT TIMES. I HAVE TRAVELLED IN NEARLY ALL MODERN COUNTRIES EXCEPT INDIA AND SOUTH AMERICA AND I HAVE BEEN IN CONTINUOUS CONTACT WITH SOCIAL MOVEMENTS, ESPECIALLY THOSE THAT HAD TO DO WITH RACE RELATIONS AND PEACE.

MY ACTIVITY THEREFORE FOR PEACE AND ALLIED SUBJECTS DID NOT BEGIN WITH THE PEACE CONGRESS IN IN 1949, BUT I EAGERLY TOOK PART IN THEM. I WAS SPONSOR FOR THE NEW YOUR CONFERENCE AT THE WOLDORF ASTORIA AND THOUGHT IT WAS A GREAT TRIUMPH WHEN WE GOT NOT ONLY THE PEOPLES OF WESTERN EUROPE AND AMERICA BUT THE PEOPLES OF EASTERN EUROPE TO SIT DOWN AND TALK ABOUT PEACE.

36-8-72

THAT SAME YEAR I WAS INVITED TO THE PEACE CONGRESS IN PARIS, WHICH WAS TO MY MIND THE GREATEST CONGRESS ON ANY SUBJECT WHICH I HAVE EVER ATTENDED. IT REMINDED ME OF A LESS KNOWN CONGRESS HELD IN LONDON IN 1911, CALLED THE RACE CONGRESS OF WHICH FELIX ADLER AND MYSELF WERE THE AMERICAN SECRETARIES. 36-8-73

WE PUBLISHED FOUR OR FIVE SO CALLED PEACE*GRAMS WITH NOTES CONCERNING WORLD PEACE MOVEMENTS. WE RECEIVED COPIES OF THE STOCKHOLM APPEAL AGAINST THE ATOM BOMB, REPRINTED THEM AND DISTRIBUTED THEM WIDELY ASKING FOR SIGNATURES. WE RECEIVED OVER TWO MILLION SIGNATURES OF THESE PETITIONS. WE DISTRIBUTED THE RED CROSS APPEAL FROM GENEVA AND MADE PUBLIC THE PEACE WORK OF QUAKERS AND OTHER ORGANIZATIONS. WE HAD BEEN AT WORK ONLY A SHORT TIME WHEN WE WERE ATTACKED BY THE SECRETARY OF STATE IN A PUBLISHED ANNOUNCEMENT TO WHICH WE REPLIED. 36-8-74

NOT WITHSTANDING THIS, IN FEBRUARY, AFTER OUR WORK WAS CLOSED, WE WERE INDICTED BY THE GRAND JURY IN WASHINGTON AND LATER ARRAIGNED. I WAS FINGER-PRINTED, FRISKED FOR CONCEALED WEAPONS AND HANDCUFFED. LATER I WAS RELEASED ON A THOUSAND DOLLARS BAIL. THE PLEADING OF MOTIONS TOOK PLACE IN WASHINGTON YESTERDAY AND OUR TRIAL IS FOR OCTOBER 2. THE PENALTY IF WE ARE FOUND GUILTY MAY BE FIVE YEARS IN PRISON AND FIVE THOUSAND DOLLARS FINE. REMEMBER THAT WE HAVE BEEN ACCUSED OF NO CRIMINAL ACTION: WE ARE NOT ACCUSED OR TREASON OR CONSPIRACY: IT IS ADMITTED THAT ALL WE DID WAS LEAGAL AND RIGHTFUL

FOR AMERICAN CITIZENS: WE ARE ONLY ACCUSED OF REFUSING TO DECLARE THAT OUR ACTIONS WERE NOT OUR OWN BUT DICTATED BY A FOREIGN ORGANIZATION OF WHICH WE WE WERE AGENTS. THE ACCUSATION IS ABSURD AND CAN ONLY BE SUPPORTED BY REJECTING THE ORDINARY AND COMMON LAW DEFINITION OR AGENT AND SUBSTITUTING A NEW CONCEPTION WHICH THIS EXTRAORDINARY STATUTE CONTAINS. UNDER IT ANYONE WHO REPEATS THE THOUGHT OF ANY FOREIGNERS IS LIABLE TO ARREST UNLESS HE CONSENTS TO LIE.

WHETHER OR NOT MY FEW REMAINING YEARS ARE SPENT IN JAIL OR OUT IS OF LITTLE IMPORTANCE BUT ON THE OTHER HAND, THIS CASE IS OF TREMENDOUS SIGNIFICANCE IF THE DEMOCRATIC PROCESS OF WHICH WE BOAST IS TO CONTINUE IN THE UNITED STATES AND IF THOUGHT AND OPINION ARE TO BE FREE AND CIRCULATE IN THE WORLD.

THE BASIC FACT ABOUT DEMOCRACY, IS FREEDOM TO SEARCH FOR TRUTH AND FREEDOM TO EXPRESS IT. THAT DOES NOT MEAN THAT EVERY PERSONS OPINIONS ARE

THIS PROCESS IS BEING STOPPED IN THE UNITED STATES AT THE VERY TIME WHEN WE NEED IT MORE THAN EVER BEFORE. THERE IS NO QUESTION ABOUT IT, WE ARE BEING PUSHED RAPIDLY TOWARD A THIRD WORLD WAR. THE RECALL OF GENERAL MACARTHUR INSTEAD OF MAKING PEACE MORE PROBABLE AS MANY OF US THOUGHT IT WOULD, IS MAKING WAR MORE IMMINENT. AND YET IN THE FACE OF THIS, NOT ONLY ARE PEOPLE SILENT BUT MASSES DO NOT KNOW THE FACTS OR HAVE A CHANCE TO HAVE THE TRUTH PUT BEFORE THEM.

36-8-75

HAVE MEMBERS OF THE TRADE UNIONS ANY INTEREST IN THE CASE AGAINST THE FIVE OFFICIALS OF THE PEACE INFORMATION CENTER? THE CRIME FOR WHICH THESE LEADERS ARE BEING PERSECUTED IS TELLING THE PEOPLE OF THE UNITED STATES WHAT OTHER COUNTRIES ARE DOING TO PROMOTE PEACE. IN THIS WORK THEY DISTRIBUTED VARIOUS STATEMENTS, FACTS AND APPEALS: AND ESPECIALLY THEY GAVE AMERICANS A CHANCE TO READ AND APPROVE IF THEY WISHED THE SO-CALLED

STOCKHOLM APPEAL. THIS APPEAL SAID:

> "WE DEMAND THE OUTLAWING OF ATOMIC WEAPONS AS INSTRUMENTS OF INTIMIDATION AND MASS MURDER OF PEOPLES. WE DEMAND STRICT INTERNATIONAL CONTROL TO ENFORCE THIS MEASURE.
>
> "WE BELIEVE THAT ANY GOVERNMENT WHICH FIRST USES ATOMIC WEAPON AGAINST ANY OTHER COUNTRY WHATSOEVER WILL BE COMMITTING A CRIME AGAINST HUMANITY AND SHOULD BE DEALT WITH AS A WAR CRIMINAL.
>
> "WE CALL ON ALL MEN AND WOMEN OF GOOD WILL THROUGHOUT THE WORLD TO SIGN THIS APPEAL."

IMMEDIATELY THE SECRETARY OF STATE DECLARED PUBLICLY THAT THIS STOCKHOLM APPEAL ORIGINATED IN RUSSIA AND WAS FOR THE ADVANTAGE OF RUSSIA. THE PEACE INFORMATION CENTER REPLIED THAT THEY DID NOT CARE WHERE THE APPEAL CAME FROM, THEY SIMPLY ASSERTED THE RIGHT OF AMERICANS TO KNOW WHAT THE APPEAL WAS AND TO SIGN IT OR REJECT IT AS THEY WISHED. THEY ALSO TOLD THEM THAT HUNDREDS OF MILLIONS OF PEOPLE THROUGHOUT THE WORLD WERE SIGNING THE APPEAL.

THEREUPON THE DEPARTMENT OF JUSTICE INTIMATED THAT TALK ADVOCATING PEACE IS TREASON AND DECLARED IN INDICTING THESE PERSONS THAT THEIR IDEAS WERE NOT THEIR OWN, BUT THAT THEY SPOKE AS AGENTS OF A "FOREIGN PRINCIPAL." THE DEFENDANTS REPLIED THAT THEY WERE NOT AGENTS OF ANYBODY: THAT THEY CIRCULATED IDEAS WHICH OTHER PEOPLE HAD STATED AND THAT BY SUCH CIRCULATION OF IDEAS CIVILIZATION HAD GROWN IN THE PAST AND WOULD GROW IN THE FUTURE: THAT TO DENY PEOPLE THE PRIVILEGE OF KNOWING WHAT OTHER PEOPLE THINK IS THOUGHT CONTROL, WHICH LEADS TO A POLICE STATE. FOR REFUSING PUBLICLY TO ACKNOWLEDGE THAT THEY WERE FOREIGN AGENTS, THOSE FIVE PERSONS WERE INDICTED AND ARRAIGNED.

36-8-76

THESE FIVE OFFICIALS GO TO TRIAL IN OCTOBER. IF THE GOVERNMENTS WINS IT CAN STOP THE CIRCULATION OF ANY IDEAS OF WHICH IT DOES NOT APPROVE: IT CAN STOP INTERNATIONAL CONFERENCE ON PROBLEMS: NOT ONLY OF PEACE AND WAR, BUT ALSO INTERNATIONAL CONFERENCE ON LABOR PROBLEMS, ON CHURCH ACTIVITIES THAT ARE NOT PURELY RELIGIOUS: ON THE RIGHTS OF WOMEN, ON COLONIALISM, ON

RACE PROBLEMS AND ON ANY MATTER WHICH IS NOT DISCUSSED IN ACCORDANCE WITH THOSE WHO HAPPEN TO BE IN CONTROL OF GOVERNMENT IN THE UNITED STATES. IN OUR LAND, DISCUSSION WILL BE CONFINED TO THOSE MATTERS ABOUT WHICH THE CONTROLLED PRESS OF THE UNITED STATES LETS US KNOW THE TRUTH AND CONCERNING THE TRUTH AS OTHER PEOPLE AND OTHER NATIONS SEE IT, WE ARE NOT ALLOWED EITHER KNOWLEDGE OR ARGUMENT.

MANIFESTLY, PEACE IS LABOR'S GREATEST PROBLEM TODAY, NOT ONLY IN THIS LAND BUT IN THE WORLD. WAR SETTLES NOTHING AND LEADS SIMPLY TO MORE WAR. IT STYMIES THE LABOR MOVEMENT AND SETS GROUPS OF LABORERS MURDERING EACH OTHER INSTEAD OF STRIVING IN UNITED EFFORT TO RAISE STANDARDS OF WORK AND LIVING ALL OVER THE WORLD. IT STOPS DISCUSSION, ENCOURAGES INNER BICKERING AND DIRECTS ATTENTION AND STRENGTH AWAY FROM THE MAIN FIGHT OF WORKERS FOR FREEDOM AND PROGRESS. WAR KILLS THE LABOR MOVEMENT, AND THE DETERMINATION OF THE DEPARTMENT OF JUSTICE TO MAKE EVEN DISCUSSION OF PEACE A CRIME CALLS

FOR ALL TRADE UNIONS TO ENTER THE FIGHT FOR THE DEFENSE.

NOT ONLY DOES WAR KILL OUR SONS AND RUIN THEIR EDUCATION AND DRIVE THEM INTO INSANITY, BUT THE ONLY RESULT OF WAR IS MORE WAR. MEANTIME WE ARE WORKING TODAY TO MAKE MILLIONAIRES, TO RAISE PRICES AND RENTS, TO SURRENDER OUR LIBERTIES, AND ENCOURAGE SPIES, TRAITORS AND LIARS. THE VAST TAXES WHICH ARE RAISED FALL FAR MORE HEAVILY UPON THE POOR THAN UPON THE RICH AND THE PROCEEDS GO NOT TO EDUCATION, FLOOD CONTROL, OR SOCIAL UPLIFT, BUT MAINLY TO MORE WAR AND MURDER: THUS WE ARE FIGHTING IN THIS CASE FOR THE RIGHT TO ADVOCATE PEACE AND THE PERSECUTED VICTIMS REPRESENT: A GRANDMOTHER, A NEGRO, A WAR-VETERAN, THE FATHER OF A FAMILY AND A CLERK STENOGRAPHER. THREE OF THESE ARE MEMBERS OF TRADE UNIONS.

36-8-77

THE NATION IS GOING INSANE WITH WAR HYSTERIA. WE ARE DISCUSSING NOT THE QUESTION OF PEACE BUT SIMPLY WHAT KIND OF WAR WE ARE GOING TO SPEND ALL OF OUR STRENGTH AND MONEY ON. WE ASK YOU TO HELP IN THIS CRUCIAL CASE AND TO JOIN US IN A CAMPAIGN FOR PEACE---NO MORE WAR, BY HELPING OUR DEFENSE.

IT IS NOT AN OVERSTATEMENT TO SAY THAT THE FUTURE OF THE PROGRESSIVE PARTY IN THIS NATION DEPENDS LARGELY ON THE WINNING OF THIS CASE. IF WE CANNOT LEGALLY DISCUSS PEACE: IF WE CANNOT ASCERTAIN THE FACTS ABOUT WAR AND PUBLICIZE THEM WE CANNOT WIN ANY ELECTION. ONLY THE TRUTH CAN TODAY SET THIS NATION FREE AND UNLESS THIS CASE IS WON THERE IS GOING TO BE SMALL OPPORTUNITY TO KNOW OR TELL THE TRUTH.

SPEECH TO THE AMERICAN LABOR PARTY

TODAY THE ONE GREAT AND PRESSING QUESTION BEFORE THIS NATION AND BEFORE THE WORLD IS THE QUESTION OF PEACE. THE QUESTION AS TO WHETHER FOR A THIRD TIME WITHIN A GENERATION THE WORLD IS GOING TO WAR UPON AN UNPRECEDENTED SCALE WITH MURDER AND DESTRUCTION EXCEEDING ANYTHING WHICH PREVIOUS CENTURIES HAVE IMAGINED.

THIS GREAT AND FATAL QUESTION WE ARE NOT DISCUSSING TODAY IN THE UNITED STATES. IT IS NOT APPARENTLY HERE A QUESTION OF PEACE AND WAR, BUT SIMPLY OF WHAT KIND OF WAR AND UPON WHAT PEOPLE IT SHALL BE WAGED. THE COST OF SUCH A WAR IN HUMAN LIFE AND HEALTH, IN SOCIAL PROGRESS AND DESTRUCTION APPEARS TO BE IMMATERIAL TO US. WE CAN SPEND ANY AMOUNT OF MONEY IN ORDER TO WIN SUCH A WAR KNOWING AT THE SAME TIME, IF WE KNOW ANYTHING THAT IT IS IMPOSSIBLE TO WIN ANY WAR UPON SUCH A SCALE.

---2---

35-5-102

IF WE DID REACH SOME SORT OF CONCLUSION WHICH WE CALLED VICTORY, WE WOULD BE IN WORSE CASE THAN WE WERE BEFORE THE WAR BEGAN. ALREADY WE ARE AT WAR IN KOREA AND HAVE BEEN FOR MONTHS. THE WAR FROM EVERY POINT OF VIEW IS SILLY AND TRAGIC. IT HAS NO OBJECT WHICH WE CAN STATE, NO GOALS TOWARD WHICH WE ARE MANIFESTLY STRIVING AND NO DISCUSSION OF THE SITUATION IS ENCOURAGED OR ALLOWED. ALREADY IN THIS 'LITTLE POLICE ACTION' 50,000 OF OUR YOUNG MEN HAVE BEEN WOUNDED, CRIPPLED AND DRIVEN INSANE AND 12,000 LIE DEAD. NO END OR VISION OF AN END IS IN SIGHT. THE REASON FOR THIS IS THAT WE ARE THREATENED TODAY AS NEVER BEFORE BY A NEW FASCISM, BY A CAREFULLY PLANNED AND RUTHLESSLY CARRIED OUT RULERSHIP ~~OF THIS LAND~~ BY BIG BUSINESS AND MILITARY LEADERS.

DICTATORSHIP

IT IS NOT ATTACK UPON EFFICIENT BUSINESS METHODS OR UPON THE MILITARY TRAINING ~~OF THE LEADERS OF OUR FORCES~~ TO SAY THAT NEITHER GROUP IS A GROUP

35-5-103

WHICH CAN BE TRUSTED TO ACHIEVE PEACE./ MILITARY MEN ARE TRAINED TO MURDER PEOPLE SWIFTLY./ BUSINESS/WHEN IT GETS TO BE OF SUCH SIZE/THAT NEITHER INDIVIDUALS NOR THE STATE/CAN CONTROL IT,/ IS ORGANIZED FOR PROFIT/AND FOR PROFIT ALONE./ CONSEQUENTLY TO MAKE THESE PEOPLE/THE ARBITRATORS OF PEACE,/ IS A TRAGIC BIT OF STUPIDITY./ THIS IS WHAT IS HAPPENING/IN THE UNITED STATES./ MEN LIKE MACARTHUR AND MARSHALL/ BORN AND TRAINED TO KILL,/ ARE BEING PUT IN POSITION TO SAY/WHEN KILLING SHALL STOP./ MEN WHOSE INCOME/DEPENDS UPON WAR,/ PREPARATION FOR WAR/AND THE RESULTS OF WAR,/ ARE APPOINTED TO SAY WHEN WAR SHALL ~~STOP~~ CEASE

THERE HAVE BEEN EXAMPLES/OF THIS KIND OF DICTATORSHIP/ BEFORE IN THE WORLD/ BUT THE PRESENT DICTATORSHIP/ IS DIFFERENT/BECAUSE IT NOT ONLY/HAS CHARGE OF WAR PLANS AND WAR METHODS,/ BUT IN ADDITION TO THAT/THROUGH THE CONTROL OF OUR SOURCES AND CHANNELS OF INFORMATION,/ IT IS TODAY KEEPING THE MASS OF INTELLIGENT PEOPLE/FROM KNOWING WHAT IS HAPPENING./ THIS TREMENDOUS ORGANIZATION

[p.4 missing]

35-4-275

THAT THE PEACE INFORMATION CENTER,/ OF WHICH I WAS CHAIRMAN FOR SEVERAL MONTHS,/ WAS ESTABLISHED.

LET ME EXPLAIN/THAT SINCE MY TWO YEARS OF EDUCATION/AT THE UNIVERSITY OF BERLIN IN 1892-94,/I HAVE BEEN INTERNATIONALLY MINDED./ I HAVE TRIED TO KEEP UP/WITH WHAT BOTH EUROPE AND ASIA/WERE THINKING/AND I HAVE VISITED THE CONTINENT THIRTEEN DIFFERENT TIMES./ I HAVE TRAVELLED IN NEARLY ALL MODERN COUNTRIES/ ~~EXCEPT INDIA AND SOUTH AMERICA~~/AND I HAVE BEEN IN CONTINUOUS CONTACT/WITH SOCIAL MOVEMENTS, ESPECIALLY THOSE THAT HAD TO DO/WITH RACE RELATIONS AND PEACE.

MY ACTIVITY THEREFORE FOR PEACE/AND ALLIED SUBJECTS/DID NOT BEGIN WITH THE PEACE CONGRESS IN IN 1949/ BUT I EAGERLY TOOK PART IN THEM./ I WAS SPONSOR FOR THE NEW YORK CONFERENCE/AT THE WOLDORF ASTORIA/AND THOUGHT IT WAS A GREAT TRIUMPH/WHEN WE GOT/NOT ONLY THE PEOPLES OF WESTERN EUROPE AND AMERICA/BUT THE PEOPLES OF EASTERN EUROPE/ TO SIT DOWN AND TALK ABOUT PEACE.

35-4-276

THAT SAME YEAR/ I WAS INVITED TO THE PEACE CONGRESS IN PARIS/ WHICH WAS TO MY MIND THE GREATEST CONGRESS/ ON ANY SUBJECT/ WHICH I HAVE EVER ATTENDED. IT REMINDED ME/ OF A LESS KNOWN CONGRESS/ HELD IN LONDON IN 1911/ CALLED THE RACE CONGRESS/ OF WHICH FELIX ADLER AND MYSELF/ WERE THE AMERICAN SECRETARIES. That meeting BROUGHT TOGETHER/ A LARGE NUMBER OF THE RACIAL GROUPS OF THE WORLD/ AND MIGHT HAVE STARTED A WORLD WIDE PEACE MOVEMENT/ HAD IT NOT BEEN FOR THE FIRST WORLD WAR./ // THE PARIS MEETING WAS THRILLING/ IN ITS INTENSITY AND EARNESTNESS./ I WAS APPOINTED ON ITS WORLD COMMITTEE/ AND DID ALL I COULD TO TELL PEOPLE IN THE UNITED STATES/ ABOUT THE MEETING/ AND ABOUT THE NEW PEACE MOVEMENT. LATER IN THAT SAME YEAR/ 25 PROMINENT AMERICANS WERE INVITED TO ATTEND A RUSSIAN PEACE CONGRESS./ I WAS THE ONLY ONE THAT ACCEPTED/ AND WENT TO THAT INTERESTING MEETING./ I WAS ALSO SCHEDULED TO SPEAK AT PEACE MEETINGS/ IN MEXICO AND CUBA,/ BUT DID NOT HAVE TIME TO ATTEND THEM.

35-4-277

WHEN THOSE WHO HAD ATTENDED/ THESE VARIOUS CONGRESSES/ AND OTHER PEOPLE WHO WERE INTERESTED IN PEACE/ SAT DOWN TOGETHER AFTER THE WAR/ WE ASKED OURSELVES WHAT COULD BE DONE/ TOWARD INSTITUTING A REAL PEACE MOVEMENT/ IN THE UNITED STATES./ // WE DID NOT TRY TO ORGANIZE BRANCHES/ OF THE PARIS WORLD CONGRESS/ ALTHOUGH URGED TO./ AS WE WERE WARNED THAT THIS MIGHT BE CONSIDERED ILLEGAL.

BUT THERE WAS ONE THING/ WHICH SEEMED TO US COULD BE DONE/ AND THAT WAS TO TELL THE PEOPLE/ OF THE UNITED STATES/ SYSTEMATICALLY AND WIDELY/ WHAT OTHER NATIONS/ WERE DOING TOWARD PEACE/ AND HOW THEY WERE DOING IT./ // WE THEREFORE FORMED/ IN APRIL 1949,/ THE PEACE INFORMATION BUREAU./ // THIS WAS A TEMPORARY AND LIMITED ORGANIZATION/ WITH A SECRETARY AND EXECUTIVE COMMITTEE,/ AND A GROUP OF PERSONS WHO MIGHT BE CONSIDERED GENERAL MEMBERS./ THIS COMMITTEE WAS FINANCED BY AMERICANS./ IT RECEIVED NO FUNDS FROM ABROAD/ AND WORKED SOLELY FOR PEACE.

35-4-278

WE PUBLISHED FOUR OR FIVE SO CALLED PEACE-GRAMS WITH NOTES CONCERNING WORLD PEACE MOVEMENTS. WE RECEIVED COPIES OF THE STOCKHOLM APPEAL AGAINST THE ATOM BOMB. REPRINTED THEM AND DISTRIBUTED THEM WIDELY ASKING FOR SIGNATURES. WE RECEIVED OVER TWO MILLION SIGNATURES OF THESE PETITIONS. WE DISTRIBUTED THE RED CROSS APPEAL FROM GENEVA AND MADE PUBLIC THE PEACE WORK OF QUAKERS AND OTHER ORGANIZATIONS. WE HAD BEEN AT WORK ONLY A SHORT TIME WHEN WE WERE ATTACKED BY THE SECRETARY OF STATE IN A PUBLISHED ANNOUNCEMENT TO WHICH WE REPLIED. THEN LATER WE WERE ASKED BY THE DEPARTMENT OF JUSTICE TO REGISTER AS "AGENT OF A FOREIGN PRINCIPAL." WE IMMEDIATELY SENT OUR ATTORNEY TO WASHINGTON WITH A CAREFUL STATEMENT OF FACTS AND THE DECLARED OPINION THAT WE DID NOT COME UNDER THIS STATUTE AS WE WERE NOT AGENT OF ANY FOREIGN PERSON, NATION OR GOVERNMENT.

THE DEPARTMENT OF JUSTICE LATER REPEATED THEIR DEMAND, AND WE AGAIN REPLIED CAREFULLY. FINALLY I WROTE TO THE ATTORNEY GENERAL ASKING FOR AN

35-4-279

INTERVIEW, SAYING THAT WE HAD NO DESIRE TO BREAK THE LAW, BUT WE DID WANT A CONFERENCE AND A CLARIFICATION OF THE CHARGES AGAINST US. SUCH A CONFERENCE WAS REFUSED. WE THEN CLOSED THE ACTIVITIES OF THE BUREAU FOR TWO REASONS: FIRST BECAUSE OF THE PROSPECT OF DIFFICULTY WITH THE GOVERNMENT AND SECONDLY BECAUSE OUR MAIN WORK SEEMED ACCOMPLISHED AND A REAL PEACE MOVEMENT IN THE UNITED STATES WAS IN MAKING.

NOT WITHSTANDING THIS, IN FEBRUARY, AFTER OUR WORK WAS CLOSED, WE WERE INDICTED BY THE GRAND JURY IN WASHINGTON AND LATER ARRAIGNED. I WAS FINGERPRINTED, FRISKED FOR CONCEALED WEAPONS AND HANDCUFFED. LATER I WAS RELEASED ON A THOUSAND DOLLARS BAIL. THE PLEADING OF MOTIONS TOOK PLACE IN WASHINGTON [redacted] AND OUR TRIAL IS FOR OCTOBER 2. THE PENALTY IF WE ARE FOUND GUILTY MAY BE FIVE YEARS IN PRISON AND FIVE THOUSAND DOLLARS FINE. REMEMBER THAT WE HAVE BEEN ACCUSED OF NO CRIMINAL ACTION. WE ARE NOT ACCUSED OF TREASON OR CONSPIRACY. IT IS ADMITTED THAT ALL WE DID WAS LEGAL AND RIGHTFUL

35-4-280

FOR AMERICAN CITIZENS: WE ARE ONLY ACCUSED OF REFUSING TO DECLARE THAT OUR ACTIONS WERE NOT OUR OWN BUT DICTATED BY A FOREIGN ORGANIZATION OF WHICH WE WE WERE AGENTS. THE ACCUSATION IS ABSURD AND CAN ONLY BE SUPPORTED BY REJECTING THE ORDINARY AND COMMON LAW DEFINITION OF AGENT AND SUBSTITUTING A NEW CONCEPTION WHICH THIS EXTRAORDINARY STATUTE CONTAINS. UNDER IT ANYONE WHO REPEATS THE THOUGHT OF ANY FOREIGNERS IS LIABLE TO ARREST UNLESS HE CONSENTS TO LIE.

WHETHER OR NOT MY FEW REMAINING YEARS ARE SPENT IN JAIL OR OUT IS OF LITTLE IMPORTANCE BUT ON THE OTHER HAND, THIS CASE IS OF TREMENDOUS SIGNIFICANCE IF THE DEMOCRATIC PROCESS OF WHICH WE BOAST IS TO CONTINUE IN THE UNITED STATES AND IF THOUGHT AND OPINION ARE TO BE FREE AND CIRCULATE IN THE WORLD.

THE BASIC FACT ABOUT DEMOCRACY, IS FREEDOM TO SEARCH FOR TRUTH AND FREEDOM TO EXPRESS IT. THAT DOES NOT MEAN THAT EVERY PERSONS OPINIONS ARE

35-4-281

RIGHT, BUT IT DOES MEAN THAT WHEN THE MASS OF PEOPLE COME TO DECISION THEY HAVE HAD THE OPORTUNITY TO SEE WHAT OTHER PEOPLE THINK AND KNOW. THIS PROCESS IS BEING STOPPED IN THE UNITED STATES AT THE VERY TIME WHEN WE NEED IT MORE THAN EVER BEFORE. THERE IS NO QUESTION ABOUT IT, WE ARE BEING PUSHED RAPIDLY TOWARD A THIRD WORLD WAR. THE RECALL OF GENERAL MACARTHUR INSTEAD OF MAKING PEACE MORE PROBABLE AS MANY OF US THOUGHT IT WOULD IS MAKING WAR MORE IMMINENT. AND YET IN THE FACE OF THIS NOT ONLY ARE PEOPLE SILENT BUT MASSES DO NOT KNOW THE FACTS OR HAVE no CHANCE TO HAVE THE TRUTH PUT BEFORE THEM.

HAVE MEMBERS OF THE TRADE UNIONS ANY INTEREST IN THE CASE AGAINST THE FIVE OFFICIALS OF THE PEACE INFORMATION CENTER? THE CRIME FOR WHICH THESE LEADERS ARE BEING PERSECUTED IS TELLING THE PEOPLE OF THE UNITED STATES WHAT OTHER COUNTRIES ARE DOING TO PROMOTE PEACE. IN THIS WORK THEY DISTRIBUTED VARIOUS STATEMENTS, FACTS AND APPEALS: AND ESPECIALLY THEY GAVE AMERICANS A CHANCE TO READ AND APPROVE IF THEY WISHED THE SOVIET

35-4-282

STOCKHOLM APPEAL. THIS APPEAL SAID:

"WE DEMAND THE OUTLAWING OF ATOMIC WEAPONS AS INSTRUMENTS OF INTIMIDATION AND MASS MURDER OF PEOPLES. WE DEMAND STRICT INTERNATIONAL CONTROL TO ENFORCE THIS MEASURE.

"WE BELIEVE THAT ANY GOVERNMENT WHICH FIRST USES ATOMIC WEAPON AGAINST ANY OTHER COUNTRY WHATSOEVER WILL BE COMMITTING A CRIME AGAINST HUMANITY AND SHOULD BE DEALT WITH AS A WAR CRIMINAL.

"WE CALL ON ALL MEN AND WOMEN OF GOOD WILL THROUGHOUT THE WORLD TO SIGN THIS APPEAL."

IMMEDIATELY THE SECRETARY OF STATE DECLARED PUBLICLY THAT THIS STOCKHOLM APPEAL ORIGINATED IN RUSSIA AND WAS FOR THE ADVANTAGE OF RUSSIA. THE PEACE INFORMATION CENTER REPLIED THAT THEY DID NOT CARE WHERE THE APPEAL CAME FROM, THEY SIMPELY ASSERTED THE RIGHT OF AMERICANS TO KNOW WHAT THE APPEAL WAS AND TO SIGN IR OR REJECT IT AS THEY WISHED. THEY ALSO TOLD THEM THAT HUNDREDS OF MILLIONS OF PEOPLE THROUGHOUT THE WORLD WERE SIGNING THE APPEAL.

35-4-283

THEREUPON THE DEPARTMENT OF JUSTICE INTIMATED THAT TALK ADVOCATING PEACE IS TREASON AND DECLARED IN INDICTING THESE PERSONS THAT THEIR IDEAS WERE NOT THEIR OWN, BUT THAT THEY SPOKE AS AGENTS OF A "FOREIGN PRINCIPAL." THE DEFENDANTS REPLIED THAT THEY WERE NOT AGENTS OF ANYBODY; THAT THEY CIRCULATED IDEAS WHICH OTHER PEOPLE HAD STATED AND THAT BY SUCH CIRCULATION OF IDEAS CIVILIZATION HAD GROWN IN THE PAST AND WOULD GROW IN THE FUTURE; THAT TO DENY PEOPLE THE PRIVILEGE OF KNOWING WHAT OTHER PEOPLE THINK IS THOUGHT CONTROL WHICH LEADS TO A POLICE STATE. FOR REFUSING PUBLICLY TO ACKNOWLEDGE THAT THEY WERE FOREIGN AGENTS THESE FIVE PERSONS WERE INDICTED AND ARRAIGNED.

THESE FIVE OFFICIALS GO TO TRIAL IN OCTOBER. IF THE GOVERNMENTS WINS IT CAN STOP THE CIRCULATION OF ANY IDEAS OF WHICH IT DOES NOT APPROVE. IT CAN STOP INTERNATIONAL CONFERENCE ON PROBLEMS NOT ONLY OF PEACE AND WAR, BUT ALSO INTERNATIONAL CONFERENCE ON LABOR PROBLEMS, ON CHURCH ACTIVITIES THAT ARE NOT PURELY RELIGIOUS, ON THE RIGHTS OF WOMEN, ON COLONIALISM, ON

RACE PROBLEMS/AND ON ANY MATTER/WHICH IS NOT DISCUSSED/IN ACCORDANCE WITH THOSE WHO HAPPEN TO BE/IN CONTROL OF GOVERNMENT IN THE UNITED STATES./ IN OUR LAND/ DISCUSSION WILL BE CONFINED TO THOSE MATTERS ABOUT WHICH/THE CONTROLLED PRESS OF THE UNITED STATES/LETS US KNOW THE TRUTH//AND CONCERNING THE TRUTH AS OTHER PEOPLE/AND OTHER NATIONS/SEE IT./ WE ARE NOT ALLOWED EITHER KNOWLEDGE OR ARGUMENT.

MILITARY MEN ARE TRAINED TO MURDER PEOPLE SWIFTLY, BUSINESS WHEN IT GETS TO BE OF SUCH SIZE THAT NEITHER INDIVIDUALS NOR THE STATE CAN ~~FIGHT~~ control IT, IS ORGANIZED FOR PROFIT AND FOR PROFIT ALONE, CONSEQUENTLY TO MAKE THESE PEOPEE THE ARBITRATORS OF PEACE , IS

[FOLLOWING PAGES MISSING]

A TRAGIC BIT OF ~~stupidity~~ . THIS IS WHAT IS HAPPENING IN THE UNITED STATES. MEN LIKE MACARTHUR AND MARSHALL, BORN AND TRAINED TO KILL, ARE BEING PUT IN POSITION TO SAY WHEN KILLING SHALL STOP. MEN WHOSE INCOME DEPENDS UPON WAR, PREPARATION FOR WAR AND THE RESULTS OF WAR, ARE APPOINTED TO SAY WHEN WAR SHALL STOP.

THERE HAVE BEEN EXAMPLES OF THIS KIND OF DICTATORSHIP BEFORE IN THE WORLD BUT THE PRESENT DICTATORSHIP IS DIFFERENT BECAUSE IT NOT ONLY HAS CHARGE OF WAR PLANS AND WAR METHODS, BUT IN ADDITION TO THAT THROUGH THE CONTROL OF OUR SOURCES AND CHANNELS OF INFORMATION, IT IS TODAY KEEPING THE MASS OF INTELLIGENT PEOPLE FROM KNOWING WHAT IS HAPPENING. THIS TREMENDOUS ORGANIZATION OF PROPAGANDA IS NOT REALIZED BY many PEOPLE. YOU DO NOT KNOW WHAT IS GOING ON IN THE WORLD TODAY, BECAUSE YOU ARE NOT ALLOWED TO KNOW. GREAT AND COSTLY MAGAZINES TELL YOU STORIES WHICH THEY ARE PAID TO TELL. THE liberal COMMENTATORS UPON THE RADIO WHO USED TO GUIDE YOU HAVE ~~BEEN~~ IN PRACTICALLY ALL CASES ~~, STOPPED FROM SPEAKING.~~ been put off the air

19-8-36

THE MOVING PICTURE INDUSTRY IS many CONFINED ALMOST EXCLUSIVELY TO ESCAPISM OR WAR PROPAGANDA. THE KIND OF BOOKS ~~WHICH ARE~~ PUBLISHED ~~ARE~~ IS STRICTLY LIMITED. THE PLATFORM AND THE PUBLIC HALLS OF THE NATION ARE CLOSED TO EVERYONE WHO DOES NOT REPEAT THE CURRENT DOGMA. ~~ONLY~~ THE THEATRE IS STILL PARTIALLY FREE ~~AND~~ but THE COST OF THEATRE SEATS ~~ARE~~ IS SUCH THAT MOST PEOPLE HAVE NO CHANCE TO ~~SEE EVEN THAT.~~ go

ALL AROUND US IS THE GREAT ~~COURSE~~ chorus OF THE SILENT ONES , OF MEN AND WOMEN OF EDUCATION AND EXPERIENCE WHO KNOW WHAT IS GOING ON AND WHO ARE KEEPING THEIR MOUTHS SHUT. THIS ABSENCE OF KNOWLEDGE AND DISCUSSION IS THE GREATEST TRAGEDY OF OUR TIME, AND IT WAS BECAUSE OF THAT , THAT THE PEACE INFORMATION CENTER , OF WHICH I WAS CHAIRMAN FOR SEVERAL MONTHS, WAS ESTABLISHED. (insert A)

from fear or threat

It is not an overstatement to say that the future of the Progressive Party in this nation depends largely on the winning of this case. If we cannot legally discuss Peace; if we cannot ascertain the facts about ~~present conditions~~ War and publicize them we cannot win any election. Only the Truth can set this nation free Today and unless this case is won there is going to be small opportunity to know or tell the truth

LET US TONIGHT/SPEAK FRANKLY/AS MEN AND WOMEN/WHO FACE THE GREATEST CRISIS OF MODERN CULTURE/AND STAND BEFORE THE JUDGMENT/OF OUR CHILDREN/AND AT THE BAR OF IMPARTIAL HISTORY.// WE ARE HERE TO DECLARE/THAT PEACE ON EARTH/IS THE ONLY WAY/TO THE SOLUTION/OF THE PRESSING PROBLEMS OF OUR WORLD.

THESE PROBLEMS ARE/THE ORGANIZATION OF WORK,/ DEMOCRATIC GOVERNMENT AND HUMAN RIGHTS.

VIEWING OUR PLIGHT AS A WHOLE,/ IT IS CLEAR/THAT THE FUNDAMENTAL PROBLEM WHICH UNDERLIES ALL OTHERS/IS THAT OF ORGANIZED INDUSTRY.// THERE ARE MANY OF US WHO WOULD PREFER/NOT TO DISCUSS AMERICAN BUSINESS,/ FEELING THAT ALL SUCH CRITICISM/IS BASED ON ENVY/OF WEALTH AND SUCCESS.

OUR CRITICISM, HOWEVER,/ DOES NOT STEM FROM JEALOUSY OF THE RICH/BUT FROM SYMPATHY/FOR THE POOR;// FROM THE FIRM BELIEF/THAT POVERTY, DISEASE AND IGNORANCE/ARE NOT INEVITABLE/ BUT PREVENTABLE,// AND THAT THE OBJECT OF INDUSTRY IS THIS PREVENTION AND CURE.

35-5-135

~~ON THE OTHER HAND~~/WE ARE CONVINCED/THAT BIG BUSINESS/IN THE UNITED STATES/ IS FORCING/THIS NATION INTO WAR,// TRANSFORMING OUR ADMINISTRATION/INTO A MILITARY DICTATORSHIP,/ PARALYZING ALL DEMOCRATIC CONTROLS/AND DEPRIVING US OF KNOWLEDGE WE NEED.

THE UNITED STATES/IS RULED TODAY/ BY GREAT INDUSTRIAL CORPORATIONS/ CONTROLLING VAST AGGREGATIONS/OF CAPITAL AND WEALTH.// THE ACTS AND AIMS/OF THIS UNPRECEDENTED INTEGRATION/ OF POWER,/ EMPLOYING SOME OF THE BEST BRAIN AND ABILITY/OF THE LAND,/ ARE NOT AND NEVER HAVE BEEN/UNDER DEMOCRATIC CONTROL.// ITS DICTATORSHIP HAS VARIED/FROM ABSOLUTE MONARCHY TO OLIGARCHY,/ LIMITED BY

35-5-136

ORGANIZED LABOR/AND BY OFTEN INEFFECTIVE/PUBLIC OPINION,/TRYING REPEATEDLY AND DESPERATELY/TO EXPRESS ITSELF/THROUGH FREE ELECTIONS.

TODAY/THIS INDUSTRIAL OLIGARCHY/CONTROLS OUR GOVERNMENT./ ITS OFFICIALS DOMINATE OUR FOREIGN RELATIONS/AND OUR INTERNAL AFFAIRS.// SINCE THE END OF THE SECOND WORLD WAR,/ THE MOST POWERFUL OFFICES/OF THE NATION HAVE BEEN HELD/LARGELY BY OFFICIALS,/ OR FORMER OFFICIALS/OF THE 100 GREAT CORPORATIONS/WHOSE TOTAL PROFIT/IN THE LAST DECADE/WAS 145 THOUSAND MILLION DOLLARS.

THESE CORPORATIONS,/ WITH 70% OF GOVERNMENT CONTRACTS,/ ARE PUSHING SHOPS AND SMALL BUSINESSES/ TO THE WALL,/ STIFLING COMPETITION, and DISCOURAGING FREE ENTERPRISE/AND INDIVIDUAL INITIATIVE,/ SO COMPLETELY/ THAT OFTEN THESE VERY PHRASES ARE MOCKERY.// THIS IS THE REASON/THAT IN THE THREE YEARS/ SINCE WORLD WAR II,/ AMERICAN BUSINESS,/ HELPED BY THE MARSHALL PLAN,/ HAS INVESTED $3 BILLIONS OF CAPITAL ABROAD.

4

TODAY WE DOMINATE/THE ECONOMY/OF THE UNION OF SOUTH AFRICA -- THE WORST MODERN SLAVE STATE;/ WE HOLD INCREASING DOMINATION IN EAST, WEST AND CENTRAL AFRICA;/ IN THE ECONOMY OF MOST OF LATIN AMERICA;/ OF WEST GERMANY, JAPAN/AND MUCH OF THE NEAR EAST.// AMERICA HAS BECOME/THE GREATEST POWER ON EARTH/FOR RESTORING COLONIAL IMPERIALISM.

35-5-137

BACK OF THIS CONCENTRATED/INDUSTRIAL CONTROL/OF OUR GOVERNMENT/ARE RANGED/FOUR ENEMIES OF DEMOCRACY:// MILITARISM;/ THE LOSS OF CIVIL RIGHTS;/ SECRET POLICE/AND A HUGE EFFORT AT PROPAGANDA/WHICH DENIES KNOWLEDGE OF THE TRUTH/TO THE AVERAGE CITIZEN.

THROUGHOUT THE LAND,/ INCREASING UNREST/AND OPPOSITION/TO THIS PROGRAM OF WAR,/ HAS BEEN MET BY AN UNPRECEDENTED/DENIAL OF THE RIGHTS/OF AMERICAN CITIZENS/ AS EMBODIED/IN THE BILL OF RIGHTS:/ FREE SPEECH,/ THE RIGHT OF PUBLIC ASSEMBLY,/ THE RIGHT OF ASSOCIATION,/ THE RIGHT TO ~~WORK~~ SECURITY,/ HAVE BEEN CURTAILED SLOWLY/ BY JUDICIAL EDICT,/ FEDERAL AND STATE LAW/AND CITY ORDINANCE,/ HELPED BY POLICE

ACTION. // OUR PRESENT SUPREME COURT / CONDONES DECISIONS / WHICH IT ADMITS / TRANSGRESS THE CLEAR WORDS / OF THE CONSTITUTION. // PUBLIC PROTEST / AGAINST THE COURSE OF GOVERNMENT / EVEN IN ELECTIONS / HAS BEEN MADE DIFFICULT AND DANGEROUS, / AS THE CAMPAIGN OF 1948 SHOWED.

35-5-128

EVIDENCE TO SUPPLY EXCUSE / FOR SUCH DENIAL OF HUMAN RIGHTS / AND DEMOCRATIC ACTION, / IS SUPPLIED BY THE LARGEST BODY / OF SECRET POLICE / THE MODERN WORLD HAS KNOWN / [redacted] WHOSE ANNUAL COST / IN THE LAST DECADE / HAS RISEN FROM 2 MILLION to 53 MILLION DOLLARS.

FINALLY, / AND THIS IS OF GREATEST IMPORTANCE / FOR THE PEACE MOVEMENT: // TRUTH AND SOURCES OF KNOWLEDGE / ARE BEING SYSTEMATICALLY KEPT / FROM THE AMERICAN PEOPLE / BY ORGANIZED INDUSTRY, / THROUGH ITS CONTROL OF NEWS GATHERING / AND NEWS DISTRIBUTING AGENCIES.

THERE ARE ON THIS PLATFORM TONIGHT, / FIVE PERSONS / WHO STAND INDICTED BY

THE FEDERAL DEPARTMENT OF JUSTICE / AS AGENTS OF A FOREIGN PRINCIPAL / BECAUSE THROUGH THE PEACE INFORMATION CENTER / THEY DISTRIBUTED NEWS / OF PEACE MOVEMENTS / THROUGH OUT THE WORLD, / WHICH THE PRESS IGNORED. // INCLUDING DISTRIBUTION / OF THE STOCKHOLM APPEAL / AGAINST THE ATOMIC BOMB. // THEY ARE

AND MYSELF

35-5-140

THE BASIC HOPE OF DEMOCRACY IS THE POWER OF THE PEOPLE EVENTUALLY TO DECIDE GREAT ISSUES OF STATE BY FAIR ELECTIONS. BUT THE EFFECTIVE USE OF THIS POWER DEPENDS ON THE KNOWLEDGE OF CONDITIONS WHICH THIS ELECTORATE POSSESSES. IF THEY CANNOT KNOW THE TRUTH; IF THEY CANNOT ASCERTAIN THE REAL FACTS; THEN THE WHOLE MEANING AND EFFICIENCY OF THE DEMOCRATIC PROCESS FALL TO THE GROUND.

TODAY IT IS CLEAR TO ALL WHO KNOW THE FACTS THAT AMERICAN INDUSTRY HAS LAUNCHED IN THIS COUNTRY, THE GREATEST EFFORT AT PROPAGANDA THE WORLD HAS EVER WITNESSED. IN COMPARISON, HITLER AND MUSSOLINI FADE TO INSIGNIFICANCE. OUR DAILY PRESS WITH FEW EXCEPTIONS IS CONTROLLED IN PRESENTATION OF FACT AND EXPRESSION OF OPINION BY THE ORGANIZED INDUSTRIAL INTERESTS OF THE UNITED STATES. THESE INTERESTS WANT WAR. THEY WANT WAR BECAUSE ONLY BY WAR CAN CHINA, AFRICA, SOUTHEAST ASIA AND THE MIDDLE EAST BE KEPT IN THEIR CONTROL, AS THE SOURCE OF THE GREATEST PROFIT FOR INDUSTRIAL ENTERPRISE.

—

35-5-141

BUT EVEN AN INDUSTRIAL DICTATORSHIP COULD NOT ADMIT PROFIT AS THE SOLE END OF WORK AND INCREASE OF PROFIT AS THE CAUSE OF WORLD WAR. SO IN THE UNITED STATES WE ARE TOLD OVER RADIO, IN CINEMA, ON THE PLATFORM AND IN NEWSPAPER, MAGAZINE AND BOOK, THAT OUR WAY OF LIFE IS IN GRAVE AND IMMINENT DANGER. THAT NO MATTER IF DEMOCRACY DIES AND HUMAN RIGHTS DISAPPEAR; NO MATTER HOW THE COST OF LIVING SOARS, AND TAXES INCREASE; NO MATTER HOW HOUSING LAGS, AND SCHOOLS DISINTEGRATE; NO MATTER HOW MUCH WE NEED MEDICAL CARE AND SOCIAL SECURITY; WE ARE SAID TO BE THREATENED BY AN ENEMY SO GREAT AND RUTHLESS THAT WE MUST DROP ALL AND THROW OUR TOTAL ENERGY INTO A WAR EFFORT WHICH SURPASSES ANYTHING THE WORLD HAS EVER ATTEMPTED.

THIS IS A TERRIBLE PROSPECT. IF IT BE TRUE THAT THE SOVIET UNION, THE CHINESE REPUBLIC; THE NEW POLAND AND CZECHOSLOVAKIA AND THE BALKANS STATES;

TOGETHER WITH, / IN A LESSER DEGREE, / THE SOCIALISTS OF BRITAIN, / SCANDINAVIA, ITALY AND FRANCE, / ARE THREATENING THE VERY EXISTENCE / OF THE UNITED STATES, / EVEN THEN WAR IS NOT INEVITABLE.

35-5-142

CONFERENCE AND UNDERSTANDING, / PATIENCE AND NOT THREAT, / ARE WAYS TO PEACE, / AND PEACE ALONE / CAN SAVE CIVILIZATION.

BUT IS IT TRUE / THAT THESE NATIONS / AND THEIR ECONOMIES / THREATEN US? WHAT ARE THE REAL FACTS? // IT IS HERE / THAT THE METHODS / OF OUR PRESENT INDUSTRIAL DICTATORSHIP / SHOW ITS HAND MOST CLEARLY. // IT REFUSES TO PERMIT / A REAL AND HONEST APPRAISAL / OF THE WORLD SITUATION. // IT OVERWHELMS US / BY A CONTINUOUS BARRAGE / OF PROPAGANDA ON ONLY ONE SIDE, / FROM ONLY ONE POINT OF VIEW; / AND WITH BUT ONE OBJECT: / THAT THE MASS OF HONEST CITIZENS / UNCONSCIOUSLY ASSUME / THAT IMMINENT ATTACK ON THIS NATION / CALLS FOR HIDING OUR SCHOOL CHILD-

REN UNDER DESKS, / AND BLARING FALSE ALARMS.

JUST AS IN THE DARK AGES, / WE ARE LETTING OURSELVES / BE STAMPEDED BY WITCH-WORDS. // IN THAT DAY, / A VEILED AND AWESOME FIGURE / COULD REAR ITSELF IN THE SHADOWS / AND BY YELLING "ABACADABRA," / TURN STRONG MEN / INTO GIBBERING IDOTS. // TODAY BY YELLING / "COMMUNIST," / WE CAN SHUT THE MOUTHS / OF NEARLY ALL WHO WANT PEACE, / NOT WAR; // OF SCIENTISTS AND ARTISTS / WHO WANT FREEDOM / TO SEARCH FOR TRUTH AND BEAUTY; // OF ANXIOUS MOTHERS / WHO WANT HEALTHY SONS / AND NOT CRIPPLES NOR CORPSES; // OF HONEST FATHERS / WHO WANT JOBS AND HOMES; / OF YOUTH WHO WANT EDUCATION; / OF CITIZENS WHO WANT FLOOD CONTROL, / SOCIAL MEDICINE, and OWNERSHIP OF PUBLIC UTILITIES; // OF NEGROES / WHO WANT TO BE FREE, / AND OF JEWS / WHO WANT ESCAPE / FROM CENTURIES OF CALUMNY.

35-5-143

35-5-144

MEN HAVE A PERFECT RIGHT/ TO DISAGREE WITH COMMUNISM,// WITH ITS OBJECTS AND METHODS;/ MEN MAY HONESTLY BELIEVE/ THAT THE UNITED STATES/ HAS A BETTER METHOD/ OF INDUSTRIAL ORGANIZATION/ THAN THE SOVIET UNION;// BUT MEN HAVE NO RIGHT TO ASSERT/ IN THE FACE OF OVERWHELMING TESTIMONY/ THAT NO HONESTY AND SINCERITY OF EFFORT,/ NO HARD WORK AND SACRIFICE;/ NO INTELLIGENT LEADERSHIP,/ HAS OCCURRED/ IN THE SOVIET UNION;// AND THAT DISAGREEMENT WITH IT/ MUST INVOLVE PAINTING 200 MILLION PEOPLE/ AS INHUMAN DEVILS,// AND ASSUMING/ THAT WE ARE GOD'S OWN ANGELS.// IN THAT DIRECTION/ LIES UNENDING HATE AND WAR;/ WHILE CIVILIZATION NEEDS SYMPATHY,/ UNDERSTANDING/ AND WORLD PEACE,/ WITH THE RIGHT OF MEN TO DIFFER/ AND OF NATIONS/ TO WORK/ AS EACH WILL.

WE CANNOT THRIVE/ ON HATRED OF A NATION/ OR OF A SYSTEM OF ECONOMY.// WE MUST BE WILLING/ TO FACE FACTS AND EXAMINE THEM.// WHETHER WE LIKE IT OR NOT,

MOST OF THE PEOPLE/ OF THE WORLD TODAY/ LIVE UNDER SOCIALISM OR COMMUNISM.// WE CANNOT STOP THIS BY FORCE/ AND SHOULD NOT IF WE COULD.// WE CAN SO IMPROVE OUR OWN SYSTEM OF ECONOMY/ THAT THE WORLD WILL SEE/ THE ADVANTAGE OF IT/ OVER ALL OTHERS/ IF THIS PROVE TRUE.// THE WAY TO START THIS, HOWEVER, IS NOT BY WAR NOR SLANDER. IT IS STUPID/ TO ABOLISH DEMOCRACY AMONG OURSELVES/ IN ORDER TO PROVE THE BLESSINGS OF DEMOCRACY/ TO OTHERS.// WE CANNOT CALL OURSELVES FREE,/ WHEN WE ARE ENSLAVING THE THOUGHT/ AND ACTION/ OF OUR OWN CITIZENS.

35-5-145

SPEECH

BY DR. W.E.B. DUBOIS

AT THE PUBLIC RALLY OF THE AMERICAN PEOPLE'S

CONGRESS AND EXPOSITION FOR PEACE

JUNE 29, 1951, CHICAGO COLISEUM

Let us tonight speak frankly as men and women who face the greatest crisis of modern culture and stand before the judgment of our children and at the bar of impartial history. We are here to declare that peace on earth is the only way to the solution of the pressing problems of our world.

These problems are the organization of work, democratic government and human rights.

36-8-153

Viewing our plight as a whole, it is clear that the fundamental problem which underlies all others is that of organized industry. There are many of us who would prefer not to discuss American Business, feeling that all such criticism is based on envy of wealth and success.

Our criticism, however, does not stem from jealousy of the rich but from sympathy for the poor; from the firm belief that poverty, disease and ignorance are not inevitable but preventable, and that the object of industry is this prevention and cure.

On the other hand we are convinced that Big Business in the United States is forcing this nation into war, transforming our administration into a military dictatorship, paralyzing all democratic controls and depriving us of knowledge we need.

The United States is ruled today by great industrial corporations controlling vast aggregations of capital and wealth. The acts and aims of this unprecedented integration of power, employing some of the best brain and ability of the land, are not and never have been under democratic control. Its dictatorship has varied from absolute monarchy to oligarchy, limited by

organized labor and by often ineffective public opinion, trying repeatedly and desperately to express itself through free elections.

Today this industrial oligarchy controls our government. The officials dominate our foreign relations and our internal affairs. Since the end of the second World War, the most powerful offices of the nation have been held largely by officials, or former officials of the 100 great corporations whose total profit in the last decade was 145 thousand million dollars.

36-8-154

These corporations, with 70% of government contracts, are pushing shops and small businesses to the wall, stifling competition, discouraging free enterprise and individual initiative, so completely that often these very phrases are mockery. This is the reason that in the three years since World War II, American Business, helped by the Marshall Plan, has invested 3 billions of capital abroad.

Today we dominate the economy of the Union of South Africa -- the worst modern Slave State; we hold increasing domination in East, West and Central Africa; in the economy of most of Latin America; of West Germany, Japan and much of the Near East. America has become the greatest power on earth for restoring colonial imperialism.

Back of this concentrated industrial control of our government are ranged ranged four enemies of democracy: militarism; the loss of civil rights; secret police and a huge effort at propaganda which denies knowledge of the truth to the average citizen.

Throughout the land, increasing unrest and opposition to this program of war, has been met by an unprecedented denial of the rights of American citizens as embodied in the Bill of Rights: free speech, the right of public assembly, the right of association, the right to work, have been curtailed slowly by judicial edict, federal and state law and city ordinance, helped by police

action. Our present Supreme Court condones decisions which it admits transgress the clear words of the Constitution. Public protest against the course of government even in elections has been made difficult and dangerous, as the campaign of 1948 showed.

Evidence to supply excuse for such denial of human rights and democratic action, is supplied by the largest body of secret police the modern world has known and whose annual cost in the last decade has risen from 2 million to 53 million dollars.

30-8-155

Finally, and this is of greatest importance for the Peace Movement: truth and sources of knowledge are being systematically kept from the American People by organized industry, through its control of news gathering and news distributing agencies.

There are on this platform tonight, five persons who stand indicted by the Federal Department of Justice as agents of a foreign principal because through the Peace Information Center they distributed news of peace movements through the world, which the press ignored, including distribution of the Stockholm Appeal against the atomic bomb. They are

Elizabeth Moos, a teacher

Kyle Elkin, a business man

Sylvia Soloff, a clerk and stenographer

Abbot Simon, a verteran and organizer of this Congress

and Myself

The basic hope of democracy is the power of the people eventually to decide great issues of state by fair elections. But the effective use of this power depends on the knowledge of conditions which this electorate possesses. If they cannot know the truth; if they cannot ascertain the real facts, then the whole meaning and efficiency of the democratic process fall to the ground.

Today it is clear to all who know the facts that American industry has launched in this country, the greatest effort at propaganda the world has ever witnessed. In comparison, Hitler and Mussolini fade to insignificance. Our daily press with few exceptions is controlled in presentation of fact and expression of opinion by the organized industrial interests of the United States. These interests want war. They want war because only by war can China, Africa, Southeast Asia and the Middle East be kept in their contrd, as the source of the greatest profit for industrial enterprise.

36-8-156

But even an industrial dictatorship could not admit profit as the sole end of work, and increase of profit as the cause of world war. So in the United States we are told over radio, in cinema, on the platform and in newspaper, magazine and book, that our way of life is in grave and imminent danger. That no matter if democracy dies and human rights disappear; no matter how the cost of living soars, and taxes increase; no matter how housing lags, and schools disintegrate; no matter how much we need medical care and social security; we are said to be threatened by an enemy so great and ruthless that we must drop all and throw our total energy into a war effort which surpasses anything the world has ever attempted.

This is a terrible prospect. If it be true that the Soviet Union, the Chinese Republic; the new Poland and Czechoslovakia and the Balkans States;

together with, in a lesser degree, the socialists of Britain, Scandanavia, Italy and France, are threatening the very existence of the United States, even then war is not inevitable.

Conference and understanding; patience and not threat, are ways to peace, and peace alone can save civilization.

But is it true that these nations and their economics threaten us? What are the real facts? It is here that the methods of our present industrial dictatorship show its hand most clearly. It refuses to permit a real and honest appraisal of the world situation. It overwhelms us by a continuous barrage of propaganda on only one side, from only one point of view; and with but one object: that the mass of honest citizens unconsciously assume that imminent attack on this nation calls for hiding our school children under desks, and blaring false alarms.

30-8-157

Just as in the dark ages, we are letting ourselves be stampeded by witch-words. In that day, a veiled and awesome figure could rear itself in the shadows and by yelling "Abacadabra," turn strong men into gibbering idiots. Today by yelling "Communist," we can shut the mouths of nearly all who want peace, not war; of scientists and artists who want freedom to search for truth and beauty; of anxious mothers who want healthy sons and not cripples nor corpses; of honest fathers who want jobs and homes; of youth who want education; of citizens who want flood control, social medicine, ownership of public utilities; of Negroes who want to be free, and of Jews who want escape from centuries of calumny.

Men have a perfect right to disagree with communism, with its objects and methods; menmay honestly believe that the United States has a better method of industrial organization than the Soviet Union; but men have no right to assert in the face of overwhelming testimony that no honesty and sincerity of effort; no hard work and sacrifice; no intelligent leadership, has occurred in the Soviet Union; and that disagreement with it must involve painting 200 million people as inhuman devils, and assuming that we are God's own angels. In that direction lies unending hate and war; while civilization needs sympathy, understanding and world peace, with the right of men to differ and of nations to work as each will.

36-8-158

We cannot thrive on hatred of a nation or of a system of economy. We must be willing to face facts and examine them. Whether we like it or not, most of the people of the world today live under socialism or communism.

We cannot stop this by force and should not if we could. We can so improve our own system of economy that the world will see the advantage of it over all others if this prove true. The way to start this, is not by war nor slander. It is stupid to abolish democracy among ourselves in order to prove the blessings of democracy to others. We cannot call ourselves free, when we are enslaving the thought and action of our own citizens.

You know the reasons for your coming to this Congress; you know what the communities think which sent you. You also know, or soon will learn, that the truth about this meeting, what it wants and what it says, will not appear in most newspapers in this city, nor in the vast majority of newspapers in the nation. That on the contrary, on radio, in magazine and in the daily and weekly press, you will be caricatured as traitors and crackpots and not as

Americans who want peace; and who believe that the vast majority of all other nations also want peace so desperately, that fear of aggression is practically groundless.

More than this, nearly all social questions and reforms which we must discuss and answer are matters which science has already discussed, experimented with and offered solutions, years before the Soviet Union was born. Yet when we dare touch these matters, we are denied freedom of speech. Subjects like wealth production and distribution; the role of the state in industry and the causes of poverty, are being thrown out of our school curricula and we are accused of radicalism if we dare mention these matters. Yet we must discuss them. We must ask why is it that this rich world is poor? Why is it, that with all the wealth nature furnishes free, and all the power lying at our fingertips, the men who work hardest get the lowest income? Why is it that the men who think most clearly and constructively have often the hardest time making a decent living, while thousands who lie and cheat and steal get power and wealth? Why is it those who own the land and crops; the machines and capital; the buildings and clothing and food, are not always those who work and save and sacrifice, but too often those who scheme and contrive and rig the market; or sit at ease spending what somebody else earned?

None will deny that many of the rich have earned their income or that some of the poor deserve their poverty; but all will admit that the distribution of wealth in this world has no earthly relation to reason nor right, and that the history of the accumulation of many great fortunes and stories of

36-8-159

theft, cheating, gambling and murder.

There are fundamental questions as to work and wealth which all men must face; all schools teach and all honest pulpits discuss. Does a man's income consist of what he makes? No. Not even in primitive times was this true. And today the simplest work of production from catching a fish to building Boulder Dam is a complicated social effort involving from 10 to 10,000 workers, planners, managers and thinkers, and using even so-called "unemployed" housewives and mothers; it lasts so long in time and is so intricate and complicated in techniques that no mathematical formula can possibly show exactly what each worker contributes to the final value. By what yardstick then is individual income measured? No man takes what he makes; he shares in what all men make; and the size of that share cannot in any civilized state be left to chance, monopoly or to those who happen at any time to control capital and power.

36-8-160

Only reason and justice can in the end determine income; to each according to his need and from each what he best can do, is the high ideal, enunciated before the Russian Revolution was thought of. This ideal the Soviet Union admits it has not yet attained, but declares its firm purpose to reach it. While the United States not only denies the justice of this aim but bluntly orders that it must not even be attempted.

We have got our economy upside down, our reward for work backside foremost and our brains so addled that if anyone dares question this insanity of our modern civilization we yell "subversive" and scare all fools out of their few wits.

If sincere dislike of this state of affairs is Communism, then by the living God, no force of arms, nor power of wealth, nor smartness of intellect will ever stop it. Denial of this right to think will manufacture communists faster than you can jail or kill them. Nothing will stop such communism but something better than communism. If our present policies are examples of free enterprise and individual initiative, they initiate crime and suffering as well as wealth; if this is the American way of life, God save America!

36-8-161

There is no way in the world for us to preserve the ideals of a democratic America, save by drastically curbing the present power of concentrated wealth; by assuming ownership of some natural resources, by administering many of our key industries and by socializing our services for public welfare. This need not mean the adoption of the communism of the Soviet Union; nor the socialism of Britain; nor even of the near-socialism of France, Italy or Scandinavia; but either in some way or to some degree, we socialize our economy, restore the New Deal and inaugurate the welfare state, or we descend into a military fascism which will kill all dreams of Democracy, or the abolition of poverty and ignorance; or of peace instead of war.

There must come vast social change in the United States; a change not violent, but by the will of the people certain and inexorable; carried out "with malice toward none but charity for all"; with meticulous justice to the rich and thrifty and complete sympathy for the poor, the sick and the ignorant; with freedom and democracy for America, and on earth peace, good will toward men.

CHICAGO, JUNE 29, 1951

35-5-1

Let us tonight speak frankly as men and women who face the greatest crisis of modern culture and stand before the judgment of our children and at the bar of impartial history. We are here to declare that peace on earth is the only way to the solution of the pressing problems of our world.

These problems are the organization of work; democratic government and human rights.

Viewing our plight as a whole, it is clear that the fundamental problem which underlies all others is that of organized industry. There are many of us who would prefer not to discuss American business, feeling that all such criticism is based on envy of wealth and success. Our criticism, however, does not stem from jealousy of the rich but from sympathy for the poor; from the firm belief that poverty, disease and ignorance are not inevitable but preventable, and that the object of industry is this prevention and cure.

On the other hand we are convinced that Big Business in the United States is forcing this nation into war, transforming our administration into a military dictatorship, paralyzing all democratic controls and depriving us of knowledge we need.

The United States is ruled today by great industrial corporations controlling vast aggregations of capital and wealth. The acts and aims of this unprecedented integration of power, employing some of the best brain and ability of the land, are not and never have been under democratic control. Its dictatorship has varied from absolute monarchy to oligarchy, limited by organized labor and by often ineffective public

opinion, trying repeatedly and desperately to express itself through free elections, ~~but failing utterly since the death of Franklin Delano Roosevelt.~~

Today this industrial oligarchy controls our government. Its officials dominate our foreign relations and our internal affairs. Since the end of the Second World War, the most powerful offices of the nation have been held largely by officials, ~~officials on leave,~~ or former officials of the 100 great corporations whose annual net profit, after paying all costs of production, including materials, high salaries and low wages; and paying all taxation, and after laying aside huge reserves, have risen from 3 1/2 billions in 1936-9 to 18.5 in 1946-50, and 22 1/2 billions last year; and whose total profit in the last decade was 145 thousand million dollars. If these corporations speak through their officials and former officials, as few doubt but they do, then the American Telephone and Telegraph Company is our ambassador to Britain; the Steel Trust and Dillon, Reade have recently been our secretaries of State; the New York Stock Exchange heads the Federal Reserve Board; our huge war effort, which is spending a billion dollars a week on weapons alone, is controlled by General Electric, International Telephone and Telegraph, General Foods, the United States Chamber of Commerce, the Westinghouse Electric, the Columbia Broadcasting System, the Trans World Airlines, the Georgia Power Company, the Steel Trust, and a score of other corporations; while the National Association of Manufacturers unifies and guides the whole policy of this centralized power. The avowed object of these corporations is private profit; and public welfare, only after profit is assured.

These corporations, with 70% of the fat government contracts,

are pushing shops and small businesses to the wall, stifling competition, discouraging free enterprise and individual initiative, so completely that often these very phrases are mockery.

The profits of ten banks which have $35 billion dollars in assets, combined with the nine great corporate concentrations of wealth and the property of the 60 families who own America, have billions to invest abroad where they can earn, from cheap labor and monopoly of raw materials, twice the rate of profit they earn here. This is the reason that in the three years since World War II, American business, helped by the Marshall Plan, has invested $3 billions of capital abroad. It is also the reason we fear control of that capital by plans for social control in Europe; and finally it is the reason we are fighting in Asia, because of the prospect of greater profit there, from serf labor and land monopoly. Today we dominate the economy of the Union of South Africa -- the worst modern slave state; we hold increasing domination in East, West and Central Africa; in the economy of most of Latin America; of West Germany, Japan and much of the Near East. America has become the greatest power on earth for restoring colonial imperialism.

Back of this concentrated industrial control of our government are ranged four enemies of democracy: militarism; the loss of civil rights; secret police and a huge effort at propaganda which denies knowledge of the truth to the average citizen.

Our military establishment is the largest which the world has ever seen; it is on every continent and in every sea and dominates the airways of the world. A Third World War was not simply threatening, but was actually begun; with no authority from the voters of the nation, no formal consent by Congress and no real appeal to public opinion. Despite this, our nation and the world is filling with

armed forces and our national industrial effort is concentrating our industrial potential on articles of destruction instead of the goods and needs of a peaceful nation.

Universal military service has been planned to compel the entire youth of the land to fight, whether or not they want to fight or understand why they are fighting. Army discipline may have certain values for youth, and it is glorious to die for one's country, when that is necessary. When it is unnecessary, war is a crime, and always subjects youth to a cramping tyrrany, absence of initiative and loss of self-respect, calculated to ruin and debauch whole generations of men and women. This is why in every civilized nation compulsory military service has always been regarded as the last resort from inescapable evil.

35-5-4

Our system of education is facing chaos; imagine narrowly educated military men, with absolutely no background of broad culture, standing in the shoes of Mark Hopkins and Charles William Eliot? Conceive immature mediocrity heading institutions where once William James and Weir Mitchel taught manhood to men! Was it wise in the last generation, for a rich democracy like the United States, to entrust to Standard Oil and the Steel Trust, the chief role in high educational policy; and for the next generation to hand it over to the Ford Motor Company, while the Army and Navy subsidize scientific research for subservient presidents of our universities? May not this be the reason why the chief advances in popular education, have come recently from the Eastern world and not from the West; and why bookstores flourish in Prague and languish in New York? And why we cannot have in this nation a single successful literary magazine which is not owned or subsidized by Big Business?

The plight of science today, especially in physics and chemistry and in the social sciences, resembles the age of Galileo. Knowledge due the world must be kept secret; genius must be geared to murder and the highest scientific ideal is immeasurable destruction. The situation is driving our scientists mad.

35-5-5

We have tried desperately in this nation to preserve respect for our courts; but today increasing numbers do not believe in their integrity or justice where the poor, the black, or the unpopular are concerned. They fear that justice is not only blind, but becoming also deaf and dumb.

must to hear

Meantime, throughout the land, increasing unrest and opposition to this program of war, has been met by an unprecedented denial of the rights of American citizens as embodied in the Bill of Rights: free speech, the right of public assembly, the right of association, the right to work, have been curtailed slowly by judicial edict, federal and state law and city ordinance helped by police action. Our present Supreme Court condones decisions which it admits transgress the clear words of the Constitution. Public protest against the course of government even in elections has been made difficult and dangerous, as the campaign of 1948 showed.

Evidence ~~and intimidation~~ to supply cause for such denial of human rights and democratic action, is supplied by the largest body of secret police the modern world has known and whose annual cost in the last decade has risen from two to 85 million dollars. Every rule of common law and justice has at one time or another been violated by this bureau until the intimidation of citizens is almost complete; no lawyer seems safe from contempt of court, and few unpopular victims can hope for an unbiased trial.

Our concept of freedom has become curiously confused. Of course

complete freedom is inconceivable and complete slavery is death. Yet we demand for so-called free peoples, the right of business enterprise to carry on efforts which are little less than force and gambling; to make private profit out of public wealth; to seize unearned increase of value from land and natural resources; to regard as private property the savings from technical improvements in industrial processes; and especially the right to hold as private property the results of hired labor, no matter what the final value of those results are.

vegetable oil, coffee, cocoa, tea, silk, spice, cotton, leather, wood, metals, fruits and a thousand other necessities, whose prices the commercial powers force down to starvation depths; if these lands can be kept in semi-bondage, colonial imperialism will survive without actual political control.

35-5-7

To drive any nation to war, there must be hate and fear. Therefore hate and fear are the objects of this propaganda which embraces the press, most magazines, the platform and too often even the pulpit. We use the radio, that miracle of man, not only for propaganda but half the time for money-making advertisements, even of patent medicines and games of chance; while a movement like this cannot get in a whisper. This is the clear and practically undisputed situation in our land.

But even an industrial dictatorship could not admit profit as the sole end of work and increase of profit as the cause of world war. So in the United States we are told over radio, in cinema, on the platform and in newspaper, magazine and book, that our way of life is in grave and imminent danger. It refuses to permit a real and honest appraisal of the world situation. It overwhelms us by a continuous barrage of propaganda on only one side, from only one point of view; and with but one object: that the mass of honest citizens unconsciously assume that imminent attack on this nation calls for hiding our school children under desks, and blaring false alarms of imminent deadly attack.

35-5-8

The course of Fascism in the United States is following in the exact footsteps of Fascism in Italy and Nazism in Germany, except we so far lack the colorful personal leadership which perhaps MacArthur will supply. Otherwise we have curtailment of civil rights; the single party system, even though using two names; the secret informer and the paid spy; the freedom of known criminals and jailing of thinkers and writers; the mass compulsion to one opinion and one set of conclusions, and a huge propaganda to obscure the truth and make all believe what is not proven.

Just as in the dark ages, we are letting ourselves be stampeded by witch-words. In that day, a veiled and awesome figure could rear itself in the shadows and by yelling "Abacadabra," turn strong men into gibbering idiots. Today by yelling "Communist," we can shut the mouths of nearly all who want peace, not war; of scientists and artists who want freedom to search for truth and beauty; of anxious mothers who want healthy sons and not cripples nor corpses; of honest fathers who want jobs and homes; of youth who want education; of citizens who want

flood control, social medicine, ownership of public utilities; of Negroes who want to be free, and of Jews who want escape from centuries of calumny.

Instead, we live in a world where travel can be limited; where Paul Robeson's glorious voice can be stilled; where Hollywood can be deprived of genius; where political opinion can be denied expression and its leaders jailed, after the fashion of all tyrannical governments; and where the nation can be made the hysterical and cruel leader of war and hate all around the world.

The danger of our present war hysteria is not only that it stops us from reasoning, but it is impairing our ability to reason. For instance: our excuse for war preparation is fear of soviet aggression; if then we are to discuss war we must discuss the Soviet Union. But we are stopped from this by the assertion that study of Russia is dangerous; that the Russians are too untrustworthy for any discussion or agreement; therefore we must neither discuss nor visit Russia and must make war without discussion or knowledge. We want peace with Russia; yet when anyone starts to talk peace with Russia, he is called a traitor.

Men have a perfect right to disagree with Communism, with its objects and methods; men may honestly believe that the United States has a better method of industrial organization than the Soviet Union; but men have no right to deny in the face of overwhelming testimony that no honesty and sincerity of effort; no hard work and sacrifice; no intelligent leadership, has occurred in the Soviet Union; and that disagreement with it must involve painting 200 million people as inhuman devils, and assuming that we are God's own angels. In that direction lies unending hate and war; while civilization needs sympathy,

understanding and world peace, with the right of men to differ and of nations to work as each will.

If Communism is spreading by force and violence, with slavery and deceit, then a crusade of extermination is unnecessary, for such a system carries the seed of its own death. But this picture of Russia is painted mainly by witnesses, whom no honest student of history or sociology believes; and is proven by no evidence which science can for a moment admit. But if on the other hand Communism is, as many contend, a way of life and work which is spreading because it seeks to abolish poverty, educate the masses and give the worker a real sense of dignity, then it has a right to exist even if it makes mistakes; and if it succeeds or in so far as it succeeds, not all the wars of all the worlds will ultimately contain nor destroy it. Light, more light is then our slogan: investigate, enquire, look, learn; thither lies peace and freedom. Yonder is hell.

Conceive our utter frustration if time should prove that Russia really wants peace; that Communism, if not completely succeeding, is certainly not failing; that all Soviet workers are not slaves, that in 1952 as in 1939, the whole mass of Soviet people are ready to defend their country to the last Stalingrad!

We cannot thrive on hatred of a nation or of a system of economy. We must be willing to face facts and examine them. Whether we like it or not, most of the people of the world today live under Socialism or Communism. We cannot stop this by force and should not if we could. We can so improve our own system of economy that the world will see the advantage of it over all others if this prove true. The way to start this, is not by war nor slander. It is stupid to abolish democracy among ourselves in order to prove the blessings of democracy to others. We cannot call ourselves free, when we are enslaving the

thought and action of our own citizens.

We who are met here today know we are neither revolutionists nor traitors; we are not secret conspirators nor spies. We are American citizens and represent thousands of other citizens. We do not want America destroyed. We want it to become what once we dreamed it was, a free and democratic land. But we are neither children nor idiots and we demand to know for ourselves the state of peoples of this earth and not have fairy tales fed to us by hired propagandists and confessed liars. You know the reasons for your coming to this congress; you know what the communities think which sent you. You also know, or soon will learn, that the truth about this meeting, what it wants and what it says, will not appear in most newspapers in this city, nor in the vast majority of newspapers in the nation. That on the contrary, on radio, in magazine and in the daily and weekly press, you will be caricatured as Communists, traitors and crackpots and not as Americans who want Peace; and who believe that the vast majority of all other nations also want Peace so desperately, that fear of aggression is practically groundless. This earnest and honest opinion of this body, America may never hear and may go on being stampeded into war, unless democracy is restored in this land; propaganda scientifically and carefully answered; and the dictatorship of Big Business over this government and over our thinking stopped.

During the disgraceful Palmer raids of 1920, when the Department of Justice made its first attack on civil rights, the newspapers mostly were with the people, to disclose and criticize; today the newspapers have deserted the people and I predict that in the future the people will desert the newspapers and find more trustworthy sources of information.

More than this, nearly all social questions and reforms which we must discuss and answer are matters which science has already discussed, experimented with and offered solutions, years before the Soviet Union was born. Yet when we dare touch these matters, we are denied freedom of speech. Subjects like wealth production and distribution; the role of the state in industry and the causes of poverty, are being thrown out of our school curricula and we are accused of radicalism if we dare mention these matters. Yet we must discuss them. We must ask why is it that this rich world is poor? Why is it, that with all the wealth nature furnishes free, and all the power lying at our fingertips, the men who work hardest get the lowest income? Why is it that the men who think most clearly and constructively have often the hardest time making a decent (honest) living, while thousands who lie and cheat and steal get power and wealth? Why is it those who own the land and crops; the machines and capital; the buildings and clothing and food, are not always those who work and save and sacrifice, but too often those who scheme and contrive and rig the market; or sit at ease spending what somebody else earned?

35-5-12

Why does the man who raises the crop get little, the man who carries it to market gets more and the man who sells it to the consumer gets most if not all? Why is this, save because we have got our economy upside down, our reward for work backside foremost and our brains so addled that if anyone dares question this insanity of our modern civilization we yell "subversive" and scare all fools out of their few wits?

must

If sincere dislike of this state of affairs is Communism, then by the living God, no force of arms, nor power of wealth, nor smartness of intellect will ever stop it. Denial of this right to think will manufacture Communists faster than you can jail or kill them. Nothing

will stop such Communism but something better than Communism. If our present policies are examples of free enterprise or individual initiative, they initiate crime and suffering as well as wealth; if this is the American way of life, God save America.

None will deny that many of the rich have earned their income or that some of the poor deserve their poverty; but all will admit that the distribution of wealth in this world has no earthly relation to reason nor right, and that the history of the accumulation of many great fortunes are stories of theft, cheating, gambling and murder.

There are fundamental questions as to work and wealth which all men must face; all schools teach and all honest pulpits discuss. Does a man's income consist of what he makes? No. Not even in primitive times was this true. And today the simplest work of production from catching a fish to building Boulder Dam is a complicated social effort involving from 10 to a million workers, planners, managers and thinkers, and using even so-called "unemployed" housewives and mothers; it lasts so long in time and is so intricate and complicated in techniques that no mathematical formula can possibly show exactly what each worker contributes to the final value. By what yardstick then is individual income measured? No man takes what he makes; he shares in what all men make; and the size of that share cannot in any civilized state be left to chance, monopoly or to those who happen at any time to control capital and power.

Only reason and justice can in the end determine income; to each according to his need and from each what he best can do, is the high ideal, enunciated before the Russian revolution was thought of. This ideal the Soviet Union admits it has not yet attained, but declares its firm purpose to reach it. While the United States not only denies the justice of this aim but bluntly orders that it must not even be

attempted.

We have only to utter the witch word and the whole nation is stampeded not only from such basic queries, but even from its quest of education, health, housing, and social security and hurled into a wild waste of wealth and work on a fantastic plan of world conquest and thought control, utterly impossible of accomplishment any time or anywhere. What in God's name would we do with the earth if we conquered it but what we did in Germany and Japan, which was to turn these nations back to the very forces which once ruined them?

Insert
To God save America

There is no way in the world for us to preserve the ideals of a democratic America, save by drastically curbing the present power of concentrated wealth; by assuming ownership of some natural resources, by administering many of our key industries and by socializing our services for public welfare. This need not mean the adoption of the Communism of the Soviet Union; nor the Socialism of Britain; nor even of the near-socialism of France, Italy or Scandinavia; but either in some way or to some degree, we socialize our economy and inaugurate the welfare state, or we descend into a military Fascism which will kill all dreams of democracy, of the abolition of poverty and ignorance; or of peace instead of war.

35-5-11

There must come

The concept of property as a right and not as a public service; of industry, business and commerce as undertaken primarily for private profit and not mainly for public welfare; of wages as a concession from an employer and not as the legal share of what labor creates; -- such concepts are pre-historic in social science, and yet they are still honestly believed by thousands of American businessmen.

Unless and until this attitude is changed, the vision of my schoolmate, William Vaughn Moody, will continue true. He saw the

human beast chained to the machine:

But the beast said in his breast:
Till the mills I grind have ceased,
Their rights shall be dust of dust,
Dry ashes be the feast.
On the strong and cunning few
Cynic pleasures I will strew.
I will fill their maw with overplus
Until their spirit dies.
From the faithful and the low,
I will take the joys they know
They shall hunger after vanities
And still an-hungered go.
Madness shall be on the people,
Ghastly jealousies arise;
Brothers blood shall call on brothers
Up the dead and empty skies!

35-5-15

This must not, it cannot always be; there must come vast social change in the United States; a change not violent, but by the will of the people certain and inexorable; carried out "with malice toward none but charity for all"; with meticulous justice to the rich and complete sympathy for the poor, the sick and the ignorant; with freedom and democracy for America, and on earth Peace, Good Will toward men.

THE CAUSES OF WORLD WAR

THE COLONIAL AREAS/SUITED TO THIS CONTROL/~~HAVE~~ WERE LONG ~~BEEN~~ DOMINATED/CHIEFLY BY SPAIN, BRITAIN AND FRANCE.// BY SLAVERY AND SERFDOM,/LAND MONOPOLY,/PRICE FIXING AND POLITICAL CONTROL,//EUROPE AND NORTH AMERICA/BUILT UP A CULTURE OF LEARNING,/ WEALTH AND LUXURY/BASED LARGELY/ON THE POVERTY AND IGNORANCE/OF THE REST OF THE WORLD.// NATURALLY WESTERN EUROPE/WANTED TO PROTECT THIS FAVORED POSITION/BY FORCE AND VIOLENCE/AND FOUND MORAL JUSTIFICATION/FOR THIS/IN ASSUMING THAT WHITE FOLK/WERE SUPERMEN/AND COLORED PEOPLE ETERNAL INFERIORS.// THROUGH TECHNICAL INVENTION,/SCIENTIFIC KNOWLEDGE AND INDIVIDUAL FREE INITIATIVE,/ THE ESSENTIAL CONTROL/OF WORLD INDUSTRY AND COMMERCE/BECAME IN THE EARLY 20th CENTURY/SO CONCENTRATED/IN THE HANDS OF THE BRITISH AND FRENCH EMPIRES,/ THAT BOTH GERMANY/AND NORTH AMERICA,/AND JAPAN IN ASIA,/DEMANDED A REDISTRIBUTION OF POWER.

35-5-51

THE ENSUING WORLD WAR BEGAN SUCH A REDISTRIBUTION, BUT IT ALSO WEAKENED THE INTRICATE SYSTEM OF COMMERCIAL CONTROL WHICH HAD PLACED THE REAL POWER OF GREAT MODERN STATES IN THE HANDS OF THOSE WHO OWNED THE WEALTH + NOT SIMPLY THE NATIONAL WEALTH BUT THE MOST VALUABLE MATERIALS OF THE WHOLE EARTH. // THE POWER OF THE RICH WAS IN THE LATE 18th AND EARLY 19th CENTURIES CURTAILED BY DEMOCRATIC CONTROL IN THE HANDS OF THE MASS OF THE INHABITANTS; // BUT THIS CONTROL WAS LIMITED AT HOME AND OF NO AVAIL IN THOSE PARTS OF ASIA, AFRICA AND AMERICA WHICH THE ORGANIZED INDUSTRY OF THE IMPERIAL STATES DOMINATED. // BOTH THE NATIONAL AND INTERNATIONAL ORGANIZATION OF INDUSTRY AND COMMERCE WAS NOT ONLY UNDEMOCRATIC BUT USUALLY OLIGARCHICAL IF NOT APPROACHING ABSOLUTE MONARCHY. // THE SYSTEM PLACED SO GREAT POWER IN THE HANDS OF THOSE CONTROLING HOME INDUSTRY THAT THEY COULD AND DID REDUCE NATIONAL DEMOCRACY TO THE RULE OF WEALTH; // OR AT MOST MADE HOME LABOR A MINOR PARTNER WITH INDUSTRY IN THE IMPOVERISHMENT, DISEASE AND COMPULSORY IGNORANCE OF THE MAJORITY OF THE PEOPLES OF THE EARTH.

35-5-52

THE FIRST WORLD WAR SHOOK THIS SYSTEM TO ITS FOUNDATIONS NOT ONLY BY ITS COST, BUT BECAUSE IT FILLED MANY OF THE COLORED PEOPLES WITH A FIERCE DESIRE TO ESCAPE FROM THE COERCION OF EUROPE; // AND IN EASTERN EUROPE, WHICH UNDER WESTERN EUROPEAN LEADERSHIP HAD SUNK TO QUASI-COLONIAL STATUS, THE RESULT WAS A REVOLUTION WHICH PUT SOCIALISTS IN CONTROL OF RUSSIA.

SOCIALISM WAS AN OLD, BUT INDEFINITE AND UNSYSTEMATIZED THEORY OF EASING THE MONOPOLY OF WEALTH AND THE OLIGARCHICAL CONTROL OF INDUSTRY BY SUBSTITUTING PUBLIC WELFARE FOR INDIVIDUAL PROFIT. // THE GREAT BUT IMPRACTICAL THEORISTS WHO HAD ADVOCATED SUCH CHANGE FROM THE FIRST RISE OF MODERN INDUSTRY IN THE 15th CENTURY HAD SELDOM BEEN ABLE TO AGREE ON A DEFINITE PROGRAM AND THE FEW ATTEMPTS AT SOCIALISM HAD USUALLY FAILED OR BEEN EASILY SUPPRESSED.

IN THE CASE OF THE RUSSIAN REVOLUTION OF 1917, // HOWEVER, A SET OF EDUCATED AND DEVOTED LEADERS APPEARED, DETERMINED TO CARRY OUT THE THEORIES OF KARL MARX.

MARX, BY LONG AND THOROUGH STUDY OF THE HEGELIAN PHILOSOPHY OF SCIENCE AND OF ACTUAL WORKING CONDITIONS, HAD TRIED TO FIND A SCIENTIFIC FOUNDATION FOR THE PRODUCTION AND DISTRIBUTION OF WEALTH. // LENIN AND HIS OTHER RUSSIAN FOLLOWERS WERE NOT ABSOLUTELY DOGMATIC, DOUBTED IF THE TIME WAS RIPE OR THE RUSSIANS READY TO FOUND A SOCIALIST STATE // AND TRIED TO MAKE SOME COMPROMISE AND ALLIANCE WITH THE ECONOMY OF WESTERN EUROPE. // BUT BRITAIN, FRANCE AND THE UNITED STATES MADE THE MISTAKE OF TRYING SUMMARILY AND BY FORCE TO SUPPRESS THIS REVOLUTION, USING THE ARMIES OF 16 NATIONS, TOGETHER WITH SPIES, TRAITORS AND THE WORST TYPE OF HIRED MERCENARIES.

35-5-53

WITHOUT DOUBT THIS WIDE EFFORT TO STOP THE REVOLUTION OF 1917 WOULD HAVE SUCCEEDED, // HAD NOT THE WHOLE SYSTEM OF EUROPEAN ECONOMY TOTTERED SO CRAZILY IN 1929 AND AFTER. // EUROPE, THE UNITED STATES AND JAPAN NEEDED ALL THEIR ENERGIES TO RESTORE THEIR OWN SOLVENCY AND REBUILD INTERNATIONAL TRADE. // BUT BRITAIN AND FRANCE WERE STILL DETERMINED TO DOMINATE WORLD INDUSTRY AND COMMERCE AS THEY HAD BEFORE THE FIRST

WORLD WAR, // WHILE ADMITTING THE UNITED STATES AND GERMANY TO JUNIOR PARTNERSHIP. // BUT IGNORING ITALY AND FIRMLY EXCLUDING JAPAN.

THIS SHORT-SIGHTED EFFORT LED TO THREE DEVELOPMENTS WHICH CHANGED THE COURSE OF MODERN HISTORY: // IT GAVE THE SOVIET UNION TIME TO BUILD AN INDEPENDENT SOCIALIST STATE; // IT ENCOURAGED JAPAN TO UNDERTAKE HER OWN COLONIAL EMPIRE IN ASIA; // AND ITALY AND GERMANY, JOINED LATER BY JAPAN, ATTEMPTED TO RESTORE THE SAME EUROPEAN DOMINATION OF LABOR, LAND AND PRODUCTS IN THE COLONIAL AND SEMI-COLONIAL AREAS OF THE WORLD. // BUT WITH THE EXCLUSION OR ONLY MINOR PARTNERSHIP OF BRITAIN, FRANCE AND THE UNITED STATES. //

35-5-54

P

THERE ENSUED LONG ATTEMPTS AT COMPROMISE -- NOT TOUCHING THE CONTROL OF THE WORLD BY EUROPE, BUT ONLY CONCERNING THE DIVISION OF POWER BETWEEN THE OLDER EMPIRES AND THE NEWER INTERLOPERS. // BOTH SIDES TACITLY ~~AGREED~~ determined THAT THE DESTRUCTION OF RUSSIA AND SOCIALISM MUST FOLLOW THEIR AGREEMENT.

P WESTERN EUROPE AND CENTRAL EUROPE DID NOT ~~AGREE~~ (Come to agreement) AND A SECOND WORLD WAR

FOLLOWED // WHICH WAS AT BOTTOM / CAUSED BY THE RIVALRY / FOR THE CONTROL OF THE SEVEN GROUPS / OF PRODUCTS OF COLONIES / WHICH I HAVE NAMED. // THIS WAR NOT ONLY / FURTHER WRACKED THE WORLD INDUSTRIAL SYSTEM, / BUT CURIOUSLY ENOUGH, / COMPELLED BRITAIN AND AMERICA / TO MAKE ALLIANCE / WITH THE SOVIETS / AS THE ONLY METHOD / TO CONQUER AN ALMOST INVINCIBLE / GERMANY, ITALY AND JAPAN. // THEY HESITATED LONG / AND HOPED / UNTIL THE LAST / THAT GERMANY AND THE SOVIET UNION / WOULD ANNIHILATE EACH OTHER. // WHILE WESTERN EUROPE AND AMERICA WITHHELD THEIR SUPPORT / OF THE HARD-PRESSED / RUSSIAN ARMIES.

35-5-55

GERMANY AND JAPAN / WERE COMPLETELY CONQUERED AT LAST, / BUT WHAT REMAINED / WAS THE SAME SEVEN CAUSES OF WORLD WAR / WHICH ANTI-DATED 1914! /// NAMELY, THOSE VALUABLE AND INDISPENSABLE MATERIALS / FROM COLONIAL REGIONS / TOGETHER WITH THE CHEAP LABOR / NECESSARY TO PRODUCE THEM / WHICH MUST BE SEIZED / AND USED FOR DOMESTIC INDUSTRY / AND CONSUMPTION / IF THE PRE-WORLD WAR / ORGANIZATION OF INDUSTRY / AND CONTROL OF WEALTH CONTINUED. // THAT IT MUST CONTINUE / NO BRITISHER NOR AMERICAN / FOR A MOMENT DOUBTED.

HERE HOWEVER / THE UNREST AND REVOLT / OF COLONIAL PEOPLES / INTERFERED. BRITAIN HAD TO EMANCIPATE INDIA, / BUT SHE ENCOURAGED / BEFORE LEAVING / THE IRRITANT OF RELIGIOUS HATE. // THE UNITED STATES ENTERED CHINA / BUT WAS MORE INTERESTED IN TEA, SILK, FIBRES, / TUNGSTEN, OILS AND COTTON / THAN IN PEOPLE. // SO THE CHINESE DROVE THE AMERICANS / AND THEIR STOOGES INTO THE SEA. // INDONESIA BROKE THE BONDS OF DUTCH AND BRITISH CONTROL. // SOUTHEAST ASIA REVOLTED / AGAINST THEIR BRITISH AND FRENCH MASTERS. / THERE WERE SIGNS OF REVOLT IN OTHER COLONIAL REGIONS; / IN AFRICA, THE SOUTH SEAS, / THE PHILLIPINES, / THE CARRIBEAN AND SOUTH AND CENTRAL AMERICA.

35-5-56

IT WAS AT THIS POINT / THAT WORLD-WIDE PROPAGANDA / LED BY THE UNITED STATES, / ON A SCALE / THAT PUT HITLER TO SHAME / WAS STARTED / TO MAKE MEN BELIEVE / THAT RUSSIAN IMPERIALISM / WAS STARTING A THIRD WORLD WAR / AND NOT THE DESPERATE ATTEMPT / TO REVIVE COLONIAL IMPERIALISM / WITH THE UNITED STATES / IN THE SADDLE / INSTEAD OF BRITAIN. // THIS PROPAGANDA IS FALSE AND ILLOGICAL. // THE SOVIETS WANT PEACE. / THEY NEED PEACE. / IN NO WAY / SAVE BY A LONG ERA OF PEACE / CAN COMMUNISM PROVE ITS RIGHT TO EXIST. if it has such right.

P NOONE EVEN PARTIALLY FAMILIAR WITH THE CONDITION AND AIMS OF RUSSIA CAN FOR A MOMENT DOUBT THE SINCERITY OF THE RUSSIAN PEACE OFFENSIVE. // BUT WHAT THE MASTERS OF AMERICAN AND BRITISH INDUSTRY AND COMMERCE KNOW IS THAT IF RUSSIA HAD NEVER EXISTED AND COMMUNISM NEVER BEEN THOUGHT OF, THEY WOULD HAVE TO HAVE BEEN INVENTED TO JUSTIFY WORLD WAR.

THE UNITED STATES THEREFORE ADDED TO ITS PROPAGANDA OF DISBELIEF IN COMMUNISM AS A WORKABLE SYSTEM, A BITTER ATTACK ON THE DECENCY AND ORDINARY HUMANITY OF THE RUSSIAN PEOPLE AND THEIR LEADERS. /// EVERY CHARGE AGAINST THE SOVIETS, NO MATTER HOW UNSUPPORTED AND QUESTIONABLE, WAS GIVEN THE WIDEST PUBLICITY // AND THE GOVERNMENT OPENLY SUPPORTED SUBVERSIVE ORGANIZATIONS IN THIS NATION FORMED BY FOES OF RUSSIA. /// THE RESULT IS A HYSTERIA AND HATE OF THE SOVIETS WHICH ALMOST PRECLUDES REASON.

35-5-52

THE REAL CAUSES OF WORLD WAR WILL PERSIST AND THREATEN SO LONG AS EUROPE AND AMERICA ARE DETERMINED BY MEANS OF CHEAP LABOR TO CONTROL THE WEALTH OF MOST OF THE WORLD. // THIS RESURGENCE OF THE REVOLT OF THE POOR WILL ~~WOULD~~ RAISE A NEW RUSSIA FROM THE DEAD AND BIRTH A NEW THEORY OF COMMUNISM SO LONG AS AFRICA, ASIA AND

SOUTH AMERICA SEE THE IMPOSSIBILITY OF OTHERWISE ESCAPING POVERTY, IGNORANCE AND DISEASE. / THE SPREAD OF COMMUNISM HAS IN NO CASE BEEN BY FORCE BUT IN SELF-DEFENSE AGAINST THE ARMIES OF WESTERN EUROPE; OR IN THE REVOLT OF THE WORKERS OF POLAND AND THE BALKANS AFTER CENTURY-LONG BETRAYAL BY THE WEST. /// IN THE CASE OF ASIA, RUSSIA DID NOT INVADE CHINA, BUT HELD MANCHURIA FOR A YEAR UNTIL THE CHINESE OVERTHREW CHIANG KAI CHEK. // THEN AMERICAN EXPLOITERS AND OVERLORDS DROVE THE CHINESE PEASANTS STRAIGHT INTO THE ARMS OF COMMUNISM. // THE SAME THING WILL HAPPEN IN AFRICA, THE WEST INDIES, SOUTHEAST ASIA AND SOUTH AMERICA, UNLESS THIS VAST RESERVOIR OF WORLD WEALTH BECOMES A SOURCE OF PEACE AND PLENTY INSTEAD OF PERPETUAL INCENTIVE FOR GREED TO WAGE WAR.

35-5-52

WHO ARE WE TO LEAD THE WORLD TO PEACE AND RIGHTEOUSNESS? // WE WHOSE NATION IS SHOT THROUGH WITH CRIME, GRAFT AND MOB VIOLENCE; WHO ARE DRIVING DECENT AMERICANS TO JAIL, POVERTY AND SUICIDE; // WE WHOSE "UN-AMERICAN" INQUISITION AGAINST FREE SPEECH AND THOUGHT WAS HEADED BY A THIEF AND IS NOW PRESIDED OVER BY A GEORGIA STATESMAN WHO HOLDS OFFICE BY 30,000 VOTES ~~WHEN~~ AND 150,000 NEGRO ~~VOTERS~~ DISFRANCHISED VOTERS IN HIS Congressional District.

WE NOT ONLY ABROGATE/OUR OWN BILL OF RIGHTS/ ON THE STREET AND ON THE BENCH,/ BUT SEND OUR ARMS AND ARMIES/ TO HELP OVERTHROW ANY PEOPLE ON EARTH/WHO TODAY FIGHT TO BE FREE,//AND CALL TO OUR AID/THE REACTIONARY TYRRANIES/IN SPAIN, TURKEY AND GREECE. OUR EFFORT TO CONTROL THE WORLD/ BY FORCE OF ARMS/ IS AS FANTASTIC /AS IT IS EVIL. OUR LAST DESPERATE PLAN /TO RESTORE COLONIAL IMPERIALISM/WITH THE HELP OF GERMANY AND JAPAN /IS THE CRAZIEST DREAM/OF A CRAZY AGE.

ADDRESS BY DR. W. E. B. DUBOIS, SCHOLAR, AUTHOR AND HISTORIAN, AT THE "RIGHT TO ADVOCATE PEACE" MEETING, TOWN HALL, FRIDAY, SEPTEMBER 28th, 1951, NEW YORK CITY

THE CAUSES OF WORLD WAR

There are today seven causes of world war which we seldom discuss. These are the groups of essential raw material, and the land and labor necessary for their production, which the leading nations of the world need for their industry and for their standard of living. These products are illustrated by the gold and diamonds from South Africa; copper, tin and uranium together with mineral oil from Rhodesia, the Congo and the Middle East; beverages like tea from China and coffee from Brazil; drugs like opium and quinine from India; foods like sugar, cacao, coconuts, fruits and spices from the whole tropical world; fibres like cotton, silk and hemp from our own South, China and India, and dozens of other drugs, dyestuffs and foods.

These materials with few exceptions are produced in tropical lands, inhabited by colored races, whose poverty and ignorance have been used to increase and make permanent the world dominance of the white race. For 200 years colonial wars to seize territory and reduce colored labor to slavery have been carried on. But in the twentieth century the effort to confine the vast income from these products to certain nations has led to three world wars.

The colonial areas suited to this control have long been dominated chiefly by Spain, Britain and France. By slavery and serfdom, land monopoly, price fixing and political control, Europe and North America built up a culture of learning, wealth and luxury based largely on the poverty and ignorance of the rest of the world. Naturally Western Europe wanted to protect this favored position by force and violence and found moral justification for this in assuming that white folk

35-5-247

were supermen and colored people eternal inferiors. Through technical invention, scientific knowledge and individual free initiative, the essential control of world industry and commerce became in the early 20th century so concentrated in the hands of the British and French empires, that both Germany and North America, and Japan in Asia, demanded a redistribution of power.

The ensuing World War effected such a redistribution, but it also weakened the intricate system of commercial control which had placed the real power of great modern states in the hands of those who owned the wealth — not simply the national wealth but the most valuable materials of the whole earth. The power of the rich was in the late 18th and early 19th centuries curtailed by democratic control in the hands of the mass of the inhabitants; but this control was limited at home and of no avail in those parts of Asia, Africa and America which the organized industry of the Imperial States dominated. Both the national and international organization of industry and commerce was not only undemocratic, but usually oligarchical if not approaching absolute monarchy. The system placed so great power in the hands of those controlling home industry that they could and did reduce national democracy to the rule of wealth; or at most made home labor a minor partner with industry in the impoverishment, disease and compulsory ignorance of the majority of the peoples of the earth.

The first World War shook this system to its foundations not only by its cost, but because it filled many of the colored peoples with a fierce desire to escape from the coercion of Europe; and in Eastern Europe, which under Western Europe leadership had sunk to quasi-colonial status, the result was a revolution which put socialists in control of Russia.

Socialism was an old, but indefinite and unsystematized theory of easing the monopoly of wealth and the oligarchical control of industry by substituting public welfare for individual profit. The great but impractical theorists who had advocated such change from the first rise of modern industry in the 15th century had

35-5-218

seldom been able to agree on a definite program and the few attempts at socialism had usually failed or been easily suppressed.

In the case of the Russian revolution of 1917, however, a set of educated and devoted leaders appeared, determined to carry out the theories of Karl Marx.

Marx, by long and thorough study of the Hegelian philosophy of science and of actual working conditions, had tried to find a scientific foundation for the production and distribution of wealth. Lenin and his other Russian followers were not dogmatic, doubted if the time was ripe or the Russians ready to found a socialist state and tried to make some compromise and alliance with the economy of Western Europe. But Britain, France and the United States made the mistake of trying summarily and by force to suppress this revolution, using the armies of 16 nations, together with spies, traitors and the worst type of hired mercenaries.

Without doubt this wide effort to stop the revolution of 1917 would have succeeded, had not the whole system of European economy tottered so crazily in 1929 and after. Europe, the United States and Japan needed all their energies to restore their own solvency and rebuild international trade. But Britain and France were determined to dominate world industry and commerce as they had before the first world war, while admitting the United States and Germany to junior partnership, but ignoring Italy and firmly excluding Japan.

This short-sighted effort led to three developments which changed the course of modern history: it gave the Soviet Union time to build an independent socialist state; it encouraged Japan to undertake her own colonial empire in Asia; and Italy and Germany, joined later by Japan, attempted to restore the same European domination of labor, land and products in the colonial and semi-colonial areas of the world, but with the exclusion or only minor partnership of Britain, France and the United States. There ensued long attempts at compromise — not touching the control of the world by Europe, but only concerning the division of power between the older empires and the newer interlopers. Both sides tacitly agreed that the destruction of Russia and socialism must follow their agreement.

Western Europe and Central Europe did not agree and a second World War followed which was at bottom caused by the rivalry in the control of the seven groups of products of colonies which I have named. This war not only further wracked the world industrial system, but curiously enough, compelled Britain and America to make alliance with the Soviets as the only method to conquer an almost invincible Germany, Italy and Japan. They hesitated long and hoped until the last that Germany and the Soviet Union would annihilate each other, while Western Europe and America withheld their support of the hard-pressed Russian armies.

25-5-219

Germany and Japan were completely conquered at last, but what remained was the same seven causes of world war which anti-dated 1914; namely, those valuable and indispensable materials from colonial regions together with the cheap labor necessary to produce them which must be seized and used for domestic industry and consumption if the pre-world war organization of industry and control of wealth continued. That it must continue no Britisher nor American for a moment doubted.

Here however the unrest and revolt of colonial peoples interfered. Britain had to emancipate India, but she encouraged before leaving the irritant of religious hate. The United States entered China but was more interested in tea, silk, fibres, tungsten, oils and cotton, than in people; so the Chinese drove the Americans and their stooges into the sea. Indonesia broke the bonds of Dutch and British control. Southeast Asia revolted against their British and French masters. There were signs of revolt in colonial regions; in Africa, the South Seas, the Phillipines, the Carribean and South and Central America.

It was at this point that world-wide propaganda, led by the United States, on a scale that put Hitler to shame, was started to make men believe that Russian Imperialism was starting a third world war and not the desperate attempt to revive colonial imperialism with the United States in the saddle instead of Britain. This propaganda is false and illogical. The Soviets want peace. They need peace. In no way save by a long era of peace can Communism prove its right to exist. No one even partially familiar with the condition and aims of Russia can for a moment

doubt the sincerity of the Russian Peace offensive. But what the masters of American and British industry and commerce know is that if Russia had never existed and Communism never thought of, they would have to have been invented to justify world war.

35-5-220

The United States therefore added to its propaganda of disbelief in communism as a workable system, a bitter attack on the decency and ordinary humanity of the Russian people and their leaders. Every charge against the Soviets, no matter how unsupported and questionable, was given the widest publicity and the government openly supported subversive organizations in this nation formed by foes of Russia. The result is a hysteria and hate of the Soviets which almost precludes reason.

The real causes of world war will persist and threaten so long as Europe and America are determined by means of cheap labor to control the wealth of most of the world. This resurgence of the revolt of the poor would raise a new Russia from the dead and birth a new theory of communism so long as Africa, Asia and South America see the impossibility of otherwise escaping poverty, ignorance and disease. The spread of Communism has in no case been by force but in self-defense against the armies of Western Europe; or in the revolt of the workers of Poland and the Balkans after century-long betrayal by the West. In the case of Asia, Russia did not invade China, but held Manchuria for a year until the Chinese overthrew Chiang Kai Chek. Then American exploiters and overlords drove the Chinese peasants straight into the arms of Communism. The same thing will happen in Africa, the West Indies, Southeast Asia and South America, unless this vast reservoir of world wealth becomes a source of peace and plenty instead of perpetual incentive for greed to wage war.

Who are we to lead the world to Peace and Righteousness? We whose nation is shot through with crime, graft and mob violence; who are driving decent Americans to jail, poverty and suicide; we whose "Un-American" inquisition against free speech and thought was headed by a thief and is now presided over by a Georgia

35-5-221

statesman who holds office by 30,000 votes with 150,000 Negro workers disfranchised. We not only abrogate our own Bill of Rights on the street and on the Bench, but send our arms and armies to help overthrow any people on earth who today fight to be free, and call to our aid the reactionary tyrranies in Spain, Turkey and Greece. Our effort to control the world by force of arms is as fantastic as it is evil. Our last desperate plan to restore colonial imperialism with the help of Germany and Japan is the craziest dream of a crazy age.

We who have known a better America find the present scene almost unbelievable. A great silence has fallen on the real soul of the nation. We are smearing decent citizens on the paid testimony of self-confessed liars, traitors and spies. We are refusing passports and visas to distinguished persons lest they tell the truth. We are making the voice of America the babble of cowards paid to travel.

Meantime our nation writhes in nameless fear, our workers groan under increasing prices and mounting taxes, our education lags, our crime grows, gambling, liquor and drugs spread, our democracy dies while our police, unable to apprehend murderers and thieves, arrest, handcuff and jail men and women whose crime is to demand Peace, no more War.

THE CAUSES OF WORLD WAR

There are today seven causes of world war which we seldom discuss. These are the groups of essential raw material, and the land and labor necessary for their production, which the leading nations of the world need for their industry and for their standard of living. These products are illustrated by the gold and diamonds from South Africa; copper, tin and uranium together with mineral oil from Rhodesia, the Congo and the Middle East; beverages like tea from China and coffee from Brazil; drugs like opium and quinine from India; foods like sugar, cacao, coconuts, fruits and spices from the whole tropical world; fibres like cotton, silk and hemp from our own South, China and India, and dozens of other drugs, dyestuffs and foods.

These materials with few exceptions are produced in tropical lands, inhabited by colored races, whose poverty and ignorance have been used to increase and make permanent the world dominance of the white race. For 200 years colonial wars to seize territory and reduce colored labor to slavery have been carried on. But in the twentieth century the effort to confine the vast income from these products to certain nations has led to three world wars.

The colonial areas suited to this control have long been dominated chiefly by Spain, Britain and France. By slavery and serfdom, land monopoly, price fixing and political control, Europe and North America built up a culture of learning, wealth and luxury based largely on the poverty and ignorance of the rest of the world. Naturally Western Europe wanted to protect this favored position by force and violence and found moral justification for this in assuming that white folk

were supermen and colored people eternal inferiors. Through technical invention, scientific knowledge and individual free initiative, the essential control of world industry and commerce became in the early 20th century so concentrated in the hands of the British and French empires, that both Germany and North America, and Japan in Asia, demanded a redistribution of power.

The ensuing World War effected such a redistribution, but it also weakened the intricate system of commercial control which had placed the real power of great modern states in the hands of those who owned the wealth — not simply the national wealth but the most valuable materials of the whole earth. The power of the rich was in the late 18th and early 19th centuries curtailed by democratic control in the hands of the mass of the inhabitants; but this control was limited at home and of no avail in those parts of Asia, Africa and America which the organized industry of the Imperial States dominated. Both the national and international organization of industry and commerce was not only undemocratic, but usually oligarchical if not approaching absolute monarchy. The system placed so great power in the hands of those controlling home industry that they could and did reduce national democracy to the rule of wealth; or at most made home labor a minor partner with industry in the impoverishment, disease and compulsory ignorance of the majority of the peoples of the earth.

36-8-163

The first World War shook this system to its foundations not only by its cost, but because it filled many of the colored peoples with a fierce desire to escape from the coercion of Europe; and in Eastern Europe, which under Western Europe leadership had sunk to quasi-colonial status, the result was a revolution which put socialists in control of Russia.

Socialism was an old, but indefinite and unsystematized theory of easing the monopoly of wealth and the oligarchical control of industry by substituting public welfare for individual profit. The great but impractical theorists who had advocated such change from the first rise of modern industry in the 15th century had

seldom been able to agree on a definite program and the few attempts at socialism had usually failed or been easily suppressed.

In the case of the Russian revolution of 1917, however, a set of educated and devoted leaders appeared, determined to carry out the theories of Karl Marx.

Marx, by long and thorough study of the Hegelian philosophy of science and of actual working conditions, had tried to find a scientific foundation for the production and distribution of wealth. Lenin and his other Russian followers were not dogmatic, doubted if the time was ripe or the Russians ready to found a socialist state and tried to make some compromise and alliance with the economy of Western Europe. But Britain, France and the United States made the mistake of trying summarily and by force to suppress this revolution, using the armies of 16 nations, together with spies, traitors and the worst type of hired mercenaries.

36-8-164

Without doubt this wide effort to stop the revolution of 1917 would have succeeded, had not the whole system of European economy tottered so crazily in 1929 and after. Europe, the United States and Japan needed all their energies to restore their own solvency and rebuild international trade. But Britain and France were determined to dominate world industry and commerce as they had before the first world war, while admitting the United States and Germany to junior partnership, but ignoring Italy and firmly excluding Japan.

This short-sighted effort led to three developments which changed the course of modern history: it gave the Soviet Union time to build an independent socialist state; it encouraged Japan to undertake her own colonial empire in Asia; and Italy and Germany, joined later by Japan, attempted to restore the same European domination of labor, land and products in the colonial and semi-colonial areas of the world, but with the exclusion or only minor partnership of Britain, France and the United States. There ensued long attempts at compromise -- not touching the control of the world by Europe, but only concerning the division of power between the older empires and the newer interlopers. Both sides tacitly agreed that the destruction of Russia and socialism must follow their agreement.

Western Europe and Central Europe did not agree and a second World War followed which was at bottom caused by the rivalry in the control of the seven groups of products of colonies which I have named. This war not only further wracked the world industrial system, but curiously enough, compelled Britain and America to make alliance with the Soviets as the only method to conquer an almost invincible Germany, Italy and Japan. They hesitated long and hoped until the last that Germany and the Soviet Union would annihilate each other, while Western Europe and America withheld their support of the hard-pressed Russian armies.

36-8-165

Germany and Japan were completely conquered at last, but what remained was the same seven causes of world war which anti-dated 1914; namely, those valuable and indispensable materials from colonial regions together with the cheap labor necessary to produce them which must be seized and used for domestic industry and consumption if the pre-world war organization of industry and control of wealth continued. That it must continue no Britisher nor American for a moment doubted.

Here however the unrest and revolt of colonial peoples interfered. Britain had to emancipate India, but she encouraged before leaving the irritant of religious hate. The United States entered China but was more interested in tea, silk, fibres, tungsten, oils and cotton, than in people; so the Chinese drove the Americans and their stooges into the sea. Indonesia broke the bonds of Dutch and British control. Southeast Asia revolted against their British and French masters. There were signs of revolt in colonial regions; in Africa, the South Seas, the Phillipines, the Carribean and South and Central America.

It was at this point that world-wide propaganda, led by the United States, on a scale that put Hitler to shame, was started to make men believe that Russian Imperialism was starting a third world war and not the desperate attempt to revive colonial imperialism with the United States in the saddle instead of Britain. This propaganda is false and illogical. The Soviets want peace. They need peace. In no way save by a long era of peace can Communism prove its right to exist. No one even partially familiar with the condition and aims of Russia can for a moment

doubt the sincerity of the Russian Peace offensive. But what the masters of American and British industry and commerce know is that if Russia had never existed and Communism never thought of, they would have to have been invented to justify world war.

The United States therefore added to its propaganda of disbelief in communism as a workable system, a bitter attack on the decency and ordinary humanity of the Russian people and their leaders. Every charge against the Soviets, no matter how unsupported and questionable, was given the widest publicity and the government openly supported subversive organizations in this nation formed by foes of Russia. The result is a hysteria and hate of the Soviets which almost precludes reason.

36-8-166

The real causes of world war will persist and threaten so long as Europe and America are determined by means of cheap labor to control the wealth of most of the world. This resurgence of the revolt of the poor would raise a new Russia from the dead and birth a new theory of communism so long as Africa, Asia and South America see the impossibility of otherwise escaping poverty, ignorance and disease. The spread of Communism has in no case been by force but in self-defense against the armies of Western Europe; or in the revolt of the workers of Poland and the Balkans after century-long betrayal by the West. In the case of Asia, Russia did not invade China, but held Manchuria for a year until the Chinese overthrew Chiang Kai Chek. Then American exploiters and overlords drove the Chinese peasants straight into the arms of Communism. The same thing will happen in Africa, the West Indies, Southeast Asia and South America, unless this vast reservoir of world wealth becomes a source of peace and plenty instead of perpetual incentive for greed to wage war.

Who are we to lead the world to Peace and Righteousness? We whose nation is shot through with crime, graft and mob violence; who are driving decent Americans to jail, poverty and suicide; we whose "Un-American" inquisition against free speech and thought was headed by a thief and is now presided over by a Georgia

36-8-167

statesman who holds office by 30,000 votes with 150,000 Negro workers disfranchised. We not only abrogate our own Bill of Rights on the street and on the Bench, but send our arms and armies to help overthrow any people on earth who today fight to be free, and call to our aid the reactionary tyrannies in Spain, Turkey and Greece. Our effort to control the world by force of arms is as fantastic as it is evil. Our last desperate plan to restore colonial imperialism with the help of Germany and Japan is the craziest dream of a crazy age.

We who have known a better America find the present scene almost unbelievable. A great silence has fallen on the real soul of the nation. We are smearing decent citizens on the paid testimony of self-confessed liars, traitors and spies. We are refusing passports and visas to distinguished persons lest they tell the truth. We are making the voice of America the babble of cowards paid to travel.

Meantime our nation writhes in nameless fear, our workers groan under increasing prices and mounting taxes, our education lags, our crime grows, gambling, liquor and drugs spread, our democracy dies while our police, unable to apprehend murderers and thieves, arrest, handcuff and jail men and women whose crime is to demand Peace, no more War.

My words are not a counsel of despair, rather a call to new courage and determination to know the truth. Four times this nation has faced disaster and recovered: once at the end of the eighteenth century when we hesitated between separate independent colonies and a federated State; again when in the Age of Jackson, the democratic West overbore the oligarchical East; once more in the nineteenth century when human slavery cut the nation in two and we had to cement it with blood and hate. Finally, when in 1929 our industries fell in vast ruin which Roosevelt rescued and started to rebuild. What we have done, we can do. But not by silence -- not be refusing to face the ugly facts.

I want to thank the people of Durham for their interest in my case. I have been visiting Durham pretty regularly for the last 25 years and have addressed the citizens and especially the students at North Carolina College where my friend, Dr. James E. Shepard, was president so long.

Durham has long had peculiar and effective leadership in the development of the Negro race, and I am glad that today war hysteria and witchhunting have not turned this community from its struggle for Negro rights and world peace.

PEACE IS DANGEROUS

by W.E.B. Du BOIS

Community Church, Boston, November 11, 1951

PEACE IS DANGEROUS; NOT TO ALL FOLK, BUT CERTAINLY TO THOSE WHOSE POWER AND STANDARD OF LIVING DEPEND ON WAR. THIS GROUP FORMS A SMALL PORTION OF MANKIND, BUT A PORTION OF SO GREAT INFLUENCE THAT IT CAN OFTEN OVERRIDE THE WISH OF THE REST AND BEGIN AND CONTINUE WAR. ON THE OTHER HAND THE DANGER OF WAR TO THE MAJORITY OF MEN IS ALL TOO OBVIOUS: THE KILLING AND MAIMING OF THE YOUNG; THE DESTRUCTION OF PROPERTY AND WASTE OF NATURAL RESOURCES; THE UPROOTING OF FAMILY LIFE AND INTERFERENCE WITH NORMAL REPRODUCTION; THE DISTORTION OF CULTURE PATTERNSAAND DISCOURAGEMENT OF CREATIVE EFFORT. WHEN WE REALIZE THAT AT LEAST 30 MILLION OF THE BEST SPECIMENS OF THE WORLD'S YOUTH HAVE BEEN KILLED IN WARS SINCE 1914 AND MANY MORE MILLIONS CRIPPLED IN BODY AND SOUL, WE CAN GET SOME PARTIAL IDEA OF THE LOSS OF MODERN CIVILIZATION THROUGH WAR.

36-8-141

WHY THEN DOES WAR PERSIST? WHAT DECISIVE INTERESTS PROMOTE AND CONTINUE IT AGAINST ALMOST IRRETRIEVABLE LOSS ON THE PART OF THE MAJORITY OF MEN? THOSE WHO GAIN FROM WAR AND SUFFER FROM PEACE ARE EASILY DISCERNABLE AT CURSORY GLANCE: THE MUNITION-MAKERS; AND THOSE WHO FURNISH WAR MATERIALS AND MACHINES. NOT SO READILY SEEN, ARE THOSE WHO PROFIT BY THE FINANCIAL CHANGES WHICH WAR INEVITABLY BRINGS ABOUT. STILL FURTHER IN THE BACKGROUND ARE INVESTORS AND WORKERS WHOSE INCOME IS RAISED BY WAR INDUSTRIES.

EVEN THESE LARGE AND IMPORTANT GROUPS DO NOT EXPLAIN THE POPULARITY OF WAR OR AT LEAST THE WEAK RESISTANCE TO WAR HYSTERIA. FOR EXPLANATION OF THIS PHENOMENON WE MUST LOOK FURTHER TO THAT VAST NUMBER OF AMERICANS, TO WHOM PRESENT CONDITIONS BRING COMFORT AND SATISFACTION. THIS MASS OF INTELLIGENT PERSONS EITHER KNOW OR FEAR THAT IF THE PRESENT SYSTEM OF SOCIAL AND INDUSTRIAL ORGANIZATION PREVALENT IN WESTERN EUROPE AND NORTH AMERICA UNDERGOES ANY ESSENTIAL

(pp 3-17 missing)

36-8-142

ASIA AND SOUTH AMERICA SEE THE IMPOSSIBILITY OF OTHERWISE ESCAPING POVERTY, IGNORANCE AND DISEASE.

THIS BRINGS THE QUESTION OF WAR STRAIGHT BACK HOME. IF THE UNITED STATES STOPS TRYING TO ~~CONTROL~~ own CHEAP COLORED LABOR; TO ~~OWN~~ control LAND AND RAW MATERIALS OVER THE WORLD; so TO ~~FIX~~ regulate EXCHANGE ~~SO~~ of goods & services THAT WHILE COCOA AND SUGAR CALL FOR THE HIGHEST PRICES in our market ~~WHEN WE BUY THEM,~~ THE PEONS who ~~THAT~~ RAISE THEM DO NOT GET ENOUGH TO EAT: IF WE STOP our WAR policy TO CONTINUE THIS ~~POLICY~~ system, WILL resultant World PEACE BE DANGEROUS TO THE AMERICAN WAY OF LIFE? OR LET US PUT IT EVEN MORE BLUNTLY: SUPPOSE IT PROVED TRUE THAT IF WE HAD FEWER AUTOMOBILES, FEWER NIGHT CLUBS, AND FEWER MINK COATS; IF THIS SELF-DENIAL ON THE PART OF CERTAIN AMERICANS WOULD PREVENT Word WAR AND GIVE CHINESE CHILDREN ENOUGH TO EAT, WOULD WE BE WILLING TO MAKE THE SACRIFICE?

(and make American millionaires)

I USED TO SAY, AS A TEACHER OF YOUTH, ~~SAID AGAIN A FEW NIGHTS AGO AT A POLITICAL MEETING:~~ "YOU ARE TOLD, DO RIGHT AND YOU WILL BE HAPPY; HAVE COURAGE AND YOU WILL WIN; SACRIFICE AND YOU WILL BE RICH. NOW IT IS GLORIOUSLY TRUE THAT MANY

36-8-143

MEN HAVE DONE the RIGHT AND ARE HAPPY; MANY COURAGEOUS HEROES HAVE WON THE GOOD ~~LIFE~~ Fight; AND MANY WHO HAVE SACRIFICED themselves HAVE GAINED MORE THAN A FORTUNE." "BUT" (I would add) LET US ALSO FACE THE BITTER TRUTH THAT MANY WHO HAVE STOOD FOR THE RIGHT HAVE BEEN RUINED; MANY WHO HAVE BATTLED BRAVELY HAVE GONE DOWN IN DEFEAT; AND MANY WHO HAVE SACRIFICED ~~TO THE~~ them LAST PENNY HAVE DIED IN POVERTY. WHAT WE HAVE GOT TO LEARN IS TO DO RIGHT EVEN IF WE DO NOT ACHIEVE HAPPINESS; TO BE BRAVE IN THE FACE OF DEFEAT; AND to SACRIFICE EVEN IF ~~YOU NEVER GAIN~~ we reap no REWARD." MY STUDENTS USED TO LOOK A BIT DOUBTFUL AT THIS DOCTRINE AND MANY OF YOU MAY WANT EITHER TO DENY OR IGNORE WHAT YOU ~~MUST ADMIT~~ know IS TRUE.

NOW LET US APPLY THIS REASONING TO WHAT WE CALL THE AMERICAN WAY OF LIFE. MOST AMERICANS DO NOT ENJOY THIS WAY OF LIFE. (Remember, a 9 have said, that) PROBABLY TWO-THIRDS OF AMERICAN FAMILIES ARE BELOW THIS STANDARD OF COMFORT; AND NINE-TENTHS OF THE PEOPLE OF THE WORLD WOULDBE HAPPY WITH A TENTH OF OUR STANDARDS. WHAT ARE WE GOING TO DO: FIGHT TO ~~CONTROL~~ preserve THE PRESENT METHODS OF WORLD INDUSTRY OR MAKE PEACE IN ORDER TO CONSIDER WHAT IS RIGHT AND BEST FOR HUMANITY?

Let us be humble, not arrogant + boastful in this awful crisis

WHO ARE WE TO LEAD THIS WORLD TO PEACE AND RIGHTEOUSNESS? WE WHOSE NATION IS SHOT THROUGH WITH CRIME, GRAFT AND ~~HER~~ VIOLENCE; WHO ARE DRIVING DECENT AMERICANS TO JAIL, POVERTY AND SUICIDE; WE WHOSE "UN-AMERICAN" INQUISITION AGAINST FREE SPEECH AND THOUGHT WAS lately HEADED BY A convicted THIEF AND IS NOW PRESIDED OVER BY A GEORGIA STATESMAN WHO HOLDS OFFICE BY the 30,000 cast VOTES IN HIS CONGRESSIONAL DISTRICT, WITH 150,000 OF HIS NEGRO NEIGHBORS DISFRANCHISED! WE NOT ONLY ABROGATE OUR OWN BILL OF RIGHTS ON THE STREET AND ON THE BENCH, BUT SEND OUR ARMS AND ARMIES TO HELP OVERTHROW ANY PEOPLE ON EARTH WHO TODAY FIGHT TO BE FREE, AND CALL TO OUR AID THE REACTIONARY TYRANNIES IN SPAIN, TURKEY AND GREECE. OUR EFFORT TO CONTROL THE WORLD BY FORCE OF ARMS IS AS FANTASTIC AS IT IS EVIL. OUR LAST DESPERATE PLAN TO RESTORE COLONIAL IMPERIALISM WITH THE HELP OF GERMANY AND JAPAN IS THE CRAZIEST DREAM OF A CRAZY AGE.

WE WHO HAVE KNOWN A BETTER AMERICA, FIND THE PRESENT SCENE ALMOST UNBELIEVABLE. A GREAT SILENCE HAS FALLEN ON THE REAL SOUL OF THE NATION. WE ARE

SMEARING DECENT CITIZENS ON THE PAID TESTIMONY OF SELF-CONFESSED LIARS, TRAITORS AND SPIES. WE ARE REFUSING PASSPORTS AND VISAS TO DISTINGUISHED PERSONS LEST THEY TELL THE TRUTH. WE ARE MAKING THE VOICE OF AMERICA THE BABBLE OF COWARDS PAID TO TRAVEL.

MEANTIME OUR NATION WRITHES IN NAMELESS FEAR, OUR WORKERS GROAN UNDER INCREASING PRICES AND MOUNTING TAXES, OUR EDUCATION LAGS; OUR CRIME GROWS; GAMBLING, LIQUOR AND DRUGS SPREAD; OUR DEMOCRACY DIES WHILE OUR POLICE, UNABLE TO APPREHEND MURDERS or AND THIEVES, ARREST, HANDCUFF AND JAIL MEN AND WOMEN WHOSE only CRIME IS TO DEMAND PEACE. ~~NO MORE WAR.~~

MY WORDS ARE NOT A COUNSEL OF DESPAIR; RATHER A CALL TO NEW COURAGE AND DETERMINATION TO KNOW THE TRUTH. FOUR TIMES THIS NATION HAS FACED DISASTER AND RECOVERED: ONCE AT THE END OF THE EIGHTEENTH CENTURY WHEN WE HESITATED BETWEEN

We call disciplined labor, slavery, and yell ~~for~~ "Freedom" for undisciplined anarchists;

30-8-146

SEPARATE INDEPENDENT COLONIES AND A disciplined FEDERATED STATE; AGAIN WHEN IN THE AGE OF JACKSON THE uncouth DEMOCRATIC WEST OVERBORE THE OLIGARCHICAL well-mannered EAST; ONCE MORE IN THE NINETEENTH CENTURY WHEN HUMAN SLAVERY CUT THE heart of the NATION IN TWO AND WE HAD TO CEMENT IT WITH BLOOD ~~AND HATE~~; FINALLY, WHEN IN 1929 OUR located INDUSTRIES FELL IN VAST RUIN ~~WHICH~~ ROOSEVELT RESCUED (then with socialist plans) AND ~~STARTED TO REBUILD~~. WHAT WE HAVE DONE, WE CAN DO, BUT NOT BY SILENCE -- NOT BY REFUSING TO FACE THE UGLY FACTS.

and begged on their knees government aid until again.

PEACE IS DANGEROUS

by ~~WXEEX~~ W.E.B. Du BOIS, Community Church, Boston

November ~~10~~ II, 1951

Peace is dangerous; not to all folk, but certainly to those whose power and standard of living depend on war. This group forms ~~the force~~ a smaller portion of mankind, but a portion of so great influence that it can ~~usually~~ often override the wish of the rest and begin and continue war. On the other hand the danger of war to the majority of men is all too obvious: the killing and maiming of the young; the destruction of property and waste of natural resourses; the uprooting of family life and interference with normal reproduction; the distortion of culture patterns and ~~loss~~ discouragement ~~destruction~~ of creative effort. When we realize that at least 30 million of the best specimens of ~~the~~ world's youth have been killed in wars since 1914 and many more millions crippled in body and soul, we can get some partial idea of the loss of modern civilization through war.

Why then does War persist ? What decisive interests promote and continue it against almost irretrievable loss on the part of the majority of men? Those who gain from war and suffer from peace are easily discernable at cursory glance: the munition makers; ~~the manufacturers of~~ and those who furnish war materials and machines; Not so readily seen are those who profit by the financial changes which war inevitably brings about. Still further in the background are investors and workers whose income is raised by war industries. Even these large and important groups do not explain the popularity of war or at least the weak resistnce to war hysteria. For ~~the~~ explanation of this phenomena we must look further to that vast number of Americans, to whom ~~the~~ present ~~Way of Life~~ Condition brings comfort and satisfaction. This mass of intelligent persons either know or fear that if the present system of social and industrial organization prevalent in Western Europe and North America undergoes any essential change, they may not be able to enjoy what they consider the "American Way of Life." This standard of living does not necessarily call for luxury or conspicuous expenditure. It asks for a comfortable ~~house with reasonable space;~~ home with heat and refrigeration; enough suitable ~~but plain~~ clothing and sufficient nourishing food; ~~in some variety;~~ not necessarily an autobile, but convenient transportation facilities and a telephone; medical care, ~~hospitalization~~ and vacations; ~~some vacation~~ in time education for children and provision ~~for~~ for a decent old age. This is what the average American of intelligence expects from the American Way of life, or wants to be able to expect. It is not to be sure what the average American gets

35-5-180

Probably two-thirds of American families do not get this and a third do not dare hope for it, although it remains their ideal. But a large and influential part of the American middle class do get these things; they believe they deserve them and they are willing to fight to keep them

The basic question now is Must this way of life -- actual or believed possible, for a large minority or even a majority of Americans, be defended by war or seriously endangered by Peace. Our fear today undoubtedly is that Peace is dangerous for this way of life for a large number of Americans and for the hope of it by the majority of our citizens. This furnishes the reason behind the huge majority of the nation now rushing toward a third and final World War.

35-5-181

This then is the time of all times to examine this thesis and disclose its truth or falsity. First of all some Americans are convinced that our industrial system is so good that the mere existence of any other system is a threat. Most intelligent persons do not go this far. They acknowledge the shortcomings of our economy, but think it still the best. They however are quite willing for others to try other ways, but they fear to have other, and, to our opinion, worse or impractical ways, tried on peoples who do not want them. This alleged involuntary expansion of Communism is what is today scaring most Americans into war. But is it true that expanding communism is threatening our way of life, or on the contrary that expansion of our industrial methods is threatening to keep the mass of the world's people not only below our own standard of living but even below the line of ordinary decency and sheer survival? It is this aspect of world war which America is today refusing to discuss. (Most of us by education & lack of information) We firmly believe that the poverty and distress of the majority of human beings is primarily their own fault and that in all probability it can never be entirely alleviated. We are willing to do something in some vague "Point Four" (or by Missions to help the backward Heathen, but we say) even our wealth is not able to suport the world. When two answers are made to this, we do not try to refute answer. The first answer is that a few centuries ago the aristocracy of the world believed that a standard of life such as American workers (Mass Europe) could not be achieved without the ruin of civilization. I was taughght in high school at the close of last century, that labor unions were wrong futile, and strikes wrong. The second answer to inevitable poverty for most men, is that the colonial system helped cause poverty and that this system is now disappearing; that the remaining poverty and distress is not our fault and are falsely made & seen so by Russia & China and Eastern Europe

9 indent is not permitted to discuss

Here emerges the kernal of the falsehood which is scaring America into war. Colonialism has not disappeared, even though its back is broken in India and China. But American business is desperately trying to restore the essentials of colonialism under the name of free enterprise and western democracy; and are plunging the world into destruction for false ideals and misleading fears.

This is a grave charge and needs I am quite aware, circumstantial proof. Let me furnish proof in this way: there are today seven main causes of world war and noone of them is Russia. On the contrary they are the great groups of essential raw material

(copy A)

are not natural nor indigenous, but increased and made greater during the last three centuries by the determination of Europe and North America to rule the world for its own comfort, luxury and power. Armed by scientific discovery, and a new industrial technique, the white world since the I7th century has set itself to reduce colored labor to slavery; to seize the land and natural resourses of colonial and quasi-colonial countries, and so far as possible to rule these peoples by absolute, military dictatorship, Spain, followed by France and Holland, and succeeded by Great Britain built up a domination of the world which became the foundation of modern civilization. Wealth, luxury art and learning was thus ~~built up~~ acclaimed in the Western World, until its cultural accomplishment came to be regarded as the highest ideal in the ~~world~~ universe:

"Better fifty years of Europe than a cycle in Cathay."

Logic would have taught us that the revolt of the miserable victims of this world tyrrany would eventually cause its extinction; and revolt came and still continues. But long before ~~its~~ divided and ignorant colonial might could or strom the bastions of the West sucessfully, those bastions themselves fell of their own presumption and overweight. The thieves fell out over the division of the fabulous spoils of Asia, Africa and South America, Europe and approached suicide in three World Wars, each of increased cost, destruction and human murder.

The rift in imperialism began when Germany and Italy; later Japan, and finally the United States, demanded a larger share of the spoils of imperial control of the colored world. They insisted on a redistribution of wealth and power (copy B & C, D)

Consider for a moment our own country and its interest in colonial products or products of semi-colonial areas. In I930 we imported nearly 2 billion ~~and a half~~ dollars worth of diamonds, silk, coffee, mineral oil

allows them neither education, land nor health nor even subsistence for decency

rubber, paper, copper, fibres sugar, spices, vegetable oils and cocoa. They are all materials upon which our present standards of living are based. We could scarcely be satisfied a day without abundant supply of them. Moreover we buy them cheap. We pay practically nothing for the land on which they are grown; we pay the colored labor from ~~nothing~~ 25 cents to a dollar a day. On the other hand the goods which we export to pay for these colonial goods are priced at our own valuation ~~but~~ because we control the monopoly of the only markets where colonials can buy machinery, wheat and tobacco and chemicals. This trade is a source of vast profit to private enterprise, because even when capital investment is called for in colonial lands, this capital comes from taxes on citizens in the home country, while private firms reap the profits: thus British taxpayers built the great West African harbor of Takoradi, while private shippers used it. The United States Navy built the harbor at Monovia, Liberia from our tax money, while the Firestone company uses it for sizable dividends

35-5-183

Moreover this foreign trade with colonial countries is far more profitable than domestic industry. There are in colonies few if any labor unions; there is a minimum of taxation on foreign corporations; there are no wage floors, a prohibition of child labor; freight charges are set by the foreign firms (who manufacture, transport) and can make or break a local industry. Capital rushes for such investment unless of course native presumption tries to control foreign capital. This is just what began to happen after the second world war. Not only was Russia whose industries often paid 50% on investment to Germans, French and British, lost to western business, but also Poland, Czechoslovakia and much of the Balkan area

(copy E ~~&~~ F)

This brings the question of war straight back home. If the United States stops trying to control cheap colored labor; to own land and raw materials over the world; to fix ~~prices~~ exchange so that while cocoa and sugar call for the highest prices when we buy them, ~~while~~ the peons that raise do not get enough to eat: if we stop this policy will peace be dangerous to the American Way of life? Or let us put it even more bluntly: suppose it proved true that if we had fewer automobiles, fewer night clubs, and fewer mink coats; if this self-denial on the part of certain Americans would prevent war and give Chinese children enough to eat, would we be willing to make the sacrifice?

War to continue

PEACE, 1951

WITHOUT REGARD TO WHAT MEN BELIEVE OR FEAR; WHAT THEIR NATIONALITY OR RACE IS; OR WHAT THEIR SOCIAL STATUS MAY BE, // THERE ARE THREE FACTS WHICH FACE US TODAY AND MAKE OUR LIFE AND THOUGHT CONTRADICTORY AND CONFUSED // THESE FACTS ARE EPITOMIZED BY (1) THE WAR IN KOREA; (2) THE FLOOD IN THE MISSOURI VALLEY; AND (3) THE DIFFICULTY OF SEPARATING TRUTH FROM PROPAGANDA, ILLUSTRATED IN THE JAPANESE TREATY

35-5-22

THE INDECISIVE EFFORT OF A GREAT AND POWERFUL NATION LIKE OURS, WITH 150,000,000 PEOPLE, TO CONTROL KOREA, WITH 25 MILLION PEOPLE, BRINGING TO BEAR ALL OUR VAST WEALTH AND MILITARY MIGHT, IS NOTHING LESS THAN FANTASTIC // WHY ARE WE FIGHTING THIS POOR, [redacted] AND UNHAPPY PEOPLE? WHAT SENSE IS BACK OF OUR EFFORT AND WHAT FUTURE IDEAL [redacted]? WHY DO WE NOT STOP FIGHTING NOW IMMEDIATELY AND SIT DOWN TO THINK, PLAN AND KNOW?

AGAIN WE HAVE JUST HAD A FLOOD IN THE MIDDLE WEST. THIS IS NOT THE FIRST TIME THAT DISASTER HAS OVERTAKEN THE VALLEY OF THE MISSOURI-MISSISSIPPI. FROM

THE TIME OF THE FIRST LEVEES 234 YEARS AGO, YEAR AFTER YEAR, LIVES, PROPERTY, STOCK AND SOIL HAVE ANNUALLY BEEN DESTROYED BY THIS INLAND OCEAN OF WATERS // AND SO FAR AS WE CAN SEE, THIS SAGA OF DEATH AND POVERTY WILL CONTINUE, IN SPITE OF THE FACT THAT WE CAN STOP IT WHENEVER WE WILL.

35-5-23

THIRDLY, TODAY AS NEVER BEFORE IN THIS INTELLIGENT NATION, WITH ITS UNIVERSITIES AND SCHOOLS, ITS SCIENTISTS, WRITERS AND THINKERS, ITS POETS AND PROPHETS; IT IS DIFFICULT, IF NOT, FOR THE ORDINARY MAN, IMPOSSIBLE TO LEARN THE TRUTH ABOUT THE PRESENT CONDITION OF MANKIND OR THE REMEDIES FOR OUR SEEMINGLY UNCONQUERABLE ILLS. TO ASCERTAIN THE BASIC TRUTH, WE CANNOT TODAY LOOK WITH CONFIDENCE TO SCIENCE, RELIGION, THE DAILY PRESS, THE RADIO, OR THE PUBLIC PLATFORM // WITH INCREASING TERROR WE ARE REFUSING TO LET MEN SAY WHAT THEY BELIEVE OR BELIEVE WHAT THOSE WHO CONTROL EXPRESSION DO NOT PERMIT THEM [redacted].

WE ALL KNOW THAT THIS SITUATION IN THE WORLD AROUND US, IS, IF ANYTHING, GROWING IN PARADOX AND DANGER AND THAT WITHOUT QUICK CHANGE AND BETTERMENT WE

FACE DISASTER// NO MATTER WHAT THE REAL TRUTH IS,/ THE FIRST STEP TOWARD CURE/ OBVIOUSLY IS PEACE./ AND BY PEACE/ I DO NOT MEAN MERE SENTIMENTAL INACTIVITY/ AND GENERAL GOOD WILL,// BUT SERIOUS AND DETERMINED IMPLEMENTATION/ OF A TRUTH,/ WHICH THREE WORLD WARS HAVE TAUGHT ALL SANE THINKERS:// THAT IS, THAT ORGANIZED FORCE,/ WIELDED BY GREAT AND POWERFUL NATIONS,/ IN ACCORD WITH THE LATEST INVENTIONS OF SCIENCE,/ CAN NEVER ACHIEVE VICTORY/ FOR ANY ONE NATION/ NOR ANY ONE IDEA.

35-5-24

IN SIMPLER TIMES/ AND MORE PRIMITIVE ERAS,/ WHEN PHYSICAL DISTANCE MORE COMPLETELY SEPARATED GROUPS OF MEN;/ AND WHEN NATURAL FORCES WERE LESS TAMED;/ IT WAS OFTEN POSSIBLE/ FOR A GROUP OR NATION/ OR EVEN A BAND OF NATIONS/ TO IMPOSE THEIR WILL/ UPON CONSIDERABLE PORTIONS OF MANKIND.// HOW FAR/ OR HOW OFTEN/ SUCH CONQUEST WAS REALLY EFFECTIVE,// OR WHAT IT FINALLY ACCOMPLISHED,/ IT IS NOT EASY NOW TO SAY.// BUT MOST MEN TODAY/ HAVE BEEN EDUCATED/ TO BELIEVE/ IN THE EFFICIENCY OF WAR/ IN THE PAST/ AS A MODE OF HUMAN PROGRESS.// BUT TODAY,/ IN THE FACE OF INESCAPABLE TESTIMONY,/ FURNISHED BY

CONFLICTS/ WHICH HAVE NEARLY FILLED/ THE FIRST HALF OF THE 20TH CENTURY,/ ALL REASONABLE FOLK/ MUST BE CONVINCED/ THAT NO ORGANIZED FORCE OF ARMED MIGHT,/ CAN PREVAIL/ OVER FIRMLY HELD BELIEF AND CONVICTION;// THAT NEITHER THE BELIEF/ OF THE UNITED STATES IN CAPITALISM,// NOR THE BELIEF OF THE SOVIET UNION IN SOCIALISM,// CAN BY FORCE OF ARMS BE VICTORIOUS OVER THE WORLD;// THAT IDEAS CAN ONLY BE MET SUCCESSFULLY/ BY BETTER IDEAS, AND FALSEHOOD BY TRUTH;// THAT NO "SITUATIONS OF STRENGTH",/ NOR EXPENDITURE OF 60 THOUSAND MILLION MILLION/ OF DOLLARS A YEAR/ OR A HUNDRED THOUSAND,/ IS GOING TO IMPOSE SOCIALISM ON AMERICA/ AGAINST OUR WILL,// NOR FORCE OUR "WAY OF LIFE"/ ON THE WORLD.

35-5-25

℔ THE TRUTH OF THIS SELF-EVIDENT LESSON,/ MADE CLEAR revealed TO THE WORLD/ BY HISTORY IN THE YEARS 1914 to 1951,/ IS SO CLEAR,/ THAT DESPITE ALL PROPAGANDA,/ THE PEACE MOVEMENT TODAY BELTS THE WORLD,// EVEN AS WE PREPARE/ FOR MORE CONTINUOUS/ AND GREATER WARS.

℟ THIS IS A CURIOUS CONTRADICTION AND PARADOX,/ WHICH EVEN THOSE/ WHO WANT TO BELIEVE THESE FACTS/ DARE NOT FACE.

℔ IN THE SPRING OF 1950,/ I SAT IN A GREAT ARENA IN PARIS,/ FRANCE,/ WHICH HOLDS

100,000 PERSONS AT ONE TIME.// DURING THAT MAY AFTERNOON,/ I SAW THAT VAST SPACE/FILLED FIVE TIMES,/ WITH A HALF MILLION PEOPLE/FROM EVERY CORNER OF FRANCE,/ CRYING IN FERVOR, EXALTATION AND TEARS,/ "PEACE, NO MORE WAR!"

35-5-26

IN AUGUST/OF THAT SAME YEAR/I LOOKED INTO THE FACES/OF A THOUSAND DELEGATES FROM EVERY CORNER OF THE SOVIET UNION.// REPRESENTING 200 MILLION PEOPLE/FROM ALL THE 150 RACE AND CULTURE GROUPS OF RUSSIA.// I TOLD THEM/THAT THE PEOPLE OF THE UNITED STATES/DID NOT WANT WAR/AND THEY ASSURED ME/REPEATEDLY/OVER THE LONG SESSIONS/OF THREE FULL DAYS/THAT THE SOVIET UNION/WAS DETERMINED ON PEACE.

I SAW THE AUSTRO-HUNGARIAN EMPIRE/IN ITS MIGHT/AT THE END OF THE 19TH CENTURY;// AND I SAW IT AGAIN/LAST YEAR;//AND FROM WARSAW AND PRAGUE/ TO VIENNA AND BUDA-PESTH,/ THERE AROSE/ONE UNITED CRY FOR PEACE/ ~~RAISING TO HEAVEN HER GREAT ARMS~~.// I SAW MANCHURIA AND CHINA/ SUFFER IN 1936,// WHEN THE LONG AGONY/OF THE JAPANESE DRIVE/FOR EXPANSION OVER ASIA,/ WAS AT THE BEGINNING OF ITS BLOODY SWING.// I KNOW WHY TODAY BOTH JAPAN AND CHINA/PRAY FOR PEACE./ ~~BUT IS IT PEACE/WHICH IS BEING PLANNED/IN SAN FRANCISCO/TONIGHT?~~ USA

IN HERE IN THE UNITED STATES/ I HAVE IN THE LAST FIVE YEARS/TRAVELLED AND SPOKEN IN ~~NEARLY~~ OVER HALF/OF THE 48 STATES// TO AUDIENCES, ~~MOSTLY SMALL TO BE SURE, BUT~~ varying from 200 to 2000 and COMPOSED OF REPRESENTATIVE PEOPLE/OF INTELLIGENCE AND COURAGE.// I HAVE FOUND EVERY INDICATION THAT THOSE AMERICANS/WHO DARE SAY WHAT THEY THINK/WANT PEACE/AND ARE APPALLED/AT THE PRESENT WAR HYSTERIA.// PARTICULARLY ~~DO~~/ THEY WANT TO SPEND/THE FABULOUS SUMS/WHICH WE ARE NOW DEVOTING/TO MURDER AND DESTRUCTION/ ~~TO FEEDING THE HUNGRY, HEALING THE~~ for FLOOD CONTROL/HOUSING. ~~SICK, AND TEACHING THE YOUNG~~ HOSPITALS and Schools/ for; TO METHODS OF PREVENTING/ FUTURE POVERTY,/ DISEASE AND IGNORANCE.// NO ONE/WHO SAW THE FIVE THOUSAND PILGRIMS/WHO CAME FROM EVERY CORNER OF THE LAND/ FOR THE LATE PEACE CONGRESS/ AT CHICAGO/ COULD FOR A MOMENT DOUBT THIS.

35-5-27

IF NOW/THE WORLD DESPERATELY WANTS PEACE,/ AND KNOWS WITH NO SHADOW OF DOUBT/ THAT THE MONEY NEEDED/ FOR FOOD AND CLOTHES,/ EDUCATION,/ HOUSING AND FLOOD-CONTROL, CANNOT LONG BE USED/FOR MURDER AND DESTRUCTION/WITHOUT OVERTHROWING OUR PRESENT CIVILIZATION,// WHY IS IT THAT THE WORLD/ STILL HEADS TOWARD INEVITABLE DISASTER?

35-5-28

LET US TURN BACK TO THE WAR IN KOREA. THIS IS MORE THAN THE CONVENTIONAL WAR BETWEEN GREAT AND ESSENTIALLY EQUAL POWERS, FOUGHT FOR CLEARLY CONCEIVED AIMS AND RESTRAINED BY THE HUMANE CONSIDERATIONS OF THE RULES OF CIVILIZED WARFARE. NO. THIS IS A WAR OF CONQUEST, ACROSS LINES OF RACE, RELIGION AND COLOR. IT IS SHOT THROUGH WITH HATE AND CONTEMPT HELD BY RICH AND ~~SUPERIOR~~ powerful WHITE PEOPLE AGAINST POOR, ~~WEAK AND INFERIOR~~ and COLORED PEOPLE. WE SNEER AT THESE DESPISED FOLK, CALL THEM NAMES AND OUR OFFICIALS OPENLY BRAND THEM AS LIARS, COWARDS AND CHEATS. IT IS NOT THE STRIFE OF EQUALLY ARMED FIGHTER AGAINST FIGHTER, BUT OF SUPER-ARMED, WELL-PAID AND PROTECTED SOLDIERS AGAINST PARTIALLY UNARMED, NAKED AND SHELTERLESS WOMEN, CHILDREN AND AGED MEN. TWENTY-ONE WOMEN FROM 17 NATIONS SAID OF THIS WAR AFTER STUDYING IT ON THE SPOT 12 DAYS LAST SPRING:

"THE PEOPLE OF KOREA ARE BEING SUBJECTED BY THE AMERICAN OCCUPANTS TO A MERCILESS AND METHODICAL CAMPAIGN OF EXTERMINATION WHICH IS IN CONTRADICTION NOT ONLY TO THE PRINCIPLES OF HUMANITY, BUT ALSO TO THE RULES OF WARFARE (laid down at the Hague + Geneva) IN (INCLUDING CANADA, BELGIUM, HOLLAND + FRANCE) RUSSIA - ITALY + 9 Britain

35-5-29

THE DISTRICTS TEMPORARILY OCCUPIED BY AMERICAN AND SYNGMAN RHEE FORCES, ~~IN THE PERIOD OF OCCUPATION~~, HUNDREDS OF THOUSANDS OF CIVILIANS, ENTIRE FAMILIES, FROM OLD MEN TO LITTLE CHILDREN, HAVE BEEN TORTURED, BEATEN TO DEATH, BURNED AND BURIED ALIVE. THOUSANDS OF OTHERS HAVE PERISHED FROM HUNGER AND COLD IN OVERCROWDED PRISONS IN WHICH THEY WERE THROWN WITHOUT CHARGES BEING LEVELLED AGAINST THEM, WITHOUT INVESTIGATION, TRIAL OR SENTENCE.

"THESE MASS TORTURES AND MASS MURDERS SURPASS THE CRIMES COMMITTED BY HITLER NAZIS IN TEMPORARILY-OCCUPIED EUROPE.

"THE COMMISSION CALLS ON ALL THE PEOPLES OF THE WORLD, IN THE NAME OF COMMON HUMANITY, TO URGE BY EVERY MEANS IN THEIR POWER THAT THE WAR IN KOREA BE BROUGHT TO AN END WITHOUT DELAY AND THAT THE INVADING FOREIGN TROOPS BE IMMEDIATELY WITHDRAWN [redacted] KOREA."

IN ORDER TO MAKE CLEAR IN OUR MINDS WHY THIS INSANE HORROR IS GOING ON, LET

US TURN TO A SERIES OF PHENOMENA/ WHICH MAY AT FIRST SIGHT/ SEEM FAR REMOVED FROM KOREA.// ON JULY 19, THE ASSOCIATED PRESS REPORTED:

"NORTHERN AND CENTRAL KANSAS TONIGHT/ FOUGHT THE WORST FLOOD/ SINCE THE DISASTROUS OVERFLOW OF 1903/ WHICH PARALYZED ALL OF THE CITIES/ ALONG THE KANSAS RIVER FROM ITS SOURCE TO KANSAS CITY."

"TRANSPORTATION/ WAS VIRTUALLY AT A STANDSTILL/ IN NORTH CENTRAL KANSAS. HIGHWAYS WERE REPORTED/ CUT BY WATER IN MORE THAN 100 PLACES/ TRAINS WERE STALLED -- A DOZEN SANTA FE TRAINS/ BEING TIED UP AT EMPORIA/ AND NEWTON, ALONE."

MY WIFE AND I/ WERE ON ONE OF THE SANTA FÉ TRAINS/ HELD FOR HOURS AT MIDNIGHT BECAUSE OF THIS FLOOD.// I REMEMBERED,/ AS WE WAITED IN THE DARK,/ THAT I WAS TAUGHT IN ELEMENTARY SCHOOL/ THAT THE CHINESE WERE VERY UNPROGRESSIVE/ SINCE THEY REFUSED TO BUILD A BRIDGE/ OVER A CERTAIN RIVER/ BECAUSE THEIR ANCESTORS/ HAD NEVER BUILT ONE.// I WONDERED WHAT PRESENT-DAY CHINA/ WOULD SAY OF PROGRESSIVE AMERICA/ ON THE FLOOD SITUATION.// EVERY YEAR FOR TWO CENTURIES,/ THIS MISSOURI-MISSISSIPPI RIVER

35-5-30

HAS FLOODED, DROWNED AND DESTROYED.// CULMINATING IN THE DESTRUCTION OF DAYTON/ IN 1913.// AND THEN IN 1927,/ FOR SIX WEEKS/ THIS RIVER INUNDATED THE HOMES/ OF THREE-QUARTERS OF A MILLION OF PEOPLE/ AND DESTROYED 355 MILLION DOLLARS OF PROPERTY. WHAT WAS DONE ABOUT IT?/ WE PASSED THE HAT/ AND RAISED [redacted] MILLIONS FOR THE 600,000 PEOPLE ON RELIEF.// WE MADE PLANS/ BUT PLANS TOO NARROW AND TOO LATE.// SO THAT AGAIN THIS YEAR/ OUR PRESIDENT INFORMS US/ THAT THE FLOOD LOSS/ IS OVER 2000 MILLION DOLLARS/ IN PROPERTY, AND DAMAGE TO FIVE MILLION ACRES/ OF FARM LANDS.// AND IN ADDITION,/ GOD KNOWS WHAT LOSS/ IN PAIN, DISCOURAGEMENT AND DEATH OF HOPE.

35-5-31

THE REASON/ FOR THIS RECURRING SERIES OF DISASTERS/ WHICH WILL COME AGAIN AND AGAIN IN THE FUTURE,/ IS CLEAR:/ THIS RIVER AND ITS BRANCHES/ DRAIN 31 STATES; ITS CONTROL/ CALLS FOR NATIONAL LONG SCALE ACTION:// FOR REFORESTATION; FOR HUGE DAMS;/ FOR SOIL AND CROP MANAGEMENT/ TO PREVENT EROSION.// FOR RESERVOIRS AND SPILLWAYS:// FOR RESTORATION AND CONTROL OF SWAMPS:// FOR SEIZURE OF LAND/ AND RE-

STRAINT OF ANTI-SOCIAL ACTS FOR PRIVATE PROFIT.

INDIVIDUAL INITIATIVE CANNOT UNDERTAKE ANY SUCH VAST PROGRAM; FREE ENTERPRISE CANNOT EXPECT TO MAKE PROFIT OUT OF SUCH AN IMMENSE SOCIAL venture ENTERPRISE; AND YET THE PARADOX IS, THAT UNLESS THE NATION AS A WHOLE, ATTACKS THIS PROBLEM OF THE MISSISSIPPI VALLEY THE FUTURE FREEDOM AND INITIATIVE OF MILLIONS OF AMERICANS WILL CONTINUE TO BE FRUSTRATED AND DESTROYED.

35-5-32

BUT THE PRESIDENT FEARS THAT SUCH NATIONAL CONTROL OF THE MISSOURI-MISSISSIPPI WILL BE SOCIALISM. THERE IS NO USE DENYING THIS FACT OR HIDING BEHIND DOUBLE-TALK. THE TENNESSEE VALLEY AUTHORITY, THE FUTURE MISSISSIPPI-MISSOURI AUTHORITY, JUST LIKE OUR PUBLIC SCHOOLS, OUR MAIL AND PARCEL POST SERVICE, OUR CITY SUBWAYS, OUR CITY, STATE AND NATIONAL PARKS, OUR FOREST PRESERVES ARE ALL EXAMPLES OF THAT NATIONAL CONTROL FOR THE PUBLIC WELFARE WHICH IS CHARACTERISTIC OF CIVILIZATION IN EVERY MODERN LAND. THE DILEMMA BEFORE US, THEN, IS COMPLETE: WE CANNOT HAVE PERIODIC DESTRUCTION; WE FEAR SOCIALISM; YET ONLY BY SOME DEGREE OF

SOCIAL LEGISLATION AND SOCIAL PLANNING CAN WE AVOID DISASTER. THEREFORE IN FUTURE AS IN THE PAST SOME DEGREE OF SOCIALISM WE ARE COMPELLED TO ADOPT.

I HAVE VISITED FRANCE 13 TIMES SINCE 1894. ONE OF THE FIRST THINGS WHICH I NOTICED IN MY LAST VISITS TO FRANCE WAS THAT THE RAILROADS OF FRANCE NO LONGER BELONG TO PRIVATE COMPANIES, BUT TO THE STATE. I KNEW THAT FRANCE ALREADY OWNED HER RADIO TELEGRAPHS AND TELEPHONES; I KNEW FRENCH CITIES OWNED THEIR UNDERGROUND LINES, STREETCARS AND BUSES; ALL OF THE MAIN PUBLIC SERVICES WERE IN THE HANDS OF THE STATE. MINES AND FORESTS BELONGED TO THE STATE. THE STATE WAS ENTERING PRIVATE INDUSTRY IN MANY LINES, AND WHEN DIRECT OWNERSHIP DID NOT RESULT, SEVERE REGULATION WAS INCREASING. FOREIGN TRADE, PRICES AND WAGES, WERE CONTROLLED; STEAMSHIPS AND AIRPLANES HAD STATE SUPERVISION AND PARTIAL OWNERSHIP. IN OTHER WORDS, FRANCE IS TODAY TO A LARGE EXTENT A SOCIALISTIC STATE, AND THIS SOCIALIZATION IS GROWING.

35-5-33

BUT IS FRANCE IN THIS RESPECT, EXCEPTIONAL IN EUROPE? IT IS NOT. NEITHER

IN EUOPE NOR IN THE WORLD.// THERE IS TODAY IN THE WORLD/ NOT A SINGLE CIVILIZED LAND/ IN WHICH SOCIALISM/ IS NOT WIDESPREAD AND GROWING.// EVERY EUROPEAN COUNTRY OWNS ITS TRANSPORTATION SYSTEMS/ AND SYSTEMS OF COMMUNICATION;/ EVERY EUROPEAN COUNTRY/ HAS NATIONALIZED/ MANY OF ITS MAIN BUSINESSES/ FROM BANKING TO MINING; FROM HOUSING TO MANUFACTURING;// FROM FOREIGN TRADE/ TO RETAIL DISTRIBUTION OF GOODS;// FROM PRIVATE LAND OWNERSHIP TO STATE OWNERSHIP OF ALL PUBLIC UTILITIES.

35-5-34

ON THE WALL/ BEHIND MY OFFICE DESK,/ IS A GREAT MAP OF THE SOVIET UNION, COVERED WITH BROAD STREAKS OF GREEN.// THIS SHOWS THE PLAN/ OF THE SOVIET UNION TO PLANT/ TENS OF THOUSANDS OF MILES/ OF FORESTS/ IN ORDER TO HELP FORESTALL/ JUST SUCH FLOOD AND DESTRUCTION/ AS HAS OVERWHELMED THE MISSISSIPPI Missouri VALLEY/ THIS SUMMER. IT WILL TAKE A GENERATION/ TO ACCOMPLISH THIS/ AND MILLIONS IN MONEY.// TODAY, THE PLAN IS HARDLY BEGUN.// BUT IT IS CLEARLY OUTLINED, and SOME DAY,/ IF PEACE PREVAILS, IT WILL BE REALIZED!// IT IS PLANS LIKE THESE/ WHICH MAKE THE SOVIET UNION PREFER ~~PEACE~~ Peace To War

IN ADDITION/ NEARLY ALL CHINA/ HAS ADOPTED SOCIALISM/ AND THIS MONTH/ INDIA IS CONSIDERING ~~PEACE TO WAR.~~ A BILL/ TO NATIONIZE/ MUCH OF ITS INDUSTRY/ AND CONTROL PRIVATE ENTERPRIZE.

35-5-35

BUT HERE/ MANY AMERICANS CALL A HALT.// THEY ADMIT THAT SOME SOCIALIST PLANS/ MUST BE ADOPTED.// BUT THEY DECLARE/ THEY WILL NOT ADOPT/ THAT COMPLETE AND COMPULSORY SOCIALISM/ CALLED COMMUNISM/ WHICH EASTERN EUROPE/ FOLLOWING THE EXAMPLE AND AID/ OF THE SOVIET UNION/ HAS ADOPTED.// THE ANSWER TO THIS DETERMINATION/ IS CLEAR:// NOBODY IS GOING TO COMPEL AMERICA/ TO ADOPT COMMUNISM.// THE ONLY COMPULSION/ TO WHICH THE UNITED STATES/ MUST BOW/ IS ABILITY TO DO FOR ITS CITIZENS/ UNDER OUR WAY OF LIFE/ AS MUCH AS COMMUNIST NATIONS/ DO FOR THEIRS.// IF IN ADDITION TO THIS/ WE CAN DO MORE/ BY FREE ENTERPRISE THAN BY SOCIALISM,/ FREE ENTERPRISE WILL SPREAD.// IF NOT, SOCIALISM WILL SPREAD.

ONE THING WE CANNOT DO/ EVEN BY WAR AND THE ATOM BOMB!// AND THAT IS TO MAKE PEOPLE/ GIVE UP SOCIALISM/ IF THEY WANT IT.// ANOTHER THING WE CANNOT DO/ AND THAT IS TO MAKE THE WORLD BELIEVE/ THAT CAPITALISM IS ALWAYS COMPLETELY SUCCESSFUL.// IT HAS HAD GREAT SUCCESS/ BUT WE BOUGHT IT/ BY HUMAN SLAVERY/ HERE AND IN AFRICA/ AND ASIA. IN PART By POVERTY + CRIME AT HOME AND, AMERICAN WORKERS + WORKERS IN WE CANNOT CONTINUE THIS SUCCESS.// FOR AFRICA AND ASIA SAY NO!/ AND THEY MEAN WHAT

S. AMERICA AND MEXICO, MANY OF WHOSE CITIZENS ARE SEEKING TO ESCAPE FROM SHE'S INDUSTRY

THEY SAY.

MOST AMERICANS ON THE CONTRARY BELIEVE THAT COMMUNISM IS SPREADING BECAUSE OF RUSSIAN IMPERIALISM. THEY BELIEVE THE SOVIET UNION IS SET TO CONQUER THE WORLD FOR COMMUNISM AND THAT THEREFORE WE MUST CONQUER THE SOVIET UNION. THAT IS WHAT WE FEAR. THAT IS WHY WE FIGHT AND PREPARE FOR A THIRD WORLD WAR. HERE THEN IS THE PLACE TO ASK. IS THIS NECESSARY? IS THIS TRUE?

BUT THIS WE CANNOT ASK. RIGHT HERE WE ARE STOPPED SHORT.

WE FIND IT ALMOST IMPOSSIBLE TODAY FOR THE ORDINARY CITIZEN TO LEARN THE TRUTH. WE ARE NOT FREE TO HEAR THE TESTIMONY. TO SEARCH INTELLIGENTLY FOR THE TRUTH, DAY AFTER DAY, YEAR AFTER YEAR, ON RADIO AND PLATFORM, IN NEWSPAPER AND MAGAZINE, FROM PULPIT AND ~~IN PRIVATE CONVERSATION~~ SCREEN, WE HEAR BUT ONE SIDE OF THIS GREAT CONTROVERSY. WE ARE TOLD BUT ONE SIDE OF THE STORY. AND IF WE PRESUME EVEN TO LISTEN TO THE OTHER SIDE, OR READ AN UNORTHODOX BOOK OR PAPER, OR ATTEND A MEETING LIKE THIS, WE ARE THREATENED BY LOSS OF SOCIAL STATUS, OR THE RIGHT TO

35-5-36 THAT IS WHAT NEWSPAPERS AND RADIO DIN IN OUR EARS MOVIES

EARN A LIVING, OR, AS I AM THREATENED THIS MOMENT, WITH A 5 years in JAIL SENTENCE. & $10000 fine!

THIS IS NOT DEMOCRACY. IT IS NOT THE FOUNDATION UPON WHICH THE THEORY OF DEMOCRATIC GOVERNMENT IS BASED. I REMEMBER HOW I LEARNED THE THEORY OF DEMOCRACY IN THE NEW ENGLAND VILLAGE WHERE I WAS BORN. I WAS A BOY OF TWELVE AND HAD JUST ENTERED OUR SMALL AND INADEQUATELY SUPPORTED PUBLIC HIGH SCHOOL. I ATTENDED OUR ANNUAL TOWN MEETING AND HEARD AN OLD, RAGGED AND INCREDIBLY DIRTY CITIZEN ARISE AND FOR AN HOUR HARANGUE AGAINST PUBLIC SUPPORT OF HIGH SCHOOLS. I WAS TERRIBLY INDIGNANT. I COULD NOT UNDERSTAND WHY THE INTELLIGENT PROSPEROUS PEOPLE OF THE TOWN ALLOWED THIS MAN TO TALK. BUT THEY DID. THEY HEARD HIM MAKE THE SAME SPEECH YEAR AFTER YEAR. WHEN HE HAD FINISHED THEY CALMLY PROCEEDED TO VOTE THE HIGH SCHOOL APPROPRIATION AND FROM TIME TO TIME TO INCREASE IT. THIS WAS MY FIRST LESSON IN DEMOCRACY. I HAVE NEVER FORGOTTEN IT. I NEVER WILL.

35-5-37

BUT I HAVE LIVED TO SEE THE DAY SEVENTY YEARS LATER, WHEN THE RIGHT FREELY

TO EXPRESS HONEST OPINIONS AND TO MAKE ONE'S OWN SEARCH FOR TRUTH, HAS BEEN ALL BUT ABOLISHED IN THIS COUNTRY IN DEFIANCE OF THE CONSTITUTION AND THE BILL OF RIGHTS.

35-5-38

HOW HAS THIS BEEN ACCOMPLISHED? BY THE USE OF THE NEW PSYCHOLOGICAL METHODS OF PROPAGANDA, ON A SCALE WHICH NEITHER AMERICA NOR THE WORLD EVER BEFORE SAW. THE PRINCIPLE BEHIND PROPAGANDA IS AS OLD AS HUMAN INTERCOURSE -- THE EFFORT TO MAKE YOUR NEIGHBORS THINK AND BELIEVE AS YOU DO. BUT IN AMERICA AT LEAST UNTIL RECENTLY, IT WAS USUALLY POSSIBLE FOR EACH INDIVIDUAL TO TEST BELIEF BY HIS OWN INVESTIGATION OF THE FACTS. EVEN YESTERDAY IN ONE GREAT QUESTION, EACH AMERICAN COULD SAY THAT IF THIS NEWSPAPER DISTORTED THE FACTS OR OMITTED THEM OR DELIBERATELY LIED, ANOTHER PAPER COULD BE COUNTED UPON TO SUPPLY THE TRUTH AND CORRECT THE ERROR. IF THIS BOOK IS A PREJUDICED [illegible], ANOTHER BOOK WILL SOON REFUTE IT. IF THIS LECTURER OR RADIO COMMENTATOR MISREPRESENTED THE FACTS, ANOTHER WOULD REVEAL THEM.

35-5-39

GRADUALLY THIS HAS CEASED TO BE TRUE. BEGINNING WITH MUSSOLINI IN ITALY AND INCREASING WITH HITLER IN GERMANY, THE PRESS, THE RADIO AND THE PLATFORM HAVE BEEN BROUGHT UNDER THE CONTROL OF POWERFUL INTERESTS SO THAT ONLY ONE SIDE OF THE GREAT QUESTIONS BEFORE THE PUBLIC COULD BE HEARD OR EXPRESSED. AND SOON TRUTH BECAME A CRIME.

THIS SITUATION CAME LATER IN THE UNITED STATES THAN IN EUROPE. BUT WHEN AFTER THE FIRST WORLD WAR, SOCIALISM BEGAN TO SPREAD IN EUROPE AND REVOLUTION BURST INTO A NEW SOVIET UNION, MANY AMERICANS HONESTLY BELIEVED THAT THE SPREAD OF SOCIALISM MUST BE STOPPED EVEN AT THE COST OF WAR. THEY SAID SOCIALISM WAS IMPOSSIBLE; OR IF POSSIBLE NOT PERMISSIBLE. WHEN IN THE THIRTIES, HOWEVER, THE AMERICAN AND EUROPEAN CAPITALIST SYSTEM COLLAPSED AND WAS ONLY SAVED BY SOCIALISTIC EXPERIMENTS SUCH AS [illegible]. ROOSEVELT'S NEW DEAL, THERE AROSE A DETERMINED AND ORGANIZED EFFORT by Big Business TO LAUNCH A SYSTEM OF PROPAGANDA IN AMERICA WHICH WOULD STOP SOCIALISM IN ITS TRACKS AND KEEP EASTERN EUROPE, AFRICA, ASIA AND SOUTH AMERICA OPEN TO AMERICAN

INVESTMENT AND PRIVATE PROFIT, LED BY AMERICAN MERCHANTS AS SUCCESSORS OF THE DYING BRITISH EMPIRE.

THEREUPON, PRIVATE WEALTH BOUGHT UP OUR NEWSGATHERING AGENCIES, OUR GREAT NEWSPAPERS AND RADIO CHAINS, AND MOST OF OUR PUBLIC PLATFORMS. BOOK PUBLISHERS YIELDED TO THE DICTATION OF THE STATE DEPARTMENT. INSTEAD OF MANY POINTS OF VIEW AND DIFFERING OPINIONS, THERE APPEARED INCREASINGLY BUT ONE LINE OF THOUGHT: THAT RUSSIA WAS NOT ONLY WRONG BUT CRUEL AND VICIOUS; THAT WAR WITH HER WAS INEVITABLE; THAT OUR WAY OF LIFE WAS IN GRAVE DANGER; AND THAT THE EXPRESSION OF ANY CONTRARY OPINION MUST BE MADE SOCIALLY DANGEROUS AND SO FAR AS POSSIBLE LEGALLY CRIMINAL.

35-5-40

I REMEMBER VIVIDLY WHEN THE ONE-SIDEDNESS AND DISTORTION OF THE SOURCES OF INFORMATION, ON WHICH ALL MY LIFE I HAD DEPENDED FOR TRUTH, WAS CURIOUSLY THRUST UPON MY ATTENTION. WITH MOST OTHER LIBERAL AMERICANS, I HAD APPLAUDED THE RUSSIAN REVOLUTION. THEN CAME THE TROTSKY CONTROVERSY AND THE TERRIBLE AND REPEATED

ACCUSATIONS OF MURDER, SLAVERY, STARVATION, AND PUBLIC PROSTITUTION OF WOMEN. FRANKLY I DID NOT KNOW WHAT TO THINK. THEN UNEXPECTEDLY I FOUND AN OPPORTUNITY TO VISIT RUSSIA. AND I WENT.

35-5-41

IN THE FALL OF 1928 I WAS SITTING IN A MOSCOW HOTEL READING A RECENTLY ARRIVED COPY OF THE NEW YORK TIMES. IT SAID: "REVOLUTION HAS BROKEN OUT IN KRONSTADT AND THE STREETS ARE RUNNING WITH BLOOD." I READ IT, AND THEN READ IT AGAIN. OH, NO, NO! I SAID. THAT IS NOT TRUE; IT CANNOT BE TRUE; FOR ON THE VERY MORNING THIS DESPATCH WAS DATED I HAD LANDED IN KRONSTADT FROM A GERMAN SHIP. AND IF EVER THERE WAS A PEACEFUL, ORDERLY, HALF-DEAD DELAPIDATED TOWN, IT WAS KRONSTADT! the chief port of Russia

OF COURSE THIS DID NOT PROVE THAT ALL AMERICAN PAPERS LIED ALL THE TIME. BUT IT DID MAKE ME ASK, HOW FAR CAN I HEREAFTER DEPEND ON THE AMERICAN PRESS FOR THE WHOLE TRUTH? I HAD TO REMEMBER THAT IN MY LONG FIGHT FOR NEGRO RIGHTS,

NEWSPAPERS, NORTH AND SOUTH HAD SYSTEMATICALLY DISTORTED THE TRUTH ABOUT NEGRO LIFE AND CRIME. I REALIZED HOW ANY UNPOPULAR CAUSE CAN BE CRUCIFIED BY A MONOPOLIZED PRESS. I THINK THAT NOTHING ILLUSTRATES THIS BETTER THAN THE JAPANESE TREATY. UNANIMOUSLY THE PRESS AND RADIO HAVE MADE RUSSIA THE VILLAIN. THE SOVIET AMBASSADORS WERE RIDICULED AND SNEERED AT AND BARELY ESCAPED WHAT MAY HAVE BEEN AN ATTEMPT AT ASSASSINATION. YET THE FACTS ON THIS TREATY ARE CLEAR TO ANYONE WHO IGNORING HEADLINES READS THE RECORD.

IP IN THE 19th CENTURY, GT. BRITAIN DOMINATED ASIA IN INDUSTRY, COMMERCE AND POLITICS. MILLIONS OF PROFIT FROM CHEAP LABOR AND VALUABLE RAW MATERIALS MADE BRITAIN THE MOST POWERFUL NATION ON EARTH. AFTER THE IstWORLD WAR WHEN THE BRITISH EMPIRE SHOWED SIGNS OF COLLAPSE, AMERICAN BIG BUSINESS PLANNED TO TAKE HER PLACE. ALSO JAPAN WANTED A SHARE OF THE LOOT BUT WE REPULSED HER BRUSQELY. THEREUPON JAPAN SUDDENLY WENT TO WAR AND CONQUERED IN A FEW MONTHS AN AREA IN ASIA AS LARGE AS THE UNITED STATES. FOR A TIME, CHINA ALONE OPPOSED HER. THEN THE UNITED STATES AND WESTERN EUROPE UNITED AGAINST

HER AND BEGGED RUSSIA TO JOIN THEM AND TO REPLACE JAPAN IN MANCHURIA. JAPAN FELL AND AMERICA WAS SUPREME IN CHINA AND LOOKED ON BY CHINESE AS THEIR SAVIOR. BUT AMERICAN INDUSTRY WAS INTERESTED IN PROFIT AND EXPLOITATION IN CHINA AND NOT IN DESPERATELY NEEDED SOCIAL REFORM. WE BACKED AND ARMED CHIANG KAI Check AND HIS GANG OF ROBBERS UNTIL THE CHINESE IN DISPAIR DROVE THEM INTO THE SEA USING THE VERY ARMS WE HAD GIVEN CHIANG THEM. THUS ~~WE DROVE CHINA INTO THE HANDS OF RUSSIA INSTEAD OF RUSSIA EXPANDING INTO ASIA~~ (RUSSIA DID NOT EXPAND INTO CHINA BUT AMERICA DROVE CHINA INTO RUSSIA)

35-5-43

WHEN CIVIL WAR BROKE OUT IN KOREA OVER LAND MONOPOLY, WE RUSHED IN FOR A LITTLE POLICE ACTION WITHOUT DECLARING WAR AND NOT CONTENT WITH DEFEATING NORTH KOREANS, (WE DELIBERATELY STARTED TO ATTACK CHINA) BECAUSE BIG BUSINESS SAW A NEW OPPORTUNITY TO SECURE CONTROL OF ASIA. CHINA COUNTER-ATTACKED SO FIERCELY THAT WE WERE NEARLY DRIVEN OUT OF KOREA. WE MANY AMERICANS WERE TIRED OF THIS UNJUST WAR AND RUSSIA SUGGESTED PEACE. WE DECLARED THIS REQUEST DISHONEST, RAGED ABOUT RUSSIAN IMPERIALISM (not about American;) AND ASKED UNIVERSAL DRAFT AND THE GREATEST PREPARATION FOR WAR WHICH THE WORLD EVER SAW. ALSO, BY THE DIPLOMACY OF DULLES, FORMER COLLABORATOR WITH THE GERMAN NAZIS, WE PROPOSED

WHAT WE CALLED PEACE WITH JAPAN BUT WHAT REALLY WAS AN OFFENSIVE AND DEFENSIVE ALLIANCE UNDER WHICH A REARMED JAPAN, SUPORTED BY AN AMERICAN ARMY, NAVY AND AIRFORCE WOULD GIVE THE UNITED STATES THAT INDUSTRIAL, COMMERCIAL AND POLITICAL CONTROL OVER ASIA WHICH BIG BUSINESS ~~WILDLY~~ DE SIRES SO MUCH ~~so~~ THAT IF RUSSIA DID NOT EXIST AND COMMUNISM HAD NEVER BEEN THOUGHT OF WE WOULD HAVE INVENTED BOTH TO JUSTIFY OUR IRRATIONAL AND UNETHICAL ACTION // FOR IF ~~THE UNITED STATES~~ we DREAM ~~dream~~ THAT JAPAN IS EVER GOING TO HELP ~~HER~~ us CONQUER ASIA, WE ARE CRAZY.

PEACE, 1951

Without regard to what men believe or fear; what their nationality or race is; or what their social status may be; there are three facts which face us today and make our life and thought contradiction and confusion. These facts ~~may be~~ are epitomized by (1) the war in Korea; (2) the flood in the Missouri Valley; and (3) the difficulty ~~today in the United States~~ of separating fact from propaganda.

35-5-169

The indecisive effort of a great and powerful nation like ours, ~~with~~ 150,000,000 people, ~~trying in vain for more than a year~~ to conquer Korea, with 25 million people, ~~and~~ bringing to bear all our vast wealth and military might, is nothing ~~else~~ less than fantastic. Why are we fighting this poor, ignorant and unhappy people? What sense is back of our effort ~~?~~ and what excuse or plan? Why do we not stop fighting now immediately and sit down ~~and~~ to think, ~~and~~ plan and know?

Again we have just had a flood in the Middle West. This is not the first time ~~this~~ that disaster has overtaken the valley of the Missouri-Mississippi. From the time of the first levees 234 years ago, year after year, lives, property, stock and soil have annually been destroyed by this inland ocean of waters, and so far as we can see, this saga of death and poverty will continue, in spite of the fact that we can stop it whenever we will.

Thirdly, today as never before in this intelligent nation, with its universities and schools, its scientists, writers and thinkers; its poets and prophets; it is difficult if not, for the ordinary man, impossible to learn the truth about the present condition of mankind or the remedies for our ~~mounting and~~ seemingly unconquerable ills. To ascertain the basic truth, we cannot today look with confidence to science, religion, the daily press, the radio, or the public platform. With increasing terror we are refusing to let men say what they believe or believe what those who control expression do not permit them to ~~believe~~ know.

We all know that this situation in the world around us, is, if anything, growing in paradox and danger and that without quick change and betterment we face disaster. No matter what the real truth is, the first step toward cure ~~is~~ obviously is Peace. And by Peace I do not mean mere sentimental inactivity and general Good

Will; but serious and determined implementation of the truth, which three world wars have taught all sane thinkers; ~~that~~ that is, that organized force wielded by great and powerful nations, in accord with the latest inventions of science, can never achieve victory for any one nation nor any one idea.

In simpler times and more primitive eras, when physical distance more completely separated groups of men; and when natural forces were less tamed; ~~untamed,~~ it was often possible, for a group or nation or even a band of nations to impose their will upon considerable portions of mankind. How far or how often such conquest was really effective, or what it finally accomplished it is not easy now to say. But most men today have been educated to believe in the efficiency of War as a mode of human progress in the past. But today, in the face of inescapable testimony, furnished by conflicts which have nearly filled the first half of the 20th century, all ~~same and~~ reasonable folk must be convinced that no organized force of armed might can prevail over firmly held belief and conviction; that neither the belief of the United States in capitalism, nor the belief of the Soviet Union in Socialism, can be victorious over the world by force of arms; that Ideas can only be met successfully by better Ideas, and Falsehood by Truth; that no "situations of strength" nor expenditure of 60 thousand million million of dollars or a Hundred Thousand a year is going to force our "Way of Life" on the world, ~~nor~~ impose Socialism on America against our will. Nor

35-5-120

The truth of this self-evident lesson, made clear to the world by history in the years 1914 to 1951, is so clear, that despite all propaganda, the Peace Movement today belts the world, even as we prepare for more continuous and greater ~~and unending~~ wars. This is a curious contradiction and paradox, which even those who want to believe, dare not face these facts. ~~the facts~~. In the Spring of 1950, I sat in a great ~~vast~~ arena in Paris, France, which holds 100,000 persons at one time. During that May afternoon, I saw that ~~great~~ vast space filled five times, with a half million people from every corner of France, crying in fervor, exaltation and tears, "Peace, No More War!" In August of that same year I looked in to the faces of a thousand delegates from every corner of the Soviet Union, representing 200 million people from all the ~~200 nationalities nations~~ 150 race and culture groups of Russia. I told them that the people of the United States did not want war and they assured me ~~told me~~ repeatedly over the long sessions of three full days that

the Soviet Union was determined on Peace.

I saw the Austro-Hungarian empire in its might at the end of the 19th century; and I saw it again last year; and from Warsaw and Prague, to Vienna and Budapesth, there arose one united cry for peace. I saw Manchuria and China suffer in 1936, when the long agony of the Japanese drive for expansion over Asia, was at the beginning of its bloody swing. I know why today both Japan and China pray for Peace.

And here in the United States, I have in the last five years travelled and spoken in nearly half of the 48 states; to audiences, mostly small to be sure, but composed of people of intelligence and courage. I have found every indication that the American people who dare say what they think those attacked as representatives want Peace and are against the present war hysteria; and particularly do they want to spend the fabulous sums which we are now devoting to murder and destruction, to feeding the hungry, healing the sick, and teaching the young; to methods of preventing future poverty, disease and ignorance. No one who saw the five thousand pilgrims who came from every corner of the land for the late Peace Congress at Chicago could for a moment doubt this.

###

If now the World desperately wants Peace, and knows with no shadow of doubt that the money needed for food and clothes, education, housing and flood-control, cannot long be used for murder and destruction without the overthrow of our present civilization, why is it that the world still heads toward inevitable disaster?

Let us turn back to the war in Korea. This is more than the conventional war between great and essentially equal powers, fought for clearly conceived aims and restrained by the humane considerations of the rules of civilized warfare. No. This is a war of conquest across lines of race, religion and color; it is shot through with hate and contempt held by the rich, powerful and superior white people against the poor, weak and inferior colored people. We sneer at these despised folk; call them names and our officials openly call them as cowards liars and cheats. It is not the strife of armed fighter against fighter but equally of super-armed, well-paid and protected soldiers against partially unarmed, naked and

shelterless women, children and aged men. Twenty one ~~I quote to quote what 21~~ women from 17 ~~xxxxxx~~ nations ~~including~~ Canada, Great Britain, France, West Germany, Belgium, ~~Holland~~, Italy as well as peoples of Western Europe, Asia and South America, said of this war after studying it on the spot 12 days last Spring:

"The people of Korea are being subjected by the American occupants to a merciless and methodical campaign of extermination, which is in contradiction not only to the principles of humanity, but also to the rules of warfare as laid down, ~~for instance,~~ in The Hague and the Geneva Conventions; ~~This is being done in the following ways:~~

35-5-172

~~By (a) by the~~ systematic destruction of food, food stores and food factories. Forests and ripe harvests are being systematically burned by incendiary bombs, fruit trees are being destroyed, and peasants working in their fields with their animals are being killed by machine-gun fire from low-flying planes. By these means the whole people of Korea is doomed to starvation.

"b) By the systematic destruction of town after town, of village after village, many of which by no stretch of the imagination could be considered to be military objectives or even industrial centres.

"~~x~~) The aim of this systematic destruction ~~if~~ is clearly, in the first place, to break the morale of the Korean population and, secondly, to wear them out physically. In these never-ceasing raids, dwellings, hospitals, schools, etc., are deliberately destroyed. Even towns which have already been turned into heaps of ashes, and in which the surviving inhabitants are reduced to living in dugouts, continue to be bombed.

"c) By systematically employing against the peaceful inhabitants weapons banned by international convention, i.e., incendiaries, petrol bombs, napalm bombs, time-bombs, ~~and by constantly machine-gunning civilians from low-flying planes.~~

"d) By atrociously exterminating the Korean population. In the districts temporarily occupied by American and Syngman Rhee forces, in the period of occupation, hundreds of thousands of civilians, entire ~~families~~ families from old men to little children, have been tortured, beaten to death, burned and buried alive. Thousands of others have perished from hunger and cold in overcrowded prisons in which they were

thrown without charges being levelled against them, without investigation, trial or sentence.

"These mass tortures and mass murders surpass the crimes committed by Hitler Nazis in temporarily-occupied Europe.

"The Commission calls on all the peoples of the world, in the name of common humanity, to urge by every means in their power that the war in Korea be brought to an end without delay and that the invading foreign troops be immediately withdrawn from Korea."

35-5-173

In order to make clear in our minds why this insane horror is going on, let us turn to a series of phenomena which may at first sight seem far removed from Korea. On July 19, the Associated Press reported:

"Northern and central Kansas tonight fought the worst flood since the disastrous overflow of 1903 which paralyzed all of the cities along the Kansas River from its source to Kansas City."

"Both the Missouri and Mississippi were rising in the St. Louis area, where 60,000 acres of bottom-land already were under water.

"Hundreds, even thousands, of persons in Kansas were stranded by the new flood waters...These were the areas in Topeka that bore the brunt of the 1903 flood, in which thirty-eight persons died.

"The city was unprotected by dikes at that time, but the river is expected to reach 33 feet tomorrow night, six-tenths of a foot higher than in 1903 and about a foot higher than the present levees.

"The Red Cross at St. Louis predicted that 19,000 persons at Topeka and upstream along the Kansas would be homeless in the morning.

"Transportation was virtually at a standstill in north-central Kansas. Highways were reported cut by water in more than 100 places. Trains were stalled -- a dozen Santa Fe trains being tied up at Emporia and Newton, alone."

My wife and I were on one of the Santa Fe trains, held for hours at midnight because of this flood. I remembered, as we waited in the dark, that I was taught in elementary school that the Chinese were very unprogressive since they refused to build a bridge over a certain river because their ancestors had never built one. I wondered what present-day China would say of progressive America on the flood

situation. Every year for two centuries, this ~~the~~ Missouri-Mississippi River, has flooded, drowned, and destroyed, culminating in the destruction of Dayton in 1913, and then in 1927, for 6 weeks this river inundated ~~[illegible] square miles of land~~ the homes of three-quarters of a million of people and destroyed 355 millions dollars of property. What was done about it? We passed the hat and raised $19 millions for the 600,000 people on relief. We made plans but plans too narrow and too late. So that again this year our President informs us that the flood loss is over 2000 million dollars in property, damage to and ~~60,000 homes and~~ 5 million acres of farm lands; and in addition, death of God knows what loss in pain, discouragement and hope.

35-5-174

The reason for this recurring series of disasters, which will come again and again in the future is clear: this river and branches drains 31 states; its control calls for national long scale action: for reforestation; for huge dams; for soil and crop management to prevent erosion; for reservoirs and spillways; for restoration and control of swamps; for seizure of land and restraint of anti-social acts for private profit. P Individual initiative cannot undertake any such vast program; free enterprise cannot expect to make profit out of such an immense social enterprise; and yet the paradox is, that unless the nation as a ~~Social~~ whole, attacks this problem of the Mississippi Valley, the future freedom and initiative of millions of Americans will continue to be frustrated and destroyed. But PP the President fears such national control of the Mississippi ~~is~~ will be Socialism. There is no use denying this fact or hiding behind double-talk: the TennesseeValley Authority, the future Mississippi-Missouri Authority, just like our public schools, our mail parcel service, our city subways, our city slate and national parks, our forest preserves, are all examples of that national control for the public welfare which is characteristic of civilization in every modern land. The dilemma before us Then is complete: we cannot have periodic destruction; we ~~must~~ fear socialism; ~~but~~ yet only by some degree of social legislation and social planning can we avoid disaster; therefore some degree socialism we are compelled to adopt in future as in the past.

PP I have visited France 13 times since 1894

One of the first things which I noticed in my last visits to France was that the railroads of France no longer belong to private companies, but to the state. I knew that France already owned her telegraphs and telephones; I knew French

cities owned their underground lines, streetcars and buses; all of the main public services were in the hands of the state; mines and forests belonged to the State; the state was entering private industry in many and when direct ownership did not result, severe regulation was increasing. Foreign trade, steamships and airplanes had state supervision and partial ownership. In other words, France is today a socialistic state to a large extent, and this socialization is growing.

lines, prices and wages were controlled;

But is France in this respect, exceptional in Europe? It is not. Neither in Europe nor in the world. There is not today in the world a single ~~individua~~ civilized land in which socialism is not wide-spread and growing. Every European country owns its transportation systems and systems of communication; every European country has nationalized many of its main businesses from banking to mining; from housing to manufacturing; from foreign trade to retail distribution of goods; from private land ownership to state ownership of all public utilities.

B21-S-33

On the wall behind my office desk is a great map of ~~Russia~~ the Soviet Union covered with broad streaks of green. ~~It~~ This shows the plan of the Soviet Union to plant tens of thousands ~~millions~~ of miles of forests in order to help forestall just such flood and destruction as has overwhelmed the Mississippi valley this Summer. It will take a generation to accomplish this and millions in money. Today, the plan is hardly begun. But it is clearly outlined ~~planned. It is begun.~~ Some day, if peace prevails, it will be realized. It is plans like these,

which makes the Soviet Union prefer peace to war

~~Thereupon some say, but we will not have that complete and compulsory socialism~~ over which is Communism. The answer is: Does anyone compel you to go that far? The usual answer is: yes, Russia. That is what we fear; that is why we fight and prepare for a Third World War. Here then is the place to ask: Is this necessary? Is this true?

But right here we are stopped short. this we cannot ask;

We find it almost impossible today for the ordinary citizen to learn the truth. We are not free to hear the testimony, to search intelligently for the truth. Day after day, year after year, on radio and platform; in newspaper and magazine; from pulpit and in private conversation, we hear but one side of this great controversy; we are told but one side of the story; and if we presume even to listen to the other side, or read an unorthodox book or paper; or attend a meeting like this, we are threatened by loss of social status; or the right to earn a living;

or, as I am threatened this moment, with a jail sentence.

This is not democracy. It is not the foundation upon which the theory of democratic government is based. I remember how I learned the theory of democracy in the New England village where I was born. I was a boy of twelve and had just entered our small and inadequately supported public high school. I attended our annual town meeting and heard an old, ragged and incredibly dirty citizen arise and for an hour harangue against public support of high schools. I was terribly indignant. I could not understand why the prosperous people of the town allowed this man to talk. But they did. They heard him make the same speech year after year. When he had finished they calmly proceeded to vote the high school appropriation and from time to time to increase it. This was my first lesson in democracy. I have never forgotten it. I never will.

But I have lived to see the day seventy years later, when the right freely to express honest opinions and to make one's own search for truth, has been all but abolished in this country in defiance of the Constitution and the Bill of Rights.

How has this been accomplished? By the use of the new psychological methods of propaganda, on a scale which neither America nor the World ever before saw. The principle behind propaganda is as old as human intercourse -- the effort to make your neighbors think and believe as you do. But, until recently, it was usually possible for each individual to test belief by his own investigation of the facts. Even yesterday in our own nation, each American could say that if this newspaper distorted the facts or omitted them or deliberately lied, another paper could be relied upon to supply the truth and correct the error; if this lecturer or radio commentator misrepresented the facts, another would reveal them.

Gradually this has ceased to be true. Beginning with Mussolini in Italy and increasing with Hitler in Germany, the press, the radio and the platform have been brought under the control of powerful interests so that only one side of the great questions before the public could be heard or expressed; and soon Truth became a crime.

This situation came later in the United States than in Europe. But when after

the First World War, socialism began to spread in Europe and Revolution burst into a new Soviet Union, many Americans honestly believed that the spread of socialism must be stopped even at the cost of war. When in the thirties, however, the American and European capitalist system collapsed and was only saved by socialistic experiments under F. D. Roosevelt's New Deal, there arose a determined and organized effort to launch a system of propaganda in America which would stop socialism in its tracks and keep Eastern Europe, Africa, Asia and South America, open to American investment and private profit, led by American merchants as successors of the dying British Empire.

They said socialism was unfeasible, evil, impossible and dangerous.

Thereupon, private wealth bought up our newsgathering agencies, our great newspapers and radio chains and most of our public platforms. Instead of many points of view and differing opinions, there appeared increasingly but one line of thought: that Russia was not only wrong but cruel and vicious; that war with her was inevitable; that our way of life was in grave danger; and that the expression of any contrary opinion must be made socially dangerous and so far as possibly legally criminal ~~a crime~~.

Book publishers yielded to the dictators' demands.

I remember vividly when the one-sidedness and distortion of the sources on which all my life I had depended for information, was curiously thrust upon my attention. ~~It was in 1928.~~ With most other liberal Americans I had applauded the Russian Revolution. Then came the Trotsky controversy and the terrible and repeated accusations of murder, slavery, starvation, and public prostitution of women -- frankly I did not know what to think. Unexpectedly I found an opportunity to visit Russia, and I went.

1921-22

In the fall of 1928, I was sitting in a Moscow hotel reading a recently arrived copy of the New York Times. It said: "Revolution has broken out in Kronstadt and the streets are running with blood." I read it and then read it again. Oh, no, no! I said. That is not true; it cannot be true; for on the very morning this despatch was dated I had landed in Kronstadt from a German ship, and if ever there was a peaceful, orderly, half-dead delapidated town, it was Kronstadt! Of course this did not prove that all American papers lied all the time. But it did make me ask, How far can I hereafter depend on the American press for the whole truth? I had to remember that as in my long fight for Negro rights, I knew the Southern newspapers systematically

distorted and lied about Negro crime, I realized that any unpopular cause can be distorted by a monopolized press.

It is not my task to defend the Soviet Union or to convert those who hate and fear it; but it is my duty to maintain my own right to my own opinions and to insist that the horrible war in Korea is absolutely wrong; that a Third World War is suicide; that the suppression of democracy in the United States is unjustified in the case of the Soviet Union as it just is and has been, in the disfranchisement of Negroes in the South and the color caste still practised throughout the nation. I maintain that the socialism growing and spreading in Great Britain, France, Italy, and Scandinavia is justified by its results; and that Communism has done more for the Russian peasants and the Chinese coolies than Capitalism and Christian missions ever did or tried to do. I do not believe that Russia wants war or threatens war, but I do know that American industry would welcome world war to save the profits dragged out of cheap colored labor and monopoly of rich raw materials, like coffee, tea, cocoa and rubber.

I particularly appeal to American Negroes not to allow their masses to be betrayed by the present American hysteria and will to war. In the beginning of my fight for Negro rights, American Negroes were mainly farmers and laborers, with small differences in income and property. Their desire was freedom to work at decent wages, with the necessary civil and political rights. The main internal dissension at that time was as to the immediate need of the vote and of higher education for the gifted. Times have changed. We Negroes do not yet have any such popular education as Soviet children get, but we do have a large educated leadership; large numbers of Negroes are still disfranchised, but millions also can and do vote. But another crisis is now upon this group, before the old problems have been entirely solved. We have become divided into rich and poor; into exploiter and exploited; into well-to-do and contented property holders and half-starved laborers. And today as never before, we Negroes are facing the temptation of joining our vote and wealth to the interests of Big Business and world war on the colored peoples with the silly notion that our interests as Negroes lie with the monopolists of capital rather than with the workers of the world, in America as well as behind the Iron

over

35-5-128

We are often faced therefor with a new and strong temptation, and that is gaining some civil and political advantage as a bribe for joining our interests with those of the investing and propertied classes in exploiting both Negro and white workers. And by exploiting I mean paying to the laborer less than his work is worth and pocketing the difference as profit. This is the essence of modern industry and it is wrong. American Negroes must not be bribed to join in this system even by social and political preferment

Curtain; in China, India and Africa.

Before Black Americans as well as before white, face these problems of work and wealth; of income and distribution; of the part to be played by the organized state and the free workers. I have but mentioned them, and made no attempt to settle here within a half hour, all these intricate problems. But one problem, I do emphasize and that is the present problem of problems: Peace, becomes in war and the fear of war; in unlimited taxation and expenditure on a fabulous scale for destruction and murder. In such an atmosphere, common sense and common decency die, and social progress as well as civil rights disappear.

IT IS DOUBTFUL IF IN MODERN TIMES, CERTAINLY SINCE THE BEGINNING OF THE 19th CENTURY, THE PROBLEM OF EDUCATING CHILDREN HAS PRESENTED SUCH DIFFICULTIES AS TODAY. // PARTLY THIS IS DUE TO THE VERY PROGRESS OF MANKIND -- EASE OF TRANSPORTATION AND COMMUNICATION, WORLD-WIDE EXCHANGE OF GOODS AND NEW USE OF NATURAL FORCES. // WITH ALL THE CONFUSION AND MISUNDERSTANDING WHICH THESE RELATIVELY SUDDEN CHANGES HAVE BROUGHT TO PERSONS NOT SUFFICIENTLY PREPARED INTELLECTUALLY OR EMOTIONALLY TO USE THEM REASONABLY AND PROFITABLY.

BUT EVEN MORE SIGNIFICANT THAN THIS, WE ARE LIVING AND HAVE FOR A GENERATION BEEN LIVING IN A PERIOD OF WAR ON AN UTTERLY UNPRECEDENTED SCALE. // AND IF LAWS ARE SILENT IN WARTIME, WE ARE FINDING THAT IN ADDITION, RELIGION, MORALS, THE PHYSICAL AND SOCIAL SCIENCES AND DEEP-SEATED CUSTOMS ARE EXPERIENCING TODAY NOT ONLY SILENCE IN EXPRESSION, BUT WIDESPREAD PARALYSIS OF ACTION.

IF THIS SITUATION IS DIFFICULT AND BAFFLING FOR OUR OWN ADULT THOUGHT AND EVEN SANITY, HOW MUCH MORE PARADOXICAL IS IT WHEN WE ARE ASKED TO EXPLAIN TO OUR CHILDREN WHAT THE WORLD IS, HOW IT IS PROGRESSING, AND HOW IT MIGHT AND OUGHT TO PROGRESS. // AND TO EXPLAIN WHAT PART IN A FUTURE WORLD YOUTH CAN AND OUGHT TO PLAY. // ~~THIS~~

36-9-172

THIS

IS DEMANDED OF US AT A TIME WHEN THE MOST HONEST AND COURAGEOUS AMONG US SIMPLY DO NOT KNOW COMPLETELY JUST WHAT IS HAPPENING TO MANKIND OR WHAT WE CAN DO ABOUT IT AND HOW WE CAN SET TO WORK. // YET OUR IGNORANCE AND UNPREPAREDNESS DOES NOT RELEASE US FROM THE NECESSITY OF INSTRUCTING AND GUIDING OUR CHILDREN -- RATHER IT MAKES THE TASK ALL THE MORE IMPERATIVE.

I THINK THAT FIRST WE CAN ASSERT THE NECESSITY OF IMPARTING AS THOROUGH UNDERSTANDING OF TRUTH -- OF EXPLANATION OF JUST WHAT IS HAPPENING AS WE CAN GIVE. // IN ANY FAILURE HERE, LIES DISASTER.

I HAD MYSELF, IN THE LATTER HALF OF THE 19TH CENTURY, AS GOOD A SCHOOL TRAINING AS WAS AVAILABLE TO THE MORE FORTUNATE PART OF AMERICA. // I LIVED IN A QUIET, NORMAL NEW ENGLAND TOWN, // WITH DIFFERENCES OF INCOME, BUT NO NOTABLE EXTREMES OF WEALTH. // FROM SIX TO SIXTEEN YEARS OF AGE I ATTENDED SCHOOL ON ONE CAMPUS, SIX HOURS A DAY, FIVE DAYS A WEEK, TEN MONTHS IN THE YEAR. // THE SCHOOL BUILDINGS WERE NOT ELABORATE, BUT

WEATHER-PROOF AND COMFORTABLE. / THERE WAS AMPLE PLAY SPACE. / THE CLASSES WERE SMALL, AND THE TEACHERS ABLE TO READ AND WRITE, / AND SECURE IN THEIR POSITIONS. // THE HIGH SCHOOL PRINCIPAL / WAS COLLEGE-BRED, / WITH A FAIRLY BROAD VIEW OF LIFE; // FEW OF THE OTHER TEACHERS / HAD HIGHER TRAINING, / BUT THEY CAME OF GOOD FAMILIES / AND WERE WELL-BRED / ACCORDING TO CURRENT STANDARDS. // THERE WAS A GOOD BUT SMALL PUBLIC LIBRARY / WHERE I REGULARLY BORROWED BOOKS.

DESPITE THIS RELATIVELY FORTUNATE SCHOOLING / THERE WERE, / WHEN I WAS GRADUATED FROM HIGH SCHOOL / AT THE AGE OF SIXTEEN, / MANY SERIOUS DEFICIENCIES IN MY TRAINING. I KNEW SOMETHING OF HYGIENE / BUT NOTHING OF SEX, / SAVE THE GOSSIP OF SCHOOLMATES. // MY KNOWLEDGE / OF ELEMENTARY ECONOMICS / WAS SMALL: // WEALTH I THOUGHT / WAS A MATTER OF INDIVIDUAL SAVING; / WAGES AND HOURS OF WORK / WERE FIXED BY SOCIAL LAW / AND COULD NOT BE CHANGED WITHOUT DANGER; / TRADE UNIONS WERE FUTILE, / AND STRIKES WRONG; / POVERTY WAS PUNISHMENT FOR LAZINESS / AND SLUMS WERE THE FAULT OF THE SLUM-DWELLERS. // I WAS AT LEAST 25 YEARS OLD / BEFORE I BEGAN SERIOUSLY / TO QUESTION THESE ECONOMIC BELIEFS.

IN POLITICAL LIFE, / I HAD GIVEN ME / A SPLENDID EXAMPLE OF DEMOCRATIC GOVERN-

36-9-173

MENT / IN THE LOCAL TOWN-MEETING / WHICH I ATTENDED ANNUALLY; / BUT OF THE COUNTY, STATE AND FEDERAL GOVERNMENT, / I KNEW ALMOST NOTHING. // I WAS TAUGHT TO THINK / THAT THE BRITISH EMPIRE / HAD THE BEST GOVERNMENT IN THE WORLD, / AND ENGLISH HISTORY WAS THE ONLY FOREIGN HISTORY TAUGHT. // I KNEW NOTHING OF ASIA AND AFRICA, / AND LITTLE OF THE WEST INDIES / OR SOUTH AMERICA.

ABOVE ALL, / AND THIS WAS SINGULARLY MISLEADING, / I WAS TAUGHT THAT THE WORLD HAD ENTERED / AN ERA OF PEACE, / AND THAT WAR AS AN INSTRUMENT OF PROGRESS / WAS DEFINITELY PAST. // IT WAS NOT UNTIL AFTER THE FIRST WORLD WAR / THAT I REALIZED / THAT FROM 1868 UNTIL TODAY, / I HAVE LIVED THROUGH SEVEN MAJOR WARS, / THIRTY MINOR WARS, / AND 146 SERIOUS REVOLTS AND UPRISINGS. // IN OTHER WORDS, / FROM THE DAY OF MY BIRTH / UNTIL MY 84th BIRTHDAY, / THERE HAS NOT BEEN A SINGLE HOUR WITHOUT WAR, / MURDER AND DESTRUCTION ON A LARGE SCALE / SOMEWHERE IN THE WORLD; // AND TODAY THE CHANCES OF EVEN GREATER, / MORE DESTRUCTIVE AND WIDER WAR EFFORT / ARE THREATENING AND CLEAR.

THUS MY EDUCATION / WHILE ABOVE THE AVERAGE OF MY DAY, / DID NOT EQUIP ME

36-9-174

WITH SUCH KNOWLEDGE OF THE TRUTH/AS WAS CALCULATED TO GUIDE MY OWN EFFORTS,/ OR TO TEACH CHILDREN AND YOUTH.//FORTUNATELY MY FORMAL EDUCATION CONTINUED/FROM 16 TO 26,/ IN COLLEGE AND GRADUATE SCHOOL/IN AMERICA AND EUROPE.//THIS WAS UNUSUAL AND ENJOYED BY FEW PERSONS.//THE AVERAGE AMERICAN TODAY/MUST THEREFORE ENTER HIS LIFE WORK/WITH THE DUTY OF HELPING EDUCATE HIS CHILDREN/IN THE TRUTH ABOUT ACTUAL CONDITIONS,/ BUT WITH THE SERIOUS HANDICAP/OF NOT KNOWING/NOR BEING ABLE EASILY TO ASCERTAIN/JUST WHAT THE TRUTH IS/ABOUT THIS PRESENT WORLD.

36-9-175

IN OTHER WORDS/ THIS GENERATION OF ADULTS/IS FACED BY A DELIBERATE/AND WIDESPREAD POISONING/AND DISTORTION OF THE USUAL SOURCES OF TRUTH,/ AND IS LIVING IN A WORLD/WHERE MURDER, LYING AND THEFT EXIST,/ NOT PERHAPS MORE WIDELY/THAN EVER BEFORE,/ BUT CERTAINLY TO A DEGREE/NEVER SO OPENLY RECOGNIZED AND EXCUSED/BY LEADING CLASSES AND INDIVIDUALS,/ AS INEVITABLE.//UNDER SUCH CIRCUMSTANCES/IT WOULD BE/AND IS/NATURAL FOR MANY PEOPLE/TO TURN AWAY FROM SEARCH FOR KNOWLEDGE/TO RELIANCE ON OLD CUSTOMARY FAITHS:/ ON THE GOODNESS AND OMNIPOTENCE OF GOD;/ ON THE POWER OF PRAYER AND WITCHCRAFT;/ ON DEMOCRACY AND FREEDOM/ ON THE HONESTY OF THE PRESS:/ AND ON PATRIOTIC SUPPORT OF AMERICA/ NO MATTER WHAT OUR COUNTRY DOES.

BUT REASON AND EXPERIENCE WARN US/AGAINST ANY SUCH RELIANCE/ON MERE DESIRE AND DOGMATIC BELIEF,/ UNBOLSTERED BY KNOWLEDGE AND ACTION;//FOR HOWEVER SUCH FAITH/MAY LULL US TO SLEEP,/ WE INCUR GRAVE RESPONSIBILITY/ IF WE EQUIP OUR CHILDREN/WHO MUST LIVE IN A WORLD OF THE FUTURE/ WITH SUCH A PARTIAL AND UNPROVEN PICTURE/OF THE PRESENT WORLD.

36-9-176

FIRST THEN/ FOR THE CORRECT TEACHING OF OUR CHILDREN,/ THERE MUST BE AS FAIR A PICTURE/OF THE PRESENT CONDITION OF MANKIND/AS IS POSSIBLE.//IN MY YOUNG MANHOOD,/THIS PICTURE COULD BE OBTAINED IN PART/BY READING NEWSPAPERS, PERIODICALS AND SELECTED BOOKS// TODAY THIS IS LESS TRUE./ THE NEWS-GATHERING AGENCIES TODAY,/ THE DAILY PRESS,/ AND MOST OF THE PERIODICALS,/ARE OWNED AND DOMINATED/BY SMALL GROUPS OF PERSONS,/WHO BELIEVE IT IS/FOR THE BEST INTERESTS OF THE PUBLIC/NOT TO KNOW COMPLETELY WHAT IS TRANSPIRING IN THE WORLD.//THE ORDINARY READER TODAY THEREFORE/ IS PRESENTED WITH AN INCOMPLETE,/ IF NOT COMPLETELY DISTORTED PICTURE/OF WORLD AFFAIRS.// IF HE ASSUMES/DESPITE THIS,/ THAT HE KNOWS THE WHOLE STORY,/ AND IF HE TRANSMITS THIS TO HIS

CHILDREN AS TRUTH, HE COMMITS A GRAVE CRIME.

WHAT THEN, MUST THE TEACHER AND PARENT DO? HE MUST MAKE UNUSUAL EFFORT TO KNOW AND TELL THE TRUTH. THERE IS NO ROYAL ROAD TO SUCH KNOWLEDGE; THIS PATH DIFFERS FOR DIFFERENT PERSONS AND IN DIFFERENT PLACES. BUT THIS DOES NOT EXEMPT ANY OF US. IT MERELY MAKES THE TASK OF EDUCATION HARDER TODAY THAN IN OTHER ERAS. THIS IS UNFORTUNATE, BUT IT IS INESCAPABLE. LESS THAN EVER BEFORE, THE CHILD TODAY CANNOT BE ALLOWED TO RECEIVE HIS EDUCATION EXCLUSIVELY FROM HIS SCHOOL MATES, FROM THE DAILY PRESS, FROM READING "BEST-SELLERS", OR FROM MOVIE, RADIO OR TELEVISION. NONE OF THESE SOURCES OF INFORMATION OR MISINFORMATION CAN, OF COURSE, BE AVOIDED; NO CHILD TODAY CAN BE ISOLATED FROM THEM; BUT, ON THE OTHER HAND, INCREASED INTERPRETATION AND GUIDANCE FROM TEACHER, PARENT AND GROUP ORGANIZATIONS MUST SUPPLEMENT AND CORRECT FOR CHILDREN THE INFLUENCE OF PROPAGANDA AND DELIBERATE DISTORTION. THIS IS SIMPLY TO SAY THAT CHILDREN TODAY MUST RECEIVE MORE TEACHING FROM MORE AGENCIES THAN SUFFICED IN YOUR CHILDHOOD OR MINE, OR AT LEAST MORE THAN WE THOUGHT SUFFICED.

36-9-177

THIS WORLD PICTURE MUST TAKE NOTE OF THE NEW INFLUENCES WHICH TODAY BEAR UPON OUR LIVES AND THOSE OF OUR CHILDREN, AND WHICH DIFFER ABSOLUTELY OR RELATIVELY FROM THE IMMEDIATE PAST; WE FACE A BELIEF IN THE NECESSITY OF WAR WHICH IS NEW AND FRIGHTENING; WE FACE A PROBLEM OF EARNING A LIVING, WHICH INCLUDES NEW STANDARDS OF COMFORT, NEW KINDS OF CLOTHING, NEW SORTS OF HOMES, NEW AMUSEMENTS AND RECREATIONS -- ALL OF WHICH DEMAND LARGE AND INCREASING INCOME. THIS DEMAND FOR INCOME MEANS MORE WORKERS IN THE FAMILY, HIGHER WAGES, CONSPICUOUS AND SHOWY EXPENDITURE; AND IT DISTINCTLY DRIVES US TOWARD A CONCEPTION OF WORK FOR PAY AND NOT WORK FOR PROGRESS; ABOVE ALL IT ENCOURAGES CHEATING, SHARP PRACTICES, AND DELIBERATE CRIME. THIS BITTER ECONOMIC STRUGGLE TRANSFORMS LIFE INTO A BATTLE FOR MONEY RATHER THAN FOR THOSE HIGHER VALUES OF LIVING WHICH 2000 YEARS OF HISTORY SHOULD TEACH MANKIND ARE BEST.

NOTWITHSTANDING OUR MUDDLED AND DISTORTED PICTURE OF THE WORLD THERE ARE CERTAIN ASPECTS OF THE TRUTH WHICH ARE CLEAR, AND WHICH CHILDREN MUST BE TAUGHT:

36-9-178

FIRST,/ IT IS THE CONSENSUS OF THE WORLD'S BEST THOUGHT/ THAT THERE IS ON EARTH TODAY NO PROBLEM/WHICH CANNOT BE SETTLED BY PEACEFUL METHODS/BETTER THAN BY WAR.// SECONDLY, NATIONS, RACES, GROUPS AND FAMILIES/CANNOT THRIVE ON HATE OR FEAR.// LOVING YOUR NEIGHBOR/IS JUST AS NECESSARY FOR YOUR OWN HAPPINESS/AS FOR HIS.// THE UNITED STATES CANNOT BUILD A SUCCESSFUL FOREIGN POLICY/ON HATE FOR 200 MILLION RUSSIANS/AND 500 MILLION CHINESE.

36-9-179

THIRDLY, OUR FUNDAMENTAL ECONOMIC IDEAS/MUST BE TAUGHT AND CLARIFIED.// THEY ARE CLEAR/AND ACCEPTED BY SCIENCE AND MORALS/ AND YET, tho, ARE NOT OFTEN TAUGHT IN OUR PUBLIC SCHOOLS,/ AND OFTEN OMITTED IN PRIVATE SCHOOLS.// THEY HAVE TO DO WITH WEALTH,/ PROPERTY,/ PRIVATE PROFIT,/ FREE ENTERPRISE AND MONEY.// REAL WEALTH IS THE RESULT OF WORK/OR THE GIFT OF NATURE.// SO FAR AS IT IS A GIFT/IT SHOULD BELONG TO ALL PEOPLE.// SO FAR AS IT IS THE RESULT OF INDIVIDUAL EFFORT/IT SHOULD BELONG TO THOSE WHO MAKE THAT EFFORT.// BUT THAT IS DIFFICULT TO ASCERTAIN/IN MODERN CAPITALISTIC PRODUCTION/BECAUSE PRODUCTION IS TODAY A SOCIAL/AND NOT AN ISOLATED INDIVIDUAL

EFFORT.// WE DO NOT OWN WHAT WE MAKE/BECAUSE THE WEALTH MADE/IS MADE, usually, BY AN INTRICATE SYSTEM OF UNITED EFFORTS/OVER LONG PERIODS OF TIME,/ INVOLVING MASSES OF WORKERS OF ALL SORTS,/ LIVING AND DEAD.// THE DISTRIBUTION/OF THE RESULTS OF SUCH UNITED EFFORT IS EXTREMELY DIFFICULT,/ AND MOST THINKERS AGREE/THAT ONLY ON A BASIS OF CONSIDERATION OF SOCIAL WELFARE/CAN THIS PRODUCT BE JUSTLY ALLOTED.

36-9-180

PROPERTY, THEREFORE,/ IS NOT A SACRED RIGHT/BUT A SOCIAL DECISION/BASED ON PUBLIC WELFARE.// THAT IS WHY THE STATE/HAS A RIGHT TO TAX,/ TO SEIZE AND TO TRANSFER PRIVATE PROPERTY/FOR THE PUBLIC GOOD.// THIS IS NOT MERE THEORY;/ IT IS THE UNIVERSAL PRACTICE/OF THE CIVILIZED WORLD,/ INCLUDING THE UNITED STATES/AS WELL AS THE SOVIET UNION.// PRIVATE PROFIT AND FREE ENTERPRISE THEREFORE/ARE ONLY ALLOWABLE/WHEN AND INSOFAR/AS THEY PROMOTE THE PUBLIC WELFARE.// HOW THEY MAY BEST BE REGULATED/IS A MATTER OF ARGUMENT/ON WHICH THERE IS AS YET/NO COMPLETE AGREEMENT.// BUT OF THE NECESSITY AND RIGHT/OF SOME DEGREE OF SOCIAL CONTROL/OF PRODUCTION AND CONSUMPTION AND WEALTH,

THERE IS NO QUESTION IN ANY CIVILIZED LAND./ /MONEY IS NOT ALWAYS WEALTH, AND THE OVERWHELMING MASS OF WEALTH/IS NOT IN THE FORM OF MONEY./ CHILDREN FROM EARLIEST YEARS MUST LEARN THIS./ MONEY IS A TOOL AND TOKEN./ WEALTH IS FOOD, CLOTHES, SHELTER, MACHINES,/ AND ALL THE MYRIAD THINGS WE NEED AND USE.//

THESE UNIVERSAL TRUTHS ABOUT ECONOMICS/ARE NOT TODAY TAUGHT IN MOST SCHOOLS AND COLLEGES/BECAUSE THEIR DISCUSSION IN OUR PRESENT HYSTERIA/WOULD SUBJECT TO TEACHERS LOSS OF JOBS,/ IF NOT WORSE PENALTIES.//THIS TEACHING, THEREFORE FALLS ON INTELLIGENT PARENTS.

36-9-181

BEYOND THIS,/ON THE PARENTS/FALLS THE BURDEN OF TEACHING/THE GREAT MORAL TRUTHS/WHICH ARE ETERNAL, AND OUTLIVE TIME.//IT IS, PERHAPS, JUST HERE/THAT IN THESE PUZZLING TIMES/PARENTS CAN SEIZE ON KERNALS OF ETERNAL TRUTH/TO IMPART TO CHILDREN.// THE GREATEST THINGS OF LIFE/ARE RELATIVELY UNCHANGEABLE.//FOR INSTANCE, HAPPINESS NEED NOT BE SCARCE./ ONE MAN'S JOY/IS NOT TAKEN FROM A LIMITED POOL OF HAPPINESS./ YET TODAY/AND IN THIS RICH LAND/THERE IS CURRENT TO AN ASTONISHING DEGREE/THAT WHICH THE GERMANS CALL "SCHADEN FREUDE"/+- JOY IN ILL + SATISFACTION AT THE SUFFERING AND

MISFORTUNE OF OTHERS./ /AS THOUGH WHEN OTHERS SUFFER/OR ARE DISAPPOINTED/THAT LEAVES MORE CONTENT FOR US/TO GLOAT OVER AND LAUGH AT.//I REMEMBER ~~CHRE~~ HEARING AN ASTONISHING BRITISH SONG/IN 1945/ WHERE AN EAST END LAD/SHOUTS IN A PAROXYSM OF JOY://"NEVER LAUGHED SO MUCH/SINCE FATHER BROKE HIS LEG".

36-9-182

IN AMERICA THE COMICS GRIN AT DISASTER,/ AND IN SO MANY OF OUR HOMES/THE GREATEST SATISFACTION/FOR BABIES, CHILDREN AND GROWN-UPS/COMES FROM JUICY CONVERSATION/ABOUT THE MISFORTUNES OF NEIGHBORS.//WE MAY NOT KNOW THE TRUTH ABOUT RUSSIA/AND CHINA,/ BUT WE DO KNOW,/AND MUST MAKE CHILDREN REALIZE/THAT SMILING NEIGHBORS AND LAUGHING CHILDREN/AND A HAPPY WORLD/IS THE ONLY PLACE WHERE WE OURSELVES/CAN BE HAPPY.//AND THAT THE SORROW OF A STRANGER IS,/ IN THE END,/ OUR OWN SORROW.//WE KNOW THIS,/AND YET WE TOO OFTEN FAIL TO TEACH IT.

I MIND ME OF AN EXAMPLE/OF WHICH I OFTEN THINK THESE DAYS.// ONE OF THE GREATEST CURRENT TRAGEDIES/IS THE PLIGHT OF THE NEW ENGLAND TEXTILE WORKERS.// I HAVE KNOWN SUCH MILLS AND WORKERS FOR 75 YEARS.//EVEN IN MY BIRTHPLACE NO NEGROES

36-9-183

COULD WORK IN THE LOCAL WOOLEN MILL. // THE AMERICAN WOOLEN COMPANY today IS SET TO KILL THE TEXTILE UNION. // TOWNS IN MASSACHUSETTS ARE CENTERS OF IDLENESS AND FEAR BECAUSE THEY MUST ACCEPT LOW WAGES AND DEGRADATION OR SEE THE WOOLEN MILLS GO SOUTH. // BUT THE DEEPER TRAGEDY IS THAT THESE NORTHERN MILL WORKERS THEMSELVES BUILT UP THIS COMPETITION WITH LOW WAGES IN THE SOUTH! // THEY WOULD NOT ADMIT NEGROES TO THEIR UNIONS. THEY INFLUENCED SOUTHERN WHITES NOT TO ADMIT THEM. // THUS THE SOUTHERN WHITE WORKERS ACCEPTED LOW WAGES SO AS TO KEEP THEIR NEGRO NEIGHBORS IN POVERTY. // NOW THESE LOW WAGE WORKERS ARE TAKING BREAD FROM THE VERY MOUTHS OF THE WELLPAID NORTHERN TEXTILE WORKERS. // HOW MUCH BETTER WOULD IT HAVE BEEN IF 50 YEARS AGO NORTHERN WORKERS HAD RECOGNIZED THE BLACK WORKERS AS BROTHERS IN WAGE IF NOT IN FLESH, // AND BUILT UP IN THE SOUTH STRONG TEXTILE UNIONS OF WHITE AND BLACK WORKERS!

NO HAPPY, PROSPEROUS WORLD CAN BE BUILT IF MOST MEN ARE POOR, IGNORANT AND UNHAPPY. // THIS MEN HAVE KNOWN MANY THOUSAND YEARS. YET TODAY, AFTER PROPHET AND PARENT, SAGE AND TEACHER HAVE SAID THIS, YOU STILL LET YOUR CHILDREN THINK THAT

36-9-184

THEIR SUCCESS MUST BE BUILT ON THE FAILURE OF OTHERS, WHOM THEY FOR THAT VERY REASON DESPISE. // THE SPIRIT OF SACRIFICE FOR OTHERS IS BUILT UP AND CAN ONLY BE BUILT IN THE HOME AND NEIGHBORHOOD, AND IT MUST BE TAUGHT AS DUE MANKIND, AND NOT SIMPLY THE FAMILY CIRCLE. // THIS CAN BE DONE. BUT IT MUST BE REALIZED AND TAUGHT, AND NOT ASSUMED AS EASILY DISCOVERABLE BY INEXPERIENCED CHILDREN.

THE IDEA OF THE SIMPLE LIFE, THE TRANQUIL MIND, // THE FORGETTING OF ENVY AND JEALOUSY IN FAVOR OF THE SOCIAL CONSCIOUSNESS; AND JOY IN THE HAPPINESS OF OTHERS INSTEAD OF A BATTLE FOR SELFISH ENDS 4 THIS MUST BE IMPRESSED, CONTINUOUSLY, QUIETLY AND PERSISTENTLY ON THE MINDS OF CHILDREN, IF THEY ARE TO GROW INTO NORMAL HUMAN BEINGS AND NOT NEUROTICS, TORN BY NEW TENSIONS IN THIS WORLD OF FORCE, SELFISHNESS AND HATE.

WHEN A FAIR PICTURE OF THE WORLD TODAY IS THUS SHOWN TO CHILDREN BY THE COOPERATION OF TEACHER, PARENT, NEIGHBORHOOD AND ORGANIZED SURROUNDING WORLD, THEN COMES THE QUESTION OF THE RELATION OF THE CHILD TO THIS WORLD. YOUR OWN RELATION

TO THE WORLD/YOU MAY NEGLECT:/ DISGUSTED AT THE MORNING PAPER,/ YOU MAY FIND RELIEF IN A NOVEL,/ THE THEATER OR THE CINEMA/ THERE ARE STILL IVORY TOWERS/TO BE FOUND AT LOW RENT.//IN OTHER WORDS, FOR ADULTS,/TRUTH MAY NOT ALWAYS IMPLY ACTION./ OR AT ANY RATE,/YOU MAY THUS PERSUADE YOURSELF /+/ BUT IN THE CASE OF YOUR CHILD /+/ IN THE CASE OF ALL CHILDREN,/ IN TRUTH LIES BEGINNING, NOT END:/ HERE IS ETERNAL LIFE,/ WITH ALL POSSIBLE PUNISHMENT AND REWARD.

36-9-185

WHAT HE LEARNS OF THE WORLD FROM YOU/CAN ONLY LEAD TO WHAT HE WANTS TO DO ABOUT IT,/ /AND WHAT UNDER THE PRESENT CIRCUMSTANCES OF THE WORLD/HE CAN DO./ \A DESPERATE AND PERSISTENT SEARCH/FOR THE CAPABILITIES AND DESIRES OF THE CHILD/MUST LEAD TO A SEARCH/FOR HIS POSSIBLE PLACE IN THE PRESENT WORLD//NOT SIMPLY TO EARN A LIVING,/ BUT SUCH A LIVING AS WILL PROVE WORTHWHILE/TO HIM AND THOSE WHO TODAY RULE THE WORLD/ \\ THAT THIS RULE AND THESE RULERS/MAY SOME DAY BE BETTERED/MUST NEVER BE FORGOT./ BUT YOUR CHILD/MUST EARN A LIVING TODAY/AND NOT MERELY TOMORROW./ /HERE COMES THE GREAT COMPROMISE WHICH EVERY PARENT MUST FACE,// WE SEEK TO AVOID IT. \IF THE CHILD SEEMS

UNFITTED TO THE WORLD AS IT IS/ WE ARE TEMPTED TO TRY TO CHANGE THE WORLD/BY MISREPRESENTING IT TO HIM/OR TO OURSELVES/ /WE ASSUME OUR CHILDREN ARE EITHER COMPLETELY MALLEABLE/OR ABSOLUTELY UNCHANGEABLE.

ALL THIS IS SIMPLY TO SAY/THAT AFTER TRANSMITTING TRUTH TO CHILDREN,/ COMES THE MORE DIFFICULT TASK/OF OURSELVES LEARNING HOW A PARTICULAR CHILD/ CAN BE ADAPTED TO THAT TRUTH /-/TO THE WORLD IN WHICH HE MUST LIVE./ /THIS DIFFICULT TASK \ DIVIDES ITSELF INTO TWO PARTS:/ WHAT THE CHILD REALLY IS/IN DISPOSITION AND TALENT,/ AND HOW,/WITH HIS GIFTS/HE CAN EARN A LIVING AND YET REALIZE HIS OWN BEST SELF./ / IT MAY PROVE/THAT WHAT WILL MAKE HIM/THE MOST VALUABLE INDIVIDUAL TO THE WORLD/WILL NOT GIVE HIM PERSONALLY/AS RICH A LIFE/AS A CAREER OF LESS USEFULNESS;/ OR THAT WHAT HE CAN BE TRAINED TO DO/WILL NOT NECESSARILY MAKE THAT WORK WORTH DOING.

36-9-186

HERE COMES THE INEVITABLE COMPROMISE OF LIFE:/ THE TWO INTERACTING VARIABLES,/ THE INDIVIDUAL AND THE WORLD;/ MAN AND LIFE./ /I HAVE SEEN, /AS YOU HAVE,

TRAGIC MISTAKES.// I ONCE KNEW A WOMAN/WHOM THE GREAT CHARLES FROHMAN/WANTED TO MAKE/ AND COULD HAVE MADE/A LEADING STAR ON THE AMERICAN STAGE.// SHE GAVE UP THE OPPORTUNITY BECAUSE OF THE COLOR-LINE/WHICH WAS NOT VISIBLE,/ AND DEVOTED HERSELF TO HER SON./ SHE TRAINED THE BOY AS A SENSITIVE ARTIST/IN COLOR AND SOUND// THEN SHE DIED. P THE FATHER WAS SET/ON HAVING HIS SON SUCCEED TO HIS BUSINESS/OF INSURANCE AND REAL ESTATE,/ WHICH THE BOY HATED.// THAT BOY TODAY IS A MILLIONAIRE/AND A USELESS DRUNKARD.

36-9-187

WE HAVE KNOWN TOO OFTEN/YOUTH TRAINED/FIRST TO EARN A FORTUNE,/ WITH THE IDEA THAT AFTERWARD/HE WILL ENJOY LIFE.// BUT WHEN THE FORTUNE IS MADE/THERE WAS NO WILL, TASTE, NOR MANHOOD/LEFT/WORTH ENJOYMENT.// THERE HAVE BEEN PERSONS/LEFT TO FOLLOW THEIR BENT/WHO DIED ~~IN POVERTY~~ AFTER A WASTED LIFE,/ BECAUSE THE BENT WAS NOT WORTH FOLLOWING.

ALL OF WHICH MEANS/THAT THERE IS NOT/AND CANNOT LOGICALLY BE/ANY RULE OF THUMB FOR EDUCATION./ EVERY CHILD IS LARGELY A UNIQUE PROBLEM/REQUIRING STUDY AND THOUGHT/FOR PLACING HIM IN A WORLD/OF BEWILDERING VARIETY AND INTRICACY.// HERE

IS A CALL/FOR WIDER UNDERSTANDING AND MORE TEACHING;/ A LARGE INCREASE OF THE EXPENSE OF EDUCATION +/ AT THE VERY TIME/WHEN A DECREASING PROPORTION/OF OUR NATIONAL INCOME GOES TO SCHOOLS,/AND MOST OF OUR TAXES/ARE EARMARKED FOR MURDER AND DESTRUCTION.

36-9-188

MOREOVER/ THERE ARE CURRENT TODAY,/ AS ALWAYS,/ CERTAIN SLOGANS AND GUIDING APHORISMS/WHICH CAN EASILY BE MISTAKEN/FOR NUGGETS OF VAST WISDOM/ AND HANDED ON TO OUR CHILDREN AS SUCH:// FOR INSTANCE, FREEDOM AND DEMOCRACY.// WHILE THE MIND OF MAN WANTS TO SAY/WHAT IT THINKS/AND DO WHAT IT WILLS,/ YET NO MAN IS wholly FREE OR EVER CAN BE,/ AND THIS PARADOX MUST BE IMPRESSED ON CHILDREN AND YOUTH.// IF SISTER EATS THIS APPLE,/ BROTHER CANNOT!/ IF BROTHER LEANS TOO FAR OUT OF THE WINDOW,/HE MAY BREAK HIS NECK!// AND NO MISREPRESENTATION OF THIS BASIC RULE/OF THE UNIVERSE/IS GOING TO CHANGE IT./ // IF A NATION PRODUCES THIS YEAR/ONE BILLION DOLLARS WORTH OF GOODS AND SERVICES,/ IT MAKES ALL THE DIFFERENCE IN THE WORLD/HOW THIS WEALTH IS DISTRIBUTED./ IF ONE PERCENT OF THE POPULATION/GETS NINETY-NINE PERCENT OF THE PRODUCTION,/ THIS SPELLS POVERTY AND DISEASE/FOR THE MAJORITY OF THE INHABITANTS/ FREEDOM FOR THE ONE

PERCENT TO TAKE WHAT IT WILL DOES NOT MAKE A FREE STATE. // NO MAN IS FREE, NOR HAS ANY RIGHT TO BE FREE, IN A WORLD OF OTHER MEN. // WHEN, THEREFORE, WE YELL VOCIFEROUSLY ABOUT THE "FREE NATIONS" OF THE WEST, WE HAVE MORE EXPLAINING TO DO THAN WE ARE USUALLY WILLING TO UNDERTAKE. // MEN ARE NOT FREE BECAUSE OF THE LAW OF GRAVITATION, AND BECAUSE OF A THOUSAND OTHER LAWS OF THE PHYSICAL, BIOLOGICAL, PSYCHOLOGICAL AND SOCIAL ~~LAWS OF THE~~ WORLD IN WHICH WE LIVE. // SOME OF THESE LAWS ARE INEXORABLE, LIKE THOSE OF PHYSICS AND CHEMISTRY. SOME OF THE BIOLOGICAL AND PSYCHOLOGICAL LAWS CAN BE INFLUENCED BUT NOT ANNULLED. // MANY OF THE SOCIAL LAWS CAN BE GREATLY MODIFIED, BUT THEY ARE NOT AS COMPLETELY UNDER OUR CONTROL AS WE USED TO IMAGINE.

36-9-189

THE DISCIPLINE OF WORK, THE DISCIPLINE OF MATERIAL THINGS, THE DISCIPLINE OF TECHNICAL POWER, IS UPON US ALL. // WHAT WE SHOULD MEAN BY "FREEDOM" IS THE GREATEST DEGREE OF FREEDOM OF THOUGHT AND ACTION WHICH CAN BE PRESERVED FOR HUMAN WELFARE AFTER THE LAWS OF LIFE ARE FOLLOWED. // THERE MAY BE GRAVE DIFFERENCES OF OPINION AS TO JUST WHAT LAWS MUST BE ENFORCED SO AS TO LEAVE TO HUMAN BEINGS THE

MAXIMUM OF FREEDOM. // BUT IT IS SILLY TO TELL OURSELVES OR TEACH OUR CHILDREN THAT THIS WORLD CONSISTS OF PEOPLE WHO ARE FREE AND THOSE WHO ARE SLAVES. ALL MEN ARE SLAVES, YET ALL MEN MAY ENJOY SOME DEGREE OF FREEDOM.

36-9-190

AGAIN, DEMOCRACY IS NOT PECULIAR TO AMERICA. IN FACT, THE UNITED STATES IS NOT A DEMOCRACY AND NEVER HAS BEEN. // DURING MOST OF OUR NATIONAL LIFE WE HAVE BY LAW DEPRIVED THE MAJORITY OF OUR CITIZENS OF THE RIGHT TO VOTE BECAUSE OF PROPERTY, RELIGION, RACE, SEX, RESIDENCE, PAYMENT OF TAXES, OR OTHER DISCRIMINATIONS. // OUTSIDE ACTUAL LAW, WE HAVE KEPT AND NOW KEEP FROM A THIRD TO A HALF OF OUR VOTERS FROM GOING TO THE POLLS BECAUSE OF FEAR OF LOSING THEIR JOBS OR OF SOCIAL OR CRIMINAL PERSECUTION. // OUR VOTING, EVEN AFTER CASTING OUR BALLOTS, IS RENDERED FALSE IN EFFECT BECAUSE OF DIFFERENCE IN THE VALUE OF THE BALLOTS: // THE AUTHOR OF THE MCCARRAN BILL WAS ELECTED BY 50,000 VOTES, WHILE HIS ILLINOIS COLLEAGUE WITH THE SAME POWER AND PRIVILEGE REQUIRED 2 MILLION VOTES FOR ELECTION. // THE CHAIRMAN OF THE UN-AMERICAN

COMMITTEE HOLDS OFFICE BY 25,000 VOTES, WHILE THE COLORED MAN WHO IS CONGRESSMAN FROM HARLEM MUST RECEIVE 100,000 VOTES AND even then CANNOT SIT ON THIS COMMITTEE.

DESPITE OUR PRETENSIONS OF DEMOCRACY, MOST AMERICAN VOTERS NEVER GET A CHANCE TO EXPRESS THEIR OPINIONS ON THE MOST PRESSING AND IMPORTANT ISSUES OF THE DAY. // THE PEOPLE NEVER VOTED FOR WAR IN KOREA, NEVER WANTED SUCH A WAR, AND WOULD END IT TOMORROW IF THEY HAD A CHANCE. // THEY NEVER HAD SUCH A CHANCE, AND WILL NOT HAVE IT IN THE NEXT ELECTION. // CLERKS AND STENOGRAPHERS AMONG US ARE OFTEN TAXED TWO OR THREE HUNDRED DOLLARS A YEAR ON THEIR MEAGER SALARIES, WHILE MANY A RICH BUSINESS MAN CAN ARRANGE TO PAY Small a NO TAXES AT ALL. // YET THE NATION GETS NO OPPORTUNITY TO CAST A CLEAR VOTE ON THE TAX STRUCTURE. // IN FACT, ON SUCH MATTERS AS CAR-FARE, STREET-CLEANING, POLICE SERVICE AND A THOUSAND SITUATIONS AFFECTING DAILY LIFE, CITIZENS GET NO CHANCE TO VOTE. // WHAT WE MEAN THEN BY AMERICAN DEMOCRACY IS THAT WE HOLD TO THIS IDEAL, BUT WE HAVE ACHIEVED BUT A SMALL APPROACH TO IT IN THE PAST. AND BECAUSE OF IGNORANCE AND POVERTY, BECAUSE OF MANIPULATION OF OUR ELECTORAL PROCEDURE BY POLITICIANS WHO MAKE FORTUNES OUT OF THEIR CAREERS, WE ARE TODAY NOT A

36-9-191

TRULY DEMOCRATIC NATION.

WHAT WE NEED, THEN, IN GUIDING OUR OWN LIVES, AND IN TEACHING OUR CHILDREN, SO THAT THEY MAY SOME DAY MAKE A BETTER WORLD, IS KNOWING THE TRUTH AND FACING IT; GETTING TO KNOW OUR CHILDREN AND GIVING THEM, THROUGH SCHOOL, HOME AND COMMUNITY, A PLACE IN THIS PRESENT WORLD TO THINK AND WORK. // AND ABOVE ALL, ~~TO~~ IMPRESS ING UPON THESE CHILDREN A SET OF VALUES BY WHICH THEY MAY MEASURE LIFE NOT AS PERSONAL INCOME AND PROFIT, BUT AS HAPPINESS FOR THEMSELVES AND ALL MEN. // AND, PERHAPS, SOMETIMES AND IN ~~RARE~~ SOME CASES, INDUCE ING A RARER SOUL TO BE WILLING TO SACRIFICE HIS OWN HAPPINESS FOR THE HAPPINESS OF OTHERS; TO REALIZE JUST WHAT THE HEBREW PROPHET MEANT WHEN HE SAID 2662 YEARS AGO:

36-9-192

"HE IS DESPISED AND REJECTED OF MEN;/ A MAN OF SORROWS, AND ACQUAINTED WITH GRIEF:/AND WE HID/AS IT WERE/ OUR FACES FROM HIM;/ HE WAS DESPISED, AND WE ESTEEMED HIM NOT.//SURELY HE HATH BORNE OUR GRIEFS,/ AND CARRIED OUR SORROWS:/ YET WE DID ESTEEM HIM STRICKEN,/ SMITTEN OF GOD,/ AND AFFLICTED// BUT HE WAS WOUNDED FOR OUR TRANSGRESSIONS,/ HE WAS BRUISED FOR OUR INIQUITIES:// THE CHASTISEMENT OF OUR PEACE WAS UPON HIM;/AND WITH HIS STRIPES WE ARE HEALED."

THE REASONS FOR THIS ARROGANT DEMAND,/ WHICH THE ADULT WORLD/ ASSUMES THE RIGHT TO ASK/ OF HALF-GROWN HUMAN BEINGS,// IS PARTLY THE DESPAIR OF AGE/ WHEN IT LOOKS BACKWARD/ TO FAILURE/ AND FORWARD TO FRUSTRATED HOPE:// WHEN IT REALIZES/ THAT THE ETERNAL LIFE/ WHICH MEN HAVE SO DESPERATELY/ TRIED TO ~~ATTAIN~~ BELIEVE IN, CAN COME ONLY/ THROUGH THEIR CHILDREN/ AND NOT THROUGH THEMSELVES.// A MAN BORN/ AMID THE VAST CLAIMS OF THE NINETEENTH CENTURY,/ AND VIEWING TODAY/ THE DISASTER OF THE 20TH,/ MAY FRANTICALLY SEEK/ TO MAKE HIS CHILDREN/ DO WHAT HE FAILED TO ACCOMPLISH.// AND FOR THAT END,/ HE MAY DESPERATELY/ TRY TO BELIEVE/ THAT WHAT HIS OWN EDUCATION/ AND EXPERIENCE/ FAILED TO ACCOMPLISH,/ MAY BE DONE BY THESE CHILDREN/ IF THEY FOLLOW HIS COMMANDS, -- WHICH IS AN EXTRAORDINARY/ ~~BELIEF~~. Made yesterday on the Today Show

WHEN I WAS IN COLLEGE / THE MOST DISTINGUISHED PREACHER IN BOSTON / WAS EDWARD EVERETT HALE. / I KNEW HIM BECAUSE HE LOANED ME / HIS MAGNIFICENT VELVET AND SATIN ACADEMIC GOWN / TO WEAR WHEN I WAS COMMENCEMENT SPEAKER. // HE LATER BECAME CHAPLAIN OF THE SENATE, / AND WHEN ASKED / WHETHER HE PRAYED FOR THE SENATE / HE SAID: / "NO, I LOOK AT THE SENATE / AND PRAY TO THE NATION."

TURNING NOW FROM NEGATIVE CRITICISM / TO CONSTRUCTIVE ADVICE, / YOU MUST REMEMBER THAT THERE ARE THREE MATTERS / IN WHICH INTELLIGENT YOUNG PEOPLE / CAN HELP THEIR WORLD, // AND THAT IS, / IN COURAGE AND CLEAR THINKING AND IDEAS ABOUT WORK. // MOST MEN OF MORE THAN FIFTY / HAVE LOST THEIR COURAGE. // THEY HAVE EXPERIENCED / SO MUCH OF DISAPPOINTMENT

AND CALAMITY/THAT THEY ARE AFRAID TO ACT.// THEY HAVE GOTTEN INTO THE HABIT/OF FOLLOWING THE PERSONS AROUND THEM/WHO ARE SUCCESSFUL,/ AND DOING AS THEY ARE TOLD.// THEY ARE AFRAID OF LIFE.// YOUTH IS NOT AFRAID,/ OR SHOULD NOT BE,/EVEN WHEN THEY LACK EXPERIENCE./ THEIR GREAT HERITAGE/ IS READINESS TO RISK AND DARE.

THE WORLD, THEN,/ NEEDS THE COURAGE OF YOUTH./ IT NEEDS TO LOOK TRUTH SQUARELY IN THE FACE/AND BE READY TO ASK QUESTIONS/AND TRY EXPERIMENTS.// THIS YOU CAN OFFER THE WORLD,// TOGETHER WITH THE OFFER OF YOUR OWN SELVES.// THE WORLD NEEDS THIS TODAY DESPERATELY.

36-9-167

IN A WORLD/WHICH HAS BOASTED/OF ITS SCIENTIFIC ADVANCES/AND OF THE ACCOMPLISHMENTS/WHICH THE HUMAN BRAIN HAS MADE/IN 4000 YEARS OF ATTEMPTED CIVILIZATION,/ IT IS ASTONISHING/TO SEE HOW FEW PEOPLE TODAY/ KNOW HOW TO REASON/OR DARE TO REASON./ THEY HAVE NOT BEEN TAUGHT/CAREFUL REASONING/IN SCHOOL.// AND IN THEIR ADULT LIFE/THEY HAVE COME EVEN TO FEAR REASON.// THEY HAVE ACCEPTED IN RELIGION,/ IN BUSINESS,/ IN HUMAN RELATIONS,/ THE MOST ASTONISHING CONTRADICTIONS,/AND HELD TO THEM/ IN SPITE OF THE FACT

THAT THESE TRADITIONS/AND THE CONDUCT BASED UPON THEM/ARE CONTRADICTORY.// MILLIONS OF PEOPLE DECLARE/THAT THEY BELIEVE IN THE OMNIPOTENCE OF GOD,/AND AT THE SAME TIME THEY BELIEVE IN THE TRIUMPH OF EVIL!// THEY SAY "LOVE YOUR NEIGHBOR" +- AND "KILL YOUR ENEMY".// THEY DECLARE THAT BUSINESS IS FOR PRIVATE PROFIT/AND NOT FOR PUBLIC WELFARE, +- AND YET BELIEVE THAT ALL BUSINESS/PROMOTES THE COMMON GOOD!

36-9-168

BUT YOUTH CAN AND MUST REASON./ IT CAN SAY/THAT IF THE GOLDEN RULE IS A TRUE WAY OF LIFE,/ THEN WAR IS A FALSE WAY;// THAT BUSINESS CANNOT BE/AT THE SAME TIME/FOR PRIVATE PROFIT/AND PUBLIC WELFARE;/AND THAT WHENEVER ANY COURSE OF LIFE/IS UNREASONABLE IT MUST BE GIVEN UP/OR LIFE BECOMES SUICIDE.

THEN THERE IS A THIRD/AND MOST IMPORTANT CONTRIBUTION/WHICH YOUTH CAN MAKE TO OUR PRESENT DILEMMA,/ AND THAT IS CLEAR THOUGHT CONCERNING WORK./ YESTERDAY A WILL WAS PROBATED/IN THE CITY OF NEW YORK,/DISTRIBUTING THE PROPERTY OF A WOMAN/WHO LEFT AN ESTATE OF 95 MILLION DOLLARS.// THAT WEALTH WAS NOT IN GOLD AND JEWELS, LITTLE WAS IN CASH BUT IN THE LEGAL RIGHT/WHICH THIS WOMAN POSSESSED/TO DETERMINE/WHAT WORK 32 THOUSAND AMERICAN

CITIZENS SHOULD DO TODAY, AND HOW MUCH THEY SHOULD RECEIVE FOR IT; WHETHER THEY SHOULD MAKE BREAD, RAISE POTATOES, OR SET DIAMONDS. // THIS IMMENSE POWER INHERENT IN AN ESTATE OF 95 MILLIONS, WAS BESTOWED UPON THIS WOMAN WHO NEVER DID 95 CENTS WORTH OF WORK. in her life & received this fortune as a gift

36-9-169

NOW IT MUST BE CLEAR TO YOUTH THAT THIS WORLD AND ITS CIVILIZATION CAN ONLY BE CARRIED ON AND INCREASED IN EFFICIENCY IF THE NECESSARY WORK OF THE WORLD IS DONE. // THIS WORK IS ALL KINDS - PLOWING AND DIGGING; THINKING AND PLANNING; WRITING AND PAINTING; // BUT WORK IS WORK AND INVOLVES TIME AND EFFORT, AND THE PEOPLE WHO DO THE WORK ARE THE ONES AND THE ONLY ONES WHO HAVE THE RIGHT TO DIRECT AND CONTROL THE STATE; // WHILE PEOPLE WHO ARE IDLE, WHO EITHER CANNOT OR WILL NOT DO THE WORLD'S WORK, SHOULD RIGHTFULLY BE DIRECTED, AND SUPPORTED INSOFAR AS THEY NEED SUPPORT, BY THE WILL OF WORLD'S WORKERS. // THIS IS CLEAR REASON AND COMMON SENSE, AND IT MUST BE IMPRESSED UPON THE CIVILIZATION WHICH TODAY IS GIVING SUSTENANCE AND POWER AND WIDE CONTROL INTO THE HANDS OF IDLERS AND TYRANTS.

than you

NO ONE IS IN BETTER POSITION TO FORCE THIS TRUTH UPON THE ATTENTION OF THE WORLD, AND TO ENFORCE IT WITH COURAGE AND REASON. // YOUR PLIGHT TODAY, THEN, IS NOT SIMPLY ANSWERING THE ABSURD DEMANDS OF THE UN-AMERICAN COMMITTEE. // THIS IS, may be A NECESSARY duty it is BUT NEGATIVE DUTY. // POSITIVELY, YOU SHOULD HELP THE WORLD FIGHT COWARDICE AND REGAIN ITS COURAGE! YOU SHOULD, BY RIGOROUS TRAINING IN REASON, AND KNOWLEDGE OF THE FACTS ABOUT WHICH YOU REASON, MAKE THE WORLD REALIZE THAT WEALTH AND HAPPINESS SHOULD NEVER BE THE RESULT OF CHANCE AND THE ORDERS OF IRRESPONSIBLE MEN, // BUT MUST BE THE RESULT OF HONEST WORK; ELSE THE WORLD WILL GO FURTHER DOWN THE PATH OF DESTRUCTION WHICH IT IS FOLLOWING TODAY.

REVOLT IN AFRICA

A FEW WEEKS AGO IN NEW YORK A YOUNG MAN WHO HAD NOT REACHED HIS 42nd BIRTHDAY PUT HIS HEAD IN A GAS OVEN AND COMMITTED SUICIDE. HE HAD RECEIVED HIS BACHELOR'S DEGREE SUMMA CUM LAUDE FROM A NEW ENGLAND COLLEGE, WAS ADMITTED TO PHI BETA KAPPA, AND GOT HIS DOCTORATE IN ECONOMICS at a leading university IN 1938; HIS THESIS WAS USED IN THE ECONOMICS COURSES IN SEVERAL UNIVERSITIES AND HE SERVED THE UNITED STATES RESOURCES PLANNING BOARD AND THE O.P.A. HE WAS, WHEN HE DIED, CHIEF OF THE AFRICA UNIT OF THE DIVISION OF ECONOMIC STABILITY AND DEVELOPMENT IN THE UNITED NATIONS. YOU WILL FIND SEVERAL OF HIS STUDIES IN THE WORLD ECONOMIC REPORT, AND HE JUST RETURNED LAST WINTER FROM A MISSION TO ~~SOMALILAND~~, EAST AFRICA. THE MOST IMPORTANT FACT ABOUT HIM IN THE MIND OF ~~THIS AND THOSE~~ America WAS THE FACT THAT ONE OR TWO OF HIS GRANDPARENTS HAD NEGRO BLOOD.

41-3-99

BUT HE EPITOMIZED IN HIS SHORT LIFE THE DISAPPOINTMENT AND FRUSTRATION OF A MODERN MAN OF AFRICAN DESCENT. HE WAS NEVER OFFERED A FIRST-CLASS ACADEMIC APPOINTMENT IN ANY COLLEGE; HE HAD CHOSEN AN AREA OF STUDY, ECONOMICS, WHICH NO ONE IN THIS NATION TODAY DARE STUDY SAVE AS A BRANCH OF HIGHER MATHEMATICS; HE WENT TO AFRICA TO SEE WITH HIS OWN EYES ONE OF THE MOST MISERABLY EXPLOITED REGIONS OF THE WORLD, WITH A HISTORY

OF DEGRADATION COMING DOWN 4000 YEARS FROM THE EGYPTIAN 12th DYNASTY TO YESTERDAY WHEN THE UNITED NATIONS HANDED SOMALILAND BACK TO THE ITALIANS. WRACKED BY THE FEVER OF A TERRIBLE CLIMATE, THIS YOUNG SCHOLAR CAME BACK TO A NATION WHERE THE SOCIAL GROUP TO WHICH HE WAS BOUND WAS TORN IN LEADERSHIP; HIS CLOSEST MALE RELATIVE HAD JUST BECOME DIRECTOR IN A NEW YORK WHITE BANK, AND ~~FROM THE VANTAGE GROUND OF A POLITICAL APPOINTMENT~~, WAS RAILING AT WILLIAM PATTERSON FOR TELLING THE STORY OF NEGRO GENOCIDE IN THE UNITED STATES TO THE EARS OF EUROPE. HE FOUND ME, ONCE A FELLOW TEACHER WHOSE DAUGHTER HAD BEEN HIS OWN TEACHER, HAND-CUFFED AND THREATENED WITH JAIL FOR TALKING OF PEACE, AND HE FOUND IT IMPOSSIBLE TO WRITE OR TALK ECONOMICS IN A NATION WHICH WAS OWNED BY BIG BUSINESS BOTH IN PHYSICAL BODY AND LITERARY SOUL. HE KILLED HIMSELF.

BUT THE WORLD AND AMERICA NEED NOT REST HOPE THAT EITHER BLACK AMERICA OR BLAC K AFRICA IS GOING TO RID THE WORLD OF THE PROBLEM OF COLOR ADDED TO THAT OF EXPLOITATION BY ~~THIS METHOD~~ Swede. ON THE CONTRARY, ~~AND IN THE FACE OF THE PRESENT DESPERATE ATTEMPT OF NEWSGATHERING AGENCIES, THE PRESS, AND AMERICAN SCHOLARSHIP~~, I WANT TO REMIND YOU

BRIEFLY TONIGHT OF THE SPREAD OF active REVOLT IN AFRICA, DESPITE OF ALL THAT THE MIGHTIEST COLONIAL POWER OF THIS DAY -- NAMELY, THE UNITED STATES OF AMERICA, -- IS ATTEMPTING TO COUNTERACT BY YELLING "COMMUNISM", AT WHICH WORD EVERY WISE AMERICAN STRAIGHTWAY DIVES UNDER THE BED.

EXPLOITATION OF LABOR IS, OF COURSE, THE HISTORY OF CIVILIZATION. I AM USING THE WORD IN NO TECHNICAL MARXIST SENSE, BUT SIMPLY AS NAMING THE FACT THAT MODERN MAN TRIES TO GET HIS COMFORT AND INCOME FROM OTHER PEOPLE'S WORK AND PAIN, AND SUCCEEDS IN CONVINCING HIMSELF THAT THIS IS NECESSARY AND RIGHT AND THE ONLY PATH TO HIGH HUMAN CULTURE.

41-3-100

TODAY, AS FORMERLY, AND IN SPITE OF EVERY DEVICE TO HIDE THE TRUTH, THE RIGHT OF THE MINORITY OF MEN TO USE THE MAJORITY SO FAR AS THEY CAN, FOR THEIR OWN INCOME AND ENJOYMENT, IS STILL A DOMINANT WAY OF LIFE. IT IS, HOWEVER, DIFFICULT TO PROVE THIS IN ~~BLACK AND WHITE~~ BECAUSE OF THE SECRECY WHICH CONCEALS THE FACTS. MANY STUDENTS HAVE TRIED, FOR INSTANCE, TO PUT IN FIGURES THE DISPARITY OF INCOME WHICH IS CURRENT IN THE UNITED STATES, BUT HAVE FOUND IT HARD TO BASE THEIR REPORTS ON FIGURES, SINCE INCOME RETURNS, OWNERSHIP OF PROPERTY, AND PARTICULARLY OWNERSHIP OF CORPORATE WEALTH, IS IN THE MAIN CON-

CEALED BY THREAT OF JAIL.

IN AFRICA THERE ARE CERTAIN OVERALL FACTS WHICH CANNOT BE KEPT SECRET. IT IS A PUBLISHED FACT THAT WHEN THE SECOND WORLD WAR OPENED, THE BLACK NATIVES OF SOUTH AFRICA FORMING 80% OF THE POPULATION, ~~HAD~~ Controlled BUT 8% OF THE LAND. THIS WAS APPROXIMATELY THE SAME IN THE RHODESIAS, AND WAS A BETTER CONDITION THAN IN ALL EAST AFRICA, CENTRAL AND NORTH CENTRAL AFRICA. ADD TO THIS THE FACT THAT TODAY IN THE UNION OF SOUTH AFRICA EACH WHITE MAN, WOMAN AND CHILD IS SUPPORTED BY FIVE BLACK AND COLORED SLAVES; OR, IF YOU PREFER TO SAY, NINE MILLION DARK WORKERS CAN LIVE ONLY BY WORKING FOR whites at WAGES DETERMINED BY WHITES, WITH NO LEGAL TRADE UNIONS, NO effective VOTE, NO DEFENSE AGAINST WHITE POLICE AND SOLDIERS; WITH SEGREGATED AND WRETCHED HOUSING AND A MINIMUM OF EDUCATION. IN THE RHODESIAS, KENYA, NYASSALAND, TANGANYIKA, LESS THAN A QUARTER MILLION WHITES, BACKED BY THE FORCE OF THE CIVILIZED WORLD, ARE DOMINATING THE LAND AND LABOR OF 18 MILLION BLACKS; WHILE IN CENTRAL AFRICA FEWER WHITES CONTROL LARGER MASSES OF NEGRO LABOR AND ATTAIN OWNERSHIP OF VASTER

WEALTH. XXXXX BRITISH, FRENCH AND NOW AMERICAN CAPITALISM IS INVESTING IN AND BUILDING NEW POWER PLANNED AT PRESENT FOR OVERTHROWING CIVILIZATION THROUGH WORLD WAR.

THIS CONTROL OF WEALTH AND HUMAN WORK HAS ~~LONG BEEN A MATTER OF SATISFACTION~~ for now five centuries been satisfactory TO THE WHITE WORLD, AND USED IN SHOWING THE CLEAR SUPERIORITY OF THE WHITE RACE. BUT IT HAS MET OPPOSITION AND TODAY THIS OPPOSITION IS GROWING. ITS GROWTH IN ASIA HAS OVERWHELMED US WITH COMPLETE SURPRISE. WE CANNOT YET BELIEVE IT AND ARE EXPLAINING IT AS OUR POLITICAL MISTAKE. IT WAS OUR MISTAKE, BUT THE MISTAKE OF OUR ECONOMIC SYSTEM AND ~~OUR~~ the RELIGION WHICH SUPPORTS IT; AND FINALLY OF THE PROPAGANDA WHICH WE CALL NEWS AND EDUCATION.

THIS REVOLT OF LABOR WHICH BEGAN AND CONTINUES IN EUROPE AND HAS EXTENDED TO ASIA AND THE SOUTH SEAS, HAS ~~LONG~~ BEEN SEETHING IN AFRICA AND IS NOW RISING WITH NEW LIFE AT THE VERY TIME WHEN THE UNITED STATES ENTERS THE SCENE AS THE CHIEF EXPLOITER OF COLORED LABOR IN THE WORLD.

41-3-121

THERE HAS ARISEN, ESPECIALLY SINCE THE SECOND WORLD WAR, A WIDESPREAD IDEA THAT

A NEW EUROPE IS GOING TO BE BUILT ON THE EXPLOITATION OF AFRICA, AND THAT AMERICA IS GOING TO REPLACE THE BRITISH EMPIRE AS THE CHIEF EXPLOITING NATION. THE ECONOMIC VALUE OF AFRICA WAS POINTED OUT IN WHITE KENYA AS EARLY AS 1920. WHITE MEN THERE, PARTLY OF SOUTH AFRICAN DESCENT, ASKED BRITAIN TO GIVE UP ASIA AND CENTER ON AFRICA WITH ITS DOCILE LABOR. AS AN OBSERVER WROTE AFTER THE SECOND WORLD WAR: "NOW THAT THE PALMY DAYS OF THE EMPIRE ARE OVER, AFRICA IS THE BRIGHTEST REMAINING JEWEL IN THE IMPERIAL CROWN. VOICES FROM ALL PARTIES PROCLAIM AFRICA'S NEW ROLE IN THE IMPERIAL SCHEME. ~~GENERAL SIR FRANCIS DE GUINGAND~~, A STAUNCH CHURCHILLIAN TORY NOW SETTLED IN SOUTHERN RHODESIA, SEES IN AFRICA THE NEW STRATEGIC CENTRE OF THE EMPIRE AND WANTS THE IMPERIAL ARMED FORCES AND WAR INDUSTRIES CONCENTRATED THERE." THE MILITARY BASE OF EMPIRE WAS MOVED FROM EGYPT TO KENYA, WHICH NOW HAS A VAST BRITISH ARSENAL IN ITS NEIGHBORHOOD.

THE UNITED STATES ARMY IS TAKING NOTE OF AFRICA. IN ARMED FORCES, TALK NUMBER 260, THERE IS A SUMMARY THAT SAYS: "AFRICA, SECOND LARGEST OF THE CONTINENTS, SEEMS DESTINED TO PLAY AN EVEN GREATER PART IN THE WORLD'S ECONOMIC AND POLITICAL AFFAIRS. WESTERN

EUROPE ESPECIALLY IS LOOKING TOWARD ITS AFRICAN POSSESSIONS WITH RENEWED INTEREST. GREAT PROJECTS ALREADY ARE UNDER WAY TO DEVELOP AFRICA'S AGRICULTURAL AND MINERAL RESOURCES. THE PURPOSE IS TO PROVIDE WESTERN EUROPE WITH A NEW SOURCE OF FOOD, AND NEW SOURCES OF RAW MATERIALS FOR ITS INDUSTRIES..." AN AMERICAN NEGRO, LONG A STUDENT OF THE AFRICAN SITUATION, SAID IN 1949: "CHASED OUT OF CHINA, THE ROBBER BARONS OF THE WESTERN WORLD NOW ARE TAKING A FRESH AND KEEN INTEREST IN PLUNDERING THE WEALTH OF AFRICA. AND IT IS THE AMERICAN ROBBER BARONS -- THE WEALTHIEST AND MOST POWERFUL IN THE WORLD -- WHO ARE LEADING THIS NEW RAID ON THE CONTINENT OF OUR FOREFATHERS.

41-3-122

"THEIR AIM NOW IS TO MAKE AFRICA 'SAFE' FOR AMERICAN INVESTMENT PROFITS. BUT JUST AS SURELY AS NIGHT FOLLOWS DAY, -- DESPITE ALL THEIR EFFORTS TO SEAL OFF THE AFRICAN PEOPLE FROM THE EXPANDING FREE WORLD AROUND THEM WITH A DOUBLE THICKNESS IRON CURTAIN -- THE ROBBER BARONS WILL BE CHASED OUT OF AFRICA AS THEY HAVE BEEN CHASED OUT OF CHINA."

IT MUST BE REMEMBERED THAT THE ECONOMIC LURE OF AFRICA IS TREMENDOUS. IN 1948 AFRICA PRODUCED 98.4% OF THE WORLD'S OUTPUT OF DIAMONDS, 80% OF THE TOTAL OUTPUT OF COBALT, 58.9% OF THE GOLD, 35.5% OF THE PHOSPHATES, APPROXIMATELY 30% OF THE CHROME ORE

AND MANGANESE, AND 18% OF THE COPPER. IN 1948 AFRICA PRODUCED 68.3% OF THE WORLD'S COCOA, 69.5% OF THE PALM OIL (PALM KERNELS AND PALM OIL), ~~25.5%~~ OF THE SISAL, 40.4% OF THE HARD FIBRES, AND 15.3% OF THE COFFEE.

THE MAP OF AFRICA IS CHANGING. "A NEW WORLD IS STRUGGLING TO BE BORN". THE CHANGES ARE THE RESULT OF WORLD WAR II. WHAT WILL RESULT FROM WORLD WAR III? VAST CHANGES HAS ALREADY COME TO ASIA. ITALY HAS BEEN ALMOST DRIVEN OUT; ERITREA HAS BEEN UNITED TO ETHIOPIA; LIBYA HAS BEEN POLITICALLY FREED; THE SUDAN IS ASPIRING TO LIBERATION. WEST AFRICA IS MOVING TOWARD INDEPENDENCE. THE BATTLE AGAINST SLAVERY CENTERS IN SOUTH AND EAST AFRICA.

LET US EXPLORE THIS WORLD ATTITUDE TOWARD AFRICAN LABOR. WE CAN DISTINGUISH EIGHT PHASES OF THE EXPLOITATION: THE SLAVE TRADE WHICH TRANSPORTED BLACK LABOR TO AMERICA AND BUILT THE SUGAR AND COTTON KINGDOMS WHICH FOUNDED MODERN CAPITALISM ON EUROPE; NEXT SLAVE AND SERF LABOR ON AFRICAN FARMS, MINES AND PLANTATIONS. THIS IS THE HISTORY OF EAST AND SOUTH AFRICA; THEN LAND SEQUESTRATION, RELIGION AND CASTE; THIS WAS FOLLOWED

BY THE CONVENTIONAL ATTEMPT TO TAKE A PART OF THE EXPLOITED COLORED MASS INTO PARTNERSHIP SO AS TO CARRY OUT THE EXPLOITATION OF THE MASS. THIS CAME INTO USE IN WEST AFRICA WHERE THE ENGLISH, AFTER 6 WARS WITH THE ASANTI, AND THE FRENCH AFTER 50 YEARS OF WARS IN THE SUDAN, WERE UNABLE TO CONQUER THE NATIVES AND THEREFORE TRIED SUCCESSFULLY TO RULE THEM THROUGH ~~THEIR OWN~~ native CHIEFS AND ~~THEIR OWN~~ native SOCIAL ORGANIZATION -- SO AS TO HAVE THE LEAST INTERFERENCE WITH CONTROL OF LABOR.

41-3-101

THERE FOLLOWED A REGULAR WAGE SYSTEM WHERE LOW WAGES WERE PAID TO MINERS, ARTISANS AND FARM LABORERS. THIS TOOK PLACE IN BRITISH WEST AFRICA, CENTRAL AFRICA, AND THE MINING REGIONS OF SOUTH AFRICA. IN WEST AFRICA IT EVOLVED INTO PARTIAL POLITICAL CONTROL, WHERE THE LABORERS HAD SOME RIGHT TO VOTE AND TO FORM TRADE UNIONS; BUT THE MAIN OBJECT OF THE WHOLE COLONIAL ORGANIZATION WAS TO FURNISH CHEAP RAW MATERIAL TO EUROPEAN AND AMERICAN COMPANIES. FINALLY, TODAY, THERE HAS COME IN WEST AFRICA AND ETHIOPIA A DEGREE OF INDEPENDENCE OF POLITICAL AND SOCIAL LIFE, LIMITED AND CONTROLLED, HOWEVER, BY INVESTING IMPERIALISM ABROAD.

KEEPING THESE 8 METHODS OF LABOR CONTROL IN AFRICA IN MIND, LET US EXAMINE THE

REACTION OF THE AFRICANS OVER THE YEARS IN SOME OF THE 19 DIFFERENT AREAS. IN AFRICA, JUST AS IN THE WEST INDIES AND THE SOUTHERN STATES OF AMERICA, REVOLT OF LABOR HAS BEEN LONG AND CONTINUOUS, BUT ~~AS~~ so FAR AS POSSIBLE CONCEALED FROM THE PUBLIC AND unrecorded in HISTORY BECAUSE OF THE BAD EFFECT WHICH IT WOULD HAVE ON CURRENT POLICIES.

IN THE UNION OF SOUTH AFRICA, FOR INSTANCE, THE HISTORY OF WAR, REVOLT, STRIKES, WITH POVERTY, DISEASE AND IGNORANCE, COVERS A THOUSAND YEARS OF MODERN HISTORY. IT BEGAN WHEN THE BANTU TRIBES CROSSED THE ZAMBESI AND MOVED SLOWLY INTO SOUTH AFRICA. THEY DROVE BACK BUSHMEN AND HOTTENTOTS, AND ATTACKED THE INCOMING DUTCH LATE IN THE 18TH CENTURY. WHEN THE ENGLISH CAME, THERE WERE 6 KAFFIR WARS BETWEEN 1817 AND 1877, ENDING WITH THE KILLING OF THE FRENCH CROWN PRINCE.

EARLY IN THE 19TH CENTURY CAME THE ALMOST INVINCIBLE ZULU IMPI UNDER CHAKA, FOLLOWED BY DINGAAN. WHEN IN 1837 THE DUTCH, FLEEING THE ENGLISH, MADE THE GREAT TREK TO THE LANDS WHICH THE BANTU HAD SEIZED, 3000 DEAD WERE LEFT AT THE DECISIVE BATTLE AT BLOOD RIVER; FOLLOWED BY A DECADE OF INTERMITTENT WAR. IN 1870 AND

THEREAFTER, THE THREE MEN WHO DOMINATED SOUTH AFRICA WERE THE BLACK CHIEF, LOBENGULA, THE WHITE EXPLOITER, CECIL RHODES, AND THE BOER PRESIDENT, KRUGER. RHODES HAD LISTENED TO THE FLOWER OF ENGLISH CULTURE AT OXFORD AND HEARD ENGLAND CALLED "THE SCEPTERED ISLE", DESTINED TO RULE THE WORLD. HE IMPLEMENTED THE PHRASE AND RAIDED SOUTH AFRICA, WHICH BECAME AMONG THE GREATEST OF MODERN EXPLOITERS OF BLACK LABOR.

THE FIGHT WITH THE HOTTENTOTS, DUTCH AND ENGLISH BROKE THE BANTU TRIBES INTO FRAGMENTS, BUT IN THE NORTHERN PART THERE REMAIN THE SELF-GOVERNING BAMANGWATO. IT WAS THIS TRIBE AND COUNTRY THAT ~~ONCE~~ was EXTENDED SO AS TO LINK THE CAPE TO CAIRO. YET THE TRIBE WAS PARTIALLY INDEPENDENT, AND KHAMA IN THE 19TH CENTURY BECAME ITS CHIEF. HE WAS SUCCEEDED BY TSHEKEL, WHO HAD A WHITE ENGLISHMAN WHIPPED FOR MOLESTING A COLORED WOMAN, WITH THE RESULT THAT AN ENGLISH ARMY MARCHED UP FROM THE CAPE WITH 500 MARINES AND TWO CANNON AND TRIED TO PUNISH HIM. LONDON FINALLY BACKED DOWN; BUT PUSHED ON BY THE UNION OF SOUTH AFRICA TRIED AGAIN TO INTERFERE WHEN THE YOUNG CHIEF SERETSI KHAMA, STUDYING IN ENGLAND, MARRIED A TYPIST, AND NOW IS REFUSED RESIDENCE IN HIS OWN LAND.

41-3-102

IN 1867 DIAMONDS, AND IN 1885 GOLD WERE DISCOVERED IN SOUTH AFRICA, WHICH SEALED ITS FATE. THE BOER WAR CAME IN 1899, AND, formation of THE UNION OF SOUTH AFRICA TEN YEARS LATER. THERE FOLLOWED AN EXTRAORDINARY HISTORY OF UNREST AND REVOLT.

GOLD AND DIAMONDS CHARACTERIZED THE MODERN CAPITALISTIC SYSTEM. THE DIAMONDS TYPIFY LUXURY AND EXTRAVAGANCE, IN THE GREAT CENTERS OF MODERN CIVILIZATION -- NEW YORK, LONDON AND PARIS. LATELY THEY ARE NECESSARY FOR MECHANICAL TECHNIQUES. GOLD LONG WAS A MEASURING ROD OF MODERN WEALTH AND STILL IS PARTIALLY. THE ORGANIZATION, THEREFORE, OF THE GOLD AND DIAMOND MINES IN SOUTH AFRICA ESTABLISHED A WORLD PATTERN. LABORERS WERE BROUGHT FROM ALL PARTS OF AFRICA BY FORCE, FRAUD, AND PROMISE ~~OF WAGES~~. THEY WERE HERDED INTO THE MINES, WORKED UNDER FORCE AND WHIP, AND PAID A ~~SHILLING~~ 24 cents A DAY. FAMILY LIFE THROUGHOUT SOUTH AFRICA, EXTENDING EVEN TO CENTRAL AFRICA, WAS, harshly BROKEN UP.

EFFORTS TO UNIONIZE THESE WORKERS WERE OPPOSED, NOT SIMPLY BY THE MINE OWNERS, BUT BY THE WHITE WORKERS. THE WHITE TRADE UNIONS NOT ONLY REFUSED TO ADMIT NEGROES, BUT AGITATED AND MARCHED TO KEEP NEGRO UNIONS FROM BEING RECOGNIZED BY THE GOVERNMENT.

AN ENGLISHMAN, LANGNAS, WRITES: " PERHAPS THE BEST ARGUMENT FOR COMMUNISM IS THE ATTITUDE OF THE SOUTH AFRICAN LABOUR PARTY. AFRICANS HAVE LONG MEMORIES AND ARE UNLIKELY TO FORGET THAT THE 'CIVILIZED LABOUR POLICY', KNOWN TO THE OUTSIDE WORLD AS THE COLOUR BAR, WAS NOT IMPOSED BY THE GOVERNMENT BUT BY THE WHITE WORKERS. IN 1922, THEY WENT ON STRIKE RATHER THAN PERMIT NON-EUROPEANS TO DO SKILLED LABOUR. THEY MARCHED THROUGH JOHANNESBURG WITH BANNERS INSCRIBED 'WORKERS OF THE WORLD, FIGHT AND UNITE FOR WHITE SOUTH AFRICA', AND SET UP A SOVIET REPUBLIC BASED ON THE COLOUR BAR. THE JOHANNESBURG SOVIET LASTED ONLY A FEW HOURS, AND WAS SUPPRESSED WITH BLOODSHED, BUT THE COLOUR BAR BECAME THE LAW OF THE LAND." THE RESULTING WAGE SITUATION WAS FANTASTIC. A BRICKLAYER WORKING FOR A BRITISH FIRM CAME TO SOUTH AFRICA AND SAID "THIS COUNTRY HAS A MONOPOLY ON STUPIDITY." EACH WHITE BRICKLAYER HAD 4 NATIVE HELPERS. THE WHITE MAN WAS PAID $56 A WEEK, OR IF AN APPRENTICE, AT LEAST $32 A WEEK. THE NATIVE WAS PAID $10 A WEEK, AND DID PRACTICALLY ALL THE WORK.

41-3-103

IN THE MIDST OF THIS HAS ARISEN THE OPPOSED ECONOMY OF FARMER AND INDUSTRIALIST. THE FARMER WANTS PRACTICALLY SLAVE LABOR, AND HAS TODAY ABOUT 2¼ MILLION AFRICANS RE-

CEIVING A WAGE OF ~~10 SHILLINGS~~ $2.40 A MONTH WITH RATIONS, AND BEING PRACTICALLY FORCED TO STAY ON THE LAND BY THE GOVERNMENT. ON THE OTHER HAND, THE CITY WORKER CAN BE SEEN IN A CITY LIKE DURBAN, WITH NEARLY 400 THOUSAND INHABITANTS, 1/3 EUROPEAN, 1/3 INDIAN AND 1/3 AFRICAN. THE EUROPEANS AND A FEW OF THE INDIANS LIVE IN HOUSES. THOUSANDS OF THE AFRICANS SQUAT IN SHACKS ON THE OUTSKIRTS. THE CITY WHERE THE EUROPEANS LIVE HAS BROAD STREETS, TROPICAL VEGETATION, AND MILES OF BEACH.

IN JOHANNESBURG, THE CAPITAL OF THE MINING SECTION, THERE HAVE BEEN DOZENS OF RACIAL OUTBURSTS SINCE THE END OF THE SECOND WORLD WAR. IT WAS IN DURBAN THAT MAHATMA GANDHI WAS MOBBED. IN FEBRUARY 1949 THERE WAS A SERIES OF RIOTS BETWEEN AFRICANS AND INDIANS. A GOVERNMENT COMMISSION OF INQUIRY WAS APPOINTED, WITH AFRICAN AND INDIAN REPRESENTATIVES, BUT THEY WITHDREW WHEN THEY WERE GIVEN NO RIGHT TO CROSS-EXAMINE WITNESSES.

AT THE BEGINNING OF THE 20TH CENTURY IN CAPE COLONY ALL RACES HAD THE RIGHT TO VOTE. THE NATIVE VOTERS WERE DIVIDED BETWEEN THE LEADING PARTIES, AND EDUCATED

NEGROES WERE ALWAYS PRO-EUROPEAN, FIGHTING WITH THE WHITES IN THE KAFFIR WARS.

IN 1908 THERE WAS A NATIONAL CONVENTION AT DURBAN TO PLAN FOR A UNION OF CAPE COLONY, THE ORANGE RIVER FREE STATE, THE TRANSVAAL, AND NATAL. THE PRIME MINISTER OF THE CAPE COLONY AND PRACTICALLY ALL OF THE CAPE DELEGATES WERE IN FAVOR OF ENFRANCHISING THE NATIVE AND COLORED PEOPLE IN THE NEW UNION. BUT GENERAL BOTHA, PRIME MINISTER OF THE TRANSVAAL SAID THAT IF THAT POLICY WAS CARRIED THERE COULD BE NO UNION. FINALLY IT WAS DECIDED THAT THERE COULD BE NO CHANGE IN THE CAPE NATIVE FRANCHISE EXCEPT BY A 2/3 MAJORITY OF THE LEGISLATURE.

41-3-104

IN 1926 GENERAL HERTZOG BEGAN HIS ATTACK ON THE CAPE NATIVE FRANCHISE WHICH LASTED UNTIL 1936 WHEN, BY A 2/3 MAJORITY THE CAPE NATIVES WERE DISFRANCHISED, AFTER HAVING HAD THE VOTE FOR 80 YEARS. THE NATIVE VOTERS' NAMES WERE TRANSFERRED TO A SEPARATE POLL, WHERE THEY COULD ELECT 3 MEMBERS WHO ~~WOULD~~ must BE WHITE, AND WOULD BE THE ONLY REPRESENTATIVES OF NATIVE INTERESTS IN A CHAMBER OF 153 MEMBERS.

IN 1950 THE GROUP AREAS ACT WAS PASSED, CLASSIFYING ALL PERSONS AND COMPANIES

AS WHITE, NATIVE, OR COLORED. THE GROUPS WERE SEPARATED FOR LAND OR OCCUPATION, ~~XXXXX~~ BUT THE SERVANTS AND CITY WORKERS ARE EXCEPTED FROM COMPLETE SEGREGATION. A NATIVE OR COLORED GROUP AREA HAS A GOVERNING BOARD APPOINTED BY A MEMBER OF THE CABINET. OUT OF A TOTAL POPULATION OF 12½ MILLION IN SOUTH AFRICA THERE WERE 1½ MILLION VOTERS, OF WHOM 50 THOUSAND WERE COLORED.

SOUTH AFRICANS HAVE BEEN PROTESTING. 25 YEARS AGO A COLORED LEADER, CLEMENTS KADALIE, FORMED A TRADE UNION WHICH WAS CALLED "COMMUNIST" BUT HAD A WIDE INFLUENCE AND A LARGE FOLLOWING. EVENTUALLY HE WAS DRIVEN OUT. ~~XXXXXXXXXXXX~~

UNDER THE PASS LAWS THE NATIVES ARE REQUIRED TO CARRY AS MANY AS 16 PERMISSIONS TO MOVE FROM PLACE TO PLACE. AS A RESULT OF THE ARRESTS UNDER THESE LAWS, SOUTH AFRICA HAS THE LARGEST NUMBER OF ARRESTS CURRENT IN ANY COUNTRY CALLING ITSELF CIVILIZED. IN 1946 THERE WAS A STRIKE OF 50,000 GOLD MINE WORKERS. POLICE ATTACKED THE STRIKERS WITH MACHINE GUNS, TEAR GAS, AND HAND GRENADES.

IN JANUARY 1949, AN AFRICAN TRYING TO PREVENT THE ARREST OF HIS WIFE STARTED A

RIOT ON THE OUTSKIRTS OF JOHANNESBURG. THE POLICE WERE DRIVEN OUT, BUT RETURNING WITH TEAR GAS, ARRESTED 600 MEN AND WOMEN. THE AFRICAN NATIONAL CONGRESS ORGANIZED A PROTEST MEETING, BUT IN FEBRUARY THE POLICE INVADED THE DISTRICT AND THERE WAS ANOTHER FIGHT. 275 AFRICANS WERE ARRESTED.

THE SOUTH AFRICAN NATIONAL CONGRESS AROSE AFTER THE FIRST WORLD WAR IN 1921. IT IS THIS CONGRESS WHICH LAST JANUARY WROTE THE SOUTH AFRICAN MINISTER SAYING: "AS IS WELL-KNOWN, THE GOVERNMENT THROUGH ITS REPRESSIVE POLICY OF TRUSTEESHIP, SEGREGATION AND APARTHEID, AND THROUGH LEGISLATION THAT CONTINUES TO INSULT AND DEGRADE THE AFRICAN PEOPLE BY DEPRIVING THEM OF FUNDAMENTAL HUMAN RIGHTS ENJOYED IN ALL DEMOCRATIC COMMUNITIES, HAS CATEGORICALLY REJECTED OUR OFFER OF COOPERATION. THE CONSEQUENCE HAS BEEN THE GRADUAL WORSENING OF THE SOCIAL, ECONOMIC AND POLITICAL POSITION OF THE AFRICAN PEOPLE AND A RISING TIDE OF RACIAL BITTERNESS AND TENSION. THE POSITION HAS BEEN AGGRAVATED IN RECENT TIMES BY THE PASS LAWS, STOCK LIMITATION, THE SUPPRESSION OF COMMUNISM ACT OF 1950, THE GROUP AREAS ACT OF 1950, THE BANTU AUTHORITIES ACT OF 1951, AND THE VOTERS ACT OF 1951.

41-3-105

"THE CUMULATIVE EFFECT THIS LEGISLATION HAS IS TO CRUSH THE NATIONAL ORGANIZATIONS OF THE OPPRESSED PEOPLE; TO DESTROY THE ECONOMIC POSITION OF THE PEOPLE AND TO CREATE A RESERVOIR OF CHEAP LABOR FOR THE FARMS AND THE GOLD MINES; TO PREVENT THE UNITY AND DEVELOPMENT OF THE AFRICAN PEOPLE TOWARDS FULL NATIONHOOD, AND TO HUMILIATE THEM IN A HOST OF OTHER MANNERS.

"THE AFRICAN NATIONAL CONGRESS, AS THE NATIONAL ORGANIZATION OF THE AFRICAN PEOPLE, CANNOT REMAIN QUIET ON AN ISSUE THAT IS A MATTER OF LIFE AND DEATH TO THE PEOPLE. TO DO SO WOULD BE A BETRAYAL OF THE TRUST AND CONFIDENCE PLACED UPON IT BY THE AFRICAN PEOPLE.

"AT A RECENT ANNUAL CONFERENCE OF THE AFRICAN NATIONAL CONGRESS HELD IN BLOEMFONTEIN FROM THE 15th TO THE 17th OF DECEMBER, 1951, THE WHOLE POLICY OF THE GOVERNMENT WAS REVIEWED AND, AFTER SERIOUS AND CAREFUL CONSIDERATION OF THE MATTER, CONFERENCE UNANIMOUSLY VOTED TO CALL UPON YOUR GOVERNMENT, AS WE HEREBY DO, TO REPEAL THE AFOREMENTIONED ACTS BY NOT LATER THAN THE 29th DAY OF FEBRUARY, 1952, FAILING WHICH

THE AFRICAN NATIONAL CONGRESS WILL HOLD PROTEST MEETINGS AND DEMONSTRATIONS ON THE 6TH DAY OF APRIL, 1952 AS A PRELUDE TO THE IMPLEMENTATION OF THE PLAN FOR THE DEFIANCE OF UNJUST LAWS..."

A REPORTER FROM TIME SAYS: "TO WHITE SOUTH AFRICANS, LONG CONFIDENT OF THEIR ABILITY TO RULE OVER FIVE TIMES THEIR NUMBER OF BLACKS, THE BLACKS HAVE SUDDENLY BECOME A MAJOR INTERNAL FOE. THIS IS THE REAL BASIS OF THE NATIONALIST GOVERNMENT'S POLICY OF APARTHEID (APARTNESS). A NATIONALIST FRANKLY TOLD ME: 'WE AIM TO SEGREGATE THEM COMPLETELY, LIVING AS FAR AWAY FROM US AS POSSIBLE'...'BUT YOU NEED THESE PEOPLE TO KEEP YOUR INDUSTRIES GOING'...'OH, YES. BUT WE WANT THEM TO LIVE WELL AWAY FROM US. THEN, IF THERE'S TROUBLE, WE KNOW WHERE TO DROP THE BOMBS.' A CENTURY AGO (THE REPORTER COMMENTS) THE WHITES FORMED THEMSELVES INTO A LAAGER WHEN ATTACKED BY BLACK WARRIORS. TODAY, THE ORDER IS AGAIN TO DRAW BACK INTO THE LAAGER -- AND SHOOT TO KILL."

IN 1952 ~~EXTRA X12½MILLION INHABITANTS IN THE UNION SOUTH AFRICA~~

BETWEEN 1900 AND 1950 THE TOTAL CAPITAL INVESTED BY CITIZENS OF THE UNITED STATES

IN AFRICA INCREASED FROM 500 MILLION TO 15 HUNDRED MILLION DOLLARS. TODAY IT UNDOUBTEDLY EXCEEDS THE BRITISH INVESTMENTS. IN 1949 SOUTH AFRICA ASKED FOR A LOAN OF 50 MILLION DOLLARS FROM THE UNITED STATES AND GOT 10 MILLION DOLLARS. HOWEVER, IN DECEMBER 1950 THEY RECEIVED 80 MILLION DOLLARS FROM THE UNITED STATES GOVERNMENT. THE TERMS OF THE AGREEMENT ARE "TOP SECRET", BUT INCLUDE PURCHASE RIGHTS TO LARGE QUANTITIES OF URANIUM. THE WALL STREET JOURNAL ESTIMATES THAT SOUTH AFRICA WILL NEED LOANS OVER THE NEXT FIVE YEARS TOTALLING 1½ BILLION DOLLARS. MORGAN AND ROCKEFELLER INTERESTS HAVE BEEN INVESTING IN SOUTH AFRICA A LONG TIME. FORD BEGAN INVESTING 25 YEARS AGO. GENERAL MOTORS HAS RECENTLY BUILT A 20 MILLION DOLLARS PLANT, AND HAS OTHER INVESTMENTS. THE AMERICAN KENNECOTT CORPORATION HAS RECENTLY INVESTED AN ADDITIONAL 8 MILLION DOLLARS IN GOLD MINES.

GENERAL LUCIUS CLAY IS A DIRECTOR IN THE NEWMONT MINING CORPORATION, WHICH MADE PROFITS OF 9 MILLION DOLLARS IN THREE YEARS. OTHER AMERICAN OWNERS ARE: FIRESTONE, GOODYEAR, GENERAL ELECTRIC. ALL INVESTMENTS HAVE BEEN INCREASED SHARPLY SINCE 1945. MOST FOREIGN INVESTMENT CAPITAL COMES NOW FROM AMERICA RATHER THAN ENGLAND.

THE UNITED STATES CONSUL GENERAL IN THE UNION OF SOUTH AFRICA SAID IN AUGUST, 1950: "THIS COUNTRY HAS A GREATER FUTURE THAN ALMOST ANY YOUNG COUNTRY IN THE WORLD. IT IS DEFINITELY GOING PLACES. CAPITAL INVESTMENTS AND LOANS ARE NOT MADE BY MERE PHILANTHROPISTS BUT BY ASTUTE AND FARSEEING AMERICAN FINANCIERS AND BUSINESS EXECUTIVES," SAID MR. REDECKER AS HE POINTED TO SCORES OF MILLIONS OF AMERICAN DOLLARS THAT HAD BEEN INVESTED IN MINING OR IN THE FORM OF LOANS. "IN ADDITION, MANY AMERICAN PRIVATE COMPANIES HAVE ESTABLISHED BRANCHES AND FACTORIES HERE, AND ARE PLANNING PRODUCTION ON A SCALE NOT ONLY TO CATER FOR THE SOUTH AFRICAN MARKET, BUT TO CARRY ITS EXPORT TRADE THROUGHOUT THE BRITISH COMMONWEALTH. A BIG AMERICAN INSURANCE COMPANY HAS ESTABLISHED A COMPLETE ORGANIZATION WITH BRANCHES THROUGHOUT THE UNION. SIX MILLION DOLLARS WAS ALSO BEING PUT INTO A FACTORY IN THE UNION BY INTERNATIONAL BUSINESS MACHINES."

35-10-19

THE FIRST 10 MONTHS OF 1952 THE UNION IMPORTED 400 MILLION POUNDS STERLING WORTH OF GOODS, AS COMPARED WITH 245 MILLION IN 1952. IT IS ESTIMATED THAT IN THE 13 GOLD MINES IN THE FREE STATE THERE ARE BETWEEN 6 AND 7 BILLION TONS. IN THE YEAR 2000 IT IS

ESTIMATED THAT THE FREE STATE WILL STILL BE AN IMPORTANT GOLD PRODUCER. THE INDUSTRIAL PRODUCTION IN THE UNION HAS GROWN FROM 84 MILLION POUNDS STERLING IN 1925 TO 900 MILLION IN 1950-51, EQUALLING IN VALUE THE PRODUCTION OF GOLD AND AGRICULTURE TOGETHER. THE INCREASE IN NET INVESTMENT HAS RISEN FROM 53 MILLION POUNDS STERLING IN 1938 TO 147 BILLION IN 1950. IN 1950 THE PUBLIC INVESTMENT WAS 67 MILLION POUNDS, AND PRIVATE INVESTMENT 80 MILLION POUNDS.

SMALL WONDER THAT THE VICE PRESIDENT OF THE GENERAL STEEL CASTING CORPORATION, ONE OF THE LARGEST MANUFACTURERS OF RAILWAY EQUIPMENT IN THE UNITED STATES HAS VISITED SOUTH AFRICA THREE TIMES IN THE LAST FIVE YEARS. HE SAID, AUGUST 20, 1950, THAT HE CONSIDERED SOUTH AFRICA HAD UNLIMITED POTENTIALITY FOR DEVELOPMENT: "I CAN SEE IT GOING AHEAD WITH GREAT SPEED FOR IT IS SO RICH IN SO MANY KINDS OF RAW MATERIALS. THE SOUTH AFRICANS ARE A GREAT PEOPLE."

[redacted]

AFRICAN NATIONALISM IS GROWING APACE. IT IS BECOMING EVER MORE CLEAR TO THE ACUTEST POLITICAL SCIENTISTS THAT DURING THE NEXT FEW DECADES AFRICA WILL GO THE WAY EUROPE WENT IN THE SECOND HALF OF THE NINETEENTH CENTURY AND ASIA WENT IN THE FIRST FIVE DECADES OF THE PRESENT CENTURY. INDEPENDENT AFRICAN STATES ARE ABOUT TO EMERGE ALL OVER THE CONTINENT NORTH OF THE EQUATOR. CONSCIOUSNESS OF THE NEW POLITICAL TRANSFORMATION NOW UNDER WAY IN AFRICA IS BECOMING APPARENT EVEN IN TRADITIONALIST CIRCLES IN ENGLAND.

THE LONDON OBSERVER IN A RECENT LEADING ARTICLE SAID: "AFRICA TODAY IS LIVING OUT THE STORY OF THE CLASS STRUGGLE THAT OCCURRED THROUGHOUT EUROPE IN THE 18TH AND 19TH CENTURIES, BUT INTENSIFIED BY MELODRAMATIC DIFFERENCES IN PHYSICAL APPEARANCE AND A WIDE GULF IN TECHNICAL ATTAINMENTS... THERE ARE TWO POLES OF ATTRACTION. ON THE ATLANTIC COAST AND NORTH OF THE EQUATOR THERE ARE THE POPULOUS ALL-AFRICAN COLONIES OF NIGERIA AND GOLD COAST. HERE THE AFRICANS ARE ATTAINING THEIR AMBITION OF SELF-GOVERNMENT WITHIN THE COMMONWEALTH; AND IT WILL BE THE VOICES OF THE WEST AFRICAN LEADERS THAT WILL BE HEEDED BY AFRICANS ELSEWHERE. FAR TO THE SOUTH, THERE IS THE UNION OF SOUTH AFRICA, WHERE DR.

41-3-106

MALAN'S NATIONALIST PARTY PRACTICES ITS DOCTRINE OF 'WHITE SUPREMACY'; THIS PROVIDES A POLE OF ATTRACTION FOR OTHER EUROPEAN SETTLERS WHO FEAR THE PROGRESS OF THE AFRICANS."

LET US NOW TURN TO WEST AFRICA. IN 1945 I WAS IN MANCHESTER, ENGLAND ATTENDING THE 5th PAN-AFRICAN CONGRESS. AMONG THE DELEGATES WAS A YOUNG BLACK MAN FROM THE GOLD COAST BRITISH WEST AFRICA, POORLY DRESSED, BUT WITH AN AMERICAN COLLEGE EDUCATION. AFTER LEAVING THIS CONGRESS HE WENT BACK TO THE GOLD COAST WHERE HE WAS ARRESTED, CHARGED WITH COMMUNISM, BECAUSE HE HAD A PLAN OF SOCIAL REFORM FOR WEST AFRICA, AND THROWN INTO JAIL. ON JANUARY 12th THIS MAN, KWAMY NKRUMKH, WAS INSTALLED AS THE FIRST NATIVE PRIME MINISTER OF THE GOLD COAST COLONY OF THE BRITISH EMPIRE. THIS, OF COURSE, DOES NOT MEAN COMPLETE INDEPENDENCE FOR THE 4 MILLION BLACK PEOPLE, BUT IT IS THE NEAREST APPROACH THAT ANY BRITISH AFRICAN COLONY HAS ATTAINED. ALTHOUGH NEGRO AUTONOMY IS STILL RESTRAINED BY BRITISH APPOINTED OFFICIALS WITH CONSIDERABLE POWER, THERE IS LITTLE LIKELIHOOD THAT THE GOLD COAST WILL EASILY BE TURNED BACK FROM INDEPENDENCE, OR THAT ITS NEIGHBOR, WITH 25 MILLION NEGROES, WILL NOT SOON GO THE SAME WAY. NIGERIA

HERE AGAIN WE HAVE A LONG HISTORY. IN THIS PART OF AFRICA THE AMERICAN SLAVE TRADE BEGAN UNDER THE ENGLISH. THEN THE CHARTERED COMPANIES MOVED IN, AND BY TRADE AND MONOPOLY GRADUALLY BROUGHT NEGRO LABOR UNDER CONTROL, BUT THEY NEVER SUCCEEDED AS IN EAST AND SOUTH AFRICA IN GETTING MONOPOLY OF THE LAND. A CENTURY OF WAR ENSUED, BUT EUROPE DID NOT SUBDUE WEST AFRICA. IT ENTERED INTO TREATY WITH VARIOUS NATIONS AND RULERS SO THAT GRADUALLY THE ENGLISH AND THE FRENCH FROM 1800 TO THE FIRST WORLD WAR CLAIMED CONTROL OF WEST AFRICA, AND RULED BY ALLOWING SELECTED NATIVE CHIEFS TO REPRESENT THEM IN THE CONTROL OF LABOR. DURING THE FIRST WORLD WAR HUNDREDS OF THOUSANDS OF SOLDIERS FROM THIS PART OF AFRICA HELPED THE FRENCH AND ENGLISH TO SUBDUE GERMANY. THAT MEANT THE AWAKENING OF WEST AFRICA.

41-3-107

BRITAIN SENSES WHAT IS BREWING. IN 1948, IN THE GUILDED RECEPTION ROOM OF LANCASTER HOUSE CAME A CONFERENCE FROM 10 BRITISH COLONIES, WITH OBSERVERS FROM 5 DEPENDENCIES, AND FRANCE, BELGIUM, AND PORTUGAL. THEY STAYED 15 DAYS. THEY WERE RECEIVED BY THE KING, THE FOREIGN SECRETARY, AND GENERAL MONTGOMERY. THE COLONIAL SECRETARY TOLD

THEM OF WHAT BRITAIN WAS GOING TO GIVE THEM IN ECONOMIC AID. HE SAID "WE MUST WIPE OUT THE WORD 'EXPLOITATION' AND PLACE IT WITH SLAVERY AND PIRACY." THEN THE ONI OF IFE, DESCENDANT OF A LINE OF ROYAL RULERS WHICH GOES BACK A THOUSAND YEARS, AROSE IN HIS WINE RED ROBE AND GREEN SHAWL, AND SPEAKING PERFECT ENGLISH, SAID THAT AFRICANS HAD NOT COME HERE TO LISTEN TO FLOWERY SPEECHES, BUT DEMANDED FAIRER PRICES FOR AFRICAN PRODUCTS, MORE MACHINERY, AND TECHNICAL ASSISTENCE, AND LESS DELAY IN THE PROMISED ECONOMIC ASSISTANCE. HE HAD IN MIND THE EXTRAORDINARY CASE OF THE COCOA WAR.

WEST AFRICA SUPPLIES THE WORLD NEARLY 70% OF ITS COCOA AND CHOCOLATE. THIS AROSE THROUGH THE ENTERPRISE OF A BLACK NATIVE, TETTIE QUARSIE, WHO OUT-MANEUVERED THE PLANS OF SPANISH PLANTATION OWNERS AND THE BRITISH MANUFACTURERS. THE COCOA CROP OF 250 THOUSAND TO 400 THOUSAND TONS A YEAR IS RAISED ON SMALL FARMS, A TON TO A FARM. THE COCOA IS TAKEN TO ENGLAND, HOLLAND AND THE UNITED STATES, AND PROCESSED AND SOLD TO YOU AT A PRICE WHICH MAKES MILLIONAIRES OF CADBURYS, AND AT THE SAME TIME PRICE FLUCTUATIONS PUT THE FARMERS IN BANKRUPTCY.

THE FARMERS, AFTER REPEATED FAILURES, ORGANIZED A BOYCOTT IN 1937-38, AFTER THE BUYERS HAD COMBINED TO KEEP PRICES DOWN BY ESTABLISHING A FIXED PRICE AND NO COMPETITION. THEY HELD 13 EUROPEAN FIRMS AT BAY UNTIL THE BRITISH GOVERNMENT HAD TO INTERVENE. WAR CAME, AND THE BRITISH GOVERNMENT TOOK COMPLETE CONTROL. A LOW PRICE WAS FIXED, BUT THE GOVERNMENT PROMISED TO RETURN PROFITS TO THE FARMERS. EVENTUALLY PROFITS OF 8 MILLION DOLLARS WERE REALIZED, BUT THE FARMERS GOT NOTHING. THE GOVERNMENT PROMISED TO SPEND IT FOR THE FARMERS BENEFIT.

41-3-102

WHEN I WAS AT THE PAN-AFRICAN CONFERENCE IN 1945 IN MANCHESTER, ENGLAND, THE CHAIRMAN OF THE FARMERS COMMITTEE WAS PRESENT. HIS FACE WAS LIKE THE FACE OF THE "MAN OF SORROWS". HE KEPT SAYING "WE MUST BE FREE. WE WILL BE FREE". THE SECRETARY OF STATE FOR COLONIES REFUSED TO RECEIVE HIS DELEGATION. TODAY THE GOLD COAST IS FREE -- OR IS IT? CANNOT THE AMERICAN COCOA MARKET AND BRITISH COCOA MANUFACTURERS STILL CHEAT THE FARMERS OF WEST AFRICA?

A WEST AFRICAN WROTE ME: " YOU MUST HAVE HEARD OF THE DISTURBANCE WHICH BROKE OUT IN THE GOLD COAST IN MARCH, IN WHICH SEVERAL PEOPLE WERE KILLED AND WOUNDED. THIS

WAS THE RESULT OF OVER-INFLATION OF THE PRICES OF IMPORTED GOODS AND THE DEMAND BY THE PEOPLE FOR A CHANGE IN THE CONSTITUTION OF THE COUNTRY. THE WHOLE THING WAS PLANNED BY THE LEADING OFFICER IN A RECENTLY ORGANIZED BODY THAT IS KNOWN AS THE UNITED GOLD COAST CONVENTION. IT IS A COUNTRY WIDE ORGANIZATION WHICH HAS THE SUPPORT OF THE WHOLE COUNTRY. THE OFFICERS OF THIS ORGANIZATION ARE THE MOST QUALIFIED POLITICIANS OF THE COUNTRY, FOR MOST OF THEM ARE LAWYERS, DOCTORS, AND MEMBERS OF THE LEGISLATIVE ASSEMBLY OF THE COUNTRY. THE DISTURBANCES BEGAN WITH STRIKES, BOYCOTT OF ALL IMPORTED GOODS, LOOTING OF THE GOODS IN THE STORES OF BOTH EUROPEAN AND ASIATIC MERCHANTS, AND IT ENDED WITH OPEN ATTACKS ON THE EUROPEANS, ESPECIALLY THE POLITICAL OFFICERS OF THE CENTRAL GOVERNMENT. THE NATIVES OF THE GOLD COAST WHO ARE MEMBERS OF THE POLICE AND THE MILITARY FORCES OF THE CENTRAL GOVERNMENT STOOD AS MERE SPECTATORS WHEN THEY WERE ORDERED TO DEAL WITH THE CROWD. SOLDIERS FROM NIGERIA WERE ASKED TO COME TO THE AID OF THE GOLD COAST GOVERNMENT, AND REFUSED. CURFEW WAS IMPOSED ON ALL THE PRINCIPAL TOWNS OF THE COUNTRY. THE LIBERTY OF THE PRESS WAS TAMPERED WITH, AND SOME LEADING OFFICERS OF THE GOLD

COAST CONVENTION WERE JAILED. THIS IS BUT A CRUDE SUMMARY OF A CRISIS OF UNPARALLELED INTENSITY IN THE HISTORY OF THE GOLD COAST AS A BRITISH COLONY...THE COLONIAL EMPIRE THAT WAS ONCE CONSIDERED BY THE PROUD IMPERIALISTS AS SINECURE, HAS NOW BECOME DAMNOSA HEREDITAS. THE WISDOM OF A SERVANT WHO WAS ONCE A FOOL IS A NEVER-ENDING HEADACHE TO HIS MASTER."

41-3-109

AN ENGLISHMAN SAYS OF NIGERIA: "IN THE EASTERN PROVINCES OF NIGERIA THERE IS GOING ON TODAY A WONDERFUL MOVEMENT FORWARD OF THE HUMAN MIND. FOR SOME IT IS OBSCURED BY DAILY SIGHTS WHICH ARE QUITE HORRIFYING TO ANYONE WHO IS UNACCUSTOMED TO LIVING IN A SOCIETY WHERE THERE IS A GENERAL CALLOUSNESS IN HUMAN RELATIONS, AND WHERE POVERTY IS MEASURED IN TERMS OF OPEN DRAINS AND LACK OF ELEMENTARY TOOLS. BUT THERE ARE OTHER QUITE DIFFERENT SIGHTS TO SEE-- YOUNG MEN EMERGING FROM WHAT LOOK LIKE HOVELS IN SPOTLESS WHITE SHIRTS AND SHORTS, AFRICAN STUDENTS DISCUSSING DIFFICULT CONSTITUTIONAL ISSUES IN A FOREIGN LANGUAGE, ADVERTISEMENTS FOR AFRICAN NEWSPAPERS AND ANNOUNCEMENTS OF POLITICAL MEETINGS -- WHICH SPEAK OF ENERGY AND INTELLIGENCE AND A PASSIONATE DESIRE TO BE ACCEPTED

AS THE EQUAL OF ANY OTHER PEOPLE IN THE WORLD. THIS MOVEMENT FORWARD IS EXPRESSED IN ALL KINDS OF EFFORTS TO BETTER VILLAGE AMENITIES, TO IMPROVE LABOUR CONDITIONS, TO COLLECT FUNDS FOR STUDENTS TO STUDY ABROAD, AND SO ON. THESE EFFORTS CONSTITUTE THE SOIL FROM WHICH SPRING THE POLITICAL ORGANIZATIONS WHOSE TASK IT IS TO MAKE EFFECTIVE IN A POLITICAL AND CONSTITUTIONAL SENSE THE POPULAR DESIRE FOR EQUAL STATUS."

THE NIGERIAN LABOR CONGRESS RE-OPENED ITS DEMANDS FOR PAY INCREASES IN DECEMBER, 1950. THE UNITED AFRICA COMPANY, A SUBSIDIARY OF LEVER BROTHERS, REFUSED THE DEMAND, AND A STRIKE WAS CALLED DECEMBER 14. 20 THOUSAND WORKERS BROUGHT ALL BUSINESS IN LAGOS TO A STANDSTILL, -- DESPITE POLICE ASSAULTS AND ARRESTS -- UNTIL THE GOVERNMENT AGREED TO APPOINT AN INQUIRY COMMISSION. MEANTIME THEY WERE LOCKED OUT BY THEIR EMPLOYERS.

HERE ARE TWO POLES OF AFRICAN DEVELOPMENT -- COMPLETE SUBJECTION OF THE WORKER IN SOUTH AFRICA, INDEPENDENCE IN WEST AFRICA. BETWEEN THEM THE CONTINENT IS DIVIDED. IN THE RHODESIAS THERE IS THE CONTINUED ATTEMPT OF GROUPS VARYING FROM 25 TO 100,000

WHITES, TO CONTROL 18 MILLION BLACK WORKERS AND SEQUESTRATE THEIR LAND UNDER THE GUISE OF DEMOCRATIC GOVERNMENT IN WHICH ONLY THE WHITES SHARE.

THUS NORTHERN RHODESIA WITH LESS THAN 50 THOUSAND WHITES AND NEARLY 2 MILLION NEGROES; SOUTHERN RHODESIA WITH 100 THOUSAND WHITES AND 2 MILLION NEGROES; TANGANYIKA WITH 10 THOUSAND WHITES AND 7 MILLION NEGROES; KENYA WITH 50 THOUSAND WHITES AND 5 MILLION NEGROES, AND NYASSALAND WITH 10 THOUSAND WHITES AND 2 MILLION NEGROES, ARE ALL WORKING FOR INDEPENDENCE, OR A BRITISH DOMINION WHICH WILL LET LESS THAN 200 THOUSAND WHITES DOMINATE CENTRAL AFRICA.

41-3-110

IF AMERICAN STUDENTS WANT A LABORATORY TEST OF THE DIVISION OF BUSINESS PROFITS, AND MOST OF YOU DO NOT, CONSIDER THE LOOT OF COPPER MINING IN NORTHERN RHODESIA. THE MINES WERE DISCOVERED AND WORKED BY NATIVES FOR A THOUSAND YEARS. IN A SINGLE YEAR, 1937, THE COPPER EXTRACTED SOLD FOR 30 MILLION DOLLARS. OF THIS 700 THOUSAND WENT TO 17 THOUSAND BLACK LABORERS, OR $42 APIECE FOR THE YEAR; 2 MILLION DOLLARS WENT TO 1700 WHITE MEN IN SALARIES, OR ~~$1500~~ $15,000 APIECE; 15 MILLION DOLLARS AND A HALF WENT ~~TO~~

AS DIVIDENDS TO PERSONS WHO HAD NOT LIFTED THEIR HANDS EXCEPT TO CUT COUPONS.

THE WAGES OF 37 THOUSAND AFRICAN MINERS IN THE COPPER BELT OF NORTHERN RHODESIA HAVE RISEN FROM $5.88 TO $10.22 A MONTH IN THE LAST 5 YEARS. THE WAGES OF WHITE MINERS IN THE SAME PERIOD ROSE FROM $164 TO $260 A MONTH. THE AFRICANS PROTESTED AND STRUCK. THEY REJECTED AN OFFER OF $19.60 INCREASE A YEAR, BUT FINALLY ACCEPTED AN INCREASE OF $30 A YEAR.

THE LONDON PERIODICAL, EAST AFRICA AND RHODESIA WARNS THAT THE INFLUENCE OF THIS VICTORY UPON MORE AMBITIOUS MEMBERS OF THE UNION AND OTHER AFRICANS MUST NOT BE UNDER-RATED.

RECENTLY DIVIDENDS FOR THE ABSENTEE INVESTORS IN RHODESIA COPPER MINES HAVE BEEN RUNNING FROM 40% TO 125%.

IN 1951 IN SOUTH RHODESIA A SOUTH RHODESIA COUNCIL HAS BEEN ORGANIZED TO DEMAND "BLACK MEN MUST BE KEPT OUT OF THE WHITE PARLIAMENT". TODAY, OUT OF 2 MILLION AFRICANS

IN THE TERRITORY, ONLY 500 ARE ALLOWED TO VOTE, THROUGH PROPERTY AND INCOME QUALIFICATIONS. THE COUNTRY IS RULED BY 100 THOUSAND WHITES. WHITE SETTLERS ARE CONSIDERING WAYS OF GETTING RID OF THE INDEPENDENT BLACK FARMERS. THE PAPER NEW RHODESIA SAYS: "THERE ARE MORE CITIZENS IN SOUTH RHODESIA WITH AN INCOME OF 5 THOUSAND POUNDS A YEAR AFTER PAYING INCOME TAX, THAN THERE ARE IN GREAT BRITAIN."

THE RHODESIAS AND NYASSALAND ARE AGITATING FOR AN INDEPENDENT CONFEDERATION IN THE BRITISH COMMONWEALTH RULED BY WHITES. HARRY NKUMBULA, PRESIDENT OF THE NORTHERN RHODESIA AFRICAN CONGRESS RECENTLY DECLARED THAT A "COLD WAR" WAS IN PROGRESS BETWEEN THE BRITISH GOVERNMENT AND THE INDIGENOUS PEOPLES OF AFRICA. "WHAT ARE WE AFRICANS TO DO?" HE ASKED. "HAVE WE TO TAKE OUR CASE TO THE INTERNATIONAL COURT OF JUSTICE AND THE UNITED NATIONS, OR SHALL WE TAKE TO UNDERGROUND AND NON-COOPERATION MOVEMENTS?" HIS ORGANIZATION LAST FALL ASKED THE GOVERNMENT TO ABOLISH THE REQUIREMENT OF NIGHT PASSES FOR AFRICANS AND THE COLOR BAR (JIM CROW) IN PUBLIC INSTITUTIONS AND SHOPS IN NORTHERN RHODESIA. THE PRESIDENT AND SECRETARY OF THE NORTHERN RHODESIA AFRICAN MINEWORKERS' UNION,

41-3-111

(WITH 25 THOUSAND PAID-UP MEMBERS) HAVE BEEN TOURING BRITAIN THIS YEAR AS OFFICIAL GUESTS OF THE BRITISH NATIONAL UNION OF MINEWORKERS, IN ORDER TO STUDY METHODS OF TRADE UNION NEGOTIATION AND ORGANIZATION.

A

LIBYA IS THE STOOGE OF BRITAIN AND THE UNITED STATES, WITH THE LATTER ESTABLISHED ON A VAST AIRFIELD ON THE MEDITERRANEAN WHERE ITS EXPENDITURES HELP DOMINATE THE WASTE ACRES OF THIS DESERT WITH ITS 3 MILLION INHABITANTS. BRITISH AND EGYPTIAN TROOPS ~~XXX~~ STILL STATIONED IN THE NATION, ADMINISTER THE COUNTRY IN ITS TRANSITION. IN ITS FIRST NATIONAL ELECTION IN FEBRUARY, THE NATIONAL CONGRESS PARTY CAMPAIGNED VIGOROUSLY ON A PLATFORM DEMANDING REMOVAL OF BRITISH, FRENCH, AND UNITED STATES LAND AND AIR FORCES FROM THE COUNTRY, AND THE CLOSING DOWN OF ALL FOREIGN BASES. INCOMPLETE RETURNS GAVE THE PRO-WESTERN INDEPENDENCE PARTY 37 SEATS IN THE 55-MAN HOUSE OF REPRESENTATIVES. CONGRESS PARTY DEMONSTRATIONS WERE SMASHED BY BRITISH-LED POLICE USING TEAR GAS AND RIFLES. FIVE PERSONS WERE KILLED AND 50 WOUNDED. A DISPATCH TO THE NEW YORK TIMES ACKNOWLEDGED THAT THE SCALE OF THE INDEPENDENCE PARTY'S VICTORY HAS CAUSED "DOUBTS IN MANY MINDS REGARDING THE FAIRNESS OF THE VOTING."

41-3-115

* I HAVE NOT TIME TO COMPLETE THIS PICTURE, BUT THE AFRICAN PROBLEM AND THE REVOLT AGAINST PRESENT CONDITIONS IS CLEAR.

B

THE EFFECT OF THE REVOLT OF AFRICA ON AMERICAN NEGROES HAS BEEN DEEP BUT NOT YET QUITE REALIZED EVEN AMONG NEGROES THEMSELVES. HITHERTO THE NEGRO IN THIS COUNTRY HAS HAD A COMPARATIVELY SIMPLE PROGRAM: TO BECOME AN AMERICAN CITIZEN WITH ALL THE RIGHTS ATTACHED TO THAT STATUS. IN FOREIGN POLITICAL MATTERS HE RESENTED AMERICAN SUBJUGATION OF HAITI AND USED HIS CONSIDERABLE POLITICAL POWER TO STOP IT. BUT IN ECONOMIC POLICY, HE FOLLOWED BOOKER WASHINGTON IN BLIND WORSHIP OF CAPITALIST EXPLOITATION OF LABOR EVEN BY NEGROES. ALL HE DEMANDED WAS EQUAL RIGHT TO EXPLOIT. MR. WASHINGTON EASILY LED THE NEGRO LEADER TO OPPOSE THE LABOR UNION AND THE LABOR UNIONS COOPERATED BY EXCLUDING NEGRO WORKERS. WHEN, HOWEVER, AFTER THE FIRST WORLD WAR, COMPETITION COMPELLED THE LABOR UNIONS TO OPEN THEIR DOORS, GRADUALLY, TO BLACK WORKERS, THE NEGRO OUTLOOK BEGAN TO CHANGE. THEY RAISED THE CLAIM FOR EQUAL WORK TO THE LEVEL OF EQUAL VOTE. THEREUPON BIG BUSINESS BEGAN TO TAKE NOTICE. IT IS SIGNIFICANT THAT THE HEAD OF ONE OF OUR MOST POWERFUL INDUSTRIES HEADED TRUMAN'S COMMISSION ON CIVIL RIGHTS, AND GAINED HIM STRONG NEGRO BACKING. BUT TWO WORLD WARS HAS MADE THE NEGRO GROUP THINK. THEY ARE "JIM-CROWED IN ALL MILITARY ARMS

AND THUS ASKED TO FIGHT FOR AN AMERICA WHICH DOES NOT RECOGNIZE THEIR CITIZENSHIP. MOREOVER THEY HAVE SENTIMENTAL TIES WITH AFRICA.

IN LIBERIA BIG BUSINESS HAS PLAYED ITS SHREWDEST HAND. IT GAVE THIS CHILD OF AMERICAN NEGROES INDEPENDENCE, ALTHOUGH LONG REFUSING RECOGNITION. FRANCE, GERMANY AND BRITAIN WERE REPEATEDLY ON THE VERGE OF SEIZING THIS LAND, BUT DEFERRED TO AMERICA'S PRIOR CLAIM. WHEN THE UNITED STATES ENTERED COLONIAL IMPERIALISM AFTER THE FIRST WORLD WAR, BIG BUSINESS LED HER INTO A SMALL GRAY RUBBER FOREST IN LIBERIA. I WAS PRESENT WHEN THE FIRST FIRESTONE EMISSARY ARRIVED. FIRESTONE CUT OUT A HUGE MONOPOLY. AFTER THE SECOND WORLD WAR, THE UNITED STATES STEPPED IN AND MADE LIBERIA A NAVY AND AIRBASE WITH PERPETUAL RIGHTS; AND A FORMER SECRETARY OF STATE SECURED A CONCESSION WHICH IS ONE OF THE MOST OUTRAGEOUS OF MODERN TIMES, AND COVERS THE NATION. TO FORESTALL POSSIBLE POLITICAL REPERCUSSIONS IN BLACK AMERICA, A GROUP OF COLORED LEADERS WERE GIVEN FREE TRIPS TO THE RECENT INAUGURATION OF THE PRESIDENT FOR A THIRD TERM. THEY REPORTED STRIKING ECONOMIC DEVELOPMENT. BUT THEY COULD NOT SEE THE COLONIAL PATTERN FOR THEY HAD THEMSELVES EXPERIENCED NO EXAMPLE OF THIS, AND LIBERIAN LABOR IS NOT YET AUDIBLE.

41-3-116

YET THERE HAVE BEEN STRIKES ON THE FIRESTONE PLANTATIONS AND THE PRESIDENT WON HIS ELECTION BY DRIVING HIS CHIEF RIVAL CANDIDATE OUT OF THE COUNTRY. AMERICAN NEGROES DO NOT YET REALIZE THAT LIBERIA IS AN AMERICAN COLONY.

ON THE OTHER HAND, THE SPECTACLE OF AMERICA AS THE CHIEF ECONOMIC ALLY OF THE UNION OF SOUTH AFRICA DOES NOT SET SO WELL ON AMERICAN NEGROES, AND THE WAR ON COLORED ASIA IS UNPOPULAR. THIS HAS CALLED FOR NEW ADVANCES FROM INDUSTRY ESPECIALLY TO NEGRO CAPITAL. THE ADMISSION TO THEATRES AND HOTELS MOVE MEN OF INCOME MORE THAN WORKERS. SOCIAL CONTROL OF WEALTH ATTRACTS NEGRO AS WELL AS OTHER WORKERS, IN SPITE OF THE EXCLUSION OF ALL NEGROES FROM THE ADVANTAGES OF THE TVA.

BUT IN THE PRESENT WAR HYSTERIA AGAINST THE SOVIET UNION, THE NEGRO IS NOT SO UNITED: HE IS AS THOROUGHLY SCARED BY THE WITCH WORD "COMMUNISM" AS YOU, AND YET HE MUST REMEMBER THAT THE SOVIETS ARE NEITHER COLOR CONSCIOUS NOR COLONIAL MINDED. WHEN, THEREFORE, PAUL ROBESON DECLARED THAT NO AMERICAN NEGRO WOULD FIGHT RUSSIA, HE VOICED THE THOUGHT OF MILLIONS OF NEGROES. TO FRIGHTEN SUCH NEGROES, MANY BLACK WORKERS LOST

JOBS IN THE CIVIL SERVICE, SOME WENT TO JAIL: AND THAT WAS THE CHIEF OBJECT OF MY INDICTMENT FOR ADVOCATING PEACE. THE NET RESULT TODAY IS THE SHARPENING OF A DIVISION IN NEGRO LEADERSHIP: A CLASS OF WELL-TO-DO NEGRO BUSINESS MEN AND PROFESSIONALS WHO FOLLOW BLINDLY THE DOCTRINES OF PRIVATE PROFIT -- OPPOSING, FOR INSTANCE, SOCIAL MEDICINE WHICH NEGROES DESPERATELY NEED; AND A GROWING CLASS OF LABOR LEADERS AND YOUNGER THINKERS WHO BELIEVE IN BROADER SOCIAL CONTROL, IN LIMITING THE POWER OF WEALTH, AND IN FIGHTING THE SWAY OF BIG BUSINESS.

41-3-117

FEW OF THESE ARE COMMUNISTS SAVE IN PROTEST AGAINST THE PREVALENT CUSTOM OF CALLING ANYBODY A COMMUNIST WHO DARES ESPOUSE EVEN A LIBERAL ECONOMIC PROGRAM. BUT THIS NEGRO DICHOTOMY WILL GROW AS AMERICAN SUPPORT OF REACTION AND TYRANNY IN AFRICA GROWS INTO WAR AND OPPRESSION.

RECENTLY YOUNG NEGRO RADICALS ADDRESSED THE UNITED NATIONS: "IF AMERICA'S NAME IS NOT TO BE HATED THROUGHOUT THE WORLD WHEREVER PEOPLE STRUGGLE FOR LIBERTY, OUR GOVERNMENT MUST COMPLETLY REVISE ITS FOREIGN POLICY AND GIVE CONCRETE EVIDENCE, THROUGH

ITS CONDUCT IN THE UNITED NATIONS AND IN ALL AREAS OF INTERNATIONAL ECONOMIC, POLITICAL AND MILITARY RELATIONS, OF ITS GENUINE AND UNEQUIVOCAL SUPPORT OF THE PRINCIPLE OF NATIONAL SELF-DETERMINATION.

41-3-118

THE POLICY NOW BEING PURSUED, THE POLICY OF BRIBERY AND COERCION TO MAKE THE AMERICAN OR WESTERN WAY OF LIFE PREVAIL, CAN LEAD ONLY TO NATIONAL AND INTERNATION DISASTER. THIS POLICY IF CONTINUED, WE BELIEVE, WILL SURELY LEAD ONLY TO MORE KOREAS. PEACE CANNOT BE WON WITH EITHER GUNS OR DOLLARS. THE ONLY CONCEIVABLE WORLD OF LASTING PEACE IS A WORLD OF FREE PEOPLES LIVING TOGETHER IN MUTUAL COOPERATION, EQUALITY, AND RESPECT."

APPROACHING THIS PATTERN IS THE BELGIAN CONGO, WITH 11 MILLION NEGROES AND ONLY A HANDFUL OF WHITES, WHOSE POWER IS SUPPORTED BY THE ARMIES AND NAVIES BACK OF INVESTMENTS OF THE WHOLE CIVILIZED WORLD. IT IS EDUCATING ARTISANS, BUT TRYING DESPERATELY TO KEEP HIGHER EDUCATION FROM THE NATIVES, AND GUARDING AGAINST A NATIVE INTELLIGENTSIA. WITH THEM THE CATHOLIC CHURCH HAS VIRTUAL CONTROL OF ELEMENTARY EDUCATION. BUT THE TRADE UNION IN THE CONGO IS DUE TO PENETRATE FROM BRITISH WEST AFRICA IF NOT FROM FRENCH. THE BELGIANS ARE STRAINING BY MEANS OF A COLONIAL BENEVOLENT SOCIALISM IN THE CONTROL OF WHITES TO WARD OFF THE INEVITABLE DAY.

FRENCH AFRICA HAS A COMBINATION OF CAPITALISTIC CONTROL OF LAND AND LABOR, USING A FRENCH EDUCATED NEGRO ELITE WITH POLITICAL AND ECONOMIC POWER. THE FRENCH HAVE AMBITIOUS PLANS FOR DEVELOPING FRENCH GUINEA WITH FUNDS FURNISHED BY THE AMERICAN GOVERNMENT SO AS TO MAKE A STRATEGIC SUPPLY CENTER AND MILITARY BASE FOR THE UNITED STATES AND OTHER EUROPEAN POWERS. HYDRO-ELECTRIC DEVELOPMENTS OF THE RIVERS ARE PLANNED FROM A RANGE OF MOUNTAINS CALLED "THE WATER-TOWER OF FRENCH WEST AFRICA". POWER HOUSES ARE PLANNED TO DEVELOP 150 THOUSAND KW., AND THE TOTAL PRODUCTION OF POWER MAY EQUAL

41-3-119

THAT OF FRANCH IN 1939.

THE MINERAL RESOURCES OF GUINEA CONSIST OF: GOLD, DIAMONDS, IRON, BAUXITE IN LARGE QUANTITIES. THE IRON INDUSTRY IN GUINEA GOES BACK TO PRIMITIVE TIMES. IN ONE LOCALITY THERE ARE RESERVES OF IRON ESTIMATED AT 2 MILLION TONS WITH A METAL CONTENT OF MORE THAN 50%. TITANIUM, A METAL NEEDED BY AMERICANS FOR WAR, IS PLENTIFUL. IT HAS BEEN CALLED BY AMERICANS " THE METAL OF THE THIRD WORLD WAR."

ONLY RECENTLY HAS THIS BEEN OPPOSED BY A COMMUNIST ORGANIZATION COVERING THE WHOLE OF FRENCH SUDAN AND LED BY BLACK SENEGALESE EDUCATED IN FRANCE. THE POLITICAL ORGANIZATION WHICH IS A CONSTITUENT OF THE FRENCH UNION, HAS TODAY SEVERAL MILLION MEMBERS. ITS BEST KNOWN LEADER IS GABRIEL D'ARBUSSIER. THIS FORMS A FORCE NEIGHBORING BLACK UGANDA, THE EGYPTIAN SUDAN, AND BUT A STEP FROM ETHIOPIA. A POEM BY BERNARD DADIE OF THE IVORY COAST IS DEDICATED TO GABRIEL D'ARBOUSSIER, A VICE-PRESIDENT OF THE WORLD PEACE COUNCIL AND PRESIDENT OF THE AFRICAN DEMOCRATIC RALLY, POWERFUL PEOPLE'S MOVEMENT IN FRENCH BLACK AFRICA.

"TELL THEM GABRIEL, MESSENGER OF GREAT TIDINGS,
RUNNING THROUGH THE WORLD SINCE THE DAWN OF TIME,
TELL THEM CLEARLY AND PRECISELY,
THAT AFRICA IS BREAKING HER CHAINS,
TELL THEM THIS, AND STRONGLY,
THAT AFRICA - TO LIBERTY AND PEACE
ANSWERS: I AM HERE!

THIS NILE VALLEY HAS AGAIN AN EXTRAORDINARY HISTORY, WHOSE CENTER IS THE ETHIOPIA OF THE MIDDLE AGES, WHICH COMING DOWN FROM THE RAMPARTS OF EAST AFRICA, CONQUERED THE NILE VALLEY AND EGYPT AND THEN RETREATING FOR A THOUSAND YEARS, HELD MOSLEM IMPERIALISM AT BAY. IT WAS IN THE MIDDLE OF THE 19TH CENTURY THAT UNDER MOHAMMED ALI THE MOSLEM FLOOD WENT UP THE NILE AND CONQUERED THE SUDAN, BUT IT WAS DRIVEN BACK, EVEN THOUGH SUPPORTED BY THE ENGLISH AND FRENCH, UNTIL THE BLACK MAHDI DROVE THE EUROPEAN OUT OF CENTRAL AFRICA FOR 14 YEARS. THEN ENGLAND, AROUSED BY THE RIVALRY OF FRANCE AND THE LURE OF SOUTH AFRICA, SENT KITCHENER AND HIS MACHINE GUNS AND RECAPTURED KHARTOUN.

THE BRITISH TRIED TO INSTALL THE ITALIANS IN ETHIOPIA, BUT AT THE CRUCIAL

41-3-120

BATTLE OF ADWA MENELIK THOROUGHLY THRASHED ITALIAN IMPERIALISM, AND FOR A WHILE THE DESTINIES OF AFRICA RESTED IN THE HANDS OF MENELIK OF ETHIOPIA, KITCHENER OF KHARTOUN, AND THE FRENCH AT FASHODA. EUROPEAN IMPERIALISM WON AND ETHIOPIA BECAME THE PRISONER OF EUROPEAN INVESTMENT. ALMOST OBLITERATED IN THE SECOND WORLD WAR, BUT RESTORED WITH AN INDEPENDENCE WHICH IS BASED ON THE GOOD WILL OF CAPITAL IN GREAT BRITAIN, AMERICA AND FRANCE, ETHIOPIA GAINED ERITREA, BUT TODAY THE BRITISH AND OTHERS ARE DESTROYING NEARLY ALL OF THE INSTALLATIONS AT THE MAIN PORT OF MASAWA, WHICH IS ETHIOPIA'S ONLY OUTLET TO THE SEA.

AND IN A PURELY POLITICAL DEAL, THE LARGER PART OF SOMALILAND HAS BEEN HANDED BACK TO THE ITALIANS FOR AT LEAST 10 YEARS. THE PROTEST OF THE SOMALIS WAS BROUGHT TO THE UNITED NATIONS. I SAW AND TALKED WITH THE KEEN-FACED YOUNG BLACK MAN, ISA, WHO PRESENTED IT. IT SAID THAT THEY REPRESENTED THE SOMALI YOUTH LEAGUE, AND THAT UNDER ITALIAN RULE THE SOMALI FOR 50 YEARS WERE DEPRIVED OF ANY FORM OF EDUCATION; THAT THE

ITALIANS MONOPOLIZED COMMERCE AND INDUSTRY, USING SOMALIS ONLY AS SERVANTS AND LABORERS. THE SOMALI WERE ALLOWED TO FORM NO POLITICAL ORGANIZATION, AND THERE WAS NO FREEDOM OF SPEECH. DESPITE THIS PLEA, ITALIAN SOMALILAND WAS TURNED OVER TO THE ITALIANS, AND THE EXPLOITATION AND OPPRESSION CONTINUES, WITH ACCELERATED TEMPO.

IN THE EGYPTIAN SUDAN THERE IS MEETING TODAY TWO TYPICAL AFRICAN IDEAS. THE DOMINATION OF THE SOURCE OF THE WATERS OF THE NILE BY PRESENT EGYPTIAN FEUDALISM, AND THE DOMINATION OF THIS CENTER OF ENGLISH CAPITALISTIC INVESTMENT BY A BLACK CIVIL SERVICE, TRAINED UNDER ENGLISH OFFICIALS AND SHARING TO A LIMITED EXTENT ENGLISH CONTROL. OPPOSING THIS OFFICIAL ELITE ARE THE WORKERS.

35-10-31

A UNITED FRONT OF ORGANIZATIONS, INCLUDING THE SUDAN WORKERS FEDERATION, FOR THE LIBERATION OF THE SUDANESE, WAS ESTABLISHED LAST MONTH. THEY DEMAND TERMINATION OF CONDOMINIUM RULE, IMMEDIATE EVACUATION OF BRITISH AND EGYPTIAN TROOPS, ESTABLISHMENT OF A PROVISIONAL GOVERNMENT TO ADMINISTER THE COUNTRY FOR A YEAR AND ORGANIZE ELECTIONS FOR A

CONSTITUENT ASSEMBLY, WHICH WOULD DECIDE THE COUNTRY'S FUTURE AND DRAFT A CONSTITUTION. A THREE-DAY GENERAL STRIKE, WHICH WAS STARTED JANUARY 20 BY THE SUDAN WORKERS FEDERATION IN SUPPORT OF THESE DEMANDS AND FOR A 75 PER CENT PAY INCREASE AND SHORTER WORKING HOURS PARALYZED COMMUNICATIONS IN THE COLONY. POLICE WERE BUSY ARRESTING DEMONSTRATORS AND TEAR-GASSING THEM.

IN NORTH AFRICA THE FRENCH DOMINATION OF TUNIS AND ALGIERS FORMS THE SAME PATTERN THAT IS DOMINANT OVER MOST OF AFRICA. THEY CONTROL THE MASS OF THE NATIVE POPULATION BY A HANDFUL OF FRENCH CAPITALISTS REPRESENTED BY FRENCH OFFICIALS. THIS IS CAUSING UPHEAVAL IN TUNISIA, ALGERIA AND MOROCCO, AND AGAIN THE AMERICANS ARE RETURNING WITH AIR BASES WHICH THEY NEGOTIATED WITH THE FRENCH CAPITALISTIC GOVERNMENT AND NOT WITH THE RECOGNIZED RULER OF MOROCCO; WITH AIR BASES AND NAVAL BASES IN LIBYA, IN COLLABORATION WITH THE FEUDAL CHIEFS AND NATURALLY WITH AMERICAN INVESTMENT AND INFLUENCE IN EGYPT.

EGYPTIAN AND BRITISH DIPLOMATS ARE SPEAKING POLITELY TO ONE ANOTHER. AND BEHIND THE SCENES IS AMERICAN AMBASSADOR JEFFERSON CAFFERY. THE CURRENT ADULATION OF FAROUK IN THE AMERICAN PRESS APPEARS DESIGNED TO ADD WEIGHT TO THE PROPOSAL MADE BY THE UNITED STATES STATE DEPARTMENT EARLY IN JANUARY THAT THE WEST BUY EGYPT'S PARTICIPATION IN THE MIDDLE EAST MILITARY ALLIANCE (AN EXTENSION OF THE NORTH ATLANTIC MILITARY ALLIANCE) BY GRANTING RECOGNITION OF EGYPT'S KING AS RULER OF THE SUDAN. SUCH BETRAYAL AND REPRESSION HAS OCCURRED MANY TIMES DURING THE 70 YEARS OF BRITAIN'S OCCUPATION OF EGYPT. IT IS IN FACT ONLY BECAUSE OF THE EGYPTIAN RULING CLIQUE'S REPEATED BETRAYALS OF THE PEASANTS, WORKERS, AND YOUTH THAT THE BRITISH HAVE BEEN ABLE TO REMAIN THERE. BUT TODAY THE DEMAND FOR FREEDOM RUNS WIDE AND DEEP AMONG EGYPT'S 20 MILLION PEOPLE. IT CANNOT BE BOTTLED UP.

41-3-112

IN TRIPOLI, NORTH AFRICA, ONLY A FEW DAYS AGO, AMERICAN, BRITISH AND ITALIAN FLAGS WERE TORN TO SHREDS IN ANGRY PROTEST AGAINST THE ATTEMPTED SELLOUT OF THE FORMER ITALIAN COLONIES. IN THE FRENCH COLONIES OF AFRICA A POWERFUL MASS MOVEMENT FOR FREEDOM, THE AFRICAN DEMOCRATIC UNION, HAS DEVELOPED IN THE PAST TWO YEARS.

IN ALL SECTIONS OF THE CONTINENT, INCLUDING FASCIST SOUTH AFRICA, BLACK PEOPLE ARE AWAKE AND IN MOTION WITH A NEW DETERMINATION TO THROW OFF THE SHACKLES OF COLONIAL BONDAGE.

FRENCH INTERESTS DOMINATE NINE-TENTHS OF THE ECONOMY OF TUNISIA. IN MOROCCO, UNITED STATES INTERESTS REPRESENTED BY THE NEWMONT MINING CORPORATION AND ST. JOSEPH LEAD COMPANY, CONTROL A MAJOR PORTION OF THE MINING INDUSTRY. MOROCCAN MINERS ARE PAID 15¢ AN HOUR, AND FORTUNE MAGAZINE HAILS THIS AS A 'PROFIT BONANZA'. AND THIS EXPLOITATION HAS BEEN EXTENDED BY MARSHALL PLAN LOANS OF SEVERAL MILLION DOLLARS TO FRENCH MINING COMPANIES CONTROLLED BY NEWMONT AND ST. JOSEPH IN MOROCCO. THIS POLICY HAS COST US AMERICAN PEOPLE HUNDREDS OF MILLIONS OF DOLLARS IN MOROCCO ALONE IN THE BUILDING OF AIR BASES, A BIG PORTION OF THE AMERICAN PEOPLE'S MONEY HAVING BEEN SQUANDERED IN CORRUPTION AND WASTE.

UGANDA IS PERHAPS THE MOST ARRESTING EXAMPLE OF MISSIONS AND EXPLOITATION. ITS 5 MILLION BLACK PEOPLE WERE ONCE THE MOST HIGHLY DEVELOPED OF MODERN AFRICA, LIVING IN A BEAUTIFUL LAND. MOHAMMEDANS, PROTESTANTS, AND CATHOLICS INVADED THEM AND

STARTED A PERFECT DEVILS DANCE OF WAR AND DESTRUCTION WHICH RESULTED IN THE DEATH OF AN ENGLISH BISHOP. THE BRITISH EMPIRE MOVED IN TO FORESTALL THE GERMANS AND FRENCH, DEPOSED THE KING, AND ANNEXED UGANDA AS A "PROTECTORATE". THERE FOLLOWED JOCKEYING FOR CONTROL OF LAND AND LABOR, WHICH HAS REDUCED THE LAND TO THE USUAL COLONIAL PATTERN, WITH COTTON AS THE CHIEF EXPLOITED CROP. RIOTS BROKE OUT AFTER THE FIRST WORLD WAR. THE BLACK PRESIDENT OF THE FARMERS UNION FLED TO ENGLAND, WAS THREATENED WITH IMPRISONMENT IF HE DID NOT RETURN. HIS AND OTHER TRADE UNIONS WERE BANNED UNLESS "REGISTERED". TODAY NOT A SINGLE TRADE UNION IS REGISTERED. THE ORGANIZED WHITE EMPLOYERS EXPLAIN: "STRIKES MIGHT EASILY HAVE THE UGLY APPEARANCE OF CIVIL WAR IN SUCH A COUNTRY AS UGANDA... HERE THERE IS NO NEED TO TAKE THE RISK OF HANDLING THE HIGH EXPLOSIVE MIXTURE OF COLLECTIVE BARGAINING, THE STRIKE, THE PICKETING, AND THE SUBSEQUENT RIOT. WE CAN CARRY ON QUITE HAPPILY WITH INDIVIDUAL BARGAINING, NO STRIKE, AND NO PICKETING." BUT UGANDA IS NEXT TO THE FERMENT OF THE SUDAN AND THE INDEPENDENCE OF ETHIOPIA AND LIBYA.

41-3-113

FROM KENYA COMES A CRY. MOIYN KOINANGE, WHO CAME TO THE UNITED STATES IN 1927 TO STUDY, RECEIVING HIS M.A. DEGREE FROM COLUMBIA UNIVERSITY, IS FOUNDER AND PRINCIPAL OF THE KENYA TEACHERS' COLLEGE AND AN EXECUTIVE MEMBER OF THE KENYA AFRICAN UNION. HE AND ANOTHER MEMBER WENT TO PARIS LAST FALL TO PLACE THEIR COUNTRYMEN'S PETITION BEFORE THE UNITED NATIONS. THEY THEN PRESENTED THEIR PETITION TO THE BRITISH GOVERNMENT IN LONDON. COLONIAL SECRETARY OLIVER LYTTELTON REFUSED TO SEE THE DELEGATES. "LAND IN AFRICA IS LIFE", SAID KOINANGE, "FOR THE PEOPLES OF AFRICA, WHETHER THEY BE STOCKMEN OR CULTIVATORS, LAND IS THE BASIS OF SOCIETY OR SOCIAL ORGANIZATION. PROGRESS AND DEVELOPMENT BEGINS WITH SECURITY OF TENURE IN THE LAND. IN 1901 THERE WERE 13 SETTLERS IN KENYA. TODAY THERE IS A EUROPEAN POPULATION OF 38 THOUSAND. THE AFRICAN POPULATION IS 5 MILLION, 545 THOUSAND. SINCE THE TURN OF THE CENTURY 16 THOUSAND 700 SQUARE MILES OF TERRITORY HAS BEEN TAKEN AWAY FROM THE AFRICANS AND GIVEN TO THE EUROPEANS." THIS, IS THE BASIS OF THE PETITION INITIATED BY THE KENYA AFRICAN UNION AND ENDORSED BY HUNDREDS OF THOUSANDS IN THE BRITISH EAST AFRICAN COLONY, WHERE THE

WHITE SETTLERS HAVE RESERVED THE BEST LAND AREAS, ON THE HIGHLAND PLATEAU, FOR THEIR OWN OWNERSHIP.

THE NIGERIAN EASTERN MAIL, A NEGRO WEEKLY, IN OCTOBER, 1950, SAID OF THE UNITED STATES HELP FOR SOUTH KOREA, CHIANG KAI-SHEK, BAO DAI, AND THE REACTIONARY PHILLIPINES: "SUCH A SHORTSIGHTED, CYNICAL AND IMMORAL POLICY IS THE QUICKEST WAY OF SELLING COMMUNISM TO THE MASSES OF ASIA, AND PERSUADING THEM THAT THE BRITISH AND AMERICANS DO NOT REGARD THE SUBSTANCE OF DEMOCRACY AS AN EXPORTABLE ARTICLE BUT CONSIDER EVEN THE MOST CORRUPT GOVERNMENT GOOD ENOUGH FOR ASIATICS, SO LONG AS IT KEEPS THEM OUT OF THE HANDS OF THE COMMUNISTS.

41-3-114

"AND IS THIS NOT THE VERY THING THAT WILL CREATE CYNICISM, DOUBT AND DISTRUST IN AFRICA? WILL NOT SUCH AN EVIL AND INSINCERE POLICY IN ASIA PROMPT AFRICAN NATIONALISTS TO ASK 'CAN THESE PEOPLE BE SINCERE?' WHEN THE ASIATICS ASK FOR BREAD AND GET STONES, CAN WE TRUST THEM TO LEAD US TO REAL, DEMOCRATIC SELF-GOVERNMENT?"

Teachers Union

May I express to the President, the Officers, the Directors and the Members of The Teachers Union my very deep appreciation of the great honor which they have done me. I could wish it were possible for me to discuss at some length with this audience the implications of this occasion and its meaning to us all. But I cannot. Perhaps, however, you will permit me earnestly to hope that (with real courage) real progress may be accomplished this year by this organization and by this nation in all the years to come for Peace and Freedom and Education.

IT IS THE CURIOUS OBSESSION OF OUR TIME, THAT AT THE VERY HOUR WHEN AS SELDOM BEFORE WE NEED TO DISCUSS AND EXPLORE IDEAS AND METHODS OF SOCIAL PROGRESS, THERE IS PRACTICALLY NATIONAL EFFORT AND EVEN WIDE INTERNATIONAL SUPPORT, TO FRIGHTEN US BY OVERWHELMING PUBLIC OPINION, FROM THINKING OF, READING, SPEAKING, OR LISTENING TO, ANY PAST OR PRESENT PLANS OF FUNDAMENTAL SOCIAL REFORM.

YET AS THE VERY FABRIC OF CIVILIZATION IS DISSOLVING IN OUR FACES, WE MUST EXPLORE OR DIE. THE WARNING AGAINST ANY SUCH EFFORT IS THAT MOST SUGGESTED REMEDIES ARE SOCIALISTIC OR COMMUNISTIC, AND POINT TOWARD CURRENT TRENDS IN CHINA, THE SOVIET UNION, GREAT BRITAIN AND SCANDINAVIA; OR EVEN BACK TO OUR OWN RECENT PAST IN THE REIGN OF ROOSEVELT. FLOODS IN THEIR USUAL ROUTINE, AND HURRICANES, HAVE THIS YEAR, AS MANY YEARS BEFORE, SPREAD DEATH AND POVERTY OVER OUR NATION. BUT THE OBVIOUS REMEDY OF BROADLY PLANNED FLOOD CONTROL AND REFORESTRATION IS DISTINCTLY IN ACCORD WITH THE SIMILAR WIDE PLANNING OF THE SOVIET UNION. SOCIAL MEDICINE IS SURELY A PRESSING NECESSITY IN THE UNITED STATES, BUT IT IS ALSO THE GREAT AND MOST SUCCESSFUL ACCOMPLISHMENT OF SOCIALIST

48-4-138

BRITAIN AND CONSEQUENTLY ANATHEMA TO THE NEW YORK TIMES. HOUSING FOR MILLIONS OF HOMELESS AMERICANS, INCLUDING TENS OF THOUSANDS OF CRIPPLED AND DISILLUSIONED SOLDIERS, IS THE ONLY DECENT EXCUSE FOR OUR INDECENT TAXATION OF THE POOR; BUT IT IS ALSO THE METHOD OF SEMI-SOCIALISTIC LANDS LIKE SWEDEN WHICH REFUSE TO JOIN THE ATLANTIC PACT. IN A NATION WHOSE AVERAGE AGE IS GROWING ANNUALLY OLDER, LEAVING THOUSANDS OF MEN FACING STARVATION AFTER YEARS OF HONEST WORK, WE MIGHT TAKE A LEAF FROM THE EFFORT OF NEW CHINA TO PROVIDE OLD AGE SECURITY AND JOB CERTAINTY FOR OUR HARD PRESSED WORKERS; BUT WE ARE WARNED AGAINST THAT BECAUSE WE ARE ON THE VERY EDGE OF TRYING OURSELVES TO SMASH CHINESE COMMUNISM.

46-9-139

BUT OF ALL MATTERS THAT WHICH SHOULD EXERCISE OUR EARNEST CURIOUSITY AND DESPERATE EFFORT IS OUR SYSTEM OF EDUCATION, WHICH TODAY HAS MADE THIS INTELLIGENT, RICH AND RESOURCEFUL NATION, SO STUPID IN FACING THE TERRIBLE PROBLEMS WHICH ARE BEFORE US THAT WE ARE ACTUALLY PREPARING TO DIE AND KILL OUR OWN WORLD, WHEN AS NEVER BEFORE WE HAVE THE IDEAL AND THE TECHNIQUE FOR LIFE. DESPITE THE FACT THAT WE ARE IGNORING ALL THE LESSONS

OF HISTORY, REVILING AND INSULTING THE GREAT PROPHETS WHO HAVE STRIVEN AMID DEATH AND STARVATION TO INTERPRET OUR ERA TO THE GOOD OF MANKIND; DESPITE OUR VAST EXPENDITURE FOR BRICKS AND MORTAR IN WHAT WE CALL OUR UNIVERSITIES; DESPITE ALL THIS, WE DO NOT DARE DISCUSS OUR PUBLIC SCHOOL SYSTEM BECAUSE WE KNOW IF WE KNOW ANYTHING THAT THE PUBLIC SCHOOL SYSTEM OF MOSCOW IS TODAY BETTER THAN THE PUBLIC SCHOOL SYSTEM OF NEW YORK.

46-9-140

AND I SUPPOSE THAT JUST BECAUSE THIS SUBJECT IS TABU IF NOT CRIMINAL I AM GOING TO TALK ABOUT IT, HAVING COME OF A STUBBORN GENERATION WHICH ALWAYS INSISTED ON TALKING ABOUT THINGS WHICH MOST OF OUR FELLOWS DARED US TO THINK OVER, MUCH LESS TO MENTION.

I KNOW SOMETHING ABOUT THE PUBLIC SCHOOLS OF THE UNITED STATES; IN NEW ENGLAND, NEW YORK, THE MIDDLE WEST, AND THE SOUTH. I HAVE ATTENDED THEM, AND MY CHILDREN HAVE; I HAVE TAUGHT IN THEM, AND WHAT IS MUCH MORE IMPORTANT I HAVE TRIED TO TEACH CHILDREN WHO HAVE BEEN THE VICTIMS OF THESE SCHOOLS. ON THE OTHER HAND, IN THE MIDST OF AN ARRAY OF AUTHORITIES ON THE SOVIET UNION WHO KNOW THE COMPLETE FACTS ABOUT THAT COUNTRY AND TELL THEM EVERYWHERE AND OFTEN, I MAKE NO PRETENSE OF KNOWING THE WHOLE EDUCATIONAL SYSTEM

OF THIS VAST AND FASCINATING NATION WHICH TODAY DESPITE THE UNRESTING EFFORT OF THE WEALTH AND INGENUITY OF AMERICA IS THE CENTER OF THE WORLD'S THOUGHT AND INTEREST. AMID THE EVER INCREASING ARRAY OF REFUGEES, STOOL PIGEONS AND PAID LIARS WHO TODAY ARE TELLING US OF THE MISTAKES AND FAILURES OF THE SOVIET UNION, I KNOW OF MY OWN PERSONAL EXPERIENCE ONLY A LITTLE SOMETHING OF THE SCHOOL SYSTEM OF RUSSIA WHICH I WANT TO LAY BEFORE YOU FOR YOUR THOUGHT.

IN 1928 I SPENT SEVERAL WEEKS IN THE SOVIET UNION, VISITING CRONSTAD, LENINGRAD, MOSCOW, NISHNI NOVGOROD, NOW GORKI, KIEV AND ODESSA. THIS WAS BUT FLEETING OBSERVATION WITHOUT DETAILED STUDY OR STATISTICAL INQUIRY, AND WITH ONLY A SMATTERING OF THE LANGUAGE OF THE LAND; BUT ON THE OTHER HAND, OBSERVATION QUITE FREE AND UNCONTROLLED. THERE WAS ONE PHENOMENA WHICH INTRIGUED ME AND WHICH I WATCHED CAREFULLY, AND THAT WAS THE WILD CHILDREN: THE LITERALLY THOUSANDS OF INCREDIBLY DIRTY, HOMELESS, CRIPPLED AND WILD CHILDREN FROM ALL PARTS OF RUSSIA, THE RESULT OF TEN YEARS OF WAR ON RUSSIAN SOIL CARRIED ON BY 16 CIVILIZED NATIONS OF THE WORLD INCLUDING OUR OWN, IN ORDER TO COMPEL THE

46-9-141

RUSSIAN REVOLUTION TO FOLLOW THE PATH WHICH THE WESTERN WORLD HAD MAPPED OUT.

THESE CHILDREN WHO LIVED IN DROVES WERE A TERRIBLE SIGHT AND LITERALLY SWARMED IN THE LARGE CITIES. I SAW THEM CRAWLING IN AND OUT OF THE SEWERS OF MOSCOW -- THEY WERE HORRIBLE TO SEE AND MORE HORRIBLE TO THINK ABOUT. THEY HAD IN THEM THE MAKING OF A CRIMINAL CLASS WHICH I KNEW MIGHT HAUNT RUSSIA FOR GENERATIONS. I WAS NATURALLY INTERESTED IN THEM. THEY MADE ME THINK OF NEGRO CHILDREN IN THE SLUMS OF NEW ORLEANS AND CHARLESTON, IN THE JAILS OF ATLANTA, AND ON THE PLANTATIONS OF MISSISSIPPI-- ONLY THEY WERE WORSE OFF, AND SEEMED MORE WRETCHED AND HOPELESS.

WHAT WAS BEING DONE ABOUT THEM? AT FIRST SIGHT, NOTHING; NOBODY MOLESTED THEM, LEAST OF ALL THE AUTHORITIES. ONCE IN A WHILE I SAW POLICE STOP A FIGHT OR A ROBBERY OR DRIVE THE CHILDREN AWAY FROM SOME PUBLIC PLACE, BUT I NEVER SAW ONE ARRESTED. THEN I WAS SHOWN AN INSTITUTION, ONE OF MANY, -- NOT A JAIL, AND WITH NO APPEARANCE OF A REFORM SCHOOL, BUT A PLAIN AND ORDINARY BUILDING IN THE SUBURBS, WITH LAND AND OUTBUILDINGS BUT NO GATES OR BARS. HERE I WAS TOLD THESE CHILDREN COULD COME WHEN THEY WOULD AND GO WHEN THEY DESIRED. THEY WERE GIVEN FOOD AND LODGING, AND AS LONG AS THEY STAYED THEY

46-9-142

MUST WORK AND STUDY. SOME STAYED, SOME WENT. IT WAS A CURIOUS EXPERIMENT AND UTTERLY NEW TO ME, MY TRAINING AND EXPERIENCE. I WONDERED HOW IT WAS GOING TO TURN OUT. NEARLY TEN YEARS PASSED BEFORE I VISITED THE SOVIET UNION AGAIN. MY TRIP IN 1936 WAS SHORT, COVERING ONLY 10 DAYS, BUT IN THAT TIME I TRAVERSED THE COMPLETE LENGTH OF THE SIBERIAN RAILROAD, TRAVELLING 3,500 MILES FROM MOSCOW TO MANCHURIA. I DID NOT ASK ABOUT THE WILD DHILDREN, BUT I DID NOT SEE THEM. I SAW NO TRACE OF THEM AT ALL. I DID SEE PEOPLE STANDING IN CUES TO BUY FOOD, AND AN EXTRAORDINARY NUMBER OF BOOKSTORES AND PERSONS ON STREET CARS, IN PARKS, AND IN THE STREETS, READING BOOKS! I HAVE NEVER SEEN IN THE UNITED STATES, FRANCE, OR ENGLAND, SO MANY PEOPLE WHO APPARENTLY HAD THE HABIT OF READING. AND, AS I HAVE SAID, THE WILD CHILDREN WERE GONE.

46-9-143

IT WAS 13 YEARS LATER IN 1949 THAT I SPENT SOME TEN DAYS IN MOSCOW, VISITING A PEACE CONGRESS, AND SEEING SOMETHING OF THE CITY. BUT MY MOST INTERESTING CONTACT WAS A YOUNG MAN ABOUT 30 WHO WAS MY GUIDE AND INTERPRETER. HE WAS NOT PARTICULARLY BRILLIANT OR IN ANY WAY NOTABLE; BUT HE SPOKE FAIRLY GOOD ENGLISH, WAS ALERT, AND ENTHUSIASTIC

ABOUT LIFE. AFTER MEETING MANY YOUNG PEOPLE OF THE MODERN WORLD INCLUDING THOSE IN MY OWN CLASSES, I WAS ASTONISHED AT THE VERVE FOR LIFE THAT THIS MAN REPRESENTED. HE WAS CONNECTED WITH THE ORGANIZATION WHICH SUPERINTENDED CONTACTS BETWEEN FOREIGN VISITORS AND RUSSIANS, PUBLISHED PAMPHLETS, AND HAD A WORLDWIDE CORRESPONDENCE. HE TOLD ME OF HIS OWN EDUCATION. HE WAS ONE OF MANY CHILDREN IN A POOR PEASANT FAMILY, AND SAID QUITE FRANKLY THAT IF THE GOVERNMENT HAD NOT TAKEN HOLD AND GUIDED HIS EDUCATION HE WOULD HAVE HAD NONE.

46-9-144

SELECTED BECAUSE OF HIS MARKS OBTAINED IN THE SECONDARY SCHOOL, HE WAS SENT TO HIGH SCHOOL AND COLLEGE AND PAID WAGES WHILE ATTENDING. HIS FURTHER EDUCATION WAS CAREFULLY PLANNED: HE STUDIED MUSIC AND PLAYED THE PIANO. HE DID SOME PAINTING, AND NOW HE WAS WORKING PARTLY FOR THE GOVERNMENT, AND WRITING A THESIS ON "SOCIAL DEVELOPMENT IN THE MODERN WORLD" IN WHICH HE WAS TREMENDOUSLY INTERESTED. HE ASKED ALL SORTS OF QUESTIONS, AND WANTED VERY MUCH TO VISIT AMERICA FOR FURTHER OBSERVATION. HE WAS NOT YET MARRIED BUT EXPECTED TO BE IN THE NEXT ONE OR TWO YEARS.

HE LIVED IN AN APARTMENT FURNISHED BY THE GOVERNMENT, AT A RENT WHICH DID NOT TAKE MORE THAN 1/5 OF HIS INCOME. HE BOARDED IN THE COMMISSARY CONNECTED WITH HIS HOUSING PROJECT, AND HE REGULARLY ATTENDED THE THEATRE AND THE CINEMA AT SMALL OR NO COST TO HIMSELF. HIS NEXT VACATION at government expense HE EXPECTED TO SPEND IN THE TROPICAL CAUCASUS, WHICH HE WAS EAGER TO SEE, HAVING NEVER LIVED IN A WARM CLIME. HE WAS WELL, BUT NOT EXTRAVAGANTLY DRESSED, PROMPT IN HIS APPOINTMENTS, AND, AS I HAVE SAID, EAGER FOR LIFE.

WHILE HE WAS ESCORTING ME ABOUT DAILY I NOTICED THE CHILDREN ON THE STREETS. THEY WERE WELL DRESSED, AND BUSY. THEY WERE GOING TO SCHOOL OR COMING FROM SCHOOL. THEY WERE GOING ON EXCURSIONS. THEY WERE VISITING MUSEUMS. THEY WERE NEVER LOAFING ABOUT AND CLUTTERING THE CORNERS. THEY WERE COURTEOUS. ON THE FIRST TWO CARS OF THE FABULOUSLY BEAUTIFUL SUBWAY WHICH I ENTERED, TWO GIRLS IMMEDIATELY ROSE AND OFFERED ME THEIR SEATS, WHICH SEEMED MORE EMBARRASSING TO ME THAN TO THE OTHER PASSENGERS.

IT WAS EVIDENT FROM THIS OBSERVATION THAT THE WILD CHILDREN HAD, AS WE ARE SO FOND OF SAYING, BEEN "LIQUIDATED". I DO NOT BELIEVE THAT THEY HAD BEEN KILLED IN MASS.

46-9-145

ON THE CONTRARY, I AM SURE THAT VERY GRADUALLY AND SLOWLY, OUT FROM AMONG THEM, THOSE OF LATENT ABILITY AND AMBITION HAD BEEN SELECTED AND THEIR LIVES PLANNED FOR THEM, SO THAT IN EDUCATION AND INDUSTRY THEY COULD GO AS FAR AS THEY WISHED, AND IN WHAT DIRECTION THEY WISHED; LIMITED, HOWEVER, AND LIMITED VERY CAREFULLY BY WHAT THE CITY AND NATION NEEDED IN WORK AND THOUGHT FROM THIS GENERATION OF HUMAN BEINGS.

I DO NOT KNOW JUST HOW SUCCESSFUL THIS VAST SYSTEM OF EDUCATION AND DISCIPLINE HAS BEEN IN THE SOVIET UNION OR WILL BE IN THE FUTURE, BUT I DO KNOW THAT THEORETICALLY THIS IS THE ONLY WAY IN WHICH A GENERATION OF HUMAN BEINGS CAN BE TRAINED, AND THAT ITS SUCCESS DEPENDS UPON THE SORT OF TEACHERS THAT THE NATION CAN OBTAIN, AND THE SORT OF GENERAL LEADERSHIP OVER THE THOUGHT AND ACTION OF THE CITIZENS IT CAN SUCCESSFULLY MAINTAIN.

46-9-146

I SAT IN 1949 IN THE GREAT MARBLE HALL OF THE LABOR UNIONS IN MOSCOW, AND LOOKED UPON THE MARBLE COLUMNS AND EXTRAORDINARY ARCHITECTURE OF THIS MAGNIFICENT BUILDING WHERE THE NOBILITY OF THE CZARIST REGIME USED TO GAMBLE AND GET DRUNK, I LOOKED DOWN

In the fascinated company of sycophantic Americans

INTO THE FACES OF A THOUSAND PERSONS. THEY REPRESENTED EVERY PART OF RUSSIA AND MANY TYPES OF MANKIND: THE BROAD FACES OF THE SLAVS, THE SHARP FACES OF THE NORDIC GROUPS, THE DARK SKINS OF ASIA. THEY WERE TREMENDOUSLY INTERESTED IN THE TALKS ABOUT PEACE, TO WHICH THEY LISTENED TIRELESSLY AT LEAST 10 HOURS A DAY. IT SEEMED TO ME THAT AMONG THEM, AND AMONG SUCH LEADERS OF PRESENT RUSSIA AS I MET, THAT RUSSIA WAS GETTING AN EXTRAORDINARY AMOUNT OF ABILITY AND EFFICIENCY OUT OF HER POPULATION; THE KIND OF ABILITY WHICH IN AN ARISTOCRACY, OR IN OUR PLUTOCRACY, WE ARE FAILING TO DISCOVER OR ADEQUATELY TO USE.

46-9-47

THIS, OF COURSE, WAS SIMPLY AN IMPRESSION, AND I WAS QUITE AWARE OF THE STRENGTH OF THE CRITICISM THAT CAN BE BROUGHT AGAINST THIS THEORY OF EDUCATION: THAT IS, IF A STATE INSTEAD OF MERELY TAKING CHARGE OF THE CHILDREN PARTIALLY FROM THE AGE OF 6 TO 14, ~~AND THEN GIVING~~ gives UP ITS CONTROL OF EDUCATION, IT IS GOING TO SEND AN ILL-EQUIPPED AND USUALLY PUZZLED YOUTH OUT INTO A DIFFICULT WORLD. BUT IF, ON THE OTHER HAND, EDUCATION TRIES TO COVER THE LIFE OF A HUMAN BEING FROM THE TIME HE IS BORN THROUGH THE PRIMARY

AND SECONDARY SCHOOLS, UP TO THE CHOICE OF HIS VOCATION AND THEN THROUGH HIS ADULT LIFE, IT IS ESSAYING A TREMENDOUS JOB, AND IT IS APPLYING AND MUST APPLY A DEGREE OF DISCIPLINE TO WHICH AMERICA AND THE WESTERN WORLD IS NOT ACCUSTOMED. BUT IT IS UNDERTAKING TO FURNISH FOR THE STATE THE WORK WHICH IT NEEDS AND THE TRAINED WORKER WHO CAN AND WILL DO IT. AFTER THAT IT IS GOING IN SOME DEGREE TO UNDERTAKE TO TELL THE ADULT WORKER WHAT LIFE IS AND WHAT IT MAY GIVE HUMAN BEINGS IN DRAMA, IN FORMATION, ~~VACATION~~ recreation; IN LITERATURE AND ART. ON THE STREETS OF MOSCOW NOW, NIGHT OR DAY, THERE IS NO SIGN OF DRUNKENNESS OR PROSTITUTION; OF HOODLUMS OR GANGS, OR OF CRIMES OF VIOLENCE; IF THIS IS BECAUSE ALL CRIMINALS OR POSSIBLE CRIMINALS ARE IN JAIL, HERE AGAIN IS FOOD FOR OUR THOUGHT AND STUDY.

46-9-48

HERE THEN COMES THE REAL PROBLEM OF SOCIALISM AND COMMUNISM, AND THE REAL DIFFERENCE BETWEEN THAT WAY OF LIFE AND OURS. BUT WE OUGHT TO REMEMBER THAT INSTEAD OF SPENDING OUR TIME, MONEY AND PROPAGANDA IN TELLING THE WORLD OF THE MISTAKES OF RUSSIA, WE SHOULD TURN TO OURSELVES AND SEE HOW FAR WE CAN ESTABLISH IN THIS COUNTRY A DECENT

SYSTEM OF EDUCATION, WHICH TODAY WE HAVE NOT OBTAINED, AND A CULTIVATED, INTELLIGENT PUBLIC. WE MAY DO THIS BY WHAT WE CALL "FREEDOM." SO FAR WE HAVE FAILED MISERABLY. FROM MY OWN OBSERVATION COVERING MANY YEARS, I AM CONVINCED THAT THE SYSTEM OF EDUCATION IN THE UNITED STATES TODAY IS WORSE THAN IT WAS 50 YEARS AGO, WITH NO IMMEDIATE PROSPECT OF IMPROVEMENT. PROPORTIONATELY OUR EXPENDITURE FOR EDUCATION IS LESS; THE NUMBER OF OUR TRAINED TEACHERS IS POORER IN QUALITY, AND LATELY WE ARE SECURING FEW PERSONS OF INDEPENDENT MIND AND REAL CONVICTION FOR THE TEACHING PROFESSION. THE SCHOOLS IN WHICH MY DAUGHTER FOR 20 YEARS HAS BEEN TEACHING IN BALTIMORE ARE SO CROWDED, SO POORLY EQUIPPED, SO WRETCHEDLY SUPERVISED, THAT NO CHILD CAN COME OUT OF THESE CLASSES ADEQUATELY EQUIPPED FOR LIFE ~~IF HE DEPENDS ON THESE PUBLIC SCHOOLS~~.

46-9-149

IT MAY WELL BE AND IT HAS HAPPENED, THAT DEVOTED TEACHERS WORKING OUTSIDE THEIR REGULAR HOURS, AND TRAINED PARENTS WHO HAVE THE TIME AND VISION, CAN RESCUE OUT OF THIS HETEROGENEOUS MASS, YOUNG MEN AND WOMEN WHO WILL MAKE GOOD CITIZENS; BUT ON THE WHOLE THEY ARE THE EXCEPTIONS, AND NOT THE RULE. MOREOVER, IF THE SOVIET UNION HAS GONE TOO

FAR IN GIVING DIRECTION AND DISCIPLINE TO HER YOUTH, THERE IS NO DOUBT OF THE FACT THAT WE HAVE NOT GONE FAR ENOUGH, AND THAT OUR BOAST OF FREEDOM FOR YOUTH AND MANHOOD IS CONTINUALLY DEGENERATING INTO LICENSE AND CRIME, OR AT BEST TO WRETCHEDLY BAD TASTE. THERE CAN BE NO COMPARISON BETWEEN OUR UNIVERSITIES OF TODAY AND THE HARVARD OF 1890, WITH WILLIAM JAMES, JOSIAH ROYCE, GEORGE SANTAYANA, ~~JAMES RUSSEL LOWELL~~, CHARLES WILLIAM ELIOT, ~~OLIVER WENDELL HOLMES~~, BARRETT WENDELL AND GEORGE LYMAN KITTREDGE. THE STUDENTS OF THAT DAY HAD GUTS TO TALK BACK AND THINK FORWARD, AND WERE LET TO DO IT! Today our youth are being taught by the eminent Louis Budenz

46-9-150

WHAT THE STATE SHOULD UNDERTAKE IN GUIDANCE OF PUBLIC TASTE, ENDOWMENT OF ART AND LITERATURE, AND CRITICISM OF INDIVIDUAL ACCOMPLISHMENT, IS SURELY A GRAVE PROBLEM, BUT TO ALLOW THE STATE TO LEAD IN DEBASEMENT OF THE HIGHER IDEALS OF LIFE IS SURELY NOT THE ONLY ALTERNATIVE.

ALL THIS IS OBSERVATION AND CONCLUSION BASED ON LIMITED KNOWLEDGE AND EXPERIENCE. WHAT IS NEEDED TO FASTEN THOUGHT ON FIRM FOUNDATION AND GUIDE ACTION TO PROVEN CONCLUSIONS IS STUDY AND SCIENCE, AND THE FREEDOM TO KNOW! WE OUGHT TO BE OBSERVING CAREFULLY AND CONTINUOUSLY THE EFFORTS OF THE SOVIET UNION, OF CHINA AND THE SCANDINAVIAN COUNTRIES, IN

THE EDUCATION OF YOUTH. ON THE CONTRARY, WE ARE BEFOGGING THE WHOLE PROBLEM WITH A MISERABLE AND MISLEADING FLOOD OF PROPAGANDA, AND WITH THREAT OF STARVATION AND PUNISHMENT OF INDIVIDUAL WITnesses, SO THAT EVEN IN A MEETING LIKE THIS WE HARDLY DARE DISCUSS WHAT WE KNOW, MUCH LESS TO PLAN TO INCREASE OUR KNOWLEDGE BY LONG, CAREFUL AND FREE STUDY.

IT IS THIS SITUATION WHICH IS THE CHALLENGE TO EDUCATION IN THE UNITED STATES TODAY.

POLAND

I HAVE BEEN TO POLAND THREE TIMES. THE FIRST TIME WAS 59 YEARS AGO, WHEN I WAS A STUDENT AT THE UNIVERSITY OF BERLIN. I HAD BEEN TALKING TO MY SCHOOLMATE, STANISLAUS RITTER VON ESTREICHER. I HAD BEEN TELLING HIM OF THE RACE PROBLEM IN AMERICA, WHICH SEEMED TO ME AT THE TIME THE ONLY RACE PROBLEM, AND THE GREATEST SOCIAL PROBLEM OF THE WORLD. HE BRUSHED IT ASIDE. HE SAID "YOU KNOW NOTHING, REALLY, ABOUT REAL RACE PROBLEMS". THEN HE BEGAN TO TELL ME ABOUT THE PROBLEM OF THE POLES, AND PARTICULARLY OF THAT PART OF THEM WHO WERE INCLUDED IN THE GERMAN EMPIRE; OF THEIR LIMITED EDUCATION; OF THE REFUSAL TO LET THEM SPEAK THEIR OWN LANGUAGE; OF THE FEW CAREERS THAT THEY WERE ALLOWED TO FOLLOW; OF THE CONTINUED INSULT TO THEIR CULTURE AND FAMILY LIFE.

I WAS ASTONISHED; BECAUSE RACE PROBLEMS AT THE TIME WERE TO ME PURELY PROBLEMS OF COLOR, AND PRINCIPALLY OF SLAVERY IN THE UNITED STATES AND NEAR SLAVERY IN AFRICA. I PROMISED FAITHFULLY THAT WHEN I WENT ON MY VACATION THAT SUMMER I WOULD STOP TO SEE HIM IN HIS HOME AT KRAKOW, POLAND, WHERE HIS FATHER WAS LIBRARIAN OF THE UNIVERSITY.

I WENT DOWN TO SOUTH GERMANY THROUGH SWITZERLAND TO ITALY, AND THEN CAME BACK

BY VENICE AND VIENNA, AND WENT OUT THROUGH AUSTRIA, CZECHOSLOVAKIA AND INTO GERMAN POLAND, AND THERE, ON THE WAY, I HAD A NEW EXPERIENCE WITH A NEW RACE PROBLEM. I WAS TRAVELLING FROM BUDAPEST THROUGH HUNGARY, TO A SMALL TOWN IN GALICIA, WHERE I PLANNED TO SPEND THE NIGHT. THE CABMAN LOOKED AT ME AND ASKED IF I WANTED TO STOP "UNTER DIE JUDEN." I WAS A LITTLE PUZZLED, BUT TOLD HIM "YES". SO WE WENT TO A LITTLE JEWISH HOTEL ON A SMALL, OUT OF THE WAY STREET. THERE I REALIZED ANOTHER PROBLEM OF RACE OR RELIGION, I DID NOT KNOW WHICH, WHICH HAD TO DO WITH THE TREATMENT AND SEGREGATION OF LARGE NUMBERS OF HUMAN BEINGS. I WENT ON TO KRAKOW, BECOMING MORE AND MORE AWARE OF TWO PROBLEMS OF HUMAN GROUPS, AND THEN CAME BACK TO THE UNIVERSITY, NOT A LITTLE PUZZLED AS TO MY OWN RACE PROBLEM AND ITS PLACE IN THE WORLD.

GRADUALLY I BECAME AWARE OF THE JEWISH PROBLEM OF THE MODERN WORLD AND SOMETHING OF ITS HISTORY. IN POLAND I LEARNED LITTLE, BECAUSE THE UNIVERSITY AND ITS TEACHERS AND STUDENTS WERE HARDLY AWARE THEMSELVES OF WHAT THIS PROBLEM WAS, AND HOW IT INFLUENCED THEM, OR WHAT ITS MEANING WAS IN THEIR LIFE. IN GERMANY, I SAW IT CONTINUALLY OBTRUDING

BUT BEING SUPPRESSED AND SELDOM MENTIONED. I REMEMBER ONCE VISITING ON A SOCIAL OCCASION IN A SMALL GERMAN TOWN. A GERMAN STUDENT WAS WITH ME, AND WHEN I BECAME UNEASILY AWARE THAT ALL WAS NOT GOING WELL, HE REASSURED ME. HE WHISPERED "THEY THINK I MAY BE A JEW. IT'S NOT YOU THEY OBJECT TO, IT'S ME". I WAS ASTONISHED. IT HAD NEVER OCCURRED TO ME UNTIL THEN THAT ANY EXHIBITION OF RACE PREJUDICE COULD BE ANYTHING BUT COLOR PREJUDICE. I KNEW THAT THIS YOUNG MAN WAS PURE GERMAN, YET HIS DARK HAIR AND HANDSOME FACE MADE OUR FRIENDS SUSPICIOUS. THEN I WENT FURTHER TO INVESTIGATE THIS NEW PHENOMENA IN MY EXPERIENCE.

THIRTEEN YEARS AFTER THAT I PASSED AGAIN THROUGH POLAND AND WARSAW. IT WAS IN THE DARKNESS, BOTH PHYSICALLY AND SPIRITUALLY. HITLER WAS SUPREME IN GERMANY, WHERE I HAD BEEN VISITING FOR FIVE MONTHS, AND I SENSED THE ONCOMING STORM. I PASSED THROUGH WARSAW INTO THE SOVIET UNION JUST THREE YEARS BEFORE THE HORROR FELL UPON THAT CITY.

BUT IN BERLIN, BEFORE I LEFT, I SENSED SOMETHING OF THE JEWISH PROBLEM AND ITS GROWTH IN THE GENERATION SINCE MY STUDENT DAYS. I WENT TO THE JEWISH QUARTER ONE

DAY AND ENTERED A BOOKSTORE. IT WAS QUIET AND EMPTY. AFTER A TIME A MAN CAME INTO THE ROOM AND VERY QUIETLY HE ASKED ME WHAT I WAS LOOKING FOR. I MENTIONED CERTAIN BOOKS, AND BROWSED AMONG THOSE HE POINTED OUT. HE SAID NOTHING MORE, NOR DID I. I FELT HIS SUSPICION AND AT LAST I WANDERED OUT. I WENT THAT NIGHT TO A TEACHER'S HOME. THERE WERE A FEW AMERICANS AND SEVERAL GERMANS PRESENT. THE CURTAINS WERE CAREFULLY DRAWN, AND THEN THE TEACHER SPOKE. HE DEFENDED THE NAZI PROGRAM IN THE MAIN -- ITS EMPLOYMENT, ITS HOUSING AND ROADS; BUT HE FRANKLY CONFESSED THAT HE WAS ASHAMED OF THE TREATMENT OF THE JEWS, OR AT LEAST SOME OF THEM. HE BLAMED SOME SEVERELY, BUT HE HAD FRIENDS AMONG THEM AND HE WAS ASHAMED OF THEIR TREATMENT.

THEN, AT MIDNIGHT I ENTERED POLAND. IT WAS DARK -- DARK NOT ONLY IN THE SMOKE, BUT IN THE SOUL OF ITS PEOPLE WHO WHISPERED IN THE NIGHT, AS WE RODE SLOWLY THROUGH THE MURK OF THE RAILWAY YARDS.

AND SENSED ONLY THE SMOKE AND NOISE OF THE RAILWAY TERMINAL.

THEN FINALLY, THREE YEARS AGO I WAS IN WARSAW. I HAVE SEEN SOMETHING OF HUMAN UPHEAVAL IN THIS WORLD: THE SCREAM AND SHOTS OF A RACE RIOT IN ATLANTA; THE MARCHING OF THE KU KLUX KLAN; THE THREAT OF COURTS AND POLICE; THE NEGLECT AND DESTRUCTION OF HUMAN HABITATION; BUT NOTHING IN MY WILDEST IMAGINATION WAS EQUAL TO WHAT I SAW IN WARSAW IN 1949. I WOULD HAVE SAID BEFORE SEEING IT THAT IT WAS IMPOSSIBLE FOR A CIVILIZED NATION WITH DEEP RELIGIOUS CONVICTIONS AND OUTSTANDING RELIGIOUS INSTITUTIONS; WITH LITERATURE AND ART; TO TREAT FELLOW HUMANBEINGS AS WARSAW HAD BEEN TREATED. THERE HAD BEEN COMPLETE, PLANNED AND UTTER DESTRUCTION. SOME STREETS HAD BEEN SO OBLITERATED THAT ONLY BY USING PHOTOGRAPHS OF THE PAST COULD THEY TELL WHERE THE STREET WAS. AND NO ONE MENTIONED THE TOTAL OF THE DEAD, THE SUM OF DESTRUCTION, THE STORY OF CRIPPLED AND INSANE, THE WIDOWS AND ORPHANS.

THE ASTONISHING THING, OF COURSE, WAS THE WAY THAT IN THE MIDST OF ALL THESE MEMORIES OF WAR AND DESTRUCTION, THE PEOPLE WERE REBUILDING THE CITY WITH AN ENTHUSIASM

THAT WAS SIMPLY UNBELIEVABLE. A CITY AND A NATION WAS LITERALLY RISING FROM THE DEAD.

THEN, ONE AFTERNOON, I WAS TAKEN OUT TO THE FORMER GHETTO. I KNEW ALL TOO LITTLE OF ITS STORY, ALTHOUGH I HAD VISITED GHETTOS IN PARTS OF EUROPE, PARTICULARLY IN FRANKFORT, GERMANY. HERE THERE WAS NOT MUCH TO SEE. THERE WAS COMPLETE AND TOTAL WASTE, AND A MONUMENT. AND THE MONUMENT BROUGHT BACK AGAIN THE PROBLEM OF RACE AND RELIGION, WHICH SO LONG HAD BEEN MY OWN PARTICULAR AND SEPARATE PROBLEM. GRADUALLY, FROM LOOKING AND READING, I REBUILT THE STORY OF THIS EXTRAORDINARY RESISTENCE TO OPPRESSION AND WRONG IN A DAY OF COMPLETE FRUSTRATION, WITH ENEMIES ON EVERY SIDE: A RESISTENCE WHICH INVOLVED DEATH AND DESTRUCTION FOR HUNDREDS AND HUNDREDS OF HUMAN BEINGS; A DELIBERATE SACRIFICE IN LIFE FOR A GREAT IDEAL, IN THE FACE OF THE FACT THAT THE SACRIFICE MIGHT BE COMPLETELY IN VAIN.

THE RESULT OF THESE THREE VISITS, AND PARTICULARLY OF MY VIEW OF THE WARSAW GHETTO, WAS NOT SO MUCH CLEARER UNDERSTANDING OF THE JEWISH PROBLEM IN THE WORLD, AS IT WAS A REAL AND MORE COMPLETE, UNDERSTANDING OF THE NEGRO PROBLEM. IN THE FIRST PLACE,

THE PROBLEM OF SLAVERY, EMANCIPATION, AND CASTE IN THE UNITED STATES WAS NO LONGER IN MY MIND A SEPARATE AND UNIQUE THING AS I HAD SO LONG CONCEIVED IT. IT WAS NOT EVEN SOLELY A MATTER OF COLOR AND PHYSICAL AND RACIAL CHARACTERISTICS, WHICH WAS PARTICULARLY A HARD THING FOR ME TO LEARN, SINCE FOR A LIFETIME THE COLOR LINE HAD BEEN A REAL AND EFFICIENT CAUSE OF MISERY. IT WAS NOT MERELY A MATTER OF RELIGION. I HAD SEEN RELIGIONS OF MANY KINDS — I HAD SAT IN THE SHINTO TEMPLES OF JAPAN, IN THE BAPTIST CHURCHES OF GEORGIA, IN THE CATHOLIC CATHEDRAL OF COLOGNE, AND IN WESTMINSTER ABBEY. NO, THE RACE PROBLEM IN WHICH I WAS INTERESTED CUT ACROSS LINES OF COLOR AND PHYSIQUE AND BELIEF AND STATUS, AND WAS A MATTER OF CULTURAL PATTERNS, PERVERTED TEACHING, AND HUMAN HATE AND PREJUDICE, WHICH REACHED ALL SORTS OF PEOPLE, AND CAUSED ENDLESS EVIL TO ALL MEN. SO THAT THE GHETTO OF WARSAW HELPED ME TO EMERGE FROM A CERTAIN SOCIAL PROVINCIALISM INTO A BROADER CONCEPTION OF WHAT THE FIGHT AGAINST RACE SEGREGATION, RELIGIOUS DISCRIMINATION, AND THE OPPRESSION BY WEALTH HAD TO BECOME IF CIVILIZATION WAS GOING TO TRIUMPH AND BROADEN IN THE WORLD.

36-9-45

I REMEMBERED NOW MY SCHOOLMATE, STANISLAUS. HE HAS LONG BEEN DEAD, AND HE DIED

(2) REFUSING TO BE A STOOL PIGEON FOR THE NAZIS IN CONQUERED POLAND. HE GAVE HIS LIFE FOR A GREAT CAUSE. HOW BROAD IT EVENTUALLY BECAME! HOW MUCH HE REALIZED THAT BEHIND THE POLISH PROBLEM LAY THE JEWISH PROBLEM, AND THAT ALL WERE ONE CRIME AGAINST CIVILIZATION, I DO NOT KNOW.

I REMEMBER NOW ONE SCENE IN POLAND OVER A HALF CENTURY AGO. IT WAS OF WORSHIP IN A CATHOLIC CHURCH. THE PEASANTS WERE CROWDED TOGETHER AND WERE GROVELLING ON THEIR KNEES. THEY WERE IN UTTER SUBJECTION TO A POWERFUL HIERARCHY. AND OUT OF THAT, TODAY, THEY HAVE CRAWLED AND FOUGHT AND STRUGGLED. THEY SEE THE LIGHT. MY FRIEND, GABRIEL D'ARBOUSSIER, AN AFRICAN, RECENTLY VISITED WARSAW AND WROTE: "AT THE ENTRANCE TO THE CITY RISES AN IMPOSING MAUSOLEUM ERECTED TO THE MEMORY OF THE FORTY THOUSAND SOLDIERS OF THE RED ARMY WHO FELL FOR THE LIBERATION OF WARSAW AND WHO ARE ALL BURIED THERE. THIS IS NO CEMETERY, CUT OFF FROM THE LIVING, BUT THE LAST RESTING PLACE OF THESE GLORIOUS DEAD, NEAR WHOM THE LIVING COME TO SIT AND PONDER THE SACRIFICE OF THOSE TO WHOM THEY OWE LIFE. HAD I SEEN NOTHING ELSE, THAT MAUSOLEUM ALONE WOULD HAVE TAUGHT ME ENOUGH TO

UNDERSTAND THE POLISH PEOPLE'S WILL TO PEACE, AND ITS ATTACHMENT TO THE SOVIET UNION. BUT THERE IS MORE TO TELL, AND IT CANNOT BE TOO OFTEN TOLD: OF POLAND'S 35 MILLION INHABITANTS SIXTEEN AND A HALF MILLION DIED. THERE IS ALSO WARSAW, 83% DESTROYED AND ITS POPULATION REDUCED FROM OVER A MILLION TO TWENTY-TWO THOUSAND, AND THE POIGNANT SPECTACLE OF THE FLATTENED GHETTO."

BUT WHERE ARE WE GOING -- WHITHER ARE WE DRIFTING? WE ARE FACING WAR, TAXATION, HATE AND COWARDICE, AND PARTICULARLY INCREASING DIVISION OF AIM AND OPINION WITHIN OUR OWN GROUPS. NEGROES ARE DIVIDING BY SOCIAL CLASSES AND SELLING THEIR SOULS TO THOSE WHO WANT WAR AND COLONIALISM, IN ORDER TO BECOME PART OF THE RULING PLUTARCHY, AND ENCOURAGE THEIR SONS TO KILL "GOOKS". AMONG JEWS THERE IS THE SAME DICHOTOMY AND INNER STRIFE, WHICH FORGETS THE BRAVERY OF THE WARSAW GHETTO AND THE BONES OF THE THOUSANDS OF DEAD WHO STILL LIE BURIED IN THAT DUST. ALL THIS SHOULD LEAD BOTH THESE GROUPS AND OTHERS TO REASSESS AND REFORMULATE THE PROBLEMS OF OUR DAY, WHOSE SOLUTION BELONGS TO NO ONE GROUP: THE STOPPING OF WAR AND PREPARATION FOR WAR; INCREASED EXPENDITURE FOR SCHOOLS BETTER

30-9-46

THAN WE HAVE OR ARE LIKELY TO HAVE IN OUR PRESENT NEGLECT AND SUPPRESSION OF EDUCATION; THE CURBING OF THE FREEDOM OF INDUSTRY FOR THE PUBLIC WELFARE; AND AMID ALL THIS, THE RIGHT TO THINK, TALK, STUDY, WITHOUT FEAR OF STARVATION OR JAIL. THIS IS A PRESENT PROBLEM OF ALL AMERICANS AND BECOMES THE PRESSING PROBLEM OF THE CIVILIZED WORLD.

Add to page 4, speech on Poland

I went on through Russia from Moscow to Manchuria, through China and Japan and back to the United States. Within less than a decade the world was again at war. And it was in this war that Wadyslaw Anders played his role in Poland. I mention him because it was not long ago that you saw him marching down Fifth Avenue, honored by governor, mayor and senator as a great Polish patriot.

35-2-273

Who was Anders? He was born in Latvia of a rich land-owning family.
?
In 1934 as a member of the ruling landed aristocracy Anders became a colonel under the Russian tzars.

35-2-274

ruling class became a Colonel under the Czars. When the revolution came, he with so many of his class fought the Soviets and then took refuge in Poland which became the center of Western Europe's efforts to reconquer Russia. Anders became a General in the Polish army but spent most of his time on his stable of race horses. Eventually he joined with Pilsudski in an all-out effort to unite into a fascist party the reactionary and anti-semitic elements of Poland. Landlords and Militarists joined in every effort against Russia. When Hitler finally attacked Czechoslovakia, it was Poland that prevented Russia from coming to the rescue. When Germany and the Soviets made alliance Anders offered his services to the Soviet Union, and the Soviets loaned him $250 million without interest. ~~He drove all Jews, socialists, and liberals out of his ranks and~~ to equipped an army of 75,000

When the Germans turned and attacked the Soviet Union, Anders without striking a blow for the Soviets, deserted just before the seige of Stalingrad and under the protection of the British took his whole army with 40,000 members of their families to Iran. From 1942 to 1944, Anders was in Teheran where he promptly clapped all Jews in a ghetto, confiscated large stocks of goods from America intended for the Persians and sold them in open market for his private profit. He stopped Jewish children from being sent to Palestine, speculated in Iranian money and acted so outrageously that at last ~~MacDonald~~ the, head of the Red Cross resigned in disgust. The powerful Polish lobby in Washington prevented publicity in America

Anders then joined the allied campaign in Italy and sought to enlarge his army and arrange for an attack on Soviet Russia. From the allied prison camps he took Poles and Nazis, getting a fifth of his army from those who had ~~xxxxx~~ served under Hitler. One estimate was that 30,000 former Nazis were attached to the Polish army. His camp in Italy became a rallying ground for international adventurers and Nazi troops who had massacred Poles, Russians

35-2-75

and Jews. The resentment of the Italian people grew; ~~because of Anders' army~~. The NEW YORK TIMES reported that they "terrified the Italians, impoverished the countryside, interfered in local politics and were resented as a genuine curse to the Italian government and to Italy."

In the NEW YORK HERALD-TRIBUNE, Anders was denounded as a "dangerous fire-brand if ever there was one." His army was transferred to Great Britain from Italy, where again he was cordially hated and every effort made to get rid of him. His army's stay cost the British Government $442,000,000. Next a corps of his army, 10,000 officers and men, came to Palestine where they stirred up trouble between Jews and Arabs. Some of them had to be removed from settlements for killing Jews and finally the whole corps was ~~forced to be~~ evacuated.

35-2-276

At the same time Anders actively interfered with affairs in Poland while the people were trying to rebuild their industries, homes, farms and schools. Underground gangs were guilty of terror and sabotage as was proven in public trials in Poland in 1947-48. Arms and spies were smuggled into the country by the Anders organization, until by unanimous decision of the Council of Ministers, Anders was deprived of Polish citizenship in 1946, for a long series of activities detrimental to the Polish State. In that decision Stanislaw Mikolajik, leader of the right wing concorded. But Anders was not through; during the cold war, Anders has kept his ear to the ground, and when America seemed set on a war with the Soviets, Anders planned to come to New York to further his internatial intrigue. In New York he was welcomed by the representatives of the ousted landlards of Poland, by Merwin Hart, the professional Anti-Semite, by Americans interested in foreign investment and set on war with the Soviets. The history of this notorious freebooter must have been known to Senator Lehman; he must have known his Anti-Semitism and his determination to plunge the world into a Third World War. But

THE CHURCH AND WAR AND PEACE

THERE CAN BE NO QUESTION/ BUT THAT PEACE IS THE FIRST/ AND MOST PRESSING PROBLEM/ OF OUR DAY.// ONE MIGHT NOT REALIZE THIS/ IN THE UNITED STATES/ WHERE WE TALK LOOSELY OF WAR/ AND ARE BUT RECENTLY/ BEING SHAKEN TO OUR SENSES/ BY PRICES AND TAXES;/ TO A LESS EXTENT/ BUT INCREASINGLY/ WE ARE NOTING THE DEAD/ THE CRIPPLED AND THE INSANE,/ THE YOUNG CRIMINALS/ AND THE OLD THIEVES.// BUT ELSEWHERE IN THE WORLD/ WHERE WAR HAS FALLEN REPEATEDLY/ IN OUR DAY/ AS A BITTER SCOURGE/ AND UNENDING HORROR,/ THE UNITED STATES IS FEARED AND HATED/ BECAUSE IT IS THE ONE GREAT NATION/ WHICH DEMANDS WAR,/ PREPARES FOR WAR,/ AND TRIES TO FORCE WAR/ ON OTHER NATIONS.

DESPITE THIS,/ WHICH NO HONEST STUDENT/ OF CURRENT AFFAIRS CAN DENY/ THE CHRISTIAN CHURCH/ IS COMPARATIVELY INACTIVE.// WE HEAR, TO BE SURE,/ SERMONS ON PEACE/ NOW AND THEN,/ AND MISSIONS HERE AND THERE/ WHICH ARE CALLED/ EFFORTS FOR PEACE.// BUT THEY ARE FEW IN NUMBER/ NOT VERY ENTHUSIASTIC/ AND PRACTICALLY/ EACH WORD FOR PEACE/ IS ACCOMPANIED BY SO STERN A BLAST FOR WAR/ THAT IT CAN WITH TRUTH BE SAID/ THAT IF A THIRD WORLD WAR BURSTS UPON THE WORLD/ IT WILL BE LARGELY/ A CHRISTIAN CRUSADE.

36-9-195

IF THIS HAPPENS,/ IT WILL NOT BE THE FIRST TIME/ IN HISTORY/ THAT THE CHURCH HAS RANGED ITSELF/ ON THE WRONG SIDE/ OF EFFORTS FOR HUMAN PROGRESS/ AND THEN LATER HAS NOT HESITATED/ TO CLAIM CREDIT/ FOR THE TRIUMPH OF A REFORM/ WHICH IT LONG AND BITTERLY OPPOSED.// I HAVE IN MIND PARTICULARLY/ THE ATTITUDE OF THE CHURCH/ IN THE PAST/ TOWARD WOMEN, SLAVERY, POPULAR EDUCATION, UNIVERSAL SUFFRAGE, BIRTH CONTROL, AND NOW PEACE.

SO TODAY, THERE ARE PEACE GROUPS AMONG CHRISTIANS, BUT NOT MANY, NOR OUTSPOKEN, AND THE CHURCH AS A WHOLE, WITH ITS WEALTH AND POWER, IS NOT TODAY IN THE PEACE MOVEMENT.

THE NEGRO CHURCH MAY PREEN ITSELF, ON BEING LESS GUILTY THAN THE WHITE CHURCH IN SOME OF THESE MATTERS. // NATURALLY IT WAS AGAINST SLAVERY, AND IT EMBRACED POPULAR EDUCATION AND UNIVERSAL SUFFRAGE. // BUT HERE IT DESERVES NO CREDIT, SINCE ITS EARLY MEMBERSHIP WAS RECRUITED FROM ILLITERATE SLAVES. // AS THE NEGRO CHURCH HAS BECOME AUTONOMOUS AND SELF-SUSTAINING, IT HAS NOT BEEN IN THE FOREFRONT OF LIBERAL MOVEMENTS. // IT DID DEFEND THE EDUCATION OF WOMEN, BUT IT DID NOT CHAMPION WOMAN SUFFRAGE, NOR DOES IT DUSCUSS BIRTH CONTROL. // AND IN THE MATTER OF PEACE IT IS AS REACTIONARY AS THE WHITE CHURCH. // IN FACT, IT IS PERFECTLY WILLING TO FIGHT ANY WAR WHICH THE WHITE FOLKS FIGHT IF ONLY NEGROES ARE ALLOWED TO JOIN IN FIGHTING ON EQUAL TERMS. // IT DOES NOT USUALLY DISCUSS THE RIGHTNESS OR WRONGNESS OF WAR ITSELF.

FOR THE CHURCH AND THE NEGRO BRANCH THIS ATTITUDE IS DANGEROUS. // IF YOU REALLY

BELIEVE AND WANT OTHERS TO BELIEVE THAT GOD TELLS THIS ORGANIZATION OF MEN WHAT TO DO, AND THEN REPEATEDLY YOU ARE FOUND ON THE WRONG SIDE, YOUR CREED IS NOT CONVINCING, NOR WILL YOU MAKE UP FOR PAST MISTAKES BY CLAIMING PRESENT CREDIT WHICH IS NOT DUE YOU. SLAVERY WAS NOT ABOLISHED BY THE CHRISTIAN CHURCH BUT IN SPITE OF IT.

ON THE OTHER HAND, IF AS SOME OF US PREFER TO BELIEVE, THE CHURCH IS AN ORGANIZATION MAINLY OF HONEST, CONSCIENTIOUS MEN WHO HAVE NO MIRACULOUS SOURCES OF KNOWLEDGE BUT MAKE MISTAKES LIKE THE REST OF US, ACKNOWLEDGE THOSE MISTAKES AND TRY TO CORRECT THEM, THEN TODAY, AND WITH REGARD TO PEACE, LET US ASK WHY ARE WE REFUSING TO TAKE THE RIGHT ATTITUDE TOWARD WAR, AND WHAT IS THE TEMPTATION WHICH IS LEADING US DIRECTLY TOWARD A THIRD WORLD WAR? // THIS QUERY APPLIES TO THE AMERICAN NEGRO CHURCH WHOSE MEMBERS HAVE MOST AT STAKE IN WAR, AND YET WHO TODAY ARE MORE SILENT ON THE MATTER THAN ANY OTHER LARGE GROUP IN OUR NATION.

REMEMBER, YOU ARE SUPPOSED TO BRING TO THIS MORAL PROBLEM AN UNUSUAL POINT OF VIEW LAID DOWN BY JESUS CHRIST WHICH DECLARES: // "BLESSED ARE THE PEACEMAKERS: FOR THEY

SHALL BE CALLED/THE CHILDREN OF GOD.// YE HAVE HEARD THAT IT HATH BEEN SAID/ 'AN EYE FOR AN EYE/ AND A TOOTH FOR A TOOTH': / BUT I SAY UNTO YOU,/THAT YE RESIST NOT EVIL;/ BUT WHOSOEVER/SHALL SMITE THEE ON THY RIGHT CHEEK/ TURN TO HIM THE OTHER ALSO.// .. YE HAVE HEARD/THAT IT HATH BEEN SAID,/ 'THOU SHALT LOVE THY NEIGHBOUR,/ AND HATE THINE ENEMY.// BUT I SAY UNTO YOU,/LOVE YOUR ENEMIES,/BLESS THEM THAT CURSE YOU,/ DO GOOD TO THEM/THAT HATE YOU/ AND PRAY FOR THEM/WHICH DESPITEFULLY USE YOU/ AND PERSECUTE YOU... "

36-9-200

THE HISTORY OF THE CHRISTIAN CHURCH/HAS NOT BEEN/THE FOLLOWING OF THIS CREED;/ AND THE QUESTION/WHICH FACES YOU TODAY/ IS WHETHER OR NOT/ YOU STILL PROFESS THIS CREED/OR HAVE DEFINITELY SURRENDERED IT?

THIS IS CERTAINLY/ NOT THE ATTITUDE OF THIS NATION TOWARD WAR/WITH THE SOVIET UNION TODAY.// NOT ONLY ARE WE/ NOT TURNING THE OTHER CHEEK,/ BUT LED BY THE CHURCH/WE ARE REFUSING TO RECOGNIZE COMMUNISTS/OR COMMUNIST NATIONS/AS DESERVING/EVEN THE TREATMENT OF HUMAN BEINGS.//WE ARE TEACHING OUR CHILDREN/TO HATE AND FEAR THEM,/ AND WE ARE ARMING THE NATION TO KILL, DESTROY AND UTTERLY RUIN THESE NATIONS/AND THEIR PLANS.//WHY? HAS

THE SOVIET UNION/ATTACKED THE UNITED STATES?// NEVER,/ BUT WE HAVE SENT OUR SOLDIERS ONTO RUSSIAN SOIL/AND HELPED OTHERS ATTACK HER/AND KILL HER SONS/AND DESTROY HER PROPERTY. REMEMBER THAT/ACCORDING TO CHRIST/EVEN IF RUSSIA HAD ATTACKED US/IT WOULD BE OUR DUTY TO SEEK PEACE WITH HER/AND WELCOME HER PLEAS FOR PEACE.//INSTEAD,/ WHEN THE SOVIETS ASK PEACE/WE SPURN THE OFFER/AS FALSE/ON THE GROUND THAT COMMUNISTS ARE LIARS,/ THIEVES AND CONSPIRATORS/WITH WHOM WE CANNOT/EVEN TALK PEACE.// OUR ONLY DUTY IS TO CRUSH THEM/AND MAKE THEM/AGREE WITH US BY FORCE .

36-9-201

NOT ONLY/IS THIS PROGRAM/PATENTLY UNCHRISTIAN,/ BUT IT IS SO LARGE AND DIFFICULT A TASK/THAT IT CERTAINLY CALLS/ FOR THOUGHT AND INVESTIGATION.// YET PEACE CONGRESSES,/ CONSULTATIONS ABOUT PEACE,/ PARTICULARLY IF COMMUNISTS ARE PRESENT// VISITS TO RUSSIA, CHINA OR POLAND/ARE DISCOURAGED/IF NOT FORBIDDEN,/ AND FOREIGN ADVOCATES OF PEACE/ARE USUALLY/DENIED ENTRANCE TO THIS NATION.// IS THIS CHRISTIAN? / IS IT EVEN GOOD COMMON SENSE?

PERSONALLY/I DO NOT BELIEVE COMMUNISTS/ARE NOT DESERVING OF HUMAN TREATMENT/ I BASE MY CONCLUSION/ON STUDY AND INVESTIGATION/ AND MY LIFE ~~PREPARATION~~ WORK/ HAS PREPARED

NOW I MAY BE WRONG./ I MAY BE DECEIVED./ I MAY BE PREJUDICED/BECAUSE I AM TREATED LIKE A MAN IN MOSCOW/AND I AM NOT IN NEW YORK.// NEVERTHELESS/THIS IS MY HONEST AND CONSIDERED BELIEF.// AND I ALSO BELIEVE/THAT THE OTHER STATES/BEHIND THE IRON CURTAIN/AND THE NEW CHINESE REPUBLIC/ARE ON THE RIGHT TRACK/AND INCREASING IN HEALTH/ WEALTH AND CONTENTMENT.

BUT I MAY BE WRONG./ IT IS POSSIBLE/THAT THE COMMUNISTS AND THEIR NATIONS/ARE FOOLS AND KNAVES,/ A THREAT TO THE UNITED STATES/AND WESTERN EUROPE.// BUT SUPPOSE IT IS TRUE,/ WHAT CAN YOU DO ABOUT IT?// WHAT AS CHRISTIANS/OUGHT YOU TO TRY TO DO/ABOUT IT?// OF ALL METHODS/OF TRYING TO MEET THIS THREAT,/ WORLD WAR IS THE CRAZIEST/AND LEAST LIKELY TO SUCCEED;// AND BEYOND THAT,/ IT IS THE MOST HYPOCRITICAL/FOR YOU TO ESPOUSE.// IT IS AGAINST YOUR PROFESSED CREED,/ AGAINST THE WORD OF YOUR PROPHET,/ AND IT CONTRADICTS/ALL YOU HAVE BOASTED OF/FOR 2000 YEARS.

IN ADDITION,/ IT IS A PROGRAM/WHICH YOU CANNOT CARRY OUT.// IF IT HAS TAKEN THE UNITED STATES/TWO YEARS/ TO MAKE A MESS OF KOREA,/ HOW LONG WOULD IT TAKE US/TO CONQUER

36-9-203

36-9-204

THE 200 MILLION OF THE SOVIET UNION/ 75 MILLION OF HER BORDER ALLIES/ THE 475 MILLION CHINESE/ AND PERHAPS 100 MILLION/ OTHER ASIATIC SYMPATHIZERS/ NOT TO MENTION INDIA// WE MAY BE SMART,/ RICH AND RESOURCEFUL/ BUT WE ARE NOT ~~SUPERMEN~~ SUPERMEN./ WE COULD NOT CONQUER HITLER AND MUSSOLINI/ EXCEPT BY THE HELP OF RUSSIA./ AND WE GLADLY ACCEPTED THAT HELP/ AND THE BLOOD OF 10 MILLION OF HER PEOPLE.// TODAY WE SIMPLY CANNOT CONQUER THE COMMUNIST WORLD/ BY FORCE/ EVEN WITH THE HORRIBLE ATOM BOMB/ AND BACTERIOLOGICAL WARFARE.

BUT THE QUESTION IS/ SHOULD WE EVEN ATTEMPT THIS,/ IF WE COULD// WE HAVE TO DO WITH A BELIEF/ AND A DEEP-SEATED BELIEF// COMMUNISM AS A DOCTRINE/ IS AS OLD AS CIVILIZATION/ IT WAS PRACTICED/ BY THE EARLY CHRISTIAN CHURCH:/ IT IS CHARACTERISTIC/ OF ALL PRIMITIVE CULTURES/ IN AFRICA, ASIA, AMERICA AND EUROPE// THE LONG CHERISHED BELIEF/ THAT IT WOULD NOT WORK TODAY/ HAS BEEN REFUTED./ IT IS WORKING./ YOU MUST LIVE IN A WORLD/ WITH COMMUNIST COUNTRIES.// YOU ARE LIVING IN SUCH A WORLD/ AND YOU WILL LIVE IN SUCH A WORLD// THE ONLY SUCCESSFUL ATTACK/ ON COMMUNISM/ IS A BETTER ECONOMIC SYSTEM,/ AND THIS/ WE SAY WE HAVE/ IN THE UNITED STATES AND WESTERN EUROPE.// BUT WE TRY TO PROVE/ OUR ECONOMY BETTER/ THAN THAT

OF SOCIALIST AND COMMUNIST NATIONS/ BY PAINTING THEM AS FAILURES// THAT IS WHAT WE ARE DOING TODAY,/ WITH AN ATTEMPT AT PROPAGANDA/ AND SYSTEMATIC LYING/ ON A SCALE NEVER BEFORE ATTEMPTED/ EVEN BY ADOLF HITLER./ ASSUMING THAT COMMUNISM/ IS NOT AS GOOD AN ECONOMIC SYSTEM/ AS AMERICAN CAPITALISM,/ THERE IS NO NEED OF LYING// A CAMPAIGN OF SINCERE INVESTIGATION/ OF THE TRUTH/ WOULD BE NOT ONLY CONVINCING BUT CHRISTIAN// THIS IS DENIED AMERICANS. WE CANNOT DISCUSS COMMUNISM/ IN COLLEGE OR most PUBLIC FORUMS.// IN ADDITION,/ INCREDIBLE LIES ARE CIRCULATED./ RUSSIAN TROOPS DID NOT START THE KOREAN WAR./ RUSSIAN WORKERS ARE NOT LARGELY SLAVES./ THE PEOPLE OF RUSSIA/ AND POLAND AND CZECHOSLOVAKIA/ ARE NOT ON THE EDGE OF REVOLT./ WE ARE TRAINING SPIES/ AND SENDING THEM ABROAD.

THE MARSHAL PLAN FUNDS/ WERE NOT GIVEN TO THE POOR AND HUNGRY/ THEY WERE GIVEN TO CAPITALISTS/ WHO HIRE THE POOR/ AND KEEP THEM HUNGRY// THE ATLANTIC PACT/ IS NOT TO KEEP THE SOVIET UNION/ FROM CONQUERING WEST EUROPE,/ BUT TO GET WEST EUROPE READY/ TO CONQUER THE SOVIET UNION.// WE ARE NOT KILLING KOREANS/ FOR THE SAKE OF KOREA/ BUT TO KEEP OUR GRIP/ ON THE CHEAP LABOR OF ASIA/ WHICH WE LOST/ WHEN WE GAVE SEVERAL HUNDRED MILLIONS

OF OUR TAXES/ TO CHIANG KAI CHEK.// WE ARE HIRING TRAITORS AND LIARS/TO STIR UP REVOLT ABROAD/AND JAIL AMERICANS AT HOME// WE DID DELAY OUR HELP TO RUSSIA/ IN THE SECOND WORLD WAR/ IN THE HOPE/THAT GERMANY AND RUSSIA/WOULD DESTROY EACH OTHER.

36-9-206

WHAT NOW IS THE USE OF LYING,/ AND WHY DOES THE CHRISTIAN CHURCH/RANGE ITSELF WITH REACTION AND WAR/RATHER THAN WITH EFFORTS/AT PEACE AND UNDERSTANDING? //FIRST, LET US REALIZE/THAT WHEN IN ANY AGE/ A LARGE ORGANIZATION OF MEN/GAINS THE POWER AND PRESTIGE/ OF THE CHRISTIAN CHURCH,/ IT IS GOING TO ATTRACT TO ITS MEMBERSHIP/ INTO ITS PLACES OF POWER/AND INTO ITS PULPITS/ MEN WHOSE OBJECTS/ARE NOT MERELY GOODNESS/ SACRIFICE, AND HIGH IDEALS,/ BUT PERSONAL GREED AND POWER.// WHEN, NOW,/THERE COMES BEFORE SUCH A CHURCH/ A QUESTION OF POLICY/WHICH THREATENS/OR SEEMS TO THREATEN /THE INTERESTS OF THE SELFISH AND AMBITIOUS,/ THE MINORITY/OF THE UNSELFISH AND SACRIFICING/WILL BE FORCED TO YIELD TO POWER/ OR LEAVE THE ORGANIZATION./ THIS HAS BEEN TRUE/IN RELIGIOUS ORGANIZATIONS/FROM THE DAY OF EGYPT/TO THE RULE OF AMERICA// SINCE THE 18TH CENTURY/ POWER IN WESTERN EUROPE/AND NORTH AMERICA/HAS BEEN IN THE HANDS/ OF THE LEADERS OF THE INDUSTRY/WHICH SATISFIED THE WANTS

OF MEN. THEY,/ BY THE USE OF THE GREAT INVENTION/OF CAPITALISTIC PRODUCTION/HAVE BEEN THE RULERS OF MANKIND,/AND NATURALLY HAVE OCCUPIED HIGH PLACE/IN THE MEMBERSHIP AND COUNCILS OF THE CHRISTIAN CHURCH.// ANY THOUGHT OR POLICY/WHICH THREATENED THIS IN-DUSTRY/THEREFORE THREATENED THE CHURCH/AND THE CHURCH OPPOSED IT.// BUT A CERTAIN POLICY MIGHT THREATEN/A CURRENT METHOD OF INDUSTRIAL CONDUCT/WHEN ANOTHER METHOD MIGHT MAKE INDUSTRY/MORE EFFICIENT/IN SATISFYING THE NEEDS/OF THE MASS OF MEN.

36.9.211

TODAY THE NEGRO CHURCH/IN AMERICAN POLITICS/IS FACED BY PARADOX AND DILEMMA./ THE ECONOMIC ORGANIZATION OF THE WORLD/HAS LED TO POLITICAL STRIFE AND WORLD WAR.// BUT THE TEACHING OF THE CHURCH/BY AND LARGE/HAS HAD NOTHING TO DO WITH ECONOMIC GUIDANCE// IN FACT,/ TO THE MIND OF THE AVERAGE PREACHER/TRAINED IN THE THEOLOGICAL SCHOOL,/ MODERN ECONOMICS HAS ALMOST NO ~~PART.~~ SIGNIFIGANCE/ WHAT IS TAUGHT IS SIMPLE:/ PEOPLE SHOULD WORK,/THEY SHOULD BE PAID REASONABLE WAGES;/ THEY SHOULD SAVE THEIR MONEY/AND INVEST AND MAKE PROFIT/ WHERE POSSIBLE/THEY SHOULD BECOME WEALTHY/AND HIRE OTHER PEOPLE,/ AND SO ON TO THE MILLENIUM WHERE THEY BECOME RICH.// IT IS NOT EMPHASIZED/IN THE AVERAGE THEOLOGICAL SCHOOL/ THAT THIS 19TH CENTURY PROGRAM/HAS BROKEN DOWN;/ THAT THE TREMENDOUS INCREASE OF GOODS/WHICH CAME/WHEN EUROPE SEIZED ASIA AND Africa AMERICA/ AND WORKED THE NATIVES FOR PROFIT/ WAS STORED AS CAPITAL/TO BE USED FOR MAKING OTHER GOODS/ AND THAT THIS IMMENSE/INCREASE OF CAPITAL GOODS/LED TO A NEW MORALITY/WHICH HAS QUITE UPSET/ THE OLD IDEAS OF WORK/ SAVING AND WEALTH.

36-9-212

IT HAS MEANT/ A CONTROL OF THE MASS OF THE WORKING CLASS/ BY A COMPARATIVELY FEW OWNERS OF CAPITAL/ WHICH MAKES SAVING/ ON THE PART OF THE ORDINARY WORKER/ IMPOSSIBLE,/ AND NORMAL AND DEMOCRATIC/ ACCUMULATION OF WEALTH/ BY WORK VERY RARE. / WEALTH TODAY ARISES FROM MONOPOLY AND POWER/ AND NOT BY SAVING.

WHEN NOW THIS METHOD/ OF WORK AND INCOME/ DOMINATES THE WORLD,/ AND THE CHURCH STEPS OUT/ TO PLAY A ROLE/ THAT ITS LEADERS/ HAVE NOT BEEN TRAINED FOR/ IT IS QUITE POSSIBLE FOR THE CHURCH ORGANIZATION/ TO HAVE NO CONCEPTION/ OF WHAT IS TODAY CAUSING WAR// CONSEQUENTLY/ WHEN IT BEGINS TO GIVE ADVICE/ CONCERNING POLITICAL ATTITUDES/ TOWARDS WAR/ IT FINDS THAT ADVICE/ NOT TAKEN/ BECAUSE IT IS CONTRADICTED/ BY ADVICE GIVEN BY OTHER ORGANIZATIONS/ BY SCHOOLS/ TRADE UNIONS/ AND POLITICAL PARTIES/ LED BY MEN MUCH BETTER TRAINED/ THAN THE AVERAGE MINISTER/ IN JUST THE LINE OF THOUGHT AND ACTIVITY/ WHICH IS MOST IMPORTANT AND PRESSING IN THE PRESENT WORLD.

WHEN, THEREFORE,/ THE CHURCH ATTEMPTS TO TAKE AN ATTITUDE/ AND TO LEAD ITS MEMBERSHIP/ TO CERTAIN POLITICAL ATTITUDES/ LIKE PEACE OR WAR,/ IT HAS TO DO ONE OF TWO THINGS:/ EITHER IT HAS TO DEVELOP/ IN ITS PULPITS/ AN ECONOMIC LEADERSHIP/ WHICH MUST ARISE FROM

36-9-213

AN ENTIRELY REVISED PROGRAM/ OF THEOLOGICAL TEACHING/ OR IT MUST BRING IN FOR LEADERSHIP/ AND ADVICE/ PERSONS OUTSIDE OF ITS REGULAR PREACHERS/ AND TRAINED IN ECONOMIS AND POLITICS// AND PERHAPS PERSONS/ OUTSIDE OF THE CHURCH ENTIRELY// HERE IT MUST FRANKLY FACE/ THE FACT/ THAT SUCH PERSONS/ MAY NOT AGREE WITH/ OR PRETEND TO AGREE WITH/ THE CREED OF THE CHURCH // WITH THE CONCEPTION/ OR STATEMENT OF TRUTH/ WHICH THE CHURCH PROFESSES// WITH ITS BELIEF IN MIRACLES/ AND CEREMONIES,/ ITS FASTING AND PRAYING// IF THE CHURCH RECEDES FROM ITS CREED/ IT MAY ASK/ WHAT BECOMES OF ~~SOBRIETY~~ MORALITY, AND MANNERS, ~~AND HABITS OF DRINK-ING, GAMBLING AND FAST WOMEN.~~ // AND IF IT NEGLECTS UNION LABOR/ WAGES, STRIKES/ SHOP CONTROL AND DUES/ WHAT BECOMES OF DECENT INCOME/ AND SECURITY?// EITHER THERE COMES/ HERE/ COMPROMISE AND UNDERSTANDING/ OR THE WORLD SINKS IN WAR/ AND MURDER/ WITH NO ADEQUATE GUIDANCE AND CONTROL.

~~AND~~ HERE THE CHURCH/ IS HESITATING TODAY// MOREOVER, THAT HESITATION/ IS BEING INCREASED/ BY PERSONS OF POWER/ AND INFLUENCE/ IN THE PEWS/ WHO DO NOT WANT THE CHURCH TO TAKE ANY PATH/ BUT ONE/ CONCERNING WORK AND WAGE// AND THAT IS THE PATH/ THAT IS OF GREAT-EST

36-9-214

ADVANTAGE/TO PERSONS MOST COMFORTABLE/UNDER THE PRESENT SITUATION//AND WHO IN ORDER TO MAINTAIN/AND INCREASE THAT COMFORT/are WILLING/TO LET YOUNG MEN AND WOMEN/OF THE WORLD/ MURDER EACH OTHER.

FOR A LONG TIME/THE NEGRO CHURCH/RATHER COMFORTABLY ASSUMED/THAT THIS PROBLEM/ DID NOT TOUCH/ITS MEMBERSHIP DIRECTLY/BECAUSE ITS PEOPLE/ON THE WHOLE WERE POOR WORKERS,/ WHILE THE RICH CAPITALISTS/WERE AMONG THE WHITES//THAT THE ONLY INTEREST OF NEGROES/ IN WEALTH/WAS THE INTEREST OF A PERSON/WHO RECEIVES WAGES FROM EMPLOYERS/OR ALMS FROM THE PHILANTHROPIST// BUT THE SITUATION IS GREATLY CHANGED/IN THIS GENERATION.// AMERICAN NEGROES HAVE A CONSIDERABLE NUMBER/OF WELL-TO- DO PEOPLE/WITH ACCUMULATIONS OF WEALTH/AND CAPITAL;/AND IN ADDITION TO THAT,/NUMBERS OF OUR MIDDLE CLASS/HAVE INTERESTS/WHICH ARE BOUND UP/WITH THE INTERESTS/OF THE RICH EVERYWHERE// SO THAT WHILE/NUMERICALLY/STILL THE WORKING CLASS AMONG US/IS IN OVERWHELMING MAJORITY,/OUR INTERESTS AS REPRESENTED/BY OUR WELL-TO-DO,/OUR PROFESSIONAL CLASS/THE OWNERS and renters OF FINE HOMES/THE LEADERS OF INSURANCE ORGANIZATIONS/AND MERCANTILE ESTABLISHMENTS,/THE GAMBLERS AND LIQUOR DEALERS,/ARE IDENTICAL WITH THE INTERESTS/OF THE SAME CLASS OF WHITES/WHO RULE THE WORLD/AND ARE THREATENING

36-9-215

CIVILIZATION/WITH CONTINUOUS WORLD WAR.

SO THAT THE LEAST/ONE CAN SAY/IS THAT THE NEGRO CHURCH/HAS TO BE WARNED// THAT THE OLD MAXIMS CONCERNING WORK/ WAGES AND WEALTH/HAVE GOT TO BE RE-EXAMINED// AND THAT WE CANNOT ASSUME/THAT WHAT IS FOR THE BEST INTERESTS/OF THAT LEADING GROUP OF WHITE PHILANTHROPISTS/WHO HAVE BEEN HELPING US IN EDUCATION,/WITH A NEGRO COLLEGE FUND/OF SIX CENTS for A YEAR/A STUDENT,// AND WITH BUILDING CHURCHES,// AND IN WHAT WE CALL/"GIVING US WORK"/ -- THAT THEIR INTERESTS/ARE IDENTICAL/WITH THE INTERESTS OF THE MASS/OF OUR CHURCH MEMBERSHIP.// ON THE OTHER HAND/ WE HAVE GOT TO LEARN/THAT THE PEOPLE/WHOSE CRY OF DISTRESS/IS RISING FROM THE COLONIAL/AND SEMI-COLONIAL LANDS/IN ASIA, AFRICA, SOUTH AMERICA AND THE WEST INDIES//SUFFER FROM THE SAME CAUSES/WHICH MAKE POVERTY/ UNEMPLOYMENT,/ IGNORANCE AND DISEASE/THE CAUSE OF DISTRESS AND ALARM/AMONG AMERICAN NEGROES.//THE NEXUS BETWEEN NEGRO WORKERS/IN AMERICA/AND THE PEOPLES OF AFRICA AND ASIA/IS NOT SIMPLY A MATTER/OF RACE AND COLOR// THAT ATTRACTS US NATURALLY/TO A VAST EXTENT// BUT FAR BEYOND THAT/IS THIS DIFFICULT/PARADOXICAL ECONOMIC SITUATION/WHICH HAS THE SAME CAUSES/IN

36-9-216

INDO-CHINA AS IN MISSISSIPPI/ AND WHICH RESTS ON THIS UNDENIABLE TRUTH:// THAT THE PERSONS/WHO DO MOST OF THE WORK/AND THE HARDEST WORK/GET THE SMALLEST PAY/AND ARE COMPELLED TO LIVE/IN IGNORANCE, POVERTY AND DISEASE.//FOR THESE, AND TO THIS/THERE IS BUT ONE BEGINNING/OF AN ANSWER:// PEACE, NO MORE WAR! ACADEMIC FREEDOM

MY PRACTICAL CONNECTION WITH INSTITUTIONS OF HIGHER LEARNING FALLS INTO THREE PARTS: UNDERGRADUATE WORK AT FISK UNIVERSITY FROM 1885-1888; UNDERGRADUATE WORK AT HARVARD FROM 1888 TO 1890; THEN FOUR YEARS OF GRADUATE WORK DIVIDED EQUALLY BETWEEN HARVARD UNIVERSITY AND THE UNIVERSITY OF BERLIN FROM 1890 TO 1894.

IN THIS ~~WAY~~ study I GOT A FAIR KNOWLEDGE OF THE WAY IN WHICH EDUCATION WAS CARRIED ON IN A SMALL SOUTHERN COLLEGE PATTERNED AFTER A NEW ENGLAND ~~COLLEGE~~ AND IN TWO LEADING UNIVERSITIES OF THE WORLD; AND PARTICULARLY A CONCEPTION OF WHAT ACADEMIC FREEDOM MEANT IN THAT DAY; WITH SOME OPPORTUNITY LATER OF COMPARISON WITH THE INSTITUTIONS OF THIS ERA.

46-9-154

MY KNOWLEDGE OF CONTEMPORARY INSTITUTIONS DEPENDS ON LECTURES AND VISITS TO PRACTICALLY ALL OF THE LARGE UNIVERSITIES OF THE UNITED STATES BETWEEN 1920 AND 1950, EXCEPT THOSE CONFINED TO WHITES IN THE FORMER SLAVE STATES AND ~~TO~~ visits & lectures in INSTITUTIONS ABROAD IN GREAT BRITAIN, FRANCE, CZECHOSLOVAKIA, THE SOVIET UNION, CHINA, JAPAN, HAITI, AND CUBA.

THE COLLEGE COURSE AT A SMALL INSTITUTION FOR NEGROES IN TENNESSEE IN THE 19TH CENTURY WAS LITTLE MORE THAN A CONTINUATION OF MY NEW ENGLAND HIGH SCHOOL COURSE,

-2-

WITH SOME EXCELLENT TEACHING; AND WITH BROAD FREEDOM OF EXPRESSION AND CONCEPTION OF THE TEACHER'S PROFESSION, EXCEPT, PERHAPS, IN THE MATTER OF RELIGION. THERE THE PREVAILING ATTITUDE WAS ORTHODOX PROTESTANTISM, AND NOT MUCH QUESTIONING OF DOGMA WAS PERMITTED, ALTHOUGH, ON THE OTHER HAND, THE COLLEGE DID NOT WANT TO HAVE THE STUDENTS GET THE IDEA THAT THEY WERE NOT QUITE FREE TO INQUIRE.

46-9-155

THE HARVARD UNIVERSITY WHICH I KNEW FROM THE FALL OF 1888 THROUGH THE SPRING OF 1894 WAS TO MY MIND AS FAIR AN EXAMPLE OF ACADEMIC FREEDOM AS THE MODERN WORLD HAS SEEN. FIRST OF ALL, IT HAD AN EXTRAORDINARY NUMBER OF TEACHERS AND OFFICIALS OF BROAD LEARNING, MORAL COURAGE, AND FREEDOM OF EXPRESSION. THERE WERE CONNECTED WITH THE UNIVERSITY A NUMBER OF MEN WHO WERE NOT ~~TEACHING~~ active BUT WERE STILL INFLUENTIAL, LIKE ALEXANDER AGASSIZ, JOHN FISKE, JAMES RUSSEL LOWELL, CHARLES FRANCIS ADAMS, AND OLIVER WENDELL HOLMES. IN ADDITION TO THESE AND IN ~~MORE~~ ACTIVE SERVICE, WAS THE PRESIDENT, CHARLES WILLIAM ELIOT, ~~THE COLLEGE PREACHER, ANDREW PRESTON PEABODY~~, AND TEACHERS LIKE CHARLES ELIOT NORTON, NATHANIEL SHALER, GEORGE PALMER, WILLIAM JAMES, JOSIAH ROYCE,

BARRETT WENDELL, ALBERT BUSHNELL HART, GEORGE SANTAYANA, AND PERHAPS A DOZEN OTHER MEN OF NATIONAL IF NOT INTERNATIONAL REPUTATION.

IT WAS ONE OF THE HIGH POINTS OF HARVARD UNIVERSITY'S CAREER, AND I CANNOT CONCEIVE OF ANY ORGANIZED FORCE IN THEOLOGY OR MILITARY CONTROL, IN INDUSTRIAL OR ECONOMIC DICTATORSHIP, OR IN OWNERSHIP OR CENSORSHIP OF PRESS, PERIODICALS AND PUBLICATIONS, WHICH WOULD HAVE DARED TO TELL THESE MEN WHAT THEY SHOULD THINK, OR INDICATE LIMITATIONS TO THEIR FREEDOM OF THOUGHT AND SPEECH.

NATURALLY THEY WERE, IN FACT, WIDELY CONDITIONED IN THOUGHT AND ACTION BY THEIR TRAINING THROUGHOUT THE 19TH CENTURY, WITH THAT CENTURY'S DICTATORSHIP IN DRESS AND MANNERS, WITH ITS VICTORIAN CONTROL OF MORALS, AND WITH ITS COMPLACENT INDUSTRIAL PROGRESS. NEVERTHELESS THEY HAD REBELS WITH A RECOGNIZED STATUS, LIKE JAMES IN THEOLOGY, PEABODY IN SOCIAL ORGANIZATION, SHALER IN GEOLOGY, AND SANTAYANA IN SOCIAL ~~THOUGHT~~ DEVELOPMENT. PERHAPS REBELLION IN ECONOMICS WAS LEAST OUTSTANDING, AND YET SOCIALISM WAS RESPECTABLE IF NOT POPULAR. THESE THINKERS KNEW LITTLE OF THE LABOR MOVEMENT, OF KARL MARX, OF THE PROBLEM OF POVERTY, but all were discussed

251-6-46-9-15

ON THE OTHER HAND, IN THE TRANSITION TO THE UNIVERSITY OF BERLIN THE REVOLT AGAINST THEOLOGY WAS COMPLETE, AND INDUSTRIAL ORGANIZATION HAD GONE THEORETICALLY OVER TO STATE SOCIALISM, BUT HAD NOT CONCEIVED OF COMMUNISM AS PRACTICAL. I GOT MUCH OF MY GERMAN EDUCATION IN THE MEETINGS OF THE SOCIALIST PARTY. The German professor of that day was as free as at Harvard save in relation to the emperor

I CAME THROUGH THIS UNIVERSITY TUTELAGE, THEREFORE, ABLE TO READ AND WRITE AND WITH THE BEGINNING OF CLEAR IDEAS AS TO COUNTING, PARTICULARLY IN THE MEASUREMENT OF SOCIAL UNITS AND SOCIAL DEVELOPMENT, WITH A CONCEPTION OF FREEDOM IN MY SEARCH FOR TRUTH, AND UNHAMPERED LIBERTY IN ITS EXPRESSION, ALTHOUGH THERE AGAIN I MYSELF HAD INHERITED SOMETHING OF PROTESTANT THEOCRACY AND OF FIERCELY STRICT NEW ENGLAND MORALITY.

251-6-46-9-15a

IN GERMANY I HAD GONE OVER TO A CONCEPTION OF SCIENCE, OF OVERWHELMING AND COMPLETE SCIENTIFIC LAW GOVERNING THE UNIVERSE, AND ALTHOUGH ONLY PARTIALLY CONCEIVED AND DISCOVERED AT PRESENT, CAPABLE OF ADVANCEMENT AND ELUCIDATION AT THE HANDS OF PROPERLY EQUIPPED DISCIPLES, WITH SOMEHOW ACCOMMODATION BETWEEN A MECHANICAL DEVELOPMENT AND A MORAL CHOICE OF IDEALS.

I CAME AT LAST INTO A LIFE WORK WHICH COULD BE DIVIDED RATHER COMPLETELY INTO TWO PARTS. THE ATTEMPT AT CONCEIVING AND STARTING A SCIENCE OF SOCIOLOGY ARISING FROM A STUDY OF THE AMERICAN NEGRO ~~PROBLEM~~ AND A PERIOD OF ADMITTING THAT PROGRESS ALONG THAT LINE WAS TEMPORARILY IMPOSSIBLE BECAUSE OF THE OPPOSING ATTITUDES OF MEN TO WHICH I MUST GIVE IMMEDIATE ATTENTION RATHER THAN TO THE SCIENTIFIC RESEARCH WHICH I HAD PLANNED.

MY CONCEPT OF ACADEMIC FREEDOM RAN INTO DIFFICULTIES WHEN I TRIED TO PLAN AND CARRY OUT WHAT SEEMED TO ME A PERFECTLY CLEAR AND UNIVERSALLY ACCEPTABLE PROGRAM OF STUDYING THE NEGRO PROBLEMS IN THE UNITED STATES IN ORDER TO FORWARD AND BROADEN THE AMERICAN CONCEPTION OF DEMOCRACY. I ADOPTED IT CONSCIOUSLY AS A SORT OF COMPROMISE BETWEEN TWO ATTITUDES AGAINST WHICH I WAS CLEARLY IN OPPOSITION. THE ATTITUDE ON THE ONE HAND OF THE DOMINANT SOUTH, WHICH MAINTAINED THAT THE WHITE SOUTH KNEW THE NEGRO AND WHAT WAS BEST FOR HIM, AND WAS ~~WITH DIFFICULTIES~~ TRYING TO REALIZE A PROGRAM OF RACE RELATIONS IN THE POST-CIVIL WAR STATE. AND THE OPPOSING ATTITUDE WHICH FELT STRONG ~~THAT~~ RELIGIOUS AND PHILANTHROPIC EMOTION AND WHICH STRESSED THE INJUSTICE TOWARDS THE NEGRO, HIS

46-9-158

SUFFERING AND DEGRADATION, AND WANTED IMMEDIATE ACTION IN LAW AND SOCIAL ORGANIZATION.

MY OWN ATTITUDE CAME, AS I HAVE SAID, AS A COMPROMISE BETWEEN THESE TWO. I SAID THAT PERSONALLY I DID NOT KNOW EXACTLY WHAT THE SITUATION IN THE SOUTH WAS. ALTHOUGH OF NEGRO DESCENT, I HAD BEEN BORN AND EDUCATED LARGELY IN THE NORTH. I HAD SEEN BUT SMALL PARTS OF THE SOUTH, AND I KNEW A COMPARATIVELY SMALL NUMBER OF NEGROES IN THE AGGREGATE. BUT, on the other hand, I WAS NOT CONVINCED THAT THOSE WHITES WHO THOUGHT THEY "KNEW THE NEGRO" WERE NOT JUST AS LACKING IN REAL SCIENTIFIC KNOWLEGE AS I WAS BECAUSE OF WIDE SOCIAL SEPARATION between the races. THEREFORE I PROPOSED TO BEGIN A STUDY OF THE VARIOUS NEGRO PROBLEMS, AND I WAS CAREFUL ALWAYS TO SPEAK IN THE PLURAL HERE AND NOT ADMIT FOR A MOMENT THAT WE WERE DEALING WITH ONE PROBLEM. SO THAT IN THE LONG RUN I PROPOSED TO SUBSTITUTE FOR PREJUDICE A FOUNDATION OF SCIENTIFICALLY ASCERTAINED TRUTH; AND THE TIME WHICH I WAS WILLING TO EXPEND UPON SUCH A STUDY LED ACTUALLY TO A PLAN WHICH COVERED 100 YEARS. IN EACH ~~ONE~~ year OF A TEN YEAR CYCLE MY ORGANIZATION WAS TO MAKE A STUDY, LIMITED BY OUR RESOURCES, BUT AS BROAD AND ACCURATE AS POSSIBLE, ON A ~~LIMITED~~ PHASE OF THE NEGRO PROBLEMS;

46-9-159

THEN WOULD FOLLOW ANOTHER YEAR WITH STUDY OF A DIFFERENT PROBLEM ~~FROM A DIFFERENT POINT OF VIEW~~, UNTIL WE HAD COVERED 10 SUBJECTS WHICH WOULD FAIRLY EXHAUST THE FIELD. ON THE 11TH YEAR WE WOULD BEGIN A SECOND CYCLE AND GO BACK TO THE FIRST SUBJECT STUDYING IT WITH MORE CARE AND COMPLETENESS. AND SO ON YEAR AFTER YEAR AND DECADE AFTER DECADE FOR A CENTURY OF SOCIAL INQUIRY.

THEORETICALLY THE PLAN WAS QUITE COMPLETE! PRACTICALLY IT RAN INTO UNEXPECTED DIFFICULTIES. FIRST OF ALL, I GAVE 13 YEARS OF WORK, ~~13 YEARS~~ AT A SALARY OF $1200 A YEAR, SUPPORTING A SMALL FAMILY ~~OFF MY SALARY~~. ATLANTA UNIVERSITY, WHERE I WAS INITIATING THIS PROJECT, COULD NOT RAISE the $5000 A YEAR needed FROM PHILANTHROPY AND ~~ORGANIZED~~ SCIENCE TO PAY MY SALARY and TO CARRY ON THIS WORK AND ~~TO~~ ENLARGE IT.

THE WORK GAINED NATIONAL AND INDEED SOMETHING OF WORLD-WIDE RECOGNITION, SO THAT IT IS FAIR TO SAY THAT FROM 1900 TO THE FIRST WORLD WAR THERE WAS NO SERIOUS WORK ON THE NEGRO PROBLEMS IN ~~THE UNITED STATES~~ WHICH DID NOT MORE OR LESS DEPEND UPON THESE LITTLE STUDIES WHICH WE HAD MADE AT ATLANTA UNIVERSITY. LATER THE MYRDAL STUDY HAD

MORE REFERENCES TO ~~THIS~~ OUR WORK THAN TO ANY OTHER.

ON THE OTHER HAND, THE OPPOSITION TO MY FREEDOM OF INQUIRY, FREEDOM OF TEACHING AND LECTURING, AND FREEDOM OF PUBLICATION WAS STRONG. SO STRONG THAT IT INFLUENCED ORGANIZATIONS LIKE THE THEN NEW GENERAL EDUCATION BOARD NOT ONLY NOT TO HELP US BUT STRONGLY TO INTIMATE THAT ITS FURTHER CONTRIBUTIONS TO OTHER WORK OF THE UNIVERSITY MIGHT STOP IF I REMAINED there. MY RESEARCHES AND CONCLUSIONS DETERRED INDIVIDUAL PHILANTHROPISTS FROM HELPING, MADE MY HEARING BEFORE SOUTHERN WHITE INSTITUTIONS ALMOST IMPOSSIBLE, AND I WAS NOT TOO WELCOME EVEN BEFORE NORTHERN INSTITUTIONS. ABOVE ALL, AS I HAVE SAID, IT GAVE ME NO MONEY ~~FOR SALARIES~~, FOR EXPANSION, FOR REAL BROAD, SCIENTIFIC RESEARCH. AND IT MET STRONG ANTI-NEGRO OPPOSITION FROM ALMOST ALL QUARTERS. SOME PUBLICITY CAME TO OUR WORK FROM VISITORS AND READERS, BUT NOTHING ANYWHERE NEAR ADEQUATE FOR THE GREAT WORK WHICH WE HAD PLANNED.

ACADEMIC FREEDOM

MY PRACTICAL CONNECTION WITH INSTITUTIONS OF HIGHER LEARNING FALLS INTO THREE PARTS: UNDERGRADUATE WORK AT FISK UNIVERSITY FROM 1888-1888, UNDERGRADUATE WORK AT HARVARD FROM 1888 TO 1890; THEN FOUR YEARS OF GRADUATE WORK DIVIDED EQUALLY BETWEEN HARVARD UNIVERSITY AND THE UNIVERSITY OF BERLIN FROM 1890 TO 1894.

IN THIS study I GOT A FAIR KNOWLEDGE OF THE WAY IN WHICH EDUCATION WAS CARRIED ON IN A SMALL SOUTHERN COLLEGE PATTERNED AFTER NEW ENGLAND [redacted], AND IN TWO LEADING UNIVERSITIES OF THE WORLD; AND PARTICULARLY A CONCEPTION OF WHAT ACADEMIC FREEDOM MEANT IN THAT DAY; WITH SOME OPPORTUNITY later OF COMPARISON WITH THE INSTITUTIONS OF THIS ERA.

MY KNOWLEDGE OF CONTEMPORARY INSTITUTIONS DEPENDS ON LECTURES AND VISITS TO PRACTICALLY ALL OF THE LARGE UNIVERSITIES OF THE UNITED STATES BETWEEN 1930 AND 1950, EXCEPT THOSE CONFINED TO WHITES IN THE FORMER SLAVE STATES, AND 20 visits and lectures INSTITUTIONS ABROAD IN GREAT BRITAIN, FRANCE, CZECHOSLOVAKIA, THE SOVIET UNION, CHINA, JAPAN, HAITI, AND CUBA.

36-9-21

THE COLLEGE COURSE AT A SMALL INSTITUTION FOR NEGROES IN TENNESSEE IN THE 19TH CENTURY WAS LITTLE MORE THAN A CONTINUATION OF MY NEW ENGLAND HIGH SCHOOL COURSE,

-2-

WITH SOME EXCELLENT TEACHING; AND WITH BROAD FREEDOM OF EXPRESSION AND CONCEPTION OF THE TEACHER'S PROFESSION, EXCEPT, PERHAPS, IN THE MATTER OF RELIGION. THERE THE PREVAILING ATTITUDE WAS ORTHODOX PROTESTANTISM, AND NOT MUCH QUESTIONING OF DOGMA WAS PERMITTED, ALTHOUGH, ON THE OTHER HAND, THE COLLEGE DID NOT WANT TO HAVE THE STUDENTS GET THE IDEA THAT THEY WERE NOT QUITE FREE TO INQUIRE.

THE HARVARD UNIVERSITY WHICH I KNEW FROM THE FALL OF 1888 THROUGH THE SPRING OF 1894 WAS TO MY MIND AS FAIR AN EXAMPLE OF ACADEMIC FREEDOM AS THE MODERN WORLD HAS SEEN. FIRST OF ALL, IT HAD AN EXTRAORDINARY NUMBER OF TEACHERS AND OFFICIALS OF BROAD LEARNING, MORAL COURAGE, AND FREEDOM OF EXPRESSION. THERE WERE CONNECTED WITH THE UNIVERSITY A NUMBER OF MEN WHO WERE NOT active BUT WERE STILL INFLUENTIAL, LIKE ALEXANDER AGASSIZ, JOHN FISKE, JAMES RUSSEL LOWELL, CHARLES FRANCIS ADAMS, AND OLIVER WENDELL HOLMES. IN ADDITION TO THESE AND IN [redacted] ACTIVE SERVICE, WAS THE PRESIDENT, CHARLES WILLIAM ELIOT, [redacted], AND TEACHERS LIKE CHARLES ELIOT NORTON, NATHANIEL SHALER, GEORGE PALMER, WILLIAM JAMES, JOSIAH ROYCE,

BARRETT WENDELL, ALBERT BUSHNELL HART, GEORGE SANTAYANA, AND PERHAPS A DOZEN OTHER MEN OF NATIONAL IF NOT INTERNATIONAL REPUTATION.

IT WAS ONE OF THE HIGH POINTS OF HARVARD UNIVERSITY'S CAREER, AND I CANNOT CONCEIVE OF ANY ORGANIZED FORCE IN THEOLOGY OR MILITARY CONTROL, IN INDUSTRIAL OR ECONOMIC DICTATORSHIP, OR IN OWNERSHIP OR CENSORSHIP OF PRESS, PERIODICALS AND PUBLICATIONS, WHICH WOULD HAVE DARED TO TELL THESE MEN WHAT THEY SHOULD THINK, OR INDICATE LIMITATIONS TO THEIR FREEDOM OF THOUGHT AND SPEECH.

NATURALLY THEY WERE, IN FACT, WIDELY CONDITIONED IN THOUGHT AND ACTION BY THEIR TRAINING THROUGHOUT THE 19TH CENTURY, WITH THAT CENTURY'S DICTATORSHIP IN DRESS AND MANNERS, WITH ITS VICTORIAN CONTROL OF MORALS, AND WITH ITS COMPLACENT INDUSTRIAL PROGRESS. NEVERTHELESS THEY HAD REBELS WITH A RECOGNIZED STATUS, LIKE JAMES IN THEOLOGY, PEABODY IN SOCIAL ORGANIZATION, SHALER IN GEOLOGY, AND SANTAYANA IN SOCIAL development. PERHAPS REBELLION IN ECONOMICS WAS LEAST OUTSTANDING, AND YET SOCIALISM WAS RESPECTABLE IF NOT POPULAR. THESE THINKERS KNEW LITTLE OF THE LABOR MOVEMENT, OF KARL MARX, OF THE PROBLEM OF POVERTY, but all were discussed.

30-9-22

ON THE OTHER HAND, IN THE TRANSITION TO THE UNIVERSITY OF BERLIN THE REVOLT AGAINST THEOLOGY WAS COMPLETE, AND INDUSTRIAL ORGANIZATION HAD GONE THEORETICALLY OVER TO STATE SOCIALISM, BUT HAD NOT CONCEIVED OF COMMUNISM AS PRACTICAL. I GOT MUCH OF MY GERMAN EDUCATION IN THE MEETINGS OF THE SOCIALIST PARTY. the German professor of that day was as free as at Harvard, save in relation to the emperor.

I CAME THROUGH THIS UNIVERSITY TUTELAGE THEREFORE, ABLE TO READ AND WRITE AND WITH THE BEGINNING OF CLEAR IDEAS AS TO COUNTING, PARTICULARLY IN THE MEASUREMENT OF SOCIAL UNITS AND SOCIAL DEVELOPMENT; WITH A CONCEPTION OF FREEDOM IN MY SEARCH FOR TRUTH, AND UNHAMPERED LIBERTY IN ITS EXPRESSION; ALTHOUGH THERE AGAIN I MYSELF HAD INHERITED SOMETHING OF PROTESTANT THEOCRACY AND OF the FIERCELY STRICT NEW ENGLAND MORALITY.

IN GERMANY I HAD GONE OVER TO A CONCEPTION OF SCIENCE, OF OVERWHELMING AND COMPLETE SCIENTIFIC LAW GOVERNING THE UNIVERSE, AND ALTHOUGH ONLY PARTIALLY CONCEIVED AND DISCOVERED AT PRESENT; CAPABLE OF ADVANCEMENT AND ELUCIDATION AT THE HANDS OF PROPERLY EQUIPPED DISCIPLES, WITH SOMEHOW ACCOMMODATION BETWEEN A MECHANICAL DEVELOPMENT AND A MORAL CHOICE OF IDEALS.

I CAME AT LAST INTO A LIFE work WHICH COULD BE DIVIDED RATHER COMPLETELY INTO TWO PARTS; THE ATTEMPT AT CONCEIVING AND STARTING A SCIENCE OF SOCIOLOGY ARISING FROM A STUDY OF THE AMERICAN NEGRO [redacted], AND A PERIOD OF ADMITTING THAT PROGRESS ALONG THAT LINE WAS TEMPORARILY IMPOSSIBLE BECAUSE OF THE OPPOSING ATTITUDES OF MEN, TO WHICH I MUST GIVE IMMEDIATE ATTENTION RATHER THAN TO THE SCIENTIFIC RESEARCH WHICH I HAD PLANNED.

MY CONCEPT OF ACADEMIC FREEDOM RAN INTO DIFFICULTIES WHEN I TRIED TO PLAN AND CARRY OUT WHAT SEEMED TO ME A PERFECTLY CLEAR AND UNIVERSALLY ACCEPTABLE PROGRAM OF STUDYING THE NEGRO PROBLEMS IN THE UNITED STATES IN ORDER TO FORWARD AND BROADEN THE AMERICAN CONCEPTION OF DEMOCRACY. I ADOPTED IT CONSCIOUSLY AS A SORT OF COMPROMISE BETWEEN TWO ATTITUDES AGAINST WHICH I WAS CLEARLY IN OPPOSITION: THE ATTITUDE ON THE ONE HAND OF THE DOMINANT SOUTH, WHICH MAINTAINED THAT THE WHITE SOUTH KNEW THE NEGRO AND WHAT WAS BEST FOR HIM, AND WAS [redacted] TRYING TO REALIZE A PROGRAM OF RACE RELATIONS IN THE POST-CIVIL WAR STATE; AND THE OPPOSING ATTITUDE WHICH FELT strong [redacted] RELIGIOUS AND PHILANTHROPIC EMOTION and STRESSED THE INJUSTICE TOWARDS THE NEGRO, HIS

86-9-23

SUFFERING AND DEGRADATION, AND WANTED IMMEDIATE ACTION IN LAW AND SOCIAL ORGANIZATION.

MY OWN ATTITUDE CAME, AS I HAVE SAID, AS A COMPROMISE BETWEEN THESE TWO. I SAID THAT PERSONALLY I DID NOT KNOW EXACTLY WHAT THE SITUATION IN THE SOUTH WAS. ALTHOUGH OF NEGRO DESCENT, I HAD BEEN BORN AND EDUCATED LARGELY IN THE NORTH. I HAD SEEN BUT SMALL PARTS OF THE SOUTH, AND I KNEW A COMPARATIVELY SMALL NUMBER OF NEGROES IN THE AGGREGATE. BUT on the other hand I WAS NOT CONVINCED THAT THOSE WHITES WHO THOUGHT THEY "KNEW THE NEGRO" WERE NOT JUST AS LACKING IN REAL SCIENTIFIC KNOWLEDGE AS I WAS, BECAUSE OF WIDE SOCIAL SEPARATION between the races. THEREFORE I PROPOSED TO BEGIN A STUDY OF THE VARIOUS NEGRO PROBLEMS, AND I WAS CAREFUL ALWAYS TO SPEAK IN THE PLURAL HERE AND NOT ADMIT FOR A MOMENT THAT WE WERE DEALING WITH ONE PROBLEM. SO THAT IN THE LONG RUN I PROPOSED TO SUBSTITUTE FOR PREJUDICE A FOUNDATION OF SCIENTIFICALLY ASCERTAINED TRUTH; AND THE TIME WHICH I WAS WILLING TO EXPEND UPON SUCH A STUDY LED ACTUALLY TO A PLAN WHICH COVERED 100 YEARS. IN EACH [redacted] TEN YEAR CYCLE MY ORGANIZATION WAS TO MAKE A STUDY, LIMITED BY OUR RESOURCES BUT AS BROAD AND ACCURATE AS POSSIBLE ON A [redacted] PHASE OF THE NEGRO PROBLEMS. YEAR OF A RE-

THEN WOULD FOLLOW ANOTHER YEAR WITH STUDY OF A DIFFERENT PROBLEM [redacted], UNTIL WE HAD COVERED 10 SUBJECTS WHICH WOULD FAIRLY EXHAUST THE FIELD. ON THE 11TH YEAR WE WOULD BEGIN A SECOND CYCLE AND GO BACK TO THE FIRST SUBJECT, STUDYING IT WITH MORE CARE AND COMPLETENESS; AND SO ON YEAR AFTER YEAR AND DECADE AFTER DECADE FOR A CENTURY OF SOCIAL INQUIRY.

THEORETICALLY THE PLAN WAS QUITE COMPLETE. PRACTICALLY IT RAN INTO UNEXPECTED DIFFICULTIES. FIRST OF ALL, I GAVE 13 YEARS OF WORK, [redacted] AT A SALARY OF $1200 A YEAR, SUPPORTING A SMALL FAMILY [redacted]. ATLANTA UNIVERSITY, WHERE I WAS INITIATING THIS PROJECT, COULD NOT RAISE the $5000 A YEAR needed FROM PHILANTHROPY AND ORGANIZED SCIENCE TO PAY MY SALARY and CARRY ON THIS WORK AND [redacted] ENLARGE IT.

12-6-24

THE WORK GAINED NATIONAL AND INDEED SOMETHING OF WORLD-WIDE RECOGNITION, SO THAT IT IS FAIR TO SAY THAT FROM 1900 TO THE FIRST WORLD WAR THERE WAS NO SERIOUS WORK ON THE NEGRO PROBLEMS [redacted] WHICH DID NOT MORE OR LESS DEPEND UPON THESE LITTLE STUDIES WHICH WE HAD MADE AT ATLANTA UNIVERSITY. LATER THE MYRDAL STUDY HAD

MORE REFERENCES TO our WORK THAN TO ANY OTHER.

ON THE OTHER HAND, THE OPPOSITION TO MY FREEDOM OF INQUIRY, FREEDOM OF TEACHING AND LECTURING, AND FREEDOM OF PUBLICATION WAS STRONG; SO STRONG THAT IT INFLUENCED ORGANIZATIONS LIKE THE THEN NEW GENERAL EDUCATION BOARD NOT ONLY NOT TO HELP US BUT STRONGLY TO INTIMATE THAT ITS FURTHER CONTRIBUTIONS TO OTHER WORK OF THE UNIVERSITY MIGHT STOP IF I REMAINED there. MY RESEARCHES AND CONCLUSIONS DETERRED INDIVIDUAL PHILANTHROPISTS FROM HELPING, MADE MY HEARING BEFORE SOUTHERN WHITE INSTITUTIONS ALMOST IMPOSSIBLE, AND I WAS NOT TOO WELCOME EVEN BEFORE NORTHERN INSTITUTIONS. ABOVE ALL, AS I HAVE SAID, IT GAVE ME NO MONEY [redacted], FOR EXPANSION, FOR REAL BROAD, SCIENTIFIC RESEARCH. AND IT MET STRONG ANTI-NEGRO OPPOSITION FROM ALMOST ALL QUARTERS. SOME PUBLICITY CAME TO OUR WORK FROM VISITORS AND READERS, BUT NOTHING ANYWHERE NEAR ADEQUATE FOR THE GREAT WORK WHICH WE HAD PLANNED.

AND THEN, QUITE OVERWHELMING ALL THAT AND PUSHING IT TO THE BACK OF MY MIND AS WELL AS OUT OF THE MINDS OF ALL SCIENTISTS, CAME THE BITTER EXACERBATION OF RACE

PREJUDICE AND ORGANIZED POLITICAL DOMINATION OF THE NEGRO WHICH CHARACTERIZED THE 1890'S, AND SPILLED OVER INTO THE 20TH CENTURY. MY OWN UNEXPECTED AND BITTER CONTACT WITH LYNCHING AND INJUSTICE IN GEORGIA, CULMINATING WITH THE ATLANTA RIOT OF 1906, CATAPULTED ME OUT OF SCIENTIFIC RESEARCH INTO ORGANIZED AGITATION FOR PREPARING AND EXHORTING THE MINDS OF MEN TO TURN FROM PREJUDICE TO DECENCY, ON THE WAY TO THE SCIENCE WHICH I HAD BEEN ADVOCATING.

THE RESULT WAS THE ORGANIZATION OF THE NAACP AND THE PUBLICATION OF THE CRISIS, AND A PATH OF EXHORTATION AND AGITATION OVER A PERIOD OF A QUARTER OF A CENTURY, RATHER THAN THE IVORY TOWER OF QUIET STUDY, INVESTIGATION AND RECORDING which I had planned. DURING THAT TIME, THE FIRST QUARTER OF THE 20TH CENTURY, FREEDOM OF ACADEMIC INVESTIGATION AND EXPRESSION BECAME LESS in the nation, PARTICULARLY IN THE FIELD OF THE SOCIAL SCIENCES, IN HISTORY, ECONOMICS, SOCIOLOGY, AND WHAT WAS CALLED IN THOSE DAYS "APPLIED PHILANTHROPY". IN FACT, THE IDEA THAT SCIENCE WAS A TERM TO BE CONFINED TO THE "NATURAL" SCIENCES AND WAS NOT APPLICABLE OR CONCEIVABLE SO FAR AS THE ACTIONS OF MEN WERE CONCERNED, GREW BOTH WITHIN AND WITHOUT

30-9-25

ACADEMIC CIRCLES. WHILE IT WAS THEREFORE RESPECTABLE AND CALLED FOR GENEROUS SUPPORT, FOR A MAN TO BE A PHYSICIST, CHEMIST OR A GEOLOGIST; ECONOMICS WAS OPPOSED WHEN IT BEGAN TO DRIFT INTO STUDY OF SOCIALISM AND CRITICISM OF MODERN INDUSTRY, WHICH WAS GROWING IN POWER AND CONTROL; AND PUBLIC OPINION WAS AGAINST ANY PHILANTHROPY WHICH WAS NOT IN THE SERVICE OF INDUSTRY, AND ESPECIALLY AGAINST ANY RECOGNITION OF SOCIOLOGY AS A SCIENCE.

AT THE END OF THIS QUARTER OF A CENTURY OF MY PATH OF EXHORTATION, SHAKEN AS IT WAS BY THE FIRST AND AS I FIRMLY BELIEVED, THE LAST WORLD WAR, AND FOLLOWED BY THE NEAR COLLAPSE OF CAPITALISM, I TURNED BACK AGAIN TO MY PLAN OF SCIENTIFIC STUDY OF RACE PROBLEMS, IN ADDITION TO A LARGER CONCEPTION OF A REAL ESTABLISHMENT OF A SCIENCE OF HUMAN ACTION. THIS PROPOSAL HAD NO REAL TRIAL, ITS WHOLE EFFORT AND CONCEPT WAS SHAKEN TO ITS DEPTHS BY [redacted] THE SECOND WORLD WAR IN 1939.

THIS PLAN INVOLVED A UNION OF THE NEGRO COLLEGES OF THE SOUTH, ONE IN EACH STATE, IN A CONTINUOUS YEAR IN AND YEAR OUT STUDY OF THE SOCIAL CONDITIONS AND

DEVELOPMENT OF THE NEGRO GROUP, USING ALL AVAILABLE PUBLISHED DATA IN ADDITION TO SPECIAL LOCAL STUDIES. THIS WORK WAS TO BE UNDER THE DIRECTION OF MY DEPARTMENT OF SOCIOLOGY IN ATLANTA UNIVERSITY, AND CRITICIZED AND GUIDED BY AN ANNUAL CONGRESS OF THE SOCIOLOGISTS OF THE NATION. [redacted] the Second World War hindered the plan although it was started and a first Congress held. The threat of a 3rd world War stopped it.

36-9-26

THE NATION [redacted] EMERGED, AFTER THE SECOND WORLD WAR [redacted] INTO A WORLD IN WHICH, AS YOU KNOW, THERE IS LIMITED ACADEMIC FREEDOM, AND WHERE SCIENCE [redacted] IS UNDER THE COMPLETE domination OF EFFORTS TO PRODUCE MONOPOLIES AND CONTROL WEALTH. IT MEANS THAT YOU ARE LIVING TODAY IN A UNIVERSITY ATMOSPHERE OF ALMOST COMPLETE SILENCE; PARTICULARLY ON SUBJECTS OF ECONOMICS AND SOCIOLOGY; AND WHERE THERE IS SCARCELY A GREAT VOICE IN THE UNITED STATES WHICH DARES SPEAK ON THESE SUBJECTS WITH COMPLETE FRANKNESS AND OUT OF CAREFULLY FOUNDED KNOWLEDGE.

[redacted]

11½

IT MUST BE CLEAR TO YOUNG MINDS JUST WHY VAST FORCES HAVE IMPOSED THIS PALL OF SILENCE ON THE PRESENT UNIVERSITY WORLD. IT IS NOT A MATTER OF DELIBERATELY EVIL DESIRE OR STUDIED IGNORANCE, BUT BECAUSE YOU ARE LIVING IN AN ERA OF REVOLUTION, WHEN A GREAT WORLD INDUSTRIAL ORGANIZATION WHICH HAS RULED THE MODERN WORLD FOR TWO CENTURIES IS FALLING APART AND IS CHALLENGED BY OTHER ORGANIZATIONS OR PLANS. IT IS NOT MERELY A QUESTION AS TO WHETHER A NEW ORGANIZATION REPRESENTED BY THE SOVIET UNION IS RIGHT OR WRONG, BUT THE MORE FUNDAMENTAL FACT THAT THE INDUSTRIAL SYSTEM WHICH HAS SO LONG AND SO SUCCESSFULLY DOMINATED CIVILIZATION NO LONGER SATISFIES MANKIND, AND MUST EITHER CHANGE FROM WITHIN OR BE SUPERSEDED FROM WITHOUT. TO STOP THIS INEVITABLE CHANGE BY WORLD WAR OR BY ITS SPIRITUAL EQUIVALENT, SILENCE OR THOUGHT CONTROL IS INDEFENSIBLE. IN 1949 THERE WAS A MAGNIFICENT EFFORT MADE TO PREVENT THIS SITUATION FROM DEVELOPING. HARLOW SHAPLEY OF HARVARD UNIVERSITY, AN ASTRONOMER AND NOT A STUDENT OF THE SOCIAL SCIENCES, MADE THE OBVIOUS PROPOSAL THAT

ARTISTS, SCIENTISTS AND PROFESSIONAL MEN OF THE CIVILIZED WORLD SHOULD MEET IN NEW YORK AND CONSIDER THE NEXT STEP FOR CIVILIZATION, AFTER TWO SHATTERING WORLD WARS, WITH THE ALMOST INCONCEIVABLE SHADOW OF ANOTHER AND FINAL WAR.

I DO NOT THINK THAT THE PEOPLE OF THE UNITED STATES, THE UNIVERSITY COMMUNITIES, OR THE CIVILIZED WORLD REALIZE THE ENORMITY OF THE FATE WHICH MET THAT WALDORF-ASTORIA WORLD CONFERENCE ON PEACE, LATE IN MARCH, 1949.

100-9-27

THE PERSONS WILLING TO CALL AND SUPPORT THIS CONFERENCE, AND THE GREAT MINDS AND SOULS EAGER TO ATTEND IT, REPRESENTED IN THE BEGINNING A ROLE OF HONOR IN MODERN CIVILIZATION. IT WAS NEVERTHELESS GREETED BY A CONCERTED WAVE OF INTOLERANCE AND IGNORANCE, VILIFICATION, AND DELIBERATE LYING, WHICH SHOCKED THE PEOPLE OF THE UNITED STATES INTO A SHAMEFUL ACQUIESCENCE TO MILITARY RULE AND INDUSTRIAL MONOPOLY, there followed THE STOPPING OF FREEDOM OF TEACHING IN ACADEMIC HALLS, FREEDOM OF SPEECH, AND FREEDOM OF EXPRESSION EVERWHERE WORSE THAN THAT OF ANY PERIOD SINCE THE REFORMATION.

THE NEW YORK PEACE MEETING OF 1949 WAS FOLLOWED BY A WORLD PEACE CONGRESS IN PARIS LATER THE SAME YEAR, AND OTHER PEACE CONGRESSES IN THE SOVIET UNION, WITH AN ATTEMPTED MEETING IN ENGLAND in 1951, WHICH HAD TO BE TRANSFERRED TO POLAND. IT IS NOT A QUESTION AS TO WHETHER MEN AGREE WITH ALL WHICH THESE CONGRESSES SAID OR DID, OR WHETHER THEIR SPONSORS WERE CAPITALISTS OR COMMUNISTS; THEY WERE MEETINGS OF HUMAN BEINGS, INCLUDING MEN OF REPUTATION AND WORLD- WIDE FAME. COLLEGES TODAY OUGHT TO KNOW ABOUT THEM AND STUDY THEM. THEY DO NOT.

THAT IS WHAT WE ARE FACING TODAY, AND OUT OF THIS SITUATION WE HAVE GOT TO CLIMB AND FIGHT. FOR A GENERATION I HAVE SPOKEN TO STUDENTS OF ALL RACES AND COLORS, IN ALL SORTS OF PHYSICAL AND SPIRITUAL SURROUNDINGS. IN THE LAST TWO YEARS I HAVE SUDDENLY FOUND MYSELF SPEAKING TO LIMITED GROUPS OF STUDENTS IN INSTITUTIONS WHERE I HAVE BEEN INVITED ONLY WITH HESITATION, AND WHERE TO MY SURPRISE I FIND, INSTEAD OF EAGER, OPEN-MINDED INQUIRIES INTO TRUTH AND RIGHT, GROUPS OF YOUNG MEN AND WOMEN WHO ARE POSITIVELY SCARED; WHO DO NOT DARE ASK QUESTIONS, WHO DO NOT DARE EXPRESS OPINIONS, AND WHO

36-9-28

SIT BEFORE ME SILENTLY, HOPING THAT I WILL SPEAK ON ONE SUBJECT WHICH THEY THEMSELVES DO NOT RAISE, AND WHICH THEIR TEACHERS do NOT DISCUSS FOR FEAR THAT THEY WILL LOSE THEIR JOBS; AND I MEAN BY THAT, SOCIALISM, COMMUNISM, AND THE SOVIET UNION. THEY ARE THE GREAT SUBJECTS OF PRESENT CURIOSITY AND INQUIRY WHICH FACE THE MODERN WORLD AND ASK FOR DECISION. IN EVERY CASE WHERE I HAVE IN THE LAST TWO OR THREE YEARS FACED ACADEMIC AUDIENCES, THEY EITHER DARE NOT BRING UP THESE SUBJECTS, OR IF SOMEBODY SUGGESTS THAT they BE BROUGHT UP, THEY DARE NOT DISCUSS IT. NOTWITHSTANDING THIS, WE ARE PROPOSING TO FIGHT A WORLD WAR ON COMMUNISM, WHEN WE DARE NOT ASK OURSELVES WHAT COMMUNISM IS, HOW IT IS PROGRESSING, AND WHAT ITS FUTURE MAY BE.

IT IS FOR THIS REASON THAT I WAS GLAD TO COME TO THIS MEETING; NOT TO DISCUSS ANYTHING THAT YOU ARE AFRAID TO DISCUSS, OR BRING UP ANY MATTER WHICH WOULD CAUSE CONSTERNATION IN [redacted] HALLS OF SCIENCE, BUT SIMPLY TO IMPRESS UPON THIS AUDIENCE THAT YOU ARE IN SLAVERY, THAT YOU ARE SCARED, AND THAT FOR THIS REASON YOU OUGHT TO BE ASHAMED OF YOURSELVES.

WE ARE NEGLECTING THE SOCIAL SCIENCES, HISTORY IS PEDANTIC, ECONOMICS IS HIDING IN JUNGLES OF HIGHER MATHEMATICS, AND THERE IS NOTHING THAT CAN BE CALLED A SCIENCE OF SOCIOLOGY. WE ARE AFRAID OF THESE: THEY INVOLVE OPINIONS, JUDGMENTS OF MEN, EXPOSURE OF THE CRIME OF WAR, AND CRIES FOR FREEDOM OF THOUGHT, AND COURAGE TO SPEAK. WE RATHER STUDY EXPLOSIVES AND MURDER AND BUILDING, EVEN WHEN WE DO NOT KNOW WHAT OUR BUILDING IS FOR OR WHERE OUR BRIDGES LEAD OR WHAT OUR DAMS STOP, PARTICULARLY IN THE MISSOURI AND MISSISSIPPI VALLEYS.

YOU OUGHT TO HAVE THE BRAINS TO REALIZE AND THE GUTS TO ADMIT THAT YOU ARE FACING THE GREATEST OF THE WORLD'S REVOLUTIONS; THAT IT IS YOUR BUSINESS AS CITIZENS OF ACADEMIC INSTITUTIONS, TO KNOW JUST AS MUCH ABOUT IT AS YOU CAN, TO DISCUSS IT WITH THE UTMOST FREEDOM, AND TO COME TO ANY CONCLUSIONS THAT YOU THINK TRUE; THAT ANY ATTEMPT ON THE PART OF SUCH INDUSTRIAL ORGANIZATION AS DOMINATES THE WORLD TODAY AND WHICH WITH ALL ITS MIRACULOUS TRIUMPHS HAS BEEN GUILTY OF THE MOST AWFUL CRIMES, TO STOP YOUR THINKING AND CURTAIL YOUR SPEAKING WITH THREAT OF JAIL AND DISGRACE, IS A DEMAND TO WHICH NO FREE AMERICAN CITIZEN HAS ANY RIGHT TO dream OF SUBMITTING; AND THAT THOSE OF US WHO ARE BOWING TO THIS INSUFFERABLE TYRANNY WILL BE AND WILL DESERVE TO BE CALLED COWARDS AND TRAITORS TO OUR GREAT HERITAGE.

I CAN BEST CLOSE BY REPEATING THE WORDS OF ALEXANDER FADEYEV, A SOVIET NOVELIST, WHICH HE SPOKE IN NEW YORK IN 1949:

"THE PEOPLES OF THE SOVIET UNION STAND FOR PEACE. IT IS DOUBTFUL WHETHER EVEN ONE UNPREJUDICED AMERICAN OR WESTERN EUROPEAN COULD BE FOUND WHO, COMING TO OUR

36-9-30

COUNTRY, WOULD NOT FEEL THE HEALTHY, PEACEFUL PULSE OF LIFE IN THE ENTIRE ATMOSPHERE; IN THE PLAN FOR THE RECONSTRUCTION OF MOSCOW PROJECTED FOR A PERIOD OF 25 YEARS; IN THE PLANS FOR THE PLANTING OF FORESTS ENCOMPASSING THE GIGANTIC STEPPE REGIONS OF THE EUROPEAN PART OF THE Soviet Union IN ORDER TO INSURE A RICH HARVEST; [redacted]; IN THE EXPERIMENT OF ACADEMICIAN LYSENKO FOR THE DISTRIBUTION OF BUSHLIKE WHEAT; IN THE NEW PRODUCTIONS OF THE MOSCOW ART THEATRE; IN THE LIFE-LOVING, OPTIMISTIC MOOD OF OUR CITIZENS; IN THE PEACEFUL TONE OF THE PRESS; IN THE BRIGHT VOICES OF THE CHILDREN — SO MANY OF WHOM ARE BEING BORN IN OUR COUNTRY, AS A SIGN OF THE CONFIRMATION OF LIFE, ITS MOST BEAUTIFUL AND MOST HOPEFUL SYMBOL.

"THE SOVIET STATE IS FOR PEACE AS IT IS NATURAL FOR A GREAT SOCIALIST STATE TO BE. A STATE FULL OF CREATIVE PLANS, SURE OF ITS FUTURE; A STATE WHICH SPENDS ALMOST 40% OF ALL THE EXPENDITURES [redacted], ON THE RESTORATION AND DEVELOPMENT OF ITS ECONOMY, 30% FOR CULTURAL UNDERTAKINGS, FOR THE EDUCATION OF 40 MILLION SCHOOL CHILDREN AND ALMOST 2 MILLION STUDENTS IN 1949...." I do not believe that this statement was less worthy of credence than those of other nations.

ALL THE NATIONS PRESENT ON THAT HISTORIC OCCASION INCLUDING THE UNITED STATES, BRITAIN, FRANCE, ITALY AND THE NATIONS OF ASIA, AFRICA AND SOUTH AMERICA JOINED IN SIMILAR STATEMENTS ASSERTING THEIR GOOD WILL, THEIR HATRED OF WAR, AND THEIR WILLINGNESS TO STRIVE FOR PEACE AND FREEDOM. SUPPOSE THAT MANY OF THEM DID NOT BELIEVE ALL THAT WAS SAID THERE. NEVERTHELESS THERE WAS SURELY THE PLACE TO ASSERT FAITH, TO STRIVE FOR FRANK DEEDS AND TO UNITE MORE CLOSELY FOR COOPERATION AND STUDY. ON THE CONTRARY, THIS NATION, IN ITS GOVERNMENT AND ITS COMMERCIALIZED PRESS WAS INSULTING AND RUDE. SHOSTAKOVICH, THE GREAT SOVIET COMPOSER WAS REFUSED THE PRIVILEGE TO GIVE A CONCERT ON THE YALE CAMPUS TO WHICH HE HAD BEEN INVITED. NONE OF OUR GUESTS, SOME OF WORLD RENOWN, WAS ALLOWED TO SPEAK OUTSIDE NEW YORK CITY. COLLEGES WHO HAD SHOWERED DEGREES ON SOLDIERS HAD NONE FOR PEACEMAKERS. THEY WOULD NOT EVEN LISTEN TO THEM. MEN OF UNBLEMISHED REPUTATION WERE OPENLY CALLED LIARS AND TRAITORS, NOT BECAUSE OF ACADEMIC INVESTIGATION OR STUDY, BUT BECAUSE AMERICAN BUSINESS FEARED THE COMPETITION OF COMMUNISM IN ASIA, AND WAS DETERMINED TO STOP IT BY WAR!

36-9-31

ASSERTION OF ACADEMIC FREEDOM TO KNOW, TO DISCUSS AND CONCLUDE, COULD THEN AND MAY EVEN NOW SAVE CIVILIZATION FROM SUICIDE. BUT IF SO, IT MUST START IN INSTITUTIONS LIKE THE UNIVERSITY OF WISCONSIN, AND AMONG STUDENTS LIKE THESE. IT MUST CEASE LONGER TO BE TRUE THAT MEETINGS LIKE THIS CAN BE BANNED OR SLANDERED JUST BECAUSE YOUTH LIKE YOU DEMAND THE RIGHT TO THINK AND TALK.

IN ACADEMIC FREEDOM FOR TEACHERS AND STUDENTS LIES THE END OF WAR, THE BEGINNING OF PEACE, AND THE START OF PROGRESS TOWARD A WORLD WHERE MOST MEN ARE NOT POOR, IGNORANT AND SICK.

IN ORDER TO AVOID RUNNING INTO DIFFICULTIES WITH THIS LAW, WHICH REQUIRED NOT ONLY REGISTRATION BUT PERIODIC REPORTS OF CONTRIBUTIONS AND ACTIVITIES AND THE STAMPING OF ALL LITERATURE ISSUED, WE DETERMINED NOT TO ATTEMPT TO FORM A PEACE COUNCIL BUT INSTEAD TO FORM A PEACE INFORMATION BUREAU WHICH WOULD DISSEMINATE

THIS WE DID, AND FOR SEVERAL MONTHS DISTRIBUTED INFORMATION IN WHAT WE CALLED "PEACEGRAMS". AND PARTICULARLY WE REPRINTED THE STOCKHOLM APPEAL FOR WHICH WE ASKED SIGNATURES. WE WERE ATTACKED BY THE DEPARTMENT OF STATE WITH WIDELY DISSEMINATED RELEASES TO THE PRESS CALLING THE STOCKHOLM APPEAL A "COMMUNIST TRICK", AND INTIMATING THAT WE WERE DUPES, OR WORSE, OF AN ATTEMPT TO DISARM OUR COUNTRY IN TIME OF DANGER.

THEN, AFTER MORE THAN SIX MONTHS OF OUR WORK, WHEN THE SIGNATURES TO THE STOCKHOLM APPEAL WAS NEARNG THE TWO MILLION MARK, WE WERE ORDERED BY THE DEPARTMENT OF JUSTICE TO REGISTER AS A "FOREIGN AGENT". WE IMMEDIATELY SENT LAWYERS AND LETTERS TO WASHINGTON EXPLAINING OUR POSITION. I ASKED FOR A PERSONAL CONSULTATION WITH THE ATTORNEY GENERAL. WE CAN NOW SPEAK FOR PEACE IN THE UNITED STATES

BY W.E.B. Du BOIS

DURING THE YEAR 1951 I WENT THROUGH AN UNUSUAL EXPERIENCE IN THE UNITED STATES, WHICH I HAVE BEEN ASKED TO OUTLINE TO THIS AUDIENCE, this occurence WHICH AT LEAST PARTIALLY ESTABLISHED THE RIGHT TO SPEAK FOR PEACE WITHOUT BEING REGARDED AS FOREIGN AGENT. THIS RIGHT however DID NOT THIS YEAR PERMIT ME TO ATTEND THE PROPOSED PEACE CONGRESS AT RIO DE JANEIRO WHICH AFTERWARDS WAS HELD CLANDESTINELY IN MONTIVIDEO. THE DEPARTMENT OF STATE TOLD ME THAT MY PRESENCE THERE WOULD NOT BE FOR THE BEST INTERESTS OF THE UNITED STATES. PEACE ADVOCATES IN THE UNITED STATES STILL HAVE DIFFICULTY SECURING HALLS OR HOTELS WHERE PEACE MEETINGS CAN BE HELD, AND IT IS NOT ALTOGETHER CLEAR AS TO WHETHER OR NOT I CAN SPEAK HERE TONIGHT WITHOUT ARREST ON MY RETURN. THE GOVERNMENT OF THE UNITED STATES AND THE FORCES IN CONTROL OF GOVERNMENT REGARD PEACE AS DANGEROUS. MY EXPERIENCE IN 1951 IS NEVERTHELESS THE KIND OF MORAL BATTLE AND VICTORY CONCERNING WHICH YOU OUGHT TO HEAR, FOR LITTLE OF THE NEWS OF IT WAS PRINTED IN THE PRESS OR SENT OUT BY THE NEWS SERVICES. THE BOOK I HAVE WRITTEN WITH THE FULL ACCOUNT WILL APPEAR THIS SPRING, BUT

36-9-14

YOU PROBABLY WILL NOT HEAR OF IT.

MY INTEREST IN THE PEACE MOVEMENT HAS BEEN LONGSTANDING. AT THE LOUISIANA PURCHASE EXPOSITION IN 1913 I TRIED TO GET THE PEACE SOCIETIES IN THEIR CELEBRATION TO TAKE INTO ACCOUNT THE CONNECTION OF PEACE WITH COLONIALISM. I WAS NOT SATSFIED IN HAVING THE 19TH CENTURY AFTER 1815 CALLED THE "ERA OF PEACE", BY THE DEVICE OF NOT TAKING NOTICE OF SOME 200 COLONIAL WARS. THE ST. LOUIS MEETING PAID NO ATTENTION TO MY REQUEST. HOWEVER, THEREAFTER THE CONNECTION BETWEEN COLONIAL IMPERIALISM AND PEACE GREW IN MY OWN THOUGHT, AND MY FIGHT FOR THE ABOLITION OF THE COLOR LINE EASILY BECAME TRANSMUTED INTO THE WIDER FIGHT FOR PEACE.

SOMETHING OF THIS SAME LINE OF THOUGHT SPREAD IN THE WORLD AND IT CAME TO BE RECOGNIZED THAT THE FIRST WORLD WAR HAD BEGINNINGS IN COLONIAL IMPERIALISM. THIS, THROUGH A PAN-AFRICAN CONGRESS HELD IN PARIS IN 1919, I TRIED TO IMPRESS ON THE CONGRESS OF VERSAILLES, AND THIS WAS ONE OF THE CAUSES OF THE MANDATES COMMISSION. SIMILAR

PAN-AFRICAN CONGRESSES FROM 1921 TO 1945 SOUGHT TO EMPHASIZE THIS POINT OF VIEW WITH INDIFFERENT SUCCESS.

AFTER THE SECOND WORLD WAR THE INTELLECTUALS [redacted] GRADUALLY BECAME AROUSED. AS THE ASTONISHING WAR HYSTERIA INCREASED IN THE UNITED STATES AFTER 1946, A PROFESSOR OF ASTRONOMY AT HARVARD UNIVERSITY, HARLOW SHAPLEY IN 1949 SENT OUT A CALL TO THE ARTISTS, SCIENTISTS AND PROFESSIONAL MEN OF THE WORLD TO MEET IN NEW YORK AND CONSULT TOGETHER. HE SAID, "YOUR WORK OF THE PAST, PRESENT AND FUTURE IS NOT GOING TO BE WORTH ANYTHING AT ALL IF THE PRESENT OMINOUS TRENDS HERE AND ABROAD LEAD US INTO A THIRD WORLD WAR." THE PERSONS WHO JOINED HARLOW SHAPLEY IN THIS CALL FOR WORLD PEACE INCLUDED MOST OF THE GREAT NAMES OF AMERICA AND THE CIVILIZED WORLD. THE MEETING, HELD AT THE WALDORF-ASTORIA HOTEL, MARCH 25, 26, AND 27, 1949, BROUGHT TOGETHER REPRESENTATIVES AND THE LEADING THINKERS FROM [redacted] THE UNION OF SOCIALIST SOVIET REPUBLICS AND THE LANDS BEYOND THE SO-CALLED "IRON CURTAIN", FROM GREAT BRITAIN, FRANCE, ITALY, AND OTHER GREAT COUNTRIES OF THE WORLD

36-9-16

AND FROM ALL PARTS OF AMERICA.

THE RECEPTION WHICH THIS MEETING HAD IN THE UNITED STATES SHOULD HAVE WARNED US. THERE WAS A DELIBERATE AND CONCERTED EFFORT FROM HIGH SOURCES, BACKED BY MONEY AND INFLUENCE, TO DISCREDIT OUR MOTIVES AND FRIGHTEN OUR SUPPORTERS. OUR AIM WAS DISTORTED BY ALL DAILY PAPERS, THE RADIO AND OTHER ORGANS OF PUBLIC OPINION. OUR WORK WAS BELITTLED. SEVERAL DISTINGUISHED FOREIGNERS WERE REFUSED VISAS. PERSONS OF WORLD REPUTATION WHO ATTENDED IT WERE INSULTED; MOST WERE REFUSED PERMISSION TO TRAVEL OR SPEAK OUTSIDE NEW YORK CITY. EVEN SHOSTAKOVICH WAS NOT ALLOWED TO GIVE A CONCERT ON THE YALE UNIVERSITY CAMPUS. WORSE THAN THAT, A LARGE NUMBER OF PERSONS WHO HAD JOINED IN THE CALL FOR THE MEETING WERE SO FRIGHTENED AT THE APPARENT ATTITUDE OF THE UNITED STATES TOWARDS PEACE THAT THEY BECAME SILENT AND HAVE BEEN SILENT EVER SINCE.

I WAS NOT SUFFICIENTLY IMPRESSED. WITH 60 OR 70 OTHER CITIZENS OF THE UNITED STATES, I EAGERLY ACCEPTED THE INVITATION TO JOIN IN THE WORLD PEACE CONGRESS HELD IN PARIS IN APRIL OF THE SAME YEAR. THIS MEETING SEEMED TO ME THE GREATEST

THE OTHER PERSONS BESIDES MYSELF INCLUDED THE FIRST EXECUTIVE SECRETARY, A GRADUATE OF SMITH COLLEGE AND A TEACHER, WHO HAD RESIGNED AFTER [redacted] OUR WORK WAS well started AND WENT TO EUROPE TO CONTINUE HER STUDIES OF EDUCATION; THE SECRETARY WHO SUCCEEDED HER, A WORLD WAR VETERAN AND SOCIAL WORKER; A YOUNG BUSINESS MAN; AND THE CLERK IN OUR OFFICE.

THE ACCUSATIONS SEEMED SO ENTIRELY GROUNDLESS THAT WE WERE SURE THAT THE INDICTMENT WOULD EVENTUALLY BE WITHDRAWN WHEN THE TRUTH WAS KNOWN. BUT WE HAD GREAT DIFFICULTY IN GETTING OUR SIDE IN THE NEWSPAPERS OR PERIODICALS, [redacted] MEANTIME I HAD BEEN TEMPTED BY MY FRIENDS AND BY THE ORGANIZATION TO WHICH I BELONGED, THE COUNCIL ON AFRICAN AFFAIRS, TO ACCEPT A PUBLIC DINNER ON MY 83rd BIRTHDAY. THIS WAS DESIGNED AS A MEANS OF RAISING FUNDS FOR THE COUNCIL, WHICH HAD BECOME UNPOPULAR IN THE COUNTRY BECAUSE IT HAD SAID SHARP THINGS ABOUT AFRICAN COLONIAL POLICIES AND THEIR SUPPORT BY AMERICAN INVESTORS; AND ALSO BECAUSE PAUL ROBESON

36-9-17

WAS ITS CHAIRMAN.

THE DINNER WAS TO BE HELD ON FEBRUARY 25, AT THE HOTEL ESSEX FACING CENTRAL PARK. NEARLY 500 TICKETS AT $7.50 EACH HAD BEEN SOLD, enough TO FILL THE CAPACITY OF THE DINING ROOM, WHEN THIS INDICTMENT APPEARED. THE HOTEL CANCELLED OUR CONTRACT AND RETURNED THE DEPOSIT OF $600. WE WERE LEFT WITH FIVE DAYS TO FIND ANOTHER DINING PLACE AND NOTIFY THE SUBSCRIBERS. IMMEDIATELY, OUR CHIEF SPEAKERS, INCLUDING THE PRESIDENT OF HOWARD UNIVERSITY AND RABBI SILVER OF CLEVELAND, DECLINED TO APPEAR, AND THE WHOLE SITUATION WAS MOST UNPLEASANT AND DISCOURAGING. I WAS DISPOSED TO GIVE UP THE [redacted] EFFORT, BUT MY FRIENDS PERSISTED, FOUND A MAKE-SHIFT RESTAURANT IN HARLEM, WHERE EVENTUALLY 700 PERSONS DINED IN SOME DISCOMFORT BUT GREAT ENTHUSIASM.

THE CHIEF PROBLEM NOW, HOWEVER, WAS HOW TO MEET THE LEGAL ATTACK. WE HAD DIFFICULTY IN FINDING LAWYERS WHO WERE WILLING TO TAKE THE CASE, AND AN ALMOST COMPLETE REFUSAL ON THE PART OF THE PRESS TO GIVE US THE OPPORTUNITY TO EXPLAIN OUR SITUATION. THE NEW YORK NATION AND THE NEW REPUBLIC, LIBERAL WEEKLIES TO WHICH I HAD MANY TIMES

CONTRIBUTED, REFUSED BEFORE THE TRIAL TO SAY A SINGLE WORD, AND THE DAILY PAPERS WERE EITHER SILENT OR ABUSIVE. WIDE EFFORT WAS MADE BY OUR FRIENDS TO HAVE THE INDICTMENT QUASHED BECAUSE IT HAD NO BASIS IN FACT. BUT THE DEPARTMENT INSISTED THAT IT HAD ABSOLUTE PROOF OF OUR GUILT AND MANY OF OUR FRIENDS BEGAN TO WAVER.

AMONG THE DEFENDANTS THERE WERE NONE RICH ENOUGH TO TAKE OVER THE LARGE EXPENSE OF TRIAL. EX-CONGRESSMAN VITO MARCANTONIO OFFERED HIS SERVICES FREE AS CHIEF COUNSEL; GLORIA AGRIN BECAME OUR LEGAL EXPERT, AND WE FINALLY BUILT UP A LEGAL BODY OF SEVEN LAWYERS, THREE COLORED AND FOUR WHITE, AND GOT READY FOR ARRIAGNMENT.

IN THE MEANTIME WE ARRANGED FOR AN OFFICE AND STARTED RAISING FUNDS. MRS. DU BOIS AND I MADE TWO TRIPS ACROSS THE COUNTRY FROM BOSTON AND NEW YORK TO SEATTLE, SAN FRANCISCO AND LOS ANGELES FOR THAT PURPOSE, WITH LECTURES AND APPEALS, AND OTHERS HELPED. IN THIS WAY WE RAISED THE COST OF THE LEGAL PROCESS, WHICH WAS $35,000, NOT INCLUDING THE FEE WHICH OUR CHIEF COUNSEL REFUSED TO TAKE. FOUR OF US WERE ARRAIGNED IN WASHINGTON IN SEPTEMBER, WHERE FIRST OF ALL WE WERE FACED BY THE FACT THAT NEGROES ARE NOT THERE ADMITTED TO FIRST-CLASS HOTELS, AND THAT

36-9-18

THE DEFENDANTS AND THE LAWYERS, BEING NEGROES AND WHITES, WOULD HAVE DIFFICULTY CONSULTING TOGETHER. WE WERE ARRAIGNED AND HELD FOR TRIAL, AND PUT UNDER $1000 BAIL EACH. THE PENALTY IN CASE OF CONVICTION WAS FIVE YEARS IN JAIL AND $10,000 FINE. I WAS TAKEN DOWN TO THE PLACE OF DETENTION, SEARCHED, FINGER-PRINTED, AND HANDCUFFED. THEN I WAS ADMITTED TO BAIL AND RELEASED.

MRS. MOOS, WHO WAS ABSENT IN EUROPE, RETURNED VOLUNTARILY. SHE IS A SMALL, WHITE HAIRED WOMAN. SHE WAS MET AT THE AIRPLANE, HANDCUFFED, AND NOT ALLOWED TO SEE HER SON. SHE WAS LATER ARRAIGNED AND ADMITTED TO BAIL. A FIGHT OF SEVERAL MONTHS THEN ENSUED TO OBTAIN TIME FOR THE PREPARATION OF THE DEFENSE. FINALLY, IN NOVEMBER, WE WERE TRIED OVER A PERIOD OF FOUR DAYS. THE CHIEF WITNESS AGAINST US WAS THE LAWYER ROGGE, WHO HAD INVITED ME TO THE PARIS CONGRESS, AND AT WHOSE HOME THE MEETINGS WHICH RESULTED IN THE PEACE INFORMATION CENTER WERE FIRST HELD. THE JUDGE, AFTER HEARING THE PROSECUTION, AND WITHOUT SUBMITTING OUR SIDE TO THE JURY OR HEARING OUR DEFENSE, DISMISSED THE INDICTMENT. HE

SAID THAT WE MIGHT BE CONSPIRING TO OVERTHROW THE GOVERNMENT, BUT THAT NO PROOF OF THIS HAD BEEN ADDUCED BY THE DEPARTMENT OF JUSTICE.

WE WENT FREE. BUT WE HAD LOST A YEAR OF WORK, WE HAD BEEN HELD UP TO PUBLIC OBLOQUY, AND, EXCEPT IN COURT, HAD BEEN GIVEN ALMOST NO CHANCE TO DEFEND OURSELVES. EVEN THE DISMISSAL OF THE CASE RECEIVED BUT SCANT PUBLICITY.

IT WAS, OF COURSE, A GREAT BUT COSTLY VICTORY. IT DID ESTABLISH THE TRUTH, THAT WHEN A CITIZEN OF THE UNITED STATES TALKED ABOUT PEACE, HE WAS NOT NECESSARILY THE OFFICIAL REPRESENTATIVE OF THE SOVIET UNION. IT DID MAKE THE ADVOCACY OF THE STOCKHOLM APPEAL IN THE UNITED STATES LEGAL. ON THE OTHER HAND, THE CASE FRIGHTENED SO MANY ORDINARY CITIZENS FROM SAYING ANYTHING ABOUT PEACE OR JOINING IN PEACE MOVEMENTS, THAT OUR VICTORY AFTER ALL WAS ONLY PARTIAL.

36-9-19

EVEN THIS PARTIAL VICTORY WAS MADE POSSIBLE ONLY BY THE ASTONISHING REACTION THROUGHOUT THE WORLD. FROM ENGLAND TO NEW ZEALAND, FROM FRANCE TO VIET-NAM, FROM RUSSIA TO NEW CHINA, THERE LITERALLY POURED SUCH A FLOOD OF PROTEST ON PRESIDENT TRUMAN, THE

SECRETARY OF STATE, AND THE DEPARTMENT OF JUSTICE, THAT THE F.B.I. WAS AFRAID TO PRESS ITS CASE BY USING STOOL PIGEONS AND SPIES, AND THE DEPARTMENT OF JUSTICE LET THE COURT FUNCTION UNHAMPERED AND UNCOERCED. THE VERY GAGGING OF THE PRESS HELPED US. ACTUALLY SHANGHAI KNEW MORE OF THE FACTS OF THE CASE THAN NEW YORK.

THE PEACE INFORMATION CENTER HAS BEEN SUCCEEDED BY THE PEACE CRUSADE. WE HAVE HELD CONGRESSES AND MEETINGS, HAVE ISSUED LITERATURE AND GIVEN LECTURES WIDELY. CONSIDERING THE POSSIBILITIES OF OUR NATION, OUR WORK IS SMALL AND POORLY SUSTAINED, AND CAN COUNT ON BUT SMALL FINANCIAL SUPPORT FROM CHURCH OR STATE. YET IT LIVES AND GROWS.

THE ~~EXXXXXX~~ STATE OF HYSTERIA WHICH STILL OBTAINS IN THE UNITED STATES MAKES IT VERY DIFFICULT FOR THE GROWING FEELING AGAINST WAR TO EXPRESS ITSELF, AND ALSO DIFFICULT FOR US TO COOPERATE WITH YOU IN TRYING TO AVOID THE CATASTROPHE OF A THIRD WORLD WAR. THE UNITED STATES HAS BEEN BUILT UP OUT OF THE PEOPLES OF THE WORLD, OF JEW AND GENTILE, OF WHITE AND BLACK, OF ENGLISH, FRENCH, SPANIARDS AND ITALIANS; OF SLAVS AND NORDICS, OF ASIATICS AND AFRICANS. THESE NATIONS HAVE NOT SENT US THEIR RICH ARISTOCRATS

poor and needy

BUT WORKERS; [redacted], PAUPERS AND SLAVES, EVEN CRIMINALS AND PROSTITUTES, TO PROVE TO THE WORLD WHAT THE OFF SCOURINGS OF MANKIND CAN DO WHEN THEY HAVE A CHANCE. THIS we HAVE DONE. WE HAVE BUILT A GREAT, RICH NATION, INGENIOUS AND INTELLIGENT. AND THEN IN OUR DAY, WHEN BY HELP OF THE SLAVES WE HAVE EVEN SHED SLAVERY, AND BY THE TOIL OF THE POOR ARE READY TO CONQUER POVERTY, WE HAVE BOWED TO THE OLD TEMPTATION OF ALL MANKIND AND SUNK BY FORCE AND FRAUD TO REENSLAVE THE WEAK, STEAL THE LABOR OF THE WORKER, AND TO RESTORE THAT OLD MASTERY OF THE POOR BY THE RICH, AND WASTE THE SUBSTANCE OF THE TOILING MASSES OF MANKIND BY WORLD WAR.

WE BLACK FOLK OF ALL THE AMERICAS, 25 MILLION STRONG, ARE STRIVING TO JOIN OUR MIGHT TO THE THOUSAND MILLION BROWN, BLACK AND WHITE WORKERS WHO WILL NOT FIGHT THE WARS OF THE RICH BUT STAND FOR PEACE AND SERVICE TO HUMANITY.

MY FAMILY HAS LIVED IN THE UNITED STATES FOR 300 YEARS AS WORKERS, CITIZENS AND SOLDIERS. SO THAT I COME HERE TO REPRESENT THIS NATION WHICH IS MINE BY SERVICE AND HERITAGE, WITH DEEP APOLOGY AT THE ROLE WE ARE PLAYING TODAY AS BOASTFUL WARMONGERS

via phone to Toronto, May 11, 1952.

I deeply regret my inability to speak to you face to face. Responding to your kind invitation I and my wife arrived in Toronto last Friday at 12:30 Noon Standard Time. We were examined at the airport by two customs officials and each asked a few questions, mostly routine, as to age, birthplace, etc. There was no question which we did not readily answer, and we received no intimation that our answers were unsatisfactory, or that further information was desired. Twice the senior official left the room, apparently for consultation. When he finally told us that we would not be admitted, I assumed that he was announcing the decision of his superiors and that this decision was not based on any answers we had made. I therefore made no comment or protest, but simply asked to speak with your representatives, whom we had seen waving as we arrived. This was refused. We were then kept waiting in the locked reception room for nearly a half hour. There was time for clarification or further questions. None were asked. Finally we were escorted to the same plane on which we had arrived, and left for New York at one thirty standard time.

This pattern of treatment for persons opposing war is familiar to me. Indeed, you had invited me to come to this congress to tell you of my own treatment last year in the United States for distributing the Stockholm Appeal and other activities for Peace. Together with four other officials of the Peace Information Center I was indicted in February 1951, as agent of a foreign principal and threatened with five year's imprisonment and $10,000 fine. We could have escaped prosecution if we had registered as foreign agents. This lie we refused to tell. The government allowed the public to understand that it had irrefutable evidence of our guilt. The press almost without exception refused us publicity. We spent $35,000 which our friends collected for our defense. When the case came to trial last November the judge without hearing our side threw it out of court and freed us. We believe the chief reason for this verdict

30-9-12

was the chorus of indignant protest that poured in on the President, the Department of State and the Department of Justice from every part of the world, including Canada, deploring the crass injustice of the action. My book with the full story of this case will appear in July, after all the leading publishing houses of America refused to handle it. I trust you will buy and read it. I came to Toronto to relate the main facts of this story and to warn you that even now we citizens of the United States are not entirely free to oppose war. The warning was unnecessary. You have seen how your immigration officials have deliberately lied about our deportation order and broadcast the lie to the Associated Press. My wife and I stand ready in any court of law to swear to what I have related.

36-9-13

We trust you will make every effort to remove the stigma which has been placed on our names. You will, I am sure, realise to what desperate lengths the warmongers of America will go in order to stop Peace and preserve their huge investment in war. I thank you sincerely for this opportunity to address you from afar, and am particularly sorry not to hear the message of Dr. Endicott on China, after a visit which I myself was not permitted to make.

COLONIAL PEOPLES DEMAND EQUAL STATUS

THE MEANING OF THE WORD "COLONY" HAS CHANGED SO IN MODERN TIMES THAT IT IS EASY FOR PERSONS DISCUSSING COLONIAL PROBLEMS TO MISS EACH OTHER'S MEANING. EARLY IN THIS CENTURY WE MEANT BY COLONY A NATION SUBJECT TO SOME RULING NATION THROUGH POLITICAL CONTROL: USUALLY WITHOUT SELF-GOVERNMENT OR CONTROL OF RELATIONS WITH OTHER GOVERNMENTS. WITH THIS WAS USUALLY COUPLED POVERTY, LACK OF EDUCATION AND DISEASE. THIS SITUATION WAS EXPLAINED AND EXCUSED BY THE SMALL NATURAL CAPACITY OF COLONIAL PEOPLES, their INABILITY TO GOVERN THEMSELVES, AND THE EFFORT OF THE MOTHER COUNTRY TO RAISE THEM TO SELF-GOVERNMENT AS SOON AS THEY SHOWED THE ABILITY. MEANTIME THE COLONY WAS SUPPOSED TO BENEFIT BY INVESTMENT AND INDUSTRY UNDER THE MOTHER COUNTRY AND BY MISSIONARY AND OTHER PHILANTHROPIC EFFORT. TYPICAL COLONIES OF THIS TYPE WERE THE BRITISH COLONIES OF INDIA, THE BRITISH WEST INDIES, MALAYA, BURMA AND THE SOUTH SEA ISLANDS. most of AFRICA WAS IN COLONIAL RELATIONSHIP TO BRITAIN AND FRANCE. THE DUTCH HELD INDONESIA ON THIS STATUS. LARGE MISSIONARY EFFORT IN THESE COLONIES WAS FURNISHING EDUCATION AND PROSELYTING TO CHRISTIANITY.

36-9-122

THERE WAS PROTEST from THESE COLONIES, ALLEGING SERFDOM OF LABOR, MONOPOLY OF LAND AND INDUSTRIAL SUBORDINATION TO THE MOTHER COUNTRIES. THIS PROTEST WAS USUALLY ATTRIBUTED TO HALF-EDUCATED NATIVE AGITATORS, AND LITTLE ATTENTION WAS PAID IT. THERE WERE, HOWEVER, OTHER SO-CALLED COLONIES, LIKE AUSTRALIA AND NEW ZEALAND, CANADA AND THE UNION OF SOUTH AFRICA, ALL MAINLY IN CONTROL OF WHITE ENGLISHMEN, WHO GRADUALLY CAME TO OBTAIN SELF-RULE AND VIRTUAL INDEPENDENCE WITHIN THE EMPIRE. THE DEPENDENT COLONIES ASPIRED TO SIMILAR GROWTH BUT WERE PREVENTED BY THE WIDE-SPREAD THEORY OF THE INFERIORITY OF THE DARKER RACES.

MOREOVER, THE WHITE COLONIES REPRESENTED AN OLDER IDEA OF COLONIAL STATUS, GOING BACK TO THE TIME OF THE GREEKS WHEN GROUPS SETTLED IN FOREIGN REGIONS AND LED INDEPENDENT EXISTENCE WITH THEIR OWN CULTURE. THESE AND THE LATER ROMAN COLONIES SOMETIMES CONQUERED THE INVADED REGIONS AND REDUCED THE INHABITANTS TO SUBJECTION. THIS WAS THE BEGINNING OF THE IDEA OF ECONOMIC CONTROL OF FOREIGN LANDS AND PEOPLES. FROM THIS CAME THE POLITICALLY CONTROLLED COLONY, AND ALSO THE TRANSFER OF LABOR

BY SLAVE TRADE. THUS THOUSANDS OF SLAVES WERE TRANSFERRED FROM NORTHERN EUROPE TO ROME, FROM EUROPE TO EGYPT, FROM ASIA TO AFRICA, FROM AFRICA TO EUROPE, AND FROM MONGOLIA TO CHINA. THE GREATEST AND MOST SYSTEMATIZED TRADE OF THIS SORT GREW UP IN THE 17TH, 18TH AND 19TH CENTURIES FROM AFRICA TO THE AMERICAS.

FROM THESE COLONIES, BUT ESPECIALLY THOSE IN AFRICA AND ASIA, GREW THE VAST WEALTH AND POWER OF GREAT BRITAIN, FRANCE AND HOLLAND, IN THE 17TH, 18TH AND 19TH CENTURIES. IN THE UNITED STATES, INSTEAD OF COLONIES, CHATTEL SLAVERY BUILT ON THE AFRICAN SLAVE TRADE CHANGED INTO SERFDOM ON WHICH COMMERCE GREW, BUT LED TO CIVIL WAR AND COLOR CASTE, AND TO ACCELERATED INDUSTRY IN THE NORTH. THAT COLONIES EXISTED FOR THE ENRICHMENT OF THE MOTHER COUNTRIES, AND THAT THIS WEALTH WAS SIMULTANEOUSLY FOR THE BEST INTERESTS OF THE COLONIAL PEOPLES BECAME AN AXIOM IN THE LATE 19TH CENTURY.

LEONARD WOOLF WRITES: "IT IS ALMOST IMPOSSIBLE TO VISUALIZE THE TOTAL EFFECT WHICH THE ACCEPTANCE OF THIS AXIOM IN THE LAST SIXTY YEARS HAS HAD UPON THE WORLD. IT HAS TURNED WHOLE NATIONS INTO ARMIES, AND INDUSTRY AND COMMERCE INTO WEAPONS OF ECONOMIC WAR. IT HAS CAUSED MORE BLOODSHED THAN EVER RELIGION OR DYNASTIES CAUSED IN AN EQUAL NUMBER OF YEARS,

36-9-123

WHEN GODS AND KINGS, RATHER THAN COMMERCE, WERE THE 'GREATEST OF POLITICAL INTERESTS'. IT WAS THE CHIEF CAUSE OF THE (FIRST WORLD) WAR WHICH WE HAVE JUST BEEN FIGHTING, AND WHICH IN ASIA MEN ALREADY TALK OF AS THE FIRST ACT IN THE PASSING OF THE CIVILIZATION OF EUROPE."

ECONOMIC IMPERIALISM SUCCEEDED COLONIAL IMPERIALISM, AND SPRANG FROM THE INDUSTRIAL REVOLUTION. THIS REVOLUTION AROSE FROM THE BRITISH SEIZURE OF INDIA. "IT IS CLEAR THEN THAT THE 'INDUSTRIAL REVOLUTION', THE FOUNDATION ON WHICH ENGLAND'S PROSPERITY WAS BUILT UP, WAS MADE POSSIBLE ONLY BY THE INFLUX OF INDIAN TREASURE, AND THAT BUT FOR THIS CAPITAL, NOT LOANED BUT TAKEN, AND BEARING NO INTEREST, THE ASCENDENCY OF THE STEAM ENGINE AND MECHANICAL APPLIANCES FOR MASS PRODUCTION MIGHT HAVE REMAINED UNUTILIZED. ENGLAND'S GAIN WAS INDIA'S LOSS -- A LOSS OF TREASURE MORE THAN ENOUGH TO STARVE HER INDUSTRIES AND RETARD THE PROGRESS OF AGRICULTURE. NO COUNTRY, HOWEVER RICH OR RESOURCEFUL, COULD BEAR SUCH A DRAIN UNHARMED".

I DOUBT IF MOST PEOPLE REALIZE JUST WHAT THE CONTROL OF THE DARKER WORLD

BY CHRISTIAN EUROPE HAS MEANT DURING THE LAST 400 YEARS. WILLIAM HOWITT, IN HIS BOOK ON "COLONIZATION AND CHRISTIANITY", PUBLISHED IN 1838, HAS SOME STATEMENTS WORTH QUOTING TODAY. HE IS A DEVOUT ENGLISHMAN, AND SAYS OF OUR ATTEMPT TO TEACH CHRISTIANITY TO THE HEATHEN:

"IF THE REIGN OF SATAN, IN FACT, WERE COME, -- IF HE WERE LET LOOSE WITH ALL HIS LEGIONS, TO PLAGUE THE EARTH FOR A THOUSAND YEARS, WHAT WOULD BE THE CHARACTERISTICS OF HIS PREVALENCE? TERRORS AND CRIMES; ONE WIDE PESTILENCE OF VICE AND OBSCENITY; ONE FEARFUL TORRENT OF CRUELTY AND WRATH, DECEIT AND OPPRESSION, VENGEANCE AND MALIGNITY; THE PASSIONS OF THE STRONG WOULD BE INFLAMED-- THE WEAK WOULD CRY AND IMPLORE IN VAIN!

"THE BARBARITIES AND DESPERATE OUTRAGES OF THE SO-CALLED CHRISTIAN RACE, THROUGHOUT EVERY REGION OF THE WORLD, AND UPON EVERY PEOPLE THAT THEY HAVE BEEN ABLE TO SUBDUE, ARE NOT TO BE PARALLELED BY THOSE OF ANY OTHER RACE, HOWEVER FIERCE, HOWEVER UNTAUGHT, AND HOWEVER RECKLESS OF MERCY AND OF SHAME, IN ANY AGE OF THE EARTH."

36-9-124

THE HISTORIAN BRYAN EDWARDS SAYS: "AFTER READING THESE ACCOUNTS, WHO CAN HELP FORMING AN INDIGNANT WISH THAT THE HAND OF HEAVEN, BY SOME MIRACULOUS INTERPOSITION, HAD SWEPT THESE EUROPEAN TYRANTS FROM THE FACE OF THE EARTH, WHO LIKE SO MANY BEASTS OF PREY, ROAMED ROUND THE WORLD ONLY TO DESOLATE AND DESTROY; AND MORE REMORSELESS THAN THE FIERCEST SAVAGE, THIRSTED FOR HUMAN BLOOD WITHOUT HAVING THE IMPULSE OF NATURAL APPETITE TO PLEAD IN THEIR DEFENCE!"

GRADUALLY IN EUROPE THERE AROSE A DEEP RIVALRY AMONG THE HAVES AND HAVE NOTS IN COLONIAL WEALTH AND POWER. THE NEW GERMANY ENVIED BRITISH AND FRENCH COLONIAL WEALTH, AND ITALY WANTED HER LONG-SOUGHT SHARE IN AFRICA. FROM THIS COMPLICATED GREED AROSE THE FIRST WORLD WAR, AND THE PEOPLES OF THE DARKER COLONIES WERE CALLED IN TO HELP AND GAINED THEIR FIRST RECOGNITION BY THE FREEING OF INDIA. THEREUPON THE WORLD ASSUMED THAT ALL COLONIES WERE APPROACHING SELF-RULE AND THAT THE ERA OF COLONIAL IMPERIALISM WAS RAPIDLY COMING TO AN END. THE DOCTRINE OF RACE SUPERIORITY

THE HISTORIAN BRYAN EDWARDS SAYS: "AFTER READING THESE ACCOUNTS, WHO CAN HELP FORMING AN INDIGNANT WISH THAT THE HAND OF HEAVEN, BY SOME MIRACULOUS INTERPOSITION, HAD SWEPT THESE EUROPEAN TYRANTS FROM THE FACE OF THE EARTH, WHO LIKE SO MANY BEASTS OF PREY, ROAMED ROUND THE WORLD ONLY TO DESOLATE AND DESTROY; AND MORE REMORSELESS THAN THE FIERCEST SAVAGE, THIRSTED FOR HUMAN BLOOD WITHOUT HAVING THE IMPULSE OF NATURAL APPETITE TO PLEAD IN THEIR DEFENCE!"

WHAT WE HAD THEN IN THE 19TH AND 20TH CENTURIES WERE TWO CONTRADICTORY CONCEPTIONS OF COLONIALISM: COLONIAL IMPERIALISM WHICH CONCEIVED COLONIES AS POLITICAL PARTS OF LARGE NATIONS, DESTINED SOONER OR LATER TO COME INTO FULL INTEGRATION WITH THE MOTHER COUNTRY; ALTHOUGH THIS EVENTUALITY IN THE CASE OF COLORED PEOPLES WAS NOT EXPECTED TO OCCUR FOR CENTURIES IF EVER. SIMULTANEOUSLY THERE EXISTED ECONOMIC IMPERIALISM, WHICH APPLIED NOT ONLY TO COLONIES BUT TO MANY COUNTRIES REGARDED AS POLITICALLY INDEPENDENT, BUT WHICH LIKE COLONIES WERE UNDER THE CONTROL OF IMPERIAL NATIONS THROUGH CAPITAL IN INVESTMENT AND CENTRALIZED CONTROL OF COMMERCE, MARKETS AND PRICES. SOUTH AMERICA AND THE WEST INDIES THUS WERE SUBJECT TO EUROPE AND NORTH AMERICA; AND WHEN INDIA WAS FREED POLITICALLY, IT REMAINED IN AT LEAST PARTIAL SUBJECTION TO BRITISH AND AMERICAN CAPITAL.

30-9-125

AT THE OPENING OF THE 20TH CENTURY, GREAT BRITAIN AND FRANCE WITH AMERICA AS JUNIOR PARTNER WERE IN CONTROL OF THE CHIEF COLONIAL REGIONS AND QUASI-COLONIAL NATIONS OF THE WORLD WHILE GERMANY AND ITALY WERE SEEKING A LARGER SHARE OF OWNERSHIP THAN THEY POSSESSED.

GRADUALLY IN EUROPE THERE AROSE A DEEP RIVALRY AMONG THE HAVES AND HAVE NOTS IN COLONIAL WEALTH AND POWER. THE NEW GERMANY ENVIED BRITISH AND FRENCH COLONIAL WEALTH, AND ITALY WANTED HER LONG-SOUGHT SHARE IN AFRICA. FROM THIS COMPLICATED GREED AROSE THE FIRST WORLD WAR, AND THE PEOPLES OF THE DARKER COLONIES WERE CALLED IN TO HELP, AND GAINED THEIR FIRST RECOGNITION BY THE FREEING OF INDIA. THEREUPON MANY FOLK ASSUMED THAT ALL COLONIES WERE APPROACHING SELF-RULE AND THAT THE ERA OF COLONIAL IMPERIALISM WAS RAPIDLY COMING TO AN END. THE DOCTRINE OF RACE SUPERIORITY BEGAN TO BE ABANDONED, AND VIET NAM, INDONESIA, BRITISH WEST AFRICA AND WEST INDIES BEGAN TO AGITATE FOR INCREASED INDEPENDENCE.

BUT THIS MOVEMENT AND ITS PHILOSOPHERS DID NOT REALIZE THE CHANGING SIGNIFICANCE OF COLONIALISM IN MODERN TIMES. THE INNER REASON HAD CHANGED FROM GREEK MIGRATION, ROMAN CONQUEST AND EUROPEAN TRANSPORT OF LABOR TO MODERN POLITICAL CONTROL, AND CONTROL NOT FOR

ITS OWN SAKE BUT FOR CHEAP LABOR AND RAW MATERIALS. THESE MATERIALS HAD BECOME THE FOUNDATION OF EUROPEAN AND NORTH AMERICAN WEALTH AND COMFORT. POLITICAL CONTROL OF COLONIES THEREFORE WOULD BE SURRENDERED BY THE LEADING INDUSTRIAL NATIONS ONLY IF THEY COULD RETAIN THEIR CONTROL OF THESE PRICELESS MATERIALS. THIS, WHICH MAY BE CALLED ECONOMIC IMPERIALISM, OR INVESTMENT COLONIALISM, WAS SUCCEEDING THE OLDER COLONIAL IMPERIALISM AND ITS MOTIVE WAS NOT POLITICAL RULE BUT ECONOMIC GAIN. INDEED, GAIN WAS ALWAYS THE OBJECT OF COLONIES, BUT UNDER COLONIAL IMPERIALISM IT WAS ATTAINED BY POLITICAL CONTROL; IN THE 20TH CENTURY IT COULD BE MADE CERTAIN BY INVESTMENT UNDER A WORLD COMMERCE AND WORLD CONTROL OF PRICES AND MARKETS. GAIN WAS VAST AND LAY IN CONTROL OF LAND, LABOR AND RAW MATERIALS SO NECESSARY TO EUROPEAN AND NORTH AMERICAN INDUSTRY AND COMMERCE. THE POLITICAL SETUP OF A COUNTRY

36-9-126

BEGAN TO BE ABANDONED, AND VIET-NAM, INDONESIA, BRITISH WEST AFRICA AND WEST INDIES BEGAN TO AGITATE FOR INCREASED INDEPENDENCE.

26-9-127

-8A

WAS OF MINOR IMPORTANCE COMPARED WITH THIS ECONOMIC CONTROL.

THERE WAS [redacted] GREAT ECONOMIC GAIN TO BE HAD IN COUNTRIES NOT TECHNICALLY COLONIES BUT WHICH WERE UNDER SUCH DOMINATION BY CAPITAL INVESTED IN THEM BY THE GREAT IMPERIAL POWERS THAT POLITICAL RULE WAS NOT ABSOLUTELY NECESSARY FOR THE VAST PROFIT TO INVESTMENTS MADE IN THESE NATIONS. THIS PROFIT COULD BE USED TO PREVENT GOVERNMENT INTERFERENCE OR LABOR REVOLT. THIS WAS THE SITUATION IN SOUTH AMERICA, MEXICO, CENTRAL AMERICA, CUBA, ETHIOPIA, LIBERIA, AND HAITI; IN EGYPT, THE MIDDLE EAST, CHINA AND IN MOST OF ASIA.

THE VAST PROFIT POURING INTO THE LEADING INDUSTRIAL AND INVESTING NATIONS HAD GREATLY CHANGED THE PROBLEM OF CAPITAL AND LABOR THERE, WHICH HAD DEVELOPED [redacted] WHAT WE CALL THE LABOR MOVEMENT, AND WHICH CONCERNED THE DIVISION OF INCOME BETWEEN EMPLOYERS AND WORKERS. VARIOUS PLANS FOR MORE JUST AND RATIONAL DIVISION OF NATIONAL INCOME WERE SUGGESTED AND TRIED, MOST OF THEM INVOLVING WHAT WAS CALLED VAGUELY "SOCIALISM". BUT

WHICH TOWARD THE MIDDLE OF THE 19TH CENTURY ASSUMED THE EXTREME FORM OF "COMMUNISM" FOLLOWING A SCIENTIFIC FORMULA PROPOSED BY KARL MARX.

THE LABOR MOVEMENT LED TO UNIONS, STRIKES AND HIGHER WAGES, TO much SOCIALISTIC LEGISLATION, BUT TO FEW ATTEMPTS AT A COMPLETE SOCIALISTIC STATE. THIS WAS WARDED OFF AND LABOR UNREST LESSENED BY THE VAST INCOME FROM COLONIES. HERE LABOR WAS CHEAP AND LAND TO BE HAD FOR THE TAKING. FROM THE RESULTANT HIGH PROFITS THE WAGES IN EUROPEAN LANDS COULD BE RAISED WITHOUT LESSENING THE CURRENT RATE OF PROFIT. THIS, HOWEVER, INVOLVED A SERIES OF WARS IN WHICH THE LABORING CLASS MUST TAKE PART BY PAYING TAXES AND FIGHTING AGAINST COLONIAL PEOPLES. INTEREST IN HOME PROSPERITY MADE EUROPEANS FORGET THESE COLONIAL WARS AND THE WAY IN WHICH THEY INDUCED THE HOME VOTERS NOT ONLY TO SUPPORT IMPERIALISM BUT TO FIGHT 300 WARS BETWEEN 1817 AND 1917.

56-9-128

THIS PERIOD BETWEEN 1817 AND 1917 IS OFTEN CALLED A PERIOD OF PEACE. IT WAS A PERIOD OF COMPARATIVE PEACE AMONG EUROPEAN NATIONS. YET IN THIS TIME THERE WERE

FOUGHT 204 WARS, CHIEFLY FOR ACQUIRING OR RETAINING COLONIES AND CULMINATING IN THE FIRST WORLD WAR.

AFTER THE FIRST WORLD WAR, THEREFORE, THE OBJECT OF THE LEADING NATIONS WHICH WERE IN CONTROL OF INDUSTRY, COMMERCE AND THE WORLD MARKET WAS TO CONTINUE TO CONTROL LABOR, RAW MATERIALS AND THE WORLD MARKET IN SPITE OF NOMINAL POLITICAL INDEPENDENCE IN NEW NATIONS LIKE CHINA AND THE PEOPLES OF SOUTH AMERICA.

TWO CATASTROPHES INTERRUPTED THEM: FIRST THE COLLAPSE OF CAPITALISM ITSELF IN THE THIRTIES, WHICH WAS NOT CAUSED BY SOCIALISM BUT WHICH CAUSED SOCIALISM IN BRITAIN, SCANDINAVIA, GERMANY AND THE UNITED STATES; AND WHICH ESPECIALLY ENABLED REVOLUTION IN RUSSIA TO ESTABLISH THE FIRST ACTUAL MODERN ATTEMPT AT A COMPLETELY SOCIALISTIC STATE. SIXTEEN NATIONS, INCLUDING THE UNITED STATES, FLEW TO ARMS TO OVERTHROW THIS ATTEMPT, BUT FAILED BECAUSE WAR EXPENDITURE FORCED THEM INTO BANKRUPTCY, AND THEY HAD TO LET RUSSIA ALONE FOR TEN YEARS AND MORE. JUST AS THEY WERE READY TO RETURN TO THE TASK AND OVERTHROW THE NEW SOVIET UNION, A NEW THREAT AROSE IN GERMANY AND ITALY, WHERE DEPRESSION WAS

WORST AND WHERE THE CAPITALISTS UNITED TO FORM DICTATORSHIPS WHICH WOULD UNITE THEIR CAPITALISTS IN THE FORMATION OF A NEW WORLD CONTROL OF INDUSTRY, LABOR AND MATERIAL; AND WHICH WOULD DISPLACE THE BRITISH AND FRENCH EMPIRES AND THE RISING NEW AMERICAN ECONOMIC IMPERIALISM. ITALY SEIZED ETHIOPIA AND THREATENED ALL NORTH AFRICA; GERMANY PROPOSED TO DOMINATE EUROPE AS A STEPPING STONE TO RUSSIA AND ALL ASIA.

IT WOULD HAVE BEEN LOGICAL FOR WESTERN EUROPE AND AMERICA TO UNITE WITH THE SOVIET UNION AGAINST GERMANY AND ITALY AND THEIR PLAN OF WORLD CONTROL. BUT MUCH AS THE WEST HATED FASCISM, THEY FEARED SOCIALISM MORE BECAUSE IT THREATENED TO MAKE IMPOSSIBLE OF REALIZATION NOT ONLY THE NAZI SCHEME BUT THEIR OWN PLAN FOR RESTORED ECONOMIC IMPERIALISM, BASED ON INDUSTRIAL CONTROL OF BACKWARD LANDS BY INVESTMENT AND MANIPULATION OF WORLD MARKETS. THEY HESITATED AND COMPROMISED AT MUNICH AND THEN THE FASCISTS, CERTAIN OF THE INACTION OF THE WEST, SEIZED FRANCE, CAME TO AN UNDERSTANDING WITH THE SOVIETS, THREATENED ENGLAND, AND THEN TURNED TO ANNIHILATE THE SOVIET UNION BEFORE FINALLY REDUCING EUROPE AND THE WORLD TO THEIR CONTROL.

36-9-129

THE WEST, CONVINCED THAT THIS COULD BE ACCOMPLISHED, MADE A SOVIET TREATY WHICH THEY HAD LONG REFUSED, SO AT LEAST TO SLOW THE PROCESS UP, AND AT BEST TO LET THE ANTAGONISTS KILL EACH OTHER OFF. THEY GAVE WEAK AND HALF-HEARTED HELP TO THE SOVIETS, STALLED ON A SECOND FRONT, AND THEN ATTACKED THROUGH NORTH AFRICA SO AS TO BE SURE OF THE EXPLOITATION OF THE BALKANS AND THE LIFE LINE TO INDIA IN ANY EVENT. THEN, TO THE ASTONISHMENT OF THE WORLD, THE SOVIET UNION SMASHED THE MIGHTY GERMAN WEHRMACHT AT STALINGRAD.

WHAT NOW WOULD BE THE STATUS OF THE COLONIAL AND QUASI-COLONIAL NATIONS? SHOULD THE SOVIET UNION SHARE CONTROL, OR SHOULD THE CONTROL OF WESTERN EUROPE AND AMERICA BE RE-ESTABLISHED? THE SOVIETS NOT ONLY HAD ESTABLISHED A STRONG GOVERNMENT IN RUSSIA, BUT SPREAD THEIR INFLUENCE TO THE BORDERING STATES WHICH WESTERN EUROPE HAD ONCE SEIZED FOR A VANTAGE GROUND FROM WHICH TO RECONQUER RUSSIA. THE ALLIES COULD OFFER NO VALID, LOGICAL OR PHYSICAL OBJECTION TO THIS. NOR DID THE MASS OF INHABITANTS OBJECT.

THE BITTER OPPOSITION CAME FROM POLISH, CZECHOSLOVAKIAN AND OTHER BALKAN OFFICIALS AND LAND HOLDERS WHO LOST THEIR WEALTH AND POWER.

BUT WHEN THE COMMUNIST INFLUENCE BEGAN TO SPREAD SOUTH AND EAST AND WEST;

36-9-130

AND WHEN IT FINALLY EMBRACED CHINA, WESTERN COLONIAL IMPERIALISM NOW LED BY THE UNITED STATES, TURNED TOWARD PLANNING WORLD WAR AGAINST THE SOVIET UNION AND THE EAST.

LET ME NOW TURN MY ATTENTION TO THE PROVERBIALLY "FORGOTTEN MAN" -- IN THIS CASE THE COLONIAL AND QUASI-COLONIAL NATIONS: THOSE NATIONS, LARGE AND SMALL, WHICH DURING THE 19th AND EARLY 20th CENTURIES WERE DOMINATED BY WESTERN EUROPE AND AMERICA. QUITE APART FROM SOCIAL THEORY, WHAT DO THEY THINK ABOUT THE RESTORATION OF ANGLO-SAXON CONTROL OF THE WORLD? THE RECENT RELATIONS OF EUROPE AND ASIA FORM A SHAMEFUL RECORD. EUROPEAN TRADE WAS FORCED ON CHINA AND JAPAN; THE OPIUM TRADE CONSUMPTION WAS MAINTAINED BY ARMED POWER IN ORDER TO COMPEL TRADE WITH ENGLISH INDIA; THE CHINESE WERE REDUCED TO CASTE STATUS IN THEIR OWN COUNTRY SO AS TO GIVE WHITES A SUPERIOR POSITION. WHEN THE CHINESE REBELLED THEY WERE COWED BY INTERNATIONAL INVASION AND CALCULATED INSULT. THEY WERE COMPELLED TO IMPORT EUROPEAN GOODS AND THEIR CUSTOMS SUPERVISED BY ENGLISHMEN. CHINESE TREASURE WAS STOLEN AND CHINESE INDUSTRIES

36-9-131

DOMINATED BY FOREIGN INVESTORS WHO REDUCED WAGES TO STARVATION LEVELS AND ALLOWED NO LABOR REVOLT. CHINA WAS MARKED FOR DISMEMBERMENT BY EUROPE AND THE ACTUAL DECISION DELAYED ONLY BY DISAGREEMENT AS TO WHAT NATION SHOULD GET WHICH SHARE. GRADUALLY THE UNITED STATES BEGAN TO SURPASS ALL NATIONS BY ITS INVESTMENTS AND INFLUENCE, AND AFTER THE SECOND WORLD WAR WAS SET TO ANNEX CHINA BY INVESTMENT CONTROL. SUN-YAT-SEN, WHO PLANNED THE REVOLUTION OF 1912, HAD ASKED RUSSIA FOR LEADERSHIP. AFTER HIS DEATH IN 1925, HIS LIEUTENANT, CHIANG-KAI-CHEK, TURNED TO AMERICA. WE GAVE HIM ARMS AND MILLIONS OF FUNDS. BUT HE CARRIED ON SO ROTTEN A REGIME THAT THE CHINESE PEASANTS TOOK CHARGE AND ESTABLISHED THE NEW COMMUNIST REPUBLIC IN 1949. NOT THE SOVIET UNION BUT THE UNITED STATES FORCED COMMUNISM ON CHINA.

INDIA, LED BY GHANDHI AND NEHRU, GAINED POLITICAL INDEPENDENCE FROM BRITAIN, BUT NOT UNTIL BRITAIN HAD AROUSED RELIGIOUS FANATICISM AND RETAINED SO STRONG AN INVESTMENT INTEREST AS TO BIND INDIAN CAPITALISM CLOSELY WITH EUROPEAN INTERESTS. IT WILL

WILL BE A LONG STRUGGLE TO RAISE NATIONAL INDIAN LOYALTY ABOVE SECTARIAN RELIGION AND TO TRANSFER POLITICAL POWER FROM THE FOREIGN INVESTOR AND NATIVE OWNER AND

7-132

EMPLOYER TO THE WORKING CLASSES.

AFRICA IS TORN APART. IN SOUTH AFRICA, THE SLAVE STATUS REMAINS; WITH WHITES POSSESSING NEARLY ALL POLITICAL POWER AND MOST OF THE LAND, AND WITH INVESTMENT CAPITAL FURNISHED FROM EUROPE AND INCREASINGLY FROM THE UNITED STATES, HOLDING BLACK LABOR TO WAGE SLAVERY OF THE LOWEST TYPE. LABOR UNIONS ARE PRACTICALLY BARRED FOR BLACKS, EDUCATION IS LIMITED AND OCCUPATIONS restricted BY COLOR CASTE. MALAN IS SET TO MAKE THE UNION OF SOUTH AFRICA, SOUTHWEST AFRICA, THE PROTECTORATES, AND IF POSSIBLE THE RHODESIAS, A REGION OF WHITE MASTERS AND DISFRANCHISED, IMPOVERISHED, AND LARGELY ILLITERATE BLACK serfs, WITH SOME TRIBAL SOLIDARITY. THERE IS A SMALL GROUP OF EDUCATED LEADERS. BRITISH WEST AFRICA IS STRUGGLING WITH SOME SUCCESS TOWARD POLITICAL AUTONOMY, BUT IS BOUND BY BRITISH AND FOREIGN CAPITAL WITH PARTNERSHIP OF A FEW BLACK EMPLOYERS, BUT WITH A LAND-HOLDING PEASANTRY AND AN INCOMPLETE EDUCATIONAL SYSTEM. B

36-9-133

BETWEEN THESE EXTREMES IS EGYPT WITH A LANDED ARISTOCRACY, BUILT ON EUROPEAN CAPITAL, AND RULING OVER A DEPRESSED AND LARGELY IGNORANT PEASANTRY. IT SEEKS ALSO

CONTROL OVER THE EIGHT MILLIONS OF THE SUDAN WHERE THE ENGLISH HAVE LARGE INVESTMENT IN COTTON PLANTATIONS AND TRADE FROM CAPE TO CAIRO, AND HAVE TRAINED A SMALL GROUP OF NATIVES FOR ADMINISTRATIVE WORK, AND WHERE A STRONG LABOR MOVEMENT HAS DEVELOPED. IN FRENCH AFRICA THERE IS A SMALL ENFRANCHISED AND EDUCATED NATIVE ELITE ALLIED WITH FRENCH CAPITAL, and A LARGE EXPLOITED PEASANTRY UNDER EUROPEAN CONTROL AND USED AS SOLDIERS IN EUROPE AND ASIA. IN EAST AFRICA LAND MONOPOLY AND LABOR EXPLOITATION PREVAILS IN KENYA, TANGANYIKA, AND PORTUGESE AFRICA; AND LABOR EXPLOITATION WITH NATIVE LANDHOLDING IN UGANDA. IN THE BELGIAN CONGO THERE IS COMPLETE DISFRANCHISEMENT, LABOR EXPLOITATION BY BRITISH, BELGIANS AND AMERICANS, AND LAND MONOPOLY UNDER BELGIAN CONTROL. THERE IS ONLY ELEMENTARY EDUCATION AND ADMISSION TO INDUSTRIAL SKILLS, BUT WITHOUT TRADE UNIONS. ABYSSINIA POLITICALLY IS INDEPENDENT, UNDER ENLIGHTENED FEUDALISM AND WITH A GROWING EDUCATIONAL SYSTEM. OUTSIDE CAPITAL IS CROWDING IN BUT IS NOT IN CONTROL. LIBERIA IS RAPIDLY BECOMING AN AMERICAN INVESTMENT COLONY UNDER INDUSTRIAL CONTROL OF THE LARGE CORPORATIONS. THERE IS ONLY AN INCOMPLETE SYSTEM OF EDUCATION.

IN THE MIDDLE EAST, EUROPEAN AND AMERICAN CAPITAL IS BRIBING THE FEUDAL TYRANTS WITH MILLIONS FOR OIL TO MAKE WAR SO AS TO FASTEN THEIR RULE ON IGNORANT, DISEASED AND POVERTY-STRICKEN PEASANTS.

GLANCING FURTHER EAST, WE FIND DESPERATE AWAKENING IN FRENCH ASIA, STUBBORNLY OPPOSED BY FRANCE AND THE UNITED STATES; INCOMPLETE BUT INCREASING INDEPENDENCE IN INDONESIA, SHADOWED BY DUTCH, BRITISH AND AMERICAN CAPITALISM. BRITISH CAPITAL IS FIGHTING TO MAINTAIN ITSELF IN BURMA AND SOUTHEAST ASIA.

TURNING TO AMERICA, WE FIND SOUTH AMERICA LARGELY DOMINATED BY UNITED STATES CAPITAL, EXCEPT FOR REVOLT IN THE ARGENTINE AND SOME STRUGGLES ELSEWHERE. AMERICAN HELP SUPPORTS DICTATORS, FIGHTS UNION LABOR, AND OWNS MINES AND OIL. MEXICO, CENTRAL AMERICA AND THE WEST INDIES ARE IN MORE OR LESS OPEN REVOLUTION AGAINST THE POWER OF WESTERN CAPITAL, LOSING AND GAINING AS THE TIDE OF AUTONOMY EBBS AND FLOWS. CONDITIONS WILL GROW MORE CRITICAL AS TIME FLIES.

36-9-134

TO REPRESENT THIS COLONIAL WORLD AS COMMUNISTIC IS IDIOTIC. FEW OF THEM

HAVE ANY KNOWLEDGE OR CONCEPTION OF COMMUNISM. THEY DO HAVE VERY CLEAR AND CONSTANT KNOWLEDGE OF WHAT BRITISH AND UNITED STATES CAPITAL AND INDUSTRY PROPOSE TO DO TO THEM IN THE FUTURE, AND THEY ARE PREPARING AS FAST AS POSSIBLE TO FIGHT IT. HERE AND NOT IN THE SOVIET UNION WILL COME THE FIGHT FOR EQUALITY OF THE DARK AND WHITE RACES. NOR ARE THESE PEOPLE FOOLED BY A POINT FOUR WHICH PRETENDS BY ALMS-GIVING TO SOFTEN THE PRESSURE OF LABOR AND LAND EXPLOITATION. THEY KNOW OR SOON WILL LEARN THAT NO WESTERN CAPITAL IS GOING TO TURN PHILANTHROPIC IN ITS DECREPITUDE, AND SURRENDER PROSPECTIVE SOURCES OF PROFIT TO PEOPLES WHO HAVE IN THE PAST FURNISHED THEM WEALTH AND POWER AND WHOM THEY PROPOSE TO KEEP AT THAT JOB.

ALL THESE PEOPLES THE CIVILIZED WORLD HAS LONG USED NOT ONLY FOR ITS SUPPORT AND LUXURY, BUT FOR ITS AMUSEMENT AND RECREATION; IT HAS THROWN THEM JOKES AND ALMS AND REGARDED THEM AS "HALF DEVIL AND HALF CHILD." IT WOULD BE WISE AND FARSIGHTED IF THIS ATTITUDE STOPPED AND STOPPED QUICKLY AND PERMANENTLY. BRITAIN HAS LONG BEEN HATED BY MANKIND, BUT TODAY NO NATION ON EARTH IS SO HATED, FEARED AND

DESPISED AS THE UNITED STATES. WE CAN DENY THIS AND TRY TO LAUGH IT OFF, BUT IT IS A SERIOUS FACT AND NO WORLD-WIDE PROPAGANDA SEEKING TO MAKE MANKIND HATE RUSSIA IS GOING TO DIVERT THE ATTENTION OF A THOUSAND MILLION "DARKIES", "CHINKS", OR "NIGGERS" OR POSTPONE PERMANENTLY THE DAY OF AWFUL RECKONING FOR AMERICA.

ON THE OTHER HAND, IF SOCIALISM SUCCEEDS IN EUROPE AND THE COMMUNISM IN THE SOVIET UNION MAKES IN THE NEXT GENERATION THE PROGRESS WHICH IT HAS IN THIS, NO POWER OF PROPAGANDA, MILITARY FORCE, OR EVEN OF ATOM BOMB WILL STOP ITS SPREAD OVER THE WORLD. IT CAN ONLY BE HALTED IF BRITAIN AND AMERICA EVOLVE SOMETHING STRONGER THAN MILITARY MIGHT TO BETTER THE CONDITION OF MANKIND.

Boston -18- Colonies, (mark

LOGICALLY NOW, IN ORDER TO COMPLETE MY SURVEY OF COLONIES, I SHOULD CONSIDER EAST AFRICA, PORTUGESE AFRICA AND THE BELGIAN CONGO, THEN TURN TO THE MIDDLE EAST AND THE FAR EAST, AND RETURNING TO AMERICA, SURVEY THE DOMINATION OF THE UNITED STATES OVER THE REST OF THE AMERICAN CONTINENT. BUT I FOREGO THIS IN ORDER TO CENTER ATTENTION ON TUNISIA, WHICH IS THE PARTICULAR SUBJECT OF THIS MEETING, AND ONE OF THE CENTERS OF FRENCH COLONIALISM IN AFRICA.

THERE ARE FEW REGIONS ON THIS TORTURED EARTH WHICH HAVE SEEN SUCH FANTASTIC CHANGE AS THE 50,000 SQUARE MILES OF NORTH AFRICA CALLED TUNISIA, RANGING UP FROM THE SAHARA DESERT TO THE LOVELY MOUNTAINS AND VALLEYS WHICH THRUST THEMSELVES INTO THE MEDITTERANEAN AND POINT TOWARD ITALY. THIS WAS THE LAND AGAINST WHICH OVER TWO MILLENIUMS AGO CATO THUNDERED IN THE ROMAN SENATE: "CARTHAGE MUST BE DESTROYED!", FOR CARTHAGE WAS, THREE CENTURIES BEFORE CHRIST, OLDER, STRONGER AND GREATER THAN ROME. IT RULED NORTH AFRICA, SICILY AND SARDINIA, AND AGAINST IT FOR A CENTURY

36-9-136

-19-

ROME LAUNCHED WAR. OUT OF CARTHAGE CAME THAT BLACK HANNIBAL WITH HIS ELEPHANTS, WHO FOR 15 YEARS FOUGHT ROME AND NEARLY OVERTHREW IT, UNTIL, CONQUERED AT ZAMA, HE KILLED HIMSELF. FIFTY YEARS LATER ROME PLOWED UP THE SITE OF CARTHAGE AND LEFT A WILDERNESS AROUND WHICH WAS BUILT THE ROMAN EMPIRE.

I REMEMBER THAT 2,090 YEARS LATER I AND MY STUDENT FRIENDS WERE STONED IN THE ROMAN FORUM BY LITTLE ITALIAN BOYS WHO THOUGHT US FRENCH, AND WHO RESENTED FOR THEIR FATHERS THE LOSS OF TUNISIA WHICH BISMARCK HAD THROWN TO FRANCE LIKE A BONE TO A DOG, TO SOOTHE HER PRIDE FOR SEDAN.

FIFTY YEARS LATER MUSSOLINI, SEEKING TO RESTORE THE ROMAN EMPIRE, USED TO END HIS HARANGUES BY HOWLING TO VAST AUDIENCES, "AND TUNISIA!" THE CROWDS SHRIEKED BACK, "IT BELONGS TO US!" THERE AND THEN STARTED THE SECOND WORLD WAR.

MEANTIME, TUNISIA HAD BEEN RULED BY EGYPTIANS, EUROPEANS AND TURKS: HAD BECOME THE SEAT OF THE BARBARY PIRATES, AND FINALLY SETTLED DOWN UNEASILY UNDER

NATIVE RULERS UNTIL IT BECAME SO ENMESHED IN DEBT THAT THE FRENCH TOOK CHARGE IN 1881. ITS PEOPLE ARE BERBERS, ARABS AND NEGROES; MOST OF THEM MOHAMMEDAN, WITH 50,000 JEWS; AND MORE ESPECIALLY, WITH 70,000 FRENCHMEN AND 90,000 ITALIANS. THESE FOREIGNERS WERE LANDLORDS AND MERCHANTS, RIVALS OF THE NATIVE FEUDAL MASTERS AND OF THE WANDERING NOMADS, IMPOVERISHED FARMERS AND IGNORANT, LOW-PAID WORKERS OF EVERY SORT.

THIS LAND IS RICH. GRAIN AND FRUIT, DATES AND OLIVE OIL ARE PLENTIFUL; AND IN THE EARTH ARE PHOSPHATES, ZINC AND MINERALS. TEXTILES AND LEATHER ARE MANUFACTURED, AND IN MANY WAYS TUNISIA IS A PARADISE FOR THE EXPLOITER. THIS IS THE REASON THAT TODAY THIS LAND, TORN BY THE RIVALRY OF FRENCH, ITALIAN AND BERBER OVERLORDS, IS TORN IN THEIR BATTLE FOR CONTROL. EVEN IF WE FORGET THE WRITHING MASS OF UNAWAKENED WORKERS BELOW, THIS IS A TYPICAL MODERN COLONY, ENSLAVED BY ECONOMIC IMPERIALISM.

36-9-137

THE UNITED NATIONS HAS REFUSED TO LISTEN, NOT SIMPLY TO THE COMPLAINT OF THOSE WHO STRIVE FOR AUTHORITY AND PROFIT, BUT IS QUITE UNAWARE OF THE UNVOICED WOE OF THE THREE MILLION INHABITANTS OF TUNISIA, WHO TOIL IN POVERTY, IGNORANCE AND DISEASE. IT

WOULD BE IDIOTIC TO CHARGE THAT THE UNREST AND SUFFERING IN SUCH COLONIAL REGIONS OF THE WORLD TODAY IS CAUSED BY COMMUNISTIC PROPAGANDA.

Boston, May 17 **COLONIAL PEOPLES DEMAND EQUAL STATUS**

The meaning of the word "colony" has changed so in modern times that it is easy for persons discussing colonial problems to miss each other's meaning. Early in this century we meant by "colony" a nation subject to some ruling nation through political control; usually without self-government or control of relations with other governments. With this was usually coupled poverty, lack of education, and disease. This situation was explained and excused by the small natural capacity of colonial peoples, their inability to govern themselves, and the effort of the mother country to raise them to self-government as soon as they showed ability. Meantime the colony was supposed to benefit by investment and industry under the mother country and by missionary and other philanthropic effort. Typical colonies of this type were the British colonies of India, the British West Indies, Malaya, Burma and the South Sea Islands. Most of Africa was in colonial relationship to Britain and France. The Dutch held Indonesia on this status. Large missionary effort in these colonies was furnishing education and preselyting to Christianity.

36-9-1

There was protest from these colonies, alleging serfdom of labor, monopoly of land, and industrial subordination to the mother countries. This protest was usually attributed to half-educated native agitators, and little attention was paid it. There were, however, other so-callled colonies, like Australia and New Zealand, Canada and the Union of South Africa, all mainly in control of white Englishmen , who gradually came to obtain self-rule and virtual independence within the Empire. The dependent colonies aspired to similar growth but were prevented by the wide-spread theory of the inferiority of the darker races.

Moreover, the white colonies represented an older idea of colonial status, going back to the time of the Greeks when groups settled in foreign regions and led independent existence with their own cultures. These and the later Roman colonies sometimes conquered the invaded regions and reduced the inhabitants to subjection. This was the beginning of the idea of economic control of foreign lands and peoples. From this came the politically controlled colony, and also

the transfer of labor by slave trade. Thus thousands of slaves were transferred from northern Europe to Rome, from Europe to Egypt, from Asia to Africa, from Africa to Europe, and from Mongolia to China. The greatest and most systematized trade of this sort grew up in the 17th, 18th, and 19th centuries from Africa to the Americas.

From these colonies, but especially those in Africa and Asia, grew the vast wealth and power of Great Britain, France and Holland, in the 17th, 18th and 19th centuries. In the United States, instead of colonies, chattel slavery built on the African slave trade changed into serfdom on which commerce grew, but led to Civil war and color caste, and to accelerated industry in the North. That colonies existed for the enrichment of the mother countries, and that this wealth was simultaneously for the best interests of the colonial people, became an axiom in the late 19th century.

36-9-2

Leonard Woolf writes: "It is almost impossible to visualize the total effect which the acceptance of this axiom in the last sixty years has had upon the world. It has turned whole nations into armies, and industry and commerce into weapons of economic war. It has caused more bloodshed than ever religion or dynasties caused in an equal number of years, when gods and kings, rather than commerce, were the 'greatest of political interests'. It was the chief cause of the (First World) war which we have just been fighting, and which in Asia men already talk of as the first act in the passing of the civilization of Europe."

Economic imperialism succeeded colonial imperialism, and sprang from the industrial revolution. This revolution arose from the British seizure of India. "It is clear then that the 'industrial revolution', the foundation on which England's prosperity was built up, was made possible only by the influx of Indian treasure, and that but for this capital, not loaned but taken, and bearing no interest, the ascendency of the steam engine and mechanical appliances for mass

production might have remained unutilized. England's gain was India's loss -- a loss of treasure more than enough to starve her industries and retard the progress of agriculture. No country, however rich or resourceful, could bear such a drain unharmed."

I doubt if most people realise just what the control of the darker world by Christian Europe has meant during the last 400 years. William Howitt, in his book on "Colonisation and Christianity", published in 1838, has some statements worth quoting today. He is a devout Englishman, and says of our attempt to teach Christianity to the heathen:

36-9-3

"If the reign of Satan, in fact, were come, -- if he were let loose with all his legions, to plague the earth for a thousand years, what would be the characteristics of his prevalence? Terrors and crimes; one wide pestilence of vice and obscenity; one fearful torrent of cruelty and wrath, deceit and oppression, vengeance and malignity, the passions of the strong would be inflamed -- the weak would cry and implore in vain!

"The barbarities and desperate outrages of the so-called Christian race, throughout every region of the world, and upon every people that they have been able to subdue, are not to be paralleled by those of any other race, however fierce, however untaught, and however reckless of mercy and of shame, in any age of the earth."

The historian Bryan Edwards says: "After reading these accounts, who can help forming an indignant wish that the hand of heaven, by some miraculous interposition, had swept these European tyrants from the face of the earth, who like so many beasts of prey, roamed round the world only to desolate and destroy; and more remorseless than the fiercest savage, thirsted for human blood without having the impulse of natural appetite to plead in their defence!"

What we had then in the 19th and 20th centuries were two contradictory conceptions of colonialism, colonial imperialism which conceived colonies as

political parts of large nations, destined sooner or later to come into full integration with the mother country; although this eventuality in the case of colored peoples was not expected to occur for centuries, if ever. Simultaneously there existed economic imperialism, which applied not only to colonies but to many countries regarded as politically independent, but which like colonies were under the control of imperial nations through capital in investment and centralized control of commerce, markets and prices. South America and the West Indies thus were subject to Europe and North America; and when India was freed politically, it remained in at least partial subjection to British and American capital.

36-9-4

At the opening of the 20th century, Great Britain and France, with America as junior partner, were in control of the chief colonial regions and quasi-colonial nations of the world, while Germany and Italy were seeking a larger share of ownership than they possessed.

Gradually in Europe then arose a deep rivalry among the haves and have nots in colonial wealth and power. The new Germany envied British and French colonial wealth, and Italy wanted her long-sought share in Africa. From this complicated greed arose the First World War, and the peoples of the darker colonies were called in to help, and gained their first recognition by the freeing of India. Thereupon many folk assumed that all colonies were approaching self-rule and that the era of colonial imperialism was rapidly coming to an end. The doctrine of race superiority began to be abandoned, and Viet Nam, Indonesia, British West Africa and West Indies began to agitate for increased independence.

But this movement and its philosophers did not realise the changing significance of colonialism in modern times. The inner reason had changed from Greek migration, Roman conquest and European transport of labor to modern political control, and control not for its own sake but for cheap labor and raw materials. These materials had become the foundation of European and North American wealth and comfort. Political control of colonies therefore would be surrendered by

the leading industrial nations only if they could retain their control of these priceless materials. This, which may be called economic imperialism, or investment colonialism, was succeeding the older colonial imperialism and its motive was not political rule but economic gain. Indeed, gain was always the object of colonies, but under colonial imperialism it was attained by political control; in the 20th century it could be made certain by investment under a world commerce and world control of prices and markets. Gain was vast and lay in control of land, labor and raw materials so necessary to European and North American industry and commerce. The political setup of a country was of minor importance compared with this economic control.

36-9-5

There was great economic gain to be had in countries not technically colonies but which were under such domination by capital invested in them by the great imperial powers that political rule was not absolutely necessary for the vast profit to investments made in these nations. This profit could be used to prevent government interference or labor revolt. This was the situation in South America, Mexico, Central America, Cuba, Ethiopia, Liberia, and Haiti; in Egypt, the Middle East, China and in most of Asia.

The vast profit pouring into the leading industrial and investing nations had greatly changed the problem of capital and labor there, which had developed what we call the Labor Movement, which concerned the division of income between employers and workers. Various plans for more just and rational division of national income were suggested and tried, most of them involving what was called vaguely "Socialism", but which toward the middle of the 19th century assumed the extreme form of "Communism" following a scientific formula proposed by Karl Marx.

The labor movement led to unions, strikes and higher wages, to much socialistic legislation, but to few attempts at a complete socialistic state. This was warded off and labor unrest lessened by the vast income from colonies. Here labor was cheap and land to be had for the taking. From the resultant high

profits the wages in European lands could be raised without lessening the current rate of profit. This, however, involved a series of wars in which the laboring class must take part by paying taxes and fighting against colonial peoples. Interest in home prosperity made the Europeans forget these colonial wars and the way in which they induced the home voters not only to support imperialism but to fight 200 wars between 1817 and 1917.

This period between 1817 and 1917 is often called a period of Peace. It was a period of comparative peace among European nations. Yet in this time there were fought 204 wars, chiefly for acquiring or retaining colonies and culminating in the First World War.

36-9-6

After the First World War, therefore, the object of the leading nations which were in control of industry, commerce and the world market was to continue to control labor, raw materials and the world market in spite of nominal political independence in new nations like China and the peoples of South America.

Two catastrophes interrupted them: First the collapse of capitalism itself in the thirties, which was not caused by socialism but which caused socialism in Britain, Scandinavia, Germany and the United States; and which especially enabled revolution in Russia to establish the first actual modern attempt at a completely socialistic state. Sixteen nations, including the United States, flew to arms to overthrow this attempt, but failed because war expenditure forced them into bankruptcy, and they had to let Russia alone for ten years and more. Just as they were ready to return to the task and overthrow the new Soviet Union, a new threat arose in Germany and Italy, where depression was worst and where the capitalists united to form dictatorships which would unite their capitalists in the formation of a new world control of industry, labor and material; and which would displace the British and French empires and the rising new American economic imperialism. Italy

seized Ethiopia and threatened all North Africa; Germany proposed to dominate Europe as a stepping stone to Russia and all Asia.

It would have been logical for western Europe and America to unite with the Soviet Union against Germany and Italy and their plan of world control. But much as the West hated Fascism, they feared socialism more because it threatened to make impossible of realisation not only the Nazi scheme but their own plan for restored economic imperialism, based on industrial control of backward lands by investment and manipulation of world markets. They hesitated and compromised at Munich and then the Fascists, certain of the inaction of the West, seized France, came to an understanding with the Soviets, threatened England, and then turned to annihilate the Soviet Union before finally reducing Europe and the world to their control.

36-9-7

The West, convinced that this could be accomplished, made a Soviet treaty which they had long refused, so at least to slow the process up, and at best to let the antagonists kill each other off. They gave weak and half-hearted help to the Soviets, stalled on a second front, and then attacked through North Africa so as to be sure of the exploitation of the Balkans and the life line to India in any event. Then, to the astonishment of the world, the Soviet Union smashed the mighty German Wehrmacht at Stalingrad.

What now would be the status of the colonial and quasi-colonial nations? Should the Soviet Union share control, or should the control of Western Europe and America be re-established? The Soviets not only had established a strong government in Russia, but spread their influence to the bordering states which western Europe had once seized for a vantage ground from which to reconquer Russia. The allies could offer no valid, logical or physical objection to this. Nor did the mass of inhabitants object. The bitter opposition came from Polish, Czechoslovakian and other Balkan officials and land holders who lost their wealth and power.

But when the communist influence began to spread south and east and west; and when it finally embraced China, Western colonial imperialism now led by the United States, turned toward planning world war against the Soviet Union and the East.

Let me now turn my attention to the proverbially "forgotten man" -- in this case the colonial and quasi-colonial nations: those nations, large and small, which during the 19th and early 20th centuries were dominated by western Europe and America. Quite apart from social theory, what do they think about the restoration of Anglo-Saxon control of the world? The recent relations of Europe and Asia form a shameful record. European trade was forced on China and Japan; The opium trade consumption was maintained by armed power in order to compel trade with English India; the Chinese were reduced to caste status in their own country so as to give whites a superior position. When the Chinese rebelled they were cowed by international invasion and calculated insult. They were compelled to import European goods and their customs supervised by Englishmen. Chinese treasure was stolen and Chinese industries dominated by foreign investors who reduced wages to starvation levels and allowed no labor revolt. China was marked for dismemberment by Europe and the actual decision delayed only by disagreement as to what nation should get which share. Gradually the United States began to surpass all nations by its investments and influence, and after the Second World War was set to annex China by investment control. Sun-Yat-Sen, who planned the revolution of 1912, had asked Russia for leadership. After his death in 1925, his lieutenant, Chiang-Kai-Chek, turned to America. We gave him arms and millions of funds. But he carried on so rotten a regime that the Chinese peasants took charge and established the new Communist Republic in 1949. Not the Soviet Union but the United States forced communism on China.

36-9-8

India, led by Ghandhi and Nehru, gained political independence from Britain, but not until Britain had aroused religious fanaticism and retained so strong an

investment interest as to bind Indian capitalism closely with European interests. It will be a long struggle to raise national Indian loyalty above sectarian religion and to transfer political power from the foreign investor and native owner and employer to the working classes.

Africa is torn apart. In South Africa, the slave status remains, with whites possessing nearly all political power and most of the land, and with investment capital furnished from Europe and increasingly from the United States, holding black labor to wage slavery of the lowest type. Labor Unions are practically barred for blacks, education is limited and occupations restricted by color caste. Malan is set to make the Union of South Africa, Southwest Africa, the Protectorates, and if possible the Rhodesias, a region of white masters and disfranchised, impoverished, and largely illiterate black serfs, with some tribal solidarity. There is a small group of educated leaders. British West Africa is struggling with some success toward a political autonomy, but is bound by British and foreign capital with partnership of a few black employers, but with a land-holding peasantry and an incomplete educational system.

36-9-9

Between these extremes is Egypt with a landed aristocracy, built on European capital, and ruling over a depressed and largely ignorant peasantry. It seeks also control over the eight millions of the Sudan where the English hsbr lsthr investment in cotton plantations and trade from Cape to Cairo, and have trained a small group of natives for administrative work, and where a strong labor movement has developed. In French Africa there is a small enfranchised and educated native elite allied with French capital, and a large exploited peasantry under European control and used as soldiers in Europe and Asia. In East Africa land monopoly and labor exploitation prevails in Kenya, Tanganyika, and Portugese Africa; and labor exploitation with native landholding in Uganda. In the Belgian Congo there is complete disfranchisement, labor

exploitation by British, Belgians and Americans, and land monopoly under Belgian control. There is only elementary education and admission to industrial skills, but without trade unions. Ethiopia politically is independent, under enlightened feudalism and with a growing educational system. Outside capital is crowding in but is not in control. Liberia is rapidly becoming an American investment colony under industrial control of the large corporations. There is only an incomplete system of education.

In the Middle East, European and American capital is bribing the feudal tyrants with millions for oil to make war so as to fasten their rule on ignorant, diseased and poverty-stricken peasants.

36-9-10

Glancing further east, we find desperate awakening in French Asia, stubbornly opposed by France and the United States; incomplete but increasing independence in Indonesia, shadowed by Dutch, British and American capitalism. British capital is fighting to maintain itself in Burma and Southeast Asia.

Turning to America, we find South America largely dominated by United States capital, except for revolt in the Argentine and some struggles elsewhere. American help supports dictators, fights union labor, and owns mines and oil. Mexico, Central America and the West Indies are in more or less open revolution against the power of western capital, losing and gaining as the tide of autonomy ebbs and flows. Conditions will grow more critical as time flies.

To represent this colonial world as Communistic is idiotic. Few of them have any knowledge or conception of Communism. They do have very clear and constant knowledge of what British and United States capital and industry propose to do to them in the future, and they are preparing as fast as possible to fight it. Here and not in the Soviet Union will come the fight for equality of the dark and white races. Nor are these people fooled by a Point Four which pretends by almsgiving to soften the pressure of labor and land exploitation. They know or soon

will learn that no western capital is going to turn philanthropic in its decrepitude, and surrender prospective sources of profit to peoples who have in the past furnished them wealth and power and whom they propose to keep at that job.

All these peoples the civilized world has long used not only for its support and luxury, but for its amusement and recreation; it has thrown them jokes and alms and regarded them as "half devil and half child". It would be wise and far-sighted if this attitude stopped and stopped quickly and permanently. Britain has long been hated by mankind, but today no nation on earth is so hated, feared and despised as the United States. We can deny this and try to laugh it off, but it is a serious fact and no world-wide propaganda seeking to make mankind hate Russia is going to divert the attention of a thousand million "darkies", "chinks", or "niggers" or postpone permanently the day of awful reckoning for America.

30-9-11

On the other hand, if Socialism succeeds in Europe and the Communism in the Soviet Union makes in the next generation the progress which it has in this, no power of propaganda, military force, or even of atom bomb will stop its spread over the world. It can only be halted if Britain and America evolve something stronger than military might to better the condition of mankind.

TO THE RECEPTION AT ST. CYPRIAN'S CHURCH, BOSTON, MAY 18, 1952

ON THE FUTURE OF THE AMERICAN NEGRO

I FIND THAT AUDIENCES ARE FOND OF ASKING SPEAKERS TO TALK ABOUT THE FUTURE, AND MOST SPEAKERS ARE ONLY TOO WILLING TO ACCEDE TO THIS REQUEST, SINCE THERE IS NO IMMEDIATE DANGER THAT THEIR PROPHESIES WOULD BE CONTRADICTED BY FACTS. USUALLY, HOWEVER, I AVOID THIS PROFERRED TEMPTATION, SINCE MY ATTEMPTS AT PROPHESIES IN THE LAST HALF CENTURY HAVE NOT BEEN CONSPICUOUSLY SUCCESSFUL. TODAY, THEREFORE, I AM NOT GOING TO TELL YOU WHAT WILL HAPPEN IN THE FUTURE, BECAUSE I DO NOT KNOW. BUT I AM GOING TO EMPHASIZE CERTAIN PRESENT FACTS AND TENDENCIES OF WHICH I AM AFRAID YOU ARE NOT FULLY AWARE..

SOCIAL PROBLEMS CHANGE MORE OFTEN AND IN MORE WAYS THAN PHYSICAL PROBLEMS BECAUSE OF THE UNPREDICTABLE VARIATIONS IN HUMAN FEELINGS AND CHOICES. PROBABLY MOST OF THESE EMOTIONS AND CONCLUSIONS ARE SUBJECT MORE OR LESS INDIRECTLY TO THE SAME PHYSICAL LAWS AS THOSE WHICH DOMINATE STICKS AND STONES. BUT THERE IS ENOUGH OF

36-9-154

VOLITION TO MAKE IT NECESSARY FOR PERSONS WHO ARE STUDYING A HUMAN PROBLEM OR TRYING TO CONDUCT THEIR ACTION IN ACCORDANCE WITH ITS PRESENT MANIFESTATIONS; TO MAKE THEM KEEP A WARY EYE ON CHANGES AND FACTS.

FOR INSTANCE, IN THE UNITED STATES DURING THE YOUNG MANHOOD OF FREDERICK DOUGLASS THE NEGRO PROBLEM WAS THE PROBLEM OF SLAVERY. THERE WERE, OF COURSE, MINOR AND CONNECTED PROBLEMS OF OCCUPATION AND CIVIL RIGHTS, BUT THEY WERE ALL SUBJECTED TO THE MAIN PROBLEM OF HUMAN FREEDOM. THEN SUDDENLY, BETWEEN 1863 AND 1865 THE NEGRO PROBLEM BECAME A PROBLEM OF POLITICAL ENFRANCHISEMENT AND PARTY GOVERNMENT, WHICH RAPIDLY DESCENDED INTO RACE WAR, LEADING TO TEMPORARY ATTEMPTS TO GRAPPLE WITH PROBLEMS OF WORK AND EDUCATION; BUT FINALLY ENDING IN PRACTICAL DISFRANCHISEMENT OF THE NEGRO RACE IN 1876. FROM 1876 UNTIL OUR DAY, THE RACE PROBLEM IN THE UNITED STATES HAS BEEN PRIMARILY A STRUGGLE FOR THE RIGHT TO VOTE, CHANGING SLOWLY AND DEFINITELY TO A PROBLEM OF THE RIGHT TO WORK AND TO BE TRAINED FOR WORK AT ALL LEVELS; AND TO A STRUGGLE

FOR CIVIL AND SOCIAL RIGHTS.

MOST OF YOU, I THINK, ASSUME THAT THIS IS STILL THE NEGRO PROBLEM, BUT YOU MUST BE WARNED THAT IT IS NOT WHOLLY OR MAINLY THAT: AND THE REASON THAT IT IS NOT IS BECAUSE OF THE FUNDAMENTAL CHANGES SPREADING OVER THE WHOLE WORLD. WHEREAS IN THE 18TH CENTURY THE WORLD THOUGHT THAT PROGRESS AND EMANCIPATION WAS COMING FROM POPULAR EDUCATION AND UNIVERSAL SUFFRAGE, WE NOW KNOW THAT MORE FUNDAMENTAL THAN THESE IMPORTANT RIGHTS IS THE ECONOMIC ORGANIZATION OF THE WORLD; THAT IS, THE WAY IN WHICH THE LABOR OF HUMAN BEINGS IS ORGANIZED TO SATISFY HUMAN NEEDS. THIS QUESTION IS SO FUNDAMENTAL THAT ALL OTHER QUESTIONS OF POLITICAL POWER, EDUCATION AND HUMAN HAPPINESS DEPEND UPON IT. THIS IS THE BASIC REASON FOR THE RISE OF SOCIAL REFORM, SOCIALISM, AND THE ATTEMPT AT COMPLETE REALIZATION OF SOCIALISM THROUGH COMMUNISM. IT IS IMMATERIAL WHETHER OR NOT YOU LIKE OR ACCEPT SOCIALISM OR COMMUNISM -- THE ABSOLUTE COMPULSION OF YOUR FACING THE PROBLEM WHICH THEY TRY TO SOLVE IS INESCAPABLE.

26-9-155

WHILE I AM SURE MOST OF YOU REALIZE THIS WORLD WIDE CHANGE OF EMPHASIS, I DOUBT IF YOU SEE HOW THIS AFFECTS THE NEGRO PROBLEM, BECAUSE MOST AMERICAN NEGROES OF EDUCATION AND PROPERTY HAVE LONG SINCE OVER-SIMPLIFIED THEIR PROBLEM AND TRIED TO SEPARATE IT FROM ALL OTHER SOCIAL PROBLEMS. THEY CONCEIVE THAT THEIR FIGHT IS SIMPLY TO HAVE THE SAME RIGHTS AND PRIVILEGES AS OTHER AMERICAN CITIZENS. THEY DO NOT FOR A MOMENT STOP TO QUESTION HOW FAR THE ORGANIZATION OF WORK AND DISTRIBUTION OF WEALTH IN AMERICA AFFECTS THEM, NOR DO THEY FOR A MOMENT CONCEIVE THAT THE ECONOMIC ORGANIZATION OF AMERICA MAY HAVE FUNDAMENTAL INJUSTICES AND SHORTCOMINGS WHICH SERIOUSLY AFFECT THE WORLD.

JUST AS BOOKER WASHINGTON IN HIS DAY ASSUMED THAT AMERICAN IDEALS WERE COMPLETE AND RIGHT, AND THAT ALL WE HAD TO DO WAS TO FIGHT TO IMITATE AND ATTAIN THEM, SO TODAY WE ARE LARGELY QUITE SWEPT AWAY BY THE MIRACLES OF AMERICAN INDUSTRY, THE HUGE ACCUMULATION OF WEALTH, AND THE CONSPICUOUS EXPENDITURE WHICH WE FIND ABOUT US. OUR IDEA OF HEAVEN IS TO BE RICH AND POWERFUL, TO MAKE THE KIND OF SHOW IN HOME, DRESS

AND AUTOMOBILES THAT IS SO POPULAR IN AMERICA, AND TO SUFFER, IN OUR EFFORT TO DO THESE THINGS, NO DISCRIMINATION ON ACCOUNT OF RACE OR COLOR.

THIS IS DANGEROUSLY SHORT-SIGHTED. WE AMERICAN NEGROES ARE PART OF THE WORKING FORCE OF THE WORLD. NOT ONLY DO WE REPRESENT AN IMPORTANT SEGMENT OF THE AMERICAN WORKING CLASS, BUT ALSO OF THE WORKING CLASSES OF EUROPE, ASIA, AND AFRICA AND OF THE OTHER AMERICAS. IN THIS RESPECT DO WE OCCUPY A STRATEGIC PLACE, IN THAT A LARGE AND GROWING SEGMENT HAVE ON THE WHOLE BETTER TRAINING THAN THE MASS OF THE WORLD'S WORKERS OUTSIDE OF EUROPE; AND SECONDLY BECAUSE WE ARE IN SUCH DIRECT TOUCH WITH THE WORLD' GREATEST INDUSTRIAL ORGANIZATION THAT WE CAN IMITATE ITS METHODS AND SHARE ITS GAINS.

WE MUST THEREFORE SEE OUR DUTY OF JOINING AND COOPERATING WITH THAT PART OF THE POPULATION WHICH IS GOING FORWARD TOWARD A BETTER ECONOMIC ORGANIZATION, AND IN NOT YIELDING TO THE TEMPTATION OF JOINING OUR INTERESTS WITH THOSE WHO ARE USING THEIR POWER AND ADVANTAGES BY MAKING INDUSTRY SERVE THEIR OWN SELFISH INTERESTS AND DISTORTED IDEALS.

30-9-156

THIS THEN, IS THE SITUATION. YOU SEE ABOUT YOU AND ESPECIALLY IN AMERICA, THE RICH AND THE POOR; THE EMPLOYERS AND THE EMPLOYEES; THE PROFESSIONAL MEN AND THE LABORERS. IT HAS NATURALLY BEEN THE IDEAL OF AMERICAN NEGROES WHO WERE RISING IN THE WORLD TO BE COUNTED AMONG THE RICH, THE EMPLOYERS, AND THE PROFESSIONAL MEN; AND THEY HAVE MEASURED THEIR PROGRESS BY THE DEGREE WITH WHICH THEY SEPARATED THEMSELVES FROM THE POOR, THE EMPLOYEES, AND THE LABORERS. THIS, OF COURSE, HAS BEEN A WORLD-OLD PATTERN BUT TODAY WE SEE IT CHANGING, AND THE NEWER AND RISING IDEA IS THAT WORK FOR THE SATISFACTION OF HUMAN NEEDS IS A SERVICE IN WHICH ALL PEOPLE MUST UNITE ACCORDING TO THEIR APTITUDES AND TRAINING; THAT THERE MUST COME INCREASING EQUALITY OF REWARD IN FOOD, CLOTHING AND HOUSING; THAT THERE MUST BE THE WIDEST AND BEST EDUCATION TO FURNISH ABILITY FOR NECESSARY TASKS; AND THAT UNNECESSARY IDLENESS AND UNDUE LUXURY MUST BE ELIMINATED.

THIS IDEA HAS ALWAYS BEEN MORE OR LESS RECOGNIZED AMONG ALL PEOPLES, BUT UNDOUBTEDLY IN OUR DAY IT HAS GREATLY SPREAD AND CAN BE SEEN IN THE SOCIALISM OF BRITAIN,

AND SCANDINAVIA, AND IN THE INCREASED COMFORT AND WIDE EDUCATION IN AMERICA. NEVERTHELESS IT HAS BEEN FOUGHT BITTERLY, AND PERHAPS NEVER SO HARD AS TODAY. THE FACTS OF THIS BATTLE YOU MUST REALIZE, AND TAKE YOUR PLACE ACCORDINGLY, AND GUIDE YOUR CHILDREN IN CONFORMITY WITH THIS IDEAL. YOU MUST NOT BE DIVERTED FROM RECOGNITION OF THE TRUTH BY APPEALS TO WAR AND HATRED OR EFFORTS OF DOMINATION OVER YOUR FELLOWMEN!

ESPECIALLY MUST YOU REFUSE TO BE DIVERTED OR DECEIVED BY LAWS AND DISTORTIONS CONCERNING THE SOVIET UNION. NOBODY, NOT EVEN THE RUSSIANS, PRETENDS THAT THE SOVIET UNION IS A PERFECT STATE, JUST AS BY NO FLIGHT OF THE IMAGINATION CAN WE CALL THE UNITED STATES PERFECT.

36-9-157

BUT IT IS AN INDISPUTABLE TRUTH, AND I CAN CONFIRM IT BY MY THREE VISITS TO THE SOVIET UNION OVER A PERIOD OF A QUARTER OF A CENTURY, THAT THE ADVANCE IN INTELLIGENCE, WELL-BEING AND HEALTH MADE BY THE RUSSIAN PEASANT SINCE THE CZARIST REGIME WAS OVERTHROWN, HAS BEEN UNPARALLELED IN MODERN HISTORY. THAT SOVIET METHODS ARE APPLICABLE TO AMERICA IS NOT ASSERTED BY ANYONE THAT I KNOW, BUT THERE IS A DETERMINATION TO OBSCURE

THE FACTS BY DRIVING THE AMERICAN PEOPLE INTO BLIND HATRED AND FEAR OF RUSSIA, AND A DETERMINATION TO EITHER EXTERMINATE OR DOMINATE THEM, WHICH IS A SILLY, DANGEROUS IDEA, ABSOLUTELY IMPOSSIBLE OF ACCOMPLISHMENT.

THE WORLD-WIDE SPREAD OF EFFORTS TO RAISE THE WORKING CLASS DO NOT INCLUDE, AS YOU ARE OFTEN TOLD, REFUSAL TO RECOGNIZE REWARDS FOR HARD WORK, DEPRIVING MEN OF JUSTLY EARNED WEALTH, OR COMPLETE DENIAL OF FREEDOM AND DEMOCRACY. IT DOES MEAN THAT PEOPLE SHOULD NOT BE ALLOWED TO ENJOY WEALTH WHICH THEY DO NOT EARN, THAT PROPERTY IS A SOCIAL CONSIDERATION AND NOT A PRIVATE RIGHT, AND THAT WHEN A GROUP OF PEOPLE ENTER INTO AN INDUSTRIAL ORGANIZATION WHERE MOST OF THEM DO THE HARD WORK, A FEW DO THE THINKING, AND STILL FEWER ARE THE LEGAL OWNERS, THAT IT IS UNJUST AND NOT PERMISSIBLE THAT THERE SHOULD COME OUT OFTHIS PARTNERSHIP A MASS OF IGNORANT PAUPERS AND A FEW MILLIONAIRES.

I KNOW AND YOU KNOW NEGROES WHO TODAY ARE FOLLOWING THE EXAMPLE OF WHITE PEOPLE IN EXACTLY THIS PATTERN OF LIFE. IN CHARLESTON, SOUTH CAROLINA, A WELL-TO-DO

AND WELL EDUCATED NEGRO PHYSICIAN POINTED OUT TO ME THE TENEMENT HOUSES WHICH HE WAS RENTING TO POOR WORKERS AT HUGE PROFIT. IN ATLANTA I HAVE SEEN AN INSURANCE SOCIETY BOUGHT BY A NEGRO GROUP FROM WHITES, WHICH WAS CHEATING AND STEALING FROM THE WORKERS WITH EXACTLY THE SAME METHODS THAT THE WHITE COMPANY USED, AND PILING UP FORTUNES FOR YOUNG COLORED MEN. IN FACT, THE MORE WIDELY AND SUCCESSFULLY COLORED BUSINESS MEN FOLLOW THE METHODS OF WHITE BUSINESS MEN, THE MORE MANY OF US REGARD THEM AS UNUSUALLY SUCCESSFUL.

36-9-158

IN THE SAME WAY WE ARE FACED TODAY BY THE ASTONISHING SPECTACLE OF LEADING NEGRO PHYSICIANS OPPOSING SOCIALIZED MEDICINE, WHICH HAS PROVED SUCH A SUCCESS IN GREAT BRITAIN AND SCANDINAVIA, AND WHICH WILL COME EVENTUALLY TO THE UNITED STATES, WHERE NO PEOPLE NEEDIT MORE THAN AMERICAN NEGROES.

ALL THESE CONSIDERATIONS AFFECT AND MUST IN THE FUTURE MORE LARGELY THAN NOW, AFFECT WHAT WE CALL NOW THE NEGRO PROBLEM. AND ANY ASSESSMENT OF THE FUTURE ASPECTS OF THIS PROBLEM MUST TAKE THE MATTERS WHICH I HAVE EMPHASIZED INTO SERIOUS AND CAREFUL CONSIDERATION.

Du Bois Parts of Speech of
St Cyprian
April 15

IN THE UNITED STATES DURING THE YOUNG MANHOOD OF FREDERICK DOUGLASS THE NEGRO PROBLEM WAS THE PROBLEM OF SLAVERY. THERE WERE, OF COURSE, MINOR AND CONNECTED PROBLEMS OF OCCUPATION AND CIVIL RIGHTS, BUT THEY WERE ALL SUBJECTED TO THE MAIN PROBLEM OF HUMAN FREEDOM. THEN SUDDENLY, BETWEEN 1863 AND 1865 THE NEGRO PROBLEM BECAME A PROBLEM OF POLITICAL ENFRANCHISEMENT AND PARTY GOVERNMENT, WHICH RAPIDLY DESCENDED INTO RACE WAR, LEADING TO TEMPORARY ATTEMPTS TO GRAPPLE WITH PROBLEMS OF WORK AND EDUCATION; BUT FINALLY ENDING IN PRACTICAL DISFRANCHISEMENT OF THE NEGRO RACE IN 1876. FROM 1876 UNTIL OUR DAY, THE RACE PROBLEM IN THE UNITED STATES HAS BEEN PRIMARILY A STRUGGLE FOR THE RIGHT TO VOTE, CHANGING SLOWLY BUT DEFINITELY TO A PROBLEM OF THE RIGHT TO WORK AND TO BE TRAINED FOR WORK AT ALL LEVELS; AND TO A STRUGGLE FOR CIVIL AND SOCIAL RIGHTS.

35-10-77

MOST OF YOU, I THINK, ASSUME THAT THIS IS STILL THE NEGRO PROBLEM, BUT YOU MUST BE WARNED THAT IT IS NOT WHOLLY OR MAINLY THAT: AND THE REASON THAT IT IS NOT IS BECAUSE OF THE FUNDAMENTAL CHANGES SPREADING OVER THE WHOLE WORLD. WHEREAS IN THE 18TH

CENTURY THE WORLD THOUGHT THAT PROGRESS AND EMANCIPATION WAS COMING FROM POPULAR EDUCATION AND UNIVERSAL SUFFRAGE, WE NOW KNOW THAT MORE FUNDAMENTAL THAN THESE IMPORTANT RIGHTS IS THE ECONOMIC ORGANIZATION OF THE WORLD; THAT IS, THE WAY IN WHICH THE LABOR OF HUMAN BEINGS IS ORGANIZED TO SATISFY HUMAN NEEDS. THIS QUESTION IS SO FUNDAMENTAL THAT ALL OTHER QUESTIONS OF POLITICAL POWER, EDUCATION AND HUMAN HAPPINESS DEPEND UPON IT. THIS IS THE BASIC REASON FOR THE RISE OF SOCIAL REFORM, SOCIALISM, AND THE ATTEMPT AT COMPLETE REALIZATION OF SOCIALISM THROUGH COMMUNISM. IT IS IMMATERIAL WHETHER OR NOT YOU LIKE OR ACCEPT SOCIALISM OR COMMUNISM -- THE ABSOLUTE COMPULSION OF YOUR FACING THE PROBLEM WHICH THEY TRY TO SOLVE IS INESCAPABLE.

35-10-78

WHILE I AM SURE MOST OF YOU REALIZE THIS WORLD WIDE CHANGE OF EMPHASIS, I DOUBT IF YOU SEE HOW THIS AFFECTS THE NEGRO PROBLEM, BECAUSE MOST AMERICAN NEGROES OF EDUCATION AND PROPERTY HAVE LONG SINCE OVER-SIMPLIFIED THEIR PROBLEM AND TRIED TO SEPARATE IT FROM ALL OTHER SOCIAL PROBLEMS. THEY CONCEIVE THAT THEIR FIGHT IS SIMPLY TO HAVE THE SAME RIGHTS AND PRIVILEGES AS OTHER AMERICAN CITIZENS. THEY DO NOT FOR

A MOMENT STOP TO QUESTION HOW FAR THE ORGANIZATION OF WORK AND DISTRIBUTION OF WEALTH IN AMERICA AFFECTS THEM, NOR DO THEY FOR A MOMENT CONCEIVE THAT THE ECONOMIC ORGANIZATION OF AMERICA MAY HAVE FUNDAMENTAL INJUSTICES AND SHORTCOMINGS WHICH SERIOUSLY AFFECT THE WORLD.

35-10-79

JUST AS BOOKER WASHINGTON IN HIS DAY ASSUMED THAT AMERICAN IDEALS WERE COMPLETE AND RIGHT, AND THAT ALL WE HAD TO DO WAS TO FIGHT TO IMITATE AND ATTAIN THEM, SO TODAY WE ARE LARGELY QUITE SWEPT AWAY BY THE MIRACLES OF AMERICAN INDUSTRY, THE HUGE ACCUMULATION OF WEALTH, AND THE CONSPICUOUS EXPENDITURE WHICH WE FIND ABOUT US. OUR IDEA OF HEAVEN IS TO BE RICH AND POWERFUL, TO MAKE THE KIND OF SHOW IN HOME, DRESS, AND AUTOMOBILES THAT IS SO POPULAR IN AMERICA, AND TO SUFFER, IN OUR EFFORT TO DO THESE THINGS, NO DISCRIMINATION ON ACCOUNT OF RACE OR COLOR.

THIS IS DANGEROUSLY SHORT-SIGHTED. WE AMERICAN NEGROES ARE PART OF THE WORKING FORCE OF THE WORLD. NOT ONLY DO WE REPRESENT AN IMPORTANT SEGMENT OF THE AMERICAN WORKING CLASS, BUT ALSO OF THE WORKING CLASSES OF EUROPE, ASIA, AND AFRICA

AND OF THE OTHER AMERICAS. IN THIS RESPECT DO WE OCCUPY A STRATEGIC PLACE, IN THAT A LARGE AND GROWING SEGMENT HAVE ON THE WHOLE BETTER TRAINING THAN THE MASS OF THE WORLD'S WORKERS OUTSIDE OF EUROPE; AND SECONDLY BECAUSE WE ARE IN SUCH DIRECT TOUCH WITH THE WORLD'S GREATEST INDUSTRIAL ORGANIZATION THAT WE CAN IMITATE ITS METHODS AND SHARE ITS GAINS.

35-10-80

WE MUST THEREFORE SEE OUR DUTY OF JOINING AND COOPERATING WITH THAT PART OF THE POPULATION WHICH IS GOING FORWARD TOWARD A BETTER ECONOMIC ORGANIZATION, AND IN NOT YIELDING TO THE TEMPTATION OF JOINING OUR INTERESTS WITH THOSE WHO ARE USING THEIR POWER AND ADVANTAGES BY MAKING INDUSTRY SERVE THEIR OWN SELFISH INTERESTS AND DISTORTED IDEALS.

THIS THEN, IS THE SITUATION. YOU SEE ABOUT YOU AND ESPECIALLY IN AMERICA, THE RICH AND THE POOR; THE EMPLOYERS AND THE EMPLOYEES; THE PROFESSIONAL MEN AND THE LABORERS. IT HAS NATURALLY BEEN THE IDEAL OF AMERICAN NEGROES WHO WERE RISING IN THE WORLD TO BE COUNTED AMONG THE RICH, THE EMPLOYERS, AND THE PROFESSIONAL MEN; AND THEY

HAVE MEASURED THEIR PROGRESS BY THE DEGREE WITH WHICH THEY SEPARATED THEMSELVES FROM THE POOR, THE EMPLOYEES, AND THE LABORERS. THIS, OF COURSE, HAS BEEN A WORLD-OLD PATTERN. BUT TODAY WE SEE IT CHANGING, AND THE NEWER AND RISING IDEALS THAT WORK FOR THE SATISFACTION OF HUMAN NEEDS IS A SERVICE IN WHICH ALL PEOPLE MUST UNITE ACCORDING TO THEIR APTITUDES AND TRAINING; THAT THERE MUST COME INCREASING EQUALITY OF REWARD IN FOOD, CLOTHING AND HOUSING; THAT THERE MUST BE THE WIDEST AND BEST EDUCATION TO FURNISH ABILITY FOR NECESSARY TASKS; AND THAT UNNECESSARY IDLENESS AND UNDUE LUXURY MUST BE ELIMINATED.

THE NEGRO PROBLEMS OF THE UNITED STATES

I AM GOING TO DISCUSS WITH YOU A SET OF SOCIAL PROBLEMS. I MEAN BY A SOCIAL PROBLEM A SERIES OF ACTIONS BY INDIVIDUAL HUMAN BEINGS WHICH PRESENT DIFFICULTIES IN UNDERSTANDING AND COORDINATION, IN QUESTIONS OF RIGHT AND WRONG AND OF HEALTH AND HAPPINESS FOR THE MASS OF MEN. SOME OF THESE ACTIONS ARE SO RELATED HISTORICALLY OR SO CLUSTERED AROUND CERTAIN PLACES AND INDIVIDUALS THAT THEY ARE NAMED AFTER THESE INDIVIDUALS OR PLACES OR INCIDENTS. THUS WE HAVE PROBLEMS OF FARM LIFE, PROBLEMS OF POVERTY, OR NEGRO PROBLEMS, WHICH ARE GROUPED ABOUT THE HISTORY AND CONDITION OF AMERICAN DESCENDENTS OF AFRICAN SLAVES. SUCH GROUPS OF SOCIAL PROBLEMS ARE NOT MUTUALLY EXCLUSIVE BUT OVERLAP. NEGRO PROBLEMS ARE PROBLEMS OF EDUCATION, AND PROBLEMS OF HEALTH ARE ALSO PROBLEMS OF SOUTHERN WHITES. THE NAMING OF A PARTICULAR GROUP OF PROBLEMS DEPENDS ON YOUR CURRENT INTEREST OF STUDY AND NOT ON THE FACT THAT THESE PROBLEMS ARE SEPARATE FROM OTHER GROUPS OF PROBLEMS.

TWO CONSIDERATIONS MUST PRECEDE ALL PROFITABLE STUDY OF SOCIAL PROBLEMS: FIRST THE HISTORICAL APPROACH AND SECONDLY THE ECONOMIC ASPECT. OTHER ASPECTS MUST NOT BE

FORGOTTEN BUT IN OUR DAY IT IS THE HISTORICAL AND ECONOMIC THAT ARE APT TO BE SLURRED OVER. ACTIONS OF HUMAN BEINGS ARE NEVER JUST PRESENT EVENTS. THEY ALWAYS FORM PART OF A CONTINUOUS STRING OF OCCURRENCES, ALL INFLUENCING AND CONDITIONING THE OTHER. A SOCIAL PROBLEM LIKE THAT OF THE NEGRO THEREFORE CAN NEVER BE CONSIDERED SIMPLY IN ITS PRESENT CONDITION. IT MUST BE TREATED HISTORICALLY SO THAT ITS DEVELOPMENT MAY BE SENSED. SO TOO WE MUST NEVER FORGET THAT MOST OF THE TIME OF MOST MEN IS SPENT IN EARNING A LIVING, AND MUCH OF THEIR THOUGHT AND DREAM GOES TO THIS. WHATEVER THEN THEY DO MUST NECESSARILY BE GREATLY, INDEED OVERPOWERINGLY INFLUENCED BY MATTERS OF WORK, WAGE AND INCOME. AND THIS ECONOMIC ASPECT OF SOCIAL ACTIONS AND PROBLEMS MUST NEVER BE LOST SIGHT OF. THESE CONSIDERATIONS ARE IMPORTANT FOR IF WE FORGET, OR DO NOT KNOW THE PAST, AND MAKE JUDGMENTS ON THE PRESENT: OR IF WE ASSUME THAT PERSONS ARE USUALLY ASKING "IS THIS RIGHT OR WRONG" WHEN IN TRUTH THEY MORE USUALLY ASK "WHAT IS THERE TO EAT", OR "HOW SHALL MY SON'S TUITION BE PAID"; IF WE FORGET HISTORY AND ECONOMICS WE WILL NOT STUDY SOCIAL PROBLEMS INTELLIGENTLY. FOR INSTANCE: IN THE 15th AND EARLY 16TH CENTURIES THE AMOUNT OF LAND IN

EUROPE UPON WHICH CROPS COULD BE RAISED WAS LIMITED BY FERTILITY AND BY THE USE WHICH WAS BEING MADE OF MOST LAND. THE GREATEST EVENT OF THE LATE 15TH CENTURY WAS THE DISCOVERY OF LARGE, ALMOST UNLIMITED AMOUNTS OF FERTILE LAND. THE SPANIARDS, FRENCH, AND ENGLISHMEN WHO EXPLORED THIS LAND DID NOT AT FIRST THINK SO MUCH ABOUT FERTILITY. THEY THOUGHT OF TREASURE TROVE, OF FINDING GOLD AND SILVER AND OTHER VALUABLE GOODS. BUT AFTER A FEW DECADES EUROPEANS BEGAN TO REALIZE THAT THE SIGNIFICANCE OF THE NEW WORLD LAY IN THE NEW LAND, AND THAT THERE HAD BEEN ADDED TO THE POSSIBLE WEALTH OF EUROPE LAND WHICH WOULD GREATLY INCREASE THAT WEALTH. THIS WAS A CHANGE, AND ON THE WHOLE A RATHER SUDDEN CHANGE, FROM THE FIRST IDEA THAT EXPLORATION WAS GOING TO BRING THE TREASURE AND CONSUMERS GOODS OF INDIA AND AFRICA NEARER TO EUROPE. AS SOON AS EUROPE BEGAN TO REALIZE THAT THE REAL TREASURE OF AMERICA WAS LAND AND AGRICULTURE EVEN MORE THAN MINING, THEN THERE CAME A DEMAND FOR PERSONS TO WORK ON THE LAND. EUROPE WAS USED TO HAVING THE LAND TILLED BY PERSONS WHO DID NOT OWN THE LAND BUT WHO WERE FARMERS UNDER A CONTRACT WHICH INCLUDED THEIR TOIL AND THEIR MILITARY SERVICE IN RETURN FOR FOOD AND SHELTER. THE

36-9-139

DIFFICULTY WITH THE NEW WORLD, HOWEVER, WAS THAT THE INHABITANTS WHICH EUROPEANS FOUND THERE WERE COMPARATIVELY SMALL IN NUMBER AND ORGANIZED PRIMARILY FOR HUNTING RATHER THAN AGRICULTURE, AND FOR CARRYING ON THEIR LIFE ACCORDING TO THEIR OWN NEEDS AND NOT ACCORDING TO THE IDEAS OF THE EUROPEAN NEWCOMERS. THE EUROPEANS THEMSELVES BEING LARGELY ADVENTURERS RATHER THAN LABORERS, DID NOT WANT TO WORK. SOMETIMES THEY WERE MADE TO WORK, AS IN THE CASE OF GOVERNOR JOHN SMITH IN VIRGINIA, BUT THEIR FIRST EFFORT WAS, AS SEEMED NATURAL TO THEM, TO MAKE THE INDIANS WORK IN FINDING TREASURE, IN MINING, BUT MORE PARTICULARLY IN AGRICULTURE. THIS SCHEME DID NOT GO WELL BECAUSE THE INDIANS DID NOT KNOW EUROPEAN AGRICULTURE, DID NOT LIKE THE WORK OF RAISING CROPS AND SAW NO REASON WHY THEY SHOULD PERFORM FOR OTHER PEOPLE THE KIND OF LABOR WHICH THEY WERE NOT USED TO PERFORMING EVEN FOR THEMSELVES.

36-9-140

IT WAS EASY UNDER THE CIRCUMSTANCES TO TURN TO A NEW SOURCE OF LABOR, AND THAT NEW SOURCE OF LABOR HAD REASON, BECAUSE OF THE CLASH OF THREE RELIGIONS, CHRISTIANITY, MOHAMMEDIANISM, AND PRIMITIVE HEATHENISM IN NORTH AFRICA. CULTURAL CLASH BROUGHT WAR,

AND WARS BETWEEN THESE THREE RELIGIONS FURNISHED THROUGH CAPTIVES LABOR FOR THE MARKET, WHICH COULD BE TRANSPORTED. THE LABORERS CAPTURED IN WAR, WHITE, BLACK AND BROWN, EUROPEAN, ASIATIC, AND AFRICAN, WERE TRANSPORTED TO LOCALITIES WHERE THEY COULD BE USED AS SERVANTS, AS ARTISANS, AS BURDEN BEARERS. THERE WAS LARGE TRANSPORTATION OF LABOR IN WHAT WE CALL THE MIDDLE EAST, IN NORTHERN AFRICA, AND IN SOUTHERN EUROPE, AND ESPECIALLY IN NATIONS LIKE SPAIN, ITALY AND GREECE. THIS TRANSPORTATION OF LABOR, BEGINNING IN THE MIDDLE AGES, WAS MORE OR LESS A REGULAR ARTICLE OF COMMERCE EVEN BEFORE THE DISCOVERY OF AMERICA, AND THEN GREATLY INCREASED BECAUSE THERE WAS NEW WORK FOUND FOR THEM TO DO, WHICH WASN'T SIMPLY THE SUPPLYING OF LUXURY OR PERSONAL SERVICE, BUT THE SUPPLYING OF THINGS WHICH LARGE NUMBERS OF PEOPLE WANTED: A CHEAP SWEETENING THAT DID NOT DEPEND SOLELY UPON BEES; CLOTHING WHICH WAS CHEAPER THAN THE WOOL OF SHEEP, AND OTHER FOODS AND ARTICLES IN INCREASING DEMAND.

HERE YOU HAD THE REASON AND THE BASIC REASON FOR THE TRANSFER OF LABOR FROM THE OLD TO THE NEW WORLD, AND PARTICULARLY FROM AFRICA TO AMERICA. THE WANTS OF LARGER

AND LARGER NUMBERS OF PEOPLE BECAME TO BE SATISFIED BY THE WORK OF LARGER AND LARGER NUMBERS OF PEOPLE FROM AFRICA. AND THEY CAME FROM AFRICA BECAUSE THERE AT THE TIME, THE 16TH CENTURY, THE AFRICAN LABOR MARKET WAS GLUTTED, AND THEY CAME TO AMERICA BECAUSE IN THE 16TH CENTURY AND 17TH CENTURY THERE ROSE IN AMERICA WHAT WE MIGHT CALL THE SUGAR EMPIRE, AND AFTERWARD WHAT WE DID CALL THE COTTON KINGDOM.

36-9-141

NOW OUT OF THAT JUXTAPOSITION OF WORKERS IN AMERICA AND CONSUMERS IN EUROPE THERE DEVELOPED IN THE COURSE OF THE NEXT 300 YEARS WHAT WE CALL TODAY IN THE UNITED STATES THE NEGRO PROBLEM, AND THE MAIN CHARACTERISTICS OF THAT PROBLEM ARE THESE: THAT AMONG THE 150 MILLION AMERICANS THERE ARE A LITTLE LESS THAN 1/10TH OR 15 MILLION WHO ARE DESCENDENTS FROM THESE AFRICAN SLAVES. AND BEING DESCENDENTS OF THESE PEOPLE THEY DIFFER MORE OR LESS IN PHYSICAL APPEARANCE AND ESPECIALLY IN COLOR OF SKIN. THE DIFFERENCE IS NOT ABSOLUTE. SOME OF THEM DIFFER STARTLINGLY WITH THEIR VERY DARK BROWN SKINS AND CLOSE-CURLED HAIR, AND SOME BEING DESCENDENT NOT SIMPLY FROM NEGROES BUT FROM VARIOUS GROUPS OF WHITES, DIFFER LITTLE IN APPEARANCE.

NOW A DIFFERENCE IN PERSONAL APPEARANCE MAY ALWAYS BECOME REASON FOR DIFFERENCE OF TREATMENT, SIMPLY BECAUSE OF THE UNUSUALNESS OF THE SITUATION. IF THERE IS NO OUTSTANDING PHYSICAL DIFFERENCE THERE MAY BE DIFFERENCES IN RELIGIOUS OBSERVANCE OR IN CULTURAL PATTERNS, WHICH MAY GIVE RISE TO DIFFERENCE OF TREATMENT AND VARIOUS PSYCHOLOGICAL PROBLEMS. BUT OF THESE DIFFERENCES, THAT OF PHYSICAL APPEARANCE IS ALWAYS THE MOST STRIKING AND IS MOST APT TO LEAD TO THE MOST DRASTIC REACTIONS.

SO THAT HERE WE HAVE IN THE UNITED STATES SOME 15 MILLION PEOPLE WHO ARE, MORE OR LESS, DIFFERENT IN PHYSICAL APPEARANCE FROM THEIR FELLOWS, BUT WHO ALSO HAVE OTHER DIFFERENCES WHICH ARE APT TO BE THOUGHT OF AS NATURALLY CONNECTED WITH THEIR DARK SKINS. FOR INSTANCE, FOR THE MOST PART THE COLORED PEOPLE OF THE UNITED STATES ARE CONSIDERABLY POORER THAN [redacted] WHITE PEOPLE; WHICH DOES NOT MEAN NECESSARILY THAT EVERY NEGRO IS POORER THAN EVERY WHITE MAN. QUITE THE CONTRARY. BUT IT DOES MEAN THAT IF YOU COME ACROSS A FAMILY OR A GROUP OR A LOCALITY WHERE THE PROPORTION OF PERSONS OF NEGRO DESCENT IS LARGE, THE CHANCES ARE THESE PEOPLE WILL BE POOR, THEIR INCOME WILL BE LOW,

AND IN A CONSIDERABLE NUMBER OF CASES INSUFFICIENT FOR THEIR PROPER SUPPORT. AND THE APPARENT REASON FOR THIS POVERTY WILL BE THAT THE SALARY, WAGE AND INCOME OF PERSONS OF THIS GROUP WILL BE LOWER THAN THAT OF PERSONS IN WHITE GROUPS. ALSO, AND IN ABOUT THE SAME PROPORTION, THERE WILL BE A LARGER AMOUNT OF IGNORANCE AND A GREATER PREVALENCE OF DISEASE, LEADING TO SHORTER LIVES, PARTICULARLY AMONG CHILDREN. NOW, WHENEVER THERE IS IN A COMMUNITY A GROUP OF POOR, IGNORANT AND DISEASED PEOPLE, EVEN THOUGH THERE ARE A LARGE NUMBER OF EXCEPTIONS INVOLVED, THE GENERAL TREATMENT MORE OR LESS UNCONSCIOUSLY RESERVED FOR THIS GROUP WILL BE DISTRUST AND DISCRIMINATION, USUALLY RESULTING IN SEGREGATION, WHICH WILL BEAR DOWN WITH ESPECIAL PRESSURE UPON THE PARTS OF THE COLORED GROUP WHICH ARE ON THE MARGIN, -- COLORED PEOPLE WHO ARE NOT POOR, WHO ARE NOT IGNORANT, WHO ARE HEALTHY.

261-6-96

THE PRESSURE UPON THESE PEOPLE WILL BE SUCH THAT THEY WILL RESIST, AND THEIR RESISTENCE WILL BE LOOKED UPON BY MANY AS USELESS AND IRRATIONAL, AND AS AN EFFORT TO STRIVE AGAINST OBVIOUS FACTS. THEN LATER AS THE NUMBER OF THE SO-CALLED EXCEPTIONAL INCREASES,

THERE WILL BE A TENDENCY IN THE ENVIRONING GROUP TO PRESS LESS UNYIELDINGLY UPON THE IMPRISONED GROUP, AND YOU WILL HAVE WHAT IS COMMON TODAY: CERTAIN SO-CALLED STEPS IN SOLVING THE RACIAL PROBLEM -- AT LEAST ITS WORST MANIFESTATIONS WILL TEND TO ABATE BUT IT WILL NOT IMMEDIATELY DISAPPEAR.

THE RESULTING SITUATION TODAY WHICH WE CALL LOOSELY THE NEGRO PRESENT PROBLEM MAY BE OUTLINED LIKE THIS: AN AMERICAN CITIZEN, NO MATTER WHAT HIS EDUCATION, WEALTH OR CHARACTER, IF HE SHOWS HIS NEGRO DESCENT OR EVEN IF IT IS NOT APPARENT BUT KNOWN, WILL SUFFER SOME DISCRIMINATION ANYWHERE IN THE UNITED STATES. IF HE LIVES IN THE 16 FORMER SLAVE STATES THE DISCRIMINATION WILL BE A MATTER OF LAW AND HARSH CUSTOM. HE MUST BE LIMITED AS TO WHERE HE LIVES; HE MUST GO TO A NEGRO SCHOOL WHICH WILL BE A POOR SCHOOL; SEWAGE AND GARBAGE CONTROL WILL BE BAD IN HIS NEIGHBORHOOD, AND POLICE WILL BE SCARCE AND ARBITRARY; HE WILL PLAY ONLY WITH CHILDREN OF HIS OWN GROUP; HE WILL SELDOM BE ACCORDED TITLES OF RESPECT. EVEN IN JOHNS HOPKINS UNIVERSITY HOSPITAL, BALTIMORE, NO COLORED PATIENT IS CALLED "MRS." A NEGRO OFTEN CANNOT VISIT PUBLIC

LIBRARIES, PARKS AND PLAYGROUNDS, OR ONLY ON SPECIAL TERMS. USUALLY HE CANNOT RIDE IN PUBLIC ELEVATORS OR ONLY IN CERTAIN ONES; HE OCCUPIES SEPARATE CARS AND POORER ONES ON RAILWAY TRAINS AND SEPARATE SEATS IN STREET CARS; HE CANNOT EAT IN MOST RESTAURANTS OR STOP IN MOST HOTELS; HE IS STRICTLY LIMITED IN THE KINDS OF WORK HE IS ALLOWED TO DO, AND USUALLY RECEIVES LOWER WAGES THAN WHITES FOR THE SAME WORK; ONLY MARRIAGES TO PERSONS ARE LEGAL; HE IS DAILY CONFRONTED IN PUBLIC PLACES BY SIGNS BARRING HIS USE AND ENTRANCE; IF ARRESTED HE IS MORE FREQUENTLY HURT AND INSULTED AND IF CONVICTED HE IS PUNISHED MORE SEVERELY AND LONGER THAN WHITES. THERE IS MUCH OPEN INSULT, VIOLENCE, MURDER AND SOME LYNCHING. COLORED GIRLS AND WOMEN ARE LIABLE TO INSULT, AND IT IS SELDOM THAT A WHITE MAN IS ARRESTED FOR RAPING ONE. MOST NEGROES DO NOT VOTE OR HOLD EVEN MINOR OFFICES IN THE SOUTH.

36-9-143

IN SOME SOUTHERN STATES THERE IS LESS DISCRIMINATION THAN IS HERE INDICATED AND LESS RIGOROUS CASTE SYSTEM. IN NORTHERN AND WESTERN STATES NEGROES VOTE AND HOLD SOME OFFICES. USUALLY, BUT NOT ALWAYS, THEIR CHILDREN ARE NOT SEGREGATED IN

SCHOOL. BUT ALMOST EVERYWHERE IN THIS NATION THERE IS DISCRIMINATION IN HOUSING, CIVIC ACCOMMODATIONS, AVAILABLE WORK AND EQUAL WAGE, AND IN PUBLIC CONSIDERATION AND RESPECT.

KNOWN NEGRO DESCENT EVEN WHEN LEGAL IS MADE UNCOMFORTABLE OR WORSE; AND EVEN IN PLACES LIKE SCHOOLS WHERE NEGROES ARE ADMITTED THE TREATMENT BY THEIR FELLOWS OFTEN DRIVES THEM AWAY.

THIS IS THE NEGRO PROBLEM IN THIS NATION. MOST AMERICANS FORGET IT ENTIRELY OR PAY LITTLE ATTENTION TO IT. THEY ARE SURPRISED WHEN IT IS BROUGHT TO THEIR ATTENTION AND OFTEN ALMOST DENY IT. THEY BOAST THAT THE UNITED STATES IS A FREE COUNTRY AND THAT IT FOLLOWS THE TEACHINGS OF JESUS CHRIST AND THE GOLDEN RULE. THEY ASSERT STOUTLY THAT NEGROES THEMSELVES DO NOT NOTICE ANYTHING WRONG OR UNJUST. WHEN THEY FIND THIS UNTRUE THEY RESENT SUCH NEGROES AND GET ANGRY. IF ASKED TO DO SOMETHING ABOUT THIS SITUATION THEY ARE SURE NOTHING CAN BE DONE.

NOW ALL THIS IS NOTHING NEW TO YOUNG PEOPLE LIKE YOU, BUT WHAT IS MORE OR LESS UNCONSCIOUSLY CONCEALED IS THE PROCESS AND THE REASONS BY WHICH A DEMAND AND A NATURAL DEMAND FOR LABOR BECOMES IN TIME TRANSFORMED INTO A BITTER RACE PROBLEM, AND A RACE PROBLEM SO TENSE THAT IT CAUSES CIVIL WAR, THAT IT RESULTS IN CASTE AND SEGREGATION, AND THAT IT MAKES IT EXTREMELY DIFFICULT FOR THE ORDINARY PERSON OF GOODWILL TO LIVE AT PEACE

36-9-144

IN HIS OWN NATION AND IN HIS OWN COMMUNITY. WHAT THEN WAS IT THAT TOOK PLACE BETWEEN THE FIRST IMPORTATION OF SLAVES AND THE DAY WHEN NEGRO STUDENTS, WITH SOME HESITATION AND DOUBT, WERE ADMITTED TO ST. JOHN'S COLLEGE? THAT OF COURSE IS THE MOST IMPORTANT PART OF OUR INQUIRY.

FIRST OF ALL YOU MUST REALIZE THAT JUST AS YOU HESITATE AT SOME OF THE SORTS OF TREATMENT THAT ARE GIVEN AMERICAN NEGROES, JUST SO THERE WERE FROM THE BEGINNING PEOPLE WHO HESITATED AT THE IMPORTATION AND USE OF NEGRO LABOR IN THE UNITED STATES. AND FOR THAT REASON THEY TURNED TO A NUMBER OF EXCUSES, SOME OF WHICH ARE QUITE FORGOTTEN. FOR INSTANCE, IN THE BEGINNING OF THE SLAVE TRADE WHICH THE ENGLISH PARTICULARLY PUSHED ACROSS THE ATLANTIC BECAUSE THEY WERE VIRTUALLY MASTERS OF THE SEA, THERE WAS A FEELING THAT IT WAS NOT ALTOGETHER AN EXHIBITION OF THE HIGHEST FORM OF CHRISTIANITY TO SEIZE BY DECEIT OR FORCE A BLACK FAMILY IN WEST AFRICA AND TAKE IT TO THE ISLAND OF JAMAICA AND PUT IT TO WORK. BUT THERE WERE PERSONS WHO POINTED OUT THAT AFTER ALL, THIS MIGHT BE A VERY GREAT SERVICE TO THE WORLD, IN THAT PEOPLE WHO WERE HEATHEN WERE BROUGHT INTO A SITUATION

36-9-145

WHERE THEY HAD AN OPPORTUNITY TO BECOME CHRISTIANS, AND THAT THE REAL THOUGHT BEHIND SLAVERY WAS CONVERTING THE HEATHEN TO CHRISTIANITY. CHURCHMEN, MISSIONARIES, AND LEGISLATORS TURNED RATHER EAGERLY TO THIS EXCUSE FOR SLAVERY, FORGETTING MEANTIME THAT THIS EXCUSE WAS NOT REAL, THAT THE SLAVES WERE WANTED FOR WORK, BUT THAT IF THE OBTAINING OF LABOR WAS FORTUNATELY CROWNED WITH THE TRANSFER OF THE SOULS OF THE LABORERS, SO MUCH THE BETTER. HOWEVER, WHEN GREAT ORGANIZATIONS, SUCH AS THE ENGLISH SOCIETY FOR THE PROPAGATION OF THE GOSPEL AND SOME OF THE BROTHERHOODS, HEADS OF THE CATHOLIC CHURCH, AND MISSIONARIES FROM THE NEW METHODIST AND BAPTIST SECTS, TOOK THIS EXCUSE LITERALLY AND TRIED TO ARGUE THAT SLAVERY BEING FOR THE CONVERSION OF THE HEATHEN, AS SOON AS THE HEATHEN SLAVE WAS CONVERTED HE SHOULD BE SET FREE, THAT WAS GOING TOO FAR, BECAUSE IT MEANT THAT THE NEW LABORERS FOR THE LAND OF THE NEW WORLD WERE EITHER GOING TO RETURN HOME OR WORK FOR THEMSELVES. CERTAINLY THEY WERE NOT GOING TO BUILD UP THE SUGAR PLANTATIONS OR LATER THE COTTON PLATATIONS, SO THAT THIS EXCUSE FOR THE ENSLAVING BLACKS WAS QUIETLY IN THE LAPSE OF YEARS SET ASIDE, AND THERE CAME IN ITS PLACE A NEW EXCUSE,

BUT A NEW EXCUSE WHICH WAS CONTEMPORARY WITH A NEW EFFICIENCY OF BLACK LABOR. THE LABORERS HAD BEEN BROUGHT IN UNTIL THEY COVERED WHAT WE CALL THE WEST INDIES ISLANDS, A CONSIDERABLE PART OF SOUTH AMERICA, A LARGE PART OF CENTRAL AMERICA, AND FINALLY, A LARGE PART OF SOUTHERN UNITED STATES.

NOW IN THE WEST INDIES THEIR WORK WAS CONCENTRATED UPON SUGAR CANE, AND PRETTY SOON ISLANDS LIKE HAITI BEGAN TO POUR INTO EUROPE AN AMOUNT OF SWEETENING IN THE SHAPE OF SYRUP AND SUGAR SUCH AS EUROPE HAD NEVER KNOWN. NOT SIMPLY THE RICH, BUT THE MIDDLE CLASS AND EVEN SOME OF THE POOR COULD AFFORD SWEETENING FOR THEIR FOOD, AND THE DEMAND FOR IT WAS TREMENDOUS. THOSE WHO OWNED THE LABOR AND THE LAND IN THE WEST INDIES BECAME FABULOUSLY RICH. COUNTRIES LIKE FRANCE AND SPAIN WERE REGARDED WITH THE GREATEST ENVY, BECAUSE ALONG WITH THE SUGAR OTHER THINGS LIKE DYE STUFFS AND FIBERS WERE RAISED, AND THE SOURCE OF FUTURE WEALTH, SO FAR AS EUROPE OF THE 18TH CENTURY WAS CONCERNED, SEEMED TO LIE IN THE BLACK LABOR USED IN THE WEST INDIES

NATURALLY THERE WAS NO USE TALKING TO THE MEN WHO OWNED THIS LAND AND LABOR

36-9-146

ABOUT CONVERTING THE HEATHEN. NO MATTER HOW LOUDLY THE HEATHENS MIGHT EMBRACE RELIGION, THEY STILL HAD TO REMAIN SLAVES, OTHERWISE THE ECONOMIC ORGANIZATION OF THE WORLD WOULD BE OVERTHROWN, AND AS I HAVE EMPHASIZED BEFORE, IT IS THIS ECONOMIC ORGANIZATION THAT IS FUNDAMENTAL SO LONG AS MEN SPEND MOST OF THEIR TIME IN MAKING A LIVING.

BUT IT IS CHARACTERISTIC OF HUMAN BEINGS THAT THEY MUST EXCUSE THEIR ACTIONS. THEY MUST TRY TO FIND ETHICAL SANCTIONS FOR WHAT THEY WANT TO DO. FROM ONE POINT OF VIEW THIS IS COMMENDABLE BECAUSE IT SHOWS THAT MOST HUMAN BEINGS DO NOT WANT DELIBERATELY TO DO WRONG AND BRING HARM UPON OTHERS. ON THE OTHER HAND IT IS PERHAPS SOMEWHAT TOO EASY TO FIND EXCUSES FOR WHAT YOU WANT TO DO, AND THIS CERTAINLY WAS TRUE IN THE LATTER PART OF THE 18TH AND EARLY 19TH CENTURIES WITH REGARD TO SLAVERY IN THE UNITED STATES.

ABOUT THE TIME THAT THE FOUNDING FATHERS OF THIS NATION WERE SITTING IN PHILADELPHIA PLANNING REVOLUTION AND A FREE COUNTRY, A FEW PERSONS FRANKLY REMINDED THEM THAT IF THEY GLANCED OUT THE WINDOW EVERY FIFTH PERSON THEY SAW WAS A SLAVE, AND THAT

THIS DID NOT COMPORT SO WELL WITH THEIR LOFTY AIMS. SO FIRST THEY CUT OUT THE DECLARATION OF INDEPENDENCE SOME HARSH WORDS AGAINST THE KING OF ENGLAND FOR SENDING SLAVES, AND THEN ADMITTED SLAVERY MUST EVENTUALLY GO, BUT NOT IMMEDIATELY IN THE PRESENT STATE OF THE LABOR MARKET. AND THEN SOME WHISPERED: "STOP THE SLAVE TRADE; THE NEGROES ALREADY HERE BEING SICKLY WILL SOON DIE OUT AND THUS SLAVERY WILL DISAPPEAR." THE DIFFICULTY WAS THAT THE NEGROES DID NOT DIE OUT BUT BECAME INCREASINGLY VALUABLE IN RAISING COTTON IN THE FERTILE SOUTHWEST.

36-9-147

THE ROLE OF NEGROES AS SLAVES WAS SHOWN IN LITTLE WAYS AND COMPARATIVELY UNIMPORTANT. MEN STOPPED USING THE CAPITAL LETTER WHEN THEY TALKED ABOUT NEGROES. THEY STOPPED INVITING NEGROES TO JOIN CERTAIN SOCIAL ORGANIZATIONS LIKE CHURCHES AND SCHOOLS, BECAUSE THEY SAID "WE ARE DEALING HERE NOT WITH ORDINARY HUMAN BEINGS IN THE SAME SENSE THAT ENGLISHMEN, FRENCHMEN, AND DUTCHMEN ARE HUMAN BEINGS." "AS A MATTER OF FACT," MEN BEGAN TO SAY, "THERE ARE, AS WE ALL ARE AWARE, DIFFERENT KINDS OF HUMAN BEINGS, AND THESE DIFFERENCES ARE NOT ONLY INDIVIDUAL BUT RACIAL. THEY APPLY TO GROUPS IN THE WORLD. IF

YOU LOOK CAREFULLY YOU WILL FIND SOME GROUPS WHO ARE NATURALLY INTELLIGENT AND HEALTHY AND MORAL, AND YOU WILL FIND OTHER GROUPS WHO TEND TO SINK DOWN TOWARDS DISEASE, IGNORANCE AND IMMORALITY. NOW THIS IS UNFORTUNATE, NEVERTHELESS IT IS TRUE, AND THERE IS NO USE DENYING IT." AND ALSO, LATER, MEN SAID, "THE LOWER RACES AND DREGS OF MANKIND OUGHT TO BE MADE USEFUL BY THE SERVICE WHICH THEY RENDER VOLUNTARILY OR UNDER COMPULSION FOR THE WELL BEING OF THE MASTERS OF MEN". SO THAT THE ROLE OF THE ARISTOCRACY OF EUROPE OVER THE SERFS, JUST AS IT WAS DISAPPEARING, WAS VERY EASILY TRANSLATED INTO THE ROLE OF WHITE AMERICANS OVER BLACK AMERICANS AND MANY PERSONS WENT SO FAR AS TO POINT OUT WHERE SLAVERY AS BEING ONE OF THE MOST BENEFICENT OF MODERN ECONOMIC INSTRUMENTS.

CURIOUSLY ENOUGH THIS CAME TO BE A WIDELY ACCEPTED PHILOSOPHY OF THE SLAVE SYSTEM AT JUST ABOUT THE TIME, SAY 1820, WHEN THE COTTON KINGDOM BECAME A VERY PROFITABLE FIELD OF INDUSTRY, BOTH FOR RAISING FIBRE AND WEAVING AND SELLING CLOTH. THE COTTON KINGDOM, LIKE SO MANY ECONOMIC EXPEDIENTS, HAD RISEN AS MEN BEGAN TO NOTICE AND USE THE VEGETABLE FIBER OF THE COTTON PLANT; AND THEN WHEN THEY FOUND WAYS OF EASILY SEPARATING

THE FIBER FROM THE SEED, AND IN ADDITION TO THAT FOUND MORE AND MORE CUNNING WAYS OF TWISTING THIS FIBER INTO THREAD AND WEAVING IT INTO CLOTH. THE SPREAD OF THE USE OF COTTON CLOTH IS ONE OF THE GREAT PHENOMENA OF MODERN CIVILIZATION. THE WORLD TURNED FROM BEING CLOTHED IN SILK AND WOOL AND CONSEQUENTLY FOR THE MOST PART IN RAGS, TO CLOTHING THEMSELVES IN COTTON CLOTH. THAT MEANT THAT AT THE VERY TIME WHEN THE SUPREMACY OF SUGAR RAISING WAS GREATEST IN THE WORLD AND ITS SPREAD TO NEW FIELDS WAS TENDING TO UNDERMINE SOME OF THE OLDER SLAVE PLANTATIONS, THAT A NEW ECONOMIC ORGANIZATION DEPENDING UPON BLACK SLAVE LABOR BEGAN TO RISE IN SOUTHERN UNITED STATES.

AS I POINTED OUT, AT THE SAME TIME AND QUITE NATURALLY THERE AROSE THE EXCUSE FOR IT. SLAVERY IN THE SOUTH WAS A METHOD OF GETTING THE BEST SERVICE OUT OF MANKIND ACCORDING TO THEIR GIFTS. HERE AGAIN, HOWEVER, THERE WERE THOSE WHO FELT THE PINCH AND REPRESSION OF THIS ECONOMIC PHILOSPHY. THERE WERE AND HAD BEEN FROM EARLY DAYS BLACK MEN OF ABILITY AND NOTE IN THE WORLD. THE LITERATURE OF THE MIDDLE AGES IS FILLED WITH STORIES OF THEIR PROWESS. THE BLACK CIVILIZATION IN THE SUDAN WAS FOR A TIME QUITE

36-9-148

EQUAL TO THAT OF EUROPE, AND MUTUAL INFORMATION AND VISITS WERE WIDELY ENTERTAINED. THE PHENOMENA OF THE SLAVE TRADE WAS NOT A MATTER OF SUPERIOR AND INFERIOR BREEDS OF MEN. IT WAS A MATTER OF THE ECONOMIC CONDITION AMONG CERTAIN GROUPS OF MEN AND WAS NOT IN THE BEGINNING CONFINED TO ANY ONE RACE.

BUT WHILE THE SERFS OF EUROPE CAME TO BE PROTECTED BY ORGANIZED RELIGION, THE MILITARY STATE, AND THE POLITICAL REVOLUTION, IN THE LATTER PART OF THE 18TH CENTURY IT WAS STILL NOT IMPOSSIBLE TO SEIZE AND TRANSPORT WHITE LABOR TO AMERICA. NEVERTHELESS BLACK LABOR IN AFRICA WAS CHEAPER. SO BLACK AND WHITE SERFDOM IN AMERICA SOON BECAME BLACK SLAVERY. ON THIS THE SUGAR AND COTTON INDUSTRY FLOURISHED UNTIL IN THE 19TH CENTURY YOU HAD A PHILOSOPHY OF RACE DIFFERENCES UPON WHICH THE SLAVE SYSTEM WAS FOUNDED.

THIS BECAME WHAT WAS PROBABLY THE MOST DIFFICULT SET OF SOCIAL PROBLEMS WITH WHICH AMERICA HAS BEEN FACED. THERE WAS FIERCE BELIEF AND DISBELIEF, SO THAT THE HISTORY OF THE UNITED STATES FROM 1850 TO 1880 WAS THE HISTORY OF THE ATTITUDE OF THIS PEOPLE

TOWARD BLACK FOLK AND THEIR FUTURE, WITH INCREASING WEALTH DEPENDENT ON CONTINUED SLAVERY. THE FEELING BECAME SO FIERCE THAT IT LED TO CIVIL STRIFE. THE NATION SAW BROTHERS MURDER BROTHERS, AND RELIGIOUS SECTS HATE EACH OTHER. THERE WAS, AS THE WORLD HAS SO OFTEN SEEN, THAT TERRIBLE HARVEST OF BLOOD, DEATH AND SUFFERING CALLED WAR.

THE FIGHTING, OF COURSE, IN ITSELF SETTLED NOTHING. THE SAME BLACK FOLK, THE SAME WHITE FOLK, WERE THERE AFTERWARD, SAVE THE DEAD. THE SAME PEOPLE HAD TO COOPERATE IN PRODUCTION AND CONSUMPTION. BUT IN LOOKING FORWARD TO A LIVABLE FUTURE CERTAIN PEOPLE FACED WHAT SEEMED TO THEM AN ABSOLUTELY IMPOSSIBLE SITUATION. THE SOUTHERNER BEING BROUGHT UP TO BELIEVE THAT THE NEGRO WAS NOT ENTIRELY HUMAN COULD NOT CONCEIVE OF A FUTURE IN WHICH HE WAS TREATED AS HUMAN. THE NORTHERNER BROUGHT UP TO LOOK UPON THE NEGRO AS A PROFITABLE INSTRUMENT FOR THE MAKING OF WEALTH WAS NOT DISPOSED TO THINK OF HIM AS HAVING A VOICE IN GOVERNMENT; AND THE NEGRO HAVING WON HIS RIGHT TO FREEDOM WAS DISPOSED TO USE IT AFTER HE HAD WON IT.

36-9-149

THIS PART OF THE HISTORY OF THE UNITED STATES IS APT TO BE FORGOTTEN. SOME OF

YOU MUST BE PUZZLED AT STORIES OF THE CIVIL WAR. THERE IS, FOR INSTANCE, NO DOUBT BUT THAT THE SOUTHERN WHITES OUTFOUGHT THE NORTHERN WHITES, NOT BY INHERENT FACILITY IN FIGHTING, BUT SIMPLY BECAUSE MORE OF THEM WERE TRAINED AS SOLDIERS AND WERE MORE USED TO PHYSICAL FORCE IN PUBLIC AFFAIRS. THE SOUTHERN WHITES OUTFOUGHT THE NORTHERNERS BECAUSE THE NORTHERNERS DID NOT WANT TO FIGHT AND HAD NOT BEEN TRAINED TO FIGHT. THEY WERE MOSTLY WORKERS. ON THE OTHER HAND THERE WAS A PECULIAR SITUATION IN THE SOUTH. BLACK WORKERS WERE SUPPORTING WHITE SOLDIERS. EVERYONE KNEW THAT THE MOMENT THEY STOPPED SUPPORTING THE WHITE SOLDIERS THE SOUTHERN ARMIES WOULD HAVE TO STOP FIGHTING BECAUSE THEY WOULD HAVE NOTHING TO EAT. BUT THE SOUTH HAD LONG BEEN PERSUADED THAT NEGROES COULD NOT FIGHT, THAT THEY WERE HAPPIER AS SLAVES THAN THEY COULD BE AS FREEMEN, AND THAT THEY WOULD CONTINUE TO SUPPORT THE SOLDIERS THAT WERE FIGHTING FOR THEIR SLAVERY. THIS PROVED NOT TO BE TRUE. AT THE FIRST APPEARANCE OF THE NORTHERN SOLDIERS THE SOUTHERN SLAVES RAN AWAY WHENEVER THEY COULD INTO THE UNION LINES. AT FIRST THE NORTH TRIED TO RETURN THE

RUNAWAY SLAVES, AND THEN THEY COMPLAINED THAT THEY DID NOT KNOW WHAT TO DO WITH THEM: THEN FINALLY TO THEIR OWN SURPRISE, THEY PUT ARMS IN THE HANDS OF THE NEGROES AND 200,000 OF THEM IN THE SECOND YEAR OF THE WAR BECAME SOLDIERS FIGHTING AGAINST SLAVERY, AND 300,000 BECAME LABORERS HELPING UNION ARMIES.

NOR WAS THAT ALL. IT WAS SIMPLY A MATTER OF TIME WHEN THE NORTHERN ARMIES WOULD HAVE MORE BLACK SOLDIERS. THEY COULD ENLIST A MILLION BLACKS AND THESE NEGROES WOULD FIGHT, AS THEY DID. THAT IS WHY A BLACK REGIMENT LED THE UNION ARMY INTO RICHMOND: IT WAS THEN THAT THE CIVIL WAR ENDED. THERE WAS ONLY ONE POSSIBLE END TO THE WAR AND THAT WAS FREEING OF THE SLAVES. FOR A BRIEF MOMENT THE SOUTH ITSELF TRIED TO SEE IF THEY COULD NOT GET THEIR SLAVES TO FIGHT FOR THEIR OWN SLAVERY, BUT THIS THOUGHT WAS NONSENSE EVEN FROM THE BEGINNING. LEE, WHOSE OWN IDEA THIS WAS, GAVE UP THE IDEA AND SURRENDERED.

NOW CAME THE REAL DIFFICULTY. WHAT WAS TO BE DONE WITH THESE FREED

36-9-150

MEN? [illegible] THERE WAS BUT ONE THING TO DO AND THAT WAS TO INCORPORATE THE FREED MEN INTO THE BODY POLITIC, GIVE THEM THE VOTE, AND REORGANIZE THE NATION ON A BASIS OF REAL DEMOCRACY SUCH AS THE FOUNDING FATHERS CONTEMPLATED. FOR THIS, OF COURSE, FREE LAND AND EDUCATION WAS INDISPENSABLE. BUT THE FORMER SLAVE HOLDERS AND THE NON-

SLAVE HOLDERS WHO HAD BEEN TAUGHT BY THE SLAVE PHILOSOPHY WERE ABSOLUTELY CERTAIN THAT NO SUCH DEMOCRACY COULD ARISE OR CONTINUE TO EXIST. THEY WERE NOT GOING TO ARGUE ABOUT IT. ON THE VERY FACE OF IT IT WAS IMPOSSIBLE. NOT ONLY WERE THEY PERSUADED BUT THE MAJORITY OF THE WHITE PEOPLE IN THE UNITED STATES REALLY AGREED WITH THEM. THEY HAD NO IDEA WHEN THEY BEGAN THE CIVIL WAR THAT THE END OF IT WAS GOING TO BE EMANCIPATION. SO IT WAS NOT DIFFICULT IN THE FACE OF THE FACT THAT MOST NEGROES WERE STILL POOR, IGNORANT AND SICK, TO PERSUADE THE RICH INDUSTRIAL NORTH AND THE CONQUERED IMPOVERISHED SOUTH TO COME TOGETHER IN AN UNDERSTANDING, AND THAT UNDERSTANDING WAS THAT IN SPITE OF THE LETTER OF THE CONSTITUTION OF THE UNITED STATES AS NEWLY WRITTEN, NEGROES WERE TO BE DISFRANCHISED AND KEPT ON WORK UNDER THE COLOR CASTE SYSTEM, WHILE THERE WAS TO BE AN ATTEMPT TO ORGANIZE DEMOCRACY AMONG THE WHITE VOTERS.

IT WAS JUST THERE OF COURSE THAT THE MORAL DAMAGE WAS DONE TO THE UNITED STATES, WHICH WE FIND PERSISTING UNTO THIS DAY. THE CHEATING AND STEALING AND MISREPRESENTATION

36-9-151

WHICH IS NOW GOING ON IN THIS COUNTRY BEGAN IN THE DAYS OF RECONSTRUCTION WHEN THE NATION NORTH AND SOUTH TRIED TO CHEAT THE NEGRO OUT OF HIS LEGAL VOTE, TO DEPRIVE HIM OF A DECENT INCOME, AND TO GIVE HIM AS SMALL A SURPLUS AS POSSIBLE TO SPEND FOR EDUCATION AND HEALTH. IT WAS A NATION-WIDE EFFORT WHICH MEANT MORAL DISASTER.

IT HAS BEEN THE ORGANIZATION OF NEGROES WITHIN THEIR OWN RANKS WHICH HAS ON THE OTHER HAND DONE MOST TO RESTORE THE CONCEPT OF DEMOCRACY TO THE UNITED STATES. IT HAS NOT YET SUCCEEDED BECAUSE CURIOUSLY ENOUGH WITH ALL OF WHAT WE ARE SAYING THE AVERAGE WHITE AMERICAN DOES NOT QUITE BELIEVE IN DEMOCRACY. HE DOES NOT BELIEVE IN LETTING THE MASS OF THE PEOPLE OF THE UNITED STATES DECIDE AS TO JUST WHAT THE GOVERNMENT SHOULD DO AND WHO SHOULD BE CHOSEN TO CARRY OUT THE WILL OF THE PEOPLE.

36-9-152

IN THIS ELECTION WHICH IS PENDING, WE ARE HAMPERED IN THE FIRST PLACE BY THE VERY FACT THAT OUR CONSTITUTION DOES NOT PERMIT A DIRECT CHOICE OF THE PRESIDENT WITH HIS TREMENDOUS POWER. THIS PROVISO WENT INTO THE CONSTITUTION IN THE DAYS OF SLAVERY AND WAS AN EXPRESSION OF THE DISTRUST WHICH THE RICH HAD FOR THE POOR. WHEN IN THE REIGN

OF ANDREW JACKSON THIS ARISTOCRACY OF PROPERTY WAS PARTLY OVERTHROWN, IN ITS PLACE CAME THE ARISTOCRACY OF THE SLAVE OWNER WHO NOT ONLY HAD A MONOPOLY OF RICH LAND IN THE SOUTH BUT ALSO AN UNUSUAL AMOUNT OF POLITICAL POWER BASED ON THE VERY SLAVES WHICH HE OWNED.

IN OUR DAY, THEREFORE, WE HAVE DIFFICULTY NOT ONLY IN SELECTING REPRESENTATIVES WHO SPEAK FOR US, BUT IN GETTING AN OPPORTUNITY TO VOTE FOR THE POLICIES WHICH WE WANT, BECAUSE THESE POLICIES ARE DICTATED BY THE GREAT INDUSTRIAL ORGANIZATION WHICH DIRECTS THE POLICIES OF THE NATION. AND THEY DIRECT THESE POLICIES AGAIN BECAUSE OUR ATTENTION IS NOT TURNED TOWARD THE MATTER OF WORK AND WAGE AND INCOME. IT IS TURNED, PARTICULARLY TODAY, TO AN ENTIRELY EXTRANEOUS MATTER, AND THAT IS THE METHOD IN WHICH A VAST AND GROWING COUNTRY OVER SEAS IS ADOPTING IN ORDER TO CARRY ON ITS GOVERNMENT AND ITS IDEALS OF WORK AND WEALTH. IT MAY WELL BE THAT YONDER COUNTRY IS WRONG AND WE ARE RIGHT, BUT THAT IS ABSOLUTELY NO EXCUSE FOR US NOT TO BE ATTENDING TO OUR BUSINESS AT LEAST LONG ENOUGH TO DEVELOP HERE THAT IDEAL OF DEMOCRATIC GOVERNMENT UPON WHICH THE UNITED STATES ONCE TRIED TO FOUND ITSELF. THAT WE ARE NOT DOING. WE, ON THE CONTRARY, ARE SPENDING THE

LARGEST PART OF OUR INCOME, THAT IS, OF THE RESULT OF OUR WORK AND SACRIFICE, FOR DESTRUCTION, INSTEAD OF BUILDING AND DEVELOPING FOR SATISFYING THE WANTS OF OURPEOPLE.

WHAT IS IT, FOR INSTANCE, THAT WE NEED TODAY? ABOVE ALL WE NEED TO EDUCATE OUR PEOPLE SO THAT ASPECTS OF THE TRUTH SUCH AS I HAVE BEEN TRYING TO PUT BEFORE YOU COULD BE COMMONLY LAID BEFORE THE MASS OF YOUNG AMERICANS, SO THAT THEY COME TO KNOW WHAT HAS TAKEN PLACE IN THE PAST AND WHAT MISTAKES HAVE BEEN MADE. BUT IN ADDITION TO THAT, THEY SHOULD HAVE A VERY CLEAR CONCEPTION THAT WORK AND EFFORT ARE FOR THE SATISFACTION OF THE WANTS OF MEN, NOT MERELY FOR SATISFYING THE WANTS OF A FEW MEN OR A CERTAIN RACE, BUT OF ALL MEN, WOMEN AND CHILDREN, BECAUSE THEY ARE JOINT INHERITORS OF THE BOUNTY OF NATURE; AND THAT IF THE RESULT OF THE INDUSTRY OF A COUNTRY IS TO MAKE A FEW MEN RICH AND MOST MEN POOR, THERE IS SOMETHING WRONG ABOUT THAT ORGANIZATION AND IT OUGHT TO BE CHANGED. AND THAT INSOFAR AS ONE SET OF PROBLEMS SUCH AS THE NEGRO PROBLEM IS ALLOWED TO DIVERT ATTENTION AND BECOME A PUZZLING AND INSOLUBLE PROBLEM OF HUMAN ACTION, WHEN AS A MATTER OF FACT IT IS OF MUCH LESS IMPORTANCE THAN THE GREATER QUESTIONS

36-9-153

OF WORK AND WAGE, THEN WE ARE ALLOWING OURSELVES TODAY TO BE FOOLED, JUST AS PEOPLE DID IN THE PAST WHEN THEY THOUGHT THAT SELLING BLACK SLAVES WAS WORKING FOR THE GLORY OF GOD!

"I COME."// SO DOWN AND UP AND ON/THEY MOUNTED,// -- THE BLACK BEGGAR MAN/AND HIS CAVALCADE/OF DEATH AND PAIN,/ AND THEN A SPACE;/AND THEN A LONE,/ BLACK HOUND,/ RED-EYED, THAT NOSED/AND WHIMPERED AS HE RAN//AND THEN A SPACE; AND THEN/THE KING OF YONDER KINGDOM/ IN HIS CROWN AND ROBES/AND HIS SHINING SWORD/ AND THEN A SPACE;/AND LAST THE PRINCESS OF THE HITHER ISLES/ WITH FACE SET SUNWARD/AND LOVELIGHT IN HER EYES.

4-6-43

AND SO THEY MARCHED AND STRUGGLED ON/AND UP/THROUGH ENDLESS YEARS AND SPACES/ AND EVER/THE BLACK BEGGAR/LOOKED BACK/PAST DEATH AND PAIN/TOWARD THE MAID//AND EVER THE MAID/STROVE FORWARD WITH LOVELIT EYES.// BUT EVER/THE GREAT AND SILKEN SHOULDERS/OF THE KING OF YONDER KINGDOM/AROSE BETWEEN THE PRINCESS/AND THE SUN/LIKE A CLOUD OF

STORMS.

NOW, FINALLY, THEY NEARED UNTO THE HILLSIDE'S TOPMOST SHOULDER AND THERE MOST EAGERLY THE KING BENT TO THE BOWELS OF THE EARTH AND BARED ITS GOLDEN ENTRAILS, -- ALL GREEN AND GRAY AND RUSTED // - WHILE THE PRINCESS STRAINED PITIFUL EYES ALOFT TO WHERE THE BEGGAR, SET 'TWIXT DEATH AND PAIN, WHIRLED HIS CROOKED BACK AGAINST THE GLORY OF THE SETTING SUN // AND STOOD SOMBER IN GRAVE MAJESTY, ENHALOED AND TRANSFIGURED, OUTSTRETCHING HIS LONG ARMS. // AND AROUND ALL HEAVEN GLITTERED JEWELS IN A CLOTH OF GOLD, FOR HIS BLACK FACE WAS THE SUN ITSELF.

A WHILE THE PRINCESS STOOD AND MOANED IN MAD AMAZE, THEN WITH ONE WILFUL WRENCH SHE BARED HER BREAST AND SNATCHING FORTH HER OWN RED HEART HELD IT WITH ONE HAND ALOFT WHILE WITH THE OTHER SHE GATHERED CLOSE HER ROBE AND POISED HERSELF.

THE KING OF YONDER KINGDOM LOOKED UPWARD QUICKLY, CURIOUSLY, STILL FINGERING THE EARTH, AND SAW THE OFFER OF HER BLEEDING HEART.

"IT'S A NEGRO!" HE GROWLED DARKLY; "It MAY NOT BE."

4-6-45

THE WOMAN QUIVERED.

"IT'S A NIGGER!" HE REPEATED FIERCELY. "IT'S NEITHER GOD NOR MAN, BUT A NIGGER!"

THE PRINCESS STEPPED FORWARD.

THE KING GRIPPED HIS SWORD AND LOOKED NORTH AND EAST // HE RAISED HIS SWORD AND LOOKED SOUTH AND WEST.

"I SEEK THE SUN," THE PRINCESS SANG, AND STARTED INTO THE WEST.

"NEVER!" CRIED THE KING OF YONDER KINGDOM. "FOR SUCH WERE BLASPHEMY AND DEFILEMENT AND THE MAKING OF ALL EVIL."

SO, RAISING HIS GREAT SWORD HE STRUCK WITH ALL HIS MIGHT, AND MORE // DOWN HISSED THE BLOW AND BIT THAT LITTLE, HEART-HOLDING HAND UNTIL IT FLEW ARMLESS AND DISBODIED UP THROUGH THE SUNLIT AIR. // DOWN HISSED THE BLOW AND CLOVE THE WHIMPERING HOUND UNTIL HIS LAST SHRIEK SHOOK THE STARS. // DOWN HISSED THE BLOW AND IT RENT

4-6-45

THE EARTH.// THE EARTH SHUDDERED,/ FELL APART,/ AND YAWNED TO A CHASM/SPLITTING EARTH FROM HEAVEN,/ LEAVING A HOLE DEEP AS HELL,/ AND EMPTY, COLD, AND SILENT.

ON YONDER DISTANT SHORE/BLAZED THE EMPIRE OF THE SUN/ WARM IN BLISSFUL RADIANCE.// WHILE ON THIS SIDE,/ IN SHADOWS COLD AND DARK/ GLOOMED THE HILL THAT ONCE WAS GOLDEN,/ BUT NOW WAS GREEN AND SLIMY DROSS.// ALL BELOW/AROUND IT/HOWLS THE SAD AND MOANING SEA.// WHILE BETWEEN THE HERE AND THERE/FLEW THE SEVERED HAND/AND DRIPPED THE BLEEDING HEART.// AND DRIPPED THE HANDLESS ARM.

THEN UP FROM THE SOUL/OF THE PRINCESS/WELLED A CRY OF BLANK DESPAIR,/ -- SUCH A CRY/AS ONLY BABE-RAPED/MOTHERS KNOW/AND MURDERED LOVES.// POISED ON THE CRUMBLING EDGE OF THAT GREAT NOTHINGNESS/THE PRINCESS HUNG,/ HUNGERING WITH HER EYES/AND STRAINING WITH FAINTING EARS/AGAINST THE AWFUL SPLENDOR/OF THE SKY.

OUT FROM THE SLIME AND SHADOWS/GROPED THE KING,/ THUNDERING:// "BACK -- DON'T BE A FOOL!"

BUT DOWN THROUGH THE THIN ETHER/THRILLED THE THROBBING WARMTH/OF

46-9-44

HEAVEN'S SUN,/ WHISPERING "LEAP!"// CRYING " LEAP!"// PLEADING "LEAP!"

AND THE PRINCESS LEAPT.

HER SOUL WAS BEAUTIFUL, WHEREFORE SHE KEPT IT VEILED IN TIGHTLY-LACED HUMILITY AND FEAR, OUT OF WHICH PEERED ANXIOUSLY AND ANON THE WHITE AND BLUE AND PALE-GOLD OF HER FACE, -- BEAUTIFUL AS DAYBREAK OR AS THE LAUGHING OF A CHILD. SHE SAT IN THE HITHER ISLES, WELL WALLED BETWEEN THE THIS AND NOW, UPON A LOW AND SILVER THRONE, AND LEANED UPON ITS ARMPOSTS, SADLY LOOKING UPWARD TOWARD THE SUN. NOW THE HITHER ISLES ARE FLAT AND COLD AND SWAMPY, WITH DREAR-DRAB LIGHT AND ALL MANNER OF SLIMY, CREEPING THINGS, AND PILES OF DIRT AND CLOUDS OF FLYING DUST AND SORDID SCRAPING AND FEEDING AND NOISE.

SHE HATED THEM AND EVER AS HER HANDS AND BUSY FEET SWEPT BACK THE DUST AND SLIME HER SOUL SAT SILVER-THRONED, STARING TOWARD THE GREAT HILL TO THE WESTWARD, WHICH SHONE SO BRILLIANT-GOLDEN BENEATH THE SUNLIGHT AND ABOVE THE SEA.

THE SEA MOANED AND WITH IT MOANED THE PRINCESS' SOUL, FOR SHE WAS LONELY, -- VERY, VERY LONELY, AND FULL WEARY OF THE MONOTONE OF LIFE. SO SHE WAS GLAD TO SEE A MOVING IN YONDER KINGDOM ON THE MOUNTAINSIDE, WHERE THE SUN SHONE WARM, AND WHEN THE KING OF YONDER KINGDOM, SILKEN IN ROBE AND GOLDEN-CROWNED AND WARDED BY HIS HOUND,

WALKED DOWN ALONG THE RESTLESS WATERS AND SAT BESIDE THE ARMPOST OF HER THRONE, SHE WONDERED WHY SHE COULD NOT LOVE HIM AND FLY WITH HIM UP THE SHINING MOUNTAIN'S SIDE, OUT OF THE DIRT AND DUST THAT NESTED BETWEEN THE THIS AND NOW. SHE LOOKED AT HIM AND TRIED TO BE GLAD, FOR HE WAS BONNY AND GOOD TO LOOK UPON, THIS KING OF YONDER KINGDOM, -- TALL AND STRAIGHT, THIN-LIPPED AND WHITE AND TAWNY. SO, AGAIN, THIS LAST DAY, SHE STROVE TO BURN LIFE INTO HIS SINGULARLY SODDEN CLAY, -- TO PUT HIS ICY SOUL AFLAME WHEREWITH TO WARM HER OWN, TO SET HIS SENSES SINGING. VACANTLY HE HEARD HER WINGED WORDS, STARING AND CURLING HIS LONG MUSTACHES WITH VAST THOUGHTFULNESS. THEN HE SAID:

"WE'VE FOUND MORE GOLD IN YONDER KINGDOM."

"HELL SEIZE YOUR GOLD!" BLURTED THE PRINCESS.

"NO, --IT'S MINE," HE MAINTAINED STOLIDLY.

SHE RAISED HER EYES. "IT BELONGS," SHE SAID, "TO THE EMPIRE OF THE SUN."

"NAY, -- THE SUN BELONGS TO US," SAID THE KING CALMLY AS HE GLANCED TO

WHERE YONDER KINGDOM BLUSHED ABOVE THE SEA. SHE GLANCED, TOO, AND A SOFTNESS CREPT INTO HER EYES.

"NO, NO," SHE MURMURED AS WITH HESITATING PAUSE SHE RAISED HER EYES ABOVE THE SEA, ABOVE THE HILL, UP INTO THE SKY WHERE THE SUN HUNG SILENT AND SPLENDID. ITS ROBES WERE HEAVEN'S BLUE, LINED AND BROIDERED IN LIVING FLAME, AND ITS CROWN WAS ONE VAST JEWEL, GLISTENING IN GLITTERING GLORY THAT MADE THE SUN'S OWN FACE A BLACKNESS,-- THE BLACKNESS OF UTTER LIGHT. WITH BLINDED, TEAR-FILLED EYES SHE PEERED INTO THAT FIRMLESS BLACK AND BURNING FACE AND SENSED IN ITS SOFT, SAD GLEAM UNFATHOMED UNDERSTANDING. WITH SUDDEN, WILD ABANDON SHE STRETCHED HER ARMS TOWARD IT APPEALING, BESEECHING, ENTREATING, AND LO!

"NIGGERS AND DAGOES," SAID THE KING OF YONDER KINGDOM, GLANCING CARELESSLY BACKWARD AND LIGHTING IN HIS LIPS A CAREFULLY ROLLED WISP OF FRAGRANT TOBACCO. SHE LOOKED BACK, TOO, BUT IN HALF-WONDERING TERROR, FOR IT SEEMED --

A BEGGAR MAN WAS CREEPING ACROSS THE SWAMP, SHUFFLING THROUGH THE DIRT AND

36-9-118

SLIME. HE WAS LITTLE AND BALD AND BLACK, ROUGH-CLOTHED, SODDEN WITH DIRT, AND BENT WITH TOIL. YET WITHAL SOMETHING SHE SENSED ABOUT HIM AND IT SEEMED, --

THE KING OF YONDER KINGDOM LOUNGED MORE COMFORTABLY BESIDE THE SILVER THRONE AND LET CURL A TINY TRAIL OF LIGHT-BLUE SMOKE.

"I HATE BEGGARS," HE SAID, "ESPECIALLY BROWN AND BLACK ONES." AND HE THEN POINTED AT THE BEGGAR'S RETINUE AND LAUGHED, -- AN UNPLEASANT LAUGH, WELDED OF CONTEMPT AND AMUSEMENT. THE PRINCESS LOOKED AND SHRANK ON HER THRONE. HE, THE BEGGAR MAN, WAS -- WAS WHAT? BUT HIS RETINUE, -- THAT SQUALID, SORDID, PARTI-COLORED BAND OF VACANT, DULL-FACED FILTH AND VICIOUSNESS-- WAS WRITHING OVER THE LAND, AND HE AND THEY SEEMED ALMOST CROUCHING UNDERNEATH THE SCORPION LASH OF ONE TALL SKELETON, THAT LOOKED LIKE DEATH, AND THE TWISTED WOMEN WHOM MEN CALLED PAIN. YET THEY ALL WALKED AS ONE.

THE KING OF YONDER KINGDOM LAUGHED, BUT THE PRINCESS SHRANK ON HER THRONE,

AND THE KING ON SEEING HER THUS TOOK A GOLD-PIECE FROM OUT OF HIS PURSE AND TOSSED IT CARELESSLY TO THE PASSING THRONG. SHE WATCHED IT WITH FASCINATED EYES, -- HOW IT ROSE AND SAILED AND WHIRLED AND STRUGGLED IN THE AIR, THEN SEEMED TO BURST, AND UPWARD FLEW ITS LIGHT AND SHEEN AND DOWNWARD DROPPED ITS DROSS. SHE GLANCED AT THE KING, BUT HE WAS LIGHTING A MATCH. SHE WATCHED THE DROSS WALLOW IN THE SLIME, BUT THE SUNLIGHT FELL ON THE BACK OF THE BEGGAR'S NECK, AND HE TURNED HIS HEAD.

THE BEGGAR PASSING AFAR TURNED HIS HEAD AND THE PRINCESS STRAIGHTENED ON HER THRONE; HE TURNED HIS HEAD AND SHE SHIVERED FORWARD ON HER SILVER SEAT; HE LOOKED UPON HER FULL AND SLOW AND SUDDENLY SHE SAW WITHIN THAT FORMLESS BLACK AND BURNING FACE THE SAME SOFT, GLAD GLEAM OF UTTER UNDERSTANDING, SEEN SO MANY TIMES BEFORE, SHE SAW THE SUFFERING OF ENDLESS YEARS AND ENDLESS LOVE THAT SOFTENED IT. SHE SAW THE BURNING PASSION OF THE SUN AND WITH IT THE COLD, UNBENDING DUTY-DEEDS OF UPPER AIR. ALL SHE HAD SEEN AND DREAMED OF SEEING IN THE RISING, BLAZING SUN SHE SAW NOW AGAIN AND WITH IT MYRIADS MORE OF HUMAN TENDERNESS, OF LONGING, AND OF LOVE. SO THEN, SHE KNEW.

36-9-119

SHE ROSE AS TO A DREAM COME TRUE, WITH SOLEMN FACE AND WAITING EYES.

WITH HER ROSE THE KING OF YONDER KINGDOM, ALMOST EAGERLY.

"YOU'LL COME?" HE CRIED. "YOU'LL COME AND SEE MY GOLD?" AND THEN IN SUDDEN GENEROSITY, HE ADDED: "YOU'LL HAVE A GOLDEN THRONE, --UP THERE-- WHEN WE MARRY."

SO DOWN AND UP AND ON THEY MOUNTED, -- THE BLACK BEGGAR MAN AND HIS CAVALCADE OF DEATH AND PAIN, AND THEN A SPACE; AND THEN A LONE, BLACK HOUND THAT NOSED AND WHIMPERED AS HE RAN, AND THEN A SPACE; AND THEN THE KING OF YONDER KINGDOM IN HIS ROBES, AND THEN A SPACE; AND LAST THE PRINCESS OF THE HITHER ISLES, WITH FACE SET SUNWARD AND LOVELIGHT IN HER EYES.

AND SO THEY MARCHED AND STRUGGLED ON AND UP THROUGH ENDLESS YEARS AND SPACES AND EVER THE BLACK BEGGAR LOOKED BACK PAST DEATH AND PAIN TOWARD THE MAID AND EVER THE MAID STROVE FORWARD WITH LOVELIT EYES, BUT EVER THE GREAT AND SILKEN SHOULDERS OF THE KING OF YONDER KINGDOM AROSE BETWEEN THE PRINCESS AND THE SUN LIKE A CLOUD OF

STORMS.

NOW, FINALLY, THEY NEARED UNTO THE HILLSIDE'S TOPMOST SHOULDER AND THERE MOST EAGERLY THE KING BENT TO THE BOWELS OF THE EARTH AND BARED ITS GOLDEN ENTRAILS, -- ALL GREEN AND GRAY AND RUSTED -- WHILE THE PRINCESS STRAINED HER PITIFUL EYES ALOFT TO WHERE THE BEGGAR, SET 'TWIXT DEATH AND PAIN, WHIRLED HIS SLIM BACK AGAINST THE GLORY OF THE SETTING SUN AND STOOD SOMBER IN HIS GRAVE MAJESTY, ENHALOED AND TRANSFIGURED, OUTSTRETCHING HIS LONG ARMS, AND AROUND ALL HEAVEN GLITTERED JEWELS IN A CLOTH OF GOLD.

A WHILE THE PRINCESS STOOD AND MOANED IN MADE AMAZE, THEN WITH ONE WILFUL WRENCH SHE BARED THE WHITE FLOWERS OF HER BREAST AND SNATCHING FORTH HER OWN RED HEART HELD IT WITH ONE HAND ALOFT WHILE WITH THE OTHER SHE GATHERED CLOSE HER ROBE AND POISED HERSELF.

36-9-120

THE KING OF YONDER KINGDOM LOOKED UPWARD QUICKLY, CURIOUSLY, STILL FINGERING THE EARTH, AND SAW THE OFFER OF HER BLEEDING HEART.

"IT'S A NEGRO!" HE GROWLED DARKLY; "IT MAY NOT BE."

THE WOMAN QUIVERED.

"IT'S A NIGGER!" HE REPEATED FIERCELY. "IT'S NEITHER GOD NOR MAN, BUT A NIGGER!"

THE PRINCESS STEPPED FORWARD.

THE KING GRASPED HIS SWORD AND LOOKED NORTH AND EAST; HE RAISED HIS SWORD AND LOOKED SOUTH AND WEST.

"I SEEK THE SUN," THE PRINCESS SANG, AND STARTED INTO THE WEST.

"NEVER!" CRIED THE KING OF YONDER KINGDOM, "FOR SUCH WERE BLASPHEMY AND DEFILEMENT AND THE MAKING OF ALL EVIL."

SO, RAISING HIS GREAT SWORD HE STRUCK WITH ALL HIS MIGHT, AND MORE. DOWN HISSED THE BLOW AND IT BIT THAT LITTLE, WHITE, HEART-HOLDING HAND UNTIL IT FLEW ARMLESS AND DISBODIED UP THROUGH THE SUNLIT AIR. DOWN HISSED THE BLOW AND IT CLOVE THE WHIMPERING HOUND UNTIL HIS LAST SHRIEK SHOOK THE STARS. DOWN HISSED THE BLOW AND IT RENT

THE EARTH. IT TREMBLED, FELL APART, AND YAWNED TO A CHASM WIDE AS EARTH FROM HEAVEN, DEEP AS HELL, AND EMPTY, COLD, AND SILENT.

ON YONDER DISTANT SHORE BLAZED THE MIGHTY EMPIRE OF THE SUN IN WARM AND BLISSFUL RADIANCE, WHILE ON THIS SIDE, IN SHADOWS COLD AND DARK, GLOOMED THE HITHER ISLES AND THE HILL THAT ONCE WAS GOLDEN, BUT NOW WAS GREEN AND SLIMY DROSS; ALL BELOW WAS THE SAD AND MOANING SEA, WHILE BETWEEN THE HERE AND THERE FLEW THE SEVERED HAND AND DRIPPED THE BLEEDING HEART.

THEN UP FROM THE SOUL OF THE PRINCESS WELLED A CRY OF DARK DESPAIR, -- SUCH A CRY AS ONLY BABE-RAPED MOTHERS KNOW AND MURDERED LOVES. POISED ON THE CRUMBLING EDGE OF THAT GREAT NOTHINGNESS THE PRINCESS HUNG, HUNGERING WITH HER EYES AND STRAINING HER FAINTING EARS AGAINST THE AWFUL SPLENDOR OF THE SKY.

36-9-121

OUT FROM THE SLIME AND SHADOWS GROPED THE KING, THUNDERING: "BACK-- DON'T BE A FOOL!"

BUT DOWN THROUGH THE THIN ETHER THRILLED THE STILL AND THROBBING WARMTH OF

HEAVEN'S SUN, WHISPERING "LEAP!"

AND THE PRINCESS LEAPT.

Progressive Party Convention
July 4, 1952

THE PLATFORM OF THE PROGRESSIVE PARTY MAY BE REDUCED TO THESE PLANKS:

PEACE

STOP THE KOREAN WAR

OFFER FRIENDSHIP TO THE SOVIET UNION AND THE PEOPLE'S REPUBLIC OF CHINA

RESTORE AND REBUILD THE UNITED STATES.

WAR IS A VICIOUS HUMAN HABIT, A THROW-BACK TO PRIMEVAL BARBARISM, AN ANACHRONISM WHICH SHAMES RELIGION AND RETARDS CIVILIZATION. BEFORE THIS CENTURY WAR MAY AT TIMES HAVE BEEN THE LESSER OF TWO EVILS. SINCE WORLD WARS HAVE COME AND THE ATOMIC AGE, THIS IS NO LONGER TRUE. WAR IS THE SUPREME DISASTER. THERE IS NOTHING WORSE.

46-9-49

WHAT DID WE GET FROM THE "WAR TO END WAR"? MORE WAR! WHAT DID WE GET FROM THE "WAR TO PRESERVE DEMOCRACY"? LESS DEMOCRACY. WHAT ARE WE GETTING FROM THIS "COLD WAR FOR FREEDOM"? LESS FREEDOM TO THINK AND MORE FREEDOM TO KILL.

WHAT WILL COME WHEN WAR IN KOREA BECOMES WAR AGAINST CHINA AND A THIRD WORLD WAR WITH JAPAN AND WEST GERMANY AS OUR ARMED ALLIES? THE END OF EUROPEAN CULTURE AND A LONG RETURN TO BARBARISM! PEACE, THEN! PEACE NOW!

THIS AMERICA OF OURS, HOPE OF OUR DREAMS, REFUGE OF MANKIND, TODAY APPEARS AS THE GREATEST WARMONGER OF ALL HISTORY. NEVER BEFORE IN THE ANNALS OF MANKIND HAS A NATION PLANNED DEATH AND DESTRUCTION ON THE SCALE NOW ENVISIONED BY THOSE WHO RULE THE UNITED STATES. WITH ONE BURST OF FLAME WE KILLED AT HIROSHIMA AND NAGASAKI 210,000 HUMAN BEINGS, AGED AND INFANTS; SICK AND HELPLESS; UNARMED AND UNWARNED; AN ATTACK AS HORRIBLE AS IT WAS NEEDLESS, A DEED WHICH CIVILIZATION WILL NEVER FORGET!

46-9-50

WHY IS THIS NATION/ THE MOST SECURE FROM FOREIGN ATTACK/OF ANY IN THE WORLD,/ BEING RUSHED TO WAR?// WHAT IS IT/THAT HAS LITERALLY SCARED US TO DEATH?/ NO FOREIGN FOE HAS TOUCHED OR THREATENED OUR SHORES;/NO NATION HAS PLANNED OUR DESTRUCTION./ OUR ECONOMY IS SOUND/UNLESS WE LET WAR UPSET IT;/OUR TECHNIQUE IS UNSURPASSED;/ OUR ABILITY AND TALENT HAVE ALL THE POSSIBILITIES/OF THE MOST FAVORED NATIONS OF MEN.// WHY THEN HAVE WE GONE/ COMPLETELY OUT OF OUR MINDS/AND EMBARKED ON A FANTASTIC PLAN/OF WORLD CONTROL/AT THE COST OF NATIONAL IMPOVERISHMENT,/MORAL RUIN/AND THE HATE OF MANKIND?

WE SEEK TO ASSURE OURSELVES/THAT OUR PRESENT HYSTERIA/IS CAUSED SOLELY BY THE DESIGNS OF THE UNION/OF SOVIET SOCIALIST REPUBLICS.// A NATION SEPARATED FROM US/BY THE WIDTH OF THE WORLD,/ WHICH HAS NEVER ATTACKED US,/ NEVER TAKEN OUR TERRITORY,// BUT WHO, SOME OF US BELIEVE, (HAS FOUGHT BESIDE AS ALLY) IS SO DETERMINED TO RUIN US/THAT IN SHEER SELF DEFENSE/WE MUST RUIN OURSELVES!

46-9-56

THERE IS NO PROOF OF THIS/EVEN, DULLES, EISENHOWER, BRADLEY AND ACHESON/ADMIT BETWEEN WARNINGS/THAT THE SOVIET UNION/HAS AT PRESENT/NO PLANS FOR WAR.// LEADERS OF INDUSTRY/DURING THE PAST YEAR/HAVE QUESTIONED/THE IMMINENCE OF RUSSIAN AGGRESSION. WHENCE THEN COMES THIS PUSH TOWARD WAR?

BACK OF THIS BELIEF/LIES THE PROPAGANDA/OF A GROUP OF BUSINESS MEN/IN AMERICA/WHO SEEK TO REVIVE/A SYSTEM OF WORLD INDUSTRY/LONG SINCE DOOMED TO EXTINCTION.// UNDER THIS SYSTEM,/ A CLASS WITHIN A NATION/ OR A WHOLE NATION,/ LIVED IN COMFORT/ LUXURY AND POWER ON THE LAND AND LABOR/OF OTHER CLASSES/OR PEOPLES/TOO POOR, TOO IGNORANT,/AND TOO SICK TO RESIST.

46-9-51

THIS SYSTEM, UNDER ITS VARIOUS FORMS OF SLAVE TRADE, CHATTEL SLAVERY, SERFDOM, CLASS STRUCTURE, COLONIALISM AND CENTRALIZED REGULATION OF PRICES AND MARKETS, HAS EXISTED SO LONG, YIELDED SUCH FABULOUS PROFITS, AND SUPPORTED SUCH HIGH CIVILIZATION AMONG A FAVORED FEW, THAT MANY MEN BELIEVE THAT THE SUBJECTION OF MOST MEN TO A POWERFUL FEW IS INEVITABLE, AND THAT ITS DISAPPEARANCE WOULD MEAN THE END OF CIVILIZATION AS WE NOW KNOW IT.

46-9-52

THIS SYSTEM OF HUMAN GOVERNMENT AND CONTROL OF WORLD INDUSTRY REACHED ITS CULMINATION IN THE COLONIAL IMPERIALISM OF THE BRITISH EMPIRE DURING THE 19TH CENTURY, AND ITS SPECTACULAR SUCCESS FIRED THE IMAGINATION AND ENVY OF ALL EUROPE AND PARTICULARLY OF THE UNITED STATES// WE FORGOT THE REVOLT AGAINST IT WHICH HAD BROUGHT THE SUPPRESSION OF THE SLAVE TRADE AND THE ABOLITION OF CHATTEL SLAVERY.

WE IGNORED THE LABOR MOVEMENT WHICH INTRODUCED UNIVERSAL SUFFRAGE AND POPULAR EDUCATION AMONG WHITE WORKERS, AND WE IGNORED THE EFFORTS TO EXTEND DEMOCRATIC CONTROL OF THE WORKERS OVER INDUSTRY, AND THE DREAMS OF INCLUDING THE MASS OF DARKER WORKERS AMONG THE ENFRANCHISED WORKERS OF THE WORLD.

46-9-53

THE 20TH CENTURY DAWNED WITH FIVE WORLD-SHAKING EVENTS:

1. THE FIRST WORLD WAR TO REDISTRIBUTE COLONIES AMONG IMPERIAL POWERS.
2. REVOLUTION IN RUSSIA.
3. THE COLLAPSE OF INDUSTRY IN EHHOPE AND AMERICA.
4. THE SECOND WORLD WAR TO STOP THE PLAN FOR A NEW IMPERIALISM.
5. THE REVOLT OF COLONIAL PEOPLES.

ALL THIS WAS LOGICAL; WIDE JEALOUSY OF THE NATIONS MONOPOLIZING LAND AND LABOR IN THE COLONIAL REGIONS, THE ATTEMPT TO REDISTRIBUTE THIS MONOPOLY BY WAR, AND THE OVERWHELMING COST OF THE STRUGGLE, BRINGING REVOLUTION, INDUSTRIAL COLLAPSE AND THE ATTEMPT OF TWO DICTATORS TO MAKE A DIFFERENT DISTRIBUTION OF COLONIAL AND POLITICAL CONTROL BY ANOTHER WAR; AND FINALLY THE NATURAL RISE OF THE COLONIAL PEOPLES TO TAKE CHARGE OF THEIR OWN DESTINIES.

THE ATTEMPT OF HITLER AND MUSSOLINI, JOINED BY JAPAN, TO CHANGE THE FACE OF COLONIAL IMPERIALISM, SO THREATENED THE WESTERN WORLD THAT WE WERE GLAD TO ACCEPT THE HELP OF THE NEW SOVIET UNION, WHICH WE HAD ONCE JOINED 15 OTHER NATIONS TO OVERTHROW. THE SOVIETS LAID DOWN 17 MILLION LIVES AND BILLIONS OF THEIR NEW INDUSTRY TO SAVE US FROM FASCISM.

HERE DAWNED THE OPPORTUNITY TO FACE A NEW WORLD; NOT NECESSARILY A WORLD OF COMPLETE SOCIALISM OR OF UNREGULATED PRIVATE CAPITALISM BUT A WORLD BASED ON GOOD WILL AND SCIENTIFIC INQUIRY INTO WORK AND INCOME AS AFFECTING HUMAN PROGRESS. THIS EFFORT, EARNESTLY UNDERTAKEN BY FRANKLIN ROOSEVELT, WAS OVERTURNED COMPLETELY BY HARRY TRUMAN AS THE TOOL OF BIG BUSINESS. IF A BUCHANAN BEFORE A LINCOLN WAS A NATIONAL CALAMITY, A TRUMAN AFTER A ROOSEVELT WAS A WORLD DISASTER.

WHY DID THIS HAPPEN? IT WAS BECAUSE THE GREAT POPULIST UPHEAVAL IN THE LAST DECADE OF THE 19TH CENTURY WAS CRUSHED BY TRUSTS AND MONOPOLY. THE PRESIDENCY BOUGHT BY HANNA FOR McKINLEY AND WAR, AND DEMOCRACY KILLED IN THE SOUTH AND WEST. FARMERS AND LABORERS, FOLLOWED LAFOLLETTE INTO NEW REVOLT IN 1924, BUT WERE SUBMERGED BY HARDING, COOLIDGE AND HOOVER UNTIL INDUSTRIAL COLLAPSE BROUGHT THE NEW DEAL. DURING THIS DESCENT INTO HELL, PERSISTENT EFFORT WAS MADE TO CHANGE THE CHARACTER OF THE AMERICAN PEOPLE.

THE LEADERSHIP OF EDUCATORS AND SCIENTISTS/— OF ARTISTS AND THINKERS —/ WAS SUPPLANTED BY THAT OF BUSINESS MEN;// OUR THOUGHT AND ACTION/BECAME COMMERCIALIZED AND MECHANICAL.

WE SAW LIFE AS BUYING AND SELLING,/AND AMERICA AS PUBLIC INDUSTRY/FOR PRIVATE PROFIT. WE CEASED TO THINK/OF LABOR/IN TERMS OF HEALTH AND HAPPINESS/FOR ALL MEN./ BUT IN TERMS OF ACCUMULATED WEALTH,/ EVEN WHEN BUILT ON DECEIT AND THEFT.// WE REGARDED MONEY AS THE OBJECT OF LIFE, AND NOT LIFE AS THE REASON FOR MONEY./ WE TALKED LOUDLY OF FREEDOM AND DEMOCRACY, BUT BY FREEDOM WE MEANT FREEDOM FOR INDUSTRY/TO WIELD POWER/WITHOUT INTERFERENCE FROM GOVERNMENT.// AND WE RESISTED/ANY INCREASE OF DEMOCRACY/IN INDUSTRY.// WE INSISTED THAT INDUSTRY/MUST BE PRIVATELY OWNED/EVEN WHEN IT WAS INCREASINGLY/TAKING CONTROL OF PUBLIC AFFAIRS.

46-9-57

THERE WERE TEACHERS/ WRITERS, FARMERS AND WORKERS/WHO PROTESTED/AND IT WAS AGAINST THE VOICE AND INFLUENCE/ OF SUCH MEN/ THAT THERE WAS LAUNCHED IN 1936/ THE MOST STUPENDOUS EFFORT AT PROPAGANDA/WHICH THIS WORLD EVER SAW.

IT WAS A DIRECT IMITATION/OF GOEBBELS AND HITLER, (THEN AT THE HEIGHT of their power) AND BASED ON THE LATEST ADVANCES IN THE SCIENCE OF PSYCHOLOGY.// INDUSTRY BEGAN TO TAKE OVER/EDUCATION, RELIGION,/SCIENCE AND ART;/IT BOUGHT UP THE AGENCIES/FOR INFORMING AND INFLUENCING PUBLIC OPINION.// IT WAS FINANCED/BY THE UNITED BANKING AND COMMERCIAL FACILITIES/OF THE NATION/IN FIRM COOPERATION;/IT ENGAGED THE BEST TALENT/OF WRITERS, EDITORS, AND MANAGERS,/AND IT OFFERED THEM/ONLY A CHOICE BETWEEN LYING AND SILENCE.

46-9-58

THE UNITED STATES WHEELED INTO LINE/AS LEADER OF A RENEWED COLONIAL IMPERIALISM./ ALREADY IT HAD HAWAII/AND THE WEST INDIES;/IT DOMINATED CENTRAL AND SOUTH AMERICA,/AND IT NOW TURNED TOWARD ASIA AND AFRICA.// ROOSEVELT HELD IT BACK.// from Depression to the 2nd world war

BUT OUR FOREIGN INVESTMENTS ROSE FROM TWO BILLIONS AT THE DAWN OF THE 20TH CENTURY TO 3½ BILLIONS AT THE OPENING OF THE FIRST WORLD WAR, 9 BILLIONS AFTER THE SECOND WORLD WAR, AND TODAY 15 BILLIONS! ADD TO THIS THE FAR LARGER DOMESTIC INVESTMENT IN WAR INDUSTRY, AND WE SEE THE HUGE PLEDGE WE HAVE IN A THIRD WORLD WAR.

TO BUTTRESS AND PROTECT THIS VAST INVESTMENT OUR LEADERS HAVE GRADUALLY ALLIED THIS NATION WITH TYRANTS AND SCOUNDRELS; WITH AMERICAN DICTATORS LIKE DIAZ AND TRUJILLO; WITH MUSSOLINI AND HITLER IN EUROPE; WITH CHIANG KAI CHEK, BAO DAI, AND SYNGMAN RHEE IN ASIA, WITH MALAN IN AFRICA.

46-9-59

BUT IT WAS OUR EXPERIENCE IN CHINA WHICH LED US TO THE VERGE OF A THIRD WORLD WAR. WE STARTED BEFORE THE FIRST WORLD WAR TO SUPPLANT BRITAIN IN CHINA. WE ALLOWED JAPAN TO SPOIL AND RAPE HER. THEN WE BOUGHT HER HALF-DEAD CORPSE FROM CHIANG KAI CHEK FOR SIX BILLION DOLLARS, 1700 PLANES, 750 WAR VESSELS, AND ARMS AND AMMUNITION FOR 166 MILITARY DIVISIONS.

WE LET OUR TROOPS INVADE CHINA 40 TIMES AND HELPED BY TREATY TO SUBORDINATE CHINA TO FOREIGN CONTROLS.

WHEN CHINA AROSE MIRACULOUSLY FROM THE DEAD TRUMAN DEMOCRATS AND REPUBLICAN SENATORS REFUSED TO RECOGNIZE NEW CHINA AS A NATION, PERMITTED CHIANG STILL TO SPEAK FOR HER, AND LET HIM SUPPORT A CHINA LOBBY ON OUR OWN FUNDS TO INFLUENCE CONGRESS. WE BOUGHT UP THE GREAT BUSINESS MONOPOLIES OF JAPAN AND THOSE WHICH THE JAPANESE HAD SEIZED IN KOREA. WE ENCOURAGED CIVIL WAR IM KOREA SO AS TO RECAPTURE LOST CHINA.

46-9-60

IN KOREA THE UNITED STATES HAS COMMITTED EVERY ATROCITY THAT MAN EVER DID TO MAN. WE HAVE DESTROYED INDUSTRY, FARMS AND HOMES, POURED MILLIONS OF GALLONS OF FLAMING GASOLINE ON SHRIEKING MEN, WOMEN AND CHILDREN, AND TURNED A HELPLESS NATION INTO A STINKING DESERT.

A STUPID AND CALLOUS ADMINISTRATION/WITH A CARELESS WAVE OF THE HAND/MURDERS AND CRIPPLES/100,000 YOUNG AMERICANS/WITHOUT CONSENT OF CONGRESS,/ WITH NO POPULAR VOTE, AS "A LITTLE POLICE ACTION"/ TO RECAPTURE CHINA/ TO WARN THE SOVIET UNION,/ TO HELP ENSLAVE ASIA AND AFRICA/FOR THE PROFIT OF AMERICAN CAPITAL.

FACING A WORLD-WIDE UPSURGE OF LABOR,/ A REVOLT OF THE DARKER RACES,/AND A REFUSAL TO BELIEVE/ THAT THE MAJORITY OF MEN MUST BE POOR/ IGNORANT AND SICK/IN ORDER THAT INDUSTRY AND CIVILIZATION/MAY PROGRESS,/ THE UNITED STATES HAS APPARENTLY PLACED ITSELF AT THE HEAD OF REACTION.// IS THERE ANY REAL THREAT/WHICH JUSTIFIES THIS?/ THERE IS NOT.

BUT NEVER IN MODERN HISTORY/HAS IT BEEN SO DIFFICULT/FOR THE AVERAGE CITIZEN TO OBTAIN/AN HONEST PICTURE OF MANKIND/AND ITS DEEDS/AS TODAY IN THE UNITED STATES OF AMERICA// FACED BY AN EXTRAORDINARY NUMBER/OF LIARS, TRAITORS AND PROFESSIONAL INFORMERS AND BY DISTORTIONS/AND OMISSIONS/ IN ALL THE ORGANS OF PUBLIC OPINION/ IT IS INCREASINGLY DIFFICULT/ FOR THE AVERAGE HONEST CITIZEN/TO KNOW THE TRUTH.

46-9-61

NO AMERICAN TODAY/CAN RISE FROM HIS MORNING NEWSPAPER/, MUCH LESS HIS EVENING TABLOID,/ WITHOUT FEELING SICK AND DISGUSTED/ NOT MERELY WITH WHAT IS HAPPENING,/ BUT WITH WHAT HE DOES NOT KNOW/AND CANNOT FIND OUT.

FIRST OF ALL, IT IS CLEAR/THAT THE PEOPLE OF THE UNITED STATES/AS DISTINGUISHED FROM THE MILITARY HIERARCHY/ THE POLITICAL REACTION/AND THE BUSINESS INTERESTS/ DO NOT WANT WAR./ MOREOVER, IT IS CLEAR/ THAT WE CANNOT HAVE WAR/AND SURVIVE AS A PROGRESSIVE DEMOCRACY/FOR THE SIMPLE REASON/THAT WAR COSTS TOO MUCH.//THERE ARE CERTAIN THINGS WHICH THIS NATION NEEDS TO DO/AND TO DO NOW./ AND THEY COST MONEY// BOAST AS WE WILL,/ OUR STANDARD OF LIVING IS FALLING.

WE NEED TO RAISE THE GENERAL LEVEL OF WAGES/AND MAINTAIN EMPLOYMENT/ BY LOWERING AND EQUALIZING TAXATION/AND CONTROLLING PRICES./ WE NEED TO PROVIDE SECURITY FOR OLD AGE/AND FOR THE UNEMPLOYED,/ AND TO DO THIS/WITHOUT PUTTING THESE UNFORTUNATES IN JAIL

46-9-62

AS EISENHOWER ONCE ADVISED// WE NEED SOCIAL MEDICINE/ AND HEALTH CONSERVATION FOR ALL, AND INSURANCE AT COST,/ NOT FOR PROFIT.// WE NEED HOUSING AND SLUM CLEARANCE/ UNDER PUBLIC CONTROL./ WE NEED HELP FOR AGRICULTURE BY SCIENTIFIC GUIDANCE/ AND WE NEED POWER AND FLOOD CONTROL/ TO STOP OUR ANNUAL RUIN OF FARMS AND HOMES.// WE NEED TO RESCUE EDUCATION FROM ITS RAPID DETERIORATION:/ ELEMENTARY EDUCATION, FREE AND COMPULSORY,/ WITHOUT THE INEXCUSABLE WASTE OF SEPARATE RACIAL SCHOOLS.

WE NEED TRAINING/ FOR INDUSTRIAL SKILLS/ AND FOR THE LEARNED PROFESSIONS,/ AND WIDE ADULT EDUCATION FOR ALL.// WE NEED EDUCATION IN SCIENCE AND ART;/ WE NEED PHILANTHROPIC GUIDANCE/ TO CONTROL CRIME AND DELINQUENCY/ AND TO DEFEND THE ACCUSED;// WE NEED PUBLIC RECREATION/ WITH ART AND DRAMA,/ NOT SOLELY FOR PRIVATE PROFIT/ BUT FOR THE PUBLIC GOOD.

46-9-63

ALL THIS CALLS/ FOR THE USE OF LAND AND ITS MATERIALS,/ THE CONTROL OF MONOPOLIES AND INVENTIONS,/ AND THE CONCEPTION/ OF THE RESOURCES OF THE NATION/ AS THE PROPERTY OF THE PEOPLE/ WHO LIVE IN IT.

[redacted] THIS WILL GIVE TIME/ FOR KNOWLEDGE, EXPERIMENT AND THOUGHT/ FOR OUR SOCIAL PROBLEMS:/ THE FAMILY; THE NEIGHBORHOOD;/ TRANSPORTATION AND ROADS;/ COMMUNICATION BY TELEPHONE, TELEGRAPH, RADIO AND TELEVISION.// WE CAN FACE OUR NEGRO PROBLEM/ AND STOP THE RELICS OF HUMAN SLAVERY/ IN MOB VIOLENCE,/ DISCRIMINATION AND REPRESSION.// WE CAN STOP THE BARBAROUS TREATMENT OF THE FOREIGN BORN AND OTHER MINORITIES.// WE CAN REALIZE THAT THE ORGANIZED FIGHT ON UNION LABOR/ IS A FIGHT ON DEMOCRACY/ AND MEANS THE DISAPPEARANCE OF OUR CIVIL RIGHTS/ AND OUR LOSS OF THE RIGHT TO KNOW,/ TO ASSEMBLE AND TALK.

46-9-64

IT IS RIDICULOUS TO ASSUME/ THAT IF WE THUS FACE/ THE INESCAPABLE PUBLIC DEMOCRATIC CONTROL/ OF WEALTH AND CORPORATIONS,/ WE LIMIT FREE ENTERPRISE AND INITIATIVE. ON THE CONTRARY,/ WE VASTLY ENLARGE THEM/ FROM THEIR PRESENT IMPRISONMENT/ AND DISCOURAGEMENT/ AND PRIVATE DICTATION.

THIS IS OUR JOB./ AS A NATION WE CANNOT ESCAPE IT./ NO MODERN NATION IS ESCAPING IT. IT WILL COST MONEY,/ MUCH MONEY,/ BUT WE CAN GET SUFFICIENT MONEY/ IF WE STOP WAR AND PLANS FOR WAR./ THE PRESENT CONGRESS HAS APPROPRIATED BILLIONS OF DOLLARS,/ AND 85% IS FOR WAR./ AND ONLY 5 BILLIONS/ FOR ALL THE USES I HAVE POINTED OUT.// STOP WAR AND START SPENDING 85% OF OUR INCOME/ FOR HUMAN UPLIFT/ AND NOT FOR MURDER.

57-6-46

THIS IS THE DAY OF ALL DAYS/ WHEN WE NEED THE LEADERSHIP OF SCIENCE/ IN HISTORY, PSYCHOLOGY AND SOCIOLOGY./ AND THIS IS THE DAY/ THAT MOST SOCIAL SCIENTISTS ARE DEAF AND DUMB./ COLLEGE PRESIDENTS CAN BE DEPENDED UPON/ TO RENDER SERVICE TO ANY CAUSE/ FROM UNIVERSAL MILITARY SERVICE/ TO OUSTING PROFESSORS WHO DARE THINK/ AT THE COMMAND OF THE INDUSTRIAL LEADERS/ WHO DOMINATE THEIR TRUSTEE BOARDS.

OUR GRANDCHILDREN,/ LOOKING BACK ON THESE DAYS OF DISGRACE,/ WILL USE FAR HARSHER WORDS THAN MINE/ TO DESCRIBE THIS AGE/ AS THE MOST SHAMEFUL IN ALL OUR HISTORY,/ THE MOST INEXCUSABLE, UNJUST AND HATEFUL,/ AS A TIME WHEN WE SACRIFICED OUR OWN SELF-RESPECT/ IN ORDER TO GET RICH.

THIS IS OUR PLIGHT./ WHAT CAN WE DO ABOUT IT?/ WE CAN VOTE./ THE UNITED STATES/ NO MATTER HOW CURTAILED OUR RIGHTS ARE BECOMING,/ STILL RETAINS SOME POWERS OF DEMOCRACY.

99-6-46

I KNOW/HOW MANY OF YOU/HAVE STOPPED GOING TO THE POLLS/IN SHEER DISGUST.// BUT COME WITH US THIS TIME./ YOUR COUNTRY NEEDS THIS YEAR/ THE 25 MILLION VOTERS/WHO ANNUALLY FAIL TO VOTE/IN ORDER TO BALANCE THE GAMBLERS/ THE BRIBED AND BOUGHT,/AND THE CONGENITAL COWARDS/WHO WILL BE OUT IN FORCE.// THE FLIMSIEST EXCUSE FOR VOTING WRONG IS THAT THE RIGHT CANNOT WIN./ THE RIGHT HAS WON/IN THE PAST/AND WILL WIN IN THE FUTURE./ IT LOSES ONLY WHEN YOU LET IT LOSE.

* LET US LOOK AT THE CANDIDATES./ IF YOU WANT PEACE,/DO NOT ELECT TO THE PRESIDENCY A MAN TRAINED FOR WAR./ IF YOU WANT WAR/ ELECT EISENHOWER AS PRESIDENT/BECAUSE WAR IS ALL HE KNOWS./ DESPITE HIS GENIAL EFFORT/TO BE ALL THINGS TO ALL MEN./ EISENHOWER SHOWS IN EVERY WORD/ HIS LAMENTABLE IGNORANCE/OF THE MEANING OF THE MODERN WORLD.// AND WITH HIS BACKING,/THE ONE THING HE WILL NOT/AND CANNOT PROMISE/IS PEACE.

9-6-62

WE SEE IN MODERN CORPORATE WEALTH/THE MOST DANGEROUS POWER/EVER LOOSED ON MANKIND./ IT IS ABOVE AND BEYOND THE LAW./ IT FLOUTS THE LEGISLATURE,/ THE COURTS AND THE EXECUTIVE./ IT PLANS PRODUCTION,/ ORDERS DISTRIBUTION,/ESCAPES FAIR TAXATION, MAKES WAR AND STOPS PEACE.//ROBERT TAFT REPRESENTS CORPORATE WEALTH,/BOTH AS LAWYER AND AS PROPERTY OWNER./ HIS INHERITED WEALTH/IS BASED ON CITY LAND VALUES,/ THE LEAST DEFENSIBLE METHOD/OF ACCUMULATING PRIVATE PROPERTY.//AS A CORPORATION LAWYER,/HIS CONTEMPT FOR THE MASS OF AMERICANS/LEADS HIM IMPUDENTLY/TO CONTRADICT HIMSELF/TIME AFTER TIME/WITHOUT APOLOGY AND WITHOUT REASON// IF THIS IS THE TYPE OF MAN/YOU DECIDE TO GIVE THE VAST POWER OF THE PRESIDENCY,/YOU MIGHT AS WELL REPLACE CONGRESS/WITH THE NATIONAL ASSOCIATION OF MANUFACTURERS/AND DECLARE THESE TRUTHS TO BE SELF-EVIDENT, THAT EMPLOYERS/HAVE THE RIGHT TO FIX WAGES,/AND THAT ALL PROPERTY IS THE GIFT OF GOD.

9-6-62

WHO ELSE CAN YOU ELECT? / WHO, WHAT, AND WHY IS STASSEN? / DO WE WANT TELEVISION VAUDEVILLE IN KEFAUVER, OR SHALL RUSSELL REPRESENT THE PRO-SLAVERY SOUTH / AND THE GEORGIA LIGHT AND POWER COMPANY? // COMPLETE THE SORRY LIST / WITH WARREN AND HIS NEVER FULFILLED PROMISES / TO AGE AND LABOR; / KERR DONE IN OIL; / STEPHENSON, COY AND SILENT; / AND HARRIMAN, / HEIR OF RAILWAY MANIPULATION, / WHO HELPED EUROPEAN CAPITAL REGAIN ITS GRIP ON LABOR, / AND AMERICAN CAPITAL TO FASTEN ITS CLAWS ON EUROPE. // AND FINALLY, THE UNSPEAKABLE MENACE / OF MORE TRUMAN(/ OR EVEN OF THAT OLD SOLDIER / WHO IS DEAD AND DOES NOT KNOW IT!

46-9-69

THE PROGRESSIVE PARTY / IS YOUR ONLY ALTERNATIVE / FOR DOING WHAT THE WORLD MUST DO, AND THAT IS, / STOP WAR / AND CONTROL THE POWER OF CORPORATE WEALTH / OVER THE PRODUCTION AND DISTRIBUTION OF GOODS / AND OVER TELLING THE TRUTH.

LET LIARS FEAR. / LET COWARDS SHRINK,
LET TRAITORS TURN AWAY.
WHATEVER / WE HAVE DARED TO THINK,
THAT / DARE WE / ALSO SAY!

46-9-70

THIS YEAR VOTE FOR VINCENT HALLINAN, / A LAWYER AND LABOR LEADER / WHO IS IN JAIL BECAUSE TODAY / PRISON IS THE HIGHEST DECORATION / THIS NATION CAN BESTOW ON ITS HEROES: // AND FOR CHARLOTTA BASS / WHO REPRESENTS BLACK AMERICA / AND AMERICAN WOMANHOOD. / AS IF ONE CROWN OF THORNS WERE NOT ENOUGH, / SHE DARES WEAR TWO!

THIS YEAR NO SPRING HAS COME TO AMERICA; / NO DAFFODILS HAVE BLOOMED / NOR TULIPS REDDENED THE SUNRISE.

ALL WE SAW WAS DEATH, PRISONERS IN KOREA,/ ATOM BOMBS IN ARIZONA/ WAR IN THE WORLD, AND LITTLE CHILDREN HIDING UNDER DESKS./// WE HAILED DEATH AND TOOK LIFE/ AND THANKED GOD/ THAT WE ARE RICHER THAN THE POOR/ AND SAFER THAN THE DAMNED!/// Yet WE ARE NOT DEVILS. WE DO NOT WILL EVIL./ MOST AMERICANS DEMAND THE END/ AND THE END NOW OF THIS SENSELESS WAR IN KOREA./ OUR LABOR UNIONS ARE BEGINNING TO SPEAK OUT./ THE AMERICAN NEGROES ARE DECLARING/ THAT WAR DESTROYS CIVIL RIGHTS/ LOWERS WAGES AND STOPS HOUSING.// OUR PLATFORM AND OURS ALONE/ STANDS FOR SECURITY./ WE SAY TO AMERICAN BUSINESS/ PEACE BE STILL.// WE CRY ALOUD/ TO THOSE SLEEPING IN THE WILDERNESS./ AWAKE, AWAKE, PUT ON THY STRENGTH/ O ZION, PUT ON THY BEAUTIFUL ROBES!

JULY 4, 1952

The platform of the Progressive Party may be reduced to these planks:

PEACE
STOP THE KOREAN WAR
OFFER FRIENDSHIP TO THE SOVIET UNION AND THE PEOPLE'S REPUBLIC OF CHINA
RESTORE AND REBUILD THE UNITED STATES

War is a vicious human habit; a throw-back to primeval barbarism; an anachronism which shames religion and retards civilization; a crime which kills bodies and cripples souls. Before this century war may at times have been the lesser of two evils. Since world wars have come and the Atomic Age, this is no longer true. War is the supreme disaster. There is nothing worse.

36-9-74

~~The very power of our culture lets war bring us less than nothing.~~ What did we get from the "War to End War"? More War! What did we get from the "War to Preserve Democracy"? Less Democracy! What are we getting from this "Cold War for Freedom"? Less freedom to think and more freedom to kill. What will come when war in Korea becomes war against China and flames into a Third World War? The end of European culture and a long return to barbarism. Peace, then! Peace now! Peace forever! ~~NO MORE WAR!~~

This America of ours, hope of our dreams, refuge of mankind, ~~land of peace and freedom~~, has before our very eyes and under the skill of our hands ~~and ideals of our souls~~, become the greatest warmonger of all history. Never before in the annals of mankind has a nation planned death, disease and destruction on the scale now envisioned by the United States of America. With one burst of flame we killed at Hiroshima and Nagasaki 200,000 human beings, aged and infants; sick and helpless; unarmed and unwarned; -- an attack as horrible as it was needless, -- a deed which civilization will never forgive!

~~Today we are spending a billion dollars a year on preparation for similar attacks. Last year merely for asking Americans to protest against~~

36-9-76

further use of the barbaric atomic bomb, I barely escaped five years in prison. We are deliberately planning greater means of death. Thirty-five leading powers of the world signed the Geneva Protocol of 1925 against bacterial warfare. Only Japan and the United States refused. Our military leaders have defended and experimented in germ warfare and ask of Congress next year $17 million for experiments in spreading the most horrible diseases among helpless mankind. We announce the approaching perfection of the Hydrogen Horror.

Neither Egypt under Ramses II, nor the Roman Empire; not Spain at her height of power, nor France of the 14th Louis; not even the British Empire when it ruled the world, ever planned death and destruction for mankind on the scale which we plan today, as we set aside seventy billion dollars for military might, join France and Britain seeking to dominate Asia, furnish Malan funds to enslave Africa, and force Europe to re-arm for universal war.

Out of the pockets of a nation unable to pay decent living wages to steel workers and miners; without funds to maintain our system of education; who annually let the crops, farms and homes of a million Americans be destroyed by floods which we find no money to prevent; who cannot build decent housing even for our crippled war veterans; this rich and successful nation of ours spent more for war in this past decade than we spent for schools, churches and social uplift in the last century!

why is This nation, the most secure from foreign attack of any in the world; the most protected from natural disaster; the most skilled in industry, and for years the best paid and best clothed; -- ~~why are we~~ rushing to War? What

36-9-77

is it that has literally scared us to death [~~and driven us insane~~]? No foreign foe has touched or threatened our shores; no nation has planned our destruction. Our economy is sound unless we let War upset it; our technique is unsurpassed; our ability and talent have all the possibilities of the most favored nations of men. Why then have we gone completely out of our minds and embarked on a fantastic plan of world control at the cost of national impoverishment, moral ruin and the hate of mankind?

We seek to assure ourselves that our present hysteria is caused solely by the designs of the Union of Soviet Socialist Republics, a nation separated from us by the width of the world, which has never attacked us, never taken our territory, never killed an American citizen, but who some of us believe is so determined to ruin us that in sheer defense we must ruin ourselves!

Many Americans believe this threat. But others, ~~many others,~~ do not believe it. They see back of this belief the propaganda of a group of business men in America, who seek to revive a system of world industry doomed to extinction. Under this system, a class within a nation or a whole nation ~~or group of nations~~ lived in comfort, luxury and power on the land and labor of other classes or peoples too poor, ignorant, and sick to resist. This system, under its various forms of slave trade, chattel slavery, serfdom, class structure, colonialism and centralized regulation of prices and markets, has existed so long, yielded such fabulous profits, and supported such high civilization among a favored few, that many men believe that the subjection of most men to a powerful few is inevitable, and that its disappearance would mean the end of civilization as we now know it.

This system of human government and control of world industry reached its culmination in the colonial imperialism of the British Empire during the Nineteenth Century, and its spectacular success fired the imagination and envy of all Europe and particularly of the United States. ~~British culture, British literature, British law and order, and particularly British Industry and Commerce, influenced peoples all over the earth and completely dominated American thought and imagination at the dawn of the century.~~ We forgot the moral revolt which had brought the suppression of the slave trade and the abolition of chattel slavery; we ignored the labor movement which introduced universal suffrage and popular education among many European and North American workers, and we ignored the efforts to extend democratic control of the workers over industry and ~~even~~ the dreams of including the mass of darker workers among the enfranchised workers of the world.

36-9-75

All this America forgot or ignored. After our Civil War, caused by human slavery, there arose in the United States a tremendous growth and integration of industry. With unlimited resources and unrivaled technique, we started to build the greatest industrial and commercial organization the world ever saw, and we made the British Empire our model. When a World War broke the vast power of that Empire, organized industry in the United States prepared to replace the British Empire in world power.

Curtailing the power of our own democracy by racial caste, the use of money in politics, and intricate political manipulation, we Americans assumed that the world was going to be ruled in the future as in the past, and quite ignored the rise and spread of Socialism in every modern nation. The so-called socialism of the 19th century was vague and uncertain and

36-9-78

aimed at the control of industry and wealth by democratic methods. Yet there was no modern nation which by 1900 had not attempted some such control: by factory laws and poor relief; by wage control and child labor laws; by building roads, regulating or owning railroads, telegraph lines and telephones. Some thinkers went further and asked actual ownership of capital and wider planning of production and distribution; but until the First World War, no nation had successfully attempted a completely socialistic state.

Such an attempt, in the face of the growing power of commerce which arose from the union of finance capital and industrial monopoly, was bound to come sooner or later, yet it was almost by accident that the attempt was made in Russia, and it was made when its most sincere advocates were least prepared for the experiment and in a nation where conditions were least favorable for success.

The effect of the Russian Revolution on the world was extraordinary. The liberal world welcomed it with joy. Here in America, despite fervent disclaimer today, there was scarce a man of vision or an independent thinker who was not overjoyed and eager with sympathy and applause. There were others who, while they rejoiced at the emancipation of the Russian peasant and worker, did not believe that the ensuing proposal of a socialist state was practical... They did not think it wrong, nor the attempt to establish it, evil. They merely regarded it as impracticable.

But other thinkers were of a different mind. They represented industry and were still swayed by the vision of restoring colonial imperialism. This induced America to follow Britain and fourteen other nations in

36-9-79

launching an attack on Russia to prevent any attempt to establish a communist state. This war waged from 1918 to 1928, with the excuse of defending the Russian people against inner oppression, was stopped by three unexpected events:

The Collapse of Capitalism
The Revolt of Colonies
The Rise of China

None of these world-shaking events were due to the Russian Revolution. The collapse of the capitalist world followed the expense and industrial upheaval of the First World War, and that war resulted from rivalry over control of colonial wealth. The colonial revolt followed the long brewing unrest of the chief victims of colonial imperialism and resulted eventually in the independence of India. The third was the direct result of the American attempt in China to restore the doomed Colonial Imperialism.

The collapse of capitalism in the Great Depression relieved the armed pressure on the Soviet Union and gave this experiment in socialism an opportunity to become an independent state owning all capital and planning all industry. It did not collapse from inner stresses, but in many respects began to prosper.

There followed the wide charge that the new Soviet government was grievously oppressing the mass of the Russian people. It was firmly believed that the Russian people needed only opportunity and some help from without to overthrow the Communist tyranny. This belief persisted until in the Second World War, launched by Germany, Italy and Japan in order to restore Colonial Imperialism for their benefit instead of that of Great

36-9-80

Britain. The West in that crisis had to rely on the Union of Soviet Socialist Republics to overthrow Hitler. United like one great fist, the Soviets laid down 17 million of their lives and billions of their new industry in this unprecedented effort. The result was the freedom of India and revolt in Indonesia and Indo-China.

Here dawned the opportunity to face a new world: not necessarily a world of complete socialism or of private capitalism, but a world based on scientific study of every earnest effort at human progress, using the menace of Fascism as incentive to world unity and ~~forwarding~~ implementing the complete disappearance of Colonial Imperialism. But this effort, earnestly undertaken by Franklin Roosevelt was overturned completely by Harry Truman. If a Buchanan before a Lincoln was a national calamity, a Truman after a Roosevelt was a world disaster which a thousand years may not retrieve.

Why did this happen? It was because in the years between 1900 and 1950 the character of the American people changed. The leadership of educators and scientists, of artists and thinkers, was supplanted by that of business men; our thought and action became commercialized and we saw life as buying and selling and America as Industry and Profit. Wealth took over education, science, art and literature; it bought up the news-gathering agencies, the publishing houses and radio and theatre. Back of this lay a perverted attitude toward Work and Wealth, born of our very prosperity. We ceased to think of Labor in terms of health and happiness for all men, but in terms of accumulated wealth, even when built on poverty; and of goods for sale rather than for food and shelter. We regarded Money as the object of life, and not life as the reason for money. We talked loudly

of Freedom and Democracy, but by Freedom we meant freedom of industry to make money and wield power without interference from government, and we resisted any increase of democracy in industry. We insisted that industry must be privately owned even when it was increasingly taking control of public affairs by every method, legitimate and illegitimate, it could devise.

The revolt against this philosophy of industry which had swept Europe long before the Russian Revolution and which helped spread socialism over all the world never penetrated American business philosophy. It was true that this materialistic philosophy of private profit and public rule by those who control wealth did not convince all America; there were teachers, writers and thinkers who protested, and it was against the voice and increasing influence of such men that there was launched about 1936 in this nation the most stupendous effort at propaganda which this world ever saw. It was a direct imitation of Goebbels and Hitler, and based on the latest advances in the science of psychology already widely used in advertising and salesmanship. It was financed by the united banking and industrial facilities of the nation in firm union; it engaged the best talent of writers, thinkers and managers which was for sale, and it forced thousands of trained men out of their current employment by making that employment impossible or dangerous, and offering only a choice between lying or silence.

36-9-81

The real basic reason of the enmity of American business against the Soviet Union was that its success withdrew from American investment a vast area of land and labor where Britain and France had long reaped

profits of fifty percent, and where America was set to share both there and in the Balkans. Americans had profitable investments in the other Americas and saw other millions of profits in Asia and Africa. Our foreign investments arose from two billions at the dawn of the 20th century to 3½ billions at the opening of the First World War, 9 billions after the Second World War, and today 15 billions on the threshhold of the Third World War.

36-9-82

To buttress and protect this huge investment we have allied this nation with tyrants and scoundrels: with South American dictators, with Mussolini and Hitler; with Bao Dai and Syngman Rhee. Our consul to the Union of South Africa reported in 1950: "This country has a greater future than almost any young country in the world. It is definitely going places. Capital investments and loans are not made by mere philanthropists, but by astute and far-seeing American financiers and business executives." Thus today it is American capital which is enabling Malan and two million whites to force slavery on ten million colored folk in South Africa.

But it was our experience in China which led us into war: the Korean War, the war against China and the threat of a Third World War. We started before the First World War to supplant Britain in China. We allowed Japan to spoil and rape her. Then we bought her half-dead corpse from Chiang-Kai-Chek for six billion dollars, 1700 planes, 750 war vessels, and arms and ammunitions for 166 military divisions. Our troops invaded China 40 times, and we helped by treaties to subordinate China to foreign controls.

When China, rising from the dead, found refuge in Communism, we laid the blame on the Soviet Union, refused to recognize New China as a nation, permitted Chiang still to speak for her and to support a China Lobby on our

36-9-83

funds to influence Congress. We bought up the great business monopolies of Japan and encouraged civil war in Korea so as to recapture lost China.

The Korean War was the most indefensible attack on a people ever concocted. It has never been proven that the Soviet Union either started or wanted it. It is more probable that John Foster Dulles and his friend Syngman Rhee, backed by the American New Development Company which was buying the trusts of Japan, started this war, and now stubbornly refuses to stop it.

We have committed in Korea every atrocity that man ever did to man. We pour millions of gallons of flaming gasoline on shrieking Korea to turn one helpless little land into a stinking desert. A stupid and callous administration with a careless wave of the hand murders 100,000 young Americans and a half million Koreans without consent of Congress, with no popular vote, as "a little Police Action" to scare the Soviet Union, to re-capture China, to enslave Asia and Africa for the profit of American Capital in its mad rampage to rule the world and to supplant the dying British Empire with an American slavery.

~~The United States is the only country which has ever used the atomic bomb on human beings. It is the only nation which has ever employed germ warfare and it is the only nation which has refused to sign the international convention to outlaw the use of these weapons.~~

In order to align public opinion in the United States predominantly behind a program so repugnant to our traditions, ~~organised~~ business propaganda organized a new attack on the Soviet Union and Communism. Turning from the first argument that a socialist state could not be made to work; and

36-9-84

passing beyond the charge that the Russian people were not in support of the Soviet Union, the attack was now concentrated on the charge that the Soviet Union was a conspiracy against civilization and that communism in itself was inherently so evil that it could not share the same world with Americans.

Here was the opportunity for a real America. If it is true that the Soviet Union by its very existence threatens civilization, a crusade to extermination may be our only resort; but is this true and how has this been proven?

What is the truth about the Union of Soviet Socialist Republics? Was the testimony of Trotsky reliable? Was the punishment for treason justifiable or tyrannous? Was the reannexation of the Baltic states and the close alliance with Poland, Czechoslovakia and the Balkans a communist colonial imperialism or the expropriation of landlords and aristocracies supported by western capital? Above all was communistic imperial expansion the cause of civil war in Korea and China and other parts of Asia?

That there may be two opposite and strongly contradictory opinions on these controversial matters is all too clear. But what we are today asked and ordered to believe about the Soviet Union are not conclusions based on calm scientific inquiry and conclusion. Our newspapers and periodicals, our present government, most of our universities and churches, paint the Soviet Union as a tyranny, enslaving labor, allowing no freedom of opinion, without democracy, under dictatorship, and preparing for world-wide mastery by war.

On the contrary there is another picture, not painted by idiots, of

36-9-85

a nation, oppressed and exploited for years, which in a generation has abolished illiteracy, fed and housed its people; raised the status of women and protected family life. The Soviet Union gave the lives of 17 million of its children to protect the world from Hitler; it has built factories and controlled rivers; it has driven from power an evil, corrupt and superstitious church and established one of the best systems of free popular education on earth. It has launched war on no nation but has offered the world Peace.

Those who deny all this and regard the Soviet Union as anti-Christ, as threatening war and confiscation; as enslaving labor and preaching Hate, have a right to their belief, if the proof in their hands satisfies them. But they have no moral right or scientific justification to enforce this belief on others by arrest, inquisition, unjust punishment, loss of jobs, mobs and jail.

The United States, facing a world-wide revolt of labor, an upsurge of the darker races which was foreshadowed by the Negro problem in this land; and a refusal of most men to believe that the majority of mankind must submit to poverty, ignorance and disease in order that industry and civilization progress, has first of all poisoned the sources of popular information. Great newsgathering and press associations can and do utterly distort truth in every part of the world at the order of monopolized directors of public opinion. A press controlled by Big Business is ready to suppress, distort and invent news or falsehood at the command of its owners, at any time, any place, under any circumstances. Book publishers and booksellers follow the orders of organized factory

~~owners and manufacturers as to what can be published and read.~~ Let us concede that some newspapers today at times try to tell the truth; that the Associated Press often transmits unbiased news; that radio commentators and lecturers can sometimes repeat their own beliefs; it still remains true that never in modern history has a national press dealt so brazenly in lies; never ~~has the news been so distorted and suppressed;~~ never has it been so impossible for the average citizen to obtain an honest picture of mankind and its deeds as today in the United States of America. No American today can rise from his morning newspaper, much less his evening tabloid, without feeling sick and disgusted, not merely with what is happening, but with what he does not know and cannot find out.

36-9-86

Why do investment bankers like the House of Morgan want to own a Saturday Review of Literature? Have they suddenly become fond of Shakespeare, or do they want to be sure that Literature does not interfere with their profits in South Africa? What interest does the Ford Motor Company have in higher education? Do they plan to study Kant's Critique of the Pure Reason, or are they determined that American reason shall never interfere with American profits in automobiles?

We have so mechanized and commercialized our whole philosophy of life that we are trying to turn art into advertising, science into manufacture of arms, religion into defense of property, and education into moneymaking. We have gone completely money-mad.

This is the day of all days when we need the leadership of Science in History, Economics, and Sociology, and this is the day they are all with one accord, deaf and dumb, or at best, furtive. Professors, teachers and college presidents can be depended upon to keep silent or render service to

any cause from universal military service to ousting honest professors who dare think, at command of the industrial leaders who dominate their trustee boards.

Authors, writers, lecturers, actors, broadcasters, and columnists, whose brains and talents can be bought and used in return for income, popularity and power, have sold themselves, while liberal and radical thinkers are silenced.

> In Babylon, dark Babylon
> Who takes the wage of shame?
> The scribe and singer, one by one,
> That toil for gold and fame.
> They grovel to their masters' mood.
> The blood upon the pen
> Assigns their souls to servitude --
> Yea, and the souls of men!

36-9-87

We are helping to drive Britain into bankruptcy. We are driving France into dictatorship; we are impoverishing Italy; we are embracing Franco; and have torn Germany in two. When Acheson marches home, leaving the world on the brink of a Third World War, it would be Harry Truman who greets him for launching a last blow for peace!

This picture may be disputed in some details and excused and defended, but every honest American must admit it is in the main true, and if so is a caricature and contradiction of all that America once stood for. It is sheer insanity and crazy distortion of our own souls, of our widely professed religion, and grim betrayal of democracy and freedom, and our grandchildren, looking back on these days of disgrace, will use far harsher words than mine to describe this age as the most shameful in all our history, the most inexcusable, unjust and hateful; a time when we sacrificed our own

decency and self-respect in order to help ruin civilization.

Our current waste of wealth is frightening; our waste of life and health is sickening. But far worse than these is our waste of ability, of talent, and genius; our discouragement of the young, punishment of original thought, and crucificion of the rebel and the prophet. We are furiously pounding the brains of a nation into flat gray uniformity and dogmatic submission. This is shown in our literature, our sculpture and painting; on the stage, in the new art of radio and television. Our schools are filled with frightened students taught by silent, evasive teachers. Our science is turned to mass murder and endless destruction; our preaching is sterile dogma. We have not only killed a hundred thousand bodies of our youth in Korea, but murdered right here many a million souls.

36-9-88

We are boasting to the world of our democracy as peculiarly American, and place at the head of a congressional committee to ferret out un-American activities, first a convicted thief and now John Wood from Georgia, whose district has 150,000 voters. Wood has been elected to Congress six times. In no single election have more than a fifth of the voters dared go to the polls, and not a single vote has ever been cast against him. Wood has been publicly accused of misuse of public funds, but the Department of Justice has been too busy with the Peace Information Center ever to prosecute him.

This is our plight. What can we do about it? We can vote. Do not laugh. The United States is still a democracy, no matter how curtailed our rights are becoming. I know how many of you have stopped going

to the polls in sheer disgust. But come with us this time -- your country needs the 50 million voters who annually fail to vote, in order to balance the gamblers, the bribed and bought and the congenital cowards who will be out in force. The flimsiest excuse for voting wrong is that the Right cannot win. The right has won in the past and will win in the future. It loses only when you let it lose.

Let us look at the candidates. If you want peace, do not elect to the presidency a man trained for war. If you want war, elect Eisenhower as president because war is all he knows. Despite his effort to be reasonable and likable, Eisenhower shows in every word his lamentable ignorance of modern progress and inability to grasp the meaning of the modern world. All he knows is war and the one thing he will not and cannot promise is peace.

36-9-89

We see in the modern anonymous incorporation of wealth the most dangerous power ever loosed on mankind. It is above and beyond the law. It flouts the Legislature and the Executive. It plans production, orders distribution, makes war and stops peace. Corporate wealth in the United States carries out the secret plans of those who control industry, so that even men who own and receive the profits do not and cannot know how the profit is made, and can be blamed only for not insisting upon the knowledge which is withheld. Corporate wealth, under the most astute law advice, escapes taxation and shifts its burden.

Robert Taft represents this corporate wealth, both as lawyer and as owner. He inherited wealth accumulated by the least defensible method of sequestering land values due to population and not to work. He is a corporation lawyer, and his contempt for the brains of the mass of Americans

leads him impudently to contradict himself time after time, without apology and without excuse. If this is the type of man you decide to give the vast power of the presidency, you might as well replace Congress with the National Association of Manufacturers and declare these truths to be self-evident that all business men have the right to set wages and that property however gotten is the gift of God.

Who else can you elect? Who, what, and why is Stassen? Do we want television vaudeville in Kefauver, or shall Russell represent Negro slavery and the Georgia Light and Power Company? Complete the sorry list with Warren and his never fulfilled promises; Kerr etched in oil; Stephenson, coy and silent; and Harriman, heir of Railway manipulation who has helped European capital regain its grip on labor, and American capital to fasten its claws on Europe. And finally, the unspeakable menace of more Truman!

The Progressive Party is your only alternative for doing what the world must do, and that is, increasingly control the power of corporate wealth over the production and distribution of goods -- a task which we would have even if the Soviet Union had never existed.

In 1948 we sought a great leader on a noble platform. He got frightened and ran out on us to bathe in the blood of Korea. But the platform did not run. It stands and lives and grows and by the eternal God shall yet triumph. This year vote for Vincent Hallinan, a lawyer and labor leader who is in jail because today prison is the highest accolade this nation can bestow on its heroes; and for Charlotte Bass who represents black America and American womanhood. As if one crown of thorns were not enough she dares wear two!

This year there has been no Spring in America; no daffodils have bloomed nor tulips reddened the morning. All we saw was death and waiting prisoners in Korea, atom bombs in Arizona, and war in the world. We hail death and take life and thank God that we are richer than the poor and safer than the damned.

Yet we are not devils; we do not will evil; only today we are distraught, misled, and for a season quite insane. We can be cured. We can cure ourselves if only we will. If once we but turn our backs on ghosts and shadows, on witches and fears, and look up and out. If we can once again believe in humanity and close our ears and hearts to lies; and say to American Industry of which once we were so proud -- so foolishly and inordinately proud -- Peace! be still! And cry to the world:

"How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, 'Thy God reigneth!'"

THE PLATFORM OF THE PROGRESSIVE PARTY MAY BE REDUCED TO THESE PLANKS:

PEACE
STOP THE KOREAN WAR
OFFER FRIENDSHIP TO THE SOVIET UNION AND THE PEOPLE'S REPUBLIC OF CHINA
RESTORE AND REBUILD THE UNITED STATES

WAR IS A VICIOUS HUMAN HABIT: A THROW-BACK TO PRIMEVAL BARBARISM; AN ANACHRONISM WHICH SHAMES RELIGION AND RETARDS CIVILIZATION. BEFORE THIS CENTURY WAR MAY AT TIMES HAVE BEEN THE LESSER OF TWO EVILS. SINCE WORLD WARS HAVE COME AND THE ATOMIC AGE, THIS IS NO LONGER TRUE. WAR IS THE SUPREME DISASTER. THERE IS NOTHING WORSE.

WHAT DID WE GET FROM THE "WAR TO END WAR"? MORE WAR; WHAT DID WE GET FROM THE "WAR TO PRESERVE DEMOCRACY"? LESS DEMOCRACY; WHAT ARE WE GETTING FROM THIS "COLD WAR FOR FREEDOM?" LESS FREEDOM TO THINK AND MORE FREEDOM TO KILL. WHAT WILL COME WHEN WAR IN KOREA BECOMES WAR AGAINST CHINA AND A THIRD WORLD WAR WITH

JAPAN AND WEST GERMANY AS OUR ARMED ALLIES? THE END OF EUROPEAN CULTURE AND A LONG RETURN TO BARBARISM. PEACE, THEN; PEACE NOW; PEACE FOREVER;

THIS AMERICA OF OURS, HOPE OF OUR DREAMS, REFUGE OF MANKIND, HAS BEFORE OUR VERY EYES BECOME THE GREATEST WARMONGER OF ALL HISTORY. NEVER BEFORE IN THE ANNALS OF MANKIND HAS A NATION PLANNED DEATH AND DESTRUCTION ON THE SCALE NOW ENVISIONED BY THE UNITED STATES OF AMERICA. WITH ONE BURST OF FLAME WE KILLED AT HIROSHIMA AND NAGASAKI 200,000 HUMAN BEINGS, AGED AND INFANTS; SICK AND HELPLESS; UNARMED AND UNWARNED; — AN ATTACK AS HORRIBLE AS IT WAS NEEDLESS, — A DEED WHICH CIVILIZATION WILL NEVER FORGET;

OUT OF THE POCKETS OF A NATION UNABLE TO PAY LIVING WAGES TO MOST OF THE WORKERS; WITHOUT FUNDS TO MAINTAIN OUR SCHOOLS; WHO LET THE CROPS, FARMS AND HOMES OF A MILLION AMERICANS ANNUALLY BE DESTROYED BY FLOODS WHICH WE FIND TOO LITTLE MONEY TO PREVENT; WHO CANNOT BUILD DECENT HOUSING EVEN FOR CRIPPLED WAR VETERANS; THIS RICH AND SUCCESSFUL NATION OF OURS SPENT MORE FOR WAR IN THE PAST DECADE

THAN WE SPENT FOR SCHOOLS, CHURCHES AND SOCIAL UPLIFT IN THE WHOLE OF THE LAST CENTURY!

WHY IS THIS NATION, THE MOST SECURE FROM FOREIGN ATTACK OF ANY IN THE WORLD, RUSHING TO WAR? WHAT IS IT THAT HAS LITERALLY SCARED US TO DEATH? NO FOREIGN FOE HAS TOUCHED OR THREATENED OUR SHORES; NO NATION HAS PLANNED OUR DESTRUCTION. OUR ECONOMY IS SOUND UNLESS WE LET WAR UPSET IT; OUR TECHNIQUE IS UNSURPASSED; OUR ABILITY AND TALENT HAVE ALL THE POSSIBILITIES OF THE MOST FAVORED NATIONS OF MEN. WHY THEN HAVE WE GONE COMPLETELY OUT OF OUR MINDS AND EMBARKED ON A FANTASTIC PLAN OF WORLD CONTROL AT THE COST OF NATIONAL IMPOVERISHMENT, MORAL RUIN AND THE HATE OF MANKIND?

41-3-25

WE SEEK TO ASSURE OURSELVES THAT OUR PRESENT HYSTERIA IS CAUSED SOLELY BY THE DESIGNS OF THE UNION OF SOVIET SOCIALIST REPUBLICS, A NATION SEPARATED FROM US BY THE WIDTH OF THE WORLD, WHICH HAS NEVER ATTACKED US, NEVER TAKEN OUR TERRITORY, BUT WHO SOME OF US BELIEVE IS SO DETERMINED TO RUIN US THAT IN SHEER DEFENSE WE MUST RUIN OURSELVES!

-4-

OTHERS DO NOT BELIEVE THIS. THEY SEE BACK OF THIS BELIEF THE PROPAGANDA OF A GROUP OF BUSINESS MEN IN AMERICA, WHO SEEK TO REVIVE A SYSTEM OF WORLD INDUSTRY LONG SINCE DOOMED TO EXTINCTION. UNDER THIS SYSTEM, A CLASS WITHIN A NATION, OR A WHOLE NATION, LIVED IN COMFORT, LUXURY AND POWER ON THE LAND AND LABOR OF OTHER CLASSES OR PEOPLES TOO POOR, TOO IGNORANT, AND TOO SICK TO RESIST. THIS SYSTEM, UNDER ITS VARIOUS FORMS OF SLAVE TRADE, CHATTEL SLAVERY, SERFDOM, CLASS STRUCTURE, COLONIALISM AND CENTRALIZED REGULATION OF PRICES AND MARKETS, HAS EXISTED SO LONG, YIELDED SUCH FABULOUS PROFITS, AND SUPPORTED SUCH HIGH CIVILIZATION AMONG A FAVORED FEW, THAT MANY MEN BELIEVE THAT THE SUBJECTION OF MOST MEN TO A POWERFUL FEW IS INEVITABLE, AND THAT ITS DISAPPEARANCE WOULD MEAN THE END OF CIVILIZATION AS WE NOW KNOW IT.

THIS SYSTEM OF HUMAN GOVERNMENT AND CONTROL OF WORLD INDUSTRY REACHED ITS CULMINATION IN THE COLONIAL IMPERIALISM OF THE BRITISH EMPIRE DURING THE 19th

CENTURY, AND ITS SPECTACULAR SUCCESS FIRED THE IMAGINATION AND ENVY OF ALL EUROPE AND PARTICULARLY OF THE UNITED STATES. WE FORGOT THE REVOLT AGAINST IT WHICH HAD BROUGHT THE SUPPRESSION OF THE SLAVE TRADE AND THE ABOLITION OF CHATTEL SLAVERY; WE IGNORED THE LABOR MOVEMENT WHICH INTRODUCED UNIVERSAL SUFFRAGE AND POPULAR EDUCATION AMONG WHITE WORKERS, AND WE IGNORED THE EFFORTS TO EXTEND DEMOCRATIC CONTROL OF THE WORKERS OVER INDUSTRY, AND THE DREAMS OF INCLUDING THE MASS OF DARKER WORKERS AMONG THE ENFRANCHISED WORKERS OF THE WORLD.

CURTAILING THE POWER OF OUR OWN DEMOCRACY BY RACIAL CASTE, BY THE USE OF MONEY IN POLITICS, AND BY INTRICATE POLITICAL MANIPULATION, WE AMERICANS ASSUMED THAT THE WORLD WAS GOING TO BE RULED IN THE FUTURE AS IN THE PAST, AND QUITE IGNORED THE RISE AND SPREAD OF SOCIALISM IN EVERY MODERN NATION. THE SO-CALLED SOCIALISM OF THE 19TH CENTURY WAS VAGUE AND UNCERTAIN AND AIMED AT INCREASING THE CONTROL OF INDUSTRY AND WEALTH BY POPULAR DEMOCRACY. YET THERE WAS NO MODERN NATION WHICH HAD NOT BY 1900 ATTEMPTED SOME SUCH CONTROL: BY FACTORY LAWS AND

POOR RELIEF; BY WAGE CONTROL AND CHILD LABOR LAWS; BY BUILDING ROADS, REGULATING RAILROADS AND OWNING TELEGRAPH LINES AND TELEPHONES. SOME THINKERS WENT FURTHER AND ASKED ACTUAL OWNERSHIP OF CAPITAL, AND THE FOLLOWERS OF KARL MARX SOUGHT SCIENTIFIC PLANNING OF PRODUCTION AND DISTRIBUTION; BUT UNTIL THE FIRST WORLD WAR, NO NATION HAD SUCCESSFULLY ATTEMPTED A COMPLETELY SOCIALISTIC STATE.

HOWEVER, IN THE FACE OF THE GROWING POWER OF INDUSTRY ARISING FROM THE UNION OF FINANCE CAPITAL AND COMMERCIAL MONOPOLY, SUCH AN ATTEMPT WAS BOUND TO COME SOONER OR LATER; YET IT WAS ALMOST BY ACCIDENT THAT THE ATTEMPT WAS MADE IN RUSSIA, AND MADE WHEN ITS MOST SINCERE ADVOCATES WERE LEAST PREPARED FOR THE EXPERIMENT; AND IN A NATION WHERE CONDITIONS WERE LEAST FAVORABLE FOR SUCCESS.

THE EFFECT OF THE RUSSIAN REVOLUTION WAS EXTRAORDINARY. THE LIBERAL WORLD WELCOMED IT WITH JOY. HERE IN AMERICA, DESPITE PERVENT DISCLAIMER TODAY, THERE WAS SCARCE A MAN OF VISION WHO WAS NOT EAGER WITH SYMPATHY AND APPLAUSE.

THERE WERE SOME WHO DID NOT BELIEVE THAT THE ENSUING PROPOSAL OF A SOCIALIST STATE WAS PRACTICAL. THEY DID NOT THINK IT WRONG, NOR REGARD THE ATTEMPT TO ESTABLISH IT AS EVIL. THEY MERELY THOUGHT IT IMPRACTICABLE.

HOWEVER, THE WORLD OWNERS OF INDUSTRY WERE OF A DIFFERENT MIND. THEY SAW THIS RUSSIAN EXPERIMENT REMOVING FROM INVESTMENT OPPORTUNITIES, LANDS AND LABOR WHICH HAD BEEN YIELDING 80% OR MORE OF PROFITS TO BRITAIN AND FRANCE, AND INTO WHICH AMERICAN INVESTORS LIKE HERBERT HOOVER WERE BEGINNING TO ENTER. THEREUPON WITHOUT CONSULTATION WITH CONGRESS OR PUBLIC OPINION, THIS NATION BECAME ONE OF 15 OTHERS TO FOLLOW WINSTON CHURCHILL INTO WAR AGAINST THE NEW RUSSIAN GOVERNMENT.

41-3-27

THIS WAR, WAGED FROM 1918 TO 1928, WAS STOPPED BY FOUR UNEXPECTED EVENTS:

THE COLLAPSE OF CAPITALISM
THE SECOND WORLD WAR
THE REVOLT OF COLONIES
THE RISE OF CHINA

THE COLLAPSE OF CAPITALISM IN THE GREAT DEPRESSION RELIEVED THE ARMED

PRESSURE ON THE SOVIET UNION AND GAVE THIS EXPERIMENT IN SOCIALISM AN OPPORTUNITY TO BECOME AN INDEPENDENT STATE OWNING ALL CAPITAL AND PLANNING ALL INDUSTRY.

THERE FOLLOWED THE WIDE CHARGE THAT THE NEW SOVIET GOVERNMENT HAD PREVAILED BY GRIEVOUSLY OPPRESSING THE MASS OF THE RUSSIAN PEOPLE. IT WAS FIRMLY BELIEVED THAT THE RUSSIAN PEOPLE NEEDED ONLY HELP FROM WITHOUT TO OVERTHROW A COMMUNIST TYRANNY. THIS BELIEF PERSISTED AND WAS ABOUT TO BE IMPLEMENTED BY A NEW ATTACK - WHEN GERMANY, ITALY AND JAPAN WED TO BUILD A NEW COLONIAL IMPERIALISM, AND THE WEST HAD TO CALL ON THE HELP OF THE UNION OF SOVIET SOCIALIST REPUBLICS TO OVERTHROW HITLER IN A SECOND WORLD WAR. THE SOVIETS LAID DOWN MILLIONS OF LIVES AND BILLIONS OF THEIR NEW INDUSTRY NOT ONLY TO OVERTHROW FASCISM BUT TO MAKE POSSIBLE THE FREEDOM OF INDIA AND ENCOURAGE REVOLT AGAINST COLONIAL IMPERIALISM IN CHINA.

HERE DAWNED THE OPPORTUNITY TO FACE A NEW WORLD: NOT NECESSARILY A WORLD OF COMPLETE SOCIALISM OR OF UNREGULATED PRIVATE CAPITALISM; BUT A WORLD BASED ON

SCIENTIFIC INQUIRY INTO WORK AND INCOME AS AFFECTING HUMAN PROGRESS. THIS EFFORT, EARNESTLY UNDERTAKEN BY FRANKLIN ROOSEVELT, WAS OVERTURNED COMPLETELY BY HARRY TRUMAN AS THE TOOL OF BIG BUSINESS. IF A BUCHANAN BEFORE A LINCOLN WAS A NATIONAL CALAMITY, A TRUMAN AFTER A ROOSEVELT WAS A WORLD DISASTER WHICH A THOUSAND YEARS MAY NOT RETRIEVE.

WHY DID THIS HAPPEN? IT WAS BECAUSE IN THE YEARS BETWEEN 1900 AND 1930 THE CHARACTER OF THE AMERICAN PEOPLE CHANGED. THE LEADERSHIP OF EDUCATORS AND SCIENTISTS, OF ARTISTS AND THINKERS, WAS SUPPLANTED BY THAT OF BUSINESS MEN; OUR THOUGHT AND ACTION BECAME COMMERCIALIZED. WE SAW LIFE AS BUYING AND SELLING, AND AMERICA AS PUBLIC INDUSTRY FOR PRIVATE PROFIT. BACK OF THIS LAY A PERVERTED ATTITUDE TOWARD WORK AND WEALTH, BORN OF OUR VERY PROSPERITY. WE CEASED TO THINK OF LABOR IN TERMS OF HEALTH AND HAPPINESS FOR ALL MEN, BUT IN TERMS OF ACCUMULATED WEALTH, EVEN WHEN BUILT ON DEBRIT AND THEFT. WE REGARDED MONEY AS THE OBJECT OF LIFE, AND NOT LIFE AS THE REASON FOR MONEY. WE TALKED LOUDLY OF FREEDOM AND

DEMOCRACY, BUT BY FREEDOM WE MEANT FREEDOM OF INDUSTRY TO WIELD POWER WITHOUT INTERFERENCE FROM GOVERNMENT, AND WE RESISTED ANY INCREASE OF DEMOCRACY IN INDUSTRY. WE INSISTED THAT INDUSTRY MUST BE PRIVATELY OWNED EVEN WHEN IT WAS INCREASINGLY TAKING CONTROL OF PUBLIC AFFAIRS.

THE REVOLT AGAINST THIS PHILOSOPHY OF INDUSTRY ~~WHICH HAD SWEPT EUROPE LONG BEFORE THE RUSSIAN REVOLUTION~~ NEVER PENETRATED AMERICAN BUSINESS PHILOSOPHY. IT WAS TRUE THAT THERE WERE TEACHERS, WRITERS AND THINKERS WHO PROTESTED, AND IT WAS AGAINST THE VOICE AND INFLUENCE OF SUCH MEN THAT THERE WAS LAUNCHED IN 1936 THE MOST STUPENDOUS EFFORT AT PROPAGANDA WHICH THIS WORLD EVER SAW.

IT WAS A DIRECT IMITATION OF GOEBBELS AND HITLER, AND BASED ON THE LATEST ADVANCES IN THE SCIENCE OF PSYCHOLOGY. INDUSTRY BEGAN TO TAKE OVER EDUCATION, RELIGION, SCIENCE AND ART; IT BOUGHT UP THE AGENCIES FOR INFORMING AND INFLUENCING PUBLIC OPINION. IT WAS FINANCED BY THE UNITED BANKING AND COMMERCIAL FACILITIES

OF THE NATION IN FIRM COOPERATION; IT ENGAGED THE BEST TALENT OF WRITERS, EDITORS AND MANAGERS, AND IT OFFERED THEM ONLY A CHOICE BETWEEN LYING AND SILENCE.

THE UNITED STATES WHEELED INTO LINE AS LEADER OF A RENEWED COLONIAL IMPERIALISM. ALREADY IT HAD HAWAII AND THE WEST INDIES; IT DOMINATED CENTRAL AND SOUTH AMERICA AND IT NOW TURNED TOWARD ASIA AND AFRICA.

OUR FOREIGN INVESTMENTS ROSE FROM TWO BILLIONS AT THE DAWN OF THE 20TH CENTURY TO 3½ BILLIONS AT THE OPENING OF THE FIRST WORLD WAR, 9 BILLIONS AFTER THE SECOND WORLD WAR, AND TODAY 15 BILLIONS. ADD TO THIS THE FAR LARGER DOMESTIC INVESTMENT IN WAR INDUSTRY, AND WE SEE THE HUGE PLEDGE IN A THIRD WORLD WAR.

TO BUTTRESS AND PROTECT THIS HUGE INVESTMENT WE HAVE GRADUALLY ALLIED THIS NATION WITH TYRANTS AND SCOUNDRELS: WITH AMERICAN DICTATORS LIKE DIAZ AND TRUJILLO; WITH MUSSOLINI AND HITLER IN EUROPE; WITH CHIANG, BAO DAI AND SYNGMAN RHEE IN ASIA, WITH MALAN IN AFRICA. THE UNITED STATES CONSUL TO SOUTH AFRICA REPORTED IN 1950, THAT THIS UNION "HAS A GREATER FUTURE THAN ALMOST ANY YOUNG COUNTRY IN THE WORLD. IT IS DEFINITELY GOING PLACES. CAPITAL INVESTMENTS AND LOANS ARE NOT MADE BY MERE PHILANTHROPISTS, BUT BY ASTUTE AND FAR-SEEING AMERICAN FINANCIERS AND BUSINESS

41-3-29

EXECUTIVES". THUS TODAY IT IS AMERICAN CAPITAL WHICH IS ENABLING MALAN AND TWO MILLION WHITES TO FORCE SLAVERY ON TEN MILLION COLORED FOLK IN SOUTH AFRICA, WITH 15 MILLION AMERICAN NEGROES LOOKING ON.

IT WAS OUR EXPERIENCE IN CHINA WHICH LED US TO THE VERGE OF A THIRD WORLD WAR. WE STARTED BEFORE THE FIRST WORLD WAR TO SUPPLANT BRITAIN IN CHINA. WE ALLOWED JAPAN TO SPOIL AND RAPE HER. THEN WE BOUGHT HER HALF-DEAD CORPSE FROM CHIANG-KAI-CHEK FOR SIX BILLION DOLLARS, 1700 PLANES, 760 WAR VESSELS, AND ARMS AND AMMUNITIONS FOR 166 MILITARY DIVISIONS. WE LET OUR TROOPS INVADE CHINA 40 TIMES, AND HELPED BY TREATIES TO SUBORDINATE CHINA TO FOREIGN CONTROLS.

WHEN CHINA, RISING MIRACULOUSLY FROM THE DEAD, ~~FOUND REFUGE IN COMMUNISM, WE LAID ALL THE BLAME ON THE SOVIET UNION.~~ WE REFUSED TO RECOGNIZE NEW CHINA AS A NATION, PERMITTED CHIANG STILL TO SPEAK FOR HER, AND LET HIM SUPPORT A CHINA

LOBBY OR OUR OWN FUNDS TO INFLUENCE CONGRESS. WE BOUGHT UP THE GREAT BUSINESS MONOPOLIES OF JAPAN AND THOSE WHICH THE JAPANESE HAD SEIZED IN KOREA. WE ENCOURAGED CIVIL WAR IN KOREA SO AS TO RECAPTURE LOST CHINA.

IN KOREA WE HAVE COMMITTED BY FAR ATROCITY THAT MAN EVER DID TO MAN. WE HAVE DESTROYED INDUSTRY, FARMS AND HOMES, POURED MILLIONS OF GALLONS OF FLAMING GASOLINE ON SHRIEKING MEN AND WOMEN AND TURNED A HELPLESS NATION INTO A STINKING DESERT. A STUPID AND CALLOUS ADMINISTRATION WITH A CARELESS WAVE OF THE HAND MURDERS 100,000 YOUNG AMERICANS AND A HALF MILLION KOREANS WITHOUT CONSENT OF CONGRESS, WITH NO POPULAR VOTE, AS "A LITTLE POLICE ACTION" TO SCARE THE SOVIET UNION, TO RE-CAPTURE CHINA, TO HELP ENSLAVE ASIA AND AFRICA FOR THE PROFIT OF AMERICAN CAPITAL.

IN ORDER TO ALIGN PUBLIC OPINION IN THE UNITED STATES PREDOMINANTLY BEHIND A PROGRAM SO REPUGNANT TO OUR TRADITIONS, ORGANIZED BUSINESS PROPAGANDA ORGANIZED A NEW LINE OF ATTACK ON THE SOVIET UNION AND COMMUNISM. TURNING FROM THE

FIRST ARGUMENT THAT A SOCIALIST STATE COULD NOT BE MADE TO WORK; AND PASSING BEYOND THE CHARGE THAT THE RUSSIAN PEOPLE WERE NOT IN SUPPORT OF THE SOVIET UNION, THE ATTACK WAS NOW CONCENTRATED ON THE CHARGE THAT THE SOVIET UNION WAS A CONSPIRACY AGAINST CIVILIZATION; AND THAT COMMUNISM IN ITSELF WAS INHERENTLY SO EVIL AND LED BY SUCH DISHONORABLE MEN THAT IT COULD NOT SHARE THE SAME WORLD WITH AMERICANS.

TRUMAN LAID DOWN A WORLD PLAN TO LIMIT COMMUNISM; BUT NOW REPUBLICANS AND DEMOCRATS ENTRUST DULLES WITH A PROPOSAL FOR ITS UTTER DESTRUCTION. OUR NEWSPAPERS AND PERIODICALS, OUR PRESENT GOVERNMENT, MOST OF OUR UNIVERSITIES AND CHURCHES, OUR PRESS, PERIODICALS, PLATFORMS, THEATRE, CINEMA AND RADIO PAINT THE SOVIET UNION AS A TYRANNY, ENSLAVING LABOR, ALLOWING NO FREEDOM OF OPINION, WITHOUT DEMOCRACY, UNDER DICTATORSHIP, AND PREPARING FOR WORLD-WIDE MASTERY BY WAR.

ON THE OTHER HAND THERE IS ANOTHER PICTURE OF THE SOVIET UNION, NOT PAINTED BY IDIOTS, OF A NATION, OPPRESSED AND EXPLOITED FOR YEARS, WHICH IN A GENERATION

HAS ABOLISHED ILLITERACY, FED AND HOUSED ITS PEOPLE; RAISED THE STATUS OF WOMEN AND PROTECTED FAMILY LIFE; WHICH GAVE THE LIVES OF 17 MILLION OF ITS CHILDREN TO PROTECT THE WORLD FROM HITLER; BUILT FACTORIES AND CONTROLLED RIVERS; WHICH HAS DRIVEN FROM POWER AN EVIL, CORRUPT AND SUPERSTITIOUS CHURCH AND ESTABLISHED ONE OF THE BEST SYSTEMS OF FREE POPULAR EDUCATION ON EARTH.

THOSE WHO DENY ALL THIS HAVE A RIGHT TO THEIR BELIEF, IF THE PROOF IN THEIR HANDS SATISFIES THEM. BUT THEY HAVE NEITHER MORAL RIGHT NOR SCIENTIFIC JUSTIFICATION TO ENFORCE THIS BELIEF ON OTHERS BY INQUISITION AND UNJUST PUNISHMENT. IT IS PERFECTLY CLEAR TO HONEST AMERICANS THAT OUR KNOWLEDGE OF COMMUNISM AND THE SOVIET UNION IS NOT BASED ON SCIENTIFIC RESEARCH AND UNBIASED INQUIRY, BUT IS FORCED ON THE PUBLIC BY CONFESSED TRAITORS, LIARS AND INFORMERS; DISGRUNTLED LANDHOLDERS AND DISPOSSESSED OFFICIALS; THAT OUR ORGANS OF INFORMATION POUR THIS UPON THE PUBLIC CONTINUOUSLY, AND SUPPRESS NEARLY EVERY FACT WHICH CONTRADICTS THIS PICTURE.

J1-3-31

FACING A WORLD-WIDE UPSURGE OF LABOR, A REVOLT OF THE DARKER RACES, AND A REFUSAL OF MOST MEN TO BELIEVE THAT THE MAJORITY OF MEN MUST BE POOR, IGNORANT AND SICK IN ORDER THAT INDUSTRY AND CIVILIZATION MAY PROGRESS, THE UNITED STATES HAS PLACED ITSELF AT THE HEAD OF REACTION. WE TRY TO PLAY DOWN THE PROBLEM OF AMERICAN NEGROES BY BRINGING SOME OF THEM TO TRAVEL ABROAD AND LIE ABOUT OUR VIOLENCE, DISFRANCHISEMENT, AND DISCRIMINATION; WE CONCEAL OUR CONCERTED ATTACK ON UNION LABOR AND OUR TREATMENT OF THE FOREIGN-BORN. TODAY FASCISM LIVES AGAIN UNDER OUR LEADERSHIP.

NEVER IN MODERN HISTORY HAS IT BEEN SO DIFFICULT FOR THE AVERAGE CITIZEN TO OBTAIN AN HONEST PICTURE OF MANKIND AND ITS DEEDS AS TODAY IN THE UNITED STATES OF AMERICA. NO AMERICAN TODAY CAN RISE FROM HIS MORNING NEWSPAPER, MUCH LESS HIS EVENING TABLOID, WITHOUT FEELING SICK AND DISGUSTED, NOT MERELY WITH WHAT IS HAPPENING, BUT WITH WHAT HE DOES NOT KNOW AND CANNOT FIND OUT.

THIS IS THE DAY OF ALL DAYS WHEN WE NEED THE LEADERSHIP OF SCIENCE IN HISTORY, PSYCHOLOGY AND SOCIOLOGY, AND THIS IS THE DAY THAT MOST SOCIAL SCIENTISTS, WITH ONE ACCORD, ARE DEAF AND DUMB. COLLEGE PRESIDENTS AND SCHOOL ADMINISTRATORS CAN BE DEPENDED UPON TO RENDER SERVICE TO ANY CAUSE, FROM UNIVERSAL MILITARY SERVICE TO OUSTING PROFESSORS WHO DARE THINK, AT THE COMMAND OF THE INDUSTRIAL LEADERS WHO DOMINATE THEIR TRUSTEE BOARDS.

THIS PICTURE MAY BE DISPUTED IN SOME DETAILS, BUT OUR GRAND-CHILDREN, LOOKING BACK ON THESE DAYS OF DISGRACE, WILL USE FAR HARSHER WORDS THAN MINE TO DESCRIBE THIS AGE AS THE MOST SHAMEFUL IN ALL OUR HISTORY, THE MOST INEXCUSABLE, UNJUST AND HATEFUL; AS A TIME WHEN WE SACRIFICED OUR OWN SELF-RESPECT IN ORDER TO GET RICH.

BOASTING OF OUR DEMOCRACY, WE PLACE AT THE HEAD OF A CONGRESSIONAL COMMITTEE TO PRESERVE IT FROM UN-AMERICAN ACTIVITIES, FIRST, A CONVICTED THIEF, AND NOW JOHN STEPHENS WOOD OF GEORGIA. HIS DISTRICT, WITH 150,000 VOTERS, HAS SENT

HIM TO CONGRESS SIX TIMES, BUT IN NO SINGLE ELECTION HAVE MORE THAN A FIFTH OF THE VOTERS DARED GO TO THE POLLS, AND NOT A SINGLE VOTE HAS EVER BEEN CAST AGAINST HIM. WOOD HAS BEEN PUBLICLY ACCUSED OF MISUSE OF PUBLIC FUNDS, BUT THE DEPARTMENT OF JUSTICE HAS BEEN SO BUSY TRYING TO PUT ME IN JAIL FOR PREACHING PEACE THAT IT HAS FOUND NO TIME TO PROSECUTE WOOD.

THIS IS OUR PLIGHT. WHAT CAN WE DO ABOUT IT? WE CAN VOTE. DO NOT LAUGH. THE UNITED STATES, NO MATTER HOW CURTAILED OUR RIGHTS ARE BECOMING, STILL RETAINS SOME POWERS OF DEMOCRACY. I KNOW HOW MANY OF YOU HAVE STOPPED GOING TO THE POLLS IN SHEER DISGUST. BUT COME WITH US THIS TIME -- YOUR COUNTRY NEEDS THIS YEAR THE 50 MILLION VOTERS WHO ANNUALLY FAIL TO VOTE, IN ORDER TO BALANCE THE GAMBLERS, THE BRIBED AND BOUGHT, AND THE CONGENITAL COWARDS WHO WILL BE OUT IN FORCE. THE FLIMSIEST EXCUSE FOR VOTING WRONG IS THAT THE RIGHT CANNOT WIN. THE RIGHT HAS WON IN THE PAST AND WILL WIN IN THE FUTURE. IT LOSES ONLY WHEN YOU LET IT LOSE.

LET US LOOK AT THE CANDIDATES. IF YOU WANT PEACE, DO NOT ELECT TO THE PRESIDENCY A MAN TRAINED FOR WAR. IF YOU WANT WAR, ELECT EISENHOWER AS PRESIDENT BECAUSE WAR IS ALL HE KNOWS. DESPITE HIS GENIAL EFFORT TO BE ALL THINGS TO ALL MEN, EISENHOWER SHOWS IN EVERY WORD HIS LAMENTABLE IGNORANCE OF THE MEANING OF THE MODERN WORLD. AND WITH HIS BACKING THE ONE THING HE WILL NOT AND CANNOT PROMISE IS PEACE.

WE SEE IN MODERN CORPORATE WEALTH THE MOST DANGEROUS POWER EVER LOOSED ON MANKIND. IT IS ABOVE AND BEYOND THE LAW. IT PLOTS THE LEGISLATURE AND THE EXECUTIVE. IT PLANS PRODUCTION, ORDERS DISTRIBUTION, ESCAPES FAIR TAXATION, MAKES WAR AND STOPS PEACE. ROBERT TAFT REPRESENTS THIS CORPORATE WEALTH, BOTH AS LAWYER AND AS PROPERTY OWNER. HIS INHERITED WEALTH IS BASED ON CITY LAND VALUES, THE LEAST DEFENSIBLE METHOD OF ACCUMULATING PRIVATE PROPERTY. AS A CORPORATION LAWYER, HIS CONTEMPT FOR THE BRAINS OF THE MASS OF AMERICANS LEADS HIM IMPUDENTLY TO CONTRADICT HIMSELF TIME AFTER TIME, WITHOUT APOLOGY AND WITHOUT REASON. IF THIS IS THE TYPE

41-3-33

OF MAN YOU DECIDE TO GIVE THE VAST POWER OF THE PRESIDENCY, YOU MIGHT AS WELL REPLACE CONGRESS WITH THE NATIONAL ASSOCIATION OF MANUFACTURERS AND DECLARE THESE TRUTHS TO BE SELF-EVIDENT THAT ALL BUSINESS MEN HAVE THE RIGHT TO SET WAGES, AND THAT PROPERTY HOWEVER GOTTEN IS THE GIFT OF GOD.

WHO ELSE CAN YOU ELECT? WHO, WHAT, AND WHY IS STASSEN? DO WE WANT TELEVISION VAUDEVILLE IN KEFAUVER, OR SHALL RUSSELL REPRESENT THE PRO-SLAVERY SOUTH AND OPPOSITION TO NEGRO CIVIL RIGHTS? COMPLETE THE CORNY LIST WITH WARREN AND HIS NEVER FULFILLED PROMISES TO AGE AND LABOR: KERR DOWN IN OIL; STEPHENSON, COY AND SILENT: AND HARRIMAN, HEIR OF RAILWAY MANIPULATION, WHO HELPED EUROPEAN CAPITAL REGAIN ITS GRIP ON LABOR, AND AMERICAN CAPITAL TO FASTEN ITS CLAWS ON EUROPE. AND FINALLY, THE UNSPEAKABLE MENACE OF MORE TRUMAN! OR EVEN OF THAT SOLDIER WHO IS DEAD AND DOES NOT KNOW IT!

THE PROGRESSIVE PARTY IS YOUR ONLY ALTERNATIVE FOR DOING WHAT THE WORLD MUST DO, AND THAT IS, INCREASINGLY TO CONTROL THE POWER OF CORPORATE WEALTH OVER

THE PRODUCTION AND DISTRIBUTION OF GOODS — A TASK WHICH WE WOULD HAVE, IF THE SOVIET UNION HAD NEVER EXISTED.

IN 1948 WE SOUGHT A GREAT LEADER ON A NOBLE PLATFORM. HE GOT FRIGHTENED AND RAN OUT ON US TO BE BAPTIZED IN THE BLOOD OF KOREA. BUT THE PLATFORM DID NOT RUN. IT STANDS AND LIVES AND GROWS AND BY THE ETERNAL GOD SHALL YET TRIUMPH!

THIS YEAR VOTE FOR VINCENT HALLINAN, A LAWYER AND LABOR LEADER WHO IS IN JAIL BECAUSE TODAY PRISON IS THE HIGHEST ACCOLADE THIS NATION CAN BESTOW ON ITS HEROES; AND FOR CHARLOTTE BASS WHO REPRESENTS BLACK AMERICA AND AMERICAN WOMANHOOD. AS IF ONE CROWN OF THORNS WERE NOT ENOUGH SHE DARES WEAR TWO!

41-3-34

THIS YEAR THERE HAS BEEN NO SPRING IN AMERICA; NO DAFFODILS HAVE BLOOMED NOR TURIPS REDDENED THE SUNRISE. ALL WE SAW WAS DEATH AND PRISONERS IN KOREA, ATOM BOMBS IN ARIZONA, WAR IN THE WORLD, AND LITTLE CHILDREN PLAYING WITH GUNS. WE HAIL DEATH AND TAKE LIFE AND THANK GOD THAT WE ARE RICHER THAN THE POOR AND SAFER THAN THE DAMNED!

YET WE ARE NOT DEVILS; WE DO NOT WILL EVIL; ONLY TODAY WE ARE MISLED,

AND FOR A SEASON QUITE INSANE. WE CAN BE CURED. WE CAN CURE OURSELVES IF ONLY WE WILL. IF WE CAN ONCE AGAIN BELIEVE IN HUMANITY AND CLOSE OUR EARS TO LIES; AND WE CAN SAY TO AMERICAN INDUSTRY OF WHICH ONCE WE WERE SO PROUD — SO FOOLISHLY EVEN PROUD — PEACE! BE STILL!

OUR GUEST OF HONOR TONIGHT HAS THE UNIQUE DISTINCTION OF BEING THE ONLY AMERICAN POLITICAL LEADER IN THIS CENTURY WHO HAS GUIDED A THIRD PARTY MOVEMENT THROUGH TWO SUCCESSIVE CAMPAIGNS. DURING THE 19TH CENTURY THREE TIMES PARTIES HAVE LASTED THROUGH TWO CONSECUTIVE CAMPAIGNS, AND THE CHIEF INSTANCE WAS IN THE CASE OF THE REPUBLICAN PARTY,- IN 1856 AND 1860. THIS DOES NOT MEAN THAT REVOLT AGAINST DOMINANT PARTIES HAS NOT EXISTED OVER LONG PERIODS, BUT IT ILLUSTRATES VIVIDLY THE BITTER AND CONCENTRATED OPPOSITION TO ANY CHALLENGE TO THEIR POWER WHICH THE TWO LEADING PARTIES HAVE ALWAYS BEEN ABLE TO BRING TO BEAR AND SO TO CONCENTRATE ON CURRENT LEADERSHIP THAT IT WAS DRIVEN INTO OBLIVION BY THREAT AND DISGRACE, UNTIL IT WITHDREW AND NEW LEADERSHIP TOOK OVER AND TRIED TO RENEW THE SAME OPPOSITION.

36-9-115

THUS FOR TWENTY YEARS THE IRREPRESSIBLE OPPOSITION TO SLAVERY FOUND EXPRESSION IN THIRD PARTY MOVEMENTS. THE SENTIMENT BACK OF THE LIBERTY PARTY

APPEARED FOR TWO CAMPAIGNS IN 1840 AND 1844, BUT REAPPEARED IN 1848 AS THE ESSENTIALLY DIFFERENT FREE SOIL MOVEMENT. TWO CAMPAIGNS KILLED THAT PARTY AND THE REPUBLICAN APPEARED IN THE CAMPAIGN OF 1856 WITH A MODIFIED VERSION OF FREE-SOIL IDEAS, UNDER NEW LEADERS. IT TRIUMPHED IN 1860 WHEN THE MILLION VOTES WHICH THE DIXIECRATS OF THAT DAY WITHDREW FROM THE DEMOCRATS PERMITTED THE ELECTION OF LINCOLN AS A MINORITY PRESIDENT. EACH TIME IN OUR HISTORY WHEN THE TWO DOMINANT PARTIES HAVE UNITED ON A SINGLE PLATFORM, THE EFFORT TO PREVENT ANY ACTUAL CONCENTRATION OF OPPOSITION INTO A RECOGNIZED THIRD PARTY HAS BEEN BITTER AND ALMOST IRRESISTIBLE. LEADERS OF SUCH EFFORTS HAVE BEEN REVILED, THEIR MOTIVES MISREPRESENTED, AND EVERY EFFORT MADE TO STIGMATIZE SUCH MOVEMENTS AS UNPATRIOTIC AND EVEN CRIMINAL.

THE FACT THAT BEANIE BALDWIN HAS BEEN THE ONE MAN OF OUR ERA TO FIGHT THIS TACTIC SUCCESSFULLY IS A RARE DISTINCTION, EARNED AT A COST WHICH FEW, EVEN OF HIS FRIENDS

REALIZE. THIS DINNER, THEREFORE, IS MORE THAN A TRIBUTE TO THE LEADER OF THE PROGRESSIVE PARTY IN ITS SECOND PRESIDENTIAL CAMPAIGN. IT IS EVEN MORE OR OUGHT TO BE A DECLARATION OF INDEPENDENCE OF THE RIGHT OF THE PEOPLE OF THE UNITED STATES TO INSTIGATE THIRD PARTY MOVEMENTS AND PERMIT THEM TO FUNCTION WHENEVER A GROUP OF CITIZENS BELIEVE THEM NECESSARY FOR THE REORIENTATION OF OUR POLITICAL OBJECTIVES. IF SUCH A RIGHT HAD BEEN RECOGNIZED IN 1840 WE WOULD HAVE NEEDED NO CIVIL WAR TO ABOLISH HUMAN SLAVERY. IF IT IS RECOGNIZED IN 1952 WE CAN HAVE PEACE AND SOCIAL CONTROL OF PREDATORY WEALTH WITHOUT THE SUICIDE OF A THIRD WORLD WAR. FEW PEOPLE REALIZE HOW DESPERATE AND CRIMINAL THE OPPOSITION TO ALLOWING A THIRD PARTY TO SPEAK FREELY AND FUNCTION PUBLICLY CAN BE.C TODAY ESPECIALLY WHEN BOTH MAJOR PARTIES ADVOCATE WAR AND WIDE PREPARATION FOR WAR AND OPPOSE THE INCREASE OF CONTROL OF INDIVIDUAL OR CORPORATE WEALTH, WHAT THIS NATION MUST FIGHT FOR AND WHAT OUR GUEST HAS BEEN FIGHTING FOR IS OUR RIGHT TO VOICE OPPOSITION TO THIS PROGRAM AND SUGGEST A REMEDY WITHOUT BEING OSTRACIZED AS FOOLS OR CRUCIFIED AS CRIMINALS.

TRADE UNIONS AND COLONIES

IT IS A SINGULAR FACT THAT UNTIL RECENTLY LABOR UNIONS HAVE FELT NO INTEREST IN COLONIAL PROBLEMS. THE REASONS ARE OBVIOUS. COLONIAL PEOPLES ARE STRANGERS TO THE AVERAGE AMERICAN OR BRITISH WORKER: THEY ARE STRANGE IN APPEARANCE, IN COLOR AND HAIR; STRANGER IN CULTURE + IN CLOTHES AND HOMES; IN LANGUAGE AND RELIGION; IN FOLKWAYS. THEY EASILY APPEAR AS CURIOSITIES AND CARICATURES. THIS IS THE REASON THAT WHEN LABOR CAME INTO POLITICAL CONTROL OF GREAT BRITAIN LITTLE CHANGE WAS REFLECTED IN THE COLONIAL POLICY OF THE EMPIRE. IT WAS STILL BASED ON IGNORANCE, POVERTY AND DISEASE FOR BLACK AND BROWN OUT OF WHICH CAME LUXURY for the rich, POWER AND HIGH WAGE FOR WHITE LABOR.

I REMEMBER WHEN IN 1923 RAMSAY MCDONALD, THE GREAT LABOR LEADER, HAD TO BREAK HIS ENGAGEMENT TO SPEAK FOR ME AT THE PAN-AFRICAN CONGRESS IN LONDON BECAUSE OF THE GENERAL ELECTION WHICH MADE HIM PRIME MINISTER THE FOLLOWING YEAR.

35-10-123

I EXPECTED MUCH FROM HIS ADMINISTRATION, BUT COLONIES RECEIVED SCANT ATTENTION. SO LATER WHEN ERNEST BEVIN BECAME BRITISH FOREIGN MINISTER AGAIN THE COLONIAL POLICY OF THE LABOR GOVERNMENT WAS NO DIFFERENT FROM THE CONSERVATIVE. INDEED, IT IS SAID THAT CHURCHILL REMARKED AFTER BEVIN'S FIRST STATEMENT OF FOREIGN POLICY, "HOW FAT EDEN HAS GROWN," CONTRASTING BEVIN WITH HIS thin TORY PREDECESSOR.

IN THE UNITED STATES, THE MILLIONS OF YELLOW, BROWN AND COLORED WORKERS OF COLONIAL COUNTRIES HAVE HAD LITTLE EFFECT ON THOUGHT OR POLICIES. WHEN THE AMERICAN TRADE UNIONS WITHDREW FROM THE WORLD FEDERATION, FEW OF THEIR MEMBERS KNEW THAT ONE UNDERLYING REASON WAS BECAUSE THE WHITE BRITISH UNIONS WANTED to CONTROL AND SPEAK FOR THE COLORED UNIONS, WHILE THE AFRICANS WANTED INDEPENDENT VOICE AND ACTION. WE JOINED BRITAIN IN REJECTING THIS DEMAND. HOWEVER, IN OUR OWN NATION, AN ANALOGOUS DEMAND THAT NEGROES, LIVING THEN CHIEFLY IN THE SOUTH, BE EITHER DENIED UNION MEMBERSHIP OR SEGREGATED, BEGAN TO DISAPPEAR BEFORE NEGRO

35-10-124

MIGRATION NORTH/AND THEIR ENTRANCE INTO INDUSTRIAL COMPETITION/WITH WHITE WORKERS. THEN CAME THE DISCOVERY/THAT NEGROES WERE MEN/AS GOOD OR BAD/AS OTHER MEN/AND AS WORTHY OF UNION BROTHERHOOD.

BUT THE LABOR MOVEMENT/NOW COMES TO ANOTHER PHASE/OF THIS SAME PROBLEM AND THAT IS/THEIR FUTURE RELATION/TO OTHER COLORED WORKERS/AROUND THE WORLD. AND THIS IS NO ACADEMIC PROBLEM/OF NO IMMEDIATE INTEREST// WHITE AND BLACK WORKERS OF THE WORLD/ARE STILL SEPARATED AND UNACQUAINTED/ BUT NOT NEARLY SO WIDELY AS 100 YEARS AGO// THE FIRST TIME I WENT TO EUROPE/TRAVEL TOOK TWO WEEKS;/THE LAST TIME/IT TOOK 18 HOURS// WHEN I WENT TO AFRICA IN 1923,/ IT REQUIRED A MONTH OF TRAVEL// I COULD MAKE THE TRIP TOMORROW/IN 48 HOURS.// BUT IF PHYSICAL DISTANCE HAS THUS LESSENED/ INDUSTRIAL TIES OF WORK AND WAGE,/ OF TRADE AND COMMERCE,/HAVE EQUALLY/CLAMPED THE IMPERIAL POWERS/AND THE COLONIAL WORLD TOGETHER.// THIS IS TRUE IN FOOD SUPPLY AND CLOTHING/ BUT ESPECIALLY IN METALS.//METALS ARE THE BASIS OF CIVILIZATION// PRIMITIVE MAN USED STONE,/ WOOD AND BONE/FOR TOOLS AND WEAPONS,/ BUT

35-10-125

STARTED ON THE ROAD TO CIVILIZATION/WHEN COPPER AND IRON/ GOLD AND SILVER,/BRONZE AND BRASS/CAME INTO KNOWLEDGE AND USE// THEIR DISCOVERY AND USE MADE HISTORY.// ALEXANDER BECAME GREAT ON THE MINES OF THRACE// CARTHAGE DOMINATED THE MEDITERRANEAN THROUGH THE MINES OF NORTH AFRICA/AND SPAIN//AND ROME CONQUERED CARTHAGE/TO SECURE HER MINERAL WEALTH.// THE HOLY ROMAN EMPIRE/WAS BUILT ON THE SPANISH CONTROL/OF THE MINES AND MINERALS/OF THE AMERICAS.

TODAY METALS ARE INDISPENSABLE FOR THREE USES// STRUCTURE AS IN THE CASE OF IRON;/TRANSMISSION OF POWER/AS IN THE CASE OF COPPER;/ AND CHEMICALS/AS IN THE CASE OF PETROLEUM OIL.// THE INCREASE/IN THE USE OF THESE MATERIALS/DURING THIS CENTURY/HAS BEEN AMAZING:// PIG IRON HAS INCREASED IN USE/FROM A HALF MILLION TONS/ IN 1900/TO OVER 100 MILLION TODAY//COPPER FROM 18,000 TONS/TO TWO MILLION://THIS SHOWS/NOT ONLY MIRACULOUS INCREASE/IN THE INDUSTRIAL USE OF METALS/FROM WELLS AND MINES,/ BUT THE WAY IN WHICH/A NEW WORLD OF INDUSTRY AND LABOR/IS THREADED TOGETHER.

//OF THE BONDS OF INDUSTRY/YOU ARE MORE OR LESS AWARE -- TEN GROUPS CONTROL THE

35-10-126

COPPER OF THE WORLD.// DESPITE OWNING OUR OWN IRON MINES/ WE IMPORTED THREE MILLION TONS IN 1930/ AND MUCH MORE IN 1950.// WE IMPORT MINERALS OF EVERY KIND/ WHICH LABORERS OF OTHER NATIONS AND CONTINENTS/ MINE, DIG AND PROCESS.// THOSE LABORERS ARE YOUR COLLEAGUES AND FELLOW WORKERS.// WHAT YOU EARN/ DEPENDS ON WHAT THEY EARN. THEIR STANDARDS OF LIVING INDIRECTLY DETERMINE YOURS.// THE GREATEST RESERVES OF COPPER IN THE WORLD/ ARE IN AFRICA;/ THE IRON AROUND LAKE SUPERIOR/ IS 50% PURE,/ BUT THE IRON/ WHICH WE ARE JUST BEGINNING TO IMPORT/ FROM LIBERIA/ IS 70% PURE AND THE LEDGE/ FROM WHICH ITS FABULOUS SUPPLY COMES/ IS LEASED FOR 80 YEARS TO AN AMERICAN CORPORATION.// NEGROES WHO MINE THIS IRON/ GET LESS THAN A DOLLAR A DAY/ AND HAVE NO UNION.// THE COPPER MINERS OF RHODESIA/ HAVE A SMALL UNION AND RECENTLY STRUCK FOR $2 A DAY/ AND WON ONLY A PART OF THEIR BATTLE.// OUT OF SOUTH AFRICA,/ WHICH OUR CONSUL IN 1950/ CALLED THE MOST PROMISING NATION OF THE WORLD,/ NEGROES WORKING UNDER PRISON CONDITIONS/ FURNISH THE WORLD/ WITH GOLD AND DIAMONDS/ AT LESS THAN A DOLLAR A DAY.// OUR VAST OIL RESERVES/ ARE BEING DEPLETED,/ BUT THE OIL OF VENEZUELA

AND MOST OF THE NEAR EAST/ BELONGS TO AMERICAN BUSINESSMEN,/ AND WE ARE GAMBLING DESPERATELY/ FOR THE OIL OF IRAN,/ WHERE THE WORKERS ARE IGNORANT,/ DISEASED AND MISERABLY POOR.

35-10-127

ALL THIS IS YOUR PROBLEM.// ONCE THE TRADE UNIONS/ OF THE CIVILIZED WORLD THOUGHT/ THAT THEY HAD NO INTEREST IN COLONIES/ AND COLONIAL PEOPLES.// AS PART OF THE WHITE IMPERIAL WORLD/ THEY THOUGHT TO SHARE THE PROFITS/ WHICH ORGANIZED INDUSTRY/ SUCKED OUT OF THESE UNFORTUNATES/ BY LOW WAGES, UNDERPRICED MATERIALS/ AND NO EXPENSE/ FOR EDUCATION OR SUPPRESSION OF DISEASE.// EVEN THEN,/ THE WAGE OF WORKERS IN BRITAIN/ AND THE RIGHT TO VOTE IN AMERICA/ WERE PAID FOR BY WAR AND TAXES.// IN THE 100 YEARS/ BETWEEN 1817 AND 1917/ THERE TOOK PLACE IN THE WORLD/ 204 WARS.// THE VICTIMS OF THOSE WARS -- THE KILLED, CRIPPLED AND INSANE;/ THE IMPOVERISHED AND HOPELESS,/ WERE MAINLY FROM THE WORKING CLASSES OF THE WORLD,/ AND THE REASONS FOR THE FIGHTING/ WERE MAINLY GREED, AVARICE, CUPIDITY/ OR RUTHLESS DESIRE FOR PRIVATE GAIN/ AT ANY COST TO PUBLIC WELFARE. LOOK AT THESE WARS:

35-10-128

THE NAMES/OF THE WARS/SHOW IN PART THEIR OBJECT.// THE WAR FOR INDEPENDENCE OF GREECE;/ THE CRIMEAN WAR TO CONTROL THE BALKANS;/ THE CIVIL WAR OVER SLAVERY IN THE UNITED STATES/ THE FRANCO-PRUSSIAN WAR/FOR LEADERSHIP IN EUROPE/ THE RUSSO-TURKISH WAR FOR CONTROL OF THE NEAR EAST;/ THE RUSSO-JAPANESE WAR/BETWEEN EUROPE AND ASIA;/ THE FIRST WORLD WAR/FOR RE-ASSORTMENT OF COLONIES.// THESE WERE THE GREATER CONFLICTS./ BUT THERE WERE OTHERS.// THE 1830 REVOLUTION IN POLAND;/ CIVIL WARS IN SPAIN;/ THE SERIES OF BRITISH WARS IN INDIA;/ THE OPIUM WAR TO FORCE CHINA TO BUY BRITISH OPIUM;/ THE WIDE EUROPEAN REVOLUTIONS OF 1848;/ THE REVOLT IN CHINA;/ WARS AGAINST DENMARK;/ KAFFIR WARS IN AFRICA;/ REPEATED WARS AGAINST INDIANS IN THE UNITED STATES;/ MUTINY IN INDIA;/ THE AUSTRIAN WAR AGAINST SARDINIA;/ THE WAR BETWEEN FRANCE AND MEXICO;/ THE SEVEN WEEKS WAR/OF GERMAN JUNKERS IN EUROPE;/ THE REVOLUTION IN MEXICO;/ THE ZULU WARS AND THE BOER WARS IN AFRICA;/ THE WARS OF THE MAHDI IN THE SUDAN;/ THE MATABELE WARS IN SOUTH AFRICA;/ THE SINO-JAPANESE WAR;/ THE SPANISH-AMERICAN WAR;/ THE REVOLUTION IN CHINA;/ THE WAR BETWEEN ITALY AND TURKEY;

ALL THESE/AND 100 SMALLER CONFLICTS/WHICH CAME AFTER THE FALL OF NAPOLEON AND BEFORE THE RUSSIAN REVOLUTION/ IN AN ERA/WHICH IS OFTEN CALLED/THE HUNDRED YEARS OF EUROPEAN PEACE!

THE OBJECT OF THESE WARS/ WAS TO CONTROL THE LABOR OF MANKIND;/ TO KEEP THE WAGES OF MOST MEN/DOWN TO THE STARVATION LEVEL;/ TO KEEP MOST MEN IGNORANT;/ TO LET THE MASS OF MEN/PERISH FROM CURABLE DISEASE.

TO ILLUSTRATE WHAT I AM SAYING,/ LET ME CENTER YOUR ATTENTION/ON ONE CONTINENT;/ AFRICA; AND ONE PART OF THAT CONTINENT;/ THE UNION OF SOUTH AFRICA./ I MENTION THESE/BECAUSE TODAY/AS YOU AND THE WORLD KNOW,/ THIS AREA IS ~~NOW~~ IN INCREASING UPHEAVAL./ AND THIS UPHEAVAL/IS ONLY TOO NATURAL WHEN YOU THINK OF THE PAST.// DIAMONDS/WERE DISCOVERED IN SOUTH AFRICA/IN 1867,/AND IN 1885/GOLD.// THIS SEALED THE FATE/OF THE UNFORTUNATE PEOPLES/WHO LIVED IN THAT LAND.// FOR MOST OF THEM/IT WAS NO BLESSING/BUT A CURSE.// IN 1899/CAME WAR BETWEEN THE BOERS AND THE ENGLISH TO CONTROL THE GOLD AND DIAMONDS,/AND TEN YEARS LATER/THE UNION OF SOUTH AFRICA

THE PRESENT COLD WAR,/ THE KOREAN WAR,/ AND THE IMMINENT THIRD WORLD WAR/

ARE SIMPLY ATTEMPTS/TO REDUCE THE LABOR OF THE WORLD/AND ITS MATERIALS/TO THE CONTROL OF AMERICAN BUSINESS/AND THUS TO PUT AMERICAN LABOR/INTO COMPETITION WITH THE CHEAPEST/AND MOST IGNORANT unorganized LABOR/OF THE WORLD/AND TO KEEP THE MOST INTELLIGENT LABOR/OF THIS ERA/STOPPED FROM ANY GREAT IMPROVEMENT/OF ITS CONDITION/BY COMPULSORY MILITARY SERVICE,/INCREASING TAXATION,/INFLATED PRICES,/and THE DETERIORATION OF PUBLIC EDUCATION, HOUSING AND SOCIAL SERVICES.

LABOR WAS ONCE LED TO BELIEVE/THAT THE IGNORANCE AND INEFFICIENCY/OF COLORED LABOR/WAS NATURAL AND INCURABLE/AND THAT WHITE LABOR/HAD A RIGHT AND DUTY/TO RIDE ON THEIR BACKS.// TODAY THIS THEORY/HAS BEEN PROVEN FALSE. /DEGRADATION OF BLACK LABOR/DOES NOT INCREASE THE WAGE/OR STRENGTHEN THE POSITION/OF WHITE LABOR; ON THE CONTRARY/IT IS THE CAUSE/OF THE INABILITY OF WHITE LABOR/PERMANENTLY TO BETTER ITS CONDITION/AND MAKE LABOR/AS SUCH RESPECTABLE AND DECENT/CAPABLE OF HIGH EDUCATION,/CONTRIBUTING TO CIVILIZATION,/ART AND SCIENCE.// THE PLIGHT OF THE WORKINGMAN IN CHINA,/AFRICA AND THE WEST INDIES/IS YOUR PROBLEM AS WELL AS ~~HIS~~, theirs -

BUT THERE IS ANOTHER/AND A MORE FUNDAMENTAL THOUGHT/WHICH LABOR IN THE MODERN WORLD/MUST CONSIDER.// THEY MUST GET RID/OF THE ANCIENT IDEA/THAT CERTAIN KINDS OF LABOR,/ESPECIALLY THAT OF MINERS AND SMELTERS/AND THOSE WHO DO THE HARD AND DIRTY WORK/IN STEEL MILLS AND BUILDING OPERATIONS/AND PARTICULARLY HIRED HELP IN HOMES AND ON FARMS,/- THAT THIS KIND OF WORK/IS IN ITSELF DISGRACEFUL/AND DESERVING OF SOCIAL CONDEMNATION/AND LOW WAGE.// CONSEQUENTLY FATHERS AND MOTHERS/WHO DO THIS WORK FOR A LIVING/WANT AT ALL COSTS/TO HAVE THEIR CHILDREN ESCAPE IT. ALMOST UNIVERSALLY,/THEREFORE, WE SEE THE WORKING CLASS/OF THE WORLD/LOOKING UPON MOST WORK/AS SOMETHING TO BE AVOIDED/AND REGARDING ESCAPE/FROM THE STATUS OF LABORER AS THE MAIN OBJECT/OF THEIR EFFORTS/ THROUGH TRADE UNIONS.

35-10-132

THIS BRINGS US FACE TO FACE/WITH A FUNDAMENTAL CONTRADICTION.// THE HARD AND DIRTY WORK OF THE WORLD/ HAS GOT TO BE DONE.// THE BETTER IT IS DONE,/ THE MORE CAREFULLY AND EFFECTIVELY,/ THE BETTER THE WORLD WILL BE.// WHATEVER WORK IS NECESSARY/AND BENEFICIAL/SHOULD BE PERFORMED/BECAUSE AND ONLY BECAUSE/THE WORLD NEEDS IT AND THE REWARD OF THE LABORER/ SHOULD BE WHAT HE NEEDS/IN ORDER TO BE A HEALTHY,/ INTELLIGENT AND WELL-ROUNDED MAN,/ NO MORE, NO LESS.// UNNECESSARY WORK SHOULD NOT BE PERMITTED/AND REWARD BEYOND REASONABLE NEED/AS WELL AS STARVATION WAGE/SHOULD BE ILLEGAL.

WHAT, THEN, THE WORLD WANTS/AND WHAT GRADUALLY/IT IS COMING TO REALIZE/AS ITS IDEAL,/ IS A DISTRIBUTION OF THE NECESSARY WORK/ OF THE WORLD/AMONG MEN/CAREFULLY PREPARED/IN MIND AND BODY/TO DO THIS WORK/AND TO DO THIS WORK/FOR THE BENEFIT OF A BETTER AND HIGHER MANHOOD/AND NOT SIMPLY/AS THEIR SOLE MEANS OF SURVIVAL. WHEN THIS STAGE IS REACHED/ THERE MUST BE NO SOCIAL DEGRADATION/OR COMPULSORY POVERTY,/ IGNORANCE AND DISEASE/ATTACHED TO THE PERFORMANCE OF NECESSARY WORK.// BECAUSE,

35-10-139

INDEED,/ THERE ARE SINGULAR LIKENESSES TODAY/BETWEEN KINDS OF WORK/WHICH ARE VERY DIFFERENTLY REWARDED.// BETWEEN THE DENTIST AND THE MINER,/ FOR INSTANCE,/ THERE IS NO FUNDAMENTAL DIFFERENCE.// THEY BOTH DIG AND EXTRACT,/ BUT THE ONE IS GIVEN EDUCATION,/ TRAINING/AND A REWARD WHICH FURNISHES HIM/LEISURE TO ENJOY LIFE,/ WITH RECOGNITION FROM HIS FELLOW-MEN.// WHILE THE MINER IS FORTUNATE/IF HE GETS INSUFFICIENT FOOD/AND POOR CLOTHES/AND THE DISESTEEM OF HIS OWN FAMILY.// THE PHYSICIAN ENCOUNTERS AS MUCH DIRT AND WASTE/AS THE SMELTER.// THE LAWYER COMES IN CONTACT WITH CRIME AND SHAME/MORE CLOSELY/THAN THE SCAVENGER.// BUT WHILE THE PROFESSIONAL MAN CAN ATTEND THE OPERA,/ THE LOWEST OF THE WORKERS/HARDLY GETS A CHANCE TO SLEEP.// SO THAT MEN/MUST COME TO REALIZE/THAT IT IS NOT THE KIND OF WORK/THAT A MAN DOES WHICH SHOULD SETTLE HIS SOCIAL STATUS,/ BUT THE NECESSITY OF THE WORK,/ THE TRAINING FOR DOING IT WELL,/ AND THE REWARD/WHICH ALL HONEST, NECESSARY WORK DESERVES.

WHEN BY INVENTION AND MACHINE/HARD TOIL, LIFTING AND DIGGING,/ AND REPULSIVE CONDITIONS/CAN BE AVOIDED,/ THE RESULTS OF SUCH INVENTION/SHOULD GO TO ALL

WORKERS /AND NOT BE THE MONOPOLY OF THE FEW.// THE RESULT OF LESSENED NEED OF TOIL / SHOULD NOT BE UNEMPLOYMENT/ BUT BETTER PAID WORK/ FOR THE MASS./ EDUCATION FOR ALL; HIGHER TRAINING FOR THE GIFTED;// LEISURE FOR HUMAN BEINGS, / IS POSSIBLE NOW /AND WHERE THESE ARE LACKING/ SOMETHING IS WRONG/ WITH OUR INTELLIGENCE AND ORGANIZATION.

35-10-140

THIS IDEAL IS ABROAD IN THE WORLD,/ BUT IT IS BEING HELD BACK/ AND KEPT DOWN/ BY THE STATUS OF COLONIAL PEOPLES/ WHO HAVE BEEN/ MORE THAN WORKERS IN CIVILIZED LANDS/ OPPRESSED AND DISTORTED/ BY POVERTY, IGNORANCE, AND DISEASE.// NO FIGHT FOR THE EVENTUAL IMPROVEMENT/ ~~IN EQUALITY~~ OF THE WORKERS/ IN THE UNITED STATES, FRANCE, AND GREAT BRITAIN,/ WILL BE SUCCESSFUL/ UNTIL THEY CEASE TO BE PULLED DOWN AND KEPT BACK/ BY THE CONDITIONS IN AFRICA, ~~[redacted]~~ ASIA, and the WEST INDIES

PROGRESSIVE PARTY AND PEACE

THE PLATFORM OF THE PROGRESSIVE PARTY CALLS FOR PEACE AND PEACE NOW. // IT DEMANDS THAT THE FIGHTING IN KOREA STOP IMMEDIATELY // AND THAT ALL UNSETTLED QUESTIONS BE CONSIDERED AT THE COUNSEL TABLE. // WE DEMAND THAT KOREA NO LONGER BE A REHEARSAL GROUND FOR A THIRD WORLD WAR AND AN EXPERIMENT STATION IN METHODS AND MEANS OF WAR.

36-9-217

¶ OURS IS THE ONLY PARTY IN THIS CAMPAIGN WHICH IS MAKING THIS OBVIOUSLY JUST DEMAND; // AND THE REASON FOR SUCH DEMAND IS THE ABSOLUTE INSANITY OF OUR PROGRAM OF WORLD WARS SINCE 1914. // NOT TO MENTION THE ~~THREE~~ 2 HUNDRED WARS OF THE 19th AND EARLY 20th CENTURIES.

¶ IT HARDLY SEEMS POSSIBLE THAT THE WORLD OF INTELLIGENT AMERICANS, WITH OUR HUNDREDS OF UNIVERSITIES, THOUSANDS OF CITIES AND MILLIONS OF CHURCH-GOERS, HAVE FORGOTTEN THE BARBAROUS TOLL OF WAR IN THIS CENTURY. // IN THE FIRST WORLD WAR, 65 MILLION SOLDIERS STRUGGLED TO KILL 16 MILLION AND WOUND AND MAIM 21 MILLION. // IN THE SECOND WORLD WAR 80 MILLION FOUGHT TO KILL 22 MILLION AND WOUND 34 MILLION. // THE COSTS OF THESE TWO WARS HAS BEEN ESTIMATED AT FIVE TRILLION DOLLARS // A SUM SO VAST

36-9-218

AS TO BE BEYOND ORDINARY CONCEPTION. // WE CAN PERHAPS REMEMBER THAT A BILLION IS A THOUSAND MILLION AND THAT THE WAR COSTS HAVE BEEN OVER 5000 TIMES THAT SUM.

¶ YET BEYOND THE DEAD AND THE HALF-DEAD, THE WOUNDED, CRIPPLED AND INSANE, BEYOND ALL THE HURT AND HORROR, LIES THE NEAR SUICIDE OF OUR HIGHEST HUMAN CULTURE.

¶ WE ARE A FRIGHTENED, HAG-RIDDEN PEOPLE, SCARED TO THINK, TOO SCARED TO ACT. // WE ARE COWERING AND HIDING. // THE VOICES OPPOSING WAR ARE HUSHED ALMOST TO WHISPERS. // WHAT ARE OUR GREAT UNIVERSITIES DOING TO SOUND A CLEAR NOTE OF SCIENTIFIC ADVICE AND GUIDANCE? // WHAT TRUMPET NOTE OF THE PRINCE OF PEACE HAS BEEN RAISED BY THE CHURCHES OF ANY OR ALL SECTS?

¶ TODAY WE TALK OF A THIRD AND GREATER WAR CARELESSLY, ALMOST GAILY. // HISTORIANS OF THE FUTURE WILL FIND IT DIFFICULT IF NOT IMPOSSIBLE TO EXPLAIN THE EFFORT OF CIVILIZATION IN OUR ERA TO SETTLE THE PROBLEMS OF SOCIAL DEVELOPMENT BY FORCE, MURDER AND DESTRUCTION. // IT IS ABSOLUTELY NECESSARY THAT SANE PEOPLE OF THE WORLD TODAY COMPEL

36-9-219

THE NATIONS/ AND THE UNITED STATES IN PARTICULAR/ TO GIVE UP THE IDEA OF OBTAINING WORLD PEACE/ AND BETTERING WORLD CONDITIONS/ BY OVERWHELMING FORCE/ OR BY HEADING A CRUSADE TO MAKE ~~COMPEL~~ THE WORLD/ ~~to~~ ADOPT OUR IDEAS AND POLICIES/ NO MATTER HOW GOOD/ WE CONCEIVE THESE IDEAS TO BE.

IF THE WAR IN KOREA/ STOPS IMMEDIATELY// AND IF WE STOP FURNISHING WAR MATERIALS/ TO OTHER FIGHTING NATIONS// AND COMPELLING PEOPLE/ TO FIGHT AGAINST THEIR WILL, THERE IS NO ~~REASON~~ Argument/ WHY WE CANNOT SETTLE/ TERMS OF PEACE/ BY CONFERENCE AND PERSUASION. THERE ARE NO MATTERS IN DISPUTE/ WHICH CANNOT BE SETTLED/ IN ACCORDANCE WITH REASON// IN KOREA/ FOR INSTANCE,/ THE BOUNDARIES HAVE BEEN PRACTICALLY AGREED ON.// THE UNITED STATES AT FIRST/ PROMISED TO EXCHANGE PRISONERS/ ACCORDING TO THE INTERNATIONAL TREATY OF GENEVA;/ IF NOW WE CHANGE OUR MINDS/ AND WISH TO ALLOW PRISONERS/ TO CHOOSE WHETHER THEY WILL BE RETURNED OR NOT,/ THAT TOO CAN BE SETTLED/ BY COMPROMISE AND CONSULTATION. THE RESTORATION OF DESTROYED AREAS/ AND THE FUTURE GOVERNMENT OF KOREA/ ARE MATTERS TO BE DECIDED/ AT THE CONFERENCE TABLE/ AND NOT ON THE BATTLE FIELD.

36-9-220

MODERN CIVILIZATION IS FACING A CRISIS,/ BESIDE WHICH THE DECLINE OF THE EGYPTIAN EMPIRE,/ THE FALL OF BABYLON/ THE BREAKING UP OF GRECO-ROMAN CIVILIZATION,/ AND THE EUROPEAN WARS/ OF THE 16th AND 17th CENTURIES,/ PALE INTO INSIGNIFICANCE.

THESE ARE UNDISPUTED FACTS.// BUT PERHAPS THE MOST ARRESTING/ FACT OF ALL/ IS THAT THE MAJORITY/ OF OUR LEADERS OF CIVILIZATION// FITTED FOR THAT ROLE/ BY HERITAGE, NATURAL GIFT AND EDUCATION,/ ARE TODAY SILENT/ AND ARE REFUSING TO EXERCISE THEIR FUNCTION.

~~BUT~~ INSTEAD of/ CLEARLY INDICATED/ PLANS OF INVESTIGATION,/ TEACHING AND LEARNING,/ WE HAVE SUBSTITUTED,/ PARTICULARLY IN THIS COUNTRY,/ A PROGRAM OF FEAR/ SO THAT EVERY THOUGHT AND EFFORT FOR PEACE/ AND SOCIAL UPLIFT/ IS MET TODAY BY DIRECTED HATRED/ OF THE SOVIET UNION AND COMMUNISM,/ AND BY PLANS FOR FORCIBLE SUBJECTION/ OF NATIONS AND LEADERS/ WHO FOLLOW THIS LINE OF THOUGHT.

IT MUST BE CLEAR/ TO ALL THINKING PEOPLE/ THAT NO HUMAN REFORM/ CAN BE INSTITUTED/ AND CARRIED OUT IN THIS WAY.// AND THAT NO MATTER/ WHAT OUR PERSONAL BELIEFS ARE/ WE MUST FACE REALITY.// THE UNITED STATES MUST BEGIN/ WITH A STUDY OF ITS RELATIONS

36-9-222

UNLESS WE BUY GOODS/FROM THE WORLD.// KNOWING THAT MOST OF THE PEOPLES/OF THE WORLD/ ARE POOR/ SICK AND IGNORANT/AND HAVE BEEN FOR AGES,/ WE MUST DO SOMETHING ABOUT THIS AND NOT REST CONTENT/WITH CALLING THIS/THE CAUSE OF THE SPREAD OF COMMUNISM.// IF THIS IS TRUE/LET THIS TRUTH SPUR US/NOT TO WORLD WAR,/ BUT TO WAYS OF CURING/THE DEGRADATION OF MAN.// WAR IN KOREA AND INDO-CHINA,/AND PREPARATION FOR WAR IN EUROPE/WILL CONVINCE NOBODY/OF OUR AIMS TO UPLIFT MANKIND.// SO FAR/OUR POINT 4 PROGRAM/IS NOTHING/BESIDE OUR OVERALL PLANS/FOR MURDER AND DESTRUCTION/AND OUR REFUSAL TO CONTEMPLATE A PROGRAM OF CONFERENCE,/ REASON AND GOODWILL.

WE MUST RE-ASSESS/OUR ATTITUDE TOWARD AFRICA.// MORE THAN ANY OTHER NATION/IN THE WORLD,// EVEN MORE THAN GREAT BRITAIN AND FRANCE,/ WE ARE RESPONSIBLE FOR THE PRESENT PLIGHT OF AFRICA/BECAUSE OF THREE CENTURIES OF SLAVE TRADING/ON WHICH AMERICAN WEALTH AND PROSPERITY/ORIGINALLY WAS BUILT;// BECAUSE OF OUR PART/IN BUILDING UP/OF THE WORLD COLOR BAR;/AND BECAUSE/OF OUR PRESENT INVESTMENTS IN AFRICA/~~AND OUR REPRESSIVE ATTITUDE/TOWARD AFRICAN DEVELOPMENT.~~

ABOVE ALL,/ THE UNITED STATES/ OUGHT TO RE-ASSESS ITS ATTITUDE/ TOWARD EUROPE, BOTH TOWARD THE EAST/ AND WEST OF EUROPE.// THERE IS NO CALL FOR US/ TO OVER-EMPHASIZE OR DISTORT/ OUR RELATION TO EUROPEAN CIVILIZATION.// IN MOST CULTURAL AND SOCIAL ASPECTS,/ EUROPE STILL STANDS /FAR AHEAD OF THE UNITED STATES:// IN DEMOCRATIC GOVERNMENT; IN SOCIAL ORGANIZATION;/ IN SCIENCE, LITERATURE AND ART.// EVEN THE DISASTER/ AND CATASTROPHE OF REPEATED WAR /HAS NOT YET OBLITERATED/ THIS EUROPEAN LEADERSHIP.// WE MUST THEREFORE CHANGE/ OUR RECENT ATTITUDE TOWARD EUROPE,/ OUR BULLYING AND CONTEMPT,/ OUR FORGETFULNESS/ OF WHAT WE HAVE INHERITED/ FROM BRITAIN, FRANCE AND ITALY,/ AND WHAT EASTERN EUROPE TODAY/ IS SHOWING US IN SOCIAL/ AND INDUSTRIAL REFORM.// WE MUST REMEMBER THAT WE CANNOT MAKE GERMANY/ OUR VASSAL STATE./ IN THE END/ GERMANS WILL NEVER CONSENT.

36-9-226

THESE NATURAL RESOURCES/INCLUDING FORESTS, LANDS,/ MINES AND OIL WELLS,/ MUST INCREASINGLY/AND ACCORDING TO PLANS/BASED ON JUSTICE AND FORESIGHT/ BE CONTROLLED FOR THE PUBLIC GOOD/AND NOT SURRENDERED TO ~~PRIVATE~~ MONOPOLY/AND USED MAINLY TO INCREASE PRIVATE PROPERTY/AND OLIGARCHICAL POWER.// THIS USE OF NATURAL RESOURCES/FOR THE PUBLIC GOOD DOES NOT STEM/FROM CURRENT SOCIALISM/OR COMMUNISM/BUT HAS BEEN FORESEEN/AND PUT INTO PARTIAL PRACTICE/FROM THE EARLIEST HISTORY OF MAN.// IT IS NOW/OUR DESPERATE NEED/TO PLAN THE PRODUCTION,/ USE AND DISTRIBUTION OF WEALTH/ON A NATIONAL SCALE/AND TO CARRY IT OUT/DESPITE THE POWERFUL/AND SHORT-SIGHTED SELFISH OPPOSITION.

36-9-227

THE CHANGE/IN THE CONTROL OF WEALTH/FROM INDIVIDUALS TO CORPORATIONS/IS SO ~~RECENT~~ GRADUAL/AND TREMENDOUS IN SIGNIFICANCE/THAT MOST EVEN INTELLIGENT AMERICANS/DO NOT YET GRASP IT.// THEY STILL ASSUME/THAT INDIVIDUALS/IN FREE ASSOCIATION/CAN GUIDE THE MAIN FORM/AND DIRECTION/OF BUSINESS AND INDUSTRY;//THAT PRIVATE PROPERTY/AND FREE CONTRACT/STILL FUNCTION EFFICIENTLY/FOR THE PUBLIC GOOD;//THAT THE MASS OF WORKERS/ARE EQUAL IN BARGAINING POWER/WITH THE EMPLOYERS;// THAT COMPETITIVE PRICES/AND FREE MARKETS SECURE THE BEST DISTRIBUTION/OF PRODUCTS.//IN A DAY/WHEN THE WORK OF THE WORLD/IS BEING DIRECTED/AND CONTROLLED/MAINLY BY CORPORATIONS/AND NOT BY INDIVIDUALS OR FIRMS,/ MOST EVEN INTELLIGENT AMERICANS/ARE USING THE THOUGHT AND PHRASEOLOGY/OF A DISAPPEARING ERA.

AND REMEMBER/ THAT IN THESE CORPORATIONS/ THERE IS NO DEMOCRATIC CONTROL./ THEY ARE RULED/ BY KINGS OR OLICHARCHIES/ AND THEY FIGHT/ ~~THE INTRUSION OF~~ SHARING POWER WITH THE STATE OR WITH THE LABORERS/ WHO DO THEIR WORK.

PROGRESSIVE PARTY AND PEACE

THE PLATFORM OF THE PROGRESSIVE PARTY CALLS FOR PEACE AND PEACE NOW. IT DEMANDS THAT THE FIGHTING IN KOREA STOP IMMEDIATELY, AND THAT ALL UNSETTLED QUESTIONS BE CONSIDERED AT THE COUNSEL TABLE. WE DEMAND THAT KOREA NO LONGER BE A REHEARSAL GROUND FOR A THIRD WORLD WAR AND AN EXPERIMENT STATION IN METHODS AND MEANS OF WAR. OURS IS THE ONLY PARTY IN THIS CAMPAIGN WHICH IS MAKING THIS OBVIOUSLY JUST DEMAND; AND THE REASON FOR SUCH DEMAND IS THE ABSOLUTE INSANITY OF OUR PROGRAM OF WORLD WARS SINCE 1914, NOT TO MENTION THE THREE HUNDRED WARS OF THE 19th AND EARLY 20th CENTURIES.

IT HARDLY SEEMS POSSIBLE THAT THE WORLD OF INTELLIGENT AMERICANS, WITH OUR HUNDREDS OF UNIVERSITIES, THOUSANDS OF CITIES AND MILLIONS OF CHURCH-GOERS, HAVE FORGOTTEN THE BARBAROUS TOLL OF WAR IN THIS CENTURY. IN THE FIRST WORLD WAR, 65 MILLION SOLDIERS STRUGGLED TO KILL 16 MILLION AND WOUND AND MAIM 21 MILLION. IN THE SECOND WORLD WAR 80 MILLION FOUGHT TO KILL 22 MILLION AND WOUND 34 MILLION. THE COSTS OF THESE TWO WARS HAS BEEN ESTIMATED AT FIVE TRILLION DOLLARS, A SUM SO VAST

35-10-54

AS TO BE BEYOND ORDINARY CONCEPTION. WE CAN PERHAPS REMEMBER THAT A BILLION IS A THOUSAND MILLION AND THAT THE WAR COSTS HAVE BEEN OVER 5000 TIMES THAT SUM.

YET BEYOND THE DEAD AND THE HALF-DEAD, THE WOUNDED, CRIPPLED AND INSANE, BEYOND ALL THE HURT AND HORROR, LIES THE NEAR SUICIDE OF OUR HIGHEST HUMAN CULTURE. WE ARE A FRIGHTENED, HAG-RIDDEN PEOPLE, SCARED TO THINK, TOO SCARED TO ACT. WE ARE COWERING AND HIDING. THE VOICES OPPOSING WAR ARE HUSHED ALMOST TO WHISPERS. WHAT ARE OUR GREAT UNIVERSITIES DOING TO SOUND A CLEAR NOTE OF SCIENTIFIC ADVICE AND GUIDANCE? WHAT TRUMPET NOTE OF THE PRINCE OF PEACE HAS BEEN RAISED BY THE CHURCHES OF ANY OR ALL SECTS?

TODAY WE TALK OF A THIRD AND GREATER WAR CARELESSLY, ALMOST GAILY. HISTORIANS OF THE FUTURE WILL FIND IT DIFFICULT IF NOT IMPOSSIBLE TO EXPLAIN THE EFFORT OF CIVILIZATION IN OUR ERA TO SETTLE THE PROBLEMS OF SOCIAL DEVELOPMENT BY FORCE, MURDER AND DESTRUCTION. IT IS ABSOLUTELY NECESSARY THAT SANE PEOPLE OF THE WORLD TODAY COMPEL

THE NATIONS AND THE UNITED STATES IN PARTICULAR TO GIVE UP THE IDEA OF OBTAINING WORLD PEACE AND BETTERING WORLD CONDITIONS BY OVERWHELMING FORCE OR BY HEADING A CRUSADE TO COMPEL THE WORLD TO ADOPT OUR IDEAS AND POLICIES NO MATTER HOW GOOD WE CONCEIVE THESE IDEAS TO BE.

IF THE WAR IN KOREA STOPS IMMEDIATELY AND IF WE STOP FURNISHING WAR MATERIALS TO OTHER FIGHTING NATIONS AND COMPELLING PEOPLE TO FIGHT AGAINST THEIR WILL, THERE IS NO REASON WHY WE CANNOT SETTLE TERMS OF PEACE BY CONFERENCE AND PERSUASION. THERE ARE NO MATTERS IN DISPUTE WHICH CANNOT BE SETTLED IN ACCORDANCE WITH REASON. IN KOREA, FOR INSTANCE, THE BOUNDARIES HAVE BEEN PRACTICALLY AGREED ON. THE UNITED STATES AT FIRST PROMISED TO EXCHANGE PRISONERS ACCORDING TO THE INTERNATIONAL TREATY OF GENEVA; IF NOW WE CHANGE OUR MINDS AND WISH TO ALLOW PRISONERS TO CHOOSE WHETHER THEY WILL BE RETURNED OR NOT, THAT TOO CAN BE SETTLED BY COMPROMISE AND CONSULTATION. THE RESTORATION OF DESTROYED AREAS AND THE FUTURE GOVERNMENT OF KOREA ARE MATTERS TO BE DECIDED AT THE CONFERENCE TABLE AND NOT ON THE BATTLE FIELD.

35-10-55

MODERN CIVILIZATION IS FACING A CRISIS, BESIDE WHICH THE DECLINE OF THE EGYPTIAN EMPIRE, THE FALL OF BABYLON, THE BREAKING UP OF GRECO-ROMAN CIVILIZATION, AND THE EUROPEAN WARS OF THE 16th AND 17th CENTURIES, PALE INTO INSIGNIFICANCE.

THESE ARE UNDISPUTED FACTS, BUT PERHAPS THE MOST ARRESTING FACT OF ALL IS THAT THE MAJORITY OF OUR LEADERS OF CIVILIZATION, FITTED FOR THAT ROLE BY HERITAGE, NATURAL GIFT AND EDUCATION, ARE TODAY SILENT AND ARE REFUSING TO EXERCISE THEIR FUNCTION.

FOR CLEARLY INDICATED PLANS OF INVESTIGATION, TEACHING AND LEARNING, WE HAVE SUBSTITUTED, PARTICULARLY IN THIS COUNTRY, A PROGRAM OF FEAR SO THAT EVERY THOUGHT AND EFFORT FOR PEACE AND SOCIAL UPLIFT IS MET TODAY BY DIRECTED HATRED OF THE SOVIET UNION AND COMMUNISM, AND BY PLANS FOR FORCIBLE SUBJECTION OF NATIONS AND LEADERS WHO FOLLOW THIS LINE OF THOUGHT.

IT MUST BE CLEAR TO ALL THINKING PEOPLE THAT NO HUMAN REFORM CAN BE INSTITUTED AND CARRIED OUT IN THIS WAY, AND THAT NO MATTER WHAT OUR PERSONAL BELIEFS ARE WE MUST FACE REALITY. THE UNITED STATES MUST BEGIN WITH A STUDY OF ITS RELATIONS

TO ASIA AND OF OUR FUTURE ATTITUDE TOWARD THE ASIATIC PEOPLES. WE CANNOT BE MASTERS OF THE PEOPLES OF ASIA IN THE FUTURE AS WE WERE PARTLY IN THE PAST; NOR CAN WE BE PERMANENT PURVEYORS OF CHARITY, TAKEN FROM THE POCKETS OF OUR WORKERS.

FOR INSTANCE, IT IS INEVITABLE THAT IN THE END KOREANS WILL RULE KOREA AND WILL THEMSELVES SETTLE THEIR WAY OF LIFE; THAT THE CHINESE MUST RULE CHINA, AND THAT HISTORICALLY THE ISLAND OF FORMOSA IS PART OF CHINA; THAT THE JAPANESE CANNOT BE REGARDED AS AN AMERICAN MILITARY OUTPOST, AND NEVER WILL WILLINGLY ADOPT THAT ROLE. WE MUST STOP AIDING WAR OF OTHER NATIONS IN INDO-CHINA; AND WE MUST COME TO RECOGNIZE THE PEOPLES OF INDIA AS OUR EQUALS AND NOT OUR WARDS.

35-10-52

WE MUST UNSHACKLE THE TRADE OF THE WORLD FOR OUR OWN GOOD AS WELL AS THE PROGRESS OF MANKIND. WORLD TRADE BETWEEN EAST EUROPE AND WEST CANNOT BE STOPPED, AND SHOULD BE ENCOURAGED AS THE BEST PATH TO PEACE AND UNDERSTANDING. FREE TRADE BETWEEN CHINA AND JAPAN IS NEEDED TO RESTORE AND UPBUILD ASIA, AND IT IS A PARODY ON ELEMENTARY ECONOMICS TO DREAM THAT WE CAN CONTINUE TO PRODUCE GOODS FOR THE WORLD

UNLESS WE BUY GOODS FROM THE WORLD. KNOWING THAT MOST OF THE PEOPLES OF THE WORLD ARE POOR, SICK AND IGNORANT AND HAVE BEEN FOR AGES, WE MUST DO SOMETHING ABOUT THIS AND NOT REST CONTENT WITH CALLING THIS THE CAUSE OF THE SPREAD OF COMMUNISM. IF THIS IS TRUE LET THIS TRUTH SPUR US NOT TO WORLD WAR, BUT TO WAYS OF CURING THE DEGRADATION OF MAN. WAR IN KOREA AND INDO-CHINA, AND PREPARATION FOR WAR IN EUROPE WILL CONVINCE NOBODY OF OUR AIMS TO UPLIFT MANKIND. SO FAR OUR POINT 4 PROGRAM IS NOTHING BESIDE OUR OVERALL PLANS FOR MURDER AND DESTRUCTION AND OUR REFUSAL TO CONTEMPLATE A PROGRAM OF CONFERENCE, REASON AND GOODWILL.

WE MUST RE-ASSESS OUR ATTITUDE TOWARD AFRICA. MORE THAN ANY OTHER NATION IN THE WORLD, EVEN MORE THAN GREAT BRITAIN AND FRANCE, WE ARE RESPONSIBLE FOR THE PRESENT PLIGHT OF AFRICA BECAUSE OF THREE CENTURIES OF SLAVE TRADING ON WHICH AMERICAN WEALTH AND PROSPERITY ORIGINALLY WAS BUILT; BECAUSE OF OUR PART IN BUILDING UP OF THE WORLD COLOR BAR; AND BECAUSE OF OUR PRESENT INVESTMENTS IN AFRICA AND OUR REPRESSIVE ATTITUDE TOWARD AFRICAN DEVELOPMENT.

IT IS EASY TO SEE THAT THIS MASS OF MORE THAN 8 MILLION WORKERS IN THE UNION OF SOUTH AFRICA HAVE BEEN PUT IN PRACTICAL SLAVERY TO 1½ MILLION WHITE EXPLOITERS AND PAID WAGES VARYING FROM 10¢ TO $1 A DAY. ON THE OTHER HAND, THE WHITE PEOPLE OF SOUTH AFRICA ARE NOT THE SOLE EXPLOITERS. IN 1949 THE UNION RECEIVED 90 MILLION DOLLARS AS A LOAN FROM THE UNITED STATES, AND THE WALL STREET JOURNAL PREDICTS THAT IN THE NEXT FIVE YEARS THE UNITED STATES WILL FURNISH A BILLION AND A HALF DOLLARS FOR SOUTH AFRICAN MINING AND INDUSTRY. THE MORGAN AND ROCKEFELLER INTERESTS HAVE BEEN INVESTING IN SOUTH AFRICA FOR A LONG TIME. THE FORD INTERESTS BEGAN INVESTING 25 YEARS AGO. GENERAL MOTORS HAS RECENTLY BUILT A 20 MILLION DOLLAR PLANT THERE. GENERAL LUCIUS CLAY, RECENTLY HEAD OF THE "FREEDOM" MOVEMENT IN THE UNITED STATES, IS DIRECTOR OF A CORPORATION WHICH IN THREE YEARS MADE 9 MILLION DOLLARS PROFIT IN THE UNION OF SOUTH AFRICA. FIRESTONE, GOODYEAR, GENERAL ELECTRIC, HAVE ALL BEEN INCREASING THEIR INVESTMENTS SINCE THE END OF THE SECOND WORLD WAR UNTIL TODAY MOST OF THE INVESTED CAPITAL OF SOUTH AFRICA COMES FROM AMERICA.

35-10-57

ABOVE ALL, THE UNITED STATES OUGHT TO RE-ASSESS ITS ATTITUDE TOWARD EUROPE, BOTH TOWARD THE EAST AND WEST OF EUROPE. THERE IS NO CALL FOR US TO OVER-EMPHASIZE OR DISTORT OUR RELATION TO EUROPEAN CIVILIZATION. IN MOST CULTURAL AND SOCIAL ASPECTS, EUROPE STILL STANDS FAR AHEAD OF THE UNITED STATES: IN DEMOCRATIC GOVERNMENT; IN SOCIAL ORGANIZATION; IN SCIENCE, LITERATURE AND ART. EVEN THE DISASTER AND CATASTROPHE OF REPEATED WAR HAS NOT YET OBLITERATED THIS EUROPEAN LEADERSHIP. WE MUST THEREFORE CHANGE OUR RECENT ATTITUDE TOWARD EUROPE, OUR BULLYING AND CONTEMPT, OUR FORGETFULNESS OF WHAT WE HAVE INHERITED FROM BRITAIN, FRANCE AND ITALY, AND WHAT EASTERN EUROPE TODAY IS SHOWING US IN SOCIAL AND INDUSTRIAL REFORM. WE MUST REMEMBER THAT WE CANNOT MAKE GERMANY OUR VASSAL STATE. IN THE END GERMANS WILL NEVER CONSENT. WE CAN NEITHER RULE FRANCE NOR DESPISE THIS GREATEST CENTER OF MODERN CULTURE. WE CANNOT CONTINUE TO TREAT GREAT BRITAIN AS JUNIOR PARTNER, AND WE MUST LIVE IN PEACE WITH THE 200 MILLION PEOPLE OF THE SOVIET UNION AND THE 75 MILLION INHABITANTS OF HER SISTER STATES.

ABOVE ALL THIS, OUR CHIEF DUTY TOWARD THE WORLD LIES WITHIN OUR OWN BOUNDARIES. WE ARE NOT THE WORLD'S NATURAL LEADERS NEITHER BY INHERENT GIFT NOR TEMPORARY TECHNICAL MASTERY, NOR AT THE WORLD'S REQUEST. THE GREATEST BENEFIT WHICH WE CAN BESTOW ON MANKIND IS TO SOLVE DECENTLY AND EFFICIENTLY THE PROBLEMS OF OUR OWN GOVERNMENT AND CULTURE. AND THE CHIEF ARGUMENTS AGAINST WAR AND OUR EXTRAORDINARY AND INCONCEIVABLE PREPARATIONS FOR WAR IS THAT THIS PROGRAM IS BOUND TO RUIN, IF IT HAS NOT ALREADY RUINED, THE CHANCE FOR THE UNITED STATES OF AMERICA TO PLAN A GREAT AND SUCCESSFUL DEMOCRACY, AND TO ACHIEVE REAL WORLD LEADERSHIP NOT BASED ON MURDER BUT BUILT ON TRUTH AND JUSTICE. NO NATION THAT IS SPENDING 70 THOUSAND MILLION DOLLARS A YEAR FOR MURDER AND DESTRUCTION HAS EITHER THE RESOURCES OR THE ABILITY OR THE MENTAL BALANCE TO CURE ITS OWN FESTERING WOUNDS AND STOP ITS OWN DECADENCE.

35-10-58

WE NEED FOR THE PEOPLE OF THE UNITED STATES: LOWER TAXATION MORE EQUITABLY DISTRIBUTED ACCORDING TO INCOME. THE TAX BURDEN WHICH WE CARRY IN THE UNITED STATES IS NOT ONLY A DISGRACE IN ITSELF, A WASTE OF HUMAN EFFORT AND MISUSE OF WEALTH,

BUT IT STOPS US FROM THE VERY ACTIVITIES WHICH WE MUST HAVE FOR SURVIVAL. FLOOD CONTROL AND THE ORDERING OF RIVER SYSTEMS FOR IRRIGATION AND MANUFACTURE OF POWER; REFORESTRATION AND CONSERVATION OF SOIL, ARE A GROUP OF ACTIVITIES CALLING FOR LONG AND CAREFUL PLANNING AND LARGE EXPENDITURES, UNLESS WE ARE WILLING TO STRETCH A SAHARA DESERT OVER A ONCE FRUITFUL LAND, AND TO INCREASE THE MONOPOLY AND MISUSE OF OUR ONCE VAST NATURAL RESOURCES.

THESE NATURAL RESOURCES INCLUDING FORESTS, LANDS, MINES AND OIL WELLS, MUST INCREASINGLY AND ACCORDING TO PLANS BASED ON JUSTICE AND FORESIGHT BE CONTROLLED FOR THE PUBLIC GOOD AND NOT SURRENDERED TO PRIVATE MONOPOLY AND USED MAINLY TO INCREASE PROPERTY AND OLIGARCHICAL POWER. THIS USE OF NATURAL RESOURCES FOR THE PUBLIC GOOD DOES NOT STEM FROM CURRENT SOCIALISM OR COMMUNISM BUT HAS BEEN FORESEEN AND PUT INTO PARTIAL PRACTICE FROM THE EARLIEST HISTORY OF MAN. IT IS NOW OUR DESPERATE NEED TO PLAN THE PRODUCTION, USE AND DISTRIBUTION OF WEALTH ON A NATIONAL SCALE AND TO CARRY IT OUT DESPITE THE POWERFUL AND SHORT-SIGHTED SELFISH OPPOSITION.

THE CHANGE IN THE CONTROL OF WEALTH FROM INDIVIDUALS TO CORPORATIONS IS SO RECENT AND TREMENDOUS IN SIGNIFICANCE THAT MOST EVEN INTELLIGENT AMERICANS DO NOT YET GRASP IT. THEY STILL ASSUME THAT INDIVIDUALS IN FREE ASSOCIATION CAN GUIDE THE MAIN FORM AND DIRECTION OF BUSINESS AND INDUSTRY; THAT PRIVATE PROPERTY AND FREE CONTRACT STILL FUNCTION EFFICIENTLY FOR THE PUBLIC GOOD; THAT THE MASS OF WORKERS ARE EQUAL IN BARGAINING POWER WITH THE EMPLOYERS; THAT COMPETITIVE PRICES AND FREE MARKETS SECURE THE BEST DISTRIBUTION OF PRODUCTS. IN A DAY WHEN THE WORK OF THE WORLD IS BEING DIRECTED AND CONTROLLED MAINLY BY CORPORATIONS AND NOT BY INDIVIDUALS OR FIRMS, MOST EVEN INTELLIGENT AMERICANS ARE USING THE THOUGHT AND PHRASEOLOGY OF A DISAPPEARING ERA.

35-10-58-01-38

FOR INSTANCE, ALL THE ELECTRICITY AND GAS MANUFACTURED FOR THIS NATION IS DONE EXCLUSIVELY BY CORPORATIONS. CORPORATIONS CONDUCT BY FAR THE GREATER PART OF OUR MINING, MANUFACTURING, TRANSPORTATION AND BANKING, AND THE MAIN TRANSACTIONS OF COMMERCE AND TRADE IN WHISKEY, TOBACCO AND MILK, FOOD CLOTHING AND SHELTER.

A CORPORATION CANNOT BE TREATED NOR REGULATED LIKE AN INDIVIDUAL. IT IS AN ARTIFICIAL BODY CREATED BY LAW. IT HAS NO MORAL RESPONSIBILITY. IT CANNOT BE PUNISHED NOR EDUCATED. IT IS NOT HUMAN BUT AN INHUMAN CREATION OF MAN FOR MAN'S CONVENIENCE AND MUST BE DESTROYED WHEN IT NO LONGER SERVES ITS PURPOSE. YET -- AND THIS IS THE CONTRADICTION AND PARADOX OF OUR ERA -- THE GIANT AND POWERFUL CORPORATIONS WHICH TODAY RULE MANKIND ARE CONDUCTED BY MORALLY RESPONSIBLE HUMAN BEINGS. THESE MEN WHO PERSONALLY WOULD NOT LIE, STEAL NOR MURDER; WHO HEAD OUR CHURCHES AND CHARITIES; STAND AT THE HEAD OF CORPORATIONS WHICH COMMIT EVERY CRIME ON THE CALENDAR: THEY CHEAT AND STEAL; THEY ENSLAVE AND DEGRADE; THEY STARVE AND RAPE; THEY DEGRADE MEN, WOMEN AND CHILDREN. THEY CANNOT BE TREATED AS INDIVIDUALS BECAUSE THEY ARE NOT INDIVIDUALS; BUT INDIVIDUALS CONDUCT THEM, AND WE DO NOT HOLD THESE OWNERS AND MANAGERS RESPONSIBLE FOR A NEW KIND OF CRIME WHICH OUR LAWS DO NOT YET RECOGNIZE. WE HAVE DIFFICULTY IN CHANGING OUR LAW AND FITTING IT TO A NEW KIND OF CRIME BECAUSE CORPORATIONS LARGELY CONTROL OUR LEGISLATURES, INFLUENCE OUR COURTS, AND OWN THE GREAT MASS OF OUR PROPERTY. THE

STATES CREATE CORPORATIONS AND THESE CORPORATIONS ARE OFTEN RICHER AND MORE POWERFUL THAN THE STATES WHICH CREATE THEM. THERE ARE IN THE UNITED STATES TODAY THIRTY CORPORATIONS WITH PROPERTY WORTH OVER A BILLION DOLLARS EACH; THERE ARE ONLY TEN STATES OUT OF THE 48 WHICH HAVE PROPERTY AND RESOURCES LARGER THAN THIS GROUP OF GIANT CORPORATIONS. AS THE WALL STREET JOURNAL ADMITS, THE ASSETS OF THE GREAT LIFE INSURANCE COMPANIES ALONE REPRESENT A FIRST MORTGAGE ON THE TOTAL BUSINESS AND INDUSTRY OF THE WHOLE NATION. TO PRETEND THAT THE CONTROL OF THESE VAST AGGREGATIONS OF WEALTH AND POWER CAN BE DONE BY FREE ENTERPRISE AND INDIVIDUAL INITIATIVE IS IDIOTIC.

TO COPE WITH THIS NEW ECONOMIC SITUATION WE NEED KNOWLEDGE, LEADERSHIP AND EXPERIMENT. WAR AND PREPARATIONS FOR WAR STOP THOUGHT, CONFERENCE AND EFFORT IN THIS LINE, NOT ONLY FOR LACK OF FUNDS BUT TODAY FOR FEAR OF BEING CALLED SUBVERSIVE, AND ANY CRITICISM OF CURRENT BUSINESS METHOD IS CALLED TREASON. YET IN THE MODERN CIVILIZED WORLD, EVERY NATION HAS TO SOME DEGREE TRIED TO CURB INDUSTRY AND CORPORATE ACTIVITY BY THE SOCIAL ACTIVITY OF THE STATE. MOST NATIONS OWN PUBLIC TRANSPORTATION

35-10-59

AND COMMUNICATIONS; SCHOOLS AND UNIVERSITIES AND OTHER ORGANS OF PUBLIC EDUCATION; THE SOCIAL CONTROL OF HEALTH AND MEDICINE; THE PLANNING OF SHELTER AND HOUSING; AND SOME CONTROL OVER WAGES, CONDITIONS OF WORK AND PRICES; AND OVER MANY PHASES OF INDUSTRIAL ENTERPRISE. WE, TOO, HAVE FOLLOWED THIS INEVITABLE TREND; YET ITS FURTHER PROGRESS IS NOW CALLED SOCIALISM AND COMMUNISM, AND STOPPED BY SLANDER, IMPRISONMENT AND DEATH.

OUR POWERFUL CORPORATIONS ARE TAKING THE FUNCTIONS OF THE STATE ITSELF. ADOLPH BERLE, NOW PROFESSIONAL RED-BAITER AND WITCH-HUNTER HAS TOLD US, "THE RISE OF THE MODERN CORPORATION HAS BROUGHT A CONCENTRATION OF ECONOMIC POWER WHICH CAN COMPETE ON EQUAL TERMS WITH THE MODERN STATE -- ECONOMIC POWER VERSUS POLITICAL POWER, EACH STRONG IN ITS OWN FIELD. THE STATE SEEKS IN SOME ASPECTS TO REGULATE THE CORPORATION, WHILE THE CORPORATION, STEADILY BECOMING MORE POWERFUL, MAKES EVERY EFFORT TO AVOID SUCH REGULATION. WHERE ITS OWN INTERESTS ARE CONCERNED, IT EVEN ATTEMPTS TO DOMINATE THE STATE. THE FUTURE MAY SEE THE ECONOMIC ORGANISM, NOW TYPIFIED BY THE CORPORATION,

NOT ONLY ON AN EQUAL PLANE WITH THE STATE, BUT POSSIBLY EVEN SUPERCEDING IT AS THE DOMINANT FORM OF SOCIAL ORGANIZATION."

AND REMEMBER THAT IN THESE CORPORATIONS THERE IS NO DEMOCRATIC CONTROL. THEY ARE RULED BY KINGS OR OLICHARCHIES AND THEY FIGHT THE INTRUSION OF THE STATE OR THE LABORERS WHO DO THEIR WORK.

LOBBIES REPRESENTING ALL THE MAJOR BUSINESS INTERESTS, MANNED BY WELL-PAID MEN OF HIGH ABILITY AND SOCIAL AND BUSINESS CONNECTIONS, ARE IN CONSTANT ATTENDANCE ON LEGISLATIVE AND CONGRESSIONAL SESSIONS, AND IN CLOSE PERSONAL CONTACT WITH THE MEMBERS,- QUITE OVERWHELMING THE FEW AND INTERMITTENT DELEGATIONS REPRESENTING FROM TIME TO TIME SOME SECTIONS OF THE NATION'S ELECTORATE. THE CONSEQUENT COST OF PROMOTING LEGISLATION HAS REACHED SUCH FIGURES THAT ONLY CORPORATIONS CAN AFFORD THEM. THE COST OF CAMPAIGNS FOR PUBLIC OFFICE IS PROHIBITIVE FOR THE ORDINARY CANDIDATE. ONLY SOME PERSON CHOSEN BY A HUGE AND WELL-ORGANIZED MACHINE, WITH MILLIONS TO SPEND, CAN THINK OF RUNNING FOR HIGH OFFICE. FOR THE REPRESENTATIVES OF CORPORATIONS TO

35-10-60

GIVE A SENATOR LIKE NIXON "EXPENSES" IS STANDARD PROCEDURE IN AMERICAN POLITICS. IN THE PRESENT CAMPAIGN WILL COST $250 MILLION DOLLARS, MOST OF IT PAID DIRECTLY OR INDIRECTLY BY CORPORATIONS. WHO THEN WILL OWN THE PRESIDENT ELECTED? THE ONLY PARTY WHO WILL GET NONE OF THIS SLUSH FUND IS THE PROGRESSIVE PARTY. THE ONLY UNBOUGHT CANDIDATE IS VINCENT HALLINAN.

WITH CORPORATE WEALTH AND METHODS THUS DOMINATING OUR POLITICAL LIFE, WHAT BECOMES OF OUR CLAIM TO BE A DEMOCRACY AND THUS LEADING THE "FREE WORLD?" THIS CLAIM IS OLD AND HAS AT TIMES APPROACHED TRUTH. IT IS NOT TRUE TODAY. FOR DEMOCRACY, WHILE LOGICAL IN THEORY, IS DIFFICULT TO ACHIEVE AND MAINTAIN IN PRACTICE. THERE HAVE BEEN TIMES IN OUR HISTORY WHEN THE PUBLIC OPINION OF THE MASS OF CITIZENS LARGELY DETERMINED OUR POLICIES. THERE HAVE BEEN REGIONS LIKE 19TH CENTURY NEW ENGLAND WHERE THE DEMOCRATIC TOWN MEETING WAS AN EFFECTIVE TOOL OF LOCAL GOVERNMENT. BUT OVER MOST OF OUR HISTORY, DEMOCRACY HAS BEEN STRICTLY LIMITED, NOW BY RELIGION AND STATUS, NOW by race, now BY OWNERSHIP OF PROPERTY, LATER BY THE SLAVE SYSTEM, THEN BY LEGAL DISFRANCHISEMENT, AND TODAY BY THE POWER OF CORPORATE WEALTH.

SINCE THE FALL OF THE SLAVE POWER WHICH RULED THE NATION BY THAT OWNERSHIP OF LAND AND LABOR NECESSARY TO THE VALUABLE COTTON CROP, THE NATION, TURNING SHARPLY FROM DEMOCRATIC CONTROL BY FREEDMEN AND IMMIGRANTS, YIELDED CONTROL GRADUALLY BUT DEFINITELY TO CORPORATE WEALTH. CONGRESS LOST ITS REPRESENTATIVE CHARACTER BY THE DISFRANCHISEMENT OF VOTERS — NEGROES BY LAW, WHITE LABOR BY THREAT OF ECONOMIC REPRISAL, AND LATELY ENFRANCHISED WOMEN BY DOMINANT CULTURE PATTERNS. UNITS OF REPRESENTATION BECAME STARTLINGLY UNEQUAL, SO THAT 5,000 VOTERS IN SOUTH CAROLINA HAD THE SAME POLITICAL POWER AS 100,000 IN MASSACHUSETTS, AND 36,000 VOTES GIVE THE REACTIONARY MCCARRAN OF NEVADA THE SAME POWER AS DOUGLAS OF ILLINOIS WHO RECEIVED TWO MILLION VOTES.

35-10-61

THUS THE CITIZEN OF THE UNITED STATES TODAY HAS SMALL CONTROL OVER CANDIDATES OR OVER THE ISSUES WHICH WILL BE VOTED ON. THE MAIN DECISIONS IN NATIONAL POLICIES WILL REST IN THE HANDS OF THOSE BUSINESS INTERESTS WHICH ARE TODAY IN THE CONTROL OF A HUGE OLIGARCHY STRIVING TO BELT THE WORLD. THESE ARE THE REASONS WHY

OUR CLAIM TO CHAMPION DEMOCRACY IN THE WORLD IS NOT VALID AND CANNOT BE PROVEN BY HONEST INQUIRY.

IF OUR DEMOCRACY IS THUS VITIATED AT THE SOURCE, WHAT HAPPENS TO EDUCATION, HEALTH, CIVIL RIGHTS AND FREE PRESS? THE CONDITION OF EDUCATION IN THE UNITED STATES SHOULD BE A MATTER OF INTENSE ANXIETY. OUR EDUCATIONAL SYSTEM HAS DETERIORATED DURING THE 20TH CENTURY AND IS WORSENING TODAY, DESPITE ANY MANIPULATION OF FIGURES OR MULTIPLICATION OF BRICKS AND MORTAR. OUR TEACHING FORCE IS DECLINING IN EFFICIENCY BECAUSE THEY ARE NOT PROPERLY TRAINED, ARE NOT SUPPORTED BY PUBLIC OPINION, AND ARE NOT PAID DECENT WAGES. OUR ELEMENTARY SCHOOL FACILITIES BOTH IN HOUSING, RECREATION AND TEACHING MATERIALS, ARE NOT IMPROVING, AND PARTICULARLY IN THE THIRD OF THE NATION WHERE DOUBLE SYSTEMS OF SCHOOLS BASED ON RACE ARE LEGALLY REQUIRED, THE CHANCE FOR MILLIONS OF CHILDREN TO LEARN TO READ, WRITE AND COUNT ACCURATELY IS NOT AS GOOD TODAY AS IT WAS 50 YEARS AGO. WE ARE STILL HELD BACK BY THE FEELING THAT EDUCATION OF YOUTH IS A PRIVATE, INDIVIDUAL RESPONSIBILITY AND THAT GOVERNMENT SUBSIDY IS DANGEROUS. NOTHING

IS MORE INDICATIVE OF OUR CULTURAL DECADENCE. THE RESTORATION AND PROGRESS OF OUR SYSTEM OF EDUCATION CALLS FOR MONEY AND LARGE SUMS OF MONEY, AND THIS MONEY CANNOT BE OBTAINED IF OUR PRESENT PREPARATION FOR WAR CONTINUES.

THERE IS A DEMAND AND WILL BE INCREASING DEMAND FOR BETTER MEDICAL CARE OF THE HEALTH OF THE NATION. WE ARE NOT TRAINING A SUFFICIENT NUMBER OF PHYSICIANS AND NURSES, AND THEY ARE BEING DISTRIBUTED WITH FANTASTIC DISREGARD OF THE NEEDS OF THE PEOPLE. A NEW NATIONAL PLAN OF MEDICAL CARE AND HOSPITALS, NO MATTER UNDER WHAT NAME IT PARADES, IS ABSOLUTELY NECESSARY -- AND THE MONEY TO SUPPORT IT IS BEING WORSE THAN WASTED ON MORROCCO AIRFIELDS TO ATTACK THE SOVIETS. THE THREAT TO OUR HEALTH IS GREATLY INCREASING BECAUSE OF OUR LACK OF DECENT HOUSING AND THE PREVALENCE OF SLUM AREAS. WE MAKE OUR SONS FIGHT FOR BIG BUSINESS ABROAD AND GIVE THEM NO PLACE TO LIVE WHEN THEY RETURN HOME. WE SHOULD NOT BE LULLED TO SLEEP BY THE KNOWLEDGE THAT MANY IF NOT MOST PEOPLE OF THE WORLD HAVE POORER HOUSING THAN WE HAVE. THE POINT IS THAT WITHOUT UNDUE EXERTION ON OUR PART AND WITH ORDINARY REASONABLE PLANNING WE COULD

35-10-62

HAVE DECENT HOUSING AND THE ELIMINATION OF NESTS OF CRIME IF SO MUCH OF OUR INCOME DID NOT GO TO WAR!

IN OUR RECENT NATIONAL EFFORT TO MAKE PEOPLE THINK ALIKE AND TO AGREE WITH CERTAIN DOGMAS AND TO HATE PEOPLE BEHIND THE IRON CURTAIN, WE HAVE LET THE CIVIL RIGHTS UNDER WHICH WE HAVE LIVED AND WHICH WE HAVE INHERITED FROM MAGNA CARTA, THE DECLARATION OF INDEPENDENCE, AND THE BILL OF RIGHTS OF THE CONSTITUTION, BE INVADED AND PARTIALLY DESTROYED. IT IS DIFFICULT TO CONCEIVE THAT IN AMERICA OF ALL LANDS, IT IS DANGEROUS TO HOLD A PEACE MEETING; TO DEFEND THE RIGHT OF TEACHERS TO THINK; TO KEEP PEOPLE FROM BEING JAILED ON UNKNOWN TESTIMONY AND BY ACCUSERS WHO ARE NOT NAMED! THERE IS IN THE UNITED STATES TODAY ALMOST NO FREE PLATFORM OF DISCUSSION, AND THERE IS CERTAINLY NO FREE PRESS. OUR NEWS-GARTHERING AGENCIES AND OUR NEWSPAPERS ARE UNDER THE CONTROL OF GREAT BUSINESS COMBINES WHO ALSO OWN MOST OF THE MAGAZINES, AND CONTROL BOOK PUBLISHING, RADIO, SCREEN AND TELEVISION. IT IS ALMOST IMPOSSIBLE TO GET PUBLICITY FOR ANYBODY WHO DARES DEFEND COMMUNISM, SOCIALISM, SOCIAL

MEDICINE, OR EVEN WHAT WE USED TO CALL LIBERALISM; IT IS PRACTICALLY IMPOSSIBLE TO GET BOOKS PUBLISHED WHICH CRITICIZE OR DO NOT OVER-PRAISE AMERICA, AND WHICH DO NOT BLAST BRITISH SOCIALISM. OUR FICTION AND CINEMA AND RADIO BROADCASTS MUST DESCRIBE ALL COMMUNISTS AS VILLAINS AND BY INFERENCE PAINT JUDAS ISCARIOT AS A HERO. WE ARE USING KNOWN LIARS, HIRED SPIES AND PROFESSIONAL INFORMERS TO BUILD UP OUR SECRET POLICE METHODS.

ESPECIALLY, OUR EFFORTS TO SECURE EQUAL CIVIL RIGHTS FOR 15 MILLION AMERICAN NEGROES IN WORK, WAGE AND POLITICAL RIGHTS, HAVE BEEN RETARDED, AND THE SLOW PROGRESS OF NEGROES IN EDUCATION AND EMPLOYMENT ONLY HIGHLIGHTS WHAT COULD HAVE BEEN DONE IF AMERICAN NEGROES HAD HAD THE SCHOOLS AND WORK OPPORTUNITIES OF RUSSIAN PEASANTS IN THE LAST GENERATION. CONGRESS CANNOT EVEN VOTE ON EQUAL EMPLOYMENT AND MOB VIOLENCE!

THOSE PERSONS IN THE UNITED STATES WHO WANT TO CHECK FASCISM, TO PUT DOWN RACE HATRED AND GROUP HOSTILITY; WHO SEE IN THE NEWEST SOUTH A GROWING AND THREATENING MONOPOLY OF NATURAL RESOURCES, REDUCTION OF WAGES AND ACCUMULATION OF INDIVIDUAL WEALTH, HAVE BEEN DRIVEN INTO FEARFUL SILENCE. WHAT THE NATION NEEDS IS A NEW HUMILITY

TO REPLACE HER BOASTING AND FIGHTING; A FREE PRESS AND FREE FORUMS FOR DISCUSSION; A TOLERANCE OF DIFFERENCE OF OPINION; THE FREEING OF SCIENTIFIC WORKERS FOR INVESTIGATION INSTEAD OF CHAINING THEM TO GOVERNMENT EFFORTS FOR WAR; ENCOURAGEMENT FOR LITERATURE AND ART; AND THE USE OF SCREEN, RADIO AND TELEVISION FOR EDUCATION AND SOCIAL UPLIFT INSTEAD OF MAKING THEM CARRIERS OF SOCIAL DEGRADATION.

TOWARD THIS PROGRAM THE PROGRESSIVE PARTY LOOKS IN THIS CAMPAIGN AND IT STANDS ALONE. THERE IS NO PROGRAM FOR PEACE IN EITHER THE REPUBLICAN OR DEMOCRATIC PLATFORMS. THERE IS NO PLEA FOR TOLERANCE ON THE PART OF EITHER OF THE PRESIDENTIAL CANDIDATES OR THE CANDIDATES FOR LOWER OFFICES. MEN LIKE MCCARRAN AND MCCARTHY ARE LEADING AMERICAN CIVILIZATION TODAY AND LEADING IT DOWN TO CERTAIN DISASTER AND DESTRUCTION UNLESS THE VOTERS IN THIS ELECTION CALL AN IMMEDIATE AND DECIDED HALT AND BEGIN THEIR CALL WITH THE DEMAND TO STOP THE FIGHTING IN KOREA AND TO STOP IT NOW !!!

Sept. 15, 1952 Boston, Phila.

PROGRESSIVE PARTY AND PEACE

THE PLATFORM OF THE PROGRESSIVE PARTY CALLS FOR PEACE AND PEACE NOW. IT DEMANDS THAT THE FIGHTING IN KOREA STOP IMMEDIATELY, AND THAT ALL UNSETTLED QUESTIONS BE CONSIDERED AT THE COUNSEL TABLE. WE DEMAND THAT KOREA NO LONGER BE A REHEARSAL GROUND FOR A THIRD WORLD WAR AND AN EXPERIMENT STATION IN METHODS AND MEANS OF WAR. OURS IS THE ONLY PARTY IN THIS CAMPAIGN WHICH IS MAKING THIS OBVIOUSLY JUST DEMAND; AND THE REASON FOR SUCH DEMAND IS THE ABSOLUTE INSANITY OF OUR PROGRAM OF WORLD WARS SINCE 1914, NOT TO MENTION THE THREE HUNDRED WARS OF THE 19th AND EARLY 20th CENTURIES.

IT HARDLY SEEMS POSSIBLE THAT THE WORLD OF INTELLIGENT AMERICANS, WITH OUR HUNDREDS OF UNIVERSITIES, THOUSANDS OF CITIES AND MILLIONS OF CHURCH-GOERS HAVE FORGOTTEN THE BARBAROUS TOLL OF WAR IN THIS CENTURY. IN THE FIRST WORLD WAR, 65 MILLION SOLDIERS STRUGGLED TO KILL 16 MILLION AND WOUND AND MAIM 21 MILLION. IN THE SECOND WORLD WAR 80 MILLION FOUGHT TO KILL 22 MILLION AND WOUND 54 MILLION. THE

45-10-12

COSTS OF THESE TWO WARS HAS BEEN ESTIMATED AT FIVE TRILLION DOLLARS, A SUM SO VAST AS TO BE BEYOND ORDINARY CONCEPTION. WE CAN PERHAPS REMEMBER THAT A BILLION IS A THOUSAND MILLION AND THAT THE WAR COSTS HAVE BEEN OVER 5000 TIMES THAT SUM. AND YET TODAY WE TALK OF A THIRD AND GREATER WAR, CARELESSLY, ALMOST GAILY. BEYOND THE DEAD AND HALF DEAD, BEYOND THE PHYSICAL DESTRUCTION, IS THE HURT AND HORROR, THE NEAR SUICIDE OF OUR HIGHEST HUMAN CULTURE. YET THE VOICES OPPOSING WAR ARE ALMOST WHISPERS. IN THIS CITY WHAT HAS HARVARD UNIVERSITY AND A DOZEN OTHER INSTITUTIONS OF LEARNING DONE TO SOUND A CLEAR NOTE OF SCIENTIFIC ADVICE AND GUIDANCE? ONE OF THE GREATEST RELIGIOUS ORGANIZATIONS OF THE WORLD HAS JUST MET HERE. WHAT TRUMPET NOTE OF THE PRINCE OF PEACE HAS IT RAISED?

HISTORIANS OF THE FUTURE WILL FIND IT DIFFICULT IF NOT IMPOSSIBLE TO EXPLAIN THE EFFORT OF CIVILIZATION IN OUR ERA TO SETTLE THE PROBLEMS OF SOCIAL DEVELOPMENT BY FORCE, MURDER AND DESTRUCTION. IT IS ABSOLUTELY NECESSARY THAT SANE PEOPLE OF THE WORLD TODAY COMPEL THE NATIONS AND THE UNITED STATES IN PARTICULAR

TO GIVE UP THE IDEA OF OBTAINING WORLD PEACE AND BETTERING WORLD CONDITIONS BY OVERWHELMING FORCE OR BY HEADING A CRUSADE TO COMPEL THE WORLD TO ADOPT THE IDEAS AND POLICIES WHICH WE FAVOR NO MATTER HOW GOOD WE CONCEIVE THOSE IDEAS TO BE.

IF THE WAR IN KOREA STOPS IMMEDIATELY AND IF WE STOP FURNISHING WAR MATERIALS TO OTHER FIGHTING NATIONS AND COMPELLING PEOPLE TO FIGHT AGAINST THEIR WILL, THERE IS NO REASON WHY WE CANNOT SETTLE TERMS OF PEACE BY CONFERENCE AND PERSUASION. THERE ARE NO MATTERS IN DISPUTE WHICH CANNOT BE SETTLED IN ACCORDANCE WITH REASON. IN KOREA, FOR INSTANCE, THE BOUNDARIES HAVE BEEN PRACTICALLY AGREED ON. THE UNITED STATES AT FIRST PROMISED TO EXCHANGE PRISONERS ACCORDING TO THE INTERNATIONAL TREATY OF GENEVA; IF NOW WE CHANGE OUR MINDS AND WISH TO ALLOW PRISONERS TO CHOOSE WHETHER THEY WILL BE RETURNED OR NOT, THAT TOO CAN BE SETTLED BY COMPROMISE AND CONSULTATION. THE RESTORATION OF DESTROYED AREAS AND THE FUTURE GOVERNMENT OF KOREA ARE MATTERS TO BE DECIDED AT THE CONFERENCE TABLE AND NOT IN THE BATTLE FIELD.

MODERN CIVILIZATION IS FACING A CRISIS, BESIDE WHICH THE [redacted] decline

OF THE EGYPTIAN EMPIRE, THE FALL OF BABYLON, THE BREAKING UP OF GRECO-ROMAN CIVILIZATION, AND THE EUROPEAN WARS OF THE 16th AND 17th CENTURIES, PALE INTO INSIGNIFICANCE. THESE ARE INDISPUTED FACTS, BUT PERHAPS THE MOST ARRESTING FACT OF ALL IS THAT THE MAJORITY OF OUR LEADERS OF CIVILIZATION, FITTED FOR THAT ROLE BY HERITAGE, NATURAL GIFT AND EDUCATION, ARE TODAY SILENT AND ARE REFUSING TO EXERCISE THEIR FUNCTION. FOR CLEARLY INDICATED PLANS OF INVESTIGATION, TEACHING AND LEARNING WE HAVE SUBSTITUTED, PARTICULARLY IN THIS COUNTRY, A PROGRAM OF [redacted] fear SO THAT EVERY THOUGHT AND EFFORT FOR PEACE AND SOCIAL UPLIFT IS MET TODAY BY DIRECTED HATRED [redacted] OF THE SOVIET UNION AND OF COMMUNISM, AND BY PLANS FOR FORCIBLE EXTERMINATION OF NATIONS AND LEADERS WHO FOLLOW THIS LINE OF THOUGHT.

IT MUST BE CLEAR TO ALL THINKING PEOPLE THAT NO HUMAN REFORM CAN BE INSTITUTED AND CARRIED OUT IN THIS WAY, AND THAT NO MATTER WHAT OUR PERSONAL BELIEFS ARE WE MUST FACE THE FACTS. THE UNITED STATES MUST BEGIN WITH A STUDY OF ITS RELATIONS TO ASIA AND OF OUR FUTURE ATTITUDE TOWARD THE ASIATIC PEOPLES. WE CANNOT

BE MASTERS OF THE PEOPLES OF ASIA IN THE FUTURE AS WE WERE PARTLY IN THE PAST; NOR CAN WE BE PERMANENT PURVEYORS OF CHARITY, TAKEN FROM THE POCKETS OF OUR WORKERS. FOR INSTANCE, IT IS INEVITABLE THAT IN THE END KOREANS WILL RULE KOREA AND WILL THEMSELVES SETTLE THEIR WAY OF LIFE; THAT THE CHINESE MUST RULE CHINA, AND THAT HISTORICALLY THE ISLAND OF FORMOSA IS PART OF CHINA; THAT THE JAPANESE CANNOT BE REGARDED AS AN AMERICAN MILITARY OUTPOST, AND NEVER WILL WILLINGLY ADOPT THAT ROLE. WE MUST STOP AIDING WAR OF OTHER NATIONS IN INDO-CHINA; AND WE MUST COME TO RECOGNIZE THE PEOPLES OF INDIA AS OUR EQUALS AND NOT OUR WARDS. THERE MUST BE FREEDOM OF TRADE BETWEEN ASIATIC LANDS. JAPAN CANNOT LIVE WITHOUT THE TRADE OF CHINA, AND CHINA WILL PROSPER BEST BY USING THE LABOR AND SKILL OF JAPAN. IT IS NEITHER OUR OPPORTUNITY NOR DUTY TO INTERFERE WITH THIS TRADE.

WE MUST RE-ASSESS OUR ATTITUDE TOWARD AFRICA. MORE THAN ANY OTHER NATION IN THE WORLD, EVEN MORE THAN GREAT BRITAIN AND FRANCE, WE ARE RESPONSIBLE FOR THE PRESENT PLIGHT OF AFRICA BECAUSE OF THREE CENTURIES OF SLAVE TRADING ON

WHICH AMERICAN WEALTH AND PROSPERITY ORIGINALLY WAS BUILT; BECAUSE OF OUR PART IN BUILDING UP OF THE WORLD COLOR BAR, AND BECAUSE OF OUR PRESENT INVESTMENTS IN AFRICA AND OUR REPRESSIVE ATTITUDE TOWARD AFRICAN DEVELOPMENT. IT IS EASY TO SEE HOW THIS MASS OF MORE THAN 8 MILLION WORKERS HAVE BEEN PUT IN PRACTICAL SLAVERY TO 1½ MILLION WHITE EXPLOITERS AND PAID WAGES VARYING FROM 10¢ TO $1 A DAY. ON THE OTHER HAND, THE WHITE PEOPLE OF AFRICA ARE NOT THE SOLE EXPLOITERS. IN 1949 THE UNION OF SOUTH AFRICA RECEIVED 80 MILLION DOLLARS AS A LOAN FROM THE UNITED STATES, AND THE WALL STREET JOURNAL PREDICTS THAT IN THE NEXT FIVE YEARS THE UNITED STATES WILL FURNISH A BILLION AND A HALF DOLLARS FOR SOUTH AFRICAN MINING AND INDUSTRY. THE MORGAN AND ROCKEFELLER INTERESTS HAVE BEEN INVESTING IN SOUTH AFRICA FOR A LONG TIME. THE FORD INTERESTS BEGAN INVESTING 25 YEARS AGO. GENERAL MOTORS HAS RECENTLY BUILT A 30 MILLION DOLLAR PLANT THERE. GENERAL LUCIUS CLAY, RECENTLY HEAD OF THE "FREEDOM" MOVEMENT IN THE UNITED STATES, IS DIRECTOR OF A CORPORATION WHICH IN THREE YEARS MADE 9 MILLION DOLLARS PROFITS IN THE UNION OF SOUTH AFRICA.

81-01-57

FIRESTONE, GOODYEAR, GENERAL ELECTRIC, HAVE ALL BEEN INCREASING THEIR INVESTMENTS SINCE THE END OF THE SECOND WORLD WAR UNTIL TODAY MOST OF THE INVESTED CAPITAL OF SOUTH AFRICA COMES FROM AMERICA.

ABOVE ALL, THE UNITED STATES OUGHT TO RE-ASSESS ITS ATTITUDE TOWARD EUROPE, BOTH TOWARD THE EAST AND WEST OF EUROPE. THERE IS NO CALL FOR US TO OVER-EMPHASIZE OR DISTORT OUR RELATION TO EUROPEAN civilization. IN MOST CULTURAL AND SOCIAL ASPECTS, EUROPE STILL STANDS FAR AHEAD OF THE UNITED STATES: IN DEMOCRATIC GOVERNMENT; IN SOCIAL ORGANIZATION; IN SCIENCE, LITERATURE AND ART. EVEN THE DISASTER AND CATASTROPHE OF REPEATED WAR HAS NOT YET OBLITERATED THIS EUROPEAN LEADERSHIP. WE MUST THEREFORE CHANGE OUR RECENT ATTITUDE TOWARD EUROPE, OUR BULLYING AND CONTEMPT, OUR FORGETFULNESS OF WHAT WE HAVE INHERITED FROM BRITAIN, FRANCE AND ITALY, AND WHAT EASTERN EUROPE IS SHOWING US IN SOCIAL AND INDUSTRIAL REFORM. WE MUST REMEMBER THAT WE CANNOT MAKE GERMANY OUR VASSAL STATE. IN THE END GERMANS WILL NEVER CONSENT. WE CAN NEITHER RULE FRANCE NOR DESPISE THIS GREATEST CENTER OF

MODERN CULTURE. WE CANNOT CONTINUE TO TREAT GREAT BRITAIN AS JUNIOR PARTNER, AND WE MUST LIVE IN PEACE WITH THE 200 MILLION PEOPLE OF THE SOVIET UNION AND THE 75 MILLION INHABITANTS OF HER SISTER STATES.

WE MUST HELP TO UNSHACKLE THE TRADE BETWEEN THE UNITED STATES AND EUROPE AND THE TRADE OF THE WORLD; REMEMBERING THAT MOST OF THE INHABITANTS OF THE WORLD ARE IGNORANT, SICK AND ON THE VERGE OF STARVATION, AND THAT THIS IS NOT BECAUSE THEY DESERVE SUCH A FATE, BUT BECAUSE OF FORCES HITHERTO BEYOND THEIR OR OUR CONTROL. BUT THERE EXISTS FORCES TODAY WHICH GIVES INCREASED CONTROL OVER THE ACTIONS OF MEN, AND INSTEAD OF TRYING TO GUIDE THIS CONTROL BY FORCE WE MUST TRY TO SUBSTITUTE REASON AND GOOD WILL.

BUT ABOVE ALL THIS, OUR CHIEF DUTY TOWARD THE WORLD LIES WITHIN OUR OWN BOUNDARIES. WE ARE NOT THE WORLD'S NATURAL LEADERS EITHER BY INHERENT GIFT OR TEMPORARY TECHNICAL MASTERY, OR AT THE WORLD'S REQUEST. THE GREATEST BENEFIT WHICH WE CAN BESTOW ON MANKIND IS TO SETTLE DECENTLY AND EFFICIENTLY THE PROBLEMS OF OUR

OWN GOVERNMENT AND CULTURE. AND THE CHIEF ARGUMENTS AGAINST WAR AND OUR EXTRAORDINARY AND INCONCEIVABLE PREPARATIONS FOR WAR IS THAT THIS PROGRAM IS BOUND TO RUIN, IF IT HAS NOT ALREADY RUINED, THE CHANCE FOR THE UNITED STATES OF AMERICA TO PLAN A GREAT AND SUCCESSFUL DEMOCRACY, AND TO ACHIEVE REAL WORLD LEADERSHIP NOT BASED ON MURDER BUT BUILT ON TRUTH AND JUSTICE. NO NATION THAT IS SPENDING 70 THOUSAND MILLION DOLLARS A YEAR FOR MURDER AND DESTRUCTION HAS EITHER THE RESOURCES OR THE ABILITY OR THE MENTAL BALANCE TO CURE ITS OWN FESTERING WOUNDS AND STOP ITS OWN DECADENCE.

WE NEED FOR THE PEOPLE OF THE UNITED STATES: LOWER TAXATION MORE EQUITABLY DISTRIBUTED ACCORDING TO INCOME. THE TAX BURDEN WHICH WE CARRY IN THE UNITED STATES IS NOT ONLY A DISGRACE IN ITSELF, A WASTE OF HUMAN EFFORT AND DESTRUCTION OF WEALTH, BUT IT STOPS US FROM THE VERY THINGS AND ACTIVITIES WHICH WE MUST HAVE FOR SURVIVAL. FLOOD CONTROL AND THE ORDERING OF RIVER SYSTEMS FOR IRRIGATION AND MANUFACTURE OF POWER; REFORESTRATION AND CONSERVATION OF SOIL, ARE A

45-10-20

GROUP OF ACTIVITIES CALLING FOR LONG AND CAREFUL PLANNING AND LARGE EXPENDITURES, UNLESS WE ARE WILLING TO STRETCH A SAHARA DESERT over OF A ONCE FRUITFUL LAND; AND TO INCREASE MONOPOLY AND MISUSE OF OUR ONCE VAST NATURAL RESOURCES.

THESE NATURAL RESOURCES INCLUDING FORESTS, LANDS, MINES AND OIL WELLS, MUST INCREASINGLY AND ACCORDING TO PLANS BASED ON JUSTICE AND FORESIGHT BE CONTROLLED FOR THE PUBLIC GOOD AND NOT SURRENDERED TO PRIVATE MONOPOLY AND USED TO INCREASE PRIVATE WEALTH. THIS USE OF NATURAL RESOURCES FOR THE PUBLIC GOOD DOES NOT STEM FROM CURRENT SOCIALISM OR COMMUNISM BUT HAS BEEN FORSEEN AND PUT INTO PARTIAL PRACTICE FROM THE BEGINNING OF MODERN HISTORY. IT IS NOW OUR DESPERATE NEED TO PLAN IT ON A NATIONAL SCALE AND TO CARRY IT OUT DESPITE THE TREMENDOUS SELFISH OPPOSITION.

THE CHANGE IN THE CONTROL OF WEALTH FROM INDIVIDUALS TO CORPORATIONS IS SO RECENT AND TREMENDOUS IN SIGNIFICANCE THAT MOST EVEN INTELLIGENT AMERICANS DO NOT YET GRASP IT. THEY STILL ASSUME THAT INDIVIDUALS IN FREE ASSOCIATION CAN GUIDE THE MAIN FORM AND DIRECTION OF BUSINESS AND INDUSTRY; THAT PRIVATE PROPERTY AND FREE

CONTRACTS STILL FUNCTION EFFICIENTLY FOR THE PUBLIC GOOD; THAT THE MASS OF WORKERS ARE EQUAL IN BARGAINING POWER WITH THE EMPLOYERS; THAT OPEN PRICES AND FREE MARKETS SECURE THE BEST DISTRIBUTION OF PRODUCTS. IN A DAY WHEN THE WORK OF THE WORLD IS BEING DIRECTED AND CONTROLLED BY CORPORATIONS AND NOT BY INDIVIDUALS OR FIRMS, MOST EVEN INTELLIGENT AMERICANS ARE USING THE THOUGHT AND PHRASEOLOGY OF A DISAPPEARING ERA.

FOR INSTANCE, THE ELECTRICITY AND GAS MANUFACTURED FOR THIS NATION IS DONE EXCLUSIVELY BY CORPORATIONS. CORPORATIONS CONDUCT BY FAR THE GREATER PART OF OUR MINING, MANUFACTURING, TRANSPORTATION AND BANKING, AND THE MAIN TRANSACTIONS OF COMMERCE AND TRADE IN WHISKEY, TOBACCO AND MILK. THE TREATMENT OF THE CORPORATION IN LAW AND MORALS MUST DIFFER FROM THE TREATMENT OF THE INDIVIDUAL. MEN OF HIGH STATION AND PERSONAL INTEGRITY WHO WOULD NOT STEAL NOR MURDER NOR CHEAT, ARE TODAY CONNECTED WITH CORPORATIONS AS OFFICIALS, CLERKS OR STOCKHOLDERS, AND THOSE CORPORATIONS CHEAT, KILL, WOUND AND BRIBE LEGALLY! IT IS DIFFICULT TO CURB THEM BY LAW, FOR THEY LARGELY CONTROL THE LEGISLATURES WHICH MAKE THE LAW AND INFLUENCE THE JUDGES WHO INTERPRET IT.

-13-

THESE CORPORATIONS CONTROL MORE ASSETS THAN MOST of the STATES WHICH INCORPORATE THEM; INDEED, ONLY TEN STATES IN THE NATION HAVE PROPERTY AND RESOURCES LARGER THAN THE ASSETS OF THESE ARTIFICIAL COMPANIES, SO OF WHICH each OWN A BILLION DOLLARS OF RESOURCES [redacted]. AS THE WALL STREET JOURNAL ADMITS, THE ASSETS OF THE GREAT LIFE INSURANCE COMPANIES ALONE REPRESENT A FIRST MORTGAGE ON THE TOTAL BUSINESS AND INDUSTRY OF THE WHOLE NATION. TO PRETEND THAT THE CONTROL OF THESE VAST AGGREGATIONS OF WEALTH AND POWER CAN BE DONE BY FREE ENTERPRISE AND INDIVIDUAL INITIATIVE IS IDIOTIC.

TO COPE WITH THIS NEW ECONOMIC SITUATION WE NEED KNOWLEDGE, LEADERSHIP AND EXPERIMENT. WAR AND PREPARATIONS FOR WAR STOPS THOUGHT, CONFERENCE AND EFFORT IN THIS LINE NOT ONLY FOR LACK OF FUNDS BUT FOR FEAR OF BEING CALLED SUBVERSIVE. IF WE ATTEMPT TO CURE OUR ECONOMIC ILLS BY THE SUCCESSFUL METHODS OF THE REST OF THE WORLD AND IF WE DARE CHALLENGE THE DESPOTIC RULE OF AMERICAN BUSINESS, THIS FIGHT ON MONOPOLY AND PRIVILEGE STARTED BY THEODORE ROOSEVELT AND CARRIED OUT WITH VARYING FORTUNES SINCE HIS ADMINISTRATION, HAS NOW BECOME ALMOST A SYNONYM FOR SUBVERSION! WE FACE A PERIOD OF NERVOUS TENSION AND HYSTERIA WHICH IS A LARGE PART OF THE TERRIBLE INCREASE

OF CRIME, OR ORGANIZED GAMBLING AND OF DISHONESTY SO WIDESPREAD THAT IT IS ALMOST IMPOSSIBLE TO LIST AND CHARACTERIZE IT.

IN 1904, THERE WERE ALREADY OVER 400 COMBINATIONS TO MONOPOLIZE THE NECESSATIES OF LIFE. THE CENSUS OF 1900 SHOWED THAT HALF OF THESE COMBINATIONS CONTROLLED ONE-THIRD OF THE MANUFACTURING RESOURCES OF THE NATION; BY 1908, THERE WERE 10,000 COMBINATIONS WITH $1 BILLIONS OF CAPITAL. IN THE 20TH CENTURY WHILE THE FARMERS' INCOME FELL AND WAGES STOOD STILL, INCOMES OF $10,000 AND UP ROSE 114% IN NINE YEARS. THE NUMBER OF PERSONS WITH INCOMES OF $100,000 UP INCREASED FROM 6,633 IN 1916; TO 14,816 IN 1929. HUGE CORPORATIONS REPLACED INDIVIDUAL ENTERPRISE, AND BUSINESS INCREASED TO VAST DIMENSIONS. BUT IN SUCH INTEGRATION, THERE WAS NOT ONLY NO DEMOCRATIC CONTROL, BUT AS ONE MILLIONAIRE SAID, IT WAS PERSONAL OR OLIGARCHIC RULE BY DIVINE RIGHT, IN THE HANDS OF MEN "TO WHOM GOD IN HIS WISDOM HAD ENTRUSTED THIS WEALTH."

BUT THESE CORPORATIONS, TO FUNCTION PROPERLY AND COMPLETELY HAD TO HAVE CERTAIN FUNCTIONS OF GOVERNMENT: POLICE POWER, COURT INJUNCTIONS, EMINENT DOMAIN

IN ACQUIRING LAND AND OTHER PROPERTY, CONTROL OF MONEY AND CREDIT AND FIXING OF WAGES AND PROFITS. TO ATTAIN SUCH POWERS, THE CORPORATIONS WENT INTO POLITICS: FIRST TO PREVENT DEMOCRATIC GOVERNMENT FROM EXERCISING THESE FUNCTIONS AGAINST MONOPOLY BUSINESS; NEXT TO CONTROL THEIR EXERCISE BY THE REPRESENTATIVES OF INDUSTRY. " THE RISE OF THE MODERN CORPORATION HAS BROUGHT A CONCENTRATION OF ECONOMIC POWER WHICH CAN COMPETE ON EQUAL TERMS WITH THE MODERN STATE— ECONOMIC POWER VERSUS POLITICAL POWER, EACH STRONG IN ITS OWN FIELD. THE STATE SEEKS IN SOME RESPECTS TO REGULATE THE CORPORATION, WHILE THE CORPORATION STEADILY BECOMING MORE POWERFUL, MAKES EVERY EFFORT TO AVOID SUCH REGULATION. WHERE ITS OWN INTERESTS ARE CONCERNED, IT EVEN ATTEMPTS TO DOMINATE THE STATE. THE FUTURE MAY SEE THE ECONOMIC ORGANISM, NOW TYPIFIED BY THE CORPORATION, NOT ONLY ON AN EQUAL PLANE WITH THE STATE, BUT POSSIBLE EVEN SUPERCEDING IT AS THE DOMINANT FORM OF SOCIAL ORGANIZATION." (THIS QUOTATION, STRANGE TO SAY, IS FROM ADOLPHE BERLE).

WE CLAIM THAT AMERICA LEADS IN DEMOCRACY. THIS CLAIM IS OLD AND HAS AT TIMES APPROACHED TRUTH. IT IS NOT TRUE TODAY. FOR DEMOCRACY, WHILE LOGICAL IN THEORY, IS DIFFICULT TO ACHIEVE AND MAINTAIN IN PRACTICE. THERE HAVE BEEN TIMES IN OUR HISTORY WHEN THE PUBLIC OPINION OF THE MASS OF CITIZENS LARGELY DETERMINED OUR POLICIES. THERE HAVE BEEN REGIONS LIKE 19th CENTURY NEW ENGLAND WHERE THE DEMOCRATIC TOWN MEETING WAS AN EFFECTIVE TOOL OF LOCAL GOVERNMENT. BUT OVER MOST OF OUR HISTORY, DEMOCRACY HAS BEEN STRICTLY LIMITED, NOW BY RELIGION AND STATUS, NOW BY RACE, NOW BY OWNERSHIP OF PROPERTY, LATER BY THE SLAVE SYSTEM, THEN BY LEGAL DISFRANCHISEMENT, AND TODAY BY THE POWER OF CORPORATE WEALTH.

SINCE THE FALL OF THE SLAVE POWER WHICH RULED THE NATION BY THAT OWNERSHIP OF LAND AND LABOR NECESSARY TO THE VALUABLE COTTON CROP, THE NATION, TURN* IN SHARPLY FROM DEMOCRATIC CONTROL BY FREEDMEN AND IMMIGRANTS, YIELDED CONTROL GRADUALLY BUT DEFINITELY TO CORPORATE WEALTH. CONGRESS LOST ITS REPRESENTATIVE CHARACTER BY THE DISFRANCHISEMENT OF VOTERS -- NEGROES BY LAW, WHITE LABOR BY THREAT

E-2-01-57

16

OF ECONOMIC REPRISAL, AND LATELY ENFRANCHISED WOMEN BY DOMINANT CULTURE PATTERNS. UNITS OF REPRESENTATION BECAME STARTLINGLY UNEQUAL. SO THAT 5,000 VOTERS IN SOUTH CAROLINA HAD THE SAME POLITICAL POWER AS 100,000 IN NEW YORK, AND 36,000 VOTES GIVE THE REACTIONARY MCCARRAN OF NEVADA THE SAME POWER AS THE LIBERAL DOUGLAS OF ILLINOIS WHO RECEIVED TWO MILLION VOTES.

"WITH SUCH A BACKGROUND, LOBBIES REPRESENTING ALL THE MAJOR BUSINESS INTERESTS, MANNED BY WELL-PAID MEN OF HIGH ABILITY AND SOCIAL AND BUSINESS CONNECTIONS, ARE IN CONSTANT ATTENDANCE ON SESSIONS AND IN CLOSE PERSONAL CONTACT WITH MEMBERS, QUITE OVERWHELMING THE FEW AND INTERMITTENT DELEGATIONS REPRESENTING FROM TIME TO TIME SOME SECTIONS OF THE NATION'S ELECTORATE. THE CONSEQUENT COST OF PROMOTING LEGISLATION HAS REACHED SUCH FIGURES THAT ONLY CORPORATIONS CAN AFFORD THEM. THE COST OF CAMPAIGNS FOR PUBLIC OFFICE IS PROHIBITIVE FOR THE ORDINARY CANDIDATE. ONLY SOME PERSON CHOSEN BY A HUGE AND WELL ORGANIZED MACHINE, WITH MILLIONS TO SPEND, CAN THINK OF RUNNING FOR HIGH OFFICE.

"THUS THE CITIZEN OF THE UNITED STATES TODAY HAS SMALL CONTROL OVER CANDIDATES OR OVER THE ISSUES WHICH WILL BE VOTED ON. THE MAIN DECISIONS IN NATIONAL POLICIES WILL REST IN THE HANDS OF THOSE BUSINESS INTERESTS WHICH ARE TODAY IN THE CONTROL OF A HUGE OLIGARCHY STRIVING TO BELT THE WORLD. THESE ARE THE REASONS WHY OUR CLAIM TO CHAMPION DEMOCRACY IN THE WORLD IS NOT VALID AND CANNOT BE PROVEN BY HONEST INQUIRY."

THE CONDITION OF EDUCATION IN THE UNITED STATES SHOULD BE A MATTER OF INTENSE ANXIETY. OUR EDUCATIONAL SYSTEM HAS DETERIORATED DURING THE 20TH CENTURY AND IS WORSENING TODAY, DESPITE ANY MANIPULATION OF FIGURES OR MULTIPLICATION OF BRICKS AND MORTAR. OUR TEACHING FORCE IS DECLINING IN EFFICIENCY BECAUSE THEY ARE NOT PROPERLY TRAINED, DO NOT RECEIVE PUBLIC BACKING, AND ARE NOT PAID DECENT WAGES. OUR ELEMENTARY SCHOOL FACILITIES BOTH IN HOUSING, RECREATION AND TEACHING MATERIALS, ARE NOT INCREASING, AND PARTICULARLY IN THE THIRD OF THE NATION WHERE DOUBLE SYSTEMS OF SCHOOLS BASED ON RACE ARE LEGALLY REQUIRED, THE CHANCE FOR MILLIONS

OF CHILDREN TO LEARN TO READ, WRITE AND COUNT ACCURATELY IS NOT AS GOOD TODAY AS IT WAS 50 YEARS AGO. WE ARE STILL HELD BACK BY THE FEELING THAT EDUCATION OF YOUTH IS A PRIVATE, INDIVIDUAL RESPONSIBILITY AND THAT GOVERNMENT SUBSIDY IS DANGEROUS. NOTHING IS MORE INDICATIVE OF OUR CULTURAL DECADENCE. THE RESTORATION AND PROGRESS OF OUR SYSTEM OF EDUCATION CALLS FOR MONEY AND LARGE SUMS OF MONEY, AND THIS MONEY CANNOT BE OBTAINED IF OUR PRESENT PREPARATION FOR WAR CONTINUES.

THERE IS A DEMAND AND WILL BE INCREASING DEMAND FOR BETTER MEDICAL

THERE IS A DEMAND AND WILL BE INCREASING DEMAND FOR BETTER MEDICAL

CARE OF THE HEALTH OF THE NATION. WE ARE NOT TRAINING A SUFFICIENT NUMBER OF PHYSICIANS AND NURSES, AND THEY ARE BEING DISTRIBUTED WITH FANTASTIC DISREGARD OF THE NEEDS OF THE PEOPLE. A NEW NATIONAL PLAN OF MEDICAL CARE AND HOSPITALS, NO MATTER UNDER WHAT NAME IT PARADES, IS ABSOLUTELY NECESSARY — AND THE MONEY TO SUPPORT IT IS BEING WORSE THAN WASTED ON MORROCCO AIRFIELDS TO ATTACK THE SOVIETS. THE THREAT TO OUR HEALTH IS GREATLY INCREASING BECAUSE OF OUR LACK OF DECENT HOUSING AND THE PREVALENCE OF SLUM AREAS. WE MAKE OUR SONS FIGHT FOR BIG BUSINESS ABROAD AND GIVE THEM NO PLACE TO LIVE WHEN THEY RETURN HOME. WE SHOULD NOT BE LULLED TO SLEEP BY THE KNOWLEDGE THAT MANY IF NOT MOST PEOPLE OF THE WORLD HAVE POORER HOUSING THAN WE HAVE. THE POINT IS THAT WITHOUT UNDUE EXERTION ON OUR PART AND WITH ORDINARY REASONABLE PLANNING WE COULD HAVE DECENT HOUSING AND THE ELIMINATION OF NESTS OF CRIME IF SO MUCH OF OUR INCOME DID NOT GO TO WAR!

IN OUR RECENT NATIONAL EFFORT TO MAKE PEOPLE THINK ALIKE AND TO AGREE WITH CERTAIN DOGMAS AND TO HATE PEOPLE BEHIND THE IRON CURTAIN, WE HAVE LET THE

15-10-25

CIVIL RIGHTS UNDER WHICH WE HAVE LIVED AND WHICH WE HAVE INHERITED FROM THE MAGNA CARTA, THE DECLARATION OF INDEPENDENCE, AND THE BILL OF RIGHTS OF THE CONSTITUTION, TO BE INVADED AND PARTIALLY DESTROYED. IT IS DIFFICULT TO CONCEIVE THAT IN AMERICA OF ALL LANDS, IT IS dangerous TO HOLD A PEACE MEETING; TO DEFEND THE RIGHT OF TEACHERS TO THINK; TO KEEP PEOPLE FROM BEING JAILED ON UNKNOWN TESTIMONY AND BY ACCUSERS WHO ARE NOT NAMED; THERE IS IN THE UNITED STATES TODAY ALMOST NO FREE PLATFORM OF DISCUSSION, AND THERE IS CERTAINLY NO FREE PRESS. OUR NEWS GATHERING AGENCIES AND OUR NEWSPAPERS ARE UNDER THE CONTROL OF GREAT BUSINESS COMBINES WHO ALSO OWN MOST OF THE MAGAZINES AND CONTROL BOOK PUBLISHING, RADIO AND TELEVISION. IT IS ALMOST IMPOSSIBLE TO GET PUBLICITY FOR ANYBODY WHO DARES DEFEND COMMUNISM, SOCIALISM, SOCIAL MEDICINE, OR EVEN WHAT WE USED TO CALL LIBERALISM; IT IS PRACTICALLY IMPOSSIBLE TO GET BOOKS PUBLISHED WHICH DO NOT OVER-PRAISE AMERICA, AND BLAST BRITISH SOCIALISM; OR STORIES, PICTURES OR RADIO BROADCASTS WHICH DO NOT HAVE COMMUNISTS FOR VILLAINS AND DO NOT PAINT JUDAS ISCARIOT AS A HERO. WE ARE USING KNOWN LIARS, HIRED SPIES AND PROFESSIONAL

INFORMERS TO BUILD UP OUR SECRET POLICE METHODS.

ESPECIALLY, OUR EFFORT TO SECURE EQUAL CIVIL RIGHTS FOR 15 MILLION AMERICAN NEGROES IN WORK, WAGE AND POLITICAL RIGHTS, HAVE BEEN retarded, AND THE SLOW PROGRESS OF NEGROES IN EDUCATION AND EMPLOYMENT ONLY HIGHLIGHTS WHAT COULD HAVE BEEN DONE IF AMERICAN NEGROES HAD HAD THE SCHOOLS AND WORK OPPORTUNITIES OF RUSSIAN PEASANTS IN THE LAST GENERATION. CONGRESS CANNOT EVEN VOTE ON EQUAL EMPLOYMENT AND MOB VIOLENCE!

THOSE PERSONS IN THE UNITED STATES WHO WANT TO CHECK FASCISM, TO PUT DOWN RACE HATRED AND GROUP HOSTILITY; WHO SEE IN THE NEWEST SOUTH A GROWING AND THREATENING MONOPOLY OF NATURAL RESOURCES, REDUCTION OF WAGES AND ACCUMULATION OF INDIVIDUAL WEALTH, HAVE BEEN DRIVEN INTO FEARFUL SILENCE. WHAT THE NATION NEEDS IS A NEW HUMILITY TO REPLACE HER BOASTING AND FIGHTING; A FREE PRESS AND FREE FORUMS FOR DISCUSSION; A TOLERANCE OF DIFFERENCE OF OPINION; THE FREEING OF SCIENTIFIC WORKERS FOR INVESTIGATION INSTEAD OF CHAINING THEM TO GOVERNMENT EFFORTS FOR WAR;

ENCOURAGEMENT FOR LITERATURE AND ART; AND THE USE OF RADIO AND TELEVISION FOR EDUCATION AND SOCIAL UPLIFT INSTEAD OF SOCIAL DEGRADATION.

SPEECH OF DR. W. E. DuBOIS

PEACE PROGRESSIVE PARTY OF MASSACHUSETTS, ANNUAL CONVENTION

September 14, 1952.

THE PROGRESSIVE PARTY AND PEACE

The platform of the Progressive Party calls for peace and peace now. It demands that the fighting in Korea stop immediately, and that all unesttled questions be considered at the counsel table. We demand that Korea no longer be a rehearsal ground for a Third World War and an experiment station in methods and means of war. Ours is the only party in this campaign which is making this obviously just demand; and the reason for such demand is the absolute insanity of our program of world wars since 1914, not to mention the three hundred wars of the 19th and early 20th centuries.

It hardly seems possible that the world of intelligent Americans, with our hundreds of universities, thousands of cities and millions of church-goers have forgotten the barbarous toll of war in this century. In the First World War, 65 million soldiers struggled to kill 16 million and wound and maim 21 million. In the Second World War 80 million fought to kill 22 million and wound 34 million. The costs of those two wars has been estimated at five trillion dollars, a sum so vast as to be beyond ordinary conception. We can perhaps remember that a billion is a thousand million and that the war costs have been over 5000 times that sum. And yet today we talk of a third and greater war carelessly, almost gaily. Beyond the dead and half dead, beyond the physical destruction, is the hurt and horror, the near suicide of our highest human culture. Yet the voices opposing war are almost whispers. In this city what has Harvard University and a dozen other institutions of learning done to sound a clear note of scientific advice and guidance? One of the greatest religious organizations of the world has just met here. What trumpet note of the Prince of Peace has it raised?

Historians of the future will find it difficult if not impossible to explain the effort of civilization in our era to settle the problems of social development by force, murder and destruction. It is absolutely necessary that sane people of the world today compel the nations and the United States in particular to give up the idea of obtaining world peace and bettering world conditions by overwhelming force or by heading a crusade to compel the world to adopt the ideas and policies which we favor no matter how good we conceive our ideas to be.

If the war in Korea stops immediately and if we stop furnishing war materials to other fighting nations and compelling people to fight against their will, there is no reason why we cannot settle terms of peace by conference and persuasion. There are no matters in dispute which cannot be settled in accordance with reason. In Korea, for instance, the boundaries have been practically agreed on. The United States at first promised to exchange prisoners according to the international Treaty of Geneva; if now we change our minds and wish to allow prisoners to choose whether they will be returned or not, that too can be settled by compromise and consultation. The restoration of destroyed areas and the future government of Korea are matters to be decided at the conference table and not on the battle field.

Modern civilization is facing a crisis, beside which the declin of the Egyptian empire, the fall of Babylon, the breaking up of Greco-Roman civilization, and the European wars of the 16th and 17th centuries, pale into insignificance.

These are undisputed facts, but perhaps the most arresting fact of all is that the majority of our leaders of civilization, fitted for that role by heritage, natural gift and education, are today silent and are refusing to exercise their function.

For clearly indicated plans of investigation, teaching and learning we have substituted, particularly in this country, a program of fear so that every thought and effort for peace and social uplift is met today by directed hatred of the Soviet Union and of Communism, and by plans for forcible subjection of nations and leaders who follow this line of thought.

It must be clear to all thinking people that no human reform can be instituted and carried out in this way, and that no matter what our personal beliefs are we must face facts. The United States must begin with a study of its relations to Asia and of our future attitude toward the Asiatic peoples. We cannot be masters of the peoples of Asia in the future as we were partly in the past; nor can we be permanent purveyors of charity, taken from the pockets of our workers.

For instance, it is inevitable that in the end Koreans will rule Korea and will themselves settle their way of life: that the Chinese must rule China, and that historically the island of Formosa is part of China: that the Japanese cannot be regarded as an American military outpost, and never will willingly adopt that role. We must stop aiding war of other nations in Indo- China; and we must come to recognize the peoples of India as our equals and not our wards. There must be freedom of trade between Asiatic lands. Japan cannot live without the trade of China, and China will prosper best by using the labor and skill of Japan. It is neither our opportunity nor duty to interfere with this trade.

We must re-assess our attitude toward Africa. More than any other nation in the world, even more than Great Britain and France, we are responsible for the present plight of Africa because of three centuries of slave trading on which American wealth and prosperity originally was built; because of our part in building up of the world color bar, and because of our present investments in Africa and our repressive attitude toward African development. It is easy to see that this mass of more than 8 million workers have been put in practical slavery to 1 1/2 million white exploiters and paid wages varying from 10¢ to $1 a day. On the other hand, the white people of Africa are not the sole exploiters. In 1949 the Union of South Africa received 90 million dollars as a loan from the United States, and the Wall Street Journal predicts that in the next five years the United States will furnish a billion and a half dollars for South African mining and industry. The Morgan and Rockefeller interests have been investing in South Africa for a long time. The Ford interests began investing 25 years ago. General Motors has recently built a 20 million dollar plant there. General Lucius Clay, recently head of the "Freedom" movement in the United States, is director of a corporation which in three years made 9 million dollars profit in the Union of South Africa. Firestone, Goodyear, General Electric, have all been increasing their investments since the end of the Second World War until today most of the invested capital of South Africa comes from America.

Above all, the United States ought to re-assess its attitude toward Europe, both the East and West of Europe. There is no call for us to overemphasize or distort our relation to European civilization. In most cultural and social aspects, Europe still stands far ahead of the United States: in democratic government; in social organization; in science, literature and art. Even the disaster and catastrophe of repeated war has not yet obliterated this European leadership. We must therefore change our recent attitude toward Europe, our bullying and contempt. Our forgetfulness of what we have inherited from Britain, France and Italy, and what Eastern Europe today is showing us in social and industrial reform. We must remember that we cannot make Germany our vassal state. In the end, Germans will never consent. We can neither rule France nor despise this greatest center of modern culture. We cannot continue to treat Great Britain as junior partner, and we must live in peace with the 200 million people of the Soviet Union and the 75 million inhabitants of her sister states.

We must help to unshackle the trade between the United States and Europe and the trade of the world; remembering that most of the inhabitants of the world are ignorant, sick and on the verge of starvation, and that this is not because they deserve such a fate, but because of forces hitherto beyond their or our control. But there exist forces today which give increased control over the actions of men, and instead of trying to guide this control by force we must try to substitute reason and good will.

Above all this, our chief duty toward the world lies within our own boundaries. We are not the world's natural leaders either by inherent gift nor temporary technical mastery, not at the world's request. The greatest benefit which we can bestow on mankind is to settle decently and efficiently the problems of our own government and culture. And the chief arguments against war and our extraordinary and inconceivable preparations for war is that this program is bound to ruin, if it has not already ruined, the chance for the United States of America to play a great and successful democracy, and to achieve real world leadership not based on murder but built on truth and justice. No nation that is spending 70 thousand million dollars a year for murder and destruction

has either the resources or the ability or the mental balance to cure its own festering wounds and stop its own decadence.

We need for the people of the United States: lower taxation more equitably distributed according to income. The tax burden which we carry in the United States is not only a disgrace in itself, a waste of human effort and destruction of wealth, but it stops us from the very activities which we must have for survival. Flood control and the ordering of river systems for irrigation and manufacture of power, reforestation and conservation of soil, are a group of activities calling for long and careful planning and large expenditures unless we are willing to stretch a Sahara Desert over a once fruitful land; and to increase monopoly and misuse of our once vast natural resources.

These natural resources including forests, lands, mines and oil wells, must increasingly and according to plans based on justice and foresight be controlled for the public good and not surrendered to private monopoly and used to increase private wealth. This use of natural resources for the public good does not stem from current Socialism or Communism but has been foreseen and put into partial practice from the beginning of history. It is now our desperate need to plan it on a national scale and to carry it out despite the powerful selfish opposition.

The change in the control of wealth from individuals to corporations is so recent and so tremendous in significance that most even intelligent Americans do not yet grasp it. They still assume that individuals in free association can guide the main form and direction of business and industry; that private property and free contract still function efficiently for the public good; that the mass of workers are equal in bargaining power with the employers; that competitive prices and free markets secure the best distribution of products. In a day when the work of the world is being directed and controlled by corporations and not by individuals or firms, most even intelligent Americans are using the thought and phraseology of a disappearing era.

For instance, the electricity and gas manufactured for this nation is done exclusively by corporations. Corporations conduct by far the greater part of our mining, manufacturing, transportation and banking, and the main transactions of commerce and trade in whiskey, tobacco, silk and hundreds of other articles. The treatment of the corporation in law and morals must differ from the treatment of the individual. Men of high station and personal integrity who would not steal nor murder nor cheat, are today connected with corporations as officials, clerks or stockholders, and those corporations cheat, kill, wound and bribe legally! It is difficult to curb them by law, for they largely control the legislatures which make the law and influence the judges who interpret it. These corporations control more assets than most of the states which create them; indeed, only ten states in the nation have property and resources larger than the assets of these artificial companies, 30 of which each own a billion dollars of resources. As the Wall Street Journal admits, the assets of the great life insurance companies alone represent a first mortgage on the total business and industry of the whole nation. To pretend that the control of these vast aggregations of wealth and power can be done by free enterprise and individual initiative is idiotic.

To cope with this new economic situation we need knowledge, leadership and experiment. War and preparations for war stop thought, conference and effort in this line not only for lack of funds but for fear of being called subversive. If we attempt to cure our economic ills by the successful methods of the rest of the world, if we dare challenge the despotic rule of American business, this fight on monopoly and privilege started by Theodore Roosevelt and carried on with varying fortunes since his administration, becomes almost a synonym for treason! We face a period of nervous tension and hysteria which is a large part of the terrible increase of crime, of organized gambling and of dishonesty so widespread that it is almost impossible to list and characterize it.

In 1894, there were already over 400 combinations to monopolize the necessities of life. By 1908 there were 10,000 combinations with 31 billions of capital. In the 20th century while the farmers' income fell and wages stood still, incomes of $10,000 and up rose 114% in nine years. The number of persons with incomes of $100,000 and up increased from 6,633 in 1916 to 14,816 in 1929. Huge corporations replaced individual enterprise, and business increased to vast dimensions. But in such integration, there was not only no democratic control, but as one millionaire said, it was personal or oligarchic rule by divine right, in the hands of men "to whom God in His wisdom had entrusted this wealth."

But these corporations, to function properly and completely had to have certain functions of government: police power, court injunctions, eminent domain in acquiring land and other property, control of money and credit and fixing of wages and profits. To attain such powers, the corporations went into politics: first to prevent democratic government from exercising these functions against monopoly business; next to control their exercise by the representatives of industry. "The rise of the modern corporation has brought a concentration of economic power which can compete on equal terms with the modern state -- economic power versus political power, each strong in its own field. The state seeks in some aspects to regulate the corporation, while the corporation steadily becoming more powerful, makes every effort to avoid such regulation. Where its own interests are concerned, it even attempts to dominate the state. The future may see the economic organism, now typified by the corporation, not only on an equal plane with the state, but possibly even superceding it as the dominant form of social organization." (This quotation, strange to say, is from Adolph Berle, a prominent witch hunter.)

We claim that America leads in democracy. This claim is old and has at times approached truth. It is not true today. For democracy while logical in theory, is difficult to achieve and maintain in practice. There have been times in our history when the public opinion of the mass of our citizens largely determined our policies. There have been regions like 19th century New England where the democratic town meeting was an effective tool of local government. But over most of our history, democracy has been strictly limited, now by religion and status, now by race, now by ownership of property, later by the slave system, then by legal disfranchisement, and today by the power of corporate wealth.

Since the fall of the slave power which ruled the nation by that ownership of land and labor necessary to the valuable cotton crop, the nation, turning sharply from democratic control by freedmen and immigrants, yielded control gradually but definitely to corporate wealth. Congress lost its representative character by the disfranchisement of voters -- Negroes by law, white labor by threat of economic reprisal, and lately enfranchised women by dominant culture patterns. Units of representation became startlingly unequal, so that 5,000 voters in South Carolina had the same political power as 100,000 in Massachusetts, and 36,000 votes give the reactionary McCarran of Nevada the same power as Douglas of Illinois who received two million votes.

With such a background, lobbies representing all the major business interests, manned by well-paid men of high ability and social and business connections, are in constant attendance on legislative and Congressional sessions and in close personal contact with members, quite overwhelming the few and intermittent delegations representing from time to time some sections of the nation's electorate. The consequent cost of promoting legislation has reached such figures that only corporations can afford them. The cost of campaigns for public office is prohibitive for the ordinary candidate. Only some person chosen by a huge and well organized machine, with millions to spend, can think of running for high office.

Thus the citizen of the United States today has small control over candidates or over the issues which will be voted on. The main decisions in national policies will rest in the hands of those business interests which are today in the control of a huge oligarchy striving to belt the world. These are the reasons why our claim to champion democracy in the world is not valid and cannot be proven by honest inquiry.

The condition of education in the United States should be a matter of intense anxiety. Our educational system has deteriorated during the 20th century and is worsening today, despite any manipulation of figures or multiplication of bricks and mortar. Our teaching force is declining in efficiency because they are not properly trained are not supported by public opinion, and are not paid decent wages. Our elementary school facilities both in housing, recreation and teaching materials, are not improving, and particularly in the third of the nation where double systems of schools based on race are legally required, the chance for millions of children to learn to read, write and count accurately is not as good today as it was 50 years ago. We are still held back by the feeling that education of youth a private, individual responsibility and that government subsidy is dangerous. Nothing is more indicative of our cultural decadence. The restoration and progress of our system of education calls for money and large sums of money, and this money cannot be obtained if our present preparation for war continues.

There is a demand and will be increasing demand for better medical care of the health of the nation. We are not training a sufficient number of physicians and nurses, and they are being distributed with fantastic disregard of the needs of the people. A new national plan of medical care and hospitals, no matter under what name it parades, is absolutely necessary -- and the money to support it is being worse than wasted on Morocco airfields to attack the Soviets. The threat to our health is greatly increasing because of our lack of decent housing and the prevalence of slum areas. We make our sons fight for big business abroad and give them no place to live when they return home. We should not be lulled to sleep by the knowledge that many if not most people of the world have poorer housing than we have. The point is that without undue exertion on our part and with ordinary reasonable planning we could have decent housing and the elimination of nests of crime if so much of our income did not go to war.

In our recent national effort to make people think alike and to agree with certain dogmas and to hate people behind the iron curtain, we have let the civil rights under which we have lived and which we have inherited from Magna Carta, the Declaration of Independence, and the Bill of Rights of the Constitution be invaded and partially destroyed. It is difficult to conceive that in America of all lands it is dangerous to hold a peace meeting; to defend the right of teachers to think; to keep people from being jailed on unknown testimony and by accusers who are not named. There is in the United States tod ay almost no free platform of discussion, and there is certainly no free press. Our news-gathering agencies and our newspapers are under the control of great business combines who also own most of the magazines and control book publishing, radio, screen and television. It is almost impossible to get publicity for anybody who dares defend Communism, Socialism, social medicine, or even what we used to call liberalism; it is practically impossible to get books published which do not over-praise America and blast British Socialism; or fiction, pictures or radio broadcasts which do not have Communists for villains and do not paint Judas Iscariot as a hero. We are using known liars, hired spies and professional informers to build up our secret police methods.

Especially, our efforts to secure equal civil rights for 15 million American Negroes in work, wage and political rights have been retarded and the slow progress of Negroes in education and employment only highlights what could have been done if American Negroes had had the schools and work opportunities of Russian peasants in the last generation. Congress cannot even vote on equal employment and mob violence.

Those persons in the United States who want to check fascism, to put down race hatred and group hostility; who see in the newest South a growing and threatening monopoly of natural resources, reduction of wages and accumulation of individual wealth, have been driven into fearful silence. What the nation needs is a new humility to replace her boasting and fighting; a free press and free forums for discussion; a tolerance of difference of opinion; the freeing of scientific workers for investigation instead of chaining them to government efforts for war; encouragement for literature and art; and the use of screen, radio and television for education and social uplift instead of for social degradation.

Toward this program the Progressive Party looks in this campaign and it stands alone. There is no program for peace in either the Republican or Democratic platforms. There is no plea for tolerance on the part of either of the Presidential candidates or the candidates for lower offices. Men like McCarran and McCarthy are leading American civilization and leading it down to certain disaster and destruction unless the voters in this election call an immediate and decided halt and begin their call with the demand to stop the fighting in Korea and stop it now!

HALLINAN DINNER

THERE IS A NEW DEMOCRACY ARISING IN THE UNITED STATES, WHICH VINCENT HALLINAN REPRESENTS. // THOSE AMERICANS WHO HAVE NOT FOLLOWED THE TRADE UNION MOVEMENT IN RECENT YEARS WILL NOT BE AWARE OF THIS. // THEY STILL THINK OF LABOR UNIONS AS MAINLY EFFORTS TO RAISE WAGES BY MEANS OF STRIKES, // WHICH WAS THE MAIN PROBLEM OF THE OLDER TYPE OF UNION.

¶ BUT TODAY THE LABOR UNION IS AN ATTEMPT BY PRIMARY DEMOCRATIC METHODS TO PROVIDE FOR THE EDUCATION AND LEGAL DEFENSE OF WORKERS, TO INSURE FAMILY SECURITY IN SICKNESS OR DEATH, TO PROVIDE WIDE SOCIAL CONTACT AMONG MEMBERS, TO PROVIDE REST RESORTS AND CULTURAL PROGRAMS, AND THROUGH PAPERS, BOOKS AND PAMPHLETS TO GATHER, SET DOWN AND INTERPRET CURRENT WORLD NEWS, // AND ABOVE ALL TO TEACH THE WORKER TO REALIZE THAT HIS ROLE IS NOT TO ESCAPE HIS ~~THE NECESSITY OF~~ WORK BUT TO DEMAND RECOGNITION OF HIS MANHOOD IN INCOME, TREATMENT, AND SOCIAL STATUS BY THE NATION WHICH GROWS RICH ON HIS EFFORTS. // THIS HAS OPENED UP A WHOLE NEW AREA OF [redacted] THOUGHT // AND THOSE WHO HAVE NOT COME IN CLOSE CONTACT WITH THE NEWER UNIONS WILL FIND REWARD AND INFORMATION BY SO DOING. // IT IS THIS TYPE OF UNION THAT THE NATIONAL ASSOCIATION OF MANUFACTURERS IS SET TO DISTROY.

35-10-65

VINCENT HALLINAN HAS TURNED AT GREAT PERSONAL COST FROM THE ORDINARY LEGAL CAREER TO A DEFENSE OF UNION LABOR. // HIS CANDIDACY FOR THE PRESIDENCY UNDER THE PROGRESSIVE PARTY NOT ONLY EMPHASIZES THE NEW ROLE OF LABOR UNIONS, BUT THROWS A SPOTLIGHT ON THE GLARING FAILURE OF CURRENT POLITICAL DEMOCRACY IN THE UNITED STATES. // ~~THIS CAN BE SEEN IN MANY WAYS.~~ // FIRST LET US FOR INSTANCE, THERE WERE IN THE UNITED STATES IN 1950 APPROXIMATELY ~~96~~ 97 MILLION PERSONS ~~WHO HAD THE RIGHT TO VOTE.~~ OF VOTING AGE. // OF THESE 49 MILLION ACTUALLY VOTED, AND 24 MILLION OF THESE VOTED FOR HARRY TRUMAN // OR IN OTHER WORDS ~~LESS THAN~~ HALF OF THOSE OF VOTING AGE ~~WHO COULD VOTE~~ WENT TO THE POLLS, AND LESS THAN HALF OF THESE VOTED FOR TRUMAN. // TRUMAN BECAME PRESIDENT AT THE BEHEST OF ABOUT 25% OF THE VOTERS IN THE UNITED STATES.

¶ ON THIS NARROW POPULAR MANDATE, HE HAS REVOLUTIONIZED MODERN SOCIAL DEVELOPMENT // ¶ WITHOUT A REFERENDUM OF THE VOTERS AND WITHOUT ASKING THE CONSENT OF CONGRESS, AND BEFORE SECURING THE COOPERATION OF THE UNITED NATIONS, HE STARTED THE MOMENTOUS WAR IN KOREA.

¶ BY THE USE OF HIS VAST PRESIDENTIAL POWERS, INCLUDING REPEATED AND UNSUPPORTED WAR SCARES, HE STEERED THIS NATION TO THE MOST EXTRAORDINARY PREPARATION FOR WAR WHICH HUMANITY HAS EVER SEEN. // BECAUSE OF THIS,

35-10-66

BUT THAT IS ONLY PART/OF THE STORY/OF THE DECADENCE/OF DEMOCRATIC METHODS/ IN THE UNITED STATES.//IN THE ELECTION OF SENATORS/THERE ARE IN THE UNITED STATES 8 (8) STATES/WHICH ~~EACH~~ CAST/OVER A MILLION VOTES EACH IN SENATORIAL ELECTIONS.//THEY ARE:/ NEW YORK, CALIFORNIA/ ILLINOIS, PENNSYLVANIA/ INDIANA, OHIO,/MISSOURI AND WISCONSIN./ TO ELECT 8 SENATORS FROM THESE STATES/THERE WERE CAST IN 1948/ 23 MILLION VOTES./ THERE WERE ALSO CHOSEN/ IN THE SAME ELECTION/ 8 SENATORS/ FROM DELAWARE, ALABAMA,/ GEORGIA, LOUISIANA/ NEVADA, SOUTH CAROLINA/ MISSISSIPPI AND SOUTH DAKOTA//THESE EIGHT SENATORS/EQUAL IN POWER AND PRESTIGE/ TO THE 8 SENATORS//ELECTED FROM THE

¶ THE EXCUSE/ FOR EQUAL REPRESENTATION OF THE STATES/ IN THE SENATE/ WAS THE NECESSITY/ OF RECOGNIZING/ ESSENTIALLY EQUAL COLONIES/ WHO CAME INTO FEDERATION IN 1787./

¶ THERE IS NO EXCUSE/ FOR THE INCONCEIVABLE DISCREPANCY/ IN SENATORIAL REPRESENTATION WHICH NOW EXISTS/ AND WHICH MAKES IT IMPOSSIBLE/ FOR US TO STOP/ OUR FATAL RUSH TOWARD/ A THIRD WORLD WAR.

35-10-69

¶ THIS DISCREPANCY/ IS NOT CONFINED TO THE SENATE.// THE 435 MEMBERS OF THE HOUSE OF REPRESENTATIVES/ ARE THEORETICALLY ELECTED/ FROM ESSENTIALLY EQUAL DISTRICTS/ DISTRIBUTED ~~THROUGHOUT~~ IN ACCORDANCE/ WITH THE POPULATION.// BUT THE NUMBER OF VOTES NECESSARY TO ELECT/ SUCH A REPRESENTATIVE/ SHOWS EXTRAORDINARY VARIATION.// FOR INSTANCE,/ EUGENE COX,/ WHO IS INVESTIGATING THE GENERAL EDUCATION BOARD/ AND OTHER GREAT PHILANTHROPIC AND SCHOLASTIC ORGANIZATIONS/ FOR COMMUNIST SUBVERSION,/ COMES FROM THE SECOND DISTRICT OF GEORGIA,/ AND WAS ELECTED IN A CONTEST/ WHERE LESS THAN 19 THOUSAND CAST THEIR VOTES/ IN 1950.// JOHN STEPHENS WOOD/ COMES FROM THE 9th

ROOSEVELT, JR./ AND JOHN TABER/ ALL REQUIRED MORE THAN 90 THOUSAND VOTES/ TO GET THEIR SEATS IN CONGRESS.// WHILE MISSISSIPPI,/ SOUTH CAROLINA/ HAVE REPRESENTATIVES SITTING IN CONGRESS/ FROM ELECTIONS/ WHERE 5 AND 6 THOUSAND PERSONS VOTED!

35-10-70

¶ THE UNITED STATES IS CONFRONTED/ BY AN ARRANGEMENT/ WHICH SENDS MEN TO CONGRESS/ AND THE LEGISLATURE/ NOT BY DEMOCRATIC MAJORITIES/ OR BY VOTERS OF EQUAL POWER,// AND IN WHICH POLICIES/ ARE ADOPTED/ WITHOUT DEMOCRATIC SANCTION.// REAL POLITICAL POWER/ RESIDES TODAY/ IN THE GREAT CORPORATIONS/ WHICH CONTROL THE EXAGGERATED POLITICAL POWERS/ OF ROTTEN BOROUGHS,/ AND LARGELY SELECT MEMBERS OF THE LEGISLATURE/ AND MEMBERS OF CONGRESS// AND ~~WHO~~ These Corporations DEMAND FREEDOM FOR THEMSELVES OF ACTION IN ORGANIZATIONS/ WHERE DEMOCRACY DOES NOT EXIST/ AND NEVER HAS FUNCTIONED// AND AT THE SAME

TIME DEMAND/ CURTAILMENT IN THE CIVIL RIGHTS/ OF ORDINARY CITIZENS// AND INCREASED RESTRICTION/ ON LABOR UNIONS/ WHERE DEMOCRACY IS STRUGGLING FOR/ AND FINDING NEW BIRTH.

35-10-71

¶ IT IS THEREFORE/ PECULIARLY FITTING/ THAT THE PARTY/ WHICH CALLS ITSELF PROGRESSIVE/ AND WHICH IS RUNNING ON A PROGRAM/ LOOKING TOWARDS PROGRESS/ IN OUR DEMOCRACY ~~DEVELOPMENT~~, SHOULD HAVE AT ITS HEAD TODAY/ THIS CAMPAIGN OF TRADE UNIONISM,/ VINCENT HALLINAN!

MR. HALLINAN/ BEGAN HIS REAL FIGHT FOR DEMOCRACY/ WHEN HE TOOK UP THE DEFENSE/ OF HARRY BRIDGES/ WHOSE PLACE IN AMERICAN HISTORY/ MUST NEVER BE FORGOTTEN.// IN THE WORLD UPHEAVAL/ FOLLOWING THE FIRST WORLD WAR/ THERE CAME TO THE UNITED STATES/ FROM AUSTRALIA/ A YOUNG LABORER OF 20/ WHO WORKED FOR 14 YEARS/ AS A LONGSHOREMAN/ IN SAN FRANCISCO.// IT WAS HARD, DANGEROUS WORK,/ WITH MISERABLE WORKING CONDITIONS, LOW WAGE. It Was PREYED ON/ BY PROFESSIONAL CRIMINALS/ AND CONDUCTED/ BY THE METHODS OF THE SLAVE MARKET.// HARRY BRIDGES LED A STRIKE/ IN 1934/ WHICH CHANGED ALL THIS.// HIS UNION TODAY,

HE WAS WELCOME AND UNMOLESTED

THE INTERNATIONAL LONGSHOREMEN AND WAREHOUSE MENS UNION, IS ONE OF THE MOST EXTRA-ORDINARY CREATIONS OF CURRENT DEMOCRACY. // IT HAS 85,000 MEMBERS, OVER HALF OF WHOM ARE IN THE TERRITORY OF HAWAII, AND FOR THE FIRST TIME IN HISTORY, ARE RECEIVED INTO EQUAL MEMBERSHIP, WITH NO DISCRIMINATION ~~AS TO RACE AND COLOR~~.

STEVEDORING WORK IS MORE DANGEROUS THAN COAL MINING, AND THIS UNION HAS NOT ONLY PENSION AND HEALTH PLANS FOR THE OLD AND INJURED, BUT A SAFETY PROGRAM WHICH GAVE LAST YEAR THE LOWEST INJURY RATE IN 24 YEARS!

NEGROES IN LOUISIANA GET 34¢ AN HOUR, HAWAIIANS GET $1.02. // LONGSHOREMEN HAVE RAISED THEIR WAGES ON THE WEST COAST FROM 60¢ AN HOUR IN 1940 TO $1.81 TODAY.

// CONTRAST THIS SITUATION WITH THE AMERICAN FEDERATION OF LABOR LONGSHOREMENS UNION ON THE EAST COAST:

THE WEST COAST UNION WORKERS EARN AN AVERAGE YEARLY SALARY OF $5,200, THE EAST COAST WORKERS GET $1,700. THE WEST COAST WORKERS WORK 6 HOURS A DAY.

THE EAST COAST - 8 HOURS A DAY. // EMPLOYERS ON THE EAST COAST CAN DISCHARGE MEN AND BLACKLIST THEM AT WILL. // THE WEST COAST WORKERS CONTROL THEIR MEMBERSHIP, PERMIT DISCHARGES ONLY BY A JOINT WORKER AND EMPLOYER COMMITTEE. // PROMOTIONS REQUIRE UNION AND EMPLOYER APPROVAL IN THE WEST; NOT SO IN THE EAST. THE WEST COAST HAS A WELFARE PLAN UNDER A JOINT BOARD OF TRUSTEES. THE UNIONS OF THE EAST COAST HAVE NO PARTICIPATION. // EMPLOYERS CONTRIBUTE 23½¢ ON EACH TON OF CARGO FOR PENSIONS; - ON THE EAST COAST 5¢ ~~AN HOUR~~. // THE PRESIDENT OF THE WEST COAST IS ELECTED EVERY TWO YEARS BY SECRET BALLOT AND RECEIVES $7,000 AND EXPENSES. // ON THE EAST COAST HE IS ELECTED FOR LIFE AND RECEIVES $32,500 AND EXPENSES. // THE EAST COAST LEADERS HAVE NEVER BEEN PERSECUTED, THE WEST COAST LEADERS HAVE BEEN UNDER CONTINUOUS PERSECUTION BY STATE AND GOVERNMENT SINCE 1934.

HAS ELIMINATED ALL RACE DISCRIMINATION; / HAS EXCELLENT HEALTH AND ACCIDENT PENSION PLANS, / AND WHERE THE MISERABLE LONGSHOREMEN / OF NEW YORK HARBOR / STILL RECEIVE / AN AVERAGE WAGE OF $1700 A YEAR. / THE WAGE OF BRIDGES' UNION / AVERAGES $5200!

ALL THIS WAS GAINED / BY DEMOCRATIC METHODS, / BY LEGAL PROCEDURES / AND WITH NO DISORDER / EXCEPT THAT INCITED BY THE EMPLOYERS. // BUT THESE EMPLOYERS / NOW BEGAN in 1934 A PERSECUTION / OF HARRY BRIDGES / WHICH FOR HEARTLESS PERSISTENCE / AND FANTASTIC MANEUVERS / HAS NO PARALLEL / IN AMERICAN HISTORY. // AMERICA MUST NOT FORGET THIS CASE. / BRIDGES HAS BEEN INVESTIGATED / BY THE POLICE / AND THE FEDERAL IMMIGRATION SERVICE / AND CLEARED. // HE HAS BEEN DOGGED AND SHADOWED BY THE FBI. // A CABINET OFFICER, / THREATENED WITH IMPEACHMENT, / ORDERED HIM DEPORTED / AS A COMMUNIST. // A DEAN OF THE HARVARD LAW SCHOOL, / AFTER A HEARING LASTING 11 WEEKS / CONCLUDED THAT HARRY BRIDGES WAS NOT A COMMUNIST. // THE GOVT WITNESSES / WERE CHARACTERIZED BY THE DEAN / AS "SELF-CONFESSED LIARS," "PREJUDICED", / "INTEMPERATE AND PATHOLOGICAL". // BRIDGES WAS DESCRIBED AS A MAN / DRIVEN BY HIS PASSIONATE BELIEF / IN RANK AND FILE TRADE UNIONISM / AND DEMOCRATIC UNION POLICIES.

35-10-74

IN 1940 / THE HOUSE OF REPRESENTATIVES / PASSED A BILL / WHOSE OBJECT WAS THE DEPORTATION OF BRIDGES. // IT WAS DENOUNCED / BY ATTORNEY GENERAL JACKSON / AS INCONSISTENT / WITH 150 YEARS OF JUDICIAL TRADITION. // IT DIED IN COMMITTEE, / BUT IT WAS SUCCEEDED / 15 DAYS LATER / BY A SIMILAR BILL / WHICH BECAME A LAW. // A NEW ORDER OF DEPORTATION WAS ISSUED / BUT THE BOARD OF IMMIGRATION APPEALS / SAID, "IT IS OUR UNANIMOUS OPINION / THAT THE WARRANT MUST BE CANCELLED". // THE ATTORNEY GENERAL BIDDLE OVERRULED HIS own BOARD IN 1942. // AN APPEAL WAS TAKEN TO THE UNITED STATES COURTS, / AND IN JUNE, 1945, / THE SUPREME COURT HELD / THAT THE DEPORTATION OF BRIDGES WAS UNLAWFUL.

35-10-75

FIVE DAYS AFTER THAT / DECISION / BRIDGES APPLIED FOR NATURALIZATION / AND BECAME / A CITIZEN OF THE UNITED STATES. // THEREUPON / HE WAS INDICTED / FOR FRAUD AND CONSPIRACY / IN HIS PETITION TO OBTAIN NATURALIZATION. // IN APRIL, 1950, AFTER A TRIAL / PACKED WITH PROFESSIONAL STOOL PIGEONS, / THE JURY FOUND BRIDGES GUILTY / AND HE WAS SENTENCED TO 5 YEARS IN PRISON. // THE CONVICTION WAS APPEALED / AND BRIDGES WAS RELEASED ON $25,000 BAIL. // THIS APPEAL IS NOW PENDING. // FOR HIS DEFENSE OF BRIDGES /

BECAUSE WE DENIED BEING A COMMUNIST

IN THIS TRIAL, VINCENT HALLINAN WENT TO JAIL FOR CONTEMPT OF THE ~~COURT WHICH GAVE~~ Judge who CONDUCTED THE ~~DECISION~~ TRIAL. (THE LATE) JUSTICE FRANK MURPHY OF THE SUPREME ~~COURT~~ JUDGE SAID, "FOR MORE THAN A DECADE POWERFUL ECONOMIC AND SOCIAL FORCES HAVE COMBINED WITH PUBLIC AND PRIVATE AGENCIES TO SEEK THE DEPORTATION OF HARRY BRIDGES."

35-10-76

THIS IS NOT ENGLAND IN THE 18TH CENTURY. IT IS AMERICA IN THE 20TH. FOR HIS DEFENSE OF DEMOCRACY IN THIS CASE ALONE, IF FOR NO OTHER DEED, VINCENT HALLINAN DESERVES TO BE PRESIDENT OF THE UNITED STATES.

I need hardly add that as a Negro woman, Carlotta Bass represents the Negro worker in politics.

On what platform do these Candidates stand?

ROSENBERG RALLY

THE ROSENBERGS ARE NOT ACCUSED OF BETRAYING MILITARY SECRETS TO AN ENEMY OF THEIR COUNTRY. // AT THE TIME OF THE ALLEGED DEED ~~WAS PERPETRATED~~ WE WERE FRIENDS AND ALLIES WITH THE SOVIET UNION. // ~~IT COULD NOT BE ALLEGED THAT THE ROSENBERGS WERE DEALING WITH AN ENEMY.~~ // LATER, WHEN THE ROSENBERGS WERE ACTUALLY ARRESTED AND CHARGED WITH TREASON, FRICTION HAD ARISEN OVER KOREA AND OTHER MATTERS, AND THE KOREAN WAR HAD BEGUN, ALTHOUGH THE SOVIET UNION WAS NOT A DIRECT PARTY. // NEVERTHELESS IT WAS FEAR OF THE SOVIETS AND A GROWING VISION OF A WAR BETWEEN THE UNITED STATES AND RUSSIA WHICH FURNISHED THE ATMOSPHERE IN WHICH THIS TRIAL WAS HELD.

ROSENBERG RALLY

THE ROSENBERGS ARE NOT ACCUSED OF BETRAYING MILITARY SECRETS TO AN ENEMY OF THEIR COUNTRY. AT THE TIME THE ALLEGED DEED WAS PERPETRATED WE WERE FRIENDS AND ALLIES WITH THE SOVIET UNION. IT COULD NOT BE ALLEGED THAT THE ROSENBERGS WERE DEALING WITH AN ENEMY. LATER, WHEN THEY WERE ACTUALLY ARRESTED AND CHARGED WITH TREASON, FRICTION HAD ARISEN OVER KOREA AND OTHER MATTERS, AND THE KOREAN WAR HAD BEGUN. ALTHOUGH THE SOVIET UNION WAS NOT A DIRECT PARTY, NEVERTHELESS IT WAS FEAR OF THE SOVIETS AND A GROWING VISION OF A WAR BETWEEN THE UNITED STATES AND RUSSIA WHICH FURNISHED THE ATMOSPHERE IN WHICH THIS TRIAL WAS HELD.

UNDER SUCH CIRCUMSTANCES, IN THIS CASE AS IN MANY OTHER CASES IN THE PAST, ACCUSATION ITSELF SPELLED CONVICTION.

HOW FORTUNATE IT WOULD HAVE BEEN FOR US AND FOR THE WORLD IF AT THE TIME THE ROSENBERGS WERE ACCUSED WE HAD IN FACT FREELY GIVEN TO THE SOVIET UNION AND TO THE WHOLE WORLD THE SECRET OF THE ATOM BOMB. THAT WOULD HAVE BEEN A GESTURE TOWARD PEACE WHICH WOULD HAVE CONVINCED MANKIND OF OUR REAL DESIRE, FOR A FREE WORLD AND FOR TRUE DEMOCRACY, AND OUR ABHORRENCE OF IMPERIAL EXPLOITATION. IT WOULD HAVE SAVED THIS NATION ENOUGH FUNDS FOR SOCIAL MEDICINE AND THE CURE OF CANCER AND INFANTILE PARALYSIS; FOR THE HARNESSING OF OUR GREAT, DESTROYING RIVER SYSTEMS; AND WATERING OF OUR DESERTS; AND FOR ESPECIALLY THE RESTORATION AND DEVELOPMENT OF OUR EDUCATIONAL SYSTEMS. BUT WE DID NOT DO THIS; ON THE CONTRARY WE SET OURSELVES TO CONQUER NOT ONLY THE SOVIET UNION BUT THE WORLD.

TURNING THEN FROM THIS SPOILED DREAM OF PEACE, LET US CONSIDER THE FACTS OF THE RELATIONS BETWEEN THE UNITED STATES AND THE SOVIET UNION BEFORE, DURING AND AFTER THE SECOND WORLD WAR.

FOR MANY YEARS THERE WAS UNQUESTIONED FRIENDSHIP BETWEEN THE UNITED STATES AND RUSSIA. MY HIGHSCHOOL TEXT BOOKS USED TO PRAISE THE CESSION OF ALASKA AS BINDING THE TWO NATIONS TOGETHER. MUCH WAS SAID IN MY YOUTH OF THE SPLENDID COURT OF THE CZARS, AND NO AMERICAN AMBASSADORSHIP WAS MORE SOUGHT FOR THAN THE EMBASSY TO RUSSIA.

35-10-45

THERE WERE SOME CRITICISMS. FOR INSTANCE, AS A HIGHSCHOOL STUDENT I REMEMBER READING IN THE CENTURY MAGAZINE A SERIES OF ARTICLES BY GEORGE KENNAN, FATHER OF THE PRESENT MAN WITH THE SAME NAME. HE CRITICIZED SEVERELY THE CRUELTY OF THE CZARS, THE REPRESSION OF FREEDOM, AND THE EXILE TO SIBERIA. AFTERWARD WE HEARD MUCH ABOUT RUSSIAN ANARCHY, REVOLT AND ASSASSINATION, MITIGATED IN PART BY THE EMANCIPATION OF THE SERFS WHICH CAME ABOUT THE SAME TIME THAT AMERICAN NEGRO SLAVES WERE EMANCIPATED.

IN 1917 IT IS FAIR TO SAY THAT THE OVERWHELMING LIBERAL PUBLIC OPINION IN THE UNITED STATES WAS WITH THE REVOLUTIONISTS. GREAT LIBERAL LEADERS AND THINKERS WHO IN 1918 HAILED THE RUSSIAN REVOLUTION AS GREATER THAN THE FRENCH AND AS FULFILLING

THE DREAM OF THE AMERICAN MIND NOT TODAY BE ASHAMED OF THEIR ENTHUSIASM, FOR IT WAS ECHOED AROUND THE FORWARD-THINKING WORLD. I REMEMBER THE VISIT OF KATHERINE BRESHKOVSKAYA MOTHER OF THE REVOLUTION, TO AMERICA. I WAS PRESENT WHEN JANE ADAMS ENTERTAINED HER AT HULL HOUSE.

THEN BECAUSE OF THE BRITISH ATTEMPT TO BEAT BACK THE REVOLUTION, CAME THE ATTACK ON RUSSIA OF FOURTEEN NATIONS, INCLUDING AMERICA, FOLLOWED BY AN EXTRAORDINARY PROPAGANDA WHICH HAS PERSISTED TO OUR DAY. ESPECIALLY DID THE EXPULSION OF LEON TROTSKY AND HIS EXILE TO MEXICO IMPRESS LIBERALS AND SET THEM AGAINST STALIN BEFORE THEY KNEW THE WHOLE TRUTH.

BUT ABOVE ALL CAME THE PROPAGANDA OF HITLER. NO MATTER HOW MUCH WE WERE FRIGHTENED BY FASCISM IN ITALY AND NAZISM IN GERMANY, MANY INFLUENTIAL AMERICANS ADMIRED BOTH HITLER AND MUSSOLINI, AND WENT ALONG WITH GREAT BRITAIN IN AN ALL-OUT ATTEMPT TO APPEASE THEM. IT WAS FOR THIS REASON THAT WE REFUSED TO INVITE THE SOVIET UNION TO ALLIANCE AGAINST THE NAZI ATTACK ON WESTERN EUROPE. ALONG WITH GREAT BRITAIN WE

STEADFASTLY REFUSED TO NEGOTIATE WITH RUSSIA, SENDING SECOND-RANK NEGOTIATORS AND PUTTING OFF DECISION, UNTIL AT LAST THE SOVIET UNION IN SELF-DEFENSE MADE ALLIANCE WITH HITLER.

35-10-46

THEN AS FRANCE AND ENGLAND TOTTERED ON THE BRINK AND HITLER TURNED FROM THE FINISHING BLOW TO OVER-THROW THE SOVIET UNION, WE REGAINED OUR SENSES IN PART, AND WITH RELUCTANCE MADE ALLIANCE WITH THE SOVIET UNION AND GREAT BRITAIN AGAINST THE NAZIS. BUT WE WERE CERTAIN THAT THE SOVIET UNION WAS GOING TO BE OVERTHROWN IN A SHORT TIME. IT WAS, THEREFORE, OUR BELIEF THAT IF WE COULD PROLONG THE CONFLICT AS MUCH AS POSSIBLE, HITLER MIGHT BE SO MUCH WEAKENED BY THE RUSSIAN RESISTENCE THAT BOTH COMMUNISM AND NAZISM WOULD OVERTHROW THEMSELVES.

35-10-47

THERE IS NO DOUBT THAT THIS WAS THE REASON BEHIND OUR DELAY IN FURNISHING A SECOND FRONT AGAINST THE NAZIS. ALTHOUGH HARD-PRESSED, THE SOVIETS WERE PUTTING UP FIERCE RESISTANCE AGAINST THE MIGHT WEHRMACH. WE THEREFORE PROMISED THE RUSSIANS HELP, BUT WE FOLLOWED THE LEAD OF CHURCHILL AND BRITAIN, AND THAT WAS TO WAIT UNTIL THE RUSSIANS WERE OVERTHROWN, AND MEANTIME TO CONSERVE OUR STRENGTH AND ATTACK THROUGH SOUTHERN EUROPE SO AS TO PRESERVE THE WESTERN EUROPEAN HIGHWAY TO ASIA AND THE CONTROL OF THE MEDITERRANEAN. THEN WHEN HITLER'S ARMIES RETURNED FROM RUSSIA, EVEN IF

VICTORIOUS, THEY WOULD FIND IT DIFFICULT TO OVERTHROW GREAT BRITAIN AND FRANCE, WITH THE ALLIES FIRMLY ENTRENCHED IN SOUTHERN EUROPE AND NORTHERN AFRICA.

THE UNEXPECTED AND INCREDIBLE HAPPENED. THE RUSSIANS AT THE COST OF OVER 15 MILLION LIVES AND ONE HUNDRED BILLIONS OF PROPERTY, SMASHED HITLER AND THE GERMAN ARMIES AND DID THIS WITHOUT THE HELP OF AMERICAN OR WESTERN EUROPEAN SOLDIERS. SOME MATERIAL AN MUNITIONS WE FURNISHED THE SOVIETS, BUT IT FORMED BUT ABOUT 5% OF THEIR TOTAL NEEDS. WE SENT MANY TRUCKS AND JEEPS, BUT NOT AS MANY AS THE SOVIETS CAPTURED FROM THE GERMANS. THIS SMALL SUPPLY WAS STOPPED TOO EARLY, AND AFTER THE WAR WE REFUSED TO LOAN THE SOVIETS A DOLLAR, WHILE WE GAVE 90 MILLIONS TO THE UNION OF SOUTH AFRICA.

WHEN THIS ENTIRELY NEW SITUATION FACED US AT POTSDAM AND YALTA, WE CAME TO AN UNDERSTANDING WITH RUSSIA, AND DID IT GLADLY.

YIELDING CONTROL OVER THE TERRITORY WHICH BORDERED ON THE SOVIET TERRITORY WHICH WE HAD TRIED TO PRESERVE AS A CORDON SANITAIRE FROM WHICH THE WEST PLANNED TO ATTACK AND RECONQUER THE SOVIETS. WE COULD NOT IN DECENCY NOR IN ARMED MIGHT REFUSE TO YIELD THE BALTIC STATES WHICH HAD BEEN RUSSIAN TERRITORY; NOR POLAND WHICH THE WEST HAD ARMED AGAINST THE SOVIETS; NOR COULD WE COMPEL CZECHOSLOVAKIA TO FOLLOW WESTERN DICTATORSHIP. OUR APPRECIATION OF THE SOVIET EFFORT WAS ECSTATIC. OUR SECRETARY OF STATE, CORDELL HULL, PRAISED "THE EPIC QUALITY OF THEIR PATRIOTIC FERVOR." GENERAL DOUGLAS MACARTHUR SAID OF THE RED ARMY:— "THE WORLD SITUATION AT THE PRESENT TIME INDICATES THAT THE HOPES OF CIVILIZATION REST ON THE WORTHY BANNERS OF THE COURAGEOUS RUSSIAN ARMY. DURING MY LIFETIME I HAVE PARTICIPATED IN A NUMBER OF WARS AND HAVE WITNESSED OTHERS, AS WELL AS STUDYING IN GREAT DETAIL THE CAMPAIGNS OF OUTSTANDING LEADERS OF THE PAST. IN NONE HAVE I OBSERVED SUCH EFFECTIVE RESISTANCE TO THE HEAVIEST BLOWS OF A HITHERTO UNDEFEATED ENEMY, FOLLOWED BY A SMASHING COUNTER-ATTACK WHICH IS DRIVING THE ENEMY BACK TO HIS OWN LAND. THE SCALE AND GRANDEUR OF THE

35-10-48

EFFORT MARK IT AS THE GREATEST MILITARY ACHIEVEMENT IN ALL HISTORY."

AT QUEBEC, ON AUGUST 31, 1943, PRIME MINISTER WINSTON CHURCHILL DECLARED CONCERNING THE SOVIET GOVERNMENT AND ITS LEADERSHIP:— "NO GOVERNMENT EVER FORMED AMONG MEN HAS BEEN CAPABLE OF SURVIVING INJURIES SO GRAVE AND CRUEL AS THOSE INFLICTED BY HITLER ON RUSSIA... RUSSIA HAS NOT ONLY SURVIVED AND RECOVERED FROM THOSE FRIGHTFUL INJURIES BUT HAS INFLICTED, AS NO OTHER FORCE IN THE WORLD COULD HAVE INFLICTED, MORTAL DAMAGE ON THE GERMAN ARMY MACHINE."

COLONEL RAYMOND ROBINS, HEAD OF THE AMERICAN RED CROSS IN RUSSIA, SAID: "THE GREATEST HOUR I SHALL EVER KNOW WAS TO SEE THE LIGHT OF HOPE FOR FREEDOM FROM AGE-LONG TYRANNIES AND OPPRESSIONS IN THE EYES OF THE WORKERS AND PEASANTS OF RUSSIA AS THEY RESPONDED TO THE APPEALS OF LENIN AND OTHER LEADERS OF THE SOVIET REVOLUTION.

"SOVIET RUSSIA HAS ALWAYS WANTED INTERNATIONAL PEACE. LENIN KNEW THAT HIS GREAT DOMESTIC PROGRAM WOULD BE DEFLECTED IF NOT DESTROYED BY WAR. - THE RUSSIAN PEOPLE HAVE ALWAYS WANTED PEACE. EDUCATION, PRODUCTION, EXPLOITATION OF A VAST AND

RICH TERRITORY ENGAGE ALL THEIR THOUGHTS AND ENERGIES AND HOPES.

"SOVIET RUSSIA EXPLOITS NO COLONIES, SEEKS TO EXPLOIT NONE. SOVIET RUSSIA OPERATES NO FOREIGN TRADE CARTELS, SEEKS NONE TO EXPLOIT. STALIN'S POLICIES HAVE WIPED OUT RACIAL, RELIGIOUS, NATIONAL AND CLASS ANTAGONISMS WITHIN THE SOVIET TERRITORIES. THIS UNITY AND HARMONY OF THE SOVIET PEOPLE'S POINT THE PATH TO INTERNATIONAL PEACE."

35-10-49

IN RETURN WE NEEDED SOVIET ALLIANCE AGAINST THE STILL POWERFUL ARMY AND NAVY OF JAPAN; AND PARTICULARLY WE EXPECTED TO DEVELOP CHINA AS OUR ALLY, NOT ONLY AGAINST JAPAN BUT IN THE INDUSTRIAL EMPIRE WHICH WE HOPED TO BUILD IN ASIA AFTER THE WAR, IN OUR ROLE AS SUCCESSOR TO THE BRITISH EMPIRE.

TO OUR ASTONISHMENT THIS FAILED, WHEN THE COMMUNISTS DROVE OUT OUR ALLY, CHIANG-KAI-SHEK, AND TOOK THE ARMS AND AMMUNITIONS WHICH WE HAD GIVEN HIM. THERE REMAINED ONLY, TO THE MIND OF MOST AMERICANS, THE PROTECTION OF THE NEWLY-DISCOVERED ATOM BOMB. IT IS EASY TO SEE HOW DURING THIS ALMOST HYSTERICAL CHANGE AND REACTION

CHARGES OR EVEN RUMORS THAT THE SECRET OF THE ATOM BOMB HAD BEEN REVEALED TO RUSSIA ALARMED THE NATION.

IN SEPTEMBER, 1949, THE PRESIDENT ANNOUNCED THAT THE SOVIET UNION KNEW THE SECRET OF THE ATOM BOMB, AND FROM THAT MANY CONCLUDED THAT THIS SECRET HAD BEEN BETRAYED TO THE SOVIET UNION BY AMERICANS, AND THAT EVENTUALLY A THIRD WORLD WAR BETWEEN THE UNITED STATES AND THE SOVIET UNION MUST FOLLOW.

WIDESPREAD AND DELIBERATE PROPAGANDA INDUCED MOST AMERICANS, EVEN LIBERALS AND RADICALS, TO ACCEPT THIS BELIEF. WHEN FUCHS WAS CONVICTED AS A SPY IN 1950, AND JUDITH COPLON ACCUSED, ATOMIC TRAITORS WERE SCENTED EVERYWHERE, AND IN 1951 THE ROSENBERGS WERE ACCUSED.

HERE IS THE BACKGROUND OF THE KIND OF PUBLIC OPINION IN WHICH THEY WERE TRIED. IT IS DOUBTFUL IF ANYONE IN THIS ROOM, UNDER THESE CIRCUMSTANCES WOULD HAVE ESCAPED GRAVE DANGER OF CONVICTION. THE CASE AGAINST THE ROSENBERGS WAS SWORN TO BY A CONFESSED SPY, WHO RECEIVED IMMUNITY EVEN THOUGH IT HAS NEVER BEEN PROVEN THAT HE

POSSESSED ANY ATOMIC SECRET WHICH HE COULD REVEAL. THE ROSENBERGS WERE TRIED IN AN ATMOSPHERE OF RACE PREJUDICE, DURING THE ATTEMPT TO ESTABLISH UNIVERSAL MILITARY SERVICE, AND THE CRUSADE OF THE NATIONAL ASSOCIATION OF MANUFACTURERS TO MAKE THE UNITED STATES FIGHT THE SOVIET UNION FOR POSSESSION OF MARKETS OF ASIA AND THE WORLD.

35-40-50

IT IS FOR THIS REASON THAT THE ROSENBERGS WERE CONVICTED, AND MOST AMERICANS WHO ARE NOT CARRIED AWAY BY THE HYSTERIA OF THE KOREAN WAR CANNOT BELIEVE THAT THE ROSENBERGS COMMITTED A CRIME OR HAD A JUST TRIAL. THIS MEETING TONIGHT IS A PROTEST TO TRY AND SEE THAT IN THE END JUSTICE WILL PREVAIL.

THE SIGNIFICANCE OF THE ROSENBERG CASE, THEREFORE, REACHES BEYOND THE FATE OF TWO INDIVIDUALS, TRAGIC AS THAT MAY BE. IT BECOMES A PART OF THE GREAT PEACE CRUSADE. IN THE MIDST OF WAR AND FEAR OF WAR WE DO UNBELIEVABLE THINGS. WE RUSH TO LYING, SLANDER AND HATE BECAUSE WE FEAR WHAT WAR WILL DO TO US AND TO OURS. IN BLIND RECOIL FROM MASS MURDER WE DO ANYTHING WHICH IN OUR FEVERED IMAGINATION SEEMS LIKELY TO SAVE US FROM WAR. THIS IS THE REASON WHY HERE IN A NATION BORN IN PEACE AND

JUSTICE, WE ARE ALMOST WITHOUT PROTEST COMMITTING CRIMES AGAINST HUMANITY, AGAINST ELEMENTARY CIVIL RIGHTS, AGAINST EVERY IDEAL OF DEMOCRACY. THE PUBLIC OPINION WHICH CRUCIFIES A MOTHER AND FATHER IN THE PRIME OF LIFE IS BASED ON THE ABJECT FEAR OF DISASTER TO THE WHOLE NATION. BUT FEAR IS NOT FACT, AND IGNORANTLY TO COMMIT AN UNFORGIVEABLE CRIME IN THE NAME OF A GREATER CRIME IS NO EXCUSE. FIRST WE MUST KNOW BEYOND ALL DOUBT THAT THE ROSENBERGS WERE SPIES. IT IS NO ACCIDENT THAT THE LAW OF CIVILIZATION HAS ALWAYS DECLARED IT FAR BETTER THAT TEN GUILTY ESCAPE RATHER THAN ONE INNOCENT PERSON BE PUNISHED FOR A CRIME HE NEVER COMMITTED.

IN THIS CASE THE GREATER REASON FOR PAUSE IS OUR RUSH TO WAR, TO WHICH THIS NATION HAS YIELDED WITHOUT CAUSE AND WITHOUT REASON. THE BLOOD GUILT IS UPON US, AMERICANS WHO ALONE IN THE WORLD DEMAND MASS MURDER AND FORCE AND CONTINUED SLAUGHTER OF HELPLESS KOREA.

[redacted]

A QUARTER OF A CENTURY AGO, IN THE MIDST OF WAR HYSTERIA AND POST-WAR INFLATION, WE COMMITTED IN THIS NATION A JUDICIAL CRIME AS GREAT AS THAT WHICH WE NOW CONTEMPLATE. BECAUSE OF THE HATE BORN OF THE FIRST WORLD WAR; BECAUSE OF RACE PREJUDICE IN NEW ENGLAND AGAINST IRISH AND THE NEWLY-COME ITALIANS; AND PARTICULARLY BECAUSE BOOMING INDUSTRY FEARED RADICALS, -- WE MURDERED SACCO AND VANZETTI. WE MURDERED TWO WORKERS OF HIGH IDEALS AND STEADFAST FAITH. NO MAN TODAY DOUBTS THE FRIGHTFUL MISCARRIAGE OF JUSTICE IN THIS CASE. YET AT THE TIME SOME OF THE MOST INFLUENTIAL AMERICANS REFUSED TO SAY A WORD OR RAISE A HAND OF PROTEST. VANZETTI, ADDRESSING THE COURT, APRIL 9, 1927, SAID: (AND WITH THESE SAME WORDS HE SPEAKS AGAIN TO US TONIGHT),

35-10-51

"THE JURY DID NOT UNDERSTAND THE DIFFERENCE BETWEEN A MAN WHO IS AGAINST WAR BECAUSE HE BELIEVES WAR IS UNJUST AND BECAUSE HE HATES NO COUNTRY, AND A MAN WHO HATES WAR BECAUSE HE IS IN FAVOR OF THE COUNTRY WHICH IS FIGHTING THE LAND IN WHICH HE LIVES; SUCH A MAN IS A SPY AND COMMITS A CRIME AGAINST HIS COUNTRY IN ORDER TO SERVE ITS ENEMY. WE ARE NOT MEN OF THAT KIND. NOBODY CAN SAY THAT WE ARE GERMAN SPIES. WE WERE AGAINST THE WAR BECAUSE WE DID NOT BELIEVE IN THE PURPOSE FOR WHICH THEY SAY

THE WAR WAS FOUGHT. WE BELIEVE THAT WAR IS WRONG AND WE BELIEVE THIS MORE AFTER THE TEN YEARS IN WHICH WE HAVE STUDIED AND OBSERVED DAY BY DAY...AND I AM GLAD TO BE ON THE SCAFFOLD OF DOOM IF I CAN SAY TO MANKIND: LOOK OUT! YOU ARE IN THE TOMB OF THE FLOWER OF MANKIND. FOR WHAT? ALL THAT THEY SAID TO YOU, ALL THAT THEY HAVE PROMISED YOU; IT WAS A LIE, IT WAS A FRAUD, IT WAS A CRIME. THEY PROMISED YOU LIBERTY; WHERE IS LIBERTY? THEY PROMISED YOU PROSPERITY; WHERE IS PROSPERITY? "

SACCO AND VANZETTI ARE DEAD; BUT YOU LIVE. AND MAY YOU LIVE TO PREVENT ANOTHER SUCH CRIME AS THIS.

THE CONFEDERATE FLAG

WHILE THE AMERICAN LEGION WAS MEETING RECENTLY IN NEW YORK, I WAS RETURNING FROM THE SAD FUNERAL OF A YOUNG VETERAN OF WORLD WAR II. MY CAR WAS HALTED IN FRONT OF THE PENNSYLVANIA STATION, BY GAY YOUNG MEN FORMING FOR A PARADE. THEY WERE THE "YOUNG REBELS OF MIAMI", AND OVER THEM WAVED A CONFEDERATE FLAG.

DURING THIS WHOLE PRESIDENTIAL CAMPAIGN THE CONFEDERATE FLAG AND THE REBEL YELL HAVE BEEN IN CONSTANT EVIDENCE. IT WAS FLOWN REPEATEDLY AT THE DEMOCRATIC NATIONAL CONVENTION, AND WHEN EISENHOWER RECENTLY VISITED ATLANTA, HE WAS WELCOMED BY THE GOVERNOR WAVING A CONFEDERATE FLAG. Stevenson in New Orleans grinned as he waved the flag of slavery.

ALL THIS HAS BEEN REGARDED AS AN AMIABLE JOKE BY MOST PERSONS; OTHERS WHO KNOW HAVE MET IT WITH STUDIED SILENCE, AND SMALL MENTION HAS APPEARED IN THE PRESS. I AM SURE, THEREFORE, THAT MOST PEOPLE FORGET FOR JUST WHAT THE

35-10-39

-2-

CONFEDERATE FLAG ONCE STOOD. IT STOOD FOR HUMAN SLAVERY. IT WAS THE FLAG OF THE SLAVE STATES OF THE SOUTH, WHO FOUGHT AGAINST THE FREE LABOR STATES OF THE NORTH IN A CIVIL WAR WHICH WAS A REBELLION AGAINST THE POWER OF THE FEDERAL GOVERNMENT TO REGULATE LAND AND LABOR. TO ME, NATURALLY, THE STARS AND BARS OF THE CONFEDERACY ARE MORE THAN INSULT, THEY ARE THREAT, BECAUSE THEY SIGNIFY THE SLAVERY OF FOUR MILLION NEGRO SLAVES WHOSE DESCENDANTS NUMBER 15 MILLION AMERICAN SECOND CLASS CITIZENS TODAY.

THIS CIVIL WAR, WHICH KILLED NEARLY A HALF MILLION AMERICANS AND MAIMED AND WOUNDED OTHER HUNDREDS OF THOUSANDS; WHICH DESTROYED MILLIONS OF PROPERTY AND DISRUPTED THE ECONOMY AND CULTURAL LIFE OF THE UNITED STATES AND GAVE RULE TO CORPORATE WEALTH, WAS CAUSED BY SLAVERY. IT IS TODAY THE FASHION TO DENY THIS AND TO ASSERT THAT THIS UNNECESSARY WAR WAS FOUGHT FOR "STATES RIGHTS." PEOPLE DO NOT FIGHT FOR ABSTRACT CONCEPTIONS. THEY FIGHT FOR MONEY, POWER AND FEAR; AND IN THE MINDS OF THE PEOPLE OF THE SOUTH WHO ONCE MARCHED BEHIND THE CONFEDERATE

FLAG THERE WAS NO DOUBT THAT THEY WERE FIGHTING TO KEEP FOUR MILLION BLACK LABORERS WORKING FOR THEM AT THE LOWEST POSSIBLE WAGE IN ORDER THAT THE MASTERS SHOULD BE COMFORTABLE, RICH AND POWERFUL. ON SOUTHERN PLANTATIONS MILLIONS OF BLACK LABORERS RAISED COTTON, SUGAR AND CORN TO PAY FOR THEIR LIVING, LUXURIES AND DEBTS, WHILE MILLIONS OF UNEMPLOYED POOR WHITES STARVED. THERE ARE STILL HISTORIANS WHO MAINTAIN THAT SLAVERY REPRESENTED THE ZENITH OF AMERICAN CIVILIZATION, AND WRITERS WHO RAVE OVER THE JASMIN AND MAGNOLIAS OF THE WHITE-PILLARED MANSIONS OF THE SLAVE OWNERS.

BUT NOT ALL WHITE SOUTHERNERS WERE SLAVE-OWNERS; NOR ARE ALL WHITE SOUTHERNERS TODAY WAVING THE CONFEDERATE FLAG. LESS THAN 10% OF THE WHITES OWNED SLAVES. BUT THE SLAVEHOLDERS FOUGHT FOR SLAVERY, AND SAID SO. JEFFERSON DAVIS, PRESIDENT OF THE CONFEDERACY SAID SO. ALEXANDER STEVENS, VICE-PRESIDENT OF THE CONFEDERACY SAID SO. A GOVERNOR OF SOUTH CAROLINA SAID, "GOD FORBID THAT MY DESCENDANTS, IN THE REMOTEST GENERATIONS, SHOULD LIVE IN ANY OTHER THAN A COMMUNITY HAVING THE INSTITUTION OF DOMESTIC SLAVERY." THE CONFEDERATE CONSTITUTION, WHICH STEVENSON ADMIRES, SAID

35-10-40

IN THE 9th SECTION OF ITS FIRST ARTICLE, THAT CONGRESS SHALL PASS NO LAW "DENYING OR IMPAIRING THE RIGHT OF PROPERTY IN NEGRO SLAVES."

THE CIVIL WAR RESULTED IN EMANCIPATION FOR THE SLAVES, NOT BECAUSE THE NORTH OR ABRAHAM LINCOLN FOUGHT FOR THIS, BUT BECAUSE FREEDOM FOR THE SLAVES WHOSE LABOR SUPPORTED THE SOUTH WAS THE ONLY WAY TO WIN THE WAR. THE UNION OF NORTH AND SOUTH MUST CONTINUE OR GREAT BRITAIN AND FRANCE AND THE SLAVE-HOLDING SOUTH WOULD LEAD MODERN INDUSTRY.

THE SLAVES THEMSELVES DECIDED THE WAR. AS THE ARMIES ADVANCED, THE BLACK WORKERS DESERTED IN INCREASING NUMBERS TO THE NORTHERN ARMIES AS LABORERS AND SPIES, AND FINALLY AS 250,000 ARMED SOLDIERS, EASILY CAPABLE OF EXPANDING TO A MILLION. LINCOLN HAD AT LAST TO SAY THAT FOUR MILLION BLACK WORKERS WERE "HENCEFORWARD AND FOREVER FREE."

HOW FREE WAS THE FREEDMAN? NOT FREE ENOUGH FOR THE CONFEDERATE FLAG TO BE FURLED. HE HAD NO CLOTHES, TOOLS OR LAND. THADDEUS STEVENS BEGGED THE GOVERNMENT

TO GIVE HIM A BIT OF THE LAND WHICH HIS BLOOD HAD FERTILIZED FOR 244 YEARS. THE NATION JEERED. CHARLES SUMNER ASKED FOR THE NEGRO THE RIGHT TO VOTE. THE GOVERNMENT YIELDED BECAUSE ONLY NEGRO VOTES COULD FORCE THE WHITE SOUTH TO CONSENT TO A HIGH TARIFF AND PAYING THE PUBLIC DEBT. THIS ACCOMPLISHED, THE NATION TOOK AWAY THE NEGRO'S VOTE AND THE VOTE OF MANY POOR WHITES WENT WITH IT.

A FANTASTIC ECONOMIC DEVELOPMENT FOLLOWED. LAND, CAPITAL AND LABOR ARE THE FOUNDING STONES OF SOCIAL LIFE. IN THE SOUTH, THE LAND WAS RICH, AND THE CLIMATE MILD; THERE WAS SUN AND RAIN FOR GRAIN, FRUIT AND FIBRE; THERE WERE NATURAL RESOURCES IN RIVERS, HARBORS AND FORESTS; IN THE BOSOM OF THE EARTH LAY COAL, IRON, OIL, SULPHUR AND SALT. ALL THIS WAS GIVEN BY THE GOVERNMENT TO THE SLAVEHOLDER, THE LANDHOLDER, THE MERCHANT AND THE EMPLOYER. NO PART OF IT WENT TO LABOR, BLACK OR WHITE.

CAPITAL WAS NEEDED TO DEVELOP THIS ECONOMIC PARADISE. GOVERNMENT FURNISHED MOST OF THIS CAPITAL FREE TO THE LANDHOLDER AND EMPLOYER. RAILROADS WERE SUBSIDIZED, AND RIVERS AND HARBORS IMPROVED, AND WEALTH ESCAPED TAXATION. THE NORTH FATTENED ON

THIS AND CHEAP IMMIGRANT LABOR, AND POURED PRIVATE INVESTMENTS INTO THE SOUTH. WHEN LABOR LOST ITS VOTE, LANDHOLDERS AND CAPITALISTS VOTED FOR THEM AND FILLED THE LEGISLATURES AND CONGRESS WITH SERVANTS OF EXPLOITATION, AND GAVE ALL THE POWERFUL CHAIRMANSHIPS IN CONGRESS TO THE SOUTH. THEY GAVE THE LANDLORDS AND MERCHANTS MILLIONS TO TRAIN SOLDIERS FOR THE FIRST WORLD WAR; DURING THE DEPRESSION, MOST OF THE SOUTHERN RELIEF WENT TO LANDLORDS AND NOT TO LABOR. DURING AND AFTER THE SECOND WORLD WAR, THE SOUTHERN INDUSTRY MOVED INTO HIGH GEAR. THE FEDERAL GOVERNMENT POURED BILLIONS OF GRANTS-IN-AID INTO THE SOUTH. SOUTHERN LEGISLATURES VIED EACH OTHER IN BIDDING FOR INDUSTRY, WITH FREE LAND, LOW TAXES, AND PLIANT POLICE. WASHINGTON WAS LAVISH WITH CERTIFICATES OF NECESSITY TO BUILD NEW FACTORIES AND OWNERS OF OIL WELLS WERE GIVEN TAX REBATES FOR DEPLETION OF THE OIL WHICH GOD GAVE THEM; AND TODAY TRY TO GRAB THE OIL UNDERSEAS.

ABOVE ALL, THE SOUTH FURNISHED AND BOASTED OF THE LARGEST POOL OF CHEAP, DOCILE, UNORGANIZED LABOR, SKILLED AND UNSKILLED, IN THE CIVILISED WORLD. THIS MASS OF LABOR WAS FIRST AND HISTORICALLY SPLIT INTO WHITE AND BLACK, EACH HATING AND

FEARING EACH OTHER TO A DEGREE THAT PERSONS UNFAMILIAR WITH THE REGION CANNOT BEGIN TO IMAGINE. THEN THE WHOLE LABOR GROUP WAS DIVIDED INTO A GROUP OF ORGANIZED LABORERS FORMING LESS THAN A THIRD, AND TWO-THIRDS OF INDUSTRIAL LABOR UNORGANIZED, NOT TO MENTION THE AGRICULTURAL SERFS.

35-10-42

HERE WAS A PARADISE FOR THE INVESTOR, WHICH THE STATE IMPROVED: LABOR LAWS WERE LAX AND CARELESSLY ENFORCED; COMPANY TOWNS AROSE UNDER COMPLETE CORPORATE CONTROL; THE POLICE AND MILITIA WERE ORGANIZED AGAINST LABOR; RACE HATE AND FEAR AND SCAB TACTICS WERE DELIBERATELY ENCOURAGED SO AS TO MAKE ANY COMPLAINT OR EFFORT AT BETTERMENT LIABLE TO BURST INTO RIOT, LYNCHING, OR RACE WAR.

THE RESULT HAS BEEN STARTLING. IN 1919 THE SOUTH HAD LESS THAN A FIFTH OF MINING PRODUCTS; IN 1946 IT HAD NEARLY HALF. IN VALUE OF MANUFACTURES IT HAS IN 30 YEARS RISEN FROM A TENTH TO NEARLY A FIFTH OF THE NATIONAL TOTAL. MOST OF THE NEW AND PROMISING INDUSTRIES ARE SEEKING THE SOUTH; AND SINCE WORLD WAR II HAVE INVESTED ELEVEN BILLIONS IN NEW INDUSTRIAL PLANTS. THE SOUTHEAST HAS ALREADY 80% OF THE

COTTON MILLS AND ALL THE NEW CHEMICAL FIBRE INDUSTRY; IT IS DRAWING THE WOOLEN AND WORSTED MILLS, AND THE TEXTILE MACHINERY MILLS WILL SOON FOLLOW. PAPER AND PULP MILLS AND PLASTICS REPRESENT MILLIONS OF NEW INVESTMENT. THE SOUTH-WEST IS THE FASTEST GROWING CHEMICAL EMPIRE IN THE WORLD.

THIS NEWEST SOUTH, TURNING BACK TO ITS SLAVE PAST, BELIEVES ITS PRESENT PROSPERITY CAN BEST BE BUILT ON THE POVERTY AND IGNORANCE OF ITS DISFRANCHISED LOWEST MASSES, AND THESE LOW-PAID WORKERS NOW INCLUDE NOT ONLY NEGROES, BUT MEXICANS, PUERTO-RICANS AND THE UNSKILLED, UNORGANIZED WHITES. SOUTHERN PROGRESS BY MEANS OF THIS POVERTY IS THE CREED OF THE PRESENT SOUTH AND OVER IT FLOATS THE CONFEDERATE FLAG.

WHERE NOW IS THE AMERICAN LABOR MOVEMENT; WHAT HAS IT DONE; WHAT IS IT DOING AND WHAT ARE ITS PLANS? THE INCREASINGLY BITTER AND ORGANIZED ATTACK ON UNION LABOR IN THIS NATION IS THUS DIRECTLY LINKED TO THE SOUTH AND ITS PAST SLAVERY OF NEGROES AND THEIR LONG EXCLUSION FROM THE LABOR MOVEMENT. THE AMERICAN LABOR MOVEMENT, RECOVERING PARTIALLY WITH MASS PRODUCTION FROM COLOR AND SKILL DISCRIMINATION,

THEN ALLOWED THE EMPLOYERS TO SPLIT THEM AGAIN WITH THE SMEAR OF "COMMUNISM". THIS FIGHT AGAINST UNION LABOR TODAY CENTERS IN THE SOUTH AND BUILDS ITSELF UPON THAT COLOR LINE WHICH ONCE BUILT BLACK SLAVERY AND NOW PROJECTS A NEW SLAVERY OF LABOR, BLACK AND WHITE, NORTH AND SOUTH.

35-10-43

THE NORTHERN WORKER LONG WENT HIS WAY OBLIVIOUS TO WHAT WAS HAPPENING IN THE SOUTH. HE AWOKE WHEN THE BLACK SOUTHERN LABORER BEGAN TO COME NORTH AFTER THE FIRST WORLD WAR AND WAS WELCOMED BY RIOTS. Gradually THE BLACK MAN HAS BEEN INTEGRATED INTO THE UNIONS EXCEPT THOSE IN WHOSE CRAFTS HE WAS NOT SKILLED AND THEREFORE COULD OFFER NO COMPETITION. ONE OF THESE WAS THE TEXTILE UNIONS.

THEY BUILT UP A UNION MOVEMENT WHICH INCREASED WAGES, IMPROVED CONDITIONS OF WORK, AND RAISED THE STANDARD OF LIVING. THEY EXCLUDED NEGROES. IT WOULD HAVE BEEN DIFFICULT TO PROVE TO THEM AT THAT TIME THAT THEIR ATTITUDE TOWARD NEGROES WAS OF ANY IMPORTANCE WHATSOEVER. IF NEGRO WAGES WERE LOW IN THE SOUTH, WHAT BUSINESS WAS THAT OF NEW ENGLAND WHITE LABOR?

TODAY THE UNION MAN WHO LOOKS ABOUT HIM SEES THAT IT WAS HIS BUSINESS. THE FACTORIES, ESPECIALLY THE TEXTILES, ARE MOVING OUT OF NEW ENGLAND AND THE NORTH INTO THE SOUTH. IN THE NORTH 100,000 TEXTILE WORKERS ARE IDLE; IN THE SOUTH AND IN THE WORLD THE WORKERS ARE TOO POOR TO BUY THE TEXTILES THEY NEED AND WHICH MACHINERY IS MORE THAN ABLE TO MAKE. WAGES IN THE SOUTH ARE TWENTY PERCENT LOWER THAN IN THE NORTH, AND THE NEGRO WAGES ARE AT LEAST 20% BELOW WHITE. THIS WAGE DIFFERENTIAL BETWEEN NORTH AND SOUTH REPRESENTS INCREASED PROFITS OF 4 TO 5 BILLION DOLLARS A YEAR. NEGRO FAMILIES IN THE SOUTH GET A MEDIAN WAGE OF LESS THAN A THOUSAND A YEAR; SOUTHERN WHITES GET $2000, AND NORTHERN WHITES $3000. SMALL WONDER THAT NEGRO POPULATION IN MISSISSIPPI DECREASED 8% IN THE LAST DECADE, AND THAT NEGROES INCREASED 58% IN THE NORTH.

THE CARPET-BAGGERS TODAY ARE THE VAST NORTHERN CORPORATIONS WHICH OWN THE NEW SOUTHERN INDUSTRY, AND THE SCALAWAGS ARE THE SOUTHERN POLITICIANS WHOM THEY SEND TO LEGISLATURES AND CONGRESS. THE POOR WHITES STILL IGNORANTLY WAVE THE CONFEDERATE

FLAG, LYNCH OR DYNAMITE NEGROES, AND MOB OR KILL UNION ORGANIZERS.

OUT OF NINE MILLION INDUSTRIAL WORKERS IN THE SOUTH CONSIDERABLY LESS THAN A THIRD ARE UNIONIZED; LAST YEAR 40,000 CIO TEXTILE WORKERS, WHICH EXCLUDES NEGRO MEMBERS, STRUCK IN THE SOUTH, AND SPENT $1,250,000 IN FIVE WEEKS. THEY LOST AND THEIR MEMBERSHIP FELL FROM 80% TO 15% OF THE OPERATIVES.

HERE LOOMS THE FIGHT OF THE GREAT CORPORATIONS FOR CHEAP LABOR AND DISFRANCHISEMENT, AND THIS IS WHAT THE NEW WAVING OF THE CONFEDERATE FLAG MEANS TODAY. IT MEANS CHEAP LABOR AND THE PROGRESS OF PROFITABLE INDUSTRY BY ENCOURAGING POVERTY AMONG THE LOWEST MASSES. BOTH THE REPUBLICAN AND THE DEMOCRATIC PARTY ACCEPT THIS SIGNIFICANCE OF THE CONFEDERATE FLAG. BOTH CANDIDATES COURT THIS NEWER SOUTH ON ITS OWN TERMS. THIS IS THE NEW CIVIL WAR, LOOKING TOWARD A NEW EMANCIPATION PROCLAMATION FOR THE WORKERS OF THE UNITED STATES AND THE WORLD.

THE CONFEDERATE FLAG STOOD FOR BLACK SLAVERY IN 1860; IT STANDS TODAY FOR SLAVERY OF BLACK AND WHITE AND IT IS READY TO SUPPORT SLAVERY OF BLACK, WHITE, BROWN

AND YELLOW, WHENEVER AND WHEREVER THE LORDS OF PRIVATE PROFIT CALL, IN EUROPE, AFRICA OR ASIA. BOTH EISENHOWER AND STEVENSON SMILE HAPPILY AND JOHN BENNATH THIS FLAG, WITH ITS STARS OF WEALTH AND THE BARS OF SLAVERY.

THIS THEN, IS THE PROBLEM OF THE NEWEST SOUTH. HERE IS PROSPERITY AND HERE TOO, FESTERS EVERY ONE OF THE OLD PROBLEMS OF CAPITALISM IN NEW AND THREATENING FORM; POVERTY AND DISEASE, UNJUST COURTS, CRIME AND BARBAROUS PUNISHMENT, GRAFT AND CHEATING, ALL EXCUSED BY THE PRESENCE OF NEGROES, ALL BUILDING A BACKLOG FOR THE FLAME OF WORLD WAR IN WHICH MOST OF OUR MILITARY LEADERS ARE SOUTHERNERS.

WHO CARES? WHO STUDIES THE PROBLEM? WHAT UNIVERSITY, NORTH OR SOUTH, IS BRINGING SCIENCE TO GUIDE THIS NEW LEVIATHAN? WHAT CHURCH IN A SECTION WHICH BLISTERS WITH CHURCHES DARE CRY IN THE SOUTH TODAY, "THOU SHALT NOT KILL"? INSTEAD WE WAVE THE OLD FLAG OF SLAVERY AND BREAK THE NEW LABOR UNIONS.

THE PAST IS PAST; BUT TODAY WE VOTE IN THE FUTURE. WHAT CAN EISENHOWER AND STEPHENSON DO BUT KOWTOW TO THE NEW SLAVERY AND KISS ITS BLOODSTAINED FACE?

35-10-512

THEY WALLOW IN THIS HOG-WASH OF CAPITAL, PICKED FROM THE POCKETS OF THE POOR, RAPED FROM THE HAND OF GOD, MASQUERADING AS FREE ENTERPRISE. WHAT CAN SPARKMAN AND NIXON, THE FILI-BUSTER TWINS, OF IT BUT BABBLE? -WHAT WILL TRUMAN SAY BUT PROMISE EVERYTHING AND DO NOTHING? OR TAFT, BUT PROMISE NOTHING AND DISFRANCHISE THE PROGRESSIVE PARTY IN OHIO? ALL THIS IS DOING, WHILE WE DABBLE OUR HANDS IN THE BLOOD OF KOREA.

EISENHOWER, BORN IN TEXAS, WITH NEITHER BROAD EDUCATIONAL BACKGROUND NOR STRONG CHARACTER, TAKES ORDERS FROM BIG BUSINESS AND CONTRADICTS YESTERDAY WHAT HE SAYS TOMORROW. STEVENSON, WHO KNOWS BETTER, ACCEPTS FROM THE SAME BIG BUSINESS THE MOST BLOOD-THIRSTY AND VULGAR PLATFORM IN OUR HISTORY, AND BECOMES COURT JESTER OF THE CAMPAIGN, COURTING THE SLAVE SOUTH AND POLISHING RAPIERS WHOSE PHRASES SCRATCH BUT NEVER CUT.

35-10-516

IT IS AMAZING THAT THESE MEN CAN TALK SO MUCH AND SAY SO LITTLE, UNTIL WE REMEMBER THAT THIS IS AMERICAN MASS PRODUCTION, USING MACHINES AND SMART YOUNG MEN WITH EARS GLUED TO THE GROUND AND BRAINS FOR SALE.

THERE IS IN THIS CAMPAIGN ONLY ONE TRUE CANDIDATE AND ONE PLATFORM OF ONE WORD. HALLIDAY AND PEACE. NOT PEACE BY WAR, NOR PEACE FOR WEALTH, BUT PEACE, PERIOD!

And for the rest, Charlotta Bass and Corliss Lamont. The ticket is complete.

IF YOU WANT TO THROW AWAY YOUR VOTE GIVE IT TO EISENHOWER OR STEVENSON. IF YOU WANT TO WIN, VOTE RIGHT, VOTE RIGHT AND STILL VOTE RIGHT, IF IT TAKES A HUNDRED YEARS!

FOR RIGHT IS RIGHT, IF GOD IS GOD
AND RIGHT THE DAY SHALL WIN
TO DOUBT IT WOULD BE BLASPHEMY
TO FALTER WOULD BE SIN.

ADVANCE TEXT OF ADDRESS BY DR. W.E.B DuBOIS
AT AMERICAN LABOR PARTY MADISON SQUARE GARDEN RALLY
MONDAY, OCTOBER 27th

35-10-115

While the American Legion was meeting recently in New York, I was returning from the sad funeral of a young veteran of World War II, my car was halted in front of the Pennsylvania Station, by gay young men forming for a parade. They were the "Young Rebels of Miami", and over them waved a Confederate flag.

During this whole Presidential campaign the Confederate flag and the Rebel yell have been in constant evidence. It was flown repeatedly at the Democratic National Convention, and when Eisenhower recently visited Atlanta, he was welcomed by the Governor waving a Confederate flag.

All this has been regarded as an amiable joke by most persons; others who know have met it with studied silence, and small mention has appeared in the press. I am sure, therefore, that most people forget for just what the Confederate flag once stood. It stood for human slavery. It was the flag of the slave states of the south, who fought against the free labor states of the north in a Civil War which was a rebellion against the power of the federal government to regulate land and labor. To me, naturally, the stars and bars of the Confederacy are more than insult, they are threat, because they signify the slavery of four million Negro slaves whose descendants number 15 million American second-class citizens today.

This Civil War, which killed nearly a half million Americans and maimed and wounded other hundreds of thousands; which destroyed millions of property and disrupted the economy and cultural life of the United States and gave rule to corporate wealth, was caused by slavery. It is today the fashion to deny this and to assert that this unnecessary war was fought for "states rights". People do not fight for abstract conceptions. They fight for money, power and fear; and in the minds of the people of the south who once marched behind the Confederate flag there was no doubt that they were fighting to keep four million

black laborers working for them at the lowest possible wage in order that the masters should be comfortable, rich and powerful. On southern plantations millions of black laborers raised cotton, sugar and corn to pay for their living, luxuries and debts, while millions of unemployed poor whites starved. There are still historians who maintain that slavery represented the zenith of American civilization, and writers who rave over the Jasmin and Magnolias of the white-pillared mansions of the slave owners.

But not all white southerners were slave-owners; nor are all white southerners today waving the Confederate flag. Less than 10% of the whites owned slaves. But the slaveholders fought for slavery, and said so. Jefferson Davis, President of the Confederacy said so. Alexander Stevens, Vice-President of the Confederacy said so. A governor of South Carolina said, "God forbid that my descendants, in the remotest generations, should live in any other than a community having the institution of domestic slavery". The Confederate Constitution, which Stevenson admires, said in the 8th Section of its first article, that Congress shall pass no law "denying or impairing the right of property in Negro slaves".

35-10-116

The Civil War resulted in emancipation for the slaves, not because the North or Abraham Lincoln fought for this, but because freedom for the slaves whose labor supported the South was the only way to win the war. The union of North and South must continue or Great Britain and France and the slave-holding South would lead modern industry.

The slaves themselves decided the war. As the armies advanced, the black workers deserted in increasing numbers to the Northern armies as laborers and spies, and finally as 250,000 armed soldiers, easily capable of expanding to a million. Lincoln had at last to say that four million black workers were "henceforward and forever free".

How free was the freedman? Not free enough for the Confederate flag to be furled. He had no clothes, tools or land. Thaddeus Stevens begged the government to give him a bit of the land which his blood had fertilized for 244 years. The nation jeered. Charles Sumner asked for the Negro the right to vote. The government yielded because only Negro votes could force the white south to consent to a high tariff and paying the public debt. This accomplished, the nation took away the Negro's vote and the vote of many poor whites went with it.

A fantastic economic development followed. Land, capital and labor are the founding stones of social life. In the South, the land was rich, and the climate mild; there was sun and rain for grain, fruit and fibre; there were natural resources in rivers, harbors and forests; in the bosom of the earth lay coal, iron, oil, sulphur and salt. All this was given by the government to the slaveholder, the landholder, the merchant and the employer. No part of it went

to labor, black or white.

Capital was needed to develop this economic paradise. Government furnished most of this capital free to the landholder and employer. Railroads were subsidized, and rivers and harbors improved, and wealth escaped taxation. The North fattened on this and cheap immigrant labor, and poured private investments into the South. When labor lost its vote, landholders and capitalists voted in their stead and filled the legislatures and Congress with servants of exploitation, and gave all the powerful chairmanships in Congress to the South. They gave the landlords and merchants millions to train soldiers for the First World War; during the depression, most of the southern relief went to landlords and not to labor. During the after the Second World War, the Southern industry moved into high gear. The Federal Government poured billions of grants-in-aid into the South. Southern Legislatures vied each other in bidding for industry, with free land, low taxes, and pliant police. Washington was lavish with certificates of necessity to build new factories and owners of oil wells were given tax rebates for depletion of the oil which God gave them; and today try to grab the oil underseas.

35-10-117

Above all, the South furnished and boasted of the largest pool of cheap, docile, unorganized labor, skilled and unskilled, in the civilized world. This mass of labor was first and historically split into white and black, each hating and fearing each other to a degree that persons unfamiliar with the region cannot begin to imagine. Then the whole labor group was divided into a group of organized laborers forming less than a third, and two-thirds of industrial labor unorganized, not to mention the agricultural serfs.

Here was a paradise for the investor, which the State improved: labor laws were lax and carelessly enforced; company towns arose under complete corporate control; the police and militia were organized against labor; race hate and fear and scab tactics were deliberately encouraged so as to make any complaint or effort at betterment liable to burst into riot, lynching, or race war.

The result has been startling. In 1919, the South had less than a fifth of mining products; in 1946 it had nearly half. In value of manufacturers it has in 30 years risen from a tenth to nearly a fifth of the national total. Most of the new and promising industries are seeking the south; and since World War II have invested eleven billions in new industrial plants. The southeast has already 80% of the cotton mills and all the new chemical fibre industry; it is drawing the woolen and worsted mills, and the textile machinery mills will soon follow. Paper and pulp mills and plastics represent millions of new investment. The south-west is the fastest growing chemical empire in the world.

This newest South, turning back to its slave past, believes its present prosperity can best be built on the poverty and ignorance of its disfranchised lowest masses, and these low-paid workers now include not only Negroes, but Mexicans, Puerto Ricans and the unskilled, unorganized whites. Southern progress by means of this poverty is the creed of the present South and over it floats the Confederate flag.

Where now is the American labor movement; what hasit done; what is it doing and what are its plans? The increasingly bitter and organized attack on union labor in this nation is directly linked to the South and its past slavery of Negroes and their long exclusion from the labor movement. The American Labor movement, recovering partially with mass production from color and skill discrimination, then allowed the employers to split them again with the smear of "Communism". This fight against union labor today centers in the South and builds itself upon that color line which once built black slavery and now projects a new slavery of labor, black and white, North and South.

35-10-118

The Northern worker long went his way oblivious to what was happening in the South. He awoke when the Black southern laborer began to come North after the First World War and was welcomed by riots. Gradually the black man has been integrated into the unions except those in whose crafts he was not skilled and therefore could offer no competition. One of these was the Textile Unions.

They built up a union movement which increased wages, improved conditions of work, and raised the standard of living. They excluded Negroes. It would have been difficult to prove to them at that time that their attitude toward Negroes was of any importance whatsoever. If Negro wages were low in the South, what business was that of New England white labor?

Today the union man who looks about him sees that it was his business. The factories, especially the textiles, are moving out of New England and the North into the South. In the North 100,000 textile workers are idle; in the South and in the world the workers are too poor to buy the textiles they need and which machinery is more than able to make. Wages in the South are twenty percent lower than in the North, and the Negro wages are at least 20% bel ow white. This wage differential between North and South represents increased profits of 4 to 5 billion dollars a year. Negro families in the South get a median wage of less than a thousand a year; Southern whites get $2000, and Northern whites $3000. Small wonder that Negro population in Mississippi decreased 8% in the last decade, and that Negroes increased 55% in the North.

The Carpet-Baggers today are the vast Northern corporations which own the new Southern industry, and the Scalawags are the Southern politicians whom they send to legislatures and Congress. The poor whites still ignorantly wave the

Confederate flag, lynch or dynamite Negroes, and mob or kill union organizers.

Out of nine million industrial workers in the South considerably less than a third are unionised; last year 40,000 CIO Textile Workers, which excludes Negro members, struck in the South, and spent $1,250,000 in five weeks. They lost and their membership fell from 20% to 15% of the operatives.

Here looms the fight of the great corporations for cheap labor and disfranchisement, and this is what the new waving of the Confederate flag means today. It means cheap labor and the progress of profitable industry by encouraging poverty among the lowest masses. Both the Republican and the Democratic Party accept this significance of the Confederate flag. Both candidates court this newer South on its own terms. This is the new Civil War, looking toward a new Emancipation Proclamation for the workers of the United States and the world.

35-10-119

The Confederate flag stood for black slavery in 1860; it stands today for slavery of black and white and it is ready to support slavery of black, white, brown and yellow, whenever and wherever the Lords of private profit call, in Europe, Africa or Asia. Both Eisenhower and Stevenson smile happily and joke beneath this flag, with its stars of wealth and the bars of slavery.

This then, is the problem of the newest South. Here is prosperity and here too, festers every one of the old problems of Capitalism in new and threatening form; poverty and disease, unjust courts, crime and barbarous punishment, graft and cheating, all excused by the presence of Negroes, all building a backlog for the flame of World War in which most of our military leaders are Southerners.

Who cares? Who studies the problem? What University, North or South, is bringing science to guide this new Leviathan? What church in a section which blisters with churches dares cry in the South today, "Thou shalt not kill"? Instead we wave the old flag of slavery and break the new labor unions.

The past is past; but today we vote in the future. What can Eisenhower and Stevenson do but kowtow to the new slavery and kiss its blood-stained feet? What can Sparkman and Nixon, the filibuster twins, offer but babble? What will Truman say but promise everything and do nothing? Or Taft, but promise nothing and disfranchise Ohio? All this is doing, while we dabble our hands in the blood of Korea.

Eisenhower, born in Texas, with neither broad educational background nor strong character, takes orders from big business and contradicts yesterday what he says tomorrow. Stevenson, who knows better, accepts from the same big business the most blood-thirsty and vulgar platform in our history, and becomes court jester of the campaign, courting the slave south and polishing rapiers whose phrases scratch but never cut.

It is amazing that these men can talk so much and say so little, until we remember that this is American mass production, using machines and smart young men with ears glued to the ground and brains for sale.

There is in this campaign only one true candidate and one platform of one word. Hallinan and peace. Not peace by war, nor peace for wealth, but peace, period! And for the rest, Charlotta Bass and Corliss Lamont. The ticket is complete.

35-10-120

If you want to throw away your vote, give it to Eisenhower or Stevenson. If you want to win, vote right, vote right and still vote right, if it takes a hundred years!

ASP BOOK RECEPTION

I believe that in our day literary composition is completing a great circle. In early times the minstrel sought his audience directly, and audiences invited bards for entertainment and information. Then, between listener and speaker, poet and hearer, intervened the powerful protector, the Maecenas and magnificent Lorenzo. In the middle age the church became the protector, until eventually civil war and revolt against dogma freed the mind of man for science and made centuries of literature with millions of readers.

With the modern centuries of capitalism and colonialism booksellers as profitmakers so completely separated readers and writers that the two became strangers and both became potential enemies of the publishers. In our day when it became profitable to silence or suppress certain ideas which might reduce profit, the investor secured control of the publisher, and the separation of reader and writer became so wide that today they tend to turn back and meet each other face to face anew, thus completing the circle.

36-9-103

The reader now wants to know, and the writer has truth to tell and ideas to express, and neither regard private profit as the goal of literature. A new and simpler cooperation inspires both which does not need the publisher as dictator. It calls only for ideas well and clearly expressed, and for literate people willing to read, whether or not they ultimately accept them.

Such books, costing not more than one or two dollars each, evaluated by artists and real scholars, as well as by prophets and leaders in a free press, can be sold without choking costs for advertising and the lying of false and misleading promotion in monopolized bookstores. Thus we could

build a new American literature for the education of a people ignorant today of critical matters at a critical time, and set new standards of taste in a nation now woefully lacking.

This freedom of thought and expression cheaply attainable by those who want wisdom, with decent pay to those whose thought and knowledge deserves return and who today starve, can be arranged if brains and courage are available. It is ridiculous to doubt that there are not 100,000 Americans who would spend $10 a year on books worth buying, and that there is not honest business ingenuity enough to put these books into their hands.

This movement must be initiated by writers themselves, who shrink from bookselling, and by readers who must now subsist on book reviews no matter who writes them or owns the periodicals which print them.

What kind of literature will a review owned by the Morgan banking interests birth and distribute?

RECORDING

We, the citizens of the United States of America, who have been denied the great privilege of sitting with you this week in Vienna in order to hasten Peace among the nations and increase friendship and love among mankind, have thought at least to send our voices to you over seas and lands to express our fellowship and oneness of aim.

35-10-86

I am W.E.B. Du Bois, a writer and descendant of American Negro slaves. May I begin with a word of my own.

I remember well the year this century was born. I remember with what high hopes we rode out of that wonderful nineteenth century which gave me birth and the vision of life. Foremost of our dreams, even beyond triumphs in science, technology in industry, and better standards of living for the mass of men, was our firm belief in Peace. Looking back on a long, shameful and wasteful history of almost continuous war, we firmly believed and resolved that war as an institution of human progress would definitely end. We had Peace organizations and Peace congresses. We planned disarmament, and no great mind of that day had any other dream but that the 20th century was to be the century of Peace, Science and Social progress.

On what do we now look back, here in mid-century? Not only on two of the most stupendous, bloody and destructive wars that human beings ever waged, but on a world in mad career toward a third and greater war, with plans and weapons so diabolic that mankind staggers at their very thought.

This is sheer insanity and we know it. It is madness so gross, bloodthirsty and inconceivable that every sane person must realize that we face the end of civilization, the Gotterdaemerung of all that is decent in this, our beautiful world, if we persist along this path; and we are persisting; the shriek of our dying children, the thunder of our crippling guns, the grinding and crushing of our tanks, the stink of poison gas and whirr of disease germs fill our eyes, ears and nostrils until the very air of Europe, Asia and Africa

and of all the Americas is violent death, and more death, and death without end.

Worse than this, those whose voices you now hear from afar are in all honesty compelled to admit that the nation to which we belong, the U.S.A. is today leading all other nations of the world in preparation for war on the greatest scale mankind ever knew.

35-10-87

It is not easy for us to stand before you and admit this. We love and respect our nation. We are neither traitors nor cowards. We have served our country with muscle, blood and brain; we have worked for her and will continue to offer her our last breath, our deepest loyalty and our devotion to her highest ideals. We are not for a moment placing on the United States all the blame for the horrible war preparation of mankind today. But our just share of that blame we must admit without shrinking nor equivocation; It is our nation, and almighty God forgive us, that invented and first dropped the atom bomb on living flesh, and this moment we are spending millions to contrive more such weapons of disaster; it is our people who are spreading centers of armed aggression over all the earth and which is set today to perpetuate war preparations as never before, and we less than others allow our citizens to discuss Peace.

Against this war policy we have long protested and continue to protest. We and thousands like us would have asked nothing better than to be sitting beside you now to tell you face to face that millions of American citizens hate war as you do and are ready to plan Peace at home and abroad, and to plant Love, not Hate. But unfortunately, almost none of us who has raised his voice against war at home is today allowed tp travel abroad and join you in defense of Peace. We regard this as the greatest affront to our liberties, the most brazen attack on Democracy and and open confession that those who rule the United States today dare not face the truth.

We who believe in Freedom and Democracy and who have long worked to

make our country the foremost example of such a land and still work for that great end, shudder to see our nation in the grip of men whose desire for power and wealth is greater than their love for human souls. For this reason our jails are filling with men whose only crime is to dare think, and we see increased effort to draft our youth into armies for murder and destruction the world over.

35-10-88

We join you thus, then, in a world-wide appeal for Peace; for Peace now and Peace forever; for Peace in Korea, China, Malaya and Viet Nam; for Peace in Africa. We grant willingly the freedom which we ask: we long to live in the same Peace and Freedom which we grant to all neighbors.

We are a great and powerful nation and have often given of our skill and bounty to the world. But also and too often we have misused our strength and we are not too proud today humbly to ask forgiveness for the crimes we have committed against Africa and Asia, against our own citizens black and white, and against Peace. We hope to atone by welcoming China to the fellowship of nations and by helping the nations of South and Central America and the islands of the sea into friendship and cooperation.

We call the world to awake from the horror of our present madness and to become the men we once dreamed we would be.

I have now the honor of introducing my colleagues as they each greet you with a few words. All are leading figures in the American Peace Crusade. Each will express his own individual thought but all unite in a message for world peace.

WAR AND GREED

IN THE 100 YEARS BETWEEN 1817 AND 1917, BEFORE THE SOVIET UNION WAS FORMED, THERE TOOK PLACE IN THE WORLD 204 WARS. SEVEN OF THESE WARS WERE OF GREAT MAGNITUDE, CULMINATING IN THE FIRST WORLD WAR. AT LEAST 40 OTHER CONFLICTS WERE LARGE SCALE FIGHTS INVOLVING THOUSANDS OF SOLDIERS, AND 150 OF THEM MEANT WIDESPREAD MURDER AND DESTRUCTION. IF TODAY, AS SO MANY PERSONS THINK, COMMUNISM IS THE CHIEF CAUSE AND THREAT OF WAR, WHAT CAUSED THE MORE THAN 200 WARS OF THE 19TH CENTURY BEFORE THE UNION OF SOVIET REPUBLICS WAS BORN? THE ANSWER IS: GREED, CUPIDITY, AVARICE; RUTHLESS DESIRE FOR PRIVATE GAIN AT ANY COST TO PUBLIC WELFARE. AND THE SUBJECT OF MY WORDS TODAY IS TO SAY THAT THIS SAME UNBRIDLED GREED WHICH CAUSED WAR YESTERDAY IS CAUSING IT TODAY AND THREATENING IT TOMORROW.

WOULD IT NOT BE A MATTER OF REASON TO LOOK FOR A MOMENT AT THE GREAT WARS OF THE 19TH CENTURY: THE WAR OF GREEK INDEPENDENCE, THE CRIMEAN WAR, OUR CIVIL WAR, THE FRANCO-PRUSSIAN WAR, THE RUSSO-TURKISH WAR, THE RUSSO-JAPANESE WAR, AND THE

-2-

FIRST WORLD WAR. WE MIGHT ALSO SCAN THE CONFLICTS WHICH, THOUGH SMALLER, WERE COSTLY AND BLOODY, LIKE THE REVOLUTIONS OF 1830 AND 1848, THE CIVIL WAR IN SPAIN, THE OPIUM WAR AND TAIPING REVOLT AND REVOLUTION IN CHINA, THE BRITISH WARS IN INDIA AGAINST THE AFGHANS AND THE SIKHS, THE BRITISH WARS IN AFRICA AGAINST THE KAFFIRS AND THE BOERS; AGAINST THE MAHDI, AND IN WEST AFRICA; THE ALMOST CONTINUOUS INDIAN WARS IN THE UNITED STATES, THE SPANISH-AMERICAN WAR, THE ITALIAN-TURKISH WAR, AND THE REST OF THE 200 CONFLICTS WHICH CAME AFTER THE FALL OF NAPOLEON AND BEFORE THE RUSSIAN REVOLUTION.

FOR MY PURPOSE TODAY I AM GOING TO FASTEN MY ATTENTION UPON AFRICA, AND PARTICULARLY UPON THE VALLEY OF THE NILE AND SOUTH AFRICA, - FROM THE REIGN OF MOHAMMED ALI TO THE DEATH OF CECIL RHODES. THIS IS A STORY OF WAR AND MURDER, SLAVERY AND CONQUEST, BESTIAL CRUELTY AND TYRANNY FORCED ON ONE CONTINENT BY THE UNBRIDLED GREED OF EUROPE CLOAKED IN MISSIONARY EFFORT; AND INCLUDING DISCOVERY OF GOLD, DIAMONDS AND COPPER; BUILDING THE SUEZ CANAL, AND THE ASWAN DAM. THERE WERE

LOOSED IN AFRICA A FLOOD OF LIQUOR, BLOOD AND MISERY SUCH AS HAS SELDOM BEEN DAMMED IN SO NARROW A SPACE AND OVER SO SHORT A TIME.

LET US LOOK AT THE TWO ENDS OF AFRICA AT THE OPENING OF THE 19th CENTURY; IN THE NORTH MOHAMMED ALI BECAME GOVERNOR OF EGYPT AND IN 1820, JUST WHEN THE COTTON KINGDOM ROSE IN AMERICA, HE CONQUERED THE SUDAN AND MADE IT THE GREATEST SLAVE MARKET OF THE MODERN WORLD, TO FURNISH IVORY FOR THE PIANOS OF AMERICA AND SERVANTS FOR THE TURKISH EMPIRE. SO THAT WHILE BRITISH PHILANTHROPY WAS ABLE TO STOP THE SLAVE TRADE FROM AFRICA TO AMERICA BECAUSE SLAVE REVOLTS HAD MADE IT UNPROFITABLE, NEVERTHELESS IN THE VALLEY OF THE NILE A NEW SLAVE TRADE BECAME THE OPENING DOOR TO A NEW COLONIAL IMPERIALISM IN WHICH ENGLAND AND FRANCE AND GERMANY, JOINED AT LAST BY THE UNITED STATES, ENSLAVED A RACE, ANNEXED A CONTINENT, AND STOLE ITS VAST WEALTH.

41-3-36

IN THE SOUTHERN PART OF AFRICA, WHERE THE GREAT CAPE (WHICH PROVED ANYTHING BUT GOOD HOPE TO THE WORLD) LOOKS UPON THE BLENDING OF ATLANTIC AND INDIAN OCEANS,

BRITISH SETTLERS IN 1820 CLASHED WITH THE DUTCH WHO HAD ALREADY BEEN THERE NEARLY 150 YEARS; AND WITH THE BANTU TRIBES MOVING SOUTH IN SUCCESSIVE WAVES. FOR A THOUSAND YEARS OR MORE TRIBES OF CENTRAL AFRICA HAD BEEN MOVING SOUTH, FIRST TO ESCAPE WESTERN AFRICAN EXPANSION AND LATER TO FLEE FROM MOHAMMEDAN IMPERIALISM FROM THE EAST, WHICH MOHAMMED ALI IN THE SUDAN FINALLY PERSONIFIED. SOME OF THESE BLACK WARRIORS ADAPTED MOHAMMEDAN CULTURE AND REBUILT IT IN THE WESTERN SUDAN; BUT OTHERS MOVED SOUTH, OVERTHROWING KINGDOMS LIKE THE KITWARA, THE CONGO, AND THE HIGH CULTURE OF THE ZYMBABWE. LATE IN THE 18th CENTURY ZULU WARRIORS ARE AFOOT IN SOUTH AFRICA, AND UNDER THE EXTRAORDINARY MILITARY GENIUS OF CHAKA AND HIS SUCCESSORS, DISPERSED THE OTHER BANTU TRIBES AND MET THE WHITE INVADERS. BETWEEN BANTU AND DUTCH, DUTCH AND ENGLISH, ENGLISH AND BANTU, THERE ENSUED FROM 1630-1880 A SERIES OF FIERCE AND BLOODY WARS OVER LAND, CATTLE, TERRITORIAL MASTERY, AND FINALLY OVER GOLD.

EARLY IN THE CENTURY THE DUTCH, TREKING NORTHEAST HAD RUN INTO THE DISLOCATION AND DISASTER AMONG THE BANTU TRIBES CAUSED BY CHAKA, THE GREAT MILITARY CHIEF

OF THE ZULUS. THE DUTCH, AFTER FIERCE STRIFE, CONQUERED HIS SUCCESSOR, DINGAAN, AT BLOOD RIVER IN 1838, WHILE THE NEW ENGLISH SETTLERS WERE FOR 25 YEARS EMBROILED WITH OTHER LEADERS OF THE BANTU.

FOR 130 YEARS AFTER THE ADVENT OF THE ENGLISH TO OUR OWN DAY, THERE had ENSUED ONE OF THE WEIRDEST PHANTASMAGORIAS THIS WORLD HAS SEEN, AND WHICH MARKED REVOLUTION IN THE RELATIONS OF WHITE EUROPE AND BLACK AFRICA. HERE FAR BELOW THE GREAT LAKES, ON THE HIGH PLATEAU OF THE SOUTH, MEN FOUGHT FOR HALF A CENTURY UNTIL THEY NOT ONLY DESTROYED AND REBUILT AFRICAN TRIBES AND NATIONS, BUT STRUGGLED TO MAKE DIAMONDS AND GOLD THE CENTER OF A NEW WORLD TRADE, A NEW DOMINATION OF HUMAN BEINGS, AND A NEW RULE OF WEALTH AND CAPITAL. THE DUTCH PIONEERS STROVE TO ABSORB OR ENSLAVE THE HOTTENTOTS TO FIGHT WITH BLACK INVADING WARRIORS FOR LAND AND CATTLE AND THEN AGAINST WHITE ENGLISH SETTLERS TO AVOID POLITICAL CONTROL AND TO SECURE THEIR OWN AUTONOMY. THE BLACKS, NOW CALLED KOSA, NOW KAFFIRS, NOW ZULUS, FOUGHT TO DRIVE OFF THE WHITE DEVILS WHOM THEY MURDERED TO CAST OFF THE EVIL THAT ENCOMPASSED THEM;

UNTIL IN 1850, WHEN THE CRIMEAN WAR BEGAN THE MODERN EFFORT OF EUROPE TO CONTROL WEST ASIA; AND JUST BEFORE THE TERRIBLE INDIAN MUTINY WHICH WARNED BRITAIN IN EAST ASIA; THE KAFFIRS IN AFRICA ATTEMPTED THE MOST HORRIBLE MASS SUICIDE OF MODERN TIMES.

GRADUALLY THE MAIN BODY OF ZULU WARRIORS HAD BEEN PUSHED BACK UNTIL PANIC SEIZED THEM AND IN 1856, TWO YEARS AFTER THE CRIMEAN WAR, AT THE COMMAND OF A PROPETESS, THE KAFFIR PEOPLE ~~XXXX~~ SEEING THE ONSLAUGHT OF TWO BANDS OF WHITES, KILLED AND ATE THEIR CATTLE. CATTLE WERE THE WEALTH AND CHIEF CULTURAL SYMBOL OF THE KAFFIRS. TO DESTROY THEM WAS SYMBOLIC SACRILEGE. IN ADDITION TO THAT, THEIR PROPHETS TOLD THEM TO SOW NO CROPS, TO SAVE ONLY THEIR LONG SPEARS, AND THUS TO BRING A WHIRLWIND TO SWEEP THE WHITES INTO THE SEA AND CALL THEIR HEROES BACK FROM THE DEAD. 100,000 ZULUS STARVED TO DEATH ON THE HIGH PLATEAU WHICH COVERED THE DIAMONDS OF THE WORLD. IT WAS THE TIME WHEN THE MAKING OF BESSEMER STEEL WAS DISCOVERED IN ENGLAND.

THIS TRAGIC SYMBOLISM DID NOT CHANGE THE COURSE OF THE WORLD OR AFRICA. MORE TRIBES OF BLACK MEN MOVED SOUTH FROM THE ZAMBESI RIVER: THE STUBBORN BOERS STILL

STROVE TO ESTABLISH AN INDEPENDENT STATE BEYOND THE VAAL RIVER AND ADJOINING THE INDIAN OCEAN.

1870 WAS A YEAR OF DOOM FOR AFRICA. IT WAS THE YEAR OF THE BATTLE OF SEDAN, AND THE YEAR AFTER THE SUEZ CANAL WAS OPENED. GLADSTONE HAD BECOME PRIME MINISTER OF ENGLAND. IN SOUTH AFRICA STOOD THREE MEN, EACH OVER 6 FEET TALL AND MASSIVE OF FRAME. THE OLDEST WAS THE DUTCHMAN, PAUL KRUGER, A STERN, BIBLE-WORSHIPPING FIGHTER AND HUNTER, WHO HATED THE BRITISH AND DESPISED THE BLACKS; WHO HAD FOUGHT THE HOTTENTOTS, WAS FIGHTING THE BANTU, AND ABOUT TO STRUGGLE WITH THE ENGLISH. THE YOUNGEST WAS CECIL RHODES, A YOUNG, GREY-EYED BLONDE WHO HAD COME TO AFRICA TO RECOVER FROM TUBERCULOSIS. THE THIRD, LOBENGULA, WAS KING OF THE MATEBELE, A TALL, BIG MAN DARK BRONZE IN COLOR, NAKED BUT FOR HIS PARAKEET FEATH AND LOIN CLOTH, 37 YEARS OLD, WHO HAD JUST BECOME LEADER OF THE MATEBELE AND LOOKED EVERY INCH A KING. HIS NATION HAD ARISEN FROM THE CONQUESTS OF THE TERRIBLE CHAKA AND FINALLY ESTABLISHED ITSELF ON THE HIGH HILLS BETWEEN THE LIMPOPO AND THE ZAMBESI, DETERMINED TO

41-3-38

HOLD BACK THE WHITE INVADERS. THESE THREE FOUGHT FOR AFRICA. THERE WAS A FOURTH MAN WHO SHOULD HAVE BEEN HERE, BUT DAVID LIVINGSTONE, THE MISSIONARY, DIED IN 1871, AND WITH HIM DIED ALL HOPE OF AN ETHICAL CHRISTIAN SOLUTION OF THE AFRICAN PROBLEM.

THE ATTITUDE OF EUROPE TOWARD AFRICA WAS CHANGING. AFRICA, INSTEAD OF BEING A SOURCE OF TRANSPORTED SLAVE LABOR WAS SUDDENLY TO BECOME A SOURCE OF DIAMONDS AND GOLD, SO THAT THE WORLD'S LUXURY AND WEALTH WAS TO BE MEASURED BY ITS PRODUCTS. STOCK COMPANIES CENTERING IN THE CAPITALS OF THE WORLD REPLACED THE INDIVIDUAL CAPITALIST EXPLOITER. ORGANIZED COMMERCE WITH AFRICAN PRODUCTS BEGAN TO BELT THE WORLD, HELPED BY NEW WAYS OF MAKING STEEL AND OF COMMUNICATING BY TELEGRAPH AND TELEPHONE. NEW EXPLOSIVES FOR KILLING NATIVES WERE SOON TO BE INVENTED.

AGAINST ALL THIS WORLD MOVEMENT THE BLACK MAN WAS FIGHTING FOR FREEDOM; THE BOER WAS FIGHTING FOR LAND AND THE ENGLISH WERE SEEKING TO DOMINATE THE BOER, EXPLOIT BLACK LABOR AND OWN THE GOLD AND DIAMOND MINES.

OF THE THREE LEADERS OF SOUTH AFRICA KRUGER WAS PROTAGONIST. HIS FOREFATHERS

HAD FOUGHT the Hottentots/AND HAD TO SOME DEGREE MIXED THEIR BLOOD WITH THEM. THE DUTCH-HOTTENTOT MULATTO MOVED INTO THE SOUTH CENTER OF AFRICA, AND ON THEIR LAND DIAMONDS WERE LATER FOUND. THE DUTCH FOUGHT THE ZULUS IN THE EAST FOR 35 YEARS, AND THEN WITHDREW NORTH AND NORTHEAST, WHERE KRUGER AS A YOUNG OFFICER AT 17 WAS FIGHTING ANOTHER BRANCH OF THE BANTU, AND CONQUERED DINGAAN, CHAKA'S SUCCESSOR, IN 1837.

THE SOUTH AFRICAN REPUBLIC THEN FORMED HAD BEEN PROMISED ITS INDEPENDENCE BY THE ENGLISH AT SAND RIVER AS FAR BACK AS 1852, BUT WAS ANNEXED TO GREAT BRITAIN IN 1877 BY DISRAELI, REPRESENTING THE NEW COLONIAL IMPERIALISM, TO THE DISMAY AND LASTING ANGER OF KRUGER, NOW VICE-PRESIDENT OF THE REPUBLIC. THIS LED TO WAR BETWEEN ENGLAND AND THE BOERS UNTIL GLADSTONE, RETURNED TO POWER, GAVE SOUTH AFRICA ITS INDEPENDENCE IN 1881.

HERE ENTERS LOBENGULA. HE WAS NURSED BY A BOER GIRL UNTIL IN 1870 HE SUCCEEDED UMSELIKATSI WHO HAD REVOLTED FROM CHAKA AND FLED WEST AND NORTH TO BECHUANALAND. THERE HE BUILT UP HIS POLICY OF AVOIDANCE OF THE WHITES; HE SOUGHT FRIENDSHIP

41-3-39

OF THE BOERS; MOVED NORTH TO AVOID THE BRITISH WHO WERE IN BITTER STRIFE WITH THE SUCCESSORS OF CHAKA TO THE SOUTH. BETWEEN THE TWO NATIONS OF WHITES THE YOUNG BLACK KING, 37 YEARS OLD IN 1870, WAS PRESERVING PEACE, WHEN CECIL RHODES MOVED ON THE SCENE.

CECIL JOHN RHODES WAS BORN IN ENGLAND IN 1853, ONE OF A CLERGYMAN'S FAMILY OF TWELVE. IT WAS THIS MAN WHO PUT NEW MEANING INTO THE WARS OF SOUTH AFRICA. SICK WITH TUBERCULOSIS, HE LANDED IN SOUTH AFRICA AT THE AGE OF 18, FOUR YEARS AFTER THAT GREAT DIAMOND, THE STAR OF AFRICA, WORTH $125,000 HAD BEEN FOUND ON THE FARM OF A MULATTO, ANDRUS WATERBOER, AT KIMBERLEY. DIAMONDS SOON CAME TO BE THE HIGH SIGN OF LUXURY, BEDIZENING THE BARE BREASTS OF ALL THE WHORES OF LONDON, PARIS AND NEW YORK, AND FURNISHING WEDDING RINGS TO THE WHITE WORLD.

RHODES, AFTER COMING TO SOUTH AFRICA IN 1870 WAS SOON EARNING $500 A WEEK, AND RETURNED TO ENGLAND THREE YEARS LATER, ALREADY RICH BEFORE HE WAS OF AGE. HE MATRICULATED AT OXFORD. IT WAS HERE HE GOT HIS INSPIRATION AND WAS CALLED OF

CREED TO RULE THE WORLD. IT WAS HERE THAT HE HEARD THE GREAT JOHN RUSKIN, GREY-HAIRED, WITH BURNING EYES, PROPHET OF FIRE, SUMMON BEFORE HIM IN THOSE OLD, ARCHED AND CRENELATED HALLS, THE YOUNG GENTLEMEN OF ENGLAND TO: "A DESTINY NOW POSSIBLE TO US, THE HIGHEST EVER SET BEFORE A NATION; TO BE ACCEPTED OR REFUSED. WILL YOU YOUTHS OF ENGLAND MAKE YOUR COUNTRY AGAIN A REAL THRONE OF KINGS, A SCEPTERED ISLE, FOR ALL THE WORLD A SOURCE OF LIGHT, A CENTER OF PEACE."

RHODES RETURNED TO SOUTH AFRICA FILLED WITH A VISION OF MAKING ENGLAND MASTER OF THE WEALTH OF THAT LAND, WITH MILLIONS OF NEGROES TO EXTRACT THE WEALTH FROM THE RICH EARTH, AND WITH RHODES HIMSELF TO UNITE SOUTH AFRICA WITH THE VALLEY OF THE NILE.

41-3-40

IN SOUTH AFRICA THE ENGLISH FOUGHT AGAINST CETEWAYO WHO HAD SUCCEEDED PANDA WHO IN TURN SUCCEEDED DINGAAN. THEY HAD MADE GOOD THEIR CLAIM OF OWNERSHIP OF GRICQUALAND, WHERE THE DIAMONDS LAY, AND ESTABLISHED A PROTECTORATE OVER BASUTO-LAND. THEY FOLLOWED RHODES UP INTO THE GREAT CENTRAL SECTION OF SOUTH AFRICA,

BECHUANALAND, AND FURTHER NORTH IN UGANDA HAD DEFEATED THE KINGS OF THAT LAND AND ESTABLISHED A PROTECTORATE OF EAST AFRICA.

MEANTIME, IN THE VALLEY OF THE NILE, THINGS TOO HAD BEGUN TO HAPPEN. THE ENGLISH HAD BEGUN TO LOOK AT THE CITADEL OF AFRICA, WHICH IS ETHIOPIA. IN 1867 THEY HAD MOVED AGAINST THE EMPEROR, WITH NO CLEAR DESIGN BUT WITH ARROGANCE AND DE-CEIT, SO THAT ETHIOPIA'S ARMIES WERE QUICKLY OVERTHROWN AND THEODORE, KING OF THE KINGS OF ETHIOPIA AND EMPEROR OF ABYSSINIA, PUTTING A PISTOL IN HIS MOUTH, BLEW HIS BRAINS OUT. HIS CONQUEROR BECAME A BRITISH EARL.

WHEN THE SUEZ CANAL, STARTED BY THE FRENCH, WAS FINISHED IN 1869, IT BE-CAME THE UMBILICAL CORD OF BRITISH COLONIAL IMPERIALISM FROM GIBRALTAR TO BOMBAY, SO THAT IT NOW BECAME CLEAR TO THE BRITISH THAT THEY MUST DOMINATE THE NILE VALLEY. BUT THE FRENCH ALSO WERE LOOKING AT THE NILE AS THE WESTERN BOUNDARY OF AN EMPIRE WHICH BEGAN WITH ALGERIA IN 1830. IN 1881, AFTER THE FRANCO-PRUSSIAN WAR, BISMARCK ADDED TUNIS TO FRANCE, DESPITE THE FACT THAT TUNIS WAS ANCIENT CARTHAGE AND ITALY

WAS INSANELY DETERMINED TO ANNEX IT. AND NOW, TOO, THE NILE AND THE NEW CANAL BECKONED ITALY.

A FRENCH EMPIRE IN AFRICA BEGAN TO ARISE. SOON THE FRENCH MOVED INTO DAHOMEY AND BEGAN SEVEN YEARS OF EFFORT TO CONQUER IT. SLOWLY BUT SURELY THEIR OUTPOSTS MOVED EAST, PAST LAKE CHAD AND SOUTH TO GUINEA. THE BRITISH HAD ALREADY BEEN FIGHTING AND INTRIGUING IN WEST AFRICA FOR 100 YEARS TO FASTEN THEIR HOLD FINALLY, AND WERE WATCHING CAREFULLY AS FRANCE DUG THE SUEZ CANAL.

41-3-41

THERE ENSUED A STRUGGLE BETWEEN FRANCE AND ENGLAND FOR THE CONTROL OF THE CANAL. EGYPT ALSO ENTERED, SENDING CHINESE GORDON DOWN INTO THE SUDAN OSTENSIBLY TO STOP THE SLAVE TRADE, BUT REALLY TO ENCROACH ON ETHIOPIA. STANLEY, THE AMERICAN, AND LEOPOLD OF BELGIUM, CONSPIRING TOGETHER, SEIZED IN THE CENTER OF AFRICA A TERRITORY 14 TIMES THE SIZE OF BELGIUM. THE EUROPEAN SCRAMBLE FOR AFRICA WAS ON, WITH THE CONGRESS OF BERLIN IN 1876 AND THE CONFERENCE OF 1884.

GLADSTONE, THE GREAT LIBERAL, COMING TO POWER BETWEEN 1868 AND 1874, WAS

IN A DIFFICULT POSITION AND UNDER ATTACK BY THE NEW COLONIAL IMPERIALISM, AND PUSHED THE CLAIMS OF ENGLAND IN AFRICA, BUT SLOWLY. ON THE OTHER HAND HIS SUCCESSOR, DISRAELI, BOUGHT THE SHARES OF THE SUEZ CANAL FOR EGYPT IN 1875, AND IN 1876 FLATTERED VICTORIA BY MAKING HER EMPRESS OF INDIA, THE ZENITH OF BRITISH IMPERIALISM.

THUS THREE EUROPEAN NATIONS WERE CONVERGING ON THE VALLEY OF THE NILE: BRITAIN, FRANCE AND ITALY, AND WERE FOLLOWED NOT ONLY BY ARMIES BUT BY LIQUOR, MISSIONARIES AND MERCHANTS; UNTIL IN 1869 OPENED. IN 1876 FRANCE AND ENGLAND TOGETHER TOOK CHARGE OF IT, WHILE CHINESE GORDON MOVED UP THE NILE AND THE EGYPTIAN ARABI REBELLED.

SUDDENLY IN 1883 IN THE SUDAN THE BLACKS REVOLTED, LED BY THE MAHDI WHO DEFEATED HICKS AND KILLED GORDON, AND WAS SUCCEEDED BY THE KHALIFA TWO YEARS LATER. FOR THIRTEEN YEARS BRITAIN WAS STOPPED DEAD IN HER TRACKS ON HER MARCH UP THE NILE

BUT ITALY, STILL HUNGRY FOR NORTH AFRICA, WAS URGED BY ENGLAND TO FASTEN HER HOLD UPON ETHIOPIA AND THE RED SEA. WHAT FRANCE, ENGLAND, AND ITALY WANTED WAS AFRICAN AFRICAN WORKERS, AFRICAN PRODUCE AND COMMERCE TO ASIA.

RHODES IN SOUTH AFRICA BEGAN TO IMPLEMENT THIS WORK AND IN 1884 ON THE RIDGE OF WHITE WATERS, IN THE MIDST OF THE BOERS, GOLD WAS DISCOVERED! GOLD, THE TOUCH-STONE AND SYMBOL OF WEALTH FROM ANCIENT THEBES TO MODERN NEW YORK! GOLD, WHICH ADDED TO THE DIAMONDS AND AFTERWARD TO COPPER, MADE SOUTH CENTRAL AFRICA THE GREATEST CENTER FOR THE EXPLOITATION OF WEALTH AND ENSLAVEMENT OF HUMAN LABOR THAT THE WORLD KNEW. RHODES ORGANIZED AND CENTRALIZED THE DIAMOND BUSINESS AND BEGAN TO REGIMENT THE WORKERS. BUT THE STUBBORN BOERS WERE IN THE WAY, REVOLTING AND HAVING ESTABLISHED A REPUBLIC INDEPENDENT OF ENGLAND WHICH STRETCHED STRAIGHT ACROSS THE REGION WHERE DIAMONDS WERE FOUND.

41-3-42

FOR A GENERATION THE BOERS HAD BEEN FIGHTING BOTH THE BLACK ZULUS AND THE WHITE ENGLISH. THE ENGLISH HAD FOUGHT BACK. IN FIERCE WARS FROM 1850 TO 1853

THOUSANDS OF ENGLISH DIED, AND IN 1879 THE YOUNG PRINCE IMPERIAL, SON OF NAPOLEON III AND THE BEAUTIFUL EMPRESS EUGENIE, VISITING THE ENGLISH TO WITNESS THE SPORT OF KILLING NEGROES, WAS STABBED TO DEATH BY THE ZULUS AND THE DYNASTY OF NAPOLEON BONAPARTE ENDED.

PAUL KRUGER BECAME PRESIDENT OF THE BOER STATE IN 1883 JUST AS THE MAHDI REBELLED IN THE SUDAN; AND THAT SAME YEAR HIS EUROPEAN KINFOLK, THE GERMANS, APPEARED IN SOUTH WEST AFRICA, OVER WHICH A GERMAN PROTECTORATE WAS EXTENDED. A FEW YEARS LATER THE GERMANS APPEARED IN EAST AFRICA, AND THUS THE BRITISH PATH FROM CAPE TO CAIRO WAS THREATENED NOT ONLY BY THE BOERS BUT BY ANOTHER GREAT EUROPEAN POWER MOVING FROM WEST TO EAST AND FROM SOUTHWEST TO EAST ACROSS THE CENTER OF AFRICA.

NEGROES FROM ALL SOUTH AND SOUTH CENTRAL AFRICA WERE GRADUALLY HERDED INTO THE DIAMOND FIELDS AND GOLD MINES, AND NEW AND ASTONISHING WEALTH BEGAN TO POUR INTO EUROPE. "FOR THE THINGS HAD ARRIVED. NOT JUST SMART BUSINESSMEN AND CONCESSION-

SEEKERS, BUT REAL CRIMINALS -- CUTTHROATS, AUSTRALIAN BUSH RANGERS, THE SCUM OF LONDON, THE VULTURES, AND THE FINALS OF THEIR KIND."

THE BOER FARMERS WERE AGHAST. WHAT COULD THEY MAKE OF A WHITE ENGLISH GIRL WHO ANNOUNCED THAT SHE WOULD "MEET THE BOYS AT THE SALOON TONIGHT" AND THEN PUT HERSELF UP FOR AUCTION AND TO BE KNOCKED DOWN, FOR THE NIGHT ONLY, TO THE HIGHEST BIDDER? KRUGER BITTERLY ADDRESSED A MEETING IN JOHANNESBURG: "PEOPLE OF THE LORD, YOU OLD PEOPLE OF THE COUNTRY, YOU FOREIGNERS, YOU NEWCOMERS, YEA, EVEN YOU THIEVES AND MURDERERS..."

RHODES HAD TO HAVE THE BOERS OUT OF HIS WAY. THE GOLD WAS HIS BUT THE BOERS RAN THE GOVERNMENT. THEY RESISTED UNEXPECTEDLY AND FIERCELY IN 1880-1881, SO THAT BRITAIN WITH GLADSTONE AGAIN AT THE HELM, RECOILED, BUT RHODES DID NOT. HE SOWED ILL-WILL BETWEEN MATABELE AND BOERS BY CONNIVING THE MURDER OF KRUGER'S ENVOY TO LOBENGULA. HE BEFRIENDED KHAMA, LOBENGULA'S RIVAL RULER IN BECHUANALAND. THROUGH THE MISSIONARY, MOFFAT, HE SECURED FROM THE SUSPICIOUS AND UNWILLING

41-3-43

LOBENGULA THE CELEBRATED RUDD CONCESSION TO DIG FOR GOLD. IN 1889 HE FORMED THE BRITISH SOUTH AFRICAN COMPANY IN ENGLAND, AND THE YEAR BEFORE HAD SECURED THE DIAMOND MONOPOLY OF THE WORLD.

RHODES MUST HAVE CONTROL OF MATABELELAND IN ORDER TO SELL MORE SHARES OF HIS SOUTH AFRICAN COMPANY, EVEN THOUGH AS YET HE HAD FOUND NO GOLD THERE. WITH THIS LAND IN HIS CONTROL HOWEVER, HE COULD PROSPECT FOR GOLD NOT ONLY THERE BUT IN MASHOLALAND BEYOND WHERE THE BLACKS HAD ONCE BUILT THE GREAT CIVILIZATION OF ZIMBABWE, WHICH PROBABLY LOBENGULA'S FOREFATHERS HAD OVERTHROWN. RHODES THEREFORE SENT HIS FRIEND, JAMESON, NORTH FROM BECHUANALAND INTO MATEBELELAND TO START THE QUARREL WHICH HE MUST HAVE. JAMISON PROMISED HIS FOLLOWERS 600 ACRES OF LAND AND 20 GOLD CLAIMS EACH AND THEIR SHARE OF 200,000 CATTLE. WITH THEM HE RAIDED THE MATEBELE, MOWING THEM DOWN WITH THE NEWLY-INVENTED MAXIM GUNS.

STILL, THE MATEBELE WERE NOT EASILY CONQUERED. THE ENGLISH GENERAL SAID:

"WITH FURIOUS COURAGE THEY FLUNG THEMSELVES UPON THE BRITISH ARTILLERY. NO CIVILIZED TROOPS COULD HAVE WITHSTOOD THE TERRIBLE FIRE WHICH THEY DID THAT DAY FOR ALMOST HALF AS LONG." LOBENGULA KNEW HE WAS BEATEN. HE HAD APPEALED TO QUEEN VICTORIA BUT HIS LETTERS HAD BEEN DELIBERATELY MISLEAD. HE TRIED TO BRIBE THE ENGLISH WITH GOLD, BUT THE ENGLISH MESSENGERS STOLE IT. COURIERS WERE SENT OUT BY THE ENGLISH CALLING FOR SURRENDER, BUT THEY WERE KILLED BY THE MATABELE. THE WHITE BISHOP OF MASHONALAND PRAYED "THAT THE WICKED MATABELE BE DESTROYED". ON CAME THE ENGLISH TROOPS. THE TALL BLACK KING, SICK WITH DISAPPOINTMENT, BLEW UP HIS CAPITAL CITY BULAWAYO. HE TOLD HIS WARRIORS THAT NOW RHODES WAS THEIR KING AND MUST BE GREETED BY THE ROYAL ZULU SALUTE BAYELE. THEN HE SAID, "YOU HAVE DONE YOUR BEST, MY SOLDIERS. YOU CAN HELP ME NO MORE. GO NOW TO YOUR KRAALS. GO SWEETLY. GO IN PEACE." TURNING TOWARD THE RIVER THAT STREAMED INTO THE ZAMBESI, THE LAST GREAT FIGHTING KING OF THE ZULUS DIED, WRAPPED IN THE SKINS OF HIS SIXTEEN BLACK OXEN.

41-3-44

RHODES WAS NOW ON THE WAY TO SUCCESS, DESPITE THE FACT THAT IN 1893 KRUGER

WAS RE-ELECTED PRESIDENT OF THE BOER REPUBLIC. LOBENGULA WAS DEAD, AND HIS TERRITORY WAS RENAMED RHODESIA. RHODES WAS THEN ABLE TO DUMP A MILLION SHARES OF HIS SOUTH AFRICAN COMPANY ON THE LONDON WORLD MARKET, AND THEY WERE UNLOADED AT $40 A SHARE. ONE YEAR LATER, IN 1890, RHODES BECAME PRIME MINISTER OF CAPE COLONY, DOMINANT PROVINCE OF SOUTH AFRICA, AND ON THE LONDON MARKET HE BECAME MASTER OF THE GOLD AND DIAMONDS OF THE WORLD. HE WAS SO RICH HE DID NOT KNOW HIS WEALTH.

MEANTIME, IN THE VALLEY OF THE NILE, WHILE BOTH THE ENGLISH AND THE EGYPTIANS WERE FIGHTING THE KALIFA, THE ITALIANS MOVED IN AND TRIED TO CONTROL THE EMPEROR JOHANNES. HE WAS KILLED AND WAS SUCCEEDED BY MENELEK, WHOM THE ITALIANS HAD HELPED TO POWER AND CONSIDERED THEIR TOOL. THEY PRETENDED THAT HE HAD SIGNED A TREATY HANDING OVER THE CONTROL OF THE FOREIGN AFFAIRS OF ETHIOPIA TO ITALY. THIS MENELEK STEADILY DENIED, AND WHEN WAR ENSUED IN 1896, HE KILLED 25,000 ITALIANS AT AUUA.

FOR A MOMENT THE WHITE WESTERN WORLD HELD ITS BREATH. BLACK MENELEK

WAS MAKING ALLIANCE, POLITICAL AND INDUSTRIAL, WITH FRANCE WHICH HAD ALREADY BUILT IN A RAILWAY TO THE SEA. THE MISSIONARY, CHINESE GORDON, WHO WAS TOO DRUNK, AND HAD PERMITTED THE RESTORATION OF THE SLAVE TRADE IN SUDAN, WAS KILLED IN 1884 WHEN HE TRIED TO CONQUER THE BLACK MAHDI. THE FRENCH WERE SLOWLY APPROACHING THE NILE FROM THE WEST, AND ETHIOPIA FROM THE EAST. IT LOOKED AS THOUGH GREAT BRITAIN MIGHT LOSE CONTROL OF THE NILE VALLEY.

IT WAS THEN THAT THE TORY PRIME MINISTER, SALISBURY, DISCOVERED THAT CHINESE GORDON, DEAD 12 YEARS, MUST BE CANONIZED AND AVENGED. HE SENT GENERAL KITCHENER TO THE NILE ARMED WITH THE NEW EXPLOSIVE DYNAMITE INVENTED IN 1886. KITCHENER'S ARMY KILLED 27,000 SUDANESE, RECAPTURED THEIR CAPITAL, KHARTOUN, DUG THE MAHDI FROM HIS GRAVE AND PUBLICLY DEFILED HIS CORPSE. HE THEN TURNED TO THE FRENCH AND GAVE WARNING. FRANCE WAS NOT READY TO GO TO WAR WITH BRITAIN OVER THE CONTROL OF THE NILE. IT WAS AGREED AT FASHODA TO GIVE THE NILE TO BRITAIN, AND THE FRENCH ARMY NEVER MET MENELEK.

41-3-45

THUS BY THE END OF THE 19th CENTURY PHILANTHROPY HAD BEEN APPEASED BY THE STOPPING OF THE AMERICAN SLAVE TRADE. ON THE OTHER HAND, THE NEW CENTURY WAS BEING PREPARED FOR BY THE BLACK IVORY WHICH REMAINED. THERE WERE 150 MILLION BLACK MEN WHO COULD BE MADE TO WORK IN THEIR OWN LAND FOR THE PROFIT OF THE WESTERN WORLD. THEY WERE CURBED BY SEIZURE OF THEIR LAND AND A NEW TAXATION ON HUTS AND WERE OFFERED CERTAIN BENEFITS OF CIVILIZATION WHICH THEY DID NOT WANT.

THE EXPLORER, THE MISSIONARY, THE PROSPECTOR, THE TRADER, THE HUNTER, AND THE SOLDIER, ALL PLAYED THEIR PARTS. RELIGION, CHEAP GIN, SYPHILIS AND ARBITRARY GOVERNMENT BY DISTANT RULERS CAME TO NATIONS OF FARMERS AND HUNTERS, BLACK AND WHITE. THE GREAT DIAMOND HOLE AT KIMBERLEY WAS DUG TWO MILES DOWN INTO THE GROUND. JOHANNESBURG, A MINIATURE NEW YORK, RAISED ITS TOWERS ON THE WINDSWEPT HIGH VELD OF THE WITWATERSRAND OVER A WORLD OF GOLD.

FEVERISHLY CECIL RHODES, FACING DEATH AND SPITTING UP HIS ROTTEN LUNGS IN BLOOD, PURSUED HIS WORLD-GRASPING PATH. HE WANTED UNION WITH AMERICA AND UNIVERSAL

PEACE."I MEAN", HE SAID, "AFTER 100 YEARS", WITH A SECRET SOCIETY ORGANIZED LIKE LOYOLA'S, DICTATED BY THE ACCUMULATED WEALTH OF THOSE WHOSE ASPIRATION IS "TO DO SOMETHING." THUS SPOKE THE FORERUNNER OF HITLER 100 YEARS BEFORE HITLER WAS CONQUERED BY THE SOVIET UNION. RHODES HAD AT THE TIME AT LEAST A QUARTER OF A BILLION DOLLARS AND COULD EASILY HAVE HAD TWICE THAT SUM. HE MADE HIS WAY BY WEALTH. HE BRIBED EVERYBODY - BOER, KAFFIR, MEMBERS OF THE BRITISH PARLIAMENT.

41-3-46

WITH THE END OF THE MATEBELE WAR IN 1893 RHODES STRADDLED AFRICA. ONE FOOT WAS PLANTED IN THE CAPE OF GOOD HOPE WHERE HE WAS PRIME MINISTER. THE OTHER IN RHODESIA, SO NAMED IN 1895 WHERE HE REPRESENTED THE BRITISH SOUTH AFRICA COMPANY. HE CHOSE HIS GRAVE THERE ON THE MATOPPO HILL BESIDE THE MIGHTY ZULU KING'S. BENEATH HIM WAS KIMBERLEY AND THE DIAMOND MINES. BENEATH HIM TOO WAS A NEW GERMAN AFRICA. FOR THE PRESENT HE IGNORED IT. HIS EYES WERE ON EGYPT, AND WHAT HE LACKED WAS POLITICAL CONTROL OF THE GOLD OF JOHANNESBURG, WHICH HIS INCORPORATED COMPANIES OWNED.

IN JOHANNESBURG LIVED ENGLISHMEN AND OTHER EUROPEANS FAR OUTNUMBERING THE BOERS. THEY HAD LONG CONSIDERED SEEKING POLITICAL POWER BY FORCE OF NUMBERS, BY ENGLISH MILITARY MIGHT. RHODES CONSIDERED THE TIME NOW RIPE, AND ENCOURAGED HIS PAL, DR. JAMISON, NOW IN RHODESIA WHERE HE HAD BEEN VICTORIOUS OVER THE DEAD LOBENGULA. BY BLUNDER, MURDER AND DECEIVE JAMISON, ENCOURAGED BY RHODES, PREPARED TO MAKE ALLIANCE WITH THE GREEDY UITLANDERS OF JOHANNESBURG. THEY PLANNED THE RAID AND SEIZURE. HE LURCHED OUT ON HIS RAID, BUT THE STUBBORN BOERS MET HIM. HE WAS QUICKLY OVERTHROWN AND THE RAT WAS IN THE FIRE. RHODES HAD TO RESIGN FROM THE CAPE COLONY GOVERNMENT AND WAS COMPELLED TO MEET A NEW REBELLION OF THE MATEBELE, AND ALSO PARLIAMENTARY INVESTIGATION IN LONDON. FIRST HE MUST SAVE RHODESIA, FOR WITH THAT HE WAS SAFE IN BRITAIN.

THE NEW WAR IN MATEBELELAND WAS BITTER. THE NATIVES NO LONGER RUSHED TO OBTAIN DEATH INTO THE MOUTHS OF MACHINE GUNS. THEY LURKED AND ATTACKED BY SURPRISE. FIFTH OF THE WHITE TROOPS WERE SOON DEAD AND THE REST WERE HIDING IN THE GUARDED

TONS. THE COST OF THE WAR TO RHODES' SOUTH AFRICAN COMPANY WAS $20,000 A DAY AND MIGHT REACH A TOTAL OF $25,000,000. SHARES WERE DROPPING ON THE LONDON MARKET. RHODES HAD TO WIN BY DECEPTION IF NOT BY FORCE. HE PROMISED AND CAJOLED THE MATEBELE CHIEFS. HE PROCURED THE ASSASSINATION OF THE WITCH DOCTOR M'LIMO, THEIR LEADER. HE PLEADED WITH THE HEAD CHIEF. HE PROMISED THE WITHDRAWAL OF THE WHITE POLICE; HE GAVE FOOD; UNTIL THE CHIEF SAID, "IT IS PEACE, MY FATHER."

41-3-47

THEN HE WENT TO LONDON AND FACED A PARLIAMENTARY INQUIRY, WITH MOST OF SOUTH AFRICA STILL IN HIS HAND. LITTLE HAPPENED. TOO MANY OF THE GREAT WERE INVOLVED. THE QUEEN AND THE PRIME MINISTER IN ADDITION TO THE GERMAN KAISER TOOK HIS SIDE, AND EVEN THE CULPRIT JAMISON WAS EVENTUALLY KNIGHTED.

STILL ALL WAS NOT WELL IN JOHANNESBURG. IN 1898 KRUGER WAS RE-ELECTED PRESIDENT OF THE SOUTH AFRICAN REPUBLIC, AND THE NEXT YEAR BRITAIN PREPARED FOR WAR. IT CAME IN 1899 AND LASTED FOUR LONG AND AWFUL YEARS. BEFORE IT ENDED CECIL RHODES WAS DEAD AT 49, COMPLAINING, "SO MUCH TO DO, SO LITTLE DONE."

LONG BEFORE THE DEATH OF RHODES GERMANY HAD APPEARED AS A GROWING THREAT TO BRITISH SUPREMACY. IN THE '80'S, GERMANS MADE CLAIMS IN SOUTHWEST AFRICA AND TO COLONIES ON WEST AFRICA. AT THE BERLIN CONFERENCE THEY CLAIMED EAST AFRICA. BUT FOR THIS THREAT OF GERMANY, ENGLAND NOW OWNED AFRICA from THE CAPE OF GOOD HOPE TO CAIRO. BUT THE GERMANS WERE INSISTENT. THEY SEIZED AND KILLED 80,000 HERREROS IN SOUTHWEST AFRICA. THEY SLAUGHTERED 20,000 MAJIMAJI IN THEIR NEW COLONY OF EAST AFRICA; AND PROTESTANTS, CATHOLICS AND MOHAMMEDANS STAGED BLOODY CIVIL WAR IN UGANDA.

BY THE DAWN OF THE 20TH CENTURY ENGLAND WAS RICH AND POWERFUL; FRANCE LESS POWERFUL BUT VERY RICH. AND IN BOTH CASES THEIR WEALTH HAD SPRUNG FROM WAR, MURDER, AND THEFT IN ASIA AND AFRICA. THE DREAM OF CECIL RHODES SEEMED TO HAVE COME TRUE: THAT WHITE ENGLAND WAS GOING TO RULE THE WORLD. WHEN SUDDENLY, THE FLY IN THE OINTMENT APPEARED. GERMANY, WITH HER APPETITE WHETTED BY HER COLONIES IN AFRICA, DEMANDED A LARGER SHARE IN THE EXPLOITATION OF THE WHOLE WORLD, AND THE RESULT WAS THE FIRST WORLD WAR WHICH ISSUED A NEW ERA OF WAR INTO THE WORLD.

I HAVE TOLD BUT A FRACTION OF THE WHOLE MODERN EXPLOITATION OF AFRIC WENT ON IN THE 19th CENTURY. I HAVE NOT TOUCHED NORTH AFRICA OUTSIDE EGYPT. I H OMITTED THE EXTRAORDINARY HISTORY OF THE CHEATING AND THEFT WHICH GAVE TO BELGIUM A COLONY 14 TIMES HER OWN SIZE, WHERE SHE ASSUMED COMPLETE OWNERSHIP OF LAND AND LABOR UNDER THE PRETENSE OF SUPPRESSING THE SLAVE TRADE AND BRINGING NINE MILLIONS OF BLACKS TO CHRISTIANITY AND CIVILIZATION. THERE IS ALSO THE STORY OF PORTUGESE, SPANISH AND BRITISH WEST AFRICA WITH THE WAR AND EXPLOITATION WHICH FOLLOWED THE SLAVE TRADE TO AMERICA. THERE IS THE THEFT OF THE LAND IN KENYA, AND ITS WILD RESISTENCE TODAY.

I NEED HARDLY REMIND YOU OF THE LEGACY OF BRITISH GREED IN SOUTH AFRICA TODAY. THE TREND TOWARD NATIVE UPLIFT AND THE INCLUSION OF THE BANTU AND MULATTO HOTTENTOTS IN A NEW SOUTH AFRICAN DEMOCRACY, WHICH EVEN CECIL RHODES CONSIDERED, WAS SURRENDERED TO PROFITS IN MINING. THE BOERS WERE GRANTED AN INDEPENDENT STATE WHICH NOT ONLY EXCLUDED THE BLACKS FROM POWER BUT SOUGHT TO REDUCE THEM TO SERFDOM UNDER A

41-3-48

A NEW INDUSTRIAL REGIME CONDUCTED BY BOERS AND FINANCED BY GREAT BRITAIN AND THE UNITED STATES. THIS IS THE MEANING OF ALAN TODAY AND OF THE RESISTANCE OF BLACK SOUTH AFRICA IN ALLIANCE WITH ASIA. A NEW CHAPTER OF HISTORY WILL BE WRITTEN HERE, BUT IN POVERTY, CRUELTY AND BLOOD.

I HAVE SAID ENOUGH TO MAKE IT CLEAR THAT THE 19TH CENTURY, FAR FROM BEING AN AGE OF PEACE WAS AN AGE OF WAR, AND OF WAR INSTIGATED BY RUTHLESS GREED. THE GREED THUS MADE CUSTOMARY BECAME THE COLONIAL IMPERIALISM OF OUR CENTURY, AND STANDS TODAY BACK OF THE AWFUL THREAT OF A THIRD WORLD WAR.

CAN ANY THOUGHTFUL PERSON IN THE LIGHT OF HISTORY ASSUME THAT OUR PRESENT CAUSES OF WAR ARE UNCONNECTED WITH THE RECENT PAST, AND FIND A NEW CAUSE IN THE RUSSIAN REVOLUTION AND THE SOVIET UNION? IS COMMUNISM TODAY THE CAUSE OF WAR, OR HAS WAR BEEN THE CAUSE OF COMMUNISM? IF, GOADED BY A TERRIBLE AGE OF EXPLOITATION, A NATION HAS ARISEN TO CAST OFF ITS YOKE, EVEN IF ITS NEW PLAN OF GOVERNMENT DOES NOT PLEASE US, IS WAR THE ONLY ANSWER? HAVE WE IN THE LAST CENTURY PROPOSED ANY BETTER

ANSWER? IF WE REALLY WANT PEACE AND SEE IN PEACE THE ONLY BEGINNING TO REAL PROGRESS, MUST NOT OUR PEACE BEGIN WITH PEACE WITH THE SOVIETS AND NOT END IN REFUSAL EVEN TO TALK PEACE, AND WITH PREPARATIONS FOR WAR ON A SCALE WHICH THREATEN TO BANKRUPT CIVILIZATION?

IF THE UNITED STATES AND ENGLAND ARE GOING TO INSIST THAT THE SORT OF WORLD WHICH THEY BUILT IN THE 19TH CENTURY MUST NOT BE ALTERED, AND THAT ANY ATTEMPT AT ALTERATION WILL MEAN WORLD WAR, THEN WORLD WAR IT WILL BE, NO MATTER WHAT WE SAY OR DO. THE WORLD WILL NEVER SUBMIT AGAIN TO ANGLO-SAXON RULE.

41-3-49

WAR AND GREED

IN THE 100 YEARS BETWEEN 1817 AND 1917 BEFORE THE SOVIET UNION WAS FORMED, THERE TOOK PLACE IN THE WORLD 204 WARS. SEVEN OF THESE WARS WERE OF GREAT MAGNITUDE, CULMINATING IN THE FIRST WORLD WAR. BUT AT LEAST 40 OTHER CONFLICTS WERE LARGE SCALE FIGHTS INVOLVING MANY THOUSANDS OF SOLDIERS; AND 150 OF THEM MEANT MURDER AND DESTRUCTION AMONG MILLIONS OF PERSONS. IF TODAY, AS SO MANY PERSONS THINK, COMMUNISM IS THE CHIEF CAUSE AND THREAT OF WAR, WHAT CAUSED THE MORE THAN 200 WARS OF THE 19TH CENTURY BEFORE THE UNION OF SOVIET REPUBLICS WAS BORN? THE ANSWER IS: GREED, CUPIDITY, AVARICE; RUTHLESS DESIRE FOR PRIVATE GAIN AT ANY COST TO PUBLIC WELFARE. AND THE SUBJECT OF MY WORDS TODAY IS TO SAY THAT THIS SAME UNBRIDLED GREED WHICH CAUSED WAR YESTERDAY IS CAUSING IT TODAY AND THREATENING IT TOMORROW.

36-9-32

WOULD IT NOT BE A MATTER OF REASON TO LOOK FOR A MOMENT AT THE CAUSES OF THE WAR OF GREEK INDEPENDENCE, THE CRIMEAN WAR, OUR CIVIL WAR, THE WAR AGAINST PARAGUAY, THE FRANCO-PRUSSIAN WAR, THE RUSSO-TURKISH WAR, THE RUSSO-JAPANESE WAR, AND THE FIRST WORLD WAR? OR FURTHER, TO VIEW SMALLER CONFLICTS LIKE THE 1830 REVOLUTION IN POLAND, THE

-2-

CIVIL WAR IN SPAIN, THE BRITISH AFGHAN WARS, THE OPIUM WAR IN CHINA, THE EUROPEAN REVOLUTIONS OF 1848, THE SIKH WARS IN INDIA, THE TAIPING REVOLT IN CHINA, THE WARS AGAINST DENMARK, THE KAFFIRS WARS IN AFRICA, AND THE INDIAN WARS IN THE UNITED STATES? THE SEPOY MUTINY, THE AUSTRIAN WAR AGAINST SARDINIA, THE WAR OF FRANCE AND MEXICO, THE SEVEN WEEKS WAR, THE REVOLUTION IN MEXICO, THE CARLIST WAR IN SPAIN, THE ZULU WARS AND THE BOER WARS IN AFRICA? -- THE WARS OF THE MAHDI, THE MATEBELE WARS, AND THE SINO-JAPANESE WAR? -- THE WAR IN NIGERIA AND THE SUDAN, THE SPANISH-AMERICAN WAR, THE REVOLUTION IN CHINA? -- THE ITALIAN-TURKISH WAR AND A HUNDRED SMALLER CONFLICTS WHICH CAME AFTER NAPOLEON AND BEFORE THE RUSSIAN REVOLUTION? WOULD IT NOT BE A MATTER OF COMMONSENSE TO EXAMINE THE CAUSES OF THE WARS OF THE 19TH CENTURY, AND ASK IF THOSE CAUSES HAVE NOW SO DISAPPEARED THAT WE NOW CAN SEE BUT ONE CAUSE OF WAR, -- AND THAT THE EFFORT OF A SINGLE EASTERN EUROPEAN NATION TO TRY A NEW WAY OF LIFE?

IN OPPOSITION TO THAT THESIS, WHICH THE INDUSTRY AND PRESS OF AMERICA IN THE GREATEST PROPAGANDA OF ALL HISTORY IS TODAY FOISTING ON THIS NATION IN ORDER TO MAKE US

TRY TO CONQUER THE WORLD FOR BIG BUSINESS, I WANT TO RECALL TO YOUR MINDS WHAT GREED— THE UNBRIDLED AND BLOODY URGE TO MAKE MONEY — HAS DONE TO FOSTER WAR IN THE RECENT PAST AND IS DOING TODAY.

NOT TO FARE TOO FAR AFIELD LET US TURN OUR FACES FROM AMERICA AND ASIA AND LOOK AT AFRICA; FROM THE BIRTH OF PAUL KRUGER TO THE DEATH OF CECIL RHODES; FROM THE SEIZURE OF ALGERIA BY FRANCE TO THE MEETING OF KITCHENER AND MARCHAND AT FASHODIA. THIS IS A STORY OF WAR AND MURDER, SLAVERY AND CONQUEST, BESTIAL CRUELTY AND TYRANNY FORCED ON ONE CONTINENT BY THE UNBRIDLED GREED OF EUROPE CLOAKED IN MISSIONARY EFFORT; DISCOVERY OF GOLD, DIAMONDS AND COPPER; BUILDING THE SUEZ CANAL AND THE ASWAN DAM; AND LOOSING A FLOOD OF LIQUOR, BLOOD AND MISERY SUCH AS HAS SELDOM BEEN DAMMED IN SO NARROW A SPACE AND OVER SO SHORT A TIME. HAS THIS GREED WHICH MADE AFRICA A STENCH IN THE NOSTRILS OF DECENT MEN, DISAPPEARED FROM THE WORLD AT THE VERY TIME THAT WAR HAS BECOME BROADER, COSTLIER AND MORE CRUEL, SO THAT TODAY IT IS CHIEFLY COMMUNISM THAT MAKES MEN FIGHT AND NOT ROBBERY? IF THIS IS TRUE WE SHOULD KNOW IT; IF NOT WE SHOULD REFUSE TO BE MISLED FOOLS

36-9-33

LET US LOOK AT THE TWO ENDS OF AFRICA AT THE OPENING OF THE 19TH CENTURY: IN THE NORTH, MOHAMMED ALI BECAME GOVERNOR OF EGYPT AND IN 1820, JUST WHEN THE COTTON KINGDOM ROSE IN AMERICA, HE CONQUERED THE SUDAN AND MADE IT ONE OF THE GREATEST SLAVE MARKETS IN THE WORLD, TO FURNISH IVORY FOR THE PIANOS OF AMERICA AND SERVANTS FOR THE TURKISH EMPIRE. SO THAT WHILE IN THE NEXT DECADE THE SLAVE TRADE FROM AFRICA TO AMERICA CEASED TO BE A PAYING INVESTMENT, NEVERTHELESS CONCEALED IN THE VALLEY OF THE NILE A NEW SLAVE TRADE NOT ONLY FLOURISHED BUT BECAME THE OPENING DOOR TO A NEW COLONIAL IMPERIALISM IN WHICH ENGLAND AND FRANCE AND GERMANY, JOINED AT LAST BY THE UNITED STATES, ENSLAVED A RACE, ANNEXED A CONTINENT, AND STOLE ITS WEALTH.

ON THE OTHER HAND, IN THE SOUTHERN PART OF AFRICA, WHERE THE GREAT CAPE (WHICH WAS ANYTHING BUT GOOD HOPE) LOOKS UPON THE BLENDING OF ATLANTIC AND PACIFIC, BRITISH IN 1820
SETTLERS/CLASHED WITH THE DUTCH WHO HAD ALREADY BEEN THERE NEARLY 200 YEARS. THE DUTCH FLED NORTH TO THE GREAT PLATEAU OF SOUTH AFRICA, AND MET THERE THE BLACK BANTU COMING SOUTH. FOR A THOUSAND YEARS THESE TRIBES OF CENTRAL AFRICA HAD BEEN MOVING SOUTH TO

ESCAPE MOHAMMEDAN IMPERIALISM WHICH AFTERWARD MOHAMMED ALI IN THE SUDAN PERSONIFIED. SOME OF THESE TALL BLACK WARRIORS ADAPTED MOHAMMED CULTURE AND REBUILT IT; BUT OTHERS MOVED SOUTH, OVERTHROWING THE ZYMBALWE, CONGO AND ZULU, UNTIL LATE IN THE 18TH CENTURY ZULU WARRIORS APPEARED IN SOUTH AFRICA UNDER THE EXTRAORDINARY MILITARY GENIUS OF CHAKA AND MET THE ONCOMING DUTCH. BETWEEN BANTU AND DUTCH, DUTCH AND ENGLISH, ENGLISH AND BANTU, THERE ENSUED FROM 1830-1880 A SERIES OF FIERCE AND BLOODY WARS OVER LAND AND CATTLE AND TERRITORIAL MASTERY.

THEN THERE WAS BORN IN ENGLAND IN 1853 A BOY NAMED CECIL RHODES, ONE OF A CLERGYMAN'S FAMILY OF TWELVE. IT WAS THIS MAN, A BIG SIX-FOOT NORDIC, YELLOW HAIRED, GREY-EYED AND HEAVY JOWELED, WHO PUT NEW MEANING INTO THE WARS OF SOUTH AFRICA. SICK WITH TUBERCULOSIS, HE LANDED IN SOUTH AFRICA AT THE AGE OF 18, JUST AT THE TIME WHEN DIAMONDS WERE DISCOVERED AT KIMBERLEY. IT WAS IN THE ERA WHEN THE DUTCH WERE HOLDING THE ENGLISH AT BAY, AND THE KAFFIRS, CAUGHT BETWEEN DUTCH AND ENGLISH, ATTEMPTED THEIR WEIRD SUICIDE OF 1856. PROPHETS AMONG THEM TOLD THEM TO KILL AND EAT THEIR CATTLE WHICH WERE THEIR

36-9-34

WEALTH, SOW NO CROPS, SAVE ONLY THEIR SPEARS, AND THUS BRING A WHIRLWIND TO SWEEP THE WHITES INTO THE SEA AND BRING THEIR HEROES BACK FROM THE DEAD. 100,000 ZULUS STARVED TO DEATH ON THE HIGH PLATEAU WHICH COVERED THE DIAMONDS OF THE WORLD. IT WAS THE TIME WHEN THE INDIAN MUTINY WAS TAKING PLACE IN INDIA, AND THE MAKING OF BESSEMER STEEL WAS DISCOVERED IN ENGLAND AFTER THE CRIMEAN WAR.

DIAMONDS, DISCOVERED IN 1869 ON A MULATTOS FARM, CAME TO BE THE HIGH SIGN OF LUXURY, BEDIZENING THE BARE BREASTS OF ALL THE WHORES OF LONDON AND PARIS, AND FURNISHING WEDDING RINGS TO THE CIVILIZED WORLD. RHODES, RICH BEFORE HE WAS OF AGE, RETURNED TO ENGLAND AND MATRICULATED AT OXFORD. IT WAS HERE HE GOT HIS INSPIRATION AND WAS CALLED OF GREED TO RULE THE WORLD. IT WAS HERE THAT HE HEARD THE GREAT RUSKIN, GREY-HAIRED, WITH BURNING EYES, PROPHET OF GREATER EMPIRES, SUMMON BEFORE HIM IN THOSE OLD, ARCHED AND CRENELATED HALLS, THE YOUNG GENTLEMEN OF ENGLAND TO: "A DESTINY NOW POSSIBLE TO US, THE HIGHEST EVER SET BEFORE A NATION, TO BE ACCEPTED OR REFUSED. WILL YOU YOUTHS OF ENGLAND MAKE YOUR COUNTRY AGAIN A REAL THRONE OF KINGS, A SCEPTERED ISLE, FOR ALL THE

WORLD A SOURCE OF LIGHT, A CENTER OF PEACE."

RHODES WENT BACK TO SOUTH AFRICA FILLED WITH A VISION OF MAKING ENGLAND MASTER OF THE WEALTH OF THAT LAND, WITH MILLIONS OF NEGROES TO EXTRACT THE WEALTH FROM THE RICH EARTH, AND WITH RHODES TO UNITE SOUTH AFRICA WITH THE VALLEY OF THE NILE.

MEANTIME, IN THAT VALLEY OF THE NILE, THINGS TOO HAD BEGUN TO HAPPEN. THE ENGLISH HAD BEGUN TO LOOK AT THE CITADEL OF AFRICA, WHICH IS ETHIOPIA. IN 1867 THEY MOVED AGAINST THE EMPEROR, WITH NO CLEAR DESIGN BUT WITH ARROGANCE AND DECEIT, SO THAT THEODORE'S ARMIES WERE QUICKLY OVERTHROWN AND THEODORE, KING OF THE KINGS OF ETHIOPIA, PUTTING A PISTOL IN HIS MOUTH, BLEW HIS BRAINS OUT. HIS CONQUEROR BECAME A BRITISH EARL.

TWO YEARS LATER THE SUEZ CANAL, STARTED BY THE FRENCH, WAS FINISHED, AND BECAME THE UMBILICAL CORD OF BRITISH COLONIAL IMPERIALISM FROM GIBRALTAR TO BOMBAY, SO THAT IT WAS CLEAR TO THE BRITISH THAT THEY MUST DOMINATE THE NILE VALLEY. BUT THE FRENCH ALSO WERE LOOKING AT THE NILE AS THE WESTERN BOUNDARY OF AN EMPIRE WHICH BEGAN WITH ALGERIA IN 1830. IN 1881, AFTER THE FRANCO-PRUSSIAN WAR, BISMARCK THREW TUNIS TO

36-9-35

FRANCE, DESPITE THE FACT THAT TUNIS WAS THE ANCIENT CARTHAGE AND ITALY WAS INSANELY DETERMINED TO ANNEX IT. AND NOW THE NILE AND THE NEW CANAL BECKONED.

THREE EUROPEAN NATIONS CONVERGED ON NORTH AFRICA AND WERE FOLLOWED NOT ONLY BY ARMIES BUT BY LIQUOR, MISSIONARIES AND TRADERS. BLACK NORTH AFRICA BEGAN TO FIGHT BACK. SUDDENLY IN THE SUDAN THERE AROSE THE BLACK MAHDI IN 1883, FOLLOWED BY THE KHALIFA WHO SUCCEEDED HIM TWO YEARS LATER. FOR 15 YEARS BRITAIN WAS STOPPED DEAD IN THE TRACKS ON ITS MARCH UP THE NILE. BUT ITALY, STILL HUNGRY FOR NORTH AFRICA, WAS URGED BY ENGLAND TO FASTEN HER HOLD UPON ETHIOPIA AND THE RED SEA. WHAT FRANCE, ENGLAND, AND ITALY WANTED WAS AFRICAN WORKERS AND COMMERCE TO ASIA. BUT RHODES IN SOUTH AFRICA BEGAN TO IMPLEMENT THIS WORK, AND IN 1884 ON THE RIDGE OF WHITE WATERS, IN THE MIDST OF THE BOERS, GOLD WAS DISCOVERED! GOLD, THE TOUCHSTONE AND SYMBOL OF WEALTH FROM ANCIENT THEBES TO MODERN NEW YORK! GOLD, WHICH ADDED TO THE DIAMONDS AND AFTERWARD TO COPPER, MADE SOUTH CENTRAL AFRICA THE GREATEST CENTER FOR THE EXPLOITATION OF WEALTH AND ENSLAVEMENT OF HUMAN LABOR THAT THE WORLD KNEW.

RHODES ORGANIZED AND CENTRALIZED THE DIAMOND BUSINESS AND BEGAN TO REGIMENT THE WORKERS. BUT THE STUBBORN BOERS INTERFERED, REVOLTING AND ESTABLISHING A REPUBLIC INDEPENDENT OF ENGLAND, STRETCHING STRAIGHT ACROSS THE PATH THAT RHODES WAS TRAVELLING FROM THE CAPE TO CAIRO. FOR YEARS THE BOERS WERE FIGHTING BOTH THE BLACK ZULUS AND THE WHITE ENGLISH, AND THE ENGLISH, TOO, GOT EMBROILED WITH THE ZULUS. IN THE FIERCE WARS OF 1850-1853 THOUSANDS OF ENGLISH DIED, AND IN 1879 1,200 ENGLISH SOLDIERS WERE KILLED AT ISANDISLAWANA. THE YOUNG PRINCE IMPERIAL, SON OF NAPOLEON II AND THE BEAUTIFUL EMPRESS EUGENIA, VISITING THE ENGLISH TO SEE THE SPORT OF FIGHTING SAVAGES, WAS STABBED TO DEATH AND THE DYNASTY OF THE NAPOLEONS ENDED.

PAUL KRUGER BECAME PRESIDENT OF THE BOER STATE IN 1883. THE GERMANS PUSHED IN FROM THE WEST AND NORTH, AND A TALL BLACK KING IN MATABELELAND IN THE NORTH, LOBENGULA, SUCCEEDED MOZELIKHATZE IN 1868. RHODES OUTFLANKED THE BOERS WHO HELD THE GOLD FIELDS, AND WITH MISSIONARIES AND ADVENTURERS MADE TREATY WITH LOBENGULA FOR THE MINERAL WEALTH OF MATABELELAND. TWO YEARS LATER HE BECAME PRIME MINISTER OF CAPE COLONY, DOMINANT PROVINCE OF SOUTH AFRICA, AND ON THE LONDON MARKET MASTER OF THE GOLD AND DIAMONDS OF THE

36-9-36

WORLD. HE WAS SO RICH HE DID NOT KNOW HIS WEALTH.

NEGROES FROM ALL SOUTH AND SOUTHWESTERN AFRICA WERE HERDED INTO THE DIAMOND FIELDS AND GOLD MINES, AND NEW AND ASTONISHING WEALTH BEGAN TO POUR INTO EUROPE. FOR THE THIEVES HAD ARRIVED. NOT JUST SMART BUSINESSMEN AND CONCESSION-SEEKERS, BUT REAL CRIMINALS -- CUTTHROATS, AUSTRALIAN BUSH RANGERS, THE SCUM OF LONDON, THE VULTURES, AND THE FEMALES OF THEIR KIND. THE BOER FARMERS WERE AGHAST. WHAT COULD THEY MAKE OF A WHITE ENGLISH GIRL WHO, ARRIVING ON THE DIAMOND FIELDS, ANNOUNCED THAT SHE WOULD "MEET THE BOYS AT THE SALOON TONIGHT" AND THEN PUT HERSELF UP FOR AUCTION AND KNOCK HERSELF DOWN, FOR THE NIGHT ONLY, TO THE HIGHEST BIDDER? KRUGER BITTERLY ADDRESSED A MEETING IN JOHANNESBURG: "PEOPLE OF THE LORD, YOU OLD PEOPLE OF THE COUNTRY, YOU FOREIGNERS, YOU NEWCOMERS, YEA, EVEN YOU THIEVES AND MURDERERS..."

BUT RHODES HAD TO HAVE THE BOERS OUT OF HIS WAY. THEY RESISTED UNEXPECTEDLY AND FIERCELY IN 1880-1881, SO THAT BRITAIN RECOILED BUT RHODES DID NOT. HE SENT HIS FRIEND JAMESON NORTH TO MATEBELELAND TO START THE QUARREL WHICH HE MUST HAVE TO CARRY

OUT HIS PLANS. HE HAD FOUND NO GOLD IN MATEBELELAND BUT HIS NEWLY CHARTERED SOUTH AFRICA COMPANY IN ENGLAND MUST HAVE CONTROL NOT ONLY OF LOBENGULA'S MATEBELELAND BUT OF ANCIENT MASHONALAND WHERE BLACKS HAD ONCE BUILT THE GREAT CIVILIZATION OF ZYMBABWE BEFORE LOBENGULA'S FATHERS OVERTHREW IT. JAMESON RAIDED THE ZULUS PROMISING HIS MEN SIX THOUSAND ACRES AND 20 GOLD CLAIMS EACH AND THEIR SHARE OF 200,000 CATTLE. THE BRITISH MOWED DOWN 5000 MATEBELE WITH MAXIM GUNS, LOSING BUT FOUR OF THEIR OWN SOLDIERS.

BUT THE MATEBELE WAR WAS NOT EASY. "WITH FURIOUS COURAGE THEY FLUNG THEMSELVES UPON THE BRITISH ARTILLERY". AT THE FIRST BATTLE THEY LOST 600 MEN AND ONE OF THE LEADERS HANGED HIMSELF RATHER THAN FALL INTO THE HANDS OF THE ENGLISH. THE ENGLISH GENERAL SAID, "NO CIVILIZED TROOPS COULD HAVE WITHSTOOD THE TERRIFIC FIRE WHICH THEY DID THAT DAY FOR AT MOST HALF AS LONG." RHODES, RUSHING UP FROM CAPE COLONY, DEMANDED THE SURRENDER OF THE KING AND SENT THIRTY-FOUR ENGLISH BOYS TO TAKE HIM. THEY WERE ALL KILLED, ALTHOUGH IT COST THE LIVES OF 84 ZULU PRINCES AND 500 WARRIORS.

LOBENGULA FLED WITH HIS SPAN OF 16 BLACK OXEN NORTH, WITH THE ENGLISH BEHIND

36.9.37

HIM. JAMESON TRIED TO LURE HIM BACK. LOBENGULA SENT 10 BAGS OF GOLD AS RANSOM, BUT THEY WERE STOLEN BY THE ENGLISH BEFORE THEY WERE DELIVERED. THE ENGLISH SENT OUT COURIERS WITH DISPATCHES, BUT THEY WERE KILLED. THE WHITE BISHOP OF MOSHONALAND PRAYED THAT THE WICKED MATABELE BE DESTROYED. THE TALL BLACK KING, WICK WITH DISAPPOINTMENT, BLEW UP HIS CAPITAL; AND TOLD HIS WARRIORS THAT RHODES WAS NOW HIS KING: "YOU HAVE DONE YOUR BEST, MY SOLDIERS, YOU CAN HELP ME NO MORE. GO NOW TO YOUR KRAALS. GO SWEETLY. GO IN PEACE." HE TURNED TOWARD THE RIVER AND THERE THE LAST GREAT FIGHTING KING OF THE ZULU DIED.

RHODES PROSPERED. HIS CONQUEST OF THE MATEBELE ENABLED HIM TO DUMP A MILLION SHARES ON THE WORLD MARKET WHICH RHODES UNLOADED AT $40 A SHARE.

MEANTIME, IN THE VALLEY OF THE NILE, THE ITALIANS HAD MOVED IN AND TRIED TO CONTROL ETHIOPIA WHILE THE EMPEROR JOHANNES WAS FIGHTING THE KHALIFA. THE EMPEROR WAS KILLED AND MENELIK SUCCEEDED . THE ITALIANS TRIED TO ANNEX HIM AS THEIR ALLY, BUT HE TURNED AND KILLED 25,000 ITALIANS AT ADUA IN 1896. FOR A WHILE THE WHITE WORLD HELD

ITS BREATH, BECAUSE THE BLACK MENALEK WAS MAKING ALLIANCE WITH THE FRENCH; THE BLACK KHALIFA WAS THREATENING EGYPT, AND THE THREE WERE ABOUT TO KEEP THE ENGLISH FROM LINKING UP WITH THE GOLD AND DIAMONDS OF SOUTH AFRICA.

THE MISSIONARY, CHINESE GORDON, TRIED TO CONQUER THE BLACK KHALIFA, BUT HE WAS OFTEN DRUNK, AND PERMITTED THE SLAVE TRADE TO REAPPEAR IN THE SUDAN. GORDON WAS KILLED. AS THE FRENCH APPROACHED THE NILE FROM THE WEST, THE BLACK SUDANESE MOVED NORTH, AND ETHIOPIA CAME FROM THE EAST. BRITAIN FOUND IT MUST AVENGE GORDON. THE TORY, SALISBURY, SENT KITCHENER WITH THE NEW HIGH EXPLOSIVE INVENTED IN 1886. HE CAME AND KILLED 27,000 NEGROES, RECAPTURED THE BLACK CAPITOL KHARTOUM, DUG THE MAHDI FROM HIS GRAVE AND PUBLICLY DEFILED HIS CORPSE. THE FRENCH NEVER MET MENELEK, AND AGREED AT FASHODA TO GIVE THE NILE TO BRITAIN.

THE AMERICAN SLAVE TRADE HAD BEEN BROKEN, BUT THE "BLACK IVORY" REMAINED: A HUNDRED AND FIFTY MILLION BLACK MEN. THEY COULD BE MADE TO WORK IN THEIR OWN LAND, COERCED BY A NEW TAXATION THAT THEY DID NOT UNDERSTAND, WITH BENEFITS OF CIVILIZATION THAT

36-9-38

THEY DID NOT WANT. THE EXPLORER, THE MISSIONARY, THE PROSPECTOR, THE TRADER, THE HUNTER, AND THE SOLDIER, ALL PLAYED THEIR PARTS. RELIGION, CHEAP LIQUOR, SYPHILIS, AND ARBITRARY GOVERNMENT BY DISTANT RULERS CAME TO NATIONS OF FARMERS AND HUNTERS, BLACK AND WHITE. THE GREAT DIAMOND HOLE AT KIMBERLEY WAS DUG TWO MILES UNDERGROUND. JOHANNESBURG, A MINIATURE NEW YORK, RAISED ITS TOWERS ON THE WINDSWEPT HIGH VELD OF THE WITWATERSRAND, OVER A WORLD OF GOLD.

FEVERISHLY CECIL RHODES, FACING DEATH AND SPITTING UP HIS ROTTEN LUNGS IN BLOOD, PURSUED HIS WORLD-GRASPING PATH. HE WANTED UNION WITH AMERICA AND UNIVERSAL PEACE. "I MEAN AFTER 100 YEARS"; WITH A SECRET SOCIETY ORGANIZED LIKE LOYOLAS, DICTATED BY THE ACCUMULATED WEALTH OF THOSE WHOSE ASPERATION IS TO DO SOMETHING. THUS SPOKE THE FORERUNNER OF HITLER 100 YEARS BEFORE HITLER WAS CONQUERED BY THE SOVIET UNION. RHODES HAD AT THE TIME AT LEAST A QUARTER OF A BILLION DOLLARS AND COULD EASILY HAVE HAD TWICE THAT SUM. HE MADE HIS WAY BY WEALTH. HE BRIBED EVERYBODY - BOER, KAFFIR, MEMBERS OF PARLIAMENT.

YET AT THE HEIGHT OF HIS POWER HE WAS CHECKMATED. RHODESIA, WHICH HE HAD

SCHEMED AND MURDERED TO GET, HAD NO GOLD. RHODES, TO CAPITALIZE HIS INVESTMENT AND STRETCH COMMERCE FROM CAPE TO CAIRO, MUST GO NORTH TO THE COPPER OF THE CONGO. ON THE WAY HE MUST HAVE THE GOLD OF JOHANNESBURG, WHICH THE STUBBORN BOERS STILL HELD.

WITH THE END OF THE MATEBELE WAR IN 1893 RHODES STRADDLED AFRICA. ONE FOOT WAS PLANTED IN THE CAPE OF GOOD HOPE WHERE HE WAS PRIME MINISTER. THE OTHER IN RHODESIA, SO NAMED IN 1895, WHERE HE REPRESENTED THE BRITISH SOUTH AFRICA COMPANY. BENEATH HIM WAS KIMBERLEY AND THE DIAMOND MINES, HIS EYES WERE ON EGYPT, AND WHAT HE LACKED WAS POLITICAL CONTROL OF THE GOLD OF JOHANNESBURG.

TO SEIZE THIS, HE HAD JAMESON, VICTORIOUS BY BLUNDER AND MURDER IN MATEBELELAND. JAMESON, ENCOURAGED BY RHODES, LURCHED ON, PREPARED TO MAKE ALLIANCE WITH THE GREEDY UITLANDERS OF JOHANNESBURG, WHO OUTNUMBERED THE BOERS IN NUMBER AND WEALTH BUT NOT IN STUBBORN COURAGE. JAMESON WAS QUICKLY OVERTHROWN. RHODES HAD TO RESIGN FROM THE CAPE COLONY GOVERNMENT AND TURNED TO MEET THE REBELLION OF THE MATEBELE, AND PARLIAMENTARY INVESTIGATION IN LONDON. FIRST HE MUST SAVE RHODESIA, FOR WITH THAT HE WAS SAFE IN

36-9-39

BRITAIN.

BUT THE NEW WAR IN MATEBELELAND WAS BITTER. THE NATIVES NO LONGER RUSHED TO CERTAIN DEATH INTO THE MOUTHS OF MACHINE GUNS. THEY LURKED AND ATTACKED BY SURPRISE. A FIFTH OF THE WHITE TROOPS WERE SOON DEAD AND THE REST WERE HIDING IN THE GUARDED TOWNS. THE COST OF THE WAR TO RHODES' SOUTH AFRICAN COMPANY WAS $30,000 A DAY AND MIGHT REACH $25,000,000. SHARES WERE DROPPING ON THE LONDON MARKET. RHODES HAD TO WIN BY DECEPTION IF NOT BY FORCE. HE DID. HE PROMISED AND CAJOLED THE CHIEFS. HE PROCURED THE ASSASSINATION OF M'LIMO, THE WITCH DOCTOR LEADER. HE PLEADED WITH THE HEAD CHIEF UNTIL HE SAID " IT IS PEACE, MY FATHER". HE PROMISED THE WITHDRAWAL OF THE WHITE POLICE; HE GAVE FOOD. HE GOT PEACE. HE CLIMBED TO THE LOFTY MATOPPO HILLS AND CHOSE HIS GRAVE. THEN HE WENT TO LONDON AND FACED A PARLIAMENTARY INQUIRY, WITH MOST OF AFRICA IN HIS HAND. LITTLE HAPPENED. TOO MANY OF THE GREAT WERE INVOLVED. THE QUEEN AND THE PRIME MINISTER IN ADDITION TO THE GERMAN KAISER TOOK HIS SIDE, AND EVEN THE CULPRIT JAMESON WAS

YET MUCH OF WHAT HE HAD DONE LIES IN SOUTH AFRICA TODAY, WHEN THE LATEST BOER PRESIDENT, MALAN, USES THE CAPITAL OF ENGLAND AND AMERICA TO KEEP IN SERFDOM NINE MILLION WORKERS.

BUT FOR THE THREAT OF GERMANY, ENGLAND OWNED AFRICA FROM THE CAPE OF GOOD HOPE TO CAIRO. BUT THE GERMANS WERE INSISTENT. THEY SEIZED AND KILLED 50,000 HERREROS IN SOUTH WEST AFRICA. THEY SLAUGHTERED 20,000 MAJIMAJI IN THEIR NEW COLONY OF EAST AFRICA; AND PROTESTANTS, CATHOLICS AND MOHAMMEDANS STAGED A BLOODY WAR IN UGANDA.

BUT BY THE DAWN OF THE 20TH CENTURY, ALL SEEMED CLEAR. ENGLAND WAS RICH AND POWERFUL; FRANCE LESS POWERFUL BUT VERY RICH. AND IN BOTH CASES THEIR WEALTH HAD SPRUNG FROM WAR, MURDER AND THEFT IN ASIA AND AFRICA. BUT THE DREAM OF CECIL RHODES SEEMED TO

HAVE COME TRUE: THAT WHITE ENGLAND WAS GOING TO RULE THE WORLD, WHEN SUDDENLY THE FLY IN THE OINTMENT APPEARED. GERMANY, WITH HER APPETITE WHETTED BY HER COLONIES IN AFRICA, DEMANDED A LARGER SHARE IN THE EXPLOITATION OF THE WHOLE WORLD, AND THE RESULT WAS THE FIRST WORLD WAR, WHICH ISSUED A NEW ERA OF WAR INTO THE WORLD.

I HAVE TOLD BUT A FRACTION OF THE WHOLE MODERN EXPLOITATION OF AFRICA WHICH WENT ON IN THE 19TH CENTURY. I HAVE NOT TOUCHED NORTH AFRICA OUTSIDE EGYPT. MINORITY GROUPS IN AMERICA

BY

W. E. B. DU BOIS

INTEREST IN LIFE DEPENDS UPON VARIETY AND CHANGE. HOWEVER IN CONCRETE CASES, TOO GREAT VARIETY, OR SUDDEN AND FUNDAMENTAL CHANGE GIVES RISE TO FEAR. FEAR OF A GENERAL SORT, BECAUSE WE DO NOT LIKE TO SEE GREAT DIFFERENCES OR BE COMPELLED TO EXPERIENCE CHANGE; BUT ALSO AND FUNDAMENTALLY BECAUSE OUR OWN CONDITIONS OF LIFE MAY BE ~~CHANGED~~ OR WORSENED, IF THE EVEN PATTERN OF OUR CONDUCT AND THE WAY OF OUR DAILY LIFE IS CHANGED.

SO THAT IN EVERY COMMUNITY CONTINUALLY THERE ARISE PROBLEMS OF MINORITIES THAT IS OF LARGER OR SMALLER GROUPS WHICH DIFFER FROM THE GENERAL NORMS OR IDEALS OF THE PREPONDERANT MASS. THESE DIFFERENCES MAY BE PHYSICAL, INCLUDING COLOR OF SKIN AND TECTURE OF HAIR, HEIGHT, WEIGHT AND PROPORTIONS OF LIMBS. THEY MAY BE CULTURAL, INCLUDING LANGUAGE AND DIALECTS, RELIGIOUS BELIEF AND CUSTOMARY WAYS OF DEALING WITH PROBLEMS OF LIFE. THEY MAY BE

36-10-114

ECONOMIC, DEPENDING ON INCOME AND WORK. WE RECOGNIZE HERE THE PROBLEM OF THE NEGRO AND INDIAN IN THE UNITED STATES: THE PROBLEM OF JEWS, CATHOLICS, QUAKERS AND THE PROBLEM OF CAPITALISM, SOCIALISM, COMMUNISM: ~~OF COOPERATIVES AND COMMUNITIES.~~

36-10-115

THERE ARE ~~DIVISIONS AND~~ SPLINTER PROBLEMS ARISING FROM THE DIVISIONS IN THESE GROUPS; NATIVE AND FOREIGN-BORN; ENGLISH, IRISH, GERMANS; SCANDINAVIANS: SLAVS AND ORIENTALS. IF HUMAN BEINGS HAVE ANY KIND OF FREEDOM OF THOUGHT OR IF THEY HAVE THE LIBERTY TO LOOK UPON THE WORLD AND THEIR FELLOW BEINGS, NO ONE OF COURSE EXPECTS THAT THEY ARE GOING ALWAYS TO AGREE. IN ALL OUR THINKING WE CONTEMPLATE DIFFERENCES; MINORITIES IN OPINION AND CONDUCT; MINORITIES IN APPEARANCE. AND YET UNLESS WE ARE WATCHFUL WE ARE CONTINUALLY ASSUMMING THAT IF ANY PART OF THE COMMUNITY DOES NOT AGREE WITH OR CORRESPOND TO THE LARGER PART; DOES NOT LOOK LIKE MOST FOLK; DOES NOT BELIEVE

AND ACT AS MOST PEOPLE ACT:/ THAT THERE MUST BE SOMETHING FUNDAMENTALLY WRONG ABOUT THEM:/ AND NOT SIMPLY WRONG/BUT SOMETHING WHICH THREATENS THE REST.

ON THE OTHER HAND,/ AND IN TRUTH,/ WHAT A COMMUNITY, A NATION AND THE WORLD NEEDS,/ IS WIDE VARIETY OF THOUGHT,/ BELIEF AND ACTION / AND EVEN OF LOOKS,/ SO THAT OUT OF THE CONTRAST OF SUCH DIFFERENCES/ WE MAY CHOOSE WHAT IS BEST AND MOST BENEFICIAL,/ OR SEE WHAT IS POSSIBLE,/ OR JUDGE WHAT IS BEAUTIFUL/FOR THE PEOPLE OF EARTH.// WITHOUT THIS, WE ARE BOUND/TO DROP INTO THE DANGER OF COMPLACENT UNIFORMITY.

THERE WAS ONCE A GREAT PHILOSOPHER/WHO TRIED TO EXPRESS THE LOGIC/AND SOLUTION/OF THIS WORLD-WIDE PROBLEM OF DIFFERENCES./ IT WAS HEGEL WHO LAID DOEN THE IDEA/OF THE THESIS,/OF THE STATEMENT AND BELIEF OF TRUTH;// OF THE ANTITHESIS WHICH IMMEIDATELY AROSE--COUNTER*STATEMENT,/ DIFFERNT IDEAS OF TRUTH TO CONTRADICT THE THESIS /AND ACTION BASED ON IT.// AND THEN OUT OF THESE, THE PHILOSOPHER POINTED OUT,/ THAT THERE NOT ONLY MIGHT,/ BUT MUST ARISE THE

SYNTHESIS,/ BY WHICH THE ESSENTIAL CONTRADICTION/WAS OVERCOME AND EXPLAINED BY A UNION/OF WHAT IN BOTH THESIS/AND ANTITHESIS/WAS RIGHT AND BEST/AND ENDURING.// IN THIS WAY HE TAUGHT THAT LIFE/WITH ITS CONTINUAL STRUGGLE, EVEN MOVED/TOWARD HIGHER AND ULTIMATE AGREEMENT. IN THE UNITED STATES WE HAVE HAD THEN WHAT MOST WISE THIKERS/HAVE LOOKED UPON AS AN UNUSUAL ADVANTAGE OF VARIETY.

ALL NATIONS DO NOT HAVE THIS./ IT IS POSSIBLE IN COUNTRIES LIKE SWEDEN, ~~SCANDINAVIA~~,/ IN CERTAIN PARTS OF GERMANY,/ IN North ITALY/ TO HAVE A CERTAIN SAMENESS AND RESEMBLANCE IN POPULATION/WHICH IN THE LONG RUN/ DOES NOT PRESENT TO THE COUNTRY/ THE CHALLENGE OF DIFFERENCE IN LOOKS/ BELIEFS OR CUSTOMS.// BUT IN THE UNITED STATES/FROM THE BEGINNING/WE HAVE HAD EXTRAORDINARY DIFFERENCES IN APPEARANCE/WE HAD RED MEN, AND BLACK/ BROWN, YELLOW AND WHITE.// IN BELIEF WE HAD CATHOLICS/ PROTESTANTS, QUAKERS,/ JEWS AND FREE THINKERS.// AS THE

NATION GREW/ WE HAD THE NATIVE AND THE FOREIGN BORN./ LATER WE HAVE HAD THE SMALLER RACE DIFFERENCES/OF ANGLO-SAXON AND SCANDINAVIANS/ OF IRISH, ~~ENGLISH~~ and ~~OR~~ SLAVS/ OF LATIN AND ~~OF ORIENTALS~~ ASIATICS

AS A RESULT OF THIS/AND NATURALLY/WE HAD TREMENDOUS STRESSES,/STRAINS, PERSECUTIONS/AND EVEN WARS./ NOT ARISING/MIND YOU/FROM THE DIFFERENCES IN THEMSELVES/BUT FROM OUR JUDGMENTS/BASED ON THESE DIFFERENCES:// AND NOT ENTIRELY FROM OUR OWN JUDGMENTS/SO MUCH AS FROM THE JUDGMENTS/WHICH WE CONSCIOUSLY OR UNCONSCIOUSLY/IMITATE AND ACT UPON.// WE KILLED THE RED INDIANS: AND ENSLAVED THE BLACK AFRICANS/IN WAYS THAT MADE LONG AND DIFFICULT RESULTANT PROBLEMS.// WE PERSECUTED CATHOLICS AND JEWS:/ QUAKERS AND BAPTISTS.// PERHAPS OF ALL THESE/IT WAS BLACK SLAVERY/THAT MADE THE GREATEST CHALLENGE TO DEMOCRACY/AND FURNISHED THE MOST STRIKING HISTORY/OF THE EFFECT OF DIFFERENCES ON THE ACTIONS OF MEN// NOT THAT THE ~~MERE~~ DIFFERENCES/BETWEEN WHITE FOLK AND BLACK/WERE IN REALITY GREAT:/THEIR PHYSICAL MEASUREMENTS CORRESPOND:

36-10-118

THEIR SKIN COLOR/WAS A MATTER OF DEGREE ~~AND OF CLIMATE~~:/ THEIR CULTURAL HISTORY WAS SIMILAR.// WE EXAGGERATED THESE DIFFERENCES/ENORMOUSLY, BY TREATMENT:/ BY THE EFFECTS OF POVERTY AND DISEASE:/AND BY FAIRY TALES DRESSED AS SCIENCE,/ WHICH ~~CONTRADICTED~~ veiled THE TRUTH IN VAST AREAS.

FOR 250 YEARS/THE SLAVERY OF NEGROES/CONTRADICTED THE DEMOCRACY WHICH WE SOUGHT TO ESTABLISH.// IT IS ALMOST UNBELIEVABLE THAT THOSE PIONEERS IN 1776/ MEN OF EDUCATION, OF CONSCIENCE/AND OF FORESIGHT/SHOULD STAND/AND LOOKING THE WORLD SQUARELY IN THE FACE/SAY SOLEMNLY:/"WE HOLD THESE TRUTHS TO BE SELF EVIDENT/ THAT ALL MEN ARE CREATED EQUAL/ THAT THEY ARE ENDOWED BY THEIR CREATOR/WITH CERTAIN UNALIENABLE RIGHTS:/THAT AMONG THESE ARE LIFE LIBERTY/AND THE PURSUIT OF HAPPINESS."

Just across yonder river

AT THAT VERY MOMENT/THERE WERE IN THE COLONIES/WHICH BECAME THE UNITED STATES/ 700,000 HUMAN BEINGS/ FORMING MORE THAN A FIFTH OF THE

36-10-120

THREE MILLION INHABITANTS, WHO WERE CHATTEL SLAVES, BOUGHT AND SOLD EXACTLY AS CATTLE, WITH NO RIGHTS OF FAMILY LIFE, OF PROPERTY, OF TRAVEL ~~OR HOME~~ WHICH ANY WHITE MAN WAS BOUND TO RESPECT. EVERY SINGLE MAN WHO VOTED FOR THE DECLARATION OF INDEPENDENCE KNEW THIS TO BE A FACT AND many ~~MOST~~ OF THEM OWNED SUCH SLAVES. THERE WERE IN ADDITION, 50,000 OTHER PERSONS OF NEGRO DESCENT, WHO WHILE ~~THEY WERE~~ NOMINALLY FREE, WERE IN FACT AND IN MOST RESPECTS NEARLY AS BAD off AS THEIR 700,000 FELLOW BEINGS WHO WERE SLAVES. In addition there at least 1 c3000 White found - dead also not free

ONE ASKS HOW WAS IT POSSIBLE THAT THESE MEN COULD HAVE LIED SO UNRESERVEDLY. THE ANSWER IS NATURALLY THEY DID NOT MEAN THAT THIS STATEMENT SHOULD CONTINUE TO BE A LIE. THIS IS A SERIOUS WARNING FOR PERSONS WHO WANT AND INTEND TO BE FAIR AND JUST. ONE IS CONTINUALLY TEMPTED TO CALL TRUTH THAT WHICH THEY HOPE SOME DAY WILL BE TRUTH. MANY OF YOU DO THIS: IN TRAVEL ABROAD, YOU BOAST OF OUR EQUALITY, ~~FREEDOM~~ AND DEMOCRACY IN THE UNITED STATES. IT IS NOT TRUE AND YOU KNOW IT IS NOT: BUT YOU DO FERVENTLY HOPE THAT SOME DAY

7A

36-10-121

IT WILL BE TRUE. WE BOAST ~~ABROAD AND~~ HERE OF JUSTICE AND FREEDOM IN THIS LAND. AND WE ~~NOT~~ HAVE HAD BOTH. BUT WE HAVE LESS TODAY THAN WE ONCE HAD. AMERICANS ARE NOT FREE TODAY TO ~~CHOOSE~~ CHOOSE THEIR OCCUPATIONS. LAST YEAR 25,000 YOUNG AMERICANS APPLIED FOR ENTRANCE INTO MEDICAL SCHOOLS IN ORDER TO BECOME PHYSICIANS. ONLY 6,000 WERE ADMITTED. OTHERS WERE REFUSED ADMITTANCE BECAUSE THEY WERE JEWS, NEGROES, or ITALIANS, OR BECAUSE THEIR PARENTS WERE NOT RICH. HOW MUCH FREEDOM WAS LEFT THESE 19000 rejected STUDENTS. THERE ARE SIMILAR DIFFICULTIES IN ENTERING THE LAW AND OTHER PROFESSIONS. IN LEARNING CERTAIN TRADES. IN pursuing ~~ENTERING~~ ~~BIG~~ BUSINESS Career.

JUSTICE IS TOO OFTEN PERVERTED AND WITHHELD TODAY. INNOCENT MEN HAVE BEEN CONVICTED OF CRIME OR PREVENTED FROM EARNING A LIVING BY UNPROVEN SEARING. ABOVE ALL YOU KNOW ONLY TOO WELL HOW ~~INNOCENT~~ MEN in New Jersey CAN BE ARRESTED AND HELD INDEFINITELY IN JAIL WHEN THEIR INNOCENCE seems CLEAR TO ~~HELL~~. I OFTEN SHUDDER TO THINK HOW MANY INNOCENT PERSONS in America ARE IN CONFINEMENT TODAY BECAUSE THEY ARE BLACK OR POOR. OR BECAUSE THEY HONESTLY BELIEVE THIS LAND CAN BE BETTERED BY POLITICAL ACTION. IT IS FANTASTIC TO TRY TODAY TO MAKE BELIEF IN SOCIALISM or Communism A CRIME IN ITSELF.

REALIZING THEN THE GLARING IMPERFECTIONS OF THIS LAND THERE IS DANGER IN LYING ABOUT ~~THEM~~. them Therefore

~~Communist~~ not officially friends or followers

~~IT WILL BE TRUE// BUT THERE LIES DANGER.~~/ DANGER FROM THE LYING HABIT/AND MORE DANGER/FROM THE LULL TO SLEEP/AND EXCUSE FOR INACTION// SLAVERY DID DISAPPEAR FROM THIS LAND,/AS WASHINGTON, JEFFERSON AND FRANKLIN HOPED/BUT IT TOOK 87 YEARS/FOR IT TO START/AND EVEN TODAY, 150 YEARS AFTER/THE PROcess IS NOT FINISHED.//THE FATHERS MEANT THEN/THAT DESPITE THE FACT OF SLAVERY,/SLAVERY MUST AND WOULD DISAPPEAR./ BUT THE DIFFICULTY WAS/THAT UPON THIS LIE/WAS GRADUALLY BUILT/FOR THE NEXT 45 YEARS/AN ORGANIZATION,/ THE COTTON KINGDOM/OUT OF WHICH/LARGE AND LARGER NUMBERS OF PEOPLE/RECEIVED INCOME/AND WHICH BECAME INEXTRICABLY INTERTWINED/WITH THE INDUSTRIAL ORGANIZATION OF THE AGE.

36-10-122

THERE IS NO QUESTION/BUT THAT THE NEGRO SLAVES/OF THE LATER 18th CENTURY HAD ALREADY BECOME/THE EFFICIENT CAUSE OF THE INDUSTRIAL WORLD REVOLUTION / AND THE BASIS OF THAT CAPITALISM/AND COLONIAL IMPERIALISM/WHICH DOMINATED THE 19th CENTURY/AND PLUNGED THE 20TH CENTURY INTO TWO WORLD WARS.

36-10-123

THERE IS NOT IN THE HISTORY OF HUMAN BEINGS/A MORE CLEAR AND DEFINITE WARNING/AGAINST THE TOLERANCE OF KNOWN ERROR/THAN THE HISTORY OF BLACK SLAVERY IN THE UNITED STATES.//TODAY WE STILL FEEL THE EFFECTS OF ~~THAT,~~ of it, ~~/BUT WE ARE BEGINNING TO EMERGE.~~// THIS TREATMENT OF NEGROES,/CAUSED OTHER MINORITY PROBLEMS IN THIS LAND./ ANYONE WHO MIGRATED TO THE UNITED STATES,/ NO MATTER FROM WHAT ANTECEDENTS AND TRAINING,/NO SOONER ~~DID HE~~ LANDED IN THIS COUNTRY, AND BECAME ACQUAINTED/WITH THE ATTITUDE OF MOST AMERICANS TOWARD NEGROES,/ EITHER ~~HE~~ DID AS THEY DID/OR LOST SOCIAL STANDING// OR WHAT WAS WORSE, NEVER GAINED IT. JEWS, QUAKERS, CATHOLICS,/ ENGLISH, FRENCH AND GERMANS/BECAME SLAVE OWNERS; EVEN CERTAIN FREE NEGROES/OWNED SLAVES/AND MANY INDIANS.

THIS WAS A SERIOUS MATTER.//PERHAPS A MAN HAD BROKEN LIFE TIES,/ PERHAPS HE KNEW WHAT IT WAS/TO BE DESPISED AND REJECTED OF MEN./ HE COMES TO A COUNTRY WHERE HE IS PLEASANTLY RECEIVED,/ WHERE HE HAS CHANCES/SUCH AS HE HAS NEVER HAD BEFORE/AND HIS FIRST EFFORT/IS TO CONFORM AND CONFORM COMPLETELY.// WHEN

36-10-124

HE FINDS THAT AMERICANS HATE NEGROES, HE HATES THEM. // SOME OF THE WORST TREATMENT WHICH I HAVE RECEIVED IN THE UNITED STATES AS A NEGRO, HAS BEEN TREATMENT FROM PEOPLE WHO THEMSELVES KNOW WHAT PREJUDICE IS. // THE YOUNG IRISH AND GERMAN FACTORY HANDS IN MY BIRTH PLACE IN WESTERN MASSACHUSETTS WHO CAME IN AS POVERTY STRICKEN ~~FACTORY HANDS~~ IRISHMEN CALLED ME NAMES AND THREW STONES AT ME AND TRIED SO FAR AS ~~THEY COULD~~ TO ~~TREAT ME AS~~ AN OUTCAST, SIMPLY BECAUSE THEY THOUGHT IN THAT WAY. THEY WERE DOING WHAT MOST AMERICANS DID.

WHEN I WENT BEFORE A COMMITTEE ON THE ATLANTA, GEORGIA PUBLIC LIBRARY, WHERE NO NEGRO WAS ADMITTED, AND WHERE I COULD NOT BORROW BOOKS WHICH I MYSELF HAD WRITTEN, ~~AND WHEN~~ I SAT DOWN BEFORE THAT COMMITTEE AND DEMANDED MY RIGHTS AS AN AMERICAN CITIZEN, THE CHAIRMAN ~~OF THE COMMITTEE~~, A JEW, WAS THE MOST INSULTING OF ALL THE MEMBERS ON THE COMMITTEE. // IT WAS TEN YEARS BEFORE THE NEGROES GOT A RIGHT EVEN TO A SEGREGATED SMALLER AND CHEAPER of Atlanta

LIBRARY. // MEANTIME GEORGIA HAD LYNCHED A JEW. // IT IS AS I HAVE SAID, UNDERSTANDABLE WHY NEWCOMERS TO A NATION LIKE THIS FOLLOW THE HERD AND CONFORM TO THE CURRENT STANDARDS OF RESPECTABILITY. UNDERSTANDABLE BUT NOT DEFENSIBLE ~~BUT~~ NOT ONLY IN ~~THEIR~~ Dutch CASE, BUT IN OTHER CASES THERE ARE EVEN STRONGER REASONS FOR JOINING IN THE OPPRESSION OF MINORITIES AND ~~THEY~~ these reasons DEPEND IN LARGE MEASURE UPON ~~THOSE~~ THE SAME CAUSES WHICH LAY BENEATH THE AFRICAN SLAVE TRADE AND SLAVERY IN THE UNITED STATES, AND THAT IS INCOME: Property

I NEED HARDLY DWELL ~~NO~~ ON OTHER CASES OF MINORITY OPPRESSION IN THIS LAND // RELIGIOUS OPPRESSION HAS BEEN LONG AND WIDE-SPREAD. INDEED IT HAS NOT YET ENTIRELY ENDED. ROGER WILLIAMS AND HIS FOLLOWERS WERE PERSECUTED NOT SIMPLY FOR BEING BAPTISTS BUT FOR THE GREATER CRIME OF DECLARING THAT THE PURITANS SHOULD NOT STEAL LAND FROM THE INDIANS. HE AND HIS FOLLOWERS WERE DRIVEN INTO THE WILDERNESS. of R.I.

THE QUAKERS WERE PERSECUTED IN NEARLY ALL THE COLONIES: FOUR WERE HANGED

ON BOSTON COMMON IN 1661/AND ONE WHIPPED TO DEATH IN VIRGINIA./~~SOME OF THEM HELD SLAVES/BUT GRADUALLY FREED THEM/AND MANY MOVED WEST TO LAND/MADE FREE BY THE NORTHWEST ORDINANCE.~~

(altho' on a smaller scale)

THE TREATMENT OF THE INDIANS/IS PERHAPS EVEN MORE SHAMEFUL THAN THE STORY OF THE NEGRO./ MOST OF THOSE IN THE WEST INDIES ISLANDS/WERE ENSLAVED, WORKED TO DEATH/AND REPLACED BY NEGROES.// IN THE CONTINENTAL UNITED STATES / THEY OFFERED ORGANIZED RESISTANCE/WITH THE RESULT THAT THEY WERE DECIMATED BY WARS,/ HAD THEIR LANDS STOLEN/AND WERE ENSLAVED OR DRIVEN WEST/TO RESERVATIONS WHERE THEY WERE EXPLOITED OR NEGLECTED.// UNTIL RECENTLY THEY WERE NEITHER FOREIGNERS/NOR CITIZENS ON THEIR NATIVE SOIL.// IN CENTRAL AND SOUTH AMERICA / THEY FORM THE LOWEST PAID CLASS OF EXPLOITED LABOR. ~~WHILE IN THE UNITED STATES SOME EFFORT IS BEING MADE/TO RAISE THEM TO CITIZENSHIP AND GIVE THEM ECONOMIC STANDING.~~

AMONG WHITE INHABITANTS/THERE HAVE ARISEN BITTER HATREDS AND RIVALRY.// IN NEW ENGLAND/THE HATRED BETWEEN THE ENGLISH AND IRISH/CONTINUED TO OUR DAY/ENHANCED FOR MANY YEARS/BY PURITAN OPPOSITION TO THE CATHOLICS./ THIS STILL LIES AT THE BASIS OF POLITICS/IN ~~THIS PART OF OUR LAND.~~ the Northeast.

THERE WAS PERSECUTION OF JEWS/IN EARLY AMERICA,/ BUT THIS DID NOT RISE AT FIRST TO THE PROPORTIONS OF A NATIONAL MENACE./ ALTHOUGH THERE WAS (in the 20th century) INCREASING REFUSAL OF CIVIL RIGHTS/IN DOMICILE, HOME-BUYING, USE OF HOTELS/AND SOCIAL TREATMENT. WITH THE ARRIVAL OF JEWS FROM EASTERN EUROPE/THIS DISCRIMINATION INCREASED / SINCE THESE IMMIGRANTS,/ IN CONTRAST TO SPANISH AND GERMAN JEWS,/WERE OF LOWER ECONOMIC STATUS,/ WITH MORE PRONOUNCED RELIGIOUS ORTHODOXY.// AFTER THE FIRST WORLD WAR CAME THE INCIDENT/OF THE FORGED PROTOCOLS OF ZION/AND THE CRUSADE OF HENRY FORD.

IN THE CASE OF THE SLAVS/ AND GERMANS AND SCANDINAVIANS/ IN THE middle WEST/ AND THE CHINESE AND JAPANESE/ IN THE FAR WEST/ THERE AROSE BITTER ECONOMIC RIVALRY FOR JOBS,/ This CULMINATING IN VIOLENCE AND LEGISLATION/ IN THE CASE OF THE ORIENTALS ON THE PACIFIC COAST,/ AND THE DISGRACEFUL TREATMENT OF JAPANESE DURING THE SECOND WORLD WAR.// IN THESE CASES/ A GENERAL PATTERN EMERGES,/ AND THAT IS THE ECONOMIC BASE/ UPON WHICH RACE, RELIGIOUS AND GROUP ANIMOSITIES/ ARE ALL INCREASINGLY BASED// This FORMS ANOTHER PROBLEM,/ JUST AS LARGE, JUST AS DIFFICULT/ AS ANY PREVIOUS GROUP PROBLEM/ AND LEADING AND PROBABLY WILL CONTINUE TO LEAD/ TO TREMENDOUS IF NOT FATAL DIFFERENCES OF OPINION.// AND THAT IS THE SERIES OF QUESTIONS/ WHICH WE CALL ROUGHLY: CAPITALISM, SOCIALISM AND COMMUNISM.// THEY HAVE TO DO WITH THE WORLD ORGNIZATION OF WORK./ NO MATTER HOW MUCH WE MAY PRAISE AND ADMIRE/ THE WAY IN WHICH THE WORK OF MAN/ HAS BEEN ORGANIZED/ DURING THE 19TH CENTURY,/ THE TRIUMPH OF TECHNIQUE IN MANFACTURE/

IT DOES NOT MAKE ANY DIFFERENCE THEREFORE/ HOW PROUD AND COMPLACENT WE MAY BE/ OVER THE ACCOMPLISHMENTS OF ORGANIZED INDUSTRY,/ WE CANNOT FOR A MOMENT GAINSAY/ THAT THE MAJORITY OF THE PEOPLE OF THE WORLD/ HAVE A RIGHT TO ASK FOR CHANGE/ AND FUNDAMENTAL CHANGE/ IN THE ORGANIZATION OF INDUSTRY.

JUST WHAT THIS CHANGE/ WILL BE AND CAN BE/ IS A MATTER OF GREAT DIFFERENCE OF OPINION/ AND OUGHT TO BE.// BUT IT IS NOT A MATTER for SUPPRESSION OF OPINION/ IT IS NOT THE KIND OF DIFFERENCE/ THAT CALLS FOR SECRET ~~FAITH~~ POLICE, UNJUST PERSECUTION AND WITCH-HUNTING.// THERE ARE MANY ARGUMENTS/ WHICH SOCIALISTS MAY

BRING FORWARD/ TO PROVE THAT THE CAPITALISTIC ORGANIZATION OF INDUSTRY/ IS FUNDAMENTALLY WRONG AND CONTRADICTORY.// THE EXTREME SOCIALISTS,/ CALLED COMMUNISTS,/ can ADD TO THIS INDICTMENT.// AND ON THE OTHER HAND,/ THE CAPITALISTS HAVE A RIGHT TO BOAST./ NOT THAT THEY HAVE MADE A PERFECT WORLD/ BUT THAT MORE PEOPLE/ ~~GET BETTER SUPPORT~~/ than they did a hundred or two hundred years ago/ ~~WHICH PROVES/ NOT SO MUCH OUR PROGRESS/ AS THEIR DEGRADATION~~.

36-10-130

NEVERTHELESS/ IF OUT OF THIS THESIS AND ANTITHESIS/ THERE IS TO COME THE SYNTHESIS/ OF THE PROGRESS AND WELFARE OF THE MAJORITY OF MEN/ WHAT WE NEED IS NOT LESS DISCUSSION,/ BUT ~~RATHER~~ MORE:/ AND MORE CAREFUL COMPARISON/ OF IDEAS AND FACTS.// THE REASONS ~~NOW~~ WHY THIS IS NOT CLEAR/ TO ALL MEN/ AND WHY WE ARE NOT TODAY/ IN EAGER COMPETITION TO DISCUSS/ ALL SIDES OF THIS QUESTION/ INSTEAD OF SCARING MOST PEOPLE/ INTO A POSITION WHERE THEY DARE NOT OPEN THEIR MOUTHS/ or even listen to

THE UNITED STATES/ HAS PROSPERED ON CHEAP LABOR/ THE LABOR OF NEGROES, OF ITALIANS, OF SLAVS, OF INDIANS./ AND IF THE LEVEL OF INCOME IS GOING TO BE MAINTAINED/ AND ITS DISTRIBUTION ~~GOING TO~~ NOW GIVES A PARTICULAR MAN,/ A LARGE AND COMFORTABLE SHARE,/ HE RATHER NATURALLY/ IS GOING TO BE AMONG THE LAST/ WHO WOULD OPPOSE UNREGULATED IMMIGRATION,/ OR ADVOCATE THE EDUCATION OF ~~CHEAP~~ POOR WORKERS,/ ABOVE THEIR STATUS,/ OR A TAX ON THE INCOME OF THE RICH/ IN ORDER TO INCREASE THE INCOME OF THE POOR.

36-10-133

THERE ARE ALWAYS PEOPLE AND LARGE NUMBERS OF PEOPLE WHO OPPOSE THE CURRENT TREATMENT OF VARIOUS MINORITIES. THEIR INSTINCTIVE REACTIONS ARE USUALLY NEGATIVE. THEY DO NOT HELP IN THE OPPRESSION: THEY DID NOT OWN SLAVES / THEY DO NOT HIRE THE CHEAPEST LABOR OR TREAT IT IN THE WORST WAY. WHEN OTHER PEOPLE MAKE OUT-CRY AGAINST NEGROES, JEWS, ITALIANS, SLAVES, FOREIGNERS: / AGAINST PERSONS WHO DO NOT BELONG TO THEIR CHURCH, THESE PERSONS ARE SILENT. AND THIS SILENCE HAS INFLUENCE. BUT IT IS NOT ENOUGH.

Wrongfully accused

WHAT IS CALLED FOR IN EVERY ORGANIZED STATE, IS POSITIVE ACTION ON THE PART OF PEOPLE OF GOOD WILL, AGAINST INJUSTICE. EITHER INJUSTICE AGAINST INDIVIDUALS OR INJUSTICE AGAINST MINORITY GROUPS. ~~THE~~ not silence but DEFENSE, FOR INSTANCE, OF MINORITY BY MINORITY: THE DEFENSE OF NEGROES BY JEWS, OR ~~THE~~ ~~DEFENSE~~ OF JEWS BY NEGROES. THE DEFENSE OF FOREIGNERS BY NATIVES. ~~ALL THAT~~ Such action INVOLVES DIFFICULTY AND THE DANGER OF BRINGING UPON THE MINORITY WHICH IS

36-10-134

TRYING TO SECURE GREATER JUSTICE, SOME IF NOT ALL OF THE DISTASTE AND ATTACK / WHICH THEY ARE TRYING TO GET RID OF IN THE CASE OF OTHER GROUPS. ~~IT~~ This UNDOUBTEDLY MAKES PEOPLE PAUSE: IT MAKES LARGE NUMBERS OF PEOPLE OF GOOD WILL SAY: "I AM SORRY FOR THIS SITUATION, BUT AFTER ALL I AM NOT RESPONSIBLE FOR IT, / AND I AM NOT GOING TO DO ANYTHING ABOUT IT. IN THE FIRST PLACE, I DON'T THINK I CAN DO ANYTHING IMPORTANT AND EVEN IF I CAN ITS GOING TO COST ME MORE THAN I AND MY FAMILY CAN AFFORD."

THIS ATTITUDE, NO MATTER HOW UNDERSTANDABLE IS UNJUSTIFIABLE: SIMPLY BECAUSE WE, ALL OF US, BELONG TO SOME MINORITY. IN CASES LIKE MYSELF AND SOME OF YOU, THE MINORITY TO WHICH WE BELONG IS FIXED AND PRACTICALLY UNCHANGABLE. IN THE CASE OF OTHERS, ADHERANCE MAY CHANGE FROM THIS TO THAT MINORITY IN THOUGHT AND ACTION.

THERE MUST BE BUILT UP/ ON CIVILIZED COMMUNITIES/ THE IDEA OF TOLERANCE/ NOT ONLY TOLERANCE FOR ANY MINORITY/ WHICH IS BEING UNJSTLY TREATED/ BUT TOLERANCE TOWARD AN ATTITUDE/ WHICH YOU THINK IS ~~GOING TO BE~~ EVIL./ A TOLERANCE WHICH SAYS/ YOU HAVE GOT TO LISTEN TO THE OTHER MAN/ BECAUSE THAT IS THE FUNDAMENTAL TENET OF DEMOCRACY.

DEMOCRACY MEANS/ THAT WHAT YOU DO NOT BELIEVE IN/ HAS A RIGHT TO EXPRESS ITSELF./ ~~HOW FAR IT HAS A RIGHT TO ACTION/ DEPENDS~~ OF COURSE UPON FACT./ THERE COME/ WITHOUT DOUBT/ CASES WHERE THE BELIEF OF SOME MINORITY/ LEADS TO ACTIONS/ WHICH ~~MAY BE DETRIMENTAL TO THE STATE.~~ are illegal/ IN WHICH CASE YOU ARE ~~COMPELLED TO USE FORCE:~~ justified in using/ THE FORCE OF PUBLIC OPINION/ AND EVEN OF THE POLICE/ against ~~crime~~ illegal actions, but not against the belief.

~~TO STOP CERTAIN ACTIONS.~~ // ~~BUT THIS IS ALWAYS THE LAST RESORT/ AND NOT THE FIRST.~~ IT IS NO EXCUSE FOR POLICE ACTION/ TO SAY THAT SOMETHING WRONG MAY HAPPEN./ POLICE ACTION/ COMES WHEN SOMETHING illegal ~~WRONG~~ DOES HAPPEN./ THE BURDEN OF PROOF LIES UPON THE MAN/ WHO STOPS THOUGHT AND EXPRESSION/ ~~AND NOT UPON THE MAN~~ WHO CALLS THE POLICE/ WHENEVER ANYTHING IS EXPRESSED,/ WHICH HE DOES NOT LIKE OR FEARS./ UPON THIS TOLERANCE OF MINORITY OPINION AND ACTION/ LIES THE HOPE OF PEACE IN THIS WORLD/ AND NOWHERE ELSE.

WE ARE THREATENED TODAY/ AS NEVER BEFORE IN HUMAN HISTORY/ WITH THE UTTER COLLAPSE OF CIVILIZATION/ BY ORGANIZED WAR/ USING FRIGHTFUL TECHNIQUES AND KILLING NOT SIMPLY SOLDIERS/ BUT old men WOMEN AND CHILDREN. // THERE IS NO GREATER DUTY NOW BEFORE US, THAN TO ESTABLISH PEACE UPON EARTH.

EVERY MINORITY MUST UNDERSTAND THIS/AND REALIZE HOW THEY ARE AFFECTED/AS WELL AS HOW OTHERS SUFFER.

YOU HAD NO CHANCE TO VOTE ON HIROSHIMA AND WAR IN KOREA. DRAFT, GRAFT, HATE AND FEAR WERE THE TRUMAN POLICY. EISENHOWER HAS NOT YET MADE PEACE IN KOREA. HE REMOVED THE FLEET TO EGG ON FORMOSA TO ATTACK CHINA; HE TRIED TO BUY REVOLT IN EASTERN EUROPE FOR $100,000,000 AND BEAT THE DRUMS FURIOUSLY TO GREET IT. HE BOASTED AND BLUFFED FOR WAR IN INDO-CHINA UNTIL YOUR LETTERS SCARED HIM. HIS ADMINISTRATION IS THE SAME THEFT, FEAR AND WITCH-HUNTING AS TRUMAN'S. WHAT CHOICE LIES HERE?

WHAT IS IT THIS NATION WANTS? PEACE, HONESTY, MANNERS, AND ENOUGH TO LIVE ON DECENTLY. WHY CAN WE NOT VOTE THIS PROGRAM INTO TRUTH? WE KNOW PERFECTLY WELL THAT THERE HAS BEEN IN THIS NATION NO PLOT VIOLENTLY TO OVERTHROW OUR GOVERNMENT EXCEPT RECENT DECISIONS OF THE SUPREME COURT. WE KNOW THAT COMMUNISM IS NOT A CONSPIRACY AND COMMUNISTS ARE NOT CRIMINALS. SOME OF THE GREATEST MEN OF OUR ERA HAVE TAUGHT US THIS, LIKE BERNARD SHAW, SIDNEY WEBB AND H.G. WELLS. WE CAN ALWAYS PUNISH REAL CONSPIRACY AND STOP ACTUAL CRIME; BUT WE CANNOT BY YELLING AND SWEARING COMPEL 800 MILLION PEOPLE TO GIVE UP THE KIND OF GOVERNMENT THEY CHOOSE. WHEN THEY WANT CHANGE

THEY'LL TELL US.

WE NEED NOT THINK THAT ASIA BELIEVES AMERICA IS BREAKING ITS HEART WITH LOVE FOR CHINESE. ASIA KNOWS FULL WELL THAT WHAT WE LOVE IS THE KIND OF MONEY HERBERT HOOVER USED TO MAKE ON CHEAP COOLIE LABOR. WE ARE FOOLS TO THINK THAT THE RUSSIAN PEOPLE BELIEVE WE ARE TORN WITH PITY FOR THEM. THEY KNOW WELL THAT WE DON'T CARE A DAMN WHETHER THEY ARE COMMUNISTS OR PRESBYTERIANS IF ONLY WE CAN TREAT THEM AS WE TREAT SOUTH AMERICANS. WHAT WE FEAR IS THAT COMMUNISM MAY SUCCEED IN CONQUERING POVERTY, IGNORANCE AND DISEASE, WHILE OUR WAY OF LIFE FAILS.

WE HAVE GOT TO LIVE IN A WORLD WHICH DOES NOT LIKE US NOR OUR WAYS. SUCH CO-EXISTENCE CALLS FOR MANNERS. YOU CANNOT CALL A MAN A SKUNK AND INVITE HIM TO DINNER. IT MAKES NO SENSE TO HAVE THE "GREATEST SECRETARY OF STATE" IN EISENHOWER'S NOTORIOUSLY POOR MEMORY POUT LIKE A CHILD AT A WORLD CONFERENCE AND REFUSE EVEN TO LOOK AT THE REPRESENTATIVE OF 500 MILLION HUMAN BEINGS.

WE'VE GOT A JOB TO DO AND IT'S RIGHT HERE AND NOT IN EUROPE NOR ASIA. WE HAVE GOT TO STOP STEALING; NOT SIMPLY AMONG CHILDREN BUT BY BIG BUSINESS. EVERY PRESIDENT OF THE UNITED STATES, UNTIL BIG BUSINESS NAMED ITS OWN PRESIDENTS, HAS WARNED US OF THE GROWING POWER OF WEALTH IN MONOPOLIZED INDUSTRY. IT TAXES US UNFAIRLY AND CHEATS US IN COMMERCE. SPYING IS NOT A THREAT TO OUR GOVERNMENT BUT LYING AND STEALING ARE. WE SPEND FABULOUS SUMS ON WAR AND PITTANCES ON EDUCATION, OLD AGE SECURITY, HOUSING, SOCIAL MEDICINE, FLOOD CONTROL AND CHEAP TRANSPORTATION. WITH THE COOPERATION OF THEIR OWN LEADERS WE ARE TRYING TO RUIN TRADE UNIONS.

WHAT WE WANT IS PEACE AND HONESTY AND A DECENT LIFE. THIS WE MUST HAVE OR PERISH. WHY DON'T WE CHOOSE TO GET IT AND BY DEMOCRATIC METHODS? BECAUSE OUR ELECTIONS ARE NOT FREE; WE HAVE NO REAL CHOICE.

BUT IS THIS TRUE? ARE AMERICANS THUS REDUCED TO IMPOTENCE? HAVEN'T WE GOT THE GUTS TO INSIST ON THE RIGHT TO CHOOSE BETWEEN TRUEISENHOWERISM AND PROGRESS, EVEN IF WE DARE NOT VOTE FOR IT? CAN WE NOT COMPEL OHIO AND ILLINOIS TO LIST PROGRESSIVE

ROSENBERG RALLY

I know what it is to stand accused before my fellowmen of a crime of which I knew I was absolutely innocent and yet coerced to prove this innocence. Such proof was impossible. One cannot prove a negative. One cannot prove what one did not do. It is difficult enough to prove a deed you know and admit you did.

Yet I was quite aware that the prosecution was perfectly able and possibly willing to confront me with spies and liars ready to swear me into five years' imprisonment. It is this awful aspect of our criminal procedure which is killing American belief in Justice and doing more harm to our moral fibre than a century of Communist or any other propaganda could possibly do.

26-11-106

When we see Willie McGee hanged for an alleged crime which no sane personcan possibly believe he committed; when Collis English is refused medical attention by the State because a police force demands a victim for its own negligence and falsehood, then every real criminal sneers, "What is the use of honesty?" And every murderer asks, "What is guilt but getting caught, or innocence but good luck?"

There are good and honest citizens who think that accusation and conviction by a court is in a sense proof of the truth of any accusation. There have been times in history when this was often true, but it was never wholly true, and this is unfortunately a time when deliberate and mass hysteria must make every man refuse to accept accusation as guilt, especially when there is absolutely no direct proof adduced for monstrous charges of wrong. We must not only withhold our belief but make every effort to see that unproven charges are met. Unless this is done the main objects of the courts fail. The question in every case is not what the charge is but IS the victim guilty and how is this proven? Unless it is proven the victim should be as free as though never accused.

Here at last in the case of Julius and Ethel Rosenberg we reach the zenith of deliberate injustice. We are set to kill a mother and father and orphan their little children because we think that they believe in social remedies for evident ills which many others do not believe. This is the main charge. We offer witnesses immunity from punishment for their confessed crimes if they swear to deeds which these workers had clearly no opportunity to perform; and we use perjurers to say the Rosenbergs gave to the Soviet Union information which the Rosenbergs never possessed. We promise them pardon if they will betray persons they never knew and give information they never had.

36-11-102

This awful crime we threaten to commit in order to protect a nation which thinks it needs this sacrifice of blood to save its soul. Such a soul is not worth saving. Such a sacrifice can be demanded of the chosen of God only by the triumphant hosts of Hell.

It is the nation itself which today should be asking pardon of the Rosenbergs rather than they and their friends should be begging for that justice which is the right of every citizen. Nevertheless, if humble petition before entrenched power is the price to be paid for the freedom of this unjustly accused couple, we bow willingly and eagerly to beg it, and to pray that never again shall innocent Americans be made to suffer as the Rosenbergs suffer today!

KENYA

IN EAST CENTRAL AFRICA, DIRECTLY SOUTH OF ETHIOPIA AND EAST OF THE GREAT CONGO VALLEY LIES THE BRITISH CROWN COLONY AND PROTECTORATE OF KENYA, A LITTLE LARGER THAN FRANCE, WITH 40,000 EUROPEANS, 100,000 EAST INDIANS AND 5,000,000 AFRICANS. THE PHYSIOGRAPHY OF KENYA IS PECULIAR. IT IS AN ISLAND OF MOUNTAIN AND HIGH PLATEAU, SET IN THE MIDST OF A VAST DESERT. THE DESERT CUTS KENYA OFF FROM ETHIOPIA AND THE SUDAN TO THE NORTH, THE INDIAN OCEAN TO THE EAST AND TANGANYIKA TO THE SOUTH. THROUGH THE WEST RUN THE GREAT RIFT VALLEYS, SLOPING DOWN TO SWAMPS NEAR LAKE VICTORIA.

THROUGH UPHEAVAL OF EATH'S STRATA WEST OF KENYA MOUNTAIN AND CUTTING ITS FOOTHILLS OFF FROM THE SUDAN AND FROM THE GREAT VALLEY OF THE CONGO OCCURS THE ONE GEOGRAPHICAL FEATURE OF OUR WORLD THAT COULD BE SEEN FROM THE MOON WERE THERE EYES THERE TO SEE. AND THAT IS THE GREAT RIFT, WHICH IS A VAST SERIES OF CRACKS IN THE SURFACE OF THE EARTH, STRETCHING FOR THE DEAD SEA THROUGH THE RED SEA AND DOWN

56-11-120

-2-

TO THE FISSURES WHERE LURK THE DEEPEST LAKES OF THE WORLD WHICH FEED THE HISTORIC NILE AND SOUTHWARD TO THE GREAT ZAMBESI RIVER. FROM THIS FANTASTIC REALM BEFORE THE DESERT CAME THE ANCIENT BLACK MEN WHO FOR MANY THOUSAND YEARS ROLLED DOWN THE VALLEY OF THE NILE, AND MEETING OTHER HUMAN STREAMS WHICH FLOWED FROM THE HEIGHTS OF ETHIOPIA AND ARABIA, FORMED THE EGYPTIAN EMPIRE WITH ITS TEN THOUSAND YEARS OF RECORDED HISTORY. AS THE SAHARA DESERT CLOSED IN UPON THIS AREA, IT CUT OFF EGYPT FROM THE SOUTH, AND ISOLATED THE PLATEAU OF KENYA.

TO THE NORTH ARABIA AND BLACK WEST AFRICA UNITED IN THE NEW KINGDOMS AND EMPIRES OF THE SUDAN, WHILE STREAMS OF DISPLACED TRIBES FLOATED SOUTH, DRIVING THEIR HERDS BEFORE THEM. KINGDOMS AND CULTURES ROSE AND FELL: THE MELLESTINE AND THE SONGHAY: HAUSSA AND BORNU-KANEM IN THE WEST; THE KITWARA AND MVATO YAMVO, THE BUSHONGO AND THE ZENG IN THE SOUTH; ZYMBABWE AND THE BANTU NATIONS IN THE FAR SOUTH ABOVE THE CAPE OF GOOD HOPE.

IF WE KNEW THE HISTORY OF THE DESERT WE MIGHT TRACE AND DISTINGUISH

THESE VARIOUS NATIONS; BUT NOW WE CAN ONLY SKETCH THE PAST.

WE FIND EARLY IN THE NINETEENTH CENTURY, THE ETHIOPIAN EMPIRE SHUT U. IN ITS MOUNTAINS. BEYOND THE DESERT TOWARD THE INTERIOR WAS THE HIGHLY DEVELOPED KINGDOM OF UGANDA, WHICH ATTRACTED THE MOHAMMEDANS FROM THE NORTH, THE FRENCH CATHOLICS FROM THE WEST, AND THE ENGLISH PROTESTANTS FROM THE EAST. GIBBON TELLS US THAT THE EMPEROR AUGUSTUS CONCEIVED OF AN EMPIRE WITH UNIVERSAL CITIZENSHIP AND THAT HE SUCCEEDED SO WELL THAT AT THE HEIGHT OF THE POWER OF THE ROMAN EMPIRE, ITS SUBJECTS WERE HAPPIER AND MORE PROSPEROUS THAN IN ANY EARLIER SOCIETY. THERE WAS IN THE ROMAN EMPIRE OF HIS DAY NO RACE FEELING, AND THE HIGHEST POSTS WERE OPEN TO THE SONS OF MEN QUITE AS BACKWARD AS ANY AFRICAN TODAY.

IN THE BRITISH EMPIRE THE CRUSADES INCREASED RESPECT FOR ASIATICS AND AFRICANS SO THAT OTHELLO COULD BE A GREAT HERO DESPITE HIS COLOR, AND MARRY A LADY OF HIGH SOCIAL STATUS, AND SALADIN COULD ASPIRE TO THE HAND OF AN ENGLISH PRINCESS.

EVEN DURING THE AFRICAN SLAVE TRADE, WHICH ENGLAND MORE THAN ANY OTHER

36-11-121

COUNTRY PROMOTED, THERE WAS LESS COLOR PREJUDICE IN ENGLAND THAN LATER AFTER THE ABOLITION OF THE SLAVE TRADE AND THE RISE OF COLONIAL IMPERIALISM. AND THIS NEW RACE PREJUDICE WAS BORN IN EAST AFRICA. THE ARABS APPEARED FIRST ON THE EAST AFRICAN COAST, AND TOGETHER WITH NEGROES FROM THE CONGO, PROMOTED THE PROFITABLE INDIAN TRADE. THEN CAME THE PORTUGESE, AND FINALLY OTHER EUROPEAN NATIONS BEGAN TO PRESS IN, UNTIL IN THE 19TH CENTURY THE BRITISH APPEARED.

THE COMING OF THE BRITISH MARKED THE BEGINNING OF A NEW ORIENTATION OF INDUSTRY AND TRADE IN THE WORLD WHICH WE KNOW AS COLONIAL IMPERIALISM. THIS SUPERCEDED THE COLONIAL ENTERPRISE OVERSEAS WITH THE SLAVE TRADE WHICH CHARACTERIZED THE 16th AND 17th CENTURIES AND LASTED UNTIL THE LATE 19th.

HERE BLACK LABOR WAS TRANSPORTED TO AMERICA, AND SUGAR, COTTON, AND OTHER COMMODITIES RAISED FOR IMPORT TO EUROPE. BUT INCREASING SLAVE REVOLTS, DIFFICULTIES OF SECURING A SUFFICIENT SUPPLY OF SLAVES, TOGETHER WITH COMPETITION FROM SOUTH AMERICA, REDUCED THE PROFIT FROM COLONIAL ENTERPRISE, WHILE POLITICAL CONTROL

IN ASIA POINTED TO NEW METHODS OF PROFIT WITHOUT THE COST OF A SLAVE TRADE. A TRANSFER OF CAPITAL INVESTMENT FROM AMERICAN PLANTATIONS BEGAN, WHICH GAVE WORLD PHILANTHROPY A CHANCE TO ATTACK THE SLAVE TRADE. EXPLORERS, AND MISSIONARIES BEGAN TO DRAW THE ATTENTION OF INVESTORS TO POLITICAL CONTROL OF PORTIONS OF ASIA AND AFRICA AND THE USE OF COLORED LABOR THERE TO RAISE GOODS IN WORLD DEMAND.

THE INDUSTRIAL REVOLUTION PREPARED EUROPE FOR MANUFACTURE AND TRADE AFTER THE NAPOLEONIC WARS, AND THE PARTITION OF AFRICA AFTER 1875 OPENED THAT CONTINENT TO COLONIAL IMPERIALISM. THE FIRST OBJECT OF BOTH MISSIONARIES AND INVESTORS WAS TO SUPPRESS THE SLAVE TRADE WHICH MOHAMMED ALI HAD PLANTED IN THE SUDAN IN 1820 AND WHICH WAS DEVASTATING EAST AFRICA IN THE EARLY 19TH CENTURY. THE BRITISH THEREFORE APPEARED IN EAST AFRICA AT FIRST TO SUPPRESS THIS SLAVE TRADE FROM AFRICA TO THE EAST AND ALSO TO SOUTH AMERICA AFTER ITS SUPPRESSION TO NORTH AMERICA AND THE WEST INDIES. BECAUSE OF ITS PHYSIOGRAPHY THE SLAVE TRADE DID NOT TOUCH KENYA, BUT KENYA WAS THE PATHWAY TO VALUABLE AND STRATEGIC PARTS OF AFRICA WHICH THE NEW INVESTORS

26-11-12

IN TROPICAL GOODS MUST HAVE.

THE NILE VALLEY THEREFORE BECAME THE COVETED PRIZE OF EGYPT, BRITAIN AND FRANCE, AND UP THAT VALLEY LAY THE WELL-ORGANIZED NEGRO KINGDOM OF UGANDA. THE BRITISH PROTESTANTS, FRENCH CATHOLICS AND ARABIAN MOHAMMEDANS STAGED THERE A CIVIL WAR, OSTENSIBLY FOR THE SOULS OF THE UGANDA BLACKS BUT REALLY FOR CONTROL OF THE LAND AND LABOR OF EAST AFRICA WHICH LAY ON THE ROAD WHICH CECIL RHODES WAS OPENING FROM THE CAPE TO CAIRO. I DO NOT MEAN THAT THE MISSIONARIES WERE CONSCIOUSLY SEIZING THIS LAND BY FORCE, BUT THE FREEBOOTERS LIKE LUGARD USED the MISSIONARY ZEAL OF MEN LIKE LIVINGSTONE TO CLOAK THEIR DESIGN TO ESTABLISH A BRITISH EAST AFRICA. TO REACH UGANDA THE BRITISH BEGAN TO PENETRATE KENYA.

THE FIRST EUROPEAN MISSIONARIES REACHED KENYA IN 1848 AND THE FIRST EXPLORER IN 1883. IN 1888 A CHARTER WAS GRANTED TO THE IMPERIAL BRITISH EAST AFRICA COMPANY, AND TWO YEARS LATER LUGARD REACHED UGANDA AND THE FIGHT FOR UGANDA BEGAN. IN 1895 A BRITISH PROTECTORATE WAS PROCLAIMED OVER EAST AFRICA, AND A RAILWAY WAS

BETWEENTHE HIGHLANDS AND THE COAST WAS FINISHED. IN 1903 BRITAIN GAVE THE FIRST LAND TO EUROPEAN SETTLERS. THIS AROSE WHEN AT THE OPENING OF THE 20TH CENTURY THE BRITISH GOVERNOR OF KENYA, SIR CHARLES ELIOT, PROPOSED THE POLICY OF INTRODUCING EUROPEAN LANDHOLDERS INTO KENYA AS AN ARISTOCRACY. THE NEXT TWO GOVERNORS DID LITTLE TO IMPLEMENT THIS, BUT THE FOURTH GOVERNOR, BETWEEN 1909-10 EMPHASIZED THE IDEA, AND THE PLAN WAS FINALLY FIRMLY ESTABLISHED AFTER THE FIRST WORLD WAR, UNDER SIR EDWARD NORTHEY. IT WAS ASSUMED THAT THIS LAND WAS UNOCCUPIED, BECAUSE THE TRIBES OF HERDSMEN WANDERED OVER LARGE AREAS AND HAD NO CONCENTRATION OF POPULATION IN LARGE CENTERS.

ALIENATION OF THE LAND PROCEEDED RAPIDLY AND WITH LITTLE KNOWLEDGE OR PLAN. THE IDEA SIMPLY WAS TO PLACE POLITICAL AND SOCIAL SUPREMACY OF WHITE PEOPLE ON A FOUNDATION OF PERMANENT SUBORDINATION OF THE NATIVES. NATURALLY THIS RAISED DIFFICULTIES, REVOLTS, AND UNREST.

36-11-123

BETWEEN 1900 AND THE PRESENT, THE ENGLISH, WITH NO REGARD FOR NATIVE LAND RIGHTS, HAVE SEIZED 16,000 SQUARE MILES OF THE MOST FERTILE MOUNTAINSIDE AND HIGHLAND REGIONS, AND GIVEN AWAY FOR NOTHING OR AT NOMINAL PRICES TO ENGLISH NOBLEMEN, WAR VETERANS AND MIDDLE CLASS WORKERS FROM ENGLAND, SCOTLAND AND SOUTH AFRICA. THE NATIVES HAVE BEEN CROWDED INTO THE LEAST FERTILE LANDS AND SWAMPS WHILE THE WHITES HAVE VAST ESTATES WHICH THEY CAN ONLY CULTIVATE BY FORCED NATIVE LABOR.

THIS POLICY WAS, OF COURSE, BASED ON THE ASSUMPTION THAT PEOPLES IN THE TROPICS WERE ESSENTIALLY AND PERMANENTLY INFERIOR TO EUROPEANS AND WERE INCAPABLE OF USING FREE INSTITUTIONS. JUST AS PHYSICAL SCIENTISTS TODAY ARE WILLING TOOLS OF INDUSTRIAL SCHEMES TO EXTERMINATE MANKIND, SO BIOLOGISTS AND HISTORIANS OF YESTERDAY EAGERLY PROVED THE INFERIORITY OF MOST MEN TO A FAVORED FEW.

JOSEPH CHAMBERLAIN AND CECIL RHODES, WITH THE COMPANIES THEY FORMED IN SOUTH AFRICA AND BORNEO, WERE REPRESENTATIVES OF THE NEW IMPERIALISM. GRANTS OF LAND WERE THEREFORE MADE TO EUROPEANS IN ALL BRITISH DEPENDENCIES IN EAST AFRICA

BUT THE LARGEST AND MOST NUMEROUS WERE MADE IN KENYA.

WHAT NOW HAPPENED TO KENYA? TODAY ONE SEES IN KENYA BEARDED BOERS FROM SOUTH AFRICA, MANY OF WHOM DO NOT SPEAK ENGLISH; SCOTCH FARMERS, SWEDES, GERMANS, DANES, AUSTRALIANS AND ENGLISH ARISTOCRATS. AMONG THE ENGLISH ARE EX-OFFICERS, EX-GOVERNMENT OFFICIALS, AND YOUNG GENTLEMEN JUST OUT OF SCHOOL. TO THESE HAVE BEEN ADDED MECHANICS, SHOP KEEPERS AND INDUSTRIALISTS.

SINCE 1914 LAND HAS BEEN ALIENATED UNDER THE SOLDIERS' SETTLEMENT SCHEME. OFFICERS AND SOME PRIVATES GOT FREE GRANTS OF 160 TO 300 ACRES, AND COULD LEASE AS MUCH AS 5000 ACRES. ALL THESE COULD BE TURNED INTO FREEHOLDS WITHIN 10 YEARS WITHOUT INTEREST, AT FROM $1 TO $10 AN ACRE. EVERYTHING POSSIBLE WAS DONE FOR THESE MEN: THEIR MACHINERY WAS IMPORTED FREE OF DUTY; THEIR PRODUCE CARRIED AT LESS THAN COST ON THE STATE RAILWAY.

36-11-124

THE RESULT HAS BEEN ASTONISHING. IF TODAY SOMEONE LOOKS OVER KENYA FROM THE AIR THEY FIND MANY DISTRICTS WHERE NATIVES ARE CROWDED 283 TO THE SQUARE

MILE, AND OTHER AREAS WHERE THE CROWDING RISES TO 500 OR EVEN 1000 PER SQUARE MILE. HOWEVER, IN PASSING OVER THE EUROPEAN AREAS, IN VAST CONTRAST ONE SEES HUGE ESTATES AND ELABORATE HOMES. IN ALL THE VAST WHITE DOMAIN THERE ARE ONLY 2000 LANDHOLDERS. MUCH OF THIS GOOD LAND IS HELD BY WHITES BUT NOT USED,, AND YET AFRICANS ARE NOT ALLOWED TO USE IT. IT IS BEING KEPT FOR EUROPEANS WHO HAVE NOT YET EVEN COME TO AFRICA!

THERE WAS A STEADY STREAM OF PEOPLE ARRIVING FROM ENGLAND, FIXING UPON THE AREAS THEY WISHED TO POSSESS, AND OPENING UP NEGOTIATIONS WITH THE LAND OFFICE AND GOVERNMENT HOUSE. THESE IMMIGRANTS WERE PEOPLE WHO DID NOT CULTIVATE THE SOIL BUT WHO EXPECTED THE NATIVES OF THE COUNTRY TO USE THE PLOW AND HOE WHILE THEY WERE MERE SUPERVISORS AND OFTEN CONTINUED TO LIVE IN ENGLAND.

MEANTIME, THE WHITE SETTLERS OF KENYA HAVE ONE OF THE MOST GLORIOUS REGIONS OF AFRICA RESERVED FOR THEIR EXCLUSIVE USE. THE GOVERNMENT HAS HELPED THEM TO GET NATIVE LABOR AND TO EDUCATE THEIR CHILDREN. THEY HAVE HAD THE HELP OF LOANS FOR [illegible] THOUSAND

FOR DISTRESSED FARMERS, AND THE LAND BANK, ALTHOUGH NO CREDIT SYSTEM HAS BEEN WORKED OUT TO HELP THE AFRICAN FARMERS. THE BRITISH TAXPAYERS HAVE MADE A PRESENT TO THE COUNTRY OF THE UGANDA RAILWAY AS A FREE GIFT, ALTHOUGH IT COST $45 MILLION WITH INTEREST AND SINKING FUND. AND NEARLY $15 MILLION DOLLARS WERE AFTERWARD GIVEN TO BALANCE THE PROTECTORATE'S BUDGETS. UNTIL QUITE LATELY THE WHITES WERE ALSO LET OFF VERY LIGHTLY IN TAXATION AND EVEN THEIR PRESENT INCOME TAX IS VERY LIGHT AND GENEROUS IN ALLOWANCES.

THERE IS BIG GAME SHOOTING. THERE ARE HORSES FOR RACING, AND POLO. SOME OF THE COLONISTS ARE VERY RICH; THE BULK OF THE EUROPEANS ARE SHOPKEEPERS, SHOP HANDS, ARTISANS AND WORKING FARMERS. AS JOHN BRIGHT ONCE SAID, "TOO LONG HAS THE IMPERIAL SYSTEM BEEN REGARDED AS A GIGANTIC STOREHOUSE OF OUTDOOR RELIEF FOR THE ARISTOCRACY." THE FIRST CONSIDERATION IN THE CHOICE OF GOVERNORS IN EAST AFRICA IS A MAN'S ABILITY TO SATISFY AND SERVE FINANCIAL INTERESTS IN LONDON AND AMONG THE WHITES IN KENYA.

26-11-125

THE INCREASE IN LAND VALUES IN SOME CASES HAS BEEN EXTRAORDINARY: ONE FARM OF 640 ACRES WAS SOLD IN 1903 FOR $340 AND IN 1905 FOR $3200. THE LAST BUYER MADE IMPROVEMENTS WORTH $25,000, AND SOLD THE WHOLE THING IN 1913 FOR $87,500. IMMENSE ESTATES ARE BEING KEPT UNDEVELOPED FOR FUTURE LAND SPECULATION, AND OTHER PARTS ARE NOT BEING GIVEN AWAY FOR THE INTERESTS OF THE PEOPLE WHO MAY POSSIBLY BE PERSUADED IF NOT BRIBED TO COME TO KENYA.

WHAT, MEANTIME HAS HAPPENED TO THE NATIVES? IT IS HARD TO SAY ACCURATELY, BECAUSE THEY HAVE DIFFICULTY IN STATING THEIR CASE OR IN PROVIDING FIGURES FROM OFFICIAL SOURCES. SOME FACTS ARE NOTORIOUS. THE MASAI, FOR INSTANCE, ARE AMONG THE FINEST SPECIMENS OF MANKIND. THEY HAVE FOR AGES BEEN HERDSMEN, WITH LARGE NUMBERS OF CATTLE AND SHEEP, WANDERING ABOUT THE HEADWATERS OF THE NILE AND AROUND THE GREAT LAKES. THE ENGLISH HAVE PROGRESSIVELY TAKEN THEIR LANDS AND MADE LYING PROMISES. ONE OF THEIR FIRST EXPLOITS WAS TO BUILD THE NEW RAILWAY FROM UGANDA TO THE SEA THROUGH THE VERY CENTER OF THE MASAI GRAZING LANDS, LEAVING THE TRIBE WITH

LAND CUT INTO TWO PARTS. THE ENGLISH PROMISED TO CONNECT THESE TWO PARTS ' INVIOLATE CORRIDOR, AND GAVE THEIR SOLEMN WORD THAT THIS LAND SHOULD BELONG TO TRIBE "AS LONG AS THE MASAI TRIBE SHOULD LIVE". IN LESS THAN FIVE YEARS THIS PROMISE WAS BROKEN, UNTIL TODAY THE MASAI CONTROL LESS THAN A TENTH OF THE LANDS THEY FORMERLY OCCUPIED. TO BE SURE, IT WOULD NOT BE EXPECTED THAT GRAZING LANDS SHOULD PERPETUALLY EXCLUDE AGRICULTURE AND SETTLED COMMUNITY LIFE, BUT THIS CHANGE THE GOVERNMENT HINDERS BY REFUSING TO LET THE AFRICANS CULTIVATE THE BEST LAND EVEN IF IT IS IDLE, UNLESS THE BLACK MAN WORKS AS A HIRED LABORER.

THUS AFTER THE FIRST WORLD WAR, NOT ONLY WERE THE MASAI CROWDED INTO POOR LAND, BUT 45,000 OF THEM WITH 2,000,000 CATTLE AND SHEEP WERE CONFINED TO AN AREA WITHOUT WATER. LANDS FORMERLY THEIRS AND NOW WORTH TENS OF MILLIONS OF DOLLARS HAVE BEEN GIVEN TO ENGLISHMEN.

36-11-126

SO TOO, THE KIKUYU, WHO ARE NOW THE SPEARHEAD OF REVOLT, HAVE BEEN DEPRIVED OF MOST OF THEIR FORMER TERRITORIES; AND NOW WHEN THEY ARE CHANGING THEIR

MODE OF LIFE AND SETTLING DOWN TO AGRICULTURE AND INDUSTRY, THEY ARE ENCOUNTERING EVERY KIND OF OPPOSITION: THEY ARE NOT ALLOWED TO RAISE COFFEE WHICH IS THE BEST CASH CROP FOR KENYA; THEY CANNOT RENT OR LEASE THE BEST LAND EVEN IF IT IS IDLE; THEIR TRADE UNIONS ARE FROWNED UPON IF NOT SUPPRESSED, AND IF BY CHANCE ANY ONE OF THEIR NUMBER GETS A MODERN EDUCATION, HE IS TREATED LIKE A SAVAGE TRIBESMAN. WHEN I WAS IN ENGLAND IN 1945 I MET JON KENYATTA, A GRADUATE OF THE LONDON SCHOOL OF ECONOMICS. HE WAS AN INTELLIGENT MAN. MY ONLY CRITICISM OF HIM WAS THAT HE WAS FIGHTING THE BATTLES OF HIS NATIVE KENYA IN ENGLAND AND NOT IN AFRICA. TODAY HE IS IN JAIL IN KENYA BECAUSE HE WENT HOME TO FIGHT.

OTHER KENYA TRIBES HAVE SUFFERED AS MUCH AS THE MASAI AND THE KIKUYU, WITH THE RESULT THAT THE MASS OF THEM ARE CROWDED ON INADEQUATE RESERVES AND AT LEAST 100,000 KENYA NATIVES ARE QUITE LANDLESS.

THE WHITE SETTLERS OF KENYA HAVE DEVELOPED A PHILOSOPHY OF RACE AND LIFE WHICH FOLLOWS THAT OF SOUTH AFRICA AND THE RHODESIAS AND IS ONE WITH THAT OF OUR

OWN SOUTHERN STATES BEFORE THE ABOLITION OF SLAVERY AND UP UNTIL THE 20TH CENTU THESE WHITE FOLK WANT A FULL SUPPLY OF CHEAP AND SUBSERVIENT LABOR. THIS LABOR, HOWEVER, MUST NOT HAVE THE STATUS, SOCIAL SERVICES OR POLITICAL RIGHTS OF LABORERS IN THE CIVILIZED WORLD, AND MORE THAN THAT, THEY MUST BE COMPELLED BY LAW TO WORK AT THE WAGE OFFERED. THE SETTLERS SAY THAT SINCE THE HOME GOVERNMENT ENCOURAGED THEM TO COME TO AFRICA, IT MUST SUPPLY THEM LABOR. THE BEST WAY TO DO THIS IS TO KEEP THE BLACKS FROM OWNING LAND ON WHICH THEY CAN SUPPORT THEMSELVES. LORD DELAMERE, ONCE THE GREATEST BRITISH LANDHOLDER, WHO BOUGHT 100,000 ACRES FOR 2¢ AN ACRE, SAID THAT IF "EVERY NATIVE WAS TO BE A LAND-HOLDER OF A SUFFICIENT AREA TO ESTABLISH HIM-SELF, THEN THE QUESTION OF OBTAINING A SATISFACTORY LABOR SUPPLY WOULD NEVER BE SETTLED."

36-11-127

NOT ONLY, THEN, WAS THE BEST LAND IN THE COLONY RESERVED FOR WHITES EXCLUSIVELY, BUT THE REMAINING LAND PARTLY RESERVED FOR NATIVE USE WAS REDUCED SO AS TO PREVENT THEM FROM SELF-SUPPORT. THEN TAXATION WAS INTRODUCED TO COMPEL THE NATIVES

TO WORK IN ORDER TO HAVE MONEY TO PAY. ADMINISTRATIVE OFFICERS HAD POWERS TO FORCE THE AFRICANS TO WORK. A SYSTEM OF REGISTRATION OF NATIVES WAS INTRODUCED IN ORDER TO ALLOW CONTRACTS WITH PENAL SANCTION TO BE ENFORCED. EVEN BISHOPS OF THE ANGLICAN CHURCH JOINED IN THE DEMAND FOR COMPULSORY LABOR IN KENYA.

GRADUALLY THE GOVERNMENT IN KENYA HAS ACQUIRED ALMOST COMPLETE CONTROL OVER THE LABOR SUPPLY. NATIVES CANNOT RENT LAND FROM WHITE OWNERS NOR HAVE SQUATTERS ANY RIGHTS BECAUSE OF LENGTH OF TENURE. EVEN IN THE NATIVE RESERVES, THE NATIVES ARE TENANTS AT WILL OF THE GOVERNMENT AND CAN BE EVICTED AT ANY TIME. LAND CAN ONLY BE LEASED IF THE LEASEHOLDER CONTRACTS TO WORK FOR WAGES AT LEAST SIX MONTHS OF THE YEAR FOR THE OWNER!

THE ORDINARY FARM LABORER IN KENYA EARNS $2.50 A MONTH OR $25 A YEAR. OUT OF THIS HE MUST PAY AT LEAST $3 A YEAR HUT TAX, A TAX TO HIS TRIBAL COUNCIL, AND IN ADDITION 24 DAYS OF COMPULSORY, UNPAID LABOR ON PUBLIC WORKS. IN 1931 THE HUT TAX ALONE BROUGHT IN 3 MILLION DOLLARS, AND AFRICANS PAID 2/3 OF THE WHOLE TAX

BURDEN ON THE COLONY. AFTER THE LAST WAR FROM ½ TO 3/4 OF THE NATIVE MALES WERE WAGE LABORERS OR IN MILITARY SERVICE AND SPENT 1/4 OF HIS INCOME IN TAXES. INDIRECT TAXATION FALLS ON LUXURIES, BUT CHIEFLY ON NECESSITIES LIKE FLOUR AND CLOTHING.

IN RETURN FOR THIS TAXATION THE NATIVE RECEIVES FEW SOCIAL SERVICES. FROM 1929 TO 1936, THE DIRECTOR OF AGRICULTURE REPORTED, NATIVE FARMERS HAD RECEIVED NO SERVICES FROM HIS DEPARTMENT. THE GOVERNMENT WILL NOT PERMIT NATIVES TO PLANT TEA OR COFFEE, WHICH ARE PROFITABLE CASH CROPS. THERE ARE NO SOCIAL SERVICES FOR NEGROES LIKE WORKINGMENS' COMPENSATION, AND WORKERS ARE ENCOURAGED TO SEEK LABOR FAR FROM THEIR HOMES, WHICH INCREASES FAMILY DISINTEGRATION AND HAS RESULTED IN THE DECLINE OF NATIVE POPULATION. THE GOVERNMENT SPENDS $75 A YEAR PER PUPIL TO EDUCATE 2000 WHITE CHILDREN, AND $2.50 A HEAD FOR 100,000 NEGRO CHILDREN. ALL THE WHITE CHILDREN ARE IN SCHOOL AND PERHAPS A TENTH OF THE NEGROES. MOST OF THE FUNDS FOR NEGROES GO TO MISSION SCHOOLS TO TRAIN WORKERS FOR INDUSTRY. SECONDARY

36-11-128

AND HIGHER EDUCATION IS OFFERED A FEW DOZEN NATIVES AT MAKERERE COLLEGE IN TANGANYIKA.

ONE EXCUSE FOR GOVERNING AFRICAN COLONIES USED TO BE THE ABOLITION OF NATIVE WARS. BUT THE FIRST WORLD WAR ALONE DESTROYED MORE NATIVES OF KENYA THAN A GENERATION OF INTER-TRIBAL WARS. FROM KENYA THERE CAME 150,000 PORTERS AND 14,000 ARMED SOLDIERS TO SERVE GERMAN EAST AFRICA. IN THIS WAR 46,000 BLACK KENYANS DIED, BUT ONLY 5000 OF THESE WERE EVEN IDENTIFIED, LEAVING 41,000 WITH UNCLAIMED BALANCES OF $775,000 DUE THEIR FAMILIES. MOST OF THIS IS STILL DUE. DURING THE SECOND WORLD WAR BLACK TROOPS FROM KENYA FOUGHT IN ETHIOPIA AND IN ASIA, BUT EXACT FIGURES ARE MISSING.

FOR A LONG TIME THE SITUATION IN KENYA AROUSED LITTLE NOTICE IN BRITAIN. IN 1898 AN ORDER IN COUNCIL AUTHORIZED THE COLONIAL GOVERNMENT TO ACQUIRE LAND BUT NOT TO SELL IT. IN 1901 THE RIGHT TO SELL THE LAND WAS GRANTED, AND SOON EUROPEANS GOT 7,500 SQUARE MILES IN FREEHOLD OR ON LONG LEASE. AFRICANS GOT NO LAND AT ALL

BUT BECAME TENANTS-AT-WILL ON RESERVATIONS.

FOR THE NEXT 20 YEARS THE IDEA BEHIND WHITE SETTLEMENT WAS TO FOUND A BRITISH COLONY ON THE SOUTH AFRICAN OR AUSTRALIAN PATTERN, WHICH WOULD GROW UNTIL IT BECAME LARGE AND STRONG ENOUGH TO WIN SELF-GOVERNMENT AS DOMINIONS.

THE RESULTANT UNREST IN KENYA AROUSED THE GOVERNMENT IN LONDON TO MAKE VARIOUS EFFORTS TO REMEDY THE SITUATION. IN 1921 THE MAN WHO IS NOW KNOWN AS LORD HALIFAX, SUBMITTED PROPOSALS TO MR. CHURCHILL, ASSISTANT COLONIAL SECRETARY, AND THEY WERE CONSIDERED BY A COMMITTEE ON WHICH FOUR LEADING INDIAN MEN SAT.

THIS LEADS US TO PAUSE AND CONSIDER THE INDIAN PROBLEM IN KENYA. THE BRITISH SEEM TO REGARD THE INDIANS AS INTRUDERS AGAINST WHOM THE NATIVES MUST BE PROTECTED. NEXT TO THE BLACKS, HOWEVER, THE INDIANS HAVE BEEN LONGEST IN KENYA. INDIAN COMMERCE WITH AFRICA STEMS FROM THE 10TH CENTURY, AND ONCE EAST AFRICA WAS CALLED INDIA'S "AMERICA". COMMERCE BETWEEN EAST AFRICA AND INDIA LONG PREDATED EUROPEAN COMMERCIAL TIES, AND INDIANS ARE NOW THE CHIEF LOCAL MERCHANTS. THE

36-11-129

BRITISH TRIED AT FIRST TO SET OVER THE RIGHTS OF NATIVES AGAINST THE DEMANDS OF THE INDIAN IMMIGRANTS. WHILE, THEN, THE COMMISSION UNDER LORD HALIFAX CONSULTED THE LEADING INDIANS OF KENYA, THE AGREEMENT REACHED IN 1921 WAS NEVER IMPLEMENTED, BUT TWO YEARS LATER, IN 1923, THE DUKE OF DEVONSHIRE ISSUED FOR THE GOVERNMENT A REPORT WHICH WAS FINE IN ITS PROMISES AND CONSEQUENTLY BITTERLY OPPOSED BY THE WHITE PEOPLE OF KENYA. HE SAID, "PRIMARILY KENYA IS AN AFRICAN TERRITORY, AND HIS MAJESTY'S GOVERNMENT THINKS IT NECESSARY DEFINITELY TO RECORD THEIR CONSIDERED OPINION THAT THE INTERESTS OF THE AFRICAN NATIVES MUST BE PARAMOUNT, AND THAT IF AND WHEN THOSE INTERESTS AND THE INTERESTS OF THE IMMIGRANT TRADERS SHOULD CONFLICT, THE FORMER SHOULD PREVAIL."

THE PUBLICATION OF THIS AGREEMENT IN 1923 WAS FOLLOWED BY A VIOLENT POLITICAL STORM IN KENYA. THE WHITE COLONY DETERMINED ON RESISTANCE, AND THREATENED ARMED REBELLION AND WERE THOROUGHLY ORGANIZED. THEY ISSUED A PAMPHLET IN 1924 WHICH IS AN HISTORIC DOCUMENT. IT IS ENTITLED "THE THERMOPYLAE OF AFRICA,

KENYA COLONY". IT DEMANDS THAT EUROPE, THE AMERICAS, AUSTRALIA AND NEW ZEALAND BE SURRENDERED TO THE DOMINATION OF THE WHITE RACE, AND ASIA TO THE YELLOW RACE. IT DECLARES THAT "WHITE SUPREMACY HAS COME TO BE LOOKED UPON AS PART OF THE WORLD; BUT THIS HOLD OVER ASIA IS TOO THIN TO ENDURE; THEREFOR..." IT DECLARES:

"THE DEVELOPMENT OF BRITISH TERRITORIES IN AFRICA OPENS UP A VISTA OF COMMERCIAL EXPANSION SO ENDLESS THAT CALCULATED DESCRIPTION IS DIFFICULT. THE BARE FACTS ARE THAT THE AREA OF THESE TERRITORIES IS 4,000,000 SQUARE MILES... THAT THE AVERAGE FERTILITY AND MINERAL WEALTH OF THEIR SOIL ARE AT LEAST EQUAL TO THOSE OF ANY OTHER GREAT LAND MASS; THAT THEY HOLD AN INTELLIGENT FAST-BREEDING NATIVE POPULATION OF ABOUT 60 MILLIONS, WAITING FOR GUIDANCE TO ENGAGE IN THE PRODUCTION OF THE RAW MATERIALS OF INDUSTRY AND FOOD STUFFS; AND THAT WHITE SETTLEMENT COOPERATING WITH THE NATIVE POPULATIONS DOES STIMULATE PRODUCTION MANY HUNDREDS OF TIMES, AND DOES BRING ABOUT A DEMAND FOR MANUFACTURED ARTICLES OUT OF ALL PROPORTION TO ITS NUMERICAL STRENGTH..."

36-11-130

"IT HAS BEEN SHOWN THAT THE BLACK RACE POSSESSES IMITATIVE BUT LACKS CONSTRUCTIVE POWERS, [illegible] ...THE CONTROLLING POWERS MAY, THEREFORE, AIM AT ADVANCING THE BLACK RACE AS FAR ALONG THE ROAD OF PROGRESS AS ITS CAPACITY ALLOWS, WITHOUT MISGIVINGS THAT THE SUCCESS OF THEIR ENDEAVORS WILL LEAD TO A DEMAND FOR THEIR WITHDRAWAL, ENTAILING LOSS OF PRESTIGE AND TRADE."

THUS KENYA DEMANDED THE SURRENDER OF INDIA AND CONCENTRATION ON AFRICA; IT SAYS:

"CONFRONTED BY THE FAST APPROACHING CRISIS IN THE RELATIONS OF THE PRIMARY RACES OF MANKIND, THE WHITE RACE HAS NO CHOICE BUT TO ABANDON ITS NINETEENTH CENTURY ATTITUDE OF AGGRESSIVE EXPANSION, AND TO COLLECT AND RE-ORGANIZE ITS DIMINISHED STRENGTH WITHIN DEFENSIBLE LINES, THERE TO AWAIT THE SHOCK OF THE ASIATIC ONSLAUGHT, WHICH WILL STRAIN ITS RESOURCES TO THE UTTERMOST, AND MAY COVER A LONG PERIOD OF TIME."

THE BRITISH GOVERNMENT WITHDREW ITS DECLARATION OF THE PARAMOUNTCY OF NATIVE INTERESTS IN AFRICA AND ITS DEMAND FOR INDIAN EQUALITY. SIX ROYAL COMMISSIONS FOLLOWED, IN 1924, 1927, 1930, 1932 and 1934. THEY ALL RECOMMENDED CHANGES AND IMPROVEMENTS, ESPECIALLY IN THE ALLOTMENT OF LAND TO NATIVES, BETTER SOCIAL SERVICES, EDUCATION, AND REPRESENTATION OF THE NATIVES AND INDIANS IN GOVERNMENT. MOST OF THESE RECOMMENDATIONS WERE NEVER CARRIED OUT, BUT SOME IMPROVEMENTS WERE MADE.

DURING THE FIRST WORLD WAR THE QUESTION OF THE STATUS OF THE INDIANS WAS DORMANT, AS BRITISH IMMIGRATION WAS NOT CONTEMPLATED ON ANY SCALE. HOWEVER, AFTER THE WAR WHEN THE LAND BEGAN TO BE GIVEN AWAY TO ENGLISHMEN AND SOUTH AFRICANS, THE INDIANS DEMANDED FREE IMMIGRATION, THE RIGHT TO BUY LAND, AND EQUAL RIGHT TO VOTE ON A COMMON TICKET. THEY DID NOT SUCCEED. KENYA IS THE ONLY PART OF THE WORLD UNDER THE CONTROL OF THE BRITISH PARLIAMENT WHERE ASIATICS AND AFRICANS REST UNDER STATUTORY DISABILITIES. IT HAS 17,000 WHITES, 40,000 INDIANS, AND 3 MILLION

36-R-131

AFRICANS. YET IN THE LEGISLATIVE COUNCIL WHICH RULES UNDER THE BRITISH COLONIAL GOVERNMENT HALF THE MEMBERS ARE WHITE OFFICIALS, AND THE REST CONSIST OF 11 WHITE SETTLERS, 5 INDIANS, AND ONE ARAB. THE THREE MILLION BLACKS HAVE NO REPRESENTATIVES; BUT TWO WHITES SPEAK FOR THEM. THESE ARE USUALLY WHITE MISSIONARIES, WHO SELDOM OFFEND THE OFFICIALS. THE INDIANS LONG REFUSED TO SEND ANY REPRESENTATIVES BECAUSE THEIR OTHER DEMANDS WERE NOT GRANTED.

KENYA SETTLERS ARE STILL SEEKING WHAT THEY CALL SELF-GOVERNMENT, BUT WHAT IS REALLY WHITE MINORITY RULE. THEY FORM A HIGHLY ORGANIZED, CONSTANTLY ALERT BODY OF SHOCK TROOPS, READY AT ANY MOMENT BY ASSAULT OR BY STRATEGY TO SEIZE EVERY STRONGHOLD OF THE CONSTITUTIONAL STATE. THE WHITE SETTLERS ARE FREE TO RUN THEIR OWN INTERESTS AND INDUSTRIES. THEY SIT ON ALL BOARDS OF CONTROL WHERE IMPORTANT WORK IS DONE; ON ALL COMMITTEES INQUIRING INTO NATIVE LABOR; THEY HAVE A CLEAR MAJORITY OF THE BOARD, WHICH PROTECTS THEIR LAND, AND THEY HOLD ALL THE HIGH EXECUTIVE POSTS. THEIR CONSTANT CRITICISM OF THE GOVERNMENT IN COUNCIL, IN THE PRESS, AND IN THEIR HIGHLY ORGANIZED CLUBS MAKES IT DIFFICULT FOR OFFICIALS TO WITHSTAND THEIR

INFLUENCE EVEN IF THEY WERE INCLINED TO.

MEANTIME THE AFRICANS HAVE SLOWLY GROWN IN LEADERSHIP AND EDUCATION AND HAVE BECOME INCREASINGLY BITTER AND SUSPICIOUS. FORMERLY ALL THEIR ORGANIZATIONS, BOTH RELIGIOUS AND SECULAR, HAD WHITE MEMBERS TO GUIDE AND ADVISE THEM. LATELY THE POLITICAL AND INDUSTRIAL ORGANIZATIONS HAVE MULTIPLIED WITHOUT WHITE MEMBERSHIP, WHICH MAKES THEM SUSPECT BY THE AUTHORITIES. AT THE OPENING OF THE LAST WAR LEADERS OF THREE KIKUYU SOCIETIES WERE ARRESTED AND KEPT IN JAIL LONG PERIODS WITHOUT TRIAL. THE FIRST REVOLT TOOK PLACE UNDER HARRY THUKU, AFTER THE FIRST WORLD WAR. IT WAS NOTHING MORE THAN A PROTEST AGAINST RAISING THE HUT TAX FROM THREE TO FOUR DOLLARS A YEAR. IT SUCCEEDED, AFTER THUKU HAD BEEN BANISHED. BUT THE TAX, ALTHOUGH LOWERED FOR EACH INDIVIDUAL, WAS REALLY DOUBLED BY INCREASING THE NUMBER LIABLE TO THE TAX. TODAY THE NUMBER OF SOCIETIES INDEPENDENT OF EUROPEAN MEMBERSHIP IS INCREASING, AND THE KIKUYU CENTRAL ASSOCIATION IS THE LARGEST AND MOST ACTIVE. I MET ONE OF ITS MEMBERS IN LONDON IN 1845, JOHN KENYATA. TODAY HE IS UNDER ARREST

36-11-32

IN KENYA.

THERE IS CLEAR EVIDENCE THAT WHITE KENYANS HAVE NOT ABANDONED THE DEMAND FOR WHITE POLITICAL CONTROL. IN 1941 A EUROPEAN MEMBER OF THE COUNCIL DEMANDED INCREASED REPRESENTATIVES OF THE EUROPEANS, AND A CONSTITUTION ON THE LINES OF SOUTHERN RHODESIA. AND LATER THEY HAVE STRONGLY BACKED A CONFEDERATION OF KENYA, UGANDA, TANGANYIKA AND THE RHODESIAS, WITH A HANDFUL OF WHITES IN FULL CONTROL OF 25 MILLION NEGROES. "WHAT WE VISUALIZE", SAID A KENYAN RECENTLY, "IS JOINING UP WITH THE RHODESIAS AND HAVING A BRITISH EAST AFRICAN DOMINION FROM THE NIMPOPO TO THE NILE." AND ANOTHER SAID ANGRILY, "THE GOVERNMENT WILL DRIVE US INTO THE ARMS OF SOUTH AFRICA, IF THEY DO NOT DO AS WE WISH."

THE THEORY OF WHITE SUPREMACY IN A RE-ORGANIZATION FROM CAIRO TO CAPETOWN IS BEING OPENLY PURSUED. AFTER THE SECOND WORLD WAR THIS REGION OF KENYA, UGANDA AND TANGANYIKA HAS BEEN TURNED INTO A GREAT ARSENAL AND STORE HOUSE OF ARMS FOR PROTECTING THE EMPIRE AGAINST THE EAST OR FOR AGGRESSION IN ASIA.

IN THE CENTER OF THE NEW MODERN NEGRO SLAVERY, THE UNION OF SOUTH AFRICA, REBELLION BY PASSIVE RESISTANCE HAS BROKEN OUT, IN COLLABORATION WITH THE INDIANS. IN THE RHODESIAS A FEW MILLION WHITES ARE HOLDING NATIVES IN SERFDOM BY COMPULSORY IGNORANCE AND POVERTY, WHILE THE VAST BELGIAN CONGO IS RESTING ITS FUTURE ON CAREFULLY PLANNED MANIPULATION OF TRIBAL UNITS, LIMITED EDUCATION, AND REPRESSION OF ANY NEGRO INTELLIGENCE.

AT THE SAME TIME, WHAT HAS BEEN PLAYED DOWN IN THE NEWS BUT IS OPEN REVOLUTION IN WEST AFRICA, HAS RESULTED IN FORCING BRITAIN RELUCTANTLY TO GRANT DOMINION STATUS TO SOME 25 MILLION BLACK NATIVES, WITH ONE PRIME MINISTER ALREADY RECOGNIZED AND ANOTHER INEVITABLY ON THE WAY.

GILBERT MURRAY SAID 50 YEARS AGO OF THE BRITISH EMPIRE: "THE PROBLEM OF THE CONTACT OF WHITE AND BLACK IS ONE WHICH WE MUST NEEDS MASTER OR ELSE IT WILL MASTER US. IT WILL MASTER US NOT GRADUALLY OR HALF-IMPERCEPTIBLY, LIKE THE PROBLEMS OF OVER-POPULATION OR EUGENICS. ITS CHALLENGE WILL BE VIOLENT AND BLOODY."

WEST

PRESENT PROSPECTS FOR PEACE

WAR IS A VICIOUS HUMAN HABIT; A THROW-BACK TO PRIMEVAL BARBARISM; AN ANACHRONISM WHICH SHAMES RELIGION AND RETARDS CIVILIZATION. BEFORE THIS CENTURY WAR MAY AT TIMES HAVE BEEN THE LESSER OF TWO EVILS. SINCE WORLD WARS HAVE COME AND THE ATOMIC AGE, THIS IS NO LONGER TRUE. WAR IS THE SUPREME DISASTER. THERE IS NOTHING WORSE.

WHAT DID WE GET FROM THE "WAR TO END WAR"? MORE WAR! WHAT DID WE GET FROM THE "WAR TO PRESERVE DEMOCRACY"? LESS DEMOCRACY! WHAT ARE WE GETTING FROM THIS "COLD WAR FOR FREEDOM"? LESS FREEDOM TO THINK AND MORE FREEDOM TO KILL. WHAT WILL COME WHEN WAR IN KOREA BECOMES WAR AGAINST CHINA AND A THIRD WORLD WAR, WITH JAPAN AND WEST GERMANY AS OUR ARMED ALLIES? THE END OF EUROPEAN CULTURE AND A LONG RETURN TO BARBARISM. PEACE, THEN! PEACE NOW! PEACE FOREVER!

THIS AMERICA OF OURS, HOPE OF OUR DREAMS, REFUGE OF MANKIND, HAS BEFORE OUR VERY EYES BECOME THE GREATEST WARMONGER OF ALL HISTORY. NEVER BEFORE IN THE ANNALS OF MANKIND HAS A NATION PLANNED DEATH AND DESTRUCTION ON THE SCALE NOW ENVISIONED

46-11-83

BY THE UNITED STATES OF AMERICA. WITH ONE BURST OF FLAME WE KILLED AT HIROSHIMA AND NAGASAKI 200,000 HUMAN BEINGS, AGED AND INFANTS; SICK AND HELPLESS; UNARMED AND UNWARNED; --- AN ATTACK AS HORRIBLE AS IT WAS NEEDLESS, --- A DEED WHICH CIVILIZATION WILL NEVER FORGET!

WHY IS THIS NATION, THE MOST SECURE FROM FOREIGN ATTACK OF ANY IN THE WORLD, RUSHING TO WAR? WHAT IS IT THAT HAS LITERALLY SCARED US TO DEATH? NO FOREIGN FOE HAS TOUCHED OR THREATENED OUR SHORES; NO NATION HAS PLANNED OUR DESTRUCTION. OUR ECONOMY IS SOUND UNLESS WE LET WAR UPSET IT; OUR TECHNIQUE IS UNSURPASSED; OUR ABILITY AND TALENT HAVE ALL THE POSSIBILITIES OF THE MOST FAVORED NATIONS OF MEN. WHY THEN HAVE WE GONE COMPLETELY OUT OF OUR MINDS AND EMBARKED ON A FANTASTIC PLAN OF WORLD CONTROL AT THE COST OF NATIONAL IMPOVERISHMENT, MORAL RUIN AND THE HATE OF MANKIND?

WE SEEK TO ASSURE OURSELVES THAT OUR PRESENT HYSTERIA IS CAUSED SOLELY BY THE DESIGNS OF THE UNION OF SOVIET SOCIALIST REPUBLICS, A NATION SEPARATED FROM

US BY THE WIDTH OF THE WORLD, WHICH HAS NEVER ATTACKED US, NEVER TAKEN OUR TERRITORY, BUT WHO SOME OF US BELIEVE IS SO DETERMINED TO RUIN US THAT IN SHEER DEFENSE WE MUST RUIN OURSELVES! WHENCE CREW, COMES THIS PUSH TOWARD WAR?

MANY SEE BACK OF THIS BELIEF THE PROPAGANDA OF A GROUP OF BUSINESS MEN IN AMERICA, WHO SEEK TO REVIVE A SYSTEM OF WORLD INDUSTRY LONG SINCE DOOMED TO EXTINCTION. UNDER THIS SYSTEM, A CLASS WITHIN A NATION, OR A WHOLE NATION, LIVED IN COMFORT, LUXURY AND POWER ON THE LAND AND LABOR OF OTHER CLASSES OR PEOPLES TOO POOR, TOO IGNORANT, AND TOO SICK TO RESIST. THIS SYSTEM, UNDER ITS VARIOUS FORMS OF SLAVE TRADE, CHATTEL SLAVERY, SERFDOM, CLASS STRUCTURE, COLONIALISM AND CENTRALIZED REGULATION OF PRICES AND MARKETS, HAS EXISTED SO LONG, YIELDED SUCH FABULOUS PROFITS, AND SUPPORTED SUCH HIGH CIVILIZATION AMONG A FAVORED FEW, THAT MANY MEN BELIEVE THAT THE SUBJECTION OF MOST MEN TO A POWERFUL FEW IS INEVITABLE, AND THAT ITS DISAPPEARANCE WOULD MEAN THE END OF CIVILIZATION AS WE NOW KNOW IT.

THIS SYSTEM OF HUMAN GOVERNMENT AND CONTROL OF WORLD INDUSTRY REACHED ITS

46-11-84

CULMINATION IN THE COLONIAL IMPERIALISM OF THE BRITISH EMPIRE DURING THE 19TH CENTURY, AND ITS SPECTACULAR SUCCESS FIRED THE IMAGINATION AND ENVY OF ALL EUROPE AND PARTICULARLY OF THE UNITED STATES. WE FORGOT THE REVOLT AGAINST IT WHICH HAD BROUGHT THE SUPPRESSION OF THE SLAVE TRADE AND THE ABOLITION OF CHATTEL SLAVERY; WE IGNORED THE LABOR MOVEMENT WHICH INTRODUCED UNIVERSAL SUFFRAGE AND POPULAR EDUCATION AMONG WHITE WORKERS, AND WE IGNORED THE EFFORTS TO EXTEND DEMOCRATIC CONTROL OF THE WORKERS OVER INDUSTRY, AND THE DREAMS OF INCLUDING THE MASS OF DARKER WORKERS AMONG THE ENFRANCHISED WORKERS OF THE WORLD.

THE 20TH CENTURY DAWNED WITH FOUR WORLD-SHAKING EVENTS:

THE FIRST WORLD WAR TO REDISTRIBUTE COLONIES AMONG IMPERIAL POWERS
REVOLUTION IN RUSSIA
THE SECOND WORLD WAR TO STOP THE PLAN FOR A NEW COLONIAL IMPERIALISM
THE REVOLT OF COLONIAL PEOPLES.

ALL THIS WAS LOGICAL: WIDE JEALOUSY OF THE NATIONS MONOPOLIZING LAND AND LABOR IN THE COLONIAL REGIONS; THE ATTEMPT TO REDISTRIBUTE THIS MONOPOLY BY WAR,

AND THE OVERWHELMING COST OF THE STRUGGLE, BRINGING INDUSTRIAL COLLAPSE AND THE ATTEMPT OF TWO DICTATORS TO HAVE A DIFFERENT DISTRIBUTION OF COLONIAL CONTROL BY ANOTHER WAR; AND FINALLY THE NATURAL RISE OF THE COLONIAL PEOPLES TO TAKE CHARGE OF THEIR OWN DESTINIES.

THE ATTEMPT OF HITLER AND MUSSOLINI, JOINED BY JAPAN, TO CHANGE THE FACE OF COLONIAL IMPERIALISM, SO THREATENED THE WESTERN WORLD THAT WE WERE GLAD TO ACCEPT THE HELP OF THE NEW SOVIET UNION, WHICH WE HAD ONCE JOINED 16 OTHER NATIONS TO OVERTHROW. THE SOVIETS LAID DOWN 17 MILLION LIVES AND BILLIONS OF THEIR NEW INDUSTRY TO SAVE US FROM FASCISM.

HERE DAWNED THE OPPORTUNITY TO FACE A NEW WORLD: NOT NECESSARILY A WORLD OF COMPLETE SOCIALISM OR OF UNREGULATED PRIVATE CAPITALISM, BUT A WORLD BASED ON GOOD WILL AND SCIENTIFIC INQUIRY INTO WORK AND INCOME AS AFFECTING HUMAN PROGRESS. THIS EFFORT, EARNESTLY UNDERTAKEN BY FRANKLIN ROOSEVELT, WAS OVERTURNED COMPLETELY BY HARRY TRUMAN AS THE TOOL OF BIG BUSINESS. IF A BUCHANAN BEFORE A LINCOLN WAS A

46-11-85

NATIONAL CALAMITY, A TRUMAN AFTER A ROOSEVELT WAS A WORLD DISASTER WHICH A THOUSAND YEARS MAY NOT RETRIEVE.

THE LAST ELECTION WAS IN ESSENCE A MANDATE FOR PEACE. MOST PERSONS VOTED AGAINST A LIBERAL LIKE STEPHENSON WHO SPOKE ENGLISH, HAD A SENSE OF HUMOR AND A CULTURAL BACKGROUND, BECAUSE HE ASSUMED RESPONSIBILITY FOR THE TRUMAN POLICIES WHICH ENVISIONED CONTINUED WAR IN KOREA AND EVENTUAL WAR WITH THE SOVIET UNION. THEY DID NOT CONSIDER THE PROGRESSIVE TICKET AT ALL BECAUSE ALTHOUGH IT WAS FOR PEACE IT WAS AT BEST A LONG TIME PROGRAM WHICH HAD NO CHANCE TO INSURE PEACE NOW. IN ADDITION, IT COULD NOT PUT ITS ATTITUDE AND ARGUMENTS BEFORE THE PUBLIC IN THE PUBLIC PRESS, ON THE OPEN PLATFORM, NOR THROUGH RADIO OR TELEVISION. AS A PARTY IT WAS DISFRANCHISED IN 22 STATES AND SILENCED IN NEARLY ALL THE REST. ITS TREATMENT WAS NOT MERELY THE DEFEAT OF A PARTY BUT IT MADE A THIRD PARTY MOVEMENT AT PRESENT ALMOST IMPOSSIBLE, AND WITHOUT THE POSSIBILITY OF A THIRD PARTY, DEMOCRACY IS IMPOSSIBLE.

FOREMOST IN THE MINDS OF ALL VOTERS STOOD THE KOREAN WAR; THIS LONG DRAWN-OUT SLAUGHTER AND DESTRUCTION, WITH SUFFERING AND POVERTY AND DISEASE; AND WITH ITS INTOLERABLE STRAIN ON THE ECONOMY AND FAITH OF THE WHOLE WORLD. NO ORDINARY CITIZEN, NO SOLDIER IN THE FIELD, NOR DRAFTEE CAN EASILY EXPLAIN WHY WE ARE FIGHTING IN THAT POOR FAR EASTERN LAND, IN A WAR FINANCED AND MANNED CHIEFLY BY THE UNITED STATES WHICH IS KILLING AND CRIPPLING OUR SONS IN A MANEUVER TO PREPARE FOR A THIRD WORLD WAR. THIS WAR WAS STARTED BY HARRY TRUMAN WITHOUT AUTHORITY FROM CONGRESS ON THE THEORY THAT THE CIVIL WAR IN KOREA WAS AN ATTEMPT ON THE PART OF THE SOVIET UNION TO SPREAD COMMUNISM.

WE REITERATED THAT CHARGE, REPORTED THE DIRECT PARTICIPATION OF RUSSIAN SOLDIERS AND EXHIBITED IN THE UNITED STATES ACTUAL RUSSIAN EQUIPMENT. WE USED OUR VAST INFLUENCE TO FORCE THE UNITED NATIONS TO ENTER THE WAR AFTER WE BEGAN IT, AND TO ASSUME RESPONSIBILITY FOR ITS PURSUIT. IT HAS SINCE BEEN PROVEN BY AMERICAN AUTHORS LIKE I.F. STONE THAT THE KOREAN REVOLT WAS LONG PLANNED BY SOUTH KOREA

98-11-96

AT THE DEMAND OF AMERICAN BUSINESS INTERESTS EXPANDING TOWARD CHINA. FACING THIS DILEMMA THE NATION ELECTED EISENHOWER, ON THE CHANCE THAT ALTHOUGH A GENERAL, HE MIGHT BE SINCERE IN WANTING TO STOP WAR, SINCE HIS ADVISERS WOULD BE BUSINESS MEN WHO WOULD FEAR FINANCIAL CRISIS. IN ANY CASE HE COULD NOT BE WORSE THAN TRUMAN.

IT IS STILL CLEAR THAT THE KOREAN WAR WAS A STEP IN OUR PLAN FOR EXPANDING BUSINESS IN ASIA, WHERE WE BET ON THE WRONG HORSE IN THE SECOND WORLD WAR. WE BACKED AND SUPPORTED WITH ARMS, MONEY AND EXPERT ADVICE FROM THE HIGHEST SOURCES, CHIANG KAI-CHEK, EVEN AFTER OUR OWN GENERALS AND POLITICAL EMISSARIES WARNED US OF HIS UTTER MORAL WORTHLESSNESS AND HIS CERTAIN POLITICAL AND MILITARY FAILURE. DESPITE THIS REPEATED ADVICE, WE FOLLOWED INVESTORS WHO WERE SURE THAT EVEN IF CHIANG FAILED, THE DISRUPTED REMAINS OF THE ONCE GREAT CHINESE GOVERNMENT WERE BOUND TO FALL INTO OUR HANDS AND WE WOULD REPLACE GREAT BRITAIN AS MASTER OF THAT PARADISE FOR INVESTORS, WITH ITS CHEAP, SKILLED LABOR UNSPOILED BY TRADE UNIONS; ITS WEALTH OF RESOURCES AND BOUNDLESS STRETCH OF TERRITORY. THUS THE UNITED STATES WOULD BECOME

MASTER OF THE MAJOR PART OF THE CONTINENT OF ASIA.

WHEN, TO THE UNBOUNDED SURPRISE OF AMERICAN BUSINESS INTERESTS AND OF OUR LEADERS IN THE THEORY OF A NEW AMERICAN RULERSHIP OF THE WORLD THROUGH COLONIAL IMPERIALISM, CHIANG KAI-CHEK WAS DRIVEN OUT OF CHINA BY THE VERY ARMS WHICH WE HAD FURNISHED HIM, WE APPEARED NOT ONLY AS FOES OF HIS CONQUERORS, BUT AS PERSECUTORS OF ALL AMERICANS AT HOME WHO SYMPATHIZED WITH, DEFENDED OR AIDED THE NEW REPUBLIC OF CHINA. ABOVE ALL, WE ATTRIBUTED TO RUSSIAN PLOT, A RESULT REALLY DUE TO OUR SHORT-SIGHTED GREED.

OUR WAR IN KOREA BECAME AT BOTTOM A WAR AGAINST FREE CHINA, AND CHINA KNEW IT. WE INDUCED THE UNITED NATIONS TO JOIN US IN BRANDING CHINA AS AN OUTLAW. AGAINST LAW AND DECENCY AND AGAINST THE WILL OF MANY COUNTRIES, THE UNITED NATIONS PERMITTED CHIANG KAI-CHEK AND SEVEN MILLION SERFS UNDER HIS CONTROL TO PERCH BEHIND OUR WARSHIPS ON A LITTLE ISLAND THE SIZE OF VANCOUVER AND TO PRETEND TO REPRESENT AND SPEAK FOR 460 MILLION PEOPLE ON A TERRITORY LARGER THAN THE UNITED STATES.

4-11-84

-10-

CHINA WARNED THE UNITED STATES THAT SHE WOULD NOT PERMIT THIS COUNTRY IN ITS WAR ON KOREA TO CROSS THE CHINESE BOUNDARY WITHOUT RESISTENCE. WE TREATED THE PROTEST WITH THE LORDLY DISTAIN WE USUALLY SHOW TOWARD COLORED PEOPLES. OUR VALIANT MCARTHUR MARCHED STRAIGHT TO THE CHINESE BORDER AND THE CHINESE SENT HIM AND HIS ARMY RUNNING 400 MILES IN THE MOST DISASTROUS RETREAT AMERICAN ARMIES HAVE SUFFERED SINCE BULL RUN. AND ALL BECAUSE A SUPERCILIOUS AND COCKSURE GENERAL DID NOT THINK CHINESE DARED FIGHT AMERICANS. WITH VAST AND COSTLY PREPARATION OUR FORCES FINALLY REGAINED SOUTH KOREAN TERRITORY BUT DID NOT ATTEMPT AGAIN TO INVADE CHINA. AFTER MORE THAN A YEAR THE SOVIET UNION PROPOSED NEGOTIATIONS FOR PEACE. THESE NEGOTIATIONS HAVE GONE ON FOR MORE THAN A YEAR. THE CHINESE AND KOREANS HAVE YIELDED POINT AFTER POINT: ON PUSHING THE BOUNDARY OF SOUTH KOREA MANY MILES NORTH OF THE 38th PARALLEL WHICH WE HAD PREVIOUSLY ACCEPTED; ON HAVING THE SOVIET UNION REPRESENTED ON A COMMISSION FOR ARBITRATION; ON THE TREATMENT OF PRISONERS. BUT FINALLY ON THE MATTER OF RETURN OF PRISONERS WHICH WE HAD ONCE AGREED TO IN ACCORD WITH THE GENEVA CONVENTION, WE NOW INSISTED

COULD BE RESTORED ONLY AFTER WE HAD ASCERTAINED THEIR DESIRES. CHINA AND NORTH KOREA REFUSED ASSENT; DOUBTLESS THEY FELT THAT YIELDING HERE WOULD ONLY ENCOURAGE FURTHER DEMANDS. ~~WE FIGHT ON AND A THIRD WORLD WAR BECOMES INCREASINGLY POSSIBLE. WE CONSENT TO "SAVE FACE" WHICH SEEMS TO BE CHARACTERISTIC OF ASIATIC NATIONS ONLY.~~

THE PEOPLE OF THE UNITED STATES ~~ARE GIVING CONSENT TO AND MONEY FOR THIS PROGRAM. NOT ONLY THIS,~~ WE ARE HELPING FRENCH CAPITALISTS PUT DOWN LONG DRAWN-OUT REVOLT IN VIET-NAM WHICH HAS FOLLOWED YEARS OF RUTHLESS THEFT AND CRUELTY; WE ARE HELPING BRITAIN IN SOUTHEAST ASIA AND WE ARE USING EVERY AVAILABLE LINE OF INFLUENCE TO INDUCE INDIA TO JOIN US IN ENMITY TOWARD THE SOVIET UNION AND CHINA.

NEVERTHELESS THIS NATION WANTS DESPERATELY TO STOP THE KOREAN WAR WHICH HAS COST US 300,000 WAR CASUALTIES AND DEATHS BY DISEASE AND ACCIDENT; IT HAS RAISED TAXES AND PRICES TO HEIGHTS WHICH ARE MULTIPLYING AND THREATENS STRIKES AND LABOR DISORDER TO DISRUPT OUR WHOLE ECONOMY; IT IS TRANSFORMING OUR WHOLE SYSTEM OF EDUCATION INTO TRAINING FOR WAR, MURDER AND DESTRUCTION, AND IS SETTING THE WHOLE OF ASIA AGAINST

US AND PUSHING MUCH OF EUROPE INTO DISTRUST AND BITTER ENMITY; WE ARE SPENDING 150 MILLIONS TO HELP BACKWARD LANDS, BUT USUALLY ON THE EXPRESS CONDITION THAT THEY BECOME OUR ALLIES IN WAR AGAINST COMMUNISM.

BALANCING OUR EXPLOITS IN ASIA WE HAVE GIVEN MUCH HELP TO EUROPE. BUT AMERICANS MUST NOT MISINTERPRET THIS AID. IT WAS NOT CHARITY TO ALLEVIATE DISTRESS; IT WAS ARMS, GOODS AND MATERIAL FURNISHED EUROPEAN CAPITALISTS FOR INVESTMENT AND FOR ENABLING THEM TO RESIST THE RISING AND SOCIALISTIC DEMANDS OF LABOR. IT WAS ALSO SO USED AS TO FACILITATE PROFITABLE INVESTMENT OF OUR OWN FUNDS; AND LATELY IT HAS CONSISTED OF LOANS FOR EUROPEAN REARMAMENT AT A RATE WHICH EUROPE PROTESTS IS TOO RAPID FOR HER OWN RECOVERY. WE HAVE SOUGHT THUS TO UNITE EUROPE INTO AN ALLIANCE AGAINST THE SPREAD OF COMMUNISM AND WE HAVE TRIED AT THE SAME TIME TO ARM JAPAN AND WEST GERMANY AS OUR ALLIES AGAINST THE SOVIET UNION. THIS IS A DANGEROUS PROGRAM AND IS BEING RECEIVED WITH HESITATION AND RELUCTANCE BY THE WORLD. FRANCE AND WEST GERMANY ARE REFUSING TO GO FORWARD WITH THEIR PROMISES OF REARMAMENT AND EUROPE EVIDENTLY

REGARDS THE FEAR OF WAR WITH THE SOVIETS AS LESSENING.

MEANTIME THE SOVIET UNION AND ITS ALLIES BEHIND THE "IRON CURTAIN" HAVE GROWN IN GENERAL PROSPERITY; IN AGRICULTURAL PRODUCTION AND MANUFACTURES; IN HEAVY INDUSTRY AND LONG-TIME VENTURES FOR GENERAL DEVELOPMENT. THEY ALL HAVE EXCELLENT EDUCATIONAL SYSTEMS, AND THEY FIGHT DISEASE SUCCESSFULLY. THEY SHOW INNER STRESS AND STRUGGLE, AND YET THERE IS NO SIGN OF REVOLT, DESPITE OUR OPEN ENCOURAGEMENT AND OFFERS OF $100 MILLION TO SPIES AND SABOTEURS FOR FOMENTING INNER REVOLT. THE SOVIETS WERE THE ONLY MEANS BY WHICH THE WEST COULD PUT DOWN FASCISM, AND WHETHER WE LIKE IT OR NOT THESE NATIONS SEEM CERTAIN TO SURVIVE AND TO DEVELOP THEIR WAY OF LIFE. THERE IS TODAY NO APPARENT COMBINATION OF NATIONS CAPABLE OF REDUCING COMMUNIST NATIONS TO SUBSERVIENCE BY FORCE. COMMUNISM TODAY RULES AT LEAST HALF OF MANKIND.

THE SOVIET UNION HAS MADE NO RECENT MOVEMENT THAT CAN BE CALLED AGGRESSION AND HAS CEASELESSLY ADVOCATED A WORLD PEACE MOVEMENT WHICH WE HAVE BEEN SORE PRESSED TO IGNORE AND HAVE RETALIATED BY MAKING IT DANGEROUS FOR AMERICANS TO ADVOCATE PEACE

WITH THE ELECTION OF DWIGHT EISENHOWER AS PRESIDENT WE AND THE REST OF CIVILIZATION AWAIT THE MOVE TOWARD PEACE WHICH MUST COME UNLESS WE MOVE TOWARD BANKRUPTCY OR A THIRD WORLD WAR. EISENHOWER'S FIRST STEP WAS HIS PROMISED VISIT TO KOREA. THIS PROVED, SO FAR AS OUTSIDERS CAN JUDGE, TO BE A MILITARY INSPECTION SUCCEEDED BY A COUNCIL OF WAR, WHICH GENERAL MCARTHUR EVENTUALLY ATTENDED. I CANNOT SEE IN THESE ACTIONS ANY REAL PLAN FOR PEACE. THE UNITED STATES IN CURRENT UNITED NATIONS SESSIONS TOOK THE FAMILIAR STAND THAT IF CHINA AND NORTH KOREA WOULD NOT ACCEPT OUR LAS WORD ON KOREAN PEACE, WAR WOULD CONTINUE. WE CONTINUED TO FORECAST WAR WITH THE SOVIET UNION, HELPED BY SPIES, PROPAGANDA AND FOMENTED REVOLUTION. THE INDIAN PROPOSAL ACCEPTED THIS LAST WORD, WHICH WAS REJECTED BY CHINA; BUT WITH A COUNTER-PROPOSAL OF A CEASE-FIRE IMMEDIATELY AND SUBSEQUENT CONSULTATION ON ALL OTHER SUBJECTS. THIS WE REJECTED WITH CONTEMPT. THE PRESIDENT-ELECT LOSES has lost NO OPPORTUNITY TO EMPHASIZE THE

SHORT-COMINGS OF COMMUNISM AND THE PROBABILITY OF EVENTUAL WAR.

THE NEXT OCCURRENCE OF FIRST INTEREST IS THE EISENHOWER CABINET. THIS IS UNDER THE COMPLETE CONTROL OF BIG BUSINESS, WITH A BACK-LOG OF MILITANT SUPPORT: OF ALL THE COMBINED MONOPOLIES, TRUSTS, FINANCIAL POOLS AND CARTELS WHICH TODAY CONTROL THE INDUSTRY AND COMMERCE OF THE WORLD OUTSIDE THE COMMUNIST LANDS. IF THE WORLD STOPS WAR, IT WILL BE BECAUSE BIG BUSINESS SEES MORE PROFIT AND POWER IN A PROGRAM OF PEACE THAN IN A THIRD WORLD WAR. THE ANSWER TO THIS LIES MAINLY IN OUR DOMESTIC ECONOMY AND MORE ESPECIALLY IN OUR LABOR MOVEMENT. THE DEATHS OF TWO PROMINENT LABOR LEADERS MAY INFLUENCE THE ANSWER TO THIS QUESTION. PHILLIP MURRAY BECAME IN HIS LATER YEARS A FANATIC ON RED-BAITING AND WILLIAM GREEN ALWAYS REPRESENTED CAPITAL AS THE OBJECT OF LABOR UNIONS MORE THAN ANY PLAN OF SOCIAL CONTROL. THE POLICY OF GREEN WILL BE PURSUED BY HIS SUCCESSOR BUT WITH LESS PERSONAL INFLUENCE. REUTHER WHO NOW HEADS THE CIO IS A MODERN LABOR POLITICIAN WITH NO FIRMLY HELD IDEALS.

AS LONG, THEN, AS WAGES REMAIN HIGH AND RISE CONTINUALLY WITH PRICES, AND

We were fearful yesterday of peace, lest the stock market gamblers free billion dollars

THERE IS LITTLE UNEMPLOYMENT, LABOR WILL SUBMIT TO WAR. BUT WAGES AND EMPLOYMENT DEPEND TODAY ON THE CONTINUING HIGH PROFITS OF WAR INDUSTRY. IF WE HAVE PEACE, PROFITS WILL FALL, WAGES WILL DROP AND UNEMPLOYMENT WILL ENSUE. IT IS SIMPLY IMPOSSIBLE FOR THE UNITED STATES TO PRODUCE WAR MATERIAL AT THE PRESENT RATE AND PAY FOR IT WITH HIGH TAXES ON THE POOR AND MIDDLE CLASSES WITHOUT BANKRUPTCY. A PROGRAM OF PUBLIC EXPENDITURE FOR THE COMMON GOOD CAN BE ADOPTED TO REPLACE WAR EXPENDITURE, but SUCH A PROGRAM CONGRESS OPPOSES AND THE PRESIDENT-ELECT DOES NOT ADVOCATE, BECAUSE IT INEVITABLY MEANS SOCIALISM.

WITHOUT SUCH A SOCIAL PROGRAM AND WITH PEACE, THE PROTEST AGAINST HIGH TAXATION WILL BECOME IRRESISTIBLE AND FALL OF PRICES WILL ENSUE. THE BANKS, WITH THEIR VAST POWER, CAN SLOW UP THE STAMPEDE, BUT HOW LONG IT IS NOT EASY TO PREDICT: A FINANCIAL COLLAPSE IS CERTAINLY POSSIBLE, AND THE FACT THAT WE HAVE THUS FAR AVOIDED ONE WILL BE OF LITTLE AVAIL. IF WE CANNOT AVOID A CRISIS, WE WILL still HAVE PEACE, BUT PEACE AT THE PRICE OF ADOPTING IN 1954 THE SAME KIND OF SOCIALISTIC NEW DEAL WE

96-11-24

TURNED TO IN 1930. IT IS THE VERY REAL FEAR OF THIS BY BIG BUSINESS THAT KEEPS US AT WAR AND THREATENS US WITH MORE WAR. BUT WILL CONTINUED WAR SAVE US? FOR A LITTLE TIME, PERHAPS, BUT NOT BY ANY POSSIBILITY FOR LONG. THIS HAS BEEN A CENTURY OF WAR ON AN UNPRECEDENTED SCALE. IT CANNOT LAST. THAT WE ALL KNOW. NO TERROR OF BOMB OR SIZE OF ARMIES OR MILITARY EXPENDITURE CAN ACCOMPLISH THE IMPOSSIBLE. EITHER PEACE TODAY OR PEACE TOMORROW AND IN NEITHER CASE CAN WE AVOID AN AWFUL COST IN DESTRUCTION, DEATH AND CRIPPLING OF YOUTH, INSANITY AND CRIME.

IMAGINE A SPEAKER OF THE FEDERAL HOUSE OF REPRESENTATIVES SAYING IN HIS ACCEPTANCE ADDRESS, "WERE IT NOT FOR THE ADVENT OF MARXISM, EUROPE TODAY MIGHT BE PEACEFUL AND HAPPY. CHINA MIGHT BE FREE. CERTAINLY OUR SONS WOULD NOT BE FIGHTING IN KOREA." IS MARTIN UNAWARE THAT IN THE LAST 188 YEARS, BEGINNING BEFORE MARX WAS BORN, THERE HAVE BEEN 300 WARS, NOT A TENTH OF WHICH COULD POSSIBLY BE ATTRIBUTED TO SOCIALISM OR COMMUNISM; THAT CHINA HAS NOT BEEN AS FREE AS IT IS

16-11-94

NOW IN A THOUSAND YEARS, AND THAT THE BEGINNING OF WAR IN KOREA DATES BACK 1800 YEARS?

OUR ABILITY IN THE UNITED STATES TO AVOID WAR OR UNEMPLOYMENT, SOCIALISM OR BANKRUPTCY DOES NOT DEPEND SOLELY ON OUR OWN EFFORTS IN OUR OWN NATION. RATHER IT DEPENDS TO A VERY LARGE EXTENT ON THAT WORLD OF TRADE AND CONTROL THROUGH INVESTMENT WHICH IT HAS BEEN OUR UNREMITTING EFFORT FOR TWO CENTURIES TO DRAW WITHIN OUR INFLUENCE AND MAKE THE FOUNDATION OF OUR COMFORT AND POWER. BY THIS I MEAN THE COLONIES OF ASIA AND AFRICA; THE SOUTHERN NATIONS OF THE AMERICAN CONTINENT; THE SO-CALLED NEAR EAST AND THE ISLANDS OF THE SEAS. FOR NOW MORE THAN TWO CENTURIES, THESE REGIONS HAVE PROVIDED US WITH FOOD, LUXURIES AND RAW MATERIALS FOR OUR TRADE AND STORES AND FACTORIES, AND TODAY NO MATTER WHAT WE WISH OR DO, THEIR THOUGHT AND PLANS, THEIR REVOLT AND HATE ARE NOT SIMPLY MATTERS OF FOREIGN NEWS AND SCIENTIFIC CURIOSITY, BUT MATTERS OF OUR DAILY LIFE AND CONCERN. THESE NATIONS,

RACES AND PEOPLES ARE TODAY IN INCREASING UNREST AND FERMENT. IT DOES NOT MATTER JUST WHAT HAS CAUSED THIS FERMENT, THE HARD FACT IS THAT IT EXISTS AND INCREASES. IN ASIA IT HAS FREED IN OUR DAY FROM WHITE CONTROL A THOUSAND MILLION BROWN AND YELLOW PEOPLE. OF THIS WE ARE AWARE AND THIS HAS DRIVEN US TO WAR AND KEEPS US FIGHTING IN VAIN TO STOP THE TREND.

RECENTLY A NEW MASS OF RACIAL AND COLONIAL PROBLEMS HAS FACED US AND THIS IS THE REVOLT IN AFRICA. AFRICA IS INTRICABLY BOUND TO AMERICA, NOT ONLY BY PAST HISTORY BUT BY PRESENT TRADE. ON AFRICA WE DEPEND TODAY FOR PALM OIL AND RUBBER; COCOA AND COPPER; GOLD AND DIAMONDS; URANIUM AND ZINC, LEATHER AND SPICES, IRON AND TIN, AND A HUNDRED OTHER MATERIALS; AND ON HUMAN LABOR FOR US AT A PRICE ONE-TENTH AS HIGH AS WE PAY LABORERS AT HOME. THESE GOODS AND THIS LABOR MAKES OUR WAY OF LIFE SO ENJOYABLE AND MAKES THE TEMPER OF AFRICANS INCREASINGLY BITTER AND VENGEFUL, DESPITE THE TALES OF MISSIONARIES OR THE PROPAGANDA OF POINT 4.

WHEN THE FOREIGN SLAVE TRADE DIED IT GAVE BIRTH TO COLONIAL IMPERIALISM

46-11-92

AND THE PARTITION OF AFRICA. PROFIT ON AFRICAN COLONIES THEN GREW FROM THE GOLD AND DIAMONDS OF SOUTH AFRICA AND THE ATTEMPT OF CECIL TO OPEN A ROAD FROM CAPE TO CAIRO OVER THE PLATEAU OF KENYA. AMERICAN CAPITAL IS TODAY THE CHIEF SUPPORT OF THE MALAN GOVERNMENT OF BLACK SERFS WHO ARE WITHOUT TRADE UNIONS OR THE RIGHT TO VOTE. IN KENYA FIVE MILLION NATIVES HAVE BEGUN TO BOIL OVER AND MURDER AND DESTROY BECAUSE 240,000 SQUARE MILES OF THEIR LANDS HAVE BEEN STOLEN BY WHITES SINCE THE FIRST WORLD WAR, TO SUPPORT AN ARISTOCRACY WHO USE BLACK LABOR AT SLAVE WAGES AND ALLOW THEM ALMOST NO VOICE TO PROTEST. IN WEST AFRICA OPEN REBELLION DURING THE LAST FIVE YEARS, PLAYED DOWN IN OUR PRESS, HAS SET UP ONE BLACK STATE WITH NEGRO RULE, WHILE ANOTHER WILL SOON FOLLOW. FIGHTING WITH THE BLACKS IN SOUTH AFRICA AND KENYA ARE 200,000 EAST INDIANS, KIN OF 350,000,000 OTHER INDIANS IN ASIA. HOW LONG DO THE WHITES OF THE WORLD THINK THEY CAN RULE AND OPPRESS THESE MASSES OF COLORED PEOPLES? HOW LONG CAN THE BLACK LABORERS BE FOOLED BY ACCUSATIONS THAT SOVIET RUSSIA IS THE CAUSE OF COLONIAL DISTRESS, WHEN RUSSIA

HAS NO COLONIES AND IS THE ONE EXCEPTION WHICH SAVES THE PRESENT WORLD STRUGGLE FROM BECOMING A WAR OF RACES?

IT IS FANTASTIC TO DREAM OF SUCH DEVELOPMENT OF HISTORY. IT IS THE PATRIOTIC DUTY OF ALL AMERICANS TO CRY HALT! FIRST PEACE ON EARTH; THEN AN EFFORT TO ABOLISH POVERTY AND IGNORANCE AND TO DECREASE DISEASE; AND THEN WORK FOR REAL BROTHERHOOD AMONG MEN, NOT AS PHILANTHROPY BUT FOR SELF-PROTECTION BEFORE IT IS TOO LATE!

THE TERRIBLE FAREWELL MESSAGE OF PRESIDENT TRUMAN ~~TO~~ A COUNCIL OF DESPAIR. NATIONS ARE NOT COMPELLED TO FIGHT UNLESS THEY FEAR PEACE MORE THAN WAR. THE PRICE OF PEACE TODAY FOR THE UNITED STATES IS FREEDOM FOR COLORED PEOPLES WITH THE RIGHT TO SELL THEIR LABOR AT SUCH PRICE AS THEY CAN GET; TO OWN THEIR LAND; TO SEEK EDUCATION. IT DEMANDS THE RIGHT OF HALF THE WORLD TO ADOPT SOCIALISM IF IT WISHES, AS A WAY OF LIFE. IF THE EXPERIMENT FAILS, THE FAILURE IS CHIEFLY THEIRS. CERTAINLY OUR SUCCESSFUL INDUSTRIAL DEVELOPMENT HAS NOT MADE MOST PEOPLE OF THE WORLD

HAPPY, NO MATTER HOW MUCH IT HAS ADDED TO THE WEALTH AND POWER OF A FEW. IT IS NOT ONLY WRONG BUT AS IT NOW SEEMS, IMPOSSIBLE, FOR THE UNITED STATES TO COMPEL MANKIND NOT TO MAKE THIS VAST EXPERIMENT. CERTAINLY THE ATTEMPT TO STOP IT BY FORCE MAY DESTROY CIVILIZATION.

Lately, as you know, the whole war situation in the world has ~~b~~been changed ~~and changed~~ by new offers of peace from the Soviet Union. The Soviet Union accepts the plan of returning prisoners taken in the Korean war ~~in~~ in accordance with their ~~consent~~ wish, and ~~adopting~~ adopts in essence the United States plan for universal disarmament. The offer ~~of the Soviet Union~~ does not, naturally accept everything that the United States has asked, but nevertheless the offer is broad. We can and do suspect it. We can also continue to stall and object. We can increase our demands, as in the case of the division of Korea and the disposal of Formosa.

But if people like you insist, Peace on Earth is ~~here.~~ might Our soldiers can return from ~~a~~broad and we can stop trying to arm the earth for war. Taxes can come down and still we can have money ~~left~~ for more education, for ~~xxxxxxxxxxxxx~~ social medicine, for housing and for flood control.

If ~~of course,~~ however you continue to be misled by hysterical fear of the Soviet Union and Communism, war will continue, and you will go on toward the inevitable penalty of those persons and peoples who in the past have tried to conquer the earth.

REVOLT IN AFRICA
by W.E.B. DuBois

36-10-164

A few months ago in New York a young man who had not reached his 42nd birthday put his head in a gas oven and committed suicide. He had received his bachelor's degree summa cum laude, had been admitted to Phi Beta Kappa, and got his Doctorate in Economics from one of four chief universities. His thesis was used in the economics courses in several colleges, and he served the United States Resources Planning Board. He was, when he died, Chief of the Africa Unit of the Division of Economic Development in the United Nations. He just returned last winter from a mission to Somaliland, East Africa. The most important fact about him in the mind of this nation was that one or two of his grandparents were of Negro descent.

But he epitomized in his short life the disappointment and frustration of a modern man of African descent. He was never offered a first-class academic appointment in any college. He had chosen an area of study, Economics, which no one in this nation today dare study save as a branch of higher mathematics. He went to Africa to study one of the most miserably exploited regions of the world, with a history of struggle coming down 4000 years from the Egyptian 12th Dynasty to yesterday when the United Nations handed Somaliland back to the Italians. Wracked by the fever of aterrible climate, this young scholar came back to a nation where the social group to which he was bound was torn in leadership. His friends were railing at William Patterson for telling the story of Negro genocide to the UN. He found me, once a fellow teacher, whose daughter had been his own teacher, hand-cuffed and threatened with jail for talking of peace. He found it impossible to write or talk economics in a nation which was owned by big business both in physical body and literary soul. He killed himself.

Not many persons would react so tragically to news of Africa and her children; yet nearly everyone suddenly faced with the problems of Africa today is at least astonished.

36-10-165

You have never heard of revolt in Africa and indeed you have seldom heard of Africa, because Africa for long years has not been regarded as "news." No American press correspondents are regularly stationed in Africa and cablegrams sent from Africa usually treat solely of its white inhabitants or their interests. College courses on Africa are rare.

This was unusual before 1600. To the Greeks Africa was what Europe is to us. The Romans said, "Semper novi quid ex Africa." (Always something new out of Africa). The Middle Age faced Asia through Africa, and today perhaps after 300 years of studied effort not to see or hear of Africa, Africa is forcing itself on the world's attention.

The whole story of the present upheaval cannot be compressed in a short talk. I plan therefore to follow the modern history of the Nile Valley down to South Africa and thereby to indicate the other areas of unrest and revolt.

Just as the cotton kingdom rose to power in America in 1820, Mohammed Ali conquered the Sudan and made it the greatest slave market of the modern world, to furnish ivory for the pianos of America, and soldiers and servants for the Turkish Empire. British philanthropy had been able in the 19th century to stop the slave trade from Africa to America because it was becoming unprofitable. Nevertheless, in the Valley of the Nile a new slavery became the

36-10-166

opening door to a new colonial imperialism in which England, and France and Germany, joined at last by the United States, annexed a continent, and stole its labor and vast wealth. As a result there is tody revolt in North Africa, revolution in West Africa, murder in Kenya, strikes in the Belgian Congo, unrest in Tanganyika, rebellion in Egypt, and in South Africa the beginning of a world war of races along the color line.

For a thousand years or more tribes of Central Africa have been moving south, first to escape West African expansion and later to flee from Mohammedan imperialism, which Mohammed Ali in the Sudan personified. Some of these black men adapted Mohammedan culture and rebuilt it in the Western Sudan, but others moved south in waves, building and overthrowing kingdoms like the Kitwara, the Congo, and the high culture of Zymbabwe. Late in the 18th century the Bantu, as they came to be called, appeared in South Africa. Here the Dutch met them, and later the English met Dutch and Bantu.

For 130 years after the advent of the English there ensued here, one of the weirdest phantasmagorias this world has seen. It marked revolution in the relations of white Europe and Black Africa. Here, far below the great lakes on the high plateau of the South, men fought for half a century until they not only destroyed and rebuilt peoples, but struggled to make diamonds and gold the center of a new world trade, a new domination of human beings, and a new rule of wealth and capital. The Dutch pioneers strove to absorb or enslave the Hottentots and to fight with black invading Bantu for land and cattle; and then they fought against white English settlers to avoid political control and to secure their own autonomy. The blacks, now called Xosa, now

36-10-167

Kaffirs, now Zulus, fought to drive off the white devils whom they murdered to cast off the evil that encompassed them. The British fought for empire.

When the Crimean war began the modern effort of Europe to control the Middle East, and just before the terrible Indian mutiny which warned Britain in Asia, one tribe in Africa attempted the most horrible mass suicide of modern times. The main body of warriors had been pushed back uhtil panic seized them, and two years after the Crimean War, at the command of a prophetess, the people seeing the onslaught of two bands of whites, killed and ate their cattle which were their wealth and high cultural symbol. They sowed no crops, they saved only their long spears, and hoped thus to bring a whirlwind to sweep the whites into the sea and to call their heroes back from the dead. 100,000 Zulus starved to death on the high plateau which covered the gold and diamonds of the world.

This tragic symbolism did not change the course of the world or Africa. More tribes of black men moved south from the Zambesi River; the stubborn Boers still strove to establish an independent state beyond the Vaal River and adjoining the Indian Ocean.

1870 was a year of doom for Africa. It was the year of the Battle of Sedan, and the year after the Suez Canal was opened. Gladstone had become Prime Minister of England. In South Africa stood three men, each over 6 feet tall and massive of frame. The oldest was the Dutchman, Paul Kruger, a stern, Bible-worshiping fanatic fighter and hunter, who hated the British and despised the blacks. The youngest was Cecil Rhodes, a grey-eyed blond, under age, who had come to Africa to recover from tuberculosis. The third, Lobengula, was King of the Matebele, dark bronze in color, naked but for his parakeet feather and loin cloth, 37 years old, who

36-10-168

had just become King of a nation risen from the conquests of the terrible Chaka and which had established itself on the high hills between the Limpopo and the Zambesi.

These three fought for Africa. There was a fourth man who should h ve been here, but David Livingstone, the missionary, died in 1871, and with him died all hope of an ethical solution of the Africa problem.

The attitude of Europe toward Africa was changing. Africa, inste d of being an unknown land, source of transported slave labor, was suddenly to become a source of diamonds and gold, so that the world's luxury and wealth was to be measured by its products.

Stock companies centering in the capitals of the world replaced the individual exploiter. Organized commerce with Africa products began to belt the world, helped by new ways of making steel and of with new explosives for killing natives communicating by telegraph and telephone.

Of the three leaders of South Africa, Kruger was protagonist. His forefathers h d fough the Hottentots and had to some degree mixed their blood with them. The Dutch-Hottentot mulattoes moved into the south center of Africa, andon their land diamonds were later found. The Dutch fought the Zulus in the east for 25 years and then treked north and northeast, where Kruger as a young officer was fighting at 17, and conquered Dingaan, Chaka's successor, in 1837.

The South African Boer Republic then formed had been promised its independence by the English in 1852, but was annexed to Great Britain in 1877 by Disraeli, representing the new colonial imperialism. This led to war between England and the Boers until Gladstone, returned to power, gave South Africa its independence in 1881.

Here enters Lobengula. He was nursed by a Boer girl in childhood until in 1870 he succeeded Umselikatsi who had revolted from

Chaka and fled west and north to Bechuanaland. There Lobengula built up his policy of appeasing the whites. He sought peace with the Boers and moved north to avoid the British who were in bitter strife with the successors of Chaka. Between the two nations of whites the young black king was avoiding war when Cecil Rhodes moved on the scene.

Cecil John Rhodes was born in England in 1853, one of a clergyman's family of twelve. It was this man who put new meaning into the wars of Africa. Sick with tuberculosis, he landed in South Africa at the age of 18, four years after that great diamond, the Star of Africa, worth $125,000 had been found on the farm of a mulatto Watepboer at Kimberley. Diamonds soon came to be the high sign of luxury, extravagance and wealth, bedizening the bare breasts of all the prostitutes of London, Paris and New York, and furnishing wedding rings to the white world.

36-10-169

Rhodes, after coming to South Africa in 1870 was soon earning $500 a week, and returned to England three years later, already rich before he was of age. He sought training and matriculated at Oxford. It was here he got his inspiration and was called of greed to rule the world. It was here that he heard the great John Ruskin, grey-haired, with burning eyes, prophetof empire, summon before him in those old, arched and crenelated halls, the young gentlemen of England to: "A destiny now possible to us, the highest ever set before a nation; to be accepted or refused. Will you youths of England make your country again a real throne of kings, a sceptered isle, for all the world a source of light, a center of peace."

Rhodes returned to South Africa filled with a vision of making England master of the wealth of that land, with millions of Negroes to extract the wealth from the rich earth, and with Rhodes himself

to unite South Africa with the Valley of the Nile.

In South Africa the English soon made good their claim of ownership of Briequaland, where the diamonds lay. They followed Rhodes up into the great central section of South Africa, Bechuanaland, and further north in Uganda. Eventually they established a protectorate of East Africa and gave away the land of Kenya.

Meantime, in the valley of the Nile, things too had begun to happen. The English had begun to look at the citadel of Africa, which is Ethiopia. In 1867 they had moved against the Emperor, so that Ethiopia's armies were quickly overthrown and Theodore, King of the Kings of Ethiopia, putting a pistol in his mouth, blew out his brains. His conqueror became a British Earl. ButtBritain retreated for Rhodes was only 14.

36-10-170

When the Suez Canal, started by the French, was finished in 1869, it became the umbilical cord of British colonial imperialism from Gibraltar to Bombay. It then was clear to the British that they must dominate the Nile Valley. But the French also were looking at the Nile as the western boundary of an empire which began with Algeria in 1830. After the Franco-Prussian War, Bismarck added Tunis to France, despite the fact that Tunis was ancient Carthage and Italy was insanely determined to annex it, from the premiership of Crispi to the dictatorship of Mussolini.

A french empire in Africa began to arise. Slowly but surely French outposts moved east, past Lake Chad and south to Guinea where the British had already been fighting, stealing and intriguing for 200 years and were watching carefully as France dug the Suez Canal.

Egypt also entered, sending Chinese Gordon down into the Sudan ostensibly to stop the slave trade, but really to encroach on Ethiopia.

St nley, the Americ n, and Leopold of Belgium, conspiring together seized in the center of Africa a territory 14 times the size of Belgium. The European scramble for Africa started.

Gladstone, the great liberal, coming to power between 1868 and 1874 was slow in seizing a British share and came under attack by the new colonial imperialism. On the other hand, his successor, Disraeli himself, bought the shares of the Suez Canal from Egypt in 1875, sold them to England and in 1876 flattered Victoria by making her Empress of India, the zenith of British imperialism.

36-10-171

Thus three European nations were converging on the Valley of the Nile; Britain, France and Italy, and were led by explorers and missionaries, armies and liquor. In 1876 France and England together took charge of the Suez Canal, while Chinese Gordon, often drunk, moved up the Nile--to save the Sudan for Egypt by re-opening the slave trade.

Suddenly in 1883 in the Sudan the blacks revolted, led by the Mahdi who dilled Gordon. For thirteen years Britain was stopped dead in her traces on her march up the Nile. But Italy, still hungry for North Africa, was urged by England to fasten her hold upon Ethiopia and the Red Sea.

Rhodes in South Africa began to implement this work when in 1884 on the Ridge of White Waters in the midst of the Boer dominion gold was discovered. Gold, the touchstone and symbol of wealth from ancient Thebes to modern New York. Gold, which added to the diamonds and afterward to copper, made South Central Africa the greatest single center for the exploitation of wealth and enslavement of human labor that the world knew. Rhodes organized and centralized the diamond business and began to regiment the workers. But the stubborn Boers were in the way, having established a republic independent of England

which stretched straight across the region where gold was found.

Paul Kruger became President of the Boer State in 1883 just as the Mahdi rebelled in the Sudan; and that same year his European kinfolk, the Germans, appeared in Southwest Africa, over which a German protectorate was extended. A few years later the Germans appeared in East Africa, and thus the British path from Cape to Cairo was threatened by another great European power.

36-10-172

Negroes from all South and South Central Africa were gradually being herded into the diamond fields and gold mines, and new and astonishing wealth began to pour into Europe. There were black revolts and native war. Thousands of whites and blacks died. A Zulu Assigai killed the Prince Imperial of France, but the prize of Africa was vast.

Today out of Africa comes 98% of the diamonds of the world; 80% of the cobalt; 75% of the sisal hemp; 70% of the palm oil; 70% of the cocoa; 60% of the gold; 35% of the phosphates; 30% of the chrome and manganese; 20% of the copper and 15% of the coffee. This was the prospect that beckoned colonial imperialism in 1880.

Rhodes had to have the Boers out of his way. The gold was his but the Boers ran the government. They had resisted unexpectedly and fiercely in 1880-1881, before gold was found, so that Britain with Gladstone again at the helm recoiled, but Rhodes now pressed on. He sowed ill-will between Matabele and Boers by conniving at the murder of Kruger's envoy to Lobengula. Through the missionary, Moffat, he secured by fraud from the suspicious and unwilling Lobengula the celebrated Rudd concession to dig for gold. In 1889 he formed the British South African Company in England, and the year before had secured the diamond monopoly of the world.

Rhodes must now have control of Matabeleland in order to sell more shares of his South African Company. With this land in his control he could prospect for gold not only there, but in Mashonaland beyond where the blacks had once built the great civilization of Zimbabwe, which probably Lobengula's forefathers had overthrown. Even if no gold was found shares would sell. Rhodes therefore sent his friend, Jameson, into Matabeleland to start the quarrel which he must have. Jameson promised his followers 600 acres of land and 20 gold claims each and their share of 200,000 cattle. With them he raided the Matebele, mowing them down with the newly-invented Maxim guns.

36-10-173

Still the Matebele were not easily conquered. The English general said:

"With furious courage they flung themselves upon the British artillery. No civilized troops could have withstood the terrible fire which they did that day for at most half as long."

Lobengula finally knew he was beaten. He had appealed to Queen Victoria, but his letters had been deliberately mislaid. He tried every strategy, but the white Bishop of Mashonaland prayed God "that the wicked Matebele be destroyed." On came the English troops. The black King, sick with disappointment blew up his capital city. He told his warrior, "You have done your best, my soldiers. You can help me no more. Go now to your Kraals. Go sweetly. Go in peace." Turning toward the river the streamed into the Zambesi, the last fighting king of the Zulus died wrapped in the skins of his sixteen black oxen.

Rhodes was now on the way to success, despite the fact that in 1893 Kruger was re-elected President of the Boer Republic. Lobengula was dead, and his territory was renamed Rhodesia. Rhodes was able to dump a million shares of his South African Company on the London world market, and they were unloaded at $40 a share. One

year later, in 1890, Rhodes became Prime Minister of Cape Colony, dominant province of South Africa; and on the London market he became master of the gold and diamonds of the world. He was so rich he did not know his wealth.

Meantime, in the Valley of the Nile, while both the English and the Egyptians were fighting the Kalifa who succeeded the Mahdi, the Italians moved in to control the Emperor Johannes of Ethiopia. He was killed and wa succeeded by Menelik, whom the Italians had helped to power and considered their tool. They pretended that he had signed a treaty handing over the control of the foreign affairs of Ethiopia to Italy. This Menelik steadily denied, and when war ensued in 1896 he killed 25,000 Italians at Adua. Crispi resigned. Italy retreated.

36-10-174

For a moment the white western world held its breath. Black Menelik was making alliance, political and industrial, with France, which had already resulted in a railway to the sea. The French were slowly approaching the Nile from the west, and Ethiopia was to meet them from the east. It looked as though Great Britain might lose control of the Nile Valey.

It was then that the Tory Prime Minister, Salisbury, discovered the Chinese Gordon, now dead 12 years, had been a saint and must be avenged. He sent General Kitchener to the Nile armed with the new explosive dynamite invented in 1886. Kitchener's army killed 27,000 Sudanese, recaptured their capital, Khartoun, dug the Mahdi from his grave and publicly defiled his corpse. He then turned to the French and gave warning. France was not ready to go to war with Britain over the control of the Nile. It was agreed at Fashoda to give the Nile to Britain, and the French Army never met Menelik.

The explorer, the missionary, the prospector, the trader, the hunter, and the soldier, all played their parts. Religion, cheap gin, syphilis and arbitrary government by distant rulers came to nations of farmers and hunters, black and white. The great diamond hole at Kimberley was dug two miles down into the ground. Johannesburg, a miniature New York, raised its towers on the windswept high veld of the Witwatersrand over a world of Gold.

36-10-175

Feverishly Cecil Rhodes, facing death and spitting up his lungs in blood, pursued his world-grasping path. He wanted union with America, with a secret society organized like Loyola's, dictated to by the accumulated wealth of those whose aspiration is "to do something." Thus spoke the forerunner of Hitler 100 years before Hitler was conquered by the Soviet Union. Rhodes had at the time at least a quarter of a billion dollars and could easily have had twice that sum. He made his way by wealth. He bribed everybody--Boer, Kaffir, members of the British Parliament, great gentlemen.

With the end of the Matebele War in 1893 Rhodes straddled Africa. One foot was planted on the Cape of Good Hope where he was Prime Minister. The other in Rhodesia, so named in 1895, where he represented the British South Africa Company. He chose his grave there beside the graves of the mighty Zulu King's. Beneath him was Kimberley and the diamond mines. Beyond was a new German Africa, but for the present he ignored it. What he lacked was political control of the gold of Johannesburg, which his incorporated companies owned.

In Johannesburg lived Englishmen and other Europeans far outnumbering the Boers. They had long thought of seeking political power by force. Rhodes considered the time now ripe, and encouraged

his pal, Dr. Jamison, now in Rhodesia where he had been victorious over the dead Lobengula. Jameson prepared to make alliance with the greedy Uitlanders of Johannesburg. They planned the raid and seizure. He lurched out, but the stubborn Boers met him. He was quickly overthrown and the fat was in the fire. Rhodes had to resign from the Cape Colony government and was compelled to meet a new rebellion of the Matebele; and also parliamentary investigation in London. He never wavered. If he could save Rhodesia he was safe in Britain, and Britain must rule the world.

36-10-176

The new war in Matebeleland was bitter. The natives no longer rushed to certain death into the mouths of machine guns. They lurked and attacked by surprise. A fifth of the white troops were soon dead and the rest were hiding in the guarded towns. The cost of the war to Rhodes' South African Company threatened to reach $25,000,000. Shares were dropping on the London market. Rhodes had to win by deception if not by force. He went in person. He cajoled the Matebele chiefs. He procured the assassination of the witch doctor M'Limo. He pleaded with the head chief. He promised everything, until the chief yielded, "It is peace, my father."

Then Rhodes went to London and faced a parliamentary inquiry, with most of South Africa still in his hand. Little happened. Too many of the great were involved. The Queen and the Prime Minister in addition to the German Kaiser took his side, and even the culprit Jameson was eventually knighted.

Still all was not well in Johannesburg. In 1898 Kruger was re-elected President of the South African Republic, and the next year Britain prepared for war which came in 1899 and lasted four long and awful years. Before it ended Cecil Rhodes was dead at 49, complaining, "So much to do, so little done."

36-10-177

But Rhodes had done far more than he thought, but of evil, not of good. His fantastic career had made Europe mad for colonial wealth and power, and particularly Germany and Italy insisted on a redistribution of colonies. This demand and the resistance of Britain and France plunged the world in 1914 into total war. The unbearable strain of the First War disrupted the industrial organization of the world and helped socialists to re-organize industry for the benefit of workers rather than owners.

All Europe was testing socialism, but it had its most far-reaching experiment in Russia, and 16 nations, including the United States, tried to stop it. Depression stopped them. Then at last Germany and Italy organized to overthrow it. Britain and France tried to cooperate but Germany asked too high a price so that Russia finally had to be asked to join the West to hold back Germany. This was done, and then in our day Britain, France and America joined again to crush socialism and restore colonialism.

Meantime Britain bought the cooperation of the whites of South Africa by giving them independence and control of land and black labor until two million whites had eight million serfs. Then Britain let the whites of Kenya retain the land she had given them after the First World War for two cents an acre, and helped force the natives who owned the land to work for these whites at $10 a month. She placed in Kenya the largest store of munitions in the Empire for eventual attack on Asia. Yesterday Britain signed a treaty to subject six million more Negroes in South Central Africa to the ownership of two hundred thousand whites. After this the inevitable is happening. In West Africa came revolt in 1948 that barely escaped civil war with riot and mutiny. It has freed thirty million natives and brought

them within a step of independence. In Kenya secret murder in the hills is now terrifying the colony. In the Union of South Africa Negroes and Indians, Africa and Asia have begun passive resistance which the whites are going to smash by force. Back of Malan who leads this effort is the United States. We have loaned South Africa 90 millions and nearly every great American corporation is investing money there. Our consul last year called South Africa the most promising young nation on earth. In Morocco is unrest. We and the French, with help of ECA funds, own a mine which gave us $9,000,000 profit in three years. The miners get 15 cents an hour. General Clay is a director. He also head our Crusade for Freedom.

36-10-178

In Africa is beginning that war of race which may start the Third World War in conjunction with revolt in Asia. Under such circumstances conceive of a Secretary of State asking America to believe that we are threatened by a Russian plot in Africa to encircle the United States. What we are threatened with and have been for a hundred years, is unbridled greed of Europe and now the United States, determined to rule mankind by force.

DO WE WANT PEACE WITH THE SOVIET UNION?

I WANT TO EXAMINE WITH YOU THIS QUESTION OF PEACE WITH THE SOVIET UNION. // SPEAKING FRANKLY AS ONE WITHOUT CONSCIOUS PREJUDICE, WHO SEEKS ONLY THE TRUTH AND THE WELFARE OF THIS NATION AND OF THE WORLD. // THE UNITED STATES ACCUSES THE SOVIET UNION OF TRYING BY FORCE TO FASTEN ON AN INCREASING PROPORTION OF THE WORLD THE SYSTEM OF SOCIALIST GOVERNMENT KNOWN AS COMMUNISM. // WHICH A LARGE NUMBER OF AMERICANS REGARD AS WRONG IN THEORY AND UNWORKABLE IN PRACTICE.

THE SOVIET UNION REPLIES THAT COMMUNISM TODAY IS WORKING WITH INCREASING SUCCESS AND IF UNHINDERED WILL PROVE ITS SUPERIORITY TO OTHER FORMS OF GOVERNMENT. // IT SAYS THAT OTHER NATIONS HAVE A RIGHT TO REFUSE TO ADOPT COMMUNISM, BUT THEY HAVE NO RIGHT TO PREVENT THE SOVIET UNION FROM MAKING THIS GREAT EXPERIMENT. // ESPECIALLY IN VIEW OF THE IGNORANCE, POVERTY AND DISEASE WHICH UNDER CAPITALISM CONTINUES TO AFFECT MOST OF MANKIND. // The Communist doctrine declares that this result is inevitable by the very nature of the capitalist system.

501-10-105

TO THIS ARGUMENT AMERICANS REPLY THAT THE SOVIET UNION HAS A RIGHT TO MAKE ITS OWN EXPERIMENT PROVIDED ITS OWN PEOPLE FREELY CONSENT AND ARE NOT TREATED AS SLAVES. // BUT THAT IT HAS NO RIGHT TO FORCE THIS SYSTEM UPON OTHER PEOPLES. // THE SOVIETS ASSERT THAT THEIR CITIZENS ARE UNDER INTELLIGENT DISCIPLINE BUT ARE NOT ENSLAVED, AND THEY HAVE REPEATEDLY INVITED STUDY OF THEIR SYSTEM AND HAVE PUBLISHED MANY REPORTS. // THEY CLAIM THAT THE SOCIAL PROGRESS OF THE RUSSIAN PEOPLE AND THEIR ALLIES FULLY JUSTIFIES THE COMMUNIST STATE. // This assertion I believe to be true after three visits to the Soviet Union in the last 25 years.

46-10-106

HERE NOW COMES A QUESTION OF FACT WHICH CANNOT BE SETTLED BY CALLING NAMES NOR BY WAR. // MOST REASONABLE PEOPLE SHOULD AGREE THAT THE WORLD CAN ONLY WAIT AND SEE. // WILL THE COMMUNIST STATE SUCCEED IN DECREASING POVERTY, IGNORANCE AND DISEASE WITHOUT TOO GREAT A CURTAILMENT OF HUMAN FREEDOM? // IF SO, THE CONTROVERSY IS SETTLED WITHOUT REVOLUTION OR WAR.

MANY AMERICANS HERE INSIST THAT AT ANY RATE // THE SOVIET UNION IS FORCING THE ACCEPTANCE OF COMMUNISM ON PEOPLES OUTSIDE THEIR TERRITORY AGAINST THEIR WILL // THEY CALL THIS COMMUNIST IMPERIALISM // HERE AGAIN THE truth can only be ascertained by SOCIAL INQUIRY AND HISTORICAL FACT.

SINCE THE ESTABLISHMENT OF THE SOVIET UNION ITS BOUNDARIES HAVE BEEN INCREASED only BY THE RE-ANNEXATION OF THE BALTIC STATES // FINLAND, WHICH ONCE WAS A PART OF RUSSIA WAS VOLUNTARILY GIVEN UP BY THE SOVIET UNION DESPITE THE FACT THAT AFTERWARD IT BECAME AS RUSSIA FEARED, THE BASE OF ATTACK ON RUSSIA BY THE GERMANS // THE RE-ANNEXATION OF THE BALTIC STATES WAS SIMPLY RESTORING TO RUSSIA TERRITORY WHICH HAD FORMERLY BELONGED TO IT AND HAD BEEN TAKEN AWAY BY THE ALLIES IN ORDER TO BECOME A BASE FOR THE EVENTUAL CONQUEST OF THE SOVIET UNION // NONE OF THE ALLIES RAISED ANY OBJECTION TO THE RESTORATION OF THESE STATES TO THE NEW GOVERNMENT // THOSE WHO now MOST LOUDLY PROTEST ARE FORMER LANDLORDS AND foreign INVESTORS.

49-10-102

OTHER STATES HAVE ADOPTED COMMUNISM AND ARE ALLIED WITH THE SOVIET UNION BUT ARE NOT A PART OF ITS TERRITORY // YUGOSLAVIA HAS WITHDRAWN FROM ALLIANCE AND NO ATTEMPT WAS MADE TO PREVENT HER // THE GOVERNMENT OF POLAND HAS SINCE THE 12TH CENTURY BEEN A STORY OF WAR, AGGRESSION AND PARTITION, AND THE ENSLAVEMENT OF ITS PEOPLES // WHEN DURING AND AFTER THE SECOND WORLD WAR THE POLISH PEOPLE TRIED TO SET UP AN INDEPENDENT GOVERNMENT THEY WERE IN GRAVE DANGER OF BEING RESTORED TO LAND MONOPOLY AND SERFDOM FOSTERED BY WESTERN CAPITAL // THE SOVIET UNION FORBADE THE USE OF OUTSIDE FORCE AND DEMANDED THAT THE MASS OF THE POLISH PEOPLE HAVE THE RIGHT TO DETERMINE THEIR OWN DESTINY // HOW FAR THIS NEW EFFORT AT SELF-RULE IS SUCCESSFUL CAN ONLY BE PROVEN BY THE COURSE OF FUTURE DEVELOPMENTS // CERTAINLY AMERICANS HAVE NO RIGHT WITHOUT PROOF TO ASSUME THAT THE PRESENT POLISH GOVERNMENT IS NOT BETTER THAN ANY POLAND HAS EVER HAD. No person who like myself saw Poland in 1893 and 1949 can have any doubt of this.

46-10-108

IN THE SAME WAY/ THE BALKAN STATES/ HAVE FOR MORE THAN 500 YEARS/ BEEN THE FOOTBALL OF WESTERN CAPITAL/ WORKING THROUGH LOCAL ARISTOCRACY/ AND LAND MONOPOLY// THE RESULTS/ HAVE LONG SHAMED EUROPEAN HISTORY// AFTER THE SECOND WORLD WAR/ ONE OF TWO THINGS/ HAD TO HAPPEN:// THE WESTERN INVESTORS/ SUPPORTING LOCAL TYRANTS/ COULD HAVE BEEN ALLOWED/ TO CONTINUE THE DISGRACEFUL HISTORY/ OF THE PAST// OR UNDER THE PROTECTION/ OF THE VICTORIOUS SOVIET ARMIES/ THE PEOPLE OF THE BALKAN STATES/ COULD BE ALLOWED TO ORGANIZE/ THEIR GOVERNMENT/ AS THEY WISHED.// HERE AGAIN/ THERE IS NO VALID SOCIAL OR HISTORICAL PROOF/ THAT TODAY/ HUNGARY, ROMANIA,/ BULGARIA AND ALBANIA/ ARE NOT BETTER OFF/ THAN THEY HAVE EVER BEEN/ IN RECENT HISTORY.

IN THE CASE OF CZECHOSLOVAKIA/ WE HAVE ANOTHER COUNTRY/ LONG DOMINATED BY WESTERN CAPITAL/ WHICH TODAY/ THROUGH THE FRIENDSHIP AND COOPERATION OF RUSSIA/ HAS HAD ITS GOVERNMENT/ PUT INTO THE HANDS/ OF THE MASS OF ITS OWN PEOPLE/ BY A LOCAL REVOLUTION/ CARRIED OUT BY THE CZECHOSLOVAKIAN PEOPLE.

46-10-109

IP OUTSIDE FORCE WAS NOT USED/ BUT IF WESTERN EUROPE/ HAD ATTEMPTED IT/ THE SOVIET UNION/ WOULD HAVE FORBIDDEN THE ATTEMPT.// WHAT HAS BEEN THE RESULT? THERE IS again NO PROOF/ THAT THIS NATION/ IS NOT SUCCESSFUL/ IN ITS NEW FORM// Indeed there is strong testimony to the contrary

IF THE FUTURE PROVES/ THAT THESE BALKAN STATES/ ARE WORSE OFF/ UNDER THIS NEW ECONOMIC DEMOCRACY/ THAN THEY WERE/ UNDER THE RULE OF WESTERN INVESTED CAPITAL/ THEN THE ARGUMENT OF AMERICANS/ WILL BE JUSTIFIED// BUT IT CANNOT BE EMPHASIZED TOO MUCH/ THAT THIS HAS NOT YET BEEN PROVEN/ and does not seem likely. To d.

IN THE CASE OF CHINA/ THERE IS NO BASIS EVEN FOR THE INTIMATION THAT CHINA WAS COMPELLED/ TO GO COMMUNIST/ BY RUSSIAN AGGRESSION.// ON THE CONTRARY, IT WAS WESTERN EUROPEAN AND AMERICAN AGGRESSION/ THAT DROVE THE CHINESE/ INTO THE COMMUNIST ORBIT.

IN THE CASE OF KOREA/ THERE IS NO DOUBT/ BUT WHAT AMERICAN INFLUENCE/, ARMS AND MONEY/ PRECIPITATED THE CIVIL WAR.// NO RUSSIAN SOLDIERS HAVE EVER

46-10-110

TAKEN PART IN THAT WAR/ AND THE SOVIET GOVERNMENT/ HAS GIVEN LESS OF ARMS AND HELP/ TO NORTHERN KOREA/ THAN THE UNITED STATES/ HAS GIVEN/ TO SOUTHERN KOREA.

WHAT IS HAPPENING/ THEN,/ IN THE WORLD/ IS NOT EXPANSION OF COMMUNISM [redacted] BY Soviet FORCE,/ BUT IT IS WITHOUT DOUBT/ EXPANSION OF THE BELIEF/ IN HUMAN UPLIFT/ THROUGH SOCIALISM,/ FOR WHICH THE SOVIET UNION STANDS.// IF WE ARE OPPOSED/ TO [redacted] THAT IDEA,/ WE CAN ONLY PROVE [redacted] OUR POSITION/ BY ~~OPPOSING~~ FURNISHING [redacted] BETTER IDEAS OF HUMAN PROGRESS;// AND THAT WE HAVE NOT YET DONE,/ AS THE PREVALENT CONDITION/ OF MOST HUMAN BEINGS/ CLEARLY PROVES.

OUR OFFERS TO HELP THE WORLD/ HAVE IN TOO MANY CASES/ BEEN DISINGENUOUS AND SELF-SEEKING.// THE MARSHALL PLAN/ WAS AN OFFER TO HELP RESTORE/ THE DOMINATION/ OF THE OWNERS OF CAPITAL IN EUROPE (and to open up profitable investment for American industry.)/ SUCH HELP [redacted] SOCIALIST GOVERNMENTS/ COULD NOT ACCEPT/ WITHOUT REPUDIATING SOCIALISM.// OUR

111-01-94

POINT FOUR PROGRAM/ IS AN EFFORT TO FURNISH CAPITAL/ AND TECHNIQUE/ TO BACKWARD COUNTRIES/ IF THE OWNERS OF CAPITAL/ ARE ASSURED TRADITIONAL POWER AND HIGH PROFIT, (from Low Wage + Cheap land) AND IF ITS ACCEPTANCE/ IS ACCOMPANIED BY A PROMISE/ TO JOIN THE UNITED STATES MILITARY AGGRESSION/ AGAINST THE SOVIET UNION.

OUR INVOLVEMENT IN THE KOREAN WAR/ WAS BASED THEREFORE/ UPON AN ASSUMPTION/ WHICH WAS UNPROVEN,/ NAMELY, THAT THE SOVIET UNION/ WAS INTERVENING/ BY FORCE INTO KOREA.// ON THIS/ WAS BASED THE TRUMAN DOCTRINE/ THAT THE UNITED STATES/ PLEDGED ITSELF/ TO PREVENT FURTHER COMMUNIST EXPANSION by FORCE DECLARING THEREFORE,/ WITHOUT PROOF,/ THAT THE CIVIL WAR IN KOREA/ WAS Soviet aggression. [redacted]/ THE UNITED STATES BEGAN WAR/ ON NORTHERN KOREA,/ WITHOUT/ THE CONSENT OF CONGRESS;// AND LATER/ THROUGH ITS GREAT INFLUENCE/ COMPELLED THE UNITED NATIONS/ TO ADOPT THIS WAR/ AS ITS OWN.

WE DID NOT STOP HERE,/ BUT IN ADDITION,/ AGAINST THE CLEAR WARNING/

111-01-113

OF CHINA, WE INVADED CHINESE TERRITORY. // THE CHINESE DROVE UNITED STATES TROOPS BACKWARD IN A 400 MILE RETREAT WHICH WAS THE GREATEST DEFEAT OF AMERICAN TROOPS SINCE THE BATTLE OF BULL RUN.

THEREUPON THE UNITED STATES (declared China the aggressor and) ADOPTED A PROGRAM OF UNPRECEDENTED MILITARY EXPANSION. // WE TRIED TO STAMPEDE THE NATION INTO UNIVERSAL MILITARY SERVICE (RAISED TAXES TO UNPRECEDENTED HEIGHTS) AND IMPRISONED COMMUNIST LEADERS, WHO WERE NOT EVEN ACCUSED OF ANY SUBVERSIVE ACTS. // WE SURROUNDED THE SOVIET UNION WITH MILITARY ESTABLISHMENTS, SENT OUR FLEET AND TROOPS TO ALL PARTS OF THE WORLD, FORMED AN ALLIANCE OF EUROPEAN AND AMERICAN COUNTRIES AGAINST COMMUNISM, // AND THREATENED USE OF THE ATOMIC BOMB!

46-10-113

THIS WAS THE GREATEST THREAT OF WAR WHICH THE MODERN WORLD HAS SEEN, AND IT GAVE RISE TO A PEACE MOVEMENT WHICH THE SOVIET UNION LED. // WE REFUSED TO DISCUSS DISARMAMENT AND CONTROL OF THE ATOM BOMB EXCEPT OUR TERMS WERE ACCEPTED WITHOUT AMENDMENT. // THE SOVIETS (later) PROPOSED CONSIDERATION

OF A TRUCE IN KOREA WHICH WE ACCEPTED. // BUT ALTHOUGH THE CHINESE REPUBLIC HAD TO BE REPRESENTED IN SUCH A TRUCE // WE REFUSED TO LET THEIR REPRESENTATIVES TAKE THEIR RIGHTFUL SEAT IN THE UNITED NATIONS, AND WE CONTINUOUSLY INCREASED OUR DEMANDS:—

FIRST, INSTEAD OF ACCEPTING THE 38th PARALLEL AS THE BOUNDARY BETWEEN NORTH AND SOUTH KOREA, // AS WE HAD PROMISED TO DO, WE INSISTED ON PUSHING THE BORDER MANY MILES NORTH SO AS TO GIVE US MORE DEFENSIBLE POSITIONS. // WE MADE DIFFICULTIES ABOUT THE EXCHANGE OF PRISONERS // AT FIRST AGREEING TO EXCHANGE (all) PRISONERS, BUT AT LAST WE DEMANDED THAT PRISONERS THEMSELVES SHOULD DECIDE AS TO WHETHER THEY WERE TO BE RETURNED TO THEIR RESPECTIVE COUNTRIES AND THAT IN ADDITION TO THAT, THIS SCREENING SHOULD BE MADE UNDER THE CONTROL OF THE UNITED NATIONS AND IN THE CONFINES OF THE PRISONS.

46-10-114

THIS CHINA AND NORTHERN KOREA REFUSED, BUT OFFERED TO ACCEPT IMMEDIATE CEASE FIRE, TO BE FOLLOWED BY A CONFERENCE ON PRISONERS AND OTHER DISPUTED MATTERS. THIS WE REFUSED, AND THE TERRIBLE KOREAN WAR PROCEEDS, HAVING ALREADY COST US IN WAR CASUALTIES, DISEASE AND ACCIDENTS NEARLY AS MANY MEN (as the 1st World War.

THEN WE TOOK ANOTHER AND WHAT MAY PROVE TO HAVE BEEN A FATAL STEP. THE EISENHOWER DOCTRINE WAS enunciated BY GENERAL EISENHOWER DURING HIS CANDIDACY FOR THE PRESIDENCY. HE ANNOUNCED THAT IN THE FUTURE WE WOULD UNDERTAKE THE DISMEMBERMENT OF THE SOVIET UNION BY SEPARATING COUNTRIES IN ALLIANCE WITH IT BY FORCE AND BY THE ENCOURAGEMENT OF SABOTAGE AND REVOLT! THIS WAS FOLLOWED BY A DIRECT APPROPRIATION OF FUNDS BY CONGRESS FOR THIS OBJECT. IN OTHER DAYS, BEFORE THE SERIOUSNESS (and extent) OF WAR HAD BEEN INCREASED BY MODERN TECHNIQUE, THIS ACTION IN ITSELF WOULD HAVE PLUNGED THE WORLD DIRECTLY INTO WAR!

S11-01-46

IN THE MEANTIME, THE IMMINENCE OF WAR HAS BEEN INCREASED BY A NUMBER OF INCIDENTS ARISING FROM THE ~~VERY~~ NATURE OF THE CASE. AIRFIELDS ESTABLISHED ON THE VERY BORDERS OF RUSSIA HAVE LED TO REPEATED INCIDENTS OF AMERICAN AIRPLANES BEING FOUND OVER SOVIET TERRITORY. WE HAVE SENT TO RUSSIA MEN LIKE WILLIAM OATIS, TRAINED IN OUR SCHOOLS FOR SPIES, AND THEN SENT TO CZECHOSLOVAKIA AS NEWSPAPER REPORTERS. WHEN THEY WERE ACCUSED OF ACTING AS SPIES WE HAVE BLUNTLY DENIED IT, BUT ~~WHEN~~ THERE COULD BE, OF COURSE, NO REAL QUESTION CONCERNING THE TRUTH OF THE ACCUSATION.

S11-01-46

AFTER EISENHOWER BECAME PRESIDENT HE AND HIS PARTY TOOK ~~FIVE~~ SIX STEPS, ANY ONE OF WHICH MIGHT HAVE RESULTED IN WORLD WAR. FIRST, HE VISITED KOREA, BUT MADE NO APPARENT EFFORT TO BRING ABOUT PEACE; RATHER HE HELD MILITARY CONFERENCES SO AS TO STRENGTHEN OUR POSITION AND PROLONG OR EVEN EXPAND THE WAR. SECOND, THE PRESIDENT ORDERED OUR NAVAL FLEET WHICH HAD

BEEN PROTECTING CHIANG KAI-CHEK/ TO BE WITHDRAWN// WITH THE IDEA/THAT CHIANG/WOULD THEN ATTACK CHINA// THIRD, THE PRESIDENT THREATENED/TO CANCEL ALL TREATIES/WITH THE SOVIET UNION// BUT AFTER CONSIDERATION,/ THIS PROPOSAL WAS DROPPED// FOURTH, THE NEW SECRETARY OF STATE/AND THE MUTUAL SECURITY DIRECTOR/MADE AN OFFICIAL TRIP TO EUROPE,/ ANNOUNCING BEFOREHAND/ THAT THEY WERE GOING TO DEMAND /INCREASED MILITARY COOPERATION/AGAINST THE SOVIET UNION/OR THE WITHDRAWAL OF UNITED STATES APPROPRIATIONS// THIS RESULT THEY HAVE NOT YET ACCOMPLISHED.// FIFTH, ON THE DEATH OF STALIN/THERE WAS MANIFEST/IN THE UNITED STATES/AND ENCOURAGED BY THE FEDERAL GOVERNMENT/AN ATTITUDE/WHICH WAS ALMOST INSULTING TO A PEOPLE/WHO WITH SINGULAR UNANIMITY/ WERE MOURNING THE DEATH OF A GREAT LEADER// SIXTH, THE UNITED STATES/OPENED THE 7th SESSION/OF THE GENERAL ASSEMBLY/OF THE UN/WITH TRUCULENCE AND STUDIED DISCOURTESY// CHARGING THE SOVIET UNION/ WITH DELIBERATELY PROLONGING THE KOREAN WAR/AND WITH REFUSING TO ACCEPT DISARMAMENT.

MEANTIME/ WE HAVE BEEN TRYING TO OVERRIDE/THE CHARTER

46-10-117

OF THE UNITED NATIONS// THIS CHARTER,/ UNANIMOUSLY ADOPTED,/ ALLOWED EACH OF THE FIVE GREAT POWERS/THE RIGHT OF VETO// THIS WAS DEMANDED/ AS STRONGLY BY THE UNITED STATES/AND GREAT BRITAIN/AS BY THE SOVIET UNION./ WE HAVE TRIED TO CHANGE THIS PROVISION/ BY UNCONSTITUTIONAL WAYS,/ SO THAT TODAY/THE UNITED NATIONS/ IS PRESIDED OVER BY A SECRETARY/WHO WAS NOT THUS LEGALLY ELECTED,// AND WE ARE SEEKING/ TO ADMIT MEMBERS/BY ILLEGAL MEANS!! IN FACT,/ THERE IS VOICED IN MANY QUARTERS/IN AMERICA,/ AND SOMETIMES ELSEWHERE// THE DESIRE AND PLAN/ TO FORCE THE SOVIET UNION/ OUT OF THE UNITED NATIONS// WHICH WOULD DEPRIVE THE WORLD/OF ITS ONLY FORUM TO PREVENT WAR.

46-10-118

MANY AMERICANS/ARE LULLED INTO INACTION/BY THE CAREFULLY SPREAD IDEA/THAT THE CONQUEST OF THE SOVIET UNION/WILL BE EASY.//THAT IT WILL BE ACCOMPLSHED BY ATOM BOMBS /, WITH COLORED SOLDIERS/FROM ASIA AND AFRICA/ HELPED BY JAPAN AND GERMANY// THIS IS A PIPE DREAM/WHICH SHOULD DECEIVE NO INTELLIGENT NATION.// NAPOLEON ONCE THOUGHT RUSSIA/ COULD EASILY BE SUBDUED/ AND LIVED TO LEARN BETTER// HITLER WAS CERTAIN/ THAT ~~XXXXXX~~ THE SOVIET UNION/ COULD NOT WITHSTAND HIS ARMIRES/AND EUROPE AND AMERICA/ BELIEVED HIM/UNTIL STALINGRAD PROVED SOMETHING DIFFERENT// IT IS OF COURSE POSSIBLE/ THAT A WORLD UNITED AGAINST COMMUNISM/ MAY TODAY ~~XXX~~

14A) OVERTHROW THE SOVIET UNION // BUT THE COST WILL BE COLLOSSAL / NOT ONLY IN WEALTH AND BLOOD: / BUT IN DEATH AND DISEASE / SUFFERING AND PAIN; / IN ART AND LITERATURE / AND THE DREAMS AND IDEALS OF MANKIND // TO PREVENT SO INSANE A STRUGGLE / IS THE CLEAR AND PRESENT DUTY / OF ALL MEN //

46-10-119

THIS THEN / IS THE PRESENT SITUATION // IT IS A RECORD OF INCREASING DETERMINATION / OF THE UNITED STATES / TO HAVE WAR WITH RUSSIA / AND TO STOP COMMUNISM BY FORCE. // NOW ON THE OTHER HAND / AND IN CONTRADICTION TO THIS, / THE DESIRE FOR PEACE / ON THE PART / OF THE MAJORITY / OF THE PEOPLE OF THE

UNITED STATES / IS WIDESPREAD AND GROWING. // HOW CAN THIS PARADOX BE EXPLAINED? // VERY EASILY. / THOSE PERSONS / WHO ARE IN CONTROL OF THE UNITED STATES / TODAY / WANT WAR. // THE MAJORITY OF THE PEOPLE / OF THE NATION / WHO ARE SACRIFICING THEIR CHILDREN / AND ARE PAYING EVER-INCREASING PRICES / AND BOWING UNDER / A STAGGERING LOAD OF TAXATION / DO NOT WANT WAR. // BUT THE RULERS OF THE NATION /, WITH OVERWHELMING INFLUENCE AND POWER / UNDER THE EISENHOWER ADMINISTRATION / ARE REPRESENTATIVES OF BIG BUSINESS / OF INVESTMENT CAPITAL / AND OF WEALTH MONOPOLY. // THEY ARE THE ONES / WHO ARE FORCING THIS NATION / TO MAKE ARMED ALLIANCE / WITH FRENCH, BRITISH AND GERMAN IMPERIALISM / TO PUT DOWN THE EFFORT OF COLONIAL PEOPLES / TOWARD INDEPENDENCE / AND AUTONOMY. // THEY ARE THE ONES / WHO ARE FURNISHING THE UNION OF SOUTH AFRICA / THE BELGIAN CONGO / FRENCH AFRICA / AND OTHER PEOPLES OF ASIA AND SOUTH AMERICA / THE FUNDS THROUGH WHICH / THEY ARE INCREASING RACE PREJUDICE / OPPRESSING LABOR / (MONOPOLIZING LAND) AND RETAINING / FOR MOST / OF THE WORKERS OF

THE WORLD/ POVERTY,/ IGNORANCE AND DISEASE.

THIS EFFORT/ OF THE RULERS OF THE UNITED STATES/ TO STOP PROGRESS/ BY WAR/ IS KEPT FROM THE KNOWLEDGE/ OF MOST INTELLIGENT PEOPLE/ THROUGH THE NEW WEAPON OF PSYCHOLOGICAL PROPAGANDA/ FIRST PUT INTO BROAD USE BY HITLER/ AND NOW INCREASED IN EFFICIENCY/ IN THE UNITED STATES.// TODAY/ IT SO LIMITS AND SCREENS/ OUR KNOWLEDGE OF FACTS// IT SO SUPPRESSES AND STILLS PUBLIC OPINION// THAT WE GET AN APPARENT UNANIMITY/ FOR WAR AND OPPRESSION/ WHICH THE ~~UNITED STATES~~ PEOPLE/ WOULD NOT/ FOR A MOMENT SUPPORT/ IF THEY KNEW THE FACTS AND REALIZED/ WHAT THE BEST OPINION/ OF THE WORLD/ IS THINKING.// THE UNITED STATES TODAY/ IS BEING TAUGHT/ TO LIE AND STEAL/ TO BELIEVE WHAT IS NOT TRUE/ AND TO TAKE LEGAL CONTROL OF WEALTH/ TO WHICH THEY HAVE/ NO SHADOW OF MORAL CLAIM.// WE HAVE DRIVEN OUT/ OF OUR VOCABULARY/ SUCH IDEAS/ AS LOVE AND HONOR, LOYALTY AND SACRIFICE.

IT BECOMES/ THEREFORE/ THE MAIN EFFORT/ OF OUR FASCIST BIG BUSINESS RULERS/ TO STOP PEOPLE/ FROM KNOWING/ AND EXPRESSING THEIR OPINIONS.// AND A FAVORITE METHOD/ OF ACCOMPLISHING THIS TODAY/ IS TO PUNISH SUCH REBELS/ BY TAKING AWAY THEIR SOURCE OF INCOME.// IT IS TODAY/ INCREASINGLY IMPOSSIBLE/ FOR PEOPLE WHO STAND FOR PEACE/ AND WHO ACKNOWLEDGE THE PROGRESS OF THE SOVIET UNION/ TO GET EMPLOYMENT/ TO PUBLISH BOOKS,/ TO BE HEARD ON THE PUBLIC PLATFORM/ OR OVER THE RADIO.// NO MORE DANGEROUS SITUATION/ COULD BE IMAGINED.// IT CAN BE MET/ ONLY BY FIRM DETERMINATION/ ON THE PART OF PEOPLE LIKE YOU/ THAT THEY WILL NOT CONTINUE/ SO SUBMIT TO THE SUPPRESSION/ OF THE TRUTH/ AND THE PROPAGANDA OF LIES/ THAT THEY WILL HAVE COURAGE/ TO STAND AND BE COUNTED, NO MATTER WHAT THE COST.

DO WE WANT PEACE WITH THE SOVIET UNION?

I WANT TO EXAMINE WITH YOU THIS QUESTION OF PEACE WITH THE SOVIET UNION, SPEAKING FRANKLY AS ONE WITHOUT CONSCIOUS PREJUDICE, WHO SEEKS ONLY THE TRUTH AND THE WELFARE OF THIS NATION AND OF THE WORLD. THE UNITED STATES ACCUSES THE SOVIET UNION OF TRYING BY FORCE TO FASTEN ON AN INCREASING PROPORTION OF THE WORLD THE SYSTEM OF SOCIALIST GOVERNMENT KNOWN AS COMMUNISM, WHICH A LARGE NUMBER OF AMERICANS REGARD AS WRONG IN THEORY AND UNWORKABLE IN PRACTICE.

THE SOVIET UNION REPLIES THAT COMMUNISM TODAY IS WORKING WITH INCREASING SUCCESS AND IF UNHINDERED WILL PROVE ITS SUPERIORITY TO OTHER FORMS OF GOVERNMENT. IT SAYS THAT OTHER NATIONS HAVE A RIGHT TO REFUSE TO ADOPT COMMUNISM, BUT THEY HAVE NO RIGHT TO PREVENT THE SOVIET UNION FROM MAKING THIS GREAT EXPERIMENT, ESPECIALLY IN VIEW OF THE IGNORANCE, POVERTY AND DISEASE WHICH UNDER CAPITALISM CONTINUES TO AFFECT MOST OF MANKIND. the Communist doctrine declares that this result is inevitable by the very nature of the capitalist system.

36-10-64

TO THIS ARGUMENT AMERICANS REPLY THAT THE SOVIET UNION HAS A RIGHT TO MAKE ITS OWN EXPERIMENT PROVIDED ITS OWN PEOPLE FREELY CONSENT AND ARE NOT TREATED AS SLAVES, BUT THAT IT HAS NO RIGHT TO FORCE THIS SYSTEM UPON OTHER PEOPLES. THE SOVIETS ASSERT THAT THEIR CITIZENS ARE UNDER INTELLIGENT DISCIPLINE BUT ARE NOT ENSLAVED, AND THEY HAVE REPEATEDLY INVITED STUDY OF THEIR SYSTEM AND HAVE PUBLISHED MANY REPORTS. THEY CLAIM THAT THE SOCIAL PROGRESS OF THE RUSSIAN PEOPLE AND THEIR ALLIES FULLY JUSTIFIES THE COMMUNIST STATE. This assertion I believe to be true after three visits to the Soviet Union in the last 25 years.

HERE NOW COMES A QUESTION OF FACT WHICH CANNOT BE SETTLED BY CALLING NAMES NOR BY WAR. MOST REASONABLE PEOPLE SHOULD AGREE THAT THE WORLD CAN ONLY WAIT AND SEE. WILL THE COMMUNIST STATE SUCCEED IN DECREASING POVERTY, IGNORANCE AND DISEASE WITHOUT TOO GREAT A CURTAILMENT OF HUMAN FREEDOM? IF SO, THE CONTROVERSY IS SETTLED WITHOUT REVOLUTION OR WAR.

MANY AMERICANS HERE INSIST THAT AT ANY RATE IN THE SOVIET UNION IS FORCING THE ACCEPTANCE OF COMMUNISM ON PEOPLES OUTSIDE THEIR TERRITORY, AGAINST THEIR WILL. THEY CALL THIS COMMUNIST IMPERIALISM. HERE AGAIN THE truth can only be ascertained by SOCIAL INQUIRY AND HISTORICAL FACT.

SINCE THE ESTABLISHMENT OF THE SOVIET UNION ITS BOUNDARIES HAVE BEEN INCREASED only BY THE RE-ANNEXATION OF THE BALTIC STATES. FINLAND, WHICH ONCE WAS A PART OF RUSSIA WAS VOLUNTARILY GIVEN UP BY THE SOVIET UNION DESPITE THE FACT THAT AFTERWARD IT BECAME, AS RUSSIA FEARED, THE BASE OF ATTACK ON RUSSIA BY THE GERMANS. THE RE-ANNEXATION OF THE BALTIC STATES WAS SIMPLY RESTORING TO RUSSIA TERRITORY WHICH HAD FORMERLY BELONGED TO IT AND HAD BEEN TAKEN AWAY BY THE ALLIES IN ORDER TO BECOME A BASE FOR THE EVENTUAL CONQUEST OF THE SOVIET UNION. NONE OF THE ALLIES RAISED ANY OBJECTION TO THE RESTORATION OF THESE STATES TO THE NEW GOVERNMENT. THOSE WHO now MOST LOUDLY PROTEST ARE FORMER LANDLORDS AND foreign INVESTORS.

36-10-65

OTHER STATES HAVE ADOPTED COMMUNISM AND ARE ALLIED WITH THE SOVIET UNION, BUT ARE NOT A PART OF ITS TERRITORY. YUGOSLAVIA HAS WITHDRAWN FROM ALLIANCE AND NO ATTEMPT WAS MADE TO PREVENT HER. THE GOVERNMENT OF POLAND HAS SINCE THE 12TH CENTURY BEEN A STORY OF WAR, AGGRESSION AND PARTITION; AND THE ENSLAVEMENT OF ITS PEOPLES. WHEN DURING AND AFTER THE SECOND WORLD WAR, THE POLISH PEOPLE TRIED TO SET UP AN INDEPENDENT GOVERNMENT, THEY WERE IN GRAVE DANGER OF BEING RESTORED TO LAND MONOPOLY AND SERFDOM FOSTERED BY WESTERN CAPITAL. THE SOVIET UNION FORBADE THE USE OF OUTSIDE FORCE AND DEMANDED THAT THE MASS OF THE POLISH PEOPLE HAVE THE RIGHT TO DETERMINE THEIR OWN DESTINY. HOW FAR THIS NEW EFFORT AT SELF-RULE IS SUCCESSFUL CAN ONLY BE PROVEN BY THE COURSE OF FUTURE DEVELOPMENTS. CERTAINLY AMERICANS HAVE NO RIGHT WITHOUT PROOF TO ASSUME THAT THE PRESENT POLISH GOVERNMENT IS NOT BETTER THAN ANY POLAND HAS EVER HAD./ No person who like myself saw Poland in 1893 and 1949 can have any doubt of this.

IN THE SAME WAY THE BALKAN STATES HAVE FOR MORE THAN 500 YEARS BEEN THE FOOTBALL OF WESTERN CAPITAL WORKING THROUGH LOCAL ARISTOCRACY AND LAND MONOPOLY. THE RESULTS HAVE LONG SHAMED EUROPEAN HISTORY. AFTER THE SECOND WORLD WAR ONE OF TWO THINGS HAD TO HAPPEN. THE WESTERN INVESTORS SUPPORTING LOCAL TYRANTS COULD HAVE BEEN ALLOWED TO CONTINUE THE DISGRACEFUL HISTORY OF THE PAST; OR UNDER THE PROTECTION OF THE VICTORIOUS SOVIET ARMIES, THE PEOPLE OF THE BALKAN STATES COULD BE ALLOWED TO ORGANIZE THEIR GOVERNMENT AS THEY WISHED. HERE AGAIN THERE IS NO VALID SOCIAL OR HISTORICAL PROOF THAT TODAY HUNGARY, ROMANIA, BULGARIA AND ALBANIA ARE NOT BETTER OFF THAN THEY HAVE EVER BEEN IN RECENT HISTORY.

36-10-66

IN THE CASE OF CZECHOSLOVAKIA WE HAVE ANOTHER COUNTRY LONG DOMINATED BY WESTERN CAPITAL WHICH TODAY THROUGH THE FRIENDSHIP AND COOPERATION OF RUSSIA HAS HAD ITS GOVERNMENT PUT INTO THE HANDS OF THE MASS OF ITS PEOPLE BY A LOCAL REVOLUTION CARRIED OUT BY THE CZECHOSLOVAKIAN PEOPLE.

OUTSIDE FORCE WAS NOT USED, BUT IF WESTERN EUROPE HAD ATTEMPTED IT, THE SOVIET UNION WOULD HAVE FORBIDDEN THE ATTEMPT. WHAT HAS BEEN THE RESULT? THERE IS NO PROOF THAT THIS NATION IS NOT SUCCESSFUL IN ITS NEW FORM.

IF THE FUTURE PROVES THAT THESE BALKAN STATES ARE WORSE OFF UNDER THIS NEW ECONOMIC DEMOCRACY THAN THEY WERE UNDER THE RULE OF WESTERN INVESTED CAPITAL, THEN THE ARGUMENT OF AMERICANS WILL BE JUSTIFIED. IT CANNOT BE EMPHASIZED TOO MUCH THAT THIS HAS NOT YET BEEN PROVEN, and does not seem likely.

IN THE CASE OF CHINA THERE IS NO BASIS EVEN FOR THE INTIMATION THAT CHINA WAS COMPELLED TO GO COMMUNIST BY RUSSIAN AGGRESSION. ON THE CONTRARY, IT WAS WESTERN EUROPEAN AND AMERICAN AGGRESSION THAT DROVE THE CHINESE INTO THE COMMUNIST ORBIT.

IN THE CASE OF KOREA THERE IS NO DOUBT BUT WHAT AMERICAN INFLUENCE, ARMS AND MONEY PRECIPITATED THE CIVIL WAR. NO RUSSIAN SOLDIERS HAVE EVER

TAKEN PART IN THAT WAR, AND THE SOVIET GOVERNMENT HAS GIVEN LESS OF ARMS AND HELP TO NORTHERN KOREA THAN THE UNITED STATES HAS GIVEN TO SOUTHERN KOREA.

WHAT IS HAPPENING, THEN, IN THE WORLD IS NOT EXPANSION OF COMMUNISM ~~AND [illegible] BY~~ Soviet FORCE, BUT IT IS WITHOUT DOUBT EXPANSION OF THE BELIEF IN HUMAN UPLIFT THROUGH SOCIALISM, FOR WHICH THE SOVIET UNION STANDS. IF WE ARE OPPOSED TO ~~THE EXPANSION OF~~ THAT IDEA, WE CAN ONLY PROVE ~~THE RIGHTNESS OF~~ OUR POSITION BY OPPOSING ~~BY THE IDEA~~ BETTER IDEAS OF HUMAN PROGRESS; AND THAT WE HAVE NOT YET DONE, AS THE PREVALENT CONDITION OF MOST HUMAN BEINGS CLEARLY PROVES.

OUR OFFERS TO HELP THE WORLD HAVE IN TOO MANY CASES BEEN DISINGENUOUS AND SELF-SEEKING.. THE MARSHALL PLAN WAS AN OFFER TO HELP RESTORE THE DOMINATION OF THE OWNERS OF CAPITAL IN EUROPE (and to open up profitable investment for American industry.) SUCH HELP ~~THE~~ SOCIALIST GOVERNMENTS COULD NOT ACCEPT WITHOUT REPUDIATING SOCIALISM. OUR

36-10-67

POINT FOUR PROGRAM IS AN EFFORT TO FURNISH CAPITAL AND TECHNIQUE TO BACKWARD COUNTRIES IF THE OWNERS OF CAPITAL ARE ASSURED TRADITIONAL POWER AND PROFIT, AND IF ITS ACCEPTANCE IS ACCOMPANIED BY A PROMISE TO JOIN THE UNITED STATES MILITARY AGGRESSION AGAINST THE SOVIET UNION.

OUR INVOLVEMENT IN THE KOREAN WAR WAS BASED THEREFORE UPON AN ASSUMPTION WHICH WAS UNPROVEN, NAMELY, THAT THE SOVIET UNION WAS INTERVENING BY FORCE INTO KOREA. ON THIS WAS BASED THE TRUMAN DOCTRINE THAT THE UNITED STATES PLEDGED ITSELF TO PREVENT FURTHER COMMUNIST EXPANSION. DECLARING THEREFORE, WITHOUT PROOF, THAT THE CIVIL WAR IN KOREA WAS Soviet aggression. ~~COMMUNIST EXPANSION~~, THE UNITED STATES BEGAN WAR ON NORTHERN KOREA, WITHOUT THE CONSENT OF CONGRESS; AND LATER THROUGH ITS GREAT INFLUENCE COMPELLED THE UNITED NATIONS TO ADOPT THIS WAR AS ITS OWN.

WE DID NOT STOP HERE, BUT IN ADDITION, AGAINST THE CLEAR WARNING

OF CHINA, WE INVADED CHINESE TERRITORY. THE CHINESE DROVE UNITED STATES TROOPS BACKWARD IN A 400 MILE RETREAT WHICH WAS THE GREATEST DEFEAT OF AMERICAN TROOPS SINCE THE BATTLE OF BULL RUN.

THEREUPON THE UNITED STATES declared China the aggressor and ADOPTED A PROGRAM OF UNPRECEDENTED MILITARY EXPANSION. WE TRIED TO STAMPEDE THE NATION INTO UNIVERSAL MILITARY SERVICE AND IMPRISONED COMMUNIST LEADERS, WHO WERE NOT EVEN ACCUSED OF ANY SUBVERSIVE ACTS. WE SURROUNDED THE SOVIET UNION WITH MILITARY ESTABLISHMENTS, SENT OUR FLEET AND TROOPS TO ALL PARTS OF THE WORLD, FORMED AN ALLIANCE OF EUROPEAN AND AMERICAN COUNTRIES AGAINST COMMUNISM, AND THREATENED USE OF THE ATOMIC BOMB!

36-10-68

THIS WAS THE GREATEST THREAT OF WAR WHICH THE MODERN WORLD HAS SEEN, AND IT GAVE RISE TO A PEACE MOVEMENT WHICH THE SOVIET UNION LED. WE REFUSED TO DISCUSS DISARMAMENT AND CONTROL OF THE ATOM BOMB EXCEPT later OUR TERMS WERE ACCEPTED WITHOUT AMENDMENT. THE SOVIETS PROPOSED CONSIDERATION

OF A TRUCE IN KOREA WHICH WE ACCEPTED. BUT ALTHOUGH THE CHINESE REPUBLIC HAD TO BE REPRESENTED IN SUCH A TRUCE, WE REFUSED TO LET THEIR REPRESENTATIVES TAKE THEIR RIGHTFUL SEATS IN THE UNITED NATIONS, AND WE CONTINUOUSLY INCREASED OUR DEMANDS.

FIRST, INSTEAD OF ACCEPTING THE 38th PARALLEL AS THE BOUNDARY BETWEEN NORTH AND SOUTH KOREA, as WE HAD PROMISED TO DO, WE INSISTED ON PUSHING THE BORDER MANY MILES NORTH SO AS TO GIVE US MORE DEFENSIBLE POSITIONS. WE MADE DIFFICULTIES ABOUT THE EXCHANGE OF PRISONERS, AT FIRST AGREEING TO EXCHANGE all PRISONERS, BUT AT LAST WE DEMANDED THAT PRISONERS THEMSELVES SHOULD DECIDE AS TO WHETHER THEY WERE TO BE RETURNED TO THEIR RESPECTIVE COUNTRIES AND THAT IN ADDITION TO THAT, THIS SCREENING SHOULD BE MADE UNDER THE CONTROL OF THE UNITED NATIONS AND IN THE CONFINES OF THE PRISONS.

THEN CHINA AND NORTHERN KOREA REFUSED, BUT OFFERED TO ACCEPT IMMEDIATE CEASE FIRE, TO BE FOLLOWED BY A CONFERENCE ON PRISONERS AND OTHER DISPUTED MATTERS. THIS WE REFUSED, AND THE TERRIBLE KOREAN WAR PROCEEDS, having already cost us in war casualties, disease and accidents nearly as many men as the 1st World War.

THEN WE TOOK ANOTHER AND WHAT MAY PROVE TO HAVE BEEN A FATAL STEP. THE EISENHOWER DOCTRINE WAS enunciated BY GENERAL EISENHOWER DURING HIS CANDIDACY FOR THE PRESIDENCY. HE ANNOUNCED THAT IN THE FUTURE WE WOULD UNDERTAKE THE DISMEMBERMENT OF THE SOVIET UNION BY SEPARATING COUNTRIES IN ALLIANCE WITH IT -- BY FORCE AND BY THE ENCOURAGEMENT OF SABOTAGE AND REVOLT! THIS WAS FOLLOWED BY A DIRECT APPROPRIATION OF FUNDS BY CONGRESS FOR THIS OBJECT. IN OTHER DAYS, BEFORE THE SERIOUSNESS and extent OF WAR HAD BEEN INCREASED BY MODERN TECHNIQUE, THIS ACTION IN ITSELF WOULD HAVE PLUNGED THE WORLD DIRECTLY INTO WAR!

36-10-69

IN THE MEANTIME, THE IMMINENCE OF WAR HAS BEEN INCREASED BY A NUMBER OF INCIDENTS ARISING FROM THE VERY NATURE OF THE CASE. AIRFIELDS ESTABLISHED ON THE VERY BORDER OF RUSSIA HAVE LED TO REPEATED INCIDENTS OF AMERICAN AIRPLANES BEING FOUND OVER SOVIET TERRITORY. WE HAVE SENT TO RUSSIA MEN LIKE WILLIAM OATIS, TRAINED IN OUR SCHOOLS FOR SPIES, AND THEN SENT TO CZECHOSLOVAKIA AS NEWSPAPER REPORTERS. WHEN THEY WERE ACCUSED OF ACTING AS SPIES WE HAVE BLUNTLY DENIED IT, WHEN THERE COULD BE, OF COURSE, NO REAL QUESTION CONCERNING THE TRUTH OF THE ACCUSATION.

AFTER EISENHOWER BECAME PRESIDENT HE AND HIS PARTY TOOK SIX STEPS, ANY ONE OF WHICH MIGHT HAVE RESULTED IN WORLD WAR. FIRST, HE VISITED KOREA, BUT MADE NO APPARENT EFFORT TO BRING ABOUT PEACE; RATHER HE HELD MILITARY CONFERENCES SO AS TO STRENGTHEN OUR POSITION AND PROLONG OR EVEN EXPAND THE WAR. SECOND, THE PRESIDENT ORDERED OUR NAVAL FLEET WHICH HAD

BEEN PROTECTING CHIANG KAI-CHEK, TO BE WITHDRAWN, WITH THE IDEA THAT CHIANG WOULD THEN ATTACK CHINA. THIRD, THE PRESIDENT THREATENED TO CANCEL ALL TREATIES WITH THE SOVIET UNION, BUT AFTER CONSIDERATION, THIS PROPOSAL WAS DROPPED. FOURTH, THE NEW SECRETARY OF STATE AND THE MUTUAL SECURITY DIRECTOR MADE AN OFFICIAL TRIP TO EUROPE, ANNOUNCING BEFOREHAND THAT THEY WERE GOING TO DEMAND INCREASED MILITARY COOPERATION AGAINST THE SOVIET UNION OR THE WITHDRAWAL OF UNITED STATES APPROPRIATIONS. THIS RESULT THEY HAVE NOT YET ACCOMPLISHED. FIFTH, ON THE DEATH OF STALIN THERE WAS MANIFEST IN THE UNITED STATES AND ENCOURAGED BY THE FEDERAL GOVERNMENT AN ATTITUDE WHICH WAS ALMOST INSULTING TO A PEOPLE WHO WITH SINGULAR UNANIMITY WERE MOURNING THE DEATH OF A GREAT LEADER; SIXTH, THE UNITED STATES OPENED THE 7th SESSION OF THE GENERAL ASSEMBLY OF THE UN WITH TRUCULENCE AND STUDIED DISCOURTESY, CHARGING THE SOVIET UNION WITH DELIBERATELY PROLONGING THE KOREAN WAR AND WITH REFUSING TO ACCEPT DISARMAMENT.

36-10-70

MEANTIME, WE HAVE BEEN TRYING TO OVERRIDE THE CHARTER

OF THE UNITED NATIONS. THIS CHARTER, UNANIMOUSLY ADOPTED, ALLOWED EACH OF THE 5 GREAT POWERS THE RIGHT OF VETO. THIS WAS DEMANDED AS STRONGLY BY THE UNITED STATES AND GREAT BRITAIN AS BY THE SOVIET UNION. WE HAVE TRIED TO CHANGE THIS PROVISION BY UNCONSTITUTIONAL WAYS, SO THAT TODAY THE UNITED NATIONS IS PRESIDED OVER BY A SECRETARY WHO WAS NOT, thus, LEGALLY ELECTED, AND WE ARE SEEKING TO ADMIT MEMBERS BY ILLEGAL MEANS. IN FACT, THERE IS VOICED IN MANY QUARTERS IN AMERICA, AND SOMETIMES ELSEWHERE, THE DESIRE AND PLAN TO FORCE THE SOVIET UNION OUT OF THE UNITED NATIONS, WHICH WOULD DEPRIVE THE WORLD OF ITS ONLY FORUM TO PREVENT WAR.

THIS THEN, IS THE PRESENT SITUATION. IT IS A RECORD OF INCREASING DETERMINATION OF THE UNITED STATES TO HAVE WAR WITH RUSSIA AND TO STOP COMMUNISM BY FORCE. NOW ON THE OTHER HAND AND IN CONTRADICTION TO THIS, THE DESIRE FOR PEACE ON THE PART OF THE MAJORITY OF THE PEOPLE OF THE

UNITED STATES IS WIDESPREAD AND GROWING. HOW CAN THIS PARADOX BE EXPLAINED? VERY EASILY. THOSE PERSONS WHO ARE IN CONTROL OF THE UNITED STATES TODAY WANT WAR. THE MAJORITY OF THE PEOPLE OF THE NATION WHO ARE SACRIFICING THEIR CHILDREN AND ARE PAYING EVER INCREASING PRICES AND BOWING UNDER A STAGGERING LOAD OF TAXATION, DO NOT WANT WAR. BUT THE RULERS OF THE NATION , WITH OVERWHELMING INFLUENCE AND POWER UNDER THE EISENHOWER ADMINISTRATION, ARE REPRESENTATIVES OF BIG BUSINESS, OF INVESTMENT CAPITAL AND OF WEALTH MONOPOLY. THEY ARE THE ONES WHO ARE FORCING THIS NATION TO MAKE ARMED ALLIANCE WITH FRENCH, BRITISH AND GERMAN IMPERIALISM TO PUT DOWN THE EFFORT OF COLONIAL PEOPLES TOWARD INDEPENDENCE AND AUTONOMY. THEY ARE THE ONES WHO ARE FURNISHING THE UNION OF SOUTH AFRICA, THE BELGIAN CONGO, FRENCH AFRICA AND OTHER PEOPLES OF ASIA AND SOUTH AMERICA THE FUNDS THROUGH WHICH THEY ARE INCREASING RACE PREJUDICE, OPPRESSING LABOR, AND RETAINING FOR MOST OF THE WORKERS OF

36-10-71

THE WORLD POVERTY, IGNORANCE AND DISEASE.

THIS EFFORT OF THE RULERS OF THE UNITED STATES TO STOP PROGRESS BY WAR IS KEPT FROM THE KNOWLEDGE OF MOST INTELLIGENT PEOPLE THROUGH THE NEW WEAPON OF PSYCHOLOGICAL PROPAGANDA, FIRST PUT INTO BROAD USE BY HITLER AND NOW INCREASED IN EFFICIENCY IN THE UNITED STATES. TODAY IT SO LIMITS AND SCREENS OUR KNOWLEDGE OF FACTS, IT SO SUPPRESSES AND STILLS PUBLIC OPINION, THAT WE GET AN APPARENT UNANIMITY FOR WAR AND OPPRESSION, WHICH THE UNITED STATES PEOPLE WOULD NOT FOR A MOMENT SUPPORT IF THEY KNEW THE FACTS AND REALIZED WHAT THE BEST OPINION OF THE WORLD IS THINKING. THE UNITED STATES TODAY IS BEING TAUGHT TO LIE AND STEAL; TO BELIEVE WHAT IS NOT TRUE AND TO TAKE LEGAL CONTROL OF WEALTH TO WHICH THEY HAVE NO SHADOW OF MORAL CLAIM. WE HAVE DRIVEN OUT OF OUR VOCABULARY SUCH IDEAS AS LOVE AND HONOR, LOYALTY AND SACRIFICE.

MOST AMERICAN CITIZENS TODAY ARE MISLED BY THE FACT THAT THE ORDINARY SOURCES OF INTELLIGENCE FROM WHICH THEY HAVE FORMERLY RECEIVED RELIABLE INFORMATION CANNOT NOW BE DEPENDED ON. FORMERLY IF ONE NEWSPAPER LIED OR LEFT OUT FACTS, ANOTHER NEWSPAPER SUPPLIED THEM; IF ONE RADIO COMMENTATOR DISTORTED FACTS, ANOTHER SUPPLIED THEM.

TODAY THIS IS NO LONGER TRUE. THERE IS BUT ONE RESPECTABLE VERSION OF THE TRUTH, AND YOU EITHER ACCEPT THIS WITHOUT CONTRADICTION OR BECOME YOURSELF SUSPECTED OF SUBVERSION.

IT BECOMES, THEREFORE, THE MAIN EFFORT OF OUR FASCIST BIG BUSINESS RULERS TO STOP PEOPLE FROM KNOWING AND EXPRESSING THEIR OPINIONS, AND A FAVORITE METHOD OF ACCOMPLISHING THIS TODAY IS TO PUNISH SUCH REBELS BY TAKING AWAY THEIR SOURCE OF INCOME. IT IS TODAY INCREASINGLY IMPOSSIBLE FOR PEOPLE WHO STAND FOR PEACE AND WHO ACKNOWLEDGE THE PROGRESS OF THE SOVIET UNION TO GET EMPLOYMENT, TO PUBLISH BOOKS, TO BE HEARD ON THE PUBLIC PLATFORM OR OVER THE RADIO. NO MORE DANGEROUS SITUATION COULD BE IMAGINED. IT CAN BE MET ONLY BY FIRM DETERMINATION ON THE PART OF PEOPLE LIKE YOU THAT THEY WILL NOT CONTINUE SO SUBMIT TO THE SUPPRESSION OF THE TRUTH AND THE PROPAGANDA OF LIES; THAT THEY WILL HAVE COURAGE TO STAND AND BE COUNTED, NO MATTER WHAT THE COST.

DO WE WANT PEACE WITH THE SOVIET UNION?

I want to examine with you this question of Peace with the Soviet Union, speaking frankly as one without conscious prejudice, who seeks only the truth and the welfare of this nation and of the world. The United States accuses the Soviet Union of trying by force to fasten on an increasing proportion of the orld the system of socialist government known as Communism, which a large number of Americans regard as wrong in theory and unworkable in practice.

The Soviet Union replies that Communism today is working with increasing success and if unhindered will prove its superiority to other forms of government. It says that other nations have a right to refuse to adopt Communism, but they have no right to prevent the Soviet Union from making this great experiment, especially in view of the ignorance, poverty and disease which under capitalism continues to affect most of mankind. The Communist doctrine declares that this result is inevitable by the very nature of the capitalist system.

To this argument Americans reply that the Soviet Union has a right to make its own experiment provided its own people freely consent and are not treated as slaves, but that it has no right to force this system upon other peoples. The Soviets assert that their citizens are under intelligent discipline but are not enslaved, and they have repeatedly invited study of their system and have published many reports. They claim that the social progress of the Russian people and their allies fully justifies the Communist state. This assertion I believe to be true after three visits to the Soviet Union in the last twenty-five years.

Here now comes a question of fact which cannot be settled by calling names nor by war. Most reasonable people should agree that the world can only wait and see. Will the Communist state succeed in decreasing poverty, ignorance

46-10-24

and disease without too great a curtailment of human freedom? If so, the controversy is settled without revolution or war.

Many Americans hwere insist that at any rate the Soviet Union is forcing the acceptance of Communism on peoples outside their territory, against their will. They call this Communist Imperialism. Here again, the truth can only be ascertained by social inquiry and historical fact.

Since the establishment of the Soviet Union its boundaries have been increased only by the re-annexation of the Baltic states. Finland, which once was a part of Russia, was voluntarily given up by the Soviet Union despite the fact that afterward it became, as Russia feared, the base of attack on Russia by the Germans. The re-annexation of the Baltic states was simply restoring to Russia territory which had formerly belonged to it and had been taken away by the allies in order to become a base for the eventual conquest of the Soviet Union. None of the allies raised any objection to the restoration of these states to the new government. Those who now most loudly protest are former landlords and foreign investors.

Other states have adopted Communism and are allied with the Soviet Union, but are not a part of its territory. Yugoslavia has withdrawn from alliance and no attempt was made to prevent her. The government of Poland has since the 12th century been a story of war, aggression and partition; and the enslavement of its peoples. When during and after the Second World War, the Polish people tried to set up an independent government, they were in grave danger of being restored to land monopoly and serfdom fostered by western capital. The Soviet Union forbade the use of outside force and demanded that the mass of the Polish people have the right to determine their own destiny. How far this new effort at self-rule is successful can only be proven by the course

46-10-35

of future developments. Certainly Americans have no right without proof to assume that the present Polish government is not better than any Poland has ever had. No person who like myself saw Poland in 1893 and 1949 can have any doubt of this.

In the same way the Balkan states have for more than 500 years been the football of western capital working through local aristocracy and land monopoly. The results have long shamed European history. After the Second World War one of two things had to happen: the western investors supporting local tyrants could have been allowed to continue the disgraceful history of the past; or under the protection of the victorious Soviet armies the people of the Balkan states could be allowed to organize their government as they wished. Here again there is no valid social or historical proof that today Hungary, Romania, Bulgaria and Albania are not better off than they have ever been in recent history.

46-10-76

In the case of Czechoslovakia we have another country long dominated by western capital which today through the friendship and cooperation of Russia has had its government put into the hands of the mass of its own people by a local revolution carried out by the Czechoslovakian people. Outside force was not used, but if western Europe had attempted it, the Soviet Union would have forbidden the attempt. What has been the result? There is, again, no proof that this nation is not successful in its new form. Indeed, there is strong testimony to the contrary.

If the future proves that these Balkan states are worse off under this new economic democracy than they were under the rule of western invested capital, then the argument of Americans will be justified. But it cannot be emphasized too much that this has not yet been proven and does not seem likely to be.

In the case of China there is no basis even for the intimation that China was compelled to go Communist by Russian aggression. On the contrary, it was western European and American aggression that drove the Chinese into the Communist orbit.

In the case of Korea there is no doubt but what American influence, arms and money precipitated the Civil War. No Russian soldiers have ever taken part in that war, and the Soviet government has given less of arms and help to northern Korea than the United States has given to southern Korea.

What is happening, then, in the world is not expansion of Communism by Soviet force, but it is without doubt expansion of the belief in human uplift through Socialism, for which the Soviet Union stands. If we are opposed to that idea, we can only prove our position by furnishing better ideas of human progress; and that we have not yet done, as the prevalent condition of most human beings clearly proves.

Our offers to help the world have in too many cases been disingenuous and self-seeking. The Marshall plan was an offer to help restore the domination of the owners of capital in Europe, and to open up profitable investment for American industry. Such help socialist governments could not accept without repudiating Socialism. Our Point Four program is an effort to furnish capital and technique to backward countries if the owners of capital are assured traditional power and high profit from low wages and cheap land; and if its acceptance is accompanied by a promise to join the United States military aggression against the Soviet Union.

Our involvement in the Korean War was based therefore upon an assumption which was unproven, namely, that the Soviet Union was intervening by force into Korea. On this was based the Truman doctrine that the United States

pledged itself to prevent further Communist expansion by force. Declaring therefore, without proof, that the Civil War in Korea was Soviet aggression, the United States began war on Northern Korea without the consent of Congress; and later through its great influence compelled the United Nations to adopt this war as its own.

We did not stop here, but in addition, against the clear warning of China we invaded Chinese territory. The Chinese drove United States troops backward in a 400 mile retreat which was the greatest defeat of American troops since the Battle of Bull Run.

Thereupon the United States declared China the aggressor; and adopted a program of unprecedented military expansion. We tried to stampede the nation into universal military service, raised taxes to unprecedented heights and imprisoned Communist leaders who were not even accused of any subversive acts. We surrounded the Soviet Union with military establishments, sent our fleet and troops to all parts of the world, formed an alliance of European and American countries against Communism, and threatened use of the atomic bomb!

This was the greatest threat of war which the modern world has seen, and it gave rise to a peace movement which the Soviet Union led. We refused to discuss disarmament and control of the atom bomb except our terms were accepted without amendment. The Soviets later proposed consideration of a truce in Korea which we accepted. But although the Chinese Republic had to be represented in such a truce, we refused to let their representatives take their rightful seat in the United Nations, and we continuously increased our demands:

First, instead of accepting the 38th parallel as the boundary between North and South Korea as we had promised to do, we insisted on pushing the

41-10-78

border many miles north so as to give us more defensible positions. We made difficulties about the exchange of prisoners, at first agreeing to exchange all prisoners, but at last we demanded that prisoners themselves should decide as to whether they were to be returned to their respective countries and that in addition to that, this screening should be made under the control of the United Nations and in the confines of the prisons.

This China and northern Korea refused, but offered to accept immediate cease fire, to be followed by a conference on prisoners and other disputed matters. This we refused, and the terrible Korean War proceeds, having already cost us in war casualties, disease and accidents nearly as many men as the First World War.

Then we took another and what may prove to have been a fatal step. The Eisenhower doctrine was enunciated by General Eisenhower during his candidacy for the presidency. He announced that in the future we would undertake the dismemberment of the Soviet Union by force, by separating countries in alliance with it and by the encouragement of sabotage and revolt! This was followed by a direct appropriation of funds by Congress for this object. In other days, before the seriousness and extent of war had been increased by modern technique, this action in itself would have plunged the world directly into war!

In the meantime, the imminence of war has been increased by a number of incidents arising from the nature of the case. Airfields established on the very borders of Russia have led to repeated incidents of American airplanes being found over Soviet territory. We have sent to Russia men like William Oatis, trained in our schools for spies, and then sent to Czechoslovakia as newspaper reporters. When they were accused of acting as spies we have bluntly denied it. But there could be, of course, no real question concerning the truth of the accusation.

46-10-79

After Eisenhower became president he and his party took six steps, any one of which might have resulted in world war. First, he visited Korea, but made no apparent effort to bring about Peace; rather he held military conferences so as to strengthen our position and prolong or even expand the war. Second, the President ordered our naval fleet which had been protecting Chiang Kai-Chek, to be withdrawn, with the idea that Chiang would then attack China. Third, the President threatened to cancel all treaties with the Soviet Union, but after consideration, this proposal was dropped. Fourth, the new Secretary of State and the Mutual Security Director made an official trip to Europe, announcing beforehand that they were going to demand increased military cooperation against the Soviet Union or the withdrawal of United States appropriations. This result they have not yet accomplished. Fifth, on the death of Stalin there was manifest in the United States and encouraged by the Federal Government an attitude which was almost insulting to a people who with singular unanimity were mourning the death of a great leader. Sixth, the United States opened the 7th session of the General Assembly of the UN with truculence and studied discourtesy, charging the Soviet Union with deliberately prolonging the Korean War and with refusing to accept disarmament.

Meantime, we have been trying to override the charter of the United Nations. This charter, unanimously adopted, allowed each of the five great powers the right of veto. This was demanded as strongly by the United States and Great Britain as by the Soviet Union. We have tried to change this provision by unconstitutional ways, so that today the United Nations is presided over by a secretary who was not thus legally elected, and we are seeking to admit members by illegal means. In fact, there is voiced in many quarters in

46-10-80

America, and sometimes elsewhere, the desire and plan to force the Soviet Union out of the United Nations, which would deprive the world of its only forum to prevent war.

Many Americans are lulled into inaction by the carefully spread idea that the conquest of the Soviet Union will be easy, that it will be accomplished by atom bombs, with colored soldiers from Asia and Africa, helped by Japan and Germany. This is a pipe dream which should deceive no intelligent nation. Napoleon once thought Russia could easily be subdued and lived to learn better. Hitler was certain that the Soviet Union could not withstand his armies, and Europe and America believed him until Stalingrad proved something different. It is of course possible that a world united against Communism may today overthrow the Soviet Union. But the cost will be colossal, not only in wealth and blood, but in death and disease, suffering and pain; in art and literature and the dreams and ideals of mankind. To prevent so insane a struggle is the clear and present duty of all men.

This then, is the present situation. It is a record of increasing determination of the United States to have war with Russia and to stop Communism by force. Now on the other hand and in contradiction to this, the desire for peace on the part of the majority of the people of the United States is widespread and growing. How can this paradox be explained? Very easily. Those persons who are in control of the United States today want war. The majority of the people of the nation who are sacrificing their children and are paying ever-increasing prices and bowing under a staggering load of taxation, do not want war. But the rulers of the nation, with overwhelming influence and power under the Eisenhower administration, are representatives

46-10-81

of Big Business, of investment capital and of wealth monopoly. They are the ones who are forcing this nation to make armed alliance with French, British and German imperialism to put down the effort of colonial peoples toward independence and autonomy. They are the ones who are furnishing the union of South Africa, the Belgian Congo, French Africa and other peoples of Asia and South America the funds through which they are increasing race prejudice, oppressing labor, monopolizing land, and retaining for most of the workers of the world poverty, ignorance and disease.

This effort of the rulers of the United States to stop progress by precipitating world war is kept from the knowledge of most intelligent people through the new weapon of psychological propaganda, first put into broad use by Hitler and now increased in efficiency in the United States. Today it so limits and screens our knowledge of facts, it so suppresses and stills public opinion, that we get an apparent unanimity for war and oppression, which the people would not for a moment support if they knew the facts and realized what the best opinion of the world is thinking. The United States today is being taught to lie and steal; to believe what is not true and to take legal control of wealth to which they have no shadow of moral claim. We have driven out of our vocabulary such ideas as Love and Honor, Loyalty and Sacrifice.

Most American citizens today are misled by the fact that the ordinary sources of intelligence from which they have formerly received reliable information cannot now be depended on. Formerly if one newspaper lied or left out facts, another newspaper supplied them; if one radio commentator distorted facts, another supplied them. Today this is no longer

46-10-82

true. There is but one respectable version of the truth, and you either accept this without contradiction or become yourself suspected of subversion.

It becomes, therefore, the main effort of our fascist Big Business rulers to stop people from knowing and expressing their opinions, and a favorite method of accomplishing this today is to punish such rebels by taking away their source of income. It is today increasingly impossible for people who stand for peace and who acknowledge the progress of the Soviet Union to get employment, to publish books, to be heard on the public platform or over the radio. No more dangerous situation could be imagined. It can be met only by firm determination on the part of people like you that they will not continue to submit to the suppression of the truth and the propaganda of lies; that they will have courage to stand and be counted, no matter what the cost.

REVOLT IN AFRICA

A few months ago in New York a young man who had not reached his 42nd birthday put his head in a gas oven and committed suicide. He had received his bachelor's degree summa cum laude, had been admitted to Phi Beta Kappa, and got his doctorate in economics from one of our chief universities. His thesis was used in the economics courses in several colleges, and he served the United States Resources Planning Board. He was, when he died, chief of the Africa Unit of the Division of Economic Development in the United Nations. He just returned last winter from a mission to Somaliland, East Africa. The most important fact about him in the mind of this nation was that one or two of his grandparents were of Negro descent.

26-11-148

But he epitomized in his short life the disappointment and frustration of a modern man of African descent. He was never offered a first-class academic appointment. He had chosen an area of study, Economics, which no one in this nation today dare study save as a branch of higher mathematics.

He went to Africa to study one of the most miserably exploited regions of the world, with a history of struggle coming down 4000 years from the Egyptian 12th dynasty to yesterday when the United Nations handed Somaliland back to the Italians. Wracked by the fever of a terrible climate, this young scholar came back to a nation where the social group to which he was bound was torn in leadership. His friends were railing at William Patterson for telling the story of Negro genocide to the UN. He found me, whose daughter had been his teacher, hand-cuffed and threatened with jail for talking of Peace. He found it impossible to write or talk Economics in a nation which was owned by Big Business both in physical

body and literary soul. He killed himself.

Not many persons would react so tragically to news of Africa and her children; yet nearly everyone suddenly faced with the problems of Africa today is at least astonished.

You have seldom heard of revolt in Africa and indeed you have seldom heard of Africa, because Africa for long years has not been regarded as "news". No American press correspondents are regularly stationed in Africa and cablegrams sent from Africa usually treat solely of its white inhabitants or their interests. College courses on Africa are rare.

36-11-149

This was unusual before 1600. To the Greeks Africa was in many respects what Europe is to us. The Romans said, "Semper novi quid ex Africa." (Always something new out of Africa). Today, after 300 years of studied effort not to see or hear of Africa, Africa is forcing itself on the world's attention.

The whole story of the present upheaval cannot be compressed in a short paper. I plan therefore to follow the modern history of the Nile valley down to South Africa and then to indicate more briefly the other areas of unrest and revolt.

Just as the cotton kingdom rose to power in America in 1820, Mohammed Ali conquered the Sudan and made it the greatest slave market of the modern world, to furnish ivory for the pianos of America and soldiers and servants for the Turkish empire. British philanthropy had been able in the 19th century to stop the slave trade because it was becoming unpopular and unprofitable. Nevertheless, in the valley of

Nile a new slavery became the opening door to a new colonial imperialism in which England and France and Germany, joined at last by the United States, annexed a continent, submerged its labor and stole its vast wealth. As a result there is today revolt in North Africa, revolution in West Africa, murder in Kenya, fierce strain in the Sudan and the Belgian Congo, unrest in Tanganyika, rebellion in Egypt, and in South Africa the beginning of a world war of races along the color line.

For a thousand years or more tribes of North Central Africa have been moving south. First to escape West African expansion, and later to flee from Mohammedan imperialism, which Mohammed Ali in the Sudan personified. Some of these black men adapted Mohammedan culture and rebuilt it in the Western Sudan, but others moved south in waves, building and overthrowing kingdoms like the Kitwara, the Congo, and the high culture of Zymbabwe. Late in the 18th century the Bantu, as they came to be called, appeared in South Africa. Here the Dutch met them, and later the English met Dutch and Bantu.

For 130 years after the advent of the English there ensued here one of the weirdest phantasmagorias this world has seen. It marked revolution in the relations of white Europe and black Africa. Here, far below the Great Lakes on the high plateau of the South, men fought for half a century until they not only destroyed and rebuilt peoples but struggled to make diamonds and gold the center of a new world trade, a new domination of human beings, and a new rule of wealth and capital. The Dutch pioneers strove to absorb or enslave the Hottentots and to fight with black invading Bantu; and then they fought against white English settlers to avoid political control. The blacks, now called

24-11-150

Xosa, now Kaffirs, now Zulus, fought to drive back the white devils and cast off the evil that encompassed them. The British fought for empire.

When the Crimean war began the modern effort of Europe to control the middle east, and just before the terrible Indian mutiny which warned Britain in Asia, one tribe in Africa attempted the most horrible mass suicide of modern times. The main body of warriors had been pushed back until panic seized them, and two years after the Crimean War, at the command of a prophet, the people killed their cattle which were their wealth and high cultural symbol. They sowed no crops, they saved only their long spears, and hoped thus to bring a whirlwind to sweep the whites into the sea and to call their own heroes back from the dead. 100,000 Zulus in supreme sacrifice starved to death on the high plateau which covered the gold and diamonds of the world.

36-11-151

This tragic symbolism did not change, it only lighted with flame the course of the world and Africa. More tribes of black men moved south from the Zambesi River. The stubborn Boers still strove to establish an independent state beyond the Vaal River near the Indian Ocean.

1870 was the year of doom for Africa. It was the year of the battle of Sedan, and the year after the Suez Canal was opened. Gladstone had become Prime Minister of England. In South Africa stood three men, each over 6 feet tall and massive of frame. The oldest was the Dutchman, Paul Kruger, a stern, bible-worshiping fanatic, who hated the British and despised the blacks. The youngest was Cecil Rhodes, a grey-eyed blond, under age, who had come to Africa to recover from tuberculosis.

The third, Lobengula, was King of the Metebele, dark bronze in color, naked but for his parakeet feather and loin cloth, 37 years old, who had just become king of a nation risen from the conquests of the terrible Zulu chieftain Chaka, and which had established itself on the high hills between the Limpopo and the Zambesi.

These three fought for Africa. There was a fourth man who should have been here, but David Livingstone, the missionary, died in 1871, and with him died all hope of an ethical solution of the African problem.

26-11-52

The attitude of Europe toward Africa was changing. Africa, instead of being an unknown land, source of stolen slave labor, was suddenly to become a source of diamonds and gold, so that the world's luxury and wealth was to be measured by its products. Stock companies centering in the capitals of the world replaced the individual exploiter. Organized commerce with African products began to belt the world, helped by new ways of making steel and of communicating by telegraph and telephone, with new explosives for killing natives.

Of the three leaders of South Africa, Kruger was protagonist. His forefathers had fought the Hottentots and had mingled their blood with them. The Dutch-Hottentot mulattoes moved into the south center of Africa, and on their land diamonds were later found. The Dutch fought the Zulus in the east for 25 years and then trekked north and northeast, where Kruger as a young officer was fighting at 17, against Dingaan, Chaka's successor. The South African Boer Republic then formed had been promised its independence by the English, but was annexed to Great Britain in 1877 by Disraeli, representing the new colonial

imperialism. This led to war between England and the Boers until Bladstone, returned to power, gave South Africa its independence in 1881, three years before gold was found.

Here enters Lobengula. Chaka, the Zulu military genius, had conquered the tribes of Bantu and welded them into a mighty kingdom which the whites feared and the blacks dare not oppose. The Matebele had fled from him north and west, and over the Matebele Lobengula became king in 1870. His people could and did fight; but Lobengula had seen the horror of war. He was a man of peace; distraught and bewildered, but honest and unselfish. He had seen the result of fighting the whites and sought to appease and avoid them. Here Cecil Rhodes came on the scene.

36-11-153

Cecil Rhodes was not a fighter, nor was he a man of peace. He was a man who sincerely believed he could build a good world by himself, being a liar and a thief. Cecil John Rhodes was born in England in 1853, one of a clergyman's family of twelve. It was this man who put new meaning into the wars of Africa. Sick with tuberculosis, he landed in South Africa at the age of 18, four years after that great diamond, the Star of Africa, worth $125,000, had been found on the farm of a mulatto at Kimberley. Diamonds soon came to be the high sign of luxury, extravagance and wealth, bedizening the bare breasts of all the prostitutes of London, Paris and New York, and furnishing wedding rings to marry the white world to cupidity and avarice.

Rhodes, after coming to South Africa in 1870 was soon earning $500 a week, and returned to England three years later, already rich before he was of age. He sought college training and matriculated at Oxford.

It was here he got his inspiration and felt called to rule the world. It was here that he heard the great John Ruskin, grey-haired, with burning eyes, prophet of empire, summon before him in those old, arched and crenelated halls, the young gentlemen of England to: "A destiny now possible to us, the highest ever set before a nation; to be accepted or refused. Will you youth of England make your country again a real throne of kings, a sceptered isle, for all the world a source of light."

Rhodes returned to South Africa filled with a vision of making England master of the wealth of that land, with millions of Negroes to extract the wealth from the rich earth, and with Rhodes himself to unite South Africa with the Valley of the Nile.

36-11-154

In South Africa the English soon made good their claim of ownership of Bricqualand, where the diamonds lay. They followed Rhodes up into the great central section of South Africa, Bechuanaland, and further north to Uganda. Eventually they established a Protectorate of East Africa and gave away the land of Kenya.

Meantime, in the Valley of the Nile, things too had begun to happen. The English had glanced at the citadel of Africa, which is Ethiopia. In 1867 they had moved against the Emperor, so that Ethiopia's armies were quickly overthrown and Theodore, King of the Kings of Ethiopia, putting a pistol in his mouth, blew out his brains. His conqueror became a British Earl. But Britain retreated. She did not yet try conquest.

When the Suez Canal, started by the French, was finished in 1869, it became the umbilical cord of British colonial imperialism from Gibraltar to Bombay. It then was clear to the British that they

must dominate the Nile Valley. But the French also were looking at the Nile as the western boundary of an empire which began with Algeria in 1830. After the Franco-Prussian War, Bismarck added Tunis to France, despite the fact that Tunis was ancient Carthage, and Italy was insanely determined to annex it, from the premiership of Crispi to the dictatorship of Mussolini. Here Italy planned to restore the Roman Empire.

But a French empire in Africa began instead to arise. Slowly but surely French outposts moved east, past Lake Chad and south to Guinea where the British had already been fighting, stealing and intriguing for 200 years and were watching carefully as France dug the Suez Canal.

26-1-155

Egypt also entered, sending the English freebooter, called Chinese Gordon, down into the Sudan ostensibly to stop the slave trade, but really to encroach on Ethiopia. Stanley, the American, and Leopold of Belgium, conspiring together, seized in the center of Africa a territory 14 times the size of Belgium. The European scramble for Africa started.

Disraeli, succeeding Gladstone the great liberal, bought the shares of the Suez Canal from the Khedive of Egypt in 1875, sold them to England and in 1876 flattered Victoria by making her Empress of India, the zenith of British imperialism.

Thus three European nations were converging on the Valley of the Nile: Britain, France and Italy, and were led by liquor and missionaries, guns and explorers. In 1876 France and England jointly took charge of the Suez Canal, while the English "Chinese" Gordon, too often drunk, moved up the Nile -- to save the Sudan for Egypt by reopening the slave

trade.

Suddenly in 1883 in the Sudan the blacks revolted, led by the Mahdi who killed Gordon. For thirteen years Britain was stopped dead in her tracks on her march up the Nile. But Italy, hungry for North Africa, was urged on by England to hasten attack upon Ethiopia and the Red Sea.

Then, with Rhodes in South Africa in 1884 on the Ridge of White Waters, in the midst of the independent Boer state, gold was discovered. Gold, the touchstone and symbol of wealth from ancient Thebes to modern New York. Gold, which added to the diamonds and afterward to copper, made South Central Africa the greatest single center for the exploitation of wealth and enslavement of human labor that the world knew. Rhodes organized and centralized the diamond and gold business and began to regiment the workers. But the stubborn Boers were in the way, with a republic independent of England, which stretched straight across the gold fields.

26-11-156

Paul Kruger became president of the Boer state in 1883, just as the Mahdi rebelled in the Sudan; and that same year his European kinfolk, the Germans, appeared in Southwest Africa.

Negroes from all South and Southcentral Africa were gradually being herded into the diamond fields and gold mines, and new and astonishing wealth began to pour into Europe. There were black revolts and white attacks. Thousands of whites and blacks died. A Zulu Assigai killed the Prince Imperial of France.

But the prize of Africa was vast. Today out of Africa comes 98% of the diamonds of the world; 80% of the cobalt; 75% of the sisal hemp; 70% of the palm oil; 70% of the cocoa; 60% of the gold; 35% of the

phosphates; 30% of the chrome and manganese; 20% of the copper and 15% of the coffee. This was the prospect that beckoned colonial imperialism in 1880.

Rhodes had to have the Boers out of his way. They had resisted unexpectedly and fiercely in 1880-1881, before gold was found. But Rhodes now pressed on. He sowed ill-will between Matabele and Boers by conniving at the murder of Kruger's envoy to Lobengula. Through the missionary, Moffat, he secured by fraud from the suspicious and unwilling Lobengula the celebrated Rudd concession to dig for gold. In 1889 he formed the British South African Company in England, and the year before had secured the diamond monopoly of the world.

36-11-152

Rhodes now circled around the Boers to gain control of Matabeleland in order to sell more shares of his South African company. With this land in his control he could prospect for gold not only there but in Mashonaland beyond where the blacks had once built the great civilisation of Zimbabwe, which probably Lobengula's forefathers had overthrown.

Even if no gold was found, shares would sell and the power of Rhodes in Africa would increase. Rhodes therefore sent his friend, Jameson, into Matebeleland to start the quarrel. Jameson promised his followers 600 acres of land and 20 gold claims each and their share of 200,000 cattle. With them he raided the Matebele, mowing them down with the newly-invented Maxim guns.

The Matebele fought back. "With furious courage they flung themselves upon the British artillery", the English general said. "No civilized troops could have withstood the terrible fire which they did that day for at most half as long."

Lobengula was beaten. He appealed to Queen Victoria but his letters had been deliberately mislaid. He tried every strategy, but the white bishop of Mashonaland prayed God "that the wicked Matabele be destroyed". On poured the English troops to help God out. The black king, sick with disappointment blew up his capital city. He dismissed his warriors:"You have done your best, my soldiers. You can help me no more. Go now to your kraals. Go sweetly. Go in peace." Turning toward the river that streamed into the Zambesi, the last fighting king of the Zulus died, wrapped in the skins of his sixteen black oxen.

26-11-158

Rhodes was now in sight of success, despite the fact that in 1893 Kruger was re-elected President of the Boer Republic. Lobengula was dead, and his territory was renamed Rhodesia. Rhodes was able to dump a million shares of his South African Company on the London world market, and they were unloaded at $40 a share. One year later, in 1890, Rhodes had become Prime Minister of Cape Colony, dominant province of South Africa; and on the London market he became master of the gold and diamonds of the world. He was so rich he did not know his wealth.

Meantime, in the Valley of the Nile, while both the English and the Egyptians were fighting the Kalifa who succeded the Mahdi, the Italians moved in to control the Emperor Johannes of Ethiopia. He was killed and was succeeded by Menelik, whom the Italians had helped to power and considered their tool. They pretended that he had signed a treaty handing over the control of the foreign affairs of Ethiopia to Italy. This Menelik angrily denied. When war ensued in 1896 he killed 25,000 Italians at Adua. Crispi resigned. Italy retreated.

For a moment the white western world held its breath. Black Menelik was making alliance, political and industrial, with France, which had already resulted in a railway to the sea. The French were slowly approaching the Nile from the west, and Ethiopia was to meet them from the east. It looked as though Great Britain might never control the Nile valley.

It was then that the Tory Prime Minsiter, Salisbury, discovered that the soldier of fortune, Chinese Gordon, now dead 12 years, had been a martyr and must be avenged. He sent General Kitchener to the Nile armed with the new explosive dynamite invented in 1886. Kitchener's army killed 27,000 Sudanese, recaptured their capital, Khartoum, dug the Mahdi from his grave and publicly defiled his corpse. He then turned to the French and gave warning. France was not ready to go to war with Britain over the control of the Nile. It was agreed at Fashoda to give the Nile to Britain, and the French army never met Menelik.

36-11-159

The explorer, the missionary, the prospector, the trader, the hunter and the soldier, all played their parts. Religion, cheap gin, syphilis and arbitrary government by distant rulers came to nations of farmers and hunters, black and white. The great diamond hole at Kimberley was dug two miles down into the ground. Johannesburg, a miniature New York, raised its towers on the windswept high veld of the Witwatersrand over a world of gold. This dominion of the Boers was now penned in completely by the British.

Feverishly Cecil Rhodes, facing death and spitting up his lungs in blood, pursued his world-grasping path. With the end of the

Matebele war in 1893 he straddled Africa. One foot was planted on the Cape of Good Hope where he was Prime Minister. The other in Rhodesia, so named in 1895, where he represented the British South Africa Company. He chose his grave there beside the graves of the mighty Zulu kings. Beneath him was Kimberley and the diamond mines. What he still lacked was political control of the gold of Johannesburg, which his incorporated companies owned.

In Johannesburg lived Englishmen and other Europeans far outnumbering the Boers. They had long thought of seizing power by force. Rhodes considered the time now ripe, and encouraged his pal, Dr. Jameson, now in Rhodesia where he had been victorious over the dead Lobengula. Jameson prepared to make alliance with the greedy Uitlanders of Johannesburg. They planned the raid and seizure. He lurched out, but the stubborn Boers met him. He was quickly overthrown and the fat was in the fire. Rhodes had to resign from the Cape Colony government and was compelled to meet a new rebellion of the Matebele; and also parliamentary investigation in London. His grip had slipped seriously, but he never wavered. If he could save Rhodesia he was safe in Britain, and Britain would yet rule the world.

The new war in Matebeleland was bitter. The natives no longer rushed to certain death into the mouths of machine guns. They lurked and attacked by surprise. A fifth of the white troops were soon dead and the rest were hiding in the guarded towns. The cost of the war mounted to frightening heights which threatened to swamp the London market of Rhodes' South African Company. Its shares began to drop perilously.

26-11-165

Rhodes, a huge, purple-faced giant who had never had wife nor child, set his square jaws grimly. He would win by lies if he could not by force. He rushed to Matebeleland in person. He pleaded with the blacks. He procured the murder of the chief witch doctor. He called off the white police. He promised freedom. He threatened unending war. He pleaded for Peace until the head chief yielded; "It is Peace, my father", he said.

Then Rhodes whirled. In London he faced Parliament, and backed by the Queen, the Prime Minister and the German Kaiser, won complete vindication for himself, and a knighthood for Jameson. He rushed back to Africa with Kruger, the re-elected president before him and the British army behind him. But instead of quick and overwhelming victory came four long and awful years of bitter, cruel war which shocked the world. Before the Boer War stopped Cecil Rhodes was dead at 49, muttering, "So much to do, do little done."

But Rhodes had done far more than he thought. He had degraded the colored world. His fantastic career had made Europe mad for colonial wealth and power, and particularly Germany and Italy, jealous of England, insisted on a redistribution of colonies. This demand, and the resistance of Britain and France, plunged civilization in 1914 into the First World War.

The unbearable strain of that war disrupted the industrial organization of the world and helped socialists to re-organize industry for the benefit of workers rather than owners. All Europe began testing Socialism, but it had its most far-reaching experiment in Russia.

36-11-161

in 1917. Thereupon 16 nations, including the United States, tried to stop it. Depression stopped them. Then at last Germany and Italy united to overthrow the USSR. Britain and France tried to cooperate with them, but Germany asked too high a price so that Russia finally had to be asked to join the West to hold back Germany. This was done, and then in our day Britain, France and America joined again to crush Socialism and restore Colonialism.

In the 100 years between 1817 and 1917 there took place in the world 204 wars, before the Soviet Union was formed. Seven of these wars were of great magnitude, culminating in the First World War. At least 40 of these conflicts were large scale fights, involving many thousands of soldiers, and 150 of them meant murder and destruction among millions of persons. If now, as so many persons think today, Communism is the chief cause and threat of war, what caused the more than 200 wars of the 19th century, before the Union of Soviet Socialist Republics was born? The answer is: Greed, Cupidity, Avarice; ruthless desire for private gain at any cost to public welfare. And the subject of my words is that this same unbridled Greed which caused war yesterday is causing it today and threatening it tomorrow.

Can any thoughtful person in the light of this history assume that our present causes of war are unconnected with the recent past, and find a new cause in the Russian Revolution and the Soviet Union? Is Communism today the cause of war or has war been the cause of Communism? If goaded by a terrible age of exploitation in Europe as well as Asia and Africa, nations have arisen to cast off their yoke, even if the new plan of government does not please us is War the only answer? Have we

36-11-162

in the last century proposed any better answer? If we really want peace and see in Peace the only beginning to real human progress, must not our peace begin with peace with the Soviets and not end with blunt refusal even to talk Peace, and with preparations for war on a scale which threatens to bankrupt civilization; and particularly with this senseless war in Korea?

If the United States and England are going to insist that the sort of world which they built in the 19th century must not be altered, and that any attempt at alteration will mean world war, then world war it will be. The world will never again submit to Anglo-Saxon rule.

36-11-163

Yet this is what Great Britain and the United States propose in Africa today. Britain bought the cooperation of the whites of the Union of South Africa by giving them independence and control of land and black labor until two million whites had eight million serfs. Then Britain let the whites of Kenya retain the land she had given them after the First World War for two cents an acre, and helped force the natives who owned the land to work for these whites at $10 a month. She placed in Kenya the largest store of munitions in the Empire for eventual attack on Asia. Yesterday Britain signed a treaty to subject six million more Negroes in South Central Africa to the ownership of two hundred thousand whites.

After this the inevitable is happening. In West Africa came revolt in 1948 that barely escaped civil war with riot and mutiny. It has freed thirty million natives and brought them within a step of independence. In Kenya secret murder in the hills is now terrifying the colony.

In the Union of South Africa Negroes and Indians, Africa and Asia, have begun passive resistence which the whites are going to try to smash by force. Back of Malan, who leads this effort, is the United States. We have loaned South Africa 90 millions and nearly every great American corporation is investing money there. Our consul last year called South Africa the most promising young nation on earth.

In Africa is beginning that war of races which may start the Third World War in conjunction with revolt in Asia. Under such circumstances conceive of a Secretary of State asking America to believe that we are threatened by a Russian plot in Africa to encircle the United States. What we are threatened with and have been for a hundred years is unbridled Greed of Europe and now of the United States, determined to rule mankind by force.

36-11-164

To prevent this surge toward total war, this murder and crippling of our sons, universities and schools, common citizens and particularly organized labor, must summon courage and understanding to know the truth and to speak their convictions. In this day we can no longer depend on the press for the facts, since the press belongs to Big Business and Big Business wants war. Radio, television and the public platform are no longer open to free discussion. College classrooms, where once New England dared talk of anything in which human beings were interested, are today becoming halls of scared silence or employment agencies. All the more reason that each of us seek out the truth and dare express our convictions even at the cost of persecution.

ON THE FUTURE OF THE AMERICAN NEGRO

I find that audiences are fond of asking speakers to talk about the future, and most speakers are only too willing to accede to this request, since there is no immediate danger that their prophesies will be contradicted by facts. Usually, however, I avoid this preferred temptation, since my attempts at prophesy in the last half century have not been conspicuously successful. Today, therefore, I am not going to tell you what will happen in the future, because I do not know. But I am going to emphasize certain present facts and tendencies of which I am afraid you are not fully aware.

Social problems change more often and in more ways than physical problems because of the unpredictable variations in human feelings and choices. Probably most of these emotions and conclusions are subject more or less indirectly to the same physical laws as those which dominate sticks and stones. But there is enough of volition to make it necessary for persons who are studying a human problem or trying to conduct their action in accordance with its present manifestations, to keep a wary eye on changes and current facts.

For instance, in the United States during the young manhood of Frederick Douglass the Negro problem was the problem of slavery. There were, of course, minor and connected problems, but they were all subjected to the main problem of human freedom. Then suddenly, between 1863 and 1876 the Negro problem became a problem of political enfranchisement and party government, which rapidly descended into race war, leading to temporary attempts to grapple with problems of work and education; but finally ending in practical disfranchisement of the Negro race in 1876. From 1876 until our day,

36-10-200

the race problem in the United States has been primarily a struggle to regain the right to vote, in the midst of caste discrimination, changing slowly but definitely to a problem of the right to work and to be trained for work at all levels; and to a struggle for broad civil and social rights.

Most of you, I think, assume that this is still the Negro problem, but you must be warned that it is not wholly or mainly that; and the reason that it is not is because of the fundamental changes now spreading over the whole world. Whereas in the 18th century the world thought that progress and emancipation were coming from popular education and universal suffrage, we now know that more fundamental than these important rights is the economic organization of the world; that is, the way in which the labor of human beings is organized to satisfy human needs. This question is so fundamental that all other questions of political power, education and human happiness, depend upon it. This is the basic reason for the rise of philanthropy, socialism, and the attempt at complete realization of Socialism through communism. It is immaterial whether or not you like or accept Socialism or Communism. The absolute compulsion of your facing the problem which they try to solve is inescapable.

While I am sure most of you realize this world wide change of emphasis, I doubt if you see how this affects the Negro problem, because most American Negroes of education and property have long since over-simplified their problem and tried to separate it from all other social problems. They conceive that their fight is simply to have the same rights and privileges as other American citizens. They do not for a moment stop to question how far the organization of work and distribution of wealth in America

36-10-201

is perfect, nor do they for a moment conceive that the economic organization of America may have fundamental injustices and shortcomings which seriously affect not only Negroes, but the world.

Just as Booker Washington in his day assumed that American ideals were complete and right, and that all we had to do was to fight to imitate and attain them, so today we Negroes are largely quite swept away by the miracles of American industry, the huge accumulation of wealth, and the conspicuous expenditure which we find about us. Our idea of heaven is to be rich Americans, to make the kind of show in home, dress and automobiles that is so popular in America, and to suffer, in our effort to be able to do these things, no discriminationon account of race or color.

This is dangerously short-sighted. We American Negroes are part of the working force of the world. Not only do we represent an important segment of the American working class, but also of the working class of Europe, Asia and Africa and of the other Americas. In this respect we occupy a strategic place, in that a large and growing segment of us have on the whole better training than the mass of the world's workers outside of the United States and Europe; and secondly because we are in such direct touch with the world's greatest industrial organization that we can easily imitate its methods and share its gains and repeat its fatal mistakes.

We must therefore see our duty of joining and cooperating with that part of the world's population which is going forward toward a better economic organization, and in not yielding to the temptation of joining our interests with those who are using their power and advantages to make industry serve their selfish interests and distorted ideals.

I remember once in Charleston, South Carolina, when a well educated

36-10-202

Negro pointed out to me the tenement houses which he was renting to poor workers at huge profit. In Atlanta I have seen an insurance society bought by a Negro group from whites, which was cheating and stealing from the workers with exactly the same methods that the white company had used, and piling up fortunes for young colored men. In fact, the more widely and successfully colored business men follow the methods of white business men, the more many of us regard them as unusually successful.

All these considerations affect and must in the future more largely than now, affect what we call now the Negro problem. And any assessment of the future aspects of this problem must take the matters which I have emphasized into serious and careful consideration.

There is today in America a confusion of mind so tragic and so misleading that our whole thought and philosophy is distorted. At the very time that economics, that is, the study of work and income, is of foremost importance for our well being, economics is not being studied in our schools. Neither in the elementary schools nor in colleges are students learning about the philosophy of money and exchange production and trade, wealth and saving. Our university students are pouring into chemistry and physics, and deserting history and sociology. Why? Because to us the basic problem is how large an income we can get; how much money we can control; what careers for our children will insure them the most wealth.

The object of our ambition is rising to higher and higher income brackets; and what we see as progress is escaping from manual labor to white collar jobs; thence to employing others to work for us; then to owning so much property that we need not work ourselves so that we may sit in stark idleness or grovel in dissipation, having never learned anything to

36-10-203

do except to arrange to have nothing to do. From this contradiction arises the strange paradox that poverty in the worker must be perpetual in order that he be compelled to work for the rich.

To most Americans this paradox is at once true and impossible. They sit dumb and bemused before it. Yet a little thought, a little clear teaching in the home and the elementary schools, a minimum of leadership from the universities where past experience could sit beside present knowledge, and our eyes could see and our deaf ears hear. What is Life but the attempt of human beings to be happy and contented in a world which with all its ill has a mass of sun and waters, trees and flowers, beauty and love. To realize this at its highest we need food, clothes and shelter. We need health of body and balance of mind. We want to know what this world is, how its wonderful law act, who its peoples are, how they think and act, and how what they have done in years and ages past may guide us today. We want to see, realize and conceive Beauty in form and line and color. We want to know our own souls and the myriad-sided souls of others, and then to imagine what might be if what is should grow to what we wish. This is Life, and this is the end and fairytale of Life. We know this and yet we sit dumb and muddled before it, seeing the world as a twisted contradiction.

Yet the problem is simple. We have a rich land: earth and water, minerals and vegetables of every sort; breath-taking scenery in mountain, ocean, river and vale. We have combed the races of earth for strength, intelligence and daring. All that is asked is that each of us do all we can first to supply our own wants in food and shelter, health and learning; but more

36-10-204

than that: that we do for others what they need done and cannot do for themselves and yet which must be done, lest we suffer. Beyond that there are many tasks which all working together can do faster and better than many working apart. All for one and one for all is an axiom of life, and to refuse to let all work in common would be as silly as to let no one work alone. All this is clear and true, and yet it is blinded in our eyes. The object of work for many is not to work. The end of labor is not to do what must be done but to get somebody else to do it. The wealth of the nation -- the land and water, the coal and oil, the iron and aluminum, ought not belong to the nation some say, but to those who by chance or cheating have legal power to make you pay their price for what God gave them. Even if ten or ten thousand men combine and in sweated sacrifice make steel, wheat, corn, meat or shoes, the result of the combined labor belongs to one or a few of them while the others scramble to keep from starving. What has gone wrong? It is clear the workers do not understand the meaning of work. Work is service, not gain. The object of work is life, not income. The reward of production is plenty, not private fortune. We should measure the prosperity of a nation not by the number of millionaires but by the absence of poverty, the prevalence of health, the efficiency of the public schools, and the number of people who can and do read worthwhile books.

Toward all this we strive, but instead of marching breatforward we stagger and wander, thinking that food is raised not to eat but to sell at a good profit; that houses are built not to shelter the masses but to make real estate agents rich; and solemnly declaring that

36-10-205

without private profit there can be no food nor homes. All this is ridiculous. It has been disproven centuries ago. The greatest thinkers of every age have inveighed against concentration of wealth in the hands of the few and against the poverty, disease and ignorance of the masses of men.

We have tried every method of reform. A favorite effort was force by war, but the loot stolen by murder went to the generals not to the soldiers. We tried through religion to lead men to sacrifice and right treatment of their fellow men. But the priests too often stole the fruits of sacrifice and concealed the truth.

In the seventeenth century of our modern European era we sought leadership in Science, and dreamed that Justice might rule through natural law. But we misinterpreted law to mean that most men were slaves and white Europeans were of right masters of the world. In the eighteenth century we turned toward the ballot in the hands of the worker to force a just division of the fruits of labor among the toilers. But the capitalists, fattening on black slavery and land monopoly and on private monopoly of capital, forced the modern worker into a new slavery which built a new civilization of the world with colored slaves at the bottom, white serfs between, and the power still in the hands of the rich.

But one consideration halted this plan. The serfs and even the slaves had begun to learn to think. Some bits of education had stimulated them and some of the real scientists of the world began to use their knowledge for the masses and not solely for ruling classes. It became more and more a matter of straight thinking. What is work? It

36-10-206

is what all must contribute to the common good. No man in this world has a right to be idle. It is the bounden duty of each to contribute his best to the well being of all. Of what men gain or do by their efforts all have a right to share, not to the extent of all they may want, but certainly to the extent which they really need. We feared yesterday that if all the reasonable needs of all men were met most would still starve. We know better than that today. All may eat and none need starve unless some insist on cake when others have no bread. And that, says modern Justice, is crime even if the starving man be Negro, Mexican or Korean.

From this program, even from any attempt to realize it in any way, many of the most powerful nations today and many influential persons not only are opposed, but threaten world war on nations and hell and damnation on people who even dare think, much less talk, of a world without poverty, ignorance and disease. Of attempts to realize such a world organized civilization deliberately lies.

Let me cite one instance: England a few years ago adopted social medicine and arranged that every Englishman should get free medical attention, hospitalization, medicines and dental care. It was a desperately needed reform. There is no reason on earth why such a measure should not be characteristic of every civilized nation ~~on earth~~. Yet every disaster was predicted, and every lie scattered to stop it. It was tried in Britain. It was a marked success. Even world reaction has not dared even essay to displace it. The utmost that Churchill attempted was to restore a small payment for false teeth! Despite the marked success of this simple act of justice to human citizens, the

physicians of the United States launched an outrageous propaganda, backed by money, advertising and lecturing, until every ordinary American is firmly convinced that Social Medicine in England is a failure and that any step toward it in America would be Revolution! Even Negro physicians, administering to a sick and diseased people who need social medicine more than any part of this nation, have with but few honorable exceptions lined themselves with those distinguished white Americans fighting to defend disease and death.

This brings me to the crux of my message. We Negroes are not fighting tonight against slavery. That fight is won. We are not fighting in vain for the ballot. We hold the balance of political power in the north, and either we get the vote in the south or we come north and get it here. But we are fighting and fighting desperately the economic battle for the right to work and to get from our work food, housing, education, health and a chance to live as human beings. But in this fight we are not alone. With us stand and must stand whether they will or no, the white workers of America and of the world. The continuation of a colonial world of slaves and serfs cheek by jowl with a free world of workers with modern technique is no longer possible. The effort to achieve this by yelling "Communism" and by propelling this nation to pour death and degradation on helpless Korea and to seek in every way to enslave China must and will fail.

You as voters and intelligent citizens must force Peace on the professional soldiers and the business leaders who make fortunes on war and murder, and you must let the world know that this is your simple and unwavering program: The abolition of poverty, disease and ignorance the

36-10-208

world over among women and men of all races, religions and colors; To accomplish this by just control of concentrated wealth and the overthrow of monopoly. To insure that income depends on work and not on privilege or chance. That Freedom is the heritage of man and by freedom we do not mean freedom from the laws of nature, but freedom to think and believe, to express our thoughts and dream our dreams, and to maintain our rights against secret police, witchhunters or any other sort of modern fool or tyrant.

Work and ever increasing categories of work must be carried on for the common good; work like education, forest preservation and flood control, the suppression of epidemics, research into disease, the broad planning of cities, the allocation and integration of industry. If all this must be done for the good of all it cannot be done by private initiative. It cannot be carried on for private profit. It must be planned. It must be conducted under discipline, and any set of social leaders who try to stop this social progress are enemies of mankind and destroyers of human culture.

The four freedoms come not by slavery to corporations and monopoly of press, cinema, radio and television, but by united social effort for the common good so that decently fed healthy and intelligent people can be sure of work, not afraid of old age, and hold high their heads to think and say what they damn please without fear of liars, informers, or a sneaking FBI.

This is the life and the conception of life which today is being denied. Instead of regarding work as honorable and necessary, and its

36-10-209

object human service, we look on work as something to avoid, and its object as private profit and so far as possible profit for the man who does not do the work. Most Americans believe that without the incentive of private profit industry would collapse. No! The object of work is what it does for human beings and in all the long history of mankind this has been the open and avowed end of human toil.

It is only in the curious interval of modern history marked by the discovery of America and the theft of capital monopolized by force and used to enslave most of mankind to work for the few, that a theory of human life has arisen which reduces the people of Asia, Africa and the islands to toil for the wealth of Europe and North America; and even in these lands makes most workers, although better paid than colored workers, yet too poor to be healthy and intelligent.

When, then, modern world revolution started, of which that of Russia is but a part, revolution which has changed the face of industry in every modern nation, here in America there has started a desperate effort to lead this nation into witch-hunting and world war, to stop this world trend toward abolition of labor exploitation, and a real brotherhood of man, and to abolish forever the vulgar rule of private wealth. Thus the Peace movement epitomizes in itself the world uplift today and of this American Negroes must become increasingly aware if they do not want to fall behind progress and hold back the March of Mankind.

This does not call for force nor revolution. It does call for courage even to the loss of jobs; for daring to think and guts at least to listen; to the refusal to mistake money made by gamblers either at policy or on the stock market, or display of clothes or homes as progress.

Progress is Peace, and peace is time for food, homes for love, health for happiness, and books to read.

TO THE WORLD PEACE COUNCIL, BUDAPEST, 1953

Again the World Peace Council meets without real representation from the United States of America; without voice from the very nation which most of you regard as the main threat to Peace. Why does America remain silent?

I venture to send you an explanation; not that you are entirely unaware of much which I will say; not that I am logically the rightful spokesman — on the contrary I am perhaps the last whom my countrymen would themselves select. For I am, as you well know, an hereditary outcast at home, whose black fathers were once enslaved and whose brothers are still despised. Yet by birth and education and long years of work, in some respects I represent the United States and can speak with a certain clairvoyance which is vouchsafed the outsider who lives within, and the insider who does not belong. My words then may bring needed emphasis to your deliberations.

Let me look back with you over the short history of America whose youth and late rush to world influence must be considered. Singular good fortune has repeatedly spelled doom for these fortunate isles. Prodigal gift of rich and endless land has nurtured greed. Strong and willing labor has invited slavery. Rivalries of race and cultures have quickened talent, until, mad with our very prosperity, we let Liberty choke Equality and Brotherhood die at birth. Yet we drew continual strength from all the world: from Asia came Faith; from Africa, Work with Song; from Europe, Civilization. In such a new world of singular opportunity with freedom of movement and freedom of trade over unprecedented stretches of territory, we have grown rich and healthy, powerful and keen, with rare technical mastery of the forces of nature and a reckless self-confidence born of youth and inexperience. Blind to history and ignorant of human nature, we see Life as the strife of Individuals and have small concept of the age-old social bodies or of the eternal Society of Man.

America of today lightly forgets that she was once a colony dominated by an empire and gained autonomy only by violent revolution; by throwing off just such bonds as she now helps to impose on peoples of Asia and Africa. Wildly and erratically down the years our ways have wandered: from conquest of the wilderness to conquest of Mexico; from domestic serfdom to a system of industrial slavery stretching from the Atlantic to the Pacific That leadership which the masses must find if they survive, came to us from time to time because of our unhampered and often lawless freedom and never reached peaceful, consistent and planned progress. We threw off dictatorship of property and religion. We spread common school education and approached universal suffrage, limited by slavery and color of skin. Then in blood and destruction we emerged into a vision of democracy unlimited by race, religion or wealth. Again our triumph spelled doom. The freedom which we thought we had gained for black mankind became freedom for the exploiter of land and labor. In the last half of the 19th century individual wealth, however gained, became more important in popular esteem than human freedom, and the new industry became the master and not the servant of the new democracy.

But even American individualism had to yield to social compulsion as the Frontier closed on our western borders. The free west became owned and ordered. The individual highwayman of industry could no longer ride at will. Exploitation of Labor and Raw Material became instead a matter of more intense effort and more subject to integrated and planned capitalism. The flow of cheap immigrant labor dwindled, the black freedmen began to fight for the freedom that was eluding them, white labor began to organize against capital. But Labor was divided: Irishman against Negro and German against Scandinavian and foreign-born against native. On new and intricate skills and machines

climbed the mechanic and the white collar worker; over all ruled the Manager and over him the Financier.

We became a money-mad people, ruled increasingly by corporal wealth and ruthless in our methods of gain. Freedom became license and democracy a matter of barter and sale. Yet there was intelligence and vision enough for fierce battle for reform in the last quarter of the century and the United States entered the 20th century determined to stand with the progressive forces of mankind in Science, Government and Humanity with Labor poised to hearken to Europe and fight for socialism.

36-11-27

As the fight of Labor grew more intense and the labor vote forced the rate of profit down and raised wages, a vision of a path to new profits came to American capital. This path was not new; it was very old, but it seemed new to a new people. It was the old colonial expansion. It started with the sugar and fruit of Hawaii and turned to conquest of Spanish islands; it crept down old paths to Central and South America. It excluded European participation with a new Monroe Doctrine designed now to protect investment and not human liberty.

Until the First World War we thought only of colonial expansion in the Americas. This war for the redistribution of Asiatic and African colonies found, therefore, the United States cold and disposed to withdraw into isolation until two temptations pulled us in opposite directions: one, led by Woodrow Wilson, would save the world for democracy and wage war to end war; the other looked on the disaster of the world as our business opportunity to supplant Europe in the exploitation of the Eastern World. We tore into this path with such concentrated effort that we not only completely threw over Wilson's idealistic League of Nations, but joined European reaction against Socialism and the new-born Soviet Union. With characteristic American impulse and blind zeal we knocked the very foundations out from under modern

capitalism: -- the Gold Standard, the world market, free land and cheap colonial labor. For a decade world industry and trade reeled, colonial peoples staggered to their feet while the Soviet Union built unshakable foundations.

Then the Old World, led by two mad men, tried to achieve new world domination. Britain, France and the United States joined Hitler and Mussolini to rebuild colonial imperialism. But the new masters asked too high a price, although Britain and France made every effort at accommodation, and deeply sympathized with the Fascist plan to arrest Communism. But in America poverty, unemployment and despair spread so far that Franklin Roosevelt displaced the old individualism with a new socialism and under the tutelege of Harry Hopkins even joined American skill to Soviet strength while Britain and France reluctantly followed.

36-11-28

Fascism and Hitlerism fell and colonialism started to follow. A Golden Age of Mankind dawned: a planned economy for a distracted and tottering world, upheld by some vast vision of equal, unexploited, healthy peoples being led to learn the long and laboriously accumulated wisdom of mankind by a new concept of Democracy. San Francisco followed Potsdam, Yalta, Teheran and Stalingrad -- followed falteringly and haltingly but surely, until tired, Franklin Roosevelt dropped in death.

It was then that the long strained weaknesses of the United States again appeared. Far less than other peoples is the United States a unity. We have no national patriotism. We worship success as Wealth and Wealth as Power. We are far too young for cultural integration. We are a congeries not only of races, nations and cultural patterns, but all these lack time for understanding and historic interpretation. In place of a national consciousness has arisen a fiercely believed-in folk-lore of individual prowess,

hammering out personal success. We forgot or never knew our dependence on each other.

There crept into our polity, beside differences of race and culture new class distinctions of rich, middle-class and poor; investors, employers, technicians, skilled laborers and common laborers, beside criminals. Managers displaced employers; better paid labor shared in exploitation of poorer paid and all American labor exploited Negroes and colonial peoples. Organized finance directed industry, distributed capital and planned economy. Having actually lost least by war and destruction American Industry started after the great depression of the thirties to reorganize world trade and industry and replace Great Britain as banker of mankind. But it met two stunning rebuffs. First, Communism did not collapse as America expected but grew in strength and extent so that Eastern Europe was closed to western exploitation. Second, China, which America regarded as already in her power under the puppet, Chiang Kai Chek, was reorganized under a communist regime in alliance with the Soviet Union. American business regarded this as plot and betrayal, and the Korean War began as an effort to regain control of Chinese labor and raw materials.

This change of outlook and aim, which never would have occurred under Roosevelt, developed to full orientation under his accidental successor, Harry Truman. Truman was a provincial western politician, without broad learning or wide experience. He had no thought of ever questioning the absolute superiority of the American Way of Life. Under the direction of Big Business, Truman completely reversed the policies of Roosevelt. He became suspicious and inimical toward the Soviet Union; made war in Korea and announced the Truman doctrine of armed limitation of the spread of communism. Trade, industry and finance through tighter and more conscious control of the whole

36-11-29

economy of the nation began to plan an anti-socialistic world. The Hitler plan of thought control was further developed. The old American folklore of pioneer enterprise, individual initiative and reward of private prowess was emphasized. News gathering and distribution, broadcasting, publication of books, periodicals and newspapers came increasingly under the centralized control of organized capital. Public opinion was skillfully aroused to suspect and hate the Soviet Union and to oppose her designs by a military preparedness surpassing anything the world ever knew. A false scare of imminent war nearly forced universal military service through Congress and did accomplish wide drafting of youth into the military forces. As opposition developed skillful efforts began to silence it. Confessed informers, liars and traitors were publicized and rewarded while advocates of peace and friendship were intimidated. Teachers and writers were dismissed; radicals, progressives and liberals jailed; a congressional inquisition, unhampered by the usual legal limitations was installed, and the pulpit either silenced or taken into loud alliance. Never before in America has there been such suppression of freedom of thought and expression of opinion.

36-11-30

When you judge the United States today, bear this in mind. Not the America of intelligence and courage is forcing war on the world, but the America half-informed and deliberately misled which regards such a gathering as the World Peace Council as a conspiracy against civilization and seriously sees in socialism and communism plots to overthrow the American Way of Life. Thus an hysterical nation is blundering toward a resurgence of religious dogma and is turning a Prince of Peace into a God of War. What happens? It is hard to paint the present scene in America in conceivable tones. May I essay. I select from an endless list of specific cases ten which illustrate

our spiritual Reign of Terror:

1. There is scarcely in the land a University or college from which there has not been dismissed either from long service or from the start of a promising career, one or more professors, accused of "sympathy" with "communism."

2. The Attorney-General of the United States has drawn up a long list of organizations, which, without hearing evidence or giving reasons he declares are "subversive" because of some connection past or present with Communistic or Socialistic ideas. Alleged membership in any of these organizations can mean loss of job or benefits of public housing.

3. From the public schools of New York and a dozen other large cities, successful teachers of ten, twenty or more years have been summarily dismissed for belonging to some "subversive" organization or for refusing to say whether or not they ever belonged to the Communist Party.

4. The eleven official heads of the Communist Party are in jail not accused of illegal acts but because communist writers have at various times and places wrote of revolution and since this government is declared in present danger these leaders are in jail for what they might sometime do.

5. The strong defense of labor unions which Franklin Roosevelt established has been sabotaged by new laws and administration. Aggressive labor unions have been outlawed and their leaders persecuted. On the Atlantic coast the handling of cargoes involve crimes of all sorts. On the Pacific coast stevedores are well organized and social benefits available. This was achieved by Harry Bridges ten years ago. Ever since Bridges has been persecuted as a "Communist." Year after year this persecution has persisted with varying charges. The government has used as witnesses well-known liars and stool pigeons. The case is still in court.

6. A notable leader of the United Nations Organization was Alger Hiss, a promising young man who had occupied responsible government positions. On the testimony of a confessed traitor Hiss was arrested and accused of betraying secret data to the Soviet Union. He was tried and ~~acquitted.~~ He was arrested again and tried ~~for lying at his first trial.~~ He was convicted and given a jail sentence. Prominent Americans attested their belief in his integrity. Although now eligible for parole he has been denied it on account of "public opinion."

7. Frederick Field, descendant of two of America's outstanding families, one of America's experts on Asia, who strongly sympathized with the new Chinese Republic was sent to jail because he refused to reveal the names of contributors to a bail fund which was used legally to keep accused persons out of jail until tried.

8. The Rosenbergs, hard-working young parents of small children, ~~are in jail.~~ They were not tried for treason but for conspiracy to give secrets to the Soviet Union in time of peace. Their accusers, who confessed treason, furnished no proof against the Rosenbergs ~~but bare~~ unsupported assertion. One of them was not punished, the other given fifteen years, while the victims were sentenced to death.

9. ~~Last month~~ When a group in Chicago planned a Memorial Meeting for Stalin a crowd entered the hall, beat the participants and while police looked on, burned Peace literature in the streets.

10. A wounded American prisoner in Korea wrote his mother in California of his good treatment and the desire for peace. Comrades signed this letter and his mother read it at a Peace Rally. She was subjected to a series of persecution. When the soldier was released he was segregated and not allowed to communicate with his family.

The underlying cause of this sort of action, of which I have indicated only a few samples is caused by the extraordinary propaganda which has led America to believe:

That universal selfishness brings total prosperity.

That without private profit Industry cannot carry on.

That poverty for most men is inevitable.

That most ~~men~~ human and especially colored ~~men~~ peoples are incapable of civilization.

That the United States is in danger of violent overthrow by foreign attack

That Socialism is a fool's dream and Communism a scoundrel's conspiracy.

Intelligent America knows better than this but intelligent America is afraid of losing status and the chance to earn a living. The schools teach but a minimum of elementary economics and students are avoiding history and the social sciences and crowding into physics, chemistry and "business." No progressive thinker and few liberals can get books published or broadcast or can lecture on public platforms. Such persons cannot travel on American passports unless they swear not only that they are not and never have been Communists, that they do not and never have belonged to any of the "subversive" organizations", but they must also convince the Department of State that they will not while abroad support or encourage any policies of the "Communist Movement," anywhere.

36-11-32

This is the situation in which we find ourselves. We have not yet been able to better it. We have tried to bring the matter to political decision in the last two presidential campaigns. Our first leader deserted the cause. The Progressive Party ticket in the second campaign was disfranchised in twenty-two states and in the rest it was refused public hearing to such extent that our candidate and platform were almost unknown. Since the campaign the Government has started a remorseless effort to imprison and impoverish our recent candidate, Vincent Hallinan, by seizing his property and accusing him of income tax fraud over a period of five years.

36-11-33

The new administration, headed by a general, is dominated by business men interested in war and colonial expansion and rich by their profits. It began with a threat to attempt the dismemberment of the Soviet Union by bribery and suborning of treason. It threatened to annul the treaties and understandings which ended the Second World War; it is striving to arm Germany, Japan and Western Europe in firm pact to join the United States in military alliance against the Soviet Union; it denies recognition to China. < insert A)

In this dark hour what can be done? Nothing but unswerving determination to persist in appeal to the intelligence and conscience of America. Emphasis on the great Truth that only by union of Communist social ideals and American mechanical skill can this world be saved. One day this fact must force itself on the United States. Until then, have pity on us, Mankind, and patience with us.

I speak as an American, and as an American who wishes for America fulfillment of its most glorious destiny. I wipe away all memory of ill, I forget things hard to forget and remember only how many peoples have found beneath the Stars and Stripes, hope and sanctuary. I stand myself too near

For a century and more the United Stsaes has had vigorous peace movements religious and civil . Today there are corporations endowed with millions of dollars dedicated to forwarding peace among the nations. Yet the only active ones who work for peace, even with the Soviet Union and China, are the Peace Crusade both threatened with listing as "subversive" by the Government. The Peace Information Center of 1950 was closed by persecution as agent of a 'foreign Principal' The Quakers still resist war but are very moderate and refuse all cooperation with other agencies. Thus the organized peace movement in this nation is literally almost scared to death. Yet it is not dead and it will never die

36-11-35

Eternity not to cling to firm belief that one day the United States of America, struggling with her own soul today as once she strove to emancipate four million slaves, will again fight down suspicion and distrust, repudiate greed and devote her skill and wealth not to murder but to more abundant life for all men.

Once in the dawn of this century British and American capitalists sent out the steamship Titanic, as a mechanically perfect machine; so perfect that it defied God, ignored warning and arrogantly drove straight into the icy jaws of Death. Today, some American dream that with the Atom bomb, with Japanese and German soldiers, the United States will rule the earth, with the aid of colonial peoples conquering each other for America. But we know in our hearts that this dream is mad. With the sympathy of the wiser world we will yet seek the light and find it, without violence and without war.

Aggressive labor ~~leaders~~ unions have been outlawed and their leaders persecuted. On the Atlantic coast the handling of cargoes involve crimes of all sorts ~~and low pay~~. On the Pacific coast stevadores are well organized, ~~pay is good~~ and social benefits available. This was achieved by Harry Bridges ten years ago. Ever since Bridges has been persecuted as a "Communist". Year after year this persecution has persisted with varying charges. The government has used as witnesses well-known liars and stool pidgeons. The case is still in Court

6. A notable leader of the United Nations Organization was Alger Hiss, a promising young man who had occupied responsible government positions. On the testimony of a confessed traitor Hiss was arrested and accused of betraying secret data to the Soviet Union. He was tried and acquitted. He was arrested again and tried for lying at his first trial. He was convicted and given a jail sentence. Prominant Americans attested their belief in his integrity. Although now eligivle for parole he has been denied it on account of "public opinion".

7. Frederick Field, descendant of two of America's outstanding families, one of America's experts on Asia, who strongly sympathized with the new Chinese Republic was sent to jail because he refused to reveal the names of contributers to a bail fund which was used legally to keep accused persons out of jail until tried.

to your friends in the Soviet Union

are in jail

8. The Rosenburgs, hard-working young parents of small children, ~~have been sentenced to die.~~ They were not tried for treason but for conspiracy in time of peace. Their accusers, who confessed treason, furni hed no proof against the Rosenburgs but bare assertion. One of them was not punished, the other given fifteen ye rs, while the victims were sentenced to death.

9. Last month when a group in Chicago planned a Memorial Meeting for Stalin a crowd entered the hall, beat the participants and while police looked on burned Peace literature in the streets.

10. A wounded American prisoner in Korea wrote his mother in California of his good treatment and the desire for peace. Comrades signed this letter and his mother read it at a Peace Rally. She was subjected to a series of persecution. When the soldier was released he was segregated and not allowed to communicate with his family

The underlying cause of this sort of action, of which I have indicated only a few samples is caused by the extraordinary propoganda which has led America to believe:

That universal selfishness brings total prosperity

That without private profit Industry cannot ~~exist.~~ carry on

That poverty for most men is inevitable

That most men and expecially colored men are incapable of civilization.

That the United States is in danger of violent overthrow.

That Socialism is a fool's dream and Communism a scoundrel's conspiracy.

Intelligent America knows better than this but intelligent America is afraid of losing status and the chance to earn a living. The schools teach but a minimum of elementary economics and students are avoiding history and the social sciences and crowding into physics, chemistry and "business". No progressive thinker and few liberals can get books published, ~~sam~~ or broadcast or lecture on public platforms. Such persons cannot travel on American passports unless they swear not only that they are not and never have been Communists, that they do not and never have belonged to any of the "subversive" organizations" but they must also convince the Department of State that they will not while abroad support or encourage any policies of the "Communist Movement", anywhere.

This is the situation in which we find ourselves. We have not yet been able to better it. We have tried to bring the matter to political decision in the last two presidential campaigns. Our first leader deserted the cause. The Progressive Party ticket in the second campaign was disfranchised in twenty-two states and in the rest it was refused public hearing to such extent that out candidate and platform were almost unknown. Since the campaign the Government has started ~~up~~ a remorseless effort to imprison and impoverish our recent candidate, Vincent Hallinan, by seizing his property and accusing him of income tax fraud over a period of five years.

30-10-186

The new administration, headed by a general is dominated by business men interested in war and colonial expansion and rich by ~~its~~ their profits. It began with a threat to attempt the dismemberment of the Soviet Union by bribery and suborning of treason. It threatened to annul the treaties and understandings which ended the Second World War; it is striving to arm Germany, Japan and Western Europe in firm pact to join the United States ~~for the overthrow~~ in military alliance against the Soviet Union; it denies recognition ~~of~~ to China.

In this dark hour what can be done? Nothing but unswerving determination to persist in appeal to the intelligence and conscience of America. Emphases on the great Truth that only by union of Communist social ideals and American mechanical skill can this world be saved. One day this fact must force itself on the United States. Until then, have pity on us, Mankind, and patience with us.

I speak as an American, and as an American who wishes for America fulfilment of its must glorious destiny. I wipe away all memory of ill. I forget things hard to forget and remember only how many peoples have found beheath the Stars and Stripes, hope and ~~refuge~~ sanctuary. I stand myself too near Eternity not to cling to firm belief that one day the United States of America, struggling with her own soul today as once she strove to emancipate four million slaves, will again fight down suspicion and distrust, repudiate greed and devote her skill and wealth not to murder but to more abundant life for all men.

Once in the dawn of this century we sent out the steamship Titanic, as a mechanically perfect machine; so perfect that we defied God, ignored warning and arrogantly drove straight into the icy jaws of Death. Today, some dream that with the Atom bomb, with Japanese and German soldiers we will rule the earth. But we know in our hearts that this dream is mad. With the sympathy of the wiser world we will yet seek the light and find it, without violence and without war.

PRESENT PROSPECTS FOR PEACE

WAR IS A VICIOUS HUMAN HABIT: A THROW-BACK TO PRIMEVAL BARBARISM, AN ANACHRONISM WHICH SHAMES RELIGION AND RETARDS CIVILIZATION. BEFORE THIS CENTURY WAR MAY AT TIMES HAVE BEEN THE LESSER OF TWO EVILS. SINCE WORLD WARS HAVE COME AND THE ATOMIC AGE, THIS IS NO LONGER TRUE. WAR IS THE SUPREME DISASTER. THERE IS NOTHING WORSE.

WHAT DID WE GET FROM THE "WAR TO END WAR?" MORE WAR! WHAT DID WE GET FROM THE "WAR TO PRESERVE DEMOCRACY?" LESS DEMOCRACY! WHAT ARE WE GETTING FROM THIS "COLD WAR FOR FREEDOM?" LESS FREEDOM TO THINK AND MORE FREEDOM TO KILL. WHAT WILL COME IF WAR IN KOREA BECOMES WAR AGAINST CHINA AND A THIRD WORLD WAR, WITH JAPAN AND WEST GERMANY AS OUR ARMED ALLIES? THE END OF EUROPEAN CULTURE AND A LONG RETURN TO BARBARISM. PEACE, THEN! PEACE NOW! PEACE FOREVER!

THIS AMERICA OF OURS, HOPE OF OUR DREAMS, REFUGE OF MANKIND, HAS BEFORE OUR VERY EYES BECOME THE GREATEST WARMONGER OF ALL HISTORY. NEVER BEFORE IN THE ANNALS OF MANKIND HAS A NATION PLANNED DEATH AND DESTRUCTION ON THE SCALE NOW ENVISIONED BY THE UNITED STATES OF AMERICA. WITH ONE BURST OF FLAME WE KILLED AT HIROSHIMA AND NAGASAKI 200,000 HUMAN BEINGS, AGED AND INFANTS; SICK AND HELPLESS; UNARMED AND UNWARNED; -- AN ATTACK AS HORRIBLE AS IT WAS NEEDLESS, -- A DEED WHICH CIVILIZATION WILL NEVER FORGET!

WHY IS THIS NATION, THE MOST SECURE FROM FOREIGN ATTACK OF ANY IN THE WORLD, RUSHING TO WAR? WHAT IS IT THAT HAS LITERALLY SCARED US TO DEATH? NO FOREIGN FOE HAS TOUCHED OR THREATENED OUR SHORES; NO NATION HAS PLANNED OUR DESTRUCTION. OUR ECONOMY IS SOUND UNLESS WE LET WAR UPSET IT; OUR TECHNIQUE IS UNSURPASSED; OUR ABILITY AND TALENT HAVE ALL THE POSSIBILITIES OF THE MOST FAVORED NATIONS OF MEN. WHY THEN HAVE WE GONE COMPLETELY OUT OF OUR MINDS AND EMBARKED ON A FANTASTIC PLAN OF WORLD CONTROL AT THE COST OF NATIONAL IMPOV-

ERISHMENT, MORAL RUIN AND THE HATE OF MANKIND?

WE SEEK TO ASSURE OURSELVES THAT OUR PRESENT HYSTERIA IS CAUSED SOLELY BY THE DESIGNS OF THE UNION OF SOVIET SOCIALIST REPUBLICS, A NATION SEPARATED FROM US BY THE WIDTH OF THE WORLD, WHICH HAS NEVER ATTACKED US, NEVER TAKEN OUR TERRITORY, BUT WHO SOME OF US [redacted] IS SO DETERMINED TO RUIN US THAT IN SHEER DEFENSE WE MUST RUIN OURSELVES! WHENCE THEN, COMES THIS [redacted] Belief?

[redacted]

MANY SEE BACK OF THIS BELIEF THE PROPAGANDA OF A GROUP OF BUSINESS MEN IN AMERICA, WHO SEEK TO REVIVE A SYSTEM OF WORLD INDUSTRY LONG SINCE DOOMED TO EXTINCTION. UNDER THIS SYSTEM, A CLASS WITHIN A NATION, OR A WHOLE NATION, LIVED IN COMFORT, LUXURY AND POWER ON THE LAND AND LABOR OF OTHER CLASSES OR PEOPLE TOO POOR, TOO IGNORANT, AND TOO SICK TO RESIST. THIS SYSTEM, UNDER ITS VARIOUS FORMS OF SLAVE TRADE, CHATTEL SLAVERY, SERFDOM, CLASS STRUCTURE, COLONIALISM AND CENTRALIZED REGULATION OF PRICES AND MARKETS, HAS EXISTED SO LONG,

35-8-144 of

YIELDED SUCH FABULOUS PROFITS, AND SUPPORTED SUCH [redacted] comfortable CIVILIZATION AMONG A FAVORED FEW, THAT MANY MEN BELIEVE THAT THE SUBJECTION OF MOST MEN TO A POWERFUL FEW IS INEVITABLE, AND THAT ITS DISAPPEARANCE WOULD MEAN THE END OF CIVILIZATION AS WE NOW KNOW IT.

THIS SYSTEM OF HUMAN GOVERNMENT AND CONTROL OF WORLD INDUSTRY REACHED ITS CULMINATION IN THE COLONIAL IMPERIALISM OF THE BRITISH EMPIRE DURING THE 19TH CENTURY, AND ITS SPECTACULAR SUCCESS FIRED THE IMAGINATION AND ENVY OF ALL EUROPE AND PARTICULARLY OF THE UNITED STATES. WE FORGOT THE REVOLT AGAINST IT WHICH HAD BROUGHT THE SUPPRESSION OF THE SLAVE TRADE AND THE ABOLITION OF CHATTEL SLAVERY; WE IGNORED THE LABOR MOVEMENT WHICH INTRODUCED UNIVERSAL SUFFRAGE AND POPULAR EDUCATION AMONG WHITE WORKERS, AND WE IGNORED THE EFFORTS TO EXTEND DEMOCRATIC CONTROL OF THE WORKERS OVER INDUSTRY, AND THE DREAMS OF INCLUDING THE MASS OF DARKER WORKERS AMONG THE ENFRANCHISED WORKERS OF THE WORLD.

THE 20th CENTURY DAWNED WITH FOUR WORLD-SHAKING EVENTS:

THE FIRST WORLD WAR TO REDISTRIBUTE COLONIES AMONG IMPERIAL POWERS.
REVOLUTION IN RUSSIA.
THE SECOND WORLD WAR TO STOP THE PLAN FOR A NEW COLONIAL IMPERIALISM.
THE REVOLT OF COLONIAL PEOPLES.

ALL THIS WAS LOGICAL: WIDE JEALOUSY among THE NATIONS MONOPOLIZING LAND AND LABOR IN THE COLONIAL REGIONS; THE ATTEMPT TO REDISTRIBUTE THIS MONOPOLY BY WAR; AND THE OVERWHELMING COST OF THE STRUGGLE, BRINGING INDUSTRIAL COLLAPSE AND THE ATTEMPT OF TWO DICTATORS TO MAKE A DIFFERENT DISTRIBUTION OF COLONIAL CONTROL BY ANOTHER WAR; AND FINALLY THE NATURAL RISE OF THE COLONIAL PEOPLES TO TAKE CHARGE OF THEIR OWN DESTINIES.

35-8-145

THE ATTEMPT OF HITLER AND MUSSOLINI, JOINED BY JAPAN, TO CHANGE THE FACE OF COLONIAL IMPERIALISM, SO THREATENED THE WESTERN WORLD THAT WE WERE GLAD TO ACCEPT THE HELP OF THE NEW SOVIET UNION, WHICH WE HAD ONCE JOINED FIFTEEN OTHER NATIONS TO OVERTHROW. THE SOVIETS LAID DOWN 17 MILLION LIVES AND BILLIONS OF THEIR NEW INDUSTRY TO SAVE US FROM FASCISM.

HERE DAWNED THE OPPORTUNITY TO FACE A NEW WORLD: NOT NECESSARILY A WORLD OF COMPLETE SOCIALISM OR OF UNREGULATED PRIVATE CAPITALISM, BUT A WORLD BASED ON GOOD WILL AND SCIENTIFIC INQUIRY INTO WORK AND INCOME AS AFFECTING HUMAN PROGRESS. THIS EFFORT, EARNESTLY UNDERTAKEN BY FRANKLIN ROOSEVELT, WAS OVERTURNED COMPLETELY BY HARRY TRUMAN AS THE TOOL OF BIG BUSINESS. IF A BUCHANAN BEFORE A LINCOLN WAS A NATIONAL CALAMITY, A TRUMAN AFTER A ROOSEVELT WAS A WORLD DISASTER WHICH A THOUSAND YEARS MAY NOT RETRIEVE.

THE LAST ELECTION WAS IN ESSENCE A MANDATE FOR PEACE. MOST PERSONS VOTED AGAINST A LIBERAL LIKE STEPHENSON WHO SPOKE ENGLISH, HAD A SENSE OF HUMOR AND A CULTURAL BACKGROUND, BECAUSE HE ASSUMED RESPONSIBILITY FOR THE TRUMAN POLICIES WHICH ENVISIONED CONTINUED WAR IN KOREA AND EVENTUAL WAR WITH THE SOVIET UNION. THEY DID NOT CONSIDER THE PROGRESSIVE TICKET AT ALL BECAUSE ALTHOUGH IT WAS FOR PEACE IT WAS AT BEST A LONG TIME PROGRAM WHICH HAD NO CHANCE TO INSURE PEACE NOW.

IN ADDITION, the Progressives COULD NOT PUT their ATTITUDE AND ARGUMENTS BEFORE THE PUBLIC IN THE PUBLIC PRESS, ON THE OPEN PLATFORM, NOR THROUGH RADIO OR TELEVISION. AS A PARTY IT WAS DISFRANCHISED IN 22 STATES AND SILENCED IN NEARLY ALL THE REST. ITS TREATMENT WAS NOT MERELY THE DEFEAT OF A PARTY BUT IT MADE A THIRD PARTY MOVEMENT AT PRESENT very difficult, AND WITHOUT THE POSSIBILITY OF A THIRD PARTY, DEMOCRACY IS IMPOSSIBLE.

FOREMOST IN THE MINDS OF ALL VOTERS STOOD THE KOREAN WAR; THIS LONG DRAWN-OUT SLAUGHTER AND DESTRUCTION, WITH SUFFERING AND POVERTY AND DISEASE; AND WITH ITS INTOLERABLE STRAIN ON THE ECONOMY AND FAITH OF THE WHOLE WORLD. NO ORDINARY CITIZEN, NO SOLDIER IN THE FIELD, NOR DRAFTEE could EASILY EXPLAIN WHY WE were FIGHTING IN THAT POOR FAR EASTERN LAND, IN A WAR FINANCED AND MANNED CHIEFLY BY THE UNITED STATES WHICH was KILLING AND CRIPPLING OUR SONS IN A MANEUVER TO PREPARE FOR A THIRD WORLD WAR. THIS WAR WAS STARTED BY HARRY TRUMAN WITHOUT AUTHORITY FROM CONGRESS ON THE THEORY THAT THE CIVIL WAR IN KOREA WAS AN ATTEMPT ON THE PART OF THE SOVIET UNION TO SPREAD COMMUNISM.

35-8-146

WE REITERATED THAT CHARGE, REPORTED THE DIRECT PARTICIPATION OF RUSSIAN SOLDIERS ~~AND EXHIBITED IN THE UNITED STATES ACTUAL RUSSIAN EQUIPMENT~~. WE USED OUR VAST INFLUENCE TO FORCE THE UNITED NATIONS TO ENTER THE WAR AFTER WE had BEGUN IT, AND TO ASSUME RESPONSIBILITY FOR ITS PURSUIT. IT HAS SINCE BEEN PROVEN BY AMERICAN AUTHORS LIKE I.F. STONE THAT THE KOREAN REVOLT WAS LONG PLANNED BY SOUTH KOREA AT THE DEMAND OF AMERICAN BUSINESS INTERESTS EXPANDING TOWARD CHINA. FACING THIS DILEMMA THE NATION ELECTED EISENHOWER, ON THE CHANCE THAT ALTHOUGH A GENERAL, HE MIGHT BE SINCERE IN WANTING TO STOP WAR, SINCE HIS ADVISERS WOULD BE BUSINESS MEN WHO WOULD FEAR FINANCIAL CRISIS. IN ANY CASE HE COULD NOT BE WORSE THAN TRUMAN!

IT IS STILL CLEAR THAT THE KOREAN WAR WAS A STEP IN OUR PLAN FOR EXPANDING BUSINESS IN ASIA, WHERE WE BET ON THE WRONG HORSE IN THE SECOND WORLD WAR. WE BACKED AND SUPPORTED WITH ARMS, MONEY AND EXPERT ADVICE FROM THE HIGHEST SOURCES, CHIANG KAI-SHEK, EVEN AFTER OUR OWN GENERALS AND POLITICAL EMISSARIES WARNED US OF HIS UTTER MORAL WORTHLESSNESS AND HIS CERTAIN POLITICAL AND MILITARY FAILURE.

DESPITE THIS REPEATED ADVICE, WE FOLLOWED INVESTORS WHO WERE SURE THAT EVEN IF CHIANG FAILED, THE DISRUPTED REMAINS OF THE ONCE GREAT CHINESE GOVERNMENT WERE BOUND TO FALL INTO OUR HANDS AND WE WOULD REPLACE GREAT BRITAIN AS MASTER OF THAT PARADISE FOR INVESTORS, WITH ITS CHEAP, SKILLED LABOR UNSPOILED BY TRADE UNIONS; ITS WEALTH OF RESOURCES AND BOUNDLESS STRETCH OF TERRITORY. THUS THE UNITED STATES WOULD BECOME MASTER OF THE MAJOR PART OF THE CONTINENT OF ASIA.

WHEN, TO THE UNBOUNDED SURPRISE OF AMERICAN BUSINESS INTERESTS AND OF OUR LEADERS IN THE THEORY OF A NEW AMERICAN RULERSHIP OF THE WORLD THROUGH COLONIAL IMPERIALISM, CHIANG KAI-SHEK WAS DRIVEN OUT OF CHINA BY THE VERY ARMS WHICH WE HAD FURNISHED HIM, WE APPEARED NOT ONLY AS FOES OF HIS CONQUERORS, BUT AS PERSECUTORS OF ALL AMERICANS AT HOME WHO SYMPATHIZED WITH, DEFENDED OR AIDED THE NEW REPUBLIC OF CHINA. ABOVE ALL, WE ATTRIBUTED TO RUSSIAN PLOT, A RESULT REALLY DUE TO OUR SHORTSIGHTED GREED.

35-8-142

OUR WAR IN KOREA BECAME AT BOTTOM A WAR AGAINST FREE CHINA, AND CHINA KNEW IT. WE INDUCED THE UNITED NATIONS TO JOIN US IN BRANDING CHINA AS AN OUTLAW.

AGAINST LAW AND DECENCY AND AGAINST THE WILL OF MANY COUNTRIES, THE UNITED NATIONS PERMITTED CHIANG KAI-SHEK AND SEVEN MILLION SERFS UNDER HIS CONTROL TO PERCH BEHIND OUR WARSHIPS ON A LITTLE ISLAND THE SIZE OF VANCOUVER AND TO PRETEND TO REPRESENT AND SPEAK FOR 460 MILLION PEOPLE ON A TERRITORY LARGER THAN THE UNITED STATES.

CHINA WARNED THE UNITED STATES THAT SHE WOULD NOT PERMIT THIS COUNTRY IN ITS WAR ON KOREA TO CROSS THE CHINESE BOUNDARY WITHOUT RESISTENCE. WE TREATED THE PROTEST WITH THE LORDLY DISTAIN WE USUALLY SHOW TOWARD COLORED PEOPLES. OUR VALIANT MCARTHUR MARCHED STRAIGHT TO THE CHINESE BORDER AND THE CHINESE SENT HIM AND HIS ARMY RUNNING 400 MILES IN THE MOST DISASTROUS RETREAT AMERICAN ARMIES HAVE SUFFERED SINCE BULL RUN. AND ALL BECAUSE A SUPERCILIOUS AND COCKSURE GENERAL DID NOT THINK CHINESE DARED FIGHT AMERICANS. WITH VAST AND COSTLY PREPARATION OUR FORCES FINALLY REGAINED SOUTH KOREAN TERRITORY BUT DID NOT ATTEMPT AGAIN TO INVADE CHINA. AFTER MORE THAN A YEAR THE SOVIET UNION PROPOSED NEGOTIATIONS FOR PEACE. THESE NEGOTIATIONS HAVE GONE ON FOR MORE THAN A YEAR. THE CHINESE AND KOREANS HAVE YIELDED

POINT AFTER POINT: ON PUSHING THE BOUNDARY OF SOUTH KOREA MANY MILES NORTH OF THE 38th PARALLEL, WHICH WE HAD PREVIOUSLY ACCEPTED; ON HAVING THE SOVIET UNION REPRESENTED ON A COMMISSION FOR ARBITRATION; ON THE TREATMENT OF PRISONERS. BUT FINALLY ON THE MATTER OF RETURN OF PRISONERS WHICH WE HAD ONCE AGREED TO IN ACCORD WITH THE GENEVA CONVENTION, WE NOW INSISTED COULD BE RETURNED ONLY AFTER WE HAD ASCERTAINED THEIR DESIRES. CHINA AND NORTH KOREA AT FIRST REFUSED ASSENT; DOUBTLESS THEY FELT THAT YIELDING HERE WOULD ONLY ENCOURAGE FURTHER DEMANDS. [RECENTLY omitted in JAN 1954 THEY HAVE YIELDED, IF THE PRISONERS WHO DO NOT WISH TO RETURN ARE SENT TO A NEUTRAL COUNTRY AND THAT THERE THEY HAVE A CHANCE TO INTERVIEW THEM BEFORE FINAL DECISION IS MADE.]

35-8-149

THE PEOPLE OF THE UNITED STATES HAVE NOT ONLY SUPPORTED AND PAID FOR OUR MILITARY PROGRAM IN KOREA, BUT ALSO WE ARE HELPING FRENCH CAPITALISTS PUT DOWN LONG DRAWN-OUT REVOLT IN VIET-NAM WHICH HAS FOLLOWED YEARS OF RUTHLESS THEFT AND CRUELTY; WE ARE HELPING BRITAIN IN SOUTHEAST ASIA AND WE ARE USING EVERY AVAILABLE

LINE OF INFLUENCE TO INDUCE INDIA TO JOIN US IN ENMITY TOWARD THE SOVIET UNION AND CHINA. We are helping by money & material to reconstitute Africa

NEVETHELESS THIS NATION WANTS DESPERATELY TO STOP THE KOREAN WAR WHICH HAS COST US 300,000 WAR CASUALTIES AND DEATHS BY DISEASE AND ACCIDENT; IT HAS RAISED TAXES AND PRICES TO HEIGHTS WHICH ARE MULTIPLYING ~~AND THREATENS STRIKES AND~~ LABOR DISORDER and threatening TO DISRUPT OUR WHOLE ECONOMY; IT IS TRANSFORMING OUR WHOLE SYSTEM OF EDUCATION INTO TRAINING FOR WAR, MURDER AND DESTRUCTION, AND IS SETTING THE WHOLE OF ASIA AGAINST US AND PUSHING MUCH OF EUROPE INTO DISTRUST AND BITTER ENMITY; WE ARE SPENDING ~~[illegible]~~ something TO HELP BACKWARD LANDS, BUT USUALLY ON THE EXPRESS CONDITION THAT THEY BECOME OUR ALLIES IN WAR AGAINST COMMUNISM.

BALANCING OUR EXPLOITS IN ASIA WE HAVE GIVEN MUCH HELP TO EUROPE. BUT AMERICANS MUST NOT MISINTERPRET THIS AID. IT WAS NOT CHARITY TO ALLEVIATE DISTRESS; IT WAS ARMS, GOODS AND MATERIAL FURNISHED EUROPEAN CAPITALISTS FOR INVESTMENT AND FOR ENABLING THEM TO RESIST THE RISING AND SOCIALISTIC DEMANDS OF LABOR. IT WAS

ALSO SO USED AS TO FACILITATE PROFITABLE INVESTMENT OF OUR OWN FUNDS; AND LATELY IT HAS CONSISTED OF LOANS FOR EUROPEAN REARMAMENT AT A RATE WHICH EUROPE PROTESTS IS TOO RAPID FOR HER OWN RECOVERY. WE HAVE SOUGHT THUS TO UNITE EUROPE INTO AN ALLIANCE AGAINST THE SPREAD OF COMMUNISM AND WE HAVE TRIED AT THE SAME TIME TO ARM JAPAN AND WEST GERMANY AS OUR ALLIES AGAINST THE SOVIET UNION. THIS IS A DANGEROUS PROGRAM AND IS BEING RECEIVED WITH HESITATION AND RELUCTANCE BY THE WORLD. FRANCE AND WEST GERMANY ARE REFUSING TO GO FORWARD WITH THEIR PROMISES OF REARMAMENT, AND Italy is going Communist EUROPE EVIDENTLY REGARDS THE FEAR OF WAR WITH THE SOVIETS AS LESSENING.

35-8-150

MEANTIME THE SOVIET UNION AND ITS ALLIES BEHIND THE "IRON CURTAIN" HAVE GROWN IN GENERAL PROSPERITY; IN AGRICULTURAL PRODUCTION AND MANUFACTURES; IN HEAVY INDUSTRY AND LONG-TIME VENTURES FOR GENERAL DEVELOPMENT. THEY ALL HAVE EXCELLENT EDUCATIONAL SYSTEMS, AND THEY FIGHT DISEASE SUCCESSFULLY. THEY SHOW INNER STRESS AND STRUGGLE, AND YET THERE IS NO SIGN OF REVOLT, DESPITE OUR OPEN ENCOURAGEMENT AND our OFFERS OF $100 MILLION TO SPIES AND SABOTEURS FOR FOMENTING INNER REVOLT.

THE SOVIETS WERE THE ONLY MEANS BY WHICH THE WEST COULD PUT DOWN FASCISM, AND WHETHER WE LIKE IT OR NOT THESE NATIONS SEEM CERTAIN TO SURVIVE AND TO DEVELOP even with the atom bomb THEIR WAY OF LIFE. THERE IS TODAY NO APPARENT COMBINATION OF NATIONS CAPABLE OF REDUCING COMMUNIST NATIONS TO SUBSERVIENCE BY FORCE. COMMUNISM TODAY RULES AT LEAST HALF OF MANKIND.

THE SOVIET UNION HAS MADE NO RECENT MOVEMENT THAT CAN BE CALLED AGGRESSION AND HAS CEASELESSLY ADVOCATED A WORLD PEACE MOVEMENT WHICH WE HAVE BEEN SORE PRESSED TO IGNORE AND HAVE RETALIATED BY MAKING IT DANGEROUS FOR AMERICANS TO ADVOCATE PEACE AND IMPOSSIBLE FOR MOST OF THEM TO ATTEND PEACE CONGRESSES IN FOREIGN LANDS.

THE TERRIBLE FAREWELL MESSAGE OF PRESIDENT TRUMAN WAS A COUNCIL OF DESPAIR. NATIONS ARE NOT COMPELLED TO FIGHT UNLESS THEY FEAR PEACE MORE THAN WAR. THE PRICE OF PEACE TODAY FOR THE UNITED STATES IS FREEDOM FOR COLORED PEOPLES WITH THE RIGHT TO SELL THEIR LABOR AT SUCH PRICE AS THEY CAN GET; TO OWN THEIR LAND;

TO SEEK EDUCATION. IT DEMANDS THE RIGHT OF HALF THE WORLD TO ADOPT SOCIALISM IF IT WISHES, AS A WAY OF LIFE. IF THE EXPERIMENT FAILS, THE FAILURE IS CHIEFLY THEIRS. CERTAINLY OUR SUCCESSFUL INDUSTRIAL DEVELOPMENT HAS NOT MADE MOST PEOPLE OF THE WORLD HAPPY, NO MATTER HOW MUCH IT HAS ADDED TO THE WEALTH AND POWER OF A FEW. IT IS NOT ONLY WRONG BUT AS IT NOW SEEMS, IMPOSSIBLE, FOR THE UNITED STATES TO COMPEL MANKIND NOT TO MAKE THIS VAST EXPERIMENT. CERTAINLY THE ATTEMPT TO STOP IT BY FORCE MAY DESTROY CIVILIZATION.

35-8-151

WITH THE ELECTION OF DWIGHT EISENHOWER AS PRESIDENT WE AND THE REST OF CIVILIZATION AWAIT THE MOVE TOWARD PEACE WHICH MUST COME UNLESS WE MOVE TOWARD BANKRUPTCY OR A THIRD WORLD WAR. EISENHOWER'S FIRST STEP WAS HIS PROMISED VISIT TO KOREA. THIS PROVED, ~~SO FAR AS OUTSIDERS CAN JUDGE,~~ TO BE A MILITARY INSPECTION SUCCEEDED BY A COUNCIL OF WAR, WHICH GENERAL MCARTHUR EVENTUALLY ATTENDED. ~~I CAN NOT SEE~~ IN THESE ACTIONS, there was no ~~ANY~~ REAL PLAN FOR PEACE. THE UNITED STATES IN CURRENT UNITED NATIONS SESSIONS TOOK THE FAMILIAR STAND THAT IF CHINA AND NORTH KOREA WOULD NOT ACCEPT OUR LAST WORD ON KOREAN PEACE, WAR WOULD CONTINUE. WE CONTINUED

TO FORECAST WAR WITH THE SOVIET UNION, HELPED BY SPIES, PROPAGANDA AND FOMENTED REVOLUTION. [THE INDIAN PROPOSAL ACCEPTED THIS LAST WORD, WHICH WAS REJECTED BY CHINA; BUT WITH A COUNTER-PROPOSAL OF A CEASE-FIRE IMMEDIATELY AND SUBSEQUENT CONSULTATION ON ALL OTHER SUBJECTS. THIS WE REJECTED WITH CONTEMPT. THE PRESIDENT HAS LOST NO OPPORTUNITY TO EMPHASIZE THE SHORT-COMINGS OF COMMUNISM AND THE PROBABILITY OF EVENTUAL WAR.] omitted Jan/54

THE NEXT OCCURRENCE OF FIRST INTEREST ~~IS~~ was THE EISENHOWER CABINET. THIS IS UNDER THE COMPLETE CONTROL OF millionaire BIG BUSINESS, WITH A BACK-LOG OF MILITARY SUPPORT; ~~IT~~ ALL THE COMBINED MONOPOLIES, TRUSTS, FINANCIAL POOLS AND CARTELS WHICH TODAY CONTROL THE INDUSTRY AND COMMERCE OF THE WORLD OUTSIDE THE COMMUNIST LANDS, is represented. IF THE WORLD STOPS WAR, IT WILL BE BECAUSE BIG BUSINESS SEES MORE PROFIT AND POWER IN A PROGRAM OF PEACE THAN IN A THIRD WORLD WAR. THE ANSWER TO THIS LIES MAINLY IN OUR DOMESTIC ECONOMY AND MORE ESPECIALLY IN OUR LABOR MOVEMENT. [~~THE DEATHS OF TWO PROMINENT LABOR LEADERS MAY INFLUENCE THE ANSWER TO THIS QUESTION.~~] omit Jan/54

omitted Jan 15 ?

PHILLIP MURRAY BECAME IN HIS LATER YEARS A FANATIC ON RED-BAITING AND WILLIAM GREEN ALWAYS REPRESENTED CAPITAL AS THE OBJECT OF LABOR UNIONS MORE THAN ANY PLAN OF SOCIAL CONTROL. THE POLICY OF GREEN WILL BE PURSUED BY HIS SUCCESSOR BUT WITH LESS PERSONAL INFLUENCE. REUTHER WHO NOW HEADS THE CIO IS A MODERN LABOR POLITICIAN WITH NO FIRMLY HELD IDEALS.

AS LONG, THEN, AS WAGES REMAIN HIGH AND RISE CONTINUALLY WITH PRICES, AND THERE IS LITTLE UNEMPLOYMENT, LABOR WILL SUBMIT TO WAR. THE MERE FEAR OF PEACE YESTERDAY COST THE STOCK MARKET GAMBLERS FIVE BILLION DOLLARS. BUT WAGES AND EMPLOYMENT DEPEND TODAY ON THE CONTINUING HIGH PROFITS OF WAR INDUSTRY. IF WE HAVE PEACE, PROFITS WILL FALL, WAGES WILL DROP AND UNEMPLOYMENT WILL ENSUE. IT IS SIMPLY IMPOSSIBLE FOR THE UNITED STATES WITHOUT BANKRUPTCY TO TRY TO PRODUCE WAR MATERIALS AT THE PRESENT RATE AND PAY FOR IT WITH HIGH TAXES ON THE POOR AND MIDDLE CLASSES. A PROGRAM OF PUBLIC EXPENDITURES FOR THE COMMON GOOD CAN BE ADOPTED TO REPLACE WAR EXPENDITURE, BUT SUCH A PROGRAM CONGRESS OPPOSES AND THE

35-8-153

omit
PRESIDENT DOES NOT ADVOCATE, BECAUSE IT INEVITABLY MEANS SOCIALISM.

WITHOUT SUCH A SOCIAL PROGRAM AND WITH PEACE, THE PROTEST AGAINST HIGH TAXATION WILL BECOME IRRESISTIBLE AND FALL OF PRICES WILL ENSUE. THE BANKS, WITH THEIR VAST POWER, CAN SLOW UP THE STAMPEDE, BUT HOW LONG IT IS NOT EASY TO PREDICT. A FINANCIAL COLLAPSE IS CERTAINLY POSSIBLE, AND THE FACT THAT WE HAVE THUS FAR AVOIDED ONE WILL BE OF LITTLE AVAIL. IF WE CANNOT AVOID A CRISIS, WE WILL STILL HAVE PEACE, BUT PEACE AT THE PRICE OF ADOPTING IN 1954 THE SAME KIND OF SOCIALISTIC NEW DEAL WE TURNED TO IN 1930. IT IS THE VERY REAL FEAR OF THIS BY BIG BUSINESS THAT KEEPS US AT WAR AND THREATENS US WITH MORE WAR. BUT WILL CONTINUED WAR SAVE US? FOR A LITTLE TIME, PERHAPS, BUT NOT BY ANY POSSIBILITY FOR LONG. THIS HAS BEEN A CENTURY OF WAR ON AN UNPRECEDENTED SCALE. IT CANNOT LAST. THAT WE ALL KNOW. NO TERROR OF BOMB OR SIZE OF ARMIES OR MILITARY EXPENDITURE CAN ACCOMPLISH THE IMPOSSIBLE. EITHER PEACE TODAY OR PEACE TOMORROW AND IN NEITHER CASE CAN WE AVOID AN AWFUL

or have we avoided

COST IN DESTRUCTION, DEATH AND CRIPPLING OF YOUTH, INSANITY AND CRIME.

IMAGINE A SPEAKER OF THE FEDERAL HOUSE OF REPRESENTATIVES SAYING IN HIS ACCEPTANCE ADDRESS, "WERE IT NOT FOR THE ADVENT OF MARXISM, EUROPE TODAY MIGHT BE PEACEFUL AND HAPPY. CHINA MIGHT BE FREE. CERTAINLY OUR SONS WOULD NOT BE FIGHTING IN KOREA." IS MARTIN UNAWARE THAT IN THE LAST 138 YEARS, BEGINNING BEFORE MARX WAS BORN, THERE HAVE BEEN 300 WARS, NOT A TENTH OF WHICH COULD POSSIBLY BE ATTRIBUTED TO SOCIALISM OR COMMUNISM; THAT CHINA HAS NOT BEEN AS FREE AS IT IS NOW IN A THOUSAND YEARS, AND THAT THE BEGINNING OF WAR IN KOREA DATES BACK 1200 YEARS?

35-8-154

OUR ABILITY IN THE UNITED STATES TO AVOID WAR OR UNEMPLOYMENT, SOCIALISM OR BANKRUPTCY DOES NOT DEPEND SOLELY ON OUR OWN EFFORTS IN OUR OWN NATION. RATHER IT DEPENDS TO A VERY LARGE EXTENT ON THAT WORLD OF TRADE AND CONTROL THROUGH INVESTMENT WHICH IT HAS BEEN OUR UNREMITTING EFFORT FOR TWO CENTURIES TO DRAW WITHIN OUR INFLUENCE AND MAKE THE FOUNDATION OF OUR COMFORT AND POWER. BY THIS I MEAN THE COLONIES OF ASIA AND AFRICA; THE SOUTHERN NATIONS OF THE AMERICAN CONTINENT;

THE SO-CALLED NEAR EAST AND THE ISLANDS OF THE SEAS. FOR NOW MORE THAN TWO CENTURIES, THESE REGIONS HAVE PROVIDED US WITH FOOD, LUXURIES AND RAW MATERIALS FOR OUR TRADE AND STORES AND FACTORIES, AND TODAY NO MATTER WHAT WE WISH TO DO, THEIR THOUGHT AND PLANS, THEIR REVOLT AND HATE ARE NOT SIMPLY MATTERS OF FOREIGN NEWS AND SCIENTIFIC CURIOSITY, BUT MATTERS OF OUR DAILY LIFE AND CONCERN. THESE NATIONS, RACES AND PEOPLES ARE TODAY IN INCREASING UNREST AND FERMENT. IT DOES NOT MATTER JUST WHAT HAS CAUSED THIS FERMENT. THE HARD FACT IS THAT IT EXISTS AND INCREASES. IN ASIA IT HAS FREED IN OUR DAY FROM WHITE CONTROL A THOUSAND MILLION BROWN AND YELLOW PEOPLE. OF THIS WE ARE AWARE AND THIS HAS DRIVEN US TO WAR AND KEEPS US FIGHTING IN VAIN TO STOP THE TREND.

RECENTLY A NEW MASS OF RACIAL AND COLONIAL PROBLEMS HAS FACED US AND THIS IS THE REVOLT IN AFRICA. AFRICA IS INTRICABLY BOUND TO AMERICA, NOT ONLY BY PAST HISTORY BUT BY PRESENT TRADE. ON AFRICA WE DEPEND TODAY FOR PALM OIL

AND RUBBER; COCOA AND COPPER; GOLD AND DIAMONDS; URANIUM AND ZINC; LEATHER AND SPICES; IRON AND TIN, AND A HUNDRED OTHER MATERIALS; AND ON HUMAN LABOR FOR US AT A PRICE ONE-TENTH AS HIGH AS WE PAY LABORERS AT HOME. THESE GOODS AND THIS LABOR MAKES OUR WAY OF LIFE SO ENJOYABLE AND MAKES THE TEMPER OF AFRICANS INCREASINGLY BITTER AND VENGEFUL, DESPITE THE TALES OF MISSIONARIES OR THE PROPAGANDA OF POINT 4.

WHEN THE FOREIGN SLAVE TRADE DIED IT GAVE BIRTH TO COLONIAL IMPERIALISM AND THE PARTITION OF AFRICA. PROFIT ON AFRICAN COLONIES THEN GREW FROM THE GOLD AND DIAMONDS OF SOUTH AFRICA AND THE ATTEMPT OF CECIL Rhodes TO OPEN A ROAD FROM CAPE TO CAIRO OVER THE PLATEAU OF KENYA. AMERICAN CAPITAL IS TODAY THE CHIEF SUPPORT OF THE MALAN GOVERNMENT OF BLACK SERFS WHO ARE WITHOUT TRADE UNIONS OR THE RIGHT TO VOTE. IN KENYA FIVE MILLION NATIVES HAVE BEGUN TO BOIL OVER AND MURDER AND DESTROY BECAUSE 240,000 SQUARE MILES OF THEIR best LANDS HAVE BEEN STOLEN BY WHITES ~~SINCE THE FIRST WORLD WAR,~~ TO SUPPORT AN ARISTOCRACY WHO USE BLACK LABOR AT SLAVE

35-8 155

WAGES AND ALLOW THEM ALMOST NO VOICE TO PROTEST. IN WEST AFRICA OPEN REBELLION DURING THE LAST FIVE YEARS, PLAYED DOWN IN OUR PRESS, HAS SET UP ONE BLACK STATE WITH NEGRO RULE, WHILE ANOTHER WILL SOON FOLLOW. FIGHTING WITH THE BLACKS IN SOUTH AFRICA AND KENYA ARE 200,000 EAST INDIANS, KIN OF 350,000,000 OTHER INDIANS IN ASIA. HOW LONG DO THE WHITES OF THE WORLD THINK THEY CAN RULE AND OPPRESS THESE MASSES OF COLORED PEOPLES? HOW LONG CAN THE BLACK LABORERS BE FOOLED BY ACCUSATIONS THAT SOVIET RUSSIA IS THE CAUSE OF COLONIAL DISTRESS, WHEN RUSSIA HAS NO COLONIES AND IS THE ONE EXCEPTION WHICH SAVES THE PRESENT WORLD STRUGGLE FROM BECOMING A WAR OF RACES?

IT IS FANTASTIC TO DREAM OF SUCH DEVELOPMENT OF HISTORY. IT IS THE PATRIOTIC DUTY OF ALL AMERICANS TO CRY HALT! FIRST PEACE ON EARTH, THEN AN EFFORT TO ABOLISH POVERTY AND IGNORANCE AND TO DECREASE DISEASE; AND THEN WORK FOR REAL BROTHERHOOD AMONG MEN, NOT AS PHILANTHROPY BUT FOR SELF-PROTECTION BEFORE IT IS TOO LATE!

[PART OF SPEECH??]

LATELY, AS YOU KNOW, THE WHOLE WAR SITUATION IN THE WORLD HAS BEEN CHANGED BY THE NEW OFFERS OF PEACE FROM THE SOVIET UNION. THE SOVIET UNION ACCEPTS THE PLAN OF RETURNING PRISONERS TAKEN IN THE KOREAN WAR IN ACCORDANCE WITH THEIR WISH, AND ADOPTS IN ESSENCE THE UNITED STATES PLAN FOR UNIVERSAL DISARMAMENT. THE OFFERS DO NOT, NATURALLY, ACCEPT EVERYTHING THAT THE UNITED STATES HAS ASKED, BUT NEVERTHELESS THE OFFER IS BROAD. WE CAN AND DO SUSPECT IT. WE CAN ALSO CONTINUE TO STALL AND OBJECT. WE CAN INCREASE OUR DEMANDS, AS IN THE CASE OF THE DIVISION OF KOREA AND THE DISPOSAL OF FORMOSA.

BUT IF PEOPLE LIKE YOU INSIST, PEACE ON EARTH IS IN SIGHT. OUR SOLDIERS CAN RETURN FROM ABROAD AND WE CAN STOP TRYING TO ARM THE EARTH FOR WAR. TAXES CAN COME DOWN AND WE CAN STILL HAVE MONEY FOR MORE EDUCATION, FOR SOCIAL MEDICINE, FOR HOUSING AND FOR FLOOD CONTROL.

35-8-59

IF HOWEVER YOU CONTINUE TO BE MISLED BY HYSTERICAL FEAR OF THE SOVIET UNION AND COMMUNISM, WAR WILL CONTINUE, AND YOU WILL GO ON TOWARD THE INEVITABLE PENALTY OF THOSE PERSONS AND PEOPLES WHO IN THE PAST HAVE TRIED TO CONQUER THE EARTH, and failed.

-23-

~~PENALTY OF THOSE PERSONS AND PEOPLES WHO IN THE PAST HAVE TRIED TO CONQUER THE EARTH.~~

The American Labor Party salutes a great President, Franklin Delano Roosevelt, on the eighth anniversary of his death.

(Dissolve to medium shot of Marcantonio and Du Bois)

Announcer: The participants in tonight's program are the Honorable Vito Marcantonio and Dr. W.E.B. Du Bois.

Marcantonio: Eight years ago yesterday Franklin D. Roosevelt died. With his death there passed into history a great era of American government truly of the people, for the people and by the people. The Age

Dr. Du Bois, undoubtedly this is not the first time that this has occurred in the history of our nation. I am sure you can tell us the instances in history when the agents of slavery and the mouthpieces of the big and powerful have made efforts to besmirch and destroy the memory of those who nobly gave of themselves in defense of the freedom and best interests of their fellow countrymen.

Over America today there has fallen a pall of fear. In many places tyranny reigns over the minds of men. We seem to have forgotten that tyranny cannot be confined, cannot be quarantined. Deprive anyone of the rights guaranteed under the Bill of Rights, and you deprive everyone. Impose tyranny on any section of the country, or on any minority, and it spreads to engulf the entire nation. The fountain-head of tyranny has been for many years the inquisition of today .... The Un-American Activities Committee, the similar Senate Committees, the McCarthy and the Jenner Committees. When I was in Congress I led the fight against them, and back in 1942 I made a speech against what was then the Un-American Activities, the Dies Committee. I sent a copy of that speech to Franklin D. Roosevelt. I now hold here in my hands his reply. It is very short and I shall take a moment to read it.

(Reading of Roosevelt Letter by Marcantonio)

This letter shows Roosevelt's skill in fighting against those who would suppress any form of dissent or disagreement. Roosevelt also used humor as a great weapon:

Marcantonio: It is significant that Roosevelt delivered this speech before the Teamsters Union. Roosevelt was indeed a great champion of American labor. Never, since he died, has there been anyone in the White House who made the interests and the problems of the man and woman who work for a living, his concern and his problems.

Marcantonio: (cont'd)

(1½ minutes)

It was under Roosevelt's leadership that we obtained for American labor the minimum wage and hour law, the Magna Charta of labor -- the National Labor Relations Act, which was enacted at his request. It was Roosevelt who vetoed the iniquitous Smith-Connally Act, and I am sure that if he had lived he would have gallantly fought against the equally iniquitous Taft-Hartley Law of today.

46-10-99

Roosevelt more than anyone else in his time realized that great gains for labor could be secured only with a nation at peace; that social gains would be sacrificed if the nation were geared to an economy of war.

His leadership of America in World War II, the war foisted upon us by a ruthless enemy, never diverted Roosevelt from the essential

Marcantonio: (cont'd) task which he assumed, that of making his first objective the achievement of world peace.

(Roosevelt Voice):

"We can and we will achieve such peace. We have learned that we cannot live alone at peace. We have learned the simple truth, as Emerson said, that the only way to have a friend is to be one. We can gain no lasting peace if we approach it with suspicion and mistrust, or with fear. Marcantonio: I am confident that with a Roosevelt in the White House the story would have been different on June 27, 1950. There would never have been almost 25,000 Americans uselessly killed in Korea. I opposed that war then because I felt it was unconstitutionally begun and against the best interests of our nation and our people. We were told that it would last only a few months - it has gone into almost 3 years - a useless war not in the defense of a single American interest nor a single American principle. We were plunged into a war in which the Chinese people had to fight, just as we would have had to fight if there had been a Chinese Army on Mexican soil, for Korea is to China what Mexico is, geographically, to the United States.

46-10-103

But as to who began the war and whether or not it should have been started, as I wrote to President Eisenhower in a recent letter, are questions over which further discussion at this time can be of

Marcantonio: (cont'd) no avail. History will pass its irrevocable judgment. This debate is behind us. What is before us is to achieve what President Eisenhower described last October as an early and honorable end to this war. Our people and people everywhere pray fervently for this result.

The proposal of Premier Chou En lai of China meets every requirement of the American people's objective of an early and honorable end of this war. It is in consonance with the principles of the Indian proposal accepted by the United Nations. I endorsed the Indian resolution at the time it was proposed.

46-10-104

Therefore, we can no better commemorate the memory of America's great peacemaker, who fought a war indeed to make it the last war of mankind, than by dedicating our minds, our energies and prayers towards achieving an immediate peace in Korea.

THE MARCANTONIO - DU BOIS TELEVISION PROGRAM
April 13, 1953

(Burying the memory of Roosevelt - Marcantonio; Burying the memory of other great Americans - DuBois. 1 minute)

There are indeed other great Americans whom we have tried to forget: Charles Sumner is almost unknown today; ~~a gentleman and~~ a ~~scholar~~, our greatest defender of democracy since Thomas Jefferson, who was nearly beaten to death on the floor of the Senate for telling the truth. Wendell Phillips, who championed freedom not only for black labor but for white; Thaddeus Stephens, painted as one whose life was hate, in fact, was foremost champion of our public schools, and ~~who~~ insisted that the ballot for Negroes without food and shelter was a farce. Last and not least, our greatest historians ignore Frederick Douglass, corner stone of the abolition movement, well. ~~whom Tilton~~ called "the noblest slave that ever God set free."

36-11-36

(The Four Freedoms - Marcantonio; Freedom from Fear - Du Bois. 1½ minutes)

We who today shriek freedom from the housetops, find it all too easy to forget the last Freedom which Franklin Delano Roosevelt proclaimed -- freedom from Fear. A West African wrote me yesterday "I often wonder why a great country like the United States should be so frightened out of its wits." He did not exaggerate. We see Russian planes in every explosion. Our college students are too scared even to ask questions; our teachers of economics and sociology have gone into hiding. Our preachers are silent or evasive. In this

atmosphere of fear we are letting ourselves be taxed into poverty and spending our substance for ~~munitions and~~ horrible machines of ~~murder and~~ destruction rather than for education, fighting disease and spreading flood control. The open forum where Americans used to inquire into all knowledge, has closed its doors or opened only one side. We must indeed fear Fear itself.

(Falla - Roosevelt could fight and laugh. Marcantonio-Du Bois. 1½ minutes)

The ability to laugh and still fight is far more valuable than tearful self-pity. It was this rare gift ~~which~~ of Franklin Delano Roosevelt ~~possessed. It was this~~ which enabled him to face the attack on civil rights in this land ~~and expose its fundamental failures.~~ Consider the anomaly of refuses to support a UN commission on human rights a free democracy which openly and persistently practices color caste both by law and custom. If we complain that our Negro citizens are poor and ignorant, what can we answer when the world points out that the schools Negroes attend are poor and few and that they are not allowed to work according to ability or paid equal wages for the same work which white laborers perform? Roosevelt gave the only sensible answer to this when he said that discrimination in work because of color is wrong. He thereupon established the first Federal Employment Practices Commission in 1941 ~~to ensure that American labor should be paid for its work and not for its color.~~ Southerners by a filibuster ~~in Congress~~ killed the FEPC in 1946 but 7 state laws and several city ordinances still continue this just policy.

36-11-37

(Peace - Du Bois. 2½ minutes)

We have not become the most warlike nation in all history because we hate our fellow men. We are not arming ourselves with the most destructive weapons of which the world ever dreamt because we want human beings to die and

their property destroyed. No, we are not devils of that sort! We arm for desperate and world-wide war, because we have listened to and believe those who solemnly tell us that either we destroy the world or we will be destroyed. This we should know is a wicked lie. If most nations in the world today hate and fear America it is not because they want to hurt us, but because so clearly and stubbornly we seem determined to hurt them and to make it impossible for them to live as they wish. These nations include not only communist, but capitalist and neutral states. No nation in the world today wishes to change our way of life by force unless that way of life means that no one else can try any other way. Why now are we told this lie with insistence and endless repetition in newspaper, magazine, book, play and broadcast? Only because there are persons and powerful interests in the United States and elsewhere who control communication and hope to gain wealth and more power through world war. Who want land free and labor cheap not only in Asia and Africa but in Russia and the Balkans; who want to break the power of organized labor in this nation and in western Europe so as to increase private profit, and who still cherish the dream of a South America and Caribbean area controlled by British, French and American corporations. We must see through this wicked conspiracy. We must learn just what is going on in the ~~Soviet~~ Union and ~~in its~~ sister ~~states;~~ in the new and struggling China; we must insist on knowing the facts of the war in Korea. The nation which willingly listens to lies and refuses to know the truth will never be free.

36-11-28

Cease fire now. Bring back our troops from ~~Europe, Asia and Africa~~ abroad; dismantle our ~~costly~~ forts that circle the world. ANNOUNCER: (OPENING, OVER TITLE CARD ON SCREEN)

The American Labor Party salutes a great President, Franklin Delano Roosevelt, on the eight anniversary of his death.

(DISSOLVE TO MEDIUM SHOT OF MARCANTONIO AND DU BOIS)

ANNOUNCER: The participants in tonight's program are the Honorable Vito Marcantonio and Dr. W. E. B. Du Bois.

MARCANTONIO: Eight years ago yesterday Franklin D. Roosevelt died. With his death there passed into history a great era of American government truly of the people, for the people and by the people. The Age of Roosevelt took its place with the Age of Jefferson, the Age of Jackson and the Age of Abraham Lincoln.

(50 seconds)

Roosevelt led the American people towards the achievement of many milestones in the endeavors of the common man for security and freedom.

Today we find what seems a wilful conspiracy to bury with the man, his deeds and his words.

Dr. Du Bois, undoubtedly this is not the first time that this has occurred in the history of our nation. I am sure you can tell us the instances in history when the agents of slavery and the mouthpieces of the big and the powerful have made efforts to besmirch and destroy the memory of those who nobly gave of themselves in defense of the freedom and best interests of their fellow countrymen.

36-10-78

DU BOIS: There are indeed other great Americans whom we have tried to forget: Charles Sumner is unknown today, [redacted], our greatest defender of democracy since Thomas Jefferson, who was nearly beaten to death on the floor of the Senate for telling the truth; Wendell Phillips, who championed freedom not only for black labor but for white; Thaddeus Stevens, painted as one whose life was hate, in fact was foremost champion of our public schools, who and insisted that the ballot for Negroes without food and shelter was a farce. Last and not least, our greatest historians ignore Frederick Douglass, cornerstone of the abolition movement, whom Tilton called "the noblest slave that ever God set free."

(1 minute)

MARCANTONIO: I am confident, though, Doctor, that the American people will not forget the Roosevelt who gave them the inspiration to carry on in one of America's darkest moments back in 1933.

(10 seconds)

(ROOSEVELT VOICE)

"This great nation will endure as it has endured, will revive and will prosper. So first of all let me assert my firm belief that the only thing we have to fear is fear itself."

(20 seconds)

DU BOIS: He who today shriek freedom from the housetops, ~~find it all too~~ [redacted] forget the last Freedom which Franklin Delano Roosevelt proclaimed [redacted]. A West African wrote me yesterday -- "I often wonder why a great country like the United States should be so frightened ~~out of its wits~~" He did not exaggerate. We see Russian planes in every explosion. [redacted] college students are too scared even to ask questions; [redacted] teachers of economics and sociology have gone into hiding. [redacted] preachers are silent or evasive. In this atmosphere of fear we are letting ourselves be taxed into poverty and spending our substance for munitions and horrible machines of

DU BOIS: (cont'd) murder and destruction rather than for education, fighting disease and spreading flood control. The open forum where Americans used to inquire into all knowledge has closed its doors or opened only one side. We must indeed fear Fear itself.

(1½ minutes)

MARGANTONIO: Over America today there has fallen a pall of fear. In many places tyranny reigns over the minds of men. We seem to have forgotten that tyranny cannot be confined, cannot be quarantined. Deprive anyone of the rights guaranteed under the Bill of Rights, and you deprive everyone. Impose tyranny on any section of the country, or on any minority, and it spreads to engulf the entire nation. The fountainhead of tyranny has been for many years the inquisition of today....the Un-American Activities Committee, the similar Senate Committees, The McCarthy and the Jenner Committees. When I was in Congress I led the fight against them, and back in 1942 I made a speech against what was then the Un-American Activities, the Dies Committee. I sent a copy of that speech to Franklin D. Roosevelt. I now hold here in my hands his reply. It is very short and I shall take a moment to read it.

(READING OF ROOSEVELT LETTER BY MARGANTONIO)

This letter shows Roosevelt's skill in fighting against those who would suppress any form of dissent or disagreement. Roosevelt also always used humor as a great weapon:

(ROOSEVELT VOICE): "These Republican leaders have not been content with attacks on me or on my wife or on my sons. No, not content with that, they now include my little dog, Fala."

(20 seconds)

DU BOIS: The ability to laugh and still fight is even more valuable than tearful self-pity. It was this rare gift which Franklin Delano Roosevelt possessed. It was this which enabled him to face the

36-10-80

DU BOIS: (cont'd)

attack on civil rights in this land ~~and expose its fundamental~~ fallacies... Consider the anomaly of a free democracy which openly and persistently practices color caste both by law and custom. If we complain that our Negro citizens are poor and ignorant, what can we answer when the world points out that the schools Negroes attend are poor and few and that they are not allowed to work according to ability or paid equal wages for the same work which white laborers perform?

(1½ minutes)

Roosevelt gave the only sensible answer to this when he said that discrimination in work because of color is wrong. He ~~thereupon~~ established the first Federal Employment Practices Commission in 1941 to ensure that American labor should be paid for its work and not for its color. Southerners, by a filibuster in Congress killed the FEPC in 1946, but 7 state laws and several city ordinances still continue this just policy.

MANGANTONIO: It is significant that Roosevelt delivered this speech before the Teamsters Union. Roosevelt was indeed a great champion of American labor. Never, before or since he died, has there been anyone in the White House who made the interests and the problems of the men and women who work for a living, his concern and his problems.

(1½ minutes)

It was under Roosevelt's leadership that we obtained for American labor the minimum wage and hours labor law, the Magna Charta of labor - the National Labor Relations Act, which was enacted at his request. It was Roosevelt who vetoed the iniquitous Smith-Connally Act, and I am sure that if he had lived he would have gallantly fought against the equally iniquitous Taft-Hartley Law of today.

Roosevelt more than anyone else, in his time realized that great gains

36-10-21

MARGANTONIO: (cont'd) for labor could be secured only with a nation at peace; that social gains would be sacrificed if the nation were geared to an economy of war.

His leadership of America in World War II, the war foisted upon us by a ruthless enemy, never diverted Roosevelt from the essential task which he assumed, that of making his first objective the achievement of world peace.

(ROOSEVELT VOICE):

"We can and we will achieve such peace. We have learned that we cannot live alone at peace. We have learned the simple truth, as Emerson said, that the only way to have a friend is to be one.

(52 seconds) We can gain no lasting peace if we approach it with suspicion and mistrust, or with fear. We can gain it only if we proceed with the understanding and the confidence and the courage which flow from conviction."

DU BOIS: ~~We have now become the most warlike nation in all history because we hate our fellow men.~~ We are not arming ourselves with the most destructive weapons of which the world ever dreamt because we want human beings to die and their property to be destroyed. No, we are not devils of that sort: We arm for ~~communism and~~ world-wide war because we have listened to and believe those who solemnly tell us that ~~either we destroy the world or we will be destroyed.~~ We ourselves are in grave danger This we should know is ~~a mistake~~ untrue If most nations in the world today ~~hate and~~ fear America it is ~~not because they want to hurt us, but~~ because ~~so stupidly~~ we seem determined ~~to hurt them and~~ to make it impossible for them to live as they wish.

(2½ minutes) These nations include not only communist, but capitalist and neutral states. No nation in the world today wishes to change our way of

36-10-82

DU BOIS: (cont'd)

life by force [unless that way of life means that no one else can try any other way.] Why now are we told this lie with [illegible] and endless repetition in newspaper, magazine, book, play and broadcast? Only because there are [illegible] powerful interests in the United States [illegible] who control communication and hope to gain wealth and more power through world war; who want land free and labor cheap not only in Asia and Africa but in Russia and the Balkans; who want to break the power of organized labor in this nation and in western Europe so as to increase private profit and who still cherish the dream of a South American and Caribbean area controlled by British, French and American corporations. We must see through this wicked conspiracy. We must learn [illegible] what is going on in the Soviet Union and in its sister states; in the new and [illegible] China; we must insist on knowing the facts of the war in Korea. The nation which willingly listens to lies and refuses to know the truth will never be free.

Cease fire now. Bring back our troops from Europe, Asia and Africa; dismantle our costly forts that circle the world. Stop our aid to empires trying to conquer colonial peoples [illegible] [illegible]; refuse longer to support [scoundrels like men] Chiang Kai Shek, Syngman Rhee and Bao Dai; cut our impossible tax burden, house our people, educate our children and declare a world policy of peace on earth, goodwill to men.

MARCANTONIO: I am confident that with a Roosevelt in the White House the story would have been different on June 27, 1950. There would never have been almost 25,000 Americans uselessly killed in Korea.

(2½ minutes) I opposed that war then because I felt it was unconstitutionally

MANSANSONIO: (cont'd)

begun and against the best interests of our nation and our people. We were told then that it would last only a few months - it has gone into almost 3 years - a useless war not in the defense of a single American interest nor a single American principle. We were plunged into a war in which the Chinese people had to fight, just as we would have had to fight if there had been a Chinese Army on Mexican soil, for Korea is to China what Mexico is, geographically, to the United States.

But as to who began the war and whether or not it should have been started, as I wrote to President Eisenhower in a recent letter, there is a question over which further discussion at this time can be of no avail. History will pass its irrevocable judgment. This debate is behind us. What is before us is to achieve what President Eisenhower described last October as an early and honorable end to this war. Our people and people everywhere pray fervently for this result.

The proposal of Premier Chou En lai of China meets every requirement of the American people's objective of an early and honorable end of this war. It is in consonance with the principles of the Indian proposal accepted by the United Nations. I endorsed the Indian resolution at the time it was proposed.

Therefore, we can no better commemorate the memory of America's great peacemaker, who fought a war indeed to make it the last war of mankind, than by dedicating our minds, our energies and prayers towards achieving an immediate peace in Korea.

POLAND

TEN YEARS AGO THIS MONTH 10,000 JEWS LAY DEAD IN WARSAW, AND THERE DISAPPEARED THE GREATEST MODERN CENTER OF JEWISH CULTURE. // THIS TRAGEDY OTHERS CAN DISCUSS BETTER THAN I. // I HAVE THOUGHT THAT PERHAPS I COULD DO BEST BY CALLING YOUR ATTENTION TO THE HISTORY OF THE NATION WHICH WAS THE CENTER OF THIS DRAMA, THAT IS, POLAND. // FEW NATIONS OF MODERN TIMES HAVE HAD A MORE TRAGIC STORY. // NEARLY A THOUSAND YEARS AGO SLAVIC TRIBES SET UP THIS STATE, WHICH FLOURISHED AND FELL apart until A DUKE OF LITHUANIA UNITED THE COUNTRY. // DURING THE 14th, 15th AND 16th CENTURIES and Poland REACHED ITS GOLDEN AGE. // It GREW AN EMPIRE WHICH STRETCHED FROM THE BALTIC TO THE BLACK SEA. // IT BECAME THE CHAMPION OF EUROPE AGAINST EXPANDING MOHAMMEDANISM. // THE ARTS AND SCIENCES FLOURISHED AND CULMINATED IN THE GREAT ASTRONOMER COPERNICUS, WHO FIRST SAW THE EARTH REVOLVING AROUND THE SUN. // AT THE SAME TIME, THERE BEGAN TO APPEAR those DECAY WHICH LASTED UNTIL THE 20th CENTURY. // THAT WAS THE RULE OF A SELFISH,

-2-

aristocracy WHO DOMINATED THE LEGISLATURE, ELECTED THE KINGS, MONOPOLIZED THE LAND AND REDUCED THE PEASANTS TO SERFDOM. // IN THE 17th CENTURY, POLAND STAGGERED UNDER THE ATTACKS OF SWEDEN AND RUSSIA, BUT SPECTACULARLY rose TO LEADERSHIP IN EUROPE. // AS THE OLD CHRONICLE SAYS, "THERE WAS A MAN CALLED OF GOD AND HIS NAME WAS JOHN." // IT WAS THIS JOHN SOBIESKY WHO SAVED VIENNA FROM THE TURKS AND thus DECIDED THE NEXT 500 YEARS OF WORLD HISTORY. THAT WAS BUT A SPURT BEFORE DEATH IN THE 18th CENTURY // WHEN POLAND CEASED TO BE AN INDEPENDENT COUNTRY AND WAS THREE TIMES DIVIDED AMONG ITS POWERFUL NEIGHBORS, RUSSIA, PRUSSIA, AND AUSTRIA.

36-11-138

IP MEANTIME THERE WAS, AS YOU WELL KNOW, A FOREIGN ELEMENT THAT HAD LONG PLAYED ITS PART IN POLAND // AND THAT WAS THE JEWS. // DURING THE FALL OF ROME THIS HOMELESS PEOPLE APPEARED IN EUROPE AND FROM THE 9th UNTIL THE 12th CENTURY EN-
JOYED (in many LOCALITIES) A GOLDEN AGE OF CULTURAL DEVELOPMENT. // THEN WITH THE CRUSADES, THEY STAGGERED UNDER OPPRESSION AND BEGAN A NEW WANDERING. // AND A FRANTIC EFFORT TO FIND AT ONCE OCCUPATION, CULTURAL TOLERATION, AND SOCIAL INTEGRATION. // IN ENGLAND, SPAIN,

FRANCE AND HOLLAND/ THE RESULTS ~~IS~~ are WELL KNOWN.// IN GERMANY/ (after desperate effort) A ~~NEW~~ BASIS OF ACCOMMODATION/ BETWEEN JEWS AND CHRISTIANS/ WAS REACHED IN THE 18TH CENTURY.// BUT, BEFORE THAT/ GERMAN JEWS ~~BEGAN~~ had begun TO MIGRATE TO POLAND.

POLAND WAS A BACKWARD COUNTRY,/ WITH AN ARISTOCRACY/ OWNING LARGE STRETCHES OF LAND/ AND NEEDING CAPITAL FOR ITS DEVELOPMENT.// THEY WELCOMED, at first THE INCOMING JEWS/ AS BANKERS, AND TRADERS;/ AND GRANTED THEM PRIVILEGES, PROTECTION AND ALMOST UNLIMITED RIGHTS OF TRADE.// THERE WERE, DURING THE EARLY MIDDLE AGES/ FEWER ANTI-SEMITIC OUTBREAKS/ OR FRICTION/ BETWEEN JEWS AND CHRISTIANS/ THAN IN CENTRAL EUROPE in Poland.

BUT WHEN THE CATHOLIC CHURCH/ BEGAN TO SPREAD ITS INFLUENCE/ IN POLAND/ AND TRIED/ ~~NOT~~ ONLY TO ATTACK JEWISH RELIGION/ BUT TO OVERCOME PROTESTANT HERESY/ AND THE SPREAD/ OF THE GREEK ORTHODOX CHURCH.// PERSECUTION OF JEWS BEGAN.// BUT IT WAS NOT SIMPLY/ RELIGIOUS PERSECUTION.// IT WAS AT BOTTOM/ THE STRUGGLE OF COMPETING PERSONS/ AND GROUPS/ TO EARN THEIR BREAD AND BUTTER.// AND IT WAS MADE MORE INSOLUBLE/ BECAUSE ~~ONE~~ one GROUP/ DIFFERED IN RELIGION,/ IN INHERITED CULTURE/ IN PERSONAL

36-11-139

APPEARANCE AND IN RACE.// BECAUSE OF THESE CHARACTERISTICS,/ this GROUP/ COULD BE IDENTIFIED and SEGREGATED/ AND/ BLAMES AND FEARS FASTENED UPON ~~THEM~~ IT.

FROM THE 14th TO THE 18th CENTURY/ COMPETITION BETWEEN POLES AND JEWS/ FOR THE SAME OCCUPATIONS/ DROVE THE JEWS, largely OUT OF BANKING/ INTO TRADING,/ CONCENTRATING THEM IN THE TOWNS/ WHICH THE LANDHOLDING NOBILITY/ CAME TO DOMINATE.// THEN TRANSFORMING SHOPKEEPERS/ INTO ARTISANS,/ WHERE THEY COMPETED WITH THE CRAFT GILDS/ WHICH EXCLUDED THEM.// AND FINALLY DEVELOPING INTO FIERCE COMPETITION/ between CAPITALIST EXPLOITERS AND ~~THE~~ among TRADE ~~UNIONS~~ GUILDS.// CONSEQUENTLY, WITH THE 18th CENTURY/ ANTI-SEMITISM REACHED ITS HIGH POINT IN POLAND.// ALL OF THE RESULTS OF ECONOMIC COMPETITION/ IN TRADE,/ IN SKILLS, and IN STOREKEEPING,/ WAS CONCENTRATED/ UPON THE JEWS.// AND THE EMPHASIS was/ PARTICULARLY LAID/ UPON RELIGION, because that was best understood by the mass/ RITUAL MURDERS WERE CHARGED,/ SCHOOLBOYS AND SEXTONS/ HAD TO BE BRIBED/ TO PROTECT JEWS ON THE STREETS.// GHETTOS ~~MULTIPLIED~~ multiplied, AND THE MASS OF THE JEWISH PEOPLE/ WERE FORCED INTO DIRE POVERTY.// BY THE END OF THE 18TH CENTURY/ THE SO-CALLED JEWISH QUESTION/ WAS THE LEADING SOCIAL/ AND POLITICAL PROBLEM/ IN POLAND.

AGAINST THEM:-// GREED;/ HATRED OF GENTILES;/ THE JEWISH WILL/ TO DOMINATE THE WORLD.// EVEN THEIR POVERTY/ WAS PICTURED/ AS A DANGER TO THE POLES.// AND IN RECOIL/ ZIONISM SPREAD AMONG POLISH JEWS/ ~~AND WAS ACCUSED OF BEING~~ (and was interpreted as) A PLOT/ TO ESTABLISH A JEWISH STATE/ IN POLAND// WITH POLES/ UNDER ITS DOMINATION.//

~~THE POLES~~ POLAND FOUGHT WITH GERMANY/ AND AUSTRIA/ AGAINST RUSSIA AND THE ALLIES/ IN THE FIRST WORLD WAR.// AFTER THE WAR/ POLAND WAS DECLARED AN INDEPENDENT KINGDOM,/ BUT THE GERMANS OCCUPIED THE COUNTRY.// POLAND JOINED THE WEST/ IN TRYING TO OVERTHROW THE SOVIETS;/ BUT WHEN PILSUDSKI DIED/ THE POLISH PARLIAMENT/ WAS REDUCED TO BE THE TOOL OF THE MILITARY/ AND POLAND SWUNG TOWARD FASCISM/ AND AWAY FROM THE ALLIES.

THE LAND QUESTION/ STILL WAS NOT FACED.// MORE THAN HALF THE LAND/ WAS OWNED BY THE NOBILITY,// AND THE PEASANTRY,/ ~~WAS CROWDED~~ WAS CROWDED ON HOLDINGS/ TOO SMALL TO MAKE A LIVING.// POLAND LOST/ THE PRE-WAR RUSSIAN MARKETS/ AND COULD NOT RECOVER/ FROM THE WORLD CRISIS OF 1929.// THE STANDARD OF LIVING/ BECAME THE LOWEST IN EUROPE.

EVEN THIS INCREASED ANTI-SEMITISM. // POLES DEMANDED THE EXPULSION OF JEWS FROM POLAND AND THE CONFISCATION OF THEIR PROPERTY WITHOUT INDEMNITY.

HITLER DECLARED WAR ON POLAND IN SEPTEMBER, 1939. / HE OCCUPIED FRANCE A YEAR LATER. // AND IN JUNE, 1941 / HE INVADED RUSSIA. // THE UNION OF SOVIET SOCIALIST REPUBLICS / AFTER ITS LEADERS FOUND / THAT THEY COULD GAIN NO TREATY / WITH THE WEST / HAD SIGNED A NON-AGGRESSION PACT / WITH GERMANY / IN AUGUST, 1939 (as the only alternative) // EVERY NATION CONNECTED WITH THIS FANTASTIC SET OF OCCURRENCES WAS IN CONTRADICTORY PARADOX. // FRANCE WAVERED / BETWEEN RESISTANCE AND COMPLETE SURRENDER. // GREAT BRITAIN HESITATED / BETWEEN RECOGNIZING THE SOVIET UNION / MAKING PEACE WITH GERMANY / AND GOING TO WAR FOR POLAND. THE SOVIET UNION WAS STALLED / BETWEEN HOLDING ITS TERRITORY INTACT / OR YIELDING ENOUGH / TO EITHER GERMANY / OR THE WEST / TO BRING THAT PEACE DO NECESSARY FOR SURVIVAL. // PARTICULARLY / POLAND WAS ABSOLUTELY AT WAR / WITH ITS OWN SOUL. // IT WANTED TO WREST THE UKRAINE / FROM THE SOVIET UNION; / IT WANTED TO REPEL GERMANY; / IT WANTED TO KEEP CLOSE ALLIANCE / WITH GREAT BRITAIN AND FRANCE. // AND OF ALL THESE ELEMENTS / THE THREE MILLION JEWS / IN (IT DARED NOT ACCEPT SOVIET AID AGAINST GERMANY)

POLAND / WERE IN THE MOST DISASTROUS PREDICAMENT // HESITATING BETWEEN THE DEMANDS OF POLAND / OF GERMANY, / OF THE SOVIET UNION / OF BRITAIN; / AND ABOVE ALL / TRYING TO BE TRUE / TO THEIR OWN SELVES / THEIR TRADITION OF CULTURE / AND THEIR ANCIENT RELIGION.

THE SOVIET UNION AND GERMANY / ARRIVED AT A NON-AGGRESSION PACT in 1939. / THEN SUDDENLY / GERMANY INVADED POLAND, / AND THE SECOND WORLD WAR BEGAN. // INTO POLAND FROM THE EAST / CAME THE SOVIET TROOPS. // WITHOUT WARNING, / GERMANY TURNED AND ATTACKED THE SOVIETS in 1941, / AND ALL OF POLAND / WAS UNDER GERMAN OCCUPATION. // DURING THESE WAR YEARS / POLAND PASSED THROUGH HELL. // THE GERMANS METHODICALLY EXTERMINATED / A LARGE PART OF THE POPULATION / BY MASSACRES AND STARVATION / AND TRIED TO REDUCE THE REST / TO SLAVERY. // THREE MILLION JEWS, / REPRESENTING THE NATION / THAT HAD BEEN IN POLAND / FOR TEN CENTURIES, / WERE NEARLY ALL KILLED, / LEAVING LESS THAN 100,000.

~~THE HITLER INVASION HAD / ALMOST WIPED OUT THE JEWS / OF POLAND.~~ / WHAT SHOULD THE REST DO? // THE HITLER MURDERS BEGAN IN MARCH, 1942 / [redacted] AT FIRST / THE ADVICE WAS SUBMISSION (accommodation-yielding) / AND THEN AT LAST / THE REMNANT TURNED / AND FOUGHT

THE TERRIBLE FIGHT/WHICH WE COMMEMORATE TODAY.// FIVE MONTHS THEY FOUGHT/AND DIED.// AND OUT OF THEIR DEATH/ AROSE A NEW POLAND./A POLAND OF POLES (GERMANS) AND JEWS./ UNITED IN A TREMENDOUS EFFORT/TO BUILD A NEW CIVILIZATION.

EARLY IN 1945/THE GERMAN TROOPS/WERE EXPELLED FROM POLAND// AND AT THE YALTA CONFERENCE/OLD POLAND/WAS MERGED WITH THE NEW POLAND/BY HAVING THE HEAD OF THE POLISH EXILES admitted TO THE LUBLIN GOVERNMENT.// THIS WAS THE GOVERNMENT/ THAT WAS RECOGNIZED/BY ENGLAND/AND THE UNITED STATES.//

UNITED

BUT THE ~~new~~ POLAND/TRIED THE OLD TACTICS/OF CONTROL BY LANDLORDS AND ARISTOCRATS/UNTIL MEN LIKE ANDERS AND MIKOLÁJCZYK/WERE EXPELLED.// COMMUNISTS AND LEFT-WING SOCIALISTS/TOOK POWER.// LARGE ESTATES WERE BROKEN UP/AND INDUSTRIES PARTIALLY NATIONALIZED// POLAND BECAME A PEOPLE'S DEMOCRACY/ON THE SOVIET MODEL.// AND THE POLES STARTED WITH ASTOUNDING ENERGY/TO REBUILD THEIR DEVASTATED COUNTRY/AND TO WORK WITH THEIR JEWISH COMPATRIOTS/AS CITIZENS OF A COMMON COUNTRY.

IT WAS THIS BACKGROUND/OF COMPLICATED HISTORY/AGAINST WHICH/THE JEWISH PEOPLE OF POLAND/HAVE PLAYED THEIR PART//AND IN WHICH/THE GREAT TRAGEDY/WHICH TODAY/WE CELEBRATE WAS PLAYED.

POLAND

TEN YEARS AGO THIS MONTH 10,000 JEWS LAY DEAD IN WARSAW, AND THERE DISAPPEARED THE GREATEST MODERN CENTER OF JEWISH CULTURE. THIS TRAGEDY OTHERS CAN DISCUSS BETTER THAN I. I HAVE THOUGHT THAT PERHAPS I COULD DO BEST BY CALLING YOUR ATTENTION TO THE HISTORY OF THE NATION WHICH WAS THE CENTER OF THIS DRAMA, THAT IS, POLAND. FEW NATIONS OF MODERN TIMES HAVE HAD A MORE TRAGIC HISTORY. NEARLY A THOUSAND YEARS AGO SLAVIC TRIBES SET UP THIS STATE, WHICH FLOURISHED AND FELL [redacted] apart until. A DUKE OF LITHUANIA [redacted] UNITED THE COUNTRY, [redacted] DURING THE 14th, 15th AND 16th CENTURIES Poland REACHED ITS GOLDEN AGE. It grew [redacted] TO AN EMPIRE WHICH STRETCHED FROM THE BALTIC TO THE BLACK SEA. IT BECAME THE CHAMPION OF EUROPE AGAINST EXPANDING MOHAMMEDANISM. THE ARTS AND SCIENCES FLOURISHED AND CULMINATED IN THE GREAT ASTRONOMER COPERNICUS, WHO FIRST SAW THE earth [redacted] REVOLVING AROUND THE SUN. AT THE SAME TIME, THERE BEGAN TO APPEAR THE seeds OF THE DECAY WHICH LASTED UNTIL THE 20th CENTURY. THAT WAS THE RULE OF A SELFISH, [redacted]
